

## True God 2041

Chapter 2041 Zhao Yanyan and Shui Yixian are stunning

The light began to dim, there were two figures that appeared after the light disappeared, the two figures that appeared were beautiful women.

The two of them attracted quite a lot of attention, they attracted quite a lot of the eyes of the people in this place.

"Isn't that Shui Yixian, who is the woman beside her" Everyone looked at Shui Yixian, they already knew who Shui Yixian was.

Everyone of course knew that this was Shui Yixian, one of the beautiful goddesses in the God Realm.

What was surprising was, Shui Yixian was with someone, he was with someone beautiful as well.

Next to Shui Yixian was Zhao Yanyan, Zhao Yanyan this time accompanied Shui Yixian to come to this place.

"Is that the new disciple Shui Yixian?" Sun Quan looked at Zhao Yanyan, he saw that Zhao Yanyan was Shui Yixian's new disciple.

"That woman is beautiful, will she be Shui Yixian's successor?" Sun Xuanyin had to acknowledge the beauty of the woman beside Shui Yixian.

Sun Xuanyin was a little worried when she was with Zhao Yanyan, she felt a dangerous feeling when she saw Zhao Yanyan.

She seemed to be dealing with a smart woman and that might be a problem for her.

Shui Yixian was a woman far superior to Sun Xuanyin, even Sun Quan had to admit to Shui Yixian's strength.

"Looks like we're a little late." Shui Yixian saw that they were a little late, it seemed that this match was almost at its peak.

"The match is still on, it's going to get more and more interesting" Khim Jix greeted Shui Yixian, himself telling him that the match had just started, all that was left now were the geniuses.

"Then let's find a seat." Shui Yixian said to Zhao Yanyan, he invited Zhao Yanyan to find a seat.

Zhao Yanyan nodded, she went along with Shui Yixian, the two of them decided to sit near Yue Ya considering Liu Yue was near Yue Ya.

Shui Yixian chose a good place, with them near Yue Ya, then things would be easy if something happened.

"I'll be here, you're fine with this, aren't you?" Shui Yixian asked Yue Ya.

"No problem, go ahead" Yue Ya invited Shui Yixian, Yue Ya and Shui Yixian's relationship was not bad, so Yue Ya was quite friendly with Shui Yixian.

Shui Yixian nodded, she and Zhao Yanyan sat near Yue Ya.

The two took a seat beside Yue Ya and Liu Yue.

"You seem to have changed a lot" Shui Yixian said to Yue Ya, she saw that Yue Ya had changed a lot.

"What do you mean?" Yue Ya's face started to turn red, she was embarrassed by what Shui Yixian had just said.

Yue Ya was not an innocent woman, she naturally understood and knew what Shui Yixian was referring to.

There was no way she didn't know what Shui Yixian was referring to.

"fufufufufu" Zhao Yanyan and Liu Yue giggled, they both tried to contain themselves but couldn't do it.

Both of them naturally knew what Shui Yixian was referring to, neither of them expected that Shui Yixian would say this to Yue Ya.

"You are pretending to be stupid, do you not understand what I am saying or should I say it out loud" Shui Yixian said to Yue Ya.

"Stop don't say it again, I understand what you mean" Yue Ya told Shui Yixian to stop, she already knew what Shui Yixian meant.

It would be a shame if other people around this place heard of this.

Shui Yixian smiled, she was quite skilled at teasing someone like Shui Yixian.

"This woman, I don't understand her way of thinking" Yue Ya didn't understand Shui Yixian's way of thinking, Shui Yixian was a woman that Yue Ya really couldn't imagine.

"So did he help you?" Shui Yixian asked Yue Ya.

"yes, he helped me" Yue Ya admitted it, she admitted that Ye Chen had helped her solve all problems including her cultivation problem.

"That's great, do the best you can do, your task won't be easy to do" Shui Yixian said to Yue Ya.

Shui Yixian tells Yue Ya that the task is going to be very difficult, she has to get through it all.

"I see, I will give it a try." Yue Ya understood what Shui Yixian meant.

"How was the match, did he make something great?" Shui Yixian wanted to know the match, she wanted to know how Ye Chen's match was.

Shui Yixian and Zhao Yanyan arrived quite late, so neither of them knew the match that was going on.

"He did well, he still hasn't used all the strength he has" Yue Ya said to Shui Yixian.

"There doesn't seem to be an opponent to take him seriously yet." Shui Yixian saw that there was no opponent who could take Ye Chen seriously.

"Is there an opponent in this place for the little monster, I think here Tian Mo alone might be the most troublesome opponent, while the rest might be easily overcome."

"There's that guy again." Shui Yixian pointed at Zhang Feng, he saw that Zhang Feng was the one who might be able to make Ye Chen show his strength.

"He is indeed strong, his strength is also quite large, I don't know how strong his potential is, but in the future he might become a great person" said Yue Ya while looking at Zhang Feng.

"he doesn't have much time for that" Shui Yixian said that Zhang Feng would not have much time to do that.

"why ?, what did you see in him" Yue Ya asked, she wanted to know what Shui Yixian saw in Zhang Feng.

"sadness, despair, hatred and revenge" Shui Yixian said about Zhang Feng, she told what she saw from Zhang Feng.

Zhao Yanyan, Liu Yue and Yue Ya fell silent when they heard this, they wanted to know what Shui Yixian meant.

What was Zhang Feng hiding, why did Shui Yixian say that about Zhang Feng.

"I hope that the goal is achieved." Shui Yixian hoped that Zhang Feng would be able to achieve his goal.

All eyes were on Yue Ya, Shui Yixian, Zhao Yanyan and Liu Yue, they were all still curious about Liu Yue and Zhao Yanyan, how come there were two beautiful goddesses like this and they didn't even know them and never heard of them.

"father, who is she?" Hai Ming asked Hai Wan, he wanted to know the woman Shui Yixian had just brought over.

"I don't know, I saw it for the first time" Hai Wan said that she didn't know about the woman Shui Yixian had just brought.

"He's pretty good." Hai Wan said that Zhao Yanyan was pretty good, maybe he should try to get her.

"Son you are getting married, you better not be more aggressive, lest that old man Dongfang get angry" Hai Wan warned Hai Ming not to be so greedy.

He already had Dongfang Xiu, so he better not mess around for now or maybe Dongfang Xiong wouldn't be happy with this matter.

"I know that, I will take it slowly, as long as I can get Dongfang Xiu, then I can control it" Hai Ming would focus on Dongfang Xiu first, then he might try to get Zhao Yanyan.

It shouldn't be as difficult as getting Dongfang Xiu who was a high-class woman from the start.

"Very good" Hai Wan was very satisfied, she was very satisfied with Hai Ming's answer.

Chapter 2042 catch Fou Nari's sword with bare hands

"Beautiful women come again, why are there so many beautiful women today" Zhi Fuze was helpless when she saw this, today there were so many beautiful women and made her lose her charm.

"What's wrong, are you dissatisfied with your beauty, aren't you also beautiful?" Ye Chen said to Zhi Fuze.

Zhi Fuze is also one of the beauties in the God Realm, she should be more confident in the beauty that she has.

Zhi Fuze blushed slightly when she heard Ye Chen's words, just now Ye Chen was praising herself, this made Zhi Fuze look embarrassed.

"Don't tease me" Zhi Fuze said to Ye Chen, Zhi Fuze told Ye Chen not to tease her anymore.

"hahahahaha" Ye Chen smiled, himself smiling when he saw this.

It turned out that Zhi Fuze could be embarrassed by a compliment from Ye Chen, seeing this Ye Chen could conclude that he would easily tease Zhi Fuze.

"what do you think about these two, one of them is the one who has trained my elder sister" Zhi Fuze asked Ye Chen, he wanted to know Ye Chen's opinion about the two.

"Of course she's beautiful, we have to admit the beauty they have." Ye Chen said that both of them were beautiful, both of them were the best beauties in God Realm.

"I met her before" Ye Chen said to Zhi Fuze.

"Then what about the other one?" Zhi Fuze asked Ye Chen.

"You are still asking about this, of course she is beautiful, she is the goddess in my heart" Ye Chen said to Zhi Fuze.

