

True God 1991

Chapter 1991: white carriage

"I think I'm fine when I have intercourse with Fang Miyu who has a One hundred thousand divine poison body." Ye Chen didn't feel anything wrong when he had relationship with Fang Miyu's One hundred thousand divine poison body .

"You don't have to worry, everything will be fine" Ye Chen told that everything would be fine, so Ye Chen didn't have to worry about anything happening.

"Is Xueying not back, did something happen to her?" Ye Chen asked Chu Yuechan.

"Looks like she didn't come back, where did she go, last night no one else bothered you?" Chu Yuechan told Ye Chen that last night no one bothered Ye Chen and Fang Miyu.

"Looks like I need to find her." Ye Chen took the initiative to find Mu Xueying's whereabouts.

Ye Chen left the house, he let Fang Miyu rest alone.

When Ye Chen came out of the house, he found that it was already evening.

"-__-" Ye Chen seemed to be surprised when he saw that it was already night.

"Hmmm" Yuechan how long have I been doing it?" Ye Chen asked Chu Yuechan.

"Should be quite a while" Chu Yuechan informed that Ye Chen had been doing Fang Miyu for dozens of hours, so it wouldn't be strange for it to turn dark again when they were done.

It wasn't strange that Fang Miyu was exhausted, it turned out that she had already fought Ye Chen for a long time, it was possible that Fang Miyu wouldn't be able to return to normal anytime soon.

"Okay, time to go." Ye Chen went to look for Mu Xueying's whereabouts.

Ye Chen used his connections, he could sense where Mu Xueying was right now.

"She's in quite a deep place, is there the residence of important people?" Ye Chen could sense the presence of Yue Ya and Liu Yue so it should be a special place that had been prepared for high people.

"Xueying is with Yue and Ya'er, looks like she's fine" when Ye Chen found out that Mu Xueying was with Liu Yue and Yue Ya, Ye Chen became quite relieved.

"Master, it seems that there is someone you might not have imagined." Chu Yuechan said to Ye Chen, she told Ye Chen that there was someone Ye Chen might really want to meet.

"who?" Ye Chen asked Chu Yuechan, he wanted to know who Chu Yuechan was referring to.

Ye Chen saw a carriage coming from a distance, the colored carriage seems to be very good, there are several strong protecting people around, they are important people, otherwise how can there be so many strong protecting people around.

Ye Chen was naturally curious about who was inside, he saw who was inside.

When Ye Chen looked inside, he found a very beautiful sight, a beauty turned out to be the person who boarded this carriage.

The beauty of the woman in the carriage was extraordinary, she had white hair and an extremely cold temper, it could be said that this was a super cold goddess who thought the world was an ordinary place.

This beautiful goddess seemed to be in a bad mood, it was obvious from the look on her face.

Ye Chen looked very surprised when he saw the beautiful goddess in front of him, he was quite surprised when he saw the beautiful goddess in front of his eyes.

"she is in this place" Ye Chen did not expect that he would be here, this was quite a shock to Ye Chen.

"Master, don't you want to meet her?" Chu Yuechan asked Ye Chen.

"Of course, I want to see it, looks like it's time to say hello".

Ye Chen naturally intended to meet this beautiful goddess, he would not pass up an opportunity like this.

Ye Chen went and followed the white carriage, Ye Chen was barely seen by the guards who were around.

With Ye Chen's abilities, he naturally wouldn't be found easily, no one would be able to find Ye Chen easily.

The carriage went to a special place that was quite spacious, it was obvious that this place was very, very spacious, it was certain how large this place was, this was a place for noble families and high-ranking people in the God Realm.

They all came to this place for one purpose, they all wanted to see the competition that would start tomorrow.

After arriving at the destination, the beautiful goddess descended, she got down and went straight into the building that was prepared for her.

The maid who was with her came in, meanwhile guards stood guard outside and made sure that no one could infiltrate the beautiful goddess's place.

"she lives here, it's very good" Ye Chen was intrigued when he saw a beautiful goddess in this place, to be honest Ye Chen still didn't expect that he would participate in something like this.

"Master, you better not be too flashy, there are a lot of people with fairly high cultivation here." Chu Yuechan said to Ye Chen, herself telling that around this place there are a lot of people with high cultivation.

"I don't care about them" Ye Chen said that he didn't care about these people.

Ye Chen's main focus was the beautiful goddess that was inside the building, meanwhile Ye Chen ignored the others.

"Geez, looks like nothing else can stop you" Chu Yuechan said to Ye Chen.

Chu Yuechan wouldn't be able to stop Ye Chen, she wouldn't be able to stop Ye Chen who was already focused on someone.

"You better clean your body first, maybe you need it" Chu Yuechan said to Ye Chen.

Chu Yuechan finally gave a very good suggestion, she gave a very good suggestion to Ye Chen.

"It seems you are absolutely right" This time Ye Chen completely agreed with what Chu Yuechan said, he followed Chu Yuechan's advice.

Ye Chen already knows the abode of the goddess, so this will come back again, Ye Chen decided to go inside the fairy gate, he wanted to make a very interesting impression when he had not seen each other for a long time.

Ye Chen used the special bath that was inside the fairy gate, it just so happened that no one used it.

Ye Chen was in a good mood, he seemed very pleased with what had just happened.

"It's been a long time since I haven't seen you in such a good mood." Chu Yuechan appeared beside Ye Chen, she appeared with only a towel wrapped around her.

Fairy Chu Yuechan is very seductive, she has a very seductive charm and is able to confuse any man who sees her.

Ye Chen could admit that Chu Yuechan was a beautiful goddess, unfortunately Chu Yuechan didn't let Ye Chen touch her.

"You may be right" Ye Chen agreed with what Chu Yuechan said, it had been a long time since he had felt this happy.

Chu Yuechan joined Ye Chen, she entered the bath together with Ye Chen.

Ye Chen felt a little hot when he was approached by Chu Yuechan, to be honest Chu Yuechan who was wrapped in a towel was very tempting.

"Wait a minute, why is my body heating up again like before?" Ye Chen saw that his body was heating up again.

"Are you aware of what happened?" Chu Yuechan asked Ye Chen.

"Looks like what I did with Fang Miyu is still lacking." Ye Chen naturally understood his current state.

There was still a remnant of excess Yang Qi in Ye Chen's body, so he felt hot when Chu Yuechan approached him.

Chapter 1992: managed to catch Chu Yuechan

"Perhaps you are absolutely right, I should just ask you for help" Ye Chen agreed with what Chu Yuechan said, that's why he intended to ask Chu Yuechan for help instead.

"Fufufufu, it seems that you have bad thoughts about me." Chu Yuechan saw that Ye Chen had quite bad thoughts towards her.

"There's no one here, so you have to help me" so as not to run, Ye Chen caught Chu Yuechan, he won Chu Yuechan who might run away.

When Ye Chen was about to win over Chu Yuechan, he found out that Chu Yuechan had left instead, he stayed away from Ye Chen and looked for a place that was quite safe from Ye Chen's reach.

"Damn, she's teasing me again" Ye Chen knew Chu Yuechan's purpose, this woman wanted to tease him.

"Looks like you didn't succeed in catching me." Chu Yuechan said that Ye Chen didn't succeed in capturing him.

"I know that" Ye Chen naturally knew that if he didn't succeed in capturing Chu Yuechan, Chu Yuechan's movements were too strong and very difficult to catch.

"Geez, why don't you come, have you given up?" Chu Yuechan asked Ye Chen, Chu Yuechan didn't expect that Ye Chen would give up so soon, this was very unpleasant.

"Next time you should be more careful" Ye Chen said to Chu Yuechan, himself giving Chu Yuechan a warning.

Ye Chen raised his hand, when Ye Chen raised his hand, Chu Yuechan's body immediately moved in front of him.

"ehhhhh ? ? ? ?" Chu Yuechan was surprised when she was able to be moved by Ye Chen, what Ye Chen had just done, it was enough to make Chu Yuechan shocked.

"What did you just do?" Chu Yuechan asked Ye Chen, she asked what Ye Chen had just done.

"I don't know" Ye Chen replied to Chu Yuechan, Ye Chen didn't want to tell Chu Yuechan about what he had just done, he kept what had just happened from Chu Yuechan a secret.

"What was that?" Chu Yuechan tried to guess what Ye Chen had just done, she guessed what Ye Chen had just done to her.

