### **Chapter 2061: Zhang Feng lost to Sun Quan**

Zhang Feng started to absorb universe ice stone, he started to coat his body with universe ice stone.

Now that Zhang Feng's body is covered by the universe ice stone, he is now completely fused with the universe ice stone.

"I see, so it's an ability you have." Sun Quan finally realized that this was Zhang Feng's true ability, he had a very interesting ability.

"That's right, this is the ability I have, I will make sure you freeze completely and can no longer heat up your body" Zhang Feng said to Sun Quan.

Zhang Feng started to attack, he attacked Sun Quan using his body which was covered by universe ice stone.

"Bam. . "Sun Quan's body immediately froze when he received an attack from Zhang Feng.

No way, Sun Quan saw that his body froze quickly when he was hit by Zhang Feng's attack.

Sun Quan tried to heat up his body, he wanted to get rid of the ice that had frozen his body.

The universe ice stone and Sun Quan's heat power began to fight against each other, these two forces against each other.

"He froze, Zhang Feng's universe ice stone is very powerful" Everyone saw Sun Quan and Zhang Feng's battle, they both could conclude that the universe ice stone's power was very strong.

It was evident that when the universe ice stone froze Sun Quan's body, Sun Quan was unable to directly withstand this attack.

"It's much stronger than I imagined." Sun Quan didn't expect the universe ice stone to be this strong.

It seemed like the universe ice stone became strong because it merged directly with Zhang Feng's body.

"Bam. . . " Zhang Feng launched a brutal attack towards Sun Quan, he used an extremely fatal attack on Sun Quan.

"die, die, die" Zhang Feng went crazy, the urge to kill Sun Quan made him lose control.

He began to be unable to control himself and continued to attack Sun Quan.

Sun Quan should have benefited from this, he should have made good use of this opportunity and started attacking Zhang Feng.

Sun Quan had a problem with the universe ice stone, this made Sun Quan's movements extremely stiff, he didn't seem to be able to attack Zhang Feng.

Zhang Feng continued to launch his attacks, punches and kicks continued to be launched by Zhang Feng.

"This person" Ye Chen looked at Zhang Feng, he felt pity when he saw Zhang Feng attacking the enemy in such a manner.

Zhang Feng was filled with immense hatred and anger, this made him unable to control his strength.

If only he controlled himself well, then it was certain that he would have the advantage.

Too bad he couldn't do that, he was too angry with Sun Quan.

Ye Chen of course knew why Zhang Feng was so angry, it was because his family and people were killed by Sun Quan, if Ye Chen were Zhang Feng he might be upset too.

Even though Ye Chen would be upset, Ye Chen would most likely still be able to control himself, he would still be able to control himself even when he was very emotional.

Zhang Feng's attacks continued to rain down on Sun Quan's body, he would not stop until Sun Quan died.

"That sucks" Sun Quan was displeased when he saw Zhang Feng keep attacking him.

This was the time for him to counter Zhang Feng's attack.

Sun Quan gave off an extremely hot power, everything around this place instantly melted when it came into contact with Sun Quan's aura.

"So this is his strength" Ning Xia saw Sun Quan's strength, Sun Quan's strength is indeed very large, it seems Sun Quan is not as weak as he imagined.

"We're going to fight Sun Quan soon, I have to prepare myself" Ning Xia had to prepare to use everything.

"Don't worry" cold personality and gentle personality said to Ning Xia, they can definitely win this battle.

They had already become much stronger, their strength had all increased after Dual Cultivation with Ye Chen, so they should be able to win against Sun Quan.

Zhang Feng retreated, he was blown away by the great power possessed by Sun Quan.

This place was getting hot and windy, Sun Quan's body was like a very hot sun.

Zhang Feng's body started to burn, the universe ice stone started to burn by Sun Quan.

"Don't ever think that you can win against me, you will never be able to win against me" said Sun Quan to Zhang Feng.

Sun Quan had already shown his strength, Zhang Feng had no chance of winning against Sun Quan.

"Nova Spear" Sun Quan's made a spear using the power of extremely high heat, a spear appeared in Sun Quan's hand.

"Argh. . ." Zhang Feng tried to defend himself, he used all the strength he had to face the power of Sun Quan.

"Earth God Palm" Zhang Feng's used the strongest attack he had.

"I hope it can kill him" Zhang Feng hoped that this attack could kill Sun Quan.

Zhang Feng was already at his limit, his body was starting to wrinkle and his life force was getting smaller, if he didn't stop his technique immediately, he would die.

Zhang Feng continued to spur on his strength, he was willing to trade everything he had to be able to kill Sun Quan, even if he had to lose his life.

Earth God Palm combined with the universe ice stone headed towards Sun Quan.

Sun Quan raised the Nova Spear, he intended to destroy the Earth God Palm technique using the Nova Spear.

"Boom. . ." an explosion occurred as Sun Quan smashed into the Earth God Palm.

Sun Quan pushed the Earth God Palm back, the Earth God Palm started to be pushed back by Sun Quan.

Zhang Feng strengthened the Earth God Palm again, he used more power on the Earth God Palm.

He tried to push Sun Quan back.

The two of them tried to knock each other down.

"It's not bad, the power is quite large, but it's not enough to fight against the ruler of the God Realm," said Sun Quan to Zhang Feng.

Sun Quan said that Zhang Feng's attack wasn't strong enough to defeat himself.

Sun Quan pierced the Earth God Palm, the Earth God Palm was destroyed by Sun Quan.

"No way" Zhang Feng saw what happened, he could see that Sun Quan had destroyed his strongest attack.

"I lost" Zhang Feng fell and lay weakly on the ground, all his strength was crushed by Sun Quan.

the people in the Eternal Sun Star Realm already knew that Sun Quan would win, so they weren't too worried when they saw the previous battle.

"trash is trash" Sun Quan walked towards Zhang Feng, it was time for him to kill this trash.

Sun Quan was in front of Zhang Feng, just one swing, he could crush Zhang Feng into ashes.

"do you have a final request" Sun Quan asked Zhang Feng, he wanted to know if Zhang Feng had a final request.

"Just kill me you bastard" Zhang Feng said to Sun Quan, he told Sun Quan to kill himself immediately.

"If that's what you want, then I will grant your wish" Sun Quan was about to grant Zhang Feng's wish, he swung his spear and prepared to kill Zhang Feng.

Everyone was silent, they all seemed unwilling to interfere in this matter, they could only see Sun Quan who was about to execute Zhang Feng.

"Clang. . ." just when everyone thought that Zhang Feng was going to die, they saw a shocking thing.

They all saw Sun Quan's weapon being held down by Ye Chen's feet.

### **Chapter 2062: Why?, it's because I don't like it**

"What did Ye Chen do. . . ?" Lei Qiaolin and everyone else wanted to know what Ye Chen was up to.

Why did Ye Chen stop Sun Quan's attack, this became a question for everyone in this place.

Sun Xuanyin also wanted to know this, why did Ye Chen stop her father's attack.

"He was able to stop dad's attack with one leg?" Sun Xuanyin looked surprised when she saw Ye Chen who was able to stop Sun Quan's attack with just his feet.

Even though that should be impossible to do, Nova Spear's power is very hot, if it touches it then can be said that all objects will be destroyed.

All the God Realm masters also looked shocked when they saw Ye Chen, they all didn't expect that Ye Chen would turn out like this.

"Why did you stop my attack?" Sun Quan asked Ye Chen, Sun Quan wanted to know why Ye Chen stopped his attack.

"Why?, it's because I don't like it" Ye Chen said to Sun Quan, Ye Chen told the reason why he stopped Sun Quan's attack.

"Don't you know who I am?" Sun Quan asked Ye Chen.

Sun Quan told Ye Chen, he told Ye Chen who he was.

"Of course I know who you are, so what, I can't be ordered by someone like you" Ye Chen said to Sun Quan.

The conversation that Ye Chen and Sun Quan had became increasingly heated, the two started arguing and Ye Chen even dared to fight Sun Quan head-on.

"A junior dares to go against Sun Quan, this is a very rare sight." Dongfang Xiong looked at Ye Chen, he had not seen anything like this in a long time.

"This is bad" Dongfang Xiu started to worry, he was noble worried when he saw Ye Chen challenging Sun Quan, to be honest if Ye Chen fought Sun Quan, it would be a very troublesome thing.

If Ye Chen really fought Sun Quan, then it would be a terrible thing for Ye Chen.

