

True God 2081

[Chapter 2081 Help Find Sun Xuanyin's Identity](#)

"Okay" Chan Simba nodded, he did what Da Tenry said.

It seems that Chan Simba is afraid of Da Tenry, most likely Da Tenry is much stronger than Chan Simba.

The two of them followed Ye Chen and Sun Xuanyin, the two of them went to follow Ye Chen who was currently heading for the Noble flame star Realm.

Ye Chen and Sun Xuanyin needed time to get to the Noble Flame Star Realm, they both had to search for the whereabouts of the currently destroyed Noble Flame Star Realm.

"Is this?" Ye Chen asked Sun Xuanyin, Ye Chen didn't seem sure about the star he was visiting, this place was really quite a mess, to be honest Ye Chen wasn't sure if this was the Noble flame star Realm.

"This is indeed the place." Sun Xuanyin said to Ye Chen, she told Ye Chen that this is the Noble Flame Star Realm.

"It seems that this is much worse than I imagined." Ye Chen said to Sun Xuanyin.

"Let's see, be careful, there might be a trap in this place, this is one of Sun Quan's colonies" Sun Xuanyin said to Ye Chen, she told Ye Chen to be careful.

"Then I will go first." Ye Chen said to Sun Xuanyin, he would go first.

Sun Xuanyin understood, she followed behind Ye Chen.

The two entered into the realm of the Noble flame star Realm, when the two entered the realm of the Noble flame star Realm they were greeted by an ominous mist.

"Hmmm, this is quite strange, looks like it's a trap" Sun Xuanyin said to Ye Chen.

They had just entered, and when they had just entered, they discovered that they were currently shrouded in a thick fog.

"Stay careful" Ye Chen said to Sun Xuanyin, Ye Chen told Sun Xuanyin to be more careful, he wanted Sun Xuanyin to be even more careful in his steps.

"why don't we just blow this fog away" Sun Xuanyin said to Ye Chen, Sun Xuanyin told Ye Chen to blow the fog around.

"There's no need to do such a thing" Ye Chen told them that there was no need to do such a thing, this was actually a very good thing for both of them.

"Hide your aura, we start moving" Ye Chen said to Sun Xuanyin, he told Sun Xuanyin to follow him.

Sun Xuanyin did everything Ye Chen said, as a servant, she had to obey what Ye Chen said.

Ye Chen looked for a way, he used God Eyes to find a way in the fog, with the help of Ye Chen's strength and ability, they should be able to easily find a way.

Sun Xuanyin trusted Ye Chen so much, she followed behind Ye Chen and made sure the surroundings were safe.

"What did you see?" Sun Xuanyin asked Ye Chen, she asked what Ye Chen saw.

"Hmmm . . ., I saw a small town with hundreds of residents." Ye Chen told that there was a small town with hundreds of residents.

"city, do you mean a village" said Sun Xuanyin to Ye Chen.

With a population of hundreds of people, it couldn't be called a city, Ye Chen should have said it was a village.

"I said it's a big city with very few people," Ye Chen said to Sun Xuanyin.

"Oh. . ." Sun Xuanyin understood, it seemed that she had misunderstood when interpreting Ye Chen's words.

"Come with me" Ye Chen said to Sun Xuanyin, Ye Chen took Sun Xuanyin towards the city.

Ye Chen and Sun Xuanyin approached, the two of them quickly arrived at the city that Ye Chen saw.

"This is a big city, there are countless buildings destroyed and abandoned," said Sun Xuanyin as she looked around.

"In your memory, do you know this city?" Ye Chen said to Sun Xuanyin.

Ye Chen asked Sun Xuanyin, he wanted to know if Sun Xuanyin knew this place.

Sun Xuanyin started to use the memories that Qing Cheng had opened, she found that this city was a bit similar to hers.

"There should be a palace there" said Sun Xuanyin to Ye Chen, Sun Xuanyin told that this city used to have a palace, this is a royal city.

"Oh, I see, then this is the place you have been looking for" Ye Chen said to Sun Xuanyin.

"Most likely it's true" I will go" said Sun Xuanyin, Sun Xuanyin intends to find out about this matter, she wants to find out about this matter properly.

"Okay" Ye Chen understood, he will guard around this place, let Sun Xuanyin find out his own memories.

Sun Xuanyin left, she used her instincts and memories to move to find out the truth.

"This big city has at least been inhabited by hundreds of millions of people, never thought that this place would be destroyed to become like this" Chu Yuechan said to Ye Chen.

"The reason Sun Quan destroyed this place was because he was after the resources in this place, unfortunately he didn't find it and only got Sun Xuanyin with a special body that he wanted to use for his benefit" Ye Chen said to Chu Yuechan.

"Master, didn't you know important information about this matter from Sun Quan's memory, why didn't you just tell her from the start" Chu Yuechan said to Ye Chen.

"Qing Cheng only had time to look for some important information, I don't know much about Sun Quan's full memories, so let her find out for herself" Ye Chen said to Chu Yuechan.

Sun Xuanyin had to find out who she was, she had to be able to find out who she really was, then she might be able to change for the better.

"help. . . ." when Ye Chen looked around, he heard voices calling for help.

Hearing this, Ye Chen immediately went to see what was going on.

He rushed towards the place where this voice for help came from, it seemed that someone needed his help.

Because this city has been abandoned for a long time, there are a lot of monsters roaming around this place, they wander around this place looking for food and live in abandoned buildings and houses.

Ye Chen quickly arrived at the place where the voice calling for help came from, he found a boy of 12 and an old woman facing a two-headed monster.

"This old woman's cultivation base is so low, she won't be able to win against that monster." Ye Chen saw that the old woman's cultivation base in front of her was so low, she wouldn't be able to win against a monster.

"Quickly leave this place right now" the old woman said to the boy, she said to leave this place immediately.

" but" The little boy was unwilling to leave, there was no way he would leave the old woman alone.

"If you don't go, then you will die in this place" said the old woman to the little boy.

"I won't go, I won't leave Grandma here alone" the boy said that he wouldn't leave this place.

"stupid, why don't you want to go, it's for your life" the old woman said to the boy.

"Roar. . . ." The monster didn't want to watch what was happening, it immediately pounced towards the old woman.

The old woman used the stick in her hand to stop the attack from the monster in front of her.

The monster cornered the old woman, this monster used its fangs to kill the old woman,

The old woman used all her strength, she tried to push the monster away.

The monsters above him were so strong, the old lady naturally wouldn't be able to push the monsters away.

"grandmother" The boy kept trying his best to help, he threw stones to help his grandmother.

Seeing what was happening, Ye Chen couldn't stay still, he couldn't stay still when he saw the monsters oppressing the old woman.

Ye Chen immediately kicked the monster that pounced on the old woman, with just one kick of Ye Chen, the monster flew tens of meters.

"who?" the old woman said to Ye Chen, she wanted to know who saved her life.

Ye Chen didn't say anything, he focused on the monster in front of him.

"Roar. . ." The monster roared towards Ye Chen, the monster intended to counterattack and avenge what Ye Chen had just done.

"Scram" Ye Chen used a punch, he hit the monster in front of him with a pretty strong punch.

"Bam. . ." Ye Chen's punch instantly sent the flying monster tens of miles away.

"Okay done" Ye Chen was done, he had finished defeating all the enemies, everything went very easily.

"Are you two okay?" Ye Chen said to the old woman and boy.

"We're fine" the old woman said to Ye Chen, she telling Ye Chen that they were fine.

"Are you a native of this place?" Ye Chen said to the old woman.

"No, I'm not a native, all the original inhabitants of this city have disappeared, we are just immigrants looking for a place to live around an uninhabited building" the old woman told that she was an immigrant.

"So you're not a native of this city" Ye Chen thought they were both from this place, but he was wrong.

"If you are looking for a native, there is someone who is said to be a native of this dead city, she is an old woman like me, unfortunately she is very difficult to find and does not want to mingle with people like us" said the old woman to Ye Chen.

[Chapter 2082 Aunt Lung](#)

The old lady tells that there is one old lady still alive, she is a native of this city, too bad she is hard to compromise.

"Can you tell me where that person is?" Ye Chen wanted to know about this matter, he wanted to know what really happened to this city, maybe the old lady just mentioned could help find out Sun Xuanyin's identity.

"She lives under that mountain, you have to be careful, there are lots of wild monsters there" the old woman told that the woman she was referring to lived in a mountain outside the city.

"Thank you" Ye Chen said to the old woman.

"Be careful on the road" Ye Chen said goodbye, he told the two women and the boy to be more careful.

Ye Chen had obtained quite a useful piece of information, he could use this to help Sun Xuanyin solve her problem.

Sun Xuanyin has not returned, it seems that she is looking around this place.

Ye Chen wouldn't bother Sun Xuanyin for a while, he decided to kill the monsters around this place.

Ye Chen intends to let everyone live peacefully in this city, if there are no more monsters in the city, then everyone can live in peace and comfort.

"Master, don't you find it strange, why do those people decide to live in a place like this, when this place is already destroyed, even the land in this place is not suitable for cultivation" Chu Yuechan said to Ye Chen.

"I don't know, even though there are so many decent places to live, why did they decide to stay in this place, it really doesn't make sense" Ye Chen said to Chu Yuechan.

Ye Chen forgot to ask why they were here, Ye Chen should have asked why they chose this place.

"Maybe later, I will focus on cleaning place first" Ye Chen decided to clean this place first.

.

.

We turn to Sun Xuanyin.

Sun Xuanyin was currently exploring the ruins of the palace, looking for anything that might help her discover her past.

At that time Sun Xuanyin was still a child, so there were countless places that Sun Xuanyin did not know about.

Sun Xuanyin picked up the debris, she did just that and found a photographic painting, this photo had been badly burned, in this photo there was her along with so many people.

Because vaguely, Sun Xuanyin did not know who they were, she tried to remember all.

Sun Xuanyin pushed herself too hard, she pushed herself too hard to remember her past.

"Not good, I didn't find anything enough" Sun Xuanyin was quite disappointed, she was quite disappointed with the discoveries she made.

Whereas Sun Xuanyin hoped that if she found something that could completely answer her family, then she would be able to find what she was looking for.

"I'll just go" Sun Xuanyin decided to leave, she decided to go and see Ye Chen, she would tell him that she didn't find anything good.

"Boom. . ." Several explosions occurred, Ye Chen was cleaning up the monsters in the vast city.

"Is he fighting?" Sun Xuanyin hurriedly saw what happened, she wanted to know what happened to Ye Chen, the possibility that Ye Chen was attacked by the enemy.

Sun Xuanyin quickly went to Ye Chen's place, when she arrived, she found Ye Chen looking at the remaining monsters in this city.

