

## True God 2151

### [Chapter 2151 The Ritual Sacrifice Had Already Begun](#)

"arghhhh" troops from The Immortal destiny Star Realm screamed, they were incinerated by the attacks launched by Mei Yueli and Song Ziyu.

"not bad" Ye Chen acknowledged the strength possessed by Mei Yueli and Song Ziyu, Ye Chen had to admit that both of them had well-developed abilities.

"Attack again, don't let them get close" general Xing said to his troops, he ordered all troops to reload and be ready to shoot Ye Chen, that way they could stop Ye Chen.

They crushed Ye Chen, they used enormous strength to destroy Ye Chen.

This time Ye Chen used his own strength, he used his own wind power to deflect the enemy's attack.

The arrows and attacks coming from the enemy were easily deflected by Ye Chen.

"no way" general Xing didn't expect that their attack was deflected by Ye Chen.

"Yanyan, Cheng, it's your turn to cause trouble" Ye Chen said to Zhao Yanyan as well as Qing Cheng, he ordered the two of them to wreak havoc in the enemy army.

"We understand" Zhao Yanyan and Qing Cheng knew the task they had to do, they knew what they had to do against the enemy.

Zhao Yanyan played her zither, meanwhile Qing Cheng used her strength to control the enemy from a distance.

When the two started playing, all the enemy troops started screaming, they couldn't stand what Zhao Yanyan's zither sounded, plus there were so many people being controlled by Qing Cheng, they were now obedient to Qing Chen's every order.

Within the Immortal destiny Star Realm army, chaos began to occur, and countless people started fighting and attacking each other.

"what are you doing, why are you attacking your friends?" General Xing said to his troops, there were several people who lost control and attacked each other.

They didn't listen to what they had to say, they didn't answer and continued to fight.

They were now controlled by Qing Cheng, so general Xing had no authority over them anymore.

Coupled with the power of Zhao Yanyan's zither, the army was helpless and fell, in just a short time, the Immortal destiny Star Realm army was reduced to half.

"Impossible" General Xing couldn't believe what was happening, he didn't expect that his army would be defeated so easily.

After the chaos occurred, Mu Lanyin made her move, she used her power to freeze all the enemies.

"Ice Phoenix Domain" Mu Lanyin's opened the domain, an ice Phoenix appeared and began to freeze the enemies inside, immediately all the enemies were frozen by Mu Lanyin.

Xing Mei and Song Ziyu joined the fight, the two joined the fight and started attacking the enemy with their strength.

Their fire burns and destroys existing enemies, this makes the troops that come from The Star Realm's immortal destiny decrease very quickly.

"This is your end" Ye Chen said to General Xing, he told him that this was their end.

"Who are you, why did you attack Immortal Destiny Star Realm?" General Xing asked Ye Chen, he wanted to know why Ye Chen attacked the Immortal Destiny Star Realm.

"You want to know the answer, I'll tell you, you guys want to do bad things to someone I know and often help me, I won't let that happen" Ye Chen told General Xing why he attacked and forced his way into the Immortal destiny Star Realm .

Ye Chen did this to save Xing Mei and Shui Yixian, he would not let these people do anything bad to Xing Mei.

"Is that so, it's a shame, but you guys are already late, it seems that it has already started" General Xing informed that Ye Chen had come late, he was too late because everything had already started.

"How come, it's much faster than it should be" Qing Cheng couldn't believe it, it's much faster than they imagined.

"I expected, they will definitely speed up" Ye Chen had expected this, he had expected that they would speed things up considering they were already caught.

"let's go in" Ye Chen said to the woman behind him, they should enter right away.

"Come on" Zhao Yanyan agreed, they mustn't let this happen, how could they allow Xing Mei to be sacrificed by their own family.

"I won't let you pass, if you want to pass, then you must pass my corpse first" General Xing said to Ye Chen, he told Ye Chen to fight him first before passing.

"Then I won't hesitate." Ye Chen didn't hesitate anymore, he used<strong> DESOLATE PALMS</strong> and destroyed General Xing with ease.

"let's go" Ye Chen didn't have time to play, they went straight to Xing Mei's place.

Xing Mei was currently on the altar, her whole body was tied up and her eyes were covered by a bandage, she couldn't see what was going on around her.

Plus he was laid down into the altar, and was ready to be used to make everyone of the Immortal destiny Star Realm stronger.

"everything is ready, it has started" Yun Galaz, Yun Tazung and Yun Rahin said to the king of the realm, the king of the realm himself is Xing Mahun and is the father of Xing Mei.

"start, it is for the good of the Immortal destiny Star Realm" Xing Mahun said to start, it is time for the Immortal destiny Star Realm to become one of the forces that can compete with the rulers of the God Realm.

"Long live the Immortal destiny Star Realm" everyone said in a very loud voice, they cheered and rejoiced at this.

This was a big day for the Immortal destiny Star Realm, they would become the new rulers of the God Realm.

All the strong people of the Immortal destiny Star Realm are gathered in this place, they can't wait to get Xing Mei's benefits.

The altar started to glow, Xing Mei's entire body started to be enveloped by lightning and dazzling light.

"rumble . ." an incomparably loud roar occurred, the entire God Realm was covered in incomparably dark and terrifying clouds.

"What's going on?" Everyone in God Realm is being shown strange and unreasonable things again. Recently, there have been strange things in God Realm.

This made all the cultivators in God Realm confused, what exactly was going on in God Realm.

"It seems we are late" Zhao Yanyan said to Ye Chen, she told Ye Chen that they were late to come.

"It has already started, can we save her" Qing Cheng asked Ye Chen, he wanted to know if they had a chance to help Xing Mei.

"There's no such thing as being late, we definitely have a chance" Ye Chen said to Zhao Yanyan and Qing Cheng, they definitely had a chance to be able to save Xing Mei.

Xing Mahun and everyone around started gaining strength, they got power from the heavens through Xing Mei.

Enormous amounts of power began to enter into Xing Mahun's body, they gained immense strength from this.

"amazing power, with this we can reach the peak" everyone gains overwhelming strength, with this thing, they can gain unbelievably strong strength.

Ye Chen saw that everyone gained strength, their cultivation levels rose rapidly.

"they got great benefits from Xing Mei" Chu Yuechan said to Ye Chen.

"is there a way to stop this thing" Ye Chen asked Chu Yuechan.

"Of course there is, use your strength and destroy the altar, here only you are able to get close" considering it is a heavenly lightning that will destroy all things approaching.

#### [Chapter 2152 Save Xing Mei](#)

"then I will do it" Ye Chen was about to do as Chu Yuechan said, he jumped into the terrifying lightning vortex.

"husband" Mu Lanyin try to stopped Ye Chen, she stopped Ye Chen who was trying to do something stupid.

"stop, don't chase him" Zhao Yanyan stopped all the women who stopped Ye Chen.

"Why didn't you stop him" all the women asked Zhao Yanyan, why didn't Zhao Yanyan stop Ye Chen, she should have been able to stop Ye Chen.

"We can't stop him, it's a choice he made" Zhao Yanyan said to all her sisters, she told them that they wouldn't be able to stop Ye Chen.

All women also knew that they would not be able to stop Ye Chen, they knew that they would not be able to stop Ye Chen who wanted to save Xing Mei.

"Let's just watch from afar, we can't get close and help her, if we get any closer, we'll be in trouble" Zhao Yanyan said to Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli.

Currently Zhao Yanyan, Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli could only wait for Ye Chen's results, they completely left this matter to Ye Chen.

Ye Chen entered into the lightning vortex, this lightning was definitely heavenly lightning, when this lightning struck Ye Chen, Ye Chen found that a huge force was flowing into his body.

"Is that so, this is really great" Ye Chen was interested, a huge power flowed into his body and made him feel stronger.

"No, this isn't the right time to think about that." Ye Chen had almost forgotten his purpose of coming here, he had almost forgotten that he had come here to help Xing Mei in the first place.

Ye Chen searched for Xing Mei's whereabouts, this place was extremely bright and made Ye Chen unable to see clearly, plus he couldn't use his spirit Sense in this place.

So Ye Chen could only rely on his instincts to find Xing Mei's whereabouts.

Ye Chen passed through this thunderstorm, he was looking for Xing Mei's figure.

A moment later Ye Chen saw Xing Mei's figure floating in the air, her entire body enveloped by lightning.

Xing Mei's entire clothes were destroyed and some blood started to come out from the pores of Xing Mei's body.

