

True God 2111

[Chapter 2111 Young Lady, You Have Started To Grow Up, Maybe I Will Leave You Two Alone](#)

All the women had worked really hard, they had worked really hard to be able to help Ye Chen, they were all happy because they could help Ye Chen.

From now on they will try to help solve existing problems together.

Meanwhile in the distance, there was a woman who saw Ye Chen's battle and how he destroyed Hai Wan and the Immortal Profound Sea Realm.

Nanlan Lia was again amazed by Ye Chen, Ye Chen had shown a very interesting battle.

"he is getting stronger, with that power, he might be able to change God Realm, then I will help him" Nanlan Lia has already confirmed Ye Chen's strength, she will start helping Ye Chen to change God Realm and make God Realm a better place .

Nanlan Lia would try to believe in Ye Chen, she would entrust the task of making God Realm a better place.

"This place is already destroyed, it's better to go back I'm also satisfied with the show" Nanlan Lia decided to go back, she was very satisfied with the show that was shown by Ye Chen.

.

.

Ye Chen brought Dongfang Xiu and Gu Xun to the Sky Cloud Peak Star Realm, it was the safest place for them.

"You didn't go to your house on the star called earth" Dongfang Xiu asked Ye Chen.

"For now my greatest strength is in this place, it would be troublesome to entangle the earth, my small planet might be shaken if that happens" Ye Chen answered Dongfang Xiu's question.

Ye Chen apparently didn't want to involve the people on earth into his troubles. Until everything was controlled, Ye Chen couldn't make the earth his permanent residence.

"I understand" Dongfang Xiu immediately understood, she understood what Ye Chen was doing, Ye Chen's decision was very good, he made a very very good decision.

"You are very beautiful and fragrant " Ye Chen said to Dongfang Xiu, Ye Chen touched Dongfang Xiu's hair and kissed Dongfang Xiu's fragrant body.

"Don't do this, Xun is here" Dongfang Xiu said to Ye Chen, Dongfang Xiu tried to push Ye Chen away, she was quite embarrassed when she had intimate things with Ye Chen in front of Gu Xun.

"Don't mind me" Gu Xun said to Ye Chen and Dongfang Xiu, she told the two of them to ignore her.

"see, she said it like that" Ye Chen said to Dongfang Xiu.

"Pow" Dongfang Xiu tapped Ye Chen on the head, she seemed irritated by the courage shown by Ye Chen.

"why hit me, do you have a problem with me" Ye Chen asked Dongfang Xiu.

"Of course, I have problems with you" Dongfang Xiu said to Ye Chen, Dongfang Xiu had problems with Ye Chen, she had so many reasons to beat Ye Chen.

Dongfang Xiu had quite a lot of grievances with Ye Chen, she had a lot of grievances that should probably be settled with Ye Chen.

"fufufu" Gu Xun smiled when she saw the closeness between Ye Chen and Dongfang Xiu.

"Young lady, you have started to grow up, maybe I will leave you two alone" Gu Xun took the initiative to leave Ye Chen and Dongfang Xiu alone.

"Wait a minute, why the sudden" Dongfang Xiu said to Gu Xun, she said so suddenly.

Gu Xun came in, she entered Ye Chen's house, it was time for Gu Xun to greet Ye Chen's other women.

Dongfang Xiu was left alone with Ye Chen, now they were both alone and no one would bother them anymore.

Gu Xun was very kind, she made room for Ye Chen and Dongfang Xiu to be together.

"Why would he suddenly leave me, this would be too troublesome" Dongfang Xiu complained, Gu Xun left her like this, this would be a problem for her, she had no reason to run away from Ye Chen.

"hehehe, now that we are alone, you can't run away anymore" Ye Chen said to Dongfang Xiu.

"Why should I run away" Dongfang Xiu said to Ye Chen, Dongfang Xiu would not run away from Ye Chen.

"You said it, don't regret what you said" Ye Chen said to Dongfang Xiu.

"What would you do" Dongfang Xiu asked Ye Chen, he wanted to know what Ye Chen would do.

"Do you still need to ask me, you should know the answer" Ye Chen said to Dongfang Xiu.

Dongfang Xiu blushed, Ye Chen's words made Dongfang Xiu blush like an apple, she looked so embarrassed when she heard this.

"I won't do that thing with you" Dongfang Xiu refused to do that thing with Ye Chen.

"You're still not being honest with yourself, I'll make you honest a bit" Ye Chen said to Dongfang Xiu.

Ye Chen immediately kissed Dongfang Xiu, he pecked Dongfang Xiu's Cherry lips.

"um. . ." Dongfang Xiu was of course surprised by what Ye Chen did, what Ye Chen did made Dongfang Xiu feel comfortable.

"This is very comfortable." Dongfang Xiu liked when she had a mature kiss with Ye Chen, she thought this was a very beautiful thing to do.

Dongfang Xiu started to sink, she started enjoying this and forgot who she was.

Ye Chen's technique was too strong, even Dongfang Xiu didn't have a chance to put up a fight, she was taken down so easily by Ye Chen.

"Chuuuu. . ." Ye Chen and Dongfang Xiu had a passionate kiss, both of them didn't hold back while having this kiss.

"This is so comfortable" Dongfang Xiu sank, the cold and arrogant goddess sank into the ocean of love so deep that it was difficult to return.

"how?" Ye Chen asked Dongfang Xiu, Ye Chen saw that Dongfang Xiu couldn't stand what happened.

"it's embarrassing, don't ask so many questions and take me" Dongfang Xiu said to Ye Chen.

Dongfang Xiu was quite embarrassed, she told Ye Chen to bring herself inside.

"As you requested" Ye Chen understood, he immediately carried Dongfang Xiu into the house.

Ye Chen took Dongfang Xiu to the room, when Ye Chen opened the room, he saw that the room was decorated with flowers and looked like a honeymoon room.

Dongfang Xiu looked at the room Ye Chen had entered, she blushed when she saw the interior of the room they were about to use.

"he purposely prepared this thing" Dongfang Xiu thought that Ye Chen deliberately prepared this thing for her.

"Yanyan, it looks like you guys have prepared everything." Ye Chen knew that this must be Zhao Yanyan's doing, she who had this kind of thought, could also be Li Jingyi who did this, considering that the two of them were quite active in looking for sisters.

"I thank them, this will be very romantic," said Ye Chen gratefully, what his wife did was very helpful for Ye Chen.

Ye Chen carried Dongfang Xiu into the bed, he started to enjoy Dongfang Xiu who was in the most beautiful appearance.

The appearance of the wedding dress is indeed the best, this is the best appearance that can be seen by the human eye.

"You are so beautiful, even though we have known each other for so long, you still look stunning" Ye Chen said to Dongfang Xiu.

"Is that so, you now look like a hungry wolf, you haven't changed even though you haven't seen for months" Dongfang Xiu said to Ye Chen.

"The beauty of a goddess is really hard to endure, I'm just an ordinary human who likes beauty" Ye Chen said to Dongfang Xiu.

[Chapter 2112 Ye Chen & Dongfang Xiu Enjoyed A Wonderful Night \(1\)](#)

"Is that so?" Dongfang Xiu let out a voice that was sweet and gentle enough to be heard.

Actually Dongfang Xiu has a very beautiful voice, it's a pity that he prefers to use a cold and piercing voice, even though her real voice can make a man melt when he hears it.

This sound is indeed very good, this is what made Ye Chen go out of control and start doing strange things to Dongfang Xiu.

"Your voice is so good, why don't you use that kind of voice" Ye Chen said to Dongfang Xiu.

Ye Chen likes Dongfang Xiu's voice, he really likes Dongfang Xiu's voice, Dongfang Xiu's voice is very beautiful and makes Ye Chen excited.

"How perverted, how do you get excited just from something like that" Dongfang Xiu said to Ye Chen.

"what's wrong with that, everyone has their preferences, that includes me and you" Ye Chen said to Dongfang Xiu.

"geezzz" Dongfang Xiu give up, she would not be able to win arguing with Ye Chen.

Ye Chen saw Dongfang Xiu, he felt happy and happy when he saw Dongfang Xiu, Dongfang Xiu was very beautiful and made him feel very comfortable when he saw her.

"why Be quiet, do it quickly" Dongfang Xiu told Ye Chen to start, she didn't want to be the first to take the initiative to seduce Ye Chen.

"Are you impatient, it seems my goddess is very passionate" Ye Chen said to Dongfang Xiu.

"stop bullying me" Dongfang Xiu was annoyed, Ye Chen always bullied her.

"Hehehe" Ye Chen chuckled, it was really good when he bullied Dongfang Xiu.

Ye Chen likes to make Dongfang Xiu embarrassed, Dongfang Xiu is so cute being embarrassed.

