

## True God 2161

### [Chapter 2161 Delivering Item For Xue Zhirou Mistress](#)

They immediately confirmed the identities of Ye Chen, Mu Nianci and also Xia Qingyu.

After confirming that they were from the Jade Lotus Peak, they were finally let in.

"Why does Jade Lotus Peak have male?" the female disciple asked Mu Nianci and Xia Qingyu, they did not know that Jade Lotus Peak had male disciples, there should only be females there.

"He's quite special." Mu Nianci said to the female disciple on the side, she said that Ye Chen was quite special.

All the ladies from Frozen Cloud Sect looked at Ye Chen, they all looked at Ye Chen with gazes filled with admiration.

"he is so handsome, who is he" all the women whispered, they all saw Ye Chen who was very handsome and full of charm.

Every woman would definitely fall over when they saw the incomparably handsome Ye Chen.

"It's been a long time since a handsome man has visited" all women haven't seen a man visit for a long time, this is because the rules are quite strict and it makes it very difficult for men to enter.

"Then prepare yourself, the mistress and elder are quite strict people, he might get into trouble" a disciple from Frozen Cloud Sect informed that Ye Chen might get into trouble.

"That's cute, he's different from the guys you know, you guys probably won't be easy to deal with him." Mu Nianci smiled, they wouldn't be easy to take care of Ye Chen.

Mu Nianci knew Ye Chen's level, he was a natural enemy of girls, fighting him was quite a difficult thing to do.

Even a cold woman like Mu Lanyin and herself couldn't afford to go against Ye Chen.

"the girls in this place are beautiful" Ye Chen looked around, all the women in this place were beautiful, they had extremely fair and fair skin.

this is probably because they live in low temperatures and keep their skin good and their beauty maintained.

"All pure virgins, the Yin Qi in this place is extremely rich." Chu Yuechan said to Ye Chen, this place should be a suitable place for Ye Chen.

"I agree with what you said" Ye Chen agreed with what Chu Yuechan said, this is a very good place, the Yin Qi in this place is very rich.

The Yin Qi in this place might allow Ye Chen to train better.

Frozen Cloud Sect's disciple brought Ye Chen to a large and splendid building, the mistress and elder of Frozen Cloud Sect were inside.

"This is the place, they are already waiting for you." The disciple from Frozen Cloud Sect informed that the mistress and elders were already waiting for Mu Nianci and Xia Qingyu to arrive.

"Um" Mu Nianci and Xia Qingyu nodded, the two of them went inside.

When they decided to go inside, they saw six people sitting on Ice chairs, they were sitting in a circle.

"So you guys were sent to come, how interesting." The mistress of Frozen Cloud Sect looked at Mu Nianci and Xia Qingyu, she could see that both of them possessed extremely great talent.

"Our respects" Mu Nianci and Xia Qingyu gave greetings, they looked at the beautiful woman with a cold temperament.

"Hmmm, a man, I didn't expect Jade Lotus Peak to have a man here" mistress looked at Ye Chen, she saw Ye Chen wearing clothes from Jade Lotus Peak.

It meant that Ye Chen was a part and a member of the Jade Lotus Peak, which was why he was wearing clothes from the Jade lotus Peak.

"hello miss" Ye Chen greeted, he greeted the mistress and elder of Frozen Cloud Sect.

"why did you come in" one of the elder said to Ye Chen, he didn't like it when she saw Ye Chen come in.

"am I not allowed to go in, then I may have to wait outside" Ye Chen saw that one of the elders didn't like Ye Chen, he probably didn't like Ye Chen.

Therefore Ye Chen took the initiative to leave this place alone.

Ye Chen knows that these six are top-class beauties, they may not accept Ye Chen right away, so Ye Chen can try to get close to the female disciples outside, who knows he will meet Xue Muer.

"no you stay here" one elder told Ye Chen to stay in this place.

"why did you stop him" another elder said why did he stop Ye Chen.

"sister, don't talk like that, he should be a strong person" the elder said that Ye Chen was strong enough.

"Hmmp" the elder who hated Ye Chen couldn't help but snort coldly.

"no problem, just leave him here" the mistress said and allowed Ye Chen to stay in this place.

Because the mistress said that if she allowed Ye Chen, then Ye Chen could be in this place.

"Why don't you guys introduce yourselves to us first" the mistress asked Ye Chen, Mu Nianci and Xia Qingyu to introduce themselves.

"I am Mu Nianci" Mu Nianci introduced herself.

"I am Xia Qingyu." Xia Qingyu also introduced herself.

"I am Ye Chen" Ye Chen also introduced himself.

"Ye Chen. . ." everyone in this place immediately looked straight at Ye Chen, they all looked at Ye Chen with eyes as sharp as Ice.

"what's wrong with you guys?" Ye Chen saw that the six women in this place were looking at him with strange looks.

"nothing, just ignore us" Frozen Cloud Sect's mistress said to ignore them.

Ye Chen didn't know, the high ranking ladies of Frozen Cloud Sect were very strange.

"Alright, it's time for us to introduce ourselves, I am Xue Zhirou, first elder is Xue Himi, second elder is Xue Qinmo, third elder is Xue Miya, fourth elder is Xue Sunzhe, and fifth elder is Xue Rong" Xue Zhirou told everyone that is in this place.

"nice to meet you" Ye Chen said that he was happy to meet beautiful women in this place.

Among all the women, maybe only Xue Rong wasn't likewith Ye Chen, she probably didn't like boys considering this was a place for girls.

"Did you bring what you asked for?" Xue Zhirou asked Mu Nianci and Xia Qingyu.

"Of course, we brought it." Mu Nianci nodded, she took out something from the Space Ring and gave it to Xue Zhirou.

Mu Nianci gave a box wrapped in a white cloth, roughly what was in the box Mu Nianci had given Xue Zhirou.

Xue Zhirou received the box from Mu Nianci, he opened it and checked the contents inside.

Ye Chen and everyone looked at Xue Zhirou, they wanted to see if Xue Zhirou got what she wanted.

When Xue Zhirou opened the box, everyone saw a blue grass, it gave off a cold chill even though it was inside the box.

Mu Nianci and Xia Qingyu did not know what it was, they had not been told by Ning Xia about this matter.

"Superior Ice Poison grass?"just opened Zhirou, the problem is why Xue Zhirou needs something like this.

"Okay, this is according to the request I made, then you guys can stay in this place, you guys will train here for a while something with Ning Xia." Xue Zhirou was satisfied, she got what she was looking for.

So he would help Mu Nianci and Xia Qingyu cultivate.

Mu Nianci and Xia Qingyu looked at each other, both looked happy to hear this, they would temporarily train in Frozen Cloud Sect.

Ye Chen looked at Xue Zhirou, it seemed that she wanted to use the Superior Ice Poison Grass for herself.

#### [Chapter 2162 First Training In Frozen Cloud Sect](#)

It seemed like Xue Zhirou was going to use the Superior Ice Poison Grass for himself, Ye Chen could tell the reason when he saw that Xue Zhirou was different from the women in this place.

"Are you satisfied with Lord Peak's gift?" Mu Nianci asked Xue Zhirou.

"This is enough, you guys have done an excellent job, then I will send disciple to escort you to your room." Xue Zhirou ordered a disciple to escort Ye Chen, Mu Nianci and Xia Qingyu.

"Come with me" a female disciplet invited Ye Chen, Mu Nianci and Xia Qingyu to come with her.

Ye Chen greeted everyone in this place before leaving this place.

"mistress, why did you let that man stay, I can understand the two women" Xue Rong asked Xue Zhirou.

"We have no reason to kick him out" Xue Zhirou said that they didn't have a reason to kick Ye Chen out, plus Ye Chen didn't have any bad intentions.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong were speechless when listening to what Xue Zhirou said, it seemed they really didn't have the right to expel Ye Chen from this place.

