

## True God 2091

### [Chapter 2091 Sun Xuanyin Being An Obedient Maid \(1\)](#)

"Emmmm. . ." Sun Xuanyin groaned in a soft voice, Ye Chen's touch was so delicious.

"No way, it's just a touch, why is my body like this?" Sun Xuanyin didn't expect that her body would instantly heat up with just a touch from Ye Chen.

Ye Chen's touch instantly excited Sun Xuanyin, it felt very good.

"Your body is shaking, do you like being touched by your own master?" Ye Chen whispered to Sun Xuanyin.

Sun Xuanyin seemed to be trying to restrain herself, she was trying to hold herself back from Ye Chen's attack.

"Of course, master please treat you slave of yours well" said Sun Xuanyin to Ye Chen, Sun Xuanyin told Ye Chen to treat himself well.

"Relax, leave everything to me." Ye Chen replied to Sun Xuanyin.

Sun Xuanyin was easily defeated by Ye Chen, she had no resistance against Ye Chen.

"He's very strong." Sun Xuanyin couldn't help but admit the strength that Ye Chen had, Ye Chen was extremely skilled, even Sun Xuanyin was helpless when she was with Ye Chen.

"How do you like it?" Ye Chen asked Sun Xuanyin, he wanted to know if Sun Xuanyin liked what he was doing.

"Your master is the best" Sun Xuanyin said to Ye Chen, she immediately admitted that Ye Chen was the best.

"So do you still dare to look down on me?" Ye Chen asked Sun Xuanyin who was in his hands.

"I don't dare anymore" Sun Xuanyin told that she no longer dared to fight Ye Chen, she already knew Ye Chen's strength.

"You are so obedient, because you are so obedient, I will give you a gift" Seeing Sun Xuanyin being so obedient, Ye Chen would give Sun Xuanyin a gift.

Ye Chen started to make Sun Xuanyin feel comfortable and happy, he started to show his skills to Sun Xuanyin.

Ye Chen started to touch and play with Sun Xuanyin's double peak, when Ye Chen did this, Sun Xuanyin became extremely weak.

"Ah. . ., no . . ., too great." Sun Xuanyin couldn't stand it, she couldn't stand what Ye Chen had done to her.

"This is very good" Ye Chen said to Sun Xuanyin, Ye Chen admitted that Sun Xuanyin had a very good double peak.

"Of course, this is the best, from now on it will be yours" replied Sun Xuanyin to Ye Chen

Sun Xuanyin told Ye Chen that from now on this double peak will belong to Ye Chen, Ye Chen can do whatever he wants to Sun Xuanyin.

Ye Chen didn't expect that Sun Xuanyin would say that, if Sun Xuanyin really said that, then it was certain that he was serious about what she said.

"she's completely fallen, I can do whatever I want." Sun Xuanyin had completely fallen, right now Ye Chen could do whatever he wanted to Sun Xuanyin.

Ye Chen started to touch Sun Xuanyin's bottom, time to make Sun Xuanyin feel his skill.

When Ye Chen started using his finger, Sun Xuanyin started to moan and made a very seductive voice, it was obvious that Sun Xuanyin couldn't stand what Ye Chen was doing.

"This is great, I can't stand it." Sun Xuanyin quickly reached the peak, she couldn't stand what Ye Chen was doing.

"Aren't you going too fast, I thought you were quite a pervert" Ye Chen said to Sun Xuanyin.

"Yes, Master is absolutely right, I am indeed a perverted woman, so please help this Maid of yours," said Sun Xuanyin to Ye Chen.

Sun Xuanyin was already addicted, she missed the feeling that Ye Chen gave her, it was very comfortable.

"You still dare to say that you are a maid, you don't even do a good job and are having fun alone" Ye Chen said to Sun Xuanyin.

Hearing this, Sun Xuanyin finally realized her mistake, she was too comfortable with Ye Chen's technique, she had forgotten her main task.

"Why am I so stupid, I should be the one serving him" Sun Xuanyin felt stupid, why didn't she serve Ye Chen, it should be her job to make Ye Chen happy.

"I'm sorry, I'll do it right away" Sun Xuanyin apologized, she was going to help Ye Chen.

Sun Xuanyin being an obedient maid, right now she wanted to try to make Ye Chen enjoy her services.

Sun Xuanyin started to help Ye Chen, she took off the robe that Ye Chen was wearing.

Sun Xuanyin did it very slowly, she made sure that Ye Chen enjoyed what he was doing.

Ye Chen enjoyed what Sun Xuanyin did, it could be said that he really enjoyed what Sun Xuanyin did.

Sun Xuanyin's moves were very skillful, she really knew how to make Ye Chen happy and enjoy what she gave him.

"do better, don't disappoint me" Ye Chen told Sun Xuanyin to do his best, he tried to make Sun Xuanyin show her potential.

"So it's an order, okay, I'll do my best." Sun Xuanyin seemed to be enjoying this, she looked tempting and wanted to eat Ye Chen.

this was a very good opportunity for Sun Xuanyin to show her strength and skill, she would make sure that Ye Chen felt the highest skill that he might not get from other women.

Sun Xuanyin helped Ye Chen take off the clothes he was wearing, he helped Ye Chen with all his heart.

As soon as Sun Xuanyin had removed all of Ye Chen's clothes, he could see that Ye Chen had the perfect body that women liked.

Ye Chen has a very good body portion, everything he has is good without any advantages and disadvantages.

"Let's see what's down here, what kind of monster is the master hiding" Sun Xuanyin was already getting bold, she started to dare to tease Ye Chen's younger brother who was below.

Ye Chen enjoyed every game played by Sun Xuanyin, she knew how to treasure Ye Chen's.

Sun Xuanyin opened the last barrier, when the last barrier was removed, she saw Ye Chen's younger brother jumping out.

"Wow, how beautiful and big" Sun Xuanyin said to Ye Chen, Sun Xuanyin admitted that Ye Chen had very good capital, with a weapon this strong, any woman might not be able to stand it and would do what Ye Chen said.

This included Sun Xuanyin herself, she really did whatever Ye Chen said, she was now even serving Ye Chen with all her soul.

Sun Xuanyin had never done this for anyone, it could be said that she was only doing this kind of service for Ye Chen.

"How, are you comfortable?" Sun Xuanyin used her hand, she teased Ye Chen's with hers.

Sun Xuanyin's movements were slow but sure, she used her hands well to please Ye Chen, Sun Xuanyin's ups and downs made Ye Chen feel a great comfort.

"Your work turned out to be good too" Ye Chen said to Sun Xuanyin, Ye Chen had to admit that Sun Xuanyin did a very good job, just by using his hands, Sun Xuanyin could make Ye Chen feel comfortable and enjoyable.

"Really, I'm glad to hear this." Sun Xuanyin was happy to hear this, she was overjoyed when Ye Chen praised her.

Sun Xuanyin started to play more aggressively, she started to play with Ye Chen's thing and traced every inch of the large object in her hand.

Sun Xuanyin seemed to be doing this on purpose, she seemed to be doing it on purpose to make Ye Chen feel at ease and would probably be out soon.

Ye Chen was much stronger than Sun Xuanyin imagined, so defeating Ye Chen was not as easy as Sun Xuanyin imagined.

Sun Xuanyin had already made very aggressive moves and attacks, strangely Ye Chen's attacks were unable to break Ye Chen's defense.

"As expected, master is a real man, his resilience is amazing" Ye Chen's resilience was amazing, he was able to last quite a while when facing a goddess's attack.

Sun Xuanyin couldn't continue like this, it seemed that her attack was still not very strong, this kept Ye Chen from falling.

"okay" Sun Xuanyin started to take off her upper clothes, she showed her beautiful double peaks.

"I'm going to get serious." Sun Xuanyin said to Ye Chen, she would start to carry out even more intense attacks against Ye Chen.

Sun Xuanyin used her dual peaks to wrap around Ye Chen's.

"Boing" He wrapped Ye Chen's with something soft and supple.

Ye Chen was naturally happy when he saw this, Sun Xuanyin did an excellent maid job.

Sun Xuanyin looked at Ye Chen's, to be honest it was huge and very difficult for her to endure.

"Isn't this too big" Sun Xuanyin said in her heart, Sun Xuanyin felt that Ye Chen had a very big thing here, obviously the size was so big that Sun Xuanyin had a hard time.

Sun Xuanyin tried her best herself tried her best to make Ye Chen happy with her service.

Sun Xuanyin moved up and down, she started to make Ye Chen's big thing comfortable.

"It's convenient isn't it" Sun Xuanyin said to Ye Chen.

"of course, you ended up doing a good job, keep it up" Ye Chen said to Sun Xuanyin.

Sun Xuanyin was happy, she quickened her movements and made sure that Ye Chen was comfortable with what he was doing.

The big thing was wrapped in Sun Xuanyin's two big meatballs, of course this tasted great.

"hmmmm. . ." Sun Xuanyin was getting more and more excited, she clearly couldn't stand Ye Chen's big thing.

"This smell, it makes my head spin." Kissing Ye Chen up close made Sun Xuanyin a little dizzy, she wanted to immediately taste this thing in front of her.

Ye Chen stroked Sun Xuanyin's head, he got pleasure from what Sun Xuanyin was doing.

#### [Chapter 2092 Sun Xuanyin Being An Obedient Maid \(2\)](#)

Sun Xuanyin was dizzy, she seemed to be unable to take it anymore and wanted to immediately devour Ye Chen.

