

True God 2121

[Chapter 2121 Ran Giku Is Looking For Trouble On Ye Chen](#)

"We have it, what class do you need?" The customer service said to Ye Chen.

"the best, I need it now" Ye Chen said to customer service, he said that he wanted the best class.

"I will see it" the customer service said that he would see if there were still private planes for the VVIP class.

"Sir, I'm sorry, but all the planes have been ordered today, is it possible that you can wait tomorrow," said the customer service to Ye Chen.

"Who can rent everything" Ye Chen said to customer service, Ye Chen wants to know, who can do such a thing.

"It's the new of the Jinz Group," the customer service told Ye Chen, he said that the Jinz Group rented this.

"what is that, I have never heard of it" Su Mengxin never heard

"they are new giants company on earth, you won't be able to deal with them" Jinz Group is a Group founded by several major families, it is becoming a new major power company in this continent and become the new power holder in the business.

"it seems they are quite a force" Lin Rouxi said to Ye Chen.

"if so, then we only need to request it from them" Ye Chen said to Lin Rouxi.

If the situation became like this, Ye Chen could only ask this Jinz Group for a private plane.

"is it necessary for me to ask grandfather for help" Su Mengxin said to Ye Chen, she wanted to ask for help from Su Wansen.

"That's not necessary, I don't want to trouble your grandpa." Ye Chen said to Su Mengxin, he didn't want to trouble Su Wansen just because of this kind of matter.

"if you say so" Su Mengxin was a little disappointed, she was a little disappointed when she heard that Ye Chen didn't need help.

"let's solve this problem ourselves" Ye Chen said to Su Mengxin, they will solve this problem alone.

"oh, who are these three beauties, do you guys have the time" a man approached Ling Yin, Su Mengxin and Lin Rouxi.

Ling Yin, Su Mengxin and Lin Rouxi saw who it was, to be honest they didn't know the person who had just appeared in front of them.

"Oh, it's him" Ye Chen knows who is in front of him, he can see that this is Ran Giku, this is the stupid man who was crushed by Ye Chen in the past.

"He still dares to flirt with my woman, this man is again looking for trouble with me" Ye Chen saw that Ran Giku still dared to find trouble with him.

"Stop teasing people's wives," Ye Chen said to Ran Giku, Ye Chen told Ran Giku to stop teasing his wife, Ye Chen didn't like seeing things like this.

Ran Giku immediately noticed Ye Chen's existence, he immediately knew that it was Ye Chen.

"damn it, this guy again, why is he in this place, this is so annoying" Ran Giku was furious, he was quite angry when he saw Ye Chen again.

"How many wives does this man have, they all look beautiful" Ran Giku didn't expect that Ye Chen would come back with another beautiful woman, plus they were much more mature than before and glamour.

Especially Su Mengxin, she has a very good figure, she is a mature woman who has developed very well, she can be said to be perfect in Ran Giku's eyes.

"You'd better get out of the way quickly, before I crush your leg a second time" Ye Chen said to Ran Giku.

Ye Chen told Ran Giku to leave, he didn't have enough time to take care of Ran Giku.

"so arrogant, don't you know who I am, I can make you regret what you said" Ran Giku was still arrogant, he was still arrogant as usual.

"A very stupid young master, why did you meet him again" Chu Yuechan said to Ye Chen.

"Who knows, I don't want to meet him either" Ye Chen said to Chu Yuechan.

"stop wasting my time and get out of the way" Ye Chen said to Ran Giku.

"you" Ran Giku pointed at Ye Chen, Ye Chen actually still dared to fight him.

"boy, don't be so arrogant, you better keep your attitude in front of me" a middle aged man with a long sword in her arm said to Ye Chen.

This middle-aged man looked very convincing, it seemed he was an expert who was quite powerful and influential on earth.

"I have no business with you" Ye Chen said to the middle aged man.

Ye Chen had nothing to do with this person, so he didn't want to deal with middle-aged men.

"I am the one who was invited by young master Ran Giku, so I have the right to speak here," said the middle-aged man to Ye Chen.

The middle-aged man was someone Ran Giku had invited, so it wasn't strange that he would help Ran Giku fight Ye Chen.

"hahahaha, you better listen to him, otherwise you will be cut by his sword." Ran Giku said to Ye Chen, Ran Giku gave a warning to Ye Chen to listen to what the middle-aged man said.

Ran Giku looked very confident once he was very confident when next to him was a powerful expert who could protect him from Ye Chen.

Ran Giku might not be able to win over Ye Chen, but now the situation is different, Ran Giku has a strong backer and himself will not lose, he might be able to take the woman beside Ye Chen

a middle-aged man called Hang Yangju, he is a master of the kunlun holy land and spent his life training in the forest and honing the power of his sword to monstrous levels.

Once Hang Yangju unsheathed the sword in his arm, his enemy would be cut up easily.

If Ye Chen messes with it, then it is certain that Ye Chen will die.

Su Mengxin and Lin Rouxi were not happy about this, both of them didn't like it when they saw Ran Giku trying to intimidate Ye Chen.

The two of them wanted to make a move and immobilize Ran Giku and Hang Yangju immediately.

When Lin Rouxi and Su Mengxin were about to move, Ye Chen stopped the two of them, Ye Chen didn't want the two of them to move against the two cockroaches in front.

"You guys better think carefully about what might happen in the future, today I'm quite busy and don't want to be bothered by others, you guys will regret it if you disturb me" Ye Chen said to Ran Giku and Hang Yangju

"you young man who I don't know myself, I already gave you a chance, but you said something like that instead, it seems I have to cut off one of your hands and let you know a lesson in this cruel world." Hang Yangju said to Ye Chen, he wanted to cut off Ye Chen's hand.

Hang Yangju drew the sword in his hand, he aimed for the arm that belonged to Ye Chen.

Ye Chen was quite relaxed when he received threats from Hang Yangju, Hang Yangju's threats were nothing to him.

"dead . . ." Hang Yangju slashed towards Ye Chen, he executed an extremely powerful slash towards Ye Chen.

With a slash this powerful, Ye Chen's arm would definitely be cut off very easily.

"slashes. . ." Hang Yangju's slash landed on Ye Chen's arm.

"clanks . . ." a loud voice sounded, without Hang Yangju noticing, his sword had been shattered into pieces.

[Chapter 2122 Crippling Ran Giku's Cultivation](#)

"No way, what happened" Hang Yangju couldn't believe what happened, his sword shattered into pieces.

"Is that all you can do ?" Ye Chen said to Hang Yangju.

"you . . . ?" Hang Yangju looked at Ye Chen, it seemed that his sword was smashed by Ye Chen.

"Why are you surprised, aren't you much stronger than that" Ye Chen said to Hang Yangju.

Ye Chen questioned Hang Yangju's strength, to be honest he questioned Hang Yangju's strength.

"who are you really" Hang Yangju asked Ye Chen, he wanted to know who Ye Chen was.

"You don't need to know who I am, let's end this quickly" Ye Chen said to Hang Yangju.

Ye Chen went straight for it, he directly attacked Hang Yangju and broke his arms and legs.

"cracked . . ." a cracking sound resounded loudly, Hang Yangju didn't even know when Ye Chen attacked him.

"arghhh. . ." Hang Yangju screamed, he screamed when he received the attack from Ye Chen.

"Damn, this hurts so bad" Hang Yangju complained, he complained when he received Ye Chen's attack, this was very painful, his arm and leg bones were completely crushed by Ye Chen.

Hang Yangju could no longer resist, he no longer had the strength to fight against Ye Chen, Ye Chen had completely crippled Hang Yangju.

"Okay, now it's your turn" Ye Chen said to Hang Yangju, himself said that it was Ran Giku's turn.

Ran Giku was quite scared, he was quite scared when he saw Ye Chen being able to defeat Hang Yangju so easily.