"Don't tell me this is the dimensional power he has." Chu Yuechan realized that Ye Chen had just transferred himself using dimensional power.

It was not strange that Chu Yuechan had no resistance, now that she knew what had happened.

"Hehehehe, now that you are in my hands, what should I do with you?" Ye Chen said to Chu Yuechan, what would he do to Chu Yuechan.

"Master please don't do bad things to me" Chu Yuechan said to Ye Chen, she used gentle words at Ye Chen, it looked like Chu Yuechan was being bullied by Ye Chen.

Ye Chen couldn't bear to listen to Chu Yuechan's words, why was Chu Yuechan able to make such words, Chu Yuechan seemed to know Ye Chen's weakness.

Chu Yuechan had been with Ye Chen for quite a long time, so it was not surprising that she was able to find out what Ye Chen liked.

"I won't be fooled again by you" Ye Chen said that he would not be fooled again by Chu Yuechan, he would not be easily fooled by Chu Yuechan.

"It doesn't work" Chu Yuechan saw that the charade she was putting on didn't work on Ye Chen, it seemed that Ye Chen's defense was much stronger than Chu Yuechan imagined.

"So now who can save you from me" said Ye Chen to Chu Yuechan, Ye Chen now has the upper hand, he can now do whatever he wants to Chu Yuechan.

"Finally after a long time" After being defeated by Chu Yuechan for so long, Ye Chen was finally able to win against Chu Yuechan, he had an absolute victory against Chu Yuechan.

"Yes, you have won, according to my promise at that time you can do whatever you want" Chu Yuechan said to Ye Chen.

Since Ye Chen had managed to get a victory with hard work, Chu Yuechan let Ye Chen do whatever he wanted.

"Very good" Ye Chen was very happy, he got what he wanted, this is a very good thing.

Ye Chen didn't want to waste time, time was very important to him so Ye Chen didn't want to waste time and pulled the towel that Chu Yuechan had.

When Ye Chen pulled the towel that Chu Yuechan was wearing, he saw a very beautiful body, this was a beautiful work that Ye Chen had to admire.

Chu Yuechan's face would turn red when she was noticed by Ye Chen, it was very clear that Chu Yuechan was embarrassed by what had happened.

It was very rare to see Chu Yuechan like this, to be honest Ye Chen did not expect that Chu Yuechan would become like this.

"This is it" Ye Chen touched Chu Yuechan's double peak, when Ye Chen did this, he found that Chu Yuechan's double peak was very good, the taste was really very good.

"Ummm. . ." Chu Yuechan let out a small sigh, she was forced by Ye Chen, Ye Chen's skill was very strong and made Chu Yuechan feel very comfortable and good.

"So this is the skill he has, it's good" Chu Yuechan had to admire Ye Chen who had very good skills, the skills that Ye Chen possessed were above the heavens, he had very good skills, this could definitely make women whoever fell in love with him.

After all, Ye Chen was currently fighting Chu Yuechan, so he didn't want to take any risks and started fighting seriously.

It could be said that Ye Chen was currently using his full strength against Chu Yuechan.

"You don't have to hold back, just let it out." Ye Chen knew that Chu Yuechan was holding herself back, so he decided to make Chu Yuechan show her true nature.

Honestly Ye Chen wanted to see what Chu Yuechan who was engulfed in lust looked like, it should be really amazing when Chu Yuechan was in this condition.

"You have to work even harder" Chu Yuechan told Ye Chen to work even harder, this was still not enough to cheer her up.

"Is this a challenge?" Ye Chen saw that this was a direct challenge for him, Ye Chen had to answer this challenge, he couldn't let Chu Yuechan be arrogant.

Ye Chen brought out the best skill he had, Ye Chen used the best skill he had on Chu Yuechan.

Ye Chen sucked Chu Yuechan's Cherry bud, Ye Chen used his tongue and teeth to stimulate Chu Yuechan.

"ahhhhhhhh. . ." Chu Yuechan finally couldn't stand it, Ye Chen's current attack was really amazing, this made Chu Yuechan couldn't stand this feeling.

"how?" Ye Chen asked Chu Yuechan, Chu Yuechan's voice just now was very clear, this should be enough.

"That's great, but it's still not enough, dear master." Chu Yuechan told Ye Chen that it was still not enough to subdue her.

Chu Yuechan is much stronger, this is very obvious, Ye Chen's great strength is still a little difficult to subvert Chu Yuechan's last line of defense.

"as expected, you are indeed strong" Ye Chen had to admit that Chu Yuechan was a strong opponent, this might be a good practice for Ye Chen, he might need to upgrade his Dual Cultivation skill, Ye Chen was now too satisfied with what he had.

Chapter 1993: Usually you play with me, now it's my turn to tease you

Ye Chen made a fairly aggressive attack on Chu Yuechan, Ye Chen hoped that the attack he launched could defeat Chu Yuechan.

Chu Yuechan was much stronger when compared to the other women, she endured quite a long time against Ye Chen's attacks.

"Doesn't she feel something?" Ye Chen felt strange about what happened to Chu Yuechan, why was Chu Yuechan still able to survive his attack.

Even though Ye Chen had already shown the best skill he had, it was a pity that the best skill he had was still unable to beat Chu Yuechan.

Chu Yuechan acted quite strong in front of Ye Chen, but in reality she had already started to lose her composure when being attacked by Ye Chen quite aggressively.

Ye Chen's skills were excellent, he had excellent skills and made Chu Yuechan a great pleasure.

Ye Chen felt like he was in the highest level of heaven, this was something that Chu Yuechan was very comfortable with.

Honestly, Chu Yuechan didn't want this to end, she wanted to continue to feel Ye Chen's touch and caress, it was a very pleasant thing for Chu Yuechan.

Ye Chen didn't want to lose to Chu Yuechan, he used his finger and attacked Chu Yuechan's weakest point.

The weakest point was of course the secret garden owned by Chu Yuechan, it should be Chu Yuechan's weakest point.

" Ah no . . ." Ye Chen's hand was quite mischievous, it struck Chu Yuechan's fairly weak point.

Ye Chen's attack seemed quite good, he was able to make Chu Yuechan scream and groan in a voice that was quite tempting to listen to.

Ye Chen's attack was quite dangerous, Chu Yuechan felt that he was already on the edge.

"So this is your weakness, it seems that this is my victory" Ye Chen said to Chu Yuechan.

Ye Chen whispered in Chu Yuechan's ear, he telling her that he would be the winner.

Chu Yuechan did not answer Ye Chen, she did not answer Ye Chen because she knew that she would lose.

Chu Yuechan could only turn her face to the side, she was currently trying to avoid Ye Chen's gaze, if Chu Yuechan continued to stare at Ye Chen, then she would not be able to hold on for long, that's why she didn't look at Ye Chen.

Ye Chen saw that Chu Yuechan was starting to ignore him, most likely Chu Yuechan already knew that he would lose.

"Usually you play with me, now it's my turn to tease you" Previously Chu Yuechan had always teased Ye Chen, now it was Ye Chen's turn to tease Chu Yuechan.

"Ahhh. . ., here is . . ." Chu Yuechan's body trembled, this excess pleasure made her feel that she would attain happiness.

When Chu Yuechan was about to reach the peak, Ye Chen stopped, Ye Chen stopped and started to ignore Chu Yuechan.

Chu Yuechan was naturally surprised by what Ye Chen had done, to be honest she didn't expect Ye Chen to stop so suddenly, it made her feel very uncomfortable.

"hehehehe" Ye Chen chuckled at Chu Yuechan, he managed to make Chu Yuechan uncomfortable, it seemed that his temptation had made Chu Yuechan unable to stand it.

"Why you stop, don't you want to continue?" Ye Chen said to Chu Yuechan.

"hehehe, what?, do you want more, why don't you be honest and admit it" Ye Chen told Chu Yuechan to admit it.

"You are quite mean to me" Chu Yuechan said to Ye Chen, Chu Yuechan felt that Ye Chen was mean to her, Ye Chen did something quite mean to Chu Yuechan.

"How can I be evil, I only do what you often do to me" Ye Chen said to Chu Yuechan.

Ye Chen did what Chu Yuechan often did, he did what Chu Yuechan often did, which often teased him.

This way Chu Yuechan should know how Ye Chen felt when Chu Yuechan teased him.

Chu Yuechan now knew how Ye Chen felt when he teased her in the same way, this was a little uncomfortable for Chu Yuechan.