"Get out of the way" Sun Quan said to Ye Chen, he told Ye Chen to get out of the way right now.

"What if I don't want to" Ye Chen said to Sun Quan, Ye Chen said that he didn't want to leave.

" what. . .!" Everyone was shocked when they saw what Ye Chen said, they didn't expect that Ye Chen would say something like that to Sun Quan.

Ye Chen was so brave, he was against Sun Quan's domination.

"crazy, he really is crazy" Zhi Fuze and Zhi Fuxe did not expect that Ye Chen would challenge Sun Quan, he was so brave.

"This is not good, confronting Sun Quan is like seeking death" said Zhi Fuxe.

Sun Quan definitely wouldn't let Ye Chen down, he definitely wouldn't let Ye Chen off the hook after daring to challenge him.

"So you want to fight me too, fine then I'll take you as an enemy" Sun Quan attacked Ye Chen.

"Bam. . ." when Sun Quan attacked Ye Chen, he himself was blown away instead.

"Huh? ? ? ?" Everyone in this place fell silent when they saw what just happened, they saw Sun Quan being flown by Ye Chen.

"impossible, Lord Sun ?, how could he be flown by that brat" all the elders and higher-ups from the Eternal Sun Star Realm couldn't believe it when they saw Ye Chen successfully blow away Sun Quan.

Sun Quan got up from the ground, blood was dripping from the corner of his mouth, Ye Chen's attack just now actually injured Sun Quan's body.

"Impossible" King Khan was the most surprised when he saw Ye Chen managed to injure Sun Quan with one punch.

King Khan had fought several times with Sun Quan, he knew very well that Sun Quan was not easy to hurt.

"He's wearing a very strong sun armor, so it's very difficult to injure Sun Quan.

"Seriously, he hurt Sun Quan." Hai Wan, Dongfang Xiong, Khim Jix were shocked when they saw Ye Chen who managed to hurt Sun Quan.

"Who the hell are you?" Sun Quan himself was shocked when he received an attack from Ye Chen, to be honest the attack was very powerful, the attack just now was able to penetrate Sun Quan's armor defenses very easily.

"I am Ye Chen" Ye Chen told Sun Quan who he was.

"I didn't think that you would hide your strength." Sun Quan didn't expect that Ye Chen would be so powerful.

Ye Chen didn't answer Sun Quan's words, he just kept quiet about this question.

"So what's your goal?" Sun Quan asked Ye Chen.

"You might be able to ask them" Ye Chen said to Sun Quan.

Two women descended from the sky, one was Nangong Xiang and the other was Ning Xia.

Ning Xia was wearing a veil while Nangong Xiang was wearing a golden mask.

Sun Quan looked at the two, he saw something strange in both of them.

"Who are they?" everyone wanted to know who the two people who appeared behind Ye Chen were.

The strong people in this place could sense the auras that these two possessed, it was clear that they were at the highest peak of the Divine Overlord Realm.

Nangong Xiang took off her mask, when she took off her mask, she showed who she was.

"it can't be her" everyone saw who the woman who just took off the mask was.

"Why are there two Empress Sun?" there were so many questions for everyone in this place, they saw that there were two of Nangong Xiang.

"long time no see" Nangong Xiang said to Sun Quan, they haven't seen each other for a long time should Sun Quan not forget who she is.

"Why are you in this place?" Sun Quan did not expect that Nangong Xiang would be in this place.

Even though Sun Quan had discarded and crippled Nangong Xiang, he didn't expect that she would still be alive and her strength would return.

"how did she get her strength back" Nangong Xiang's strength should not be able to return, but why did the strength return again.

"what really happened during these hundreds of years" Sun Quan wanted to know what had happened to Nangong Xiang during these hundreds of years.

"I came to make you pay for what happened last time" Nangong Xiang said to Sun Quan.

"You don't learn from the past, you can't beat me" Sun Quan told Nangong Xiang that he couldn't win over him.

"I am no longer the woman from hundreds of years ago, do you think you can still say that" Nangong Xiang said to Sun Quan.

Nangong Xiang show her power, the whole place was shaken.

Sun Quan was shocked when he saw Nangong Xiang's strength.

"Your strength has become strong." Sun Quan did not expect that Nangong Xiang's strength would become this strong.

"but, it's still not enough to beat me." Sun Quan showed his strength, he brought out his full strength and showed Nangong Xiang his strength.

"Sun Quan is indeed very strong" the master of the great powers acknowledged the power of Sun Quan, Sun Quan's strength was indeed terrible.

"Xiang stop" Ye Chen told Nangong Xiang to stop.

"Okay" Nangong Xiang understood, she stopped something with a request from Ye Chen.

Ye Chen looked at Sun Quan, he saw Sun Quan's immense strength.

"Fine, I will fight it." Ye Chen used God Domination Pressure, he brought out the full power of God Domination Pressure.

An enormous and terrifying pressure enveloped hundreds of thousands of miles away, this pressure so intense that it caused the strong people of the God Realm to fall one by one.

Hai Wan, Dongfang Xiong, Khim Jix were stunned when they felt the pressure that Ye Chen had just used.

### **Chapter 2063: The great battle in the God Realm begins (1)**

There were countless people who fell, even an elder who was from the God Realm was unable to withstand this intense pressure and fainted on the spot.

"Is this his strength?" Hai Wan, Dongfang Xiong, Khim Jix were shocked when they both saw Ye Chen's aura, it was clearly very strong and exceeded their expectations.

"Is this his strength, he has such a high power, how could I not know about this matter?" Sun Xuanyin felt strange, how she didn't know about this matter.

There were countless people who couldn't believe the power that Ye Chen had just unleashed , they were all speechless.

The number of people in this place is already very few, there are many people who

"so this is your strength" Sun Quan finally understood Ye Chen's strength, he understood that Ye Chen's strength was very high.

"Who exactly are you, why do you have such great power?" Sun Quan asked Ye Chen, how did Ye Chen have such great strength.

Sun Quan was very curious, how did Ye Chen get this much power.

"why don't you guess it yourself" Ye Chen said to Sun Quan, he told Sun Quan to guess it himself" Ye Chen didn't want to tell where he got such power.

"Okay, you make me curious I'll find out myself" Sun Quan said that he would find out himself.

That woman beside you, who exactly is she?" Sun Quan didn't know about Ning Xia yet, he was quite curious about Ning Xia's identity.

"I am Ning Xia or you can also call it Feng Xia, I am from the Phoenix Clan" Ning Xia said to Sun Quan.

"Oh, Phoenix Clan, it's been a long time, I remember that it was destroyed, apparently there are some that are still alive, what a shame " Sun Quan looked disappointed when he heard this, he was disappointed that there were survivors of the Phoenix Clan.

It seemed Sun Quan's people weren't doing very well, as evidenced by Ning Xia's life in this place.

"So you came for revenge?" Sun Quan asked Ning Xia.

"Of course, what did I come here for?" Ning Xia said to Sun Quan.

Ning Xia wanted Sun Quan and the Eternal Sun Star Realm to be destroyed, they had to pay for what happened.

"Then the three of you will fight." Sun Quan saw that Ye Chen, Ning Xia, and Nangong Xiang would fight him.

"I'm enough to fight you" Ye Chen said that he was enough to fight Sun Quan.

"You guys take care of the two strongmen who are coming" Ye Chen told Ning Xia and Nangong Xiang to fight the oncoming enemy.

Here was Sun Teng's younger brother Sun Quan and another elder who was not inferior in strength to Sun Teng's.

"we will fight it" Ning Xia and Nangong Xiang agreed to fight the incoming enemy, both of them let Ye Chen fight Sun Quan.

"Chen, let me end his life" Ning Xia said to Ye Chen, Ning Xia said that she wanted to kill Sun Quan with her own hands.

"Okay I understand" Ye Chen understood, he would try to let Sun Quan live longer.

"Thank you very much" Ning Xia was overjoyed, she was happy when Ye Chen agreed to her request.

Ning Xia and Nangong Xiang left, the two immediately went to restrain Sun Teng and the big elder.

"what are you waiting for quickly help the battle" Sun Xuanyin ordered people to help the battle, it seemed they needed help in fighting Ye Chen.

"Looks like we won't let you go, Zhao Yanyan, Liu Yue, Mu Xueying and all of Ye Chen's ladies came to help, they stopped the troops from the Eternal Sun Star Realm's army.

"What does this mean?" Sun Xuanyin asked Zhao Yanyan and Ye Chen's woman, she wanted to know who they were.

