

True God 2011

Chapter 2011: Mountain climbing competition (3)

"hahaha, she's really angry" Ye Chen was quite happy to see this, Ye Chen was very happy when he saw Lei Qiaolin angry.

for Ye Chen this was a fun thing to irritate Lei Qiaolin.

"There's still time, I should just spend some time chatting" Since there was still time, Ye Chen decided to chatting with Lei Qiaolin.

Teasing Lei Qiaolin is a very fun thing to do, Ye Chen will not be bored in teasing Lei Qiaolin.

Ye Chen started talking to Lei Qiaolin, the two of them started to establish a very good communication.

At first Lei Qiaolin was unwilling to talk to Ye Chen, but after speaking a few words with Ye Chen, she became very interested in Ye Chen.

Ye Chen's conversations made Lei Qiaolin very interested, she was very interested in all of Ye Chen's conversations.

"what is that one participant doing" everyone looked at Ye Chen, unlike the other participants, Ye Chen was busy chatting with Lei Qiaolin instead.

whereas the other participants were trying their best to climb to the top.

"That's him" Dongfang Xiu finally found the whereabouts of Ye Chen, he finally found the whereabouts of Ye Chen who was currently talking to Lei Qiaolin.

"Young lady, is it Ye Chen, he looks different than usual" Gu Xun was surprised by the changes made by Ye Chen, Ye Chen looked different from before.

"No doubt it's Ye Chen." Dongfang Xiu was absolutely certain that it was Ye Chen, only Ye Chen could be so relaxed about doing things.

"What do you think he's doing?" Gu Xun was quite curious about what Ye Chen was up to.

"Can't you see he's flirting with a beautiful woman" Dongfang Xiu said to Gu Xun.

Dongfang Xiu didn't seem happy when she saw Ye Chen teasing Lei Qiaolin, this beautiful goddess felt jealous in her heart.

Even though it was only last night that Ye Chen teased her, she didn't expect that this man would change hearts so quickly.

Gu Xun looked at Dongfang Xiu, she could see that Dongfang Xiu was angry with what was happening.

"Miss please calm down" Gu Xun tried to calm Dongfang Xiu down, Gu Xun tried to calm Dongfang Xiu who was in a bad mood.

"Hmmp. . ." Dongfang Xiu sniffed coldly, she started to become calm and cold.

"huff. . . ." Gu Xun was happy when she saw that Dongfang Xiu had calmed down, so Dongfang Xiu wanted to calm down and listen to what she had to say.

"he is still the same as before, he still looks like a child" Gu Xun looked at Ye Chen, when Gu Xun looked at Ye Chen, she found Ye Chen was still like a child, it might take a long time for Ye Chen to fully mature.

Gu Xun didn't know Ye Chen's experience yet, if she knew about Ye Chen's experience now, she might change her mind with what she said.

Seeing Ye Chen who didn't want to take part, people started to ignore Ye Chen, they started to ignore Ye Chen and focus on the battle at hand.

The battle is getting more and more interesting, everyone is rushing and passing the Magical Beasts they encounter on the way.

10 miles, 20 miles, 50 miles, 70 miles, 100 miles, 200 miles, 300 miles" "Tian Mo became the first person to reach a distance of 300 miles, after crossing this distance, Tian Mo's speed became slower and slower when he higher his climb, the harder it is to move forward.

A very strong snowfall and storm swept across Tian Mo's path, this of course made Tian Mo have a hard time, he had a hard time advancing at full speed, as a result he slowed down his movement in order to keep advancing forward.

the other participants were still at a distance of 150~180 miles, while the genius participants had already started at a distance of 230 miles.

Their journey became extremely strenuous, they felt that the pressure in this place was becoming more and more intense as they advanced forward.

Lei Qiaolin is telling the truth, the more you go up, the more difficult the journey becomes, it will become a problem for all the participants in this place.

More than 1 hour has passed, only 3 hours left, everyone is doing the best they can do.

"Chen, what are you doing?" Ning Xia asked Ye Chen, she wanted to know what Ye Chen was doing right now.

"Oh, wife what's wrong?" Ye Chen asked Ning Xia back, she asked back about what Ye Chen wanted.

"You're still asking what I'm asking, what are you doing, why are you flirting with that woman, why don't you start climbing right away, the other participants have already reached 1/3 of the way to the top" Ning Xia scolded Ye Chen for teasing Lei Qiaolin instead.

"It's okay, everything's under control" Ye Chen told Ning Xia that everything was under control, everything would be fine, so Ning Xia didn't have to worry too much about this matter.

"Stop worrying others and start moving" Ning Xia said to Ye Chen.

"I will be moving in a bit, so wait patiently there" Ye Chen said to Ning Xia.

"Chen, you still dare to answer" Ning Xia said to Ye Chen, she nagged at Ye Chen.

Ye Chen closed the sound transmission, he couldn't bear to hear Ning Xia get angry.

"she's terrible when she's angry" Ye Chen only knew that Ning Xia would be so terrible when she was angry, Ye Chen had better not provoke Ning Xia, otherwise he would get a longer scolding.

Ye Chen looked at the time, it was still less than 50 minutes.

"Looks like it's still a little longer than I thought" waiting here was quite boring, Ye Chen was quite bored when he was told to wait.

"Hey, what's up there" Ye Chen asked Lei Qiaolin, he wanted to know what was on the top of the mountain.

"There is a very powerful monster at the top of the mountain, there will be a sword, once you draw it, then the match will be over" Lei Qiaolin told Ye Chen,.

he told Ye Chen that there was a sword above and whoever pulled it out would end the match.

"You sure tell me this" Ye Chen said to Lei Qiaolin.

"Of course, you won't be able to climb to the top, there hasn't been anyone who has been able to climb to the top in the history of the ongoing competition" Lei Qiaolin said to Ye Chen.

In the history of competition and discipleship, no one has yet made it to the top, which is why Lei Qiaolin dared to tell Ye Chen this matter.

"I see." Ye Chen nodded, he now understood why Lei Qiaolin wanted to tell this matter, he clearly believed that Ye Chen would not be able to go to the top.

"He still hasn't moved." Ning Xia looked at Ye Chen, until now Ye Chen was unwilling to move.

"Lord Peak Ning, has that disciple of yours given up, he has come to this point, why did he decide to give up?" Shin Pi said to Ning Xia, why did Ye Chen even give up, when he had already come to this point.

"I don't know" Ning Xia said that she didn't know, she didn't know what Ye Chen was doing.

He thought Ye Chen couldn't be compromised, if Ye Chen was here, maybe Ning Xia would scold him.

Unfortunately Ye Chen was far away, Ning Xia couldn't do anything about this matter.

Chapter 2012: Mountain climbing competition (4)

"Maybe when we come back you should teach him" Mo Chiyi said to Ning Xia, after coming back Ning Xia should teach Ye Chen.

Ning Xia didn't answer Mo Chiyi's words, she thought about what she would do to Ye Chen.

Ning Xia might have to give Ye Chen a punishment, Ning Xia knew what kind of punishment she would use on Ye Chen.

The competition was getting fierce, everyone was doing the best they could, they still had a long way to go to reach the top.

"Come on Tian Mo beat everyone and advance" everyone cheered for Tian Mo, he was one of the people leading at the front, hardly any other participants could catch up with him.

Everyone in this place really believed that Tian Mo would come out victorious.

Tian Mo is very happy, he is now invincible, no other participant is able to match the strength possessed by Tian Mo, he is too strong and too domineering.

Tian Mo looked for Ye Chen's whereabouts, when Tian Mo looked for Ye Chen's whereabouts, he found that Ye Chen was still downstairs.

"That idiot he really did it" Tian Mo didn't expect that Ye Chen would do this kind of thing, he didn't expect that Ye Chen would do what he said.

"loser, how are you down there" Tian Mo said to Ye Chen, he said to Ye Chen who was still at the bottom.

Ye Chen looked at Tian Mo, he looked at Tian Mo who was insulting him.

Ye Chen had been watching the battle, he had been keeping a close eye on Tian Mo.

Everyone immediately looked at Ye Chen, they all immediately saw and listened to the conversation that Ye Chen and Tian Mo were having.

