

## True God 2131

### [Chapter 2131 Airplane Attacked By Unknown Group \(1\)](#)

"she is trying to monopolize husband, I can't allow this matter" Lin Rouxi can't allow this matter, she can't let Su Mengxin monopolize Ye Chen.

Lin Rouxi quite rarely had this kind of opportunity to be with Ye Chen, so she decided to be bolder.

If Su Mengxin dared to do this, then Lin Rouxi must also dare to do it.

Lin Rouxi drew closer, herself drew closer towards Ye Chen, she started to sit on top of Ye Chen.

Ye Chen and Su Mengxin were shocked when they saw what Lin Rouxi was doing.

"Teacher dear what are you doing?" Ye Chen asked Lin Rouxi, he wanted to know what Lin Rouxi was doing.

"what's wrong, don't you like watching your teacher help you?" Lin Rouxi asked Ye Chen.

"It seems that you are bolder today" Ye Chen said to Lin Rouxi, Lin Rouxi was bolder than usual.

Perhaps it was because of Su Mengxin that she made Lin Rouxi bolder.

"Mengxin, you are doing a good thing" Ye Chen said to Su Mengxin, Ye Chen said to Su Mengxin, she made Lin Rouxi be bolder.

"Husband, I didn't expect that sister Rouxi would be so brave like this." Su Mengxin didn't expect that Lin Rouxi would be so bold like this.

"Sometimes she is like that," Ye Chen said to Su Mengxin, Ye Chen told Lin Rouxi that Lin Rouxi was brave, it's just that sometimes she still has to hold back considering she has high morals as a teacher.

"Is that so" Su Mengxin nodded, herself seemingly starting to understand what Ye Chen said.

Lin Rouxi and Su Mengxin started to undress Ye Chen, the three of them prepared to start the battle.

Lin Rouxi and Su Mengxin can't wait to do it with Ye Chen, they want to do things that please Ye Chen.

Ye Chen was also impatient, he couldn't wait to touch Lin Rouxi and Su Mengxin, he couldn't let the two of them sleep tonight.

"Boom. . ." when Ye Chen Lin Rouxi and Su Mengxin were about to start the battle, the plane shook.

"an explosion. . .?" Ye Chen said to Lin Rouxi and Su Mengxin.

"what happened" Su Mengxin wanted to know what happened, who dared to attack them.

"Rouxi you go and protect Ling Yin, Mengxin have a look at how the front is, I will go and find out what happened" Ye Chen said to Lin Rouxi and Su Mengxin.

Ye Chen gave tasks to Lin Rouxi and Su Mengxin.

"ok" Lin Rouxi and Su Mengxin they immediately left according to Ye Chen's words.

"Who dares to disturb me ?" Ye Chen was annoyed that someone dared to disturb him.

He decided to see who would dare to interfere with him.

Ye Chen got out of the plane, himself saw what happened to the plane.

The plane experienced an explosion on the right side, where the wing shattered and made the plane go out of control

"this is not good" Ye Chen used his own strength, he made sure that the plane didn't lose control.

Using the power of the wind, Ye Chen helped the plane stay in the air.

"It looks like it was attacked by someone." Ye Chen saw that it was attacked, otherwise how could the plane's wings be crushed like that.

Ye Chen immediately went and looked for the whereabouts of the person who carried out the attack, he used God Eyes to find the whereabouts of the person who attacked and disturbed Ye Chen.

Ye Chen used God Eyes around, there is no sign of someone outside here.

"There was no one outside, that means someone from inside did it" Ye Chen realized that the person who carried out the attack was already inside.

Ye Chen used God Eyes to look inside the plane, inside he saw five people currently carrying dangerous swords and weapons.

They were people with high cultivation, they had cultivation that could be said to be above average.

at least everyone is in the early realm of the ancient warrior realm, they have strength above the average cultivator on earth.

"What are their goals, there's no way they'll attack me just like that, I don't know them" Ye Chen didn't know these people, so it was quite strange when he saw these people hijacking Ye Chen's plane.

"Wait a minute, this should be Su Wansen's plane, that means their target is Grandpa Su." Ye Chen remembered that originally this was Su Wansen's plane, that means they were targeting Su Wansen.

"Is that so, now I understand what happened." Ye Chen finally understood what happened, he understood that the aim of these people from the start was Su Wansen.

"You guys have made a mistake by bothering me, I won't let you go." Ye Chen wouldn't let these people go, he had to find out who they were and why they were targeting Su Wansen.

Ye Chen entered again, he immediately followed the terrorists who hijacked the plane they were traveling on.

"Quickly find the whereabouts of Su Wansen, make sure you take him alive" the leader of the terrorists said to his men, he ordered them to bring and capture Su Wansen.

"Yes sir" the terrorists immediately scattered, they immediately looked for the whereabouts of Su Wansen.

"what happened here ?" Su Mengxin asked the real flight attendant of this plane.

"This is bad, the pilot was hit by a sharp weapon and died, no one is controlling the plane," the flight attendant told Su Mengxin.

"what happened, how did it happen ?" Su Mengxin wanted to know what happened.

"we don't know either" the flight attendants don't know either, they don't know what happened.

"Then you'd better come with me." Seeing that the situation was getting out of hand, Su Mengxin decided to bring these people along with her.

"What exactly happened?" Su Mengxin was quite curious about what happened, who had attacked them.

"tap . ., tap . tap . ., tap .." from afar, Su Mengxin heard the sound of footsteps, she used her already excellent hearing to see who was approaching.

"They've entered, who are they?" Su Mengxin wanted to know who the attackers were, who dared to rush into their plane.

"come with me" Su Mengxin brought a flight attendant with her, she would protect them from enemy attacks that wanted to hijack the plane.

On the other hand, Lin Rouxi went to Ling Yin's place, herself helping Ling Yin get up.

"what happened" Ling Yin asked Lin Rouxi, she wanted to know what happened.

"It looks like we are being attacked, come with me, I will protect you" Lin Rouxi said to Ling Yin, she would protect Ling Yin from enemy attacks.

"Let's leave this place" Lin Rouxi asked Ling Yin to leave this place, it was not safe for Ling Yin to be alone.

Lin Rouxi and Ling Yin came out of the room, they went straight to Su Mengxin's place.

"stop ! ! !" when Lin Rouxi came out, she was stopped by someone with two swords in her hand, this person drew her sword towards Lin Rouxi.

Seeing that the enemy was ahead, Lin Rouxi had no choice but to stop.

"Who are you, what do you want?" Lin Rouxi responded to the man in front of her.

#### [Chapter 2132 Airplane Attacked By Unknown Group \(2\)](#)

"where is Su Wansen, tell me right now, you might be saved if you say it" this man said to Lin Rouxi.

"he is not in this place" Lin Rouxi said to the man in front of her.

"Don't lie to me, I won't be fooled by you." This man didn't believe it, he didn't believe what Lin Rouxi said.

"It's up to you to believe it or not, in fact, there are only us in this place, it seems that you hijacked the wrong plane, this plane was given to us" Lin Rouxi said to the man in front of her.

"don't mess with me, I can kill both of you easily" this man said to Lin Rouxi, he can kill Lin Rouxi and Ling Yin easily.

"I should be the one saying that, you better go and don't bother us" Lin Rouxi said to the person in front of her, she didn't like seeing this person bothering her.

"Damn bitch, I will kill you" Lin Rouxi's words were uncomfortable, this made these terrorists angry.

Lin Rouxi snapped her finger, water droplets appeared on Lin Rouxi's finger, Lin Rouxi immediately shot the water towards the enemy in front of her.