"master. . ." Sun Xuanyin said to Ye Chen, her eyes were full of love.

It seemed that Sun Xuanyin had completely fallen and was attracted to Ye Chen, she couldn't resist this temptation.

"Do your best, I may give you an attractive gift" Ye Chen said to Sun Xuanyin, Ye Chen told Sun Xuanyin to do her best, then he would give Sun Xuanyin a gift.

"Okay" Sun Xuanyin understood, she started to do her best to make Ye Chen comfortable.

Sun Xuanyin used all her skill, she used her weapons very well.

Even though he had used a double peak against Ye Chen, Sun Xuanyin still saw that this was not enough.

"He's so strong, he should have lost a long time ago." Sun Xuanyin couldn't believe that Ye Chen would last so long, he was able to hold out against Sun Xuanyin for so long.

Ye Chen's endurance was amazing, Sun Xuanyin never knew that men could last this long.

Sun Xuanyin's technique was already excellent, she had already done her best to please Ye Chen.

Unfortunately what Sun Xuanyin did was still not enough, it was still not enough to beat Ye Chen.

"Okay, time to use full attack" Sun Xuanyin decided to use full attack, she decided to use full attack when facing Ye Chen.

Sun Xuanyin opened her Cherry mouth, she sucked and served Ye Chen.

Sun Xuanyin used several moves at once to defeat Ye Chen, she used all her techniques to be able to win against Ye Chen.

What Sun Xuanyin was doing was very comfortable, she made Ye Chen comfortable with what she was doing.

With the combination made by Sun Xuanyin, she made Ye Chen happy, this comfortable and good feeling made Ye Chen couldn't stand it.

"She's really trying to suck up to me" Ye Chen could sense that Sun Xuanyin was trying to suck up to him, what this woman was doing made Ye Chen couldn't stand it.

"Slurpppp. . . , jubo,jubo,jubo" Sun Xuanyin likes to do this, it feels so good, Ye Chen has something that he likes.

"how ? ? ? ,. . , um. . ." Sun Xuanyin asked Ye Chen, she asked how the service she provided was.

"Very good, you did very well" Ye Chen said to Sun Xuanyin.

"Then I will continue" Sun Xuanyin said that if she would continue her service, she would continue her service towards Ye Chen.

Sun Xuanyin became more and more aggressive, she actually did it more aggressively and stronger.

Ye Chen was very satisfied, he was satisfied with the work done by Sun Xuanyin, it could be said that Sun Xuanyin's work was very good.

Ye Chen could enjoy this every day, he seemed to be making Sun Xuanyin do this every day.

Sun Xuanyin served Ye Chen for several hours, until now it did not appear that Ye Chen would lose or erupt.

"My jaw is getting tired" Sun Xuanyin complained to Ye Chen, Ye Chen's endurance only getting stronger.

"Have you given up?" Ye Chen asked Sun Xuanyin, Ye Chen saw that Sun Xuanyin had given up.

"I can still fight" Sun Xuanyin didn't want to give up, she told Ye Chen that she could still fight against Ye Chen.

"You don't have to force yourself." Ye Chen said to Sun Xuanyin, he told Sun Xuanyin not to push herself.

Ye Chen picked up Sun Xuanyin, he put Sun Xuanyin on the bed.

"Master, what are you doing?" Sun Xuanyin asked Ye Chen.

"Obviously not, I want to eat you" Ye Chen said to Sun Xuanyin, he wanted to taste Sun Xuanyin.

Ye Chen had already restrained himself enough, now was the time for Ye Chen to let go of all his grievances against Sun Xuanyin.

Sun Xuanyin was embarrassed, Ye Chen's fiery gaze made her embarrassed.

Ye Chen used his large object, he directly broke through Sun Xuanyin's gate.

Sun Xuanyin was already quite excited, so Ye Chen no longer needed to warm up.

Ye Chen managed to enter easily, there seemed to be no resistance from Sun Xuanyin.

Sun Xuanyin's has been cultivated by Ye Chen, so it can perfectly accept Ye Chen.

"Ahhh, this is great. ." Sun Xuanyin was satisfied, she finally got what she wanted, after a long time, she could feel this feeling again.

"I'll start, are you ready?" Ye Chen asked Sun Xuanyin.

"Of course, make me comfortable, I will do my best to make you comfortable too" Sun Xuanyin said to Ye Chen.

Sun Xuanyin said this with great charm, she tried to seduce Ye Chen by acting innocent in front of Ye Chen.

Get ready, I won't hold back anymore." Ye Chen said to Sun Xuanyin, he telling Sun Xuanyin that he would not hold back and bring out his abilities.

"Good" Sun Xuanyin nodded, she would accept whatever Ye Chen did.

Ye Chen started his pace, he moved in a swift motion and started to mess with Sun Xuanyin's flower core.

"Oh. . . , that's great, it's full of me. ." Sun Xuanyin said to Ye Chen, she was very happy with what Ye Chen did, this was the best that Ye Chen had given her.

Sun Xuanyin liked this feeling, she didn't mind being Ye Chen's servant as long as she had this every day.

Sun Xuanyin made a face filled with satisfaction, in a very short time she managed to get pleasure that made her body and mind soar to the sky.

Ye Chen's ability is indeed the best, no one can compare the abilities possessed by Ye Chen.

"Too bad, why did I meet him so late, if only this had been done a long time ago" Sun Xuanyin was truly very sorry, she should have met Ye Chen a long time ago, that way she would have the highest pleasure in this world.

Sun Xuanyin pinched Ye Chen very tightly, this female honey cave could move according to Sun Xuanyin's wishes.

"this is great, this is what I like about this woman" this was one of the things that made Ye Chen like Sun Xuanyin, she was able to make Ye Chen happy with her highly skilled skills.

Ye Chen moved at a faster speed, this made him feel happy.

Sun Xuanyin also felt the same way as Ye Chen, every time Ye Chen reached the end, Sun Xuanyin felt that she might go crazy.

"Ah. . ., this is very good, I really can't stand it." Sun Xuanyin couldn't stand it, again she reached the peak.

Sun Xuanyin's body slightly spasmed, it seemed that this pleasure made Sun Xuanyin's body numb.

"I like this, I can no longer leave this man" Sun Xuanyin could no longer live without Ye Chen, she already belonged to Ye Chen and would not be able to escape again.

"Let's continue" Ye Chen said to Sun Xuanyin, he told Sun Xuanyin to continue this match.

Sun Xuanyin had just finished, this made her body very sensitive, it was clear that she couldn't stand it and could only accept what Ye Chen was doing.

Ye Chen started the match with Sun Xuanyin, both of them were enjoying the day well.

Sun Xuanyin tried her best, it seemed she had to go the extra mile to fight Ye Chen, perhaps she wouldn't be able to get out of bed for a while.

.  
.

Elsewhere, more precisely in the Immortal Profound Sea Realm, currently Dongfang Xiu was trying on a wedding dress, she was very beautiful when wearing a wedding dress, it could be said that this was the highest beauty that Dongfang Xiu displayed.

The most beautiful women's beauty was when they wore a wedding dress, so it was not surprising that Dongfang Xiu was very beautiful in this wedding dress.

Dongfang Xiu was already very beautiful from the start, she was such a beautiful cold goddess, when she wore a dress, of course she would be even more beautiful.

Dongfang Xiu looked at herself in the mirror, she didn't expect that he would be wearing a wedding dress like this.

"my goddess, you are so beautiful" Hai Ming came, he wanted to see Dongfang Xiu wearing a wedding dress.

"Why did you come to this place?" Dongfang Xiu looked displeased when he saw Hai Ming coming to this place.

"I just want to see my future lady, is that okay?" Hai Ming said to Dongfang Xiu.

Hai Ming stretched out his hand towards Dongfang Xiu, he wanted to touch Dongfang Xiu's pretty face.

"Pah. . ." Dongfang Xiu immediately brushed off Hai Ming's hand, she didn't want to be touched by Hai Ming.

"Don't touch me" Dongfang Xiu said to Hai Ming, she telling Hai Ming not to touch her.

"very cold, but that's okay soon you will be mine, you can't run away from me anymore" Hai Ming said to Dongfang Xiu.

Hai Ming would be patient, it was only a matter of hours when Dongfang Xiu became his mine, he couldn't wait to make Dongfang Xiu his completely.

When that time came, Hai Ming would do whatever he wanted to Dongfang Xiu.

"I told you, that I don't belong to you" Dongfang Xiu said to Hai Ming, she told Hai Ming that she doesn't belong to Hai Ming.

"You won't be able to change anything" Hai Ming said to Dongfang Xiu.

"We'll see." Dongfang Xiu said to Hai Ming, she would definitely try to change things up.

Dongfang Xiu wanted to try to change what happened, she wanted to get away from this responsibility.

"You have to accept this, reality is bitter, after all you are mine, don't forget that" Hai Ming said to Dongfang Xiu.

"Hmph. . ." Dongfang Xiu sniffed coldly, she couldn't accept what Hai Ming had said.

"I can't wait to enjoy the first night" said Hai Ming, after saying that, Hai Ming left this place.

#### [Chapter 2093 Young Lady Is Waiting For You, So Hurry To Save Her](#)

"I hate this" Dongfang Xiu hated this, she seemed to really hate Hai Ming.

"Miss, are you okay?" Gu Xun said to Dongfang Xiu, he has always been by Dongfang Xiu's side.