"Bah, you are too hopeful about it, you won't get something like that" Zhi Fuze laughed at what Ye Chen just said, he laughed when he heard what Ye Chen said.

Zhi Fuze naturally didn't believe what Ye Chen said, it was impossible for a beautiful goddess like Zhao Yanyan to glance at Ye Chen.

"Hahahaha, anything can happen, you have to believe in something like that" Ye Chen said to Zhi Fuze.

Ye Chen told Zhi Fuze to believe, anything can happen, nothing can't happen in this world.

"Is that so" Zhi Fuze still couldn't believe it, she still couldn't believe what Ye Chen said.

If you don't believe it, you can see your big sister, she seems to be interested in me" Ye Chen said to Zhi Fuze.

"It's just your feelings" Zhi Fuze said that it was only Ye Chen's feelings.

"Don't you believe, maybe I should prove it to you" Ye Chen said to Zhi Fuze.

Ye Chen was going to prove his point, he could do just that.

Zhi Fuze looked at Ye Chen, whether Ye Chen was joking or seriously telling him this.

"Big sister has so many pursuers, is she able to be the one who can make big sister fall" Zhi Fuze wanted to know if Ye Chen was able to make Zhi Fuxe his woman.

"No way, Tian Mo won't let him do that" Zhi Fuze remembers with Tian Mo that man definitely won't let Ye Che succeed.

"My older sister is too popular, why can't I be like her" Zhi Fuze wanted to be like her older sister, she wanted to be even more popular.

Even though Zhi Fuze was already quite popular, unfortunately she was still not satisfied with what she got.

Zhi Fuze wanted more at least he wanted a handsome and strong pursuer, that way she would feel very satisfied.

Unfortunately Zhi Fuze didn't have it, this made Zhi Fuze feel unsatisfied with his situation.

Time elapsed for 1 hour, the match will immediately proceed to the next level.

Zhang Feng again became the first participant to advance, he became the first participant to advance and start the battle.

"Bam. ." Zhang Feng ended the battle with how many moves, he didn't seem willing to waste the time he had on this match.

Zhi Fuze also did the same, she used aggressive attacks against her enemies.

Zhi Fuze's enemies weren't that strong, so she had a chance to win very easily.

What's more, Tian Mo, he used one more attack to win the match, it could be said that he was showing off his strength.

Where he showed that no one could stand against him, it could be said that Tian Mo wanted to dominate everyone by using the power he had.

Tian Mo is very strong, no one seems to be able to win against him" the audience saw Tian Mo's battle, he showed extraordinary and violent strength, who was able to stop the super tough Tian Mo he was indeed a genius.

What Tian Mo did was successful, he showed his immense dominance, this made the great powers glance at the strength he had.

Nie Li himself did battle very calmly, he returned to using his own strength to throw the enemy.

Once again the enemy of Nie Li was turned into a toy and couldn't put up a fight.

The very strong wind power is actually able to make Nie Li win very easily, this is a distinct advantage for Nie Li, he gets a distinct advantage from his strength.

After Nie Li, Ye Chen will have a match with Fou Nari, he will fight a woman who looks indifferent and arrogant.

In this world nothing drew her more than a sword, this woman could be said to be a powerful sword maniac.

"Are you ready?" Lei Qiaolin asked, she asked if Ye Chen and Fou Nari.

"I'm ready, let's end this quickly" said Fou Nari to Lei Qiaolin.

Fou Nari told Lei Qiaolin to start the match immediately, she had to end this match as soon as possible.

Fou Nari saw the battles being fought by the other participants, in the battle, she could see that everyone was doing it quickly, that's why he also wanted to end this battle quickly.

"You are too arrogant, your opponent this time is a strong person" Lei Qiaolin said in her heart she told Fou Nari that Ye Chen was a very strong opponent.

"If that is your wish, then I will grant it, then start" Lei Qiaolin granted Fou Nari's request, she granted Fou Nari's request easily.

Fou Nari wielded the sky dragon sword, she swung her sword towards Ye Chen.

"Let's beat him" the audience shouted, they shouted when they saw Ye Chen's battle against Fou Nari, they wanted to see how Fou Nari slaughtered Ye Chen with the sky dragon sword.

Ye Chen of course dodged, he dodged the slash from Fou Nari.

"don't run" Fou Nari said to Ye Chen, she wanted to end the match quickly.

"let's fight her" everyone said to Ye Chen, they all wanted to see Ye Chen fight Fou Nari.

Ye Chen continued to dodge, no attack was able to hit Ye Chen's body, Ye Chen was able to dodge all very easily.

Fou Nari is getting more aggressive, she is increasing her attack towards Ye Chen.

"you Coward" Fou Nari said that Ye Chen was a coward.

Ye Chen stopped dodging Fou Nari's attacks.

Fou Nari took advantage of the opportunity to attack Ye Chen.

"slashes. . ." Ye Chen reached out, he caught Fou Nari's sword

"Huh?. . ." everyone was shocked when they saw Ye Chen catch Fou Nari's sword with just one hand.

Chapter 2043 I just need to use a wooden stick

Fou Nari was shocked when she saw what happened, she couldn't believe that such a powerful attack could be stopped with her bare hands by Ye Chen.

"What you said just now, do you think a weapon like this can beat me" Ye Chen said to Fou Nari.

Ye Chen looked at Fou Nari with a sharp gaze, Fou Nari was quite arrogant, it seemed he had to teach a lesson that let this woman know that she wasn't the only one who was great.

"let go" Fou Nari said to Ye Chen, she told Ye Chen to let go of her sword.

Ye Chen tightened his grip on his hand, suddenly a shrill crack sounded in Fou Nari's ear.

"This" Fou Nari realized what had happened, she realized that her sword started to crack when it received Ye Chen's grip.

"No way, how could this happen?" Fou Nari tries to draw her sword, she doesn't want the best sword she has to be destroyed by Ye Chen, this is an expensive sword, if it is destroyed then Fou Nari will lose a lot.

Fou Nari used all of her strength to draw her sword, Too bad Fou Nari's strength didn't want to pull out the sword that Ye Chen was holding.

In the arena Fou Nari was struggling, in the eyes of the audience the two of them just stood still and did nothing.

Everyone was still shocked when they saw Ye Chen, to think that Ye Chen was able to hold Fou Nari's sword with one hand, it was an extraordinary thing to do.

"what's wrong with this person, why can't I break free" Fou Nari wanted to know why she couldn't get away from Ye Chen.

Why can't he withdraw from Ye Chen, even though the strength she has is much stronger than Ye Chen's.

But why did she seem weaker than Ye Chen, this was a strange thing for Fou Nari.

Ye Chen let go of Fou Nari's sword, when Ye Chen did that, Fou Nari immediately pulled herself back.

Fou Nari immediately kept her distance from Ye Chen, she didn't want to get close to Ye Chen.

If she got close, then Ye Chen would do what she did before.

"Now what should I do" Fou Nari began to think, what should she do against Ye Chen.

Fou Nari knows that Ye Chen is very strange, somehow this person's physical strength is not normal, he obviously has a very, very large physical strength.

"show me the power of your sword" Ye Chen said to Fou Nari, he told Fou Nari to show strength to himself.

Fou Nari didn't attack, he wasn't rash like Ye Chen's enemy, Fou Nari tried not to be provoked by Ye Chen, he didn't want to be provoked by what Ye Chen said.

"I need to calm down again" Fou Nari began to lose he, this is a very fatal thing for Fou Nari.

Ye Chen looked at Fou Nari, Fou Nari didn't seem to be provoked by what he said.

"This woman seems smarter than I thought" Ye Chen saw that Fou Nari was quite a smart woman, it was obvious when she managed to calm down quickly.

"let's start" Fou Nari had calmed down, she was ready to fight Ye Chen.

"Oh, I see." Ye Chen didn't expect that Fou Nari would be so prepared, this woman was very prepared to fight Ye Chen.

"This time I will be serious in fighting you, so be prepared and take out the best sword you have" Fou Nari said to Ye Chen.

Fou Nari told Ye Chen to immediately take out the weapon he had.