Ye Chen, who saw this, couldn't bear it, He couldn't bear it when he saw such a Xing Mei.

This was like watching Xing Mei be sucked dry by lightning, sooner or later she would die if she continued like this.

Ye Chen drew closer, he used his strength to help Xing Mei.

"rumbling" a roar sounded, this roar was due to the friction of Ye Chen's power and Xing Mei's blood-sucking power.

"get out of the way, she is mine" Ye Chen dispelled everything, he dispelled the lightning around Xing Mei's body.

Using all of his strength, Ye Chen started to dislodge the lightning and return it to the sky.

"what exactly happened, what happened in there" Xing Mahun wanted to know what happened, he wanted to know what happened to Xing Mei, why did everything become so chaotic and the power falling on their bodies started to become disordered.

"This is really bad, there is someone who wants to destroy the altar" Yun Rahin said to everyone in this place, he told everyone that someone wanted to destroy the altar and help Xing Mei.

"We can't let it go, it's not over yet, this power is still not enough for us." Yun Galaz, Yun Tazung said to everyone, the strength they got was still not strong enough.

"then what should we do" everyone asked Yun Galaz and Yun Tazung, they wanted to know what they should do in this kind of situation.

"attack, we destroy the people inside" Yun Galaz gave an order, he ordered everyone to carry out an attack towards Ye Chen.

Everyone naturally obeyed the orders given by Yun Galaz, they all immediately attacked Ye Chen using their full strength.

"we mustn't let them succeed" Zhao Yanyan said to Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli, they had to protect Ye Chen and Xing Mei who were inside.

"We can't go inside, then we'll take care that no one can get close to husband" Qing Cheng used her full power, a purple butterfly appeared behind Qing Cheng's body, she started controlling everyone she could control.

Mu Lanyin used her powers and started to freeze everyone, using her powers, Mu Lanyin could freeze countless people.

Song Ziyu and Mei Yueli erected a wall of fire and resisted the enemy's attack, they did their best to help Ye Chen who was saving Xing Mei.

"attack them" everyone immediately targeted Zhao Yanyan, Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli.

These people had become even stronger after obtaining the power of the Heavenly seven constellations, they had become extremely strong and extremely difficult to fight against.

Zhao Yanyan used her strength, she had to stop them even if it meant killing them.

Zhao Yanyan displayed her own strength, she used the Goddess Melody Technique and started cursing the enemies present.

Qing Cheng, Mu Lanyin, Song Ziyu and Mei Yueli had gotten strength from Zhao Yanyan, now they were much stronger than before.

They fight against everyone from Immortal destiny Star Realm, they did their best to do it.

The lightning returned to the sky, and the altar began to shatter and collapse. When the altar collapsed, Xing Mei fell, Ye Chen directly caught the falling Xing Mei.

Ye Chen directly used the cloth to wipe the body from Xing Mei, he saw Xing Mei who was unconscious.

Xing Mei looked very pale, it seemed that the blood in her body had been drained quite a lot due to the previous incident.

"are you okay" Ye Chen tried to revive Xing Mei, he revived Xing Mei who was currently unconscious.

Xing Mei opened her eyes, she saw Ye Chen in front of her, she smiled at Ye Chen before fainting again.

"oi wake up" Ye Chen tried to wake up Xing Mei, it's a pity that everything Ye Chen did was fruitless and Xing Mei was still unconscious.

"You must have experienced a lot since last time, I won't let this continue to happen to you" Ye Chen would not allow this to continue, he could not allow Xing Mei to suffer the way she was now.

"Who are you, how dare you interfere with our affairs" Yun Galaz, Yun Tazung said to Ye Chen, they asked who Ye Chen was, why did Ye Chen dare to interfere in their affairs.

I came here to save her from people like you" Ye Chen told that he had come to save Xing Mei from bad people like this, he would not allow bad people like them to do bad things to Xing Mei.

Luckily Ye Chen came in time, otherwise Xing Mei's fate would have been even worse than now.

"Is that so, then we only need to kill you" because Ye Chen had come to be enemies, they decided to kill Ye Chen and take Xing Mei back.

Yun Galaz, Yun Tazung came forward, the two of them came forward and attacked Ye Chen using their full strength.

After the short time just now, the two of them were now level ten Divine Overlord Realm, they could now be said to be one of the strongest cultivators in the God Realm.

#### [Chapter 2153 God Seal Sky](#)

Ye Chen used his own aura to take care of Yun Galaz, Yun Tazung.

Yun Galaz, Yun Tazung flew backwards, Ye Chen's strength made them retreat.

"So you've got what you need right, your strength is much improved now" Ye Chen said to Yun Galaz, Yun Tazung.

"It should be like that, it's a shame you even messed up, if we get full strength then we won't be defeated" said Yun Galaz, Yun Tazung.

"It seems interesting to see the full strength you guys have, but I won't be able to let that happen" Ye Chen couldn't allow this, he couldn't allow Xing Mei to fall victim to these people's greed.

"Shut up, we will take her from you" Yun Galaz, Yun Tazung said that he would take Xing Mei from Ye Chen's hands.

"Do you think I will let you take Xing Mei away from me, I will not allow that" Ye Chen said that he would not hand over Xing Mei to Yun Galaz, Yun Tazung.

"Then we just need to take her from you." Yun Galaz, Yun Tazung said that they would take Xing Mei from Ye Chen's hands.

The two stepped forward again, this time the two no longer held back, they used their full strength to beat Ye Chen.

"<strong>Thunder Arrow From Sky</strong>" Yun Galaz using the strength he had, he dropped countless large arrows from the sky.

"<strong>Thunder lake</strong>" Yun Tazung used his own technique to create lightning under Ye Chen, this way Ye Chen would not be able to escape from Yun Galaz's attack.

Ye Chen was surrounded by the two great forces, he couldn't move and had to take this attack.

<strong>"God Thunder Armor</strong>" Ye Chen wore <strong>God Thunder Armor</strong>, his body was enveloped by God Thunder Armor.

"boom . . ." Ye Chen's body was hit by the combined attacks of Yun Galaz, Yun Tazung.

A super huge explosion occurred when the two attacks met, the explosion destroyed half of this place, it even made a very deep hole and would probably destroy the Immortal destiny Star Realm.

"hahahaha, our strength has increased tremendously" Yun Galaz, Yun Tazung was shocked by the increase in their strength, their increase in strength was amazing.

with such powerful attacks, they should have managed to kill Ye Chen.

Ye Chen's place was still covered in dust and smoke, so Yun Galaz, Yun Tazung couldn't tell whether Ye Chen was still alive or not.

After the dust and smoke cleared, they finally saw Ye Chen's standing figure, Ye Chen standing where he originally came from.

"how come" Yun Galaz, Yun Tazung were shocked when they saw what happened, how could Ye Chen survive their powerful attacks.

Ye Chen survived, he also protected Xing Mei from the attack launched by Yun Galaz, Yun Tazung.

"Is that all you can do?" Ye Chen asked Yun Galaz, Yun Tazung.

"damn it" Yun Galaz, Yun Tazung cursed Ye Chen, they were angry and uncontrollable when they listened to the ridicule from Ye Chen.

"Let's use that technique, let him feel the power from us" Yun Galaz, Yun Tazung decided to use the secret technique they had.

"You better be careful" Chu Yuechan said to Ye Chen, she seemed to know what power Yun Galaz, Yun Tazung was trying to use.

"what will they use?" Ye Chen asked Chu Yuechan.

"<strong>God Seal Sky</strong>, a seal technique to seal a person for hundreds of thousands of years" Chu Yuechan said to Ye Chen.

<strong>God Seal Sky</strong> was a technique of sealing someone into the void, they would not be able to get out once they entered there and drifted aimlessly for an indefinite amount of time

"thanks for the explanation, I seem to know what kind of technique they used." Ye Chen finally got the thigh, with the technique used by his opponent.

"master, their aim is only to seal you, Xing Mei will not come with you when you are hit by this technique" Chu Yuechan explained to Ye Chen.

The goal of Yun Galaz, Yun Tazung was to get rid of Ye Chen, so it wouldn't be strange for them to only target Ye Chen.

"brat, you will regret for challenging us, you will spend time alone for a long time" Yun Galaz and Yun Tazung said.

"old man, stop blabbering" Ye Chen told Yun Galaz, Yun Tazung To stop blabbering.