"I'm fine" Dongfang Xiu said that she was fine, so Gu Xun didn't need to worry too much about her.

Even though Dongfang Xiu said that, in reality she wasn't well, Gu Xun knew that Dongfang Xiu was trying to hide this matter from her.

"Miss, do you need help" Gu Xun said to Dongfang Xiu, Gu Xun offered to help Dongfang Xiu.

"Why suddenly" Dongfang Xiu said to Gu Xun.

"I feel that Miss is in big trouble right now, so I want to help you," Gu Xun said to Dongfang Xiu.

"I appreciate what you're doing, but you don't have to do that." Dongfang Xiu told Gu Xun not to do that.

"If that's what Miss want" Gu Xun understood, she didn't force her will.

"can you leave me" Dongfang Xiu told Gu Xun to leave herself.

"I understand" Gu Xun understood, she left Dongfang Xiu alone, it seems that Dongfang Xiu needs some time to be alone for a while now.

Gu Xun left, she left Dongfang Xiu's place.

"Huft" Dongfang Xiu sighed, she tried to calm her heart.

Dongfang Xiu had never felt this messed up, during these few days Dongfang Xiu had been really messed up, most likely because he was about to marry Hai Ming.

"Whether he will come or not. . ." Dongfang Xiu wanted to know whether Ye Chen would come or not, whether the man would keep his promise or not.

"Wait, why do I think like that, he's really busy, there's no way he'd come" knowing that Ye Chen was really busy, he still had to fight the Eternal Sun Star Realm, so maybe Ye Chen wouldn't have time for Dongfang Xiu.

Even though he knew that Ye Chen was busy, Dongfang Xiu still believed, she still believed that Ye Chen would come and save her.

"I believe he will come" Dongfang Xiu prayed, she believed that Ye Chen would come to help her, the young man who was weak before had now become very strong and counted on by everyone, so he should be able to do it.

Dongfang Xiu still didn't expect that Ye Chen would become that strong, to be honest she didn't believe that Ye Chen would become that strong in the near future.

se had become extremely powerful in the near future, Ye Chen's development was truly amazing.

Dongfang Xiu looked out, she looked out and hoped that a miracle would come.

Gu Xun looked at Dongfang Xiu, she saw that the young miss was hopeful.

"she must be hoping that Ye Chen helps her." Gu Xun knew what Gu Xun was thinking, as Dongfang Xiu's personal maid of course she knew what Dongfang Xiu was thinking.

"I'd better go look for him" Gu Xun would go and look for Ye Chen, she might help Ye Chen to bring the goddess Dongfang Xiu from this place.

Currently Gu Xun could only hope for Ye Chen, Ye Chen was one of his hopes to bring Dongfang Xiu out of this prison.

.

Ye Chen was currently stuck with Sun Xuanyin, he was together with Sun Xuanyin and enjoying a wonderful night.

Sun Xuanyin's skill was very good, she made Ye Chen happy with her technique.

By this time Sun Xuanyin had already fainted, she was completely exhausted after having fought tooth and nail with Ye Chen.

Sun Xuanyin was extremely tired, she was quite tired after fighting Ye Chen, all the strength she had was drained from fighting Ye Chen.

Even though she was tired, Sun Xuanyin was very satisfied, she was very satisfied with fighting together with Ye Chen.

"umm, master. ." Sun Xuanyin was still delirious, seemingly satisfied with what Ye Chen was doing.

Ye Chen got up from the bed, it seemed that it was time to head to the Immortal Profound Sea Realm.

"master, are you going ?" when Ye Chen woke up, Sun Xuanyin also got up, she asked if Ye Chen was going.

"of course" Ye Chen nodded, he had to go right now.

"I'll come along" Sun Xuanyin said to Ye Chen, Sun Xuanyin intended to come along.

"You better recover yourself" Ye Chen said to Sun Xuanyin, Ye Chen said to Sun Xuanyin, he told Sun Xuanyin to recover herself.

"Alright, please wait a moment." Sun Xuanyin understood, she would try to recover herself.

"I'll go out first." Ye Chen would go out first, he gave Sun Xuanyin time to rest.

When Ye Chen came out, a beautiful female figure descended from above, she came down and looked at Ye Chen.

Ye Chen is no stranger to this figure, he naturally knows the figure of the woman who just descended from the sky.

"Xun sister, what are you doing, did you come looking for me ?" Ye Chen said to Gu Xun.

"Why can you be in a small place like this" Gu Xun asked Ye Chen, Gu Xun had a little difficulty finding Ye Chen, for only he could find Ye Chen in a small place like this.

"Just doing a errand to search the Eternal Sun Star Realm" Ye Chen said to Gu Xun.

"Don't you know what happened in the Immortal Profound Sea Realm?" Gu Xun asked Ye Chen, she wanted to know if Ye Chen didn't know what was happening in the Immortal Profound Sea Realm.

"I know." Ye Chen said that he knew what happened in the Immortal Profound Sea Realm.

"then what are you going to do" Gu Xun asked Ye Chen, he was asking about what Ye Chen was going to do.

,m "What do you think I will do?" Ye Chen asked Gu Xun.

"I'm not a worm in your stomach, so I don't know what you're planning" Gu Xun said that she didn't know what Ye Chen was planning.

"I intend to kidnap Dongfang Xiu" Ye Chen said to Gu Xun.

"The Immortal Profound Sea Realm has very strict guard, all the cultivators there have gathered, plus there is the Sacred Heaven Star Realm" Gu Xun said to Ye Chen.

Gu Xun told Ye Chen, he told Ye Chen that if the Immortal Profound Sea Realm is on full alert, it is very difficult to get in and out of that place.

"Is that so" Ye Chen did not expect that the Immortal Profound Sea Realm would be on full alert, it seemed that they had already anticipated everything.

"Of course, you have to find your own way to be able to take her away" Gu Xun said to Ye Chen.

"Don't worry, it's not difficult for me to infiltrate the Immortal Profound Sea Realm." Ye Chen said to Gu Xun, himself telling him that infiltrating the Immortal Profound Sea Realm would be an easy thing to do.

"You are" Gu Xun looked at Ye Chen, she saw that Ye Chen was very confident.

"I wish you success, miss is waiting for you" Gu Xun said to Ye Chen.

"Of course" Ye Chen nodded, he would do the best he could.

"I'll go first, I can't linger, otherwise I might interfere with your plans" Gu Xun said.

Gu Xun intended to leave, she intended to leave this place.

"Wait a minute" Ye Chen stopped Gu Xun, himself stopped Gu Xun who wanted to leave this place, more precisely Ye Chen held back Gu Xun's departure.

#### [Chapter 2094 Sad News From Gu Xun](#)

"what is it?" Gu Xun asked Ye Chen, she wanted to know why Ye Chen had stopped her.

"Why don't you stay here for a while, I want to talk to you" Ye Chen said to Gu Xun, himself telling Gu Xun that he wanted to talk.

"what do you want to talk to me about" Gu Xun asked Ye Chen, she wanted to know what Ye Chen wanted to talk about.

"Let's sit here" Ye Chen took Gu Xun to sit down, there were so many things he wanted to talk about with Gu Xun.

Gu Xun couldn't leave, he was completely restrained by Ye Chen and couldn't leave this place.

"So what do you want to talk about?" Gu Xun was curious, she wanted to know what Ye Chen wanted to talk about.

"Don't be so stiff, I promised to take care of you, so don't be so stiff with me" Ye Chen said to Gu Xun.

Ye Chen had promised to take care of Gu Xun, he would take good care of Gu Xun.

"You may already be strong, but are you sure you can take care of me" Gu Xun said to Ye Chen.

"Why can't I take good care of you, if anyone dares to bully you just tell me" Ye Chen said to Gu Xun.

Gu Xun smiled when she heard this, she could feel that Ye Chen was very cute.

"Why are you smiling, are you happy" Ye Chen asked Gu Xun.

"no" Gu Xun shook her head, she said that she was not happy.

"It seems you are not honest" said Ye Chen to Gu Xun, Ye Chen said that Gu Xun was not honest with himself.

"do you have a problem" Gu Xun asked Ye Chen.

"No, it's just that you should smile more often, you look very pretty when you smile" Ye Chen said to Gu Xun.

Gu Xun immediately blushed, she didn't expect that Ye Chen would praise him, there was a very pleasant feeling when Gu Xun saw Ye Chen praise herself wholeheartedly.

Gu Xun looked very beautiful when she smiled, she was not inferior to the beautiful goddesses in God Realm, unfortunately Gu Xun did not want to stand out too much in front of others and seem to cover herself up.

"You are very good at flirting, it's not strange that young lady would be attracted to you" Gu Xun said to Ye Chen.

"Aren't you interested in me too?" Ye Chen asked Gu Xun.

"No, I don't like taking things from young lady" Gu Xun said to Ye Chen, she didn't want to take away Dongfang Xiu's, she valued what Dongfang Xiu liked.

"You are very loyal to Xiu, has she ever done anything for you" Ye Chen asked Gu Xun, he wanted to know what Dongfang Xiu did to make Gu Xun like this.

"she has saved my life, I owe her a lot" Gu Xun said to Dongfang Xiu.

Gu Xun said that she owed Dongfang Xiu a lot, that's why she wanted to repay Dongfang Xiu's kindness.

"So that's it" Ye Chen said to Gu Xun, it turns out that this is the reason, it's not strange that Gu Xun really respects Dongfang Xiu.

