Chapter 2031 one hit to destroy Zhou Yun

Ye Chen and Zhou Yun started to introduce themselves, after the introductions were over, then this match was off to start.

"The match starts, do whatever you want" the referee said to Ye Chen and Zhou Yun that they could start this match.

With the approval of the referee, the match is officially started.

Zhou Yun was the first to come forward, he stepped forward and started attacking Ye Chen with a throwing knife.

Zhou Yun threw his knife towards Ye Chen.

Ye Chen was very Calm, he was very relaxed in fending off Zhou Yun's attacks.

"impossible" Zhou Yun couldn't believe that his attack would be so easily parried by Ye Chen.

"Use a better weapon, don't use a toy against me" Ye Chen said to Zhou Yun, telling Zhou Yun not to use a toy.

"-_- " Zhou Yun couldn't believe what he just heard, he didn't expect that Ye Chen would say that the weapon he had was a toy gun, it was obvious that Zhou Yun was making a strange and unsightly face.

Zhou Yun did not give up, he launched an even more intense attack.

Zhou Yun's speed could be said to be quite fast, he had quite a speed when compared to the other participants in this place.

Zhou Yun relied heavily on his speed, he used his own speed to keep up with Ye Chen.

What Zhou Yun did could be said to be a very stupid thing, he did a very stupid thing to dare to challenge Ye Chen using his current speed.

Zhou Yun didn't care about this matter, he would beat Ye Chen and prove to everyone that he had the fastest speed.

"I think I met the arrogant young master again." Ye Chen saw that he had met the quite arrogant young master.

Ye Chen would let this young master Zhou Yun understand the power he possessed, then he would know that he was just a frog in a shell.

Ye Chen continued to watch Zhou Yun's movements, he watched Zhou Yun's movements, Ye Chen predicted where Zhou Yun would attack him.

Zhou Yun was finished in outwitting Ye Chen, it was time for him to kill Ye Chen.

Zhou Yun controlled the flying knife that was himself, he was aiming for the life that Ye Chen had.

"clang . . . , clang . . . , clang . . . , clang . . . , clang . . ."Ye Chen stretched out his hand, Ye Chen stopped Zhou Yun's attack with just a hand.

It could be said that Ye Chen used his hands to hold back all the knives that Zhou Yun threw.

"Impossible" Zhou Yun did not believe this, all the knives were caught by Ye Chen.

"I told you not to use toy , didn't you hear what I said?" Ye Chen said to Zhou Yun.

Zhou Yun was speechless, he was speechless when he saw what Ye Chen had done.

Zhou Yun's arrogance began to dissipate, currently Zhou Yun no longer has an arrogance against Ye Chen.

"No, I can't let him do this" Zhou Yun felt that he couldn't let Ye Chen defeat him, he didn't want to be defeated by Ye Chen, no matter what, he couldn't lose to Ye Chen.

Zhou Yun finally had no choice but to use a weapon that otherwise he would not be able to win against Ye Chen, so it was better for him to use the strongest weapon he had.

Zhou Yun took out a pointed spear, he was going to fight Ye Chen with this spear.

"he took a new weapon" Zhou Yun finally took a new weapon, he will fight seriously when facing Ye Chen.

Zhou Yun started to show his abilities, he attacked Ye Chen with his spear.

Zhou Yun started swinging and stabbing the spear towards Ye Chen, Zhou Yun aimed his attack towards Ye Chen's feet, the target was to immobilize Ye Chen from moving fast.

As long as Zhou Yun could injure Ye Chen's leg, then he could be a winner.

"this person is smart" Yue Ya looked at Zhou Yun, he had to admit that Zhou Yun was smart.

"He's aiming for Ye Chen's leg so he can't run, smart enough but that won't be enough" Liu Yue agrees with what Yue Ya said, the problem is that it's not easy to hurt and crush Ye Chen's leg, Ye Chen will definitely not let things go.

"At least he has tried, then it depends on the ability and strength he has" even though what Zhou Yun did was a difficult thing to achieve, in fact Zhou Yun had tried.

Ye Chen danced on the arena, he jumped to and dodge Zhou Yun's attacks.

Zhou Yun's attacks never reached Ye Chen's body, every time Zhou Yun approached, Ye Chen would definitely dodge.

"How long do you want to dodge, come fight me" Zhou Yun said to Ye Chen, he told Ye Chen to come forward right now.

"if you have the ability come catch and beat me" Ye Chen started mocking Zhou Yun, Ye Chen started mocking Zhou Yun who couldn't catch Ye Chen.

Zhou Yun started to get emotional, he started to get emotional when he fought Ye Chen.

"I won't let you mock me." Zhou Yun said that he wouldn't let Ye Chen mock him.

Zhou Yun launched a much faster attack, he ran very fast and prepared to kill Ye Chen with his spear.

"This young master will give you a wound that you will never forget in your life, fast wind spear." Zhou Yun showed his ability, he showed his ability and attacked Ye Chen.

"let's beat him" 80% of the audience supported Zhou Yun, they supported Zhou Yun who was active in attacking Ye Chen.

Zhou Yun's battle made everyone happy, so they decided to support Zhou Yun.

Zhou Yun stabbed Ye Chen with an extremely fast speed, this time aiming for Ye Chen's body.

Ye Chen was still able to dodge every attack made by Zhou Yun.

"Why, why not hit?" Zhou Yun shouted, he screamed when he saw that all his attacks were unable to hit Ye Chen, even though he had used his full strength, strangely he was still unable to hit Ye Chen.

Ye Chen stretched out his hand, he held Zhou Yun's weapon with his hand.

Zhou Yun tried to pull his weapon back, when Zhou Yun tried to do so, Zhou Yun found that he was unable to pull his weapon back.

"You should have finished, now it's my turn, young master Zhou Yun, accept this attack" Ye Chen said to Zhou Yun.

Ye Chen launched a normal punch towards Zhou Yun.

"Crack" when Ye Chen's normal punch hit Zhou Yun, Zhou Yun's bones cracked instantly, Ye Chen's punch was obviously so strong that it cracked Zhou Yun's bones.

Zhou Yun immediately fell, he was no longer able to put up any resistance to Ye Chen.

"Participant Zhou Yun fell. . . , the count starts 10,9,8,7,6,5,4,3,2,1,0 "Zhou Yun's player can't continue the battle, the winner is Ye Chen".

"impossible, one hit" all the spectators looked shocked when they saw Zhou Yun fall with just one punch of Ye Chen.

"hey wake up, what happened to you, you can't lose to a punch" everyone said to Zhou Yun, they all told Zhou Yun to get up right now.

Chapter 2032 change of match position

Zhao Yun can only endure pain, he can only endure pain, this is seriously painful for Zhao Yun.

These people were completely ignorant of the pain that Zhao Yun was in, if they knew the pain that Zhao Yun was in, they probably wouldn't dare to order Zhao Yun anymore.

Zhao Yun was immediately taken, the medical looked at Zhao Yun's condition, whether Zhao Yun needed more help or not.

When they saw Zhao Yun, they finally knew the reason why Zhao Yun fell, it turned out that Zhao Yun had a broken bone, so it wasn't strange that he fell like that.

If they were in Zhao Yun's position, they would probably experience the same thing as Zhao Yun did.,

Zhao Yun was taken away, Zhao Yun's people who saw this followed the medical team, they went to see Zhao Yun's condition Yun.