"Tian Mo knows that person, do they have any grudges" from the words Tian Mo said just now, the two seem to be not getting along, they seem to have enmity.

"Ohh, there's an enmity, it's very interesting" Sun Quan saw the enmity happening, this would be a very interesting thing to see.

"Maybe this will be very interesting" Sun Xuanyin was interested, she was interested in the battle that would occur between Ye Chen and Tian Mo, who would be the champion.

Sun Xuanyin herself hoped that Ye Chen would win, but the opponent was quite formidable, the opponent was Tian Mo who was an above average strength person, it could be said that Tian Mo possessed talent that was coveted by the great powers in this place, almost all of them people want to get Tian Mo for themselves.

It could be seen how special Tian Mo was in the eyes of everyone in this place.

"If you don't start soon, then you will become a clown entertaining everyone" Tian Mo said to Ye Chen.

"You better just focus on your goal, lest you swallow hard on what you just said" Ye Chen replied to Tian Mo.

"You will become a clown, I will make sure of it" Ye Chen will become a clown, he will make Ye Chen a clown in front of everyone.

"is he trying to challenge Tian Mo, this guy is crazy, his cultivation base isn't that high either, he might become a clown" there were countless people who underestimated Ye Chen, they all underestimated Ye Chen who was too weak and couldn't possibly be compared to Tian Mo.

"weird and ignorant person".

"he is a clown trying to find the stage" there were many people talking about Ye Chen, they all mostly gave Ye Chen insults.

Even though Ye Chen was quite far away, he could still hear what people were talking about, he could still hear clearly what they were saying about him.

Everyone had their own views, they had their own views of Ye Chen.

Ye Chen didn't really care about the supporters that Tian Mo had, Ye Chen's goal was to fight Tian Mo, so why did Ye Chen listen to what these people had to say.

Ye Chen closed his eyes for a while, he didn't want to listen to what was around.

Ye Chen looked at the clock, he saw that there were only 2 hours and 1 minute left.

"Okay, 1 more minute" Ye Chen saw that there was only one minute left, it was time for Ye Chen to start preparations.

Ye Chen had already given 2 hours for Tian Mo to go first, now it was time for Ye Chen to overtake Tian Mo.

"10,9,8,7,6,5,4,3,2,1" Finally the time ended, Ye Chen started to move forward.

"Oh, he's starting to take steps." Hai Wan saw that Ye Chen was starting to take steps forward.

"This is it" Yue Ya wanted to see what Ye Chen would do, Ye Chen's every action always made Yue Ya feel curious.

"Oh, after a long time he started to advance, but it's a shame he missed the start of the others" Although Ye Chen had already decided to go forward, in fact Ye Chen was still behind the train, it was quite difficult to catch up with the others.

"What do you think will be done to catch up with the other participants" Gu Xun wanted to see how Ye Chen could catch up with the other participants, the distance between Ye Chen and the other participants was already very far.

They were nearly 300 miles away, plus Tian Mo had already reached an altitude of about 450 miles, that was a very long distance.

"I don't know, he's stupid, he's always done stupid things from the first time I met him" Dongfang Xiu told Ye Chen that was stupid.

"So that's how young lady thinks" Gu Xun didn't expect that Dongfang Xiu's way of thinking would turn out like that.

Dongfang Xiu was silent, she didn't say anything else.

When Ye Chen just entered the battlefield, more than six hundred thousand Magical Beasts headed straight for Ye Chen, they headed towards Ye Chen and prepared to pounce on Ye Chen.

This was one of the losses when Ye Chen decided to start at the very end, of course all the Magical Beasts would gather together and attack towards Ye Chen, the Magical Beasts from above came down and started attacking Ye Chen.

Ye Chen walked slowly forward, he began to walk slowly, in front of him was waiting for a Magical Beast that was ready to prey on Ye Chen.

this was a very spectacular sight, one person trying to fight hundreds of thousands of magical beasts, people would not believe this.

Everyone was waiting for Ye Chen's fate, with that many enemies, it was certain that Ye Chen would still be stuck at the bottom.

"No matter how strong Ye Chen is, he won't be able to win if he is beaten by that many people, so Ye Chen's chances of winning will be very limited.

"Before all the participants advanced together, it kept the Magical Beasts from gathering, so they could still fight head-to-head.

"He will lose very quickly" people gave their opinion, they told that Ye Chen would lose sooner or later.

The Magical Beasts were getting closer and closer, they were within 100 meters of where Ye Chen was.

50 meters, 25 meters, 10 meters, 5 meters, 1 meter." Magical Beasts were already in front of Ye Chen, they jumped and attacked Ye Chen.

"Little monsters, you should all sleep." Ye Chen used God Domination Pressure, himself used God Domination Pressure to subvert all Magical Beasts.

Chapter 2013: Mountain climbing competition (5)

When Ye Chen used God Domination Pressure, all the Magical Beasts that were present immediately fell, all the Magical Beasts fell when they received the strong pressure from Ye Chen.

Piles of Magical Beasts scattered, they all fell and fell to the ground, this made the area around Ye Chen's place look like a sea of dead Magical Beasts.

"huh?" everyone was immediately shocked when they saw what happened, everyone couldn't believe what they had just seen.

Everyone instantly fell silent on the spot when they saw what Ye Chen had just done, to them what Ye Chen had done was a shocking thing.

The arena became very quiet, no sound could be heard, only the sound of the wind could be heard around the arena.

After Ye Chen toppled the Magical Beast, Ye Chen immediately stepped forward, Ye Chen stepped forward and passed the Magical Beast that was scattered on the ground.

Ye Chen walked at a very fast speed, in an instant Ye Chen had covered a distance of 10 miles.

"10 miles, 25 miles, 50 miles, 100 miles, 150 miles, 250 miles, 350 miles" in just a matter of minutes Ye Chen had already climbed to an altitude of 350 miles.

Ye Chen's journey became very smooth, no more Magical Beasts dared to approach Ye Chen.

Ye Chen used God Domination Pressure all around, when any Magical Beasts tried to get close, they would immediately get scared and run away from Ye Chen, so it wouldn't be strange for Ye Chen to be untouched.

With a super smooth ride like this, Ye Chen was able to catch up with Tian Mo.

The pressure in this mountain was unable to suppress Ye Chen, this was nothing to Ye Chen, so he could move normally and not be affected by the pressure in this place.

"what just happened?" people were still shocked by what Ye Chen did, they all seemed to be shocked by what Ye Chen had just done.

"unreasonable power" people started to think that Ye Chen had unreasonable strength, what Ye Chen had just done was unknown to everyone.

Ye Chen was just walking normally, when he did that, all of a sudden all the monsters fell, this was naturally strange and unreasonable.

"That brat, the ability just now is quite unique." Dongfang Xiong saw that Ye Chen's ability was quite unique.

"I've never seen such an ability" Hai Wan had never seen such an ability, he had never seen Ye Chen's ability.

"Is it a lost technique?" Sun Quan had never seen a technique just now, he didn't even know the technique Ye Chen had just used.

The God Domination Pressure had a range according to the desire of the user, so it was not surprising that Sun Quan, Hai Wan and Dongfang Xiong could not sense it.

that was the reason why they didn't know what technique Ye Chen used.

"That's great." Sun Xuanyin looked at Ye Chen, she didn't know that Ye Chen had something like this, apart from the abilities of the younger brother below, it turns out that this man also has a unique technique.

"Geez, when he starts moving, he always makes a fuss." Yue Ya couldn't help but smile when she saw what Ye Chen was doing.

"Goddess, that man really doesn't know about restraint" Vei said to Yue Ya, she told Yue Ya that Ye Chen didn't know how to restrain himself.

"He didn't know how to contain himself from the beginning." Liu Yue smiled, Ye Chen had never been able to hold back.

"quite interesting" Khim Jix looked at Ye Chen, he looked at Ye Chen who had quite an attractive strength.

"what was that" Shin Pi, Zhu Tenmu, Yun Yang, Mo Chiyi and several Peak Lords were shocked by what happened, they had never seen such power, it was their first time seeing something like this.

"He finally did it" Ning Xia smiled, after a long time, Ye Chen finally wanted to make a move.