"Sister Xun, how is your relationship with master, I haven't seen her for a long time, I hope you can get along" Ye Chen said to Gu Xun.

"ummm. . ." Gu Xun seemed uncomfortable when Ye Chen brought this up.

"So you guys still haven't reconciled" Ye Chen said to Gu Xun, Ye Chen didn't expect that they still hadn't reconciled.

"I think so" Gu Xun said that they still haven't reconciled, they still haven't reconciled over what happened.

"Sister Xun, you have to listen to this carefully, you have to make use of the time you have, if one day you lose then you will understand about the matter" Ye Chen said to Gu Xun.

Ye Chen tried to advise Gu Xun, he tried to advise Gu Xun to reconcile with Gu Xuan.

Ye Chen sometimes missed his grandpa, to be honest he probably wanted to go back to those times.

When Ye Chen said this, Gu Xun suddenly became teary eyed, she looked like she wanted to cry.

"ehhh . . ., what happened, did I say the wrong thing" Ye Chen looked confused, he looked very confused when he saw Gu Xun who was crying.

"Sob . . ." Gu Xun cried, she actually cried in front of Ye Chen.

"master, you are evil, you have made a woman cry, you are so mean" Chu Yuechan said to Ye Chen.

"I didn't do anything, didn't you see" Ye Chen said to Chu Yuechan, Ye Chen tried to defend himself, he didn't do anything wrong here.

"but she is crying, you should be the one in the wrong, the first rule in a woman's heart is to coax her when she cries, you are really stupid" Chu Yuechan said to Ye Chen.

"You don't help, this only makes the situation worse," Ye Chen said to Chu Yuechan, what Chu Yuechan did only made the situation worse.

"do whatever you want, try to calm her down" Chu Yuechan said to Ye Chen, Chu Yuechan told Ye Chen to calm Gu Xun down.

"Okay" Ye Chen nodded, he will try to calm down Gu Xun, he hopes to make Gu Xun calm down.

Ye Chen hugged Gu Xun who was in front of him, he tried to calm Gu Xun down.

"Sister Xun, please calm down, I'm sorry if something went wrong" Ye Chen said to Gu Xun.

Gu Xun felt comfortable and warm feelings from Ye Chen, with Ye Chen's coaxing, Gu Xun was finally willing to calm down a bit.

Ye Chen was willing to admit his mistake, rather than this matter getting widened, Ye Chen would rather admit his mistake.

"No, you're not wrong" Gu Xun said to Ye Chen, Gu Xun said to Ye Chen, she told Ye Chen that he was not wrong.

"wait, what" Ye Chen didn't expect that Gu Xun would say that he wasn't wrong.

"You are indeed not wrong, this is all my fault" Gu Xun said to Ye Chen.

"then why are you crying ?" Ye Chen asked Gu Xun, he wanted to know the reason Gu Xun was crying.

"I'm crying because I'm stupid," Gu Xun said to Ye Chen, Gu Xun told Ye Chen that she was crying over her stupidity.

"? ? ?, I still don't understand" Ye Chen still doesn't understand, Gu Xun is a little complicated, probably because Gu Xun is in a state of turbulent mind.

"I will explain to you" Gu Xun said to Ye Chen, she will try to explain clearly about what happened.

Gu Xun tried to hide this, but now it was time for Ye Chen to hear about this matter.

Gu Xun told Ye Chen the truth, she told everything about Gu Xuan, Gu Xun told Ye Chen that Gu Xuan was no longer in this world.

It happened some time after Gu Xuan finished practicing with Ye Chen, after that incident Gu Xuan went to Gu Xun and apologized, and at that time she told Gu Xun everything, after telling Gu Xun everything, Gu Xuan breathed her last and left with calm.

"Huh? . . ." Ye Chen looked confused, one could say that Ye Chen was shocked when he heard this matter, he didn't expect that Gu Xun would say the last thing and make Ye Chen shocked.

"Sister Xun, you're not kidding me, are you . . . ?" Ye Chen said to Gu Xun.

"no I'm not lying to you, my father has died at an old age, you know that my father is very old" Gu Xun said to Ye Chen.

Gu Xuan was hundreds of thousands of years old, Gu Xun was not lying about what she had just done.

#### [Chapter 2095 Visiting Gu Xuan's Grave Together With Gu Xun](#)

"You really didn't lie to me" Ye Chen saw that Gu Xun didn't lie to him, it seemed that he meant what happened.

Ye Chen felt enough to lose Gu Xuan was a good person, he was the person who had changed Ye Chen's life, if only in the past he had not met Gu Xuan, he might not have lived to this day.

"I owe him a lot, this really disappoints me" Ye Chen felt disappointed, he had not had time to thank Gu Xuan.

He should be repaying Gu Xuan's kindness, he wished he could do that.

Gu Xun looked at Ye Chen, she could see that Ye Chen was also sad when he found out about this.

"Elder sister, can you help me to see where the master's grave is" Ye Chen said to Gu Xun.

Ye Chen made a request, he asked Gu Xun to tell him where to Gu Xuan's tomb .

"Sure, come with me" Gu Xun said to Ye Chen, she will show where Gu Xuan's tomb is.

Ye Chen nodded, at least he could pay his last respects to Gu Xuan.

Gu Xun took Ye Chen to a small planet, it could be said that this place was 2 X the size of the earth.

"here ?" Ye Chen looked at the front, it seemed that this was where Gu Xuan lived in the past.

"Come with me" Gu Xun took Ye Chen, she took Ye Chen to a hill in this small planet.

Ye Chen went along, she went along with Gu Xun to a hill, on this hill Ye Chen saw two tombs.

"It seems that this is the tomb of Gu Xun's mother and another is master" Just looking at this, Ye Chen could tell whose grave it was.

"This is the place" Gu Xun said to Ye Chen, he told that this is the place.

"Sister Xun turned out to be good, you still want to do this" Ye Chen said to Gu Xun.

"Don't get me wrong this is just an artificial tomb made by my father, my mother's body was destroyed by that person, so father made this a place to remember my mother" Gu Xun said to Ye Chen.

"Still, you are good for wanting to do this" Ye Chen said to Gu Xun.

Gu Xun blushed, she looked embarrassed when she received Ye Chen's compliment, Gu Xun thought she was a bad person, but Ye Chen still thought he was a good woman.

"already, just do it quickly, he might be happy to meet you" Gu Xun said to Ye Chen, she told Ye Chen to pay his respects.

"Okay" Ye Chen became serious, he looked very serious when talking to Gu Xun.

"Master, your incompetent disciple has come, I'm really sorry that I can't help you" Ye Chen said to Gu Xun.

Ye Chen apologized, he couldn't help Gu Xun, if only now maybe Ye Chen could help Gu Xun and maybe Gu Xun could still live.

Gu Xun looked at Ye Chen, she saw that Ye Chen was a very kind person, it seemed her father had made a very right decision, she had a worthy disciple.

"I may not be able to repay what you have given me, I will try to do your last wish, I will take good care of Sister Xun for the rest of her life" Ye Chen said to Gu Xun.

"Huh? ? ?" Gu Xun was shocked when she heard Ye Chen said, she didn't expect that Ye Chen would say that in front of her father's grave, it was like Ye Chen intended to make Gu Xun his wife.

Gu Xun is of course embarrassed, her face is red like an apple, Ye Chen has embarrassed Gu Xun.

After saying that, Ye Chen paid his respects three times to Gu Xun, he would try his best to protect Gu Xun, it was the last request that Gu Xun asked and Ye Chen had to do it, otherwise he would disappoint Gu Xun.

Ye Chen talked for a while, he told a little story that he had experienced during these 2 years, of course Ye Chen had found what he was looking for, he had found a good family and overcome his special body problems.

"it's finished. . . ?" Gu Xun asked Ye Chen.

"Okay, I'm done, thank you very much" Ye Chen said to Gu Xun.

"Then let's go" Gu Xun asked Ye Chen to leave, she asked Ye Chen to leave this place, there were so many things he wanted to talk to Ye Chen about.

Ye Chen followed Gu Xun, the two returned to where Ye Chen was staying.

"Ye Chen, what are you doing" after arriving at Ye Chen's place, Gu Xun immediately scolded Ye Chen.

"uh, why, why are you angry?" Ye Chen asked Gu Xun, Ye Chen didn't know why Gu Xun suddenly got angry.

"You still ask, explain to me what you meant earlier, you want to protect me for life, what does that mean?" Gu Xun asked Ye Chen.

"oh that, I told you before, if I'm going to take care of you, you should know what I mean" Ye Chen said to Gu Xun.

Gu Xun understood, she didn't expect that Ye Chen would be this bold towards her.

"Sister Xun is so beautiful, I don't mind making you as my wife" Ye Chen said to Gu Xun.

"You are quite brave too" Gu Xun looked at Ye Chen, it turned out that Ye Chen was quite brave too, he was brave enough to say that to Gu Xun.

"Don't you want to?" Ye Chen asked Gu Xun, Ye Chen asked if Gu Xun didn't want to be with him.

"what if I don't want?" Gu Xun said to Ye Chen.

"Then I will force you" Ye Chen said to Gu Xun, Ye Chen will definitely make Gu Xun accept it, he will do anything.

"You are . . ." Gu Xun looked at Ye Chen, she could see that Ye Chen was quite serious about what he just said.

"I hope we can get along better from now on" Ye Chen said to Gu Xun.