"You're back, did you find anything good?" Ye Chen asked Sun Xuanyin, he asked if Sun Xuanyin found anything good.

"I came because I heard an explosion, what happened?" Sun Xuanyin asked Ye Chen, she wanted to know what happened, why did Ye Chen make an explosion.

"I cleaned up the monsters around this place" Ye Chen said to Sun Xuanyin, he telling her that he was cleaning up the monsters around this place.

"Why do you bother doing that?" Sun Xuanyin asked Ye Chen, Sun Xuanyin didn't understand, why did Ye Chen bother to do this.

"I'm helping the people who live in this place, they need help from us, so I decided to help them" Ye Chen said to Sun Xuanyin.

"maybe we can ask them about what happened" Sun Xuanyin said to Ye Chen, Sun Xuanyin took Ye Chen to ask the residents around this place.

"It's useless, they are not natives of this place" Ye Chen said to Sun Xuanyin.

"huh?" Sun Xuanyin didn't expect that Ye Chen would say this, if they weren't from this place, then why would they want to be in a bad place like this, when there were so many Planets worth living in.

"then what should we do in this place" Sun Xuanyin asked Ye Chen, he wanted to know what they should do, to be honest Sun Xuanyin didn't know what they should do.

"Come with me, you will get good things" Ye Chen said to Sun Xuanyin.

"where?" Sun Xuanyin asked Ye Chen, Sun Xuanyin wanted to know where Ye Chen would take her.

"Don't ask too many questions and come with me" Ye Chen said to Sun Xuanyin, Ye Chen told Sun Xuanyin not to ask too many questions.

Sun Xuanyin understood, she could only obey what said , Ye Chen was becoming quite annoying, this man continued to rule over him.

Ye Chen took Sun Xuanyin out of the city, he went towards the mountain the said old lady

Sun Xuanyin felt strange, why did Ye Chen even take himself out of the city, what really happened, where would Ye Chen go.

"Okay, we're here." Ye Chen told Sun Xuanyin that they had arrived at their destination.

"What is the meaning of this, why did you bring me to the front of a cave?" Sun Xuanyin said to Ye Chen, she was curious about Ye Chen's intentions and goals.

"There is someone in there that you might want to meet" Ye Chen said to Sun Xuanyin, Ye Chen gave an explanation.

"The person I want to meet" Sun Xuanyin was curious, what said piqued her interest, so she wanted to know who the person in the cave was.

"Who's outside, what are you doing here ?" an old woman's voice said to Ye Chen and Sun Xuanyin, the woman asked Ye Chen's purpose for coming to this place.

"You came to meet you, there is someone who wants to meet you, you may know her." Ye Chen said to the old woman who was inside, Ye Chen was quite polite in answering the words of the old woman in front of him.

"A person I know, very interesting, I don't have any relatives or acquaintances, who is it?" The old woman said to Ye Chen she told Ye Chen that she didn't have any acquaintances.

"I thought you would say that, but why don't you go out and see for yourself, he came to find out who he is" Ye Chen said to the woman inside.

"Let me see" the old woman easily believed what said , she seemed to believe what Ye Chen had just said.

A middle-aged woman with some white hair started to come out, this middle-aged woman started to come out and show herself in front of Ye Chen.

"Who are you ?" the old woman didn't know Ye Chen, it was her first time seeing Ye Chen.

On the other hand, the woman beside Ye Chen seemed to be very familiar, she felt that she had seen this woman somewhere.

Sun Xuanyin looked at the middle-aged woman who had just come out, when she saw this woman, Sun Xuanyin found that she remembered who this woman was.

"Are you aunt Lung?" Sun Xuanyin said to the middle-aged woman, she seemed to know what this woman's name was.

"you . . , you seem familiar." Aunt Lung said to Sun Xuanyin.

Aunt Lung felt that if she had met Sun Xuanyin, she would be a stranger to Aunt Lung.

"In my memory, you were once a servant of my family when you were a child." Sun Xuanyin said to Aunt Lung.

"Don't tell me you are ?" aunt Lung said to Sun Xuanyin, she started to guess who Sun Xuanyin was.

"Is this princess Qin, you are still alive" Aunt Lung said to Sun Xuanyin, she looked at Sun Xuanyin with a very strong affectionate gaze.

"Qin, is that my family name?" Sun Xuanyin asked the aunt in front of her.

"Of course, it's the name of your family" Aunt Lung informed that it was the name of the Sun Xuanyin family, it was the name that belonged to the Sun Xuanyin family.

"I see." Sun Xuanyin finally understood, she finally found what she had been looking for, it turned out that she was from the Qin family.

"Auntie, can you explain everything that happened, I want to know everything that happened, tell me the truth, I want to hear everything," said Sun Xuanyin to Aunt Lung.

"explain what" aunt Lung looked confused, she seemed to be confused by what happened.

"Explain everything that happened after that incident, I want to know everything, what happened to this place" Sun Xuanyin said aloud, saying that she wanted to know everything.

"You don't remember what happened, then I'll start explaining it to you" Aunt Lung said to Sun Xuanyin, Aunt Lung told what happened to Sun Xuanyin.

It started when Sun Xuanyin was born, when Sun Xuanyin was born, the whole kingdom was happy with what happened, as a princess who was bestowed by the Nine Heaven Pure Yin Body, Sun Xuanyin became very special once, she became famous quickly for possessing the Nine Heaven Pure Yin Body and is considered a genius.

Sun Xuanyin's life at that time was very good, she grew up and lived in a peaceful family without any war, it could be said that star was very peaceful without any war.

[Chapter 2083 Aunt Lung Is Hiding Something](#)

Peaceful life very quickly passed, in an instant a shocking thing happened.

An adventurer managed to dig and find chunks of Divine Rainbow Crystal, this of course caused a lot of things, one of which was the arrival of a lot of people and started looking for the Divine Rainbow Crystal.

When the situation started to heat up, more and more great cultivators came to this place, they were aiming for the Divine Rainbow Crystal in this place, Sun Quan was one of the people looking for the Divine Rainbow Crystal for himself.

Too bad they didn't find what they were looking for, they didn't find the rumored Divine Rainbow Crystal.

Sun Quan was of course annoyed, he went straight to the Qin royal palace to find out what happened.

The King of Qin at that time could not satisfy Sun Quan by using the answers he had, as a result Sun Quan became even more angry and furious.

It was then that Sun Quan discovered that in this place there was Sun Xuanyin who possessed the Nine Heavens Pure Yin Body, this of course immediately attracted Sun Quan, he intended to take Sun Xuanyin away and wanted to use it for his own purposes.

The Qin King didn't want to give up the young Sun Xuanyin, this made Sun Quan really angry and destroyed the entire kingdom in just a matter of hours.

This great empire and city was destroyed very quickly, no one managed to survive the rampage of Sun Quan who was a high level Cultivator.

The Noble Flame Star Realm was only a low rank star, so it wasn't strange that Sun Quan could easily destroy this place.

After that incident Sun Quan brought Sun Xuanyin, he sealed Sun Xuanyin's memories and began to implant new memories so that Sun Xuanyin could become a part of the Eternal Sun Star Realm.

Aunt Lung explained very briefly what happened, she explained what happened to Sun Xuanyin.

"Hmm, so it's like that" Sun Xuanyin nodded, it seemed that it was almost similar to the memories she had, so Aunt Lung's story could be said to be true.

"Princess, what happened to you after that incident, did they treat you well?" Aunt Lung said to Sun Xuanyin.

"They treat me as a tool, but everything is fine" Sun Xuanyin said to Aunt Lung.

All this time, Sun Xuanyin had been used as a tool, for some reason she was very stupid and didn't realize that she was only used as a tool by Sun Xuanyin.

"If everyone dies, then why are you still alive?" Ye Chen asked Aunt Lung, why is she still alive if everyone is dead.

"Not everyone died, there were some survivors including me, those who survived immediately decided to move and find a safe place for them" Aunt Lung said to Ye Chen.

"Then why are you here, why don't you come along with them, this is not the right place for you" Ye Chen said to Aunt Lung.

"I've tried it, unfortunately I can't, maybe it's because I'm used to living in this place, so I decided not to leave this place" replied Aunt Lung.

Aunt Lung told her that she had tried to move out of this place, but it seemed impossible to do so, she didn't seem used to living anywhere other than the Eternal Sun Star Realm.

"Then can you tell who the people live around this place, it seems that there are quite a few people living in this city" Ye Chen asked who the people living around this place .

"They are newcomers and aim to mine Divine Rainbow Crystals, they believe that in this place there are still Divine Rainbow Crystals, so they decided to try to find their luck" Aunt Lung said to Ye Chen.

"Oh, so it turns out that they are people who are looking for a treasure, very interesting" Ye Chen finally knew who the people he saved, it turned out that they were trying to find treasures around this place.

"Do you have any more questions?" Ye Chen said to Sun Xuanyin, Ye Chen told Sun Xuanyin to ask everything she wanted to know.

"I think I'm starting to understand" Sun Xuanyin said to Ye Chen, Sun Xuanyin said that she had already started to understand what was going on.

"Let's go" Sun Xuanyin said to Ye Chen, Sun Xuanyin took Ye Chen away.

"Are you sure?" Ye Chen didn't expect Sun Xuanyin to ask him to leave.

"Thank you very much, we are going first" Sun Xuanyin said to Aunt Lung.

"Why so early, you guys can stay and have a drink first" Aunt Lung said to Sun Xuanyin.

"We still have matters to work on," Sun Xuanyin said to Aunt Lung.

"Oh, I see." Aunt Lung understood, she no longer stopped Sun Xuanyin and Ye Chen from leaving.

Sun Xuanyin pulled Ye Chen, the two of them left this place.

"Why so hasty, I'm trying to find something from the old lady" Ye Chen said.

"Don't you realize that this old woman is strange" said Sun Xuanyin to Ye Chen, Sun Xuanyin felt something strange, to be honest she felt that the current Aunt Lung looked strange.

"You are absolutely right, he seems to be hiding something, what do you think she is hiding?" Ye Chen said to Sun Xuanyin.

"I can accept that this city and kingdom was destroyed by Sun Xuanyin, but it's strange to see the entire planet being like this, it shouldn't have been Sun Quan's doing" Sun Xuanyin said to Ye Chen.

"Someone deliberately made the Noble Flame Star Realm unfit for habitation, that's not what you mean," Ye Chen said to Sun Xuanyin.

"Exactly" Sun Xuanyin agreed with what Ye Chen said, she felt that someone had deliberately made this place barren and unfit to live in.

"And that person's goal is probably the Divine Rainbow Crystal" said , Ye Chen could immediately tell what this person's original purpose was to make this place uninhabitable.

"Is there really a Divine Rainbow Crystal mine in this place?" Sun Xuanyin asked Ye Chen.