Ye Chen won easily, people started to pay attention to Ye Chen, they started to pay attention to the strength that Ye Chen had.

The match continued, Ye Chen decided to see the other participants matches as before.

Tian Mo, Nie Li, Zhao Yun, Gun Gom and Fou Nari had finished their match, it seemed they had finished their brand match very easily.

"Their match ended quickly too." Ye Chen saw that people's matches ended very quickly, it was because they had the strength to quickly end this match.

Ye Chen looked at Zhang Feng, again this man was getting stronger, he was actually getting stronger every second.

"If he continues like that he will die" if Zhang Feng continued to do that, he would surely die soon.

"This person's way of thinking is hard to predict" Chu Yuechan said to Ye Chen.

"Hmm. . ." Ye Chen started to think, he started to think what would happen next.

Ye Chen looked back towards Zhang Feng, when Ye Chen looked at Zhang Feng, Ye Chen slightly knew what Zhang Feng might be up to.

"I think I know what this guy is trying to do" Ye Chen had already started to guess what Zhang Feng was trying to do.

"Master, what is it?" Chu Yuechan asked Ye Chen, she wanted to know what Ye Chen was thinking.

"If my guess is correct, he is gathering strength of his own, when that power reaches a certain point it will be used by this person, maybe he will use this power against someone" Ye Chen said to Chu Yuechan.

Ye Chen found the most plausible reason, he found the most plausible reason he could think of right now.

"If that's true then who do you think he will be after" Chu Yuechan asked Ye Chen, she wanted to know Ye Chen's opinion on this matter.

"I don't know, I can't sense who the enemy is, he is holding back and hiding his killing intent" Ye Chen didn't know, this person was trying to hide himself from his enemy.

Zhang Feng again showed a very intense battle, he really did not budge when he received an attack from his enemy.

With such an increase in strength, Ye Chen naturally believed that this fellow would never lose, he might become the strongest participant in this place and be able to defeat Tian Mo.

"Blam. . ." Zhang Feng attacked his enemy, he threw his enemy out of the arena.

Again Zhang Feng got a very easy victory, this guy got a very easy victory when facing his enemy.

"That's great" everyone praised Zhang Feng, they all praised Zhang Feng who won the match so easily and coolly.

"Your opponents will be randomized again, this will be the most exciting match" Khim Jix said to everyone in this place.

Khim Jix said that they would be randomized again, so the match would become even more interesting.

All the participants did not expect this, they did not expect that their opponent would be changed again.

Khim Jix shows the sequence of matches that will occur.

The first match is Zhang Feng, Zhi Fuze is in seventh place, meanwhile Tian Mo is in the ninth match, Fou Nari is in the thirteenth match, Nie Li was in the fifteenth match and Ye Chen was in the sixteenth match and was going to fight Gun Gom.

Ye Chen looked at the existing match order, he didn't expect that the match lineup would turn out like this.

"Master, it seems that you are in the stronghold of the strong." Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that he was in a bad place, all of Ye Chen's enemies became strong people, it seemed that Ye Chen would not be able to hold back considering that all his opponents were geniuses.

"It doesn't matter, I will overcome all of them" Ye Chen said that he would overcome all of them, he would overcome anyone who dared to go against him.

"You all have seen your position now, so let's get started" Khim Jix said to everyone, he told everyone to start preparing.

The first match would be Zhang Feng's match, so Zhang Feng remained in this place.

The other participants decide to go up, they will wait their turn.

The competition this time was no longer a mass match like before, this time they will compete one by one, considering the number of participants is not as much as before.

The match this time will be focused, so that all spectators can see this match well.

Zhang Feng entered the arena, Zhang Feng's opponent was a man with two swords on his back.

the referee this time being Lei Qiaolin, it was likely he was appointed to secure the match considering he was one of the strong people in the Five Lord Divine Academy.

Lei Qiao Lin has great power in sealing people's movements, so when the match gets out of control, then Lei Qiao Lin can stop the match quickly.

"You two are ready or not?" Lei Qiao Lin asked Zhang Feng and the participants in front of her.

"We are ready. . ." Zhang Feng very firmly answered Lei Qiao Lin.

"Okay, this match won't be the same as before, now you are free to fight as you please, no one else will lose when they leave the arena" Lei Qiao Lin said that they were welcome to fight as they pleased.

" what ! ! !" the other participants were happy when they heard this, it meant that they could fight very freely.

"The match will automatically end when one of you loses or dies, as long as these two conditions are not met, then the match will not be stopped" said Lei Qiao Lin.

Lei Qiao Lin's words were very clear, she told that this match would be a much tougher match compared to the previous one.

"Very good" Tian Mo was happy when he saw and heard this, it seems he can kill Ye Chen in this match.

Ye Chen of course realized what Tian Mo was trying to do, this fellow still had the intent to kill him.

Chapter 2033 Zhang Feng's strength

"It's going to be tougher than before" Ye Chen felt that the upcoming battle would be much tougher than before.

"That's very true" Chu Yuechan agreed with Ye Chen, she agreed with what Ye Chen said.

"Okay then let's start" Lei Qiaolin started the match, she started the match between Zhang Feng and Kai Haozi.

Kai Haozi took out his sword, he rushed towards Zhang Feng and intended to fight him with his sword.

Kai Haozi's sword is a pair sword, which means that when both are used simultaneously it will make the user gain more power.

"Die" Kai Haozi didn't hold back, he seemed intent on ending Zhang Feng with just one attack.

Zhang Feng was silent, he was speechless and did not do anything to block or block Kai Haozi's attack.

"slashes. . ." because Zhang Feng did not dodge, Kai Haozi was able to slash Zhang Feng very easily, this was a very easy thing.

Zhang Feng's arm immediately oozed fresh blood, Kai Haozi's slash was able to injure Zhang Feng's body.

"How strange, why didn't he dodge?" Everyone started to wonder, should Zhang Feng be able to dodge Kai Haozi's attack.

The fresh blood suddenly stopped and evaporated, Zhang Feng wounds also began to close very quickly.

"fast regeneration" saw this, everyone knew Zhang Feng's ability, they saw that Zhang Feng had fast regeneration ability.

Kai Haozi attacked Zhang Feng again, he gave several slashes towards Zhang Feng.

"Slashes. . ., Slash . . ., Slash . . ., Slash . . ., Slash . . ., Slash . . ., Slash . . ." Zhang Feng received all attacks from Kai Haozi, all attacks were received by Zhang Feng gracefully and without any resistance.

"This person is crazy" Everyone saw Zhang Feng's madness, they all could see that Zhang Feng was very crazy.

All of Zhang Feng's wounds recovered very quickly, in an instant Zhang Feng had fully recovered.

"You monster" Kai Haozi looked at Zhang Feng, he saw that Zhang Feng was like a monster.

Zhang Feng lifted Kai Haozi, himself lifted Kai Haozi's neck and slammed it with all his might.

"Boom. . ." a loud explosion rang out as Zhang Feng slammed Kai Haozi down.

"arhhhh. . ." Kai Haozi vomited blood, his body was seriously injured when it was slammed by Zhang Feng.

Kai Haozi tried to get up, with several broken back parts it was very difficult for Kai Haozi to get up.

