

## True God 2101

### [Chapter 2101 \[Bonus Chapter\]Ye Chen Is Dealing With The Butler](#)

Ye Chen nodded, he would help the two of them get out of their troubles.

"So what's my job?" Ye Chen asked the butler, Ye Chen asked what job he had.

"It's good if you ask that, I will make you work so hard until you beg me" the butler wanted to torture Ye Chen, he would make Ye Chen regret what he said.

Ye Chen will not regret, he will not regret what he said, it is a good thing to help others, this will make Ye Chen a good person.

The butler gave a lot of tasks to Ye Chen, he gave quite a lot of tasks to Ye Chen.

Ye Chen received all the tasks given, very quickly Ye Chen did the tasks given.

"damn, why is he so fast" the butler looked at the work done by Ye Chen, he could see that Ye Chen did this job quickly and very neatly.

The butler didn't have the chance to blaspheme or punish Ye Chen, he didn't have the chance to do that to Ye Chen.

"This arrogant brat, I don't have a chance to punish him" the butler was so annoyed, he didn't have a chance to punish Ye Chen.

"I have to find a way to get him into trouble" the butler intended to cause trouble, that way Ye Chen would be punished.

"master it seems this person is plotting bad things to you" Chu Yuechan said to Ye Chen, she told Ye Chen that the butler was trying to make things bad for Ye Chen.

"It seems like he is trying to find trouble with me, since he is trying to find trouble, then I will be happy to serve him." Ye Chen would fight back, he would make this person pay for daring to find trouble with him.

"As expected of master" Chu Yuechan seemed very satisfied with the answer given by Ye Chen, she seemed very satisfied with the answer given by Ye Chen, the answer given by Ye Chen was very good.

Ye Chen watched over what the butler was planning, he used **Shadow Clone** to replace his job.

Using Shadow Clone, Ye Chen could easily sneak in and see what the butler was doing.

"I will definitely make you regret it" the butler made a mess, he destroyed some furniture and important items around this place.

Some furniture is cut before it breaks completely or reaches the edges, this can cause the furniture to break or shatter at the slightest human touch.

His goal was obvious, he was trying to frame Ye Chen, he wanted to frame Ye Chen would Ye Chen get into trouble.

"So that's the plan, okay I'll reply" Ye Chen prepared his own plan, he decided to use the imaging stone to record what happened.

If the butler dared to find trouble, Ye Chen would only have to point this out, then Ye Chen would have an easy victory.

the butler arranged everything well, he wanted Ye Chen to touch this thing, that way there would be a chain reaction that would make the whole place crumble.

"Hehehehe, this is a very good plan, I am a smart person" the butler was very satisfied, he was very satisfied with his handiwork.

It shouldn't be anyone who knew what he was doing, if anyone did, the butler was sure that they wouldn't have the guts to tell anyone else.

the butler was extremely domineering, almost no one would dare go against him, he was the most terrifying and most powerful person in this place.

Ye Chen had obtained evidence of what the butler did, it should be enough to destroy this person.

After finishing, Ye Chen immediately returned to his place, Ye Chen acted as if nothing had happened to him.

"Hey you, quickly come with me" the butler said to Ye Chen, he told Ye Chen to come with him.

"My work here is not finished" Ye Chen said to the butler, he informed that his work was not finished.

"Forget the job, I have a new job for you" the butler said to Ye Chen.

"Okay" Ye Chen understood, he looked so innocent when he said that to the butler.

"hehehehe, I'll make this idiot regret it" the butler laughed, he felt that this would be easy to do.

Ye Chen himself also laughed, he laughed when he saw the butler who wanted to frame him.

"Your job is to arrange the plates and glasses on the table, don't break them, if you break them, then you will replace them, I warn you that this is very expensive, you will probably get a penalty if it gets all destroyed" said the butler.

"okay" Ye Chen nodded, he would do as the butler said.

Ye Chen started to do his own chores, himself started to arrange the glass plates and others on the table.

"Let's quickly collapse and crumble" the butler hoped that if the table in front of Ye Chen collapsed, it should collapse considering that the weight on it was getting bigger.

Ye Chen continued to arrange, he used his own strength to make sure that the table didn't break and collapse.

Ye Chen did the job quickly, in just a few minutes, he finished the job himself.

"done, I will return to my work" Ye Chen said to the butler.

the butler was dumbfounded, he couldn't believe that Ye Chen could finish everything without smashing the table that the butler had sabotaged.

"How come" the butler couldn't believe what he saw how could Ye Chen survive the trap he set.

"this can't be, something must be wrong" the butler approached, he touched the table in front of him with one finger.

"Clanks . . ., Clanks . . ., Clanks . . ., Clanks . . ., Clanks . . ., Clanks . . .," a shrill voice sounded, instantly all the glasses and plates on the table fell.

All the servant around heard this, they immediately saw what happened.

when they arrived, they saw the butler standing on a pile of broken tables and glasses.

"Did the butler mess up?" everyone saw what happened, they all saw that the butler made a mess, he had smashed the table, the glasses and plates were on the table.

"damn it" the butler cursed quite loudly, he cursed what just happened, what just happened made him very annoyed.

"what's going on here?" an elder came, he came to see what happened.

This elder was the one who served above the butler, so position-wise he was way above the butler.

"100th elder" the butler saluted, he saluted the 100th elder.

"Are you the one who made the mess?" the 100th elder asked the butler.

"no-no, I didn't do this" the butler said that he wasn't the one to make a mess

"Then who did this thing" the elder asked the butler.

the butler looked around, he looked around to find a suitable scapegoat for this matter.

Ye Chen is far away and impossible to find, Ye Chen looks from a very far place, he should be safe and nowhere to be found.

"Now let's see, how do you solve that problem?" Ye Chen wanted to see how that person solved his problem, whether he could solve his problem or not.

the butler was desperate, he was desperate and had no way out of this, it was quite difficult to find someone to make a scapegoat for.

the servants around withdrew, they chose to withdraw rather than participate in this matter, one could say that they were reluctant to interfere with this matter.

This problem was big enough, if they were to get dragged into it, they probably wouldn't be able to pay compensation for what happened.

"there he is. . ." the butler randomly assigned people to be sacrificed.

"I didn't do anything, when everything happened I was working elsewhere, how do you appoint me?" the person appointed by the butler does not accept it, he does not accept being made a sacrifice.

"It's your fault, don't pass the responsibility on others" all the maids said in unison, they all helped each other to get out of trouble.

"all of you" the butler started to get pushed around, it seemed like the maids around were starting to try to put up a fight.

"what happened here, if you don't say it, then you will get into trouble" 100th elder said to the butler, he told the butler to say what happened.

"that . ." the butler couldn't say it, he was at a loss to say what happened, if he did say what happened, he could get a heavy punishment.

"Elder, I just touched the table, when I touched the table, the table suddenly shattered, it seems that there is a mistake in this place" the butler tried to defend himself.

"continue" the 100th elder told the butler to continue.

"So I think there is a problem with the maid taking care of this matter" the butler said to the 100th elder.

"Then where is that person?" the 100th elder asked, he wanted to know where the person in charge was.

"I will immediately find him and bring him to your place" the butler said that he would find Ye Chen and bring him in front of the elder.

the butler immediately left, he was trying to find the whereabouts of Ye Chen.

the butler would never find Ye Chen, Ye Chen would not be easily found by ordinary people.

"So annoying, let's end this and get him out of the way" Ye Chen was annoyed, himself was annoyed by what the butler was doing.

Ye Chen threw an image stone at the 100th elder, it hit the head of the hundredth elder.

"Who dares to throw a pebble at me" the hundredth elder was furious when he found out what had just happened.

The hundredth elder looked at the imagery stone thrown by Ye Chen, because of his intense curiosity, he decided to take a look.

The hundredth elder saw what happened, himself saw what the butler was doing.

"Bastard, you trying to lie to me?!?" 100th elder was angry, a lowly servant dared to lie, this was unforgivable.

### [Chapter 2102 Get Rid Of The Butler](#)

The 100th elder was furious, he was furious when he found out what happened.

Everything inside the imaging stone had indicated everything, it recorded very clearly what the butler was doing.

With this evidence the butler shouldn't be able to shirk responsibility anymore.

"damn, where did that person go" the butler was very angry, he was very angry when he saw Ye Chen who suddenly disappeared somewhere, this made him unable to find the whereabouts of Ye Chen.