"Why, do you want me to find out about this matter?" Ye Chen said to Sun Xuanyin.

"If it's you, you should be able to do it" Sun Xuanyin said to Ye Chen.

"Let's see if I can do it or not" Ye Chen would try to find the whereabouts of the Divine Rainbow Crystal.

Ye Chen went upstairs, immediately went and found out if there was a Divine Rainbow Crystal around this place.

"**God Eyes**" Ye Chen used **God Eyes**, he used **God Eyes** to find the whereabouts of the Divine Rainbow Crystal.

Using **God Eyes**, Ye Chen should be able to easily find the whereabouts of the Divine Rainbow Crystal.

Ye Chen searched in all directions, himself looking in all directions to find the Divine Rainbow Crystal.

"Where are?" Ye Chen wanted to see the whereabouts of the Divine Rainbow Crystal, he wanted to find the whereabouts of the Divine Rainbow Crystal.

"master, why don't you look back" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to turn around, what Ye Chen was looking for should be behind.

Ye Chen immediately turned around, he immediately looked at the mountain he had just visited.

"Hmmm. . ., under the mountain there is a large amount of Divine Rainbow Crystal, this is crazy." Ye Chen saw that under the mountain there was an enormous amount of Divine Rainbow Crystal.

There Ye Chen saw that there were countless underground tunnels and some workers were mining and digging.

"Hmm, so that's how it is, it turns out that she doesn't live alone, she is with a lot of people and is trying to mine Divine Rainbow Crystals." Ye Chen saw that Aunt Lung was trying to mine Divine Rainbow Crystals on the mountain.

"It's not strange that he doesn't let people approach this place, apparently this is the reason." Ye Chen finally understood why people who were looking for Divine Rainbow Crystals were forbidden to approach. It seemed Aunt Lung was trying to monopolize Divine Rainbow Crystals alone.

"Okay, I've found it." Ye Chen said to Sun Xuanyin, he telling Sun Xuanyin what he had found.

"Where's that?" Sun Xuanyin asked Ye Chen, Sun Xuanyin asked about the whereabouts of the Divine Rainbow Crystal.

"It was under the old lady's place" Ye Chen said to Sun Xuanyin.

"Hmm, it seems I was right, she was trying to hide something" Sun Xuanyin said to Ye Chen.

Sun Xuanyin finally believed that Aunt Lung was hiding something, it seemed that she was one of the people who made this place the way it is.

"Looks like she didn't do anything bad" Ye Chen said to Sun Xuanyin.

Ye Chen saw that what Aunt Lung did was not wrong, he just wanted to get the Divine Rainbow Crystal.

"Ye Chen, you don't know a woman's mind, what do you think makes women the most to do anything and in any way?" Sun Xuanyin said to Ye Chen.

"Hmmm, treasure" Ye Chen replied to Sun Xuanyin, Ye Chen was naturally able to answer Sun Xuanyin's easy questions.

"That's right, women can do anything for treasure, so it seems I want to know everything from this old lady," said Sun Xuanyin to Ye Chen.

"Just do it, you can do whatever you want" Ye Chen said to Sun Xuanyin.

Ye Chen let Sun Xuanyin do whatever she wanted.

"Good, let's go." Sun Xuanyin said to Ye Chen.

The two return, they infiltrate Aunt Lung's place and begin to devise a plan to find out what happened.

"You guys quickly dig deeper for me" Inside the mountain, the workers began to be ordered and treated by force.

Aunt Lung, who seemed friendly, started to force the workers to do what she wanted.

Sun Xuanyin saw that this woman was different from before, it was clear that she was good at acting.

"As I thought, it's quite strange to see him living alone while everyone else didn't survive the killings that took place" said Sun Xuanyin in a disgruntled tone.

[Chapter 2084 Ye Chen Guessed What Aunt Lung Was Doing](#)

"It's not strange that newcomers are forbidden to approach, apparently this is the reason," Ye Chen said to Sun Xuanyin.

"Let's take a closer, I want to make sure everything" said Sun Xuanyin, Sun Xuanyin wanted to confirm everything, she wanted to make sure that everything was as she thought.

The two of them approached, they saw what Aunt Lung was doing, they saw that Aunt Lung forced all the workers to dig deeper immediately, she wanted to get the things she wanted as soon as possible.

All the workers seemed to be forced to do it, they didn't have the strength to fight Aunt Lung.

Despite being a servant, in reality this woman's strength could be said to be quite high, she was much taller when compared to everyone else living in this place.

This alone made Sun Xuanyin and Chu Yuechan suspicious, they both felt that this old woman was no ordinary woman.

"Please let us rest, we have all worked day and night for several days" the workers asked Aunt Lung to give a little relief.

They had worked really hard, so it wouldn't be strange for them to ask for leniency for themselves.

"You won't get it, until I get a Divine Rainbow Crystal" Aunt Lung said in a pretty loud voice.

Aunt Lung hadn't gotten the Divine Rainbow Crystal for months, so it wasn't strange that she was very angry and very upset, this made Aunt Lung's finances very weak, she needed more Divine Rainbow Crystals to build her own empire.

"We can't afford it anymore, so please give us a break" said the worker to Aunt Lung.

They were all already incapacitated, so it wouldn't be strange for them to ask Aunt Lung for a waiver.

"If I say no, then that means no, do you not understand what I'm saying" Aunt Lung took a whip, she seemed angry when she saw a rebel who wanted to fight her.

When Aunt Lung used the whip, everyone was instantly frightened, they were all instantly frightened by what had happened.

When Aunt Lung was angry, it meant violence would occur, so they were all scared and didn't dare to speak anymore.

"Why are you quiet, let's talk" said Aunt Lung to the people around this place.

Everyone was still silent, they didn't want to talk and say what happened, they were still afraid to voice their protest to Aunt Lung.

"We are tired, we want to rest" a young man boldly said, he said that he was tired and needed rest.

Aunt Lung immediately looked at the young man with a look of hostility and hatred, she used her whip and immediately attacked the young man who dared to go against her orders.

"Ah. . . ." this young man did not have time to dodge, one of his legs was broken immediately after receiving an attack from Aunt Lung.

The attack launched by Aunt Lung was quite strong, it instantly broke the leg of the young man who dared to defy his orders.

"Who else wants to try it?" Aunt Lung said to the people around this place.

"Looks like it's time to stop what was happening" Ye Chen said to Sun Xuanyin.

Ye Chen told Sun Xuanyin to stop all this, it was better to stop everything that was happening as soon as possible.

"You are absolutely right, there are many things I want to know." Sun Xuanyin agreed with what Ye Chen said, there were many things she wanted to know.

"So this side job you do is very interesting." Sun Xuanyin came out, she came out and said to Aunt Lung.

"Eh, princess, what are you doing?" Aunt Lung said to Sun Xuanyin, she didn't expect that Sun Xuanyin would appear in this place.

"I came to confirm something, I didn't expect you to do something like this," said Sun Xuanyin.

"It's not what you think" Aunt Lung said to Sun Xuanyin, Aunt Lung tried to explain what happened to Sun Xuanyin, she explained what happened to Sun Xuanyin if it wasn't as imagined.

"We've seen everything, so why are you hiding what happened?" Ye Chen said to Aunt Lung.

Ye Chen was at the top, he was watching Aunt Lung and blocked all routes that Aunt Lung passed.

"You" Aunt Lung looked at Ye Chen, this man is such a troublesome person.

No, to be more precise Ye Chen and Sun Xuanyin were two people who were equally troublesome for him.

"You better start telling the truth to both of you, we both already know your lie" Ye Chen said to Aunt Lung.

"Why did I do it, I don't need to explain it to you two," said Aunt Lung.

"So you don't want to explain, then I might have to guess what happened" Ye Chen said to Aunt Lung.

Ye Chen had thought this through very well, he already knew what Auntie was up to.

"What are you talking about" Aunt Lung said to Ye Chen, Aunt Lung seemed to be worried when she listened to what Ye Chen said.

"I told you, I know what you have planned" Ye Chen said to Aunt Lung.

"no way, you must be just bluffing, you must not know what happened" Aunt Lung said to Ye Chen.

Aunt Lung didn't believe what Ye Chen said, she didn't believe what Ye Chen said about her.

"Want to give it a try" Ye Chen said with an evil smile.

Aunt Lung started to get scared, she was scared when she saw what Ye Chen looked like, Ye Chen seemed to know what he was doing.

"Okay let's start, from the beginning the adventurer you told about was a lie, it's obvious that the first person to find the Divine Rainbow Crystal was you, after that you started planning to create rumors, there were a lot of people who came and made a fuss, until the time has come when Sun Quan destroys this place."

"After this place was destroyed, you carried out your next plan, ruined this place to make it uninhabitable and started mining Divine Rainbow Crystals for yourself, isn't that what you did" Ye Chen said.

Ye Chen said everything that happened, himself said everything that happened in this place.

Sun Xuanyin was shocked when she heard what Ye Chen said, to be honest she didn't expect that Ye Chen would think that far.

"How can he be so smart, I didn't even think that far." Sun Xuanyin herself admitted that Ye Chen was a great thinker.

Aunt Lung looked scared and looked shocked when she saw what had just happened, to be honest she didn't expect that Ye Chen would guess everything she had done.

"You, who exactly are you, you are unreasonable." Aunt Lung said to Ye Chen, she felt that Ye Chen was unreasonable, how could Ye Chen know what she was planning.

"hehehehe, so you admit it" Ye Chen said while showing his victory.

Ye Chen succeeded, he had succeeded in getting Aunt Lung to speak, this way he was the winner.

"Damn it, what if you knew what happened, it wouldn't change anything" Aunt Lung said to Ye Chen.

"Of course it won't change what happened, everything has happened, time can't be turned back, so all we can do is try you" Ye Chen said to Aunt Lung.

"That's right, you have made a city die, it's all because of the greed you have" Sun Xuanyin said to Aunt Lung.

Sun Xuanyin finally found the root of the problem, she managed to find the root of the problem that destroyed her entire city and made herself a tool for Sun Quan.

"You've found it haven't you, now it's up to you what you want to do" Ye Chen said to Sun Xuanyin.

Ye Chen allowed Sun Xuanyin to do as she needed.

"Thank you very much, you really helped me." Sun Xuanyin thanked Ye Chen, Ye Chen was very helpful to her.

Sun Xuanyin started to get closer, she started to move closer towards Aunt Lung.

"what are you doing" Aunt Lung looked scared when she saw Sun Xuanyin approaching, honestly what Sun Xuanyin was doing made her feel scared.

"What's wrong, are you scared?" said Sun Xuanyin.

"Why so acutely afraid of a little girl like you?" Aunt Lung said that she was not afraid of Sun Xuanyin.