"I'm sorry about that" Chu Yuechan said to Ye Chen, Chu Yuechan finally apologized to Ye Chen, she apologized for what happened to Ye Chen.

"Okay, I will forgive you, but you have to act even better." Ye Chen finally agreed to forgive Chu Yuechan.

"What ?" Chu Yuechan said to Ye Chen, Chu Yuechan did not expect that Ye Chen would put a condition against her.

"Don't you want to?" Ye Chen asked Chu Yuechan, if Chu Yuechan doesn't want to, it has nothing to lose for Ye Chen.

"hemp" Chu Yuechan sniffed coldly, this time she really lost to Ye Chen, this was quite annoying for Chu Yuechan.

"Today you really bullied me, I will remember this" Chu Yuechan said to Ye Chen, Chu Yuechan will remember what Ye Chen did to her.

"I see." Ye Chen nodded, he was happy that Chu Yuechan would remember this day well.

Chu Yuechan knelt in front of Ye Chen, he knelt down and started helping Ye Chen's younger brother who was below.

It seemed that Chu Yuechan had already accepted her defeat, which meant that she had recognized Ye Chen's strength.

Ye Chen returned to help Chu Yuechan, himself giving Chu Yuechan the happiness he had previously lost.

Chu Yuechan and Ye Chen helped each other, both of them helping each other to make each other happy.

Ye Chen needed Chu Yuechan's Yin Qi, meanwhile Chu Yuechan helped absorb Ye Chen's Yang Qi.

Chu Yuechan's small hands skillfully helped Ye Che, Chu Yuechan's skill was quite good.

Her skills were not inferior to women who had long experience, this made Ye Chen feel at ease.

"You don't have to hold back, just enjoy." Chu Yuechan showed a superiority to Ye Chen, she told Ye Chen not to hold back.

"That alone won't be enough to beat me." Ye Chen told that what Chu Yuechan did was not enough to make him lose.

"You are too confident" Chu Yuechan said that if Ye Chen was too confident, Ye Chen's confidence would get him in trouble.

Ye Chen didn't care too much about it, he didn't really care and attacked Chu Yuechan.

"ahhh. . ." Chu Yuechan shouted and groaned again, she felt an intense feeling from Ye Chen's touch.

"Looks like it won't be long until you lose." Ye Chen said to Chu Yuechan, it wasn't long before Chu Yuechan would lose.

"It's not that easy" Chu Yuechan would put up the best resistance, she shouldn't be easily defeated by Ye Chen, she should be able to put up a decent fight against Ye Chen.

Chu Yuechan tried even harder, her hands teased Ye Chen's younger brother who was below, meanwhile Chu Yuechan used her dual peaks to rub Ye Chen, this was a powerful combination of attacks that Chu Yuechan used to defeat Ye Chen.

Ye Chen liked what Chu Yuechan did, He quite liked what Chu Yuechan did to his young brother.

"no . . ." Chu Yuechan felt very comfortable, she was about to reach the top again.

Ye Chen felt the same way, he felt that he would soon reach the top, Chu Yuechan gave him a comfortable feeling.

Chapter 1994: Meet again with the beautiful goddess

The two of them were both comfortable, it was obvious that they were both enjoying this moment to their heart's content.

"no . . ." Chu Yuechan became the first person to reach the top, herself being the first person to reach the top.

A while later Ye Chen followed Chu Yuechan's footsteps.

"Uh. . ." both of them looked so exhausted, they reached the top at the same time.

"It seems that was my win" Ye Chen said that it was his win.

"No, that was my victory." Chu Yuechan said that it was her victory, she was the first to beat Ye Chen.

Ye Chen and Chu Yuechan argued with each other, both of them feeling victorious with each other.

"Made a rematch?" Chu Yuechan asked Ye Chen, Chu Yuechan decided to have a rematch against Ye Chen.

"Okay, I won't be afraid." Ye Chen said that he wouldn't be afraid to fight Chu Yuechan again.

"Big brother, big sister, what are you guys doing?" Little Shen Niang came over, she asked what Ye Chen and Chu Yuechan were doing.

Ye Chen and Chu Yuechan were shocked when they saw little Shen Niang who arrived behind them, both of them were not aware of the existence of little Shen Niang.

"We are relaxing" Ye Chen told little Shen Niang what they were doing.

"So you guys are relaxing, then I'll come along." Little Shen Niang seemed to be very interested in what Ye Chen and Chu Yuechan were doing.

Little Shen Niang joined in, she got into the water and started to join together with Ye Chen and Chu Yuechan.

Ye Chen and Chu Yuechan did not expect that little Shen Niang would join them, to be honest this was something that Ye Chen and Chu Yuechan could not imagine.

Ye Chen might get into trouble, he would get into trouble when little Shen Niang joined the bathing pool.

Little Shen Niang is a beautiful goddess, when she dives into the water she creates a very beautiful sight that pleases Ye Chen's eyes.

"How can there be such a thing in this world" Ye Chen couldn't believe it when he saw this, he couldn't believe it when he saw a beautiful scene like this.

"worthy of being the first goddess in the God Realm" Chu Yuechan agreed with what Ye Chen said, as a woman, she had to admit that little Shen Niang was a super beautiful woman.

"This will be a bit of a problem for me" Ye Chen felt that this would be a problem for him, Ye Chen felt that this would be quite a serious problem for him

Little Shen Niang's beauty made Ye Chen couldn't stand it, Ye Chen couldn't stand the little Shen Niang's beauty, it was quite difficult to contain himself when faced with this kind of situation.

"Master, where are you going?" Chu Yuechan asked Ye Chen, she asking where Ye Chen was going.

"I have something to do" Ye Chen said to Chu Yuechan, he was looking for an excuse to leave this place.

"Are you sure, our battle isn't over yet?" Chu Yuechan said to Ye Chen, she told Ye Chen that their battle was still not over.

"We will continue this next time" Ye Chen answered this, she would continue this next time.

"Fufufufu" Chu Yuechan laughed, it could be said that this time it was her victory.

Ye Chen came out from inside the fairy gate, he went to see the beautiful goddess who was outside.

"Elder sister, why did big brother leave?" Little Shen Niang asked Chu Yuechan.

"He has something to do" Chu Yuechan told little Shen Niang that Ye Chen had something to do.

"I see." Little Shen Niang understood, she could understand that Ye Chen was busy.

"I think big brother hates me" said little Shen Niang.

"How could that be, you are a very beautiful goddess, there is no way any man would hate you" Chu Yuechan said to little Shen Niang with such beauty, it was impossible for a man to hate little Shen Niang.

"Really?" Little Shen Niang seemed happy when she heard this, it seemed that Ye Chen was not angry with him.

"let me help you" Chu Yuechan was going to help little Shen Niang take a bath, she helped clean up this beautiful goddess.

Little Shen Niang was happy, she enjoyed bathing together with Chu Yuechan, it could be said that both of them enjoyed their bath comfortably and without any disturbance.

"No, big sister what are you doing" Little Shen Niang asked Chu Yuechan, she saw that Chu Yuechan was trying to tease her.

"I'm quite envious of this skin, how did you get super smooth skin like this" Chu Yuechan was a little envious of little Shen Niang, it was natural to see Chu Yuechan envious of little Shen Niang.

"Ahhh. . ." Little Shen Niang's sighs grew louder and louder, if Ye Chen heard this, then she would definitely be excited.

Chu Yuechan continued to tease little Shen Niang, herself teasing little Shen Niang who did not know anything.

Ye Chen came out of the fairy gate, Ye Chen went straight to the place of the beautiful goddess.

With the sneaking skill, Ye Chen could easily get inside the goddess's house.

"This is too easy" Ye Chen felt that it was too easy, he could feel that it was too easy to do.

Ye Chen saw the beautiful goddess who was looking out around her there were several maids guarding her.

"You all come out, I want to be alone" the beautiful goddess told everyone to get out, she ordered everyone to leave her alone.

"Yes . . ." all withers do as the beautiful goddess commands, they all dare not disobey the orders of the beautiful goddess.

"I wonder what she's thinking right now" Ye Chen was quite curious about what this beautiful goddess was thinking.

He seemed to have a lot on his mind, and it could be seen that those thoughts were uncomfortable for the beautiful goddess in front of him.