Ye Chen started looking for a weapon, he was looking for a weapon to defeat Fou Nari.

"I found a weapon against her" Ye Chen found a stick to fight Fou Nari.

"Guh. . ." Fou Nari was speechless when he saw what Ye Chen was throwing out, this man actually took out a wooden stick to fight Fou Nari.

"You, are you stupid?" Fou Nari asked Ye Chen, to be honest this man in front of her is really unreasonable.

"why, this is a great weapon don't underestimate the weapon I took" Ye Chen said to Fou Nari.

"-\_- " Fou Nari put on a strange face, the person in front of her is very strange, who is a fool who wants to fight a sword with a wooden stick, it's clear that Fou Nari's sword can easily destroy wooden stick.

"I'm giving you a chance, don't mess with me" Fou Nari said to Ye Chen, she told Ye Chen not to mess with her.

"I'm not playing games, so go ahead" Ye Chen said to Fou Nari, Ye Chen told Fou Nari to come forward.

"Alright" Fou Nari stepped forward, her advancing towards Ye Chen.

Fou Nari drew her sword towards Ye Chen, she drew her sword at full speed.

Ye Chen used the stick in his hand, he also swung his stick to block the incoming attack.

"Die . . ." Fou Nari didn't hold back, she had no mercy when faced with Ye Chen who only used a wooden stick.

"clang. . ." the two weapons collided, the collision of these two weapons made a very shrill sound.

"ahhh. . ." Fou Nari was swept away, she was unable to resist the swing of Ye Chen's stick and she ended up being swept away.

Countless onlookers were dumbfounded when they saw what happened, they were all in disbelief when they saw Ye Chen who managed to defeat Fou Nari's sword strike.

"resisting the attack of the sky dragon sword and winning, what the heck" everyone said in disbelief, how could the attack of the sky dragon sword be resisted with just a single sword.

Fou Nari backed away, she kept her distance from Ye Chen.

Fou Nari looked at Ye Chen's weapon, she saw Ye Chen's weapon which was a wooden stick, compared to the sky dragon sword in her hand, it was nothing.

"Why did I lose, what happened" Fou Nari did not understand all this, why did she lose, she should be able to split the wooden stick easily.

Lei Qiaolin saw the same thing, she saw Ye Chen who could block Fou Nari's attack with a wooden stick.

"So it's not my sword, rather it's his ability." Now Lei Qiaolin understood that these were all abilities possessed by Ye Chen.

Looks like this arrogant sword master will get into trouble." Ye Chen saw that Fou Nari was going to get into trouble.

Lei Qiaolin wanted to know the continuation of this battle, who would win this battle, whether Ye Chen or Fou Nari.

"Is your weapon real or just a rear imitation?" Ye Chen said to Fou Nari.

Ye Chen questioned the sword in Fou Nari's hand.

Everyone agreed with what Ye Chen said, they all started to question Fou Nari's sword.

If it really was the sky dragon sword, it should be able to easily cut the wooden stick used by Ye Chen.

"Of course it's real." Fou Nari said that the sword in her hand was real.

There was no way he would carry a fighting imitation weapon, it would affect his reputation.

"Then why can't you win over me" Ye Chen said to Fou Nari.

Chapter 2044 battle between two sword masters

"that . . ." Fou Nari couldn't answer this, she couldn't answer what Ye Chen said.

She herself did not know what had happened, everything was still a mystery to Fou Nari.

"Hahahahaha, that doesn't answer my question" Ye Chen said to Fou Nari, what Fou Nari said didn't answer Ye Chen's question, she didn't answer Ye Chen's question about why she could lose in a sword fight.

"Fool. . ." Fou Nari was starting to get annoyed with Ye Chen, Ye Chen was the most annoying man she ever fought.

"twelve shadow Slash" Fou Nari again launched an attack at Ye Chen, she used a sword skill that deceived her opponent's eyes.

"I know that you are a sword master, I will tell you this, your skills will not compare to me who has reached the Grand Master level" Ye Chen explained the truth to Fou Nari, Ye Chen told Fou Nari who he was.

"Who would believe that you are Grandmaster" Fou Nari couldn't believe it, he couldn't believe what Ye Chen said.

"Then let this Grandmaster show you strength." Ye Chen will show strength to Fou Nari, then Fou Nari will believe in Ye Chen's strength.

Ye Chen again put up a fight, he again put up a fight towards Fou Nari.

"clang. . ." The attacks of the two met again, this time Fou Nari's attack seemed to be much better than before, she seemed to have used all the strength he had against Ye Chen.

"my hand" Fou Nari felt that her hand felt numb, she felt pain when exchanging swords with Ye Chen.

Fou Nari retreated again, this was already the third time she had retreated when facing Ye Chen.

This time Ye Chen didn't let Fou Nari back down, he chased and started attacking Fou Nari.

Fou Nari started to push, she started to push when she received an attack from Ye Chen.

"why did this happen" Fou Nari tried to keep retreating, she kept her distance from Ye Chen,

Even though he tried to retreat, in fact he couldn't do that, Ye Chen made an aggressive attack and made herself unable to retreat.

"He is very troublesome" Fou Nari met a very troublesome enemy.

"Master, what should I do" Fou Nari seems confused about what to do in the current situation, honestly she doesn't know what to do right now.

Fou Nari looked at her teacher, where Fou Nari's teacher was a middle-aged woman who had the aura of a great warrior.

"You have to look for his weak point" Fou Nari's teacher told her to find Ye Chen's weak point, that way she could defeat Ye Chen by using this weak point.

"Master. . ." Fou Nari understood, she understood what to do in a situation like this.

Fou Nari tried to find Ye Chen's weak point, she made an observation to look for Ye Chen's weak point.

Ye Chen noticed that Fou Nari's movements were starting to look different, she could see that this woman's movements seemed to be different from before.

"She's trying to find my weak point." Ye Chen could tell that Fou Nari was looking for his weak point.

This woman was apparently able to think of this kind of way to deal with Ye Chen.

"I have a good idea" Ye Chen had a very good idea, he had a good idea to deal with Fou Nari.

Ye Chen will show his weakness to Fou Nari, let Fou Nari think that Ye Chen has a weakness.

Fou Nari attacked in all directions, she was trying to find the biggest weakness that Ye Chen had.

When Fou Nari attacked the top, she saw that Ye Chen stuttered slightly when he received the attack.

"found" Fou Nari found Ye Chen's weak point, it seemed that Ye Chen lacked confidence in receiving an attack from above.

"Okay, time to end battle" Fou Nari felt that it was time, now was the time to revenge Ye Chen.

"This time I will not let you go" Fou Nari said that she would not let Ye Chen go.

"what?" Ye Chen said to Fou Nari, he asked Fou Nari again, did Fou Nari mean what he said.

Fou Nari is serious about her words, she will end things quickly.

Fou Nari uses the strongest technique she has, this is one of the most terrifying techniques that Fou Nari has.

With this technique Fou Nari could split the ocean and sky into two parts, this was the most terrifying technique among all existing techniques.

**"sky splitting shadow slash"** Fou Nari finally took out the ace in her hand, she took out the ace card in her hand to fight Ye Chen.

Fou Nari didn't think that Ye Chen would be able to make herself take out the ace card she had, Fou Nari had to admit Ye Chen's greatness.

Fou Nari's sword began to ring, around Fou Nari's body a powerful and domineering aura emerged.

"It's starting" the audience looked at Fou Nari, they all wanted to see the full power that Fou Nari would use.

Fou Nari had full strength, that meant this match was coming to an end.

"So you want to end this match as soon as possible." Ye Chen didn't expect that Fou Nari would end this match so quickly.

"That was my original goal, I didn't expect you to last long enough" said Fou Nari to Ye Chen.

Fou Nari admitted that Ye Chen could hold on for quite a while, he was able to defend against her for quite a long time.

"Okay, then I will show my strength too" Ye Chen said to Fou Nari.

Ye Chen was going to use his strength too, he decided to fight Nari the serious

Ye Chen started to enter into Dao Sword mode, when Ye Chen did that the aura around Ye Chen immediately changed.

"This" several sword masters realized what Ye Chen was doing, they all realized what Ye Chen was trying to do.