The butler was of course furious, he had gotten into such huge trouble because of Ye Chen, so it wouldn't be strange for him to seek out Ye Chen's whereabouts.

"bastard" when the butler was looking for the whereabouts of Ye Chen, he could listen to 100th elder's angry voice, it seemed that 100th elder already knew what happened.

"damn, this is dangerous, I have to leave this place immediately" the butler felt something dangerous, that's why he had to leave this place immediately, if he continued to be in this place, then his life would be very threatened.

The butler immediately left, he was trying his best to leave this place, it would be too dangerous for him to deal with the 100th elder.

Where are you going? the 100th elder asked the butler.

"I . . ." The butler stuttered terribly, he didn't know what to say in this situation.

Elder is there a problem The butler tried to remain calm, he had to be professional and mustn't do anything that would get him into trouble.

"Look at this" the elder handed the image stone to the butler.

The butler directly received what the hundredth elder gave him, he took it and looked at the contents inside, when he saw the contents inside the image stone, he was completely shocked.

"Elder, I can explain the matter." The butler tried to explain what happened, himself trying his best to explain what happened.

"What do you want to explain to me?" all the evidence is clear, you won't be able to escape responsibility" the 100th elder told the Butler.

"but its not my fault" The butler tried to defend himself, he tried to defend himself who had done nothing wrong.

"You have dared to do such a thing at the sacred function of the crown prince, you will receive a very severe punishment for what you have done" the 100th elder told the Butler.

The 100th elder immediately took the butler away, himself to judge the butler who dared to seek trouble at the prince's wedding.

"Hurray. . ." everyone was ecstatic, they were all ecstatic when they saw the butler being taken away, all the grievances they had instantly vanished.

Ye Chen was happy, he had helped everyone out of trouble, now they should all be able to work properly and without any disturbances.

"I will check the strength of the elders in the Immortal Profound Sea Realm." Ye Chen was quite curious about the number of elders in the Immortal Profound Sea Realm, roughly how many there were and how strong they were, Ye Chen had to immediately find out about the matter.

Ye Chen counted the elders he met, he remembered their strength and faces.

After dozens of minutes, Ye Chen discovered that there were around 300 elders in the Immortal Profound Sea Realm.

"The number of elders is quite a lot, it seems that this is the full strength of the Immortal Profound Sea Realm." After counting everything, Ye Chen could confirm that this was the number of elders in the Immortal Profound Sea Realm.

All of the elders had returned, they had all been summoned for a grand event, namely the grand wedding that was to be held in the Immortal Profound Sea Realm, there was no way they would miss this moment.

Everyone went to do their best, they prepared wedding gifts for Hai Ming and Dongfang Xiu.

Ye Chen recorded everything that he encountered, he had succeeded in determining how strong the enemy he would face, it seemed that Ye Chen had to work hard to fight all the elders plus Hai Wan.

Ye Chen was still a servant, he ensured that the Immortal Profound Sea Realm did not do anything bad to Dongfang Xiu.

"It's really boring here, where is master?" Sun Xuanyin was waiting outside, she looked very bored when she was told to wait outside, this was really a very boring thing to do.

"Should I just go in and see what's going on?" Sun Xuanyin was quite curious, she wanted to see what was going on inside, whether Ye Chen was alright or not.

"Why are you here?" a woman came to Sun Xuanyin, this beautiful woman came to Sun Xuanyin who was alone.

"what!" Sun Xuanyin was quite surprised when she saw the woman in front of her.

"Why are you in this place?" Sun Xuanyin asked the woman in front of her.

Sun Xuanyin seemed to know who was in front of her, she very well knew who was in front of her.

"why, am I not allowed to be in this place" the beautiful woman said to Sun Xuanyin, she looked disappointed when she heard Sun Xuanyin's words.

"How strange, why did you want to come to this place" Sun Xuanyin said.

"Why ?, of course I want to see an interesting spectacle, I want to see what will happen later" this woman tells what she wants to see.

"Don't tell me that this woman already knows, she is terrible." Sun Xuanyin felt that this was dangerous, if this woman leaked out what she and Ye Chen were doing, then it would be a huge problem.

The woman who approached Sun Xuanyin was Nanlan Lia, she was the woman with the most extraordinary information in the God Realm, she was the most dangerous woman who could make everyone fearful.

This woman's information and network is very large, she can get information very quickly and briefly.

"what should I do, should I fight her" Sun Xuanyin thought, whether she should fight Nanlan Lia or not.

"do you want to fight me, forget it I don't have time to fight you, if I make a mess I will be kicked out of this place" Nanlan Lia said to Sun Xuanyin.

"what exactly do you want" Sun Xuanyin asked Nanlan Lia, she wanted to know what Nanlan Lia wanted.

"You don't need to know, I have my own business to deal with." Nanlan Lia refused to reveal why she was in this place.

"you . ." Sun Xuanyin saw that this woman in front of her was extremely stingy, she did not let Sun Xuanyin get any information from her.

"Fufufufu, I just wanted to say hello, so see you soon," Nanlan Lia said to Sun Xuanyin.

Nanlan Lia left, she just wanted to say hello to Sun Xuanyin.

"what a strange woman, I hope she doesn't make trouble" Sun Xuanyin only hoped that Nanlan Lia.

If that woman were to cause trouble, it would be extremely troublesome for Ye Chen.

That woman doesn't have a good relationship with the Immortal Profound Sea Realm, everything should be safe." Sun Xuanyin remembered that Nanlan Lia didn't have a good relationship with the Immortal Profound Sea Realm, so she shouldn't have divulged what happened.

"I have to tell him about this matter" Sun Xuanyin had to tell him about this matter, she wanted to tell Ye Chen that Nanlan Lia was here and that her plans might go awry.

Sun Xuanyin went to where Ye Chen was, she went to where Ye Chen was currently calculating the full strength and strength of the Immortal Profound Sea Realm.

He was looking for the safest way out to be able to leave this place.

#### [Chapter 2103 Recorded Hai Ming Playing In The Bed \(1\)](#)

"How is your work?" Sun Xuanyin went to meet Ye Chen, she said to Ye Chen who was around this place.

"Why are you in this place?" Ye Chen asked Sun Xuanyin, he wanted to know what Sun Xuanyin was doing in this place.

"I was looking for you to tell something" Sun Xuanyin said to Ye Chen, she said that she had something to say.

"what is it ?" Ye Chen was curious about this matter, himself quite curious about what Sun Xuanyin wanted to say.

Sun Xuanyin started to explain what happened to Ye Chen, she started to explain what happened to Ye Chen.

she had told Ye Chen that Nanlan Lia was in this place and might destroy their plans.

After listening to Sun Xuanyin's explanation, Ye Chen finally knew what had happened.

"Don't worry too much, she's not a threat to us" Ye Chen said to Sun Xuanyin, he telling that Nanlan Lia not to be a threat.

Nanlan Lia had provided very useful information to Ye Chen, so she shouldn't do anything bad to Ye Chen.

"Why are you so sure, is it possible that you know that woman?" Sun Xuanyin asked Ye Chen, from Ye Chen's tone, it seemed that Ye Chen knew Nanlan Lia.

"I am only slightly acquainted with that woman, she is a seductive mature woman" Ye Chen said to Sun Xuanyin.

"hmmm" Sun Xuanyin pouted, she looked away in dissatisfaction.

Ye Chen was beyond the expectations that Sun Xuanyin had, Sun Xuanyin did not expect that Ye Chen would know Nanlan Lia.

"How are things outside, is everything going well" Ye Chen asked Sun Xuanyin, he wanted to know what was going on outside, if anything had happened.

"Everything is under control" Sun Xuanyin said to Ye Chen, she told him that everything was fine.

"By the way I met Hai Ming, he was out with a girl" Sun Xuanyin said to Ye Chen.

"Is that so?" Ye Chen immediately looked at Sun Xuanyin, he was interested when he saw and heard what Sun Xuanyin said.

"why are you looking at me in this way?" Sun Xuanyin asked Ye Chen.

"I want to take a look, this is a very good opportunity," Ye Chen said to Sun Xuanyin.

"What chance?" Sun Xuanyin asked Ye Chen, Sun Xuanyin didn't understand what Ye Chen meant.

"Come on, let's find the whereabouts of Hai Ming," Ye Chen said to Sun Xuanyin, Ye Chen invited Sun Xuanyin to find out the whereabouts of Hai Ming.