This terrorist knew what Lin Rouxi was doing, he realized that Lin Rouxi was a cultivator, so he took the initiative to directly repel Lin Rouxi's attack.

He used his two swords to parry Lin Rouxi's attacks, for him it would be very easy to parry Lin Rouxi's attacks.

This person did not know that Lin Rouxi was very strong, Lin Rouxi was very strong and could kill him very easily.

"Clank" water droplets shot by Lin Rouxi easily crushed the enemy's two swords, it went straight through the enemy's body with great ease.

The enemy that was hit by Lin Rouxi's shot immediately fell down, he fell on the spot.

This person convulsed several times, a huge wound appeared on his body and made him unable to fight back any longer.

He who was in the early stages of the ancient warrior realm had easily lost at Lin Rouxi's hands.

"let's go" after crippling the person in front of him, he directly took Ling Yin.

"Is he okay?" Ling Yin asked Lin Rouxi.

"Don't think about that person, he is not a good person" Lin Rouxi said to Ling Yin, she told Ling Yin not to think about bad people who want to kill them.

If they had not fought back and had the strength, then it would probably be the two of them right now who had died in this place.

The results of the training carried out by Lin Rouxi produced very good results, she was able to defend herself from enemy attacks.

Ling Yin understood, she would not bring up this matter anymore.

On the other side, Su Mengxin also met someone, this person was using a chain on his body, blocking Su Mengxin's path.

Su Mengxin stopped, she stopped and looked at the enemy in front of her.

The enemy in front wore a skull mask, they clearly had a hideous appearance.

"What do you want?" Su Mengxin asked, she asking what the person in front of her.

"Tell me, where is the place of Su Wansen, otherwise you will die" said the terrorist to Su Mengxin.

"Why are you looking for my grandfather, do you need something with him?" Su Mengxin asked the man in front of her.

"grandpa?, so you are the granddaughter of Su Wansen, very interesting" this man is interested in Su Mengxin, he is interested when he listens to this matter from Su Mengxin.

"That's right, so what do you want?" Su Mengxin asked the person in front of her, Su Mengxin wanted to know what this person wanted, was she targeting her grandfather for money or something.

"You don't need to know about the business we have, just tell us where he is right now," the man in front said to Su Mengxin.

"What if I don't tell you, what will you do to me?" Su Mengxin asked, she would not tell this matter to the terrorists in front of her.

"If you don't want to, then I'll torture you, let's see if a pretty girl like you can survive the torment I gave you, maybe you could become disabled when that happens, you definitely don't want your face to be smashed right" this man said to Su Mengxin, he gave a pretty stern warning to Su Mengxin.

"Did you think I would be afraid of the warning you gave?" Su Mengxin was not afraid of the warning given by this person, she was not afraid of the warning given by this person.

"You dare to go against me, then don't blame me for being rude to women." Since Su Mengxin was not afraid of him, then these terrorists had no choice but to defeat and destroy Su Mengxin, that way Su Mengxin would know that he had made a bad decision. wrong.

This person used the chain weapon on his body, He wanted to fight Su Mengxin by using the chain on his body.

The chains on this person's body began to rotate and emit fire, this person began to rotate the chains, the chains burned and destroyed everything around.

"ahhh. . ." the flight attendants were scared, they were all scared when they saw what was happening, they saw that the person in front of them was a very strong person, it would be a problem for them to get out of this place alive, they would probably be burned to a ashes by this person.

Su Mengxin was very relaxed, she was able to calm in the face of the enemy in front of her.

"Maybe I should use Celestial Red Ribbon." Su Mengxin used Celestial Red Ribbon, she wanted to use Celestial Red Ribbon to fight the enemy in front of her.

"hahahaha, children's weapon" saw the Celestial Red Ribbon, which was issued by Su Mengxin, the terrorist immediately laughed at Su Mengxin.

Su Mengxin didn't really consider what the person in front of her said.

"feel this" the terrorist used the chain in his hand towards Su Mengxin, he aimed at Su Mengxin's body.

Su Mengxin used the Celestial Red Ribbon, using the Celestial Red Ribbon Su Mengxin parried the enemy's attack.

"Clanks . . ." The enemy's chain immediately shattered into pieces when it hit the Celestial Red Ribbon, it was obvious that the difference in strength between the two was very great.

"No way, my strongest chain, how did you do it?" The terrorist couldn't believe what he was seeing, how could Su Mengxin break his chain so easily.

"You will know soon enough." Su Mengxin used the Celestial Red Ribbon, the Celestial Red Ribbon shot out and penetrated the body of the man in front of her.

"uh" this man didn't have time to dodge Su Mengxin's attack, without realizing that his body had been penetrated by the Celestial Red Ribbon.

"Impossible" he did not expect that his body would be penetrated by the Celestial Red Ribbon.

The Celestial Red Ribbon stretched out and began to destroy the enemy's internal body, in an instant the enemy fell to the floor.

"Let's go, if you stay here, you will die." Su Mengxin said to the flight attendants, she told them to come with her.

Su Mengxin already knows the purpose of these people, it seems that the purpose of these people is her grandfather.

#### [Chapter 2133 A Peaceful World Doesn't Appeal To Me](#)

Fortunately, now Su Mengxin is no longer the old self, if this is her old self, then perhaps she would prefer to run away and hide.

Su Mengxin and Lin Rouxi had already finished two, now there were only three people left.

"why are they taking so long" the terrorist leader was not happy, his two men took so long, they have not returned.

They should have brought Su Wansen to this place already.

"I'll go and see" one of the three people decided to see what happened, he wanted to know what his comrades were doing at this time, why they still haven't come back, they should come back quickly.

"Hurry and go, don't waste time" the leader of the terrorists told his troops.

One of the terrorists leaves, he goes out and looks for the whereabouts of his partner.

"Bamm" when he just came out, a loud voice sounded from outside.

Of course, this made the two people inside become more aware of what was happening.

"looks like something happened outside, get ready, we will fight" the leader told the one remaining men to get ready, Looks like they are going to fight against the enemy.

"yes sir" the remaining troops understood, they might fight against the Bodyguard owned by Su Wansen.

"Click . . ." the door opened, Ye Chen walked in while the terrorist he had just incapacitated.

"Quickly attack him" Seeing that his troops had been killed by Ye Chen, the leader of the terrorists ordered one of his men to attack Ye Chen.

The terrorist took out a katana, he charged towards Ye Chen and prepared to attack Ye Chen with the katana in his hand.

This katana is so sharp, it should be able to slice through the plane very easily.

"slash" The terrorist swung his weapon towards Ye Chen, the katana slashed towards Ye Chen and directly hit Ye Chen.

Ye Chen had no intention of dodging his enemy's attacks, he would not do such a thing himself.

Ye Chen was quite calm, he was quite calm against the enemy that was in front of him.

"Clank" a shrill sound was heard, the enemy's sword hit Ye Chen's body, it was a pity that it stopped and did not split Ye Chen's body.

"So hard, what is your body made of?" The terrorist was unable to split Ye Chen's body, Ye Chen's body was extremely tough, it couldn't be broken by the katana in his hand.

"Your sword is too dull, how can you blame people when your sword is dull" Ye Chen said to the man in front of him.

"No way, this is a very strong weapon and has killed many people."

"Then why isn't it capable of injuring me, it's obvious that it's blunt, and now you get out of this world." Ye Chen released his profound energy, flames enveloped Ye Chen's body and the area around him.

The terrorist was also covered in fire, he was covered in fire and started to burn.

"arghhhh. . ." The terrorist was completely burnt, he was burned by the profound fire that belonged to Ye Chen, in just seconds he was turned into ashes.

This person had no resistance when it was burned by the flames around Ye Chen.