Ye Chen stretched out his hand towards Dongfang Xiu's dress, he started touching Dongfang Xiu with his hand.

Ye Chen didn't take off the dress that Dongfang Xiu was wearing, in his opinion it was quite a waste to take off the dress that Dongfang Xiu was wearing.

"wife, let's play with this dress" Ye Chen said to Dongfang Xiu.

Ye Chen said that he wanted to play with Dongfang Xiu, he wanted to play with Dongfang Xiu and show the strength and ability that he had.

"It's up to you, I'll give and do what you want" Dongfang Xiu was going to join in the game that Ye Chen wanted to do, she was still a beginner and needed Ye Chen's help.

"Okay" this is the green light for Ye Chen, Dongfang Xiu let Ye Chen do whatever, these words are profound and the thing that all men in the world dream of.

"wife, where did you learn such passionate words, are you deliberately teasing me" Ye Chen said to Dongfang Xiu.

"no, I didn't do that" Dongfang Xiu was embarrassed to admit that he was trying to seduce Ye Chen.

"Is that so, then let's see" Ye Chen decided to tease Dongfang Xiu, himself using his own skill to stimulate Dongfang Xiu's sensitive points.

"ahh . . ." Dongfang Xiu shouted, she couldn't stand what Ye Chen did, what Ye Chen did made her feel very comfortable and filled with happiness.

"How ?, do you like it?" Ye Chen asked Dongfang Xiu.

"This is great, your skills are really great" Dongfang Xiu gave up, she was easily given up by Ye Chen's skills.

Dongfang Xiu is like this, she can't stand Ye Chen's temptations, she who is a cold goddess melts easily when she is with Ye Chen.

"hehehe" the **Passion Goddess technique's** strength is far stronger than the **King's Heart Technique**, it's no wonder that Dongfang Xiu couldn't stand what Ye Chen did.

Plus the **Passion Goddess technique** makes a person very honest, and now the **Passion Goddess technique** is very honest about her feelings for Ye Chen.

Ye Chen would enjoy this, he would make Dongfang Xiu happy, it was his duty as a man to make Dongfang Xiu happy.

"No, Ye Chen, don't touch it there" Dongfang Xiu couldn't stand it when Ye Chen touched her quite sensitive part, it made her unable to stand what was happening, it felt very comfortable and very enjoyable, this was truly an extraordinary thing normal for Dongfang Xiu.

"Call me husband, have you forgotten" Ye Chen said to Dongfang Xiu, Ye Chen told Dongfang Xiu to call himself husband.

Dongfang Xiu was still embarrassed, she still wasn't used to calling Ye Chen intimate terms.

"husband, please be lighter" Dongfang Xiu asked Ye Chen to be lighter, she couldn't stand the skills performed by Ye Chen.

"Okay" Ye Chen agreed, he accepted Dongfang Xiu's request, Ye Chen was a little lighthearted, Ye Chen would let Dongfang Xiu adapt to his own ability.

Dongfang Xiu was very happy, she had not felt this feeling for a long time, this feeling was indeed the best, she would never forget the feeling of comfort and safety that Ye Chen gave him.

"ahhh" Dongfang Xiu let out a very pleasant voice to listen to, Ye Chen really liked listening to this sound.

"You are really a natural seductress, you excite me" Ye Chen couldn't stand the beauty of the goddess in front of him, Dongfang Xiu was too beautiful and seductive for Ye Chen.

Ye Chen kissed and touched Dongfang Xiu's double peaks, Ye Chen really liked Dongfang Xiu's double peaks and lips.

"umm. . ." Dongfang Xiu squirmed, she couldn't stand what Ye Chen was doing, what Ye Chen was doing made Dongfang Xiu's mind go blank.

Dongfang Xiu couldn't think straight and she felt herself floating in the seventh heaven.

Dongfang Xiu hugged Ye Chen, she wanted to continue to be loved by Ye Chen, this comfortable feeling made Dongfang Xiu not want to leave Ye Chen.

Dongfang Xiu had acknowledged Ye Chen, after the countless things they'd been through and even nearly died, the two of them forged a much more intimate relationship.

The two of them had been separated for a long time, so it wasn't strange that Dongfang Xiu spoiled Ye Chen so much.

With Dongfang Xiu's current age, Dongfang Xiu is still called a young lady, under 2000 years of age can be said to be very young for someone in God Realm.

"emmm. . ." Dongfang Xiu was panting, what Ye Chen did made her satisfied.

"So delicious" Ye Chen likes Dongfang Xiu, Dongfang Xiu feels really delicious, he is very greedy when he is with Dongfang Xiu.

"no . ." Dongfang Xiu couldn't stand it, she had already reached the peak, this pleasure Dongfang Xiu couldn't hold back anymore, as a result she reached the peak very easily.

"This is great, I like this" Dongfang Xiu liked this, she couldn't hide her liking when she was with Ye Chen.

When Dongfang Xiu was with Ye Chen it was really fun, Dongfang Xiu really liked being with Ye Chen.

"are you satisfied" Ye Chen asked Dongfang Xiu, he wanted to know if Dongfang Xiu was satisfied with him.

"Of course, you are the best, your skills seem to have improved too, this is much better than before" Dongfang Xiu said to Ye Chen, he could feel that Ye Chen had progressed much more than before.

"Of course, I've grown, you've grown too, it looks much bigger than before." Ye Chen touched Dongfang Xiu's double peaks, it looked bigger than before.

"Emm" Dongfang Xiu couldn't stand it, she groaned lightly when he was touched by Ye Chen, her sensitive body couldn't stand Ye Chen's touch.

"Stop, it's my turn now" Dongfang Xiu said to Ye Chen, Dongfang Xiu said that it was her turn.

"What do you mean?" Ye Chen asked Dongfang Xiu, Ye Chen wanted to know what Dongfang Xiu meant, he wanted to know what Dongfang Xiu would do.

"I want to be down here" Dongfang Xiu said to Ye Chen, her touching Ye Chen's younger brother who was downstairs.

Dongfang Xiu was so bold, she touched Ye Chen's underneath, obviously she wanted to tease what was below.

"You are being so brave" Ye Chen said on Dongfang Xiu, Ye Chen saw that Dongfang Xiu was getting brave.

"Let me do it" Dongfang Xiu said to Ye Chen, Dongfang Xiu untied Ye Chen's clothes, immediately she saw Ye Chen's very big, long and hard object.

"Is it also growing, as far as I remember it wasn't that big?" Dongfang Xiu saw that Ye Chen was also growing, Ye Chen's was really huge, Dongfang Xiu swallowed saliva when she saw this.

"Are you afraid?" Ye Chen said to Dongfang Xiu, Ye Chen saw that Dongfang Xiu was afraid of what he had.

"Who's afraid, I'm not afraid, it's just that it's big enough" Dongfang Xiu said to Ye Chen.

"this is a good thing, women like this" Ye Chen said to Dongfang Xiu.

Dongfang Xiu gripped Ye Chen's, she did it a little hard.

"wife what are you doing?" Ye Chen asked Dongfang Xiu, Ye Chen wanted to know what Dongfang Xiu was trying to do.

"You don't need to brag about this to me," said Dongfang Xiu in a dissatisfied tone.

"Hehehe" Ye Chen chuckled, he liked this kind of Dongfang Xiu, he seemed to be loving and very gentle to Ye Chen.

Dongfang Xiu started caressing Ye Chen's, using her soft hands, she made Ye Chen feel comfortable.

"is it comfortable?" Dongfang Xiu asked Ye Chen, Dongfang Xiu wanted to know if Ye Chen was comfortable or not.

"Of course, try to be gentler and use your feelings" Ye Chen said to Dongfang Xiu.

Dongfang Xiu's technique is not very good, although it is not as good as an experienced woman, it still makes Ye Chen comfortable.

Ye Chen was of course comfortable, a beautiful goddess helped him, he was naturally very comfortable with what Dongfang Xiu was doing.

[Chapter 2113 Ye Chen & Dongfang Xiu Enjoyed A Wonderful Night \(2\)](#)

Ye Chen didn't really care about Dongfang Xiu's not-so-good skills, Ye Chen could improve this in the future, he would let Dongfang Xiu become skilled enough to do with him.

Dongfang Xiu didn't want to let Ye Chen down, she used all the skill she had to please Ye Chen, she used these skills to please Ye Chen.

Dongfang Xiu learned to find the sensitive spot that belonged to Ye Chen, she learned self-taught to make Ye Chen as comfortable as possible by using her skills that were still not very good.

It was a good thing that Dongfang Xiu's hands were very soft, this gave Dongfang Xiu a very comfortable feeling.

"Do your best" Ye Chen said to Dongfang Xiu, herself telling Dongfang Xiu to do her best.

