

True God 2051

Chapter 2051 finally the real battle Ye Chen Vs Tian Mo

Zhang Feng attacked again, he again attacked Zhi Fuze with powerful attacks.

Zhi Fuze parried and occasionally retaliated against Zhang Feng. Too bad Zhi Fuze's attacks weren't strong enough to beat Zhang Feng.

"This is the end" Zhang Feng decided to use the final strike against Zhi Fuze.

He launched a powerful attack towards Zhi Fuze without holding back.

"This is bad, if she gets hit by that attack" if Zhi Fuze gets hit by that attack, then it will be dangerous.

"Looks like I have to help her" Ye Chen decided to take action, Ye Chen made a clone to save Zhi Fuze.

Ye Chen used the **Invisible Body Art** on the Clone, that way no one would see what was happening.

Zhi Fuze seemed to have resigned herself to what had happened, she could only use her full strength to defend against Zhang Feng's attack.

"Blam. . . ." just when Zhi Fuze thought that Zhang Feng was going to punch her, she saw that Zhang Feng was the one who was blown away and backed away.

" what happened?" Zhi Fuze didn't understand what had happened, he didn't understand what had just happened in this place.

In order not to cause a commotion, Ye Chen directly knocked Zhi Fuze out.

Zhi Fuze fainted and fell to the ground, this way he would not continue the fight.

"You are a pretty persistent girl" Ye Chen said to Zhi Fuze, he saw that Zhi Fuze was a persistent woman.

Zhang Feng himself didn't know what had just happened, he didn't know what had just happened to him.

"What was that?" Zhang Feng wanted to know what had just happened, he wanted to know why he was blown away, earlier he felt a strong figure block his attack and counterattack at him.

Zhang Feng didn't see anyone, he didn't see someone meddling in the match.

Lei Qiaolin saw Zhi Fuze's condition ,Zhi Fuze couldn't continue the match, it meant that the winner of this match was Zhang Feng.

"Congratulations Zhang Feng won the match, he will go straight to the finals" Lei Qiaolin told everyone that Zhang Feng was the winner in this match.

" clap . . ." everyone applauded, they gave their applause to Zhang Feng.

Zhang Feng was so great, this person was able to enter and become one of the strongest participants who was able to reach the final level.

Zhi Fuze is also great, he put up a fierce fight against Zhang Feng, even though he lost Zhi Fuze has done his best he has done the best he can for now.

Zhi Fuxe immediately came down, he immediately got down and saw Zhi Fuze's condition.

"Fortunately there were no serious injuries" Zhi Fuxe saw that there were no serious injuries to Zhi Fuze, he should be able to recover quickly.

Zhi Fuxe didn't make time, she immediately went and took Zhi Fuze with her.

It would be best if he immediately brought Zhi Fuze to the treatment center and healed Zhi Fuze's wounds.

"I think I'll let him heal it" Ye Chen let Zhi Fuxe heal Zhi Fuze, with an injury like that, Zhi Fuxe should be able to handle it herself.

"Ye Chen and Tian Mo come down right now, it's time for you to fight" Lei Qiaolin said to Ye Chen and Tian Mo, she told the two to fight.

Ye Chen and Tian Mo got down, both of them got down and prepared to fight.

Tian Mo looked very excited, he seemed to be looking forward to fighting and defeating Ye Chen with his own hands.

Tian Mo clasped his hands, this would be a very fierce battle between him and Ye Chen.

"Just watch, I will make sure that I will beat you in this place" Tian Mo said to Ye Chen, he told Ye Chen that he will beat Ye Chen in this place.

"I'm not sure that you can do that" Ye Chen said that Tian Mo wouldn't be able to do that, he was sure that Tian Mo wouldn't be able to beat him.

"Don't be so arrogant, you'll see, I will enjoy the time when I break your bones" Tian Mo said to Ye Chen, he told Ye Chen that he would break Ye Chen's bones.

"Ohhhh. . ., it seems terrible, I'm scared" Ye Chen said to Tian Mo.

"You will feel it soon" Tian Mo said that soon Ye Chen would feel it soon.

"Don't talk anymore" Lei Qiaolin stopped Ye Chen and Tian Mo from talking, she knew that both of them had a grudge and might kill each other.

Ye Chen and Tian Mo were silent, they were both waiting for the match to start.

"I'll start right away, you two better get ready" Lei Qiaolin told Ye Chen and Tian Mo that the match was about to start.

"Let's do it" Ye Chen and Tian Mo urged Lei Qiaolin.

"Start" seeing the insistence made by Ye Chen and Tian Mo, Lei Qiaolin immediately started the battle, she started the battle between Ye Chen and Tian Mo.

After the official match started by Lei Qiaolin, Tian Mo immediately rushed towards Ye Chen, he directly attacked Ye Chen using his full strength.

"Let's beat him, Tian Mo, you can do it." Nie Li's supporters gave Tian Mo their support, they all hoped that Tian Mo would defeat Ye Chen and avenge Nie Li's defeat.

These women still couldn't accept it when they saw Ye Chen beat Nie Li, they were furious and wanted Ye Chen to be defeated by Tian Mo.

"feel this" Tian Mo hit Ye Chen with a pure fire punch.

Ye Chen seemed to be silent when he saw Tian Mo approaching.

"Blam. . ." Tian Mo's punch landed on Ye Chen's body, the powerful punch landed right on Ye Chen's chest.

Ye Chen didn't move when he received the fiery blow from Tian Mo, he didn't even retreat an inch when he received the hit from Tian Mo.

"impermeable" Tian Mo saw that his attack couldn't penetrate Ye Chen's body, his powerful attack couldn't penetrate Ye Chen's body.

"Your punch is like a child's punch" Ye Chen said to Tian Mo, he told Tian Mo that his punch was like a child's punch.

"asshole. ." Tian Mo roared, he roared when he heard what Ye Chen said.

Tian Mo felt his pride being crushed by Ye Chen, he could feel anger when he heard Ye Chen's words.

Tian Mo strengthened his attack again, the fire in Tian Mo's hand was getting hotter and bigger.

Tian Mo tried to burn Ye Chen, he tried to burn Ye Chen using his full strength.

Ye Chen's clothes didn't burn. Tian Mo's attack wasn't able to burn Ye Chen's clothes.

"come on . . ." everyone continues to give their support to Tian Mo, they give their full support to Tian Mo.

They all thought that Tian Mo would win easily, they were all very sure that Tian Mo would win.

Time passed, they began to realize something was wrong in this place, they realized that Tian Mo's attack was unable to injure Ye Chen.

"already . . ." Ye Chen said to Tian Mo, asking if Tian Mo was satisfied attacking him.

Tian Mo looks at his fists, he sees that his fists can't hurt Ye Chen, is there something wrong with him, Tian Mo starts to ask if there is something wrong about him.

Chapter 2052 Ye Chen vs Tian Mo fierce battle (1)

"Are you doubting your own strength?" Ye Chen said to Tian Mo, he saw that Tian Mo started to doubt his own strength.

"I don't doubt my strength" Tian Mo said that he didn't doubt his own strength, he didn't doubt his own strength.

"Very good, then feel this" Ye Chen hit Tian Mo's face, he hit Tian Mo right in the face.

Tian Mo flew, he flew hundreds of meters and fell on the floor.

"Tian Mo was hit to fly" Everyone looked dumbfounded when they saw the Tian Mo that Ye Chen had just flown, honestly they couldn't believe that Tian Mo would be so easily carried away by Ye Chen.

"He's so strong, even Tian Mo's attack couldn't penetrate his body" All the strong people started to look at Ye Chen, they saw that Ye Chen was as strong as Zhang Feng, this man actually has great physical strength, it's not strange that he is not afraid of Tian Mo.

"Looks like this match will be more exciting, with that much power, he should be able to match Tian Mo." Khim Jix saw Ye Chen's strength, he saw that Ye Chen had enormous strength, with this power, he could match Tian Mo.

"Even though their physical strength and speed are extraordinary, their cultivation distance is quite far, it will be a little difficult to win." Sun Quan.

"That might be his biggest weakness, Hai Wan and Dongfang Xong agreed, that is Ye Chen's biggest weakness, if only he was comparable to Tian Mo, it would be a very great battle.

"This match is going to be a great match, why don't you see who will win" Shui Yixian said to Khim Jix, Sun Quan, Hai Wan and Dongfang Xong, he said that the match would be fiercer.