"This terrorist leader looked at Ye Chen, he saw that Ye Chen was very strong, it was proven when Ye Chen was able to kill two of his men with ease.

"So you are a squad owned by Su Wansen, it seems that I underestimated you" this man said to Ye Chen.

"I'm not his army, rather I'm his son-in-law" Ye Chen said to the man in front of him.

"Is that so, I didn't think that he would accept someone as strong as you." This man didn't expect that Su Wansen would accept a man like Ye Chen.

"So what's your goal, do you want to kidnap grandpa Su" Ye Chen said to the leader of the terrorists.

"Of course, we have the duty to take him away from this place" the terrorist leader said to Ye Chen.

"Why do you do such a thing, even though the world is peaceful enough, all countries have also made good cooperation and everything controlled " Ye Chen said to the man in front of him.

"Hahahaha, that's the problem, this world is too peaceful, it doesn't interest us at all" the leader of the terrorists doesn't like this, a peaceful world is not a place he likes, he prefers it when the great powers of earth fight each other in the underworld, it made him a huge profit.

"freak" Ye Chen saw that the leader of the terrorists was strange and unreasonable.

"In this world there are indeed a lot of people like that, they don't like to see peace, for them peace is impossible to happen" Chu Yuechan said to Ye Chen.

"Even so, we can at least minimize things like that" Ye Chen said to Chu Yuechan.

Ye Chen of course knows that in this world evil will always exist, it is part of the cycle in this world, one might say it is the balance of this world.

It's like Yin and Yang, they complement each other and are inseparable.

Evil and good are like that, they are two things that cannot be separated.

"don't you think the same as I think, peace is a useless thing, fighting is more fun" the leader of the terrorists said to Ye Chen.

"it may suit you, but I don't mind " Ye Chen is not like that, at least he likes peace, it is a thing that he thinks is a beautiful and pleasant thing.

Spending time with his family is a very pleasant thing to do, it is the dream of many people in the world.

"Tch, our thinking is not the same, it seems useless to talk to you" Ye Chen's thoughts were not in line with his, that's why the leader of the terrorists didn't want to continue this conversation.

"I say one more time, I love war, my business won't run if war doesn't happen, so you don't get in my way" the leader of the terrorists said to Ye Chen.

"So it's all about business, no wonder" Ye Chen understood, all of this turned out to be about business.

Most likely this person was a mercenary, it was a job that was needed the most during war, so it wouldn't be strange for him to want war because his services weren't selling well.

"Is that all you're aiming for" Ye Chen asked the leader of the terrorists.

"Not really, there is someone who wants Su Wansen to be caught, this person is quite strong and one of the former greats of Chaos Bridge" the leader of the terrorists said to Ye Chen.

"Hmmm" when listening to Chaos Bridge, Ye Chen immediately remembered what had just happened, he immediately remembered what happened before.

"So they moved in my place, looks like I have to solve this problem and destroy the former member of Chaos Bridge who is throwing a tantrum at my place"

"stop talking nonsense, you won't be able to kill me" Ye Chen said to Chaos Bridge, killing Ye Chen is an impossible thing to do.

"Who says it's impossible, let me show the strength that I have" this person wanted to show his strength to Ye Chen.

### [Chapter 2134 Quickly Give Me My Antidote](#)

the terrorist leader swung his weapon towards Ye Chen, he also shot several projectiles towards Ye Chen.

Ye Chen snapped his fingers, he used his dimensional power to switch places with his enemy.

"Argh" Ye Chen's enemy screamed, he was hit by his own projectile.

"How can this be, this is impossible" the leader of the terrorists couldn't believe what was happening, he didn't expect that he would be hit by his own attack, this was really very strange.

The part of the terrorist leader's body was starting to turn green, it seemed the projectile just now contained fast acting poison.

"damn it" the terrorist leader immediately took the antidote, luckily he brought the bidding drug, so he could still be safe.

**"Perfect Steal"** Ye Chen used Perfect Steal to steal the antidote from the enemy.

"Hmmm, so this is the antidote, very interesting" Ye Chen said to the leader of the terrorists.

the leader of the terrorists was dumbfounded by what did , Ye Chen used a very strange and unreasonable technique.

"quickly return it to me" the leader of the terrorists told Ye Chen to return the object to himself.

"Why should I do it, what if I don't want to do it" Ye Chen asked the terrorist leader who was in pain.

"quickly give me the antidote, it hurts" the leader of the terrorists said to Ye Chen.

"Do I care about you, I don't really care about you" Ye Chen said that he didn't really care about what happened to the terrorist leader.

"If you give it to me, I will tell you what you need" the leader of the terrorists said to Ye Chen.

"hahahaha" Ye Chen laughed when he heard this.

"Why are you laughing?" the leader of the terrorists asked Ye Chen, why did Ye Chen laugh like that.

"That's funny, I'm telling you one more time, to be honest I don't need that." Ye Chen said that he didn't need any information, he could easily find what he wanted.

Earth is not as big as the God Realm, if Ye Chen wants to find someone, then he can easily find him, he doesn't need the help of the terrorist leader.

"enjoy" Ye Chen said to the leader of the terrorists.

"damn it, I will kill you" the leader of the terrorists roared as loud as he could, he tried to reach out and kill Ye Chen.

Ye Chen left this place, he immediately threw the antidote potion out of the plane.

Ye Chen left the terrorist leader, himself went straight to where Su Mengxin and Lin Rouxi were.

Su Mengxin and Lin Rouxi gathered around, there was also the frightened Ling Yin and several flight attendants.

"How are you ?" Ye Chen asked Su Mengxin, Ling Yin and Lin Rouxi.

"Everything is safe and there were two people who died in the pilot section, besides that they are all safe" Su Mengxin said to Ye Chen, herself told that everything was safe and under control,

"then let's go straight away" Ye Chen decided to immediately take this plane , he used his own power to go to the destination that is the western continent.

They quickly arrived at the western continent, they immediately got off and took the plane to the international airport.

"We have crashed the plane, I will contact Grandpa and tell him to take care of this, I will also report what happened to Grandpa." Su Mengxin said to Ye Chen, she would tell Su Wansen about what happened.

"I will look for the person who sent them" Ye Chen would look for the person who had sent the person to kidnap Su Wansen, this person most likely had interference with the parasite that was able to increase one's strength, but also had a terrible effect.

"I understand" Su Mengxin understands, she will follow, if everything is done in this place.

Su Mengxin left, she was going to report this matter to her grandfather.

"let's go, I will accompany you" Lin Rouxi said to Ye Chen, she would accompany Ye Chen.

"Aren't you together with Ling Yin for a while" Ye Chen asked Lin Rouxi.

"We can take him with us, maybe by fighting, he can remember that he is a strong cultivator." Lin Rouxi wanted to take Ling Yin too, if they showed battle to Ling Yin, maybe she would remember the past.

"he used to be quite good, maybe this will work" Ye Chen agreed, maybe this will work and it is worth a try.

"Ling Yin's strength is still quite high, should be nothing that can harm Ling Yin.

this was also a good opportunity to show Ling Yin that he was a very powerful person.

"Then let's go, come with me" Ye Chen invited Ling Yin and Lin Rouxi, they were looking for the former member of Chaos Bridge who had caused trouble for them.

The three of them left, they searched for the whereabouts of the person they were looking for.

Ye Chen probably didn't know what the enemy looked like, so the first thing Ye Chen had to do was go and immediately look for the nearest laboratory around this place.

Ye Chen is able to use his God Eyes, this allows Ye Chen to see anything on earth.

With this kind of strength, Ye Chen should be able to see anything in sight, he should be able to see every person on earth.