Zhang Feng did not continue to attack, he knew that this match had been won by him.

"Participant Kai Haozi are you done?" Lei Qiaolin asked Kai Haozi.

"I give up" Kai Haozi could no longer continue, he had already lost badly to Kai Haozi.

"Okay, the winner is Kai Haozi" Lei Qiaolin announced the winner, here Kai Haozi has lost to Zhang Feng, so Zhang Feng automatically advances to the next level.

After Zhang Feng became the victor.

The second match started, nothing too special with this match.

"So boring" Ye Chen was bored, there was nothing exciting about this match.

"Ye Chen" when Ye Chen was bored, he was approached by Zhi Fuxe, Zhi Fuxe approached Ye Chen and gave a greeting.

"Oh, Miss Fuxe. . ." Ye Chen looked excited when he saw this, why didn't Zhi Fuxe come earlier, that way Ye Chen wouldn't be bored.

When Zhi Fuxe came, Tian Mo looked at Ye Chen, Tian Mo looked at Ye Chen with a dissatisfied look, it was very clear that Tian Mo didn't like it when he saw what happened.

"Your match just now was really great" Zhi Fuxe said to Ye Chen, Zhi Fuxe praised Ye Chen's match, Ye Chen had a really great match.

"I'm not that great" Ye Chen said that he wasn't that great, he was just lucky.

"You are trying to be humble again, even though you have quite a lot of strength" Zhi Fuxe said to Ye Chen.

Zhi Fuxe said to Ye Chen, she admitted that Ye Chen did have great strength.

"Hehehehe" Ye Chen chuckled, himself smiling as he listened to what Zhi Fuxe said.

Ye Chen looked at Zhi Fuxe from top to bottom, when he looked at Zhi Fuxe from top to bottom he found that Zhi Fuxe looked beautiful in a new dress.

It seemed that Zhi Fuxe had dressed up well to come to this event.

"miss Fuxe looks really pretty too" Ye Chen said to Zhi Fuxe, he complimented Zhi Fuxe who was very pretty.

"Thank you very much for the compliments" Zhi Fuxe was grateful for all the compliments given by Ye Chen, she seemed to be very happy with the compliments given by Ye Chen.

Tian Mo gritted his teeth when he saw how close Zhi Fuxe and Ye Chen were, it made Tian Mo feel very annoyed when he saw the closeness between Ye Chen and Zhi Fuxe.

Ye Chen could sense an extremely strong killing intent from Tian Mo, that person was blatantly using killing intent towards him.

Zhi Fuxe felt a strong killing aura, Zhi Fuxe could immediately tell where this killing aura came from.

"Tian Mo, it's him again" Zhi Fuxe didn't expect that Tian Mo would be angry again, this man honestly always caused trouble for himself and Ye Chen.

"Seems like chasing you jealous" Ye Chen said to Zhi Fuxe, Ye Chen told that Zhi Fuxe's chaser was jealous of what happened.

"Forget about him" Zhi Fuxe said to Ye Chen, she told Ye Chen to ignore Tian Mo.

"okay" Ye Chen didn't expect that Zhi Fuxe would tell him to ignore Tian Mo, it seemed that Zhi Fuxe wasn't comfortable with this either.

Ye Chen and Zhi Fuxe started to ignore Tian Mo, they ignored the piercing gaze that came from Tian Mo.

"Where is the master now, he doesn't seem to have come yet" Zhi Fuxe said to Ye Chen, he wanted to know where Shui Yixian is now.

"You are absolutely right, where is he now, is she not coming?" Ye Chen asked Zhi Fuxe.

Ye Chen didn't see Zhao Yanyan and Shui Yixian, where are the two of them now, Ye Chen was quite curious about this matter.

"maybe they will be late" Zhi Fuxe said to Ye Chen, Zhi Fuxe said that Shui Yixian would be late considering Shui Yixian was quite busy.

"Maybe she will come later" Ye Chen said to Zhi Fuxe.

"Um. . ." Zhi Fuxe agreed completely, Shui Yixian would definitely come to this place soon.

Ye Chen and Zhi Fuxe continued to look at the match, both of them watching the match between the participants while talking about many things.

Zhi Fuxe was a smart and well-trained woman, as someone who had done a lot of business, she was naturally taught to speak fluently with her interlocutors.

"Ye Chen, how can you be so casual talking to my big sister" Zhi Fuze said to Ye Chen.

Zhi Fuze came over, she tried to annoy Ye Chen and Zhi Fuxe.

"What problem do you have, you better focus on the match, it's your turn soon" Ye Chen said to Zhi Fuze.

"Don't tell me, I know about it" Zhi Fuze also knew about it, she already knew that it would soon be her turn.

Zhi Fuze will show her strength, she will fight seriously against her enemy.

Zhi Fuze had already reached this point, which meant that he would be facing a fairly strong enemy.

Chapter 2034 Zhi Fuze fight

"Zhi Fuze, come forward" now it was Zhi Fuze's turn, Zhi Fuze had to come forward and start to fight.

"Take a good look at my abilities" Zhi Fuze will show her abilities, she will show how good she is.

"I hope you put on an interesting show" Ye Chen said to Zhi Fuze, he hoped that Zhi Fuze would show what kind of power he had.

"Hmph. . ., you should take a good look" Zhi Fuze said to Ye Chen.

Zhi Fuze came down, she entered the arena, in front of her was a woman with an iron nail on her ten fingers.

This woman began to show her weapons, she told Zhi Fuze that she was a very difficult opponent to deal with.

"This woman seems to be a fairly balanced opponent for Zhi Fuze" Ye Chen saw that this woman would be a balanced opponent for Zhi Fuze.

"Are you ready to lose?" this woman said to Zhi Fuze, she told Zhi Fuze who was ready to lose.

"I won't lose" Zhi Fuze said that he wouldn't lose.

"Are you sure about that, don't let me have to scratch that pretty face" this woman said that she didn't want to scratch Zhi Fuze's pretty face.

"Are you sure I will let you do that, I won't let you do that to me" Zhi Fuze said to the woman in front of her.

Zhi Fuze wouldn't let this woman in front of him do anything bad, she couldn't let this matter happen.

"Don't fight anymore, you guys just finish the battle" Lei Qiaolin told the two to stop fighting right now, the two of them could resolve their problems and grievances in the match.

"That's right, let's solve our problem in the match" Zhi Fuze agreed, he could solve this problem in the match.

Zhi Fuze was very excited, it had been a long time since she had an opponent as arrogant as the one in front of her.

Zhi Fuze had to make sure that this woman got the punishment she deserved.

Lei Qiao Lin started the match, when the match started, the woman with iron nails attacked Zhi Fuze.

Zhi Fuze didn't stay still when he saw this, she immediately attacked the enemy as well.

Zhi Fuze uses her legs, she attacks the enemy using her enhanced leg power.

"Bam. . ., clank" both of them started to show their abilities, they attacked each other using their full strength.

Zhi Fuze's attack was surprisingly powerful, it could be seen very clearly when she used her feet to kick her opponent.

The woman who was the enemy seemed to have difficulty getting closer to Zhi Fuze, every time she tried to get close, Zhi Fuze would immediately attack her and use her legs.

Zhi Fuze was so skilled, she jumped here and there to get her enemies into trouble.