"Okay, I will accompany you." Sun Xuanyin nodded, she was going to accompany Ye Chen to Hai Ming's place.

.

.

Sun Xuanyin did meet Hai Ming before, she crossed paths with Hai Ming and a woman with a beautiful appearance, most likely she was Hai Ming's mistress.

"Hmmm. . ., I didn't know that he has a woman, I think he is very interested in Dongfang Xiu." Sun Xuanyin didn't expect that Hai Ming would be with such a beautiful woman.

"He is still a boy, there is no way he would be innocent" Sun Xuanyin was not naïve, she knew that Hai Ming was a prince, of course he had played with several women in his life.

"I don't need to deal with this matter, it's better to just let him have his fun." Sun Xuanyin was too lazy to deal with this matter, herself preferring to go and see Ye Chen instead.

After Sun Xuanyin went to Ye Chen's place, she then told Ye Chen what happened.

"I see, that's great, it looks like this is a very good opportunity for us," Ye Chen said to Sun Xuanyin.

"what's good" Sun Xuanyin still didn't catch Ye Chen's intent and purpose, she still didn't understand what Ye Chen wanted.

"come here. . ." Ye Chen whispered something to Sun Xuanyin, he told her what he could do now.

"Oh . . . ." Sun Xuanyin didn't expect that Ye Chen would come up with such a plan, to be honest she didn't expect that Ye Chen would do such a thing.

"were you able to find that thing ?" Ye Chen said to Sun Xuanyin.

"That's very easy, I'll use My Charm, I can easily manipulate the woman you need right" Sun Xuanyin said to Ye Chen, Sun Xuanyin said that she could do what Ye Chen wanted.

"Very good" Ye Chen was very satisfied.

Sun Xuanyin left, she immediately went to find the whereabouts of the woman Ye Chen wanted.

Ye Chen went directly to Hai Ming's place, when Ye Chen arrived, he found that Hai Ming was in his room with a woman who was quite beautiful.

This beautiful woman served Hai Ming, one could say that she was doing a special service to Hai Ming.

"Prince, after marriage, will you forget me?" asked the woman who was serving Hai Ming.

"No way, I will not forget you" Hai Ming said to the woman under him, he told that he will never forget the beautiful woman under him.

This beauty underneath had such great skills in bed, how could Hai Ming let go of a beauty like this so easily, he couldn't possibly do such a thing.

"but what about your first wife" asked the woman downstairs to Hai Ming.

"she will be my first wife, and you may be able to become my concubine, as long as she gets the first wife's name, it should be fine" said Hai Ming.

Hai Ming will take Dongfang Xiu as the first wife, otherwise he won't be able to get Dongfang Xiu.

Hai Ming has been holding back for a long time, he has been holding himself back in order to get Dongfang Xiu, after getting Dongfang Xiu completely, then he will be able to have all the women he wants.

"I'm very happy, Chun Linz is very happy to hear this" this woman said that she was happy to hear this, it means she can still get more things from Hai Ming.

As long as Chun Linz was with Hai Ming, she could get what she wanted, resources, wealth and influence would be easy for her to possess.

She only needed to open her pomegranate skirt to please Hai Ming, then Chun Linz could get anything in this world.

"Interesting, it seems that Xuanyin isn't lying, Hai Ming is actually much bolder than I imagined" Ye Chen thought wrongly about Hai Ming, originally Ye Chen thought that this man would be so interested in Dongfang Xiu that he didn't even glance at other women, but in reality he have enough savings.

"see how I take care of you" Ye Chen would take care of Hai Ming, he would make sure that he would be embarrassed by what happened.

"master, I already found what you need, what a coincidence that I came across such an arrogant woman and tried to beat me up" Sun Xuanyin said to Ye Chen.

"where?" Ye Chen asked Sun Xuanyin, he wanted to see what kind of woman Sun Xuanyin brought him.

"Over there" Sun Xuanyin pointed in a direction, she revealing a fat woman over two meters tall, This woman had a somewhat hideous face like that of a monstrous warrior, plus she had an enormous body.

"You really encountered a monster ?" Ye Chen said to Sun Xuanyin.

"fufufu, isn't this better" Sun Xuanyin said to Ye Chen, Sun Xuanyin said that what she found was very good, a normal man would be traumatized when he met a woman like this.

"Then let's get ready" Ye Chen told Sun Xuanyin, himself telling Sun Xuanyin to get ready.

#### [Chapter 2104 Recorded Hai Ming Playing In The Bed \(2\)](#)

"Come on" Sun Xuanyin couldn't wait, she couldn't wait to do it with Ye Chen.

"wake her up" Ye Chen told Sun Xuanyin to wake up the woman she was carrying.

"Um" Sun Xuanyin nodded, she starting to wake up the woman she had crippled.

"You, wake up" Sun Xuanyin woke up the female monster, she told the female monster to get up right now.

"What happened, why am I here?" The female monster said to Sun Xuanyin, why was she in this place.

"I brought you to this place to do something, are you ready?" Sun Xuanyin asked the woman in front of her.

"what's that?" The female monster said to Sun Xuanyin, herself wondering what Sun Xuanyin.

"I found a handsome man, do you want to play with him?" Sun Xuanyin asked the woman in front of her.

"Of course I will, where is he now" the female monster asked Sun Xuanyin, she asked where was the man Sun Xuanyin was referring to.

The female monster looked at Ye Chen, she looked at Ye Chen who was behind Sun Xuanyin.

"Is it him, then I'll just go ahead" female monster started to see Ye Chen as a target.

"Wush . ." Sun Xuanyin gave off an extremely strong killing aura, she gave off an extremely terrifying killing aura all around.

"What are you saying, how dare you, don't you know where you are?" Sun Xuanyin said to the female monster.

The female monster was of course immediately frightened. Sun Xuanyin made herself feel afraid. This person's strength was extremely terrifying. She could easily kill him.

"That person is inside, wait here, I will summon you when everything is ready, make sure you don't leave, otherwise you might lose your life" Sun Xuanyin said to the female monster.

"Okay I understand" said the female monster to Sun Xuanyin, Sun Xuanyin was quite terrifying, she was quite good at bullying someone.

"Let's go in, let's finish this" Ye Chen said to Sun Xuanyin, time for them to finish this.

Ye Chen took a medicine, he would ensure that Hai Ming would not remember what happened, Ye Chen wanted to see how Hai Ming would react.

Ye Chen threw a smoke bomb inside, this of course made Hai Ming and Chun Linz.

"Who is it?" Hai Ming immediately got up, he immediately put on his own clothes and intended to welcome the person who dared to invade his private place.

This was a private place that belonged to Hai Ming, there shouldn't be many people who would dare to invade this place.

Those who dared to charge into this place would receive an extremely severe punishment from Hai Ming.

When Hai Ming tried to get up, he found that his consciousness was fading, he was starting to lose his sight.

"Who dares you, don't you know who I am" Hai Ming said to Ye Chen, he told Ye Chen that he was a prince of the Immortal Profound Sea Realm.

"So stupid" Ye Chen said to Hai Ming, Ye Chen said to Hai Ming, he himself told Hai Ming that he was very stupid.

Hai Ming and Chun Linz were unconscious, both of them were currently unconscious, Ye Chen and Sun Xuanyin could do whatever they wanted to Hai Ming and Chun Linz.

"What kind of gas is that, how come you can immobilize them so quickly?" Sun Xuanyin asked Ye Chen, she wanted to know what Ye Chen had just taken.

"It's just a gas with various mixtures of failed herbs and medicines, it could give cultivators trouble if they inhale or consume large amounts of it," Ye Chen told Sun Xuanyin.

"Okay, I understand" Sun Xuanyin seemed to understand what Ye Chen said, it meant that these were all failed drugs used as poisons.

"time for the real show" Ye Chen prepared an imaging stone, himself used this to record the Show Hai Ming was about to perform.

Ye Chen gave medicine to Hai Ming, with this medicine Hai Ming will have severe hallucinations , he might do good things with Chun Linz .

"bring her in" Ye Chen told the woman who was outside to come in, it was show time.

The woman who was outside came in, she saw a rather handsome handsome man.

"this is my type" this woman was impatient, to be honest Hai Ming was her type.

This woman dragged Hai Ming, she dragged Hai Ming and started eating Hai Ming on the bed.