"Father, what is Saintess trying to do?" Hai Ming asked Hai Wan, wanting to know what Shui Yixian.

"if what this woman said came true, then the battle this time would be a great battle" Hai Wan would never doubt Shui Yixian's words, what this woman said was probably 97% accurate.

"Let's see who wins" Everyone wants to see who will win.

"if it's going to be a great battle, let's start the bet" Khim Jix invited all the strong people in this place for a bet.

It will be fun to bet on who will win in this match.

"Okay, I haven't done this in a long time, let's do it." Sun Quan had not done this in a very long time, he invited everyone to bet.

"I'm coming, I haven't done this in a long time" Hai Wan decided to come along, he decided to join the bet.

"It's been a long time, alright." Dongfang Xong also hasn't played this thing in a long time, he hasn't played this thing in a long time.

"I will join" Yue Ya had no other choice, she had to get into the battle that was going on, she couldn't let this opportunity slip away.

"I'm not going" Shui Yixian decided not to go, she didn't want to go because it would make everyone less confident when she came.

Shui Yixian's decision was very good, she did this to make both sides equal.

"let's get started" everyone started the bet, the brand placed a high number of deep crystals on their champion.

Here Yue Ya and Khim Jix chose Ye Chen, while Hai Wan, Sun Quan and Dongfang Xong chose Tian Mo.

2 vs 3, this is not a bad thing, they will still get more profit in this bet.

In addition to the five, there are several elders participating, they also want to take part in this bet, who knows they will be lucky and get more resources for themselves.

Sun Quan started a big bet, this bet amount was big enough that it could be used to make dozens of cultivators to the top.

Yue Ya put down her savings, she was quite confident when she chose Ye Chen.

"Husband don't let me down, I used my savings on you" Yue Ya wished Ye Chen, she hoped that Ye Chen would do the best he could.

Zhao Yanyan and Liu Yue didn't have as many resources as Yue Ya, so they could only see Yue Ya risking what she had.

They could only rely on Yue Ya for the bet this time.

"Damn it, how dare he do this to me" Tian Mo held his face, he didn't expect that Ye Chen would be able to hit himself in the face.

"Did I destroy your face, I'm sorry for that" Ye Chen said to Tian Mo, Ye Chen apologized for destroying Tian Mo's face.

"Bastard, I will kill you" Tian Mo was annoyed, he headed towards Ye Chen at full speed.

"Flame God Punch" Tian Mo used his fire punch again, this time the punch looked different from before, it looked enormous and full of profound fire which was much purer and much stronger than before.

"This place will be your grave" Tian Mo said to Ye Chen, himself telling that this place would be the last place for Ye Chen.

"What if it was the other way around, I will make this place your final resting place" Ye Chen said to Tian Mo, he said that this would be Tian Mo's final resting place.

Ye Chen fought Tian Mo, he used his profound ice to fight Tian Mo.

"Here comes the two of them will exchange blows" Everyone was waiting for this kind of battle, both were waiting for Ye Chen Vs Tian Mo battle.

"boom. . ." a huge explosion occurred, this huge explosion had great explosive power and great impact all around.

"This is the exchange of power that they have, it's very strong" Everyone in the audience looked surprised when they saw the exchange of power that Ye Chen and Tian Mo had.

They all couldn't believe that the younger generation would fight like this, the strength they possessed was beyond expectation.

"This has indeed become a very fierce battle" Everyone saw the real battle, they saw the very fierce battle that Ye Chen and Tian Mo fought.

Tian Mo tried to advance, he was currently trying to beat Ye Chen's punch.

"He's much tougher than I thought" Tian Mo saw that Ye Chen was much tougher than he thought, this man's strength could match his own.

"Come on, why don't you stay silent" Ye Chen said to Tian Mo, Ye Chen told Tian Mo to use all the strength he had, he wanted Tian Mo to use all the strength he had against him.

"Gahhhhh. .." Tian Mo became fiery, he kept pushing Ye Chen backwards using **Flame God Punch**.

Tian Mo didn't hold back anymore, he no longer held back when he attacked Ye Chen.

"I don't care, I will kill you" Tian Mo doesn't care, he wants to kill Ye Chen immediately.

At first Tian Mo wanted to torture Ye Chen, but unfortunately Ye Chen was quite troublesome, that's why now Tian Mo took the initiative to kill Ye Chen immediately.

Ye Chen was still ordinary, he wasn't pressured by Tian Mo's **Flame God Punch** attack.

Tian Mo started to spend more profound energy, Ye Chen started to retreat when he received a huge attack from Tian Mo.

Chapter 2053 Ye Chen vs Tian Mo fierce battle (2)

"It's starting to work" Tian Mo saw that his attacks were starting to work, he saw that his attacks were starting to push Ye Chen away.

Seeing this, Tian Mo used more strength, himself used more strength against Ye Chen.

Tian Mo was even more aggressive, he used all his strength to attack Ye Chen.

"Come on, fall and break" Tian Mo said to Ye Chen, he told Ye Chen to fall and crumble.

"It's not that easy" Ye Chen told Tian Mo that he wouldn't be easily knocked down or crushed.

Ye Chen who was initially depressed started to counterattack, he started to counterattack against Tian Mo.

"impossible . . ." Tian Mo started to retreat, he got a strong pressure from Ye Chen.

Tian Mau tried to fight back, he used all the strength he had to fight back against Ye Chen.

"Gah. . ." Tian Mo was still pushed back, he was pushed back by Ye Chen's attack.

"No, I can't lose" Tian Mo can't lose, he can't lose against Ye Chen.

"You will have no chance of winning" Ye Chen told Tian Mo that he has no chance of winning.

Tian Mo didn't believe what Ye Chen said, he really believed that he would be the winner and Ye Chen would be the loser.

"Accept this" Ye Chen pushed Tian Mo with his full strength, he pushed Tian Mo with the full strength he had.

"arghhhh. . ." Ye Chen's attack finally pierced through Tian Mo's attack, Ye Chen's attack directly hit Tian Mo's body and Tian Mo flew backwards for tens of Miles.

"Boom. . ." Tian Mo hit the ground, a hole was formed as a result of the impact from Tian Mo's body.

"Very good, let's beat him" Some people who supported and bet on Ye Chen started to be happy, they started to be happy when they saw Ye Chen who was able to defeat Tian Mo's strength.

On the other hand, Tian Mo's supporters weren't happy, they weren't happy when they saw Tian Mo lose to Ye Chen.

"How did this happen" everyone couldn't believe it, they all couldn't believe it when they saw Tian Mo lose the power struggle with Ye Chen.

Tian Mo was defeated by Ye Chen, they all couldn't believe that the first genius in the God Realm with great strength like Tian Mo was defeated by Ye Chen.

"Boom. . ." Tian Mo went up, he climbed back up to the top.

Tian Mo's clothes were tattered, Ye Chen's attack had left a wound on Tian Mo's body.

"Surprising, so you can still survive" Ye Chen did not expect that Tian Mo could still survive.

"It's still not over, don't think such an attack is enough to beat me" Tian Mo said to Ye Chen.

"Although my attack can't beat you, it seems like it's powerful enough to injure you" Ye Chen said to Tian Mo.

Although Ye Chen's attack didn't immediately defeat Tian Mo, in fact Ye Chen's attack was able to injure Tian Mo.

If Ye Chen had used more strength, it was likely that he could defeat Tian Mo.

"You call this a wound, it's just a small scratch" Tian Mo said that this is just a small scratch, for him it's not a big problem.

"still arrogant, even though it's like that" Ye Chen looked at Tian Mo, he saw that this man was still arrogant even though he was injured by his attack.

"Tian Mo, use all the strength you have, you don't need to hold back anymore" King Khan said to Tian Mo, himself telling Tian Mo to use full strength.

"Is that sage King Khan?" Everyone looked at King Khan, they all looked at King Khan who had just appeared.

King Khan was one of the intelligent people in God Realm, he was an intelligent person in God Realm who created some new techniques in this world.

"King Khan, it's been a long time, I thought he was in exile and didn't want to come out." Sun Quan looked at King Khan, he had not seen King Khan for a long time.

Sun Quan and King Khan have a long story, both have fought and become rivals in the God Realm, and every fight Sun Quan will always win, it can be said that Sun Quan's strength is above King Khan.