"Impossible, how did he do it" Everyone couldn't believe what was happening, the sword masters in this place were in deep shock when they saw Ye Chen mastering the Dao of Sword.

"Impossible, how could this happen" An experienced Grand Master was shocked when she saw this, how could someone as young as Ye Chen already master the Dao of the Sword.

The Dao of the Sword was a very difficult level to reach, even those who had been in the world of swords for a long time were still unable to wield it.

Now Ye Chen managed to show them that it was not impossible for Ye Chen to use the Dao Sword in this battle.

"Feel this" Fou Nari attacked Ye Chen, her delivering a very powerful attack towards Ye Chen.

A gigantic slash of shadows appeared and headed towards Ye Chen, this was a very large and quite terrifying slash, if hit they might be cut off their bodies.

Ye Chen swung his wooden stick, he would destroy Fou Nari's

"slash attack. . ." Fou Nari's attack that was headed towards Ye Chen instantly disappeared, the attack disappeared in a single swipe.

Fou Nari was silent when she saw this, Fou Nari was speechless when she saw this.

"See the sky is split in two" Everyone looked at the sky above, they all saw that the sky above was split into two parts.

Everyone was naturally shocked when they saw this, they all didn't expect that Ye Chen's attack would be this strong.

Chapter 2045 I will end our fight

The sky was split into two halves, with a swing of Ye Chen's wooden stick that could dispel Fou Nari's attack and split the sky.

"Is this serious, he can wield the Dao Sword at such an age, it's a bit surprising" Sun Quan, Dongfang Xiong, Hai Wan and Khim Jix seemed to be surprised when they saw what did Ye Chen

"That means he is very talented" Seeing this everyone had to admit that Ye Chen was extremely talented, he became a very talented person at such a young age.

"Every participant has their own talent, and this participant also has his own talent," said Khim Jix.

"He used a great attack" Shui Yixian looked at Ye Chen, she could see that Ye Chen was using quite a bit of strength.

"I think he is still holding back" Zhao Yanyan said that Ye Chen was still holding back, otherwise she would have already let it all out.

"I don't think he will use such a powerful technique, at least for the time being" Liu Yue said to Zhao Yanyan.

Liu Yue and Zhao Yanyan wanted to see Ye Chen's strength, unfortunately they probably wouldn't be able to see that considering there was no strong opponent that faced Ye Chen

Fou Nari was still shocked by this, she was speechless when she saw what done Ye Chen

"Is that the strongest attack you have?" Ye Chen asked the still dumbfounded Fou Nari.

Fou Nari didn't answer Ye Chen, she didn't know how to answer Ye Chen, how she could answer Ye Chen's question.

"I don't understand you at all" Fou Nari said that she didn't understand Ye Chen, she thought Ye Chen was unreasonable.

"I'm a little complicated" Ye Chen said that he was a little complicated, he was a little complicated for other people to know.

"Fou Nari, surrender right now" the master of Fou Nari ordered to surrender immediately.

"Why, I can still fight" Fou Nari said that if she was still able to fight, she still had a chance to win against Ye Chen.

"You will not be able to win, he is not your opponent, he is already on a level far from you" the master of Fou Nari said that Ye Chen was already on a different level, fighting Ye Chen would definitely make Fou Nari lose.

Fou Nari bit her lip, she couldn't accept it, when she lost to Ye Chen.

Fou Nari had immense pride as a woman, so it wasn't strange that she wouldn't be able to accept defeat to Ye Chen.

"I will not give up, I will fight to the end" Fou Nari decided not to give up, she will fight to the end.

Fou Nari went on the offensive again, her attack wasn't over yet and she intended to attack Ye Chen once again using her full strength.

"Stupid girl" what Fou Nari do was a very stupid , Fou Nari did a very stupid thing, should n't have done something like that.

Ye Chen looked at Fou Nari, it was very clear that Fou Nari refused to give up, this woman still refused to give up when fighting Ye Chen.

"If you don't want to give up, then I will end this quickly" seeing Fou Nari not wanting to give up and deciding to fight, Ye Chen had no choice but to fight Fou Nari to the end.

Ye Chen again swung the wooden stick in his hand towards Fou Nari.

"Ahhhh. . ." Fou Nari was again swept away by Ye Chen she had no chance to attack Ye Chen.

Fou Nari fell to the ground, Ye Chen's attack now grazed Fou Nari's body and sent her far away.

Fou Nari was only lightly hit, not expecting that Fou Nari would fall and get serious injuries.

Fou Nari tried to get up, herself trying to get up after receiving a heavy wound from Ye Chen.

"A wooden stick, I was beaten by a wooden stick, this is crazy" Fou Nari started to go crazy, how she lost with just a wooden stick, this is clearly an insult to Fou Nari.

"Are you starting to go crazy?" Ye Chen looked at Fou Nari, he could see that Fou Nari was starting to lose herself, it was obvious that Fou Nari couldn't accept her defeat.

"I'm not crazy, you are crazy" Fou Nari said to Ye Chen.

"-\_\_-" Ye Chen was silenced by Fou Nari's words, this woman is really strange, she just said such nonsense.

"Why is many woman like this?, They really want to win themselves" Ye Chen said in his heart.

Women are the most complicated creatures, they are the most complicated creatures in this world.

"I'll end this soon" Ye Chen had to end the battle as soon as possible, he couldn't waste the time he had.

Ye Chen stretched his hand forward, he used **Frost Nova**

"**Frost Nova**" Ye Chen froze Fou Nari in front of him, Fou Nari's body was instantly covered in Ice, it could be said that right now she was sealed in ice and couldn't do anything.

"It's over" Ye Chen informed that the match was over, **Frost Nova** had already sealed Fou Nari and she couldn't put up any resistance.

The seal used by Ye Chen was too strong, there was no way Fou Nari could break away from Ye Chen.

"Fou Nari can't continue the match, the winner is Ye Chen" Lei Qiaolin announced the result, she just woke up from the shock he was in.

To be honest Lei Qiaolin still doesn't believe that Ye Chen is able to use the Dao Sword, she actually hides things like this and is unknown to anyone.

"Turns out he's great" Zhi Fuze saw Ye Chen's greatness, it turned out that Ye Chen was great and was able to master Dao Sword at a very easy age.

This achievement is a very difficult thing to do, only those who are truly talented can do this.

Zhi Fuxe who was in the audience saw this, she smiled when she saw what doing Ye Chen

"So that's what attracted the master to this boy, apparently he has a hidden talent" Zhi Fuxe finally knew Ye Chen's strengths, she felt more and more interested in what had, she wanted to know more and more about Ye Chen.

The more Ye Chen showed what he had, the more Zhi Fuxe felt attracted to Ye Chen.

Everyone was attracted by Ye Chen's strength, it looks like Ye Chen's next match will be an interesting match to watch.

Among everyone, only Tian Mo looked annoyed when he found out that Ye Chen had something like this, he felt inferior to Ye Chen when he saw what Ye Chen did.

"Remember carefully, whatever happens, I will be the winner" Tian Mo said that he would be the winner, he would be the winner in this match.

Tian Mo was still the strongest, he was still the most powerful participant in the arena.

Everyone also admits that Tian Mo is the most powerful person, in this place maybe no one can beat Tian Mo's power and dominance.

After this match is over, all participants are welcome to go back to rest, they all rest again to recover strength for the next match.

The audience was again made to wait, while waiting for the match to resume, they spent time cultivating or just chatting with old colleagues.

#### Chapter 2046 Ye Chen vs Nie Li (1)

The matches would only get more and more intense, so everyone decided to recover their strength and save them for the next match.

Zhi Fuze also seemed to be quite busy refining her strength and profound energy, so she didn't chatting with Ye Chen like before.

Ye Chen himself was different from the other participants, he decided to leave.

"Chen" Ning Xia said to Ye Chen, she came back to Ye Chen.

"Wife" Ye Chen said to Ning Xia who came over to him.

"Sun Quan's defense is very strong, he is really very careful" Ning Xia reported what happened to Ye Chen.

Ning Xia had already tried to find an opening around Sun Quan, it was a pity she couldn't see the crack in Sun Quan's area.