"ah . ." a hoarse and terrible voice was heard, this sound made the room become noisy.

Hai Ming started to wake up, he woke up and looked in a daze, Hai Ming looked at the woman in front of him, when he saw the woman in front of him, Hai Ming found that this woman was very beautiful and maybe even better than Chun Linz.

"you are very good" Hai Ming started to do hot scenes, both of them started doing this without any force.

"Somehow I want to vomit when I see this." Sun Xuanyin didn't feel good, she couldn't stand this thing.

"just hold on, it will be over soon" Ye Chen said to Sun Xuanyin.

Ye Chen himself didn't like it either, he didn't like to see what was in front of him.

"This is all for Xiu" Ye Chen did this for Dongfang Xiu, so he was not bothered.

Ye Chen and Sun Xuanyin looked at the side, both of them doing their best to stay in this place for a long time.

After a long time, the two of them finally finished, Ye Chen got a very interesting recording.

"Good, take that woman away, make sure she doesn't remember what happened." Ye Chen gave an order to Sun Xuanyin.

Ye Chen had Sun Xuanyin take care of this female monster, meanwhile Ye Chen would take care of Hai Ming and Chun Linz.

"I hate this" Sun Xuanyin was a bit displeased, she started to dislike the woman she brought.

Although Sun Xuanyin didn't like it, Sun Xuanyin still did as Ye Chen ordered, she helped Ye Chen take care of everything.

After Sun Xuanyin took the woman away, Ye Chen immediately brought Chun Linz to Hai Ming's side, he made sure Hai Ming was not aware of what had just happened.

"That's interesting, let's see if you can still be happy when you see this" Ye Chen said to the unconscious Hai Ming.

After confirming that there was nothing suspicious in this place, Ye Chen immediately left, he had obtained an extremely precious thing and could destroy Hai Ming so easily.

Ye Chen left, he went out and looked for the best place to spend the night.

Sun Xuanyin also finished, she returned the woman to her place, of course she did as Ye Chen told her and dismissed what had just happened.

"You are quite terrifying, I didn't expect that you would do such a thing to Hai Ming, if he wakes up and finds out what happened, he would probably go mad," said Sun Xuanyin.

"That was my aim, in the past he almost killed me, now I won't let him go" Ye Chen said to Sun Xuanyin.

"Oh, so that's how it is" Sun Xuanyin understood, it's not strange that Ye Chen hates Hai Ming so much, it turns out that Hai Ming almost killed Ye Chen.

"I have finished all the preparations, this should be enough, tomorrow will be the happiest day Realm will experience," Ye Chen said in a loud voice.

#### [Chapter 2105 Chaotic Wedding Ceremony\(1\)](#)

"um" Sun Xuanyin nodded, it seemed that this would be the beginning of the demise of the Immortal Profound Sea Realm.

All the plans carried out by Ye Chen had worked very well, there should be no one else who could stop Ye Chen, the current Ye Chen was not stopped by anything.

"Everything is done, we just have to wait, right?" Sun Xuanyin asked Ye Chen, Sun Xuanyin said that the current brands only need to wait for the results.

"You're absolutely right, I've done everything, now just need to wait for the results." Ye Chen completely agreed with what Sun Xuanyin said, the two of them just needed to wait.

Ye Chen and Sun Xuanyin rested, they both had a fairly secluded place to rest.

Sun Xuanyin had purposely found a place that was not too crowded, that way they would be able to relax and not be disturbed.

The entire inn was extremely lively, lots of people from outside the area had come and made the place very lively, so it wasn't strange that all the places were full of people from far away, they came to see the wedding and give gifts according to their means.

"With all the preparations you've made, you should be able to obtain victory effortlessly," Sun Xuanyin said to Ye Chen.

"Is that so, it seems that this is still a troublesome thing, what I do might be directly repaid by Hai Wan, that old man won't let me off easily.

"With your current strength, you should have nothing to fear, except for one ancestor from the Immortal Profound Sea Realm, you should be fine and no one will be able to beat you," Sun Xuanyin said to Ye Chen.

"I want to ask, does every major power have an ancestor?" Ye Chen asked Sun Xuanyin.

"Of course, it's just that their existence is extremely secretive, they usually won't come out of their seclusion and won't be bothered with trivial matters anymore, they take care of things that are far more troublesome than managing a large power," Sun Xuanyin said.

"Your explanation is very easy to accept." Ye Chen understood, Sun Xuanyin's explanation was very easy for Ye Chen to accept.

"everything will be fine, so let's sleep." Sun Xuanyin tugged Ye Chen, she pulled Ye Chen towards the bed.

This place only had one room, so they could only share one bed for the two of them.

After the incident just now, Sun Xuanyin wasn't in the mood to Dual Cultivation with Ye Chen, she wanted to spend more time recovering strength together with Ye Chen.

Tomorrow was a tough day, Ye Chen might encounter a terrifying power, so it was better for Ye Chen to recover strength so he could be at his best.

Ye Chen was accompanied by a beautiful and super tempting woman, he was of course happy about this.

"So tomorrow, I have to be prepared for everything that will happen." Ye Chen will do his best, he must be prepared for everything that will happen.

Ye Chen together with Sun Xuanyin slept, the two of them recovered the strength and mind they had.

Time flies, in the twinkling of an eye, time flies and they are currently at the wedding ceremony.

There were many guests present, they were important guests from all corners of God Realm, one could say that they were also the great powers that controlled God Realm.

"There are so many people" Ye Chen saw that there were too many people around, they all came to congratulate Hai Wan and Dongfang Xong.

"They are all powerhouses controlling the God Realm, naturally their power is immense" Sun Xuanyin said to Ye Chen.

"You are too eye-catching" Ye Chen said to Sun Xuanyin, even though wearing Sun Xuanyin's maid outfit was too eye-catching.

"Even though I have tried to hide this matter well, it seems difficult to hide my original beautiful appearance" Sun Xuanyin said to Ye Chen.

Sun Xuanyin was already beautiful from the start, no matter what clothes she wore, she would still be beautiful and charming.

Ye Chen couldn't comment on this matter, in front of him was one of the beautiful goddesses in God Realm, how could Ye Chen comment on this matter, obviously he couldn't say much about this matter.

"Miss, can I have a drink." There were several men who tried to approach Sun Xuanyin, they approached Sun Xuanyin because of her beautiful appearance.

The male guests did not expect that in this place there would be such a beautiful woman, this was indeed the might and power of the Immortal Profound Sea, they could afford to employ such a beautiful maid.

"please sir" Sun Xuanyin can only serve, she can't make a fuss about this matter.

There were more and more people in this place, it seemed that almost all the invited guests had arrived, even Dongfang Xiong and Dongfang Xiu were ready to start.

"Everyone, thank you for coming. I, as the ruler of the Immortal Profound Sea, am very pleased that you would take the time to come to my place," said Hai Wan to everyone who came.

"applause . . .,applause . . .,applause . . .,applause . . .,applause . . .," everyone applauded, they did this event formally.

"I won't say much, considering this is a good day for my son, so let him be the star of this event" said Hai Wan to everyone.

This was his son's stage, so he would let Hai Ming shine in front of everyone, let Hai Wan shine and become his successor in the future.

This event was broadcast throughout God Realm, naturally everyone could know what was going on.

The Immortal Profound Sea was so huge, they were able to broadcast this matter throughout the God Realm, everyone could know what happened in Hai Ming and Dongfang Xiu's marriage.

"the bride is coming" the bride is coming, she is coming with Dongfang Xiong.

"what a beauty" everyone focused on Dongfang Xiu, they all focused on the beauty that Dongfang Xiu possessed.

"It's very beautiful" Ye Chen was also mesmerized by the beauty of Dongfang Xiu, today Dongfang Xiu is very beautiful.

Sun Xuanyin elbowed Ye Chen, she elbowed the dazed Ye Chen.

"ouch, what are you doing?" Ye Chen asked Sun Xuanyin.

"Have you forgotten about our plan" Sun Xuanyin said to Ye Chen, Sun Xuanyin reminded Ye Chen of the plan they had to carry out.

"Xiu is too beautiful, it seems she has confused me" Ye Chen said to Sun Xuanyin.

"If you are late it will be a problem for you." Sun Xuanyin said to Ye Chen, herself telling Ye Chen to carry out her plan immediately, if they were late, then it was certain that they would not get anything.