"I found a very large laboratory" Ye Chen found out the existence of the hidden largest laboratory, he saw the terrible research in this place.

"I found something interesting" Ye Chen said that he found something interesting, he found a hidden place used to research inhuman and strange things.

"You've found it" Lin Rouxi asked Ye Chen, Lin Rouxi wanted to know whether Ye Chen had found what he was looking for or not.

"I've found what we're looking for, so let's go" Ye Chen said to Lin Rouxi and Ling Yin, himself inviting the two of them to go to the place he just found.

The distance of that place was about several hundred miles from this place, Ye Chen and Lin Rouxi only needed a few seconds to reach the hidden laboratory.

"This is a forest right?" asked Lin Rouxi to Ye Chen.

"That's right, it's under us" Ye Chen said to Lin Rouxi.

Lin Rouxi used her Spirit Sense, she could easily discover that below was an extremely large building.

"It's huge, it's probably tens of kilos in size" Lin Rouxi said to Ye Chen.

"We can definitely find what we are looking for in this place, I can feel the strong people under there" Ye Chen said to Lin Rouxi, he could feel the existence of the strong people down there.

what feel Ye Chen was feeling.

"There are two strong people, the rest are much weaker." Lin Rouxi very quickly counted the number of enemies, herself counted the number of enemies very quickly.

"You already got their location, so let's get started" Ye Chen said to Lin Rouxi.

"um" Lin Rouxi nodded.

"come along, I will teach you how to fight" Lin Rouxi said to Ling Yin, she would teach Ling Yin how to fight.

"But I can't fight" Ling Yin said that he couldn't fight, he didn't know how to fight.

#### [Chapter 2135 Dark Chaos Parasite \(1\)](#)

"don't worry, I'll let you learn quickly" Lin Rouxi said to Ling Yin.

Even though Ling Yin's memory was gone, in reality, she still had high cultivation, so she should be able to fight.

So it shouldn't be difficult for Ling Yin to learn from Lin Rouxi.

"I will also teach you, you rest easy" Ye Chen will also help Ling Yin, he will ensure that Ling Yin can use the power of the wind that he has.

"Okay" since Ye Chen and Lin Rouxi are insisting, then Ling Yin will follow what the two of them said, she will do her best to do what Ye Chen and Lin Rouxi said.

"then let's go inside" Ye Chen said to Lin Rouxi and Ling Yin, time for them to go inside.

Ye Chen didn't bother to use the back door, he directly used his strength to enter through the front door.

"Boom" Ye Chen used the strength he had, using his own strength, Ye Chen very easily penetrated the ground below, Ye Chen made a very large hole to get into.

"let's go in" Ye Chen said to Lin Rouxi and Ling Yin, he told the two of them to enter immediately.

Lin Rouxi and Ling Yin walked in, the two of them followed Ye Chen inside.

"alerts . . ., alerts . . ., alerts . . ., alerts . . ., alerts . . ." Alarm sounds started to sound, everyone of course was immediately alerted to the arrival of any intruders who entered their territory.

"Husband, they will probably run away" Lin Rouxi said to Ye Chen, the enemy would most likely leave and escape from this place.

"Don't worry, I'll use the power of the ground to create a wall, I'll block their escape route." Ye Chen said that he would block the enemy's escape route.

"Then I will use my water power, **Ocean Prison**." Lin Rouxi used Ocean Prison, she imprisoned everyone in this place.

This place started to get flooded with a lot of water, everyone drowned and couldn't move anymore.

With the strength and ability possessed by Lin Rouxi, Ye Chen could easily advance without bothering to defeat the enemy.

"Yin, I will teach you how to fight enemies" Ye Chen said to Ling Yin, he will teach Ling Yin how to fight enemies.

Ye Chen had a very good technique for Ling Yin, with this technique Ling Yin should be able to fight his enemies easily.

Ling Yin nodded lightly at Ye Chen, she accepted the technique given by Ye Chen.

"can you use it" Ye Chen said to Ling Yin, he told Ling Yin to learn it.

"I will do it" Ling Yin will try it, she will try to do what Ye Chen said.

"That's great" Ye Chen really believed in Ling Yin's ability, he was sure that Ling Yin could use this technique easily.

Ye Chen gave Ling Yin a technique called Wind Shadow Silent Art, this was the most excellent technique for Ling Yin who had an assassin base.

With this Ling Yin will be able to fight enemies more efficiently and not be easy to find.

"Husband, I have locked up everyone, only the two most powerful people are left, they don't seem to be moving" Lin Rouxi said to Ye Chen.

"let's wait for Ling Yin for a moment, they will have no way of getting out" Ye Chen said to Lin Rouxi.

"I will restrain them, they won't be able to escape" Lin Rouxi said to Ye Chen.

Lin Rouxi and Ye Chen could restrain everyone, they waited for Ling Yin to learn the Wind Shadow Silent Art, they helped Ling Yin quickly learn the Wind Shadow Silent Art.

"who's outside, they've got everyone caught" the two men on the inside want to know who stormed into their base.

"The cameras are all broken, we don't know who they are, plus they weren't detected by us, they are pretty awesome" another man said to the former Chaos Bridge member.

The former name of Chaos Bridge is Westker, and another one is Ceinz he is a member of the terrorists and is the biggest black market dealer on earth.

"Westker, is it necessary for me to directly go and arrest that person?" Ceinz asked Westker, he wanted to restrain Ye Chen.

"It is not necessary, this is a very perfect time for me to try my invention" Westker wanted to try his invention, this is a very perfect opportunity to test his invention.

"What invention you have, is something that can make the world chaotic, for almost 2 years the world has been peaceful due to great chaos, it is time for us to start wreaking havoc on this world" Westker told Ceinz.

Westker opened something, he opened a huge monster that was very terrible, this big monster was terrible and had lots of living tentacles.

"This is the Dark Chaos parasite" this is a monster that will suck cultivators and make them as fuel, this is an invincible weapon and will hunt all mankind wherever they are, it is also very strong and not easy to kill, regeneration and its durability is the best among all my inventions" Westker told Ceinz.

"This is great, why didn't you get this out long ago, maybe the world would change if you showed this long ago" Ceinz told Westker.

"It's still at the development stage, the power to control this monster is very limited, it took me a very long time to be able to control this monster using the mind, after doing various experiments, I finally found a way to control the Dark Chaos parasite" Westker said that he now knew how to control the Dark Chaos Parasite.

"Then show me, I want to see it right now" Ceinz said to Westker, he wanted to see the power of the Dark Chaos parasite, if what Westker true, then he could sell this for a very high price and it would be used as a combat weapon for the world.

The world will again enter into a great battle, this will no longer be the underground battle it used to be, this will be a great battle involving everyone.

"Then I'll show you this right away." Westker was about to display the power of the Dark Chaos Parasite.

He started to raise his hand, a contract clearly visible on the back of Westker's hand.

The contract mark started to glow, when this contract mark glowed, the Dark Chaos parasite started to awaken, it rose and stood up.

"Roars . . ." an roar extremely powerful

"Wow, this is strong, this will be a powerful weapon," said Ceinz to Westker, Ceinz said that the weapon made by Westker was very great.

When Ceinz said that the Dark Chaos parasite looked at Ceinz with an extremely strange look.

"what are you looking at" Ceinz was horrified when the Dark Chaos parasite, he was horrified.

Dark Chaos Parasite directly reached Ceinz, he immediately ate Ceinz.

"No, what are you doing? Westker quickly stop this monster." Ceinz asked Westker, he told Westker to stop the Dark Chaos Parasite.

"Why should I stop him, this is a very good opportunity, I want to see his strength after devouring you" Westker said that he wanted to devour Ceinz and use it as fuel to make the Dark Chaos parasite even stronger.

