

## True God 2141

### [Chapter 2141 Hmmm, This Is Delicious, You Two Are Good At Cooking](#)

Lin Rouxi decided to sleep, herself acting like nothing had happened.

Lin Rouxi tried not to look, she didn't want to see what Ye Chen and Su Mengxin were doing.

Even though she didn't want to see what Ye Chen and Su Mengxin were doing, in fact, Lin Rouxi could still very clearly hear Su Mengxin's voice.

Su Mengxin's voice was loud enough for Lin Rouxi to easily hear it.

"Sister Mengxin, your voice is too loud, you don't hold back" Lin Rouxi saw that Su Mengxin was no longer restrained, she was no longer restrained when she received Ye Chen's massage, she let out an extremely loud voice that could be heard tens of meters away.

There was no one around here, so it wasn't strange that Su Mengxin didn't hold back when she was with Ye Chen, to be more precise she didn't hold back when she received Ye Chen's hand skills.

"Husband, your skills are only better." Su Mengxin said to Ye Chen, she said that Ye Chen's skills were very great.

"hehehehe, of course, I've practiced a lot, are you comfortable, do you need to work harder?" Ye Chen asked Su Mengxin.

Ye Chen asked if he needed to add more strength, he wanted to make Su Mengxin more comfortable.

"Please don't be too hard, I might not be able to stand it" Su Mengxin said to Ye Chen, Su Mengxin told her not to be too hard, she might not be able to stand it if Ye Chen was too hard on her.

"Okay, as you wish." Ye Chen understood, he would do according to Su Mengxin's request.

Ye Chen continued to apply sunscreen on Su Mengxin, he made sure that Su Mengxin had a pleasant feeling.

In just an instant Ye Chen had helped Su Mengxin to smear all over the back.

"this is very good, then now is the part" Su Mengxin said to Ye Chen, she told Ye Chen to smear the front.

"Ehhh, really" Ye Chen didn't expect that Su Mengxin would want to do such a thing, Su Mengxin only became more and more daring.

Su Mengxin turned around, she displayed her own beauty in front of Ye Chen, it was such a beautiful thing and very beautiful.

"Come on" Su Mengxin told Ye Chen to do it.

"Don't blame me, you teased me" Ye Chen said to Su Mengxin, Su Mengxin was too tempting, Ye Chen might not be able to bear the temptation given by Su Mengxin.

"Don't disappoint me" Su Mengxin said to Ye Chen, she didn't want Ye Chen to be disappointed with her.

Ye Chen smiled, he came back to help Su Mengxin, this time Ye Chen helped in the front, he started to touch the double peaks that belonged to Su Mengxin.

"This is great" Su Mengxin couldn't stand Ye Chen's touch, it was too comfortable.

Ye Chen enjoyed it, he touched and rubbed Su Mengxin's to his heart's content.

Lin Rouxi who was on the side couldn't stand Ye Chen and Su Mengxin, both of them were quite noisy, she who was nearby naturally couldn't stay still when she saw what was happening.

"You two, what are you two doing" Lin Rouxi said to Ye Chen and Su Mengxin, both of whom made a fuss for her.

"looks like we woke him up" Su Mengxin said to Ye Chen, what they did had woken up the sleeping Lin Rouxi.

"Do you also want ?" Ye Chen asked Lin Rouxi, Ye Chen asked Lin Rouxi, did Lin Rouxi also want to get help from Ye Chen.

"I . ." Lin Rouxi was confused, she was a little confused about whether to accept or not the request from Ye Chen.

"sister Rouxi, you don't need to be embarrassed, we are family, so don't hesitate, plus this is our place, I've already set up a barrier, so outsiders won't be able to enter here." Su Mengxin explained everything to Lin Rouxi.

This was a private place that they had, outsiders wouldn't be able to enter inside here, so Lin Rouxi had nothing to be ashamed of.

"If that's the case, then I want, husband help me too." Lin Rouxi finally agreed, she had been consumed by Su Mengxin's words.

Lin Rouxi had messed up with Zhao Yanyan, so it didn't matter if she messed up with Su Mengxin too.

Su Mengxin smiled, it seemed that Lin Rouxi was no longer holding back, which meant they could do whatever they wanted.

Ling Yin was still enjoying her time at the beach, so they didn't need to worry, as long as Ling Yin didn't come out and go far away, then she would be safe.

In addition, Ling Yin's strength can be said to be very strong, his strength can protect him well.

After finishing helping Su Mengxin, Ye Chen went to Lin Rouxi's side, he was now helping Lin Rouxi to use Sunblock.

"teacher, how is it convenient" Ye Chen asked Lin Rouxi.

"Husband, why do you always call me teacher, it's embarrassing" Lin Rouxi said to Ye Chen, Lin Rouxi was still embarrassed when Ye Chen called her teacher, she preferred Ye Chen to call her wife.

"That's fun, you're a good teacher anyway, so I like to call you that, you seem to like it too" Ye Chen said to Lin Rouxi.

"Oh my, you naughty student" Lin Rouxi said to Ye Chen, Ye Chen was still the same, he was a naughty child and difficult to manage.

"hehehehe" Ye Chen chuckled, he pinched Lin Rouxi and began to open Lin Rouxi at ease.

"ahhh. . ., you are too rude" Lin Rouxi said that Ye Chen was too rude.

"hehehe, I want to punish the teacher" Ye Chen said to Lin Rouxi, Ye Chen wanted to punish Lin Rouxi a little.

"don't do that" Lin Rouxi said to Ye Chen, she told Ye Chen not to do that.

"Why, don't you like ?" Ye Chen said to Lin Rouxi, Ye Chen knows that Lin Rouxi likes this thing, so he is doing even harder.

"ahhh. ." Lin Rouxi screamed, she couldn't stand what Ye Chen was doing.

Lin Rouxi's voice was louder than Su Mengxin's, she was clearly excited when Ye Chen touched her.

"ahhh. ." Lin Rouxi was reaching her limit, she was really pleased by Ye Chen's touch.

"sister Rouxi seems to be very happy, then it's my turn again" Lin Rouxi and Su Mengxin took turns, both of them enjoying Ye Chen's massage.

"what happened to you guys" Ling Yin came back, when she came back she saw Lin Rouxi and Su Mengxin who were sleeping on the chairs and weak.

"It's fine, we want to rest for a while, how about it?, Did you enjoy it?" Su Mengxin asked Ling Yin.

"Yes, I caught some fresh fish while surfing, want to enjoy together" Ling Yin said to Su Mengxin and Lin Rouxi.

"of course, let's have a feast" Ye Chen said to Ling Yin, they can have a barbecue party, Ye Chen will ask the hotel for vegetables and meat.

Ye Chen started processing everything, Ye Chen's cooking skills good and he started burning and processing all the ingredients there.

Lin Rouxi helped Ye Chen, meanwhile Su Mengxin and Ling Yin prepared a place to eat.

Because it was Earth, the day quickly turned to evening, time on Earth seemed to pass much faster for the four of them.

"Hmmm, this is delicious, you two are good at cooking." Su Mengxin praised Ye Chen and Lin Rouxi, both of whom were really good at cooking.

"Don't be too hasty, eat slowly, we made quite a lot, I didn't expect that they would give such a large amount of meat" Lin Rouxi said to everyone.

#### [Chapter 2142 Ye Chen Slipped Into The Women's Bathroom](#)

"Mengxin already paid for everything, so it wouldn't be strange for them to give everything they had" Ye Chen said to Lin Rouxi.

Ye Chen being the one who ate the most, he could finish everything on the table quickly.

Ye Chen was indeed a big appetite, so it wasn't strange that he could eat a large amount of food easily.

"That's great, do you eat so much?" Ling Yin looked at Ye Chen, she didn't expect that Ye Chen could eat that much so easily.

"He is indeed a bit greedy and cute" Su Mengxin said to Ling Yin, Su Mengxin was happy when she saw Ye Chen eating, she felt that Ye Chen looked cute.

"Yes, you are absolutely right" Lin Rouxi also agreed, she also agreed with what Su Mengxin said.

Ye Chen, Lin Rouxi, Su Mengxin and Ling Yin ate in the open, they happily enjoyed this dinner.

They could enjoy a very beautiful evening view, so they naturally enjoyed this a lot.

After finishing everything, Ye Chen, Lin Rouxi, Su Mengxin and Ling Yin returned inside the hotel.

"That was quite fun," Ye Chen said to Lin Rouxi, Su Mengxin and Ling Yin.