"Master" Tian Mo looked at King Khan, he didn't expect that he was allowed to use his full power.

King Khan gave a thumbs up, he gave approval to Tian Mo to show his strength

"okay I understand" Tian Mo won't hold back anymore.

"Are you ready to lose, I will use the full power I have" Ye Chen said that he would use his full strength, he would use his full strength to fight Ye Chen.

Ye Chen was a lucky person, he was given the opportunity to see the full power that Tian Mo had.

Tian Mo gathered strength, he started to release enormous pressure.

"wow, great power" Everyone's was shocked when they saw Tian Mo's strength, Tian Mo's strength increased very quickly.

"What kind of technique is this, how come its power is so great in such a short time" Yue Ya looked at Tian Mo, he saw that Tian Mo has enormous strength, to be honest this is a very, very strong and formidable power.

Tian Mo's body began to emit fire, lightning and wind, he gave off three powers at once.

"what ! ! !" Everyone was shocked when they saw Tian Mo use three elements, three element users was something that was extremely rare in the God Realm, so it wasn't strange that they were all immediately blown away by what Tian Mo showed.

"wow, he uses it, it's great, it's not strange that he is called a genius, apparently this is the reason" everyone finally understands why Tian Mo is called a genius, he really deserves this name.

Tian Mo's strength is constantly increasing, he is constantly improving and becoming much better than before.

"So you decided to use everything you have" Ye Chen said to Tian Mo.

"Of course, I used everything I had, it was all for the sake of defeating you" Tian Mo said to Ye Chen.

Tian Mo did all of this to beat Ye Chen, he did everything to beat Ye Chen.

"Very good, let's show me the strength you have" Ye Chen said to Tian Mo.

Ye Chen was excited, he felt that this battle would become more and more interesting.

Tian Mo used his lightning power to gloriously attack Ye Chen with lightning.

Ye Chen used his hands to block Tian Mo's attack, Tian Mo's attack could be blocked by Ye Chen empty-handed.

Tian Mo attacked with fire power, he stopped Ye Chen by using his fire power.

Ye Chen didn't care, he continued forward and broke through the attacks from Tian Mo.

"This guy turned out to be crazy" Ye Chen turned out to be quite crazy, he continued to advance even when Tian Mo gave a powerful attack.

"Good, this is getting more and more exciting" Ye Chen and Tian Mo's battle became more and more intense, this time both of them were attacking each other.

"I have to stop it" Tian Mo used the power of the wind to block Ye Chen, Tian Mo had already used three elements at once to stop Ye Chen's attack.

Ye Chen was still able to advance, all the attacks launched by Tian Mo were not a big problem for Ye Chen, Ye Chen could withstand all of Tian Mo's attacks very easily without a hitch.

"Bam. .." Ye Chen managed to get close and hit Tian Mo, Tian Mo felt another punch from Ye Chen.

Chapter 2054 Ye Chen vs Tian Mo fierce battle (3)

The audience was astonished by what Ye Chen did, they couldn't believe Ye Chen was hitting Tian Mo again.

"Huh?, impossible, did he hit Tian Mo again" Everyone was shocked when they saw Ye Chen hitting Tian Mo again.

"Isn't Tian Mo already using his full strength, how can he still be hit by that person" the audience is curious about this matter, he wants to know why Tian Mo can still be hit by Ye Chen, even though he has used his full strength.

"Why is that brat still holding back?" Sun Quan seemed annoyed when he saw Tian Mo who still hadn't beaten Ye Chen, he should have beaten Ye Chen instead.

"Looks like your master isn't that great, this time I'll get quite a bit of victories" Yue Ya seemed to really enjoy Sun Quan's expression.

Sun Quan gritted his teeth, not expecting Ye Chen to be able to put up such fierce resistance to Tian Mo.

"This is still going on, I will definitely win" said Sun Quan to Yue Ya.

Sun Quan believed that if he still had a chance to win, he still had a chance to win at the bet he had made.

Tian Mo shouldn't have shown full strength yet, he shouldn't have shown full strength against Ye Chen yet.

"Impossible, how is that possible, why am I still losing, even though I've used all the strength I have" Tian Mo couldn't believe the result he got, he couldn't believe when he found out that he was defeated by Ye Chen.

This is something that is very difficult for Tian Mo to accept, Tian Mo can't possibly accept a defeat like this.

"Why?, even though I have used my full strength, why am I still losing?" Tian Mo screamed in his heart, why did he still lose to Ye Chen.

"Listen kid, the battle is still going on, you haven't lost yet, so use all the strength you have" King Khan said to Tian Mo, he said to Tian Mo who seemed to be starting to lose his identity.

King Khan tried to convince Tian Mo, let Tian Mo believe in himself.

"That's right, master, I understand" Tian Mo understands, he understands that the battle is still starting, Tian Mo still hasn't shown his full strength.

"It's not over yet" Tian Mo tried to get up, he gathered more strength to fight Ye Chen.

"Flame, lightning, wind Beam" Tian Mo used his three powers, he shot three different elements towards Ye Chen.

"Boom. . ." These three elements directly hit Ye Chen, these three elements made a big explosion when they met.

"good" everyone who supported Tian Mo was happy, finally Tian Mo used his attacks against Ye Chen.

"The explosion was big enough, it should have injured Ye Chen." With such a big explosion, Ye Chen should have been injured.

"Are you sure?" Yue Ya, Yue Ya smiled when she saw and heard this.

There was no way that Ye Chen would be injured from a small attack like this, he had already experienced much stronger attacks than now, so this attack shouldn't be a big deal to Ye Chen.

Sun Quan, Hai Wan and Dongfang Xong saw Yue Ya, for some reason they felt that Yue Ya already knew Ye Chen's strength.

"It seems that the Moon Goddess already knows this brat's strength." Khim Jix looked at Yue Ya ,him saw that Yue Ya seemed to know Ye Chen's strength.

"It's not strange that she bets the most" Khim Jix finally understood why Yue Ya dared to make such a big bet, when compared to Khim Jix, Yue Ya's bet was definitely bigger, Yue Ya would get quite a lot of profit from it. this matter.

Tian Mo used his technique, this attack should be able to seriously injure Ye Chen.

Ye Chen's place was covered in smoke from the explosion, so everyone didn't know what condition Ye Chen was in.

Everyone could only wait, they were all waiting whether Ye Chen was able to survive Tian Mo's attack or not.

"Tian Mo's attack is very strong, is this the strength of this year's young talent, this year is filled with strong people" Tian Mo's attack is very strong, even the old generation of lower middle rank stars will not dare to accept an attack from Tian Mo.

"what happened" Zhi Fuze and Zhi Fuxe came, the two of them came to see the battle.

Zhi Fuze is currently in a wheelchair, Zhi Fuze still has injuries on her body and is still struggling to walk like before.

Luckily Zhi Fuze's injuries weren't too severe, this allowed her to still go and see Ye Chen and Tian Mo's battle.

"The battle is quite fierce, Tian Mo just attacked participant Ye Chen using a powerful technique" the spectators at the side told Zhi Fuze and Zhi Fuxe what had happened.

"Is he okay?" Zhi Fuxe asked the audience, Zhi Fuxe wanted to know Ye Chen's condition.

"We don't know whether he survived or not" the audience informed that they still didn't know if Ye Chen could survive Tian Mo's attack.

Smoke still filled Ye Chen's place, so they didn't know whether Ye Chen was still holding on or not, they were also curious about this matter.

Zhi Fuxe looked worried, she was worried that if Tian Mo killed Ye Chen, with Tian Mo's temper, Tian Mo should have killed Ye Chen.

"Big sister, it seems you are too worried, maybe you are" said Zhi Fuze, Zhi Fuze saw that Zhi Fuxe seemed to be very worried about Ye Chen.

"no . . . , I . . ." Zhi Fuxe seems embarrassed, it seems that Zhi Fuze has caught something from Zhi Fuxe.

"Fufufufufu" Zhi Fuze laughed when she saw her older sister's behavior, it was really funny when she saw her older sister like this.

Zhi Fuxe was speechless, she was speechless anymore.

"The smoke started to dissipate, Ye Chen's figure appeared in front of Tian Mo, at this time a part of Ye Chen's clothes seemed to be burning by the attack launched by Tian Mo.

Tian Mo looked at Ye Chen's clothes, he saw that his attack was capable of injuring Ye Chen.