Ning Xia looked happy when she saw Ye Chen who was willing to move, when Ye Chen moved, the land would be shaken.

Ye Chen had already started to overtake the participants in front of him one by one, he was overtaking everyone with ease.

"no way" the other participants couldn't believe what was happening, they all couldn't believe it when they saw Ye Chen overtaking so easily.

Ye Chen caught up with Tian Mo, he didn't care about the participants he had already passed.

"So fast" Zhi Fuze looked at Ye Chen, she didn't expect that Ye Chen would be so fast, Ye Chen's speed made Zhi Fuze speechless.

Zhi Fuze remembered what Ye Chen had previously said, she clearly remembered what Ye Chen said about the bet with Tian Mo, Zhi Fuze did not expect that Ye Chen would keep his words.

"400 miles" Ye Chen had already reached an altitude of 400 miles, he had already reached an altitude of 400 miles and was right behind Tian Mo.

"Is it serious?" Nie Li couldn't believe it when he saw Ye Chen start to climb up quickly, he was like seeing someone running on flat ground, Ye Chen's speed left Nie Li speechless.

Ye Chen was indeed fast, he seemed to have no weight when climbing to the top, whereas the other participants felt a strong suppression, so it wouldn't be strange for them to start to slow down.

"Bastard" Dun Yaong looked at Ye Chen, it was obvious that Dun Yaong was still very upset with what Ye Chen had done, what Ye Chen had done made Dun Yaong feel annoyed and angry.

Dun Yaong recalled what happened earlier, what Ye Chen did was still imprinted in Dun Yaong's heart.

The other participants could only look at Ye Chen who surpassed them, they couldn't do anything about this matter.

Ye Chen was already behind Tian Mo, the two were only less than 5 miles away.

Tian Mo looked back, when he looked back, he saw Ye Chen who was already behind.

"what, no way" Tian Mo couldn't believe it when he saw this, he couldn't believe it when he saw Ye Chen who was already behind him.

"I have to go even faster" Tian Mo decided to go even faster, he had to be even faster so as not to be chased by Ye Chen.

Even though it's even faster, in fact Tian Mo's movement is still quite slow, it's not comparable to Ye Chen's fast movement.

"Where are you going to run?" Ye Chen said to Tian Mo, Ye Chen told that Tian Mo would not be able to escape from him.

"I won't let you win" Tian Mo said to Ye Chen, he wouldn't let Ye Chen win.

"You won't be able to stop me, I will still win" Ye Chen said to Tian Mo, telling himself that he would be the winner.

Ye Chen began to narrow the distance, 4 miles, 3 miles, 2 miles, 1 mile, 500 meters, 200 meters, 100 meters, 50 meters, 25 meters, 10 meters, 5 meters, 1 meter.

Ye Chen was already at the same position, he was already at the same height as Tian Mo.

"Impossible, he really did it" the audience didn't expect Ye Chen to do it.

"I may not be that strong, but I have great speed, it's a thing that can make me win easily, bye loser" Ye Chen said to Tian Mo.

Chapter 2014: Ye Chen ends Mountain climbing competition

Ye Chen had just defeated Tian Mo, he had already passed Tian Mo who was number 1, now Ye Chen is the leader in the match.

"Not . . ." Tian Mo tried to regain the position he was in, it was a shame when he tried to reach Ye Chen's place, Ye Chen got further and further away.

Tian Mo kept trying to climb up, himself trying to catch up with Ye Chen.

Ye Chen accelerated the speed he had, the Ye Chen who was now far left Tian Mo behind.

"No way, this can't be happening" Tian Mo couldn't believe what happened, Tian Mo couldn't believe it when he saw Ye Chen who was already quite far from Tian Mo's place.

Ye Chen's disappearing figure made Tian Mo feel defeated, he had just been humiliated by Ye Chen.

Tian Mo couldn't accept being defeated by Ye Chen, even so he couldn't do anything about this matter.

Tian Mo might be labeled as a weak person, he was just defeated by a loser, this would definitely result in his reputation being bad in the eyes of the God Realm rulers.

"I can't lose, I won't lose to a loser" Tian Mo started to gather the strength he had, he used his full strength.

Tian Mo started running as fast as he could, he added and continued to increase his strength to catch up to Ye Chen.

"here it is" everyone looked at Tian Mo, they all saw that Tian Mo was trying to chase after Ye Chen.

"Finally he used his full strength" Everyone saw that Tian Mo had already used his full strength, it would be a very fierce battle.

"Master, that person is trying to chase after you" Chu Yuechan said to Ye Chen, she told Ye Chen that Tian Mo started chasing from behind.

"Let's break his mind" Ye Chen increased his speed, he was getting faster and faster.

"600 miles, 700 miles, 800 miles, 900 miles, 1000 miles" Ye Chen reached the top in just 5 minutes, he used a speed that no one else could imagine.

Tian Mo was desperate, he had already lost quite a distance from Ye Chen, even if Tian Mo used his full speed, he would not be able to catch up to Ye Chen.

"Damn, Damn, Damn, Damn, Damn" Tian Mo roared and continued cursing, his roar caused an avalanche, Tian Mo let go of all the grievances he had, Tian Mo was annoyed with this defeat.

"impossible, how did he do that" some people couldn't believe it when they saw this, they all couldn't believe it when they saw Ye Chen who became so fast.

The people of the great powers didn't even expect that Ye Chen would be that fast, they didn't expect Ye Chen to be so fast at all.

From the beginning of Ye Chen's climb until now, it only took him less than 20 minutes to reach the top, this is the latest record that no one else has ever broken.

"His speed is amazing, he overcomes his weakness by using speed" Sun Quan gave Ye Chen an assessment, himself judging what he saw.

"This match does require speed, he utilizes that ability to continuously ascend and dodge monsters, he has quite an advantage in the match" Everyone agreed with what Sun Quan said, Ye Chen's speed was an advantage for him.

"Look at them starting to speculate, they don't know about Ye Chen at all".

Yue Ya looked at Sun Quan, Hai Wan and Dongfang Xiong, they were talking nonsense.

"Ye Chen's strength is indeed very unique, it even put a great elder into trouble" Vei still clearly remembered Ye Chen's strength, that power made others feel afraid.

"Is it a new technique, I saw it for the first time" Liu Yue saw it for the first time, it was the first time she saw what Ye Chen was doing.

"It's possible, you haven't been with him for a long time, he must have learned a lot of new things" Yue Ya said to Liu Yue.

"It's possible" Liu Yue agreed, it was very likely that Ye Chen had already gained a lot of new things when he wasn't with Liu Yue.

Ye Chen finally reached the peak, he arrived at the very peak of the mountain.

When Ye Chen reached the very peak, he saw a dragon sleeping, this dragon sleeping right in front of a sword.

"Oh, so that's the sword that Lei Qiaolin said, very interesting, if I pull it out, then the match will be over" Ye Chen just needed to draw it, then the battle would be over soon.

Ye Chen stepped forward, he headed to where the sword was, when Ye Chen started walking, the sleeping dragon immediately woke up, he heard the sound of Ye Chen's footsteps very clearly.

"So a human arrived at this place" the dragon said to Ye Chen, this dragon did not expect that there would be a participant who could reach this place.

"I woke him" Ye Chen woke the dragon, he had awakened the sleeping dragon.

"Your journey to this place, I will send you back to the bottom" the dragon said to Ye Chen, the dragon said that Ye Chen will be sent to the bottom.

"You're talking to me?" Ye Chen asked the Ice dragon in front of him.

"You bastard, are you blind?" The ice dragon was very angry with what Ye Chen said, he was very angry with what Ye Chen said to him.

even though the ice dragon had styled so well, he didn't expect that Ye Chen would ignore him.

"I'm not blind, my eyesight is still very clear" Ye Chen told that he still has very good eyesight.

"damn, I will make you regret it" Ice Dragon was angry, he made some Ice around this place.

"The temperature around is getting colder, this drop in temperature affects the area around this place.

Ice started to spread to Ye Chen's place, as ice started to spread this area into a wider expanse of Ice.

Ye Chen did nothing when the Ice was about to touch hi, The ice turned and passed through Ye Chen's body, Ye Chen's body was safe and untouched.