"You don't have to think too much about this matter, she won't cause trouble in this place, I'll leave first" Xue Zhirou is sure that Ye Chen will not cause trouble, Xue Zhirou also has to use Superior Ice Poison Grass immediately, her body has started to feel weak and her temperature began to rise.

"We understand" Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong nodded, they all understood and could understand Xue Zhirou's predicament.

Xue Zhirou left, she left this room and headed back to her room.

After Xue Zhirou left, this place became extremely quiet, everyone fell silent and no one spoke.

"what should we do with that guy called Ye Chen, should we just shut up and let him be" Xue Rong asked all the women in this place.

"The mistress has already given her permission, it seems we don't need to do anything to her." Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe said that they wouldn't do anything to Ye Chen.

"If you don't want to, then let me do it." Xue Rong said that she would make Ye Chen leave.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe looked at Xue Rong, for some reason Xue Rong didn't like men, maybe because she had been hurt by men before so she didn't like men.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe already understood Xue Rong, so they didn't stop Xue Rong.

Xue Rong had quite a number of ways to expel Ye Chen, there were countless ways to make Ye Chen leave Frozen Cloud Sect.

Xue Rong left, she was going to devise a plan against Ye Chen.

"Aren't you guys going to stop her?" Xue Himi asked all the women in this place.

"For what?, just let it be" Xue Miya said to let Xue Rong go.

"she won't go too far, so we can rest easy" Xue Qinmo agreed, Xue Rong wouldn't do anything bad to Ye Chen.

"she will probably just teach that young man a lesson, so let her be." Xue Sunzhe also let Xue Rong.

"If you say that, then I won't stop her." Since everyone agreed, Xue Himi would also be quiet and let Xue Rong do as she pleased.

The four of them returned to cultivating, they still had an inordinate amount of time to get stronger.

Ye Chen, Mu Nianci and Xia Qingyu followed the female disciple in front of them, they arrived at a 3x3 meter building and lined up neatly along the street.

"This is your room" the female disciple said that this is their room.

They could use this to their heart's content without needing to fear or worry about what was happening.

"We understand" Ye Chen, Mu Nianci and Xia Qingyu understood, the three of them immediately looked inside the room.

After sending Ye Chen, Mu Nianci and Xia Qingyu, the female disciples back, she returned to her place.

"This room is quite small." Ye Chen saw that the room in front was quite small.

"Not really, it's already a good place to live." Mu Nianci said that it was a very good place for them to live.

"It seems you are very used to this place" Ye Chen said to Mu Nianci.

"it's a good place, it's suitable for cultivation, it's not strange that the Peak Lord sent us here".

"So that was the purpose of sending you guys." Ye Chen understood, he understood Ning Xia's reason for sending Xia Qingyu and Mu Nianci, in reality this was indeed the best place to train.

"Ye Chen, what are the uses of the goods we delivered?" Xia Qingyu asked Ye Chen, she wanted to know what the items they delivered were used for.

"That is Superior Ice Poison Grass, it is quite poisonous and can make the whole body freeze quickly." Ye Chen explained what item Ning Xia had sent.

"Why would he send such a thing?" Mu Nianci wanted to know why Ning Xia would send such a dangerous thing, and Xue Zhirou was strangely pleased with the Superior Ice Poison Grass.

"That's because she needs it." Ye Chen told that Xue Zhirou needed Superior Ice Poison Grass.

"is she going to use it to cultivate" Mu Nianci asked Ye Chen.

"That's not it, she used Superior Ice Poison Grass to suppress the poison in her body, she used the poison Vs poison method in her body, that way she would be able to survive for a long time" Ye Chen explained in great detail.

"understood" Mu Nianci and Xia Qingyu immediately understood, they immediately understood what Ye Chen meant.

"You guys better be prepared, they might not be as kind to you." Ye Chen told Mu Nianci and Xia Qingyu to start preparing.

Mu Nianci and Xia Qingyu understood, Ning Xia would not send them to relax, they would probably undergo rigorous training.

Here Ye Chen was going to help Ning Xia and Xia Qingyu, he wanted to help the two become stronger.

"You guys get ready, there will be practice for you" a voice came from outside, this voice ordered all the students to get out and do the exercises immediately.

"look" Ye Chen said to Ning Xia and Xia Qingyu, he told them to prepare.

Ye Chen's words became the truth, they immediately prepared and headed out to train together with all the ladies from Frozen Cloud Sect.

Ye Chen came out, he was watching over and would help Mu Nianci and Xia Qingyu.

"Line up neatly" Xue Rong said to all the disciple, she told them all to go out.

The instructor this time is Xue Rong, she is quite a firm woman, her voice alone can easily frighten people.

"We are going to do a tough training, you guys better prepare yourself, I won't be kind to you" Xue Rong said to everyone, she won't be kind.

Especially with Ye Chen, she would not let go of Ye Chen and make him leave this place as soon as possible.

Ye Chen looked around, he searched around and saw if there were any beauties around this place.

Xue Rong looked at Ye Chen, Xue Rong felt very annoyed when she saw Ye Chen ignore her.

"This man" Xue Rong was displeased with Ye Chen, she was really very annoyed at what Ye Chen had done.

#### [Chapter 2163 Xue Rong Wanted To Kick Ye Chen Out](#)

"That's good" Xue Rong calmed down, she was very calm when facing Ye Chen.

Ye Chen looked around, he found some good beauties, they were quite good and also his type.

Even though they weren't as beautiful as Xue Rong and the other elders, they could still be said to be beauties.

"The most beautiful in this Sect is Xue Zhirou, I think she is the most beautiful" Chu Yuechan said to Ye Chen, according to her in this place the most beautiful is Xue Zhirou.

"You have good eyes, I also have to admit that, but it looks like it's not easy, they don't seem to be interested in that kind of relationship." Ye Chen had already met Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong and Xue Zhirou, they weren't easy to approach and kept Ye Chen at arm's length.

"They don't know who you are yet, if they do they might change their minds" Chu Yuechan said to Ye Chen.

"I dunno" Ye Chen didn't know, he would probably look for a chance to see if they could be approached.

"Where is Xue Muer" Ye Chen searched for Xue Muer's whereabouts, he wanted to know where her beauty was.

"She should be a special core disciple, there's no way she would join this training" Chu Yuechan said to Ye Chen.

"Too bad, even though it would be so much fun to tease her" Ye Chen wanted to tease Xue Muer, too bad she wasn't in this place.

It seemed like Ye Chen could only focus on training with Mu Nianci and Xia Qingyu.

"Okay, all of you, this time we're going to have an exercise, you're going to run thousands of miles and can't use the strength you have to fly." Xue Rong said to all the female students, she told them what exams awaited them.

"no way, didn't we do it a few days ago" all the women couldn't believe it, they were told to run again by Xue Rong.

"This is an order, if you don't like it I will reduce your points and resources" Xue Rong said firmly.

"impossible . . ." the female complained to Xue Rong, they were complaining about this injustice.

"It seems they don't like running." Ye Chen saw that these people didn't like running, they didn't like this exercise because it drained their physical strength.

"Don't complain too much, as a cultivator you shouldn't complain, physical strength is also one of the things that must be considered in battle" Xue Rong said to all her students.

"Okay" everyone can only obey, they all obey Xue Rong's orders and wishes.

"Very good, let's start, you guys also get ready" Xue Rong told Ye Chen, Mu Nianci and Xia Qingyu to start.

"Me too?" Ye Chen asked Xue Rong.

"Of course you will come too" Xue Rong said to Ye Chen, she told Ye Chen to come along too, she would make Ye Chen unable to bear staying in this place, Xue Rong would give Ye Chen a tough training.

Ye Chen had to go along, it seemed that he had to run with all the female students here.

All the female disciples saw Ye Chen, they didn't expect that they would train with a man.

"get ready, start" Xue Rong said to all female students, she ordered all female students to go outside.

All of the female students left, they all ran outside and faced the intense Ice storm.

This is also part of the training they have to do to increase the physical strength they have.