"Perhaps, first you have to save young lady" Gu Xun said to Ye Chen, Gu Xun told Ye Chen to address Dongfang Xiu first.

"if I do you will accept me" Ye Chen said to Gu Xun.

"That depends, whether young lady will accept me or not" Ye Chen said to Gu Xun.

"Is that so, okay, I will do it." Ye Chen understood, he would do it.

"I will try to help you as much as possible, for the rest it depends on you" Gu Xun said to Ye Chen, she told Ye Chen that she would help as much as she could.

"thank you very much, I will do my best" Ye Chen answered Gu Xun, he will do his best for Dongfang Xiu's future.

"That is a very very good answer, I will go first see you later, and make sure you don't die" Gu Xun said to Ye Chen, Gu Xun told Ye Chen not to die when he kidnapped Dongfang Xiu.

Ye Chen nodded lightly, he wouldn't die that easily.

Gu Xun left, she left this place.

"Who was that just now, she looked familiar to me." Sun Xuanyin came out, she asked Ye Chen about Gu Xun.

"She is the daughter of my master" Ye Chen said to Sun Xuanyin, Ye Chen told Sun Xuanyin who Gu Xun was.

"Your master?, I'm quite curious about the person who trained you?" Sun Xuanyin said to Ye Chen.

Sun Xuanyin desperately wanted to know who could make a small and powerful monster like Ye Chen shake the God Realm violently.

#### [Chapter 2096 Sneaked Into The Bride's Room](#)

"Forget it, I'm not in a good mood to talk about that matter." Ye Chen said to Sun Xuanyin, himself saying that he was in a bad mood.

Perhaps it was because he had just heard sad news, that he was a little uncomfortable about telling this matter to Sun Xuanyin.

Sun Xuanyin looked at Ye Chen, she wanted to know what Ye Chen was thinking, to be honest she didn't know what had happened to Ye Chen.

"let's go" Ye Chen asked Sun Xuanyin to go, he decided to go to the Immortal Profound Sea Realm.

"let's go" Sun Xuanyin nodded, she accompanied Ye Chen to the Immortal Profound Sea Realm.

When Ye Chen arrived near the Immortal Profound Sea Realm, he already found hundreds of thousands of people standing guard, one could say that at this time the Immortal Profound Sea Realm was extremely vigilant and would not allow just anyone to enter their territory.

"Lots of them." Sun Xuanyin looked at the guards around, she could see that there were a lot of guards around here.

"It seems they are wary of my arrival." Ye Chen could see that the Immortal Profound Sea Realm was wary of him.

Hai Wan must have arranged this matter, he definitely wouldn't let anything bad happen.

"It looks like we won't be able to enter without making a mess." Sun Xuanyin said to Ye Chen, herself telling Ye Chen that they would most likely not be able to enter the Immortal Profound Sea Realm.

"Who said, it's quite easy to enter" Ye Chen said to Sun Xuanyin, Ye Chen told them that it would be very easy for them to enter the Immortal Profound Sea Realm.

"How?" Sun Xuanyin asked Ye Chen, she wanted to know how Ye Chen entered the Immortal Profound Sea Realm.

"Look carefully" Ye Chen immediately used God Eyes, he used God Eyes to look straight into the Immortal Profound Sea Realm.

The Immortal Profound Sea Realm was huge, Ye Chen decided to find a very comfortable and safe place for himself to go.

"found" Ye Chen finally found the place, he found a safe place for himself to go.

"Okay" Ye Chen hugged Sun Xuanyin beside him, it was time for Ye Chen to go to the Immortal Profound Sea Realm.

"Master, what are you going to do?" Sun Xuanyin was curious, herself wondering what Ye Chen would do.

"Of course we will enter the Immortal Profound Sea Realm." Ye Chen said to Sun Xuanyin, they would enter the Immortal Profound Sea Realm.

Ye Chen used his teleportation ability, he used his teleportation ability to enter the Immortal Profound Sea Realm.

By using the power of dimensions, Ye Chen could easily enter the Immortal Profound Sea Realm without being detected by anyone.

"Huh?" Sun Xuanyin looked surprised when she saw Ye Chen's ability and strength, to be honest Ye Chen's strength and ability was very formidable.

"We have entered" In just a matter of seconds, Ye Chen and Sun Xuanyin had entered the Immortal Profound Sea Realm.

"That was great just now" Sun Xuanyin said to Ye Chen, herself telling Ye Chen that it was really great just now.

"Of course, I am a great person" Ye Chen said to Sun Xuanyin, Ye Chen said that he was a very great person.

"Let's start looking for a good place, we will enter the main palace of the Immortal Profound Sea Realm" Ye Chen said to Sun Xuanyin.

"Alright" Sun Xuanyin nodded, herself nodded and she and Ye Chen headed straight for the main palace of the Immortal Profound Sea Realm.

The guard inside the Immortal Profound Sea Realm was as strict as it was outside, and there were countless guards patrolling the Immortal Profound Sea Realm.

Besides that there were countless strong people present, they were all attending the wedding ceremony of prince Hai Ming and goddess Dongfang Xiu.

They all didn't want to be left behind, so it wouldn't be strange for all of them to want to come to this place.

This is a very large event, where the Immortal Profound Sea Realm and Sacred Heaven Star Realm will unite.

this was one of the reasons why countless guards, the Sacred Heaven Star Realm and the Immortal Profound Sea Realm were anticipating someone to wreak havoc on this very important event.

Ye Chen and Sun Xuanyin searched for a path to the main palace of the Immortal Profound Sea Realm, Ye Chen was absolutely certain that Dongfang Xiu was there.

"Crazy, there is no opening to enter the palace" Sun Xuanyin saw that there was no opening to enter the palace, all roads were well guarded, if they insisted, it was certain that they would be caught.

"Then I will go inside, please stay out here." Ye Chen said to Sun Xuanyin.

Ye Chen was about to enter, he told Sun Xuanyin to guard around this place.

"Okay." Sun Xuanyin nodded as she would guard around this place.

Ye Chen used Invisible Body Art, he tried to sneak inside using Invisible Body Art.

With the help of the Invisible Body Art, Ye Chen will not be easy to find, he will not be easy for others to find.

Ye Chen started to sneak in, he started to enter and passed all the guards around.

The guards couldn't see Ye Chen, rather they couldn't find the whereabouts of Ye Chen who used the Invisible Body Art.

"Master is very great, with such strength and ability, he should be able to go wherever he wants" with such techniques and abilities, then Ye Chen can go wherever he wants, that is very great.

Sun Xuanyin was blown away by the strength that Ye Chen displayed, the strength that Ye Chen displayed was astonishing.

Sun Xuanyin was watching from outside, she would make sure it was safe outside so that Ye Chen would be okay.

Ye Chen managed to get inside, he managed to get inside and immediately looked for Dongfang Xiu's place.

Ye Chen wanted to see Dongfang Xiu, whether Dongfang Xiu was okay or not.

Ye Chen could easily find the whereabouts of Dongfang Xiu, he was in a room with several maids straightening her hair.

Currently Dongfang Xiu is still trying on the wedding dress, it seems that the wedding dress that Dongfang Xiu chose is still not suitable until now.

"She is so beautiful" Ye Chen was amazed and looked dazed when he saw Dongfang Xiu wearing a white wedding dress, to be honest Dongfang Xiu was very beautiful when wearing a white wedding dress.

"She really is a goddess" Ye Chen was drooling, he had been mesmerized by Dongfang Xiu's beauty.

"This is amazing, I should be able to get it" Ye Chen should be able to get Dongfang Xiu.

He couldn't let anyone else get Dongfang Xiu, only he could have Dongfang Xiu.

"You all go out" Dongfang Xiu told the maid to leave, she wanted to be alone for a while.

"We understand" all the maids saluted, after which they left, leaving Dongfang Xiu alone.

"How many dresses have I worn?" Dongfang Xiu had tried on so many clothes, for some reason she felt uncomfortable wearing these.

From the start Dongfang Xiu didn't like to marry Hai Ming, this was probably why she didn't want to choose a pretty and decent outfit.

Too bad the maid kept urging her to find the most suitable clothes.

#### [Chapter 2097 Wait, In A Moment I Will Save You](#)

"This naturally makes Dongfang Xiu feel uncomfortable.

"I hope I get out of this place soon" Dongfang Xiu hoped that if he could get out of this place soon, if he could get out of this place, then that would be even better.

"Very good, this is a very good opportunity, I will go and see her" Ye Chen went and saw Dongfang Xiu, he wanted to meet Dongfang Xiu in person.

Ye Chen sneaked inside, he entered the bride's room.

"Let's tease him for a bit." Ye Chen wanted to tease Dongfang Xiu for a bit.

Ye Chen stretched out his hand, he started to touch Dongfang Xiu with his finger.

"Huh, who is it?" Dongfang Xiu immediately turned around, she immediately looked for the person who had poked her.

When Dongfang Xiu turned around, he didn't find anyone else in this place.

"No one, what happened" Dongfang Xiu was confused, he was confused when he saw that there was no one around this place.

"How strange, was it a hallucination earlier?" Dongfang Xiu wanted to know if it was just a hallucination.

Dongfang Xiu didn't feel anything around, currently she was alone in this room.

"This doesn't make sense" Dongfang Xiu felt that this didn't make sense, she clearly felt that someone was touching her.

"hehehehe" Ye Chen was very satisfied, he was very satisfied in teasing Dongfang Xiu.

Ye Chen teased Dongfang Xiu again, this time he slapped Dongfang Xiu's soft butt.