#### [Chapter 2136 Dark Chaos Parasite \(2\)](#)

"damn, how dare you take advantage of me" Ceinz said in an unhappy tone, how could he be used like this, this was an insult to Ceinz.

"Just enjoy, you will be part of my masterpiece" Westker told Ceinz.

Ceinz was starting to be devoured by the Dark Chaos Parasite, he had no chance to fight back, all of his powers were quickly gone, he was now nothing more than an ordinary human with no powers.

"hahahaha" Westker laughed, after the Dark Chaos parasite absorbed Ceinz, he became more and more powerful, this Dark Chaos parasite became an even more terrifying weapon than before.

"After absorbing Ceinz, the Dark Chaos parasite became extremely powerful, it grew bigger and its aura became even more terrifying.

"Excellent, this works" Westker was very happy that his invention worked perfectly.

"Now let's see its strength, whether it is able to handle intruder, Westker wanted to see if the Dark Chaos parasite was able to handle Ye Chen.

"my son, listen to my orders, go and destroy the intruders, this is the order of your creator" Westker order Dark Chaos Parasite to hunt down and kill Ye Chen.

"Roars . . . The Dark Chaos Parasite roared, the monster roared and started carrying out a powerful attack on the area around this place.

"what is that" Lin Rouxi could hear a terrible and loud roar, this clearly belonged to a monster.

"There is a huge monster ahead." Ye Chen saw that in front was a huge monster with several tentacles on its body.

"Is it dangerous?" asked Lin Rouxi to Ye Chen, Lin Rouxi wanted to know whether the monsters ahead were dangerous or not.

"Let me see" Ye Chen wanted to see if the monsters ahead were dangerous or not.

Ye Chen observed and watched what the doing , he wanted to know what the doing Dark Chaos parasite.

The Dark Chaos Parasite began to absorb all the power of the nearby cultivators, it used its tentacles to devour everyone.

"Alright, it seems this monster is quite dangerous." Ye Chen saw that the Dark Chaos parasite was quite dangerous.

"Wife, this monster is capable of absorbing the power of a Cultivator, so be careful when fighting it" Ye Chen said to Lin Rouxi.

"he can absorb power, wouldn't that be a dangerous" Lin Rouxi asked Ye Chen.

"We don't know yet how strong the monster can absorb power, with the high cultivation we have should be it unable to absorb us" Ye Chen said to Lin Rouxi.

"Um" Lin Rouxi totally agreed with what said what said with Ye Chen, so they didn't have to worry too much.

"I've learned some" Ling Yin said to Ye Chen, she telling Ye Chen that she had learned what Ye Chen gave her.

"That's great, so you can already use the Wind Shadow Silent Art." Ye Chen was happy when he heard this, it seemed that Ling Yin was much more talented than Ye Chen imagined.

"Then let's go, I will train you to fight" Ye Chen said to Ling Yin, he told Ling Yin to fight together with him.

Ling Yin understood, she wanted to fight together with Ye Chen, he wanted to know Ye Chen's strength.

Ye Chen, Ling Yin and Lin Rouxi stepped forward, the three of them started advancing and descending downwards.

The Dark Chaos Parasite also started to rise, they would probably run into the Dark Chaos Parasite sooner or later.

"it's ahead, prepare yourselves" Ye Chen said to Lin Rouxi and Ling Yin, their enemies were ahead.

"Yin, you use the new technique I gave you, hide and attack him if you get the chance, you can definitely do it" Ye Chen said to Ling Yin, he gave a lesson to Ling Yin and told him how to use his technique.

"I understand" Ling Yin understood, he understood what he had to do, he knew that he had to do as Ye Chen said.

"I will be behind and protect you from afar" Lin Rouxi said to Ye Chen, she would tell Ye Chen that she would be behind and give Ye Chen a hand.

"Just leave this to me" Ye Chen said to Lin Rouxi, he was going to fight the Dark Chaos Parasite.

"Boom. . . ." The Dark Chaos Parasite began to approach, this monster began to approach towards Ye Chen, in an instant it should have arrived at Ye Chen's place.

Ye Chen saw the figure of a terrifying monster with several tentacles creeping up the wall. These tentacles had already devoured countless victims. Those who touched the tentacles of the Dark Chaos Parasite would be directly sucked in and had no strength in their bodies.

"Roars. . ." The Dark Chaos parasite looked at Ye Chen, he could see that Ye Chen's body was radiating an enormous power.

The Dark Chaos parasite rushed forward, it charged towards Ye Chen and directly attacked Ye Chen with its tentacles.

"Ying'er is out, I need help" Ye Chen called Yin Ying'er, he needed help from Yin Ying'er.

"master, do you need help, it's been a long time" Yin Ying'er said to Ye Chen, it's been a long time since she was summoned by Ye Chen.

Yin Ying'er played with the little Shen Niang, so she didn't really care when Ye Chen didn't call her.

"of course, it's time to fight the ugly monsters" Ye Chen said to Yin Ying'er.

Ye Chen wanted to fight this ugly monster in front of him, He needed Yin Ying'er to destroy this ugly monster.

Ye Chen knows that this monster must have great regeneration ability, from its body alone Ye Chen can see that every part of it can heal and move like a living thing.

"Okay" Yin Ying'er understood, herself came out and decided to help Ye Chen deal with the Dark Chaos Parasite.

The Divine Yin Yang Sword appeared in Ye Chen's hand, after the Divine Yin Yang Sword appeared, Ye Chen directly stepped forward and attacked the Dark Chaos Parasite.

"arghhhhh" the Dark Chaos Parasite roared, the wound inflicted by Ye Chen was so terrifying, it could no longer recover.

"Roar" The Dark Chaos Parasite was angry at Ye Chen, he saw that Ye Chen had a weapon capable of destroying him.

Ye Chen had cut off all the tentacles that the Dark Chaos Parasite had, this was an excellent opportunity for Ling Yin to attack.

Ling Yin was waiting for Ye Chen's signal, after which Ling Yin would attack.

"lets do it. . ." Ye Chen told Ling Yin to do it, this was an extremely good opportunity to carry out an attack.

The parasitic Dark Chaos let out a torrent, it gathered strength and intended to shoot Ye Chen down.

"Jlub. . . ." from behind, Ling Yin executed a stab, she stabbed the Dark Chaos parasite that was charging to shoot Ye Chen.

Ling Yin stabbed the Dark Chaos parasite in various places, she did this with extremely agile and silent movements, even Ye Chen couldn't hear the sound of 's Ling Yin

"That's great" Ye Chen smiled, he saw that Ling Yin was already capable of using the **Wind Shadow Silent Art**.

"Roars. . ." The Dark Chaos Parasite was angry at Ling Yin, he was trying to catch Ling Yin who was making a sneak attack.

Ling Yin avoided all the attacks, for some reason she was able to do this so easily, she felt that she could dodge the enemy's attacks.

Ye Chen and Lin Rouxi witnessed fight 's both of them could immediately conclude that Ling Yin was extremely skilled.

### [Chapter 2137 Dark Chaos Parasite \(3\)](#)

"Very good, keep it up." Ye Chen said to Ling Yin, he told Ling Yin to maintain the attack position being carried out.

When Ling Yin attacked the Dark Chaos parasite, she felt a familiar feeling, she could feel that she had fought against strong enemies.

Even though some memories of the past began to resurface in Ling Yin's memory, Ling Yin began to remember who she was and what she did in the past.

"Is that the past that I have?" For a moment Ling Yin finally saw her past, her memories of the past started coming back and she started to remember who she was.