"Relax, there's still time, we're still back in the plan" Ye Chen said to Ning Xia.

Ye Chen told them that they would stick to their original plan, they were waiting for the opportunity to arise to attack Sun Quan.

"Okay I understand" Ning Xia nodded, agreeing with what Ye Chen said.

Ning Xia seemed to be getting impatient, it seemed that it was because of Sun Quan and she couldn't help herself when she saw the mastermind behind the collapse of her Clan.

"Everyone from the Clan is already in their positions, if the battle starts, they and the others will hold off the troops from Sun Quan" Ning Xia said.

"That's very good." Ye Chen was happy when he heard this, he was quite happy that Ning Xia had decided to use the power she had against Sun Quan.

Even though the Phoenix Clan's strength wasn't as strong as it used to be, they could still fight, they could all still fight and buy time to make Ye Chen and Ning Xia finish off Sun Quan and the strong people around.

"someone is coming" Ye Chen sensed someone coming towards them, they found a woman coming towards them.

"she" Ning Xia didn't expect this woman to come, she saw a beautiful woman coming towards them.

"she. . ." Ye Chen looked at Sun Xuanyin, not expecting this woman to appear in this kind of situation.

"What are you doing in this place?" Sun Xuanyin asked Ye Chen and Ning Xia.

"We're discussing the strategy for the next match, what is a beautiful goddess like you doing in this place" Ye Chen said to Sun Xuanyin

Ye Chen seemed to be very calm, he was able to control himself so that Sun Xuanyin wouldn't suspect.

Sun Xuanyin was an extremely smart woman, so she didn't want to take any chances.

"Oh, I see . . ." Sun Xuanyin nodded, she looked at Ning Xia, she saw that Ning Xia was beautiful and full of great charm.

"If I'm not mistaken this is Lord Peak of Jade Lotus Peak." Sun Xuanyin looked at Ning Xia, she realized that this was the lord of Jade Lotus Peak.

The lord of Jade Lotus Peak seemed to be less friendly towards Sun Xuanyin, Sun Xuanyin could sense that Ning Xia was wary of her.

"This woman is alert, does she know my purpose?" Sun Xuanyin saw that Ning Xia was very alert, it seemed that Ning Xia knew her purpose so she was wary.

"Too bad, even though I thought I would have some time alone, what a shame this woman showed up" Sun Xuanyin wasn't very happy with Ning Xia, she failed to play with Ye Chen because there was Ning Xia nearby.

Since there was Ning Xia around this place, Sun Xuanyin couldn't tease Ye Chen, she couldn't help but have to return to her seat.

Even though Sun Xuanyin had been looking for many reasons to be able to leave, it was a pity that things didn't go according to the plan she had hoped for.

"I just happened to be passing by, I'll be back." Sun Xuanyin said that she was just passing through, she decided to return to her place right now.

Ye Chen and Ning Xia looked at Sun Xuanyin, they both saw Sun Xuanyin leaving this place.

"what is that woman trying to do in this place?" Ning Xia didn't understand Sun Xuanyin, what Sun Xuanyin was trying to do in this place.

"Most likely she wants to meet me" Ye Chen informed that Sun Xuanyin most likely wanted to meet him.

" why?" Ning Xia wanted to know the reason, she wanted to know the reason why Sun Xuanyin wanted to meet Ye Chen.

"You didn't know she was interested in me" Ye Chen said to Ning Xia.

Ye Chen told Ning Xia that Sun Xuanyin was attracted to him.

"Since when did you meet this woman?" Ning Xia asked Ye Chen.

Ning Xia wanted to know when Ye Chen met Sun Xuanyin.

"I met her at the Sect, you didn't know she joined our Sect" Ye Chen said to Ning Xia.

"I wasn't aware of it." Ning Xia said that she wasn't aware of this matter, that she wasn't aware of Sun Xuanyin.

"she'll be easy to deal with, let's just focus on Sun Quan first" Ye Chen said to Ning Xia.

Ye Chen could easily deal with it, he could easily deal with Sun Xuanyin, they now only needed to focus on Sun Quan.

"You are absolutely right" Ning Xia believed, she believed what Ye Chen said.

Ye Chen and Ning Xia talked about what they would do, they talked about what Ye Chen would do in the next match.

Ye Chen himself would probably use some of the skills he had, he would show his skills against the enemy.

Plus Ye Chen still has Tian Mo's enemy, first he will defeat Tian Mo and solve all the existing affairs.

"Alright, do everything, don't use anything that could expose your enemy" Ning Xia said to Ye Chen.

Ning Xia already felt calmer talking and being alone with Ye Chen had made herself feel calmer.

"Ding. . ." The match started again, Zhang Feng again became the first participant to enter the arena.

Zhang Feng showed his strength, he started to show his full strength against his enemies.

Zhang Feng used his full strength, when Zhang Feng did that, he defeated his enemy very easily.

"That's great, is he comparable to Tian Mo" Seeing Zhang Feng's battle, the audience began to compare the strength of the two to Tian Mo.

It was clear that the strength of the two was probably equal and Zhang Feng would be an even match for Tian Mo.

And Zhang Feng again won the match very easily.

Zhi Fuze herself did not want to lose, she showed her strength to fight the enemy.

Zhi Fuze relied on the strength of her legs, this woman's kick was quite aggressive and attacked the man's important point.

It could be said that Zhi Fuze was trying to kick her enemy's lower half.

"This little girl, looks like she's getting naughty towards her enemies." Ye Chen saw that Zhi Fuze was getting naughty towards her enemies, she started to bully her enemies by means of intimidation.

After several kicks that entered the enemy's body and injured the enemy, Zhi Fuze won the match.

Tian Mo himself again carried out an attack to destroy the enemy.

He uses ruthless methods to defeat his enemies.

The person who was against Tian Mo was quite pitiful, they got a serious wound from Tian Mo.

Now that it was Ye Chen's match, Ye Chen would be going up against a super popular guy like Nie Lie and it would be quite a fierce match.

"I've seen your match, you are quite a talented person, you hope you bring out all your potential" Nie Lie said to Ye Chen.

Chapter 2047 Ye Chen vs Nie Li (2)

"So you want me to show you the strength I have? Let me show you my strength." Ye Chen said to Nie Li, he was going to show his strength.

"Nie Li, I love you. . ." All the women screaming at Nie Li, they showed affection and support towards Nie Li.

"Thank you very much, I will do my best, all of you can see the strength I have" Nie Li said to his fans above.

"Kyahhhhhh, he answered us" All the women looked happy when they saw Nie Li who was willing to answer their support.

To them it was a very beautiful thing when a handsome man like Nie Li willing to answer those who were nothing.

"He's making such a huge fuss." Ye Chen could see that Nie Li was making such a huge fuss that he was making such a fuss with an extremely large number of followers.

"Can't you do something about this matter?" Ye Chen said to Lei Qiaolin, he told Lei Qiaolin to do something about supporting Nie Li.

"What do you expect from me, I can't do something like that" Lei Qiaolin said that she couldn't do anything about this matter.

Nie Li's supporters and fans are so many, Lei Qiaolin won't be able to deal with this problem.

"Geez" Ye Chen was helpless, it seemed that this would be a very noisy match.

"Get ready, 3,2,1" Lei Qiaolin started the match, she started the match between Ye Chen Vs Nie Li.

The second match will be an interesting one, Nie Li should be below Tian Mo's strength, so he should be a very difficult opponent to beat.

"Be careful" Nie Li started to launch an attack that he had, he has a very good attack, to be more precise he has a wind attack that can blow away his enemies very easily.

Nie Li tried to lift Ye Chen's body, he wanted to play Ye Chen like the other participants.

Ye Chen felt that the wind around him was getting very strong, it seemed like Nie Li was starting to launch an attack towards him.

Nie Li lifted Ye Chen's body using his wind power, when Nie Li tried to do that, he found that Ye Chen couldn't be lifted.

"So heavy" Nie Li found that Ye Chen was so heavy, he couldn't lift Ye Chen's body with his strength.

"Is it on the mountain" Nie Li said in his heart, honestly Ye Chen is very heavy, even a mountain looks much heavier when compared to Ye Chen.