"Ah..." Dongfang Xiu groaned, feeling that someone had slapped her ass.

"This isn't a hallucination, what happened?" Dongfang Xiu was confused, she was confused about what happened.

Dongfang Xiu tried to find the person who seduced her, she looked around for the whereabouts of the person who had dared to seduce her.

Dongfang Xiu used her Spirit Sense, she searched for people around this place.

"No one, I can't find anyone around this place" Despite using her Spirit Sense, Dongfang Xiu still couldn't find any sign of anyone else around this place, Dongfang Xiu was currently alone.

Ye Chen smiled to Dongfang Xiu, he looked at Dongfang Xiu who looked confusedly looking for his whereabouts.

"who are you ?" because she didn't find anything, Dongfang Xiu decided to directly ask, she wanted to know who was teasing her.

Ye Chen didn't answer, she didn't answer Dongfang Xiu's words, he just kept quiet and stood in a corner.

Dongfang Xiu didn't find an answer, this room seemed very quiet, there was no sign of life or anything else around this place.

"Am I thinking too much?" Dongfang Xiu was confused, maybe it was because she was thinking too much, this made her mind confused and made her confused.

"I think I need a break." Dongfang Xiu needed a break, he needed a break and forgot about the problems that were currently happening.

Ye Chen saw Dongfang Xiu, Dongfang Xiu was so cute, he could cheer up Ye Chen who was in a bit of a bad mood.

Ye Chen wanted to tease Dongfang Xiu, he wanted to keep teasing Dongfang Xiu, it was really fun to tease Dongfang Xiu.

Dongfang Xiu again felt someone touching and watching her, this situation was clear and she couldn't be wrong.

"Who wants to play with me ?" Dongfang Xiu used her strength, the room was quickly enveloped in icy frost,

Dongfang Xiu seemed to be angry, she no longer held back and took everything out to find the whereabouts of the person who was trying to tease him.

Ye Chen seemed to have angered Goddess Dongfang Xiu, when this woman was angry the whole place became extremely cold, even the coldest place on earth was nothing compared to the temperature in this room.

Around Dongfang Xiu appeared several snow butterflies, these butterflies quickly spread out in all directions.

If it was true that someone was trying to seduce her, then Dongfang Xiu could easily find the person who was hiding.

Ye Chen already knew what Dongfang Xiu was going to do, he already knew Dongfang Xiu's plan.

"Too bad, it won't be able to find me" Ye Chen wouldn't be able to be found by Dongfang Xiu, he wouldn't be able to be touched by Dongfang Xiu's butterfly.

Ye Chen was completely untouchable, he was untouched by Dongfang Xiu's attack.

Dongfang Xiu came back not finding anything, this room was completely clean, there were no people or creatures around this place.

"What happened to me?" Dongfang Xiu wanted to know what had happened to her, why she felt someone was touching her.

"This might be Ye Chen's fault, he made me like this" Dongfang Xiu started blaming Ye Chen, she blamed Ye Chen for making herself like this.

"-\_- " Ye Chen didn't expect that Dongfang Xiu would blame himself, he was blamed by Dongfang Xiu, even though Dongfang Xiu had hidden well, why could Dongfang Xiu still blame him.

Since the days with Ye Chen, Dongfang Xiu began to change, she began to change and became like this, sometimes he would think mischievous things with Ye Chen.

Ye Chen had made a beautiful and super pure goddess like Dongfang Xiu become passionate and lewd, so it was not strange that Dongfang Xiu blamed Ye Chen.

"Master, are you done playing, you should see her" Chu Yuechan said to Ye Chen, Chu Yuechan told Ye Chen to go and see Dongfang Xiu.

"Okay, I will comfort her, she may be the same as me, she must have a lot of heavy thoughts" Ye Chen knew that Dongfang Xiu must be thinking about a lot of problems, it was the same as Ye Chen right now.

Ye Chen approached, he couldn't be found by Dongfang Xiu, so Ye Chen could do whatever he wanted with Dongfang Xiu.

Ye Chen hugged Dongfang Xiu, he hugged Dongfang Xiu in a wedding dress, this was the most awesome thing Ye Chen had ever done.

"Uh. . ." Dongfang Xiu felt someone hugging her, this feeling was very real.

"Who is it?, why are you hugging me?" Dongfang Xiu asked the person who was hugging her.

"can't I hug my beautiful goddess, you look so beautiful in this wedding dress" Ye Chen said to Dongfang Xiu.

Ye Chen whispered to Dongfang Xiu, he telling that Dongfang Xiu was very beautiful.

Dongfang Xiu was no stranger to this voice, he had often heard the voice in his dreams.

"Ye Chen, is that you?" Dongfang Xiu asked Ye Chen, Dongfang Xiu could easily guess the identity of Ye Chen.

"It seems you haven't forgotten me" Ye Chen said to Dongfang Xiu, Ye Chen said that if Dongfang Xiu didn't forget him, he thought Dongfang Xiu would forget him.

"How did you get in this place, you shouldn't be able to enter. . . , shhh." Ye Chen stopped Dongfang Xiu's words, he didn't want Dongfang Xiu to continue his words.

"You don't need to know how I came to this place, I will make sure that I get you out of here" Ye Chen said to Dongfang Xiu.

Dongfang Xiu saw Ye Chen, Dongfang Xiu could tell that Ye Chen looked very serious when he said this.

Ye Chen was going to free Dongfang Xiu, she was going to make sure that Dongfang Xiu was released from the net that bound her.

Dongfang Xiu was touched by what Ye Chen did, Ye Chen really kept her word.

"You really did" Dongfang Xiu said to Ye Chen, Dongfang Xiu didn't expect that Ye Chen would keep his promise.

"I can't let my beautiful goddess be taken by others, I don't like to see that" Ye Chen didn't want his beautiful goddess to be taken by others.

#### [Chapter 2098 Give A Special Present To Dongfang Xiu](#)

"Um" Dongfang Xiu nodded, she would believe Ye Chen, somehow now Dongfang Xiu really believed what Ye Chen said, she really believed what Ye Chen said.

"Very good" Ye Chen was happy with Dongfang Xiu's understanding, to be honest Dongfang Xiu's understanding made Ye Chen happy.

Ye Chen and Dongfang Xiu hugged each other, the two hugged for a while, it seemed that they were both very happy to see each other.

"How did you get into this place?" Dongfang Xiu asked Ye Chen, she asked how Ye Chen got into this place.

It shouldn't be easy for Ye Chen to enter this place, considering that this place is the safest place in the God Realm, not just anyone can enter this place.

"You don't know, there's no place I can't go to" Ye Chen said to Dongfang Xiu, Ye Chen told her that he could go wherever he wanted.

"Hmm. . ., why are you even boasting" said Dongfang Xiu in a displeased tone.

"Don't you like me coming?" Ye Chen asked Dongfang Xiu.

"that . . ., of course I'm happy." Dongfang Xiu said to Ye Chen, she told Ye Chen that she was happy that Ye Chen wanted to come.

"Very good" Ye Chen was satisfied with the answer given by Dongfang Xiu, the answer given by Dongfang Xiu was very good.

"Xiu, you're so beautiful, you really fit in this" Ye Chen said to Dongfang Xiu, Ye Chen told that Dongfang Xiu is very suitable for wearing a wedding dress.

"Are you excited to see me like this, you pervert, I thought all men were the same" said Dongfang Xiu in a disgruntled tone.

"Don't compare me to that guy, I'm much better than that guy" Ye Chen said.

Ye Chen didn't like it when he listened and saw Dongfang Xiu comparing himself to Hai Ming.

"Yes, you may be a little better than him, but in reality you are quite a pervert" Dongfang Xiu said to Ye Chen.

"-\_- " Ye Chen didn't expect that Dongfang Xiu would say that right away, it seems that Dongfang Xiu had a bad experience with Ye Chen.

Ye Chen spent a little time with Dongfang Xiu, he talked to Dongfang Xiu and said that he was going to take her away, he told Dongfang Xiu to get ready and wear the nicest clothes she had.

"Why should I do that?" Dongfang Xiu said to Ye Chen, why should Dongfang Xiu do what Ye Chen did.

"I want to see my goddess in peerless beauty, this is something I have never seen before" Ye Chen said.

Ye Chen wanted to see the beauty that Dongfang Xiu had, he wanted to see the super beautiful Dongfang Xiu.

Dongfang Xiu blushed, this cold goddess was easily melted by Ye Chen's words.

"I have a present for you" Ye Chen said to Dongfang Xiu, he telling Dongfang Xiu that he had a present for Dongfang Xiu.

"I don't need it" Dongfang Xiu said to Ye Chen, Dongfang Xiu said that she didn't need that, just Ye Chen's arrival was enough and made Dongfang Xiu happy.

"Are you sure?" Ye Chen asked Dongfang Xiu, he took out a necklace and showed it to Dongfang Xiu.

Ye Chen showed me the jewels made of Heavenly Goddess Diamond.

When Dongfang Xiu saw what Ye Chen let out, her eyes lit up.

The Heavenly Goddess Diamond is a temptation for women, every woman will definitely not be able to resist the Heavenly Goddess Diamond.

"that . . ." Dongfang Xiu was starting to get confused, she just rejected it, how should she behave and accept this, it would be embarrassing for Dongfang Xiu.

Ye Chen looked at Dongfang Xiu, it seemed that her beautiful goddess wanted the Heavenly Goddess Diamond in her hands, it was a shame that she was embarrassed to admit it.