Ye Chen only needed a few seconds to defeat Hang Yangju, this was hard to for Ran Giku

"no . . ." Ran Giku ran away, he was trying to run away from Ye Chen, he couldn't stay here any longer.

"want to run away, can't" Ye Chen would not let Rak Giku escape, he used his wind power to drag Ran Giku back.

"no I don't want to, let me go quickly" Ran Giku tried to escape from Ye Chen, he wanted to escape from Ye Chen's evil grip.

Ye Chen would not let Ran Giku run away, he would make this person regret it.

"It seems that last time was not enough for you, now is the time you to feel more terrible than before" Ye Chen will no longer be kind to Ran Giku, it's time for Ye Chen to teach Ran Giku a lesson.

"let go of me, otherwise my father will make you regret it" Ran Giku said to Ye Chen.

"Do you think I'm afraid, I'm not afraid of what you say, a bully like you should get a proper lesson" Ye Chen said.

Ye Chen started to destroy the meridians in Rak Giku, he would no longer let this guy make trouble.

Ye Chen was quite ruthless, he was fed up with Ran Giku who was always looking for trouble and wanted to kill him.

"Arghhh . . ." Ran Giku had a seizure, he had a seizure when he received punishment from Ye Chen.

In the eyes of outsiders, Ye Chen only strangled Ran Giku, but in fact he gave Ran Giku a harsh punishment.

After finishing, Ye Chen directly threw Ran Giku, he threw Ran Giku away.

Ran Giku was convulsing and also unconscious, he looked quite hurt from what Ye Chen did.

"wasting time, let's go" Ye Chen said to Lin Rouxi, Ling Yin and Su Mengxin, Ye Chen took the three of them away from this place.

Ran Giku had wasted quite a lot of Ye Chen's time, this of course made Ye Chen feel unhappy Ye Chen was unhappy when someone disturbed him who was busy.

Ling Yin clapped her hands, she was mesmerized by what done , what Ye Chen had done was such a great thing for Ling Yin.

Ye Chen, Lin Rouxi, Ling Yin and Su Mengxin left the airport, they headed towards the group Jinz to settle their affairs.

Since the Jinz group was quite famous right now, Ye Chen should be able to find them very easily.

"let's see if we can talk to them or not" Ye Chen wanted to know if they could talk to the Jinz group or not.

"I hope this goes smoothly, otherwise it's impossible for us to fight, the earth is now a cultivator, everything is usually solved by force" Lin Rouxi said to Ye Chen.

"Hopefully they can listen to us, then we won't have to bother too much," Su Mengxin said to Lin Rouxi.

"You two, don't be too conspicuous and don't use too much of your strength, if the enemy is nearby, they might find you guys and throw this place into chaos, I don't want to involve the earth too much in our affairs" Ye Chen said to Lin Rouxi and Su Mengxin.

"we understand, we will try to restrain ourselves" Lin Rouxi and Su Mengxin. Understand, they will try to restrain themselves.

"very good, let's go" Ye Chen was happy, Lin Rouxi and Su Mengxin listened to him quite well.

The four of them headed towards the Jinz Group, this was one of those big corporations founded by lots of big families, that meant it wasn't owned by an individual.

"what do you need" when Ye Chen was about to enter, he was stopped, he was stopped by the security guard.

"I want to talk to your boss, so don't I walk" Ye Chen said to the security guard.

"do you have an appointment, otherwise I will not let you guys in" the security guards refused to let Ye Chen in, they would not allow strangers to come inside.

"this is so troublesome" this situation was a bit troublesome, maybe they should enter by sneaking.

"Okay we will go" Ye Chen said to the security guard, Ye Chen invited Ling Yin, Lin Rouxi and Su Mengxin to go.

"Why are you leaving?" Lin Rouxi asked Ye Chen, she asked why Ye Chen was leaving.

"It will be troublesome if we make a fuss, so we better sneak in" Ye Chen said to Lin Rouxi, he announced that they were going to sneak in.

"Rouxi, I leave Ling Yin to you" Ye Chen said to Lin Rouxi, himself telling Lin Rouxi to take care of Ling Yin.

"Mengxin, you come with me to sneak in," Ye Chen said to Su Mengxin.

"ok" Su Mengxin and Lin Rouxi nodded, the two of them divided the tasks.

Ye Chen and Su Mengxin would enter, meanwhile Lin Rouxi would look after Ling Yin and show her around this place.

Ye Chen and Su Mengxin didn't waste any more time, the two went straight inside, they used the window to enter.

"They use an Array to restrain intruders." Su Mengxin said to Ye Chen, she told Ye Chen that the Jinz Group had an Array to prevent others from entering.

"This is so easy to deal with, neither of us will get caught," Ye Chen said to Su Mengxin.

To Ye Chen this was just a child's toy, so he could easily break through.

Ye Chen only needed a few seconds to carry out the hack, he made this Array his own and could change its function.

"Husband, you are really great" Su Mengxin said to Ye Chen, she saw that Ye Chen was really great.

"hehehe, thank you very much, let's go in, I don't want to waste any more time" Ye Chen said to Su Mengxin.

Ye Chen and Su Mengxin entered the building and immediately went to find the CEO in charge of managing everything.

The CEO's room should be at the very top, they should be able to easily find the CEO in charge of this place.

[Chapter 2123 Jinz Group CEO Wants Su Mengxin For Dinner](#)

Ye Chen and Su Mengxin searched the room of the CEO, they had to find the room of the CEO quickly.

"Husband, this seems to be the place." Su Mengxin said to Ye Chen, he told her that this was the CEO's room.

"Okay, this is the place, I'll see who's inside." Ye Chen wanted to see who was inside, he was very curious about the people inside.

Inside Ye Chen saw several people, there were three women and one man, these three women were serving one man.

"Quickly finish your work, I will soon meet an important guest, after that we can continue at the hotel" this man said to the woman under him, he told the woman under him to finish their work.

Three Sexy ladies start to finish their work, they give special service to the man sitting on the chair.

"It seems that this is indeed the place, I have something interesting." Ye Chen said to Su Mengxin.

"What do you mean?" Su Mengxin didn't understand, she didn't understand what said Ye Chen

"You will understand what I'm saying soon, you just wait here" Ye Chen said that Su Mengxin would immediately understand what he was saying.

Ye Chen took his cellphone, it had been a very long time since Ye Chen had used his cellphone.

"Okay time to record" Ye Chen entered, he started recording what the doing man inside

Ye Chen was nowhere to be seen, so the man inside didn't see the presence of Ye Chen.

Ye Chen could use this to make threats, that way he would be able to very easily get what he wanted.

The four of them played for a few minutes, after being satisfied, this man ordered all the women to leave this place, he still had an appointment with an important guest, otherwise he would probably continue playing with the Sexy woman he called.

Ye Chen had already gotten what he was looking for, he only needed to sign in with Su Mengxin and settle things down.

Ye Chen walked in, he walked straight into the CEO's room.

"who are you. . . ?" Ceo asked Ye Chen, he wanted to know who the young man who had just entered was.

"I have business with you" Ye Chen said to the CEO, he told him that he had business to talk about immediately.

"What kind of business do you want?" Ceo asked Ye Chen, he wanted to know what kind of business wanted .

"I heard that your company rents out all the private planes in this city, I want to take one for me to use with my wife" Ye Chen said to the CEO.

Ye Chen told his purpose of coming to this place, he wanted a private plane for himself and his wife.

"That's impossible, it's for important guests, so I won't give it to you." Ceo said to Ye Chen, he told Ye Chen that all the planes would be used for important guests.

"I don't like to wait long, so just give me one" Ye Chen said to the CEO of Jinz group.

"That's impossible, you won't get anything from me" said the CEO to the Jinz group.

"We need it urgently, you better give it to us, we will pay a higher price" Su Mengxin helped Ye Chen speak, they had to get a plane for Ling Yin.

"I told you. . . ." Ceo stopped talking, he stopped talking when he saw the beautiful woman in front of him.