"You weren't affected by the attacks?" The ice dragon didn't expect that Ye Chen would not be affected by his attack.

"Of course I'm not affected, I'm an Ice user, so your attack won't have any effect on me" Ye Chen answered the Ice dragon's question.

"Oh, I see, it's not strange" the Ice dragon understood, he now understood why Ye Chen wasn't hit by his attack.

"You better give it to me" Ye Chen asked the Ice Dragon to give the sword to him.

"I can't give it to you" Ice dragon refused to give Ye Chen the sword, he refused to do that because his job was to guard it.

"If you refuse, I will take it by force" Ye Chen said that he would take this by force.

"if you really have the ability to do that, then try to do it" the ice dragon said to Ye Chen, the ice dragon told Ye Chen to take it himself with the strength he had.

"If that's what you want, then I'll do it right away" Ye Chen will take it, he will take the sword.

"It won't be easy to do, I am a powerful dragon assigned to protect it from intruders, you alone won't be able to get it" said the Ice Dragon to Ye Chen.

"Are you sure about that?" Ye Chen said again to the Ice dragon, now Ye Chen is already behind the ice dragon and right in front of the sword.

"impossible" Ice dragon did not see Ye Chen, how could Ye Chen directly behind the Ice dragon.

"Stupid dragon, you are too arrogant, next time you have to be smarter" Ye Chen said to the Ice dragon.

"no" Ice dragon tried to stop Ye Chen, unfortunately the ice dragon had no time because Ye Chen was quite close to the sword.

Ye Chen drew his sword, when Ye Chen did that, he and the other participants were surrounded by light.

It could be said that if they were sent back, what Ye Chen did was officially end the existing battle.

Everyone looked confused, they all didn't know what had just happened.

"All participants, the match is over, those of you who fail will be immediately sent out, while those who qualify will return to the arena" Lei Qiaolin said to all the participants who were struggling, she told everyone that the match was over,

Lei Qiaolin did not expect that Ye Chen did so, she actually drew the sword and ended this match.

"impossible. . ." Many participants were disappointed with the results this time, even though they had devised a strategy to win, unfortunately they had not had time to use it.

these people have missed a golden opportunity, they have wasted the golden opportunity they had.

"Just now, I couldn't see it" Hai Wan couldn't see Ye Chen's movements, Ye Chen's movements just now were really so fast that Hai Wan couldn't see them.

"Father, are you really unable to see that person's movements?" Hai Ming was shocked when he heard this, if his father couldn't see Ye Chen's movements, then no one else would be able to see either.

"royal father, can you see it?" Sun Xuanyin asked Sun Quan, she wanted to know if Sun Quan saw the last move made by Ye Chen.

"No, I didn't see it." Sun Quan said that he didn't see Ye Chen's movements, he didn't see Ye Chen's movements clearly.

Chapter 2015: [Bonus chapter]1 vs 1 battle

You could say that a Great King Realm level like Sun Quan couldn't see Ye Chen's moves

"impossible" Sun Xuanyin couldn't believe it when she heard this, if her father couldn't see this, then Ye Chen was really fast.

"Very fast movement, it's not strange that Hai Wan and Sun Quan can't see it either" Dongfang Xong also couldn't see Ye Chen's movement, the latter's Ye Chen's movement was very fast, it was like Ye Chen teleporting.

"Looks like the battle will become more and more interesting" Khim Jix felt that the battle would become more and more interesting, Ye Chen had turned the competition into a more interesting one.

Ye Chen along with the participants who passed were transferred to the arena, they would continue the final round where they would all fight 1v1 until leaving the champion who would be the winner.

"I congratulate all of you" Lei Qiaolin congratulated the participants who passed, they had passed everything well and arrived at this point, where they would show their combat abilities.

everyone was relieved, they all seemed relieved that they had gone through it all and got to this point.

"I also congratulate you for completing the match, you are the first person in history to do something like this" Lei Qiaolin said to Ye Chen, she said to Ye Chen who had managed to become the winner.

"I'm just lucky that this match is on my side" Ye Chen said to Lei Qiaolin.

"Your speed is quite helpful in this matter" Lei Qiaolin said to Ye Chen.

Lei Qiaolin knew how fast Ye Chen was, it could be said that this man had terrifying speed.

Even someone as strong as Lei Qiaolin had to lose to Ye Chen's hands, so Lei Qiaolin knew very well about Ye Chen's strength.

"Okay, since you guys have reached this point, then we can just continue" Seeing the participants who are still in good health, Lei Qiaolin decided to continue the competition to the last level, this is the part that everyone is looking forward to the most, this is the battle 1 vs 1 where each participant will fight until they reach the Final round.

Everyone had been looking forward to this moment, this was the time for them to show their strength.

"Ye Chen, because you are the winner, you can have a number that will be used to determine the opponent you will fight" Lei Qiaolin said to Ye Chen, he invited Ye Chen to draw the number.

"Okay" Ye Chen stepped forward, he drew something with what Lei Qiaolin said.

Ye Chen took the number in the box, when he took the number, Ye Chen found that he got the number 1024.

"Number 1024, it looks like your luck is not good" Lei Qiaolin said to Ye Chen, Lei Qiaolin saw that Ye Chen's luck was not good.

"You may be right, can I retract?" Ye Chen asked Lei Qiaolin.

"No, you can only withdraw once, so you can't retract" Lei Qiaolin said to Ye Chen, he told Ye Chen that he was not allowed to retract.

"Did I not get more as a winner?" Ye Chen asked Lei Qiaolin.

"No, I will not give you more privileges." Lei Qiaolin said that he would not give more privileges to Ye Chen.

"You are trying to take revenge on me" Ye Chen said to Lei Qiaolin.

"What are you saying?" Lei Qiaolin smiled at Ye Chen, from the smile that Lei Qiaolin gave, Ye Chen could tell that this woman was trying to take revenge on Ye Chen.

"Forget it" Ye Chen chose to give up, he chose to just give up and not continue arguing with Ye Chen.

After Ye Chen advanced, it was Tian Mo's turn to advance, in terms of numbers he got second place, so he had the right to choose the number after Ye Chen.

Tian Mo seems to be quite annoyed, again he got second place, this is something that Tian Mo doesn't like.

Tian Mo got number one, that meant he wouldn't be meeting Ye Chen any time soon.

"damn" Tian Mo cursed, it looks like he won't be meeting Ye Chen anytime soon, so he won't be able to take revenge against Ye Chen.

"You are lucky enough" Lei Qiaolin said to Tian Mo, Tian Mo is lucky enough that he will not meet Ye Chen any time soon.

Tian Mo gritted his teeth, he looked annoyed when he listened to what Lei Qiaolin had to say.

"Rather than saying it's luck, Tian Mo thinks it's bad luck.

After Tian Mo, one by one the participants started to take numbers.

"Okay, you all have got your numbers, then let's start, serial number 1 will fight with number 513, while number 2 will fight with number 514 and so on, do you all understand?" said Lei Qiaolin to all participants.

"Then my opponent is number 512" Ye Chen saw that his next opponent was number 512, who would be Ye Chen's opponent, Ye Chen was quite curious about this.

"Then prepare yourselves, you can go to the arena that has been prepared for all of you" Lei Qiaolin said to all the participants.

All the participants nodded, they all went straight to the stage where they would be fighting.

Ye Chen entered a stage, when Ye Chen entered, a person also started to go up, a man who was about 2 meters tall entered the battle arena.

Ye Chen looked at the opponent in front of him, from a glance this person was quite tall, he had more height than Ye Chen.

Ye Chen himself was almost 190 cm tall, he didn't expect that there would be anyone taller than him.

"I will be the referee, you have to listen to what I say" a man will be the referee of the match.

This man told Ye Chen to follow what he said.

"Understood" Ye Chen understood, he was going to join the game.

"Then introduce yourself before starting" the referee told the two to introduce themselves before starting.

"I am Ye Chen" Ye Chen was the first to introduce himself.

"I am Din Pun, the one who will be victorious" This tall man introduced himself to Ye Chen.

When doing an introduction, this person said that he would be the winner.