Dongfang Xiu got a spirit. With this spirit, Dongfang Xiu should be able to be even better at serving Ye Chen.

"I'll make her comfortable, this is a woman's duty" Dongfang Xiu showed everything she knew, she started to touch and stimulate Ye Chen's huge object.

Dongfang Xiu's movements were getting better and better, Ye Chen was comforted by what Dongfang Xiu was doing, it felt very comfortable to receive Dongfang Xiu's touch.

"That's great, she's progressing really fast." Dongfang Xiu's skill was really good, she quickly made Ye Chen feel more and more comfortable.

Dongfang Xiu looked at Ye Chen, she could see that Ye Chen was getting comfortable with what she was doing, it seemed that what she was doing made Ye Chen feel very comfortable.

Knowing that Ye Chen could enjoy this, Dongfang Xiu decided to use her mouth, this was one of the quickest ways to harvest Ye Chen's pure Yang Qi.

Dongfang Xiu felt homesick for Ye Chen's Yang Qi essence, so it wouldn't be strange for her to want to get it and quickly taste it.

"Oh, it's been a long time coming." It's been a long time since Ye Chen felt this way, to be honest, he really misses this feeling.

This feeling is very nostalgic for Ye Chen, In the past, he forced Dongfang Xiu to do this, but now Dongfang Xiu is doing this of his own free will.

Of course, the taste and comfort that Ye Chen gets is different from before, He can feel sincerity and love comes from Dongfang Xiu.

"This is very good, I am very happy" Ye Chen liked this, his heart was very happy when he received love from Dongfang Xiu.

Ye Chen felt that he wanted to continue doing this, the service that Dongfang Xiu did was the best, Ye Chen really liked what Dongfang Xiu did

"Slurp . . ." Dongfang Xiu tried to absorb Ye Chen, she used an astonishing suction power once, this made Ye Chen feel sucked in by Dongfang Xiu.

"Her skills are getting better, she's growing fast" Dongfang Xiu's skills are developing very quickly, she is able to adapt to the abilities she has.

Dongfang Xiu kept looking at Ye Chen, she kept looking at Ye Chen and watching Ye Chen's reaction, she wanted to try to learn to make Ye Chen comfortable, when Dongfang Xiu saw Ye Chen comfortable, she started to do things more aggressively.

By doing this, Dongfang Xiu could know Ye Chen's weak points, that way she could attack and make Ye Chen comfortable.

The current Dongfang Xiu was too aggressive, the way she controlled her technique was exquisite, this was of course a threat to Ye Chen.

Dongfang Xiu's original goal was to drain Ye Chen, so it wouldn't be strange for her to do this.

Ye Chen saw Dongfang Xiu, when he saw the beautiful and super seductive Dongfang Xiu, Ye Chen had a bit of trouble.

"That's too bad, I met a goddess who is quite difficult to fight." Dongfang Xiu became a difficult opponent, that's probably because Dongfang Xiu is used to being cold, when Dongfang Xiu softens, she deals quite a lot of damage towards Ye Chen.

Ye Chen had already done his best to defend against Dongfang Xiu's attacks, too bad, he was unable to defend against Dongfang Xiu's attacks, it seemed he would not last long.

Dongfang Xiu didn't look tired when serving Ye Chen who was above average in size, she was doing this to get what she wanted, so it wasn't strange that Dongfang Xiu wasn't tired when serving Ye Chen.

"This is bad I probably won't last long" Ye Chen could only last 40 minutes, Dongfang Xiu's constant attacks got Ye Chen into trouble and was only able to last this long.

Ye Chen's achievements were already very good, he was already very strong when it came to resisting the skills possessed by Dongfang Xiu.

Dongfang Xiu's skills would probably get even better, Dongfang Xiu just needed to brush up on them and she would probably be able to beat Ye Chen even faster.

Ye Chen was already at his limit, it seemed that he would reach his limit soon.

Dongfang Xiu could feel something very strange from Ye Chen's thing, she felt that Ye Chen's became bigger and vibrated a few times.

"Has he reached his limit?" Dongfang Xiu said to herself, she saw that Ye Chen had reached his limit, he had already reached his limit.

Dongfang Xiu quickened the moves she had, she sped up her moves and started moving back and forth even faster.

Ye Chen was getting more and more critical, Dongfang Xiu's attacks were getting more and more aggressive, she seemed to be unable to stand it anymore.

"Husband give it to me," said Dongfang Xiu in a voice full of gentleness and desire.

Ye Chen couldn't stand it, he couldn't stand what Dongfang Xiu said anymore, there was no way Ye Chen could stand it when he listened to what Dongfang Xiu said.

"this is it" Ye Chen held Dongfang Xiu's head, he gave Dongfang Xiu what she wanted.

Ye Chen gave his all, he gave Dongfang Xiu what she wanted.

"Um. . ." Dongfang Xiu felt full, Ye Chen gave a lot of essence to her.

"Glup . ." Dongfang Xiu started to swallow it all, she really liked this, it was something she could get addicted to.

After a while Dongfang Xiu finished receiving everything, he was able to accept everything with ease.

"emmm, this is delicious, it's been a long time" Dongfang Xiu said as she praised Ye Chen.

"It seems you really like that thing" Ye Chen said to Dongfang Xiu.

"of course, this is a very good thing, this is very great, honestly this is what makes me unable to forget that day" said Dongfang Xiu to Ye Chen.

"hehehe, so that's how it is, you're quite a pervert " Ye Chen said to Dongfang Xiu.

Dongfang Xiu blushed, it seemed that what Ye Chen said was not wrong, she might indeed be a bit of a pervert.

After that, Dongfang Xiu helped clean up Ye Chen's property, she was very careful when doing this. It can be seen that Dongfang Xiu was very happy with Ye Chen.

Dongfang Xiu teased too much Ye Chen naturally couldn't stand what Dongfang Xiu showed.

"I don't want to hold it in anymore, let's finish this" Ye Chen said to Dongfang Xiu.

Ye Chen brought Dongfang Xiu, himself intending to settle this matter with Dongfang Xiu.

Ye Chen see Dongfang Xiu's secret garden, Dongfang Xiu's secret garden was already watery enough.

"Is that so, it seems she is quite excited." Ye Chen saw that Dongfang Xiu was already very excited.

"don't look at it, let's do it" Dongfang Xiu said to Ye Chen, she invited Ye Chen to do it immediately.

[Chapter 2114 Ye Chen & Dongfang Xiu Enjoyed A Wonderful Night \(3\)](#)

"of course" Ye Chen nodded, he began to help Dongfang Xiu by using his tongue.

"ahhh. ." Dongfang Xiu shouted, she couldn't stand Ye Chen's temptation, it felt so great.

Ye Chen was quite happy to help Dongfang Xiu, Dongfang Xiu had a very delicious taste.

"um" Dongfang Xiu go to Peak, the technique Ye Chen used made himself too comfortable.

In just a few minutes, Dongfang Xiu was again made to fly by Ye Chen.

"this is too great" Dongfang Xiu said to Ye Chen, she said that what Ye Chen did was very comfortable, this feeling was incomparable.

Ye Chen was happy when he helped Dongfang Xiu, he felt satisfied that he could make a beautiful goddess like Dongfang Xiu fall.

Dongfang Xiu gasped, he couldn't stand what Ye Chen was doing, what Ye Chen was doing felt so delicious and so great.

"it looks like everything is ready, let's get started" Ye Chen saw that all the preparations were done, it was time for them to start.

Ye Chen was going to start it, he was going to take Dongfang Xiu for the first time, this was Ye Chen's delayed dream, now Ye Chen got what he wanted for a long time.

Dongfang Xiu looked at Ye Chen, he saw that if Ye Chen was going to do it, he would use that big thing to fight Dongfang Xiu.

"please be slower" Dongfang Xiu said to Ye Chen, she told Ye Chen to do it slowly.

"don't worry, I will definitely make you comfortable" Ye Chen tried to comfort Dongfang Xiu, he would make Dongfang Xiu as comfortable as possible with the techniques he had.

"Um. .." Dongfang Xiu nodded, she believed in what Ye Chen said, she was sure that Ye Chen would do it slowly.

Ye Chen positioned his, he began to make sure that this could penetrate Dongfang Xiu's defense which was difficult to penetrate.

"Um. .." Dongfang Xiu groaned, she couldn't stand what Ye Chen was doing, it felt very strange when Ye Chen did this to her.

"hehehehe, she is very sensitive" Ye Chen saw that Dongfang Xiu was very sensitive, she was so sensitive that made her body tremble when touched by Ye Chen.

Dongfang Xiu's reaction was very seductive, she exuded a charm of her own.