"Humph. . . ." the beautiful goddess sighed, she sighed a few times,

"It's been a while, what do you think he is doing right now ?" the beautiful goddess was thinking about someone, she was thinking about someone in her heart.

"Is he thinking about me?" Ye Chen wanted to know if the beautiful goddess was thinking of him, if that was the case, it would be an extraordinary for Ye Chen.

Ye Chen had left a mark that the beautiful goddess would never forget, so she should be thinking about Ye Chen.

"Ye Chen, are you still alive, I haven't heard from you in a long time, what are you doing now" the beautiful goddess finally said Ye Chen's name, it had been a long time since she had received news from Ye Chen.

Ever since Ye Chen spent all his time on adventures, the beautiful goddess had never heard from Ye Chen again.

"I knew that he was still thinking about me." Ye Chen had already guessed this, he had already guessed that the beautiful goddess in front of him still had feelings for him.

If this beautiful goddess had no feelings, then how could she think of Ye Chen.

"But why would he accept the proposal, is she forced, I will not allow this" Ye Chen will not allow this, she must save the beautiful goddess.

Ye Chen descended, he began to approach the beautiful goddess in front of him, without the beautiful goddess noticing, Ye Chen was already behind the beautiful goddess's body.

Ye Chen started to reach out and hug the beautiful goddess in front of him.

Chapter 1995: Goddess Dongfang Xiu is cornered

When the beautiful goddess felt someone hugging her from behind, she was very surprised, how could she not notice someone's arrival.

With the cultivation of the beautiful goddess, she should be able to detect someone's arrival, so there was no way she wouldn't be able to detect this person's arrival.

The beautiful goddess uses her power, an Ice power envelops her body and will freeze everyone who is near her.

Ye Chen had formidable strength, the attacks used by this beautiful goddess would not be able to injure herself.

"As usual, you are very unfriendly." Ye Chen said to the beautiful goddess in front of him, he said that the beautiful goddess was not friendly to him.

The beautiful goddess trembled when she heard this voice, to be honest she was quite surprised when she heard this voice.

"impossible" the beautiful goddess did not believe what she heard, to be honest what she heard was impossible to happen.

"What is impossible ?" Ye Chen said to the beautiful goddess in front of him, this beautiful goddess looked dazed when she met Ye Chen.

"How did you get to this place?" the beautiful goddess asked Ye Chen, how did Ye Chen get to this place.

"Maybe because someone thought of me, so I came and took a look" Ye Chen said to the beautiful goddess.

"No way, you are clearly lying" the beautiful goddess said to Ye Chen.

"Why should I lie to the beautiful goddess Dongfang" Ye Chen said to the beautiful goddess.

Dongfang Xiu turned around, she showed herself towards Ye Chen.

Dongfang Xiu was wearing a face covering, she was doing this to avoid unwanted things.

Ye Chen took Dongfang Xiu's face mask, strangely Dongfang Xiu didn't fight back when Ye Chen took the mask she was wearing.

"You are so beautiful" Ye Chen said to Dongfang Xiu.

Dongfang Xiu was silent, she was still shocked when she saw Ye Chen in front of her.

The man in front of her was indeed Ye Chen, he was the man who had helped her and engraved himself in Dongfang Xiu's heart.

Dongfang Xiu saw Ye Chen's changes, he could clearly see Ye Chen's changes.

Ye Chen looked more mature than the last time they met, right now he had a very impressive aura, and it could be said that Ye Chen was very handsome and full of very strong charm.

"Why are you here?" Dongfang Xiu asked Ye Chen, herself asking what Ye Chen was doing in this place.

"I told you that I came because I listened to the beautiful goddess' request" Ye Chen said to Dongfang Xiu.

"You always mess with me, can you be a little serious" Dongfang Xiu said to Ye Chen.

"I'm serious here" Ye Chen told that he was quite serious about what he said.

"I didn't expect that you would think of me." Ye Chen didn't expect that Dongfang Xiu would still think of him.

"Who thinks of you, I don't think of you." Dongfang Xiu slenderly denied what had happened and said that she wasn't thinking of Ye Chen.

"Then why are you saying something like this."

"Ye Chen, are you still alive, I haven't heard from you in a long time, what are you doing now?"

Ye Chen repeated what Dongfang Xiu said, he repeated the part when Dongfang Xiu thought of Ye Chen.

Dongfang Xiu was slightly embarrassed, she was quite embarrassed when Ye Chen repeated the words she used earlier.

"So you've been here for a long time." Dongfang Xiu didn't expect that Ye Chen had been in this place for so long.

Dongfang Xiu used a slightly colder tone of voice, she used a cold voice to cover up her embarrassment.

"Of course I've been in this place for a long time." Ye Chen nodded, he said that he had been in this place for a long time.

"I hope you forget what you heard just now." Dongfang Xiu told Ye Chen to forget what he had heard earlier.

"I'm so sorry, but it looks like it would be a very difficult thing to do." Ye Chen couldn't possibly forget this.

"If I say forget it, then you should forget it" Dongfang Xiu said to Ye Chen.

Dongfang Xiu used her power to intimidate Ye Chen.

"hahahaha" Ye Chen just smiled when he saw what Dongfang Xiu was doing.

"Are you seriously threatening me?" Ye Chen said to Dongfang Xiu.

"impossible" Dongfang Xiu couldn't believe it when she saw this, her pressure didn't affect Ye Chen.

"Do you think I came here without any preparation" Ye Chen said to Dongfang Xiu.

Ye Chen came here well prepared, so he wouldn't be bullied a second time by Dongfang Xiu.

Now Ye Chen was above Dongfang Xiu, so Dongfang Xiu couldn't afford to bully Ye Chen.

"I've been through quite a lot to get here, you should know how hard it was for me to get to this point" Ye Chen said to Dongfang Xiu.

Dongfang Xiu retreated slightly, it was a little dangerous when Ye Chen was stronger than her.

Previously, Dongfang Xiu wasn't afraid of Ye Chen because she was confident that she could overcome Ye Chen, but the situation was a little different, now that Ye Chen seemed to be much stronger than her, this would be quite a hassle for Dongfang Xiu.

Ye Chen continued to advance, himself continued to advance towards Dongfang Xiu, right now Dongfang Xiu was no match for Ye Chen, so she shouldn't be able to fight Ye Chen.

"back off, don't come any closer" Dongfang Xiu told Ye Chen to back away, she didn't let Ye Chen get any closer to her.

"why, what's the reason why I can't come close" Ye Chen asked Dongfang Xiu, he wanted to know the reason why Dongfang Xiu didn't let him get close.

"If I say so then you shouldn't come any closer" Dongfang Xiu said to Ye Chen.

Dongfang Xiu ordered Ye Chen not to come any closer, she gave an order to Ye Chen not to come near this place.

"Do I care about that?" Ye Chen didn't care about that, he didn't care about what Dongfang Xiu said.

Ye Chen cornered Dongfang Xiu, himself cornered goddess Dongfang Xiu against the wall.

Dongfang Xiu was cornered against a wall, she had no escape from Ye Chen.

This was a super rare sight, how could goddess Dongfang Xiu be cornered by someone, if anyone knew about this matter, they would have already attacked Ye Chen using any means at their disposal.

Ye Chen cornered Dongfang Xiu, he didn't let Dongfang Xiu escape.

"What are you trying to do?" Dongfang Xiu asked Ye Chen, she wanted to know what Ye Chen was trying to do.

"You must know what I want to do" Ye Chen said to Dongfang Xiu, Dongfang Xiu should know what Ye Chen would do.

"Ye Chen, don't mess around, otherwise I'll scream." Dongfang Xiu said to Ye Chen, she told Ye Chen not to do anything.

"Scream, I'm not afraid" Ye Chen told that he wasn't afraid of what Dongfang Xiu did, Ye Chen wasn't afraid of being caught by others.

Dongfang Xiu wanted to call the guards, but when she thought about the chaos that was about to happen, she gave up her intention.

"Do you know that I miss you quite a bit" Ye Chen said to Dongfang Xiu.

"I don't know" Dongfang Xiu said in a nonchalant tone, saying that she didn't know what Ye Chen was thinking.

Chapter 1996: Hai Ming in outside

"You said that you didn't know, you obviously went through the same thing that I went through" Ye Chen said to Dongfang Xiu.

"I never said that I missed you" said Dongfang Xiu to Ye Chen, Dongfang Xiu didn't want to be honest, it seemed she was still embarrassed to admit the relationship she had with Ye Chen.