"I know that" Ye Chen knew, he would do the best he could, he would ensure that Dongfang Xiu would not fall into the wrong hands.

Ye Chen started taking the imaging stone, he was going to let everyone see what happened last night.

"She's so charming, it's the big day, after so long I can finally get what I want" Hai Ming has been waiting for this for a very long time, after so long he managed to get what he wanted, he will get the goddess Dongfang Xiu.

This was Hai Ming's greatest achievement in life, he would never forget this day.

Hai Ming would indeed never forget what happened, today would be the day Hai Ming would lose face.

Dongfang Xiu looked at Hai Ming, she looked displeased when she saw Hai Ming.

"Why didn't he come, did something happen to him?" Dongfang Xiu wanted to know news from Ye Chen, since that incident she had never heard from Ye Chen.

#### [Chapter 2106 Chaotic Wedding Ceremony\(2\)](#)

Did something happen that Ye Chen didn't notify her, if that's the case, then it would be extremely troublesome for Dongfang Xiu.

"No, I have to trust him" Dongfang Xiu had to believe Ye Chen, she had to believe that Ye Chen would come and help her.

"This will be a great thing, all of you take a good look at the history that will be made today" said an elder to all present at this place.

"The emcee is the first elder, he is assigned to host the program and tell everyone in this place that they are going to make a new history.

a new history will be formed and witnessed by everyone in this place, it will be a great thing to do and to be seen by everyone in this place.

"time to use weapons" seemed to be the most appropriate time for Ye Chen to take out the weapons he had.

"Clanks . . ." The glass, thought, the table and various decorations around the place shattered, and started to fall.

"what happened" the invited guests were confused by what was happening, they all looked confused when they saw what was happening, what happened was quite strange.

"what's wrong" Hai Wan asked, he asked what happened, to be honest why is this place in chaos and many things suddenly destroyed.

The originally beautifully designed venue was starting to get a bit chaotic, this of course made the wedding ceremony a bit odd to look at.

After distracting everyone's attention, Ye Chen sneaked in, he was about to turn on the projection screen and show the world what he had in his hand.

Everyone was focused on fixing the problem, they didn't know that Ye Chen made a move and started to wreak havoc in this place.

The mess created by Ye Chen has caused everyone to panic and fixed all the messes.

"ahh . . ." while everyone was fixing the mess, they heard a loud noise, everyone of course looked at the monitors.

On the monitor, they saw something shocking, they saw that Hai Ming was playing with two women, one was quite a beauty and one looked like a monster.

"what is that, she did things in such a way" everyone saw the strangeness, they could see that Hai Ming would rather play with female monsters than the beautiful woman next to him.

"he has an abnormality" all the invited guests saw that Hai Ming has an abnormality, he probably has an abnormality and mental retardation.

The most shocked person was Hai Ming, Hai Ming saw a very shocking thing, he saw something he had never imagined in his life.

"what is that, it can't be me" Hai Ming couldn't believe it was him how could he play with a female monster.

Dongfang Xiu saw what was shown on the projector screen, she smiled when she saw this.

Dongfang Xiong looked unhappy when he saw this, he didn't like when he saw what happened to Hai Ming.

Hai Wan didn't expect that this would happen, it threw the whole event into chaos.

"what the hell is going on, who did this" Hai Wan was so annoyed, who dared to do such a pitiful thing to Hai Ming.

"quickly turn it off. ." Hai Ming ordered everyone to turn it off, he ordered all troops to destroy the projector screen that displayed anything inappropriate for him.

All the guards were trying to destroy the projector screen, they couldn't allow this matter to continue and tarnish Hai Ming's name.

It was a shame that all of this was being broadcast throughout the God Realm, naturally everyone could see what Hai Ming was doing.

"ahhh . . ." everyone was blown away, they couldn't get close to the projector screen, there was a huge force blocking all of them from getting close.

"There is a big power that is blocking us, we can't get closer" the guard soldier tells that there is a big power that is resisting them.

Useless, get out of the way Hai Wan stepped forward, she smashed the projector screen using the water's extremely destructive power.

"Boom. ." an explosion occurred, this powerful explosion instantly made an impact around this place, the wedding venue became even more chaotic due to the attack from Hai Wan.

"Hai Wan doesn't seem to care about the chaos, she doesn't care what happens, now saving Hai Ming's face is more important than anything else.

This huge explosion should be quite powerful, the projector screen couldn't possibly withstand Hai Wan's immense power.

"Kyahhhhh. . ." sound can still be heard by everyone, everyone can still hear the sound from the projector screen.

"no way" Hai Wan couldn't believe what was happening, he couldn't believe it when he saw what was happening.

The super strong attack that he had was unable to destroy the projector screen, it was clear that the power that protected the projector screen was very strong.

"Hai Wan what happened here, is that like your real son" Dongfang Xong said to Hai Wan.

"no way, someone must have done something to him" Hai Wan said to Dongfang Xong.

"Is that so but he seems to be enjoying it" Dongfang Xong said to Hai Wan.

"no way, I don't remember that" Hai Ming said to everyone.

Hai Ming had no memory of this, he had no recollection of what happened, to be honest he had no idea he would do such a thing.

As far as he could remember, last night he did that with Chun Linz and a much prettier woman, but why did he even play with a female monster, this clearly doesn't make any sense" Hai Ming said to himself.

"Hai Ming, I won't accept this, I don't want to be with you" Dongfang Xiu said to Hai Ming.

This was an extremely good opportunity for Dongfang Xiu, she could reject Hai Ming in front of everyone.

"wait, it's not what you imagined, I can explain everything" Hai Ming said to Dongfang Xiu.

Hai Ming is trying to explain things to Dongfang Xiu.

"I don't need an explanation from you" Dongfang Xiu said to Hai Ming, Dongfang Xiu didn't need an explanation anymore, she didn't need an explanation from Hai Ming.

Dongfang Xiu took this opportunity to leave this place.

"stop right there" Hai Wan ordered the guards to stop Dongfang Xiu, Dongfang Xiu must not leave this place.

"Why did you guys stop me, I already refused" Dongfang Xiu said to Hai Wan.

"Everything has already happened, we can only move on." Hai Wan had already lost enough face, so he couldn't afford to lose face again in front of his important guest.

If Hai Wan couldn't fix the mess, there would definitely be countless people who would look down on the Immortal Profound Sea Realm.

Hai Wan cannot allow others to belittle the Immortal Profound Sea Realm, he will keep the Immortal Profound Sea Realm shining.

"Shameless old man" Sun Xuanyin saw that Hai Wan was a shameless person, she was truly shameless after what happened.

"They have strength, it wouldn't be strange for them to ignore what happened" Ye Chen said to Sun Xuanyin.

"So what are you going to do, want to proceed to kidnap the bride" Sun Xuanyin asked Ye Chen.

"of course, I will start" Ye Chen said to Sun Xuanyin.

Ye Chen had made the Immortal Profound Sea Realm lose a lot of face, now was the time for Ye Chen to take Dongfang Xiu away from this place.

#### [Chapter 2107 Hai Ming Lost By One Punch](#)

"Quickly let me go, otherwise" Dongfang Xiu said to the guard, she told the guard to release herself immediately, otherwise she will do something.

"You must stay here, this is an order from the lord of the Immortal Profound Sea Realm" the guard said to Dongfang Xiu, he told Dongfang Xiu to stay here.

"Hai Wan don't be so rude, this is a complicated matter, why don't you settle your son's business, I can't continue if this matter continues" Dongfang Xiong said to Hai Wan.

"We have to do it, otherwise it will bring this matter to our disgrace" Hai Wan said to Dongfang Xiu.

"Don't force me to do things I don't want to do" Dongfang Xiu said to Hai Wan.

"You have no other choice, this concerns our pride," Hai Wan said to Dongfang Xiu.

"our pride, isn't this just for your and your son's pride" Dongfang Xiu said.

Dongfang Xiu usually spoke quite rarely, but this time she did talk and argue quite a lot with Hai Wan.

"be obedient and accept what happened" Hai Wan said to Dongfang Xiu.

"rumbling" a very loud roar occurred, this loud rumble scared everyone.

"What happened, why is there thunder, isn't this the territory of the Immortal Profound Sea Realm?" Everyone did not expect and did not believe what happened, they all did not believe that lightning would appear in the Immortal Profound Sea Realm.

There should be no lightning that can enter this place, there is a special barrier that prevents that from happening.