Yun Galaz, Yun Tazung was getting angry with what Ye Chen said, both of them were completely humiliated by Ye Chen.

"Rumble. . ." An extremely loud roar rang out, the sky began to open a slit, a huge black hole appeared and sucked Ye Chen inside.

Ye Chen was sucked in, his body was sucked in by a very terrible force, the power was able to suck Ye Chen's body which had a very large weight.

Ye Chen tried to hold on, he tried to hold on and not get sucked into the black crack.

Even though he used his strength to defend himself, in reality Ye Chen was still being sucked in, his body being sucked in and rising rapidly.

At this time, only Ye Chen was sucked in, while Xing Mei stayed downstairs and didn't come with Ye Chen.

"hurry up scam" Yun Galaz, Yun Tazung said to Ye Chen, they told Ye Chen to get in there immediately.

Ye Chen's body was sucked in, he was sucked into the black hole.

"quickly close" after Ye Chen entered, Yun Galaz, Yun Tazung immediately closed the Sky God Seal.

If they didn't close the God Seal Sky, it would only get bigger and bigger and it would probably bring the entire Immortal destiny of the Star Realm inside.

"Hehehehe, done" Yun Galaz, Yun Tazung were happy, the two of them were very happy when they found out that they had defeated Ye Chen, they had succeeded in defeating Ye Chen.

"what just happened" Zhao Yanyan, Qing Cheng, Mu Lanyin, Mei Yueli and Song Ziyu wanted to know what had just happened.

"Let me tell you guys, now he is in the void and will not be able to come out again, you won't see him in the next few hundred thousand years" Yun Rahin said to Zhao Yanyan, Qing Cheng, Mu Lanyin, Mei Yueli and Song Ziyu, he was telling that Ye Chen was now in the void space and would not be able to get out.

"no way" Zhao Yanyan and the others were worried when they heard this, they didn't expect that Ye Chen would be sent to such a dangerous place.

"hahahaha, you all will never meet him again" Yun Rahin said that Zhao Yanyan and the others would probably never see Ye Chen again.

Yun Rahin laughed, it seemed that they would never meet Ye Chen again.

Now they only needed to get rid of Zhao Yanyan and the others, that way it would be easy for them to continue with the ritual.

Zhao Yanyan, Qing Cheng, Mu Lanyin, Mei Yueli and Song Ziyu were surrounded, they were surrounded by enemies and had nowhere to go from here.

"arrest them" Xing Mahun gave an order, he gave an order to arrest Zhao Yanyan, Qing Cheng, Mu Lanyin, Mei Yueli and Song Ziyu.

Everyone gathered together, they all arrested Zhao Yanyan, Qing Cheng, Mu Lanyin, Mei Yueli and Song Ziyu, they surrounded Zhao Yanyan, Qing Cheng, Mu Lanyin, Mei Yueli and Song Ziyu and were ready to arrest them.

"cracks . . ." when they gave an order to arrest Zhao Yanyan, Qing Cheng, Mu Lanyin, Mei Yueli and Song Ziyu, a crack appeared in the sky.

Everyone saw this and wanted to know what was going on up there

#### [Chapter 2154 Yun Galaz, Yun Tazung And Yun Rahin Lost](#)

a 5 meter gap appeared, from within this gap Ye Chen emerged, he emerged and returned to the battlefield.

"husband", Zhao Yanyan, Qing Cheng, Mu Lanyin, Song Ziyu, and Mei Yueli were happy to see Ye Chen come out, Ye Chen had made them worry, they were afraid that they couldn't meet Ye Chen, if that happened, what would they do.

"impossible" Yun Galaz, Yun Tazung was shocked when they saw this, they didn't expect that Ye Chen could come back after being sealed.

To be honest this was impossible, Ye Chen couldn't possibly return after everything that happened, something was wrong in this place.

"Is this an ability that Shui Yixian has hidden from us?" Yun Galaz, Yun Tazung finally realized something, they finally realized that this was most likely one of Ye Chen's abilities that Shui Yixian had deliberately hidden.

Shui Yixian deliberately hides Ye Chen's abilities, so it's not strange that Yun Galaz, Yun Tazung don't know Ye Chen's abilities.

Ye Chen saw the reaction shown by Yun Galaz, Yun Tazung, it seemed that they didn't know about Ye Chen's abilities.

"That's weird, why do they look as if they don't know me?" Ye Chen felt weird, why didn't they realize that he could do this.

"Wait, could it be that they don't know my strength" Ye Chen just realized that these people didn't know the strength he had, it wasn't strange that they looked confused when they saw Ye Chen come out of the God Seal Sky.

"Most likely it's because of Shui Yixian, she might be able to hide it, considering they have almost similar strengths and Shui Yixian seems a lot stronger compared to what they have" Chu Yuechan said with all calculations.

These people might only be able to see what one's destiny would be like in the future, while Shui Yixian was able to see the future and was far superior compared to them.

"If that's true, then you should thank her" Ye Chen had to thank Shui Yixian, he was a very understanding person towards Ye Chen.

He had even done that to completely protect Ye Chen, of course Ye Chen had to thank Shui Yixian for what she had done.

Shui Yixian who was in confinement smiled, it seemed that everything was going well Ye Chen could handle everything alone.

"Okay now is the time for me to finish them" Ye Chen decided to finish them, it's time to make a reckoning with everyone who dared to sacrifice Xing Mei, Ye Chen would not let them go easily.

Ye Chen came forward, he attacked Yun Galaz, Yun Tazung Ye Chen used God Thunder Armor, to attack Yun Galaz, Yun Tazung was in front.

**God Thunder Armor** covered Ye Chen's body, Ye Chen's body became strong and his physical strength became enormous.

"feel this" Ye Chen hit Yun Galaz, he hit Yun Galaz right in the face.

"arghh . . ." Yun Galaz was hit by Ye Chen, he actually fell after receiving the punch that came from Ye Chen.

Ye Chen's punch directly crushed Yun Galaz and killed him"

"no way" Yun Tazung couldn't believe it, he couldn't believe it when he saw Ye Chen kill Yun Galaz so easily, how could Ye Chen do it that easily.

"now it's your turn" Ye Chen said to Yun Tazung, he was going to kill Yun Tazung.

"no . . ." Yun Tazung fled, he fled and tried to avoid Ye Chen.

Ye Chen smiled when he saw Yun Tazung who was trying to run away from him.

"It's a waste, you can't escape from me" Ye Chen said that Yun Tazung couldn't escape him.

Ye Chen used his speed, he appeared behind Yun Tazung and knocked Yun Tazung down.

"<strong>God's Judgment Lightning</strong>" Ye Chen used <strong>God's Judgment Lightning</strong>, the sky instantly turned dark and the lightning began to gather and form the shape of a dragon.

"accept your punishment" Ye Chen said to Yun Tazung and Yun Galaz, both of them deserved the punishment they deserved.

The God's Judgment Lightning that was made of heavenly lightning immediately rumbled, the rumble was so terrifying that it sent chills down all the cultivators in the surroundings.

God's Judgment Lightning descended and directly hit the body Yun Tazung and hit Yun Tazung.

The explosion was so powerful that it blew away everyone in the vicinity, the explosive power was simply astonishing, it bore a hole thousands of miles deep and was extremely deep.

"Impossible" Yun Rahin couldn't help but remain silent when he saw what was happening, to be honest he couldn't believe that his two friends were annihilated so easily by Ye Chen.

"stop staring at others" Zhao Yanyan said to Yun Rahin, she started to use the chain of light to restrain Yun Rahin.

Qing Cheng uses his own power to erase all memories from Yun Rahin, meanwhile Mu Lanyin uses the ice Phoenix seal to seal Yun Rahin.

Song Ziyu and Mei Yueli used their flames, they burned Yun Rahin and reduced him to ashes.

With the combined attacks of these five beauties, Yun Rahin was easily defeated, he even had no resistance when receiving attacks from Zhao Yanyan, Qing Cheng, Mu Lanyin, Song Ziyu, and Mei Yueli.

the most annoying person had been eliminated, now only Xing Mahun and his subordinates needed to be eliminated.

Ye Chen, Zhao Yanyan, Qing Cheng, Mu Lanyin, Song Ziyu, and Mei Yueli gathered again, they faced Xing Mahun and his troops.

"shameless old man" Zhao Yanyan said to Xing Mahun, she said that Xing Mahun became a shameless old man.