"is she a goddess, why have I never seen" Ceo was shocked when he saw Su Mengxin, Su Mengxin was like a goddess descending from the sky, her beauty was very glamorous and charming.

"ahem. . ., beautiful lady, why didn't you say so from the start, if it was you maybe I would consider it" Ceo said to Su Mengxin.

This CEO was very friendly to Su Mengxin, while he was quite rude to Ye Chen, his treatment was obviously completely different.

"Is that so, then just tell me the price, I will help you break through" Su Mengxin said to the CEO.

"How about that, if you want to have dinner with me, then I will give it to you for free" the CEO said to Su Mengxin.

"Fufufufu, I don't have time to do that with you, I'm being serious here" Su Mengxin was slightly displeased, this man in front of her was bold enough to seduce her.

Su Mengxin showed a bit of the strength that she had, a flower petal headed towards the Ceo, the petal passed through the Ceo and made a scar on the Ceo's face.

The CEO of the Jinz group was of course very surprised. He didn't expect that Su Mengxin would attack him.

"You, how dare you, are you trying to find trouble with me?" The CEO of the Jinz group said to Su Mengxin.

A terrifying aura emitted, this aura radiated from the body of the man in front of them.

"You better give it to us, I have a thing that can destroy your life" Ye Chen said to the man in front of him.

"what do you mean?" The CEO of the Jinz group asked Ye Chen, he didn't know what meant .

"Look at this" Ye Chen said to the man in front of him, he showed a video showing the CEO playing with three beautiful women in his room.

"How can you have that thing" Ceo asked Ye Chen, how could Ye Chen have such a thing, that was impossible, when did Ye Chen take his picture, he didn't know and didn't feel this.

"You don't need to know about this matter, what you need to know is that I have a thing that can destroy you, do you still want to fight me" Ye Chen said to the Ceo.

"damn it. . ., I will kill you" Ceo roared at Ye Chen, he wanted to kill Ye Chen and snatch Su Mengxin from Ye Chen's hands.

"Oh my, how come there are more and more idiots on earth" Ye Chen said helplessly.

"Husband, I'll take care of this matter." Su Mengxin said to Ye Chen, this time she would take care of the man who had seduced her.

"step aside" the Ceo said to Su Mengxin.

Su Mengxin didn't step aside, she stood in front of the CEO and intended to stop this person.

Su Mengxin used the Eternal Goddess Flower, a red flower petal appeared.

These petals appeared and began to protect Su Mengxin. These petals would protect Su Mengxin from attacks from outside.

"Clank" Ceo bounced, he was like being hit by a very hard iron and bounced away.

Su Mengxin tried to restrain herself, she tried to hold back her strength so as not to kill her opponent.

Su Mengxin's level was already very high, she could easily kill her enemies if she wanted to.

Su Mengxin didn't do that, her purpose here was to gain something, so she wouldn't kill her enemies.

Ceo couldn't get up anymore, several of his bones were broken when he was hit by Su Mengxin's flower petals.

"damn, who are you ?" Ceo asked Su Mengxin, he saw that Su Mengxin was a strong woman.

[Chapter 2124 Su Wansen Came Over](#)

"We are just ordinary people, so quickly give us what we want, we will leave after we get what we want" Su Mengxin said to the CEO.

Su Mengxin didn't want to make a mess, she wanted to settle this peacefully.

"That's not going to be easy to do." The CEO pressed the alarm, when the alarm was sounded a siren sounded throughout the building.

"He is trying to call for help" Ye Chen said that this man is trying to call for help, he wants to call for help against Ye Chen and Su Mengxin.

"Why did you even do that?" Su Mengxin asked the CEO of the Jinz group.

"I won't let you guys leave this place." The CEO of the Jinz group said that he wouldn't let Ye Chen and Su Mengxin leave.

"Too much trouble" Ye Chen saw that this would only become more and more troublesome.

"tap . . , tap . . , tap . . , tap . . , tap . . ." With the sound of footsteps approaching, there were countless people approaching this place.

"Husband, there are so many people approaching." Su Mengxin said to Ye Chen, she told Ye Chen that there were so many people.

"Baam" The door was forced open, hundreds of trained security guards entered and immediately surrounded Ye Chen and Su Mengxin.

"surrender, you are surrounded" the security guard said to Ye Chen and Su Mengxin, he informed them that the two of them were surrounded and would not be able to escape from this place.

"You are surrounded, you can no longer escape from this place" Ceo said to Ye Chen and Su Mengxin, he informed them that the two of them would no longer be able to escape from this place, they were both already surrounded and had no way of escaping.

"When did I say I wanted to run away from Ye Chen's place" Ye Chen said to the CEO, himself telling him that he would not run away from this place.

"Everyone quickly attack him." The CEO ordered the company's defense force to attack Ye Chen and Su Mengxin.

Seeing the enemy attack, Su Mengxin intended to make them fall.

"wait a minute" Ye Chen said to Su Mengxin, he stopped Su Mengxin from killing these people.

"we came in peace, so you guys stop" Ye Chen said to the troops belonging to the Jinz group.

"then why did you make the CEO like that" the head of defense of the company asked Ye Chen, he asked Ye Chen who had made the CEO crippled.

"We didn't do anything, he was paralyzed himself, don't blame us for what happened." Ye Chen said to the head of security, himself telling that this matter was started by the CEO himself.

"Liar, they are looking for trouble, look at them making me like this, hurry up and deal with them right now." The CEO said to the company's troops, he ordered the company's troops to immediately arrest Ye Chen and Su Mengxin.

Hearing this, the troops from the company immediately moved. They immediately moved to arrest Ya Chen and Su Mengxin.

"It seems that there is no other choice but to fight them." Ye Chen said to Su Mengxin, it seemed that they had no choice but to take care of these people.

"So may I take them down" Su Mengxin asked Ye Chen, herself wanting to take down the people who were surrounding them.

"of course, let's do it" Ye Chen took Su Mengxin to do it, time for the two of them to take down the enemy.

Ye Chen used his aura, using his aura, Ye Chen was able to take down all the enemies in front of him, he was able to take down all the enemies in front of him very easily.

Su Mengxin used her strength, she was also able to take down all the enemies in front of her, she only needed to use one flower petal to take down her enemy.

"Bammmmm" In just seconds the soldiers from the company were taken down by Ye Chen and Su Mengxin, both of them did it very quickly and very neatly.

"Impossible" Ceo couldn't believe what he saw, he couldn't believe it when he saw Ye Chen and Su Mengxin so easily take down their enemy, they didn't even have any trouble taking down such a difficult opponent.

"too strong, who exactly are they?" Ceo wondered, who exactly were Ye Chen and Su Mengxin, how could they easily win against the trained troops in his company.

"Let's get this over with as soon as possible, are you going to give the plane to us or not, otherwise your reputation might be ruined" Ye Chen said to the CEO.

"I . . ." The CEO was confused, he was faced with a very difficult choice, he had no way to return.

"what's going on in this place why is it so noisy" an old man appeared, this old man had several bodyguards around him.

Su Mengxin turned around, she was already familiar with this sound, she already knew who had just arrived.

"The person who just arrived is Su Wansen, he has come to discuss business with the Jinz Group.

"General Su, you come, I'm sorry, I have trouble with these two people, so I can't be able to greet you and discuss business, I hope you will help me out of this trouble".

Seeing that there was a strong person in front of the CEO decided to ask for help from Su Wansen, with Su Wansen's help he should be able to get out of this unfavorable situation.

"Grandpa" Su Mengxin ran, herself running towards Su Wansen.

"Oh, Mengxin, you are back, why don't you tell me" Su Wansen didn't expect that Su Mengxin would come back, he didn't know about this matter.

"I came back because I have business, Ye Chen is also here with me" Su Mengxin said to Su Wansen.

Su Mengxin explained everything, herself explained that she had come to this place with Ye Chen.