"Hoam. ." Ye Chen yawned, he saw that Nie Li couldn't lift his body.

"Are you done?" Ye Chen asked Nie Li, himself asking whether Nie Li was done or not.

"Let's fight, beat him" there are many women who give them support, these people give their support towards Nie Li and hope that Nie Li will become strong and can win the match.

"This isn't over yet." Nie Li said that this isn't over yet, he still hasn't used his full strength.

Nie Li wouldn't let down the people who had supported him, he couldn't let down the women who had supported him.

Nie Li strengthened his own strength, by strengthening his own strength, Nie Li hoped that he could lift and attack Ye Chen.

Nie Li again tried to lift Ye Chen's body, he tried his best to lift Ye Chen's body, he had a very persistent effort to lift Ye Chen's body.

The veins on Nie Li's head started to pop out, it could be seen that Nie Li used all the strength he had to lift Ye Chen's body.

Ye Chen still didn't move from his position now that Nie Li's wind power was unable to lift or blow Ye Chen away.

"That seems to be enough. . ." Ye Chen took a step forward, himself advancing towards Nie Li.

Nie Li was taken aback by Ye Chen, to be honest he didn't expect Ye Chen to be this strong, how did he do this.

Ye Chen took a slow step towards Nie Li, he approached Nie Li with determined steps.

Although Ye Chen's steps seemed slow, he didn't seem to be affected by Nie Li's strength.

Ye Chen was like a huge mountain that Nie Li couldn't move.

"Useless, this method won't work in defeating him." Nie Li realized that his technique wouldn't be able to defeat Ye Chen.

Nie Li finally decided to change his fighting style, he decided to change his fighting style by using direct attacks.

Nie Li made several blades of wind sword, he started to attack Ye Chen using this thing.

Ye Chen didn't flinch when he saw Nie Li use his wind power, he continued forward and headed towards Nie Li.

"Take this" Nie Li attacked Ye Chen with a direct attack, this wind blade should be able to kill Ye Chen very easily.

Ye Chen charged forward, he blocked all of Nie Li's attacks using his body.

Ye Chen's body is immune to Nie Li's attacks, so he won't be hurt by Nie Li's attacks.

"slashes. . ." Nie Li's attacks continued to rain down on Ye Chen, tens of thousands of attacks instantly enveloped Ye Chen and could instantly kill Ye Chen in an instant.

Even though he was surrounded and unable to run, Ye Chen continued to advance, he still forcibly broke through Nie Li's attack.

When Ye Chen did this, he was completely invulnerable, not a single attack was able to injure Ye Chen's body.

"why. . ?" Nie Li was dumbfounded by what had happened, his powerful attacks couldn't be used to injure Ye Chen, this was naturally a very strange thing.

Nie Li's supporters saw this scene, they could all see how Nie Li's attacks couldn't hurt Ye Chen.

"Attack him with a much stronger attack" the audience shouted, all of them telling Nie Li to use a much stronger attack to overthrow Ye Chen.

Nie Li again used a much stronger attack, he used a very powerful big wind attack.

Nie Li's "wind Long star explosion" used an extremely powerful attack, countless wind blasts raining down on Ye Chen's body.

Everyone didn't expect that Nie Li would use such a destructive attack on Ye Chen.

With this powerful blast of wind, there was no way Ye Chen could endure.

It was like Ye Chen was being hit by thousands of cruise missiles, there was no place for Ye Chen to dodge or escape. Ye Chen had no choice but to endure this attack.

"Will he be okay?" several people asked about Ye Chen's condition, they all wanted to know Ye Chen's condition, whether Ye Chen could be helped or not.

"With such a powerful attack, it's impossible for him to survive." Sun Quan analyzed that Ye Chen's chances of winning were very slim, Ye Chen's chances of winning against Nie Li were extremely small, such a powerful attack could not possibly be resisted by Ye Chen.

"That's not necessarily" Yue Ya said to Sun Quan, she telling that the match was still on and the winner was still undecided.

"Moon goddess, why are you so confident, you didn't see that Nie Li had already unleashed such a killer attack, there was no way that participant could escape such an attack." Sun Quan insisted that Ye Chen had already lost this battle.

#### Chapter 2048 Ye Chen vs Nie Li (3)

Anything can happen, this match has just started, so the winner and loser are still undetermined." Yue Ya said back to Sun Quan, she told Sun Quan that the winner and loser were still undecided.

"Let's see" Sun Quan told Yue Ya to take a look, surely his guess wouldn't be wrong.

Nie Li's attack was extremely aggressive, with an attack this strong, Ye Chen should be able to end the battle very quickly.

"This should be enough, there's no way he can withstand the powerful attack I launched." Nie Li felt that if he had won, there was no way Ye Chen would be able to withstand the powerful attack he launched.

This is a mass destruction attack that belongs to Nie Li, not many people can withstand a powerful attack like this.

Just when Nie Li thought that Ye Chen had ended up here, he saw a figure approaching from a distance, he could see a figure emerging from the blast of wind and starting to approach him.

"Impossible" Nie Li looked dumb and dumbfounded when he saw this figure, he saw Ye Chen's figure walking under countless wind blasts.

"To be honest Nie Li has never seen anything like this, one could say he's never seen anything like this in his life.

If Ye Chen held it back then Nie Li would believe it, but this time it was different, he saw Ye Chen walking very casually through the super dangerous blast of wind.

"What a great technique, luckily I was able to endure to the end" Ye Chen said to Nie Li.

The technique used by Nie Li is a dangerous technique, it will be very troublesome for the other participants who confront Nie Li.

Too bad Nie Li was out of luck, he met this Ye Chen making such a powerful technique useless against Ye Chen.

"This person is really crazy" Nie Li finally realized something, he realized that Ye Chen was a crazy person.

"You've already shown your strength, then it's my turn to fight back" Ye Chen had let Nie Li attack, now it's Ye Chen's turn to fight back.

**"impenetrable wall of wind"** saw Ye Chen approaching, Nie Li made a thick wall of wind swirl around his body, with this wind wall, he could blow away enemies as well as destroy any enemies that tried to get close to him.

Ye Chen stepped forward, himself approached towards Nie Li, Ye Chen even entered into the whirlwind wall created by Nie Li.

"No way, he made it in." Nie Li saw Ye Chen who had managed to enter, he couldn't believe that his wind wall couldn't hold it back and blew Ye Chen away.

Ye Chen tried to hold on, he continued forward and headed towards Nie Li.

"Impossible, he reversed my attack, how could this happen" Nie Li was getting overwhelmed in the face of Ye Chen, he saw Ye Chen turning his attack on him.

Nie Li tried to turn things around, it's a shame the strength he has can't help him turn things around on him.

As a result, Nie Li became a person who bounced off the whirlpool.

Nie Li smashed into the barrier very painfully.

"impossible" so many women and Nie Li's fans couldn't believe it when they saw what happened to Nie Li, there's no way Nie Li could be defeated by Ye Chen, this is an impossible thing, Nie Li couldn't possibly lose to people. this.

"Don't give up, everything will be fine" all the women said to Nie Li, giving Nie Li their support so as not to lose to Ye Chen.

Nie Li was trying to get up, he was trying to bounce back from the recent defeat.

"Damn, how could I lose" Nie Li didn't know why he could lose to Ye Chen, when he should have won so young.

Nie Li suffered a head injury from hitting the wall, fresh blood started to pour out of Nie Li's head from hitting the wall.

"Looks like you got injured due to your own carelessness." Ye Chen appeared in front of Nie Li, he appeared several meters in front of Nie Li.

Nie Li looked at Ye Chen, he saw Ye Chen who was in very good condition, there was no visible wound on Ye Chen's body, it seemed that Nie Li's intense attack was unable to scratch Ye Chen's clothes.

"What is this person's body made of?" Nie Li wanted to know what Ye Chen's body and clothes were made of, why his attacks couldn't even scratch Ye Chen's body.

"I've come to this point, it seems I have to use it." Nie Li was already forced to the lowest point, he had no choice but to use the strongest technique he had.

**"A thousand wind wall prison"** Nie Li finally used the strongest technique, himself using the strongest technique to confine Ye Chen.