"You are absolutely right, it was fun, maybe next time we can take everyone along" Lin Rouxi said to Ye Chen.

"I agree" Su Mengxin agreed, she agreed with what Lin Rouxi said.

Ye Chen nodded, maybe next time they could be together.

"Then we will take a bath." Su Mengxin took Lin Rouxi and Ling Yin to take a bath, sea water and hot sun.

Even if they are not dirty, they still want to take a bath.

Su Mengxin, Lin Rouxi and Ling Yin left, they went to the bathhouse, it just so happened that the bathhouse in this place was large and could accommodate many people.

"Oohhhh, how interesting" Ye Chen was interested when he heard this, he should probably take a peek.

"Would you like to peek at them?" Chu Yuechan asked Ye Chen, she wanted to know if Ye Chen wanted to peek at Su Mengxin, Lin Rouxi and Ling Yin.

"Of course, I can't miss this opportunity." Ye Chen said that he would not miss this opportunity.

Ye Chen immediately caught up to Su Mengxin, Lin Rouxi and Ling Yin, he used light steps and hid himself well.

"They shouldn't be aware of my existence" with Ye Chen's ability.

they shouldn't be aware of Ye Chen's existence, they probably wouldn't know that they were being peeped by Ye Chen.

Su Mengxin, Lin Rouxi and Ling Yin headed to the baths, they had a women's bath with warm water.

The three immediately went into the bath, they undressed and entered the bath.

"It's pretty good too." Su Mengxin is quite comfortable, she is quite comfortable with this bath.

"This place isn't too bad" Lin Rouxi felt that this place wasn't too bad.

"Compared to the Fairy Gate, this is nothing." They had already experienced the extremely comfortable Fairy Gate, so this place was still nothing compared to the Fairy Gate.

"What are they talking about?" Ling Yin still didn't understand, she didn't understand the conversation Su Mengxin and Lin Rouxi were having.

If Ling Yin understood, she would definitely immediately join in on the conversation Su Mengxin and Lin Rouxi were having.

"Sister Yin, what are you doing" Lin Rouxi said to Ling Yin, she wanted to know what Ling Yin was doing.

"No, I didn't do anything, I just don't understand what you guys are talking about," Ling Yin said to Lin Rouxi and Su Mengxin.

"So that's a problem, if that's all you don't need to worry too much, you will know about the matter soon" Su Mengxin said to Ling Yin.

As long as Ling Yin became Ye Chen's woman, she could use the Fairy gate at will, only then would Su Mengxin and Lin Rouxi tell Ling Yin everything.

"By the way, yours looks even bigger than before." Lin Rouxi said to Su Mengxin, If she looked more closely, Lin Rouxi could see that Su Mengxin's double peaks were bigger and more beautiful.

"That's true, how could it be that big?" Ling Yin wanted to know how it got that big, there was clearly a gap between Ling Yin and Su Mengxin.

"What do you say, don't you also have the same, it is also big enough" Su Mengxin said to Lin Rouxi.

"but it's still not the same as what you have" Lin Rouxi said to Su Mengxin.

"Didn't we get benefits when we Dual Cultivation with husband, that's the reason this might grow, and he likes to touch this thing" Su Mengxin said to Lin Rouxi and Ling Yin.

"That's right, maybe I don't do it often, with the courage you have it's not strange that he will always touch you" Lin Rouxi said.

"Aren't you also quite a tease, you're just not aggressive enough with your husband" Su Mengxin said to Lin Rouxi.

"You may be slightly right" Lin Rouxi nodded, she did not brush away Su Mengxin's words.

"Does he like aggressive girls?" Ling Yin wanted to know more from Su Mengxin and Lin Rouxi, she wanted to know their experiences.

"Not really, we are innocent and cold in our place, it seems that every woman has her own charm, so just be yourself" Su Mengxin said to Ling Yin, Su Mengxin told Ling Yin to believe in herself.

"That's right, just be yourself" Lin Rouxi agreed, she told Ling Yin to be herself.

"Fufufufu" all the women looked very happy, they were talking and gossiping.

"Hmm, so this is their conversation, quite interesting" Ye Chen could clearly hear the conversation that Ling Yin, Su Mengxin and Lin Rouxi were having, the women's talk seemed quite enjoyable to them.

They didn't notice Ye Chen, even though Ye Chen was nearby and was observing them from quite a distance.

"I will tease them" this is the right opportunity for Ye Chen, this is the right time for Ye Chen to tease them.

Ye Chen had already thought of a very naughty idea, he had enough of an extremely naughty idea.

"master, are you going to do it ?" Chu Yuechan asked Ye Chen, Chu Yuechan knew that Ye Chen had a bad idea.

"what's wrong, are you scared, this will be fun" Ye Chen told Chu Yuechan, he told her that this would be a fun thing to do.

Ye Chen drew closer, he drew closer and started to dive into the water.

Ye Chen's movements were extremely quiet, almost no one was aware that he was around.

"ahh. . ." Su Mengxin screamed, she felt someone touching her at this moment.

"what is it?" Ling Yin asked Su Mengxin, Ling Yin wanted to know why Su Mengxin was screaming.

"That, something touched me." Su Mengxin said to Ling Yin.

"What do you mean?" asked Ling Yin to Lin Rouxi.

"sister Rouxi, did you do it" Su Mengxin asked Lin Rouxi.

"no it's not me, I didn't do anything" Lin Rouxi was rinsing her hair and didn't know what was going on.

"Then what was that just now?" Su Mengxin became curious, she became curious about the feeling she had just had.

"Maybe it's just your feelings, there's nothing strange in this place" Lin Rouxi said to Su Mengxin, maybe it was just her feelings.

"Is that so?" Su Mengxin was strange, just now it was so obvious.

Ye Chen who was in the water was very happy, he was very happy to tease Su Mengxin without anyone noticing.

#### [Chapter 2143 Bath Together With Su Mengxin, Ling Yin And Lin Rouxi](#)

"Maybe it's just my feelings." Su Mengxin listened to what Lin Rouxi said, maybe it was just her feelings.

There was no one other than them, if there was one then between Ling Yin and Lin Rouxi there must be someone trying to play a prank on Su Mengxin.

Su Mengxin became even more alert, she didn't let others get close to her.

"hehehe, he's getting alert, this is getting more and more interesting." Ye Chen laughed in his heart, Su Mengxin started to be wary of his surroundings.

"let's do it again" Ye Chen did it again, he slapped Su Mengxin's buttocks.

"ahh . . ." Su Mengxin screamed again, she felt someone touch her again.

Ling Yin and Lin Rouxi looked back at Su Mengxin, both of them wanting to know what happened.

"Did it happen again?" Lin Rouxi asked Su Mengxin.

"It's not an illusion, maybe there is something below" Su Mengxin said to Lin Rouxi.

Su Mengxin had to find out what was going on, it was possible that at this moment someone had sneaked in and started to confuse them.

Su Mengxin, Lin Rouxi and Ling Yin teamed up to catch the person behind all of this.

"no one" Lin Rouxi said to Su Mengxin, Lin Rouxi found nothing, no one around this place.

"Even my spirit sense couldn't find this person." Su Mengxin felt strange, even her spirit sense was unable to detect this person's existence.

"ahh. . ." this time it was Lin Rouxi's turn to scream, she felt someone pinching her.

"what is it?, what's wrong with this place?" Lin Rouxi didn't understand, exactly what happened to this place.

"There might be intruders, so let's search around this place." Su Mengxin said to Lin Rouxi and Ling Yin, she took the three of them to find out what happened.

Ye Chen only smiled when he saw this, he felt happy when he saw what happened to Su Mengxin, Lin Rouxi and Ling Yin.

"this is so fun" Ye Chen was quite nosy, he teased Su Mengxin, Lin Rouxi and Ling Yin.

Su Mengxin, Lin Rouxi and Ling Yin didn't find anything strange, they didn't find anything strange around this place.

"What really happened?" Su Mengxin, Lin Rouxi and Ling Yin Confused, they are confused by what happened.

"Let's think more clearly" Su Mengxin asked Lin Rouxi and Ling Yin to think more clearly,

Lin Rouxi and Ling Yin agreed with what Su Mengxin said, in this case, they should think more clearly, they must not let their minds wander.

"Looks like they started looking for a solution." Ye Chen saw that Su Mengxin, Lin Rouxi and Ling Yin were looking for a solution.

"Okay, then it's time to tease Yin" Ye Chen decided to tease Ling Yin, he pinched Ling Yin and made her scream.

"Someone pinched me too" Ling Yin said to Su Mengxin and Lin Rouxi.