"shut up, to me she is just a tool, she will let us reach the peak" Xing Mahun told Zhao Yanyan to be quiet, he didn't want to be lectured by a young lady like Zhao Yanyan.

"Ding" Zhao Yanyan used her zither, she played hard and hit Xing Mahun on the head.

Zhao Yanyan looked really annoyed, she was really annoyed when she heard Xing Mahun word.

All this time Xing Mahun had deliberately spoiled Xing Mei, this was so that Xing Mai would want to do what he wanted, now Xing Mahun's goal was complete and he didn't need that and only needed Xing Mei to increase the strength he had.

"what a useless person" Ye Chen was annoyed when he saw this, to be honest what Xing Mahun did annoyed Ye Chen.

"Yanyan, you will probably kill him" Qing Cheng said to Zhao Yanyan.

What Zhao Yanyan had done was quite extreme, she would probably kill Xing Mahun.

"I don't care about this, he doesn't deserve to live" Zhao Yanyan said to Qing Cheng, she felt that Xing Mahun didn't deserve to live.

Of all people Zhao Yanyan probably didn't like Xing Mahun, she didn't like Xing Mahun's way of acting, she had angered the loving Zhao Yanyan like this.

It wasn't strange for Zhao Yanyan to be angry, she couldn't just sit idly by when she saw a father do something like this, this was something that a woman like Zhao Yanyan could not accept.

"I agree with Yanyan" Mu Lanyin also agreed with what Zhao Yanyan said, as a woman, she understood Zhao Yanyan's feelings.

Ye Chen looked at Zhao Yanyan, it was rare to see Zhao Yanyan angry like this.

"I leave him to you, it's up to you what you want to do" Ye Chen said to Zhao Yanyan.

Since situation was like this, Ye Chen left this matter to Zhao Yanyan, he might know better what to do with Xing Mahun.

#### [Chapter 2155 Success To Save Xing Mei And Shui Yixian](#)

"I will do it" Zhao Yanyan understood, she would take care of Xing Mahun, she would make sure this man got the punishment he deserved.

Zhao Yanyan used her zither, while Zhao Yanyan used her zither at Xing Mahun.

Xing Mahun immediately screamed when he heard Zhao Yanyan's zither, this was so painful, Xing Mahun couldn't stand the sound of the zither.

"stop. . . ! ! ! ! ! " Xing Mahun told Zhao Yanyan to stop, he couldn't stand what Zhao Yanyan was doing.

Zhao Yanyan didn't care, she didn't care about the screams that Xing Mahun let out, one could say that Zhao Yanyan gave Xing Mahun a terrible punishment.

Xing Mahun was in pain and was rolling around, it could be seen that he was in pain from Zhao Yanyan's attack.

What Zhao Yanyan did was extremely painful to Xing Mahun's head and brain, Xing Mahun felt that his head was exploding when listening to Zhao Yanyan playing the zither.

"no . . . , stop . . . " Xing Mahun kept shouting at Zhao Yanyan, he told Zhao Yanyan to stop, he couldn't stand what Zhao Yanyan was doing, Zhao Yanyan's zither sound was horrible to listen to.

Xing Mahun looked very pitiful, he really had to listen to something so terrible and he had never imagined, if it were Xing Mahun then surely they would faint and their brains would melt from hearing this.

Ye Chen went towards Xing Mei, he checked on Xing Mei's condition and wanted to know how she was right now.

Xing Mei was a little pale, she had lost quite a lot of blood and needed treatment.

Ye Chen decided to treat Xing Mei, he gave Xing Mei treatment using pills as well as golden needles.

Ye Chen gave a pill to Xing Mei after giving a pill to Xing Mei, Ye Chen used a needle to heal Xing Mei.

Ye Chen was taking care of Xing Mei, he would save Xing Mei with the ability he had.

By using Ye Chen's ability, the wounds on Xing Mei's body began to heal.

"cough . . ." Xing Mei started to spit out dirty blood, Ye Chen pushed away all the dirty blood that was in Xing Mei's body.

"it's good that it's out" Ye Chen relieved, dirty blood has already come out of Xing Mei's body, she will probably recover soon with the help of blood-boosting and recovery pills.

Ye Chen looked at Zhao Yanyan and Xing Mahun, he saw how Zhao Yanyan gave punishment to Xing Mahun.

"he deserves it" Ye Chen didn't feel sorry for Xing Mahun, he didn't pity him at all even after seeing Xing Mahun rolling on the ground like a madman.

"master, have you not forgotten something" Chu Yuechan said to Ye Chen, she informed that Ye Chen had forgotten something.

"forgot something" Ye Chen tried to remember, he finally remembered something important.

"That's right, I have to go and save Yixian." Ye Chen remembered, he had not saved Shui Yixian.

"Ziyu, Yueli, I leave her to you" Ye Chen said to Song Ziyu and Mei Yueli, he ordered the two to take care of Xing Mei for the time being.

"Alright, we'll do it." Song Ziyu and Mei Yueli nodded, both of them agreeing to do the work to protect Xing Mei.

Ye Chen went to Shui Yixian's place, using his connection with Shui Yixian, he searched for Shui Yixian's whereabouts.

"found" Ye Chen quickly found Shui Yixian's place in the cage, When Ye Chen got to Shui Yixian's place, Ye Chen saw Shui Yixian sitting cross-legged and cultivating.

"So relaxed" Ye Chen saw that Shui Yixian was very relaxed, she was quite relaxed when he was locked up in the thunder reflecting attack prison.

"Husband, are you coming?" Shui Yixian noticed Ye Chen's arrival, she realized that Ye Chen had come to save her.

"You seem fine." Ye Chen saw that Shui Yixian was fine, she seemed to be in good shape and didn't seem to be having any trouble.

"Can't you see that I'm in prison?" Shui Yixian said that if she was locked up, how could she be fine when she was locked up like this.

"But what I see is that you are fine." Ye Chen said that Shui Yixian looked fine, even all of her clothes were still very good, not a single scuffed part.

"You're making fun of me, like I'm not doing battle" Shui Yixian felt teased by Ye Chen, she felt like she wasn't doing battle.

"You're absolutely right, that's what I see now" Ye Chen said as he smiled at Shui Yixian.

"Hmmp . . ." Shui Yixian snorted coldly, she seemed to be angry at Ye Chen.

"hahahaha" Ye Chen laughed, it was really fun when Ye Chen teased Shui Yixian, nothing was more fun when teasing a beautiful goddess like Shui Yixian.

"Okay, I'll help to free you" Ye Chen decided to help Shui Yixian, he will help to free Shui Yixian.

"Wait a minute" Shui Yixian said to Ye Chen, she wanted to tell Ye Chen that this place was capable of reflecting attacks.

"Cracks . . ." Ye Chen used his bare hands to crush and break the thunder reflecting attack prison.

Shui Yixian was speechless when she saw what Ye Chen was doing, she didn't think that Ye Chen only needed to use one hand to destroy the thunder reflecting attack prison.

"What's wrong, what did you say earlier?" Ye Chen asked Shui Yixian, he wanted to know what Shui Yixian said.

"Forget it" Shui Yixian told Ye Chen to forget it, to be honest Ye Chen was something that was difficult for Shui Yixian to understand.

"let's go out" Ye Chen told Shui Yixian to come out, he wanted Shui Yixian to get out of the cage quickly.

Shui Yixian came out, she went towards Ye Chen, she stood in front of Ye Chen.

"So how?, have you finished it" Shui Yixian asked Ye Chen, she wanted to know if Ye Chen had finished saving Xing Mei.

"of course, everything is over, it's a shame you didn't join the battle" Ye Chen said that everything was over, he had saved Xing Mei and defeated all the people who had done bad things to Xing Mei.

"I thought that only you could do this." Shui Yixian had already expected this, only Ye Chen could save Xing Mei.

"Is that one of the reasons why you want to get caught?" Ye Chen asked Shui Yixian.

"of course, I did it on purpose, I wanted to mess them up so they couldn't see about you, it seems everything worked out, I have tricked them, they are quite stupid" Shui Yixian said to Ye Chen.

Shui Yixian was playing from the start, she was putting up a play and fooling Yun Galaz, Yun Tazung and Yun Rahin from the start.

"You are evil enough, if they find out then they will definitely be very angry with you" Ye Chen couldn't imagine how Yun Galaz, Yun Tazung and Yun Rahin would react.

They would definitely be angry and annoyed when they found out that they had been tricked by Shui Yixian from the start, it would be really fun to see them being tricked by Shui Yixian.