"Ye Chen, I haven't seen him for a long time." Su Wansen looked for Ye Chen, quickly found Ye Chen's whereabouts.

"greet grandpa" Ye Chen saluted Su Wansen, he didn't expect that Su Wansen would appear in this place.

"Hahaha, you're back, have your business finished?" Su Wansen asked Ye Chen.

"Not quite yet, I'm back to do something, after I'm done maybe I'll go again" Ye Chen said to Su Wansen.

"It's a shame, even though you have to stay here for a while" Su Wansen said to Ye Chen.

"the situation is not good, I am currently fighting against strong power outside, if you stay here it will trouble this place" Ye Chen replied.

Earth had just recovered from a great calamity, so Ye Chen didn't want to cause any more trouble that might destroy this place.

"Is that so, it's not strange that you are so busy, I hope you can win" Su Wansen said to Ye Chen.

Su Wansen hoped that Ye Chen could win and return well, he didn't want Su Mengxin to be sad when Ye Chen died on the battlefield.

"I'll be careful" Ye Chen said to Su Wansen.

Ye Chen casually chatted, the two chatted very casually and looked familiar.

[Chapter 2125 The CEO Of The Jinz Group Is Doing Crazy Things](#)

The CEO of the Jinz group was shocked when he saw this, He didn't expect that Ye Chen would know Su Wansen, This was never imagined by the CEO.

"damn, he knows Su Wansen, this is dangerous for me" Ceo felt threatened, he had a big problem.

If Su Wansen knew Ye Chen, then it meant that this person had a great background.

"why didn't I know about this" said the Ceo while cursing lightly.

If only he had known about this matter sooner, perhaps none of this would have happened.

"So what are you two doing in this place?" Su Wansen asked Ye Chen and Su Mengxin.

"We wanted to get a private plane, but it seems this person doesn't want to give it to me" Su Mengxin told them what they were doing.

"Is that so?" Su Wansen looked at the CEO, himself looking at the CEO with a dissatisfied look.

"he also seduced Mengxin, and wanted to do a bad thing" since Su Wansen is here, then Ye Chen will make this Ceo regret it.

"Quite daring too, I wonder who gave you the courage to do that to my granddaughter" Su Wansen looked angry, he looked irritated when he found out about this matter.

"General Su Wansen, please forgive me, I didn't know she was your granddaughter" The CEO apologized, himself apologized for what happened to Su Mengxin.

Just now it was an accident, he didn't know that this beautiful lady was Su Wansen's granddaughter, it wasn't strange that she looked like a goddess, but she was one of those from a powerful background.

"Now that you know who I am, do you still dare to say those things again?" Su Mengxin said to the man in front of her.

"Miss, I was wrong earlier, so please forgive me" Ceo said that he apologized for all the mistakes he had made.

"I will not forgive you, I will immediately cancel all cooperation with the military and all drug stores in the city." Su Wansen would not let this matter go, he would not let the Jinz Group do as they pleased and do something like this again.

They used their strength to bully, so Su Wansen didn't like this thing.

Group Jinz was only a new force, although they were growing fast, the truth was they still didn't have a strong enough foundation, so destroying them would be easy.

As long as Su Wansen cancels all cooperation, the Jinz Group will slowly disintegrate.

"Wait, don't do that, I'll be in very big trouble." The CEO said to Su Wansen, if Su Wansen did that, then he would get into trouble from the big families who had invested in this institution.

"I don't care about that, that's your problem not mine" Su Wansen said to the Ceo.

"Don't you need a plane, then I'll lend you one, I'll tell the airline to get one for you two, it looks like you two want to have a good vacation and enjoy your time," Su Wansen said to Ye Chen and Su Mengxin.

"Thank you very much, grandpa you are a great help for me" Su Mengxin said to Su Wansen.

"I wanted to talk to you two, but it's a shame I have some work to finish, so I can't stay in this place for long." Su Wansen had quite a lot of work to do, so he couldn't stay in this place for too long.

"I understand" Su Mengxin and Ye Chen could understand this, they both knew that Su Wansen was very busy with the work he had.

"I'll go first" Su Wansen left, he had to go to a high-level meeting and discuss the plans for the next stage of Earth's development, they still have a mission to make Earth return to how it was before.

"Grandfather is really great, he helped our problems quickly" Su Mengxin said to Ye Chen.

"Yeah, he did it very quickly." Ye Chen agreed, it seems that Su Wansen's influence is only getting bigger, now he is probably one of the most important people in this world.

"You two, you have ruined my life, I will make sure that you pay for it." CEO was furious, he was furious at Ye Chen and Su Mengxin, because of Ye Chen and Su Mengxin, CEO would lose everything he had.

He might become a vagabond or might become a slave, the big family definitely wouldn't just let him go.

"It's your own fault, I'm trying to do business, who wants to be arrogant and go against us, next time first listen to other people's business before bragging." Ye Chen said to the man behind him, himself telling the mistakes that had been made to become like this.

"situation has become like this, I have no choice but to drag you guys, I will kill you both in this place" CEO took out something, himself took out a black scroll.

Ye Chen and Su Mengxin immediately saw what this man put out, both of them wanted to know what the CEO of Jinz Group would do.

The CEO of the Jinz Group opened the scroll, when the scroll opened, a jet black liquid came out, this colored liquid immediately moved and began to cover the body of the CEO of the Jinz Group.

"what's that?" Su Mengxin asked Ye Chen, she wanted to know what disgusting object was currently moving towards the body of the CEO of Jinz Group.

"It looks like a parasite" Ye Chen said to Su Mengxin, he saw that it was a living parasite.

"parasite?" Su Mengxin was confused. She didn't know if it was the parasite that the CEO of the Jinz Group had issued.

"It might increase the user's strength," Ye Chen said to Su Mengxin.

"Is that so" Su Mengxin understood, she slightly understood what Ye Chen said.

"Even so there will still be a side effect when using it" Ye Chen said that it would have a side effect on the user.

"I will kill you two and drag you off with me," the CEO of Jinz Group said to Ye Chen and Su Mengxin.

"we don't want to come with you, you should just go" Ye Chen said to the CEO of the Jinz Group.

"You guys have no choice to refuse" the CEO of Jinz Group said to Ye Chen and Su Mengxin.

"Who said we don't have the option to refuse, let me explain to you." Ye Chen used his foot, he started kicking the CEO of Jinz who was in front of him.

"Bamm . ." Ye Chen's kick directly hit the body of the CEO of the Jinz Group, the body of the CEO of the Jinz immediately bounced quite far.

The body of the CEO of the Jinz came out of the building and hit the street below.

Ye Chen went down, himself went down to see if the CEO of the Jinz was still alive or not.

"Boom. .." The CEO of the Jinz came out, now his body was completely black, he was covered in parasites that had completely merged with his body.

Ye Chen wanted to know what was in the body of the CEO of Jinz Group, who could make something like this, Ye Chen wanted to know who could make something like this.

[Chapter 2126 A Former Chaos Bridge Member Doing Dangerous Research](#)

"That possibility is a new research, just watch as the parasite starts eating that person's body and use it as power" Chu Yuechan said to Ye Chen.

Ye Chen changed more clearly, he could see that this man's body was being eaten and turned into power.

"If it continues like this, then he will die" Ye Chen said to Chu Yuechan, Ye Chen saw that the CEO of the Jinz Group would die if it continued like this.

"The parasite has completely fused with this person's body, it is quite difficult to destroy it without killing it" Chu Yuechan said.

"I will try to get rid of the parasite, I hope it works well" Ye Chen said to Chu Yuechan, he would try to destroy the parasite.

Ye Chen stepped forward, himself using his profound fire to destroy the parasite that was in the body of the CEO of the Jinz Group.

With the profound fire, the parasite in the body of the CEO of the Jinz Group started to freak out.

"Gahhh . . ." The parasite started to put up a strong defense to withstand Ye Chen's attack.