"This is nonsense" Lin Rouxi said to Ling Yin and Su Mengxin.

"That's absolutely true." Su Mengxin agreed, this was nonsense, they were all confused.

"wait a minute" Su Mengxin just now, this may be him.

"Okay, I understand." Su Mengxin understood, her decided to lure Ye Chen.

"sister, let's protect each other, it's probably Ye Chen's doing" Su Mengxin said to Lin Rouxi and Ling Yin.

Su Mengxin used voice transmission, that way Ye Chen wouldn't hear what they were talking about.

"he is quite naughty, how dare he tease us like this, we have to catch him" Lin Rouxi said to Su Mengxin, she wanted to catch Ye Chen.

"You are right, we have to catch him" Su Mengxin agreed once, they have to catch Ye Chen, they can't let Ye Chen get away with it.

Ye Chen was very calm, he knew that Su Mengxin, Lin Rouxi and Ling Yin were plotting to capture him.

"It won't be easy to catch me" Ye Chen said to Su Mengxin, Lin Rouxi and Ling Yin, Ye Chen will be very difficult to catch.

"let's do it" Su Mengxin used her strength, red flower petals spread out to catch Ye Chen.

Lin Rouxi also moved, she used her water power to contain Ye Chen, that way Ye Chen would not be able to escape or get out of this place.

"hehehehe, they are trying to lock me up, then" Ye Chen didn't run away from this place, he instead went and directly touched and teased Lin Rouxi and Su Mengxin.

"ahhh. . ." Lin Rouxi and Su Mengxin groaned simultaneously, their strength rapidly dissipating and their bodies becoming weak.

"what happened?" Lin Rouxi and Su Mengxin were confused by what happened, they both looked confused by what happened to their bodies.

"You guys are too confident, it's not easy to beat me." Ye Chen has his own technique, so Lin Rouxi and Su Mengxin will not win against him.

"husband, why are you playing around, you should come out" Ling Yin said to Ye Chen, Ling Yin told Ye Chen to come out and show himself.

"hehehehe, it was fun teasing you all" Ye Chen said to Ling Yin.

Ye Chen showed himself, he showed himself in front of Ling Yin.

"I thought that it must be you." Lin Rouxi and Su Mengxin had already guessed this, both of them had already guessed that Ye Chen was the person behind all of this.

"Who else could do something like this besides me" Ye Chen said to Lin Rouxi and Su Mengxin.

"So why did you do it?" Su Mengxin asked Ye Chen, why did Ye Chen do this and bully them.

"That was fun to do, your reactions are so cute." Ye Chen said to Lin Rouxi and Su Mengxin, both of them making cute reactions.

"Geez" Lin Rouxi and Su Mengxin were helpless when they listened to Ye Chen's reasoning.

"Husband, want to join us?" Ling Yin said to Ye Chen, he asked Ye Chen to join.

"can I join?" Ye Chen asked Ling Yin.

"of course" Ling Yin nodded, she brought Ye Chen inside with them.

"It seems that sister Yin is becoming aggressive." Su Mengxin saw that Ling Yin was becoming more aggressive, she was even more aggressive compared to before.

"It's okay, that's good" Lin Rouxi felt that this was a very good thing, the two got close, this was a very good thing.

Su Mengxin nodded, this is indeed a good thing for them.

Ye Chen entered, himself in the hot spring with Lin Rouxi, Su Mengxin and Ling Yin.

"it's so fun" Ye Chen was happy, he could live with three beauties.

"This is an opportunity, do as I teach you" Su Mengxin whispered to Ling Yin, she said that this is a good opportunity for Ling Yin.

"Okay" Ling Yin understood, she would do as Su Mengxin said, she would use her strength to make Ye Chen comfortable with her.

Ling Yin started to move, she used her skills to tease Ye Chen.

Ye Chen saw that Ling Yin was getting closer towards him, he started teasing Ye Chen with his fingers.

Ye Chen didn't expect that Ling Yin would make a quick move, he teased Ye Chen with quite a good skill.

"Where did he learn this from?" Ye Chen wanted to know where Ling Yin learned this from, Ling Yin's skills could be said to be very good.

"Fufufu" Su Mengxin and Lin Rouxi smiled, it seems like the battle has already started, they want to see if Ling Yin is able to face Ye Chen who has the strength of a monster.

#### [Chapter 2144 Ye Chen & Ling Yin \(1\)](#)

"Ye Chen" Ling Yin said to Ye Chen, she said to Ye Chen with eyes full of love.

"what is it?" Ye Chen answered Ling Yin, he asked what Ling Yin wanted.

The current Ling Yin was quite teasing, it seemed that she had gotten a lot better than before.

"Kiss me" Ling Yin said to Ye Chen, Ling Yin made a strange request, she told Ye Chen to kiss her.

"is that your request, then I will do it" Ye Chen reached his hand towards Ling Yin's chin, he brought Ling Yin's face closer and started to kiss her.

Ling Yin closed her eyes, she was ready to accept the kiss coming from Ye Chen.

Ye Chen didn't hold back anymore, he didn't hold back when he kissed Ling Yin.

"Chuuuuuu" the two kissed, they both kissed in an adult style.

Ling Yin seemed to be quite skilled, all of his experience and skills were passed on by Su Mengxin.

Su Mengxin gave everything she had ever done with Ye Chen, she gave knowledge and experience to Ling Yin, that way Ling Yin would be able to face Ye Chen, bearing in mind that Ye Chen was a strong person and not easily defeated by just one person.

Even if they all cooperated, the chances of them winning would be extremely slim or even extremely difficult for them to win against Ye Chen.

"Umm" Ling Yin couldn't stand it, she couldn't stand what Ye Chen was doing.

"this is great" Ling Yin was very happy, kissing Ye Chen was delicious.

Ye Chen started to insert his tongue, their two tongues intertwined with each other.

"Ummmm. . ." Ling Yin started using the technique he had gotten from Su Mengxin, with what Su Mengxin had given him, Ling Yin should be able to win against Ye Chen.

Ye Chen didn't stay still, his hand started to touch Ling Yin, he noble touched Ling Yin with his own hand.

"ahhh" This double stimulation was quite hard for Ling Yin to endure, she couldn't resist when Ye Chen touched her body.

"I have to focus" Ling Yin couldn't lose, she had to focus on the kiss with Ye Chen.

Ye Chen saw Ling Yin, Ling Yin put up an excellent resistance, she put up a very fierce resistance.

"It seems that I don't need to hold back anymore." Ye Chen probably didn't need to hold back anymore, Ling Yin's ability was already good, he might be able to fight with Ye Chen.

"ahhh . . ." Ling Yin groaned, Ye Chen's touch this time was much more delicious, she liked this feeling, the taste was truly amazing.

"I won't hold back anymore, are you ready?" Ye Chen asked Ling Yin, he wouldn't hold back anymore.

"do it, make me comfortable" Ling Yin said to Ye Chen, she told Ye Chen to make her comfortable.

"You definitely won't be disappointed, I will make you as comfortable as possible" Ye Chen said that he would make Ling Yin as comfortable as possible.

Ye Chen hugged Ling Yin, he started to make Ling Yin feel comfortable with his skills.

Every inch of Ling Yin's body was touched by Ye Chen, he touched and stroked Ling Yin's smooth skin.

"ahhh . . . , no . . ." this was too strong, Ling Yin couldn't stand Ye Chen's touch.

"needless to say, Ye Chen's touch was too strong, he made Ling Yin reach the peak of happiness quickly.

"Huftt" Ling Yin's breath was chaotic, this was much better than before, Ye Chen was much rougher than before, Ling Yin was unable to last longer when fighting Ye Chen.

"Are you unwilling to fight?" Ye Chen asked Ling Yin.

"Of course, I will fight" Ling Yin got up, she gathered strength to rise up and fight Ye Chen, Ling Yin didn't want to lose, she didn't want to lose against Ye Chen.

As a person who had experienced many life and death battles, Ling Yin wanted to display her dominance.

He would let Ye Chen know the strength of his own, he would definitely win.

Ling Yin didn't know that practicing Dual Cultivation was more difficult than fighting, if only he knew about it, maybe he would change his mind.

"He is too bold, is he able to endure it?" Lin Rouxi asked Su Mengxin.

"I don't know, I don't think he will win." Su Mengxin was sure that Ling Yin would not win.

Even if the two of them helped they would not win against Ye Chen.

Lin Rouxi snapped her fingers, a barrier appeared in front of them.