"she's like a rabbit" Ye Chen saw that Zhi Fuze looked like a rabbit, he was very agile and difficult to catch and was able to give a terrible attack to the enemy.

"She is indeed talented at it, she has great agility" Zhi Fuxe said to Ye Chen, she told Ye Chen that Zhi Fuze has above average leg strength and is very difficult to deal with.

"Um" Ye Chen nodded, he quite agreed with what Zhi Fuxe said.

With such talent, it wouldn't be strange for her to get the nickname of the bunny girl.

The opponent looks difficult to resist attacks from Zhi Fuze, Zhi Fuze is too agile and his movements are very difficult to predict.

"Damn, why keep jumping and flying" the enemy started to feel frustrated, she couldn't attack Zhi Fuze who was moving swiftly and kept jumping to disrupt her movements.

Zhi Fuze currently had the upper hand, she had more chances to win in this match.

This of course became an insult to her, she seemed to have no dignity in front of Zhi Fuze.

At first this woman thought that the fight would be easier to do considering they were on the same level, but she was wrong, her opponent became very strong and caused this woman a problem.

This woman fell down when she received Zhi Fuze's attack, it was quite surprising when Zhi Fuze did this.

"Foolish woman, I won't let you" This woman was furious, she seemed to be furious when she saw the arrogant Zhi Fuze in front of her.

"Fufufufufu, didn't you say before that you wanted to hurt my face, have you forgotten about this?" Zhi Fuze asked his enemy.

This woman gritted her teeth, she felt that Zhi Fuze had just thrown some dirt in her face, she felt a tremendous sense of shame when she heard this.

"I'm really angry" this woman said that she was really angry, she was angry at Zhi Fuze who had made her lose face.

This woman attacks Zhi Fuze, she strengthens her iron nails and intends to destroy Zhi Fuze.

This woman no longer held back, she no longer held herself back when fighting.

This woman's strength is earth, it is one of the strong elements that can increase the physique possessed by the user.

The physique possessed by this woman became very strong, in a short time this woman got an extraordinary physical increase.

"feel this" this woman attacked Zhi Fuze.

Zhi Fuze countered the enemy's attack, their two attacks met and collided with each other.

"boom" an explosion occurred, both of them using their power to attack each other.

The battle of the two was already at a breaking point, the victor in this match would soon be decided from this attack.

"whether she can win" Zhi Fuxe wasn't sure if her little sister could win, her opponent was both strong, so she wasn't sure if she could win or not.

"she might win" Ye Chen said to Zhi Fuxe, he was sure that Zhi Fuze could win.

All the spectators saw the match that Zhi Fuze had, they watched who would win in this match.

Zhi Fuze amplified her attack, she amplified her attack towards the enemy.

"Isn't he too excited?" Ye Chen looked at Zhi Fuze, he saw Zhi Fuze's great spirit.

"Of course, he quite likes Tian Mo, you should know that Tian Mo is the most talented person right now, it's not strange that there are many people who like him" Zhi Fuxe said to Ye Chen.

"So he's attracted to Tian Mo's power" Ye Chen nodded, he now knew why Zhi Fuze was so interested in Tian Mo.

"You can say it like that" Zhi Fuxe told the truth, she was telling the truth about Zhi Fuze.

Everyone looked at Tian Mo, they were all very much looking forward to the battle that Tian Mo would fight.

It's already in the round of 32, Tian Mo's opponent should be decent enough.

Tian Mo entered the arena, his opponent also entered the arena, it could be said that both entered the arena at the same time.

"Are you ready?" Lei Qiaolin asked Tian Mo and the other participants.

"we are ready" Tian Mo is ready, he is ready to fight at any time.

"Good, then I will start." Seeing everyone ready, Lei Qiaolin immediately started the match.

"Come on . . ." Everyone gives support, they have their own heroes.

Tian Mo took a step, when he did that, he was already in front of his enemy, Tian Mo immediately used a fire punch to fight his enemy.

Tian Mo finally used his power, he attacked the enemy using his own power.

"Blamm. . ." Tian Mo's fire fist pierced through the enemy's body, Tian Mo's punch easily penetrated the enemy's body.

"What a terrible man" Yue Ya looked at Tian Mo, he could see how fierce Tian Mo was, the person who fought with Tian Mo would definitely not have good luck.

"Goddess, this man seems to have enmity with Ye Chen" Vei said to Yue Ya, she told Yue Ya that Tian Mo had enmity with Ye Chen.

"What makes them hostile?" Yue Ya asked Fei, how could Tian Mo be hostile to Ye Chen.

Vei started to whisper what happened, she told Yue Ya everything.

"I see, it's not strange that Tian Mo will be angry, Ye Chen you are very brave" Yue Ya now knew the root of the problem, she already knew about the root of the problem that made Tian Mo angry at Ye Chen.

"He was like that from the start, it can't be helped" said Vei to Yue Ya.

Vei understood what Ye Chen was like, after getting along with Ye Chen, Fei started to understand what Ye Chen was like.

"You worry too much about him, let him do whatever it takes, neither you nor I will be able to stop her" Yue Ya said to Vei.

"Sister, can you stop Ye Chen?" Yue Ya asked Liu Yue, she wanted to know if Liu Yue was able to stop Ye Chen.

"Perhaps, if you talk about this matter, there should be one who can stop Ye Chen from talking about it" said Liu Yue to Yue Ya.

The one who could stop Ye Chen was most likely only Zhao Yanyan, he had the power to stop Ye Chen's actions.

Considering he was the person Ye Chen might like the most.

"Is it Zhao Yanyan" Yue Ya said to Liu Yue, Yue Ya certainly realized who Liu Yue was talking about, Liu Yue smiled, he nodded lightly at Liu Yue.

"I see." Yue Ya nodded, now he knew who could stop Ye Chen's crazy actions.

"Don't you think he's terrible" Zhi Fuxe said to Ye Chen, she said that Tian Mo was really terrible.

"Not really, I think it's normal" Ye Chen said that it was normal, for Ye Chen Tian Mo was just ordinary.

"You better think this through well, don't fight it" Zhi Fuxe thanked Ye Chen, she told Ye Chen to think this through carefully.

"No need to worry too much about that matter, he is not a worthy opponent for me, there are still strong people in this arena" Ye Chen looked at Zhang Feng he thought this person was slightly above Tian Mo in terms of strength.

Zhi Fuxe sighed, it seemed that she couldn't stop Ye Chen, Ye Chen still insisted on fighting Tian Mo.

The match continued, participants after Tian Mo started fighting, they started their battle very well.

After a few matches, it was finally Nie Li

, "Kyahh. . ." When Nie Li had just entered the arena, 95% of the women were screaming, their screams echoing very loudly.

It's not strange that so many women scream when they see Nie Li, after all Nie Li is a handsome young master and full of strong charisma.

So the female fans he has are very strong, he's very popular.

"How many fans" Ye Chen looked around, doesn't Nie Li have too many fans around this place?

literary skills are top notch, he is highly adored by women, he is quite a dangerous man for women," Zhi Fuxe said to Ye Chen.

"What's dangerous, you should be worried about this man beside you" Chu Yuechan protested, she protested when she listened to what Zhi Fuxe had to say.

If there is a dangerous man, it is Ye Chen, unfortunately Ye Chen is not willing to be aggressive, if only he is willing, he can make all women in God Realm become his toy.