"Little one, how interesting, it is rare for someone to dare to call me that," Sun Xuanyin said to Aunt Lung.

Sun Xuanyin was a terrible woman, this woman was terrible enough and feared enough by her enemies, this would be a terrible thing when Sun Xuanyin was angry.

Aunt Lung used her whip, she started to attack Sun Xuanyin with her whip.

Sun Xuanyin caught the enemy's whip, she only needed to use one hand to catch the enemy's whip.

"No way" Aunt Lung seemed surprised when she saw what Sun Xuanyin was doing, how could Sun Xuanyin catch her attack so easily.

"Why, are you surprised?" asked Sun Xuanyin, Sun Xuanyin only showing a little of her ability.

"I haven't used my true power either," Aunt Lung said to Sun Xuanyin.

As a fellow woman, Aunt Lung couldn't stand being humiliated by a young princess like Sun Xuanyin.

"You really don't know what a big mistake you've made, then let me make you regret it." Sun Xuanyin started to use the power she had, she used the power of the sun and started to melt Aunt Lung's lewd.

With just a light touch, the whip in Aunt Lung's hand melted, as well as Aunt Lung's one hand, it also melted because of the heat that was delivered.

"ahhh. . . , it's so hot." Aunt Lung shouted, she screamed when she received an attack from Sun Xuanyin.

"What are you doing?" Aunt Lung said to Sun Xuanyin.

"used only a small part of the strength" Sun Xuanyin told her that she had only used a small part of the strength.

"I won't kill you, I still have a lot to dig out of you" Sun Xuanyin said to Aunt Lung.

[Chapter 2085 Aunt Lung's Ally Arrival](#)

"impossible, why are you so strong?" said Aunt Lung to Sun Xuanyin, Aunt Lung felt that Sun Xuanyin was very strong.

"I am not strong, you are the only one who is too weak" said Sun Xuanyin to Aunt Lung.

Sun Xuanyin told that she was not weak, rather Aunt Lung was too weak.

"I wonder how a weak person like you can survive" Sun Xuanyin still wants to know how a weak person like Aunt Lung can survive against Sun Xuanyin's strength, Sun Xuanyin should be able to easily kill this old woman.

"you want to know, then I will let you know" said Aunt Lung to Sun Xuanyin.

"they are coming, you are late, you will not be able to escape anymore, I will make you my employees, and you are pretty enough, maybe you can be a servant for my people" said Aunt Lung to Ye Chen and Sun Xuanyin.

"Someone is coming from outside, they are fast" Ye Chen told Sun Xuanyin, he told that outside there are a lot of people approaching towards this place.

"how many of them" Sun Xuanyin asked Ye Chen, she asked the number of enemies trying to come.

"maybe around 20 people, they seem to be quite trained" Ye Chen said to Sun Xuanyin.

Judging from their footsteps and movements, they were trained people who had experienced many battles.

"are they space pirates" Sun Xuanyin said to Ye Chen.

From the explanation that Ye Chen said, it was likely that they were in space pirates.

They usually kill and target every weak cultivator they come across.

"Most likely" Ye Chen said to Sun Xuanyin.

Ye Chen saw that this was among the robbers, they came here to help Aunt Lung, that means this old lady had a connection with the robbers.

"It looks like they are working together, one arrests people to work in this place, while the other is in charge of guarding this place" Ye Chen analyzed the possibilities.

"they came" Ye Chen said to Sun Xuanyin, he told them that they came.

"boom. . ." an explosion occurred, a very powerful attack was immediately launched towards Ye Chen and Sun Xuanyin.

Ye Chen and Sun Xuanyin immediately used their strength to repel the attack from the enemy, the sneak attack by the enemy failed, they could not kill Ye Chen and Sun Xuanyin.

"do another attack" seeing that their attacks could not hit Ye Chen and Sun Xuanyin, the leader of this group directly attacked Ye Chen, they attacked Ye Chen with much greater strength.

"they are disturbing enough" Ye Chen felt that the group that had just arrived was disturbing, they were disturbing enough and should be removed immediately.

Ye Chen decided to attack, he attacked the robbers who were ambushing.

"Bam, Bam, Bam, Bam, Bam, Bam, Bam" several attacks hit and drop more than half the enemies.

"very strong" the robbers who came looked very scared after they saw the strength shown by Ye Chen, they did not expect that Ye Chen would be very strong.

"Do you still want to go forward" said Ye Chen to the robbers in front of him.

The group of robbers in front were silent, they were speechless when they heard what Ye Chen said, they seemed hesitant to attack Ye Chen.

"What are you doing, quickly kill that person right now, don't let him do something like that" said the robber leader to his men who could fight.

"boss, this man is strong, why don't you come forward and fight him" everyone told their boss to come forward, it seems that Ye Chen is a strong person, so they told their boss to come forward.

"You guys are so useless" the robber boss was angry, he was angry when he saw his men were afraid of Ye Chen.

They should fight Ye Chen and destroy Ye Chen, it's a shame they were afraid after seeing Ye Chen's great strength.

The robber boss advanced, he advanced and began to attack Ye Chen.

Ye Chen used one hand to deflect the attack from the enemy in front of him.

"you don't look that strong, feel this" Ye Chen immediately used his own strength, he immediately attacked the enemy with a fairly strong attack.

"Bam. . ." with just one hit, the robber boss immediately fell and fell unconscious.

"Boss! ! !" everyone looked very surprised as they saw Ye Chen defeat their boss with just one punch.

"okay done, do you want to surrender or do you have to get hurt" said Ye Chen to the rest of the robbers.

The rest of the robbers immediately released their weapons to the ground, they no longer dared to fight Ye Chen.

"very good" Ye Chen was satisfied, he was satisfied with this result.

.
.

Back to Sun Xuanyin and Aunt Lung's battle, Sun Xuanyin tried to dig up information, she used her own way to get information.

"quickly tell me the whole truth, otherwise I will make you regret it" Sun Xuanyin told the old lady in front of her to say what really happened.

"quickly let me go, if you keep doing things like this to me, I will make you regret it" said Aunt Lung to Sun Xuanyin.

Aunt Lung just got help, it's no wonder she's so arrogant and self-confident.

"look carefully, the help you called has been disabled" said Sun Xuanyin to Aunt Lung.

Hearing this, Aunt Lung immediately saw what was happening, she saw that all the bandits she had called had been defeated by Ye Chen.

"no way" Aunt Lung couldn't believe what was happening, how could they be defeated so easily.

"quickly get up and fight them" Aunt Lung told the robbers she called to immediately fight and destroy Ye Chen.

"It's useless, they won't wake up, I've paralyzed them" Ye Chen said to Aunt Lung, Ye Chen telling her that they had been paralyzed and could no longer fight.

"You two are really troublesome, if this is the case, I have no other choice" Aunt Lung had no other choice, she took something to face Ye Chen and Sun Xuanyin.

"about what she took" Ye Chen wanted to know what the old woman took.

"It looks like a sword" Chu Yuechan said to Ye Chen.

Chu Yuechan saw that this old woman was picking up a sword, she was picking up a sword that was very thin and had a green color.

"that sword contains poison" Ye Chen saw that the sword that Aunt Lung had just taken contained poison.

"This is a poison that can directly melt your body with just one touch, it has a very high acid property, once it hits, your body will melt" said Aunt Lung to Sun Xuanyin.

"is that so" Sun Xuanyin looked very relaxed, she didn't seem to care too much about the toy that Aunt Lung had just picked up.

"What's wrong with that reaction, should you be afraid" said Aunt Lung to Sun Xuanyin.

"why should I be afraid, it's just a toy" said Sun Xuanyin to Aunt Lung.

"this is not a toy, this is something that can kill you" said Aunt Lung to Sun Xuanyin.

"hmmm, let me get rid of that thing for you" Sun Xuanyin used her strength, she used the breath of the sun to melt Aunt Lung's sword.

"ah. . . ." Aunt Lung immediately threw the sword in her hand, the sword in her hand melted again due to the heat from Sun Xuanyin.

"I don't have time to keep joking with you, we'd better end this as soon as possible" said Sun Xuanyin to Aunt Lung.

Sun Xuanyin didn't have enough time, she would end everything quickly.

Sun Xuanyin snapped her finger, a small ball appeared in Sun Xuanyin's hand.

When this little ball appeared the temperature of this place rose quickly, in just a moment this place turned into a very hot room.

"What is this, why is it so hot" Aunt Lung felt hot, her body started to turn red and sweat started to come out and wet her whole body.

"The temperature around us will continue to rise, if you don't speak quickly, then maybe you will melt" said Sun Xuanyin to Aunt Lung.

Sun Xuanyin used her own way, she would make Aunt Lung say everything she knew without hiding anything.

"I won't say it" Aunt Lung refused to say it, she refused to say what happened.

"Is that so?" Sun Xuanyin immediately increased the temperature quickly, in a short time a plume of smoke began to emerge from the ground below them.

This is starting to get serious, the area around is starting to turn red, even the rocks are starting to melt when receiving this hot temperature.

Aunt Lung's skin began to burn, she began to feel a burning heat deep into her bones.

"time goes on" said Sun Xuanyin, Sun Xuanyin told that time goes on.

"okay, I'll say it" Aunt Lung finally wanted to tell the truth, she said what happened in the past.

Aunt Lung told Sun Xuanyin family, she told Sun Xuanyin everything she wanted to know.

Aunt Lung told the truth to Sun Xuanyin, she told everything she had done in the past,

What Ye Chen said was almost the same as Aunt Lung said, the difference was Aunt Lung who had arranged this matter very well, she did this is because of envy of the royal family who have a lot of resources to support their cultivation.

Aunt Lung also arranged for Sun Xuanyin to be taken away by Sun Quan, everything was arranged so perfectly by Aunt Lung that someone like Sun Quan did not realize this.

[Chapter 2086 Big Mine](#)

"she is quite smart" After Ye Chen listened to what happened, Ye Chen had to admit that this woman was quite smart, it was evident when he saw Aunt Lung who could manage everything perfectly.

"You're pretty awesome, it's a shame it all ended here" Sun Xuanyin said to Aunt Lung.

Sun Xuanyin drew closer to Aunt Lung, telling her that this was Aunt Lung's end.

"End at this place, don't joke, this is still the beginning, and the beginning is the day you die." Aunt Lung took a needle, she intended to stab Sun Xuanyin with this needle.

"Watch out" Ye Chen approached, he helped Sun Xuanyin who was about to get hit by Aunt Lung's needle.

Using high speed, Ye Chen directly held Sun Xuanyin, he parried the needle from aunt Lung.

"It hit you" Aunt Lung said to Ye Chen Ye Chen got hit by her needle.

"Are you okay?" Sun Xuanyin asked Ye Chen, Sun Xuanyin seemed to be worried about Ye Chen, it should have been a dangerous needle.