All the women left, Mu Nianci and Xia Qingyu also followed, the two of them mingling with the women from the Frozen Cloud Sect.

Xue Rong looked at everyone, she saw everyone leaving this place.

"They will encounter a strong storm, it looks like today the storm will be very strong and will hinder their movement" Xue Rong said in a low voice.

"It's really a big storm outside" Ye Chen said to Xue Rong, he was beside Xue Rong.

"what ! ! !" Xue Rong was shocked, she didn't notice Ye Chen's existence.

"Why are you still in this place, go now" Xue Rong asked Ye Chen, Ye Chen should have accompanied the female disciple of Frozen Cloud Sect.

"I have good strength, so I should be able to catch up to them easily" said Ye Chen confidently enough.

"I don't care, hurry up, if you don't. ." Xue Rong show her own strength, she used her enormous strength.

Xue Rong was at the sixth level of the Divine Overlord Realm, so she possessed strength that was no joke.

"okay . ." Ye Chen left, he went and caught up with Mu Nianci and Xia Qingyu, Xue Rong was scary if she was angry.

"what an annoying guy, I'll get him in trouble" Xue Rong flew up, she followed everyone from behind.

Xue Rong was flying above the clouds, no one should be aware of her existence.

Xue Rong was keeping an eye on everyone, from up here he could see all the female students, so no one should dare to cheat.

"That's it, time to give trouble" Xue Rong was going to give trouble to Ye Chen.

"let's see if you can survive the attack" Xue Rong intended to attack Ye Chen, she wanted to attack Ye Chen using her full strength.

"<strong>Ice Storm</strong>" Xue Rong used Ice Storm, she used Ice Storm to blow Ye Chen away.

"Woshhhh" a very strong storm flew Ye Chen's body, Ye Chen's body was blown away by a very strong ice storm.

"The storm is getting stronger" Ye Chen didn't fly, he could still walk and run as usual.

Ye Chen wasn't even affected by Xue Rong's attack, Xue Rong's attack seemed unable to touch Ye Chen.

"what exactly happened ?" Xue Rong looked shocked when she saw what happened, she didn't expect that Ye Chen wouldn't fly after taking her attack.

"I'll make my attacks even stronger" Xue Rong would make her attacks even stronger, that way she could fly Ye Chen away.

The Ice Storm just got stronger, this storm got even stronger and was able to blow away whatever was in front of it.

Ye Chen of course could feel this, he easily sensed that this storm was abnormal.

"Just bother" Ye Chen was quite distracted, he was quite bothered by the Ice storm that was around him.

Ye Chen used his own strength, he changed the path of the storm and bounced back up.

"what, he can reflect it, and it's heading towards me" Xue Rong panicked when she saw the storm heading towards her, to be honest this was very troublesome for Xue Rong.

"ahhhh" Xue Rong didn't have a chance to dodge, she didn't have a chance to avoid her own attack.

"Bamm" As a result Xue Rong was blown away and fell to the ground.

"What the hell, how could that happen" Xue Rong couldn't believe what happened, how could he be hit by her attack.

Xue Rong got up from the snow, she dusted off his snow-covered robes and clothes.

"What an annoying guy, I'll make sure to get back at her." Xue Rong didn't accept defeat, she would definitely get back at this.

Xue Rong went back up, she would repay Ye Chen with something even more terrifying than what Ye Chen had done.

"Ice Break" Xue Rong's used her own strength, she sent several extremely sharp chunks of ice towards Ye Chen.

"take this" Xue Rong said to Ye Chen, she told Ye Chen to take her attack.

#### [Chapter 2164 Xue Rong Was Looking For Trouble](#)

The sharp Ice Fragment attack headed straight for, it shot extremely fast towards Ye Chen.

Ye Chen ran very fast, he dodged all of Xue Rong's attacks.

"missed again" Xue Rong was helpless, again her attack was unable to knock Ye Chen down, this was very annoying.

all attack missed, none of it hit Ye Chen.

"I can't give up" Xue Rong didn't give up, she attacked Ye Chen again using her strength.

Ye Chen parried all the attacks that came from Xue Rong, he parried all the attacks that were launched by Xue Rong.

"master, that woman is trying to attack you" Chu Yuechan said to Ye Chen, she told Ye Chen that Xue Rong attacked him.

"It's okay, it seems she just wants to play with me, I'll play with her" Ye Chen said to Chu Yuechan, he likes to play with beauties like Xue Rong, it's really fun to see Xue Rong angry.

"Huft. . . ." Xue Rong was panting heavily, she was really tired from everything that happened.

"This is unreasonable" Xue Rong felt that this was unreasonable, how could she lose to Ye Chen, this was not a good thing.

Xue Rong should be able to win easily from Ye Chen, in fact she was unable to win against Ye Chen.

"I feel like I'm being played" Xue Rong felt that she was being played with by Ye Chen, this was very annoying.

"I can't be like this, all my attacks don't work, I have to use other means" Xue Rong thought for a while, how would she deal with Ye Chen, she should be able to get Ye Chen out of this place.

"Okay, I'll kidnap him" Xue Rong came up with an idea, she would just kidnap Ye Chen.

"I have no choice" Xue Rong has no other choice, she has no choice but to do this.

Xue Rong took a robe and put on a mask, she was going to kidnap Ye Chen.

Ye Chen was at the rear, he was at the rear and watching over Mu Nianci and Xia Qingyu, he made sure that the two of them were okay.

Mu Nianci and Xia Qingyu had excellent physiques, both of them had trained well and they could easily weather a big storm.

"Looks like I don't need to worry about those two." Ye Chen felt that he didn't need to worry about Mu Nianci and Xia Qingyu, both of them had done their best.

When Ye Chen was watching Mu Nianci and Xia Qingyu, from behind there was someone in white clothes who grabbed Ye Chen's body, this person grabbed Ye Chen's body and directly took Ye Chen away.

"who?" Ye Chen asked, he asked the person who had dared to kidnap him.

"You don't need to know who I am" this person said to Ye Chen, this person's voice was hoarse so Ye Chen couldn't confirm who it was.

Ye Chen played the game, he joined the person who kidnapped him.

Ye Chen was taken away, no one noticed that Ye Chen was taken away, not even Mu Nianci and Xia Qingyu were aware of this.

Ye Chen was taken away to a very quiet place, no one would disturb them in this place.

"You are quite daring to also kidnap me to this place" Ye Chen said to the person in front of him.

When Ye Chen saw the person in front of him, Ye Chen saw that this was a woman, and this woman turned out to be Xue Rong.

"she, what is she planning" Ye Chen wanted to know what planning Xue Rong

"Today I will make you feel something you will never forget" Xue Rong said that she would make Ye Chen feel something he would never forget.

"Is that so interesting, why don't you show it to me" Ye Chen told Xue Rong to show it to him.

"Ice Break Storm" Xue Rong used her own strength, an Ice storm and several Ice rocks spun around Ye Chen.

It surrounded Ye Chen's body and was ready to hit Ye Chen's body.

Ye Chen saw the attack Xue Rong used, this woman used a fairly strong attack towards him.

"This time he's not playing around, it seems he wants to do bad things to me." Xue Rong was not playing around anymore, she might do bad things to Ye Chen.

"get ready" Xue Rong said to Ye Chen, she told Ye Chen to get ready.

Ye Chen was speechless, he received the attack from Xue Rong.

Xue Rong's attack hit Ye Chen, Ye Chen's body was caught in the storm and was smashed by a large amount of Ice.

"no way to escape" Xue Rong has already surrounded Ye Chen, Ye Chen will not have a chance to get away from the storm, he has already been caught in Xue Rong's attack.

"so interesting, what are you caged" Ye Chen said to Xue Rong, he appeared beside Xue Rong and asked.

"what, how can you ?" Xue Rong was surprised by the presence of Ye Chen who was already beside her, she did not expect that Ye Chen was next to her.