"Looks like we don't need to introduce ourselves to you guys." Zhao Yanyan said that they didn't need to introduce themselves in front of Sun Xuanyin.

"Then we just need to beat you guys." Seeing this Sun Xuanyin decided to beat Zhao Yanyan and the others.

"Let's see" Zhao Yanyan smiled, she took out the Saint Light Zither and started playing with it.

Zhao Yanyan started to play the Goddess Melody Technique, when Zhao Yanyan did this, all of her enemies were in pain.

"what's this. . ." Sun Xuanyin felt that her head was ringing, this made her vision blurry.

"What kind of technique is this?" Sun Xuanyin didn't know what kind of technique Zhao Yanyan was using.

This voice was extremely painful for Sun Xuanyin and all the forces from the Eternal Sun Star Realm.

Zhao Yanyan is indeed strong, only with the Goddess Melody Technique can she make all enemies experience a difficult time.

"You guys can start attacking them." Zhao Yanyan invited all of Ye Chen's women to attack.

"Sister Yanyan is indeed the best." Liu Yue, Mu Xueying, Qing Chen, Su Mengxin said to Zhao Yanyan, what Zhao Yanyan did was really great.

"You better hurry, they might find a way to break free" Zhao Yanyan ordered everyone to fight immediately.

"Okay, leave it to me" Qiao Xin was the first to step forward, as an assassin, she had the task of sneaking up on the enemy.

Liu Yue also advanced, she used the Celestial Moon Light Sword and started to attack her enemy.

The Celestial Moon Light Sword's attack had a wide scale, countless enemies were knocked down by Liu Yue's attack.

"Is it Celestial Tie?" Sun Xuanyin saw the power that Liu Yue had, it was a very big power.

"moon goddess, why don't you stop her" Hai Wan and Dongfang Xong asked Yue Ya, they wanted to know why Yue Ya didn't stop Liu Yue.

From Liu Yue's techniques and weapons, it was clear that she was someone trained by Yue Ya.

"Why should I stop her?" Yue Ya asked back, why should she stop Liu Yue who was fighting against the enemy.

"Do you intend to be hostile to the Eternal Sun Star Realm?" Hai Wan said to Yue Ya.

"I don't intend to do that, it's because the Eternal Sun Star Realm is about to be destroyed, so why am I hostile to a place that is about to be destroyed" Yue Ya said to Hai Wan.

"don't tell me you're in cahoots with them" Hai Wan caught what Yue Ya meant, it seemed Yue Ya had a relationship with Ye Chen, this made him unwilling to stop Liu Yue.

"You are right, I hope you don't interfere, lest I stop you, or rather the three of us" Yue Ya, Shui Yixian and Huang Ying stopped other major powers from interfering in this matter.

The three of them both possessed great strength, the three of them were enough to stop another great power from interfering in the battle.

"Oh, I see. . ." Hai Wan, Dongfang Xong and Khim Jix knew what was going on, they knew that they would fight Yue Ya, Shui Yixian and Huang Ying if they interfered.

Hai Wan, Dongfang Xong and Khim Jix didn't want to interfere, they didn't need to interfere in the matters of Sun Quan and the Eternal Sun Star Realm.

"People from the Phoenix Clan came, they joined the fight and fought the small forces of the Eternal Sun Star Realm, although their strength was not great, they were able to put up a strong resistance.

"For the sake of the ancestors" the Phoenix Clan members went on the offensive, they killed everyone from the Eternal Sun Star Realm.

They would not forget what the Eternal Sun Star Realm did to the Clan members in the past, so they took revenge and did the same to the Eternal Sun Star Realm.

#### **Chapter 2064: The great battle in the God Realm begins (2)**

"Chief, the battle is getting fierce, are we going to let them?" the teacher around Khim Jix asked, they wanted to know what they should do.

"Do you think we can stop this battle" said Khim Jix to all the existing teachers, Khim Jix doubted he could stop the fighting, if they interfered in the battle, then it would be worse than now.

"We should not interfere in this battle, the Eternal Sun Star Realm is much stronger, so why should we join the fight" Khim Jix said to all the teachers in this place.

The Eternal Sun Star Realm was far more powerful than them, so why would they all interfere, it would be best if they focused on the people who needed help.

"Quickly evacuate people, this place won't be fine" Khim Jix told to evacuate everyone, they should be able to get everyone out of this place safely.

"Alright" everyone understood, they all immediately went and carried out the orders given by Khim Jix.

Everyone immediately moved, they all immediately went and saved the audience who needed their help,

Everyone worked together very well, they helped each other and started working to save the trapped people and get them to safety.

By working together, everyone can save those trapped.

"I didn't expect that the situation would turn out like this Hai Wan and the others didn't expect that the situation would turn out like this, Ye Chen started a big battle with Sun Quan.

"Sun Quan had a time against that boy, it seems that boy's strength is very strong" Dongfang Xong saw the battle that was taking place, he could see that Sun Quan's strength and his strong army were having a hard time against Ye Chen's army.

"This battle will become even more intense" Sun Quan will not allow defeat." Sun Quan couldn't allow his troops to lose, he would definitely do something to solve this problem.

Sun Quan was currently facing Ye Chen, both of whom had great strength.

"Boom. . ., Boom . . ., Boom . . ., Boom . . ., Boom . . .," a huge explosion occurred at the battleground of Ye Chen and Sun Quan, both of whom used powerful attacks to overpower each other.

in several exchanges, Sun Quan suffered defeat, he suffered injuries while trying to exchange blows with Ye Chen.

Sun Quan hated to admit it, but Ye Chen's strength was far above his, which was why he had problems when he faced Ye Chen.

"How about we talk and negotiate" Sun Quan said to Ye Chen.

"I don't like doing that" Ye Chen said that he didn't like doing that, he didn't like negotiating with Sun Quan.

"why ?" asked Sun Quan, Sun Quan wanted to know the reason Ye Chen didn't want to negotiate.

"I don't want to be stuck with people like you who are too greedy" Ye Chen said to Sun Quan.

Ye Chen told the reason why he refused Sun Quan's offer.

Ye Chen didn't want to be stuck with Sun Quan and his ambitions, he wanted to end things quickly.

"Too bad, but if we work together then it will be a great thing" said Sun Quan to Ye Chen.

"Stop wasting words on me, you won't get what you seek from me" Ye Chen told Sun Quan to stop wasting words against him.

Ye Chen would never join, he would never let Sun Quan succeed in getting what he wanted.

"Then let's get this over with." Sun Quan looked at his troops, he saw that his troops were struggling against Ye Chen's troops.

Although Ye Chen's army was not as large as Sun Quan's, in reality their strength was far from Sun Quan's.

Sun Quan didn't expect that Ye Chen would have such a large and powerful army, this was an enormous army, with this kind of strength he could create a new great force in the God Realm.

"sun breath" Sun Quan's began to use his attack against Ye Chen, he used the power of the sun's breath to melt the area around Ye Chen.

Ye Chen snapped his fingers, instantly the surroundings of Ye Chen became cold.

"what ! ! !" Sun Quan didn't expect that Ye Chen would destroy his technique so easily.

"if this is all you have, then you will have no chance of winning against me" Ye Chen said to Sun Quan.

Ye Chen told Sun Quan that he would have no chance of winning against him.

"I've never seen a brat as arrogant as you, don't expect that you can win against me" Sun Quan said to Ye Chen.

Sun Quan raised his hand up, he gathered an enormous power like a sun, its size was enormous.

Plus it possessed immense destructive power, with this kind of power, he could end the battle quickly.

"Golden Supernova" Sun Quan's would instantly destroy Ye Chen, he made a Golden Supernova.

"Does he want to end the battle quickly?" Everyone looked at Sun Quan, they saw that Sun Quan wanted to end this battle quickly.

"we better go away, it's a very destructive force" Dongfang Xong urged everyone around to stay away, Sun Quan's attack this time was so powerful, it wouldn't be able to be resisted by the elder next to him.

Dongfang Xong, Dongfang Xiu and the people from the Sacred Heaven Star Realm moved away, they moved away from the battlefield.

The Immortal Profound Sea Realm also did the same, they pulled away quite a distance.

"Quickly evacuate, we must also quickly leave this place" Khim Jix ordered everyone to finish the evacuation immediately.

Everyone was almost done, they were almost done in evacuating the people in this place.

"This is going to be a huge explosion, are you ready to take this attack?" Sun Quan said to Ye Chen.

Sun Quan's attack would cause an enormous explosion, this explosion was extremely devastating, it could destroy hundreds of stars with ease.