"You are quite troublesome" Ye Chen said to Dongfang Xiu, Ye Chen saw that Dongfang Xiu was very troublesome, she was a very troublesome goddess.

"I guess I have to remind you of the past" Ye Chen would make Dongfang Xiu remember their past.

"Pervert don't do that" Dongfang Xiu said to Ye Chen, she told Ye Chen not to do that.

Ye Chen didn't care about Dongfang Xiu's screams, he started to hug the waist of the goddess in front of him,

Dongfang Xiu's waist was held by Ye Chen's hands, now she will no longer be able to escape, she is completely locked up by Ye Chen.

Ye Chen's one hand touched Dongfang Xiu's lips, Ye Chen wanted to kiss Dongfang Xiu.

Dongfang Xiu close her eyes it was obvious that she was ready to accept Ye Chen's kiss.

"See it looks like you are waiting for this, do you really want to be kissed by me" Ye Chen said to Dongfang Xiu.

Dongfang Xiu opened her eyes, how could she accept what this pervert did, how could she be like this, she was just made fun of by Ye Chen.

"You naughty man, I will kill you" Dongfang Xiu started to rebel, he wanted to kill Ye Chen, this man was very brave to play with his heart.

Ye Chen smiled, it was really fun to play with a cold woman like Dongfang Xiu, Ye Chen felt a very pleasant feeling when he teased Dongfang Xiu.

Dongfang Xiu continued to struggle as he was in Ye Chen's arms, looking like he wanted to get away from Ye Chen.

Ye Chen would not let Dongfang Xiu escape, he held Dongfang Xiu quite tightly, this made Dongfang Xiu unable to escape from Ye Chen.

"Why, why can't I get away from you?" Dongfang Xiu asked Ye Chen, why she couldn't get away from Ye Chen.

"You are mine, so you won't be able to get away from me" Ye Chen said to Dongfang Xiu, he said that if Dongfang Xiu was his, he would not let Dongfang Xiu escape.

"I'm not your mine" Dongfang Xiu immediately denied that she was Ye Chen mine, she immediately denied what Ye Chen said.

"If you are not mine, then no one will be able to have you in this world" Ye Chen said to Dongfang Xiu, if Ye Chen couldn't get Dongfang Xiu, then no one would be able to get Dongfang Xiu.

Dongfang Xiu was silent, she didn't expect that Ye Chen would say that, she didn't expect that Ye Chen would say something like this, she was trying to dominate over Dongfang Xiu.

"no one can do that to me" Dongfang Xiu told that no one could do that to her, in this world no one could do that even if it was Ye Chen.

"Are you sure?" Ye Chen said to Dongfang Xiu, Ye Chen asked Dongfang Xiu if Dongfang Xiu was sure of what she said.

Dongfang Xiu was a little hesitant about what she said, honestly she doubted whether she could do that, Ye Chen wasn't going to mess around, he definitely wouldn't let Dongfang Xiu go.

"Just accept it" Ye Chen kissed Dongfang Xiu, he immediately kissed Dongfang Xiu who was in front of him.

Dongfang Xiu was shocked by what Ye Chen did, her eyes widened when she saw what Ye Chen had just done.

Ye Chen kissed Dongfang Xiu, this was probably the thing that Dongfang Xiu longed for.

"Chu. . . ." Dongfang Xiu was instantly helpless, she felt helpless when she got a kiss from Ye Chen, this was a very beautiful thing that Dongfang Xiu could feel

"ah, this is too comfortable" Dongfang Xiu felt that this was too great, why is there such a great feeling like this in this world.

Dongfang Xiu fell into Ye Chen's arms, she no longer put up a fight against Ye Chen, Dongfang Xiu accepted everything gracefully.

"she fell without a fight" Ye Chen could see that Dongfang Xiu had already fallen and without a fight, now Ye Chen could have a little fun with Dongfang Xiu.

Ye Chen had waited a long time for this day, to be honest he had waited a long time to be able to do this with Dongfang Xiu

Ye Chen's hand started to touch the Dongfang Xiu's double peak which seemed to be growing, it seems that Ye Chen's massage made both Dongfang's double peak Xiu got bigger.

"Um. . ." Dongfang Xiu couldn't stand what Ye Chen did, she couldn't stand what Ye Chen did, it made her feel very comfortable.

"this is bad, I can't even think" Dongfang Xiu couldn't think, what Ye Chen did had really messed up her mind, to be honest this would be a problem for Dongfang Xiu.

Dongfang Xiu couldn't control herself anymore, her current self was controlled by Ye Chen.

Ye Chen was even more daring, he stuck his tongue into Dongfang Xiu's mouth, he enjoyed Dongfang Xiu's very sweet little mouth,

Ye Chen was quite greedy, he looked like he had just found very good honey.

Dongfang Xiu also felt the same way as Ye Chen, she was addicted to kissing Ye Chen.

"Chu. . ., muah . . ." Dongfang Xiu started to hug Ye Chen's neck, she followed her lust and immediately hugged Ye Chen's neck.

The cold goddess Dongfang Xiu took the initiative to hug Ye Chen, this was a very, very rare thing for the human eye to see.

And all this can only be enjoyed by Ye Chen, Ye Chen feels very happy because he can get what other people can't get.

As Dongfang Xiu became more aggressive, Ye Chen decided to be more aggressive too, he became more and more daring towards Dongfang Xiu, he made Dongfang Xiu feel the best feeling in this world.

Both begin to sink into lust, they both enjoy their own world and don't care about other people who are out there.

"goddess, are you still awake, someone wants to see you" when Ye Chen and Dongfang Xiu were making out, Dongfang Xiu's maid interrupted them both.

Ye Chen and Dongfang Xiu naturally stopped, Dongfang Xiu looked out.

"Who, don't you think I'm busy?" Dongfang Xiu said to the maid outside.

Dongfang Xiu used a rather cold tone of voice, it was obvious that Dongfang Xiu wasn't happy with what had happened.

"But goddess, this is prince Hai, he wants to meet you, this servant does not dare to refuse" the servant said to Dongfang Xiu.

The waiter told Dongfang Xiu who was outside, it turned out that there was Hai Ming outside, it wasn't strange that the maid was scared, it turned out that outside there was a fairly important person like Hai Ming.

"What business does he have to look for me?" Dongfang Xiu said to the maid outside, Dongfang Xiu asked about Hai Ming's needs.

"I don't know" the maid said that she didn't know about this matter, she didn't know anything about this matter.

Chapter 1997: Ye Chen teases Dongfang Xiu in front of Hai Ming

"what he wants?" Dongfang Xiu was quite curious as to what Hai Ming wanted.

Dongfang Xiu wanted to know what Hai Ming wanted, was Hai Ming just coming to tease her or something else.

Hai Ming often came to Dongfang Xiu, he often came to talk to Dongfang Xiu.

Dongfang Xiu rarely saw Hai Ming, she mostly ignored Hai Ming.

This time Hai Ming came again, it was likely that Dongfang Xiu would ignore him again.

"So that guy came, should I attack him?" Ye Chen said to Dongfang Xiu, he really wanted to fight with Hai Ming and beat Hai Ming.

"Don't do anything unreasonable." Dongfang Xiu told Ye Chen not to do anything dangerous.

"Are you worried about me, I'm very happy" Ye Chen said to Dongfang Xiu, Ye Chen told that.

"Who wants to worry about you, I'm not worried about you" Dongfang Xiu said that she wasn't worried about Ye Chen.

"goddess, are you talking to someone" the maid outside listened to what Ye Chen and Dongfang Xiu were talking about, she listened to what Dongfang Xiu and Ye Chen said faintly.

"No, I'm not talking to anyone." Dongfang Xiu immediately denied that he was talking to anyone.

"Ah. . ." Ye Chen suddenly pinched Dongfang Xiu, he pinched Dongfang Xiu's double peak so he let out a small scream.

"goddess, are you okay?" the maid asked, she was worried about Dongfang Xiu's condition.

if anything happened to Dongfang Xiu, then he and his family would be in trouble, so the maids were very worried when Dongfang Xiu let out a groan.

"I'm fine" Dongfang Xiu said that she was fine, She telling tom maid that she was fine and there was nothing to worry about.

"This pervert" Dongfang Xiu looked at Ye Chen with an icy face, Dongfang Xiu thought that what Ye Chen was doing was crazy and unreasonable.