Xue Rong picked up her sword, she intended to attack Ye Chen with her sword.

Ye Chen didn't dodge, Xue Rong's attack passed through Ye Chen's body.

"what?" Xue Rong was shocked when she saw her sword pass through Ye Chen's body just like that.

It should have cut Ye Chen easily considering this sword was extremely sharp and capable of cutting through anything.

Ye Chen seized the opportunity, he stretched out his hand and grabbed Xue Rong.

"ahh . . ." Xue Rong couldn't believe that she would be held by Ye Chen.

"It's over" Ye Chen said to Xue Rong, he told Xue Rong that it was over.

"let me go, you bastard man" Xue Rong said to Ye Chen, she was furious at Ye Chen.

"no, this time I will make you remember this forever" Ye Chen said to Xue Rong, he would make Xue Rong remember this and never forget what happened.

Ye Chen used the Passion Goddess technique, the Passion Goddess technique was used on Xue Rong, when the Passion Goddess technique was activated, Xue Rong's body began to become strange.

"ummm. . ." Xue Rong felt very strange, she felt that her body was hot and the strength that she had was disappearing.

"What happened to me?" Xue Rong asked Ye Chen what done Ye Chen

"hehehehe, are you surprised by what I did" Ye Chen chuckled, he had made Xue Rong helpless.

"you . . .?" Xue Rong felt that Ye Chen was very strange, how did Ye Chen make her like this.

"Now you won't be able to fight me, let's see what I will do to you." Due to the effect of the Passion Goddess technique, Xue Rong couldn't fight Ye Chen, she didn't have a chance to fight Ye Chen.

Ye Chen touched Xue Rong, Ye Chen's touch made Xue Rong's body tremble.

"no" Xue Rong shouted, this is too convenient, he doesn't know what's going on, this is very convenient.

"ohhh, you are quite sensitive, it seems you have a lot of pent up lust" Ye Chen said to Xue Rong.

Xue Rong must have a lot of pent up lust, if Ye Chen provoked her, she might turn Xue Rong into a lustful woman.

"no don't do that, please forgive me" Xue Rong apologized, she couldn't accept what Ye Chen did.

"This is your punishment" Ye Chen said to Xue Rong, he told Xue Rong that this was her punishment.

"no . . ." Xue Rong screamed, she didn't want to accept this.

#### [Chapter 2165 Xue Rong Completely Fallen](#)

Xue Rong still has the ability to rebel, she is trying to rebel from Ye Chen.

Ye Chen didn't let Xue Rong rebel, he couldn't possibly let this woman off the hook.

Xue Rong began to pant heavily, this feeling was too much for her, she was unable to endure the feeling Ye Chen gave her.

"What is this, why is this too good" Xue Rong didn't understand, why was this too good, she couldn't stand Ye Chen's feeling, this was too comfortable for Xue Rong.

Ye Chen put his skills to good use, he used his own excellent strength to make Xue Rong feel comfortable and happy.

After a while, Xue Rong finally finished, she finally no longer put up any resistance against Ye Chen.

"how?" Ye Chen asked Xue Rong, he wanted to know how Xue Rong felt.

"This is really bad" Xue Rong said to Ye Chen, she told Ye Chen that this was really bad.

Xue Rong still had the consciousness to fight back, it seemed that her heart and mind were still strong enough to survive Ye Chen's attack.

Ye Chen smiled when he saw this, it seemed that he had to be even stronger and let Xue Rong fall completely.

"Ahhhhh . . ." Xue Rong screamed, Ye Chen's strength became more and more powerful, every touch made her body feel strange and she became weaker and weaker.

"Stop, I can't stand it" Xue Rong couldn't stand what was happening, she really felt like she would go crazy if this kept happening.

"I will tell you the truth, let's see if you are honest." Ye Chen whispered to Xue Rong, he would make Xue Rong honest.

Xue Rong started to get scared, she started to get scared when she listened to Ye Chen's words.

"let me go, if you don't let me go, you will get into trouble" Xue Rong said to Ye Chen, she made a threat to Ye Chen.

"Too bad, I've never been afraid, you're the first to find trouble, so prepare yourself." Ye Chen said that he was not afraid, he was not afraid of Xue Rong's threats.

What was doing was useless, she couldn't afford to threaten Ye Chen, this would be a very troublesome thing.

Little by little Xue Rong started to lose consciousness, she became a once lustful woman under Ye Chen's caress and touch.

"more, even stronger" after a few minutes of resistance, Xue Rong gave up and asked Ye Chen for more.

Ye Chen saw that Xue Rong had completely fallen, Now this woman has no resistance to Ye Chen.

Ye Chen did whatever he wanted, he made Xue Rong feel something he would never forget.

Xue Rong discovered a new world, she had never felt this way in her life, this was the most comfortable feeling that Xue Rong had ever felt .

"no, something is coming" Xue Rong said that if something was going to come out, she was really at his limit.

Just as Xue Rong was about to get ecstatically excited, Ye Chen suddenly stopped in his touch.

"huh?" this of course made Xue Rong uncomfortable, even though Xue Rong almost got the most beautiful feeling.

"why did you stop" Xue Rong asked Ye Chen.

"why?, weren't you the one who told me to stop" Ye Chen said to Xue Rong.

Ye Chen told the reason why he stopped, this was all because of Xue Rong, she had told Ye Chen to stop from the start.

Xue Rong was speechless, she did tell Ye Chen to stop, but this was extremely uncomfortable, her body itched and needed Ye Chen's touch.

Xue Rong started to squirm, she couldn't bear what was happening.

"I can't stand it" Xue Rong said that he couldn't stand it, she needed help from Ye Chen.

"please treat me" Xue Rong said to Ye Chen, she told Ye Chen to treat her.

"are you sure ?" Ye Chen said to Xue Rong, Ye Chen asked again, he asked if Xue Rong was sure.

"of course, please do" Xue Rong said to Ye Chen, she asked Ye Chen to go ahead and put her at ease.

"Hehehehe, so you've given up, fine, I'll make sure that you get something that changes your life." Ye Chen said to Xue Rong, he was going to make Xue Rong change.

Ye Chen will definitely make Xue Rong change, with his current ability, he will make Xue Rong fall.

Xue Rong had completely fallen, she had completely fallen and no longer had any resistance for Ye Chen.

Ye Chen continued again, he started caressing Xue Rong's body more tenderly and passionately.

"ahhhh" Xue Rong screamed again, he couldn't stand Ye Chen's touch , to be honest, this was too comfortable for Xue Rong.

"how?, is it convenient" Ye Chen asked Xue Rong.

"This is very good, how do you have this kind of ability" Xue Rong asked Ye Chen, Ye Chen's ability is very good, Xue Rong did not know that this kind of thing existed in this world.

"This is only part of it, there are still a lot of things that I haven't shown yet" Xue Rong said to Ye Chen, he told Xue Rong that he didn't reveal everything yet.

Xue Rong was shocked when she heard this, if that was the case then Ye Chen still had a lot of things to go against her.

"let's see the face you have" Ye Chen wanted to see the face that Xue Rong had, he was quite curious about the face that Xue Rong had.

"no, don't do that" Xue Rong refused, she refused to show her face in front of Ye Chen.

"is Fairy Xue Rong embarrassed?" Ye Chen said to Xue Rong, Ye Chen exposed Xue Rong's identity.

Xue Rong was surprised to find that Ye Chen could guess who she was, she didn't have the face to meet Ye Chen.

Ye Chen opened the disguise used, a beautiful woman with a beautiful face and wavy hair appeared in front of Ye Chen.

"You are quite beautiful" Ye Chen said to Xue Rong, he praised the beautiful Xue Rong.

Xue Rong tried to distract herself, she who was now completely discovered by Ye Chen.

"Hehehehe" Ye Chen chuckled, it was really fun to tease Xue Rong.

Ye Chen was even stronger, he stretched out his hand towards Xue Rong's double peaks, when Ye Chen did that, Xue Rong naturally let out a coquettish sound.