"Sometimes we have to do that when we're fighting bad people." Shui Yixian said that she did this ,because she didn't want a talent like Xing Mei to end up like that.

"I won't complain" Ye Chen said that he wouldn't complain to Shui Yixian.

"Let's go back, it looks like she needs more treatment." Shui Yixian said to Ye Chen, they should go back and give Xing Mei more treatment.

"I agree, let's go back" Ye Chen agreed with what Shui Yixian said, now is the time to heal Xing Mei.

#### [Chapter 2156 Shen Faye Is Naughty](#)

Ye Chen, along with Shui Yixian and the others immediately went to meet Zhao Yanyan and the others.

When they got to Zhao Yanyan's place, they both saw Zhao Yanyan who had finished punishing Xing Mahun.

"Yanyan, what have you done to that man" Ye Chen asked Zhao Yanyan, he wanted to know what Zhao Yanyan was up to.

"I gave him a suitable punishment" Zhao Yanyan said that he gave Xing Mahun a suitable punishment.

"It seems that you have driven him crazy" Shui Yixian said to Zhao Yanyan, he saw that Xing Mahun was out of his mind.

"No, it's actually a very good thing." Qing Cheng said that this was a very good thing, Zhao Yanyan had done a very good thing.

"It doesn't matter, we don't need it anymore." Shui Yixian didn't really matter, there would be a replacement for Xing Mahun sooner or later.

"let's go back" Shui Yixian led everyone to Heaven Light Palace.

"um . . ." everyone quickly agreed, they all agreed to come along with Shui Yixian.

Ye Chen, Zhao Yanyan, Shui Yixian, and the others headed to the Heaven Light Palace, when they arrived at the Heaven Light Palace, they were greeted by Shen Faye.

"Finally you're back, I've been waiting for you for so long" Shen Faye complained to Shui Yixian, she was not happy when she was told to wait for Heaven Light Palace, to be honest she would rather sleep than guard Heaven Light Palace.

Maintaining and maintaining the Heaven Light Palace was far more troublesome than an ordinary person could imagine, there were simply too many errands for Shen Faye to take care of.

"Sorry for making you work, everything is done, for now I will stay at Heaven Light Palace" Shui Yixian thanked, he appreciated what Shen Faye did.

"Good, I'm going to sleep, see you later." Shen Faye said that she wanted to sleep, she wanted to relax and enjoy the day lazily.

"That spirit, she is really lazy" Ye Chen said to Shui Yixian.

"I know that, but it doesn't matter, she has worked hard, so let her do as she pleases" Shui Yixian would let Shen Faye.

Shen Faye deserved to be rewarded after all that had happened.

"let's go" Shui Yixian said to Ye Chen, she has a good place to treat Xing Mei.

Ye Chen followed Shui Yixian, he was brought to a very nice place to do treatment.

"You can take care of her in this place, this is a suitable place and can easily improve healing" Shui Yixian said to Ye Chen.

"thank you very much, you are very kind, I want to kiss you" Ye Chen said to Shui Yixian, Ye Chen wanted to kiss Shui Yixian, this beautiful goddess is too kind.

Shui Yixian didn't dodge, she seemed to accept what Ye Chen was doing.

Shui Yixian knew that she couldn't escape from Ye Chen, so she accepted what Ye Chen did to her.

Ye Chen gave Shui Yixian a little kiss, with that little kiss Shui Yixian became very excited, she became very excited when she received Ye Chen's kiss.

Shui Yixian quickly fell and was helpless in the face of Ye Chen's technique.

"This is bad" Shui Yixian quickly lost, she was defeated by Ye Chen quickly, Ye Chen's ability in this field was invincible.

"no, there are still some things that I need to finish." Shui Yixian said to Ye Chen, she made some excuses to escape from Ye Chen.

Shui Yixian ran away from Ye Chen, she was like a rabbit that had just met a wolf.

"Hehehehe" Ye Chen chuckled, it was quite funny when she saw Shui Yixian running away in such a manner.

"Maybe I should hold her better next time." Ye Chen should probably hold Shui Yixian even better, that way he wouldn't escape.

Ye Chen turned his attention to Xing Mei, he tended to Xing Mei's wound again.

Several hours finally passed, Xing Mei's injuries were finally completely healed, now it was only waiting for Xing Mei to heal.

"Hmmm, he has a really good body, I didn't expect that you have really good eyes" Shen Faye said to Ye Chen.

"uhh. . ., since when were you here?" Ye Chen didn't notice Shen Faye's arrival, this artifact spirit came quickly without Ye Chen noticing.

"Did I surprise you?" Shen Faye smiled, it seemed that she was able to surprise Ye Chen.

"-\_- " Ye Chen was helpless, this woman was trying to tease him, this was so annoying.

"So why are you here, don't tell me you came here just to tease me, sorry but I don't have time to play with you" Ye Chen pointed out that he didn't have time to play with Shen Faye.

"You are overconfident, I am here to meet my master who is currently in your body." Shen Faye said that she came here to meet Shen Niang.

"You already know that she can't be bothered, now there is only little Shen Niang" Ye Chen said to Shen Faye.

"I know that, I still want to meet her." Shen Faye said that she wanted to meet Shen Niang.

"No" Ye Chen said.

"so stingy" Shen Faye said to Ye Chen, she said that Ye Chen was so stingy, she didn't even let Shen Faye go to see Shen Niang.

Shen Faye didn't give up, she kept spinning around Ye Chen's body, it was obvious that this woman was trying to tease Ye Chen in various ways.

At first Ye Chen was able to survive Shen Faye, but after some time passed Ye Chen couldn't stand Shen Faye's chatter, to be honest this woman was very annoying.

"Okay, you want to meet her" Ye Chen took out the little Shen Niang, she happened to be inside the fairy gate and was easily taken out by Ye Chen.

"Finally" Shen Faye was happy, she immediately hugged the little Shen Niang who was in front of her.

Little Shen Niang looked dazed, it looked like she didn't know what was going on, she didn't even remember who this woman was.

Little Shen Niang pushed aside Shen Faye, she pushed Shen Faye away.

"what ! ! !" Shen Faye did not expect that Little Shen Niang would push her away, she looked a little lost when she saw Little Shen Niang pushing her away.

"Hahahahahaha" Ye Chen laughed in satisfaction when he saw this, to be honest it was very funny, he was speechless when he saw this.

Shen Faye pouted, she was not happy with Ye Chen, to be honest what Ye Chen did made her angry.

"Why are you laughing" Shen Faye scolded Ye Chen, she scolded Ye Chen who was laughing at her.

"That's so funny, you should see that you've been rejected" Ye Chen said to Shen Faye.

Ye Chen couldn't stop laughing, it was so funny to see Shen Faye being rejected.

Shen Faye pouted even more, Ye Chen was really annoying as hell.

"You, how dare you insult me, I will not let you" Shen Faye said that she would not spare Ye Chen.

"are you angry, come forward" Ye Chen said to Shen Faye, he told Shen Faye to come forward and fight with him.

"If that's what you want" Seeing Ye Chen brave, Shen Faye was ready to fight against Ye Chen.

Shen Faye stepped forward and started hitting Ye Chen with her palms.

"stop" Little Shen Niang came forward, she stopped Shen Faye with one finger.

Shen Faye had to accept that she had just been knocked away by little Shen Niang's one finger.

#### [Chapter 2157 Reward For Saving Xing Mei](#)

"I won't let you hurt big brother Ye Chen" Little Shen Niang said that she would not allow Shen Faye to hurt Ye Chen.

"Why?, why are you defending him?" Shen Faye asked Shen Niang, she wanted to know why Shen Niang defended Ye Chen.

"That's because I'm with her" Ye Chen told Shen Faye, that's because Ye Chen has always been with Shen Niang, plus Shen Niang has always been with Yin Ying'er and is happy with Ye Chen.

"Oh, I see. . ." Shen Faye could finally understand why the little Shen Niang respected and even protected Ye Chen so much.

"If you dare to do bad things, I will attack you," the little Shen Niang said to Shen Faye.

Little Shen Niang gave a warning, she gave a warning to Shen Faye not to do bad things to Ye Chen.

Shen Faye was silent, little Shen Niang really protected Ye Chen well, she would not be able to do anything bad to Ye Chen.