"Xiu, you need to be more honest with yourself, whether you want to or not, otherwise I might just give this to. . ." Ye Chen said to Dongfang Xiu.

"I want" Dongfang Xiu said if she wanted to, she really wanted the Heavenly Goddess Diamond necklace in Ye Chen's hand.

"So much better" Ye Chen said to Dongfang Xiu, he prefers the honest Dongfang Xiu.

"Can you put it on for me?" Dongfang Xiu asked Ye Chen, Dongfang Xiu asked Ye Chen to put on the Heavenly Goddess Diamond necklace.

"Of course" Ye Chen immediately agreed, he walked closer to Dongfang Xiu.

Dongfang Xiu turned around, she immediately turned her back on Ye Chen, this was done so that Ye Chen could easily install the Heavenly Goddess Diamond for her.

Ye Chen brushed Dongfang Xiu's snow hair, when Ye Chen did this, he could see the beautiful and sexy nape of Dongfang Xiu's neck.

"She smells so good" Ye Chen liked Dongfang Xiu's scent, Dongfang Xiu's scent was very nice.

"Ye Chen?" Dongfang Xiu said to Ye Chen, for some reason Ye Chen didn't immediately apply the Heavenly Goddess Diamond to her.

"Sorry, you're too pretty, I'm a little lost, my goddess" Ye Chen said to Dongfang Xiu.

"don't say embarrassing words" Dongfang Xiu told Ye Chen not to say embarrassing words.

"You are still shy, the snow butterfly goddess is so cute" Ye Chen said to Dongfang Xiu.

Dongfang Xiu was becoming more and more redder, he was becoming more and more reddened as time passed.

"Just do it quickly" Dongfang Xiu said to Ye Chen, Dongfang Xiu told Ye Chen to immediately put on the Heavenly Goddess Diamond.

"Okay" Ye Chen immediately put the Heavenly Goddess Diamond on Dongfang Xiu, he was like a man proposing to a woman.

"Okay" Ye Chen has finished, now the Heavenly Goddess Diamond necklace is around Dongfang Xiu's neck.

Dongfang Xiu looked at herself in the mirror, her current self was very beautiful and full of charm.

The Heavenly Goddess Diamond had made Dongfang Xiu even more beautiful, he looked so radiant when he wore the Heavenly Goddess Diamond.

"This is so beautiful, thank you" Dongfang Xiu hugged Ye Chen, she was grateful for what Ye Chen gave her.

Dongfang Xiu was in a very good mood, so it wouldn't be strange for her to hug Ye Chen.

Ye Chen was quite surprised when he saw Ye Chen, to be honest he was surprised when he saw Dongfang Xiu hugging him.

Dongfang Xiu wasn't aware of what she was doing, she moved on her own and did what she wanted.

The two hugged for a while, after some time Dongfang Xiu came to her senses and pushed Ye Chen away.

Ye Chen was a little disappointed when he saw Dongfang Xiu pushing herself, he seemed to be a little lost.

"Master, the guards' activities are starting to get weird, it seems they are starting to find you" outside Sun Xuanyin said to Ye Chen, she gave Ye Chen a sound transmission voice.

"Okay, I understand." Ye Chen understood, he understood what Sun Xuanyin said.

"I'll go first, it seems the guards in this place are not friendly to me" Ye Chen said to Dongfang Xiu, he told Dongfang Xiu that he had to go first.

"Be careful" Dongfang Xiu told Ye Chen to be careful.

"Sure, I will be very careful" Ye Chen will be careful, he will do his best to be careful.

#### [Chapter 2099 Become A Servant To Infiltrate](#)

Ye Chen left Dongfang Xiu's room, immediately looking for a way out of this palace.

The guards did start to move, they combed the whole place and made sure there was no one else.

"Are they aware of my existence?" Ye Chen did not expect that they would be aware of his existence.

Ye Chen should have done his best to hide himself and not be easy for others to find.

Ye Chen came out and passed all the guards, he went and passed all the guards to go to where Sun Xuanyin was.

"What exactly happened?" Ye Chen immediately asked Sun Xuanyin, he immediately asked how the guards knew that he was outside.

"Looks like they're starting to notice our presence, all the guards are currently moving around and looking for the two of us, it seems like they're aware that we've entered their territory." Sun Xuanyin answered Ye Chen's question.

"How is that possible, do they have a special radar?" Ye Chen said to Sun Xuanyin.

"Of course, every major power has a special mechanism, they are capable of detecting foreigners trying to enter their territory" Sun Xuanyin said to Ye Chen.

"Is that so" Ye Chen understood, he understood more and more what Sun Xuanyin was saying.

"If we want to stay in this place, then we can only go and destroy the radar they have." Ye Chen had to destroy the radar mechanism used to find him.

"It must be in a place that is extremely difficult to find." Sun Xuanyin informed that that place should be extremely difficult to find, Hai Wan wasn't so stupid as to point out the most important place she belonged to.

"Then let's go find it." Ye Chen said to Sun Xuanyin, they just needed to find the place.

"let's go" Ye Chen took Sun Xuanyin away, this place was no longer safe for them.

Ye Chen knew that the defense mechanism of the Immortal Profound Sea wasn't inside the palace, so Hai Wan must have put it somewhere a little further away from the palace so it wouldn't be easy to find.

Ye Chen used God Eyes, using God Eyes, he very quickly discovered the existence of hidden places in the Immortal Profound Sea.

"There are so many hidden places, it looks like it will take a long time" Ye Chen said to Sun Xuanyin.

"Should we split up?" Sun Xuanyin asked Ye Chen, Sun Xuanyin invited Ye Chen to split up, so they could more quickly find the location of the Immortal Profound Sea's radar.

"It's not necessary" Ye Chen told Sun Xuanyin that it wasn't necessary.

<strong> "Shadow Clone"</strong> Ye Chen's made a Shadow Clone, dozens of Shadow Clones appeared in front of Ye Chen.

Sun Xuanyin looked at the shadows Ye Chen had made, they really were very similar to Ye Chen and it was very difficult to tell them apart.

"This must be a top tier technique, it's extremely formidable." Sun Xuanyin had to admit that Ye Chen had an extremely formidable top tier technique.

"Go find the radar of the Immortal Profound Sea and destroy it" Ye Chen said to Shadow Clone.

All the Shadow Clones left, they all went straight to carry out the tasks given by Ye Chen.

"they will complete their task, we just need to wait for the results" Ye Chen said to Sun Xuanyin.

"What is your next plan?" Sun Xuanyin asked Ye Chen, Sun Xuanyin wanted to know what Ye Chen's plan was next.

"Hmmm, let me think, I might sneak back into the palace as a servant, it will give me the advantage of being able to keep an eye on what they are doing" Ye Chen said to Sun Xuanyin.

"Servant life is not as easy as you see it to be" Sun Xuanyin said to Ye Chen.

"why is it?" Ye Chen asked Sun Xuanyin, he wanted to know what Sun Xuanyin meant.

"Let me explain it to you" Sun Xuanyin would explain to Ye Chen.

Sun Xuanyin began to explain the duties of a Servant and his rank.

the first Servant are lower level maids, they are in charge of taking care of everyone's needs, sometimes they are treated very badly and inhumanely.

The second is a freelance servant, these servants are servants who are hired occasionally, they will work according to wages, usually they will be bullied and treated badly too.

The three are personal servants, these are personal servants like Gu Xun, they will serve one person.

Usually these servants will follow their master, if they get a good master they will be lucky, but if they get a bad master, then they will get trouble and torment.

"There's no way I can become a personal servant, that will slow things down, I can only be a freelance servant or a lower level servant" Ye Chen said to Sun Xuanyin.

"I'm sure you won't be able to stand it, they might treat you badly" Sun Xuanyin said to Ye Chen.

"If that's the case, I just need to teach them a lesson" Ye Chen said to Sun Xuanyin.

"You are like that, I was stupid to worry about you" said Sun Xuanyin.

Sun Xuanyin was too worried about Ye Chen, she had forgotten that this man was far more terrifying than anyone could imagine.

"Then let's go and see if I find a maid who can be used as a disguise" Ye Chen wanted to kidnap a Servant, he intended to use one of the maids as a disguise.

"Oh my" Sun Xuanyin was helpless, she had to immediately follow Ye Chen.

Sun Xuanyin still didn't understand what Ye Chen was planning, exactly what Ye Chen was trying to do.

"Why didn't you tell me your plan?" Sun Xuanyin asked Ye Chen.

"I'll disguise myself as a servant and mess around a bit, that's when I'll take Dongfang Xiu away" Ye Chen said to Sun Xuanyin.

"You are indeed the most skilled when it comes to wreaking havoc" Sun Xuanyin said to Ye Chen.

Sun Xuanyin had to admit that Ye Chen was really good at messing up, if Ye Chen said he wanted to make a mess, then he definitely would.

"Let's find a good Servant around this place" Ye Chen is trying to find the best male servant in this place.

"There, someone is alone." Sun Xuanyin said to Ye Chen, she found a lone male servant.

"Very good, he is not too flashy" Ye Chen was quite satisfied with what Sun Xuanyin found, he quite matched with what Sun Xuanyin found.

"Let's cripple him." Ye Chen said to Sun Xuanyin.

"Okay." Sun Xuanyin nodded, she immediately went and crippled the Servant in front of her.