Ye Chen extended his hand in front of him to stop Sun Quan's technique.

"Half Dimension" Ye Chen used Half Dimension to destroy the Golden Supernova.

Sun Quan saw that his Golden Supernova began to shrink and begin to disintegrate.

"Impossible, how is this possible?" Sun Quan couldn't believe that Ye Chen had destroyed his technique.

"what are you doing" Sun Quan asked Ye Chen, he wanted to know what Ye Chen was doing.

"I only reduced your technique to ruin," Ye Chen said to Sun Quan.

"No way" Sun Quan couldn't believe what done Ye Chen

"looks like this battle is quite dangerous, I will create a strong barrier" Ye Chen decided to create a strong barrier around them.

With this strong barrier all attacks would not be able to touch the outside world.

" this?" Sun Quan saw the barrier set up by Ye Chen, it was a very strong barrier at all.

If Sun Quan wanted to make something similar to Ye Chen's, he would at least need five people on the same level as him.

"The power of a monster like this, how come I never knew" Ye Chen really missed something, why he never knew that there was something this strong in this world.

If only he had known maybe the situation would not be like it is now.

"I can't beat him with normal means, I have to use something strong enough to defeat him" Sun Quan saw that ordinary methods wouldn't work against Ye Chen.

Chapter 2065 The great battle in the God Realm begins (3)

"Looks like I have to use that thing against him" Since there was no other choice, Sun Quan could only use that thing against Ye Chen.

Sun Quan took the Supreme Sun Star Spear, the Supreme Sun Star Spear was the weapon for the leader of the Eternal Sun Star Realm.

Only a weapon master from the Eternal Sun Star Realm could use the Supreme Sun Star Spear.

"That weapon is at the Celestial Tier realm." Ye Chen saw that the weapon that Sun Quan had just released was Celestial Tier.

"Supreme Sun Star Spear, it is a weapon from the Eternal Sun Star Realm, it seems to be the strongest weapon he has" Chu Yuechan said to Ye Chen, Chu Yuechan told that it was a very powerful weapon.

"Looks like he's already desperate against me" Ye Chen saw that Sun Quan had started to give up his fight against Ye Chen.

"It's because you are too strong." Chu Yuechan said that Ye Chen was too strong, this made Sun Quan unable to win against him.

"You didn't take your weapon" Chu Yuechan asked Ye Chen, she wanted to know if Ye Chen would fight Sun Quan at full strength.

"That's not necessary" Ye Chen told that he didn't need to use that, he didn't need to use a strong weapon against Sun Quan.

.me

"I just need to use the Heavenly Silver Flame, to fight it." Ye Chen decided to use the Heavenly Silver Flame, he wanted to know the strength of the Heavenly Silver Flame, whether it was comparable to the power of Sun Quan.

"Heavenly Silver Flame?" Sun Quan saw that Ye Chen had the Heavenly Silver Flame, it was one of the strongest heavenly flames.

"I see, it seems that you have gained great power, Heavenly Silver Flame, I didn't expect you to have such a thing" Sun Quan said to Ye Chen.

Heavenly Flames were quite rare. This was extremely rare in the God Realm, users of Heavenly Flames were few.

Nangong Xiang was one of them, she was one of the lucky ones to obtain the Heavenly Flame.

It's a shame that Nangong Xiang can't be controlled, if only she could be controlled, then that would be a very good thing.

"Even though you have Heavenly Flames, in reality the power of the sun in my body is comparable to that of Heavenly Flames, so don't be arrogant," Sun Quan said to Ye Chen.

Sun Quan had a flame that was just as strong as Ye Chen's, so it wasn't strange that he underestimated the Heavenly Silver Flame.

"Let's see, whether I will win or your sun power will be destroyed" Ye Chen said to Sun Quan, they will prove who will win.

**"One Hundred Thousand Fire Swords"** Ye Chen used One Hundred Thousand Fire Swords, himself used One Hundred Thousand Fire Swords against Sun Quan.

**"Sun Flame"** Sun Quan started to use his power, his body was enveloped in flames emitting heat.

This heat was able to match the might of the Heavenly Silver Flame.

Ye Chen wasn't too surprised when he saw this, after all the Eternal Sun Star Realm had a long history, so it wasn't strange that Sun Quan possessed a flame that could match the Heavenly Silver Flame.

Ye Chen took control of the Heavenly Silver Flame and started to attack Sun Quan.

Sun Quan raised the Supreme Sun Star Spear and started attacking Ye Chen.

"boom. . ." Ye Chen's attack collided with the Supreme Sun Star Spear.

When the One Hundred Thousand Fire Swords collided with the Supreme Sun Star Spear, it created an enormous explosive force, this explosion could destroy a star very easily.

Luckily Ye Chen had set up a barrier, so the people around this place were protected, they were all safe from Sun Quan's attack.

Sun Quan tried to destroy the One Hundred Thousand Fire Swords, when he smashed the One Hundred Thousand Fire Swords, the Supreme Sun Star Spear, which was in his hand shook several times.

"This is so hard." Sun Quan saw that the One Hundred Thousand Fire Swords were so hard, even Sun Quan's weapons had trouble breaking them.

"you look troubled" Ye Chen said to Sun Quan, it seemed that Sun Quan looked troubled.

"nothing, let's fight" Sun Quan tried to hide what happened to Ye Chen, he hid what happened from Ye Chen.

Honestly, Sun Quan didn't like it when he was weak like this, he who had always been at the peak of the God Realm looked so weak when he faced Ye Chen.

"Then accept this" Ye Chen used One Hundred Thousand Fire Swords and attacked Sun Quan.

Sun Quan had a problem when he received an attack from Ye Chen, to be honest Ye Chen's attack was very strong.

"Damn, why" Sun Quan persisted, he retreated and didn't attack Ye Chen.

Ye Chen didn't give Sun Quan a chance, he attacked Sun Quan and brought down Sun Quan.

"You are too confident, as if you are the strongest in this world" Ye Chen said to Sun Quan.

Sun Quan got up, his body was injured and his Armor was damaged by Ye Chen's attack.

"I haven't met a strong opponent like this in a long time." Sun Quan had not met a strong opponent like Ye Chen in a long time, he honestly wanted to fight Ye Chen with his full strength.

Sun Quan put out even more power, to fight Ye Chen, Sun Quan needed more strength, he put out more and more strength.

Sun Quan's body grew hotter and hotter, his body hotter than the hottest sun in the God Realm.

"It's not strange that you are called the strongest, it seems you do have the ability" Ye Chen said to Sun Quan.

"Who are you really talking to, I am Sun Quan, the one who has stood among the rulers" said Sun Quan to Ye Chen.

"I will beat you" Sun Quan attacked Ye Chen, he shot Flare towards Ye Chen.

Ye Chen stretched out one finger, he parried Sun Quan's attack using only one finger.

"impossible. . ." Sun Quan was shocked again by Ye Chen, even though this was a perfect form, how could Ye Chen win so easily.

"Looks like you're just saying nonsense" Ye Chen said to Sun Quan.

Ye Chen said that Sun Quan was just saying nonsense.

"Damn. . ." Sun Quan couldn't stand Ye Chen, he used the Supreme Sun Star Spear and threw it towards Ye Chen.

Sun Quan strengthened the Supreme Sun Star Spear, he strengthened the Supreme Sun Star Spear with his own power.

The Supreme Sun Star Spear became hotter and emitted blazing hot flames.

"You will not win, this is one of the forces that can make a god die, you will be crushed when you accept this" Sun Quan said to Ye Chen.

"Let's see." Ye Chen gathered One Hundred Thousand Fire Swords, One Hundred Thousand Fire Swords gathered together and became God Fire Sword.

This time the God Fire Sword was in its full form ten thousand swords gathered together and made an extremely powerful God Fire Sword.

Ye Chen controlled the God Fire Sword towards the Supreme Sun Star Spear.

Ye Chen intended to compare the power of the Supreme Sun Star Spear with the God Fire Sword.

"Boom. . ." The God Fire Sword slammed into the Supreme Sun Star Spear, once again the two great powers clashed and caused an enormous explosion.

This explosion is very bright, this proves that this explosion is very large.

#### [Chapter 2066 Ning Xia Vs Sun Teng](#)

The great battle that Ye Chen and Sun Quan fought was naturally visible to everyone, everyone could see the fierce battle that was fought by Ye Chen and Sun Quan.