"This is bad" Hai Wan started to feel something bad, he saw that something bad was going to happen in this place.

"seems like something untoward is happening in this place, how can you force a woman" someone descended from the sky.

Everyone's eyes immediately turned to the person who had just descended from the sky, they all wanted to know who this person was, why he dared to cause havoc in the Immortal Profound Sea Realm.

Ye Chen descended from the sky, he landed right in front of Dongfang Xiu, he was now near Dongfang Xiu.

"Wow, so handsome, who is he" Lots of beauties from big families saw Ye Chen, they had never seen such a handsome man like Ye Chen, they fell in love at first sight when they saw Ye Chen.

Countless women were looking at Ye Chen with lustful gazes, they were all like a hungry tigress.

"he is too attractive" Sun Xuanyin looked at Ye Chen, Ye Chen was indeed handsome, he was quite perfect and had everything a woman in this world could want.

So it wasn't strange that all women would look at Ye Chen in that way, it was because Ye Chen was too attractive for all of them, Ye Chen was truly too attractive for everyone in this place.

"You, why are you in this place ?" Hai Ming asked Ye Chen, she wanted to know why Ye Chen could be in this place, Ye Chen shouldn't have been invited to this event.

"I came to see what happened, I don't like it when I see you guys bullying women" Ye Chen said to Hai Ming.

"This is none of your business, quickly get out of the way" Hai Ming said to Ye Chen, Hai Ming told Ye Chen to leave, he didn't like it when he saw Ye Chen.

Hai Ming remembered this man, this was the man he had destroyed in the past, how could he be in this place.

"How is he still alive?" Hai Ming was curious, why Ye Chen was still alive should he have died after receiving his attack.

Hai Ming's attack back then was extremely strong, it should be able to kill a small ant like Ye Chen.

But why is Ye Chen still alive, this naturally made Hai Ming shocked and couldn't believe what he was seeing.

"Are you surprised, I was lucky not to die that time, now I have come to take what should be mine" Ye Chen said to Hai Ming.

Ye Chen said that if he came to take Dongfang Xiu, he would take Dongfang Xiu as his own.

"How could I let you do that" Hai Ming of course wouldn't do that.

"Boom. ." Hai Ming released his own strength, an enormous energy exploded from Hai Ming's body, this explosion instantly made the guests present retreat.

"Oh, so you've gotten stronger" Ye Chen saw that Hai Ming had gotten stronger, the Hai Ming now was much stronger compared to back then.

"of course, I have done the maturity ceremony, of course I have become more and more powerful" Hai Ming said to Ye Chen.

"hehehe, is that so, are you sure?" Ye Chen said to Hai Ming, Ye Chen tried to bully Hai Ming, himself used a way to bully Hai Ming.

"This will end quickly" Hai Ming said to Ye Chen, Hai Ming told him that this would be over soon.

"very stupid. . ." Ye Chen said to Hai Ming, Hai Ming is so stupid this man is so stupid and has no brains.

Hai Ming was very confident, after carrying out the maturity ceremony, Hai Ming had obtained his full inheritance, now his strength was at the 9th level of the Divine Overlord Realm, so it was not strange that he was so confident against Ye Chen.

Hai Ming only used his bare hands to fight and beat Ye Chen, for him Ye Chen was not a serious threat.

Ye Chen reached out, he received the attack that came from Hai Ming.

"Bamm" Hai Ming's attack was easily blocked by Ye Chen, Ye Chen didn't even retreat when he received Hai Ming's attack.

"Is this the only strength you have, it's very disappointing" Ye Chen said to Hai Ming.

"impossible. . ." Hai Ming was speechless and dumbfounded when he saw what happened, he didn't expect that his attack couldn't defeat Ye Chen.

Ye Chen lifted Hai Ming, he threw Hai Ming against the wall.

"Bam . . ." Hai Ming was thrown against the wall by Ye Chen, he didn't have the chance to stop and hit the wall.

Ye Chen didn't hold back, it should be enough to shatter Hai Ming's spine.

"Guards quickly arrest him right now" Hai Wan gave an order, he told the guards to quickly go and arrest Ye Chen, at this rate, it would be a problem.

"You don't need to use them to defeat me" Ye Chen snapped his fingers, as soon as all of Hai Wan's troops fell and fell to the ground, they had no chance to get close to Ye Chen.

"It seems that he is much stronger than what I imagined" Hai Wan saw that Ye Chen was much stronger than what he imagined, it seemed that he had to intervene to solve this problem.

"all elders, get ready, we will fight him, he is a tough opponent, let's unite our strength to defeat him" Hai Wan said to all the elders around.

"ok" all the elders immediately agreed, they all immediately agreed to what Hai Wan ordered.

This time the Immortal Profound Sea Realm displayed their full strength, it would be an extremely exciting thing for everyone in this place to see.

All of the guests withdrew, they all made room for Hai Wan and all the elders of the Immortal Profound Sea Realm to fight Ye Chen.

"So you immediately want to fight me with full strength, then I won't hold back anyway" Seeing Hai Wan not holding back and using his full strength, Ye Chen did the same.

Divine lightning enveloped Ye Chen's body, with this Ye Chen used his full strength as well.

#### [Chapter 2108 Immortal Sea Formation Law](#)

The moment Ye Chen used the heavenly lightning, everyone immediately backed away, they all immediately kept their distance from Ye Chen, it seemed they were afraid of the lightning that enveloped Ye Chen's body.

"not good, this person is dangerous" seeing Ye Chen emit heavenly lightning, Hai Wan and all the elders immediately became cautious, they were all careful not to be crushed by Ye Chen.

"Don't be afraid, we can attack him from a distance." Hai Wan tried to maintain the morale of his troops, he didn't let his troops fear Ye Chen.

If they were scared, they wouldn't be able to unleash their potential, so Hai Wan as a leader had to make sure that they weren't afraid of Ye Chen.

"It seems your bluff doesn't work on someone like him" Chu Yuechan said to Ye Chen.

"I knew that it would not be strong enough to frighten the Immortal Profound Sea Realm." Ye Chen naturally knew this, he knew that it would not be strong enough to frighten the Immortal Profound Sea Realm.

Ye Chen was in the territory of the Immortal Profound Sea Realm, so Hai Wan was at an absolute advantage, it was not strange that he was so confident even though his opponent was Ye Chen.

"launch an attack" Hai Wan ordered all the elders to get ready, he would launch an attack towards Ye Chen.

"Ready" all the elders nodded, they launched an attack towards Ye Chen.

Tens of thousands of water attacks directly rained down on Ye Chen's body and created a super huge explosion.

They took out hundreds of techniques they mastered, it would not be strange for Ye Chen to be showered with countless powerful attacks.

"Ye Chen ! ! ! !" Dongfang Xiu looked very worried about Ye Chen, he was worried about Ye Chen's current state.

The attack launched by the Immortal Profound Sea Realm was extremely terrifying, there was no way a normal person could survive this attack.

Sun Xuanyin also felt the same way, she was quite worried about Ye Chen's situation, to be honest she wanted to help Ye Chen.

"If I get any closer I might get him in trouble." Sun Xuanyin didn't come any closer, she would do her duty to hold off the soldiers that were starting to come in.

Sun Xuanyin was strong enough to do this, so Ye Chen passed this responsibility on to Sun Xuanyin.

"I won't let you guys in" Sun Xuanyin told him that she would never let troops from the Immortal Profound Sea Realm enter here.

"Move aside" the troops from the Immortal Profound Sea Realm were trying to drive away Sun Xuanyin, they chased away Sun Xuanyin who was in their way.

"You guys are stubborn, then I will make you all regret it," Sun Xuanyin said to the troops from the Immortal Profound Sea Realm.

Sun Xuanyin used her own strength, she created a huge sun and started destroying her opponent.

Because Sun Xuanyin used her strength, the entire ocean in this place was vaporized, one could see that Sun Xuanyin was not playing around in using her strength.

The Immortal Profound Sea Realm army is still advancing, they are not afraid of Sun Xuanyin, to them Sun Xuanyin is only one person and it would be easily overcome if they all worked together.

As soldiers of the Immortal Profound Sea Realm, they were trained not to be afraid, even though Sun Xuanyin was powerful, in reality she was alone and easy to attack.

Sun Xuanyin knew the thoughts that the Immortal Profound Sea Realm army had, she would use the enemy's self-confidence to defeat them.