Around the place where Ye Chen appeared was a massive wall of wind, this locked Ye Chen in and wouldn't let Ye Chen go.

"What do you use?" Ye Chen asked Nie Li what Nie Li just used.

This is a technique that can destroy you from within, when the wall rotates, there will be a super strong windstorm that will tear your body apart, to get out you have to destroy this entire wind wall," said Nie Li.

Nie Li explained about the strength of the **A thousand wind wall prison**, this is the most terrifying technique that Nie Li has mastered.

Once the enemy is trapped in this place, it is certain that they will have difficulty or will not even be able to get out.

"Crakkkkk. . ." Just as Nie Li said, the wind walls started to move, a thousand wind walls started moving together and created a windstorm inside.

"So he didn't lie about what was going to happen" Ye Chen saw that Nie Li wasn't lying, he already explained what would happen to Ye Chen.

Ye Chen will not have a chance to get out of this place, now Ye Chen is completely trapped in a thousand wind wall prison.

"This is it, Nie Li finally took it out, he will definitely lose" The audience saw that Nie Li had used his full strength, he used his last weapon to face Ye Chen.

Should this kind of strength Nie Li be able to win this match, it would be impossible for Ye Chen to be able to win against Nie Li's super powerful Technique.

"If I want to destroy this technique, I have to destroy all the wind walls, very interesting, let's try it" Ye Chen decided to give it a try, himself decided to try to destroy the wind walls.

**"Breaking Meteor Blow"** Ye Chen shattered the wind wall, he used the **Breaking Meteor Blow** technique to destroy everything in existence.

"Huh?" Everyone was speechless when they saw this, they all couldn't imagine that Ye Chen would destroy Nie Li's thousand wind walls with a single fist.

"You see don't you. . . ?" Yue Ya said to Sun Quan, she showed Sun Quan that Ye Chen was strong and this battle was clear who would win.

Sun Quan was speechless, he seemed to have no words to say, Sun Quan had misjudged, it turned out that Ye Chen was much stronger than he thought.

Nie Li just gaped when he saw what happened, he didn't expect that Ye Chen would only need to use one attack to destroy his supreme technique.

Chapter 2049 Ye Chen stepped on Nie Li

"It's over, can we end this battle?" Ye Chen said to Nie Li, he wants to end this battle as soon as possible.

Ye Chen stepped on Nie Li's body, Nie Li immediately screamed when he was stepped on by Ye Chen.

Nie Li felt his body being crushed by a mountain, to be honest Ye Chen was like a very heavy mountain.

"This is so heavy." Nie Li said to Ye Chen.

"That's really true." Ye Chen nodded, telling himself that his body was heavy.

Ye Chen was still using a ballast on his body, he was still using a ballast to train his physical body to become stronger.

"Just give up, you won't have a chance to win" Ye Chen told Nie Li to just give up, he won't have a chance to win from Ye Chen.

"I can still fight" Nie Li refuses to give up, he won't give up on Ye Chen, Nie Li can't possibly disappoint his supporters who have supported him up until now.

"Nie Li, don't lose." All the beauties gave their support to Nie Li, they gave Nie Li their support so he wouldn't lose against Ye Chen.

The voices of Nie Li's supporters were so loud, Ye Chen could clearly hear how Nie Li's supporters were giving their support.

"Too bad because I will disappoint them" Ye Chen said that he would disappoint them.

Ye Chen strengthened his foothold on Nie Li's body, he started crushing Nie Li's body that was beneath him.

"argh. . . ." Nie Li started to let out a desperate voice, everyone could clearly hear that Nie Li was being tortured by Ye Chen.

"This hurts so much" Nie Li roared, he felt a tremendous amount of pain, he didn't expect it to hurt so much.

Nie Li still didn't want to give up, even though he was already in a lot of pain when he received Ye Chen's leg.

Nie Li's supporters felt pity, they saw that Nie Li was in so much pain, they were speechless when they saw this.

All of them could only hope that Nie Li would survive and be unharmed.

"That's enough" Ye Chen kicked Nie Li, he kicked Nie Li with full force.

Nie Li hit the barrier again, the barrier completely shattered when Ye Chen kicked Nie Li.

"stop" Lei Qiaolin immediately stopped Ye Chen, he stopped Ye Chen.

Ye Chen's attack was strong enough, Nie Li shouldn't be able to defend anymore.

Nie Li fell to the floor and his body was crushed by the debris, right now he's unconscious, Ye Chen's attack just now was enough to put him in this condition.

Lei Qiaolin checked Nie Li's condition, when he checked Nie Li's condition, he found that Nie Li was unconscious, there were several bones that had occurred due to Ye Chen's attack.

"step aside" The Nie family's immediately went down, they brought a medic to transport Nie Li.

Nie Li's wounds need to be treated immediately, it looks like he still has a very good chance of healing.

The Nie Clan said nothing. Looks like they accepted this defeat.

"Congratulations contestant Ye Chen won and can continue the match" Lei Qiaolin announced the winner.

"clap . . ." A few people applauded, they acknowledged that Ye Chen's match was very good.

"huuu, you're mean" meanwhile there were some women who were not happy with Ye Chen, they couldn't accept it when they saw their idol lost at Ye Chen's hands.

Ye Chen was ignorant of this matter, he already knew the consequences he would face when he fought against Nie Li.

"Good then next time he will be my enemy" Tian Mo is happy, finally it's time for revenge, he has been wanting to take revenge on Ye Chen for a long time.

His wait had finally come true, now was the time for Tian Mo to take revenge against Ye Chen, he would take revenge on Ye Chen and ensure that Ye Chen would no longer be able to approach Zhi Fuxe.

If necessary he would cripple Ye Chen that way he wouldn't be able or dare to get close to Zhi Fuxe.

When Tian Mo thought of this, he looked very happy, he couldn't wait to have a battle with Ye Chen.

Ye Chen won again, this was quite a shock for everyone in this place, you could say that Ye Chen was one of the most powerful participants in this competition.

Participants were given the opportunity to recuperate, the four of them recuperated and prepared for the next battle.

"You will face a very formidable opponent, so be careful" Ye Chen gave a warning to Zhi Fuze.

"I know that, I will do my best, I firmly believe that I can win this battle quickly and easily" Zhi Fuze was very confident, she was very confident in facing Zhang Feng.

"Listen to me, Zhang Feng is a strong man, if you are in a hurry, you better give in" Ye Chen said to Zhi Fuze.

Ye Chen gave Zhi Fuze a suggestion, he telling Zhi Fuze that Zhang Feng was a dangerous opponent.

"UM. . ." Zhi Fuze nodded, somehow she listened to what Ye Chen said, it's like he really believed what Ye Chen said.

"good, now go ahead" Ye Chen told Zhi Fuze to go forward, she must do her best to fight the enemy, Zhi Fuze come forward, she and Zhang Feng would battle to determine who would enter the final round.

Zhi Fuze and Zhang Feng did not speak, there was no conversation between the two, it was obvious that the two of them seemed alien and distant from each other.

"Is it ready?" Lei Qiaolin asked Zhi Fuze and Zhang Feng.

"We are ready, let's do this quickly" Zhi Fuze said that he was ready.

"let's do it" Zhang Feng is also ready, he is ready to fight against Zhi Fuze.

"good . . . , 3,2 1 start" Lei Qiaolin finally started the match, she started the match between Zhi Fuze and Zhang Feng.

"clang. . ." Zhi Fuze was the first to attack, she made an attack on Zhang Feng.

"wind kick" Zhi Fuze's used the power of wind, he coated his feet with wind.

Zhang Feng did not dodge Zhi Fuze's attack, he received Zhi Fuze's attack using his own body.

"what?, how do you block my attack with your body" Zhi Fuze doesn't seem to be able to break through Zhang Feng's defense, Zhang Feng has a very strong defense.

Zhang Feng did not answer Zhi Fuze's question, he counterattacked towards Zhi Fuze.

"Ah. . . ." Zhi Fuze retreated, Zhi Fuze's hand was injured from receiving an attack from Zhang Feng.