It would be a terrible thing if they were found, Dongfang Xiu and Ye Chen would be in very big trouble, when the two of them were found like this, there would be a huge scandal if Dongfang Xiu was found together with a foreign man.

Dongfang Xiu was still afraid for Ye Chen's safety, that's why he didn't do anything unnecessary if the situation wasn't urgent.

"Hehehehe" Ye Chen just smiled when he saw Dongfang Xiu, it could be said that Ye Chen really enjoyed it when he saw Dongfang Xiu angry.

today Ye Chen was very happy, teasing a cold goddess like Dongfang Xiu was a very pleasant thing.

"Quickly let go of me" Dongfang Xiu told Ye Chen to let go of herself, she told Ye Chen to let go of herself right now

Ye Chen still refuses to let go of Dongfang Xiu, Ye Chen doesn't want to let go of a beauty like Dongfang Xiu.

Dongfang Xiu was helpless, how could she meet a man like Ye Chen, Ye Chen was the most troublesome man Dongfang Xiu had ever met.

Although Ye Chen was a very troublesome man, in fact Dongfang Xiu did not dare to attack Ye Chen, the reason being that she had strange feelings towards Ye Chen.

Despite being called a cold and heartless goddess, in fact Dongfang Xiu had some feelings for Ye Chen, otherwise it would have been a long time since Dongfang Xiu had attacked Ye Chen and killed this brat.

This was probably because Dongfang Xiu had already done some perverted things with Ye Chen, so she couldn't turn her heart towards anyone else anymore.

Every woman who had been with Ye Chen was extremely difficult to leave Ye Chen, that was why Dongfang Xiu had a hard time leaving Ye Chen.

"dear goddess are you inside" Hai Ming barged in, now him at the door.

Dongfang Xiu was surprised when she saw Hai Ming who was already at the door, to be honest she didn't expect that Hai Ming was already at the door, if Hai Ming opened the door she would see a scene that would not shock him to death.

"Why did you come in, I still won't let you come." Dongfang Xiu said to Hai Ming, preventing Hai Ming from entering her room.

"Dear goddess, I just want to talk to you, I think we should get to know each other better" Hai Ming said to Dongfang Xiu, he wanted to know more about Dongfang Xiu.

They were getting married soon, so they should know each other better.

"I don't want to do that with you." Dongfang Xiu said in a tone that sounded quite cold.

Dongfang Xiu didn't want to know more about Hai Ming, she wasn't interested in it.

"Puff. . ." Ye Chen almost laughed when he saw how Dongfang Xiu had rejected Hai Ming, it must have been quite painful to be rejected by Dongfang Xiu.

Dongfang Xiu was too cold, it wasn't strange that she was quite indifferent about this matter.

"But our parents have already decided on this" Hai Ming used their parents for an excuse.

"I don't care" Dongfang Xiu said that she didn't care about this matter, it had nothing to do with her.

Dongfang Xiu wanted to get Hai Ming out of here immediately, it wouldn't be strange if she did something pretty cruel to Hai Ming.

"Please don't do that" Hai Ming still didn't give up, he still didn't give up on persuading Dongfang Xiu.

Hai Ming was aware of how temperamental Dongfang Xiu was, so it wasn't strange that he could accept this so easily.

If it wasn't Hai Ming then it was certain that they would have left immediately, they would rather leave than face to face with Dongfang Xiu who was extremely cold and had no mercy on the approaching man.

"You are so stubborn" Dongfang Xiu said to Hai Ming, Hai Ming is so stubborn, this man is really hard to get rid of.

"Let's just have fun, ignore him" Ye Chen said to Dongfang Xiu, he started to touch Dongfang Xiu again.

"Erm, no. . ." Dongfang Xiu let out a very melodious voice that could make a man's bones melt.

"This is so melodious, he really has a very good voice" Ye Chen acknowledged Dongfang Xiu's voice, Dongfang Xiu had a very good voice.

with such an excellent voice, Dongfang Xiu could confirm that he could make Ye Chen feel excited with just his voice.

"Dear goddess, what happened?" Hai Ming asked Dongfang Xiu, just now Hai Ming heard something from inside.

"Nothing happened, leave quickly" With Ye Chen's inner pressure, Dongfang Xiu tried not to be found, she was trying her best not to be found by Hai Ming.

Ye Chen was really very brave, he played with Dongfang Xiu right in front of Hai Ming, if Hai Ming found out about what happened, how would he react.

"Big pervert, stop right now" Dongfang Xiu told Ye Chen to stop right now, she order Ye Chen to stop right now, otherwise she would be very angry.

"Isn't this fun, you seem to be enjoying this too" Ye Chen whispered in Dongfang Xiu's ear, Ye Chen could feel that Dongfang Xiu also felt the same way Ye Chen felt.

what happened made Dongfang Xiu excited, somehow she felt excited when she did this with Ye Chen.

Dongfang Xiu knew that this was wrong, how a virtuous goddess like herself would do this, in Dongfang Xiu's imagination this was a very difficult thing to happen.

Chapter 1998 Now you understand that you are only mine

Even though he knew that this wasn't a good thing, Dongfang Xiu was excited, she felt that it was really fun, there was a strange feeling when she was found by someone else.

"Am I broken, how can I be happy about this?" Dongfang Xiu asked herself, how could Dongfang Xiu be like this.

She became a lewd woman, goddess Dongfang Xiu became like this under the training of Ye Chen.

Ye Chen's hands became uncontrollable, he carried out an attack that was quite fatal to Dongfang Xiu.

"emm . . , this is too convenient. . . " Dongfang Xiu can't fight anymore, this happy feeling is very comfortable, every time Ye Chen touches Dongfang Xiu, Dongfang Xiu will feel a very comfortable pleasure, he feels like ascending to the highest heaven.

"Dear goddess, what happened to you, are you uncomfortable?" Hai Ming asked Dongfang Xiu, he was worried when he heard Dongfang Xiu's voice.

"I'm fine, I'm just not feeling well, ummm. . . ." Dongfang Xiu tried to answer Hai Ming, her voice slightly trembling as she spoke to Hai Ming.

"Are you okay, maybe I should call a healer for you" Hai Ming said to Dongfang Xiu.

"It's not necessary I just need to rest, so go and don't bother me" Dongfang Xiu said to Hai Ming.

Dongfang Xiu didn't need that, she told Hai Ming to leave this place.

As long as Hai Ming left this place, then she would be fine.

The longer Hai Ming was in this place, the longer Dongfang Xiu had to resist Ye Chen's temptation.

Ye Chen played with Dongfang Xiu's double peak, he played and squeezed Dongfang Xiu's double peak quite firmly, it was delicious and a little painful.

Dongfang Xiu started to lose her mind, what Ye Chen was doing was very comfortable, this made Dongfang Xiu very comfortable and made Dongfang Xiu unable to think straight, if it continued like this it was only a matter of time.

"but . . ." Hai Ming still didn't want to leave, he still refused to leave this place.

Hai Ming was slightly suspicious of what had happened, it was because of this that he refused to leave, he felt that something was not right in this place.

But what's not right, Hai Ming is a little confused about this matter.

"Go away, don't make me angry" Dongfang Xiu said to Hai Ming, Dongfang Xiu used a rather high pitched tone to Hai Ming.

"Okay" seeing Dongfang Xiu angry, Hai Ming immediately decided to leave, he couldn't make Dongfang Xiu angry.

If Dongfang Xiu got angry it would be very troublesome, so Hai Ming couldn't provoke Dongfang Xiu for the time being.

"Just you wait, it's time for me to play with you" Hai Ming said in his heart, there will come a time when Hai Ming plays Dongfang Xiu, and it won't be long now.

Hai Ming left feeling quite disappointed, he was disappointed to find out that tonight he couldn't be with

"Huft. . ." Dongfang Xiu was tired, she used Ye Chen as a backrest.

"You are a very crazy person" Dongfang Xiu said to Ye Chen.

"Thank you for the compliment." Ye Chen thanked Dongfang Xiu for the compliment.

"Idiot I'm not praising you" Dongfang Xiu said to Ye Chen who was in front of her.

Ye Chen was indeed her natural enemy, this man could always irritate Dongfang Xiu.

Ye Chen smiled, he was quite happy when he became a nuisance to Dongfang Xiu.

"Now that that person is gone, do you want to continue?" Ye Chen asked Dongfang Xiu.