"damn it, I will kill you" even though his body has been completely taken over by the parasite, the CEO of Jinz Group can still tell Ye Chen, he can still control his body like normal.

"He still has consciousness, this is quite interesting, I think his whole body has been taken over" Ye Chen was quite interested, he thought that the CEO's body would be controlled, in fact it wasn't his body was not controlled and he could still carry out attacks towards Ye Chen.

"feel this, **Flame Axe Slash**" CEO used his attack towards Ye Chen, he used his fire ax attack to beat Ye Chen.

Ye Chen used one finger, he resisted the attack that was directed towards him, by using just one finger, Ye Chen could easily block the attack launched by the CEO.

Its attacks also strengthened, it seemed the parasite only strengthened one's strength over a period of time.

Ye Chen now knew the power of the parasite that the CEO had just used, the parasite would add strength to the user, this might be a little cheating, but the price to be paid was enormous.

"feel this" The CEO used countless attacks on Ye Chen, he was apparently a cultivator who was quite competent in combat.

It was a pity that the difference in their strength was too great, so it was impossible for the CEO to beat Ye Chen.

"I can't play around anymore, I have to get rid of the parasite in that person's body immediately." Ye Chen couldn't play around anymore, himself moved and started trying to get rid of the parasite in this man's body.

Using an extremely powerful profound fire, Ye Chen started to burn the parasite that was in the CEO's body.

"argh . . , this hurts" the CEO screamed, he screamed when Ye Chen used hot flames on his body.

The parasite in the CEO's body immediately rebelled, it rebelled and tried to escape.

The power used by Ye Chen could be said strong, so it wasn't strange that this parasite was quickly destroyed.

In just a matter of 30 seconds, Ye Chen had destroyed the parasite stuck to the CEO's body.

Ye Chen solved everything, he had solved the problems in the CEO's body.

The current CEO's body looked dry, he looked more like a corpse after the parasite was destroyed by Ye Chen.

"damn . . ." CEO could still curse at Ye Chen, he could still curse at Ye Chen who had gone to great lengths to save him.

"It's lucky that there was still time, otherwise he would have died" Ye Chen still had time to help this person, if only Ye Chen let this person stay any longer, then it was certain that this person would die and disappear from this world.

"what happened" Su Wansen who just came down immediately asked Ye Chen, he immediately asked Ye Chen what happened.

"It seems like he used something like a parasite on his body, it sucked his body and gave him strength" Ye Chen told Su Wansen, he told what he found from the CEO's body.

"I see, I see, it seems to be some kind of parasite, I heard several cases about this in several places, I didn't expect that he would use this kind of thing" Su Wansen said to Ye Chen.

Su Wansen received some reports about this matter, himself had gotten some reports about using a parasite to increase strength, this gave the user a terrifying power, but the side effect was that the user would die after using it.

"I wonder who is responsible for this matter" Ye Chen asked Su Wansen, most likely Su Wansen knew about who was responsible for this matter.

"Most likely this is the work of one of the old members of Chaos Bridge, he was a mad scientist and currently developing various things that make the world go into chaos, I am on a mission to hunt him down" Su Wansen told Ye Chen.

"Is that so, I want to help, but right now I have business, when my business is done I will help to investigate this matter" Ye Chen said to Su Wansen, he will help to solve this problem.

"thank you very much" Su Wansen thanked, as long as Ye Chen intervened everything should be fine.

"husband, are you okay ?" Su Mengxin went down, herself asked Ye Chen.

"I'm fine, how about you yourself, are you okay too?" Ye Chen asked Su Mengxin.

"I'm fine" Su Mengxin said that she was also fine.

"Grandfather, I'll leave this person's business to you, you'd better investigate this company, they might be involved in this matter" Ye Chen told Su Wansen to investigate Jinz Group, they looked quite suspicious.

"After this incident, I will do it, they will not be able to escape from this matter" Su Wansen said to Ye Chen, Su Wansen would not let these people, he would not let these people just leave, after all they have to take responsibility for what happened.

"Come with me, let's settle the matter here first, we postpone the meeting." Su Wansen said to his men, he told them to send people and investigate this incident, they couldn't let go of the opportunity to investigate the Jinz Group.

"ready" bodyguards immediately move, they call for help to assist in taking care of the problems that exist in this place.

"Let's go" Su Mengxin invited Ye Chen, the affairs in this place can be handled by his grandfather, Ye Chen understood, he and Su Mengxin immediately left this place, the two of them went to meet Lin Rouxi and also Ling Yin.

"how, did you guys succeed" Lin Rouxi asked Ye Chen and Su Mengxin.

"Of course, we succeeded" Ye Chen told Lin Rouxi that they managed to get the plane, although they had to do a bit of fighting to get what they were looking for.

"Very good, then we just have to look for flight attendant clothes" Lin Rouxi said to Ye Chen, right now they only need to find flight attendant clothes.

[Chapter 2127 Su Mengxin, Lin Rouxi And Ling Yin Were Wearing Flight Attendant Outfits](#)

"That's right, husband let's go shopping, we haven't shopped for a long time" Su Mengxin said to Ye Chen.

Su Mengxin hadn't shopped in a long time, she wanted to go shopping together with Ye Chen.

"Okay, but please be a little faster." Ye Chen said to Su Mengxin and Lin Rouxi, they must be faster.

"Let's go already" Ye Chen was dragged away by Su Mengxin, meanwhile Lin Rouxi brought Ling Yin along with her.

The three of them went to the best clothes shop, they went to the best clothes shop in this city.

The number of clothing stores was still not large, so they could easily find the best clothing stores around this place.

Lin Rouxi and Su Mengxin immediately left, the two of them directly selecting clothes for themselves.

There are lots of new clothing styles that interest both of them, so it's not surprising that the two of them immediately take the best clothes that are in front of them.

"Didn't you guys say that we're only going to buy flight attendant outfits?" Ye Chen asked Su Mengxin and Lin Rouxi.

"Husband, we'll take this, so wait a moment, sister Ling Yin, come with us, we'll find a nice outfit for you" Su Mengxin said to Ling Yin.

"woman" Ye Chen was helpless, she could only give in and wait for Su Mengxin, Lin Rouxi and Ling Yin to finish buying clothes.

Su Mengxin, Lin Rouxi tried on a lot of clothes, they tried on a lot of very beautiful clothes for them.

Su Mengxin, Lin Rouxi was already a beauty so any clothes they picked up would suit them perfectly.

Ye Chen enjoyed this, he enjoyed when Su Mengxin, Lin Rouxi and Ling Yin tried on some pretty and seductive clothes for Ye Chen, Ye Chen naturally felt happy and excited about this.

Ling Yin herself also tried on some clothes, she was forced by Su Mengxin, Lin Rouxi and Ling Yin to wear the best clothes that were in this place.

After getting dozens of clothes, they were finally satisfied, they also got flight attendant clothes according to what they were looking for.

"It's done, you guys really, you've spent so long just choosing clothes, I really don't understand you ladies" Ye Chen said to Su Mengxin, Lin Rouxi and Ling Yin.

"It is a pleasure for women to shop, you may be insecure about this," Su Mengxin said to Ye Chen.

Women really like clothes, it's not strange if they have piles of clothes, it's because they like shopping.

"Okay, I don't want to argue with you guys, let's start" Ye Chen said to Su Mengxin, Lin Rouxi.

They must be able to make Ling Yin remember, no matter what happens they must make Ling Yin remember the past.

Ye Chen Su Mengxin, Lin Rouxi and Ling Yin went to the airport, coincidentally their plane had already been booked for Su Mengxin's name.

The airport staff quickly checked the identity of Ye Chen, Su Mengxin, Lin Rouxi and Ling Yin, after confirming that they were the person, they were immediately given an airplane.

"Where are we going?" Su Mengxin asked Ye Chen, Su Mengxin wanted to know their destination.