"He will soon end, The needle contains poisonous ice mushrooms, Once it enters the body, the person's body will freeze from the inside quickly, and in less than 1 minute, the person will turn to ice," Aunt Lung said to Sun Xuanyin.

Aunt Lung explained what would happen to Ye Chen, she had used the poisonous Ice Mushroom on Ye Chen, the effect should be soon .

"You are so brave, it seems I have to kill you" Sun Xuanyin was very angry, she was very angry with what did what Xuanyin Aunt Lung did had hurt Ye Chen.

"Now let's see the effect" Aunt Lung said if she wanted to see what effect the item she used had on Ye Chen, Ye Chen should be starting to freeze inside .

Time was running out, Sun Xuanyin tried to help Ye Chen in every way she could, she intended to help heal Ye Chen.

In contrast to Sun Xuanyin who was very worried about Ye Chen, Ye Chen seemed to be very relaxed, he seemed to be very relaxed when he received the poison from the Ice Mushroom.

Time quickly passed, more than 3 minutes of time had passed, until now there was no sign of Ye Chen frozen.

"huh? ?" Aunt Lung of course was confused and felt stupid about what was happening, to be honest she didn't know what was going on.

"why?, why don't you freeze" aunt Lung said to Ye Chen, Ye Chen should have started to freeze.

"Do you think poison like this will work against me" Ye Chen said to Aunt Lung.

Ye Chen wouldn't be able to attack with a weak poison like this, a weak poison like this wouldn't work in destroying Ye Chen.

"No way" Aunt Lung couldn't believe what she was hearing, she should have won this battle.

"You should know that I am immune to this kind of thing, so what you are doing is pointless" Ye Chen said to Aunt Lung.

"Humph. . ." Sun Xuanyin was relieved when she heard this, she was relieved when she found out that Ye Chen was fine.

Ye Chen was enough to make Sun Xuanyin worry, to be honest what had happened made Sun Xuanyin very fast, somehow her current self was very worried about Ye Chen, she was very worried about Ye Chen.

Just now he was very worried, he was very worried if something happened to Ye Chen, he also showed more concern for Ye Chen.

"Looks like this woman is quite dangerous, why don't you just do it right away" Ye Chen told Sun Xuanyin to forcefully dig up information.

"You are absolutely right, it seems that I will do this by force." Sun Xuanyin was about to do it, she no longer trusted this old woman.

"What are you going to do?" Aunt Lung said to Sun Xuanyin, wanting to know what Sun Xuanyin would do .

Sun Xuanyin didn't say anything, she immediately took action on Aunt Lung.

Sun Xuanyin immediately grabbed Aunt Lung's head, it was clear that Sun Xuanyin wanted to take Aunt Lung's memories by force.

This of course would make Aunt Lung a fool, this was done by Sun Xuanyin because she had no other choice.

"argh. . ." Aunt Lung started screaming, she felt her thoughts running out.

"stop, what are you doing to me" aunt Lung shouted, she screamed and roared towards Sun Xuanyin.

Sun Xuanyin didn't care anymore, she didn't care about aunt Lung's screams and requests anymore.

"You have dared to do something unkind to my young master, do you think you can get away easily, I won't let off the hook easily" Sun Xuanyin said to Aunt Lung.

Sun Xuanyin gave off an extremely terrifying killing aura, she gave off a terrifying killing aura towards Aunt Lung.

Aunt Lung felt strange, she began to be unable to think, all her memories became blurred and she could no longer think like before.

Sun Xuanyin absorbed Aunt Lung's memories very quickly, in just a matter of minutes she had absorbed all of Aunt Lung's memories.

"I see." Sun Xuanyin now had all the answers she needed, she now knew her family.

she also knows how aunt Lung plots, to be honest this woman is dangerous, she has destroyed a nation for her own ends.

"Death will be easy for you, I will let you feel a deep bitterness" said Sun Xuanyin to Aunt Lung.

Sun Xuanyin would not kill aunt Lung, for Sun Xuanyin killing this woman would ease her suffering.

"what are you going to do" aunt Lung said to Sun Xuanyin, she still seems to be able to talk to Sun Xuanyin.

Sun Xuanyin started to break aunt Lung's legs, she started to break this woman's meridians.

"ahhhh. . ." aunt Lung shouted, Sun Xuanyin made herself feel terrible pain.

"Now you will no longer be able to harm people," said Sun Xuanyin to Aunt Lung.

Sun Xuanyin has done a good thing, she destroyed Aunt Lung's power, so Aunt Lung won't be able to do anything bad.

After breaking the leg and destroying Aunt Lung's cultivation, Sun Xuanyin immediately left this old woman.

"I've got the answer I wanted" Sun Xuanyin said to Ye Chen, she already knew her family, maybe now is the time for Sun Xuanyin to pray for them.

"I will take care of the people here first, you can go first" Ye Chen will take care of the slaves in this place, Ye Chen can't just leave them.

"OK" Sun Xuanyin understood, she headed towards the royal palace.

Sun Xuanyin went alone, she went alone towards the ruined royal palace.

"okay you all gather" Ye Chen gathered everyone, he gathered everyone who was aunt Lung's captive.

Everyone gathered, they all gathered near Ye Chen.

"I'll just go ahead, I intend to take you all away from this place, in this bulkhead there are pretty good stars, it's up to you whether you want to stay in that place or you want to come back, the decision is yours" Ye Chen said to everyone.

"thank you very much" everyone thanked what Ye Chen did, they all thanked what Ye Chen did.

"Line up, I'll give you the Divine Red Profound Crystals." Ye Chen told everyone he would give the Divine Red Profound Crystals to everyone.

Everyone seemed overjoyed when they heard this, they were all overjoyed when Ye Chen gave them the Divine Red Profound Crystal.

Ye Chen gave Divine Red Profound Crystals in large quantities, with the amount that gave them, they could live decently for the next thousands of years.

"Take care of it, I'm not responsible for what I give" Ye Chen said to everyone.

"thank you" everyone thanked Ye Chen, they were all grateful for what gave .

After giving everyone proper gifts, Ye Chen directly escorted them all to the nearest low-ranking star from this place.

After he finished dropping off everyone, Ye Chen went back inside and started digging to find Divine Rainbow Crystals.

The Divine Rainbow Crystal should be at the bottom, I'd better start digging using the power I have.

Ye Chen used his strength to dig, he dug deep enough into the deep.

The Divine Rainbow Crystal was extremely deep, the temperature inside increased as Ye Chen's depth fell.

Ye Chen wasn't too affected by the temperature, so he remained relaxed and didn't care about the temperature.

Ye Chen dug to a depth of thousands of miles, after arriving Ye Chen found a place that was wide and full of Divine Rainbow Crystals.

"Wow, you found a huge treasure" Chu Yuechan said to Ye Chen, she said that Ye Chen found a treasure.

"hehehehe, as I thought, it's downstairs." Ye Chen was also happy, he looked very happy when he found out that he had found such a large number of Divine Rainbow Crystals.

"Your luck is really too great" Chu Yuechan said to Ye Chen.

Chu Yuechan had to admit that Ye Chen had very good luck, he had very good luck, finding large quantities of Divine Rainbow Crystals was everyone's dream, including the dream of great power in the God Realm.

"Let's start mining" Ye Chen made a clone, he started to mine all the Divine Rainbow Crystals available.

Right now Ye Chen had the power of the earth, so mining would be a lot easier than before.

Ye Chen and all of the Clones were mining very fast, with this kind of speed, they could probably mine everything in a 2 hour gap.

"huh?" when Ye Chen was mining, he felt that someone was watching him.

"Yuechan, I feel that someone is watching us" Ye Chen said.

"I don't feel someone, do you feel it?" Chu Yuechan asked.

Chu Yuechan didn't feel anything around this place, around there was only Ye Chen.

[Chapter 2087 Chan Simbo And Da Tenry Started To Move Against Ye Chen](#)

"That's weird, I don't feel anything either, but why do I feel like someone is watching me earlier?" Ye Chen said to Chu Yuechan.

Ye Chen already sensed that someone was watching him, someone was watching him from a distance.

"Maybe it's just your feelings" Chu Yuechan said to Ye Chen, Chu Yuechan told that it was only your feelings.

"Is that so" Ye Chen wasn't sure, he wasn't sure if it was just a feeling, he could feel it very clearly.

"I have to be more vigilant" Ye Chen had to be even more vigilant, he had to be more aware of what was around him.

Ye Chen continued to harvest, he harvested very quickly, in just a short time, Ye Chen managed to harvest everything in this super large mine.

.

.

"This fellow, how can he be aware of the existence of bugs?" Da Tenry was shocked when he saw that Ye Chen was able to find him.

"How is that possible?" Chan Simbo also couldn't believe what had happened, they shouldn't have been able to be found by Ye Chen.

Da Tenry's ability is to control animals from a great distance, he can even control a huge number of Magical Beasts.

It could be said that this man's ability was a beast tamer, this was a very rare ability in this world.

"I don't know" Da Tenry didn't know, Ye Chen was such a great person, it wasn't strange that Sun Quan could lose to this person.

"Then what are we going to do next?" Chan Simbo asked he wanted to know what they would do next.

"I don't know" Da Tenry said he didn't know what to do next.

"This fellow has managed to find such an enormous amount of Divine Rainbow Crystals, with such a large number of Divine Rainbow Crystals, he would easily form a terrifying force in this God Realm" Da Tenry said.

"I'm quite envious to hear that, how about we just grab it Divine Rainbow Crystal from that man's hand" Chan Simbo said to Da Tenry.

Chan Simbo wanted to snatch the Divine Rainbow Crystal from Ye Chen's hands, if they could get Ye Chen's Divine Rainbow Crystal, they could become the richest and most powerful person in the God Realm.

"It won't be easy to do" Da Tenry said, doing it is not as easy as said, Ye Chen is one of the strong people, so it is not easy to kill this man.

"are you afraid?, this is a very good opportunity for both of us, if we succeed in defeating this person, we will get a lot from the superiors" said Chan Simbo, Chan Simbo tried to instigate Da Tenry, he tried to instigate Da Tenry to fight Ye Chen.

Da Tenry started to think, he started to think what he should do, whether he should fight Ye Chen or not.

This was a very difficult decision, it could be said that it was the most difficult decision that Da Tenry had to make.

"Come on, don't be a coward," Chan Simbo to Da Tenry.

"Alright, then let's make a plan, first we kidnap Sun Xuanyin, she is also one of our targets, after that we face that person together, by combining the strength we have, we might be able to kill and eliminate the threat to God Realm.

"That's the answer I want to hear from you, let's get started." Chan Simbo had been waiting for Da Tenry to say this, it was time for them to fight.