"what are you doing ?" Su Mengxin asked Lin Rouxi.

"Let's leave them alone" Lin Rouxi said that she would leave Ling Yin and Ye Chen alone.

"Is that so, okay I understand" Su Mengxin understood, she could understand the situation between the two, so she followed Lin Rouxi's advice.

Ling Yin got up, she started to fight Ye Chen, she climbed on Ye Chen, her hands started to touch and tease Ye Chen.

Ling Yin knew men's weaknesses, so she reached her hand down and decided to attack Ye Chen's weakest zone.

"oh. . ." Ling Yin's hand went in, it directly caught Ye Chen's younger brother.

"So big" Ling Yin was surprised when she felt Ye Chen's size, it was quite big for a normal man.

Even the biggest ones probably wouldn't make it to this point.

"what's wrong?, are you surprised" Ye Chen asked Ling Yin.

"You have something good too, then I won't hold back, husband get ready, I'll show you everything I have" Ling Yin will use it all, she is already trained to seduce a man.

Ye Chen raised his two hands, he let Ling Yin show off the skills he had.

Ling Yin moved her hand, she started to move her hand and started to put Ye Chen's little brother at ease.

"ohhh, your skills are good too" Ye Chen saw that Ling Yin had very good technique, this woman had a good technique to fight with Ye Chen.

"You don't need to hold back" Ling Yin said to Ye Chen, she told Ye Chen to no longer need to hold back.

"hahahaha, you have to do better than this to make me lose" Ye Chen whispered to Ling Yin, he told Ling Yin that he had to do better than this.

"Just watch" Ling Yin used more strength, she made Ye Chen feel good with her hands.

Ling Yin's movements became faster, she knew that men couldn't stand this kind of thing.

Ling Yin didn't know that Ye Chen was different from normal men, so what she did would not be able to beat Ye Chen easily.

"why" Ling Yin was confused, She had done her best, why was Ye Chen still able to defend against her.

Ling Yin looked at Ye Chen, she could see that Ye Chen was still quite relaxed in dealing with him.

"Is this not good?" Ling Yin felt that his skills were not good, that was probably what made Ling Yin unable to defeat Ye Chen.

Ling Yin needs help to solve this problem.

Su Mengxin and Lin Rouxi would not help, they both let Ling Yin study alone.

Ling Yin found no help, right now he could only hope to himself to be able to make Ye Chen fall.

"Come on, show me what you said earlier" Ye Chen told Ling Yin to show him what he said before.

#### [Chapter 2145 Ye Chen & Ling Yin \(2\)](#)

"Take a good look" Ling Yin said to Ye Chen, she started to look down and blow Ye Chen's big thing.

"Oh, that's great" Ye Chen was very satisfied, Ling Yin was willing to blow his thing.

"slurp . . ." Ling Yin had a hard time, it was much stronger than Ling Yin had imagined.

"It's too big" Ling Yin felt that Ye Chen was too big, she couldn't hold on when helping Ye Chen.

"No, I can't lose" Ling Yin couldn't lose, she couldn't lose against Ye Chen, she had to show Ye Chen the strength she had.

Ling Yin defended well, she swallowed this and started to make Ye Chen feel comfortable.

Ye Chen enjoyed this, what Ling Yin did was really good, he was able to make Ye Chen feel comfortable.

"Umm. . ." Ling Yin was a little overwhelmed, this was not easy to do, she had to adapt to Ye Chen's powerful big thing.

"very good, that's just great" Ye Chen praised Ling Yin, Ling Yin did a very good thing.

Ling Yin was happy when she got praise from Ye Chen, Ling Yin was quite excited after Ye Chen praised the abilities she had.

Ling Yin became more and more aggressive, her movements became much faster, she wanted to suck Ye Chen by using all the abilities he had to make Ye Chen happy.

Ling Yin helped Ye Chen for around 30 minutes, she didn't feel tired and instead was happy when she saw Ye Chen was happy with this service.

Ling Yin had done her best, she had helped Ye Chen as much as she could.

Ye Chen quite enjoyed, he quite enjoyed what Ling Yin was doing, for Ye Chen Ling Yin had already done the best he could.

"Very good, I will give you a gift" Ye Chen said to Ling Yin, he told Ling Yin that he would give a gift.

"Huh" Ling Yin was shocked by Ye Chen said, she felt a bad feeling when she heard what Ye Chen said, she felt that Ye Chen's things became bigger.

Unbeknownst to Ling Yin, Ye Chen took out his own essence and made Ling Yin swallow it.

"Um. . . ." Ling Yin was surprised by what Ye Chen did, what Ye Chen did was so sudden.

Ye Chen restrained Ling Yin, that meant that Ling Yin would not be able to escape from Ye Chen.

"gluppppp . ." for not being able to escape" Ling Yin swallowed it all, she swallowed it all and left nothing behind.

"What's with this taste" Ling Yin was shocked when she tasted this, she didn't expect that it would be so delicious.

Unknowingly, Ling Yin swallowed it all, she swallowed it all effortlessly.

"Hmmm, this is great" Ye Chen likes Ling Yin, Ye Chen is of course comfortable with this.

"Ummm" after a while, Ling Yin finally finished, she finally finished drinking it all.

"This is great" Ling Yin said to Ye Chen, she told Ye Chen that this was very good.

"do you like it" Ye Chen asked Ling Yin, she wanted to know whether Ling Yin liked it or not.

"Of course I like it" Ling Yin said that she likes this thing, it is very delicious and makes her addicted.

"Then I will give you more" Ye Chen said to Ling Yin, he will give Ling Yin even more.

"Is that true?" Ling Yin felt happy when she heard this.

Ye Chen lifted Ling Yin, she started to carry Ling Yin and brought her to the edge.

Ling Yin went with Ye Chen, she didn't put up a fight when she was with Ye Chen, she felt that the feeling Ye Chen gave her was very comfortable.

Ye Chen took Ling Yin to the edge, it was time to get Ling Yin.

"are you ready ?" Ye Chen asked Ling Yin, he wanted to know if Ling Yin was ready or not.

"I'm ready, I want to be yours" Ling Yin said to Ye Chen, she told Ye Chen that she wanted to be Ye Chen's.

"I hope you are ready, this might hurt a little" Ye Chen said to Ling Yin, Ye Chen said that this might hurt a little, so Ye Chen wanted Ling Yin to be prepared.

"ummm" Ling Yin nodded lightly, she will try to hold herself well.

Ye Chen went straight ahead, he used his huge object to break through Ling Yin's gate.

He was going to enter into Ling Yin's honey cave, Ling Yin was already quite wet, so it should be fine.

"ahhh . . ." Ling Yin crusted over, Ye Chen's big brother started to rebel within her.

"it's so big, my body hurts" Ling Yin had a hard time, she had a hard time when she received Ye Chen.

Ye Chen did this slowly, he made sure that Ling Yin got what he wanted.

Ling Yin got what she wanted, now she completely belonged to Ye Chen.

"does it hurt" Ye Chen asked Ling Yin, he wanted to know how Ling Yin felt.

"no, this is great, I am finally yours" Ling Yin said that now that she belonged to Ye Chen, she was quite happy.

Ling Yin completely remembered Ye Chen, she already remembered everything they had done together.

"I'll start, I'll give you the most comfortable feeling" Ye Chen said to Ling Yin, he told Ling Yin that he would start giving off a feeling that Ling Yin had never felt.

"Is that true?" Ling Yin looked at Ye Chen, she wanted to know what Ye Chen would do, to be honest, she wanted to know this feeling.

The pain started to disappear, she felt an itchy and very comfortable feeling, her whole body was trembling with a strange feeling.

This felt very comfortable, Ling Yin liked this feeling.

"Is this my body feels very light, I feel like I have climbed to the top" Ling Yin felt that she was climbing to the top, this was so comfortable and enjoyable for her.

"Of course, this is a comfortable thing, you will definitely like it" Ye Chen said to Ling Yin, he told Ling Yin that he would like this.

"You're right I like this, my mind is starting to get messy" Ling Yin said that her own mind is getting messy, Ye Chen has messed up her mind, Ling Yin has never been like this.

Ye Chen was also happy, Ling Yin's cave wall gripped into him tightly and this was able to twist Ye Chen's huge object.

This was a very comfortable feeling, Ye Chen naturally liked this feeling.

Ye Chen sped up his movement, he was pumping at a much faster speed compared to before.

"no, you are too rude" Ling Yin said to Ye Chen, she told that Ye Chen was too rude to her.