"If I'm not mistaken, we're going to the western continent, it's also under construction there, so there's still quite a large area there" Ye Chen said to Su Mengxin.

"This will probably be a long journey" Su Mengxin said to Ye Chen.

"That's the goal, the longer it takes, the better it will be" Ye Chen said that the longer it takes, the better it will be for them.

"You must be thinking strange things" Lin Rouxi said to Ye Chen, Lin Rouxi was quite alert, she saw that Ye Chen might be thinking strange things.

"what do you mean teacher, I didn't do anything strange" Ye Chen said to Lin Rouxi.

"Don't lie to me, I know what you are like" Lin Rouxi said to Ye Chen,

Lin Rouxi knew Ye Chen very well, so she knew what Ye Chen was like.

"So that's it, teacher is really the best" Ye Chen said to Lin Rouxi, Ye Chen had to admit that he did think something strange, how could he not think of something like this when he saw Lin Rouxi who was going to wear a flight attendant's outfit, of course it was a quite a big temptation for Ye Chen.

"I expected" Lin Rouxi had expected this, she had expected that Ye Chen would think of this kind of thing.

"teacher, I hope you do your best" Ye Chen said to Lin Rouxi, Ye Chen told Lin Rouxi to do her best, he couldn't wait to see the beautiful and dazzling Lin Rouxi.

"you can't be helped" Lin Rouxi said to Ye Chen, herself telling Ye Chen that she was a very perverted person.

Despite saying such things, in reality Lin Rouxi was impatient, she wanted to play a little game with Ye Chen.

Lin Rouxi liked doing uniform play, so it wouldn't be strange for her to want to do something like that with Ye Chen.

The plane starts to take off, they are currently in a plane that only contains them, there are no other passengers around this place.

Su Mengxin said to the flight attendants, she told them not to interfere with what they were doing.

This plane was definitely very different from the plane Ye Chen and Xia Qingyu had been on, it was definitely much nicer as there were several private rooms that one could sleep in.

Su Mengxin, Lin Rouxi and Ling Yin immediately left, they went to change clothes, Ling Yin was forced by Su Mengxin, Lin Rouxi to come with them.

Ye Chen could only wait for them, he wanted to know what Su Mengxin and Lin Rouxi would look like in flight attendant clothes, whether they would be so seductive or not.

After a few minutes of leaving, Su Mengxin, Lin Rouxi and Ling Yin finally returned, they immediately went over to Ye Chen's place.

"husband how we look, should be good right" Su Mengxin said to Ye Chen, Su Mengxin wanted to get a response from Ye Chen, she wanted Ye Chen to judge them all.

Ye Chen looked at Su Mengxin, Lin Rouxi, he could see that the two of them were very beautiful and fit well in the flight attendant outfit, especially Su Mengxin, she had a very good body shape, obviously the best body shape and made her look seductive.

"you are really the best" Ye Chen said to Su Mengxin, Lin Rouxi.

"giggle" Su Mengxin Lin Rouxi was happy, the two of them were very happy when they received Ye Chen's praise, they wanted to be praised by Ye Chen even more.

After giving a compliment to Su Mengxin, Lin Rouxi, Ye Chen immediately looked at Ling Yin, when he looked at Ling Yin, he saw the first time he met Ling Yin.

Ling Yin was very beautiful, she was quite seductive and reminded Ye Chen when she first met, even though the first time she met Ling Yin was during Ling Yin's assassination mission .

"what are we going to do with these clothes ?" Ling Yin said to Ye Chen, Su Mengxin, Lin Rouxi.

Ling Yin had no idea what they were going to do, so it wouldn't be strange for her to ask Ye Chen, Su Mengxin, and Lin Rouxi.

"We want to make you remember yourself, so let's start by serving the customers, we only have one person here so it should be very easy for you" Su Mengxin said to Ling Yin.

[Chapter 2128 You Have To Chase Him, This Is Chance For You To Make Her Remember](#)

"Is this my job?" Ling Yin asked Su Mengxin, Ling Yin asked if he used to work in this place.

"Not really, if I remember correctly, you used to be an assassin" Su Mengxin said to Ling Yin, Su Mengxin did not hide this matter from Ling Yin, she wanted Ling Yin to remember herself.

"Is that so, why don't I remember" Ling Yin didn't expect that she would do such a job, she didn't expect to do such a dangerous job as being an assassin.

"You don't need to be confused like that, you are doing this out of necessity, so there's no need to be too sad" Ye Chen comforted Ling Yin, he didn't want Ling Yin to be sad because she knew what happened in the past

Ling Yin should be able to accept what happened, he did the job only to be able to find the person who had committed the murder of his family, so it wasn't completely Ling Yin's fault.

"I understand" Ling Yin understood, he really listened to what Ye Chen said, he completely believed what Ye Chen said, he didn't think Ye Chen was lying about what he said.

"Good then let's start, let's serve husband, pretend he is a passenger," Su Mengxin said to Ling Yin.

Su Mengxin pushed Ling Yin away, she told Ling Yin to serve Ye Chen.

Ling Yin stepped forward, herself stepped forward and did as Su Mengxin said.

Ling Yin was taught many things by Su Mengxin, that way she could know what to do to make Ye Chen comfortable.

Luckily Su Mengxin knew what the flight attendants were doing, so she was very helpful.

Lin Rouxi also helped out, herself encouraging Ling Yin to be brave and not cowardly, that way she might be able to get her memories back.

Ling Yin was doing her first duty as a flight attendant, her noble self was helping Ye Chen put on the seat belt, Ling Yin's movement was very stiff, this was probably due to her memory loss and made her become awkward when doing easy tasks.

Luckily Ling Yin was a hard worker, so she could easily learn new things very quickly.

"That's great, you learn really fast, do you remember anything" Ye Chen asked Ling Yin.

Ling Yin shook her head, she didn't remember anything, even so Ling Yin felt that she had done this somewhere, only she had forgotten when it was.

"It's fine, we'll take it slow," Su Mengxin said to Ling Yin.

They still have plenty of time, so they can take it easy on this.

"I understand" Ling Yin understood, she would try to remember her past.

Ling Yin assisted by Su Mengxin and Lin Rouxi started to serve Ye Chen, they served Ye Chen wholeheartedly.

Ling Yin was getting used to it, little by little she started to remember what happened, she felt she had done what Ye Chen said somewhere.

"Looks like her memory is starting to come back" Ye Chen saw that Ling Yin's memory started coming back, she started to remember what she used to do.

"ouch . . ." "When they tried to make Ling Yin remember the past, they found that Ling Yin had fallen.

"what is it?" Su Mengxin and Lin Rouxi asked Ling Yin, they wanted to know what happened to Ling Yin.

"My head is dizzy" Ling Yin told Su Mengxin and Lin Rouxi, she said that her head felt dizzy, as if a bit of past thoughts had crossed Ling Yin's head.

"you okay?" Su Mengxin asked Ling Yin, Su Mengxin wanted to know if Ling Yin was okay or not.

"I'm fine, thank you sister Mengxin is worrying about me" Ling Yin said to Su Mengxin, Ling Yin started to call Su Mengxin with very familiar nicknames.

"What did you say, have you started to remember?" Su Mengxin asked Ling Yin, Su Mengxin saw that Ling Yin was starting to remember her.

"Hmmm, maybe, it's a little chaotic" Ling Yin said that her mind was a little chaotic.

"Husband, she seems to have started to remember, but the side effects made her dizzy" Su Mengxin said to Ye Chen.

"I don't think we should force her too much, let's start slowly, let her rest and calm down for a while" Ye Chen said to Su Mengxin.

"I agree with that, it will be dangerous if we force her to remember what happened" Lin Rouxi said to everyone.

"Then you just rest for a while" Su Mengxin said to Ling Yin, Su Mengxin told Ling Yin to rest for a while.

Ling Yin agreed, she immediately left and rested for a while, she thought of the memory that had just crossed his mind.