"Yuechan, don't joke like that" Ye Chen said to Chu Yuechan, Ye Chen wasn't sure what Chu Yuechan said, he couldn't possibly do that, where would he put so many women, Ye Chen probably wouldn't even have time for all of them.

"Fufufufu" Chu Yuechan giggled, she seemed very happy to tease Ye Chen.

"Hello everyone, thank you for your support" Nie Li greeted everyone, he is friendly and has a very good vocabulary, he is indeed a very well educated person.

"too handsome" all the women couldn't stand what Nie Li said, they were stunned by Nie Li's words.

Chapter 2036 Nie Li plays the enemy

All the women went crazy, they all went crazy when they looked at Nie Li, they were too crazy when they saw how Nie Li was.

When women go crazy, almost all men get annoyed, they all get annoyed when they see Nie Li.

They all felt rivaled, they all felt lost to Nie Li.

It's not strange that they feel lost, it's because Nie Li is too tall, his position is too high in the eyes of women.

Idols are indeed very different, they are able to make beautiful women feel crazy with their good looks.

"Luckily I listened to Xueying" Ye Chen was happy that he listened to Mu Xueying, otherwise Ye Chen would be in bigger trouble than Nie Li.

"Master, what would happen if you were in his position, you are far better than him" Chu Yuechan asked Ye Chen.

Chu Yuechan asked Ye Chen if Ye Chen would be any better than Nie Li.

"I don't know, maybe this isn't the right time to do that" Ye Chen said to Chu Yuechan.

Now was not the right time for Ye Chen to do that, that's why Ye Chen didn't want to do it.

"Fufufufufu" Chu Yuechan already knew the answer, she was sure that the current situation could be even crazier than it is now.

Ye Chen's charm is definitely stronger than Nie Li's, so he can definitely attract more women than Nie Li.

Nie Li was too attention-grabbing, there were countless high-class women trying to glance at him.

"Miss as heard in the rumors, that guy is quite handsome" Ru said to Sun Xuanyin, she told Sun Xuayin that Nie Li is quite handsome, he can be a nice white face.

"Not interested" Sun Xuanyin said that she wasn't interested in Nie Li.

"Huh" Ru looked very surprised when she heard this, she didn't expect to say this.

"goddess, are you okay?" Ru became quite worried, she was quite worried about the state of Sun Xuanyin.

"I'm fine, I've found a better person" Sun Xuanyin said to Ru.

Sun Xuanyin had found someone better than Nie Li, so why would she be attracted to Nie Li?

Ru just found out about this matter, she just found out that Sun Xuanyin has something better than Nie Li.

Sun Xuanyin looked at Ye Chen, she looked at Ye Chen with a dissatisfied look.

Sun Xuanyin didn't seem happy when she saw Ye Chen with Zhi Fuxe, she really didn't like this.

"Just watch out later." Sun Xuanyin wouldn't let them get close, she wouldn't let the two of them get so close like that.

Sun Xuanyin didn't like it when she saw other women trying to get close to her favorite thing.

Zhi Fuxe felt uncomfortable, she felt a rather piercing gaze towards her, this made her uncomfortable.

Zhi Fuxe didn't know who this was, she only knew that the person who was staring at her was a person of great power.

"what is it?" Ye Chen asked Zhi Fuxe.

"nothing" Zhi Fuxe said that everything was fine, nothing happened.

Zhi Fuxe tried to hide what happened from Ye Chen, she didn't want to bother Ye Chen.

"Okay let's start and stop making a fuss." Lei Qiaolin said in a firm tone, telling Nie Li not to make a fuss.

Nie Li was too noisy, he made such a huge fuss that it was very difficult to handle.

"Sorry, but it's out of my control." Nie Li said that it was beyond his control, he couldn't stop this because he was handsome.

Nie Li posed in front of Lei Qiaolin, he wanted to show his charms in front of Lei Qiaolin.

"Stop doing useless things, I've seen someone better than you" Lei Qiaolin said to Nie Li.

Nie Li was silent as he listened to this, he didn't expect that his charms didn't work on Lei Qiaolin, it seems that Lei Qiaolin is at another stage and isn't as easy to use as a normal woman.

Lei Qiaolin is a smart woman, so she won't be easily influenced by Nie Li's tricks.

"Alright let's get started" Lei Qiaolin decided to start the battle.

Lei Qiaolin didn't want to delay any longer, she immediately started the match directly.

"Nie Lie fight" There are so many women who support Nie Li, they really hope that Nie Li will win.

Everyone's enthusiasm was immense, they all seemed to like it when they saw Nie Li fight.

Nie Li started to use his technique, he created a very strong windstorm.

A strong gust of wind immediately rushed towards the enemy, with this strong gust of wind Nie Li knocked his enemy down.

Nie Li's way of fighting was different from the previous contestants, Nie Li only needed to wave his hand and his enemy was blown away by a strong wind.

Nie Li is a ranged attack type, his attacks can be used to attack enemies that are far away.

"great . ." the women shouted, they were amazed to see Nie Li's strength.

"Damn" Nie Li's enemy couldn't stand up, when he was about to stand up he was always hit by a very strong wind, this made him unable to attack or approach Nie Li.

Nie Li only moved his finger, when he did that, the enemy was blown away and played with using the wind power that he had.

"You give up or I have to keep you going." Nie Li said to his enemy, giving his enemy a chance to surrender right now.

"damn" enemy in front of Nie Li kept screaming, he could only curse at what Nie Li did.

Nie Li is too domineering, he fights his enemy very easily, Nie Li's enemy has no chance of winning.

People are starting to feel sorry for Nie Li's enemy, Nie Li's enemy is really like a toy that Nie Li is controlling.

The women here are more supportive of Nie Li, they all give encouragement so that Nie Li can win the match quickly.

"They are much louder than before" Ye Chen saw that these people were much noisier than before, they were very noisy and disturbed the comfort of other spectators.

The other spectators didn't dare to warn them, this was an arena so everyone had the right to have a voice in this place.

The enemy started to bleed, his body started to hurt from receiving Nie Li's attack.

Nie Li continued to slam his enemy, he didn't let his enemy survive the fight.

"I give up" after struggling for a while, finally the enemy in front of Nie Li gave up, he gave up very quickly because he couldn't stand what Nie Li was doing.

"That's enough" saw that Nie Li's enemy had given up.

Lei Qiaolin immediately stopped the match.

Nie Li did what Lei Qiaolin wanted, he let go of the enemy, this match is over Nie Li won this match.

"clap. . . , clap. . . , clap. . . , clap. . . ," the sound of applause immediately resounded, this voice made all the women in this place immediately cheered with joy.

"Next is Fou Nari, she is a woman with extraordinary sword talent, she should be at the master level already" Zhi Fuxe said to Ye Chen.

The next match is a match that is owned by Fou Nari, she is a woman with top-level swordplay talent, there must be many sword masters waiting for Fou Nari's battle.

Chapter 2037 Fou Nari's sword skills

"Is this woman's swordsmanship really that good?" Ye Chen asked Zhi Fuxe.

"He is a master, he is one stage below Grandmaster, so you can say that he is quite great" Zhi Fuxe said to Ye Chen.

"Okay I understand" The explanation given by Zhi Fuxe.

That means Fou Nari is a very great woman, she is a master.