Ning Xia and Nangong Xiang saw the battle fought by Ye Chen, they saw the fierce battle fought by Ye Chen Vs Sun Quan.

"Don't take your eyes off you, the two of you are against us" Sun Teng said to Nangong Xiang and Ning Xia, he told both of them about their battle.

Ning Xia and Nangong Xiang didn't seem to care much about this, they were a little worried about Ye Chen, they wanted to know if Ye Chen was okay or not.

"damn" Sun Teng was very annoyed, he was quite annoyed when he was ignored by Ning Xia and Nangong Xiang.

"You two better focus here, sooner or later that person will die at Sun Quan's hands" Sun Teng said to Ning Xia and Nangong Xiang.

Sun Teng believed that Ye Chen would soon lose to Sun Quan.

"what did you say" Ning Xia and Nangong Xiang seemed displeased when they listened to what Sun Teng was saying, both of them felt dissatisfied and displeased when they listened to what Sun Teng had to say about Ye Chen.

Ning Xia and Nangong Xiang didn't like it when someone dared to look down on Ye Chen, it was something neither of them could accept.

"Sun Teng, don't be arrogant, you all will definitely lose in this place" Nangong Xiang said to Sun Teng.

"Do you think we are so weak that you can beat us?" Sun Teng said to Nangong Xiang.

"If it was in the past, I might still not be able to beat you, but now that I am different, I am no longer what I used to be" said Nangong Xiang.

Nangong Xiang tells that she is not as weak as before, her current self is enough to defeat Sun Teng.

Nangong Xia used Heavenly Gold Flame, golden flames enveloped Nangong Xiang's body.

"sister Xia, I will fight Sun Teng, you can take care of the big elder beside him" Nangong Xiang told Ning Xia to take care of the big elder beside Sun Teng.

"I will take care of it quickly" Ning Xia informs that she will take care of the great elder beside Sun Teng.

Ning Xia and Nangong Xiang started their battle, both of them started the battle against Sun Quan's right hand man and Sun Quan's confidant.

Sun Teng and the great elder were slightly below Sun Quan's strength, so it was certain that both of them had cultivation bases that were at the peak.

Nangong Xiang attacked Sun Teng, her attacked Sun Teng with Heavenly Gold Flame.

Sun Teng used a sword to block Nangong Xiang's attack, this sword was a weapon that emitted heat comparable to the hottest sun in the God Realm.

Nangong Xiang looked undaunted when he faced Sun Teng, he launched a powerful attack towards Sun Teng.

Nangong Xiang wrapped Sun Teng's body in Heavenly Gold Flame.

Right now Sun Teng has nowhere to run.

Sun Teng used the sword in his hand to destroy the Heavenly Gold Flame.

"When Sun Teng used his sword to slash the Heavenly Gold Flame, Sun Teng's sword melted instead.

"impossible. . ., what's this . . ." Sun Teng looks surprised when he finds out that the sword in his hand is melting.

"Do you like the new technique I learned, it is one of the strongest techniques that surpasses your Sun Star technique" Nangong Xiang said to Sun Teng.

"There's no way such a thing exists." Sun Teng couldn't believe that such a thing existed in this world.

"Initially I was the same as you, I didn't believe what happened, but now I believe that in this world there is something much higher than what you imagine" Nangong Xiang told that in this world there is something much higher than what you can imagine. imagined by them.

Nangong Xiang already possessed an **Eternity Flame Art** technique, this was a very powerful and destructive fire technique, plus it was a technique that could make Nangong Xiang's flames difficult to extinguish.

It was not strange that Sun Teng's weapon could be destroyed so easily, it was because the power of the **Eternity Flame Art** was far above that of Sun Teng's.

"How bad, since when did he become strong, I have to do something" Sun Teng had to do something to defeat Nangong Xia.

**"Sun Ring Slash"** Sun Teng tried to attack Nangong Xiang.

Nangong Xia flicked her sleeves she removed the Sun Ring Slash attack with ease.

Even though both of them were at the same level, it could be seen that Nangong Xiang had already excelled quite far.

Sun Teng was taken aback when he saw this, How could his attack be stopped so easily by Nangong Xiang.

"This is starting to make no sense" a man as strong as Sun Teng couldn't believe what Nangong Xiang was doing, he thought it was absurd.

"This world isn't fair isn't it?" Nangong Xiang said to Sun Teng.

"You are absolutely right, this world is indeed unfair" Sun Teng agreed with what Nangong Xiang said.

Normally Sun Teng would always point out unreasonable things to others, but this time it seemed impossible, he had just seen unreasonable things in Nangong Xiang.

"Looks like I don't stand a chance against you with the power of fire, then I can only use this thing against you." Sun Teng took out an orb.

"Sun Star Slayer ball ?" Nangong Xiang's knew what Sun Teng had released, she knew that it was an object capable of releasing a power that was above the level of a Supernova.

"If I use this now you will end up in this place" said Sun Teng to Nangong Xiang.

**"Eternity Flame Seal"** Nangong Xiang's instantly locked Sun Teng's body, Heavenly Gold Flame instantly appeared on Sun Teng's body and burned Sun Teng's body.

" what's this ?" Sun Teng tries to extinguish the Heavenly Gold Flame.

When Sun Teng tries to extinguish the Heavenly Gold Flame, he finds that the Heavenly Gold Flame becomes bigger and burns Sun Teng's entire body.

"arghhh. ." Sun Teng started screaming, he couldn't stand the Heavenly Gold Flame burning his body.

"It's so hot, my body is starting to crumble" Even though Sun Teng is a person with strong fire power, he shouldn't be in pain when receiving attacks that have the same element as his.

Sun Teng's body was unable to withstand this heat, plus he was unable to extinguish Nangong Xiang's flames.

Sun Teng's body began to crumble, his body crumbled and turned into dust.

This process didn't take long, Nangong Xiang only needed a few seconds to defeat Sun Teng.

Nangong Xiang secured the Sun Star Slayer ball, he kept the Sun Star Slayer ball from exploding in this place.

.

to Ning Xia's battle against the great elder.

Ning Xia was currently battling a great elder whose strength was not inferior to Sun Teng's, he had strength that was not inferior to Sun Teng's.

Ning Xia used the thread to confront the great elder, she easily locked the movement of.

"What a troublesome Ice thread," the great elder said to Ning Xia.

The great elder used the power of fire to destroy Ning Xia's ice thread.

Ning Xia made the Ice thread go extremely cold, this made the great elder unable to melt it.

"Why won't it melt, when it's such a thin thread" the great elder looked puzzled when he saw Ning Xia's Ice thread's strength.

#### [Chapter 2067 Ning Xia Vs Great Elder](#)

"You won't be able to burn that thing" Ning Xia informed that the great elder wouldn't be able to burn her Ice thread.

"Is that so, then, I just need to go straight to attack you" since he couldn't destroy the ice thread that Ning Xia let out, then the big elder only needed to directly kill Ning Xia

He took a bow, he started aiming the bow towards Ning Xia.

**"Sun Rain Arrow"** the great elder shot an arrow, when the arrow shot out, the arrow turned into a huge number, in just seconds the number of arrows became millions and headed towards Ning Xia.

"Phoenix Wing Wall" Ning Xia's created a fire wall in the shape of a phoenix wing, this instantly blocked all attacks that were aimed at Ning Xia.

"Everything was completely restrained" the great elder didn't expect Ning Xia to be able to withstand all of her attacks. To be honest this was absurd.

"Phoenix Spirit" Ning Xia's made fire that resembled the shape of a Phoenix, she started to attack the great elder in front of her using Phoenix Spirit.

"No. . ." The great elder started shooting towards the Phoenix Spirit, he shot countless arrows at the Phoenix Spirit.

The Phoenix Spirit created by Ning Xia did not budge when it received the arrow from the great elder.

"why doesn't it work" the great elder roared, all the attacks he had were unable to destroy the Phoenix Spirit.

The Phoenix Spirit approached and began to burn the great elder's body.

"no . . . ." The great elder made a shield from the fire as hot as a sun, he blocked Ning Xia's attack using the superheated shield.

The Phoenix Spirit attacked the shield belonging to the great elder with its beak and claws made of pure Phoenix flames.

Ning Xia was a pure bloodline, so when she created a Phoenix Spirit, it was a form of a Phoenix Spirit that was almost perfect to the original.

"cracks. . ." The shield that the great elder had started to crack when it received an attack from a Phoenix Spirit filled with pure power.

Ning Xia herself was already very good, she was only slightly weaker than her meek personality.