"Master, little Shen Niang's strength seems to have started to return, she seems to be getting stronger" Chu Yuechan said to Ye Chen, she told Ye Chen that little Shen Niang's strength became very strong and was able to withstand Shen Faye's attack.

"You're absolutely right, I also just realized." Ye Chen realized now that Shen Niang was much stronger now, she had the strength to withstand Shen Faye's attack with just one hand.

It is clear that this is a very great thing, not just anyone is capable of doing it.

"Okay I won't do it, but please don't hate me" Shen Faye said to little Shen Niang, she was afraid that her master would leave her alone.

"um, as long as you don't do anything bad to big brother Ye Chen then I want to be friends with you" Little Shen Niang said that she wanted to be friends with Shen Faye.

"yeah" Shen Faye was very happy, she was very happy to be able to become a friend of little Shen Niang.

"the two of them still look like a child" Ye Chen saw that the two of them still looked like a child.

"Let's play around here." Shen Faye said to little Shen Niang, she wanted to invite Shen Niang to play.

The current Shen Niang was clearly different from usual, so Shen Faye wanted to play and have fun with her.

Little Shen Niang looked at Ye Chen, she asked Ye Chen for approval, whether Ye Chen allowed it or not.

"go ahead" Ye Chen invited the two to play, here is a very safe place, so Ye Chen doesn't have to worry about the safety of little Shen Niang.

"Okay" since Ye Chen gave Shen Niang a pass, Shen Niang didn't hold back and left together with Shen Faye.

The two of them were walking around in this place, so both of them were safe and no one would disturb them.

"um . . ." Xing Mei started delirious, it seemed like she was starting to wake up and recover.

Ye Chen immediately went towards Xing Mei, when Ye Chen got near Xing Mei, Ye Chen found that Xing Mei's eyes were shaking and she started to wake up.

Xing Mei opened her eyes, when she opened her eyes, Xing Mei saw Ye Chen who was in front of her.

"am I dreaming" Xing Mei wanted to know if she was dreaming or not.

"wake up, this is not a dream, how long are you going to sleep" Ye Chen said to Xing Mei, Ye Chen told Xing Mei that this was not a dream, and Xing Mei had to wake up soon.

"Why are you in this place?" Xing Mei asked Ye Chen, why Ye Chen could be in this place, and where is she now.

"oh, so you don't remember what happened" Xing Mei didn't remember what happened, she didn't remember what happened to her.

"can you explain everything to me" Xing Mei said to Ye Chen, she asked Ye Chen to explain everything.

"I will explain" Ye Chen explained everything, he told Xing Mei what he knew.

Xing Mei's expression immediately changed, she didn't expect that to happen.

"how is that possible" Xing Mei couldn't believe what happened, she was quite shocked by what happened.

"Now I know why they are after you, it turns out that's the reason" Ye Chen said that he knew why Xing Mei was being chased and couldn't be outside, it turned out that they didn't want Xing Mei to go because they needed Xing Mei.

"How could they do such a thing to me" Xing Mei was still shocked, she still couldn't believe what had happened.

"You don't need to think about it anymore, you still have us, so don't think about it too much." Ye Chen said to Xing Mei, he told Xing Mei still had them, he and the others would take care of Xing Mei.

"is that true" Xing Mei asked Ye Chen, she asked Ye Chen for reassurance.

"of course, if you don't, I won't save you" Ye Chen replied to Xing Mei.

Xing Mei was very happy, she was very happy when she found out that Ye Chen really cared about her.

"thank you very much" Xing Mei thanked Ye Chen, she thanked Ye Chen for what she had done.

"can I ask something of you" Xing Mei asked Ye Chen something.

"What's that?" Ye Chen wanted to know what Xing Mei wanted.

"can you just close your eyes for a while" Xing Mei said to Ye Chen, she asked Ye Chen to close his eyes for a while.

Ye Chen did it, he wanted to know what Xing Mei wanted, Ye Chen was quite curious about what Xing Mei wanted, he really wanted to know why Xing Mei asked something like this.

After Ye Chen closed his eyes, Xing Mei started to approach, she started to move closer towards Xing Mei.

She kissed Ye Chen who was in front of her, Ye Chen immediately opened his eyes, he felt a softness on his lips, he knew what Xing Mei was doing.

Ye Chen's guess was right, Xing Mei kissed him, she was bold enough to kiss Ye Chen and show her feelings.

The two of them kissed for a while, before Xing Mei left, Xing Mei's face turned red when she did that with Ye Chen.

"That's a gift for you" Xing Mei said that if she just gave a gift to Ye Chen, Ye Chen should be happy with the gift she gave.

"Not bad, maybe you should give something much better" Ye Chen said to Xing Mei, Ye Chen asked Xing Mei to give something much better than this.

"what do you want" Xing Mei asked Ye Chen, she wanted to know what Ye Chen wanted.

"maybe you. . ." Ye Chen pointed at Xing Mei, he wanted Xing Mei.

Xing Mei's face was getting redder, she became even redder when she heard what Ye Chen said.

"hahahahaha" Ye Chen laughed when he saw Xing Mei, Xing Mei was really funny, she looked embarrassed when being teased by Ye Chen.

"You tease me, you are naughty" Xing Mei said to Ye Chen, she said that Ye Chen was very naughty.

"Aren't you naughty enough yourself, have you forgotten how you bullied me the first time" Ye Chen said to Xing Mei.

It should be Ye Chen who said that Xing Mei is a lot more naughty, this woman should be a lot more naughty when compared to Ye Chen.

"hemmmpppppp" Xing Mei snorted coldly, she snorted coldly when listening to what Ye Chen said.

[Chapter 2158 Nanlan Lia Gave Information About The Ancestors Of The Eternal Sun Star Realm And The Immortal Profound Sea Realm](#)

While Ya Chen was joking with Xing Mei, a bird came and approached Ye Chen, the bird brought a message for Ye Chen.

"Who sent it?" Ye Chen wanted to see who had sent this thing, who had sent this bird to him.

Ye Chen took the letter that was at the bird's feet, when he took the letter, he found that there was writing inside.

"what's this ?" Ye Chen wanted to know, who sent this to Ye Chen.

"Are you free, let's meet, I want to talk to you alone" Ye Chen saw that this was an open invitation letter, who sent this letter, this was something that made Ye Chen curious.

"Who is it?, it looks like he has business with you." Chu Yuechan asked Ye Chen, she was also curious about who was the person who had sent this to Ye Chen.

"I don't know, but he wants to see me." Ye Chen didn't know, he only knew that this person wanted to see him.

"Are you going to meet her?" Chu Yuechan asked Ye Chen whether Ye Chen would go to see this person or not.

"of course, I will go and see her" Ye Chen was about to leave, he wanted to know who this person was.

"What is it and from who??" Xing Mei asked Ye Chen, she wanted to know who sent the letter for Ye Chen.

"I don't know" Ye Chen said that he didn't know who sent this, he wanted to find out about this matter.

"Do you want me to accompany you?" Xing Mei said to Ye Chen, she wanted to accompany Ye Chen to go and meet the person who gave Ye Chen the letter.

"no need, your condition has not improved, you should stay here for a while" Ye Chen said that it was not necessary, Xing Mei's condition was still unstable, she still needed a lot of rest.

"Okay, I understand" Ye Chen understood, she understood what Ye Chen said, she would not be able to go with Ye Chen.

"I'll go first, have a good rest." Ye Chen left, he was going to go see this person.

Ye Chen said to Zhao Yanyan, he told Zhao Yanyan to take good care of little Shen Niang, there are so many people who want little Shen Niang.

Zhao Yanyan understood, she would take care of little Shen Niang and ensure that no one would dare to disturb or do bad things to little Shen Niang.

After informing Zhao Yanyan of this matter, Ye Chen immediately left, he immediately went to meet the person who had given him the letter.

This person invited Ye Chen to meet at Sky Cloud Peak Star Realm, it seems he knew that Ye Chen lived in this place.

Ye Chen went to the specified coordinates, what a coincidence this was a small tavern that was quite lively.

Ye Chen immediately looked for the person who gave this letter, he looked around and found someone wearing a robe.

"Is that the person?" Ye Chen immediately left, he immediately went and met the person.

"You came faster than I imagined" a voice greeted Ye Chen, from the sound Ye Chen could tell that this was a woman.

"This voice, are you Nanlan Lia?" Ye Chen seemed to know who this woman in front of him was, this is Nanlan Lia, she is a person with great connections in God Realm.