She was a master of the sword that was quite recognized, so that meant that Fou Nari's sword skills weren't a joke.

Fou Nari entered the arena, she was confronted by a man carrying a katana sword in his belt.

This will be a very interesting battle to watch, this is a sword user battle, who will win this match.

Fou Nari looked at her opponent, her opponent this time was wielding a sword, that meant she would face an opponent on a par with herself.

Fou Nari seems to be serious, she won't hold back when her opponent is a swordsman.

"I am Guan Thai" this person introduced himself to Fou Nari.

"I know you" Fou Nari said that he knew about Guan Thai.

"Then we can start this battle" Guan Thai said to Fou Nari, he was ready to fight Fou Nari.

"if you two are ready, then let's get started" seeing the two of them ready Lei Qiaolin decided to immediately start the match.

Fou Nari took out a sword, he removed the sword from the scabbard.

A fine and luxurious thin sword was seen in front of everyone, for the first time in a match.

The hilt of this sword has a cool dragon engraving.

"So that's the weapon, it's a Tier 9 sword" Everyone was shocked when they saw the weapon that was brought out by Fou Nari.

There is no need to ask again, it is clear that the weapon used by Fou Nari is a high-end weapon and a dangerous weapon.

"That's it, it's a sky-splitting weapon, Sky dragon sword" said Zhi Fuxe looking at the weapon that was issued by Fou Nari, it was one of the swords capable of splitting the sky.

"sky dragon sword" Ye Chen looked at the sword in Fou Nari's hand, it seems that it is one of the great swords if used by the right person.

"That sword is very sharp, if the wielder is strong, she can cut anything even if it's the opponent's sword" Zhi Fuxe told Ye Chen about what Fou Nari's sword could do.

"Se does have a good sword, but a good sword is not important for a Master Swordsman" Ye Chen said to Ye Chen.

"huh?" Zhi Fuxe was confused when she heard this, she was confused about what Ye Chen just meant.

"You will understand when you reach a certain level" Ye Chen said to Zhi Fuxe.

"what are you hiding, you should have told me" Zhi Fuxe looked displeased, she wanted to know what Ye Chen meant.

"hehehe" Ye Chen just chuckled, he didn't want to tell Zhi Fuxe what he meant.

Zhi Fuxe seemed to be annoyed, herself annoyed when she saw what Ye Chen was trying to hide from her.

"Why is he being so mysterious, what exactly happened?" Zhi Fuxe tried to find out, she was quite curious about what Ye Chen had just said.

"clang" the battle started, Guan Thai and Fou Nari started their attack, both of them showed their strength and started to clash swords.

"clang. . ., clang. . ., clang. . ., clang. . .," the attacks of the two collided against each other, the sound of their swords making quite a shrill sound.

Guan Thai swung his sword very fast, he swung his sword in a very fast motion.

Katana users are required to be fast in swinging their swords, otherwise it is certain that they will not win the match.

Fou Nari keeps pace with Guan Thai's speed, she follows the movement of Guan Thai.

Fou Nari's way of playing the sword is really very good, she is able to play her sword very well so that she is able to fend off all her opponent's attacks very easily.

"This woman strong, she should have a chance to beat the opponent in the second move onwards." Ye Chen analyzed Fou Nari's attacks and moves.

Fou Nari seems far superior when compared to Guan Thai.

If Fou Nari wanted to, she should be able to launch a counterattack towards the enemy.

"She's still holding back her attack, it should have been a complete defeat to Guan Thai" Chu Yuechan agreed with what Ye Chen said, he totally agreed with what Ye Chen said.

Ye Chen was very skilled at analyzing the opponent's strength, so it was not surprising that Chu Yuechan would immediately agree with what Ye Chen said.

"consecutive hits" Guan Thai began to show his skills, he started a complicated and continuous slash towards Fou Nari.

"come on . . ." some people started to support Guan Thai, they supported Guan Thai's aggressive attack towards Fou Nari.

Fou Nari was still quite relaxed, he was still quite relaxed when receiving an opponent's attack.

"Come on. . ." Guan Thai tries to hit Fou Nari, but somehow he always fails to hit Fou Nari's body.

"Your experiments are quite good, it's a shame that your attacks are still very easy to predict," said Fou Nari to Guan Thai.

Fou Nari told Guan Thai's biggest weakness, he said that Guan Thai's moves are very easy to guess, so it's not surprising that Fou Nari can know every Guan Thai attack.

"impossible" Guan Thai did not believe what Fou Nari said, he did not believe that his every move could be easily blocked by Fou Nari.

"I will show my abilities" Fou Nari said to Guan Thai, she will show her true strength.

Fou Nari started to make an attack, when she started to make an attack, Guan Thai swiftly parried Fou Nari's attack.

"I can definitely parry his attacks very easily" Guan Thai was too confident, he was too confident in his abilities.

"Slashes. . . , Huh . . . ?" Guan Thai couldn't believe what was happening, his arm was hit by Fou Nari.

"Why, I should have parried the attack just now." Guan Thai started to question what had just happened.

"What was that, the attack just now should have been restrained" Everyone looked at Fou Nari, they all didn't seem to know what Fou Nari was doing.

"I see" Ye Chen was aware of Fou Nari's attack, he was quite aware of Fou Nari's attack.

Just now Fou Nari made a shadow in front of the sword, that made the opponent think that he had parried Fou Nari's attack, even though he did not parry anything and Fou Nari's attack instead hit his body.

"how?" Fou Nari asked Guan Thai.

Fou Nari shows her strength, she shows her prowess in battle.

Guan Thai looked at Fou Nari, it was clear from the attack just now, he already knew the distance between the two.

"I won't be able to win" Guan Thai knows that he can't win, he knows his strength and ability is not comparable to Fou Nari.

Fight or not the result would still be the same, he had no chance of winning.

"Okay, I give up" Guan Thai decided to give up, he would not win against Fou Nari.

Chapter 2038 Ye Chen Vs Gun Gom (1)

"how can you give up, you coward" everyone started cursing at Guan Thai, they were all not happy with this result.

Guan Thai didn't really care, he didn't really care about the fighting.

However Guan Thai knows the level he has, Guan Thai will not win against Fou Nari, so why should he continue this battle.

"very good decision" Fou Nari admired the decision taken by Guan Thai, he made a very wise decision, he knew when he had to win and when he had to lose.

The situation got out of control, everyone started throwing things at Guan Thai.

Guan Thai decided to leave, he decided to leave this place.

If Guan Thai continued to be in this place, then it was very likely that he would still be despised by these people.

"he is smart enough to lose" Ye Chen saw that Guan Thai was smart, this man knew that he would not win against Fou Nari, so he decided to just give in, if Guan Thai continued the fight, then he might get a very heavy wound. .

Ye Chen could sense that Fou Nari was a woman with a hard heart, which meant that she was a dangerous woman and might kill Guan Thai.

Ye Chen could feel how Fou Nari slashed at Guan Thai, he didn't have any feelings when she did that, most likely she wouldn't care about the life and death that Guan Thai had.

So this woman will definitely attack Guan Thai without mercy, that's why Guan Thai made a very good decision, she made a very good decision, this decision is a very good one.

"Hey, next is your match" Zhi Fuxe told Ye Chen that this would be his match.

"Ah. ., you are absolutely right." Ye Chen nodded, next would be his match.