Xue Rong couldn't believe that she would make such a sound, this was really something she couldn't imagine .

Ye Chen's female seduction skills had reached the pinnacle, no woman could survive this technique.

Even if it is an old virgin like Xue Rong.

"ahhh. .." Xue Rong couldn't stand it, she reached the top quickly.

Ye Chen saw that Xue Rong had already reached the peak, he managed to get Xue Rong's Yin Qi.

"not bad, let's do it again" Ye Chen continued, he made Xue Rong experience the most wonderful thing.

Xue Rong kept groaning, she reached the top several times before falling completely in Ye Chen's arms.

"This is too great, I can't stand it" Xue Rong felt that this was too much for her, this thing was so strong that she couldn't stand it.

"do you like it" Ye Chen asked Xue Rong who was lying weakly in his arm.

"I don't know" she was unable to answer Ye Chen's question.

Ye Chen smiled, it seemed that Xue Rong was still embarrassed to answer him.

"ahhh. . ." From far away came the screams of the troubled female students, there were also several explosions that Ye Chen and Xue Rong heard.

#### [Chapter 2166 Dark Horse Bandits](#)

"what happened ?" Ye Chen wanted to know what happened, from the sound alone, Ye Chen could confirm that something happened there.

"What happened to them ?" Xue Rong also wanted to know what happened, why did the female disciples scream and there was an explosion, who dared to attack them.

"let's see" Ye Chen took Xue Rong to see, he wanted to know what happened to them.

"let's go" Ye Chen and Xue Rong left, the two of them found out what really happened, roughly whether they were attacked by monsters or something, the two of them had to find out this matter.

Ye Chen and Xue Rong came, the two of them went to where the female disciples were, when they arrived they saw that there were several large craters formed.

"Who did this?" Xue Rong wanted to know who did this.

"There must be someone who has done this, let's find out who has done this." Ye Chen and Xue Rong came down, they asked who had done it.

"what exactly happened" Xue Rong asked the female disciple in front of her, she wanted to know what was going on in this place.

"We were attacked by unknown people, they brought five female students" one of the students told what happened.

"Who are they?" Xue Rong asked, she wanted to know who would dare to attack and kidnap a female disciple from Frozen Cloud Sect.

"We don't know, we have never seen that person." The female disciple of Frozen Cloud Sect had never seen this person.

Xue Rong thought for a while, who could be the person who did this.

"Are you guys okay?" Ye Chen asked Mu Nianci and Xia Qingyu, just so they weren't kidnapped.

"We're fine." Mu Nianci and Xia Qingyu were fine, they didn't suffer any injuries or anything bad since neither of them were targeted or attacked.

"Were you not attacked?" Ye Chen asked Mu Nianci and Xia Qingyu.

"They ignored us, it seems they are only after the disciples of the Frozen Cloud Sect".

Mu Nianci said to Ye Chen, she explained to Ye Chen that this person was targeting Frozen Cloud Sect.

"Looks like this is Frozen Cloud Sect's business, there is an enemy aiming Frozen Cloud Sect ." Since Mu Nianci said that, it meant that this person was targeting Frozen Cloud Sect.

"I will go and chase that person." Xue Rong said that he would go after the person who had dared to kidnap a disciple from the Frozen Cloud Sect.

Xue Rong left, she immediately went to chase the enemy.

Ye Chen looked at Xue Rong, it seemed that Xue Rong was impatient and wanted to quickly catch the person who had attacked his disciple.

"You guys go back and take care of them, I'll go after that woman, she seems to be trying to do some unreasonable" Ye Chen said to Mu Nianci and Xia Qingyu, he told the two to bring the injured student back.

"we will do it" Mu Nianci and Xia Qingyu nodded, they were unharmed people, so they could bring female disciples back to Frozen Cloud Sect.

Ye Chen chased Xue Rong, he quickly caught up with Xue Rong who was already at the front.

"hey, wait a minute" Ye Chen said to Xue Rong, he told Xue Rong to wait for him.

"why are you chasing me ?" Xue Rong asked Ye Chen, why did Ye Chen chase her.

"You are too reckless, maybe this is a trap prepared by the enemy" Ye Chen said to Xue Rong, he said that this must be a trap.

"I already knew that this would be a trap, I just couldn't allow the female disciples of Frozen Cloud Sect to suffer at the hands of evil people." Xue Rong also knew this matter, she knew the consequences he would have to face.

Ye Chen looked at Xue Rong, even though he was a little firm, in reality Xue Rong still loved the female disciples in Frozen Cloud Sect.

"Then I will help you" Ye Chen will help Xue Rong, he will help find the person who kidnapped the girl from Frozen Cloud Sect.

"That's not necessary, it will be troublesome for you" Xue Rong said to Ye Chen, she didn't want to trouble Ye Chen.

"no problem" Ye Chen said that he was fine, he was happy to be able to help Frozen Cloud Sect and Xue Rong.

"It's up to you, make sure not to get me in trouble" Xue Rong didn't want to argue with Ye Chen, she just told Ye Chen not to make trouble for herself.

"I understand" Ye Chen understood, he would not bother Xue Rong.

both of them went to chase the enemy, they both knew that the enemy was ahead.

"The enemy is ahead, prepare yourself" Ye Chen said to Xue Rong, he told Xue Rong that the enemy was ahead.

"I understand" Xue Rong understood, she took out a sword and prepared to fight.

Ye Chen was also ready to fight, he was ready to help Xue Rong if something unexpected happened.

The two arrived, they arrived in front of three people with hideous appearances and scars all over their bodies.

Xue Rong looked at the female disciple who were hanged, they were all dying and losing a lot of blood, even their clothes were covered in blood.

"what are you guys doing ?" Xue Rong was angry when she saw this scene, she was really angry when she saw the scene in front of her.

To Xue Rong this was an extremely cruel thing, these people had done cruel things to the women they had caught.

"hahahaha" instead of feeling guilty, these people laughed, they seemed content to do this.

"Who are you guys?" Ye Chen asked the three people in front of him, they were quite ruthless and their methods were terrible.

"we are from the dark horse bandits" these people introduced themselves.

"dark horse bandit" Xue Rong was not happy when she heard this.

"what is it, do you know them" Ye Chen asked Xue Rong, it seemed that Xue Rong knew these people.

"the dark horse bandits are a group of cruel people, their leader was very cruel before, they raped women and killed the women"

"They even drank the blood of virgin women and killed their entire family" Xue Rong explained about the dark horse bandit.

"they are quite ruthless, how do you guys have a problem with them" Ye Chen asked Xue Rong, he wanted to know how Frozen Cloud Sect had a problem with this gathering of troubled people.

"It's a long story, for sure we have grudges, the mistress once made their leader a eunuch, that person must be seeking revenge on us" Xue Rong said to Ye Chen.

Xue Rong explained very briefly, she explained everything very briefly, Ye Chen should understand the brief explanation given.

"It's not strange, that person must be very angry, it seems that the mistress of Frozen Cloud Sect is quite terrible" It's not strange that these bandits want revenge, their leader must be very angry with Xue Zhirou.

"It's great that you are in this place, we will make him regret for having dared to come" these three would make Xue Rong regret coming to this place.

## Chapter 2167 Xue Rong Lost

"Don't be arrogant I'll make you guys regret it" Xue Rong made an attack, she executed an ice attack towards the enemy.

One of the three bandits immediately put up a shield, he parried Xue Rong's attack.

"hahahaha, it's just like this, disappointing" the bandits said to Xue Rong, they were quite disappointed by the strength Xue Rong displayed.

"They repelled the attack so easily" Xue Rong couldn't believe it when she saw this.

The enemy was able to fend off Xue Rong's attack very easily.

"Their cultivation isn't very high, they are only at the early stages of the Divine Overlord Realm, how would they fend off an attack from me" Xue Rong was confused about how they did it.