Ye Chen was hit by countless explosions, with such a powerful explosion, it was unlikely that he would be able to survive.

"what a fool, you going to our place alone, that would be tantamount to courting death" Hai Wan said to Ye Chen.

"Is that so?" from behind the fog, Ye Chen could still answer Hai Wan's words.

"what ! ! !" Hai Wan was surprised when he saw this, he was quite surprised when he saw Ye Chen who could still answer his words.

The fog cleared, Ye Chen's figure appeared in front of Hai Wan.

"impossible . ." Hai Wan and all the elders present couldn't believe what they were seeing, they saw something that didn't make any sense.

Ye Chen was in very good condition, he was in very good condition without even a hint of injury on his body.

"That's great" Dongfang Xiu was surprised by Ye Chen, Ye Chen was able to withstand all the attacks launched by Hai Wan and the 300 elders of the Immortal Profound Sea Realm.

should be a very difficult thing to do, even for his father.

"too strong" Dongfang Xiong was shocked when he saw Ye Chen's strength, Ye Chen's strength was too strong.

"Is this only the strength of the Immortal Profound Sea Realm, quite disappointing" Ye Chen said to Hai Wan and all the elders present.

"no way, even with such powerful attacks" everyone couldn't believe that Ye Chen was able to survive such a powerful combined attack.

"If you want to give up, do it now, otherwise I don't know what I will do to you guys" Ye Chen said to Hai Wan and the elders of the Immortal Profound Sea Realm, himself telling them to give up right now.

"Do you think the strength of the Immortal Profound Sea Realm is only like this, we haven't used your full strength" Hai Wan said to Ye Chen

Hai Wan was not happy with what Ye Chen said, to be honest he didn't like what was said by Ye Chen.

"I'm just speaking the truth, don't you like to accept the fact that this is happening right now" Ye Chen said to Hai Wan.

"Bastards, everyone set up a formation, we will use the Immortal Sea formation law" Hai Wan said to all the elders.

Hai Wan said that they would use the Immortal Sea formation law, that way they could beat Ye Chen

"good" all the elders were in their positions, they were all preparing to fight Ye Chen using the Immortal Sea formation law.

the immortal Sea formation law is a formation that can suppress and attack the enemy, with this formation a strong person will be easy to overcome.

A dome appeared and enclosed Ye Chen, this dome was made of very thick water.

"It's almost like the strength of Rouxi, only it's much more complex and stronger, maybe it's because it uses the strength of 300 people" Ye Chen said while observing the enemy's attacks.

"It seems they are using water to suppress you, this water has enormous pressure, it might easily destroy a cultivator's body." Chu Yuechan helped Ye Chen to analyze the power of the Immortal Sea formation law.

The water started to fall and hit Ye Chen's body, Ye Chen's body was now under water with extremely high pressure, this pressure was probably millions of times stronger when compared to the water pressure in the deepest ocean on earth.

"Kid, you will die" Hai Wan said to Ye Chen, Hai Wan looked confident, he had successfully locked up Ye Chen, Ye Chen is now like a pig that can be slaughtered.

#### [Chapter 2109 Nine Dragon True Sea Domain](#)

Hai Wan had a far superior advantage over Sun Quan, he had a full army and could put up a fight against Ye Chen.

"hahahahaha" Ye Chen laughed, he laughed when he saw the overly confident Hai Wan.

Ye Chen moved, he could easily move and look at Hai Wan and all the elders present.

"no way, add more strength" Hai Wan said to all the elders, he told them all to add more strength.

Everyone is adding strength, they are injecting more and more power into the Immortal Sea formation law.

Using this much power, it was certain that Ye Chen would not have the chance to make another move.

Ye Chen was still able to move, he was still able to move and do what he wanted.

"Looks like you guys are wasting your energy," Ye Chen said to Hai Wan and all the elders in front of him.

"No way, how could this happen" Everyone couldn't believe what was happening, they all couldn't believe that Ye Chen was able to survive such a powerful attack.

"Then I will show you a bit of my strength" said Ye Chen to everyone, Ye Chen will show the strength that he has, he will show the full strength that he has.

"Heavenly lightning immediately rumbled, the sky above became incomparably dark and began to turn extremely terrifying and extremely frightening.

"God's Judgment Lightning" Ye Chen used God's Judgment Lightning, thunder descended from the sky and directly hit Hai Wan and the elders around him.

"Arghhhh" Hai Wan and the elders around screamed, Ye Chen's attack heavily injured them.

"enjoy" Ye Chen said to Hai Wan, Ye Chen said to Hai Wan and the others, they will feel the fury of the heavenly lightning.

"damn it" Hai Wan cursed, Ye Chen's strength was far more terrifying than he had imagined.

Even the combined attacks carried out by nearly 300 people with high cultivation bases were unable to defeat or injure Ye Chen.

"say what you want?" Hai Wan asked Ye Chen, she wanted to know what Ye Chen wanted.

Hai Wan knew that fighting Ye Chen was a very difficult thing to do, so she decided to make a bid with Ye Chen.

"Have you given up" Ye Chen said to Hai Wan, Ye Chen saw that Hai Wan had given up.

"Who gives up, I just want to know your purpose here" Hai Wan said to Ye Chen.

"My goal is yes, let me clarify this matter." Ye Chen said that he would clarify this matter.

Ye Chen pulled Dongfang Xiu, he embraced and pulled Dongfang Xiu to his side.

"Ye Chen, what are you doing?" Dongfang Xiu asked Ye Chen, she wanted to know why Ye Chen would do something like this.

Ye Chen suddenly hugged Her, naturally Dongfang Xiu was shocked by what did Ye Chen do.

"It's so easy, I want him, so I'll take him away" Ye Chen said to Hai Wan.

"what ! ! !" Hai Wan was shocked when he heard this, he didn't expect Ye Chen to target Dongfang Xiu.

Dongfang Xong also didn't expect this, he didn't expect that Ye Chen would target Dongfang Xiu.

"It seems that I was too caught off guard, he is much more powerful than I imagined" Dongfang Xong looked at Ye Chen, Ye Chen was much stronger than Dongfang Xong could have imagined.

"what's wrong?, don't you want to hand it over" Ye Chen said to Hai Wan.

"How could you give up such a thing?" Hai Wan couldn't possibly do that, if they did, the Immortal Profound Sea Realm would completely lose face in the God Realm.

"If you guys really refuse, then I have no choice but to use brute means" Ye Chen said to Hai Wan.

Since Hai Wan didn't want to give Dongfang Xiu, he would take Dongfang Xiu by force.

"skip us first before you do that thing" Hai Wan said to Ye Chen, they would not let Ye Chen take Dongfang Xiu.

"So you guys refuse, that's an extremely stupid decision, then I will have the Immortal Profound Sea Realm destroyed" Ye Chen said to Hai Wan.

Because Hai Wan rejected Ye Chen's request and ignored Ye Chen's warning, he had no choice but to destroy the Immortal Profound Sea Realm.

"Don't be arrogant, I still haven't shown you my full strength" Hai Wan said to Ye Chen, Hai Wan hasn't shown his full strength yet, he will show his full strength to Ye Chen.

"Nine Dragon True Sea Domain" Hai Wan finally released his power, a dragon head with an extremely large size appeared, its size was thousands of times larger than the earth.

Plus the size of this Domain was so vast that it was even able to cover the surrounding stars.

"he used that much power" Dongfang Xong looked at Hai Wan, it seemed Hai Wan no longer held himself back and used his full power.

If Hai Wan had used his full strength, then it was certain that there would be great destruction in this place.

"Looks like I have to go." Dongfang Xong had to quickly keep his distance, it would be too troublesome to engage in battle.

Dongfang Xong saw Dongfang Xiu, he wanted to take Dongfang Xiu away from this place.

"No, I'll just stay here" Dongfang Xiu refused, she wanted to stay here and help Ye Chen.

He believed that Ye Chen could protect himself from the super strong Hai Wan's attack.

"That is the Nine Dragon True Sea Domain, it is not a playful attack and can destroy anything in one sweep" Dongfang Xong said to Dongfang Xiu, if Dongfang Xiu were here it would be extremely dangerous.

"no need to worry I'll take care of it, it's just a small attack" Ye Chen said to Dongfang Xong.

Ye Chen would protect Dongfang Xiu, he would make sure that Dongfang Xiu was okay.