"Good, my attacks are strong enough, time to continue attacking him" Tian Mo decided to continue attacking Ye Chen, he decided to continue attacking Ye Chen using strength as before.

"I think I just ruined my clothes." Ye Chen looked at his torn clothes.

"This brat's attack is pretty good too" Chu Yuechan said to Ye Chen, Chu Yuechan told Ye Chen that Tian Mo's attack was okay too.

"He used three elements to attack me, the impact was quite devastating." Tian Mo's attack had great destructive power, if Ye Chen didn't have the inheritance of the Sage God, he might be in trouble.

"No matter how strong the strength he has, he can't possibly hurt master, master is the best person who won't lose easily" Chu Yuechan said to Ye Chen.

"It's a bit of fun, he cheers me up quite a bit" Ye Chen was quite happy with this battle, you could say that Ye Chen enjoyed this battle with Tian Mo.

"You are lucky to be able to defend, but next time, you won't be able to survive my attacks" said Tian Mo.

Tian Mo was very confident, after successfully injuring Ye Chen with his attack, he became super arrogant.

"I will make sure to let this arrogant person know this world" Ye Chen really doesn't like Tian Mo, arrogant people are the most annoying.

"Flame, lightning, wind Beam" Tian Mo launched his attack again, this time using more power than before.

Chapter 2055 God Puppet Sword

Tian Mo tried to use the same technique on Ye Chen, he thought that Ye Chen would be easy to deal with with the same technique as before.

Ye Chen warded off Tian Mo's attack, he used his hand to ward off Tian Mo's attack.

"still not yet. . . ." Tian Mo launched more attacks, he launched more attacks towards Ye Chen.

Ye Chen warded off all the attacks that came from Tian Mo, he did it very easily without any signs of difficulty.

"destroy it. ." Tian Mo shouted at Ye Chen, he told Ye Chen to destroy immediately.

Ye Chen was not affected by the attacks from Tian Mo, all the attacks from Tian Mo were deflected by Ye Chen.

"smart enough, he didn't hold back, but changed the shortcut" Everyone saw Ye Chen's cleverness, instead of holding back, Ye Chen changed the attack trajectory of Tian Mo.

"bad, if it continues like this" Sun Quan looked at Tian Mo, if it continues like this, then Tian Mo will run out of profound energy.

Tian Mo possessed an enormous amount of profound energy, it wasn't strange to use his profound energy at will.

After hundreds of shots deflected by Ye Chen, Tian Mo decided to stop.

"Useless, he managed to deflect everything" Tian Mo knew that this attack was unable to defeat Ye Chen, Ye Chen was able to deflect everything unharmed.

"Why stop, don't you want to attack again?" Ye Chen asked Tian Mo.

"hahahahaha" Tian Mo laughed, the current him is more like a madman.

It seemed that the battle with Ye Chen had made Tian Mo start to lose his mind.

"Interesting, I have never met an enemy like this, it seems that you are indeed worthy to see my technique" Tian Mo said to Ye Chen, Ye Chen is a very worthy enemy to see the strength possessed by Tian Mo.

"Looks like you went crazy for losing to me" Ye Chen said to Tian Mo.

"I'm not crazy, I'll show you what true power looks like, you won't live anymore after seeing this" Tian Mo said to Ye Chen.

Tian Mo's words were very convincing, he really wanted to show Ye Chen's strongest technique.

Tian Mo took out a sword, he took out a sword that emitted a powerful aura.

" what's that?" all the spectators looked at the sword that Tian Mo just took out, they all wanted to know what weapons and artifacts Tian Mo had just pulled out.

"that . . ." Sun Quan and some strong people naturally knew what Tian Mo had just released, they all didn't expect that Ye Chen would be able to pull out such a thing.

"God Puppet Sword, a sword that holds the spirit of a god war puppet, I didn't think that King Khan would give such a powerful weapon to Tian Mo" Sun Quan did not expect that King Khan would give that powerful weapon to Tian Mo, if the spirit inside the sword is out, then no one will be able to survive the match.

"Looks like this is the end of the match." Hai Wan saw that this would soon be the end of the battle.

Tian Mo knew that he wouldn't win against Ye Chen at his full strength, he was even willing to use a top grade artifact against Ye Chen.

"Yuechan, is it an Earth Tier artifact?" Ye Chen looked at Tian Mo's weapon, he saw that it was very powerful.

"It does look like an Earth Tier artifact, I didn't expect him to have such an artifact." Chu Yuechan said to Ye Chen, he said that it was indeed an Earth Tier weapon.

"If he takes out something like that, it means he is ready to end this battle." Ye Chen saw that Tian Mo already wanted to end this battle.

"He knows that he won't win over you, that's why he took it out." Chu Yuechan saw that Tian Mo would not win against Ye Chen, that's why he took it out against Ye Chen.

Tian Mo starts to recite an incantation, God Puppet Sword starts to react When hearing the incantation spoken by Tian Mo.

The God Puppet Sword began to emit a loud sound, it shone and began to emit light.

An extremely strong light instantly enveloped Tian Mo, a huge figure appeared behind Tian Mo, when this huge figure appeared the arena started to shake and everyone got goosebumps when they saw the enormous power

monster.

"What kind of power is this, it's enormous" Everyone could sense that Tian Mo was trying to give off an extremely terrifying power.

A huge monster figure with dozens of wings appeared. This figure was enormous and tens of miles high.

" what's that . ." Everyone saw what Tian Mo had just released, it was as if they were looking at the divine figure that was released by Tian Mo.

"Great power, is this the spirit within the God Puppet Sword?" Hai Ming was quite surprised when he saw the God Puppet Sword, to be honest it was too powerful.

"The God Puppet Sword's power is enormous, it doesn't match the power of its owner, it can be said that the power is purely from the sword spirit itself," said Hai Wan.

"That means this God Puppet Sword is at a much higher level compared to Tian Mo." Hai Ming finally realized what had happened.

"You are absolutely right" Hai Wan nodded, currently the God Puppet Sword is far above Tian Mo, perhaps its strength is comparable to the elders in this place.

"But to wield such great power requires an enormous amount of profound energy, is he able to do it?" There was a problem here, where the spirit of the God Puppet Sword required a lot of profound energy, that's why Tian Mo had to use quite a lot of profound energy to move it.

"Young lady looks like this is dangerous" Gu Xun said to Dongfang Xiu, she felt that this would be a dangerous.

Dongfang Xiu saw the battle, she saw the battle that was going on right now.

"Are you able to endure or not?" Dongfang Xiu wanted to know whether Ye Chen could survive or not, in Dongfang Xiu's heart she slightly believed that Ye Chen could endure.

she was quite confident in Ye Chen's abilities, as a man who could attract Dongfang Xiu, Ye Chen definitely had a way of winning.

"He will be fine." Dongfang Xiu said that Ye Chen would be fine.

Gu Xun was still worried, she was still worried when she saw Ye Chen fighting the great spirit of the God Puppet Sword.

"Prepare yourselves, this will be the end of you" Tian Mo said to Ye Chen, he will bring out the full power of the God Puppet Sword.

"You will experience bad things if you use the full power of that spirit" Ye Chen said to Tian Mo.

Ye Chen seemed to know how the God Puppet Sword worked, he realized that the spirit of the God Puppet Sword used Tian Mo's profound energy to fight and move, if Tian Mo used too much, it would kill him.

"Do I seem to care about it, I don't care about it at all" Tian Mo told Ye Che that he didn't care.

As long as he could get rid of Ye Chen, then he would easily get Zhi Fuxe.

Ye Chen is an evil thorn, and a thorn must be removed no matter what, even if Tian Mo has to be injured to get rid of this thorn.

"You're going crazy, hahahaha" Ye Chen saw that Tian Mo was going crazy, he was already insane.

Chapter 2056 Punitive attack from the God

"Laugh, because soon you won't be able to laugh" Tian Mo said to Ye Chen, Tian MO told Ye Chen that soon he wouldn't be able to laugh.

"Oh. . . ." Ye Chen only thanks to oh only, it seems that Ye Chen does not need to answer the words of Tian Mo.

it would just be a waste of Ye Chen's time, let Tian Mo think what he was thinking.

"punitive attack from the God" Tian Mo started to use the power of the God Puppet Sword spirit.