While the enemy was focusing on Xue Rong, Ye Chen seized this opportunity to help the hanged female disciple, he immediately stopped their bleeding by using the ice power.

"Their condition is very bad, I must immediately provide assistance" Ye Chen saw that the condition of the female students in front of him was very heavy, they were really in a bad condition.

"Take good care of them" Ye Chen said to Xue Rong, he told Xue Rong to take care of the enemies, while Ye Chen would take care of the rest.

"Okay" Xue Rong understood, she would take care of everything, he would make sure that these three people got the punishment they deserved for what they did.

"Ice Sword Blaster" Xue Rong used her own power, she created a sword and attacked the enemy with it.

When the ice sword made by Xue Rong hit the enemy, it shattered immediately, the sword exploded and made a terrible ice damage.

"If you accept it, you will die" Xue Rong said to the enemy, she told them that they would die if they dared to take her attack.

The enemy started to become very alert, they became very wary of Xue Rong.

Ice Sword Blaster's attack is quite dangerous, the resulting explosion is very strong and can get them all in quite serious trouble.

"Don't be afraid, as long as we don't touch it, then we'll be fine." The Ice Sword Blaster will explode if touched, so as long as they don't touch it, they will be fine.

"That's right" they agreed, which meant they only needed to dodge and attack Xue Rong.

"They noticed it" Xue Rong realized that the enemy already knew the weakness of her technique, it seemed they would start attacking her.

at this chance, Xue Rong could only use her sword to defend against enemy attacks.

"clanks . . ." the enemy attacked Xue Rong, they used swords and machetes to attack Xue Rong.

Xue Rong showed her skills, she showed her sword skills and showed that she had very good skills.

Xue Rong exchanged lots of blows with his opponent, and she was single-handedly ganged up by three bandits with great skill and strength.

In the exchange of forces and attacks that ensued, Xue Rong was continuously forced back, the enemy's strength was far stronger than Xue Rong could imagine.

"What the hell, why are their strengths getting stronger and stronger" Xue Rong realized that these people's strengths were getting stronger, they were only getting stronger and stronger, in fact they were starting to surpass Xue Rong.

Even Xue Rong's hands trembled when she attacked the enemy.

"what's wrong?, is this the only strength you have, this is very disappointing" the three were disappointed, they were very disappointed with the strength possessed by Xue Rong.

Xue Rong bit her lips, she really had a hard time fighting her enemies.

"This is not good, they are very strong, if this continues, then it will be a problem for me." Xue Rong had no choice, she had a very big problem, she was cornered by the strength of these three.

"Hahahaha, give up right now and accept your fate, we will make you our toy, you look pretty enough to be a toy" the three bandits said to Xue Rong, they wanted to make Xue Rong their toy.

"You guys dream too much" Xue Rong said that these people dreamed too much, she couldn't possibly do something like that.

"then don't blame us" the three of them came forward, they directly attacked Ye Chen using their full terrifying power.

"Fire Sword X" The three used the same attack, they performed an X-shaped slash towards Xue Rong.

"Frozen Wall" Xue Rong's immediately used her own strength, she created a super high and super thick Ice wall to block the attacks from the enemy.

"Cessssssss" Frozen Wall melted when hit by an enemy's attack, it had no resistance against super-hot fire.

"This is too bad." Xue Rong used her hands, she blocked the attack from the enemy.

"ahhh" Xue Rong was blown away, she was unable to withstand the attack from the enemy.

Even her palms were burned by the attacks from the enemy.

"It hurts" Xue Rong lay on the ground, she felt quite a scorching heat from her palm.

This is quite painful, almost 80% of his palm is burnt by the enemy's attack.

"We told you that you won't have a chance to win against us" they all said that Xue Rong wouldn't have a chance to win the match.

"Come with us" the three of them wanted to take Xue Rong, they stretched out their hands towards Xue Rong and prepared to take her away from this place.

Xue Rong was afraid, she was afraid of what these people would do, maybe she should just bite her lip and kill herself instead of becoming a sadistic villain toy.

"Bamm . ." when they were about to touch and carry Xue Rong, they were sent flying away.

The three of them coughed up blood after receiving the powerful direct hits to their chests.

"damn it, who dares to do it" the three of them were quite angry, who dared to launch a sneak attack on them.

"I did it, don't you guys like it" Ye Chen showed himself, he announced that he was the one who had attacked them.

"Bastard, we already let you live, how dare you attack us" the bandit said to Ye Chen.

"Is that so, I don't believe in your words, you guys might kill me" Ye Chen said to the bandits.

These people were ruthless and sadistic, they would definitely not let Ye Chen off.

Xue Rong was shocked when she saw Ye Chen who had come to save her, Ye Chen actually saved her from the cruel and sadistic bandits.

"Yeah, it doesn't matter, you guys have the strength of the Vengeance Fate Sect, it's not strange that your strength is getting stronger" Ye Chen said to the bandits in front of him

Ye Chen of course realized that the three of them possessed the strength of the Vengeance Fate Sect, they would become stronger when they had grudges and anger.

So it's not strange that they can easily defeat Xue Rong.

"They have the power of Vengeance Fate Sect, it's no wonder I can lose." Xue Rong finally understood, she understood the reason why she could lose.

"Of course, that's why you lost at their hands, it's because they have the power of Vengeance Fate Sect, they will get stronger and stronger, you won't have a chance to win" Ye Chen said to Xue Rong.

#### [Chapter 2168 Xue Rong Was Curious About Ye Chen](#)

Xue Rong understood, she understood what Ye Chen said.

"You guys are brave enough to receive power from Vengeance Fate Sect," Ye Chen said to the bandits who received power from Vengeance Fate Sect.

"So what if we have the strength of the Vengeance Fate Sect, is it a problem for you" the three bandits asked Ye Chen.

"Of course, you guys got the power of Vengeance Fate Sect, that means you can be exterminated." Ye Chen could exterminate them, he had enough reason to exterminate the people who had joined Vengeance Fate Sect.

"Wavy Wind Slash" Ye Chen used his wind power, a wave of wind appeared and instantly overtook the three bandits in front.

All the bandits were immediately rolled over by the wind wave and their bodies shattered.

"arghhhh. . ." the screams of these people resounded extremely powerfully, they all died very quickly.

"That's great" Xue Rong was surprised by Ye Chen's strength, she didn't expect Ye Chen to have such great strength.

Ye Chen was extremely strong, he only needed a few seconds to kill the three bandits that had gotten Xue Rong into trouble.

From this alone, you can see the difference in strength between the two, where Ye Chen's strength is much stronger when compared to Xue Rong.

"good, I've finished them" Ye Chen has finished these people, now it only remains to focus on the injured female student.

"let's bring them back" Ye Chen invited Xue Rong to bring the injured female disciple back to the Sect, they might need more treatment.

"let's go" Xue Rong agreed, she agreed to come with Ye Chen.

Xue Rong was also injured, her smooth hands were injured from the attack from the enemy.

"You'd better use this" Ye Chen gave a pill to Xue Rong, he hoped that Xue Rong would be cured.

"thank you very much" Xue Rong thanked Ye Chen, it seemed that he no longer hated Ye Chen, Ye Chen seemed to be a very kind and helpful person.

Xue Rong ate the medicine given by Ye Chen, when she ate the medicine given by Ye Chen, her wounds healed very quickly, it didn't even leave a scar.

"You have very good medicine, it should be very expensive medicine" Xue Rong saw that Ye Chen had expensive medicine.

"Not really, it's not too expensive." Ye Chen said that it wasn't too expensive.

"This medicine was created by Ye Chen and Fairy Zhen, the two of them made this together and reached the highest level of being able to quickly repair broken webs without leaving any marks, it is especially suitable for use on women as they don't like scars.

Ye Chen and Xue Rong returned to Frozen Cloud Sect, when they returned, they were immediately greeted, everyone asked the condition of the two.

"what happened to you guys, did you guys get in trouble?" Xue Himi asked Xue Rong, she wanted to know what happened.