"I don't want to do that with" Dongfang Xiu refused, she didn't want to do that with Ye Chen.

"Do you think you have the right to refuse?" Ye Chen said to Dongfang Xiu.

Ye Chen threw Dongfang Xiu on the bed, he would make Dongfang Xiu feel happy as a woman.

Ye Chen enjoyed every inch of Dongfang Xiu's body, he could feel every inch of Dongfang Xiu's tenderness.

Dongfang Xiu was helpless, she was powerless against Ye Chen's invasion.

"Don't stop, you're driving me crazy" Dongfang Xiu begged Ye Chen, she begged Ye Chen to stop right now.

Dongfang Xiu couldn't take it anymore, once again Ye Chen touched her, Dongfang Xiu felt that she was going to go crazy.

Dongfang Xiu couldn't stand Ye Chen's touch, she couldn't stand it when she received Ye Chen's touch and love, it was too much for her.

"Have you given up?" Ye Chen asked Dongfang Xiu, if indeed Dongfang Xiu had given up, then this would be Ye Chen's victory.

"I give up" Dongfang Xiu gave up, she raised the flag of defeat, he couldn't fight Ye Chen.

"Hehehehe" Ye Chen smiled, this victory feels very beautiful, Ye Chen has managed to make the beautiful goddess feel how skillful she is.

After feeling this feeling, there was no way that Dongfang Xiu could turn her heart to anything else, she wouldn't be able to turn her heart away after feeling how skillful Ye Chen was.

"Now you understand that you are only mine" Ye Chen said to Dongfang Xiu.

Dongfang Xiu didn't answer Ye Chen, she just closed her eyes as she listened to Ye Chen's words.

"Looks like I can't do that?" Dongfang Xiu said that she couldn't do that, she couldn't do what Ye Chen said.

"So what?" Ye Chen asked Dongfang Xiu, he asked why Dongfang Xiu rejected him.

"I can't run away from what happened, if I do, I will get you in big trouble" Dongfang Xiu said to Ye Chen.

Dongfang Xiu couldn't run away from marriage, she couldn't run away from what happened, if Dongfang Xiu decided to run, then there would be no place for them to hide.

The Sacred Heaven Star Realm definitely wouldn't let Ye Chen go, they would hunt Ye Chen down and put him in a very big trouble.

"I'm not afraid of it" Ye Chen told that he wasn't afraid of it.

For the sake of bringing Dongfang Xiu back, Ye Chen would not be afraid to fight against the people of the Sacred Heaven Star Realm, even if the entire God Realm were to seek him out, he would never back down.

Dongfang Xiu saw how serious Ye Chen was in stating this, it could be said that Ye Chen was very serious about bringing her back, Ye Chen had a very sincere determination towards Dongfang Xiu.

"Words and determination are not enough to do that" Dongfang Xiu said to Ye Chen, she telling Ye Chen that his words and determination were not enough.

"I know what you are saying, I will do it, you just wait and see" Ye Chen said that he would do it, he would prove to Dongfang Xiu, that he was capable of doing it.

"Please don't do crazy things again, I don't want you to do crazy things again" Dongfang Xiu asked Ye Chen, he asked Ye Chen not to do crazy things.

"No one can stop me" Ye Chen said to Dongfang Xiu, no one can stop Ye Chen, even if it is Dongfang Xiu.

"you . . ." Dongfang Xiu looked at Ye Chen, he saw that Ye Chen couldn't be stopped by anything.

"It seems that our meeting is only here, I will come when I have time" Ye Chen said to Dongfang Xiu, Ye Chen felt someone coming, he had to leave this place immediately.

Chapter 1999: Mu Xueying is injured

without waiting for Dongfang Xiu's reply, Ye Chen left this place, he left Dongfang Xiu's place.

"Ye Chen" Dongfang Xiu looked at Ye Chen, she felt a warm feeling when she was with Ye Chen.

Dongfang Xiu loved this feeling, it was a shame he had to part again.

Dongfang Xiu immediately straightened her clothes, she was tidying her clothes very quickly.

In just a short time, Dongfang Xiu returned to how she was before, she returned to the cold and untouchable form of a goddess.

After the chaos that had just occurred, Dongfang Xiu was still able to maintain this.

a man half entered the room, this man entered without asking Dongfang Xiu, he just entered Dongfang Xiu's place.

"Dad, why are you here?" Dongfang Xiu asked her father.

The person who had just arrived was Dongfang Xiu's father, it wasn't strange that this man could enter so freely.

Dongfang Xong was the name of Dongfang Xiu's father, he was the ruler of the Sacred Heaven Star Realm.

"I was just listening that you rejected Hai Ming, is that true?" Dongfang Xong asked Dongfang Xiu.

Dongfang Xong listened that Dongfang Xiu kicked Hai Ming out.

"That's really true" Dongfang Xiu did, she admitted to what she had just done to Hai Ming.

"Why did you do that, can't you accept it, I hope you can accept it.

"I told you that I can't accept it." Dongfang Xiu said that she couldn't accept Hai Ming, she couldn't accept a man like Hai Ming.

"Are you still thinking about that person?" Dongfang Xong asked Dongfang Xiu.

Dongfang Xong knew about what had happened to Dongfang Xiu, he knew what had happened to Dongfang Xiu and how he had lost the Heavenly Silver Flame.

"I'm hard to say, I don't know what you're saying" Dongfang Xiu said that she didn't understand what her father was saying.

"You don't have to hide this, I already know," said Dongfang Xong.

"Probably," said Dongfang Xiu to Dongfang Xong.

"How can you do such a thing, falling for an ordinary man from a remote place" said Dongfang Xong to Dongfang Xiu.

Dongfang Xong couldn't believe that Dongfang Xiu would fall for someone as ordinary man.

"He is not an ordinary person, he is a very strong person and cannot be imagined by others" Dongfang Xiu said to Dongfang Xong.

Dongfang Xiu told that Ye Chen was no ordinary person, she told that Ye Chen was a very great person.

"How are you so sure about that?" Dongfang Xong said to Dongfang Xiu.

"I've seen his determination and how he fights, so I'm very confident in his abilities".

Dongfang Xiu had seen Ye Chen's fighting style before, so she naturally knew how strong Ye Chen was.

"No matter how strong he is, he is alone, it can't be compared to Hai Ming who has a lot of strength beside him, you should know that?" said Dongfang Xong in a fairly firm tone.

"Still, he is much stronger, he is able to defeat someone from a completely different world, so I believe that he is capable of doing things that are impossible for ordinary people to do" Dongfang Xiu said to Dongfang Xong.

"You're really unreasonable, your story is a fabricated one, if it's true, then no one would go to the trouble of reaching the top" Dongfang Xong said that what Dongfang Xiu said was just making up, things like it couldn't exist in this world.

"I still believe in him," said Dongfang Xiu with great confidence.

"It's up to you," said Dongfang Xong to Dongfang Xiu.

Dongfang Xong left he left Dongfang Xiu's room slightly angry.

"don't let her leave her room" Dongfang Xong ordered the maids and all the guards not to let Dongfang Xiu leave this place for a while.

"We understand, we will carry out your orders." The guards and maids understood, they would do the best they could to protect Dongfang Xiu.

After giving an order to guard Dongfang Xiu, Dongfang Xong left this place.

Ye Chen saw what happened from afar, he was quite sorry for Dongfang Xiu.

"I will release you soon, just you wait" Ye Chen was about to release Dongfang Xiu, he promised to do just that.

After swearing to save Dongfang Xiu, Ye Chen went to look for Mu Xueying, he wanted to know Mu Xueying's condition.

Ye Chen went to Yue Ya's place, he entered easily into Yue Ya's place.

No one stopped Ye Chen, it could be said that none of the guards dared to stop Ye Chen from coming.

Ye Chen looked for Yue Ya, it should be Yue Ya together with Mu Xueying and Liu Yue.

"You came" Yue Ya greeted Ye Chen, herself welcomed Ye Chen's arrival.

"Do you know where Xueying is?" Ye Chen asked Yue Ya.

"Come with me" Yue Ya told Ye Chen to follow her, she would escort Ye Chen to where Mu Xueying was.

Ye Chen followed Yue Ya, he left and followed Yue Ya to go to Mu Xueying's place.

Yue Ya led Ye Chen to a room, there was Mu Xueying lying down.