"Good spirit, let's see how much power you have." Ye Chen wanted to see the strength that Din Pun had.

"Soon you will see the power that I have" Din Pun told that Ye Chen would soon see the strength he had.

"That's enough" the referee said to Ye Chen and Din Pun, he stopped the debate between Ye Chen and Din Pun.

"I'll explain the rules to you guys" the referee started to explain the rules to Ye Chen and Din Pun.

"First, you must not leave the boundary of the arena circle, when you go out of bounds, then you will be considered defeated"

"Secondly, you can use the power of flight, but when you get out of the barrier, it is certain that you will lose, Do you understand? The referee said to Ye Chen and Din Pun.

"we understand" Ye Chen and Din Pun understood the rules, they just couldn't get out of the circle, if they left they would lose.

"The match will not be stopped before one of you surrenders, so make sure you give up if you really can't, if you die, then it's not my responsibility," said the referee in a fairly firm tone.

Chapter 2016: Din Pun vs Ye Chen

Ye Chen and Din Pun already understood, the two of them already understood what they had to do.

"Did you two understand what I said?" the referee asked Ye Chen and Din Pun.

"we are ready, let's start" Din Pun and Ye Chen said at the same time, both of them were ready to start.

"Okay, since you guys are ready, then I'll start" the referee decided to start the match between Ye Chen and Din Pun.

"3,2,1, start" the referee officially started the battle between Ye Chen Vs Din Pun.

"feel this" Din Pun stepped forward, he took out a large ax and started swinging towards Ye Chen.

"Heavy class weapons, it seems that this will be an advantage for me" Ye Chen saw an advantage, with Din Pun's heavy weapons, it would make it easier for Ye Chen to fight.

"Swings. . . ." Din Pun swung his axe, every time Din Pun swung his ax, Ye Chen would dodge Din Pun's attacks.

"too agile" Din Pun saw that Ye Chen was very fast, his attacks would not be able to keep up with Din Pun's speed.

"I have to find a way" Din Pun had to find a way, how would he deal with Ye Chen if Ye Chen was that fast.

"Stop running and start fighting me" Din Pun said to Ye Chen, he told Ye Chen not to run and started fighting himself.

"If you have the ability, you should be able to chase after me, what's the point of being tall if you can't use it to chase after me" Ye Chen said to Din Pun, Ye Chen told Din Pun to chase after him.

"This bastard" Din Pun was very annoyed, he looked very annoyed when he saw Ye Chen who was mocking him.

"wind ax swing" Din Pun had no other choice, he used an attack to attack Ye Chen.

When Din Pun swung the ax he had, it was at that moment that a huge slash of wind with a very wide range flew towards Ye Chen.

"Oh, so this is how you play" because Din Pun couldn't catch up with Ye Chen, then Din Pun used this trick, he used a wide radius attack to deal with Ye Chen.

"You have no place for anymore, just give up finger" Din Pun said to Ye Chen.

"That's not true, I don't need to run" Ye Chen said to Din Pun.

"what ???" Din Pun didn't understand what said , he didn't understand what said .

"Boom. . ." Din Pun's attack hit Ye Chen, a blast of wind occurred and sent dust flying.

"Okay, I did it, this is my win" Din Pun was happy, this was an easy win.

Din Pun was confident in fighting Ye Chen, he was confident because Ye Chen only had a weak cultivation at the early Divine Preceptor Realm realm, it couldn't compare to him who was already at the middle stage of the Divine Preceptor Realm.

"Aren't you happy too soon" Ye Chen said to Din Pun, he told Din Pun to be happy too soon.

"what ! ! !"when Din Pun thought that everything was over, Ye Chen suddenly appeared from behind the dust, he appeared still intact, not a single wound on Ye Chen's body.

"No way, he managed to dodge?" Din Pun did not expect that Ye Chen had managed to dodge.

"Your swing is pretty strong, it's a shame that your accuracy isn't great." Ye Chen said to Din Pun, he told Din Pun that he had poor accuracy.

"No way, you dodged the attack, that's impossible" Din Pun couldn't believe this, he couldn't believe it when he saw Ye Chen dodge the attack just now.

Din Pun had already measured his attack power, Ye Chen shouldn't have been able to dodge the attack just now.

"Hehehehe" Ye Chen smiled, his opponent was already starting to get confused when fighting against him.

"I don't believe that you can avoid this, I will fight you" Din Pun again attacked Ye Chen, he again made an attack at Ye Chen.

"Swings. . . ." Din Pun swung his ax with great force, he kept swing the ax at Ye Chen.

Din Pun's attacks looked a lot more irregular, he attacked blindly in order to hit Ye Chen.

Normal people might find it difficult to deal with Din Pun's attacks, but for Ye Chen, this was quite an easy thing to do.

"Hey, why is he just dodging, let's attack" the audience told Ye Chen to fight back, they all wanted to see Ye Chen fight.

"Everyone already knows that Ye Chen has great speed, they want to see Ye Chen's fighting power, whether Ye Chen's fighting power is comparable to his speed.

Too bad because Ye Chen didn't intend to fight, he didn't intend to fight against Din Pun using force.

From the start Ye Chen only wanted to buy time while fighting Din Pun.

Ye Chen won't finish the match quickly, for now Ye Chen will try to take it easy.

The other participants had already started to finish, they finished the battle very quickly.

The other participants thought that doing long battles would waste energy, that's why they had to fight quickly to end the match.

"Come on, quickly beat him" Seeing Ye Chen keep dodging and unwilling to fight, everyone decided to support Din Pun, they all ordered Din Pun to immediately end the fighting.

Din Pun was trying to do that, the problem was Ye Chen was too slippery, none of his attacks could hit Ye Chen.

"Damn, why didn't it work" Din Pun was angry that all his attacks couldn't hit Ye Chen, he was just wasting his strength.

"you look tired, do you want to just give up?" Ye Chen asked Din Pun.

Ye Chen gave Din Pun a chance to surrender.

"Who wants to give up, I won't give up" Din Pun refused to give up, he wouldn't give up against Ye Chen.

"Too bad" Ye Chen was quite disappointed when he heard this, it seemed that he had no choice but to let Din Pun out.

"let's go, let's end this battle" Ye Chen told Din Pun to go forward, its time for Ye Chen to end the battle.

"feel this" Din Pun stepped forward, he stepped forward and began to raise his timing to beat Ye Chen.

Ye Chen backed away and took Din Pun to the edge, when Ye Chen had reached the edge, Ye Chen stopped.

"There's no way for you to escape" Din Pun saw a golden opportunity, he saw that Ye Chen could no longer escape all the mist roads had been blocked, now Ye Chen could only receive attacks from Din Pun.

Ye Chen smiled, Din Pun has fallen into his trap, now is the time to end Din Pun.

Ye Chen moved sideways, he avoided Din Pun's attack by moving sideways.

Din Pun's attack missed again, he didn't hit Ye Chen.

"good bye " Ye Chen tackled Din Pun, Din Pun lost his balance and fell out of the arena.

"no . . ." Din Pun shouted, he actually fell off the arena, this is a very ridiculous thing to do.

"Din Pun participants leave the arena, the winner is Ye Chen" the referee immediately announced who the winner in this match was.

The people who saw Ye Chen's match started to put on a dark face, they really didn't expect that Ye Chen would do something like that, obviously this was something the imagine audience in this place

Din Pun suffered a ridiculous defeat, he lost because he was tackled by Ye Chen, this was the most ridiculous thing they had ever seen.

Chapter 2017: Ye Chen Vs Sharang Hee (1)

"damn" Din Pun cursed, he cursed his loss to Ye Chen.

Din Pun's defeat was ridiculous as hell, with a defeat like this, he didn't have the face to fight anymore.

"damn" Din Pun didn't accept it, he didn't accept being beaten in this way by Ye Chen.

"You have already lost, so come back" Ye Chen said to Din Pun, he told Din Pun to come back.

"I won't come back until I kill you" Din Pun said that he wouldn't come back before killing Ye Chen, he had a complaint to settle with Ye Chen.

It was impossible for Din Pun to return when his reputation was damaged by Ye Chen.

So now what Din Pun was doing was cleaning up his reputation, as long as he could beat Ye Chen, then he could clean up what just happened.