"damn, I can't take it" Ye Chen couldn't take it anymore, he immediately broke down Dongfang Xiu's gate.

"ahhh. . . ." Dongfang Xiu let out a very sweet moan, she moaned as Ye Chen filled her.

"this hurts" Dongfang Xiu said to Ye Chen, she told Ye Chen that this was very painful.

"don't worry, it will end soon" Ye Chen persuaded Dongfang Xiu, he made sure that Dongfang Xiu enjoyed what Ye Chen was doing.

Dongfang Xiu tried to accept what Ye Chen said, she tried to hold on.

After a little adjustment, Dongfang Xiu finally succeeded in suppressing the pain, the pain began to disappear a little and was replaced by an unbearable itch.

"this is strange" Dongfang Xiu said to Ye Chen, she told that this felt very strange to Dongfang Xiu.

"don't worry, soon you will definitely enjoy it" Ye Chen said to Dongfang Xiu, he told Dongfang Xiu that this will feel comfortable.

"then let's try" Dongfang Xiu said to Ye Chen, she said Ye Chen to show it to her, to be honest Dongfang Xiu wanted to feel the feeling of being a woman.

"hehehehe, you will soon feel it" Ye Chen said to Dongfang Xiu, Dongfang Xiu will definitely feel it soon.

Ye Chen began to move, he used a slow motion to make Dongfang Xiu as comfortable as possible, he did not want to hurt Dongfang Xiu by using a rough and fast speed.

"mmm, ahhh. . . ." Dongfang Xiu moaned, a very seductive and super funny voice was released by Dongfang Xiu.

"this is very good" Ye Chen who heard this was very happy, he felt like he wanted to make Dongfang Xiu continue to feel this feeling, so that Dongfang Xiu could feel the highest pleasure in this world, he would feel how pleasant the feeling that Ye Chen gave him .

"Emmm, husband, faster, this is very good" Dongfang Xiu started to ask for more, she felt that what Ye Chen gave was not enough.

"so, then I will do it" seeing this, Ye Chen decided to hurry up, she had been waiting for Dongfang Xiu to say this.

Ye Chen moved faster and faster, this made himself gain more pleasure.

Ye Chen and Dongfang Xiu felt the same feeling, both of them got a very comfortable feeling from Ye Chen, this feeling made Dongfang Xiu unbearable, he wanted to be messed with by Ye Chen.

"a great feeling, this is the first time I feel this kind of feeling" Ye Chen said to Dongfang Xiu, her felt this kind of feeling for the first time.

This was the most pleasant and most comfortable thing that Dongfang Xiu had ever felt, Dongfang Xiu loved and was very addicted to doing Dual Cultivation with Ye Chen.

"I know you will like it" said Ye Chen to Dongfang Xiu, Ye Chen knew that Dongfang Xiu would like it, Dongfang Xiu would not be able to resist the temptation that came from Ye Chen.

Ye Chen's abilities and skills have been honed very well, Dongfang Xiu who is still a beginner cannot possibly survive the attacks and onslaughts of Ye Chen's techniques.

"ummmmm . . ." Dongfang Xiu let out a strange sound, she really went crazy when treated by Ye Chen.

"husband, you are the best" Dongfang Xiu said to Ye Chen, she used words of praise to describe her feelings.

Dongfang Xiu no longer uses her cold mask, now she is very honest with herself, this makes her even more attractive, she becomes a woman full of passion and charm.

Who could have imagined that a cold and indifferent goddess like Dongfang Xiu would become like this, to be honest this was something that was very difficult for Ye Chen to believe.

"I will make you comfortable, then you will be completely mine" Ye Chen said to Dongfang Xiu.

Ye Chen showed his dominance, he showed his strength, he would definitely make Dongfang Xiu his.

Dongfang Xiu already belonged to Ye Chen, she could no longer think of anyone else but Ye Chen.

"Ahh, no. . ." Dongfang Xiu shouted, she reached the peak of happiness again.

"It's great, so it feels like doing it with someone you like, it feels so comfortable" Dongfang Xiu said to Ye Chen.

"it's still early, there's no way you'll lose so quickly right?" Ye Chen said to Dongfang Xiu, Ye Chen told Dongfang Xiu that it's still early.

"is that so" Dongfang Xiu said to Ye Chen.

"of course, I will teach you a lot of moves that will make you enjoy it" Ye Chen said to Dongfang Xiu, he will make Dongfang Xiu master everything.

Ye Chen has decided to train Dongfang Xiu, he should train Dongfang Xiu to be very great, then Dongfang Xiu will become a which is very great and can make Ye Chen enjoy doing Dual Cultivation.

"Okay" Dongfang Xiu was quite curious, she was quite curious about what Ye Chen said, to be honest she wanted to try a lot of things with Ye Chen, Dongfang Xiu wanted to know the new world that she had not yet explored, that would probably be a very pleasant thing to do.

Ye Chen taught Dongfang Xiu, fortunately Dongfang Xiu was a genius, so Ye Chen didn't need much time to teach Dongfang Xiu, Dongfang Xiu quickly learned what Ye Chen said.

[Chapter 2115 Immortal Profound Sea Realm State](#)

Dongfang Xiu nodded lightly, she just found out that they could do such a thing, it seems like there are a lot of things she hasn't fully learned yet, she probably has to learn a bit to be a good wife both outside and in bed.

"then I want to try it" Dongfang Xiu went up, this time he wants to be a leader, from Ye Chen's words that women can get satisfaction when they are on top.

So Dongfang Xiu wanted to give it a try, whether what Ye Chen said was the truth or just nonsense, Dongfang Xiu needed to prove it herself.

Dongfang Xiu ride Ye Chen and started to move, he started slowly and tried to get into a comfortable position.

"This is much deeper than before" Dongfang Xiu felt that this was much deeper than before, it was obvious that Ye Chen's had reached very far to the part that had never been visited.

"Husband, yours is really very big, look at this" Dongfang Xiu said to Ye Chen, she told Ye Chen that it was very long and big.

"Do I need to adjust the size a little" Ye Chen said to Dongfang Xiu, Ye Chen can adjust his own size according to his will.

"ehhh. . ., is it possible" Dongfang Xiu said to Ye Chen, Dongfang Xiu didn't know that it could be done, she didn't know that it could be done.

"Maybe only I can do it" Ye Chen said to Dongfang Xiu.

Ye Chen resized his own, it became slightly smaller compared to his previous size.

When Ye Chen's was shrinking, Dongfang Xiu felt a bit lost, the feeling before was probably a little better than now.

"I want the previous one" Dongfang Xiu said to Ye Chen, he liked the previous one.

"hahahaha" Ye Chen laughed, Dongfang Xiu was quite funny when she said this.

After all, Dongfang Xiu was still a young lady, sometimes she couldn't control her temperament, so this was understandable.

Ye Chen decided to be more serious, it seemed that he would let Dongfang Xiu know his true strength.

Ye Chen used his original size, obviously stronger than before, this might give Dongfang Xiu a bit of trouble.

Dongfang Xiu felt more and more full, it was comforting.

Dongfang Xiu started to move, she started fighting back with Ye Chen, Dongfang Xiu's voice filled this room and sounded around the house.

Luckily Ye Chen's women were far away, if they heard of this, perhaps they would also join the battlefield.

Ye Chen loved Dongfang Xiu, he gave Dongfang Xiu the pleasure he wanted.

Dongfang Xiu really was getting more and more honest with himself.

Time passed quickly, without the two of them realizing it had been almost 1 hour more since they started the battle.

Dongfang Xiu had lost dozens of times, even though she had lost, Dongfang Xiu did not give up and continued fighting, she wanted to make Ye Chen as comfortable as possible with her.

"It seems that I have reached my limit too" after enduring against Dongfang Xiu for quite a while, Ye Chen finally couldn't take it anymore, Dongfang Xiu's honey cave was very comfortable and Ye Chen had already reached the highest point.

"my wife, I will make you mine, so be prepared" Ye Chen said to Dongfang Xiu.

Ye Chen hastened his movement, he was already at the elder brother and wanted to confide in Dongfang Xiu immediately.

"ummm . . ." Dongfang Xiu endured, herself resisted Ye Chen's extremely aggressive attack, with an attack this powerful, how could Dongfang Xiu survive, she wouldn't last long.

"ahhh" Ye Chen roared, he finally vented and released a large amount of Yang Qi at Dongfang Xiu.

"warm" Dongfang Xiu felt warmth, the warmth that Ye Chen gave was very beautiful, Dongfang Xiu liked this.

"Why don't you stop" Ye Chen erupted enough that this made Dongfang Xiu full.

"It's very comfortable, wife is the best, my beautiful goddess is my favorite" Ye Chen said to Dongfang Xiu.