"His physical strength is enormous, it's not strange that all attacks don't work against him" Zhi Fuze finally knew the reason why all of Zhang Feng's opponents were unable to defeat him, apparently this was the reason.

Zhi Fuze had a problem, she had a problem when she attacked Zhang Feng.

"Little sister, bring out all your strength, he is a formidable opponent" Zhi Fuze told Zhi Fuze to give everything she had.

"Okay, I understand" Zhi Fuze understood, she would use all her strength to face Zhang Feng.

Zhi Fuze brought out her power again, this time she decided to use the fire element.

Zhi Fuze uses two elements, she uses the fire element on the left side and the wind element on the right side.

"she used it" Ye Chen finally saw the power of Zhi Fuze, she used the two elements that she had.

Ye Chen was already aware that Zhi Fuze had two elements, he could feel this when he first met Zhi Fuze.

"feel this, **Sky rabbit double kick**" Zhi Fuze jumped up and headed towards Zhang Feng.

Chapter 2050 [Bonus chapter]Zhi Fuze refuses to give up

Zhi Fuze swooped down from above, her descending from the sky like a meteor.

Zhi Fuze went straight towards Zhang Feng and attacked Zhang Feng with two different elements.

When the wind element meets the fire element, it makes the fire bigger, when the fire gets bigger, the destructive power becomes even more terrifying.

"let's beat him".

"Don't lose to withstand the attack".

Some people supported Zhi Fuze, while there were some who supported Zhang Feng.

It could be said that they have people they support, everyone has their beliefs.

Everyone firmly believed that Zhi Fuze would win, while others thought that Zhang Feng would win this match.

Both have their own beliefs, they believe who will win this match.

"boom. . ." an enormous explosion occurred, this huge explosion was caused by Zhi Fuze hitting Zhang Feng.

Zhi Fuze was like a meteor, she was truly extremely powerful and possessed a terrifying destructive power.

There were countless people who were shocked by Zhi Fuze's strength, they were all shocked when they saw Zhi Fuze's destructive power.

With such destructive power Zhi Fuze should be able to easily win this match.

"she finally did it, she used all her strength to face the enemy." Zhi Fuze's father saw Zhi Fuze's performer, he saw the strength that Zhi Fuze showed.

"Father, the opponent is a very strong person, she must not hold back, otherwise she will lose on the spot" Zhi Fuze said to her father, she didn't want to underestimate Zhang Feng, so she told Zhi Fuze to use everything to win this match .

Zhi Fuze and Zhi Fuxe's father's name is Zhi Xehi and their mother's name is Rou Hile

"Dear, our daughter has shown her strength, I hope she wins this match" Rou Hile said.

Rou Hile wanted Zhi Fuze to win, she wanted both of them to win this match and be the first.

"I hope too, I hope she can win" Zhi Fuxe and Zhi Xehi wished the same thing, They wished the same thing.

The three of them wished Zhi Fuze the best.

Below Ye Chen saw the battle of Zhi Fuze and Zhang Feng.

"Not good, this person's physical strength is already on a different level." Ye Chen took a close look at the battle between the two, he could see that Zhang Feng was far superior in terms of cultivation and physical strength.

The attacks that Zhi Fuze made would not be strong enough to defeat Zhang Feng.

Zhi Fuze looked at Zhang Feng, he could see very clearly that Zhang Feng easily parried his attack.

"It's not breeding, it's resisting my attacks." Zhi Fuze felt an unpleasant feeling, he saw Zhang Feng who was able to withstand the attacks that he had.

"I can't lose" Zhi Fuze showed all the strength she had, she showed all the strength she had and put her all into defeating Zhang Feng.

Zhang Feng wasn't depressed, he wasn't depressed when he fought Zhi Fuze, he was very relaxed when he faced Zhi Fuze.

Zhang Feng swung his arm, Zhi Fuze was instantly thrown away.

Zhi Fuze retreated, herself backed away and was direct and away from Zhang Feng.

"My attack didn't hurt him?" Zhi Fuze looked back at Zhang Feng, she found that her attacks were unable to injure Zhang Feng.

Zhang Feng coated his hand with a fairly hard stone, it was not strange that Zhi Fuze's attack was unable to injure Zhang Feng.

"So it's like that" Zhi Fuze finally knew Zhang Feng's strength, it's not strange that this person's physical strength is very strong, it turns out that he has the power of the earth, that's why his physical strength is very strong.

Earth power users are indeed very troublesome, they have very strong strength and very troublesome." Ye Chen looked at Zhang Feng, he saw that Zhang Feng would be a very difficult opponent for Zhi Fuze to beat.

Zhang Feng stepped forward, himself attacked Zhi Fuze using the power of the ground, he lifted the floor and threw it at Zhi Fuze.

A large slab of floor was thrown at Zhi Fuze, if it hit Zhi Fuze, then it would be a problem.

Zhi Fuze jumped up, he tried to dodge Zhang Feng's attack.

When Zhi Fuze jumped, Zhang Feng jumped too, he jumped and directly attacked Zhi Fuze.

Zhi Fuze tried to run away, she kicked the air and started to move away from Zhang Feng.

Zhang Feng wasn't that stupid, she immediately used flying and chased after Zhi Fuze.

Zhi Fuze continued to run away, she tried to run away and kept her distance from Zhang Feng.

Zhang Feng was much stronger than Zhi Fuze, he was able to catch up to Zhi Fuze and immediately launched an attack at Zhi Fuze.

"feel this" Zhang Feng landed a punch towards Zhi Fuze.

Zhi Fuze used her arm to block Zhang Feng's attack.

Their current position was in the air, so naturally Zhi Fuze was unable to withstand Zhang Feng's attack and was dropped to the ground.

"Boom. . ." Zhi Fuze fell, he hit the ground very painfully.

Ye Chen saw what was happening, he saw that Zhi Fuze fell and hit the ground with a terrifying force.

Zhang Feng obviously didn't hold back, he didn't hold back when fighting Zhi Fuze.

The dust started to dissipate, Zhi Fuze appeared holding her injured arm.

"my hand is injured, this is bad" Zhi Fuze was seriously injured, one of her arms was broken by Zhang Feng's attack.

With one arm broken, Zhi Fuze might have a hard time defeating Ye Chen, she would have a hard time fighting Zhang Feng.

Zhang Feng again attacked Zhi Fuze, she headed towards Zhi Fuze and started to launch a second attack towards Zhi Fuze.

**"Earth Rolling Ball"** Zhang Feng made several balls from the floor below him, he controlled these balls to attack Zhi Fuze.

Zhi Fuze dodged, she dodged the attack of the earth ball that was heading towards her.

Even though they tried to avoid it, these balls chased Zhi Fuze, they chased Zhi Fuze like a magnet that will continue to chase Zhi Fuze.

Zhi Fuze could only jump and dodge, she could only jump and dodge from enemy attacks.

"It's time to consider defeat" Zhang Feng said to Zhi Fuze, he told Zhi Fuze to consider surrendering.

"I will not give up" Zhi Fuze is still stubborn, he refuses to give up.

"Then get ready" Zhang Feng controlled his ball, he immediately aimed at Zhi Fuze and hit Zhi Fuze.

Zhi Fuze didn't have the chance to dodge, she didn't have the chance to dodge the oncoming attack.

Zhi Fuze was hit again, she was hit again by a large dirt ball.

"Ah. . ." Zhi Fuze shouted, he flew hundreds of meters from Zhang Feng's attack.

"Little sister" Zhi Fuxe said to Zhi Fuze, she saw that Zhi Fuze was currently in very big trouble, her opponent was much stronger.

"Better give up now." Zhi Xehi couldn't stand it when she saw Zhi Fuze who was crushed by Zhang Feng.

"Little sister, you better give up right now." Zhi Fuxe told Zhi Fuze to surrender right now, the opponent that Zhi Fuze faced was surprisingly strong.

With Zhi Fuze's strength, she shouldn't be able to win this match.

"no, I won't give up" Zhi Fuze refused to give up, she didn't like to give up in a match, she would fight the enemy until she lost.

Even though she had been pushed to a bad state, Zhi Fuze still had the spirit and tenacity, she didn't want to give up when fighting her enemy.