"You better get this over with, he's bringing out something dangerous." Ning Xia's cold personality ordered an immediate end to the battle, if this continued, then it would be quite a serious matter for them.

The great elder also brought the Sun Star Slayer ball, this is the last weapon that can be used to turn things around, so every strong person in the Eternal Sun Star Realm has this thing.

"This really sucks a lot" the big elder was annoyed, he first encountered an unfortunate situation for him.

This was probably the first time he had been pressured by the enemy into hiding, this was a disgrace to a great elder like him.

Ning Xia used the Phoenix Spirit to break the great elder's barrier, she wanted to end things quickly.

Ning Xia knew that when the great elder took out the orb, if he was not mistaken this was a destructive item, if Ning Xia let the great elder use this, there would be an explosion that could destroy the entire place.

"You are the one who forced me to use this thing, I will make sure that you body will disappear from this world" said the great elder to Ning Xia.

The big elder tried to use the Sun Star Slayer ball, he wanted to explode the Sun Star Slayer ball at Ning Xia place.

Ning Xia's thread easily broke through the defense of the great elder, it instantly tied the hand of the great elder.

"Gah. . .," the great elder did not expect that Ning Xia's thread attack could easily enter his shield.

The little Ning Xia's attacks could instead easily break through the defenses of the great elders, probably this was because the Ice threads were more powerful against defenses made of fire.

"damn . . ." The great elder tried to activate the Sun Star Slayer ball, if he could activate the Sun Star Slayer ball then it would be very easy to defeat Ning Xia.

"You are still trying to activate that thing" Ning Xia immediately cut off the great elder's hand, she didn't let the big elder manage to activate the Sun Star Slayer ball.

"Ghhh. . . ." the great elder shouted when he saw what Ning Xia was doing.

he didn't expect that Ning Xia would cut off his hand.

The great elder didn't feel a pain, he didn't feel a pain because his wound instantly froze.

So he just felt that his hands were cold and couldn't feel anything.

"Bitch, how dare you" the great elder was furious when he saw what Ning Xia had done.

Ning Xia had cut off one of her hands, this angered the great elder.

"Bitch, I will kill you and torture you" the great elder gave off an immense amount of power, he seemed to be really angry and annoyed at what Ning Xia had done.

He released an enormous amount of power from within his body, his body gave off a huge force and made the surrounding heat begin to rise.

**"Ice Phoenix Tree"** Ning Xia's used the Ice Phoenix Tree, the Ice tree instantly sealed the big elder's body.

The great elder's body that was originally enveloped by the enormous flames instantly disappeared, his body starting to freeze by the Ice Phoenix Tree.

"impossible" the great elder was rendered helpless by Ning Xia, he easily froze under Ning Xia's strength.

"This is where our battle ends." Ning Xia said that when their battle ended, she wanted to end their battle quickly.

**"Phoenix Spirit"** Ning Xia's used the Phoenix flames to burn the great elder.

"roar. . . ." Phoenix flames headed straight for the great elder and instantly burned the great elder.

"damn" The great elder could only scream when he was burned by the Phoenix Spirit.

In an instant the great elder's body and spirit were burned by the Phoenix Spirit.

The Phoenix Spirit and Ice Phoenix Tree disappeared without leaving anything behind.

"Looks like you're done" Nangong Xiang said to Ning Xia.

"I'm done, do we need to help Chen?" Ning Xia said to Nangong Xiang.

Looks like we won't be able to do that, he's set up a super barrier, neither of us will be able to get in there, we should help the others, looks like the people from the Phoenix Clan are in trouble" Nangong Xiang said to Ning Xia.

Ning Xia saw the people from the Phoenix Clan, they were battling against the enemy.

"It seems you are absolutely right, I will help them" Ning Xia agreed with what Nangong Xiang said, Ning Xia immediately went and helped her people.

With the help of Ning Xia Clan the Phoenix began to rise.

"It's young lady" all the members of the Phoenix Clan were happy when they saw Ning Xia helping out, with Ning Xia's help they became excited.

.

.

Right now in Zhao Yanyan's position, Zhao Yanyan is currently still playing Saint Light Zither, the enemies around also can't resist Zhao Yanyan's strength, plus Ye Chen's other women protect Zhao Yanyan well.

"This woman is the most troublesome, I have to defeat her first" Sun Xuanyin decided to defeat Zhao Yanyan first, as long as she could defeat Zhao Yanyan, then the strength of the army would return to how it was before.

Sun Xuanyin drew closer towards Zhao Yanyan, she drew closer towards Zhao Yanyan and started to attack Zhao Yanyan.

"I won't let you" Qing Cheng and Mu Lanyin didn't let Sun Xuanyin get close, they both stopped Sun Xuanyin from attacking Zhao Yanyan.

#### [Chapter 2068 Unlocking Sun Xuanyin's Past Memories](#)

"Get out of the way" Sun Xuanyin told Qing Cheng and Mu Lanyin to retreat immediately, she wanted to fight Zhao Yanyan.

"The two of us won't let you get close." Qing Cheng and Mu Lanyin wouldn't let Sun Xuanyin get close to Zhao Yanyan.

The two of them would make sure that no enemy could get close to Zhao Yanyan.

"Sister, let me fight it." Zhao Yanyan said to Qing Cheng and Mu Lanyin, she wanted to go and fight Sun Xuanyin.

"Are you sure?" Qing Cheng and Mu Lanyin said.

"Of course, I want to fight her, after that I want you to find out about her" Zhao Yanyan said to Qing Cheng.

Zhao Yanyan asked Qing Cheng to look for something in Sun Xuanyin's memory.

"Okay, if that's what you want" Qing Cheng and Mu Lanyin respected Zhao Yanyan's decision, both of them highly respected Zhao Yanyan's decision.

Zhao Yanyan stepped forward, she decided to fight Sun Xuanyin.

"Why are you fighting me alone?" Sun Xuanyin said to Ye Chen, Sun Xuanyin wanted to know the reason why Zhao Yanyan wanted to fight herself alone, even though there were Mu Lanyin and Qing Cheng around who could help overcome Sun Xuanyin.

"Honestly, I want to see the strength you have, I heard that you often tease my husband" Zhao Yanyan said to Sun Xuanyin.

"husband. . ., so he has a woman as beautiful as you, it's not strange that I find it difficult to seduce him, it turns out that he has a beauty like you." Sun Xuanyin finally knew the reason why Ye Chen was able to reject him so many times, it turned out to be the reason.

Ye Chen had a woman as beautiful as Zhao Yanyan, this naturally made it difficult for Sun Xuanyin to completely master Ye Chen.

Sun Xuanyin was a little jealous when she found out about this, she felt jealous when she saw Zhao Yanyan.

"As long as I defeat you, everything will be over." Sun Xuanyin said that if she could defeat Zhao Yanyan, then everything would be over.

Zhao Yanyan's most troublesome ability, as long as Zhao Yanyan was defeated, then everything would be fine.

"It won't be as easy as you say." Zhao Yanyan said that Sun Xuanyin wouldn't be easy to beat her.

"Let's see." Sun Xuanyin started to attack Zhao Yanyan.

,m He attacked Zhao Yanyan by using the power of the extremely hot sun.

"Ding. . ." Zhao Yanyan started playing Saint Light Zither, Zhao Yanyan parried Sun Xuanyin's attack using Saint Light Zither.

"Repelled so easily, this woman's weapon is of high rank." Sun Xuanyin saw that Zhao Yanyan's weapon was a very high-level weapon, this would make it difficult for her to fight Zhao Yanyan.

"feel this" Zhao Yanyan countered the attack from Sun Xuanyin, she used the tone of Saint Light Zither to fight Sun Xuanyin.

"Ahhh. . ." Sun Xuanyin shouted, she screamed as she received an attack from the Saint Light Zither.

"My head, it hurts ! ! !." Sun Xuanyin felt an excruciating pain, it was definitely much more painful than before.

Zhao Yanyan had just played a small melody for Sun Xuanyin, not expecting Sun Xuanyin's reaction to be like this.

Sun Xuanyin held her head, she knelt on the ground and winced in pain.

Sun Xuanyin did not expect that she would become like this, Zhao Yanyan's strength in playing Saint Light Zither was terrifying.

"This woman is truly terrifying." Sun Xuanyin discovered that Zhao Yanyan was more terrifying than she had imagined.

At this rate, Sun Xuanyin would lose sooner or later, her head might explode when she heard the voice of Saint Light Zither.