"Geezz" Dongfang Xiu fell down, herself lying down and resting.

"It's tiring, but it feels really comfortable, if I knew this, maybe we should have done it earlier" Dongfang Xiu said to Ye Chen.

Ye Chen smiled when he heard this, the words that came out of Dongfang Xiu made Ye Chen excited.

"wife, let's continue the next round" said Ye Chen to Dongfang Xiu, Ye Chen invited Dongfang Xiu to continue the next round.

"uhh . ., there's no way you're still that strong." Dongfang Xiu was shocked, even though Ye Chen had already erupted twice, he shouldn't be able to continue anymore.

Dongfang Xiu had basic knowledge, he heard that men could only endure 1 to 2 times, after that they would get tired and sleep.

"hehehehe, I'm different from normal guys, with my special body, I can do whatever I want" Ye Chen said to Dongfang Xiu.

"what! ! !" Dongfang Xiu was shocked when she heard this, she didn't expect Ye Chen to be able to do this continuously.

"Isn't this a bit dangerous, can I win?" Dongfang Xiu shuddered, could he survive, she was still a newbie, and now she had to fight a monster like Ye Chen, whether she would survive or not.

"let me rest for a while, you should respect me, I'm still the first time" Dongfang Xiu said to Ye Chen.

"of course" Ye Chen nodded, he would let Dongfang Xiu rest for a bit.

Dongfang Xiu rested for about 10 minutes, she regulated her breathing and strength.

After 10 minutes, both of them resumed fighting, both of them continued their battle well, they both enjoyed their beautiful day, they were like a couple on their honeymoon.

.
.

At this time, the Immortal Profound Sea Realm, in the Immortal Profound Sea Realm, there was chaos, This place became extremely chaotic and was badly damaged. Servants and troops started repairing the Immortal Profound Sea Realm.

The guests had left the Immortal Profound Sea Realm, they had all returned to their respective places, it was obvious that they did not want to get involved in the battle that the Immortal Profound Sea Realm was currently facing.

"report the current situation" Hai Wan asked about the current situation, how many casualties in this battle.

"There are quite a number of injured people, they are all injured and currently being treated, you are running out of space" Elder reported what happened, he informed that there were many injured people due to the battle.

"What about the prince" asked Hai Wan, Hai Wan wanted to know about Hai Ming's condition.

"Prince is fine, it's just that we found something bad about Prince's body" the elder looked scared as he said this.

"what is it, quickly tell me" Hai Wan told the elder to say what happened, to be honest he wanted to know what happened to Hai Ming.

"Master, young master Hai Ming encountered something bad, he might run into trouble with his future possessions" the elder said to Hai Wan.

"what do you mean" Hai Wan was furious, he roared at the elder in front of him.

The elder in front of Hai Wan was extremely scared, he was quite scared when he saw the angry Hai Wan.

[Chapter 2116 Immortal Profound Sea Realm Ancestor](#)

The elder explained to Hai Ming, he told him that Hai Wan had an injury on his lower and might become an eunuch.

"what do you mean, was he injured by that person ?" Hai Wan asked the elder.

"no this isn't an injury from an attack, it's probably due to being overly strong during intercourse with the opposite sex, considering the broadcast just now, I can conclude that was the cause" the elder said to Hai Wan.

Ya Chen's attack only broke Hai Wan's bones, meanwhile Hai Wan's lower half was injured from what he did with the female monster.

"damn" Hai Wan was furious as hell, if this matter was found out it would be a problem in the future.

"Lord, we should appoint the second prince candidate, he might be able to do this, at least he can take over" Since Hai Ming was no longer worthy, the second prince candidate was now the best candidate.

"That person only knows going to a brothel, it will be a problem for us" Hai Wan said to the second elder.

The second prince candidate was different from Hai Ming, that person loved having affairs with lots of women, there were even lots of women and people's wives that had been stolen.

This creates a problem in itself, because that's why he often gets punished and his position is suspended.

"for the time being we have no other choice, Lord please think this matter through" the elder said to Hai Wan, he told Hai Wan to think this matter through carefully.

"Tch . ." Hai Wan sat on his chair which was partially destroyed, it was obvious that he was very displeased by this.

"Everything is very messy, this is very troublesome" Hai Wan is quite dizzy, just because of Ye Chen everything is so messy, how should Hai Wan solve this problem, he must be able to solve this problem as soon as possible.

"Great elder, what do you think?" Hai Wan asked the Great elder, the Great elder looked silent, as if he didn't want to get involved in this matter.

"This matter is beyond our control, that person is on a different level from the two of us, it's best to go see the ancestor" the great elder said to Hai Wan.

The great elder couldn't help but think, what was going on was beyond his reach, this would be an extremely complicated matter to resolve.

They had to ask for help from the ancestors, this kind of matter couldn't be solved by them, it was too difficult for them to handle.

Just imagine that the Immortal Profound Sea Realm had ruled for a very long time, and now that they were being destroyed by the attack of the younger generation, this was definitely a disgrace to all of them, this was simply unacceptable to their common sense.

"You may be right, the current situation is quite difficult for us to handle." Hai Wan agreed with what the great elder said, the current situation was extremely difficult for them.

"Then let's meet the ancestors" since the situation had become like this, they had no other choice but to seek advice from their ancestors.

Only then would they be enlightened about this matter, as long as the ancestor of the Immortal Profound Sea Realm was willing to step in then everything would be fine.

"let's meet the ancestors and pay respects" the great elder agreed, they should immediately meet with the ancestors and pay respects to the ancestors.

"you don't need to do that, I'm already here" an old man appeared, this old man gave off an extremely powerful and terrifying aura.

"ancestor" Hai Wan and great elder immediately knelt down, they knelt down and paid respects to great ancestor.

"What happened in this place, how could the Immortal Profound Sea Realm be destroyed, has the flames of war been reignited again?" the great ancestor asked Hai Wan.

The tone of the great ancestor was extremely angry and resentful, it seemed that he was not happy about what had happened to the Immortal Profound Sea Realm.

"That's right, a war happened, and this war was started by a young man, he started this war and challenged the Immortal Profound Sea Realm and the Eternal Sun Star Realm"

"Even the Eternal Sun Star Realm was forced into hiding by this person" Hai Wan explained everything, he explained in great detail to the great ancestor.

"Only one person made this thing, who was it?, who was the person capable of starting a war with the Eternal Sun Star Realm and Immortal Profound Sea Realm" the great ancestor asked, he wanted to know who was capable of starting a war with such a powerful force standing at the top God Realm, in theory it was an extremely difficult thing to do.

"he is Ye Chen, he is one of those with high level talent, he can even tame heavenly lightning" the great elder said to the great ancestor.

"controlling heavenly lightning, don't joke around, there's no one capable of doing that, it's absolutely impossible to do" the great ancestor said to Hai Wan and the great elder.

"In fact he is capable of such a thing" Hai Wan said to the great ancestor.

"It's not strange that you guys have become like this, if that's the case then he is a very terrible enemy, it seems that I have to intervene to solve this problem, if this continues, the balance of God Realm will begin to be disturbed, maybe this will even make God Realm illumination begins to move," the great ancestor said to Hai Wan and the great elder.

The ancestors of the Eternal Sun Star Realm were part of the God Realm illumination, they might have started plotting against Ye Chen, he would probably cooperate with them.

"You guys solve the problem here, I'll go and solve this problem myself" the great ancestor said to Hai Wan and the great elder, him going to settle things with Ye Chen.

"Thank you very much great ancestor, we thank you for your kindness" Hai Wan said to great ancestor. the great ancestor left, he disappeared from the sight of Hai Wan and the great elder.

"Ancestor has made his move, this will be our victory" Hai Wan said to the great elder, the ancestor has now made his move, Ye Chen will have no chance of being able to win the ancestor.

"then let's settle this matter" Hai Wan said to the great elder.

This matter had been handled by the great ancestor, now it was their job only to clean up the mess that was in this place.

.
.

Back to Ye Chen and Dongfang Xiu.

Ye Chen was lying down, and Dongfang Xiu was lying beside Ye Chen, she looked very exhausted after having a long battle with Ye Chen.

"is it already morning?" Ye Chen saw that it was already morning, the two of them did Dual Cultivation for hours until Dongfang Xiu fainted and fell asleep.

Dongfang Xiu who was sleeping was very cute, she looked very cute, to be honest, this made Ye Chen happy when he saw it.

Ye Chen wanted to tease Dongfang Xiu, to be honest he wanted to tease Dongfang Xiu who was in a deep sleep.

[Chapter 2117 Ye Chen Asked Dongfang Xiu For Gu Xun](#)

Ye Chen touched Dongfang Xiu's cheek, Dongfang Xiu was so soft that it made Ye Chen want to touch her.