"Don't daydream, focus on the battle" Ye Chen said to Ling Yin, he told Ling Yin to focus on the battle.

For a moment, Ling Yin looked dazed, so it wouldn't be strange for Ye Chen to scream and wake her up, Ye Chen helped Ling Yin, he resisted the attack from the Dark Chaos parasite so that Ling Yin would not be injured.

Ye Chen wouldn't let Ling Yin get hurt again, he had already made a mistake, so he didn't want to make a second mistake again.

"go" Ye Chen swung the Dark Chaos parasite, Ye Chen made the Dark Chaos parasite bounce away.

"What's wrong with you ?" After making the Dark Chaos parasite crippled for a while, Ye Chen asked Ling Yin, he wanted to know why Ling Yin was blank and didn't do anything.

"I think I already remember who I am" Ling Yin said that she already remembered who she was.

"Really, so you remember?" Ye Chen was happy when he heard the news from Ling Yin, he was happy that Ling Yin finally remembered who she was.

"I am Ling Yin, I am the one who hunts bad people, I will never forget that" said Ling Yin.

Ling Yin remembers her past, herself hunting bad people and killing them.

"thank you very much, I will start fighting the monster" Ling Yin thanked Ye Chen, she was about to start fighting the Dark Chaos parasite.

Ling Yin seemed to have regained her confidence, it was obvious that the current Ling Yin had a lot of confidence in herself.

Ye Chen saw Ling Yin, he saw Ling Yin's figure in the past, he seemed to start to remember his past.

"Hurricane vortex" Ling Yin used a hurricane vortex, a whirlwind appeared and started to devour the body of the Dark Chaos parasite.

Dark Chaos parasite sucked into the hurricane vortex, the monster was sucked in and started to crumble and grind into small pieces.

The vortex created by Ling Yin is like millions of invisible swords, once it enters, then no one will survive.

"already destroyed?" Ling Yin crushed his enemy with ease, the parasitic Dark Chaos was completely destroyed by Ling Yin.

"very good" Ye Chen said to Ling Yin, Ye Chen praised Ling Yin for doing good things.

"Thank you, thanks to my husband, I'm starting to remember, what actually happened to me right now?" Ling Yin asked Ye Chen, how could her own memories just disappear.

"It's a bit long story" Ye Chen told what Ling Yin had been through, Ling Yin had been through painful things for almost 2 years.

"roar" a roar sounded again, the Dark Chaos parasite again rose from underground, its size became bigger than before.

"husband" Lin Rouxi's said to Ye Chen, she told Ye Chen that the Dark Chaos parasite had gotten bigger .

"How could that be, should have destroyed it already" Ling Yin said in disbelief.

"You are indeed great, but destroying the masterpiece that I created is a difficult thing to do." Westker appeared in front of Ye Chen, Ling Yin and Lin Rouxi

Westker told Ling Yin that destroying the monster he made was impossible.

"So you are the mastermind in behind" Ye Chen saw the mastermind behind all this, he could see a middle aged man who had controlled the Dark Chaos parasite

"of course, I am the one who made the mess" The Dark Chaos parasite was created by Westker, he is a chaos maker on earth.

in past, Westker was one of the people with a terrible purpose, he has made many murderous weapons in this world, and all of them were used by Chaos Bridge to gain victory in various battles.

"I don't understand, what is your purpose in making such strange things, you shouldn't get anything from doing this kind of thing" Ye Chen said to Westker.

"Hahaha, that's you guys, you all know nothing about the things I like, you cultivators only know how to use weapons made without knowing the value of these things." Westker said to Ye Chen, he said that Ye Chen didn't know the value of a weapon made by him.

"The weapon you made made this world chaotic, if that creature is released to the surface, then there will be lots of people suffering" Ye Chen said to Westker.

"That's my goal, I like to see other people suffer, it's a very pleasant thing to see, people's screams and desperate screams are very beautiful things to listen to" Westker to Ye Chen.

"he is just a madman, so why should we listen to him" Lin Rouxi felt that the man in front of her crazy, how he wants to fight while everyone else wants to get peace and live well.

"That's absolutely true, from his words alone we can see that he is a crazy." Ling Yin quite agreed, she quite agreed with what said Lin Rouxi

"As I thought, in this world no one can understand me, that's why I will destroy the world that doesn't understand me" Westker was angry, he ordered the Dark Chaos parasite to attack Ye Chen and sucked the power of Ye Chen, Ling Yin and Lin Rouxi.

as long as he could absorb the strength possessed by Ye Chen then it was certain that he would become the ruler of this world.

"We can't persuade him, then let's solve this problem." Since Westker doesn't want to cooperate with Ye Chen, then Ye Chen only needs to destroy the two of them in this place.

"I will destroy you along with this place" Ye Chen said that he would destroy Westker along with this place.

Ye Chen used God Fire Sword, he would destroy Westker and the parasites using the God Fire Sword.

"Ying'er" Ye Chen used Ying Er, he combined the power of the God Fire Sword and the Divine Yin Yang Sword.

Ye Chen combined the two into a stronger sword, the Divine Yin Yang Sword could easily receive Ye Chen's power and emit super hot profound flames and was even capable of melting the ground around.

The temperature was rising rapidly, this place started to burn and gave off an enormous amount of steam.

Wisps of steam and smoke enveloped this place and blurred the vision of the enemy.

"what is this ?, how does he have this much power, this person is dangerous, I must immediately finish this person" Westker knew that Ye Chen was a dangerous person for his future plans, so he had to get rid of Ye Chen as soon as possible.

"Quickly attack that person." Westker ordered the Dark Chaos parasite to quickly absorb Ye Chen, as long as the Dark Chaos parasite could absorb Ye Chen, then everything should be fine.

[Chapter 2138 Hundreds Of Nuclear Bombs That Can Destroy Life On Earth](#)

The Dark Chaos parasite used its tentacles, when the Dark Chaos parasite used its tentacles, Ye Chen's fire immediately burned the Dark Chaos parasite's tentacles.

Dark Chaos parasite attack didn't work, he didn't manage to get close to Ye Chen.

"This won't work, then shoot a laser at him." Westker had to immobilize Ye Chen, that would make it easier for the Dark Chaos parasite to absorb Ye Chen's power.

The parasitic Dark Chaos gathered strength again, it intended to shoot a laser towards Ye Chen.

This time Ye Chen didn't stay silent, he used the God Fire Sword and Divine Yin Yang Sword to destroy the enemy.

The Dark Chaos parasite was penetrated by the combination of the God Fire Sword and the Divine Yin Yang Sword, in the body of the Dark Chaos parasite a gigantic hole appeared, its body started to burn by the profound flames.

"huh?" Westker was shocked when he saw this, to be honest he was quite surprised when he saw the Dark Chaos parasite penetrated so easily by Ye Chen's attack.

The Divine Yin Yang Sword's ability was to nullify regeneration, so the Dark Chaos parasite could no longer regenerate.

The Dark Chaos parasite was burning, it was extremely quickly burned and was crushed to ashes by Ye Chen's profound fire.

"No way, why don't you heal yourself, do it quickly" Westker said to the Dark Chaos parasite, he ordering the Dark Chaos parasite to heal.

The Dark Chaos parasite burned and turned to dust, in an instant it crumbled into dust and disappeared into thin air.

"destroyed" Westker couldn't believe what happened, he couldn't believe that the Dark Chaos parasite he created was just destroyed by Ye Chen.

"everything has been destroyed, the monsters you created were weak and lacked intelligence" Ye Chen said to Westker.

Ye Chen said that the Dark Chaos parasite is very weak, that's what makes the Dark Chaos parasite easy to destroy.