Xue Rong explained everything to Xue Himi, she told her about the attack by the dark horse bandits.

"Are they back?" Xue Qinmo didn't expect that when the dark horse bandits came back, they would definitely take revenge on them.

"They dare to come back, this time we must crush them to the root." Xue Sunzhe was going to crush the dark horse bandits to the root.

"No, they are very strong, those who are now are not our opponents, they have obtained the power of Vengeance Fate Sect." Xue Rong explained that the enemy had become so strong that even he was unable to defeat them.

"Vengeance Fate Sect?" Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe were shocked when they heard this, it means that the enemy now has terrible strength.

"This is dangerous, I think we should report this to the mistress" Since the situation is getting out of control, they might need Xue Zhirou.

"You recover first, we will talk to the mistress" Xue Himi told Xue Rong to rest, she must be tired after doing battle with the enemy.

"You too, you guys have done a good thing" Xue Himi also told Ye Chen, Xia Qingyu and Mu Nianci to take a break, they had done a very good thing.

"Thank you very much" Ye Chen thanked, himself thanked Xue Himi's kindness.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe left, they left immediately and waited for Xue Zhirou to come out.

"let's rest" Ye Chen invited Mu Nianci and Xia Qingyu to rest, it seemed they needed to rest for a while.

Mu Nianci and Xia Qingyu immediately agreed, the two agreed and followed Ye Chen, the two of them went to their rooms.

Xue Rong saw Ye Chen, she became curious about Ye Chen.

"That person, is he just a male disciple of Jade Lotus Peak?" Xue Rong wanted to know if Ye Chen was only a male disciple of Jade Lotus Peak, why would he have such strength, it was definitely not normal.

Unknowingly, Xue Rong became very interested in Ye Chen, she became very interested in Ye Chen, it had been a long time since there was a man who made Xue Rong interested.

"Fairy, come with me, I will treat your wound" the disciple said to Xue Rong, she wanted to treat Xue Rong's wound.

"I'm fine, you guys just focus on treating the injured female disciple." Xue Rong was fine, the injuries she received had completely healed, the pills Ye Chen gave him had completely recovered her.

"but?" The female disciple said to Xue Rong, she still had to confirm Xue Rong's condition.

"I said I'm fine" Xue Rong said that she was fine, she didn't need treatment.

"Okay, I understand" the female disciple understood, she immediately went and treated the injured female student.

.

.

Inside the room, Ye Chen was living together with Mu Nianci and Xia Qingyu.

"Ye Chen, what happened, who is they" Xia Qingyu asked Ye Chen, she wanted to know which group had carried out the attack.

"They are just a bunch of ruthless people who kill and pillage, I heard they like to rape and kill woman they meet." Ye Chen explained the situation to Mu Nianci and Xia Qingyu.

"They look quite dangerous." Mu Nianci felt that these people made a very dangerous group.

"Of course they are very dangerous indeed, they also have the support of Vengeance Fate Sect," Ye Chen said to Mu Nianci.

Mu Nianci and Xia Qingyu nodded, which meant they were a dangerous force and had to be exterminated as soon as possible

"With Xue Zhirou's strength, she should be able to do that." Ye Chen believed that Xue Zhirou would be able to do it.

"Didn't you say that she was injured" Xia Qingyu said to Ye Chen.

Xue Zhirou should be injured, so Xia Qingyu wasn't sure if he could handle this matter alone.

"I still don't know the strength of the enemy, let's see first, if the situation gets worse, then I will help them" Ye Chen said he would help if the situation got worse.

Xia Qingyu nodded, as long as Ye Chen was around everything should be fine.

"Okay, I'll help you guys." Ye Chen said that he would help Xia Qingyu and Mu Nianci, he would help them improve their strength and cultivation.

Xia Qingyu and Mu Nianci were shocked when they heard this, they had a bad feeling when they heard this from Ye Chen.

Ye Chen drew closer and started to extend his hands towards Xia Qingyu and Mu Nianci, it was time to help these two, they needed a little help to soften the bones.

#### [Chapter 2169 Viper Flame Poison](#)

"No, what are you doing!" Mu Nianci and Xia Qingyu shouted, they were both scared by what Ye Chen was doing.

The two of them naturally knew Ye Chen's strength, they would probably suffer when fighting Ye Chen.

"ahhh. .." Ye Chen started helping Mu Nianci and Xia Qingyu, neither of them would be able to escape from this place.

Mu Nianci and Xia Qingyu could only defend themselves, both of them withstood Ye Chen's attack.

Mu Nianci and Xia Qingyu enjoyed immense pleasure, both of them received immense pleasure, Ye Chen's hand made both of them feel extremely comfortable, this was something they had never felt before.

"eeeeHeeeeeemmm. . ." Mu Nianci and Xia Qingyu let out splendid voices, both of them enjoying themselves very well.

.

.

Currently at Xue Zhirou's place.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe came, they came and met Xue Zhirou.

"Why did you guys come, did something happen?" Xue Zhirou asked, it seemed that something had happened to make the four come to her place.

"Misters, we have bad news for you." Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe said that they had very bad news.

"what's that?" Xue Zhirou wanted to know the bad news that the four had, what exactly happened, something must have happened.

"The dark horse bandits have appeared again, they just attacked the female disciples in the Sect, they will definitely attack again in greater numbers." Xue Himi said that they would probably be attacked soon.

"I already guessed that the man is still alive" Xue Zhirou had already guessed this, she had already guessed that the man was still alive.

"What should we do? Should we get ready or just sit back and wait for them to attack?" Xue Qinmo asked, he wanted to know Xue Zhirou's opinion.

"we will prepare, tell all the disciples outside to come back immediately, we will prepare for battle, they will definitely come soon" Xue Zhirou gave an order, she gave an order to immediately summon all the disciples outside.

From here onwards there would be a battle, so they had to prepare for the worst.

"we understand" Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe understood, they immediately went and prepared everything.

They would be fighting, and the enemy this time would probably be a much stronger foe than the ones they had fought before.

Behind the dark horse bandits was Vengeance Fate Sect, they would definitely lend their support to the dark horse bandits and to destroy Frozen Cloud Sect.

"They have returned, it seems they are going to destroy this place." Xue Zhirou was a little worried, he was worried that the dark horse bandits would destroy Frozen Cloud Sect.

If that happened, Xue Zhirou didn't know what to do about it.

"I also have to get ready" Xue Zhirou has to get ready, she has to get ready and start to heal herself.

she had to temporarily suppress the poison in her body, that way he could fight freely.

.

.

Return to Ye Chen's room.

Ye Chen looked at Xia Qingyu and Mu Nianci, both of them looked very tired, they could be said to be tired from Ye Chen's attacks.

Ye Chen's seductive skills were too strong for the two, they were unable to last long when receiving Ye Chen's unparalleled comfort.

Both of them were sleeping on the ice bed, they looked tired after the great fun.

"It seems they are still weak, perhaps I will train them more often" Seeing the weak Xia Qingyu and Mu Nianci, Ye Chen decided to train the two of them, he would make sure that the two of them get the ultimate pleasure and make them feel the feeling of being in heaven.

Xia Qingyu and Mu Nianci couldn't escape their destiny, they couldn't escape Ye Chen, Ye Chen had made the two of them his woman.

"they probably need a rest, I'm going out" Ye Chen decided to go out, he decided to go out and see the situation outside.

When Ye Chen came out, he saw that it was very crowded outside, there were lots of women running around and starting to collect things.

"what are they doing" Ye Chen wanted to know what the girls from Frozen Cloud Sect were doing, they looked very busy, it seemed they were preparing something big.

"what are you guys doing" Ye Chen asked one of the female students, he wanted to know what they were doing.

"We are currently preparing the fortress for war, Frozen Cloud Sect might soon become a battlefield" the female disciple from Frozen Cloud Sect told what would happen.