Mu Xueying had how many injuries, how many parts of her body were bandaged, it looked like she had just been attacked by someone.

Seeing Mu Xueying's condition, Ye Chen immediately left, he immediately saw how Mu Xueying's condition was.

"Xueying, what happened to you?, Who dared to do this to you?" Ye Chen asked Mu Xueying, she wanted to know who did this to Mu Xueying.

"It's okay, I was just suddenly attacked by someone, it's not that bad" Mu Xueying said to Ye Chen, she told Ye Chen that she was fine.

"Don't lie, looking at your wound, you're definitely not fine." Ye Chen said to Mu Xueying, he knew that Mu Xueying wasn't fine.

"I'm fine, please trust me." Mu Xueying said that she was fine, so Ye Chen had to believe in her.

"Ya'er who did this" Ye Chen asked Yue Ya, he wanted to know who did this to Mu Xueying.

"That, to be honest I don't know much about this matter, the person who attacked Mu Xueying was very strange, his abilities were very strange" Yue Ya explained that the person who attacked Mu Xueying had a very strange power that Yue Ya couldn't figure out.

"So their strength is strange, who are they I want to take revenge on them" Ye Chen wanted to know who they were, he wanted to take revenge for what happened to Mu Xueying.

"Husband, please calm down, this person is dangerous, he can interfere with all our plans, don't be easily provoked by this kind of thing" Mu Xueying said to Ye Chen.

Mu Xueying told Ye Chen not to be provoked, it seemed that the enemy was trying to lure Ye Chen out.

"I know what they are thinking, I already know the consequences I will receive, it's just that I can't let you get hurt like this" Ye Chen said to Mu Xueying, Ye Chen couldn't let Mu Xueying get hurt like this, how could Ye Chen let his wife get hurt like this, if he couldn't find the person who hurt Mu Xueying, then he wouldn't be at peace.

"I'm fine, everything is fine, it's my fault for not being careful" Mu Xueying tried to stop Ye Chen.

"You won't be able to stop it" Yue Ya said to Mu Xueying, she telling her that Ye Chen couldn't be stopped.

Chapter 2000: Mastermind behind Li Jingyi's kidnapping

Ye Chen was quite fond of Mu Xueying, which was why he would not let the person who hurt Mu Xueying just run away.

"I will go alone and watch over them" Ye Chen will go and watch over the Eternal Sun Star Realm, he will personally oversee their every move.

The Eternal Sun Star Realm seemed to be paying for some mercenaries, which was why Mu Xueying could be injured.

"It is likely that they are indeed cooperating with the Eternal Sun Star Realm." Yue Ya gave her opinion to Ye Chen.

"Okay, I understand" Ye Chen understood, it seemed that he already knew what he was going to fight.

"Are you okay going alone?" Yue Ya asked Ye Chen if Ye Chen would be okay when he went alone.

"I'll be fine" Ye Chen told that he would be fine, he would be able to easily overcome the Eternal Sun Star Realm.

"I want to go with you" Yue Ya said that she wanted to go with Ye Chen.

"You are too conspicuous, with your current position, you are too conspicuous, so you better stay in this place" Ye Chen said to Yue Ya, it is better for Yue Ya to stay in this place.

"Okay if that's what you want" Yue Ya nodded, she would do as Ye Chen asked.

Ye Chen left, he went to where the Eternal Sun Star Realm was, the Eternal Sun Star Realm was in the west, their position was very good and it was difficult for outsiders to sneak.

When Ye Chen arrived at the place of the people from the Eternal Sun Star Realm, Ye Chen discovered that there were a lot of guards, the Eternal Sun Star Realm area was very tightly guarded.

Most likely because of Mu Xueying, what Mu Xueying did had made the Eternal Sun Star Realm even more vigilant.

They were now in people's territory, so they had to be more aware of what was happening.

"Not bad, they have a large army ready to fight me" Ye Chen saw that the Eternal Sun Star Realm was on standby against him, the Eternal Sun Star Realm was actually using their strength to keep the borders from being crossed by outsiders.

"Master, what are you going to do?" Chu Yuechan asked Ye Chen, herself asking what Ye Chen would do.

"Of course go inside, they use guard like this, they must be planning something" Ye Chen saw that the Eternal Sun Star Realm was hiding something.

Ye Chen had to find out about this, he couldn't just let it pass.

Ye Chen entered the Eternal Sun Star Realm, he easily infiltrated the Eternal Sun Star Realm.

With Ye Chen's ability, he can go anywhere, no one can catch Ye Chen.

Ye Chen passed the strong guards, he was able to pass through them all very easily, Ye Chen was invisible to people, this gave Ye Chen an advantage because he could move freely.

After passing the guard, Ye Chen arrived at the deepest part, Ye Chen arrived at the important part and immediately saw what was inside.

Inside were several people with high cultivation, they were gathered at a tea table and were discussing something.

"Tonight is the perfect time, you guys are going to kidnap someone" Sun Vin said to everyone in this place, they had to finish their job to get Li Jingyi.

"let's go" everyone can't wait to go and kidnap Li Jingyi, they will all complete the task and get their reward.

"Remember this person is being guarded by several strong cultivators, so try to do it quickly." Sun Vin warned to do this very quickly.

"we will do this quickly" everyone agreed with what Sun Vin said, the faster they are the easier everything will be.

"I hope you don't fail" Sun Vin said to the people in front of him, he hoped that these people did not fail in carrying out their duties.

"We are very strong mercenaries, we will not fail in carrying out the task we have" They are mercenaries, so they will not fail in carrying out their duties.

"I hope you guys do what's right, otherwise I'm at a loss when I pay you" said Sun Vin to everyone present.

"You will not be disappointed with your work, you will not lose money when you pay us, we will do our best to complete the task you give" these mercenaries will carry out their duties, they will never fail in carrying out their duties.

The mercenaries left, they left and went straight to where Li Jingyi was.

"this is my chance" this is Ye Chen's chance, it's time for Ye Chen to seek information from Sun Vin.

Ye Chen sped up, he sped up and grabbed Sun Vin's neck.

"arghhh. . ." Sun Vin shouted, Ye Chen gripped his neck very tightly.

" who are you?" Sun Vin asked Ye Chen, he wanted to know who Ye Chen was.

"Don't you know who I am?" Ye Chen asked Sun Vin, Ye Chen was wearing his mask, Sun Vin should know who he is.

"Why are you in this place?" Sun Vin didn't expect that Ye Chen would be in this place, to be honest he didn't know why Mask Hero was in this place.

"I need something from you" Ye Chen said that he needed something from Sun Vin.

"What do you need?" Sun Vin asked Ye Chen, he wanted to know what Ye Chen needed.

"I wonder who you are after?" Ye Chen said to Sun Vin, he wanted to know who Sun Vin had just targeted.

"I won't tell you" Sun Vin said that he wouldn't tell Ye Chen about this matter.

"Then I have no reason to hold back, I don't like people like you" Ye Chen said to Sun Vin.

Ye Chen searched for information from Sun Vin's memories, he saw every action taken by Ye Chen.

Ye Chen broke the seal on Sun Vin's mind, this made Sun Vin stupid and unable to think clearly.

Ye Chen found what he wanted, he found out that Sun Vin was the one who tried to kidnap Li Jingyi.

"Eternal Sun Star Realm, you guys are really troublesome, I will destroy you" After knowing this, Ye Chen was quite annoyed, Eternal Sun Star Realm was the one behind Li Jingyi's kidnapping.

Ye Chen threw Sun Vin aside, he immediately left this place.

Ye Chen went to Li Jingyi's place, apparently from the start, the mercenaries were ordered to take Li Jingyi.

At full speed, Ye Chen walked out of the Five Lord Divine Academy's territory, himself headed outside the Five Lord Divine Academy, that was where Li Jingyi and the others were.

"Boom. . ." in the distance a battle broke out, a flame appeared in the distance.

"I think I'm late" Ye Chen was a little late, he was late and it seemed that the battle had started for quite a while.

Li Jingyi, Huang Ying and Chi Shui fought, the three of them battling the mercenaries who had been hired by Sun Vin.

"You are an interesting woman, I didn't expect you to be able to last long enough against us" the mercenaries had to acknowledge the abilities of Li Jingyi, Huang Ying and Chi Shui.

"You are mercenaries, what do you want?" Li Jingyi asked.

Li Jingyi realized that these were mercenaries employed by someone.