**"Sun God Madness"** Sun Xuanyin immediately used her full strength, she decided to end this battle immediately.

a small sun appeared and began to destroy everything around Sun Xuanyin.

When this sun appeared all objects began to be sucked in and crushed to be eaten by Sun God Madness.

"I can't beat you by normal means, then I'll use this to beat you" Sun Xuanyin said to Zhao Yanyan.

**"sword of light"** Zhao Yanyan's made an enormous sword of light, when she made this sword, a dazzling light immediately appeared.

"boom. . ." Zhao Yanyan instantly shattered the sun that Sun Xuanyin was making, she dropped the sword of light directly on the sun.

"Crack. . ." The sun made by Sun Xuanyin instantly shattered, it instantly shattered into pieces.

"impossible . . ." Sun Xuanyin gaped when she saw what Zhao Yanyan was doing.

**"Chain of Light"** after destroying Sun Xuanyin's technique, Zhao Yanyan immediately caught Sun Xuanyin using the Chain of Light.

"Let me go. . ." Sun Xuanyin tried to rebel, she was constantly trying to break free from the Chain of Light.

"Stop trying, you won't be able to break free." Zhao Yanyan said to Sun Xuanyin, she told Sun Xuanyin to stop rebelling and accept everything.

"What do you want from me?" Sun Xuanyin asked Zhao Yanyan.

"I wonder what you think" sister Cheng, you can do it right?" Zhao Yanyan said to Qing Cheng.

"Okay" Qing Cheng immediately used her power, she started to find out what was going on in Sun Xuanyin's mind.

"no . . ., no . . ., no . . ., don't do that" Desperately, Sun Xuanyin tried to stop what Qing Cheng was doing.

Too bad, Qing Cheng had already entered into the thoughts of Sun Xuanyin, she started to search all the information in Sun Xuanyin's memory.

"Little sister, I found what you were looking for, should I destroy it?" Qing Cheng asked Zhao Yanyan.

"do it" Zhao Yanyan told Qing Cheng to do it right now.

"What are you trying to do, don't do it?" Sun Xuanyin started to get scared as she listened to what Zhao Yanyan had to say, whether Zhao Yanyan would kill her.

Qing Cheng nodded, immediately breaking the seal in Sun Xuanyin's memory.

When Qing Cheng broke the seal that was in Sun Xuanyin's memory, some information began to flow into Sun Xuanyin's memories.

"what's this ?" Sun Xuanyin seemed to be very confused, she looked confused when she saw information she never knew.

This was a memory from the past, to be precise when Sun Xuanyin was very young.

He saw a very big murder, it was the biggest murder she could never remember.

"Are they my family, no way. . ." Sun Xuanyin couldn't believe it, she couldn't believe what was happening.

"impossible . ., this can't happen. . ." Sun Xuanyin started to get confused, she started to get confused when she found out what had just happened to her.

"What was that. . ." Mu Lanyin asked Zhao Yanyan and Qing Cheng, she wanted to know what Qing Cheng had just done.

"It's a sealed memory, it seems someone sealed it away somewhere where it can't be found, otherwise it might be difficult for me to find it" Qing Cheng said to Mu Lanyin.

"Do you know what is sealed?" Mu Lanyin asked Qing Chen.

"A memory of the past, it is a terrible thing that she would never have imagined" said Qing Cheng.

Qing Cheng herself did not expect that Sun Xuanyin would keep such a thing in her memory.

"Let's let her go." Zhao Yanyan decided to let Sun Xuanyin go, she decided to let Sun Xuanyin out of the Chain of Light.

Sun Xuanyin did not put up a fight, she was still confused about what had happened,

"please take care of the rest" Zhao Yanyan asked Mu Lanyin and Qing Cheng to take care of the rest.

#### [Chapter 2069 Ye Chen Managed To Win Against Sun Quan](#)

"Leave it to us, we will take care of the rest soon" Qing Cheng and Mu Lanyin nodded, they would help the others settle the battle at hand.

"Why are you doing this, what is your purpose for doing this?" Sun Xuanyin asked Zhao Yanyan, she wanted to know Zhao Yanyan's purpose of doing this.

"Do you know who you really are?" Zhao Yanyan asked Sun Xuanyin.

"Are you confusing me?" Sun Xuanyin said that Zhao Yanyan was trying to confuse her.

"There's no point in me doing such a thing" Zhao Yanyan said that there was no point in her doing such a thing

"Then why?" Sun Xuanyin asked Zhao Yanyan, Sun Xuanyin wanted an answer, she wanted an answer from Zhao Yanyan.

"Don't you find it strange with Sun Quan, you should know that men are not very interested in women, it can be seen from Nangong Xiang, so how come he has you and everything that happens to you is kept a secret" Zhao Yanyan said to Sun Quan.

Sun Quan was not very interested in relationships, he was more interested in power, that's why he never wanted to make a successor, because he wanted to rule forever.

Sun Xuanyin started to think about what Zhao Yanyan said, if she remembered correctly, what Zhao Yanyan said was also true.

"Why didn't I notice?" Sun Xuanyin finally realized what had happened, she finally realized that she had been brainwashed for Sun Quan all this time.

"You don't realize, you are now the same as the man over there." Zhao Yanyan told that Sun Xuanyin was the same as Zhang Feng.

Sun Xuanyin looked at Zhang Feng, he probably experienced the same thing as Zhang Feng and the Phoenix Clan.

"damn. . ." Sun Xuanyin cursed, she didn't know what to do in a situation like this.

Sun Xuanyin was so confused, she couldn't make up her mind in this kind of situation.

"But why is he doing this, what's his purpose?" Sun Xuanyin asked Zhao Yanyan, to be honest she needed an explanation from Zhao Yanyan.

"For that matter, you better find out yourself, I don't know what the purpose is." Zhao Yanyan didn't know Sun Quan's goal, she didn't know Sun Quan's goal yet.

"You're right, I might have to figure this out myself, I want to know the truth about this matter" Sun Xuanyin was curious about this matter, herself wanting to know more about her past from Sun Quan.

"He's fighting, you won't be able to meet him." Zhao Yanyan informed that Sun Quan was fighting Ye Chen, so Sun Xuanyin wouldn't be able to meet Sun Quan.

"I will try to find out the matter." Sun Xuanyin tried to find out the matter, herself trying to find out the truth of the matter.

Sun Xuanyin had a very complicated heart, she was now lost in direction and purpose.

"Why did you do that?" Liu Yue asked Zhao Yanyan, she wanted to know why Zhao Yanyan bothered to help Sun Xuanyin.

"It's okay, she looks pitiful" Zhao Yanyan said to Liu Yue.

"Did you guys win?" Zhao Yanyan asked Liu Yue, she wanted to know if they had won the battle.

"We've won, 80% of Sun Quan's troops have been defeated, there's only a little more before everything is settled" Liu Yue gave a report to Zhao Yanyan, she had almost finished everything, it was only a matter of time before everything was settled.

Liu Yue looked at all the women that Ye Chen had. All of them were able to fight very well, especially the Heaven Dream Sect, their strength was the most helpful because it could make the enemy immobile for a while.

"Let's end this as soon as possible." Zhao Yanyan invited Liu Yue to end things quickly.

"let's go" Liu Yue agreed, she agreed with what Zhao Yanyan wanted.

.

.

Back to the Ye Chen Vs Sun Quan battle, the second attack just now made a big explosion, in the attack just now Sun Quan was injured and had to lose one of his arms.

"I lost this is impossible" Sun Quan couldn't believe that he would be defeated the umpteenth time by Ye Chen.

"Looks like your army has run out, what can you do now" Ye Chen said to Sun Quan.

Ye Chen told Sun Quan that his troops had run out, he was now alone.

Sun Quan saw his army, what Ye Chen said became the truth, his army was almost defeated, in just a few minutes maybe Sun Quan would not have an army.

"I didn't think that a day would come when I was cornered like this" Sun Quan didn't expect that one day he would be cornered like this.

"You must not have thought that this time would come," Ye Chen said to Sun Quan.

"I really didn't expect this time to come." Ye Chen honestly didn't expect that a time like this would come.

"Looks like it's time to end this battle" Ye Chen used the God Fire Sword, he intended to end the battle with Sun Quan.

Sun Quan was at a disadvantage, he wanted to try to escape from this place.

"Don't ever think that you can escape from this place, you will not be able to escape from this place" Ye Chen told that Sun Quan would not be able to leave or escape from this place.