"Don't you like this?" Ye Chen knew that Ling Yin liked this thing, Ye Chen could feel Ling Yin's waist moving on its own to get more comfortable.

The voices of the two were extremely loud, they were in their own world and had forgotten about Lin Rouxi and Su Mengxin.

Luckily Lin Rouxi set up a barrier, that way they wouldn't be able to see what Ye Chen and Ling Yin were doing.

### [Chapter 2146 Ye Chen & Lin Rouxi \(3\)](#)

"They did it pretty hard." Su Mengxin and Lin Rouxi saw that Ye Chen and Ling Yin did it pretty hard, both of them were quite aggressive when they did it.

"You'd better not look at them too much." Lin Rouxi said to Su Mengxin, she told Su Mengxin not to look at this too much.

"You are absolutely right that I feel excited when I see the two of them." Su Mengxin quite agreed with what Lin Rouxi said, she felt excited when she saw Ye Chen and Ling Yin.

Lin Rouxi closed the barrier again, the two continued to chat while waiting for the two to finish.

Time was running out, Ye Chen and Ling Yin did it quite hard, they did this thing very hard and filled with love.

Without them noticing three hours had passed, the two of them had been doing this for up to four hours.

"I'm tired" Ling Yin said to Ye Chen, she told Ye Chen that she was tired.

"Have you reached your limit?" Ye Chen said to Ling Yin, he saw that Ling Yin had already reached his limit.

"You are too strong" Ling Yin said to Ye Chen, Ye Chen is too strong and very difficult to fight.

"then let's finish it, I can't stand it either" Ye Chen said to Ling Yin, he couldn't take it anymore.

"Give it to me" Ling Yin said to Ye Chen, she asked Ye Chen to give it to her.

"here you go" Ye Chen said to Ling Yin, he would give Ling Yin what she wanted.

"Ohhh" Ye Chen roared, he couldn't stand it, he had reached his limit, he had worked hard enough now was the time.

"Byuurrrrr" Ye Chen vented, he passed his Yang Qi to Ling Yin.

"It's hot" Ling Yin said to Ye Chen, she felt a warm feeling in her body.

In addition to this filling him up, Ling Yin had never been this full before.

"I will help you cultivate" Ye Chen helped Ling Yin cultivate, the two were quite harmonious when doing Dual Cultivation together.

By performing Dual Cultivation, Ye Chen and Ling Yin obtained the same benefits.

Ye Chen needed Ling Yin's Yin Qi, and Ye Chen gave his Ling Yin Yang Qi.

The two continued to be entwined together, after Ling Yin was completely unconscious, Ye Chen was finally willing to stop.

"It seems that I was too rough" Ye Chen looked at Ling Yin who was fast asleep, it seemed that he was too rough.

Ye Chen moved Ling Yin into the room, he would not let Ling Yin freeze in this place.

"Hubby, it seems that you are too rude." Su Mengxin said to Ye Chen, she told Ye Chen that he was very rude.

Ling Yin would not have been able to survive if his opponent was someone as strong as Ye Chen, so it wouldn't be strange for him to be knocked unconscious.

"That's absolutely true, she is still a rookie, you have crushed him." Lin Rouxi agreed with Su Mengxin.

"hehehehe, then why don't you guys help him" Ye Chen asked Lin Rouxi and Su Mengxin, he wanted to know why Ye Chen didn't help Ling Yin.

"We didn't want to disturb your time, so we're outside for the time being," Su Mengxin said to Ye Chen.

Su Mengxin and Lin Rouxi didn't want to interfere, so it wouldn't be strange for the two of them not to interfere in the battle.

"I see, I understand." Ye Chen understood, he understood the situation.

Ye Chen pulled Su Mengxin and Lin Rouxi, it seemed that the two of them had been waiting for a long time.

"You guys have been waiting for a long time haven't you, then it's your turn" Ye Chen said to Su Mengxin and Lin Rouxi, it was their turn.

"That's what we want." Su Mengxin nodded, that's what the two of them wanted earlier.

Su Mengxin and Lin Rouxi stretched their hands down, both of them touching Ye Chen's excited little brother again.

"Your skills are indeed the best, it is very powerful and becomes a woman's slayer weapon" Su Mengxin said to Ye Chen.

Su Mengxin had to admit that Ye Chen possessed the best and most powerful weapon, those who had tried it would know how strong it was, they would not be able to win against Ye Chen.

"Let's start" Ye Chen immediately started, first he has Lin Rouxi, it seems that Lin Rouxi is ready and can be played immediately.

Lin Rouxi was already quite excited, she saw what happened earlier and got excited, it would be a piece of cake for Ye Chen to enter.

"ahhh, this is really great, you are a good student" Lin Rouxi shouted, she felt a very good feeling.

"How cheating" Su Mengxin complained, she complained about what happened.

Ye Chen stretched out his hand towards Su Mengxin, he helped Su Mengxin with his own hand.

"no . ." When Ye Chen's hand started to touch the secret garden, Su Mengxin screamed, she seemed to be unable to bear the feeling Ye Chen gave her, this feeling was the best.

Ye Chen together with Su Mengxin and Lin Rouxi started the battle, these two women fought over their turn, they wanted Ye Chen's powerful big thing.

Their voices were seductive and made the place hot and full of passion, both of them enjoying Dual Cultivation with Ye Chen.

.

.

Meanwhile elsewhere.

Qing Cheng and Shui Yixian were investigating something, they both headed towards the Immortal destiny Star Realm.

"Isn't this Immortal destiny Star Realm, what does sister want to do in this place?" Qing Cheng asked Shui Yixian, she wanted to know what Shui Yixian wanted.

"I told you that I'm investigating something in this place" Shui Yixian told Qing Cheng that she was investigating something in this place.

"What exactly are you investigating?" Qing Cheng asked, she wanted to know what Shui Yixian was investigating.

"I'm currently investigating about a legendary ritual that can increase one's cultivation in a short time" Shui Yixian explained what happened to Qing Cheng.

"What's wrong with that anyway" Qing Cheng asked, there should be no problem with it.

"That's not the case, this requires sacrifice, and sacrifice is a very rare talent in the God Realm, it would be a waste to sacrifice it," Shui Yixian said.

"But with the strength that sister Yixian has, you should be able to know clearly." Qing Cheng felt strange, Shui Yixian should have the strength that can make him see what will happen.

"That's the problem, I can't see it, there is a strong force that prevents me from seeing it." Shui Yixian explained why he investigated this matter.

"impossible" Qing Cheng did not expect Shui Yixian to say these things, actually what power could make him like this.

"This is the power of the sages in the Immortal destiny Star Realm, they are blocking me, so I don't know what they are planning, on the other hand they don't know what I am planning either, we create barriers for each other's problems" Shui Yixian said to Qing Cheng.

"I don't really understand what you're saying, so you can say you don't know what's going on right now?" Qing Chen asked Shui Yixian.

#### [Chapter 2147 Shui Yixian And Qing Cheng Searched For Information](#)

"That's right, that's why I need your help, your strength is more useful in this situation, if what I'm afraid of happens, let's go back and tell what we find" Shui Yixian said to Qing Cheng, they will investigate this matter first .

"let's go, we will infiltrate as servants" Shui Yixian said to Qing Cheng, she wants Qing Cheng to infiltrate with her as a servant.

"Okay" Qing Cheng nodded, she was given a dress by Shui Yixian.

"This is not our territory, so stay alert no matter what, if you can manipulate everyone with your power" Shui Yixian told Qing Chen to manipulate everyone that might harm them.

"If it has to be done, then I will do it" Qing Cheng understands, Shui Yixian has already told Qing Cheng to do what is necessary, so Qing Cheng knows when to be serious and when to hold back.

"Come on" Shui Yixian invited Qing Cheng in, the two of them entered the Immortal destiny Star Realm past all the barriers.

With Shui Yixian's strength and Qing Cheng's ability, the two of them naturally could easily pass through the barrier, for them this was an easy thing to do.

After entering, the two immediately headed towards the palace, they mingled with the maids and did the work.

Qing Cheng immediately used the strength she had, she used her strength to find out what happened in this palace.

"How?" Shui Yixian asked Qing Cheng, she wanted to know what Qing Cheng had gotten.

"I didn't get anything important from the maids, they were just ordered to prepare everything" Qing Cheng said to Shui Yixian.

"What did they prepare?" Shui Yixian asked about what the maid prepared.

"It looks like it's a big altar, only a few workers are involved and know, other than that they just need to gather the materials needed".

"I see, this doesn't seem to work, how about we head over to the chambers of the ministers and palace officials, they might know better."