"Emmmm" Dongfang Xiu of course immediately felt Ye Chen's touch, she easily felt Ye Chen's touch.

Dongfang Xiu woke up, she saw Ye Chen who was in front of her.

"what's wrong?, why did you wake me up" Dongfang Xiu asked Ye Chen, she wanted to know why Ye Chen woke up her.

"You are so cute and beautiful I want to tease you" Ye Chen said to Dongfang Xiu.

"That's all" Dongfang Xiu shook her head, she didn't think that Ye Chen just wanted to tease her.

Dongfang Xiu used the blanket to cover her body, she wrapped herself in the blanket.

Dongfang Xiu's wedding dress was gone, it had been thrown somewhere.

"You are really a monster, I almost died" Dongfang Xiu said to Ye Chen, Dongfang Xiu complained, she almost died when she did that thing with Ye Chen.

"Hehehe, it's so funny, even though you asked for more, has my wife forgotten?" Ye Chen said to Dongfang Xiu.

"I don't remember saying that" Dongfang Xiu said to Ye Chen.

Dongfang Xiu said that he didn't remember, she didn't remember saying such embarrassing things to Ye Chen.

"How are you feeling, is anyone sick?" Ye Chen asked Dongfang Xiu.

Dongfang Xiu smiled as she heard this, Ye Chen was really very considerate of her.

"I'm fine, it's nothing for me" Dongfang Xiu said to Ye Chen, Dongfang Xiu was fine, she was happy when she had conjugal relations with Ye Chen.

Now that Dongfang Xiu had become Ye Chen's woman, there was no way Dongfang Xiu would be unhappy about this matter.

"if you feel uncomfortable, just tell me" Ye Chen said to Dongfang Xiu, he told Dongfang Xiu to say if something was uncomfortable.

"You don't need to worry everything is fine" Dongfang Xiu said to Ye Chen.

"Before that, I want to know a few things from you" Dongfang Xiu said to Ye Chen, Dongfang Xiu wanted to ask Ye Chen a few things.

"what is it, just tell me" Ye Chen told Dongfang Xiu to say it to himself.

"Husband, I wonder how many women have you had ?" Dongfang Xiu asked Ye Chen.

Dongfang Xiu smiled at Ye Chen, Dongfang Xiu's smile made Ye Chen slightly cold sweat, Ye Chen felt that this might be a bit of a problem.

"I have to solve this matter immediately" Ye Chen had to explain this matter quickly, that way everything would be finished and he could feel at ease when he was with Dongfang Xiu.

Ye Chen told Dongfang Xiu everything, he told Dongfang Xiu that he had enough women.

"You really gathered the most beautiful goddesses in the western God Realm, you are indeed something" Dongfang Xiu said to Ye Chen.

Dongfang Xiu could hardly believe what Ye Chen said, this man was able to gather all the goddesses in the God Realm and make them his wife.

Every beautiful goddess in the God Realm represents strength, they are all arrogant women and it is very difficult for men to reach, in fact, countless men have even given up on getting a beautiful goddess in the God Realm.

And now that Ye Chen managed to collect them all, he was really very lucky.

"am I the last?" Dongfang Xiu asked Ye Chen.

"yes that's absolutely true, you're the last, but maybe it won't be the last" Ye Chen said to Dongfang Xiu.

"You pervert" Dongfang Xiu knocked on Ye Chen's head, to be honest Ye Chen's obscene nature couldn't be removed.

Despite having this kind of thing, the truth is that this man is quite good, he is quite honest when talking to Dongfang Xiu.

"ouch . ." Ye Chen rubbed the part that was hit by Dongfang Xiu, it didn't hurt, Dongfang Xiu didn't use force when hitting Ye Chen.

"wife, this is a coincidence, I have something to talk to you about." Ye Chen said that he wanted to talk to Dongfang Xiu about something.

"What is it" Dongfang Xiu asked Ye Chen, Ye Chen looked very serious, it seemed that this was quite important.

"Can you give Gu Xun to me" Ye Chen said to Dongfang Xiu.

"huh? ? ?, what do you want to do to her" Dongfang Xiu asked Ye Chen.

Dongfang Xiu was already on guard, Ye Chen would definitely do something to Dongfang Xiu.

"actually" Ye Chen started to explain everything to Dongfang Xiu, he started to explain what happened to Dongfang Xiu.

"Is that what happened, I didn't expect that you would promise like that, if that's the case, then I won't get in your way" Since Ye Chen had already promised, then Dongfang Xiu couldn't refuse him, after all Gu Xun also didn't seem to mind when was near Ye Chen.

"thank you very much, I want to kiss you" Ye Chen was happy, Dongfang Xiu turned out to be quite understanding.

"stop" Dongfang Xiu hurriedly stopped Ye Chen, she didn't let Ye Chen start again, she would get into trouble if he was provoked by Ye Chen.

Dongfang Xiu pushed Ye Chen away, she immediately went to clean herself up, she needed time to return to being a beautiful goddess.

Dongfang Xiu's appearance right now was a little chaotic and he needed a bit of improvement to his body.

Even though he seems messy, in reality Dongfang Xiu is still very beautiful.

The problem is women are still women, they don't like it when they see their bodies messy and dirty.

Dongfang Xiu got off, she got off and started to go to the bathroom, Dongfang Xiu had a slight limp when she walked, she might still have trouble walking normally.

Ye Chen smiled when he saw this, Dongfang Xiu was so beauty, he had never seen Dongfang Xiu like this.

Ye Chen got up, he made up the bed which was very messy.

"knock . . ." a knock came from the door, it seemed someone was currently outside.

"wait a moment" Ye Chen immediately opened the door for the person outside.

When Ye Chen opened the door, he found that Gu Xun was currently outside the room.

Gu Xun was wearing an Earth Maid outfit, she looked really good in this outfit.

"Breakfast is ready, I was ordered by Jingyi to call you two" Gu Xun came, her told Ye Chen to come down immediately.

"Okay, I'll be right there" Ye Chen said to Gu Xun.

"Then I will go down" Gu Xun said that she would go down, her task was done to call Ye Chen.

"Sister Xun, what happened to your clothes, you're wearing a maid uniform, it really suits you" Ye Chen said as he praised Gu Xun.

"Is this suitable, I'm still not used to things belonging to your woman." Gu Xun was not used to this, she felt a little strange when she put on a maid outfit.

As Dongfang Xiu's servant, Gu Xun always wore formal attire, she rarely wore strange clothes like this, so it wasn't strange for him to feel strange about the clothes he was wearing.

"You'll get used to it, you're beautiful anyway" Ye Chen said to Gu Xun, Ye Chen told Gu Xun that Gu Xun was beautiful, he pulled Gu Xun's body closer.

[Chapter 2118 Eat With All The Wives](#)

"Ye Chen, what are you doing, what if young miss sees us" Gu Xun said to Ye Chen.

Gu Xun was afraid that Dongfang Xiu saw what they were about to do.

"No need to worry, Xiu is currently taking a bath, so everything should be fine" Ye Chen said to Gu Xun.

Dongfang Xiu was currently taking a bath, so she shouldn't be coming out anytime soon.

"Is that so" Gu Xun said to Ye Chen.

"I already got Xiu's approval, now you want to be with me" Ye Chen said to Gu Xun.

"huh?" Gu Xun was surprised when she heard this, to be honest she didn't expect that Ye Chen would get Dongfang Xiu's approval so quickly.

"Didn't you promise, I won't let you go" Ye Chen said that he would not let Gu Xun go.

"since young miss has given her consent, then I won't be able to escape" Gu Xun said to Ye Chen.

"hehehehe" Ye Chen smiled, he was very happy when he saw this, he had gotten Gu Xun's approval.

he only needed to improve her own relationship with Gu Xun, he would find the right time to talk to Gu Xun and make her fall in love with her.

"hurry down, everyone is waiting" Gu Xun pushed Ye Chen away, she told Ye Chen to come down quickly, everyone was already waiting for them, they shouldn't waste any more time and have breakfast soon.

Ye Chen was the head of the family, so he had to hurry down and greet everyone below.

"Okay, I'll be down soon." Ye Chen understood, he would immediately go downstairs and meet all the women.

"wife, are you not done yet" Ye Chen asked Dongfang Xiu.

"almost, what's wrong?" Dongfang Xiu asked Ye Chen, Dongfang Xiu was almost done, she only needed to wash her hair.

"sister downstairs seems to want to see you, you should go see them" Ye Chen said to Dongfang Xiu.

"what ! ! !" Dongfang Xiu was shocked when she heard this, she didn't expect that Ye Chen's woman wanted to meet her.

"But I'm still not ready" Dongfang Xiu said to Ye Chen, Dongfang Xiu told Ye Chen, she said that she was still not ready to meet them.