"Your next opponent is Gun Gom, he is quite a dangerous person, don't lose any body parts when fighting with him" Zhi Fuxe said to Ye Chen.

Zhi Fuxe tells Ye Chen about Gun Gom, this man is a terrible person, he is the most terrible man and quite dangerous.

"thank you for the warning" Ye Chen was grateful for the warning given by Zhi Fuxe, he appreciated the warning given by Zhi Fuxe.

Ye Chen and Gun Gom descended, both of them entered the arena and prepared to fight.

"ready?" Lei Qiaolin asked Ye Chen and Gun Gom.

Ye Chen and Gun Gom nodded, both of them ready for battle.

"Good, let's start" Lei Qiaolin immediately started the battle, himself starting the battle between Ye Chen and Gun Gom.

when the battle started Gun Gom took out his discus weapon, he threw his weapon towards Ye Chen.

The Disc Weapons thrown by Gun Gom became many, it cloned and turned into hundreds of flying discs.

After seeing this, Ye Chen believed the information that Sai Tiran had given him.

Gun Gom controlled the disc and intended to kill Ye Chen.

Ye Chen already knew Gun Gom's intent and purpose, he wanted to cut off one part of Ye Chen's body.

"Are you ready to lose your body parts?" Gun Gom said to Ye Chen.

"Sorry, but I have no interest in doing that" Ye Chen said that he was not interested in Gun Gom's hobby which can be said to be sadistic.

Ye Chen raised one hand, he used his ice power to freeze the disc used by Gun Gom.

The disc used by Gun Gom instantly froze, the disc stopped spinning and didn't move.

"Huh?" Gun Gom didn't expect that Ye Chen could do such a thing, he froze his Discs so easily.

After stopping the attack from Gun Gom, Ye Chen started to counterattack Gun Gom.

The ice under Ye Chen's feet began to advance towards Gun Gom.

Gun Gom immediately retreated, he tried to keep his distance from Ye Chen.

"It's useless" Ye Chen said to Gun Gom, what Gun Gom did was a waste, Ye Chen was still able to reach Gun Gom even though he was on the other side of the arena.

Gun Gom couldn't escape, Ye Chen's attack was able to follow him to the back.

"He's pretty good, then" Seeing Ye Chen have decent strength Gun Gom uses his power.

Gun Gom took out his Disc again, he took out the Disc and coated the Disc with black profound Flame.

"black flames" Everyone's saw the fire used by Gun Gom.

They of course knew what kind of fire Gun Gom was using.

"Seriously, he is able to use the fire from the Skull dragon, this is very rare" said Sun Quan as he looked at Gun Gom.

This black flame came from the Magical Beast Skull Dragon, it belonged to the category of top-grade dragons that possessed terrifying power.

"Skull Dragon's flames are much higher than profound flames, plus it has tremendous destructive effects." Dongfang Xiong had encountered the Skull Dragon, so he naturally knew the power of the black flames of the Skull Dragon.

Gun Gom mastered this, the Gun Clan must have paid a very high price to be able to make Gun Gom get this.

"You will feel the power of this black flame, it will be a very destructive fire" Gun Gom said to Ye Chen.

Gun Gom tells that this fire is a very destructive fire.

Its damage power was far from being compared to ordinary profound flames.

Once Ye Chen was hit, his body temperature would immediately rise and could make Ye Chen yawn.

"Hahahaha" Ye Chen just laughed when he heard this, it was quite funny to listen to the fairy tales that Gun Gom had.

"Why are you even laughing?" Gun Gom asked Ye Chen, he asked why Ye Chen laughed instead.

"Why, it's because you're so stupid, aren't you aware of that?" said Ye Chen

"Are you mocking me, how dare you. . ." Gun Gom said to Ye Chen.

Gun Gom started to get angry with Ye Chen, he started to get angry at what Ye Chen said.

"feel this" Gun Gom returned the black flame disc towards Ye Chen.

This time he was going to kill Ye Chen using this Disc.

Ye Chen stretched his hand forward, it seemed that Ye Chen was willing to stop the attack that was aimed at him.

"what are you trying to do" Zhi Fuxe and several people looked confused by what Ye Chen was doing, they all looked confused by what Ye Chen was doing.

"Die" Gun Gom said to Ye Chen, he will cut Ye Chen's body into several pieces.

The black flame disc headed towards Ye Chen, This black flame disc was directly in front of Ye Chen and was ready to cut Ye Chen.

Ye Chen's finger came into contact with the black flame Disc, when Ye Chen's finger touched the black flame Disc, the black flame Disc disappeared and froze.

Gun Gom and everyone else couldn't believe what was happening, they all couldn't believe what Ye Chen had done.

What did he just do. . ." Ye Chen's technique was very strange, he possessed a strange and unreasonable technique, so it wasn't strange that everyone didn't know what Ye Chen had just done.

"What did you just do?" Gun Gom asked Ye Chen.

Chapter 2039 Ye Chen Vs Gun Gom (2)

" your attack Destroy" Ye Chen said that he had just destroyed the attack from Gun Gom.

"How is that possible, how did you do it" Gun Gom didn't understand, he didn't understand the way Ye Chen destroyed his attack, it was clear that Gun Gom didn't see Ye Chen's attack.

"Nothing is impossible, I won't tell you what happened, only stupid people do that" Ye Chen said to Gun Gom.

Ye Chen wouldn't tell Gun Gom about what happened, how could Ye Chen tell his enemy the strength he had.

"If that's what you want, then I will look for it myself" Gun Gom will look for it himself, he will look for this problem himself.

It wasn't hard for Gun Gom to figure this out on his own.

Gun Gom again made an attack towards Ye Chen, he again made an attack towards Ye Chen.

"Boom. ." Gun Gom threw the black flame disc towards Ye Chen, there were countless black flame discs heading towards Ye Chen.

Ye Chen used his hands to fend off Gun Gom's attack.

He did it unharmed and this is one of the great things.

"how did he do that" everyone wanted to know how Ye Chen did it, to be honest they all wanted to know how Ye Chen did it.

Ye Chen is quite mysterious, his strength is still very mysterious.

Everyone was trying to guess the strength that Ye Chen had, they were all curious about Ye Chen's strength.

"Looks like he has very strong physical strength." Sun Quan saw that it was probably Ye Chen's physical strength.

"We're talking about black flames, no matter how strong your body is, you will get an injury." Dongfang Xong said that black flames wouldn't be easy to deal with with physical strength, plus the difference in their strength was quite far.

"his power is a bit mysterious" Hai Wan quite agreed, he quite agreed with what Dongfang Xong said.

"Then what is going on right now" Everyone looked back towards the direction of the battle that Ye Chen and Gun Gom had fought.

The battle was still going on so fiercely that all the attacks on Gun Gom couldn't touch Ye Chen.

Or it could be said that Gun Gom's attack would disappear when it came into contact with Ye Chen.

"This is so unreasonable." Gun Gom saw that his opponent was unreasonable and all his attacks were unable to injure Ye Chen.

"Are you satisfied with trying it?" Ye Chen asked Gun Gom.

Ye Chen looked normal when he received the attack from Gun Gom.

"Don't be arrogant, I can still do a much stronger attack" Gun Gom said that he could still use a much stronger power.