"Hmmm" Dongfang Xong still didn't know the limits of Ye Chen's strength, how strong Ye Chen's limits were, whether he was indeed able to defeat the power of the Nine Dragon True Sea Domain.

Plus he couldn't get close to Ye Chen, Ye Chen's strength made him unable to get close to the two of them.

Dongfang Xong stepped away, he stepped away a bit and made sure that Dongfang Xiu was okay.

"what are you going to do now, that is the Nine Dragon True Sea Domain, it is capable of sweeping several planets in an instant" Dongfang Xiu said to Ye Chen.

"of course destroy it, what else can I do" Ye Chen said to Dongfang Xiu.

"To destroy the Nine Dragon True Sea Domain, you need an equal amount of strength" Dongfang Xiu said to Ye Chen.

"That's right, I will do it." Ye Chen was about to do it, himself used the power of dimensions to destroy the Nine Dragon True Sea Domain.

**"Dimension Shaker"** Ye Chen used the **Dimension Shaker**, he shook the dimensions within the Nine Dragon True Sea Domain.

An enormous shock occurred, this shock caused the entire Immortal Profound Sea Realm to shake, and even the sky was shaken by the power of the **Dimension Shaker**.

"what is this" Hai Wan saw an unreasonable power, herself saw Ye Chen's unreasonable strength, this shook the heavens and the earth.

This unstable Nine Dragon True Sea Domain began to collapse.

"Impossible" Hai Wan couldn't believe what he was seeing he couldn't believe that the Nine Dragon True Sea Domain had collapsed from this attack.

"I can't allow this thing, I have to defend it" Hai Wan couldn't let the Nine Dragon True Sea Domain collapse and crumble, he had to maintain this strength.

#### [Chapter 2110 \[Bonus Chapter\] Hai Wan Was Lose](#)

If it came to the Nine Dragons True Sea Domain's collapse, he would not have the chance to fight back and defeat Ye Chen.

"This earthquake isn't an ordinary shock." Sun Xuanyin who was fighting was also affected by Ye Chen's strength.

The power of the Dimension Shaker was extremely power full, It helped Sun Xuanyin defeat the army from the Immortal Profound Sea Realm.

The **Nine Dragons True Sea Domain** collapsed at an astonishing speed, the force from the Dimension Shaker's shock was so great that it overturned the buildings and ground below, even the mountains and surroundings were chaotic by Ye Chen's force.

"Unreasonable power" all the guests tried to save themselves, they all ran away to save themselves from the terrible shaking.

Dimension Shaker only crushed the Immortal Profound Sea Realm, and the Immortal Profound Sea Realm was completely destroyed by the enormous shock.

"Boom. . ." **Nine Dragon True Sea Domain** collapsed, Hai Wan vomited blood as **Nine Dragon True Sea Domain** collapsed.

Hai Wan had used everything he had to defend the **Nine Dragons True Sea Domain**, it was a shame that he was unable to defend the **Nine Dragons True Sea Domain** and as a result he had this kind of reaction.

"Damn, I'm injured, this isn't good" Hai Wan saw that his injuries were quite heavy, he couldn't continue fighting with Ye Chen.

"Lord" elder immediately approached Hai Wan, they approached Hai Wan and tried to protect Hai Wan.

Hai Wan was protected by all the elders, they protected Hai Wan from the terrible Ye Chen, Ye Chen was so terrible, the Immortal Profound Sea Realm, was flattened by this person alone.

Ye Chen together with Dongfang Xiu approached Hai Wan.

When Ye Chen appeared, everyone was of course scared, they all felt the heavy pressure from Ye Chen.

"It's your own fault for ignoring my words" Ye Chen said to Hai Wan, he said that Hai Wan made a mistake for daring to ignore his own words.

"So this is your strength, it wouldn't be strange for you to dare to invade the Immortal Profound Sea Realm by yourself" Hai Wan said to Ye Chen.

"Of course, do you think I'm stupid enough to attack the Immortal Profound Sea Realm without any preparation?" Ye Chen replied.

Ye Chen answered a question from Hai Wan, he told that Ye Chen had been preparing for this for a long time.

"So roughly what should I do with you" Ye Chen said to Hai Wan, he wanted to know what he would do to Hai Wan.

"we won't let you" the elders around won't let Ye Chen, they won't let Ye Chen kill Hai Wan.

"Do you guys have the strength to stop me" Ye Chen smiled, he saw that they would not have the strength to fight against Ye Chen.

All the elders were sweating, they indeed didn't have that strong strength to compete with Ye Chen.

"Ye Chen, we should just stop this matter here" Dongfang Xiu said to Ye Chen, Dongfang Xiu said that they had to stop this matter.

Dongfang Xiu didn't want Ye Chen to go far enough, so he wanted Ye Chen to stop here.

"Is this a request from my goddess, then I will do it" Ye Chen understood, he would listen to Dongfang Xiu's request.

"Thank you very much" Dongfang Xiu blushed, she embarrassed when Ye Chen courted her in public.

"Then let's go" Ye Chen asked Dongfang Xiu to leave this place, he also brought Gu Xun along with him.

After such a battle, no one would dare to stop Ye Chen anymore.

"Where did Xuanyin go?" Ye Chen didn't find Sun Xuanyin's whereabouts, where did she go.

Ye Chen didn't sense the existence of Sun Xuanyin around this place, it seemed that he had already left this place.

Sun Xuanyin's contract letter was still intact, which meant that she was still alive and she might have left this place by now.

The army of the Immortal Profound Sea Realm fell, it seemed that Sun Xuanyin had done this, she managed to defeat the army belonging to the Immortal Profound Sea Realm.

"His strength is so great, it seems he went and gave me some alone time" Most likely Sun Xuanyin deliberately didn't tell Ye Chen, she didn't want to disturb Ye Chen and Dongfang Xiu.

"let's go" Ye Chen said to Dongfang Xiu, he took Dongfang Xiu away from this place together with Gu Xun.

Dongfang Xiong saw Ye Chen and Dongfang Xiu, he didn't stop Ye Chen and Dongfang Xiu.

"Lord, didn't you stop them" the great elder asked Dongfang Xiong.

"That's not necessary, after seeing such strength, it seems that this is actually a good thing for us." Dongfang Xiong saw that this was a good thing, with Ye Chen's strength, he could become a good ally.

"Let's go back" Dongfang Xiong said to everyone accompanying him, this matter can be discussed again.

Everything had been messed up, Dongfang Xiu was kidnapped, it would be better for Dongfang Xiong to just go back and not meddle too much in this matter.

Dongfang Xiong wasn't too affected by this, he didn't suffer as big a loss as Hai Wan, so he could take it all in.

Sun Xuanyin was currently quite far away, she was currently with Ye Chen's women like Zhao Yanyan and the others.

"So you have been hiding all this time," Sun Xuanyin asked Zhao Yanyan and the others.

"Of course, we all couldn't possibly let him go alone, this was too risky, so we decided to help him from afar" Zhao Yanyan said to Sun Xuanyin.

Sun Xuanyin nodded, what Zhao Yanyan did was very good, she did this to help Ye Chen and ensure that Ye Chen was fine.

They also opened a path for Ye Chen and Dongfang Xiu to leave, they were very kind.

Plus they weren't inferior to Sun Xuanyin, Ye Chen was extremely lucky to be able to obtain such a beauty.

"looks like husband managed to get two new sisters" Nangong Xiang saw that Ye Chen managed to get two new wife, Dongfang Xiu and Gu Xun.

"I guess so" Zhao Yanyan completely agreed with what Nangong Xiang said.

"You, what are you going to do, Hai Wan definitely won't stay quiet with this matter, they will definitely retaliate sooner or later" Sun Xuanyin said to the women around.

"Actually, we want to destroy them, but since husband doesn't want to do that, then let's let them go for now," Zhao Yanyan said to Sun Xuanyin.

"If they are still looking for trouble, then we will solve them" Huang Ying said to Sun Xuanyin, he said that they would give the Immortal Profound Sea Realm a chance, if they were to find trouble, then they would get rid of them.

"let's go back" Zhao Yanyan invited all the women to come back, they had all done their best to help Ye Chen from afar.

"You are also coming with us" Zhao Yanyan told Sun Xuanyin to come with them.

"Alright" Sun Xuanyin had no reason to refuse, she went with Zhao Yanyan and Ye Chen's woman go back to home.