He channeled his three elements into the God Puppet Sword, the spirit of the God Puppet Sword was able to convert the user's power into an attack, so when Tian Mo channeled his power, the spirit of the God Puppet Sword spirit could use the three elements possessed by Tian Mo.

The spirit of the God Puppet Sword's spirit began to give off an enormous aura, all the wings on the back of the God Puppet Sword's spirit gave off a terrifying radiance.

Some of the spectators couldn't breathe when they felt this pressure, it was too much for them to accept.

"This is serious, quickly turn on the barrier." Khim Jix ordered the teacher to activate the barrier immediately, if they let this continue, there would be several people dying in this place.

Several teachers started to leave, they all started to leave to activate the barriers that were around the arena.

With the swift cooperation of all the teachers within the Five Lord Divine Academy, they were able to ignite the barrier in time.

A tube barrier formed and surrounded the bodies of Ye Chen, Tian Mo and Lei Qiaolin.

"This is bad, this much power will be hard to resist" Lei Qiaolin saw that Ye Chen was going to run into a problem while trying to contain Tian Mo's strength.

This strength was clearly on a different level to Ye Chen, if it was until Ye Chen continued, then he would instantly die on the spot.

"Quickly give up right now" Lei Qiaolin told Ye Chen to give up right now.

"I don't want, I don't want to give up" Ye Chen said that he didn't want to give up, he refused to give up the battle.

"If you don't give up now, then you will die" Lei Qiaolin said to Ye Chen.

Lei Qiaolin told Ye Chen to give up immediately, otherwise Ye Chen could die.

"If I say no, then I won't do it." Ye Chen told that he wouldn't do it, he didn't need to do such a thing.

Ye Chen was able and able to deal with this matter on his own.

Ye Chen wanted to know how powerful the God Puppet Sword was, he wanted to know if the God Puppet Sword's strength was that strong that it made Tian Mo so arrogant.

Power began to gather above the sky, a huge sphere filled with terrifying destructive power was formed.

All the spectators looked directly at the ball, they all looked directly at the huge ball that appeared above Tian Mo and Ye Chen.

"This is the end of you as well as the beginning of my glory" Tian Mo said to Ye Chen.

"Noisy, just do it fast" Ye Chen said to Tian Mo.

"Hmmm . . ." Tian Mo seems to be getting angrier, he seems to be getting angrier when he hears Ye Chen's words.

"Okay, I'll make sure that I don't spare your body." Tian Mo said with an extremely terrifying killing aura and eyes.

Tian Mo immediately launched his attack, the ball above immediately shot a huge power like a laser towards Ye Chen.

"Boom. . ." a very large explosion occurred, a super large explosion occurred and enveloped the entire arena.

All the spectators right now could only see that the arena in front of them had been completely covered by a terrifyingly intense light. This was quite terrifying, if there was no barrier then they would definitely be affected.

"That's great, that's my new disciple" King Khan looked very happy when he saw Tian Mo win, this was a perfect victory for King Khan and Tian Mo.

King Khan looked at Ning Xia, what was Ning Xia going to do to solve this problem.

"What are you going to do, are you going to save him or not?" King Khan said to Ning Xia.

"Sister, what are we going to do?" Mu Xueying asked Ning Xia whether they should take action on Ye Chen or not.

"No need, he will handle everything" Ning Xia told that Ye Chen could handle everything easily, she was very confident that Ye Chen could handle this problem alone.

"Okay" Mu Xueying understood, she would obey what Ning Xia said.

The explosions got bigger and bigger, the whole place shook violently as it received the attack of

"no hope, this is Tian Mo's absolute victory" seeing this everyone concluded that Tian Mo would be the victor.

"Impossible" Zhi Fuxe, Zhi Fuze couldn't believe this, they both didn't seem to believe what was going on.

"Big sister, will he be okay?" Zhi Fuze was worried about Ye Chen's condition, she was also worried about Ye Chen's condition.

Zhi Fuxe was speechless, she didn't know whether Ye Chen could endure it or not, she was speechless when she saw what happened to Ye Chen.

"Tian Mo, you have to do this kind of thing, you are a crazy man" Zhi Fuxe said to Tian Mo, she said that Tian Mo is a crazy person.

Zhi Fuxe couldn't do anything, she could only see this with her own eyes.

"Hahahahahaha" Tian Mo shouted, he seemed to be enjoying this momentum, this was the beginning of victory as well as the beginning of his happy life.

"After several minutes of massive explosions, Tian Mo finally stopped his attack.

Tian Mo couldn't defend his attack for long, so it wouldn't be strange for him to stop his attack.

Lei Qiaolin was hiding within the barrier she created, she was able to survive because she was inside the barrier.

When Lei Qiaolin looked at the center of the arena, she saw that in front of her was a very large hole.

"So this is that person's strength" Lei Qiaolin saw the strength possessed by Tian Mo, she could say that Tian Mo had enormous strength, it was proven when the arena floor was able to be destroyed by Tian Mo to this state.

"He couldn't have survived an attack like this." Lei Qiaolin could be sure that Ye Chen would not survive this attack.

"This is a very nice win." Sun Quan was very happy, he was very happy that he had won.

Sun Quan was indeed invincible, he was indeed invincible when it came to fighting and betting.

Yue Ya, Zhao Yanyan, Liu Yue and Shui Yixian fell silent, they fell silent when they saw what happened.

Many onlookers were speechless when they saw this, they seemed to be blown away by what Tian Mo had just done.

Tian Mo had just shown them all a power capable of destroying so many things so easily.

"What are you waiting for, quickly announce to everyone who the winner is" Tian Mo told Lei Qiaolin to immediately announce the winner to the entire audience.

he is a victor and the King of this battle.

"That's right, he's already ruined, it's time to announce the winner" Lei Qiaolin had to announce the winner immediately.

"the winner is . . . , Cracks . . ." just as Lei Qiaolin was about to announce the winner, she saw that something was starting to come out of the hole.

Chapter 2057: Ye Chen survived

Lei Qiaolin immediately saw what was happening, when she looked back, she found Ye Chen coming out of the pile of dirt.

Ye Chen's clothes were torn, the attack just now turned out to be powerful enough to destroy the clothes that Ye Chen was wearing.

"My clothes are ruined" Ye Chen saw that his upper clothes were destroyed.

"That's because you didn't use your strength" Chu Yuechan said to Ye Chen.

Ye Chen didn't use the strength he had, that's why Tian Mo's attack was able to damage Ye Chen's clothes.

"I just want to see the physical strength I have, to think that I would destroy my clothes" Ye Chen only wanted to see his physical strength, in fact he was able to completely withstand the opponent's attack.

"He's still alive" Everyone couldn't believe it when they saw Ye Chen was still alive, plus Ye Chen only suffered minor injuries from the attack just now.

"No way, how could he survive such an attack he should have died." Sun Quan couldn't believe that Ye Chen was able to endure, such a powerful attack should easily kill Ye Chen.

"Nothing is impossible" Yue Ya said calmly and confidently, it seemed that he was very happy when he saw Ye Chen who was still alive.

"Geez, he worries me" Yue Ya was quite worried about Ye Chen, this man always worried himself.

"He really came alive after receiving Tian Mo's powerful attack, there were countless people who were amazed by what Ye Chen did, they were all amazed by Ye Chen who was able to withstand Tian Mo's powerful attack.

"Isn't he great, he was able to withstand such a powerful attack" Zhi Fuze looked excited when he saw this, he looked excited when he saw Ye Chen was able to withstand Tian Mo's attack.

According to Zhi Fuze, what Ye Chen did looked really cool.

Zhi Fuxe sighed, it seemed that she was too worried about Ye Chen.

"That was pretty good earlier." Ye Chen could just feel the power of the God Puppet Sword's spirit.

Tian Mo was silent, he was speechless when he saw Ye Chen who was still alive.

"Impossible, how did he do that?" King Khan also couldn't believe when he saw Ye Chen who was still alive, the probability that Ye Chen would still be alive after receiving such a powerful attack was 0%.

"Does he also use items to survive" King Khan thought about this, most likely Ye Chen was still alive because he used a special item.

"If he just used it, it means he will no longer be able to dodge.

"Tian Mo, hurry up and attack that brat again, the items that protect him should be up, This is your chance." King Khan told Tian Mo his discovery, he told Tian Mo to attack Ye Chen immediately.

This was a very good opportunity, one could say that this was their chance to kill Ye Chen.