"It looks like it's working, but it looks like it'll be quite a long thing for us to do." Su Mengxin said to Ye Chen and Lin Rouxi.

"You are absolutely right, this will probably take a long time to do, shouldn't you chase her down to make it quicker" Lin Rouxi said to Ye Chen.

Lin Rouxi told Ye Chen to chase after Ling Yin, that way he would probably be too fast inside.

"So you two decide to use the second plan, if that's the case then let's do it" Ye Chen may have to do it, now Ye Chen will try to chase Ling Yin, who knows Ling Yin will remember when Ye Chen tried to chase him.

"Then we will help you" Lin Rouxi and Su Mengxin will help Ye Chen, the two of them will create an opportunity for Ye Chen, that way Ye Chen can get closer and catch up with Ling Yin.

Ling Yin is resting, for the time being they let Ling Yin rest.

Ling Yin rested very quietly, no one dared to disturb Ling Yin, she was quite peaceful and dreaming of something.

Ling Yin had a bad dream, she looked back at the day when her family wasn't there.

"no don't do that" Ling Yin shouted, herself screamed when she saw her dream.

"what is it . . ." Ye Chen came closer, he asked Ling Yin, it seems that Ling Yin had a bad dream.

"I saw a terrible thing" Ling Yin told Ye Chen, her telling him that she had just seen a strange thing.

"Are you okay, you can tell me" Ye Chen told Ling Yin to tell him, maybe Ye Chen can help Ling Yin.

"No, I don't want to remember this, I don't like it" Ling Yin said to Ye Chen, Ling Yin didn't want to tell Ye Chen, one could say that he didn't want to remember it.

"Listen to me, the past may be painful, but you should try to remember them, that way they will remain in your heart" Ye Chen said to Ling Yin.

Ye Chen told Ling Yin, he told Ling Yin to remember the past, at least in the past Ling Yin had a family that was very precious to her.

"Maybe your words have some truth to it." Ling Yin understood, it seems like Ye Chen's words have some truth to it, she can't be like this, she has to remember the people who loved her in the past.

That way he still has a memory with people in the past.

"do you need anything just tell me" Ye Chen said to Ling Yin, he would do as Ling Yin said.

"That's not necessary" Ling Yin said to Ye Chen, she didn't need Ye Chen's help.

"don't that, it's not good for me" Ye Chen said to Ling Yin, he wanted to make Ling Yin comfortable.

[Chapter 2129 Gave A Massage For Ling Yin](#)

"I'm fine, so you don't need to worry" Ling Yin said to Ye Chen, she was fine.

Ling Yin was very innocent, this was definitely different from the Ling Yin that Ye Chen knew.

The Ling Yin that Ye Chen knew would definitely try to tease Ye Chen, he often teased and did naughty things to Ye Chen.

Ye Chen had to make Ling Yin remember, that way things might be easier for him to do.

"That, are you tired, I can help you." Ye Chen said to Ling Yin, he could help Ling Yin with a light massage.

Ye Chen's skills were still the best, of course he could still make Ling Yin satisfied with his own skills.

"yes" Ling Yin accepted the offer made by Ye Chen, there was no harm for her to accept the offer made by Ye Chen, this was a very good offer for Ye Chen.

"Then come with me" Ye Chen said to Ling Yin, he told Ling Yin to come with him.

Ling Yin understood, she accompanied Ye Chen to the private room in this plane.

"lie down" Ye Chen said to Ling Yin, he told Ling Yin to lie down, he would start treating Ling Yin.

Ling Yin understood, he immediately lay down according to what Ye Chen said.

"Okay I will start" Ye Chen said to Ling Yin, he would start to make Ling Yin comfortable.

Ye Chen stretched out his hand to Ling Yin's body, when Ye Chen just reached out his hand to Ling Yin's body, Ling Yin immediately felt something strange.

"no. . ., what is this" Ling Yin felt something very strange, she could feel that Ye Chen was using her technique to make her feel happy.

Ye Chen's finger was very comfortable, every muscle in Ling Yin's body immediately went limp when she received Ye Chen's touch.

Ling Yin had been asleep for quite a while, so her nerves were a little bad, if only Ling Yin didn't have high cultivation, she might have to do some rehabilitation on her body.

"Her body is quite tense, I will fix it immediately" Ye Chen said to Ling Yin, he would help Ling Yin to repair her tense body.

Ye Chen pressed quite hard, when Ye Chen did this, Ling Yin felt a very comfortable feeling.

"wait a moment" Ling Yin said to Ye Chen, she told Ye Chen to wait a moment, she couldn't stand Ye Chen's massage.

"what's wrong?, is it uncomfortable?" Ye Chen asked Ling Yin, he wanted to know whether Ling Yin was comfortable with him or not.

"It's comfortable and amazing, but it's also a little strange" Ling Yin said to Ye Chen, Ye Chen's massage was very comfortable, but there was a slight tingling sensation in Ling Yin's body.

"It is a normal reaction and you are probably fine" Ye Chen said to Ling Yin.

Ye Chen said that Ling Yin was fine, Ling Yin's reaction was normal, he could still feel Ye Chen's massage technique.

Ye Chen didn't hold back, he brought out the best massage technique he had, by using his massage technique, Ye Chen could easily make Ling Yin feel comfortable.

"ahh . . "Ling Yin let out a groan, herself let out a groan when Ye Chen touched her leg.

Ye Chen had found Ling Yin's weak point, so he would quickly defeat Ling Yin.

"uhhh . . " Ling Yin gasped for breath, she couldn't bear what Ye Chen was doing, what Ye Chen was doing made her body go limp and she felt immense pleasure.

Ye Chen looked at Ling Yin, he could see that Ling Yin was enjoying what he was doing, it seemed that what he was doing had made Ling Yin feel comfortable.

Ye Chen didn't stop, he was going to make Ling Yin remember who he was.

"how?, is it more comfortable?" Ye Chen asked Ling Yin.

Ye Chen whispered in Ling Yin's ear, he asked if Ling Yin enjoyed what he was doing.

"This is great, you are doing very well indeed" Ling Yin said to Ye Chen.

Ling Yin was very innocent, she didn't know that Ye Chen was teasing her.

"Then" Ye Chen began to press Ling Yin's back, with a little force, he made Ling Yin's back feel comfortable.

"kyahhhhhh. . ." Ling Yin couldn't stand it, to be honest it felt very comfortable, she had never felt something like this before, it was very comfortable and very supportive for her body.

Ling Yin had just reached the peak, she had just reached the peak after receiving a touch from Ye Chen.

Ye Chen could tell this when he saw Ling Yin who was trembling while receiving pleasure from his massage technique.

"I didn't think that he would be this weak" Ye Chen said in his heart.

Ling Yin was quite weak, it was evident when Ye Chen touched her, she didn't have a single resistance when Ye Chen touched her.

Seeing Ling Yin who was able to accept him, Ye Chen decided to be even bolder, he began to touch and make Ling Yin more comfortable again, he touched some of the most sensitive spots that Ling Yin had.

"ahhh. .., don't be there" Ling Yin screamed again, she couldn't stand it when Ye Chen touched the back of the neck, this made her unable to bear it and climbed back up to the top.

"You don't need to hold back anymore" Ye Chen said to Ling Yin, he telling Ling Yin not to hold back anymore.

"I can't stand it, this is too great, how can you do something like this" Ling Yin asked Ye Chen, how did Ye Chen do something like this.

"Have you forgotten, we used to do this on the plane too" Ye Chen said to Ling Yin.

"Is that so?" Ling Yin didn't remember, she didn't remember ever doing something like this with Ye Chen.

"You will definitely remember him" Ye Chen said to Ling Yin, he believed that Ling Yin would remember who he was.

"Why are you trying to make me remember" Ling Yin asked Ye Chen, Ling Yin wanted to know why Ye Chen wanted to make her remember the past which according to Ling Yin was quite terrible and sad.