"damn" Sun Quan cursed, he really has no way to escape or get out of this place, all his exits have been blocked by Ye Chen.

Ye Chen controlled the **God Fire Sword** to attack Sun Quan.

Sun Quan used the last means he had to win against Ye Chen, he used his own means to win the battle against Ye Chen.

"**Sun God Mode**" when Sun Quan wanted to use a forbidden technique, Ye Chen immediately attacked Sun Quan, he didn't let Sun Quan use a technique that might make him commit suicide.

Ye Chen had promised to give Sun Quan to Ning Xia, so it wasn't strange that he didn't want Sun Quan to die.

"damn. . . he seal my power?" Sun Quan didn't expect that Ye Chen would be able to seal the power he had.

"**Dimension Breaker**" Ye Chen's used Dimension Breaker to destroy all of Sun Quan's veins and meridians.

"Gah. ." Sun Quan screamed in pain, he seemed to feel intense pain when he received the attack from Ye Chen.

"okay done" after a fierce battle against Sun Quan, Ye Chen managed to knock him out.

Honestly Ye Chen was quite restrained, if only Ye Chen had held back Sun Quan would have died quickly.

After crippling Sun Quan, Sun Xuanyin suddenly appeared.

"what are you doing?" Ye Chen asked Sun Xuanyin.

"I want to talk to him" Sun Xuanyin said that she wanted to talk to Sun Quan.

"You don't want to save him" Ye Chen said to Sun Xuanyin.

"I don't need to save him, I need a truth from this person" Sun Xuanyin told her that she needed Sun Quan's truth.

"What kind of truth?" Ye Chen asked Sun Xuanyin.

"Let her do it" Zhao Yanyan said to Ye Chen, telling Ye Chen to let Sun Xuanyin do it.

Ye Chen didn't know what had happened yet, so he wanted to know from Zhao Yanyan.

This was quite strange, why would Zhao Yanyan let Sun Xuanyin, why would she let Sun Xuanyin do this.

Zhao Yanyan told Ye Chen what had happened, she explained everything clearly.

"Okay, I understand now." Ye Chen began to understand, it seemed that Sun Xuanyin had a different past than he knew now.

#### [Chapter 2070 Surprising Answer For Sun Xuanyin](#)

"You came to help me?" Sun Quan asked Sun Xuanyin.

"Why should I help you?" Sun Xuanyin asked Sun Quan back, there was no reason to save Sun Quan.

"why?, you have to help me" said Sun Quan to Sun Xuanyin.

Sun Quan started shouting at Sun Xuanyin, he shouted at Sun Xuanyin who dared to oppose him.

"I'm not your puppet, I already know everything" Sun Xuanyin said to Sun Quan.

Sun Quan was silent and silent for a while, he didn't expect that Sun Xuanyin would know everything.

"Who has told you about this matter?" Sun Quan asked, he wanted to know the person who had dared to tell Sun Xuanyin this matter.

"Someone has broken the seal in my memory, I know what you are doing" said Sun Xuanyin in a cold voice.

"Damn, so there is someone who can break the seal, no one should be able to break the seal except me" said Sun Quan.

should not be opened by anyone, but why would anyone be able to open the seal.

Whoever is capable of doing that, that person must be great.

"So it's true, I didn't expect it to be true." Sun Xuanyin didn't expect everything she saw to be true.

To think that Sun Quan would do that to him.

"I don't think I need to hide this from you, to be honest I did that on purpose," Sun Quan said to Sun Xuanyin.

Sun Quan told him that he was doing this on purpose.

"Why are you doing this?" Sun Xuanyin asked Sun Quan again, wanting to know the reason why Sun Quan did this.

"Whether you are stupid or are you pretending to be stupid, you have a Nine Heaven Pure Yin Body, it is a very good furnace for cultivators, I intend to use you as a furnace to create a powerful army that can rule the entire God Realm" said Sun Quan to Sun Xuanyin.

Sun Quan no longer concealed his intentions, he told Sun Xuanyin what he was going to do.

Sun Quan needed Sun Xuanyin's Nine Heaven Pure Yin Body, he wanted to use it for greater goals and ambitions in the future.

so it was not surprising that sun Quan would spend resources to make Sun Xuanyin strong in a short time, after becoming strong, Sun Quan intended to make Sun Xuanyin a furnace that could be used at any time.

Sun Xuanyin was dumbfounded when she heard this, to be honest she didn't expect that Sun Quan would turn herself into a tool for his ambitions.

"So that was the goal, I didn't think that was your goal, so I've been fooled all this time" Sun Xuanyin said to Sun Quan.

Sun Xuanyin felt like a foolish woman, she completely fell into Sun Quan's shackles and would even do anything for Sun Quan.

Sun Xuanyin who became a smart woman, looks like a stupid woman, she was completely deceived by Sun Quan until her entire family suffered and crumbled.

"I didn't expect you to become like this," said Sun Xuanyin to Sun Quan.

Sun Xuanyin did not expect that Sun Quan would be so cunning, this man was the most cunning, he tried to use her to become a furnace for people.

"Know your place, a woman like you can never be a leader and never will" Sun Quan told Sun Xuanyin that he could never do that.

Sun Xuanyin clasped her hands, it seemed that what she had been doing all this time was a waste, she had wasted the life she had.

"Okay, then from now on I will no longer be your toy, from now on I will never again be your tool, I will make a path for my own life" said Sun Xuanyin.

Sun Xuanyin would make a path to her own life, she would no longer be in the shadow that Sun Quan had.

"Hahahaha, can you do that?" said Sun Quan in a disdainful and condescending tone.

"You'll see" said Sun Xuanyin, Sun Xuanyin will definitely do it, she will succeed in doing what she says.

"Sorry to interrupt, looks like it's about time, why don't we end this soon" Ye Chen said to Sun Xuanyin.

Ye Chen told Sun Xuanyin that it was time, he told Sun Xuanyin not to waste time and words on Sun Quan.

"You're absolutely right, just do what you want" Sun Xuanyin said to Ye Chen, Sun Xuanyin didn't care anymore, she told Ye Chen to do what she wanted.

"Where are you going?" Ye Chen asked Sun Xuanyin.

"Go where I want to go" Sun Xuanyin said to Ye Chen.

Sun Xuanyin left, herself flying away from the Five Lord Divine Academy's territory.

"It seems that everything is ruined, you are now alone" Ye Chen said to Sun Quan, Sun Quan is now alone.

"So why if I'm alone, there are still ancestors who will save me" Sun Quan was very confident, he was very confident when he said that there would be groups and people who would save him.

"Hahahahaha" Ye Chen laughed, himself laughing when he heard what Sun Quan had to say.

Ning Xia appeared, she appeared with a very strong killing intent.

"wife, she is yours, you can do anything to her" Ye Chen said to Ning Xia, he let Ning Xia do whatever she wanted.

"Husband, I am very grateful to you" Ning Xia said to Ye Chen, she was grateful for what Ye Chen had done.

Ning Xia turned her attention towards Sun Quan.

"So you are the source of the trouble that has brought my Clan to ruin, to be honest I want to destroy and kill you immediately" Ning Xia had an enormous hatred and grudge against Sun Quan.

All the anger, hatred and resentment that he had been holding in came out at this moment.

Ning Xia had been a fugitive for a long time along with the rest of the Clan members, they even lived in the arid underworld to avoid their enemies.

Now that they had won, it was honestly an achievement that Ning Xia had been waiting for for so long.

"You Phoenix Clan are really troublesome, where are you hiding?, I should crush you to the root" Sun Quan said to Ning Xia.

Ning Xia didn't answer Sun Quan's words, she looked at Sun Quan with sinister eyes filled with terrifying killing intent.

If these eyes could kill Sun Quan, Sun Quan would be dead.

"I need help from sister Cheng" Ning Xia said to Qing Cheng, she needed help from Qing Cheng.

"What kind of help is that?" Qing Cheng asked Ning Xia.

"I want you to find out what was done to my Clan in the past, I will make him feel it too" Ning Xia wanted to know what Sun Quan had done in the past.

he intended to treat Sun Quan as he would when he destroyed his father, mother, grandfather, grandmother and members of the Phoenix Clan.

"It's a very easy request, I will do it" Qing Cheng said that it was a very easy request, she would immediately do what Ning Xia wanted.

Qing Cheng used her powers to find out what was inside Sun Quan's mind.

"this woman, so she did it" Sun Quan finally realized who Qing Cheng was, he didn't expect that someone would get the inheritance of the purple butterfly.