Da Tenry and Chan Simbo had neglected their main duty, they had neglected their duty to keep an eye on Ye Chen alone.

They may get into a very big problem because they have neglected the tasks assigned by their superiors.

Da Tenry and Chan Simbo started to move, they started moving towards where Sun Xuanyin was.

First they would take care of Sun Xuanyin, after that they would take care of Ye Chen, this was their plan which was quite insane and unreasonable.

.

.

Ye Chen was mining at an astonishing speed, he had almost finished mining this place.

"Fortunately the storage space inside the fairy gate is super huge, otherwise I would need a lot of Space Rings.

"That is one of the advantages of having a fairy gate" Chu Yuechan said to Ye Chen.

Chu Yuechan was quite happy when she heard this, she was happy when Ye Chen praised the fairy gate storage room.

"rumble. . ." while Ye Chen and Chu Yuechan were talking, there was an earthquake, the ground shook and countless rocks collapsed.

"Who is fighting up there?" Chu Yuechan wanted to know who was fighting up there.

"This is Sun Xuanyin ?" Ye Chen saw that this was Sun Xuanyin's strength, he could feel very clearly that this was Sun Xuanyin's strength.

"she used an enormous amount of power" Chu Yuechan said to Ye Chen.

"This great power, who is she fighting with?" Seeing such a great power, it was certain that Sun Xuanyin was fighting someone strong.

"Maybe she met a strong person" Chu Yuechan said to Ye Chen.

It was highly likely that Sun Xuanyin had encountered such a powerful person, it required her to use her full strength.

"Damn, could it be that he met the pursuer?" Ye Chen felt that if the situation was abnormal, he should immediately rise to the surface.

Ye Chen rose to the surface, he rose at a very fast speed, in just a short time he had reached the top.

Ye Chen went straight to where Sun Xuanyin was, he used high-level flying speed to get to where Sun Xuanyin was.

Ye Chen only needed a few minutes, he only needed a few minutes to be able to reach Sun Xuanyin's place.

When Ye Chen arrived at Sun Xuanyin's place, he found a very large crater, this crater was enormous and was created from a great battle.

Ye Chen looked for Sun Xuanyin, when he searched, he found two men, these two men looked at Ye Chen, in their hands was the injured Sun Xuanyin, this man strangled Sun Xuanyin's neck quite hard.

"Who are you, why are you doing this, are you from the Eternal Sun Star Realm?" Ye Chen said to Chan Simbo and Da Tenry.

"You're pretty fast, too bad you're a few seconds late" Chan Simbo to Ye Chen.

"Forget it, I don't care who you are, but you dare also attack my servant, are you not afraid of the risk" Ye Chen said to Chan Simbo and Da Tenry.

"Hahaha, do you think we will be afraid of your little bluff." Chan Simbo and Da Tenry were not afraid, they were not afraid of Ye Chen's little bluff.

"I see, then I don't need to hold back anymore" Ye Chen decided not to hold back anymore, he decided to no longer hold back against Chan Simbo and Da Tenry.

"Master, it seems that they are members of the 12 Guardian Gods, the strength of the two is at the peak" Chu Yuechan said to Ye Chen.

"With their current strength, the possibility is very high, they must have been sent to eliminate me" Ye Chen replied.

"They have started to move, it will be a quick battle" Chu Yuechan said to Ye Chen.

"They have started, I have to start too" Ye Chen said to Chu Yuechan.

Ye Chen couldn't stay still, he had to fight the 12 Guardian Gods who started to move.

"Good, let's get started, I'll kill you right away" Chan Simbo became impatient, he advanced towards Ye Chen and started attacking Ye Chen with a dagger.

"dagger, an assassin" Seeing the weapon owned by the opponent, Ye Chen confirmed the identity of Chan Simbo.

Chan Simbo made a very fast move, he used a very fast distracting move to distract Ye Chen.

"You must be surprised when you see the speed I have, this is the first killer speed in God Realm, you won't be able to keep up with this speed with those lowly eyes of yours " Chan Simbo underestimated Ye Chen, he boasted of his extremely fast speed.

"It's true, you have amazing speed" Ye Chen admitted that Chan Simbo's speed was amazing, this man was much faster than all the enemies he fought.

"Ye Chen run, they are both very strong, the combined strength of the two of them may be above Sun Quan" Sun Xuanyin said to Ye Chen,

Sun Xuanyin told Ye Chen to run away from this place, she wanted Ye Chen to leave her.

" I'll help you right away" Ye Chen said to Sun Xuanyin.

"Hahahaha, very funny joke, you already know the power I have, this is the time for you to accept your defeat, I will exterminate you in this place" said Chan Simbo.

Chan Simbo used the dagger in his hand, he attacked Ye Chen who looked confused.

"die" Chan Simbo said in a loud voice, he was about to stab Ye Chen quickly and deadly.

"slow" Ye Chen turned his head, he could see all the moves made by Chan Simbo.

"what ! ! !" Chan Simbo was shocked when he saw this, he didn't expect that Ye Chen could see his movements.

"Eagle Cloud Turner Claw" Ye Chen used the Eagle Cloud Turner Claw, he directly attacked Chan Simbo who was in front of him.

Ye Chen's speed was far above Chan Simbo, this made Ye Chen able to attack Chan Simbo quickly.

"Gah. ." Chan Simbo's body spun, he spun around and his entire outfit shattered into pieces before falling to the ground and making a huge crater.

"Bok, an explosion sent the ground flying and sent flying far away.

"huh?" Da Tenry was shocked when he saw Chan Simbo being dropped by Ye Chen, Ye Chen was so fast, he didn't see what had just happened.

"It seems that doing Dual Cultivation with Shui Yixian and all the women has made you stronger" Chu Yuechan said to Ye Chen.

"I think so" Ye Chen agreed, he has become stronger than before, his cultivation base has also reached the sixth stage, this makes Ye Chen even more invincible.

[Chapter 2088 Managed To Take Down Da Tenry And Chan Simbo](#)

"This can't be happening" Da Tenry couldn't believe what was happening, he couldn't believe it when he saw what happened, to be honest what happened made Da Tenry a fool.

Chan Simbo was defeated very easily by Ye Chen, this of course was very surprising for Da Tenry.

"Your friend has been cleaned up, now it's just you" said Ye Chen to Da Tenry.

"glup. . ." Da Tenry gulped, he started to become afraid of Ye Chen, what Ye Chen showed made Da Tenry become afraid.

"Hehehe, looks like I managed to scare him" Ye Chen saw that he managed to Da Tenry.

"why am I shaking" Da Tenry started to tremble, he started to tremble when facing Ye Chen.

Ye Chen advanced, he advanced towards Da Tenry, Ye Chen intended to destroy Da Tenry who dared to attack and injure Sun Xuanyin.

Sun Xuanyin now belonged to Ye Chen, she would not allow others to do bad things with what she had.

"Bastard" Da Tenry roared, he started to summon monsters around this place, he also opened the teleportation gate.

"teleportation gate, what is he going to do" Ye Chen wanted to know what Da Tenry would do.

When Da Tenry opened the teleportation gate, a large group of monsters started to come out, there were dragons, rhinos, big birds, big snakes, big Lion, big tigers and many more.

"Do you have a private zoo?" Ye Chen saw that Da Tenry had just opened the gate to the private zoo.

"You are really stupid for letting me summon my pet, with this we will be the victor" Da Tenry said to Ye Chen, Da Tenry was confident, after summoning his pet, he would be invincible.

All of Da Tenry's pets were top grade Magical Beasts, it wasn't strange that he was very confident in facing Ye Chen, it was clear that he had a numerical advantage against Ye Chen.

"No matter what you do, the outcome of this battle will remain the same" Ye Chen said to Da Tenry.

Even though Da Tenry won number of ally, in reality the Magical beasts he summoned weren't that strong.

"You can say that because you haven't tasted the power of my pet, if you feel it yourself, you will know its power" Da Tenry said to Ye Chen.

"Then go ahead, I will finish this quickly" Ye Chen said to Da Tenry.

Ye Chen told Da Tenry to come forward, he would finish this quickly.

"Bastard" Da Tenry was annoyed with Ye Chen, he immediately launched a powerful attack towards Ye Chen.

All the Magical Beasts had bowed to Da Tenry, they launched various attacks, some spouted something, some roared, some clawed and many more attacks were currently heading towards Ye Chen.

"God Domination Pressure" Ye Chen used God Domination Pressure, himself exerting enormous pressure towards the Magical Beast controlled by Da Tenry.

When Ye Chen used God Domination Pressure, all the magical beasts immediately fell silent, they started to break out in cold sweat when facing the strong pressure emanating from Ye Chen.

"What's wrong, why are you silent?" Da Tenry said to the Magical beasts he had, he told them to immediately attack and kill Ye Chen, he had to make sure Ye Chen died in this place.

All the Magical beasts were silent, it was clear that they did not dare to fight Ye Chen, with Ye Chen's great and super terrifying strength all the Magical beasts were afraid.

All the Magical beasts left, they all immediately left and moved away from Ye Chen.

They ran as if they were seeing the most terrifying and terrifying monster in the world.

"What happened to you?" Da Tenry asked the Magical Beast that he summoned, why were they afraid when facing Ye Chen, everything should be fine and they shouldn't be afraid of Ye Chen.

All the magical beasts were no longer brave, with the terrifying pressure that Ye Chen had just used, obviously all the magical beasts ran to save themselves.

"Hahahaha, looks like you are alone" Ye Chen said to Da Tenry.

Da Tenry is now alone, all the Magical beasts that he summoned fled and left him, all the Magical beasts went and hid from Ye Chen.

"What did you just do?" Da Tenry asked Ye Chen, Da Tenry still didn't understand, he still didn't understand what Ye Chen was doing, to be honest what Ye Chen did was a very strange thing.

Ye Chen purposely, he didn't use God Domination Pressure on Da Tenry, he did this to confuse Da Tenry.

"What do you think happened, it's obvious that they are afraid of me" Ye Chen said to Da Tenry.

Ye Chen told that Magical Beasts were afraid of him.

"That's impossible, they are top-level monsters and very rare, they can't escape without a reason" everything that Da Tenry released was monsters and top-level Magical Beasts, they were very strong and terrifying Magical beasts, there was no way they would run away like a mouse.

"the proof is that they ran away" Ye Chen said to Da Tenry.

Ye Chen said that if they ran away, it meant that the Magical Beasts weren't as strong as Da Tenry said.

"damn" Da Tenry cursed, he cursed when he found out what happened, what happened made him feel very upset, he felt very annoyed when he saw his Magical Beast run and would not take orders from him.

"Watch out, I'll punish them" After everything was over, Da Tenry intended to punish the Magical Beasts who had dared to oppose him, he would not allow the Magical Beasts to oppose and disobey his orders.