"it is because you are one of my women, I hope you remember that" Ye Chen said to Ling Yin.

Ye Chen told Ling Yin, that she was his woman, so it wasn't strange that Ye Chen wanted to make Ling Yin remember who she was.

"Is that?" Ling Yin blushed, she didn't expect that Ye Chen was the man she had.

A batch of information began to enter into Ling Yin's memory, there was a bit of Ye Chen's image in Ling Yin's memory.

Ye Chen immediately looked at Ling Yin, he could see that Ling Yin was currently experiencing pain from what memories were starting to return.

"Did it happen again" Ye Chen asked Ling Yin, Ye Chen asked Ling Yin, he wanted to know if Ling Yin's memory had returned.

"um . . ., I remember a little about you" Ling Yin told that she remembered a little about Ye Chen.

"It seems that this is faster, then I will continue" Ye Chen saw that it was faster than before, maybe catching up with Ling Yin was a good thing to do.

[Chapter 2130 A Perverted Man](#)

"really, then what do you remember about me" Ye Chen asked Ling Yin, he wanted to know what Ling Yin remembered about him.

"a perverted man" Ling Yin said to Ye Chen, Ling Yin remembered that Ye Chen was a pervert.

"-_- " Ye Chen was helpless, how could Ling Yin only remember such a thing.

"Why do you only remember such things ?" Ye Chen said to Ling Yin, Ye Chen was helpless, he was helpless when he saw Ling Yin who only remembered that he was a pervert.

"fufufufu" Ling Yin smiled and laughed, she felt happy when she see Ye Chen, even though Ye Chen was a pervert, Ye Chen was still a good person, so Ling Yin could still accept Ye Chen.

"This can't happen, I have to clear my name immediately" Ye Chen couldn't be like this, he had to clear his name.

"Is that all you remember ?" Ye Chen asked Ling Yin.

Ye Chen hoped that Ling Yin would remember more, that way it would be easier for Ye Chen to get Ling Yin.

"there are some things but it's still vague" Ling Yin said to Ye Chen.

Ling Yin tells that he only remembers vaguely, there are still lots of memories that haven't come back.

"then let's continue, maybe you will remember it soon" Ye Chen said to Ling Yin.

Ye Chen wanted to continue giving a massage to Ling Yin, that way Ling Yin would probably remember more about Ye Chen.

"Wait a minute" Ling Yin tried to stop Ye Chen, she couldn't stand Ye Chen's massage.

Ye Chen started ignoring Ling Yin, he returning to provide care for Ling Yin.

"Ahhhh" Ling Yin screamed, she couldn't stand Ye Chen's stimulation, it felt so good, Ling Yin couldn't stand this kind of thing.

Ye Chen increased the intensity of his strength and techniques, this way, Ling Yin would have even more pleasure from now on.

"ahhh. . . , no . . . " Ling Yin tried to struggle, she writhing like a hot caterpillar.

It was obvious that Ling Yin couldn't stand Ye Chen's touch, it was too delicious for Ling Yin, she couldn't endure this kind of thing.

Ling Yin's whole body shook and spasmed, this pleasure was too much for Ling Yin.

Ling Yin had already reached the peak several times, she was made to enjoy a bliss and comfort that she had never had before.

Ling Yin lay limply, she couldn't bear what Ye Chen was doing.

"she's already at her limit" Ye Chen saw that Ling Yin had already reached her limit, it seemed that she could no longer fight Ye Chen.

Because Ling Yin was too tired to fall asleep, seeing that Ling Yin was asleep, Ye Chen took the initiative to directly cover Ling Yin's body.

"her memory is slowly coming back, looks like he will start to remember everything" Ye Chen was happy that Ling Yin had started to remember again, it seemed like it would be fast enough to see Ling Yin back to the past.

"Click . . "The bedroom door opened, Su Mengxin and Lin Rouxi peeked at Ye Chen who was inside.

"we heard such a loud noise, what did you do just now" asked Su Mengxin while smiling at Ye Chen.

"I gave her a little massage, maybe she'll remember me" Ye Chen said to Su Mengxin.

"You should just eat it, maybe he'll remember you right away" Su Mengxin said to Ye Chen.

"She doesn't fully remember yet, so it's better not to do that first," Lin Rouxi said to Su Mengxin.

In contrast to Su Mengxin, Lin Rouxi refused that, she would not allow Ye Chen to do such a thing to the confused Ling Yin.

"You are really a good teacher" Su Mengxin said to Lin Rouxi, Lin Rouxi looked like a really good teacher, she was quite good at setting out what not to do.

"of course" Lin Rouxi said to Su Mengxin, she didn't want Ye Chen to do anything bad to Ling Yin for the time being.

"let's go out, let her rest for a while" Ye Chen said to Lin Rouxi and Su Mengxin.

Ling Yin had just slept, they had better let Ling Yin rest, he really needed a break for a while.

Ye Chen was with Lin Rouxi and Su Mengxin outside, they were currently sitting together in the extremely spacious passenger seat.

Ye Chen lay down, Su Mengxin passed a lap to Ye Chen, she passed her very smooth thigh to Ye Chen's head.

This is a man's dream, where every man does something like this, they want to lay on the lap of a mature and glamorous woman like Su Mengxin.

"It's not as easy as I imagined, it's really hard to make someone who has lost their memory remember" Ye Chen said to Lin Rouxi and Su Mengxin.

"This is indeed difficult, if even sister Cheng can't do it, then it is indeed severe" Su Mengxin said to Ye Chen.

Qing Cheng couldn't even help, it meant that what happened to Ling Yin was quite severe.

"As long as there is nothing dangerous, then it's fine, he has started to remember, we just need to be patient" Lin Rouxi said to Ye Chen.

"Hubby can't wait, he is just like that" Su Mengxin said to Lin Rouxi.

"You guys already know who I am," Ye Chen said to Su Mengxin and Lin Rouxi.

"of course, we have been together for a long time, of course you know what you are like" Su Mengxin and Lin Rouxi said.

"hehehehe, you guys are indeed the best wives" Ye Chen said to Su Mengxin and Lin Rouxi.

Ye Chen was lucky because he could have Su Mengxin and Lin Rouxi.

Su Mengxin and Lin Rouxi looked at each other, both of them were also happy that they had Ye Chen.

"We still have a long way to go, what are we going to do about it?" Ye Chen asked Su Mengxin and Lin Rouxi.

"That's right, what are we going to do?" Su Mengxin said to Ye Chen, she stretched her hand downwards, Su Mengxin's hand went straight to the part of Ye Chen's already excited little brother.

Ye Chen's younger brother downstairs was slightly tense, this was because he had to restrain when he was with Ling Yin.

Ling Yin's voice stimulated Ye Chen's body, as a man he was of course excited.

Plus after that he saw Su Mengxin and Lin Rouxi who were wearing flight attendant clothes, of course this made Ye Chen feel even more happy.

"It seems that it is already excited, is it painful?" Su Mengxin asked Ye Chen, as a woman who is more mature, she like an older sister pampering her younger brother.

"This is indeed inconvenient" Ye Chen said to Su Mengxin.

"do you want special service, we have the best service for you" Su Mengxin said to Ye Chen, she is now like a flight attendant offering services to Ye Chen.

"Do you want to do it?" Ye Chen asked Su Mengxin.

"Of course, master is a special customer, I will do your request, even if your request is unreasonable." Su Mengxin whispered to Ye Chen, her voice and the words she chose were very stimulating.

Su Mengxin had already thought of everything, she was teasing Ye Chen who was in her lap, Ye Chen couldn't possibly survive the seduction of a mature woman like Su Mengxin.

Lin Rouxi looked at Ye Chen and Su Mengxin, she could see that the two of them had become extremely close.

Su Mengxin was much braver than Lin Rouxi thought, it was proven when she teased Ye Chen.