"is it like that" Ye Chen understood, it seemed that Xue Zhirou had already ordered everyone to prepare and fight, it seemed that the battle would be inevitable.

Since the situation became like this, Ye Chen decided to help, he decided to give Frozen Cloud Sect a hand.

Ye Chen built a few additional Ice walls, this would probably be of great help to them in resisting the enemy's attacks.

"It should help them" Ye Chen had done his best, he had set up a barrier for the women of the Frozen Cloud Sect.

Should Frozen Cloud Sect be a bit safer with this wall and they would probably have more chances of winning.

After helping, Ye Chen went around, he went around very casually, because everyone was busy, they didn't pay much attention to Ye Chen.

Ye Chen kept walking and remembering this whole place, unknowingly by Ye Chen, he had arrived near Xue Zhirou's house.

"This is Xue Zhirou's place" Ye Chen of course knows that this is Xue Zhirou's place, this is the best and most strategic place.

"I wonder what he's doing" Ye Chen wanted to know what Xue Zhirou was doing.

Ye Chen used God Eyes, he peeked inside and wanted to find out what Xue Zhirou was doing.

The moment Ye Chen peeked inside, he saw Xue Zhirou naked, her clothes completely destroyed.

"Hmmm, has she used Superior Ice Poison grass?" Ye Chen looked at Xue Zhirou, it seemed that this beautiful woman used Superior Ice Poison grass and made her clothes crumble.

The poison in Xue Zhirou's body was battling with the Superior Ice Poison Grass, this caused Xue Zhirou's body to become hot and cold.

This is also what has made all of his clothes shattered and into thousands of pieces.

"Very interesting, I want to see what this woman will do." Ye Chen was quite curious, he was quite curious about what Xue Zhirou would do.

Ye Chen looked around, he made sure that no one saw him.

"Okay, I'll go in" Since no one saw him, Ye Chen decided to go in, he entered Xue Zhirou's room without being seen by anyone.

Ye Chen easily entered, he only needed to use a bit of strength of his own to enter.

Right now Ye Chen was in the same room with Xue Zhirou, Xue Zhirou didn't see Ye Chen, she was still focused on stabilizing her own body.

"cough . ." Xue Zhirou coughed up blood, it seemed that his body was not strong enough to withstand the Superior Ice Poison Grass.

"This is bad" Xue Zhirou was in trouble, Superior Ice Poison grass seemed to be much more difficult to control, plus the poison in his body became more and more violent, Superior Ice Poison grass was completely suppressed by the poison in Xue Zhirou's body.

The poison in Zhirou's body was Viper Flame Poison, it was one of the most dangerous poisons in God Realm, if used on a cultivator cultivating Ice, it would become a destructive thing and make the body weaker and weaker over time before causing the person to explode.

#### [Chapter 2170 If You Leave Now, You Will Become A Burden To Them](#)

Xue Zhirou is in very big trouble, she must immediately try to suppress the poison in her body, the poison in Xue Zhirou's body is out of control, this makes Xue Zhirou hot.

Xue Zhirou's body temperature changes became dangerous, he turned red and steam started to come out of Xue Zhirou's body.

"emmmm" Xue Zhirou groaned, if it continued like this then it would be very dangerous for Xue Zhirou.

"This is bad, if it goes on like this" Ye Chen saw Xue Zhirou's condition, Xue Zhirou's condition was very bad, if he let it be he would probably die.

"I might help her" Ye Chen stretched out his hand, he started helping Xue Zhirou.

"who?" Xue Zhirou was quite surprised when she saw someone touching her, she didn't expect someone to touch her from behind.

Xue Zhirou should be alone, so an outsider had forcibly entered this place.

"calm down, I'll help you" Ye Chen told Xue Zhirou to calm down.

"You, how can you be in this place?" Xue Zhirou was shocked when she saw Ye Chen, how could Ye Chen be in this place.

"You better not ask too many questions, let's solve the problems you have first" Ye Chen told Xue Zhirou not to ask too many questions, Ye Chen first wanted to make Xue Zhirou's condition better.

Ye Chen used his Ice power, he suppressed the poison that was in Xue Zhirou's body.

With Ye Chen's help, the poison in Xue Zhirou's body was suppressed to the very edge.

"So strong" Xue Zhirou felt Ye Chen's strength, Ye Chen's pure energy entered her body, it was really very strong.

By using Ye Chen's strength, Xue Zhirou's poison was suppressed by Ye Chen.

"you . . ." Xue Zhirou looked at Ye Chen, she didn't expect that Ye Chen could easily suppress the poison in her body, this was really great.

"How is your condition?" Ye Chen asked Xue Zhirou, he asked Xue Zhirou's condition.

"I'm fine" Xue Zhirou said that she was fine, she felt her body lighten.

"I only temporarily suppressed your poison" Ye Chen said that he only temporarily suppressed Xue Zhirou's poison.

"I know that, that's already a very good thing" Xue Zhirou was satisfied, Ye Chen had helped her and made the poison in her body controllable.

"If you continue like this, maybe your body will be seriously injured." Ye Chen said to Xue Zhirou, if Xue Zhirou continued to use poison against poison, it would make Xue Zhirou's body crumble.

"I know that, I have no other way" Xue Zhirou said to Ye Chen, Xue Zhirou had no other choice, she was forced to do this because she was unable to find an antidote for the poison in her body.

"I can help you" Ye Chen said to Xue Zhirou, he can help Xue Zhirou deal with the poison in her body.

"is it true ?" Xue Zhirou was shocked when she heard this, she didn't expect that Ye Chen could do such a thing.

Xue Zhirou was close to Ye Chen, Unknowingly she became very close and stuck with Ye Chen.

Even this woman's double peaks, which was the size of an E cup, touched Ye Chen's chest.

"Of course, but before that, you'd better cover yourself first, I can see everything clearly" Ye Chen told Xue Zhirou to cover her body.

Xue Zhirou looked down, when Xue Zhirou looked down, she found that her body was naked, she had forgotten that she was not wearing anything on her body.

"ahhh. . ." Xue Zhirou screamed, she screamed and directly hit Ye Chen who was in front of her.

Ye Chen was knocked out, Xue Zhirou's Slap was quite hard and made he take a few steps back.

"what happened" Ye Chen didn't understand, he didn't understand what Xue Zhirou was doing.

"calm down" Ye Chen told Xue Zhirou to be more calm, he didn't want Xue Zhirou to be too reckless and lose control.

"I can't be calm, after all I can't be calm" Xue Zhirou said that he couldn't be calm anymore.

"if you don't accept, I will be responsible" Ye Chen said to Xue Zhirou, he will be responsible for Xue Zhirou.

Xue Zhirou couldn't accept this. she couldn't accept this because she had pride.

"Who dares to look down on you, I will let them know" Ye Chen said that he would not let anyone dare to belittle Xue Zhirou.

Ye Chen looked at Xue Zhirou, he could see that Xue Zhirou had already lost her will to fight, it seemed that Ye Chen's words had succeeded in convincing Xue Zhirou.

"It seems you have accepted it" Ye Chen said to Xue Zhirou.

"No, I haven't accepted it, I will never accept it." Xue Zhirou said that she would not accept this.

"Whatever, I'm sure you'll accept it soon" Ye Chen was sure that Xue Zhirou would accept it sooner or later.

"Boom. . ." an explosion occurred outside, this explosion rocked the entire continent of Frozen Cloud Sect.

"They have come" Xue Zhirou saw that the enemies had come, they had come to attack the Frozen Cloud Sect.

"It seems the Dark Horse bandits have come." Ye Chen said to Xue Zhirou, he informed that the Dark Horse bandits had arrived.

"But, They need me" Xue Zhirou said that people outside need it.

"if you leave now, you will only cause trouble for them" Ye Chen said to Xue Zhirou.

Xue Zhirou bit her lip, what Ye Chen said must indeed be the truth, if she forced to fight now, then it was certain that he would only become a burden to everyone.