"It's great that you still remember me." Nanlan Lia was happy that Ye Chen still remembered her.

"Of course, I won't forget you, you've given me a lot of important information." Ye Chen was grateful for the important information from Nanlan Lia.

"Fufufu, I also thank you, that night was really fun." Nanlan Lia also thanked Ye Chen, she liked when she remembered the night with Ye Chen, she couldn't forget what happened with Ye Chen.

Nanlan Lia couldn't forget when Ye Chen's fingers touched her body, it was a very pleasant thing for Nanlan Lia.

"So, why did you want to meet me?" Ye Chen said to Nanlan Lia, he wanted to know what made Nanlan Lia want to meet him.

"I have some good information for you" Nanlan Lia said that she had some very good information for Ye Chen.

"What's that?" Ye Chen asked Nanlan Lia, he was curious about the information that Nanlan Lia had.

"Are you interested in this information?" Nanlan Lia asked Ye Chen.

"You are trying to tease me again, why don't you say it, do you need payment?" Ye Chen asked Nanlan Lia.

Ye Chen knew that he wouldn't get anything for nothing.

"No I don't need that, I'm already rich enough" Nanlan Lia said that she was already rich enough and didn't need Ye Chen's money.

"You are a very complicated woman" Ye Chen said that Nanlan Lia was a very complicated woman, he didn't know what this woman was thinking.

"Let's see, what I want" Nanlan Lia smiled at Ye Chen, she looked at Ye Chen with a beautiful smile.

Nanlan Lia had forgotten that Ye Chen was not easy to tease, she might get into trouble when teasing Ye Chen.

"I will say this to you, so listen to me carefully, I don't want to repeat this for you." Nanlan Lia started to get serious, she said something quite serious to Ye Chen.

"Now that the ancestors of the Eternal Sun Star Realm and the Immortal Profound Sea Realm have decided to work together, sooner or later they will definitely attack you and bide their time when you let your guard down" Nanlan Lia said to Ye Chen, she told very important news.

Ye Chen nodded lightly, he understood what Nanlan Lia was saying

"Why don't you tell me the whereabouts of the Eternal Sun Star Realm?" Ye Chen told Nanlan Lia to tell me the whereabouts of Eternal Sun Star Realm.

"Did you think it would be easy to find the Eternal Sun Star Realm, they used so many barriers and fled to the far reaches, finding them would be difficult, you just can't even do it."

Nanlan Lia said that she also didn't know the existence of the Eternal Sun Star Realm, they had strong defenses and barriers that were capable of hiding their presence from outsiders.

"So I just need to wait for them" since Nanlan Lia said so, then Ye Chen only needs to wait for them to come out.

"If they were to show themselves, then it would be a dangerous thing for you it might be a war for you." Nanlan Lia said that it would be a dangerous thing when the ancestors of the Eternal Sun Star Realm and the Immortal Profound Sea Realm came out.

"Are they strong?" Ye Chen asked Nanlan Lia, she herself did not know the strength of the ancestors of the Eternal Sun Star Realm and the Immortal Profound Sea Realm.

"I can say they are strong, they are the highest members of the God Realm illumination"

"One of them has strength that is stronger than the 6 members of the Guardian Gods." Nanlan Lia told the strength they possessed was equal to that of the six members of the Guardian Gods.

#### [Chapter 2159 Among The Three Old Monsters Has A Heavenly Tier Artifact](#)

"So they are really strong" Ye Chen understood, he would remember that the Eternal Sun Star Realm and Immortal Profound Sea Realm still possessed such strength, if that were the case then they might be planning an attack to avenge Ye Chen.

"You gave a good piece of information" Ye Chen thanked Nanlan Lia.

"Hehehehe, consider it a gift, you have to be careful, among the three old monsters have Heavenly Tier artifacts, they are the most difficult opponents in God Realm."

Nanlan Lia gave a final warning to Ye Chen, she informed them that they had Heavenly Tier artifacts in their bodies.

Nanlan Lia couldn't confirm who owned and took her, she could only give Ye Chen a forewarning.

"Is that so" Ye Chen nodded again, he would remember what Nanlan Lia had said.

"I want to talk to you more, unfortunately I don't have free time, see you later." Nanlan Lia left, she still had business to attend to.

Ye Chen didn't stop Nanlan Lia, he let Nanlan Lia leave this place.

"That woman gave you good information again." Chu Yuechan saw that Nanlan Lia gave very good information to Ye Chen.

She is very good to me" Ye Chen agreed with what Chu Yuechan said, Nanlan Lia was very good to Ye Chen.

"So what are you going to do next?" Chu Yuechan asked Ye Chen, from the warning given by Nanlan Lia, they should have started planning an attack on Ye Chen.

"we will build this place and make it a good defense" Ye Chen wanted to build a bigger force, he wanted to make this place a place that the enemy would not be able to penetrate.

"Why don't you build a strong palace like Shui Yixian did, it will make it easier for you to do everything" Chu Yuechan said to Ye Chen, she gave Ye Chen a suggestion.

If Ye Chen had a palace like Shui Yixian, then it would be very helpful for Ye Chen to protect against strong enemy attacks.

"Creating a place similar to Shui Yixian, it would require a lot of materials." Ye Chen probably needed a lot of materials to make something that belonged to Shui Yixian.

"With your strength, nothing is impossible to do" Chu Yuechan was sure that Ye Chen could do it.

Ye Chen thought of this, he thought of the suggestion Chu Yuechan gave him.

"I might give it a try" Ye Chen finally agreed, instead of bothering the people in the Sky Cloud Peak Star Realm, Ye Chen should probably make his own place, when the war was going on he didn't have to bother moving those who weren't involved.

"I'll start looking for the materials" Ye Chen might really need to move his house, he needed a good place to build a super large flying palace.

"I will go and see Yan Fei" Ye Chen went to meet Yan Fei, she can be very helpful in finding what Ye Chen wants.

Ye Chen went to the chamber of commerce, he easily found Yan Fei's whereabouts.

"Why are you here, do you need anything" Yan Fei asked Ye Chen, if Ye Chen came to this place, he definitely needed something.

"I need materials" Ye Chen said that he needed a very large amount of materials.

"What are you going to build?" Yan Fei asked Ye Chen, she wanted to know what Ye Chen wanted to make.

"a huge palace that is much bigger than the Heaven Light Palace" Ye Chen told what he needed right.

"what ? ?" Yan Fei was shocked when she heard this.

"Why are you surprised?" Ye Chen asked Yan Fei, rarely would Yan Fei be surprised when he heard something.

"You are very strange, building a palace that is bigger than the Heaven Light Palace is a very difficult thing to do." Yan Fei pointed out that it was an extremely difficult thing to do, their resources would probably run out if Ye Chen do just that.

"Is that really hard to do?" Ye Chen asked Yan Fei, it shouldn't be difficult for Ye Chen.

"To be honest it is indeed difficult, Heaven Light Palace is a powerful place, it requires strong iron and stone to build, if you want to build a bigger one, then it requires an inordinate amount of resources, it will probably consume the profound crystals you have" Yan Fei said to Ye Chen.

"Is that so, then I'll still do it" Ye Chen said to Yan Fei, he told him that he was aware of the consequences.

"It's fine if you know that" Yan Fei couldn't help but sigh, she probably wouldn't be able to stop Ye Chen.

Ye Chen knew that Yan Fei would definitely accept his request, so he gave Yan Fei a profound crystal.

"Wow" Yan Fei was surprised by the amount, she was surprised by the amount given by Ye Chen.

"I forgot that he was much richer" Yan Fei finally remembered that Ye Chen was very rich, it seemed that he indeed had the ability to build a palace that was bigger and stronger than Heaven Light Palace.

"I will take care of everything" Yan Fei said that she would take care of everything, she took the profound crystal from Ye Chen and would find everything Ye Chen needed.

Yan Fei already knew what Ye Chen needed, so it wouldn't be strange for her to leave right away.

"very good" Ye Chen satisfied, Yan Fei did a very good job, she helped Ye Chen very well, soon Ye Chen will be able to create a defense that will not be easy for the old monster to break through

"When will they attack?" Ye Chen didn't know this, plus Shui Yixian didn't want to tell this matter to Ye Chen either.

Now Ye Che could only wait, he could only wait for the enemy to come and knock on the front door.

"come back" Ye Chen ordered all the clones in God Realm to return, their task was done, they now only needed to help Yan Fei carry the goods and start building the palace.