Da Tenry picked up a wand, it looked very good and was full of strange engravings.

"A Magic wand" Ye Chen saw what Da Tenry took out, he just took out a Magic wand.

Da Tenry also used a shield, he used a small shield on his arm.

Da Tenry turns out to be an active attacker, he uses a Magic wand to attack and a shield to withstand enemy attacks, plus he can still control Magical Beasts, it's not strange that he is able to become a member of the 12 Guardian Gods.

"I can't use my pets against him, right now this is all I can do" Da Tenry already knew that he wouldn't be able to fight Ye Chen with pets, which was why he could only rely on his own strength.

"Feel this, lightning strike." Da Tenry used a magic wand, from the magic wand a huge lightning bolt started to shoot out and started to shoot towards Ye Chen.

Ye Chen himself looked very relaxed, he seemed to be very relaxed in the face of Da Tenry's attacks.

"His attacks won't work against me" Ye Chen knew that Da Tenry's attacks wouldn't work against him, Ye Chen's level was far beyond Da Tenry's.

Ye Chen had divine lightning in his body, there was no way he would be injured by the ordinary lightning that Da Tenry possessed.

Da Tenry continued to launch attacks towards Ye Chen, he launched quite a number of attacks towards Ye Chen.

"This doesn't make sense, why didn't my attack hurt him?" Da Tenry began to feel hopeless, he began to despair when he saw what happened, to be honest what happened could not be understood with Da Tenry's common sense.

Even though Da Tenry was abnormal and unreasonable, but compared to Ye Chen, to be honest Da Tenry was nothing.

"It's over, I don't have time for trash like you" Ye Chen said to Da Tenry.

Ye Chen hit Da Tenry, Ye Chen's punch instantly broke the bones in Da Tenry's body.

"ah" Da Tenry felt pain, she felt pain from Ye Chen's attack that had crushed all her bones.

Da Tenry and Chan Simbo were both crippled, both were both paralyzed when they received Ye Chen's attack.

After Ye Chen incapacitated the two, he immediately approached Sun Xuanyin.

"How are you ?" Ye Chen asked Sun Xuanyin, Ye Chen wanted to know the feelings of Sun Xuanyin, is she okay or not.

"I'm fine, it's nothing to me" Sun Xuanyin said that she was fine, this wound was nothing to her.

"Stop lying, I know that you are hurt" Ye Chen said to Sun Xuanyin, Ye Chen touched Sun Xuanyin.

"ahhh" when Ye Chen touched Sun Xuanyin, Sun Xuanyin immediately screamed, as if she felt excruciating pain just from Ye Chen's touch.

"See, you scream from just a small touch like this" Ye Chen said to Sun Xuanyin.

"that . . ." Sun Xuanyin was speechless, she couldn't find a good reason to answer Ye Chen's question.

"already, here" Ye Chen decided to help Sun Xuanyin, himself helping to heal Sun Xuanyin's wounds.

Sun Xuanyin obeyed, she received treatment from Ye Chen, she felt how warm Ye Chen's feelings were.

"This feeling is very good." Sun Xuanyin liked this feeling, she felt happy when she got Ye Chen's attention.

Sun Xuanyin subconsciously began to daydream, she began to daydream about Ye Chen.

Sun Xuanyin had never been like this, maybe only Ye Chen could make this beautiful goddess like this.

Ye Chen treated Sun Xuanyin's wound, Sun Xuanyin's wound wasn't too bad, so Ye Chen could treat Sun Xuanyin well.

Sun Xuanyin continued to stare at Ye Chen, she did not leave her eyes from Ye Chen.

"why are you looking at me like that" Ye Chen said to Sun Xuanyin, why did Sun Xuanyin look at him with such a gaze.

"no . . ." Sun Xuanyin immediately turned her face away, she seemed embarrassed to face Ye Chen.

"hehehe" Ye Chen smiled when he saw this, it seemed that he had embarrassed Sun Xuanyin.

"Okay, everything is done" Ye Chen said to Sun Xuanyin, he had treated all the wounds on Sun Xuanyin's body.

This should be enough to allow Sun Xuanyin to move and do what she wanted.

[Chapter 2089 Give Orders To Da Tenry And Chan Simbo](#)

"You're pretty great, they don't even have time to fight you" Sun Xuanyin said to Ye Chen, she told Ye Chen that he was very powerful on another level that the members of the 12 Guardian Gods couldn't face.

"If I let them use their strength in this place, then it is certain that they will destroy this place, this place is small, a big battle can easily destroy this place" Ye Chen said to Sun Xuanyin.

"You are absolutely right, this place is indeed small, if they used their strength in this place, then it would be a terrible thing to see." Sun Xuanyin agreed, herself agreeing as she listened to what Ye Chen had to say.

"So what are you going to do with them?" Sun Xuanyin asked Ye Chen, she wanted to know what Ye Chen would do to Da Tenry and Chan Simbo.

"What do you think I will do to them?" Ye Chen told Sun Xuanyin to guess what he would do.

"You won't kill them" Sun Xuanyin asked Ye Chen, Sun Xuanyin wanted to know if Ye Chen wouldn't kill Da Tenry and Chan Simbo.

"No, I don't intend to do that." Ye Chen said that he wouldn't do that.

"I have an even better idea" Ye Chen said that he had an even better idea, he had an idea to make Da Tenry and Chan Simbo become puppets and are controlled to make a mess.

"I will make them into puppets and send them back" Ye Chen said to Sun Xuanyin.

Ye Chen said that he would instantly make them into puppets and control them.

"I see, it's not a bad idea." Sun Xuanyin saw that Ye Chen had a really great idea, one could say that Ye Chen's idea was brilliant.

"You must have the technique to do that," Ye Chen said to Sun Xuanyin.

"I do have it, do you want me to do it for you" Sun Xuanyin said to Ye Chen.

"What do you think?" Ye Chen said to Sun Xuanyin.

"okay I will" Sun Xuanyin agreed, she agreed with what Ye Chen wanted.

Sun Xuanyin drew closer to Da Tenry and Chan Simbo who were currently at their weakest, both of them at the weakest state of their lives.

"What are you going to do to us?" Da Tenry and Chan Simbo asked Sun Xuanyin.

"You guys are lucky, from now on you will become puppets who will move according to orders" said Sun Xuanyin to Da Tenry and Chan Simbo.

"You won't be able to do that, you are stronger than you are" said Da Tenry and Chan Simbo.

"It doesn't matter, I have people who are much stronger than the two of you" Sun Xuanyin said to Da Tenry and Chan Simbo.

Sun Xuanyin asked Ye Chen for help, she asked Ye Chen for help to help her implant the Puppet Seal on Da Tenry and Chan Simbo.

"Should I knock them out?" Ye Chen asked Sun Xuanyin.

"of course, you have to do it" Sun Xuanyin nodded, she told Ye Chen to do it.

"I will" Ye Chen was so excited, he started to put Da Tenry and Chan Simbo to sleep with a few strokes.

"arghhh. . ., no not in my face" Da Tenry and Chan Simbo apologized to Ye Chen, both of them hoped that Ye Chen would let them go.

"It's too late, you should regret what you have done" Ye Chen said to Da Tenry and Chan Simbo.

It was too late for Da Tenry and Chan Simbo to regret what had happened, they were both too late to regret what they had done.

Ye Chen continued to throw heavy punches towards Da Tenry and Chan Simbo, with such heavy blows, it was clear that the consciousness of Da Tenry and Chan Simbo was starting to disappear.

"Okay, they've lost consciousness, now it's up to you what you want to do" Ye Chen said to Sun Xuanyin.

Sun Xuanyin instantly made the two into puppets, she used the strongest technique to turn someone into a puppet without needing to destroy their memories.

A strange seal on the ground in the minds of Da Tenry and Chan Simbo, once they wake up from their stupor, they will obey what Ye Chen and Sun Xuanyin say.

"After they wake up, they will follow what you say" Sun Xuanyin said to Ye Chen.

"Very good, you did a very good job." Ye Chen stroked Sun Xuanyin, Ye Chen was really very satisfied with the work Sun Xuanyin did.

"Cheating" Sun Xuanyin couldn't stand being treated like this, she was actually being treated like a child by Ye Chen.

although she didn't like it, in fact Sun Xuanyin really enjoyed this, she seemed to really enjoy what Ye Chen was doing.

For some reason the current Sun Xuanyin was like a very beautiful and seductive pet.

"I haven't finished praying for them yet." Sun Xuanyin said to Ye Chen, telling Ye Chen that she hadn't finished praying.

"Let's do it together" Ye Chen said to Sun Xuanyin, the two paying their last respects to everyone in this place.

Sun Xuanyin and Ye Chen were very peaceful, they wished the best for everyone who was killed by Sun Xuanyin.

" master" Sun Xuanyin said to Ye Chen.

"what is it?" Ye Chen answered Sun Xuanyin, he wanted to know what Sun Xuanyin wanted.

"I will help you destroy the Eternal Sun Star Realm, before the Eternal Sun Star Realm is destroyed, it seems that I will not be calm" said Sun Xuanyin in a serious tone and filled with determination.

"Good, let's do it." Ye Chen of course agreed, he naturally agreed with what Sun Xuanyin said.

It seemed that Sun Xuanyin had made up her mind as well, she also didn't seem to like the Eternal Sun Star Realm.

"I should also thank you for bringing me to my senses," said Sun Xuanyin in a voice that seemed comfortable.

Sun Xuanyin looked embarrassed to admit it, she seemed embarrassed to admit that Ye Chen had helped her and steered her off the wrong path.

"what are you saying" Ye Chen didn't really listen to what Sun Xuanyin said, he wasn't clear on what Sun Xuanyin said.

"I . . ." Sun Xuanyin was a little embarrassed to say it, she was embarrassed to say what she had previously said.

"Arghhh. . . , what happened, in this place" Da Tenry and Chan Simbo woke up, they were like dazed people.

"they are awake" Sun Xuanyin said to Ye Chen, he informed that Da Tenry and Chan Simbo are awake.

"Let's have a look and make sure that what you're doing works." Ye Chen said to Sun Xuanyin, time to test whether Da Tenry and Chan Simbo would follow what he said.

"You two quickly stand up" Ye Chen said to Da Tenry and Chan Simbo, he told Da Tenry and Chan Simbo to stand up right now.

Da Tenry and Chan Simbo stood up, they both stood up and immediately obeyed what Ye Chen said.

The two of them didn't know, right now they were both very obedient to Ye Chen, they would do whatever Ye Chen ordered.

"The two of them will be very obedient to what you say, they will no longer have the emotion to refuse your orders" Sun Xuanyin said to Ye Chen.