"I see" Tian Mo seems to have understood what meant , he already understood what meant King Khan

Tian Mo gathered his profound energy again, intending to use a second attack on Ye Chen.

Currently Tian Mo's condition is not good, the previous attack had caused Tian Mo to lose quite a lot of profound energy, if Tian Mo continued to do this, then Tian Mo would soon run out of profound energy from overexerting himself.

"Tian Mo is still able to fight, as a man he can't give up so easily.

"Master he will attack you again" Chu Yuechan said to Ye Chen.

"I know, it seems that this is the time for revenge." Ye Chen knew, it was time to end the match with Tian Mo.

Ye Chen took off the Geoling Bracelet, he released an item that slowed his movement.

When the Geoling Bracelet was released by Ye Chen and fell to the ground, the whole place immediately shook, this proves how heavy the Geoling Bracelet is.

People fell silent when they saw what done Ye Chen

Nie Li in the audience seat finally realized that Ye Chen was using a ballast, it's not strange that Nie Li was unable to lift Ye Chen's body.

It turned out that Ye Chen used a weight on his body.

"how can he fight with such a ballast" Everyone was naturally shocked when they found out about this, Sun Quan Hai Wan, Dongfang Xong and Khim Jix were naturally shocked to see this.

If it was true that Ye Chen had used ballast in the first place, then that would be an extraordinary thing.

"The way of training is quite extreme, using such weights on the body, how can he fight in such conditions" Gu Xun didn't know how Ye Chen did such a thing, to be honest it was quite a shock for Gu Xun to see Ye Chen who fight while using ballast.

Dongfang Xiu was silent, he knew that Ye Chen had worked hard enough to get to this point, he had worked very hard to become the best and deserved.

Dongfang Xiu had to appreciate what did , Ye Chen's struggle to get to this point was very hard.

"Okay this is lighter, now I can fight more freely" Ye Chen felt that his body became very light, this way he could fight very freely without caring about anything else.

"Time to strike back" Ye Chen started to attack, he started to attack the spirit of the God Puppet Sword.

"Bam. . ." The spirit of the God Puppet Sword began to be attacked by Ye Chen, Ye Chen launched a barrage of attacks towards the enemy and began to not hold back.

The spirit of the God Puppet Sword was knocked down by Ye Chen's attack, Ye Chen's attack was able to knock down the spirit of the God Puppet Sword.

"This is bad" Tian Mo saw Ye Chen, Ye Chen launched a heavy attack towards the spirit of the God Puppet Sword.

"If it continues like this then" if Ye Chen continued to attack like this, then it was certain that the spirit of the God Puppet Sword would be destroyed.

"I can't let this happen." Tian Mo couldn't allow this, he couldn't let Ye Chen destroy the spirit of the God Puppet Sword.

"Gah. . ." Tian Mo returned his profound energy to the spirit of the God Puppet Sword.

"Roar. . ." the spirit of the God Puppet Sword roared, its roaring flare was loud that it made the people outside the barrier cover their ears.

The spirit of the God Puppet Sword rose, it began to attack Ye Chen with a super large fist.

"Boom. ." Ye Chen fought the spirit of the God Puppet Sword, the two launched attacks towards each other.

The attack from the spirit of the God Puppet Sword was quite destructive, a huge explosion occurred when the spirit of the God Puppet Sword attacked Ye Chen.

On the other hand Ye Chen used a destructive attack, he damaged some parts of the spirit of the God Puppet Sword.

With Ye Chen's strength, he damaged the spirit body part of the God Puppet Sword.

"I will destroy this puppet" Ye Chen will destroy Tian Mo's puppet.

That way Tian Mo would cry like a child.

The spirit of the God Puppet Sword was an expensive treasure, if it was destroyed, maybe Tian Mo would really cry.

Tian Mo tries to refine the spirit of the God Puppet Sword.

"Idiot, the spirit of the God Puppet Sword can be repaired easily" Tian Mo laughed, Ye Chen wouldn't be able to destroy the spirit of the God Puppet Sword.

Chapter 2058: Ye Chen used perfect Five Lord Elements Technique

"Why is it that if you can fix that, you will lose a lot of profound energy by doing that" Ye Chen said to Tian Mo.

Although Tian Mo could easily refine the spirit of the God Puppet Sword, in reality he wouldn't be able to do such things continuously, there was a limit to Tian Mo doing so.

Plus Tian Mo had already used his life essence to use the spirit of the God Puppet Sword.

He was already on the threshold of this battle, even if he continued Tian Mo would suffer quite a lot of losses.

The spirit of the God Puppet Sword again attacked Ye Chen, this time using the lightning element.

"rumble. . The sound of lightning began to sound and Ye Chen's body began to be showered with millions of thunderbolts.

"hahahahaha" Tian Mo laughed madly, to be honest he started to go crazy when facing Ye Chen.

After striking with the power of lightning, Tian Mo used the power of fire as well as wind.

He looked happy when he saw Ye Chen being struck by lightning, it was such a joy to see Ye Chen being struck by lightning.

"Look at this is the power of a genius, someone like you is nothing when it comes to a genius like me" Tian Mo said to Ye Chen.

Tian Mo looked very arrogant, this man was quite arrogant when he said this to Ye Chen.

"He's trying to belittle me." Ye Chen was dissatisfied when he saw this.

Looks like it's time to show Tian Mo his strength, let this man know that in this world there are more powerful than him.

"Then it's time for me to end this battle" Ye Chen told Tian Mo that he would soon end this battle.

Ye Chen started to gather the strength he had to use the Five Lord Elements Technique.

Ye Chen released the power of fire after that of ice, he combined the two elements.

"Just two elements, you won't win with that" Tian Mo said to Ye Chen, Tian Mo told Ye Chen that he wouldn't win with just that, Tian Mo's strength is far superior because he has three elements.

"Just watch" Ye Chen told Tian Mo to take a closer look, he would use more power to fight against Tian Mo.

Ye Chen gave off the power of wind, when he used that thing, everyone was naturally shocked.

"He's the same as Tian Mo, what a shock" Everyone didn't expect that Ye Chen would be the same as Tian Mo, he also has three elements, this is quite shocking for everyone in this place.

"Very good, it will be a fierce battle" Khim Jix saw that this would be a very fierce battle.

Tian Mo was speechless, he was speechless when he saw Ye Chen could use three elements.

"Damn. ." Tian Mo cursed so loudly, he swallowed his words.

Originally Tian Mo wanted to underestimate Ye Chen, but after this incident, there was no way Tian Mo would underestimate Ye Chen.

"He is my natural enemy" Tian Mo saw that Ye Chen was his natural enemy, this man always annoyed Tian Mo.

After using the power of wind, Ye Chen used the power of lightning, he combined the four into one.

"four. . ." Everyone stood up when they saw this, they couldn't believe what they had just seen.

"This is impossible, don't say that he will use it." Khim Jix and the rulers stood up, they all stood up when they saw Ye Chen's strength.

Khim Jix seemed to know what Ye Chen was going to do, he already knew that Ye Chen would most likely use the Five Lord Elements Technique.

"no way, no way" Khim Jix couldn't believe it, he couldn't believe what he saw.

"wow, that's great" Zhi Fuze looked at Ye Chen, she saw that Ye Chen was very strong, she has four elements, obviously it is stronger than Tian Mo.

"He's really great, it wouldn't be strange if the master glanced at him" Zhi Fuxe finally knew Ye Chen's strength, she finally knew that Ye Chen was a great talent.

It was not strange that Shui Yixian would glance at Ye Chen, it turned out that Ye Chen had an amazing thing.

"Now what, do you still dare to say that you are a genius?" Ye Chen said to Tian Mo who was below.

Ye Chen asked Tian Mo, should Tian Mo not dare to mention himself as a genius.

"To me you are still trash" Tian Mo tells that Ye Chen is still trash.

"Is that so, fine then" Seeing this, Ye Chen decided to end things quickly.

Ye Chen took out the power of the earth, when he brought out the power of the earth, then Ye Chen just brought out the five elements.

"impossible" Everyone didn't expect this, even Khim Jix didn't expect that Ye Chen would bring out the five elements.

"This is the real Five Lord Elements Technique." Khim Jix did not expect that Ye Chen would bring out the Five Lord Elements Technique.

"Wait where did he get this technique from?" Khim Jix wanted to know where Ye Chen got the Five Lord Elements Technique from.