Shui Yixian came up with an idea, they should probably go to a place with people in high positions, that way they would know what was going on.

"That's a good idea, let's find someone with high authority, I think there are some around here" Qing Cheng agreed, he agreed to do as Shui Yixian said.

Qing Cheng and Shui Yixian finally left, the two of them went to find someone with a high position.

"Nearby there is someone with quite high strength" Shui Yixian could feel that around this place there is someone with high strength, this person's cultivation is quite high.

"You are right, he is at the eighth level of the Divine Overlord Realm, he should be quite strong in this place." Qing Cheng agreed with what Shui Yixian said, this strong person must know something.

"Are you able to find something from this person?" Shui Yixian asked Qing Chen.

"I might be able to, as long as his mind power isn't strong, it should be enough to know what this person is thinking."

"Good, let's give it a try, if the situation gets out of hand, I will use the strength I have" Shui Yixian agreed with what Qing Cheng said.

"The two of them went to see who it was, when they arrived, they saw a middle-aged man and a woman, one was at the eighth level of the Divine Overlord Realm, and one was at the sixth level of the Divine Overlord Realm.

"who are they" Qing Cheng asked Shui Yixian, Shui Yixian probably knows who the two of them are.

"it is general Xing and imperial concubine" Shui Yixian naturally knows who these men and women are.

"So these two are important people" Qing Cheng finally understood, these two are important people with high positions.

"can you listen to their talk and find out what plans they have" Shui Yixian told Qing Cheng, he told Qing Cheng to find out the talks and plans of these two people.

Qing Cheng immediately did what Shui Yixian said, he peeked at what they were talking about, to be honest Qing Cheng also wanted to know what this person was talking about, he wanted to know what the two were talking about.

"Everything is going very well, Xing Mei has been caught by us, everything will go according to plan," General Xing said to the concubine in front of him.

"You are absolutely right, everything has gone very well, if we use Xing Mei, then we can gain strength and will become one of the strongest forces in the God Realm" the concubine agreed with what general Xing said, they would gain strength from Heavenly seven constellations owned by Xing Mei.

"This should have been done a few months ago, it's a shame he ran away and made us experience troublesome things" general Xing had a hard time finding Xing Mei who had run away, they had used a lot of people and connections to find her, after all this time, finally they got Xing Mei.

Xing Mei was quite a precious thing for the Immortal destiny Star Realm, she could become the pillar that made the Immortal destiny Star Realm one of the great forces that could compete in God Realm.

"All the wise men have also agreed to make a sacrifice, they will soon finish preparing everything, in a few days time, we can start it" The concubine informed that the ritual would start in a few days.

"I can't wait to see how strong I will become" the concubine told her that she couldn't wait to get a big increase in strength, it would definitely be a great thing.

"Me too, I can't wait to see how strong I will be, with that strength we will become the strongest in God Realm." General Xing also wanted to know his own strength, how strong his strength would grow, it made him curious.

"hehehehe, fufufufuf" General Xing and the concubine laughed, they couldn't wait to see their strength later.

"what are they talking about?" Shui Yixian asked Qing Cheng, she wanted to know what kind of conversation the two had.

"It seems what you said is right, they want to make Xing Mei a sacrifice, they want to use the Heavenly Seven Constellations to increase their strength" Qing Cheng told Shui Yixian what these people are going to do.

"Is that so, then when will it be?" Shui Yixian wanted to know when it would start.

"It will start in a few days from now" Qing Cheng informs that it will start soon, it will start soon and everyone will gain additional strength so that they can become one of the newest great powers in God Realm.

"The information you provided is very good, we can carry out a prevention mission." Shui Yixian was quite satisfied with their results, everything went well, they could come up with a countermeasures plan.

"yes" Qing Cheng agreed, they had to make a move to bring Xing Mei back, they couldn't let Xing Mei become a victim of her own family.

"dodge" while they were talking about what they got, Shui Yixian felt that someone was attacking them.

Seeing this, Qing Cheng and Shui Yixian immediately dodged, both of them instantly avoiding the enemy's sneak attack.

"Who attacked?" Qing Cheng wanted to know who attacked them, they shouldn't be found because they had hidden themselves well.

Qing Cheng saw three old men with white hair, all three of them were at the ninth stage of the Divine Overlord Realm.

"So they found us, it's faster than I imagined" Shui Yixian looked at the three old men who made a sneak attack towards her.

#### [Chapter 2148 Shui Yixian Was Caught](#)

"As we thought, you will appear" the three people said to Shui Yixian, they had already expected that Shui Yixian would appear in this place.

"So you guys found me, you guys are really great, it seems that I was too careless." Shui Yixian said to the three old man in front of her.

"You have made the mistake of going to this place, you won't be able to get out after entering this place" the three wise men said to Shui Yixian.

"Who said I can't get out of this place" Shui Yixian said that she could get out of this place.

"Are you sure about it?" three old man said to Shui Yixian, is Shui Yixian sure about it.

"Who knows" Shui Yixian replied using an uncertain answer.

"sister Cheng, you go first, tell Yanyan and the others about this, also make sure Ye Chen knows what happened" Shui Yixian said to Qing Cheng.

"Shouldn't we go and fight him?" Qing Cheng asked Shui Yixian, they should come out and fight with them.

"no, go quickly, I'll take care of them, they might be a tough opponent for you" Shui Yixian told Qing Cheng to leave, he didn't want Qing Cheng to be trapped in this place, if that happened, then no one would help them .

"Okay, I understand" Qing Cheng understood, she already understood what Shui Yixian wanted.

Qing Cheng left, she told Zhao Yanyan and the others about this matter.

"don't let her go" the enemy won't let Qing Cheng, if Qing Cheng leaves, it might be a problem.

Everyone is chasing Qing Cheng, they are trying to catch Qing Cheng who is escaping.

"Blinks . . ." when the three of them tried to chase after Qing Cheng, they were blocked by Shui Yixian, Shui Yixian used her light power to restrain the three and give Qing Cheng time to escape.

Seeing Shui Yixian who was in front, the three of them stopped, they knew that they would not be able to pass unless they fought Shui Yixian.

"I see, you decided to stay in this place, very good decision, we respect the decision you made".

These three old men looked pleased when they saw Shui Yixian who decided to stay in this place.

"I have no other choice but so what are you two planning" Shui Yixian said to the three men in front of her.

"do you need to answer your question?, you should already know what we are going to do" they knew that Shui Yixian already knew what they were going to do.

"So that's true" Shui Yixian nodded, it seemed they did that to Xing Mei.

"I didn't expect that you guys were so obsessed with strength, it's not like you guys are considered great people who can see through one's destiny" Shui Yixian said to the person in front of him.

"To be honest, we are tired of being stiff with the hands of the big powers, We want strength to make our position in God Realm even better." The three of them said that they wanted a much better position than now.

For that they need strength, strength is the most important thing in God Realm, they need strength to climb and reach the peak of God Realm.

"I see, it turns out that you guys are greedy people." Shui Yixian saw that the three of them were quite greedy people.

"Don't lecture us, didn't you do that too, look at you, you used your formidable strength for yourself" the three said to Shui Yixian, they saw that Shui Yixian was also doing the same thing as them.

"You may be right, the truth is that we are all naïve." Shui Yixian said that they were really naïve.

"So you admit it too, I didn't expect" the three of them didn't expect that Shui Yixian would admit it too.

Both Shui Yixian and the three of them had the same power, so they had the power to see the future in existence, they might just be able to determine the destiny they had.

"Looks like we've talked enough, we must end this battle immediately and determine who wins" one of the three old men said to Shui Yixian, they must determine who will be the winner in this match.

"You are absolutely right, I agree to determine who will be the winner." Shui Yixian agreed, she used an extremely powerful light power and shrouded this place.

"rumbling" The three old men's used their strength, lightning enveloped their bodies and began to spread rapidly.

The two forces met, light and lightning met and made a very strong and enormous explosion.

"Boom. . ." Huge explosions continued to occur, these explosions made the entire place tremble and shake.

These three people were quite strong, they were able to match Shui Yixian's strength, plus their moves were great, they seemed to know what Shui Yixian was going to do.

Shui Yixian hasn't used her full strength yet, she is still holding back and not using her full strength.

The battle became quite fierce, both sides attacked each other using powerful attacks.

Shui Yixian snapped her fingers, when she snapped her fingers, a strong light shone on the three people in front of her and crashed into them.

"argh . . ." all three fell, they had no chance of winning.