After giving the order, Ye Chen immediately headed towards Jade Lotus Peak, he had not seen Xia Qingyu and Mu Nianci in a long time, the two of them should have already finished practicing closed doors.

Jade Lotus Peak was extremely quiet, there weren't many women around, that was because they were training at Ye Chen's place.

"No one is here, I will go straight to Qingyu and Mu Nianci's place." Ye Chen immediately looked for the two of them, they were both in her room.

"knock . . ." Ye Chen knocked on Xia Qingyu and Mu Nianci's door.

"who?" Mu Nianci opened the door, the two appeared and greeted Ye Chen.

"You two, it's been a long time, don't you want to go out and enjoy some fresh air?" Ye Chen said to Mu Nianci and Xia Qingyu, especially Xia Qingyu she had not been out for a long time and was always having closed-door training.

"Chen. . ." Xia Qingyu pinched Ye Chen, she was not happy with what Ye Chen was doing.

"what's this ?" Ye Chen asked Xia Qingyu, why did Xia Qingyu do this to Ye Chen.

"Nothing, I'm just annoyed with you," Xia Qingyu said coldly.

Recently, Xia Qingyu was quite busy with training, she didn't even have time to visit Ye Chen, plus every time she visited Ye Chen, this rascal was always not at her house, this annoyed Xia Qingyu.

"Why?" Ye Chen asked Xia Qingyu, how could Xia Qingyu be irritated with him.

"Hmmpppp. . ." Xia Qingyu snorted coldly, she turned her head away in dissatisfaction.

#### [Chapter 2160 Go To Frozen Cloud Sect](#)

"What's wrong with Qingyu, why does she look so strange and angry at me?" Ye Chen wanted to know what problem Xia Qingyu had, why did Xia Qingyu look so angry.

"Ye Chen, she is like that because you are always not around when she is visiting" Mu Nianci said to Ye Chen, she told Ye Chen about what happened.

"oh, so that's it" Ye Chen finally knew why Xia Qingyu was angry, it seemed that Ye Chen had neglected Xia Qingyu for a long time.

"Darling Qingyu, I'm sorry, recently I was quite busy and didn't have time to be with you" Ye Chen said to Xia Qingyu, he informed that he was quite busy and didn't have time for Xia Qingyu.

Xia Qingyu remained silent and turned her head away, she didn't seem willing to listen to what Ye Chen had to say.

Ye Chen had to do his best, he apologized and approached Xia Qingyu, he kissed and made Xia Qingyu happy using his own skills.

"Umm. . ." Xia Qingyu was shocked at what Ye Chen did, she was quite shocked when she saw what Ye Chen did.

Xia Qingyu closed her eyes, she enjoyed the kiss that was given by Ye Chen, it felt so good when she kissed Ye Chen.

Mu Nianci averted her gaze, she couldn't stand it when she saw Ye Chen together with Xia Qingyu, her body started to heat up when she saw the mature scene that Ye Chen and Xia Qingyu were doing.

"Why are they doing this in front of me, this really makes me feel weird." Mu Nianci felt weird, she felt weird about what Ye Chen and Xia Qingyu were doing.

Xia Qingyu was very weak when she was kissed by Ye Chen, she couldn't bear to receive a kiss from Ye Chen, very quickly, Xia Qingyu was melted by Ye Chen.

"You are willing to forgive me?" Ye Chen asked Xia Qingyu.

Xia Qingyu shifted her gaze, she still didn't answer Ye Chen.

"I will assume that your answer is yes." Since Xia Qingyu just kept silent, Ye Chen assumed that Xia Qingyu had forgiven Ye Chen.

Xia Qingyu had forgiven Ye Chen, she had forgiven Ye Chen for what happened, Xia Qingyu could understand that Ye Chen was a busy person, that's why Ye Chen didn't have much time for him.

Plus the two of them still haven't done that with Ye Chen, if they have maybe they can stay with Ye Chen.

"Where are you going?" Ye Chen looked to the side, he saw that the two of them were packing some things for the trip, they looked like they wanted to go somewhere.

"We have an errand from Lord Peak, he sent us to a place called Frozen Cloud Sect" Mu Nianci said to Ye Chen, she told them that they were going to Frozen Cloud Sect.

"Why are you there?" Ye Chen asked, he wanted to know why they went to Frozen Cloud Sect, if I'm not mistaken it was Xue Muer's place.

"There are some tasks to be done there, he also told us that we can practice a lot there" Mu Nianci explained everything to Ye Chen.

"I see, then maybe I can accompany you guys, it just so happens that I don't have work." Ye Chen was about to send the two of them away.

"That's not necessary" Xia Qingyu said that they didn't need to, Ye Chen was probably busy, the two of them would not bother Ye Chen.

"Maybe I should come along, the last time you guys went out, you guys always got into trouble, so I'd better go with you guys." Xia Qingyu and Mu Nianci often got into trouble, so it was better for Ye Chen to be with them and protect the two of them.

Mu Nianci and Xia Qingyu looked at each other, both of them couldn't deny what Ye Chen said, what Ye Chen said became the truth, both of them often met with danger when carrying out missions and tasks.

So maybe both of them need protection from Ye Chen, with the protection given by Ye Chen, both of them should be fine, Ye Chen can give them both protection that will keep them safe.

"Okay, we will rely on you" Xia Qingyu and Mu Nianci said that if they were to rely on Ye Chen, they could really rely on Ye Chen considering that Ye Chen had enormous strength.

"Very good, then let's go" Ye Chen was quite excited, Xia Qingyu and Mu Nianci agreed to accept his help, the three of them finally headed to Frozen Cloud Sect.

Ye Chen knew where the Frozen Cloud Sect was, so he brought them over using his own speed.

Xia Qingyu and Mu Nianci were quite surprised by Ye Chen's speed, to be honest Ye Chen's speed was really fast that they couldn't even see.

In just a short time, the three of them arrived at Frozen Cloud Sect's territory, Both of them arrived at Frozen Cloud Sect's territory and saw that the temperature in this place was extremely cold, almost everything was snow, everything was covered in very thick and hard snow.

"It's very cold here." Ye Chen saw that this place was very cold, ordinary cultivators might have trouble staying in place for a long time.

"It's very comfortable here." Mu Nianci and Xia Qingyu looked very happy, they felt very refreshed when they were in Frozen Cloud Sect's territory.

Both of them were cultivators with the power of Ice, and the cold region was the most suitable place for them to live.

"It's not strange that this is the place of Frozen Cloud Sect, they are very suitable to live in this place." Frozen Cloud Sect is definitely suitable to live in this place, there is no place that is more suitable than living in a cold place like this.

"let's go" Ye Chen said to Mu Nianci and Xia Qingyu, he led the two of them to go to Frozen Cloud Sect.

Should the Frozen Cloud Sect not far from where we are, the three of them will soon see Frozen Cloud Sect.

After flying for about 5 minutes, Ye Chen, Mu Nianci, and Xia Qingyu arrived at the Frozen Cloud Sect, they saw an enormous building made of shiny ice.

"It's huge, it's much bigger than a city." Xia Qingyu saw that it was huge, this proved that Frozen Cloud Sect was a big Sect.

"Should the entire expanse of snow in this place belong to them, that would only be a small part, considering that they are a top ranked Sect" Ye Chen told Xia Qingyu.

"Approximately how many students are in this place?" Mu Nianci wanted to know which disciple the Frozen Cloud Sect had.

"It should be quite a lot, but not as much as the Nine Immortals Peak Sect has," Ye Chen said to Mu Nianci.

"Come on in, what are you waiting for?" Xia Qingyu invited Ye Chen and Mu Nianci to enter, she seemed to be impatient to go in and see what was inside.

"We'd better knock on the door" Ye Chen said to Xia Qingyu and Mu Nianci, they should come politely.

"ding" Ye Chen knocked on Frozen Cloud Sect's door, a few moments later several women appeared and surrounded Ye Chen, Mu Nianci and Xia Qingyu.

"Who are you, what are you doing in this place" the woman from Frozen Cloud Sect asked Ye Chen, Xia Qingyu and Mu Nianci, they all wanted to know why they were in this place.

"We came here to hand over something" Mu Nianci said to the disciples of the Frozen Cloud Sect, she told them the reason why they had come to this place.

The disciples from Frozen Cloud Sect looked at each other, they asked for the identity of Ye Chen, Mu Nianci and Xia Qingyu.