Khim Jix wanted to know who had given this powerful technique to Ye Chen.

Honestly, the Five Lord Elements Technique was called a trash technique, it could be said that this technique couldn't be used by anyone, that's why all the disciples and teachers in the Five Lord Divine Academy could easily take it.

"What's even more surprising is that Ye Chen is able to use this technique, where the requirements for using this technique are so great, that almost no one can use this technique.

The Five Lord Elements Technique required five elements to use it, if this was not fulfilled it was certain that one would not be able to use it.

Everyone was stunned when they saw this, even the emperor God Realm was speechless.

If Tian Mo was a rare person due to possessing three elements, then they could say that Ye Chen was a step super talent, being able to use five elements was extremely difficult to do even for those from the great powers of the God Realm.

"He really succeeded" Lei Qiaolin was the one who was the most shocked when she saw this, she didn't expect that Ye Chen would be able to use the Five Lord Elements Technique that she gave.

Originally Lei Qiaolin gave it to deceive Ye Chen, after all there was no one who could use the Five Lord Elements Technique in this world.

who would have thought that Ye Chen could use it, this was truly a very shocking thing for everyone including Lei Qiaolin.

"This is great, she is really great" Zhi Fuze lit up when he saw this, who would have thought that Ye Chen would be this strong and be able to use all five elements at once.

When compared to Tian Mo, Ye Chen was naturally far superior.

The five elements merged into one, when these five elements merged into one it formed a very terrible power.

"What is it, is this the power of the Five Lord Elements Technique?" Sun Quan, Hai Wan and Dongfang Xong wanted to know what it was, they felt a dangerous feeling from this.

"It's really terrible, so this is the power of the founding technique." Khim Jix saw it for the first time, to be honest it was quite terrifying and gave him goosebumps.

"Isn't it dangerous to let him use that, maybe this place will be destroyed" Shui Yixian said to all the emperor God Realm.

"Quickly make a barrier" Khim Jix told all the teachers to make a barrier.

Chapter 2059: [Bonus chapter]Very big explosion

"Everyone hurry up!" Sun Quan, Hai Wan and Dongfang Xong ordered everyone to quickly set up a formation.

If what Shui Yixian said came true, it would be quite dangerous for everyone including Sun Quan, Hai Wan and Dongfang Xong.

Everyone worked together, they worked together to form a strong defense.

there think be so many people joining together to resist Ye Chen's attack, they all worked together to withstand Ye Chen's attack.

"I also have to go" Lei Qiaolin can't stay in this place, both of them give off a terrible power, staying in this place will be very risky for Tian Mo, so it's better for him to stay in this place.

Tian Mo saw the power that Ye Chen had just displayed, it was an enormous and terrifying power.

"if you don't fight, you will die" King Khan told Tian Mo, he told Tian Mo to immediately surrender Ye Chen, if he didn't fight back and attack Ye Chen, Tian Mo would be crushed in Ye Chen's hands .

Ye Chen had already finished gathering and fused all the elements, he had already finished everything with ease.

"Are you ready" Ye Chen asked Tian Mo, Ye Chen is going to attack Tian Mo, he has already collected this attack for Tian Mo.

"punitive attack from the God" Tian Mo again used his power to attack Ye Chen, this was the strongest attack possessed by Tian Mo.

"I won't lose, I don't care if I have to sacrifice my life essence" Tian Mo doesn't care if he has to sacrifice his life, he must be able to win against Ye Chen.

By igniting his source of life, the spirit of the God Puppet Sword's spirit became stronger, it only grew stronger and had a terrifying destructive effect.

"Tian Mo you" King Khan saw what Tian Mo was doing, he saw that Tian Mo was very strong and very terrifying.

By sacrificing the source of life that he has, it is certain that the spirit of the God Puppet Sword will be very strong.

The spirit of the God Puppet Sword absorbs the life force of humans to become stronger, in the past there were countless victims killed by the spirit of the God Puppet Sword.

"I didn't expect that he would do this" King Khan didn't expect that Tian Mo would go this far.

"But he is a man, it is a very good decision" King Khan praised the decision taken by Tian Mo, it was a man's decision.

King Khan saw Tian Mo's attack, the attack from the God Puppet Sword spirit became enormous.

"arghhh. . ." Tian Mo shouted, it seemed that he felt excruciating pain when he used this technique.

Tian Mo has reached his limit, this is the last strength he has, if he loses, then it is certain that Ye Chen will be the winner.

"punitive attack from the God" seemed much stronger than before, it seemed like it was the full power of the punitive attack from the God.

Ye Chen's strength is also no less powerful, by combining all the elements, he managed to create a very strong element, at least this will not be destroyed by anyone.

"both of them took it all out, they're both really crazy" everyone in the audience got goosebumps when they saw what doing Ye Chen and Tian Mo

The fight between the two is very dangerous, it can drag everyone in this place.

There were so many people trying to get away, they came out of the arena.

These people lack confidence, they lack confidence when they see the battle that fought Ye Chen and Tian Mo

"feel this" Tian Mo unleashed an attack on Ye Chen, he concentrated his attack on one point.

Ye Chen also released the power he had, he couldn't hold it in for too long.

Using five different elements by using three elements, it is very difficult to balance them all, if Ye Chen is not careful, it will explode before Ye Chen throws it at Tian Mo.

These two great powers met, when these two great powers met, an enormous explosion occurred.

This explosion was very powerful and swept across the arena around this place, the life around this place was instantly destroyed.

"Boom. . ." This powerful explosion hit the barrier set up by the strong people in the God Realm, with this much power, they were able to withstand an attack from Ye Chen.

"If we don't create a barrier, there will be a lot of casualties." If they didn't create a barrier then there would probably be a lot of casualties in this place.

"This power is getting bigger, so don't let your guard down" Khim Jix said to everyone.

The Five Lord Elements Technique is a formidable technique, it is an ancestral technique and has terrifying destructive power, in Ye Chen's hands it can become a terrifying weapon.

"You don't have to tell us." Sun Quan said to Khim Jix, he didn't like to hear other people order him.

As a mighty emperor, he didn't like being ruled by others, he didn't like it when someone ruled over him in a way like Khim Jix.

Khim Jix already knew what Sun Quan was like, so he didn't really care what happened.

"Crack. . ." when the conversation was intense, the barrier they set up began to vibrate and make strange noises, it seemed like their barrier had begun to waver when faced with a great power like this.

"This can't be happening. . ." Sun Quan couldn't believe what he saw.

How could the barrier he set up vibrate when receiving this power.

"I told you not to underestimate this power, this is an ancestral technique and cannot be compared to the techniques you have" Khim Jix said to Sun Quan.

Khim Jix told him that this was a very powerful technique, Sun Quan and the others had underestimated the power of the Five Lord Elements Technique.

"Don't talk too much" Sun Quan strengthened the defense, he strengthened the defense and made the defense stronger.

This explosion lasted for several tens of seconds, everyone in this place started to sweat as they resisted Ye Chen's attack.

The explosions continued to expand and made the barrier keep shaking, if it continued like this then maybe the barrier would break and they would all be affected by Ye Chen's attack.

"Crack. . ." a fairly small gap formed, it seemed like the power of the explosion was able to break through the barrier created by these people.

"This is not good, hold as best you can" Everyone saw that this was not good, they seemed unable to withstand this attack.

just when everyone thought that they would not succeed, the explosion disappeared instantly, the explosion completely disappeared without a trace.

"What happened?" Sun Xuanyin and everyone else wondered what had just happened, they wanted to know what had just happened in the explosion just now.

Sun Xuanyin and all the remaining spectators immediately saw what was inside the arena, they all wanted to know how fight out, who managed to win this fight, whether Ye Chen or Tian Mo.

People looked at Tian Mo and Ye Chen, Ye Chen stood up while Tian Mo knelt down helplessly.

The spirit of the God Puppet Sword has disappeared, now only the God Puppet Sword is in Tian Mo's hand.

"I can't possibly lose" Tian Mo couldn't possibly lose, how could he possibly lose to Ye Chen.

Tian Mo's body began to turn to sand, it seems this is the effect that occurs when Tian Mo exchanges his life essence for the spirit of the God Puppet Sword.

The spirit of the God Puppet Sword also turned into sand, the two of them disappeared from this world leaving nothing behind.

"He was destroyed along with the God Puppet Sword, it seems that it was a price to pay ." Chu Yuechan said.