"You guys probably won't have a chance to win over me." Shui Yixian said that they wouldn't have a chance to win over her, now Shui Yixian was much stronger after Dual Cultivation with Ye Chen.

"We expected this, that's why we have prepared a gift for you." They had anticipated this, that's why they set a trap for Shui Yixian.

Five pillars appeared from the ground, these pillars surrounded Shui Yixian's body and started emitting lightning that turned into a lightning dome.

"this ?" Shui Yixian saw what these people were calling for, she saw that her enemy was using a dome to imprison her.

"You must know what this is, right, this is a thunder reflecting attack prison" You won't be able to leave that place no matter what.

"So you guys have prepared this for me, it looks like I won't be able to get out of this place" Shui Yixian will not be able to get out of this place, this is a prison that is difficult to break.

"why did you give up too fast, do you have no resistance to fight us" the three wise old men asked Shui Yixian.

"That's not necessary, there will be other people who will help me to beat you guys" Shui Yixian said that she had other people to beat them.

"So it's like that" The three of them naturally understood what Shui Yixian said, they knew that Shui Yixian was calling for help.

"Galaz, Tazung, Rahin" Shui Yixian said to the three.

The names of the three are Yun Galaz, Yun Tazung and Yun Rahin.

"We'll see, who will win this battle, is it you or us" Yun Galaz said to Shui Yixian.

"I'll be here and take a look" Shui Yixian said that she would be here to take a look, she wanted to know who would win.

Yun Galaz gritted his teeth, he had a bad feeling about Shui Yixian's words.

"you" Yun Galaz said to general Xing and palace concubine.

"What's wrong sage" general Xing and palace concubine asked.

"Tell everyone that this place will be closed to outsiders, from now until everything is over no one will be allowed to enter the Immortal destiny Star Realm.

"I will do it" general Xing understood, he would do what was necessary for the ritual to pass.

#### [Chapter 2149 Zhao Yanyan Told Shui Yixian's Situation To Ye Chen](#)

"then what to do with this woman" the concubine asked Yun Galaz, what should they do Shui Yixian, whether they should leave this woman or not.

"Don't worry about this woman, as long as she is inside, then everything will be fine, make sure no one approaches or interacts with her, that might set her free" Yun Galaz said to the concubine, he ordered leave and not let others come.

"Okay, I will do it" the concubine understood the order given, she will do what Yun Galaz.

Yun Galaz, Yun Tazung and Yun Rahin, they had finished restraining Shui Yixian, everything should be normal and they would no longer have to worry about any more trouble happening to them.

Shui Yixian closed her eyes, she sat cross-legged and started cultivating.

Shui Yixian didn't try to destroy this barrier, she deliberately didn't do it because she can't to destroy the barrier.

.

.

Qing Cheng run quickly, she Run and headed back towards the Sky Cloud Peak Star Realm.

Qing Cheng still didn't understand what happened, why Shui Yixian decided to fight alone and make her leave, exactly what Shui Yixian was trying to do.

On her return, Qing Cheng ran into Li Jingyi and Zhao Yanyan, what a coincidence that the two of them were doing housework and training the ladies of the Jade Lotus Peak.

At Ning Xia's request, Zhao Yanyan together with Ye Chen's lady decided to train the Jade Lotus Peak's female, they could assist in battle and would become a force that could support their activities.

"you guys are here" Qing Cheng said to Zhao Yanyan and Li Jingyi.

"what's wrong" Zhao Yanyan asked, she saw Qing Cheng whose breathing was irregular, it seemed that Qing Cheng had just run away from something.

"It's a little dire" Qing Cheng said to Zhao Yanyan, he said that something dire happened.

"What happened, quickly tell me" Zhao Yanyan told Qing Cheng to calm down, that way the two of them could understand what happened.

"sister Yixian is in trouble, she was caught by the enemy" Qing Cheng said to Zhao Yanyan.

"Impossible" Zhao Yanyan couldn't believe it when she saw this, to be honest it was hard to believe what Qing Cheng said.

"Doesn't she have a strong cultivation and is on par with sisters Huang Ying and Yue Ya" Li Jingyi said to Qing Cheng.

"That's the problem, he was caught by a strong barrier and couldn't leave plus the person who caught her has the same abilities as Sister Yixian, they can also see one's future and destiny."

"You mean they are from the Immortal destiny Star Realm" in this world only people from the Immortal destiny Star Realm had the same abilities as Shui Yixian, so Zhao Yanyan immediately understood what Qing Cheng said.

"That's absolutely true, plus they're going to sacrifice little sister Xing Mei" Qing Cheng told what she found.

"impossible" Zhao Yanyan started to worry, it seemed that this matter was serious and not to be trifled with.

"This might be troublesome" Zhao Yanyan said that this might be troublesome.

"Xing Mei, I think I've heard of it" Li Jingyi seems to have heard of this name, it's familiar to her.

"She is one of my acquaintances, she is a mischievous and quite a good girl, she also sticks with her husband, it has been quite a while since we last met, she should have been touring the God Realm during that time Zhao Yanyan explained what she needed to explain to Li Jingyi.

"Okay, I understand" Li Jingyi understood, she could understand what Zhao Yanyan said and maybe she was someone close to Ye Chen.

"If what you say is true, we should go and help her." Zhao Yanyan should probably go and help Shui Yixian and Xing Mei.

"where is husband, have you seen him" Qing Cheng asked Zhao Yanyan, Shui Yixian ordered to tell Ye Chen about Xing Mei's problem

"he is currently on earth" Zhao Yanyan told that Ye Chen is currently in the process of recovering Ling Yin memories .

"Isn't it done yet, doesn't she remember us?" Qing Cheng asked Zhao Yanyan.

"Perhaps already, I will see them and tell them this matter." Zhao Yanyan was going to tell Ye Chen about this matter.

"Sister Jingyi, you send people to see the situation in the Immortal destiny Star Realm." Zhao Yanyan said to Li Jingyi, she told Li Jingyi to immediately send people to see what the Immortal destiny Star Realm is doing.

"I will do it" Li Jingyi understood, she would do as Zhao Yanyan said.

"In the current situation, there were only Mei Yueli, Song Ziyu and Mu Lanyin, so Li Jingyi would probably send them over to oversee the Immortal destiny Star Realm".

"Tell them not to attack, only to watch the movements of the Immortal destiny Star Realm." Zhao Yanyan emphasized not to do anything strange, this situation might be more complicated than they thought.

"I understand" Li Jingyi understood, he understood very well what Zhao Yanyan wanted.

"sister Cheng, you can also come with them, you and sister Lanyin are really good at working together" Zhao Yanyan said to Qing Cheng "

I understand, I will do my best" Qing Cheng understood, Zhao Yanyan knows very well about her and Mu Lanyin, as long as the two work together, then everything will be fine.

Qing Cheng went to find Mu Lanyin, Mei Yueli and Song Ziyu, after that they went straight to the Immortal destiny Star Realm to make observations and check every move made by the Immortal destiny Star Realm.

"I will go and see husband, sister I leave this place to you, please don't come out if the situation is not urgent, there are still bad people trying to kidnap you" Zhao Yanyan said to Li Jingyi, she handed this place to Li Jingyi.

"I will stay here, I don't want to trouble my husband" Li Jingyi understood, she knew that the situation was not good and he could only stay in this place.

Zhao Yanyan went to earth, she would tell Ye Chen about this matter.

since Shui Yixian said to find Ye Chen, then this matter has something to do with Ye Chen.

.

Ye Chen was now with Su Mengxin, Ling Yin and Lin Rouxi, the four of them sleeping together in the same bed.

"slurp. . . , Chuuuuu" Su Mengxin and Lin Rouxi helped Ye Chen, the two of them helped clean up Ye Chen's younger brother.

Both of them were quite tired after exercising almost all night, that's why in the morning both of them helped Ye Chen by using their mouths.

"husband, come to my house for a while" Lin Rouxi said to Ye Chen, she invited Ye Chen to visit her parents.

"That's right, come to my place too." Su Mengxin agreed, she wanted to take Ye Chen to her place.

"Of course, after you guys are done, let's go." Ye Chen didn't refuse, he joined Lin Rouxi and Su Mengxin.

"thank you very much" after that the two returned to serve little brother Ye Chen with their mouths, they licked and ate Ye Chen's big thing.

Ye Chen naturally couldn't stand the way the two sucked him, Ye Chen didn't last long when receiving attacks from Lin Rouxi and Su Mengxin.

Ye Chen had finally reached his limit and gave his all to Lin Rouxi and Su Mengxin.