"Hey, do you have time" Sun Xuanyin appeared, when Sun Xuanyin appeared the maidservant was immediately captivated by Sun Xuanyin's beauty.

Sun Xuanyin used her Charm, Sun Xuanyin's Charm was among the most powerful, normal men would not be able to withstand this Charm.

The Servant couldn't stand Sun Xuanyin, he immediately went and met Sun Xuanyin who was in front of him.

When the Servant approached, Sun Xuanyin immediately used fast steps to knock the Servant in front of her down.

"This person is quite easy to trick," Sun Xuanyin said to the servant she had just taken down.

"very good job" Ye Chen praised Sun Xuanyin, Sun Xuanyin did a really good job.

Ye Chen picked up the servant's clothes that Sun Xuanyin had dropped.

"This should be enough, you take care of this person and make sure he doesn't run off to tell others" Ye Chen said to Sun Xuanyin.

"Okay, I understand" Sun Xuanyin understood, she would find a place to tie this person up for the time being until Ye Chen was done with his task.

Ye Chen immediately walked in wearing a servant outfit, he could easily blend in with the people around him.

Ye Chen observed what was being done in the palace, he could still see that there was still chaos inside, there were still countless guards looking for his whereabouts.

"what are you doing here?, hurry back to work" the butler said to Ye Chen, he told Ye Chen to get to work immediately and finish the task.

"Okay" Ye Chen understood, at this time Ye Chen could only obey and not put up a fight.

"what is my task" Ye Chen asked the butler, he didn't know the task he had yet.

"You idiot, don't you know that we are currently preparing the decorations, hurry up to work or I will reduce your wages immediately" the butler said to Ye Chen.

what Sun Xuanyin said came true, there were many people in high positions bullying weak servant.

"Okay, I'll finish this job soon." For the time being Ye Chen could understand what happened, he would try to be more patient.

Ye Chen along with thousands of servants started to do the decoration and venue arrangement for the invited guests, it seemed Hai Wan had invited a lot of guests to attend this event.

Ye Chen looked at the number of servants, if all of them were in total, then the maids in this place numbered tens of thousands, this is a very large number, with this number the work should be done quickly and easily.

Ye Chen started to blend in with the people around him, he was able to easily blend in the servants around and blend in with them without anyone noticing that this was Ye Chen.

"it's tiring work, they don't let us rest even for a minute" so many servants complained, they had all been worked for several days without sleep, it was giving them all a lot of stress.

"Don't be too loud, if they listen to our conversation, they can kill us" another servant tried to remind them, if they were caught then they would get into a very big problem.

"needless to say, we all know the consequences we will face" all the servants already know, they don't want to continue this conversation.

"The servant's life in this place is not as good as I imagined." Ye Chen saw that the servant's life in this place was not as good as he imagined.

All the servants turned out to be grumbling and starting to be unhappy with the treatment they were getting.

Even though they weren't happy with the treatment they were getting, in reality they didn't dare to put up a fight.

If they dare to fight, it is certain that they will be executed on the spot.

Here has quite strict rules, waiters are prohibited from serving, if they dare then they can lose their lives.

"I think this is the right time to make a little mess." Ye Chen decided to make a mess right away, he had to do a few things to make a mess when the wedding took place later.

.

.

Everyone in the Immortal Profound Sea Realm was extremely busy, they were all dealing with the big wedding that was about to start, they didn't have time to do anything else.

They were so focused on marriage, they didn't realize that Ye Chen had caused so much trouble in the Immortal Profound Sea Realm.

Ye Chen put up a splendid game, he did a lot of sabotage on every side, the enemy didn't even know and didn't think that Ye Chen could do this.

"what is the situation now, is everything going well" Hai Wan asked the elder who was in charge of everything.

"everything is going well, the invited guests have also started arriving, tomorrow is the perfect time to do it" the elder reported what happened to Hai Wan.

"that's very good, you all have done a very good job" Hai Wan was satisfied with the work done by everyone, everyone has done the best they can do.

"Lord, the matter regarding the goddess Dongfang, it seems that she is not in a good mood, we can't persuade her" the elder reported what happened to Dongfang Xiu.

"There is no need to care about that woman, she is just like that, she will definitely accept it slowly" Hai Wan said to the elder.

Hai Wan already knew what Dongfang Xiu was like, so he didn't really care about this matter.

"If that's the case then we'll ignore it." The elder said that they would ignore Dongfang Xiu's attitude.

"what about that guy, did he make any suspicious moves" Hai Wan wanted to know if Ye Chen started moving or not.

"According to the intelligence obtained, he hasn't moved, there is no sign of that person's movement." The elder informed that Ye Chen didn't make any strange movements, they were still and quiet.

no one knew what Ye Chen was currently doing, they didn't have enough information about Ye Chen.

Ye Chen's wife did the job very well, they all made sure that outsiders didn't find out what they were doing, if any intruders came, then Chi Shui and the others would take care of them quickly without leaving any traces.

"This is what worries me, they are too quiet, we can't know what they are planning and their moves are unpredictable" Hai Wan ran into a problem, she currently didn't know what Ye Chen was planning, the young man she was dealing with was quite mysterious.

"If anything happens, we will immediately notify the Lord of this matter." The elder would immediately notify if the situation got out of control.

"you did a great job, you can go and continue" Hai Wan said to the Elder.

"thank you very much" the elder thanked Hai Wan, he decided to leave this place and immediately do his previously delayed work.

Hai Wan was still thinking, she was still wondering if something bad would happen.

"To think that the powerful Sun Quan would lose to a newcomer, this has thrown the balance of the western God Realm into chaos, if it continues like this, there might be a big mess."

Sun Quan's defeat had disrupted the balance of the God Realm, if it continued like this, it was certain that there would be great chaos that would spread to other regions.

Now it was up to him and Dongfang Xiong, whether the two of them could stop Ye Chen or not, if the two of them couldn't stop Ye Chen, then Ye Chen would become the new ruler of the God Realm.

"I can't leave the Western God Realm to a brat like him" Hai Wan said that he couldn't hand over the Western God Realm to Ye Chen.

They had to quickly anticipate this matter properly so that Ye Chen wouldn't become the new ruler.

Hai Wan just didn't know, Ye Chen had already stepped in and started making a mess in his place.

.

.

"Master, you are very good at wreaking havoc" Chu Yuechan said to Ye Chen.

"hehehehe, that's me" Ye Chen said to Chu Yuechan, that's how great Ye Chen is, he is able to make such a mess.

"If Hai Wan finds out that Ye Chen made a mess, he might vomit blood" Chu Yuechan said to Ye Chen.

"I haven't seen him until now, maybe he's busy at his place." Ye Chen didn't look at Hai Wan, you could say that Ye Chen didn't see the big movement like before, everything seemed to be very well controlled.

"Stupid, work well, useless slaves" in the distance there was an angry voice, it seemed like a butler was punishing slaves.

Ye Chen was naturally curious, he wanted to know what was going on right now.

Ye Chen approached and saw what was happening, when Ye Chen approached, he found an old man and woman sitting on the ground and being whipped several times by someone.

Judging from their appearances, they both looked like they were over 80 years old, their real age was unknown.

"please let us rest, we have worked hard and we are not strong anymore" the old woman asked for relief, she and her husband have worked very hard and now they are feeling very tired.

"do I care about the problems you have, I don't care about the problems you have, you have to work, otherwise I will make you regret it" the butler said to the old couple, he said to two people who didn't want to work.

"please give us a break" the old woman said to the butler, she asked for some leniency, they both really need a break because they are too tired while working.

"If I say no, then that means no, don't you understand" the butler said to the old couple in front of him.

The butler would not grant their request, he would not grant such a request and told the two to continue working for him.

"please" the two couples kept asking for help, they both asked the butler for help to grant their request.

"are you both deaf, if i say no it means no" the butler raised his whip, he prepared to inflict punishment on the two who dared to disobey him.

The old couple was ready to receive the attack and punishment, the two of them could no longer escape from this place.

As the old couple prepared to take the hit, they felt nothing, but the butler didn't seem to be landing any hits on either of them.

The two of them opened their eyes, when they opened their eyes, they found someone holding the attack for them.

"who is that ?" the old couple didn't know who would take the attack for them, they wanted to know who would hold the attack for the two of them.

"who are you ?" the butler asked the person who stopped his attack.

"I'm nobody, I just can't bear to see what you do" Ye Chen said to the butler.

Ye Chen couldn't stand what the butler did, what the butler did made Ye Chen unhappy and disliked.

This fellow had dared to do such an unworthy thing for an exhausted old man, there was no way Ye Chen would just keep quiet when he saw what was happening before his eyes.

"You want to try to be a hero?" the butler asked Ye Chen.

"I don't want to be a hero, I just want to help them, don't you understand that they are tired, why not let them get some time off so they can be more comfortable at work" Ye Chen said to the butler.

"Those two still have a lot of work to do, if I give them time off, then who will finish the work?" said the butler to Ye Chen.

"I will replace them" Ye Chen said that if he would replace them, he could replace them for work.

"hahaha, are you sure about that" the butler said to Ye Chen.

"Of course, why not" Ye Chen said that he was serious, he was serious when he said this.

"You don't have to do that, we won't bother you" the old couple said to Ye Chen, they both said that they wouldn't bother Ye Chen.

"You two don't need to worry, I don't feel bothered, you should rest for a while" Ye Chen said to the old couple in front of him.

"thank you very much" the old couple thanked Ye Chen for what he did.