Ye Chen is very satisfied, he is very satisfied with the work done by Sun Xuanyin, Sun Xuanyin has made Da Tenry and Chan Simbo into puppets that Ye Chen can move easily.

"Okay, I'll give you orders, you two have a duty to infiltrate God Realm Illumination, you must sabotage everything that God Realm Illumination will do" Ye Chen gave orders, he gave absolute orders to Da Tenry and Chan symbol.

Where the two of them had to sabotage what the God Realm Illumination was about to do to Ye Chen.

"We both understand" Da Tenry and Chan Simbo understood, both of them would do what Ye Chen ordered, for what Ye Chen ordered would be very easy to do.

"good go" Ye Chen said to Da Tenry and Chan Simbo.

Ye Chen told the two to start the operation, he wanted the two to mess with God Realm Illumination.

.

.

"Are you sure you can use them for that?" Sun Xuanyin said to Ye Chen.

"My goal is to mess them up, with these two people, it should be enough to make God Realm Illumination a mess for a while, For now I want to focus on kidnapping someone" Said Ye Chen.

"Huh?, who do you want to kidnap?" Sun Xuanyin asked Ye Chen, she asked about the person Ye Chen wanted to kidnap.

To be honest Sun Xuanyin was quite curious, she was quite curious about the person Ye Chen would kidnap.

"I want to kidnap goddess Dongfang Xiu" Ye Chen said to Sun Xuanyin, Ye Chen told that he wanted to kidnap Dongfang Xiu.

"Shouldn't she be marrying Hai Ming, it might be sometime soon" Sun Xuanyin said to Ye Chen.

"That's really true, that's why I wanted to take her right away" Ye Chen said to Sun Xuanyin.

"You are quite crazy, I didn't know you would be this crazy." Sun Xuanyin did not expect that Ye Chen would be this crazy.

It seemed that Sun Xuanyin was getting to know Ye Chen more deeply, she was starting to know Ye Chen deeper and deeper.

When she discovered this, Sun Xuanyin felt that she was becoming more and more attracted to Ye Chen, it was clear that she was very, very attracted to Ye Chen.

"You're done aren't you, when we're done we can just leave this place." Ye Chen said to Sun Xuanyin.

"Everything's over, let's go, I've found my new purpose in life, so let the past go" Sun Xuanyin said to Ye Chen.

[Chapter 2090 So You Dare To Underestimate Me](#)

"Those are very good words, I hope you can do as you say" Ye Chen said to Sun Xuanyin.

"I will try to do my best." Sun Xuanyin would do her best, she would try to change for the better.

"let's go" Ye Chen said to Sun Xuanyin, Ye Chen invited Sun Xuanyin to go.

"Where are we going next?" Sun Xuanyin asked Ye Chen, he wanted to know where they were going next.

"We will go around looking for Eternal Sun Star Realm, who knows we might find the whereabouts of the Eternal Sun Star Realm," Ye Chen said to Sun Xuanyin.

"Come on, I'll help you." Sun Xuanyin understood, she would help Ye Chen solve this problem.

The two of them searched for traces of the Eternal Sun Star Realm, the two of them worked together to find the Eternal Sun Star Realm.

The Eternal Sun Star Realm was so well hidden that even Sun Xuanyin who was a member and part of the Eternal Sun Star Realm couldn't find it easily.

,m Ye Chen and Sun Xuanyin spent a few days together, in these few days the two of them grew closer and closer.

Sun Xuanyin was a little naughty towards Ye Chen, sometimes she would tease and tease Ye Chen.

Sun Xuanyin was a natural seductress, she was of course extremely skilled at teasing Ye Chen, it could be said that Sun Xuanyin's seductive abilities were at an astonishing level.

Luckily Ye Chen was already highly trained, so he could easily resist the temptation that Sun Xuanyin had given him.

"Master, why are you so strong?" Sun Xuanyin said to Ye Chen, Sun Xuanyin complained, Ye Chen was too strong, he couldn't tempt Ye Chen with his strength and charm.

"You have to do even better" Ye Chen said to Sun Xuanyin.

Ye Chen was indeed too strong that even Sun Xuanyin had no chance of being able to win against Ye Chen.

"I hate this" Sun Xuanyin hated this, even though she liked to tease Ye Chen, if only Ye Chen was easy to tease, she might have found what she was looking for.

Sun Xuanyin aimed for Ye Chen, she targeted Ye Chen and got what she wanted.

Sun Xuanyin had already restrained herself after last time with Ye Chen, as a woman with high needs, Sun Xuanyin naturally couldn't stand the troubles she had anymore.

After doing such a thing and tasting the power of Ye Chen's great thing, Sun Xuanyin naturally could no longer return, she was now completely under Ye Chen's control.

"Master, don't you remember something" Sun Xuanyin said to Ye Chen, Sun Xuanyin tried to remind Ye Chen a matter.

"Is it time, fast enough" Ye Chen said to Sun Xuanyin.

"I've investigated this matter, the wedding will take place 3 days from now, you better get ready" Sun Xuanyin said to Ye Chen.

"It seems that I really have to prepare" Ye Chen agreed with what Sun Xuanyin said, he had to prepare immediately, he must not let his goddess be taken away by others, it could be said that Dongfang Xiu was Ye Chen's first goddess.

"Have you thought about what you are going to do?" asked Sun Xuanyin.

Ye Chen had to come up with a plan, this time he had to face the two great powers if he wanted to take Dongfang Xiu.

The Sacred Heaven Star Realm and the Immortal Profound Sea Realm wouldn't let Ye Chen get Dongfang Xiu so easily.

Dongfang Xiong and Hai Wan would not give Dongfang Xiu easily, they would make sure everything went well.

"I already have a plan to do it" Ye Chen had thought this through well, he had already thought about what he would do to take Dongfang Xiu from Hai Ming's hands.

"Are you going to need help from your women, they seem strong, if you guys work together you might be able to solve this problem" Sun Xuanyin said to Ye Chen.

"It's not necessary, it will be a hassle if the Goddess gets jealous, I will do it myself" Ye Chen was better off doing this himself, otherwise Dongfang Xiu would be annoyed and angry with Ye Chen.

"Hmmm, so you want to act cool in front of that cold goddess, looks like it's going to be a little difficult, from what I know that snow butterfly goddess has a super cold temper, to be honest she doesn't even want to talk to people even with me, she like a huge iceberg that is very difficult to move, are you sure you can do it?" Sun Xuanyin said to Ye Chen, for some reason Sun Xuanyin was a little doubtful that Ye Chen could move a cold goddess like Dongfang Xiu.

"So you dare to underestimate me" Ye Chen said to Sun Xuanyin.

"Have you forgotten that you are even conquered?" Ye Chen said to Sun Xuanyin.

"when did that happen" Sun Xuanyin rejected that, she refused to lose at the hands of Ye Chen.

The battle that Sun Xuanyin had lost at that time, she was completely defeated by Ye Chen, it could be said that she had no chance of winning against Ye Chen.

"already you just need to admit it, it's a loss for you" Ye Chen said to Sun Xuanyin, he told Sun Xuanyin to admit everything.

"No, I won't admit everything easily." Sun Xuanyin refused, refusing to admit what had happened.

"I guess I'll have to make you remember my strength." Seeing Sun Xuanyin resisting defeat, Ye Chen might have to show Sun Xuanyin again his strength.

"Are you sure, this time I am not like before, I am on full alert, you may not have a chance to win against me" Sun Xuanyin licked her lips, she made a very seductive and Sexy pose.

Sun Xuanyin did know how to lure Ye Chen, she did things like this to lure Ye Chen into using temptations like this.

Ye Chen had been trying to endure this for a few days, he had worked hard enough to be able to resist this temptation from the Succubus.

"she is indeed a natural enemy of men, I might not be able to stand it anymore" Ye Chen might not be able to stand it anymore, he would no longer be able to endure Sun Xuanyin's temptation.

"Master you don't need to hold back, it's a maid's duty to warm up her old bed and be a place to vent to the troubles you have." Sun Xuanyin approached, herself whispering words full of teasing to Ye Chen.

Sun Xuanyin was quite close, she rubbed Ye Chen's body using well-developed double peaks, plus Sun Xuanyin had a very good figure and was extremely seductive to men.

Sun Xuanyin teased Ye Chen again, she used her own means to tease Ye Chen, her goal was to get Ye Chen interested in her.

Sun Xuanyin was still a beautiful goddess, she naturally felt uncomfortable and dissatisfied when a man ignored her, so she tried to keep teasing Ye Chen and wanted to get Ye Chen's attention.

Women are strange creatures, they are unpredictable and they tend to go after something that doesn't pay much attention to them.

"Damn, you are a natural seducer, it seems that you have planned to seduce your master, you are such a naughty maid, it seems that I have to give a punishment" Ye Chen hugged Sun Xuanyin, he would not let Sun Xuanyin escape, after what happened, Ye Chen it was impossible to let Sun Xuanyin escape.

"fufufufu" Sun Xuanyin was happy, she had managed to seduce Ye Chen, now it was time for a rematch, she could no longer lose to Ye Chen.

Sun Xuanyin knew that she couldn't possibly win against Ye Chen's woman, after all Ye Chen had many extraordinary beauties.

If it was a normal woman, Sun Xuanyin might be confident that she would be liked by Ye Chen, but the situation was different, all of Ye Chen's women had very big beauty names, Sun Xuanyin would have a hard time competing with them.

That's why Sun Xuanyin intended to use her weapon against Ye Chen, she intended to use the Dual Cultivation skill to make Ye Chen comfortable with her, then Sun Xuanyin would become Ye Chen's favourite.

Sun Xuanyin has started to change, it seems that she is no longer trying to make Ye Chen her toy, now she wants to be better for Ye Chen.

Ye Chen seemed to know what Sun Xuanyin was thinking, he knew that Sun Xuanyin wanted to compare notes with him.

"I think I have to let him know my strength" Ye Chen said in his heart, Ye Chen intends to show his strength again, that way he can make Sun Xuanyin completely his.

Ye Chen didn't want to hold back anymore, he directly tore off Sun Xuanyin's clothes.

"Master you are so rude, why did you tear my clothes?" Sun Xuanyin said to Ye Chen.

Ye Chen was quite rude, he directly tore off the clothes worn by Sun Xuanyin.

"Who told you to be so seductive?" Ye Chen said to Sun Xuanyin.

Sun Xuanyin smiled when she heard this, every compliment that came out of Ye Chen's mouth made Sun Xuanyin feel happy and happy.

Sun Xuanyin had never heard of a man like Ye Chen, although it was annoying at times, Ye Chen was still a very romantic man, he was still quite romantic when he was with a woman.

Ye Chen touched Sun Xuanyin, he caressed and touched every inch of Sun Xuanyin's upper body.