"Stop right now" the referee said to Din Pun, he stopped Din Pun who was trying to attack Ye Chen.

"let's go back to battle quickly defeat him" people gave support to Din Pun, the battle just now was quite boring and not exciting.

"dead . ." Din Pun used his full strength, he again attacked Ye Chen using his full strength.

Ye Chen stretched out his hand, he used his bare hands to catch the now that was launched by Din Pun.

"clang", Din Pun's attack was successfully stopped by Ye Chen, Ye Chen stopped Din Pun's attack very easily.

"I told you that you won't be able to beat me, so quickly get out of the way" Ye Chen said to Din Pun.

"I won't go away, Quickly die" Din Pun still refused Ye Chen, he refused to listen to Ye Chen.

"If that's what you want, then don't blame me" Seeing this, Ye Chen decided to put up a fight, he decided to use his fists to fight Din Pun.

"Blam. . ." Ye Chen landed an attack on Din Pun's body, Din Pun's body immediately fell when it was hit by Ye Chen's attack.

"what happened" all the audience were curious about what happened, they just saw Din Pun suddenly fell down.

People didn't see Ye Chen's attack, it was because Ye Chen took advantage of the shock effect of the fist blow.

if Ye Chen used the easy attack, then it was certain that Din Pun would die.

Din Pun vomited blood, he was seriously injured from Ye Chen's attack.

"Din Pun are you okay" a man left, he checked the condition of Din Pun.

When this man checked Din Pun's condition, he found that Din Pun was injured quite heavily, it took a long time to completely heal Din Pun's wounds.

"You hurt him too much" this man said to Ye Chen, as the master of Din Pun, this man did not accept when Ye Chen inflicted heavy injuries on Din Pun.

"So what, do I need to stay still and take his attacks, if you are really smart, you should stop him before attacking me" Ye Chen said to the man in front of him.

"Are you saying I'm stupid?" This man did not accept when he listened to what Ye Chen said, he felt disapproving when he heard what Ye Chen said.

"I didn't say it like that, you said it yourself" Ye Chen said that this person said it.

"bastard" This male tried to attack Ye Chen, he stretched out his hand towards Ye Chen.

"what are you doing, no rioting in this place" when this man was about to attack Ye Chen, Lei Qiaolin intervened, she stopped the commotion that was going on.

"Quickly let me go" this man told Lei Qiaolin to let go of himself, he even dared to yell at Lei Qiaolin.

Lei Qiaolin looked displeased when she heard this, he was dissatisfied when she was yelled at by someone below him.

"cracks. . ." Lei Qiaolin decided to break this man's wrist, she broke this man's wrist so easily.

"Argha" this man shouted, he immediately grabbed his wrist which was just crushed by Lei Qiaolin, to be honest it really hurt when Lei Qiaolin broke his wrist.

"Remember that this is not your place, so don't mess around in this place" Lei Qiaolin gave a warning, she gave a harsh warning to the Master of Din Pun.

"Okay" this man was scared, the aura released by Lei Qiaolin scared him, it was clear that he was not Lei Qiaolin's opponent.

"Hurry up, before I change my mind." Lei Qiaolin told this man to go and take Din Pun with him.

"Okay" the master of Din Pun left, he immediately left and disappeared from the sight of Lei Qiaolin.

"You are just great, you look like a monster to that person" Ye Chen said to Lei Qiaolin.

"That's none of your business, hurry back to fighting" Lei Qiaolin ordered Ye Chen, he told Ye Chen to fight for the next round.

"Okay, I understand." Ye Chen understood, he would do his best to fight and gain victory.

From afar Sun Xuanyin looked at Ye Chen and Lei Qiaolin, Sun Xuanyin clearly observed what Ye Chen and Lei Qiaolin were doing.

"So they both know each other." Sun Xuanyin saw that Ye Chen and Lei Qiaolin knew each other.

Sun Xuanyin still remembers the Quest incident, at that time Ye Chen said that when he met Lei Qiaolin, Sun Xuanyin did not expect what Ye Chen said to be the truth.

"What kind of relationship do the two of them have?" Sun Xuanyin was quite curious about this matter, she wanted to know what kind of relationship Ye Chen and Lei Qiaolin had.

There was no way that Lei Qiaolin would continue to help Ye Chen, they probably had a rather special relationship.

All the participants had finished, they had all finished their battle, now they were only of the previous number.

everyone returned to the battle again, Ye Chen's enemy this time was number 257.

who was Ye Chen's next enemy, Ye Chen was very curious about this matter.

Ye Chen went up to the arena, in the arena there was already a woman with short hair and a boxing glove waiting for him.

From the looks of this woman being like a maniac, Ye Chen could feel the violence from her aura.

"Kid, are you ready to be battered?" this woman said to Ye Chen, she said that Ye Chen would be battered.

"Honestly, I don't really like hitting women, so maybe I'll be a little gentle" Ye Chen said to the woman in front of him.

"I don't need your pity, I will start beating you" this woman said that she would start beating Ye Chen.

"This woman is a delinquent." Ye Chen shook his head, himself meeting with a slightly troublesome opponent.

"Introduce yourselves, after that I will start this battle" the referee told the two to introduce themselves.

"My name is Sharang Hee" this woman introduced her name to Ye Chen.

"My name is Ye Chen" Ye Chen also introduced his own name.

"Good, since you guys are acquainted, let's get started, the rules are still the same as before, do you understand?" the referee asked for the last time, he informed that the rules are still the same as before, those who leave the arena will immediately be considered losers.

Ye Chen was happy that the rules had not changed, it meant that Ye Chen still had the possibility of winning easily.

Ye Chen had countless ways to win this match.

"3,2,1 start" the referee started the match, when the match started Sharang Hee advanced towards Ye Chen, she used her boxing gloves to crush Ye Chen.

Ye Chen didn't dodge, he blocked Sharang Hee's attack, he used his palm to stop Sharang Hee's attack.

Chapter 2018: Ye Chen Vs Sharang Hee (2)

"Bam. . . .,Bam,Bam,Bam,Bam,Bam" Ye Chen resisted all attacks, he resisted all of Sharang Hee's attacks.

"What a great move, let's fight even harder" Sharang Hee was happy to see that Ye Chen could withstand her attacks, this match probably wouldn't be boring.

Sharang Hee was getting faster, she was making increasingly faster attacks on Ye Chen.

Ye Chen followed Sharang Hee's attack, he easily followed Sharang Hee's attack.

"how can you endure it all, this is unreasonable" Sharang Hee was shocked when Ye Chen blocked all of her attacks perfectly, barely any attacks could enter Ye Chen's body.

"Not bad, you have agile movements" Ye Chen said to Sharang Hee, Ye Chen made Sharang Hee a warm-up object.

"I can still do better" Sharang Hee tells that she can still do better.

"Really, then show me" Ye Chen told Sharang Hee to show herself.

"don't regret it" Sharang Hee said to Ye Chen, he told Ye Chen not to regret it" said Sharang Hee to Ye Chen

"Ten thousand shadow blow" Sharang Hee finally launched a very many attack towards Ye Chen.

Sharang Hee's attack was speed, at this time Sharang Hee's hands seemed to be very numerous, this made more and more fists aimed at Ye Chen.

"This is coming" Ye Chen decided to hold back the attack, he decided to resist all the attacks launched by Sharang Hee.

Because Sharang Hee's movements became fast and created a lot of shadows, Ye Chen did the same, he tried to imitate what Sharang Hee did.

"No way, you. . ." Sharang Hee was shocked, she looked surprised when she saw Ye Chen who managed to block the Ten thousand shadow blow.

"This can't be happening, I will definitely win, feel this" Sharang Hee was not going to lose, she couldn't accept it when she saw Ye Chen stop the Ten thousand shadow blow.

"Sometimes you have to accept defeat" Ye Chen said to Sharang Hee, Ye Chen explained that Sharang Hee had to accept defeat.

"there is no defeat in my dictionary" Sharang Hee tells that there is no such thing as defeat in her dictionary.

"Then let me write your dictionary" Ye Chen said to Sharang Hee, Ye Chen told that he would write defeat for Sharang Hee.