"Hahahaha" Westker laughed, he laughed when he saw all his efforts just crumble.

"So interesting, so I lost" Westker lost, he had been beaten by Ye Chen.

"Why are you laughing, is there something funny" Lin Rouxi asked Westker, Westker was a crazy

"Very funny, you guys are really very funny, I like this, you have beaten me, then I will take you with me" said Westker on Ye Chen, Lin Rouxi and Ling Yin.

Ye Chen, Lin Rouxi and Ling Yin didn't know what Westker was trying to do, to be honest this man was a little crazy and unreasonable.

"Crack" earthquakes started to occur under Ye Chen's feet, enormous shaking started to emerge from below.

"This place will collapse" Ye Chen saw that this place was about to collapse.

"It's too late, you guys won't be able to escape, I've planted hundreds of active nuclear bombs in this place, once it explodes it will destroy all of you and bring the world into a terrible disaster.

"hundreds. . ." when hearing this, Lin Rouxi was shocked, if all of that exploded, then the earth would definitely become a very poisonous place, humans couldn't possibly live in a place full of contamination.

Even cultivators like them would be unsuited to cultivating in a place full of hazardous waste.

"We have to stop it, otherwise the life on earth will be destroyed" Lin Rouxi said to Ye Chen, she told to stop the disaster from happening, otherwise the earth will be destroyed.

"You guys won't make it, this is the end of the world, the new world will live with poison" Westker said to Ye Chen.

"quickly tell me where the button to stop it?" Ye Chen asked Westker

"nothing, once used it can't be stopped" Westker said to Ye Chen.

"Damn you crazy person, this world doesn't need a crazy person like you" Ye Chen couldn't let people with crazy thoughts live, he used his sword to kill Westker.

Westker was stabbed by Ye Chen's sword, even though he knew that he would die, Westker still smiled with satisfaction, this was his victory.

"alert. . . , alert. . . , alert. . . , alert. . . , alert. . . ," the warning alarms continued to sound, it was clear that Westker wasn't messing with what he was saying.

The countdown starts, the nuclear bomb will explode within 60 seconds from now on.

"what should we do" Ling Yin asked Ye Chen and Lin Rouxi, what should they do to stop this chaos.

"There is no other choice, I will freeze this entire place" Ye Chen had one choice, he had to freeze this entire place and prevent a great cataclysm from destroying the Earth.

Ye Chen would not allow his abode to be destroyed, he had to protect the earth no matter what.

**"Frost Age"** Ye Chen used Frost Age, he started to freeze this place to the bottom.

Ling Yin saw what Ye Chen was doing, when Ling Yin saw this, she remembered Ye Chen more and more, she remembered what she had done with Ye Chen.

This was a man who could accept and help Ling Yin solve problems, as well as help her take revenge on the person who destroyed her family.

Ye Chen froze everything, he froze the nuclear bomb below.

Frost Age is able to freeze all objects below, so the nuclear bomb cannot explode.

"It's a good thing that you can use super powerful ice techniques." Lin Rouxi sighed, she was relieved that Ye Chen could deal with this problem, otherwise there would probably be another great disaster on Earth.

"everything is fine, I have frozen all the nuclear bomb" Ye Chen was relieved that he was able to solve this problem, luckily Ye Chen was able to deal with this problem.

"husband" Su Mengxin's came, she descended from the sky and asked what happened to Ye Chen.

Su Mengxin had come at an inopportune time, they had all solved the problem, Ye Chen had won and solved the problems that existed in this place.

"Sister Mengxin" Ling Yin came over and approached Su Mengxin, she hugged Su Mengxin who was in front of her.

"what's wrong ?" Su Mengxin asked Ling Yin she wanted to know what happened to Ling Yin.

"It's okay, I just want to hug you." Ling Yin said that he just wanted to hug Su Mengxin.

Su Mengxin didn't understand, it seemed that she had missed quite a few things.

"So what happened in this place" Su Mengxin asked Ye Chen and Lin Rouxi, she wanted to know what just happened here.

Ye Chen explained what happened to Su Mengxin, he explained in great detail to Su Mengxin, with an easy explanation, Su Mengxin finally knew what happened here.

"So it's like that, then we have to clean up this place immediately, it's quite dangerous to let that thing stay buried in this place" Su Mengxin said to Ye Chen, she told Ye Chen to clean up this place before they left.

"I totally agree, we can't just let a dangerous thing get away with it, if it's used by bad people, then it will put the earth in danger again" Lin Rouxi said to Ye Chen.

The biggest danger is poison radiation, it is the most dangerous thing and must be avoided by all of them.

"Come on, I'll help you clean up this place." Ye Chen will help clean up this place.

Ye Chen, Lin Rouxi, Ling Yin and Su Mengxin worked together to clean up this place.

They clean and destroy nuclear bombs, so that they are no longer used by others.

Ye Chen together with Lin Rouxi, Ling Yin and Su Mengxin only needed 30 minutes to do it, they had already finished cleaning this place and made sure that everything was sterile.

#### [Chapter 2139 I Want To Free Hang Sayu](#)

"It's finally done, then all the trouble is over" Lin Rouxi and Su Mengxin were happy, everything was over and they could continue their vacation.

Ling Yin had also remembered who she was, they only needed a bit more to make sure that Ling Yin remembered everything properly and correctly.

"Let's enjoy the holidays, I have already booked a hotel and inn for the four of us" Su Mengxin informed Ye Chen that she had already booked a hotel for them to use.

This was an extremely good time for them to enjoy their vacation on earth, Su Mengxin also wanted to try to experience what it was like to vacation in the western continent.

Ye Chen of course agreed, He wanted to holiday with Lin Rouxi, Ling Yin and Su Mengxin.

Ye Chen and the others were brought by Su Mengxin to the inn, they immediately checked in.

"what a beauty" Ling Yin looked out, outside she could see a vast expanse of sand and ocean.

"This place is really nice, there aren't too many people in this place either" Lin Rouxi said while looking at the scenery outside.

"That's because I have already rented this entire place" Su Mengxin said to Ling Yin and Lin Rouxi, she informed him that this entire place had been rented by her.

"huh, you rented everything" Lin Rouxi didn't expect that Su Mengxin would rent the entire place.

"That's because I don't want to be disturbed." Su Mengxin didn't like bullies, that's why she rented the entire area around.

With Su Mengxin's wealth, she could do such crazy things.

"I didn't expect that you could do such a thing," Ye Chen said to Su Mengxin.

"That's because this place currently uses a similar currency in the God Realm, you know that I only need to use one Divine Rainbow Crystal to rent the entire place," Su Mengxin said to Ye Chen.

Su Mengxin had quite a number of Divine Rainbow Crystals that came from Ye Chen, so it wouldn't be strange for her to be free to use them.

Plus now that Ye Chen had too many Divine Rainbow Crystals, Su Mengxin could easily use them for their benefit.

"Yeah, since it's like this, let's enjoy it all." Ye Chen told Lin Rouxi, Ling Yin and Su Mengxin to enjoy what they had ordered.

"Okay" Lin Rouxi, Ling Yin and Su Mengxin didn't hold back, they agreed with what Ye Chen said.

"let's go shopping" Su Mengxin asked Ling Yin and Lin Rouxi to go shopping again, they might be able to get more beautiful clothes in a place that is the center of world fashion.

"Come on" Lin Rouxi and Ling Yin quickly agreed to Su Mengxin's invitation.

"Husband, you want to come?" Su Mengxin asked Ye Chen, Su Mengxin wanted to invite Ye Chen to come with them.

"no, I'll just stay here, you guys go together" Ye Chen said to Su Mengxin.