"No need to worry too much, they are all very good people," Ye Chen said to Dongfang Xiu.

Ye Chen told that his other wives were very good, they were all very kind and considerate of each other.

"Then I will come down" Dongfang Xiu said to Ye Chen, after receiving persuasion from Ye Chen, Dongfang Xiu finally wanted to meet Ye Chen's woman.

"Very good" Ye Chen nodded with satisfaction, he only needed to wait for Dongfang Xiu to finish.

Dongfang Xiu quickly finished taking a shower, she took the best clothes he had, luckily Dongfang Xiu brought quite a lot of clothes in her Space Ring.

"How do I look, this isn't bad right?" Dongfang Xiu asked Ye Chen.

Dongfang Xiu returned to wearing an ancient white dress and some hair ornaments, her appearance now was very beautiful.

"it fits, no matter what clothes you wear, it all suits you" Ye Chen said to Dongfang Xiu.

"then let's go down" Dongfang Xiu said to Ye Chen, Dongfang Xiu became as usual, she gave off a bit of cold aura around her, she completely returned to being a cold goddess.

"she changes very quickly" Ye Chen said in his heart, Dongfang Xiu changed quite quickly, she had already returned to her original self.

Ye Chen and Dongfang Xiu went down. When the brand came down, they were greeted by countless women.

It so happened that there were a lot of women in this place, they all gathered and sat very neatly.

"Welcome" Zhao Yanyan greeted Ye Chen and Dongfang Xiu, both of whom were warmly welcomed by Ye Chen's lady.

"hello" Dongfang Xiu was quite calm, she said to Zhao Yanyan and all the women in this place.

If Dongfang Xiu took a closer look, Dongfang Xiu could see that Ye Chen had a lot of beauties, all of the beauties here were first-order beauties in the God Realm.

"Looks like you two have already done it, you guys are fast enough, I didn't expect that you would join too" Nangong Xiang said to Dongfang Xiu.

Among all the women in Nangong Xiang's place, including the women who were very close to Dongfang Xiu, they already knew each other.

"I didn't expect this either" Dongfang Xiu said to Nangong Xiang.

Dongfang Xiu didn't expect that they would be on the same boat as Ye Chen's wife, this had never been imagined by Dongfang Xiu.

"Alright, you guys can get acquainted later" Ye Chen said to Dongfang Xiu and Nangong Xiang.

Ye Chen started to introduce Dongfang Xiu, Dongfang Xiu also started to know Ye Chen's woman.

"let's start eating, this is made by everyone, I hope you all like it" Li Jingyi said to everyone.

Li Jingyi invited everyone to eat and gather together, they already got the peace they wanted.

All women like to live in peace like this, no enemies to attack or find trouble with them.

Dongfang Xiu was getting used to it, she was still not used to interacting with Ye Chen's other women.

Dongfang Xiu was often alone, so it wasn't strange that he didn't adapt quickly to a new environment.

Luckily everyone is good, they can accept this, and try to get close slowly.

"Xia you are back, what about your Clan" Ye Chen asked Ning Xia, she wanted to know the developments on Phoenix Clan.

"Everything went very well, everyone started rebuilding the Clan, for now I'm setting up a defense for them, so everything should be back to how it was before" Ning Xia said to Ye Chen.

Ning Xia was quite cheerful, she had already managed to revive her Clan and get them a proper place.

"Are you going to stay with them?" Ye Chen asked Ning Xia.

"For now to put power in the person I trust the most, as long as there isn't a heavy situation then everything will be fine" Ning Xia said to Ye Chen.

Ning Xia didn't need to be in Phoenix Clan all the time, she could remotely control what happened.

"I'm happy, I hope they get better" Ye Chen said to Ning Xia.

"Um" Ning Xia agreed with what Ye Chen said, she also wished the same thing as Ye Chen wanted.

Ye Chen enjoyed the food, he joked with the women around him and enjoyed his life well.

It's been a long time since Ye Chen has enjoyed this kind of life, this life is very enjoyable, if this can go on every day it will be a very comfortable thing.

"Husband, have you found the whereabouts of the Eternal Sun Star Realm?" Shui Yixian asked Ye Chen, she wanted to know if Ye Chen had discovered the whereabouts of the Eternal Sun Star Realm.

"There is no news from the clone I sent, it seems that the Eternal Sun Star Realm is hiding very well, I don't know where they are hiding at this time" Ye Chen answered Shui Yixian's question.

[Chapter 2119 Ling Yin Wake Up](#)

"It seems that this is much more difficult than I imagined." Shui Yixian also seemed to have difficulty finding the whereabouts of the Eternal Sun Star Realm.

"I tried several times to find them, unfortunately it was just a trick." Sun Xuanyin also found nothing, she found nothing about this matter.

The Eternal Sun Star Realm was trying to trick Sun Xuanyin using bait.

"Is that so, they are quite smart" Ye Chen had to admit that the Eternal Sun Star Realm was very smart.

"Husband, the Immortal Profound Sea also didn't make any strange moves, I've already sent people to take a look." Qiao Xin gave a report to Ye Chen.

"They can't possibly dare to move, I already destroyed their place, so they won't dare to move" Ye Chen said to Qiao Xin.

"Sister Xin, what about Sacred Heaven Star Realm" asked Dongfang Xiu, Dongfang Xiu wanted to know if her father made a move or not.

"They didn't make a move" Qiao Xin said to Dongfang Xiu.

"Is that so" Dongfang Xiu felt relieved when he heard this.

"Most likely he has already accepted our relationship" Ye Chen said to Dongfang Xiu.

Dongfang Xiu blushed, she blushed when she heard this.

"giggled. . . ." the women around giggled when they saw Dongfang Xiu blushing.

Ye Chen had defeated Dongfang Xiu, he managed to make this cold goddess blush like that.

"Husband is a great person, most likely he won't interfere with your relationship" Nangong Xiang completely agreed with what Ye Chen said.

"husband, then maybe we can find time to meet him" Dongfang Xiu said to Ye Chen.

"of course" Ye Chen said to Dongfang Xiu, Ye Chen agreed, he didn't mind talking to Dongfang Xiong.

Thank you very much." Dongfang Xiu thanked him, Ye Chen was very understanding of her.

"husband, before that we have something to say" Zhao Yanyan said to Ye Chen.

"We want to see your master, we have heard from Sister Xun about this matter" Zhao Yanyan said that they should pay respects to Ye Chen's teacher, it was a form of respect for the person who helped Ye Chen.

"That's right, if it wasn't for that person, maybe we wouldn't have met you" all the ladies agreed, without help from Gu Xuan they probably wouldn't have met Ye Chen.

"Thank you very much everyone" Ye Chen understood, he was happy when he heard what all his wives wanted.

Ye Chen looked at Gu Xun, it seemed Gu Xun was also happy when he saw what Zhao Yanyan and the others were doing.

After finishing breakfast, all the ladies followed Ye Chen, they all headed towards Gu Xuan's tomb, everyone paid their respects and spread flowers.

This went on for a long time, after a long time, it was finally over.

"master, I got it, thank you very much, from now on I will protect my family" Ye Chen thanked, he would not forget Gu Xuan's kindness.

"See you later, I will visit you two often" Ye Chen will come here often.

"Husband, I have good and bad news for you." Shui Yixian drew closer, she told Ye Chen the she have good news and bad news.

"what is it, say it quickly" Ye Chen told Shui Yixian to say it, himself wanted to know what kind of news Shui Yixian had.

"Which news do you want?" Shui Yixian asked Ye Chen, she wanted to know what Ye Chen wanted.

"how about so good news" Ye Chen said to Shui Yixian.

"The good news is Ling Yin is awake, I got news that she is awake" Shui Yixian said to Ye Chen.

"really" Ye Chen was very happy, he was very happy when he heard this news, this is indeed very good news.

"Then what's the bad news?" Ye Chen asked Shui Yixian, Ye Chen was curious what bad news Shui Yixian would say.

"The bad news is, she doesn't remember anything," Shui Yixian said to Ye Chen.

Shui Yixian tells that Ling Yin doesn't know anyone, she doesn't remember anyone.

"How is that possible" Lin Rouxi didn't expect that Ling Yin would not remember them.

"That's the problem, she doesn't remember you guys, he doesn't even remember who she is, this is a rather complicated matter" Shui Yixian said to Ye Chen.

"This is troublesome" Ye Chen saw that this was very troublesome, Ling Yin didn't remember anything, so how should Ye Chen deal with this matter.

"You can ask Qing Cheng to take a look, maybe she knows the answer" Chu Yuechan said to Ye Chen, she told Ye Chen to use Qing Cheng and find out what really happened to Ling Yin.