The battle floor became very slippery, this disturbed Sharang Hee's movements.

Ye Chen started to freeze the area around him, he pushed Sharang Hee between the slippery ice floor.

Sharang Hee is not that stupid, she tries to fly and avoid the slippery floor.

Ye Chen already knew what Sharang Hee was trying to do, Ye Chen had already made a plan to restrain Sharang Hee, of course Ye Chen used his power to make sure Sharang Hee couldn't escape.

When Sharang Hee tries to fly, she finds that her body cannot be used to fly.

"what happened to me" Sharang Hee doesn't know what happened, why she can't fly, this is a very strange.

"hehehehe, goodbye" Ye Chen laughed, he pushed Sharang Hee out of the arena.

"bastard" Sharang Hee cursed, she cursed Ye Chen for using dirty means against her.

Ye Chen didn't use dirty means, rather he used smart ways against the enemy.

Sharang Hee slipped and left the arena, because out of the arena, Sharang Hee was declared defeated.

"Sharang Hee is out of the arena, the winner is Ye Chen" the referee again announced Ye Chen's victory, he announced Ye Chen's victory with a bit of a heavy heart.

"again he won in an unreasonable way" everyone hated Ye Chen, Ye Chen used an unreasonable means to win the match.

It had already been two rounds, and until now he still hadn't shown his ability.

Even though everyone hoped that Ye Chen would show the strength that he had, unfortunately they all couldn't see that, they all only saw Ye Chen defeat the enemy in a dirty way.

Ye Chen didn't really care how the people around him reacted, as long as Ye Chen won, then everything would be fine.

"Please go back and wait for the next match to start" the referee told Ye Chen, he told Ye Chen to wait in the waiting room.

The match was still long, so the referee told Ye Chen to wait for the other participants, it just so happened that the other participants were still in a fierce battle.

Ye Chen understood, he went to the waiting area and waited for the next match.

"Very good work" Mu Xueying walked over to Ye Chen, herself approached Ye Chen who had done a very good job.

"Are you okay?" Ye Chen asked Mu Xueying.

"Yes, I have getting better." Mu Xueying informed that she had better

"How is it going?" Ye Chen asked Mu Xueying, he wanted to know the progress.

"Sun Quan has several troops in the audience, they are in disguise and there are thousands of them, it seems Sun Quan already anticipated something bad would happen" Mu Xueying told Ye Chen calmly what she found.

"he's being alert, it's okay, tag them, tell the others to restrain them while Xia and I are dealing with Sun Quan" Ye Chen didn't mind this, he already knew what he had to do to solve this problem.

"I'll do it right away" Ye Chen nodded, he would do what Ye Chen asked.

"You seem to be having fun in this place." Mu Xueying said to Ye Chen, she saw that Ye Chen was having fun in this place.

"This is indeed a little fun." Ye Chen said that this was indeed fun, this was a very pleasant thing.

"You have to be a little careful with Tian Mo, he has quite a strong person behind him" Mu Xueying warned Ye Chen, she told Ye Chen that Tian Mo has strong power behind him.

"Is that so, I want to see how strong that person is." Ye Chen wanted to see how strong the person Mu Xueying said was.

"People call him a great sage, he is one of the strong men comparable to Sun Quan" Mu Xueying explained to Ye Chen about the background of the person behind Tian Mo.

"Hahahaha, great sage, I want to see his strength" Ye Chen was quite curious about this, who would dare to call himself a great sage.

"he's a bit crazy and unreasonable, be careful" Mu Xueying kept telling Ye Chen, as a good woman Mu Xueying reminded Ye Chen about the strength of the enemy.

"I will remember" Ye Chen understood, Ye Chen would remember what Mu Xueying said.

"Looks like this place is a little chaotic, I'm leaving." Mu Xueying looked around, several people looked at her, Mu Xueying was too flashy, her beauty was too flashy and made everyone feel curious about her figure.

Ye Chen nodded at Mu Xueying.

Mu Xueying left, herself disappeared from this place.

People looked disappointed when they saw Mu Xueying disappear, but they hoped that Mu Xueying would stay in this place a little longer.

Ye Chen waited for the next match along with the other participants.

"let's beat him" on the outside looked very noisy, the match became more and more brutal and the audience became even more crazed when they saw a battle like this.

"It's quite chaotic outside, it looks like there's a fierce battle going on" This is just the beginning, I didn't expect the battle to be so fierce.

"Looks like it's going to be a while, I'd better get some fresh air outside" The match was going to last a long time, instead of waiting in this place, Ye Chen decided to go out for a while and take a look around this place.

Chapter 2019: King Khan

Ye Chen came out of the arena, it was very peaceful , there are very few people out here.

"t's not strange that there are only a few people in this place, everyone is watching the match, they won't have time to go out.

Ye Chen looked around, he observed what was around this place.

There was not much that Ye Chen could observe, Ye Chen only observed a few things that interested him and a few points that seemed important.

Ye Chen looked for a green place, he stood up and looked around.

"Glup. . ." when Ye Chen took some fresh air, Ye Chen saw an old man, this old man was drinking some wine.

"who's he?" Ye Chen looked at the old man who looked shabby, he was like someone who spent his days in the interior of the mountain.

"His cultivation is quite high." Chu Yuechan said to Ye Chen, telling him that this old man's cultivation was high.

"A person with high cultivation, what is he doing out here?" Ye Chen wanted to know what people with high cultivation were doing out here.

"Most likely he is enjoying drinking wine" Chu Yuechan told Ye Chen that this old man was enjoying drinking wine.

"But it's a little strange" Ye Chen said to Chu Yuechan, Ye Chen felt strange when he saw this old man.

"hello boy, what are you doing in this place" this old man asked Ye Chen, he asked what Ye Chen was doing in this place.

"Just go out and get some fresh air" Ye Chen told himself go out and get some fresh air.

"Then we do the same" said the old man to Ye Chen.

"Would you like a drink?" the old man offered Ye Chen a drink.

"No, I don't like drinking." Ye Chen said that he didn't like drinking.

"Too bad, you should have tried one more time" said the old man to Ye Chen.

"I'm in a match, so there's no way I'll drink" Ye Chen replied to the old man.

"So you are a participant, you shouldn't have come here, as a participant how did you come to this place" the old man said to Ye Chen.

"The next match is still long, I still have time." Ye Chen still had plenty of time, so he used his time as he pleased.

"That's not a wise answer" said the old man to Ye Chen, Ye Chen's answer was not wise.

"Why is that?" Ye Chen asked the old man in front of him.

"You should stay there and watch the battle, you can watch your opponent's battle and use it to defeat them" the old man said to Ye Chen.

"I'm not really interested in that matter" Ye Chen said that he wasn't interested in this matter, he had other goals, he had other goals in doing things like that.

"So you have other goals, very interesting, does a brat like you have other goals, this is one of the prestigious events in God Realm, so there is nothing more important than this event" the old man said to Ye Chen.

Ye Chen looked at the old man on the side, this man made Ye Chen's mood less good.

"I just wanted to get some fresh air, but why are you clashing with a lunatic who talks too much" Ye Chen was quite annoyed, he looked annoyed that this old man was annoying.

"I'd better go back" Ye Chen decided to go back, he decided to go back inside, it looks much better inside than outside.

"Oi, where are you going Ye Chen?" the old man said to Ye Chen, he asked where Ye Chen was going.

Ye Chen didn't answer, he took a step away, when Ye Chen took a step away, he remembered something.

"Old man how do you know my name, have you seen my match?" Ye Chen said to the old man.

"No, I've been in this place since the beginning" the old man told Ye Chen that he had been here the whole time.

"Then how come you know my name?" Ye Chen wanted to know how this old man knew about his name.

"I know from a stupid disciple" said the old man to Ye Chen, this old man said that it was his stupid disciple who told him about this matter.

"Don't tell me it's Tian Mo, so you're a great Sage, you don't look like a great Sage if I look at it clearly" Ye Chen said to the old man.

"You can't judge a person just by appearances." The great sage said to Ye Chen, he telling that appearances can't tell everything.

"Hmm, you may be right" Ye Chen agreed with what this old man said, it was indeed impossible to conclude everything just by appearance.