Ye Chen didn't come, for now Ye Chen is here, Ye Chen already knows what Su Mengxin is going to do, so he doesn't want to interfere in this matter and chooses to stay in this place.

"Too bad, then we'll be right back, we can't bear to leave you alone" Su Mengxin said to Ye Chen.

Su Mengxin left together with Lin Rouxi and Ling Yin, the three of them left Ye Chen and went shopping.

Ye Chen sat by the window, he looking outside and enjoying the scenery outside.

"It seems you succeeded" Chu Yuechan said to Ye Chen, Ye Chen had succeeded, he made Ling Yin remember.

"It seems that there are still some memories that haven't returned yet, but it doesn't really matter, the important thing is that he has remembered everyone" Ye Chen said to Chu Yuechan.

"That's absolutely true" Chu Yuechan agreed with what Ye Chen said, Ye Chen just needed to be more patient.

Chu Yuechan came out, she appeared in front of Ye Chen, she climbed on Ye Chen's body.

"oh, it's rare for you to want to come out" Ye Chen said to Chu Yuechan who was in front of him.

"Do you really want me out?" Chu Yuechan asked Ye Chen.

"Of course, you should often go out, it would be easy if you can accompany me" Ye Chen said to Chu Yuechan, Ye Chen wanted Chu Yuechan to go out more often.

"If that's what you want, then I'll be out a lot." Chu Yuechan answered Ye Chen's request, she would probably be out a lot.

"So why did you come out, do you want to enjoy the view here or is there something else?" Ye Chen asked Chu Yuechan.

"It's about Hang Sayu, are you going to let her go or not?" Chu Yuechan said to Ye Chen, she told what she wanted.

"So what ?" Ye Chen asked Chu Yuechan.

"It seems she has given up, so why don't we let her go" Chu Yuechan said to Ye Chen.

"Hmmm, you can just say this to Shui Yixian" Ye Chen told Chu Yuechan to discuss this matter with Shui Yixian

"I already did that, she said to ask you, so to speak all decisions are in your hands" Chu Yuechan said to Ye Chen, she told that Shui Yixian needed permission from Ye Chen.

How could Ye Chen be the one who had caught Hang Sayu, so Shui Yixian had to ask Ye Chen for permission to let Hang Sayu go.

"as long as she is willing to change, then it's fine" Ye Chen said to Chu Yuechan, she gave permission, as long as Hang Sayu changed then Ye Chen allowed it.

"Don't worry, I have confirmed that she has changed a lot." Chu Yuechan had already confirmed that Hang Sayu had changed, so Ye Chen didn't need to worry about this matter.

besides, Hang Sayu was only brainwashed from the start, so none of this was Hang Sayu's fault.

"Okay, I'll do it." Chu Yuechan understood, she was going to release Hang Sayu.

Chu Yuechan was enjoying the scenery together with Ye Chen, Ye Chen was especially happy when he saw a beautiful woman accompanying him to see the scenery outside.

"Click. . ." after a few hours, finally Lin Rouxi, Su Mengxin and Ling Yin returned.

"they took quite a while, it's a good thing I didn't come along" Ye Chen was lucky not to go, otherwise he would probably have waited a long time.

"Husband" Su Mengxin said to Ye Chen, she seems to be enjoying this vacation.

"what is it ?" Ye Chen replied, he was currently sleeping on the chair very leisurely.

"We bought some clothes that are hard to find at our place, do you like it?" Su Mengxin said to Ye Chen, she showed some good clothes.

"You bought all that" Ye Chen didn't expect Su Mengxin to buy clothes again, women really like good clothes.

"Of course, I can't wait to try it" Su Mengxin said to Ye Chen.

"right?" Su Mengxin said to Ling Yin and Lin Rouxi.

"Yeah, maybe I don't mind giving it a try" Lin Rouxi said to Ye Chen.

"I want to use it and do it with husband" Ling Yin said to Ye Chen.

#### [Chapter 2140 Can You Help Me Apply Sunblock](#)

"The words chosen by Ling Yin are the most stimulating for men, she seems to have been waiting for this day for a long time.

"then let's change" Su Mengxin took Lin Rouxi and Ling Yin to change, they were about to show Ye Chen surprise.

"Fufufufu, three of them are quite excited" Chu Yuechan said to Ye Chen.

Chu Yuechan saw that they were quite excited, they seemed to want to help Ye Chen get Ling Yin.

"I wonder what they will use." Ye Chen was also curious about what they would use.

Actually Ye Chen could use the strength he possessed to peek at Lin Rouxi, Su Mengxin and Ling Yin, problem would be that it wouldn't be very pleasant and would ruin the surprise given by the prettiest wife he had.

"Click. . ." after a few minutes, finally Ling Yin, Su Mengxin and Lin Rouxi came out, they came out wearing flight attendant outfits that were much sexier than before.

"Oh, so you guys bought better ones, that's great, I really like them" Ye Chen saw that Ling Yin, Su Mengxin and Lin Rouxi finally bought clothes that were much prettier and nicer than before.

the clothes that Mengxin and Lin Rouxi took off were more revealing than before, the curves and gaps between the two peaks could be seen very clearly by Ye Chen, plus the skirt she was wearing was much shorter compared to before.

And one more thing, the person wearing this outfit was extremely beautiful, especially a mature woman like Su Mengxin, her burgeoning body wrapped was neatly

Lin Rouxi did not lose, and her body can also be said developed quite well.

While Ling Yin was the most suitable, she had a slender body that suited this outfit.

"You all look very beautiful" Ye Chen gave his opinion, he said that all looked very beautiful and full of charm.

"I thought that you prefer this kind of thing" Lin Rouxi said to Ye Chen, she saw that Ye Chen much preferred this kind of thing.

"Isn't it too soon to use that thing?" Ye Chen asked Ling Yin, Su Mengxin and Lin Rouxi.

"We just want to show you off a bit, it will be used later tonight" Su Mengxin said to Ye Chen.

Su Mengxin and others just wanted to tease Ye Chen, The three of them wanted to tease Ye Chen and make Ye Chen imagine what they would do later.

This was only a part of what Ling Yin, Su Mengxin and Lin Rouxi had, there were still a lot of tempting clothes that they hadn't shown yet, they would show them tonight.

"It's still noon, how about we play in the sea" Su Mengxin suggested playing in the sea.

"Come on. . ." Lin Rouxi agreed, she n't played in the sea for a long time, she is looking forward to this.

"let's go down" Ling Yin also wants to get off and enjoy the white sand, she wants to play and walk on the white sand.

The three of them immediately changed, the three of them changed into beach clothes that were beautiful and quite seductive.

Ye Chen of course came along, he came along and went downstairs. This place is pretty good. It's not bad and it looks very clean, although it's not as good as Ye Chen's.

"Let's play" Ling Yin said to Ye Chen, she was the first person to appear wearing a blue bikini.

Lin Rouxi and Su Mengxin also followed behind, Lin Rouxi wearing a white bikini, while Su Mengxin was in black.

The two of them were of course suited for it, they were both well suited for it.

Su Mengxin looked more mature while Lin Rouxi looked more innocent.

"Come on" Ye Chen was quite excited, he was quite excited when he saw the three women who were with him had beautiful looks.

There is nothing more pleasant than seeing Ling Yin, Su Mengxin and Lin Rouxi in bikinis.

Ling Yin, Su Mengxin and Lin Rouxi took Ye Chen to play volleyball and surf in the sea.

The waves in this place are very good, obviously this is very suitable for them to use.

If it's not good, then Lin Rouxi can use the strength she has.

"Come on, I will accompany you to do everything." Ye Chen said to Ling Yin, Su Mengxin and Lin Rouxi, he would accompany them all to her content.