Gun Gom made a disc that was enormous in size, he made a disc of black flame that was about 1 mile in size.

"crazy is huge" everyone saw Gun Gom's attack, Gun Gom's attack this time was quite big, this was the biggest attack that Gun Gom had launched.

"This time you won't hold it back" Gun Gom said that Ye Chen wouldn't be able to withstand his attacks.

"hahahahaha" Ye Chen laughed again, he laughed again when he heard this.

"Don't be ridiculous, I haven't even started yet, how can you be so sure like this" Ye Chen said to Gun Gom.

Ye Chen hadn't even started yet, he was still silent when he faced Gun Gom's attack.

"You're late, I won't let you." Gun Gom threw the super large disc towards Ye Chen.

A huge black flame disc spun towards Ye Chen at an incredible speed.

"It's a tremendous speed, it might cut anything in its path.

"You never learn from mistakes" Ye Chen said to Gun Gom, he never learns from mistakes.

Ye Chen decided to fight back, this time he decided to fight the attack that came from Gun Gom.

Ye Chen used the profound fire that he had to fight against the black flames that belonged to Ye Chen.

"Boom. ." Ye Chen's flames collided with Gun Gom's black flames, Gun Gom's black flames instantly stopped in place when they met Ye Chen's profound flames.

"what, he can use fire, don't tell me he has dual elements" Everyone was shocked when they found out about this, it was quite a shock to them when they saw Ye Chen who was able to use profound fire.

Hai Wan, Nangong Xong, and Sun Quan weren't too surprised when they saw this, in their place there were also people who could use two elements, so this was a matter of course for them.

"No way" Gun Gom couldn't believe it anymore, why did Ye Chen stop his attack again, this was really annoying.

"This is so annoying, why can't I win" Gun Gom roared, he let out a roar that was very loud and filled with anger.

Gun Gom used all the strength he had, he used all the strength he had to put up a fight against Ye Chen.

"I told you that your resistance only ends here" Ye Chen said to Gun Gom.

Ye Chen amplified his attack, his profound flames devoured the black flames that belonged to Gun Gom.

Ye Chen's profound flames had completely devoured the black flames that the Gun Gom had, by now the Black Flame Disc had already disappeared.

Gun Gom gaped when he saw this, how could he lose in terms of strength to Ye Chen.

After winning Ye Chen dispelled his profound flames.

"Looks like you've lost a lot of profound energy, continuing the fight won't benefit you" Ye Chen said to Gun Gom, he told Gun Gom to give up now.

"Who wants to give up, I won't give up" Gun Gom didn't want to give up, he still had the strength to fight Ye Chen.

Gun Gom brought out a new weapon, he took out a much better Disc he had.

In order to defeat Ye Chen, he must use everything he has, he must not lose to Ye Chen.

"Just watch, this time I will definitely start torturing" Gun Gom said that he would torture Ye Chen.

"People from high-class stars are arrogant, but that's good, then I'll make him beg." Ye Chen had already decided that he would torture and make Gun Gom plead.

Gun Gom is a pretty sadistic person, his opponent is always tortured and treated inhumanely, so now it's Ye Chen's turn to take revenge.

Ye Chen took a deep breath, this is the time for Ye Chen to attack Gun Gom.

"okay, let's start" Ye Chen took a step, he took a very fast pace and started to attack Gun Gom

"Breaking Meteor Blow" Ye Chen used a strong physical attack to break Gun Gom's arm.

Gun Gom tried to block Ye Chen's attack, he used his arm to block Ye Chen's attack.

"Crack. ." Gun Gom's hand shattered when he received an attack from Ye Chen.

"Gah. ." Gun Gom suppressed his voice, as a man he should not show his weakness to the enemy.

"It's quite surprising to see you don't make a scream" Ye Chen said to Gun Gom.

It's nothing, I've experienced something far more terrifying than this" Gun Gom said to Ye Chen.

"Is that true, then let's see if you can survive" Ye Chen said.

Chapter 2040 Gun Gom being tortured by Ye Chen

Ye Chen again made an attack on Gun Gom, he attacked Gun Gom with a barrage of attacks.

A portion of Gun Gom's bones cracked and shattered when it received an attack from Ye Chen.

"This person, is he a monster?, he is very strong" Gun Gom did not believe in Ye Chen's ability, Ye Chen's ability was so strong that Gun Gom was unable to withstand Ye Chen's strong attack.

"Damn it hurts, so bad" Gun Gom couldn't stand it, he couldn't stand Ye Chen's attack, this was a torture for Gun Gom.

"Master, it seems that he is quite tenacious." Chu Yuechan said to Ye Chen, she could see that Gun Gom's determination was very strong.

"Then let's make him suffer even more" Ye Chen would make Gun Gom suffer even more.

Ye Chen started to use the power of fire and Ice at the same time, he attacked Gun Gom in turn.

"arghhhh. ." Gun Gom shouted, he shouted very loudly when he received Ye Chen's attack.

"It must be very painful for you, how does it feel?" Ye Chen asked Gun Gom.

"This bastard is sick" Gun Gom said that Ye Chen's attack was very painful.

"It's still early, soon you will feel something more painful," Ye Chen said.

Ye Chen would make Gun Gom feel a pain that he had never felt before, he would definitely beg Ye Chen for mercy.

Ye Chen's attacks became more and more aggressive, Ye Chen's attacks completely damaged Gun Gom's body.

"Stop, I can't stand it, it hurts so bad. . ." Gun Gom couldn't stand it, this pain was excruciating.

"Did he scream in pain" Everyone looked at Gun Gom, they didn't expect Gun Gom to scream like that.

If indeed Gun Gom shouted like that, it is certain that Gun Gom was in a lot of pain, he must have been in a lot of pain when he received an attack from Ye Chen.

"I told you that this is just the beginning, you will feel much more excruciating pain than now" Ye Chen said to Gun Gom.

Ye Chen wasn't going to stop, he was going to make sure that Gun Gom got more pain.

Let him learn to know how pain is in this world, that way he can learn a lot of things.

The audience who saw this was speechless, this no longer looked like a battle, it was more like torture than a battle.

They saw how Ye Chen tortured Gun Gom until he screamed like that.

Ye Chen was quite happy to do this, he enjoyed how Gun Gom felt what people who had been tortured by Gun Gom felt.

Gun Gom's scream echoed so loudly, everyone could hear it very clearly.

"he is unreasonable" Zhi Fuxe saw Ye Chen's match, she could see how Ye Chen was torturing Gun Gom.

"Master hasn't played around enough already," Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to stop messing around.

"Hmmm, you are absolutely right, looks like it's time to stop" Ye Chen quite agreed with what Chu Yuechan said, it was time to finish things quickly.

After all, Gun Gom had already experienced such a severe torment, he must have received a punishment he deserved.

Ye Chen used a full blow, he used a full blow to fight Gun Gom.

"Blam. . ." Ye Chen's strike landed on Gun Gom's chest, Gun Gom's internal organs shifted when hit by this blow.

"arghhhh! ! ! !" Gun Gom's screams grew louder and louder, these screams echoed throughout the arena, everyone could of course hear this.

Gun Gom must have felt a lot of pain, otherwise he wouldn't have screamed like that.

"enough" Lei Qiaolin stopped Ye Chen, he stopped Ye Chen who might attack Gun Gom.