The spirit of the God Puppet Sword carried Tian Mo's soul, it was a very expensive price to use the spirit of the God Puppet Sword.

Everyone saw Tian Mo's disappearance, they were all silent when they saw this.

Even King Khan was speechless when he saw Tian Mo who disappeared with the God Puppet Sword.

"It was a bitter defeat, even your soul disappeared along with the God Puppet Sword" King Khan knew how great the fight just now was, the fight just now could make Tian Mo and the God Puppet Sword disappear from this world.

"did he win" everyone looked at Ye Chen, was he fine after receiving such a powerful attack.

Ye Chen also seemed to be silent, so they wanted to know the current state of Ye Chen.

Zhao Yanyan, Liu Yue, Yue Ya, Dongfang Xiu and Shui Yixian wanted to know Ye Chen's condition, they wanted to know if Ye Chen was okay or not.

"Oh. . . , it was quite a battle earlier." Ye Chen started to move, he started to do some light stretching.

Some people fell down when they saw Ye Chen, Ye Chen was completely fine after being hit by such a big explosion like before.

"Interesting, he might be a rare genius if I can get him" Khim Jix had to get Ye Chen, Ye Chen might be able to become the new academy head and replace him, with Ye Chen's talent, he might be able to make the academy even better than it was in the past .

"It's not that easy, I'll get it." Sun Quan said that he was the one to recruit Ye Chen's strength, the power just now was great, if it could be to good use, then it would be an additional strength for the Eternal Sun Star Realm.

"Interesting, I might have to consider getting one too" Dongfang Xong and Hai Wan considered recruiting Ye Chen.

The four great powers began to rub together a little, they wanted the power that Ye Chen had.

They all seemed to be very interested in Ye Chen's strength, this power was a weapon that could make them the best.

"Boom. . ." while there was an argument, an explosion occurred at Sun Quan's place.

Chapter 2060: Zhang Feng attacks Sun Quan

"what happened" several people were shocked when they saw where Sun Quan exploded.

"Has Ye Chen started it yet?" Ning Xia wanted to know if Ye Chen had already started his attack.

"No, he's still downstairs." Ning Xia saw that Ye Chen was still downstairs, so it wasn't Ye Chen's doing.

"then who is this" Ning Xia wanted to know who started the attack.

" who is that . . ." Ye Chen was also curious, who started the attack, even though he was still ready to prepare.

"Master, it looks like someone is trying to interfere with your plan" Chu Yuechan said to Ye Chen.

"let's see what he's trying to do" Ye Chen wanted to see what this guy was trying to do, why he attacked Sun Quan.

"Everyone don't move" Ye Chen told Zhao Yanyan, Ning Xia and the others not to move.

"We understand" everyone listened to what Ye Chen said, they all wouldn't move before the time came.

Where Sun Quan is currently fighting, at this time a man is attacking Sun Quan, Sun Quan is trying to defend against the enemy's attack.

He blocked the enemy's attacks using his hands.

"What are you doing?" Sun Quan asked the man in front of him.

The man in front of Sun Quan was Zhang Feng, Zhang Feng actually attacked Sun Quan with a deadly attack.

"What did I do, you are still asking about what I did" said Zhang Feng who was full of anger.

Zhang Feng's anger was immense, he had a very great anger towards Sun Quan.

Zhang Feng's aura of killing and hatred spread very quickly, it enveloped everything in this place.

Zhang Feng took advantage of the chaos inflicted by Ye Chen, he took advantage of the chaos inflicted by Ye Chen to make an attack on Sun Quan.

Zhang Feng had to thank Ye Chen, because Ye Chen himself was able to sneak up on Sun Quan at close range.

"Zhang Feng, why did he attack Sun Quan, what happened?" Ye Chen was curious, he wanted to know the reason why Zhang Feng attacked Sun Quan.

"It seems that everything has been answered, now that we both know the reason why he was willing to trade his life for an increase in strength, it turns out that this is the reason".

"I am Zhang Feng from the little Zhang kingdom that you destroyed, have you forgotten about it" Zhang Feng said to Sun Quan.

Zhang Feng told him who he was and where he came from.

Sun Quan tried to remember the Zhang kingdom that Zhang Feng said.

"oh, the small kingdom swept away by my power" Sun Quan finally remembered.

This is a small empire that was swept away by its power, he did not expect that there were still lice who managed to survive the incident.

"Today I have come to take revenge and end it all" said Zhang Feng to Sun Quan.

"hahahaha" Sun Quan laughed when he heard this, he seemed to hear a joke from a clown.

The "rulers" were several people from the Eternal Sun Star Realm who were trying to help Sun Quan.

"Stay there, I'll sort this out myself" Sun Quan told everyone that he was going to solve this problem alone.

"Since you came to me, I don't mind sending me to their place" said Sun Quan to Zhang Feng.

Sun Quan was going to destroy Zhang Feng, he couldn't let these bugs escape.

"Bam. . ." Sun Quan launched a counterattack towards Zhang Feng, he launched a powerful counterattack towards Zhang Feng.

Zhang Feng retreated, he retreated when he received an attack from Sun Quan.

He retreated because he saw the attack from Sun Quan was so powerful and terrifying.

"why?, are you not confident when fighting me, you won't be able to win against me" Sun Quan said to Ye Chen.

"I will beat you" Zhang Feng strengthened his strength, Zhang Feng's strength continued to grow and became bigger than before.

Zhang Feng's strength continued to grow, this power continued to grow and only grew.

In the blink of an eye Zhang Feng's hair began to turn white, and the power he had gained had also become enormous.

It could be said that Zhang Feng's strength now could match Sun Quan's.

"he used his life" everyone in this place saw Zhang Feng, they could clearly see what Zhang Feng was doing.

Zhang Feng used his life against Sun Quan, he gained immense power from exchanging the life he had.

An extremely powerful aura enveloped Zhang Feng's body, this aura was enormous and made the whole place tremble.

Everyone stayed away, they all stayed away from the battle that was taking place.

"let's fight over there" Sun Quan took Zhang Feng to fight inside the arena, it was a good place to fight.

Zhang Feng agreed, the two of them descended into the arena and started their battle.

"Bam. . . , Bam . . . , Bam . . . , Bam . . . , Bam . . . ," the two exchanged blows, every time they exchanged blows, they would destroy the surrounding area.

From here we can see that Zhang Feng has enormous strength, he has a very terrible destructive power.

Zhang Feng threw the floor, he flipped the floor under his feet and intended to bury Sun Quan.

"earth grave flip" Zhang Feng buried Sun Quan, he buried Sun Quan using the soil that was under his feet.

"sun breath" Sun Quan's used his power, from Sun Quan's mouth a heat that could melt anything around him.

The hard earth used by Zhang Feng was able to be melted down by Sun Quan.

It is clear that the breath of Sun breath has a very high temperature.

"Is this the power of the emperor, that's really great" The remaining spectators were amazed by what had happened, they all seemed to be shocked when they saw the power possessed by one of the strongest warriors in the God Realm.

All of Zhang Feng's attacks were turned into liquid lava by Sun Quan.

"Just like this your attack, how weak" said Sun Quan to Zhang Feng.

Sun Quan started insulting Zhang Feng, he said that Zhang Feng was very weak.

"I knew you were going to say this, that's why I have prepared a weapon to kill you." Zhang Feng took something, he picked up a lump of rock that let out a puff of smoke.

A light puff of smoke indicated that the stone that Zhang Feng had taken had a very low temperature.

When Zhang Feng took out this thing, this place became so cold, everyone felt a piercing chill.

"what's that . ." everyone wanted to know what Zhang Feng had just picked up, it felt so cold even when everyone was at a great distance away from where Zhang Feng was.

"It's a universe ice stone" it can freeze a sun" Dongfang Xiong explained to everyone about the thing that Zhang Feng just took out.

The universe ice stone is a dangerous object, it can freeze a large sun in just a few minutes.

The number of universe ice stone is very small because many have been destroyed, nowadays they are very difficult to find in the God Realm.

"So you came well prepared." Sun Quan saw that Zhang Feng had come well prepared, he had come fully prepared to fight Sun Quan.

"I'm not that stupid, there's no way I will fight you without a good preparation" Zhang Feng said to Sun Quan.

Zhang Feng had made careful preparations for a long time, he did this knowing that his opponent was a strong person.