"Okay I will do it" Ye Chen understood, he would do what Chu Yuechan said.

Ye Chen called Qing Cheng, he took Qing Cheng away with him.

Besides Qing Cheng, Su Mengxin and Lin Rouxi came along, both of them wanted to come and see Ling Yin's condition

"then let's go" Ye Chen invited Shui Yixian, they went to Heaven Light Palace.

"Come on" Shui Yixian agreed, she invited Ye Chen to go to Heaven Light Palace.

they headed towards the Heaven Light Palace, they very quickly arrived at the Heaven Light Palace.

Ye Chen, Shui Yixian and other go to Ling Yin's place, when they arrived at Ling Yin's place, they saw Ling Yin who was playing alone.

"she doesn't seem to know anything and she's just like a child" Shui Yixian said to Ye Chen, Shui Yixian told Ye Chen about this matter.

"Cheng, can you help me" said Ye Chen to Qing Cheng, Ye Chen asked Qing Cheng to help himself.

"I will do it" Ye Chen will do it, he will help Ye Chen to see what happened.

Ye Chen and Qing Cheng drew closer towards Ling Yin, when they both approached, they both discovered that Ling Yin had turned around.

"Who are you ?" Ling Yin asked Ye Chen and Qing Cheng, she really didn't know either of them.

"Don't you know us" Ye Chen asked Ling Yin, Ye Chen tried to make Ling Yin remember them, he tried to make Ling Yin remember him.

Ling Yin paused for a moment, herself trying to remember Ye Chen who was in front of her.

"I don't remember you" Ling Yin said that she didn't remember Ye Chen.

"So it's true" Ye Chen was quite disappointed when he heard this, Ling Yin didn't know him, this was a problem for Ye Chen.

"let me take a look" Qing Cheng is about to find out what happened, she tries to peek into Ling Yin's memories.

Qing Cheng entered into Ling Yin's memory, when she entered, she found that Ling Yin's memory was very messed up, there were a lot of memories scattered around.

Qing Cheng tries to open Ling Yin's memories, she tries to make Ling Yin remember them.

Qing Cheng tried her best, even though she had done her best to help Ling Yin, she couldn't make Ling Yin remember.

When Qing Cheng tried to piece together the memories from Ling Yin, Ling Yin's memory faded instead.

"It seems that this is much worse than I imagined." Qing Cheng saw that Ling Yin's condition was quite bad.

[Chapter 2120 Trying To Restore Ling Yin's Memory](#)

"how" Ye Chen asked Qing Cheng, he wanted to know what Qing Cheng found.

"this is bad, it seems that something happened to his memory, I can't put it together" Qing Cheng said to Ye Chen, she couldn't help Ye Chen deal with this problem.

"so what to do ?" Ye Chen said to Qing Cheng.

"You have to make her remember you, like a stimulus that can make her memory go back to how it used to be" Qing Cheng said to Ye Chen.

"will it work" Ye Chen asked Qing Cheng one more time, he wanted to know whether it will work or not.

"It should work, but it won't be easy, it will take a long time" Qing Cheng pointed out that it might take quite a while.

"I hope you can be patient and make you remember little by little" Qing Cheng said to Ye Chen.

Ling Yin was confused, she had no idea what Ye Chen and Qing Cheng were talking about.

"Husband, how about you bring him back to earth, she might be able to quickly remember everything" Su Mengxin said to Ye Chen, Su Mengxin told Ye Chen to bring Ling Yin back to earth, that was the fastest place to make Ling Yin remember .

In order to restore Ling Yin's memory, Su Mengxin gave Ye Chen a suggestion.

"That's a really good idea, I'll give it a try" Ye Chen was going to try out the idea Su Mengxin said, maybe it would work to make Ling Yin remember them again.

"Then let me come along, I might be able to help" Lin Rouxi said that she wanted to help Ye Chen, she wanted to help Ye Chen to make Ling Yin remember.

However she still played an important role in this matter, if it wasn't for her, perhaps this matter would never have happened.

"Alright, we can start working together" Ye Chen agreed, they can start working together, that way they can quickly make Ling Yin remember.

"I don't know about your matters, so I won't interfere." Shui Yixian would not interfere, she could leave this matter to Ye Chen, Lin Rouxi and Su Mengxin.

"Okay, I understand" Ye Chen understood, he knew that Shui Yixian didn't know anything and maybe she would even trouble Ye Chen.

"Then let's get out of this place" Ye Chen invited Lin Rouxi and Su Mengxin, the two of them might be able to help Ye Chen to make Ling Yin remember their past.

"Do you know your name ?" Ye Chen asked Ling Yin, Ye Chen asked Ling Yin, he wanted to know if Ling Yin remembered her name.

"do not remember. . ." Ling Yin doesn't remember, she doesn't remember what happened, everything seems confusing to Ling Yin.

"Your name is Ling Yin, and I am Ye Chen, I will make you remember who I am" Ye Chen said to Ling Yin, he told Ling Yin that he would make her remember who she was.

"what do you mean, are you my acquaintance" Ling Yin asked Ye Chen.

"Of course, I am your acquaintance, we used to have a very close relationship." Ye Chen told Ling Yin that the two of them had a very close relationship.

"Hmmm . ." Ling Yin looked confused, she seemed confused by what Ye Chen said.

Ye Chen knew that Ling Yin would not easily accept what he said, Ling Yin's mind was still in turmoil, so Ye Chen had to do this slowly so Ling Yin could remember him.

"What do you mean, I don't understand" Ling Yin said that she didn't understand what Ye Chen said.

"I know that you will say that to me, come with me, you will understand what I mean" Ye Chen took Ling Yin, he would make Ling Yin remember everything.

Ling Yin went with Ye Chen, somehow Ling Yin felt that Ye Chen was not a bad person, she could feel that Ye Chen was a good person and was quite close to her.

Ye Chen succeeded in coaxing Ling Yin, this way Ye Chen could very quickly make Ling Yin.

Ye Chen looked at Lin Rouxi and Su Mengxin, both of them nodded towards Ye Chen, the two of them were going to help Ye Chen.

Ye Chen together with Ling Yin, Lin Rouxi and Su Mengxin went to earth, the three of them had a mission to make Ling Yin remember the past.

This mission will not be easy, they must work well together in order to make Ling Yin remember the past.

"they left" Qing Cheng saw that Ye Chen left with Su Mengxin and Lin Rouxi.

"You are not coming" Shui Yixian asked Qing Cheng.

"That's not necessary, he can do it himself, I think he might be the only one who can bring her back to mind" Qing Cheng said to Shui Yixian.

"You might be right, he might be able to bring her back to mind, I hope they succeed" Shui Yixian said to Qing Cheng.

"what do you do now ?" asked Qing Cheng to Shui Yixian.

"I'm investigating something important, want to come along, you might be able to help a lot" Shui Yixian said to Qing Cheng.

With Qing Cheng's strength, she might be able to help Shui Yixian's work.

"Okay I will help you" Qing Cheng agreed, she agreed to help Shui Yixian.

"come with me I will start explaining everything" Shui Yixian told Qing Cheng to follow her, she would explain in detail what the two of them were going to do.

.

.

When they arrived on earth, Ling Yin immediately looked around, she seemed to be enjoying the atmosphere of the earth.

"what will we do now ?" Su Mengxin asked Ye Chen, she wanted to know what Ye Chen would do.

"how about making her remember the first meeting with me" Ye Chen said to Su Mengxin.

"Where did she first meet you?" Lin Rouxi asked Ye Chen, she wanted to know where Ling Yin first met Ye Chen.

"Our first meeting was on the plane" Ye Chen said to Lin Rouxi.

"Is that so, then we only need to rent an airplane." Su Mengxin said to Ye Chen, they only needed to rent an airplane.

"Let's start" Ye Chen agreed, he immediately went to the nearest airport around their city.

Incidentally once the earth has started to get better, there are quite a lot of planes that they can rent.

Earth may have become a place for cultivators, even so vehicles and others are still operating to facilitate the work of humans who are still weak and not yet strong.

Ye Chen took Ling Yin, Su Mengxin and Lin Rouxi to the airport, they immediately chartered a private plane.

Ling Yin, Su Mengxin and Lin Rouxi were all eye-catching, they made everyone stare their way.

"are they artists, they look really amazing" there were tons of customers looking at Ling Yin, Su Mengxin and Lin Rouxi.

Ling Yin, Su Mengxin and Lin Rouxi ignored the people staring at them, they were more focused on solving their problems.

Ye Chen immediately went to the customer service department, it happened to be a woman who received them.

"Sir and Miss, what can I help you?" the female customer service asked Ye Chen.

"I need a private plane, do you have one" Ye Chen said to customer service.