"ahhh" Lin Rouxi and Su Mengxin shouted, both of them receiving Ye Chen's Yang Qi.

"this is too much" both of them complained, they should probably take another shower.

"It's still early, you guys are already very excited" Ling Yin woke up, she didn't participate because she was still quite tired after everything that happened.

"how are you feeling, are you comfortable and okay?" Ye Chen asked Ling Yin.

"That's okay, I feel much better, though it's still a bit of a pain in my waist" Ling Yin said to Ye Chen.

"That's a normal" Su Mengxin said to Ling Yin, this was normal, so Ling Yin had to get used to this kind of thing.

After they finished helping Ye Chen, they took a shower together then had breakfast and started to go to Lin Rouxi's house.

The four of them were warmly welcomed by Sui Xi, They brought good gifts for Sui Xi's aunt.

After visiting and giving gifts to Sui Xi, he went to Su Mengxin's place.

Su Mengxin's family was quite busy, so they weren't home and only had the maids around.

Su Mengxin was used to this kind of things, she was used to what happened, so she wasn't surprised.

Finally they spent time at Su Mengxin's mansion until the afternoon, they enjoyed the swimming pool and everything in Su Mengxin's mansion.

"You guys are here, I was looking for you guys earlier" when Ye Chen, Su Mengxin, Lin Rouxi and Ling Yin were relaxing, they were approached by Zhao Yanyan.

"little sister Yanyan, what happened ?" Su Mengxin and Lin Rouxi asked, they wanted to know why Zhao Yanyan was in this place.

"I came to tell husband something." Zhao Yanyan said that she came here to tell Ye Chen something.

"Did something happen?" Ye Chen asked Zhao Yanyan, there must be a reason why Zhao Yanyan wanted to meet him.

"This is indeed a problem, Sister Yixian was caught" Zhao Yanyan told Ye Chen what happened.

"how is that possible?" Su Mengxin, Lin Rouxi and Ye Chen couldn't believe it, they couldn't believe it when they heard what Zhao Yanyan had to say.

"This is indeed possible, plus Xing Mei is also in trouble" Zhao Yanyan said to Su Mengxin, Lin Rouxi and Ye Chen.

"what happened, why suddenly, did she go to investigate the matter alone" Ye Chen remembered that Shui Yixian investigated about Xing Mei, unexpectedly that she was actually caught by the enemy.

"He investigated the matter with sister Cheng, unfortunately she was caught and let sister Cheng go and escape" Zhao Yanyan told Ye Chen what happened.

"This is not like her, what happened ?" Ye Chen felt strange, this is not like Shui Yixian's usual, actually what Shui Yixian is planning.

"why are women so complicated" Ye Chen helpless, why women are so complicated and so difficult to understand, this makes it wrong.

"We have to help her" Zhao Yanyan said that they had to help her, no matter what, they had to help Shui Yixian.

"Of course, we won't leave her alone, we will help her." Ye Chen agreed, he couldn't let Shui Yixian be in other people's hands.

"I have sent Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli to watch over them, they should come back and tell what happened" Zhao Yanyan said to Ye Chen.

"Yanyan, you are really smart, that is a very good decision" Ye Chen had to admit that Zhao Yanyan's decision was very good, she made an excellent decision and made countermeasures for the enemy.

"thank you very much" Zhao Yanyan thanked, she was grateful for Ye Chen's praise.

"Then we just have to wait for them, let's go back to God Realm." Ye Chen invited everyone to return to God Realm, they would monitor the situation and find a solution to save Shui Yixian.

Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli arrived near the Immortal destiny Star Realm, when they arrived near the Immortal destiny Star Realm, they found a huge and super strong barrier around the Immortal destiny Star Realm, plus there were a lot of troops standing guard around this place.

"it seems they have become wary of us." This situation was definitely different from before, the Star Realm's Immortal destiny became alert to any possible attack.

"Most likely it was because of you and Shui Yixian, so they set up a barrier to keep outsiders from entering." Mu Lanyin said that the Immortal destiny of the Star Realm had anticipated the arrival of Qing Cheng who would bring help to free Shui Yixian.

"Now what are we going to do?" Song Ziyu and Mei Yueli asked, what would they do next.

"We're just watching, and counting the number of guards in this place, it's a request from Yanyan" Qing Cheng told to count the enemy troops and find a point for them to enter.

"this probably won't be too difficult" Song Ziyu said confidently.

"Don't underestimate the enemy, you must know that your enemy is able to see our movements, make sure you don't make a mistake and get yourself into trouble" Mu Lanyin said to Song Ziyu and Mei Yueli.

"We understand" Mei Yueli and Song Ziyu understood, they would ensure that they wouldn't be caught by the enemy.

"Let's split up" Qing Cheng said to Mu Lanyin, Song Ziyu and Mei Yueli, the four of them split up and did their tasks.

.

.

Ye Chen returned to his home in the Sky Cloud Peak Star Realm, he was waiting for the results from Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli.

"when will they come back ?" Ye Chen asked Zhao Yanyan, he asked whether they will come back or not.

"don't worry, everything will be fine, they still need time to keep an eye on the enemy, perhaps the situation over there is much more difficult than you imagine" Zhao Yanyan said to Ye Chen.

Zhao Yanyan tried to calm Ye Chen, that way they would know what happened.

"we are back" Qing Cheng Mu Lanyin, Song Ziyu and Mei Yueli finally came back, they had already completed their assigned task.

"how did it go ?" Zhao Yanyan asked Qing Cheng.

"The Immortal Destiny Star Realm is completely covered by a huge barrier. There are about 3 million troops guarding the place, They are on guard and don't let anyone enter the Immortal Destiny Star Realm." Qing Cheng immediately told what she had found.

"They have anticipated us" Ye Chen said that the Star Realm's Immortal destiny had anticipated them.

"They must have known that you would go and help Shui Yixian and Xing Mei, so it wouldn't be strange for them to close all the gaps to keep you from entering the Immortal destiny Star Realm".

It seemed that they were afraid of Ye Chen, that was the reason why they had closed all the roads so that Ye Chen couldn't enter.

"Did you guys find a way to enter?" Ye Chen wanted to know if Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli found an opening to enter Immortal destiny Star Realm.

"that's the case, Immortal destiny Star Realm is very strictly guarded, we barely found any loopholes, it's like they designed it not to be entered by outsiders" Qing Cheng said to Ye Chen.

"It's not strange, they have the same abilities as sister Yixian, it would be strange if they gave us an opening to pass easily" Zhao Yanyan knew that this was hard to do.

"if there is no opening to enter, then we just need to knock on the front door, don't you think" Ye Chen said to all the women here.

"Looks like there is no other way" Zhao Yanyan could only agree, there was no other way for them to enter the Immortal destiny Star Realm.

"I agree, we can enter through the front door" Qing Cheng agreed, since they were not given any other way, they only needed to go through the front door.

"That idea isn't bad, by combining forces, we might be able to destroy the existing barrier" Mu Lanyin agreed, she agreed with what Ye Chen said.

"if it's decided, then let's just go ahead" Ye Chen said to everyone, they had to hurry before it was too late.

Because of what Shui Yixian did, should the Immortal destiny Star Realm speed things up, they might speed up the sacrifice ritual and gain power for all of them in this place.

Ye Chen, Zhao Yanyan, Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli left, they were the ones to go inside.

Lin Rouxi and Ling Yin did not come, Ye Chen deliberately did not bring Ling Yin because Ye Chen knew that Ling Yin was still not ready for a battle with a strong opponent.

So Lin Rouxi would look after him while they were away.

Ye Chen, Zhao Yanyan, Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli finally arrived at the Immortal destiny Star Realm, when they arrived, they were greeted by troops with bows and arrows in their hands.

"It seems they already know when we arrive and prepared a trap for us" Ye Chen said that the enemy had prepared a trap for them.

"shoot" troops from the Immortal destiny Star Realm instantly launched their fire towards Ye Chen, Zhao Yanyan, Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli.

"let us deal with this matter" Mei Yueli and Song Ziyu came forward, both of them would take care of this matter.

The two of them used their powers, the two of them created a huge wall of fire to block the attacks from the enemy.

This wall serves to block attacks from the enemy, they won't be able to break through the defenses put up by Mei Yueli and Song Ziyu.

"feel this" after they endured the enemy's attack, Mei Yueli and Song Ziyu reversed their attack towards the enemy, the wall of fire turned into a huge fireball and rushed towards the enemy.

"boom" a large explosion occurred, this large explosion hit the enemy in front.