"So why did you decide to follow me?" Ye Chen asked the great sage, himself asking why he decided to follow him.

"I just want to see the person who dares to challenge my disciple, it turns out that you look very ordinary" said the great sage to Ye Chen.

"I am an ordinary person, are you satisfied when you know that I am an ordinary person?" Ye Chen replied to the great sage.

Ye Chen did not deny that he was just an ordinary person, from the beginning Ye Chen was just an ordinary person.

"Hahahaha, then I will give you a good suggestion, you should just give up, there is no chance for you to win, with speed and agility alone you will not be able to win" said the great sage to Ye Chen.

"Thanks for the warning, but I won't listen to what you have to say" Ye Chen said to the great sage.

Ye Chen had no interest in listening to the words of the great sage, he had no interest in listening to the ramblings of this old man.

"I have tried to give you a warning, lest you regret it" said the great sage to Ye Chen.

"You better go back to the mountains, I don't need those wise words" Ye Chen didn't need the words of wisdom from the great sage.

"Brat now, can't appreciate the words of the old man, I will help your master to teach a lesson" said the great sage to Ye Chen.

The great sage used the strength he had, he used his own power to attack Ye Chen.

great sage was only given to people who could create many new techniques, that was what made this old man called a great sage where he had created countless powerful new techniques.

"Do you want to use violence?" if this old man wanted to use violence, then Ye Chen would not hesitate to fight him.

"stop" when the great sage was about to attack Ye Chen, he was stopped by Ning Xia, Ning Xia stopped the great sage who wanted to attack Ye Chen.

"Boom. . ." Ning Xia and the great sage clashed, in this blow the great sage retreated several steps further than Ye Chen.

"Who are you" the great sage was shocked when he saw Ning Xia, it was the first time he had seen someone with such great power as Ning Xia.

Chapter 2020: Ning Xia defeated King Khan with a snap of a finger

"I am the master of Ye Chen, I will not allow you to attack my disciple" Ning Xia said to the great sage.

"Do you know me, I am King Khan, a great sage with recognized power in God Realm, are you sure to talk to me like that" King Khan said to Ning Xia, he used a threat on Ning Xia.

"I don't care if you are King Khan or whatever, if you dare to do anything to my disciple, I won't let you" Ning Xia said very firmly.

"Then let me show you a little of my strength." King Khan decided to use force against King Khan.

"Don't be so arrogant" Ning Xia told King Khan, not to be arrogant, Ning Xia had several ways to deal with King Khan.

Ning Xia made Ice thread, she will fight King Khan at full strength.

"It's useless, your attacks won't affect me." King Khan informed that Ning Xia's attacks would have no effect on him.

"Be careful with your words" Ning Xia said to King Khan, she told King Khan to be even more careful.

King Khan didn't listen to Ning Xia's warning, he barged in using the wind barrier.

The wind barrier used by King Khan was quite effective, he was able to penetrate Ning Xia's attacks.

Ning Xia knew what King Khan was going to do, she had already anticipated this.

Ning Xia wasn't stupid, she had already prepared another attack to defeat King Khan.

As King Khan approached, Ning Xia used more Ice threads, these Ice threads were much thinner and sharper than before.

The Ice Threads released by Ning Xia began to bind the wind barrier used by King Khan.

The wind barrier used by King Khan began to disappear due to being entangled by the threads.

King Khan was now trapped within the extremely dangerous Ice thread, if he moved even a little, he could lose his life.

"Damn, I fell into a trap" King Khan did not expect that he would fall into a trap set by Ning Xia, it turns out that Ning Xia is not a random woman, Ning Xia is able to trap a very smart person like King Khan.

"Do you understand your current position?" Ning Xia said to King Khan.

"You are quite smart and have pretty good strength, I wonder why I have never seen a woman like you" King Khan had to admit that Ning Xia was very smart, she was a smart and very strong woman.

"You don't need to know about it" Ning Xia informed that King Khan didn't need to know about her.

"So you don't want to tell me your name, very interesting, then let me find out myself" King Khan will try to find out the name Ning Xia has.

"You better give up right now" Ning Xia said to King Khan.

Ning Xia gave King Khan a chance, she told King Khan to give up right now

"it's not easy to make me give up" King Khan told her that it wasn't easy to make himself give up.

"You are quite stubborn" Ye Chen said to King Khan, this person turned out to be quite stubborn.

"Chen don't go forward" Ning Xia told Ye Chen not to go forward, Ning Xia won't let Ye Chen show the strength he has.

"why?" Ye Chen asked Ning Xia, whereas Ye Chen wanted to fight this annoying old man.

"Don't expose your strength too soon" Ning Xia told Ye Chen not to expose his strength too soon.

If Ye Chen used his strength too quickly, then it would make others feel suspicious, so it was better for Ye Chen not to fight against King Khan.

"Okay" Ye Chen understood, he listened to what Ning Xia wanted, after all it was a good thing for Ye Chen not to show his strength in front of someone like King Khan.

A person like King Khan was quite mysterious, he would most likely leak what he was seeing right now to others.

"You are happy too soon, it is still fast enough for you to be happy" King Khan said to Ning Xia, he told Ning Xia that he was happy too soon.

King Khan's body started to emit profound flames, from his body began to emit super hot profound flames.

"He has dual elements?" Ning Xia did not expect that King Khan would have a dual element.

With the super hot and super high power of the profound fire, King Khan started trying to melt Ning Xia's ice thread.

"Dual elemental user, quite interesting" Ye Chen was quite interested when he saw King Khan who was able to use dual element, it was not strange that he dared to challenge Ning Xia head-on.

The ice thread used by Ning Xia is not that weak, she has a very strong ice thread and is not easy to break.

Ning Xia snapped her fingers, when Ning Xia did that, the Ice thread wrapped around King Khan's body again.

"Huh?" King Khan was quite shocked when he saw this, how could Ning Xia still be able to catch him after all this happened.

"You may be great, too bad you are not that great" Ning Xia said to King Khan.

Ning Xia started to tighten her attacks, when Ning Xia tightened her threads, King Khan felt pain and cold stab into his body.

Ning Xia's ice was extremely cold, it pierced into King Khan's bones and made King Khan shiver with cold.

Ning Xia could have destroyed King Khan, unfortunately she didn't want to do that.

"Give up already?" Ning Xia asked King Khan.

"Ughhh. . ." King Khan still gave a very fierce resistance, King Khan did not want to give up in the hands of Ning Xia

Even though he had tried his best, in fact King Khan could not escape, the power of the ice thread made King Khan unable to break free.

"okay, I give up" King Khan finally gave up, he finally gave up when fighting Ning Xia.

"Then go" Ning Xia threw King Khan, she threw King Khan away from this place.

"I will remember this, just watch over you" King Khan said to Ning Xia, he would remember what happened today.

"What a crazy and terrible old man" Ye Chen said to Ning Xia.

"It seems that the rumors that I am correct, he is a very terrible old man" Ning Xia replied to Ye Chen.

"Wife, what are you doing in this place?" Ye Chen asked Ning Xia, Ye Chen wanted to know why Ning Xia had come instead of being in the arena.

Ning Xia stretched out her hand, she used crab claws and started to pinch Ye Chen.

"I came to discipline you, are you happy for making people worry" Ning Xia said that she had come to discipline Ye Chen.

"I didn't do anything wrong, why are you giving punishment" Ye Chen said to Ning Xia.

"You still dare to dodge, you are indeed a very naughty boy" Ning Xia said to Ye Chen.

Ning Xia didn't let go of Ye Chen, she continued to pinch Ye Chen using more force.

Ye Chen may have made Ning Xia, that's what made Ning Xia unwilling to let go of Ye Chen.

Ye Chen had to do something, he couldn't just sit back and accept everything.

Ye Chen stretched out his arms and hugged Ning Xia's waist.

Ning Xia was naturally surprised by what Ye Chen had done.

"what are you doing ?" Ning Xia asked Ye Chen.

"Don't you see, I'm hugging you" Ye Chen said to Ning Xia.

"You didn't see that we were out in the open right now" Ning Xia said to Ye Chen.

"Do I look like I care about it?" Ye Chen didn't care about this matter.
