

True God 2171

[Chapter 2171 Xu Fati](#)

"Then what are you going to ask of me?" Xue Zhirou asked, she asked what Ye Chen wanted to ask.

Xue Zhirou knew that Ye Chen would not do this for nothing, surely Xue Zhirou had to pay something.

"Hmmm . ." Ye Chen thought for a while, himself thinking about what Xue Zhirou had said.

Xue Zhirou looked at Ye Chen, she wanted to know what Ye Chen was thinking, Ye Chen's mind seemed more complicated than imagined.

"what if you" Ye Chen pointed at Xue Zhirou..

"what! ! !" Xue Zhirou seemed to be taken aback when she heard what Ye Chen had just said.

"How dare you, I won't let it" Xue Zhirou said to Ye Chen, she would not accept this.

"hahahaha" Ye Chen laughed, he laughed when he saw the angry Xue Zhirou, Xue Zhirou was so funny.

"why are you laughing ?" Xue Zhirou was confused, she looked confused by Ye Chen's behavior.

"I was just teasing you, why are you so serious" Ye Chen said to Xue Zhirou.

"Huh?" Xue Zhirou was shocked, she was actually being toyed with by Ye Chen.

Xue Zhirou's face turned red, she was ashamed of herself.

"How could I be seduced by a man younger than me?" Xue Zhirou grumbled, how could she be seduced by a man much younger than her.

This was quite embarrassing for Xue Zhirou, she was embarrassed when being teased by a young man like Ye Chen.

"You are too serious" Ye Chen said to Xue Zhirou.

Xue Zhirou was too serious, even Ye Che's words that were meant to be a joke were made serious by Xue Zhirou.

"Don't tease me, I'm not used to it." Xue Zhirou said that he wasn't used to this, to be honest he wasn't used to having this kind of conversation with the opposite sex.

"Is that so, it's not weird for you to be clumsy" Ye Chen said to Xue Zhirou.

Xue Zhirou lowered her head, she had to hold back, hse couldn't get angry over a trivial matter like this.

"hold on, don't get angry" Xue Zhirou tried to restrain herself, he would not let herself go out of control.

Xue Zhirou used her frozen heart, she tried to calm down in the face of Ye Chen.

After a few breaths, Xue Zhirou finally calmed down, she returned to her original self.

"let's do it" Xue Zhirou said seriously, right now he needed Ye Chen's help.

"Okay, I understand, I will help you." Ye Chen was satisfied, he was satisfied, and began to help Xue Zhirou to destroy the poison.

Ye Chen used Heavenly Silver Flame, this was the time for Ye Chen to cleanse Xue Zhirou's body.

"get ready, we will start, it might hurt you, so bear it" Ye Chen said to Xue Zhirou, he told Xue Zhirou to hold back because it might hurt.

"I have endured the pain from the poison in my body for such a long time, this will be nothing to me" Xue Zhirou said to Ye Chen.

"good, don't shout loudly" Ye Chen said to Xue Zhirou, he told Xue Zhirou not to shout loudly during the process.

Ye Chen used the Heavenly Silver Flame and started to enter Xue Zhirou's body, using his own strength, he started to enter and destroy the poison from within.

"ahhhh . . ." Xue Zhirou screamed, she couldn't stand the intense heat in her body.

"It's so hot." The Heavenly Silver Flame was hot enough for Xue Zhirou, and it was painful for Xue Zhirou who was an ice cultivator, it was contrary to his strength.

Ye Chen had already done his best to make Xue Zhirou endure it, if it wasn't Ye Chen, maybe Xue Zhirou wouldn't be able to endure the pain that was too excruciating.

The Heavenly Silver Flame enveloped the Viper Flame Poison, it began to destroy the Viper Flame Poison as well as the Superior Ice Poison grass.

this process might take a bit longer, considering that it was quite strong and needed time to completely cleanse Xue Zhirou's body.

"It may take a little longer, I hope the people outside can hold them." Ye Chen said to Xue Zhirou, it may take a little longer, so Ye Chen hopes that Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong can defend and beat back the enemy.

.
.

Outside Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong along with thousands of top level disciples came out, all of them came out and endured the attacks from the enemy.

Outside they saw about 200 people with various kinds of weapons, they looked scary and violent.

Even their leader was 2 meters tall with a huge fat body, this man was like a pig, even so he had the highest cultivation compared to everyone around.

"You guys, it's been a long time" the fat man said to Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

This man's name was Xu Fati, he was the leader of the Dark Horse bandits and was extremely ruthless.

This person's appearance was hideous, even women would probably be frightened when they saw him.

"So you finally came " Xue Qinmo said to Xu Fati.

"Of course, I came here to take revenge for what you guys did, This time I want all of you to be destroyed and turn you into prostitutes that can be used to earn lots of money" Xu Fati said to Frozen Cloud Sect.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong and all the ladies from Frozen Cloud Sect were furious when they heard this, they were furious when they found out what Xu Fati was planning.

"as long as we live, we will not let you do that thing" Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong will never let Xu Fati do that thing, they will stop him.

"Are you guys capable, I'm no longer the person I used to be, to me now you are just ants, so don't fight too much or I'll kill you" Xu Fati said in a loud voice, he warned that Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong is not his opponent.

Xu Fati just gave off an extremely terrifying aura, and he released a power that made Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong shocked.

"He has become very strong" Xue Himi was surprised by the increase in strength possessed by Xu Fati, this man has terrible strength.

"This must be because they obtained strength from Vengeance Fate Sect, they obtained strength from hatred and fury, as long as they have those things, their strength will become even stronger" Xue Qinmo said to everyone.

"the mistress is currently repairing, it seems we have no choice but to restrain them." Xue Zhirou still couldn't help, so they could only restrain the enemy for a set time.

"You're absolutely right" everyone agreed, they might be able to buy time for Xue Zhirou to arrive at this place.

"Quickly send the spinster out, I want to make her pay for what she did to me" Xu Fati told Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong called Xu Zhirou, he wanted to settle things with Xue Zhirou.

"If you want to meet the mistress, you have to pass us" Xue Miya, Xue Sunzhe said that Xu Fati must pass them if he wants to meet Xue Zhirou.

"Okay, if that's what you want." Xu Fati will grant Xue Miya's request, Xue Sunzhe.

"Sea of Volcano" Xu Fati used his own power, from the ground several red dots started to appear and emitted a lot of smoke.

[Chapter 2172 Xue Zhirou Came Out](#)

hot lava came out of the ground, this lava immediately spread very quickly, in a short time Frozen Cloud Sect immediately melted.

The ice that was around Frozen Cloud Sect quickly melted, this quickly melted and made the defense owned by Frozen Cloud Sect crumble.

"This is really bad" Xue Rong felt that Xu Fati's attack was very destructive, if it continued like that, then Frozen Cloud Sect would be destroyed.

"let's unite our strength to resist his attack" Xue Himi invites everyone to unite the strength they have, that way they can easily destroy Xu Fati's attack

"hahahaha, you all will suffer" Xu Fati said to all the women in Frozen Cloud Sect, he told them that they would all suffer at his hands.

"boom" several eruptions occurred, magma came out and became very much, in just a very short time this place became a sea of hot lava outside.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong combined their strengths, they combined their strengths and started quenching the hot lava around.

With the combined power of the Ice they have, they can put up a fight, they freeze the hot lava around them.

Xu Fati saw the struggles Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong, They fought together to defeat him.

"This won't be easy" Xu Fati wouldn't let the enemy win easily, he used his own strength to shoot some lava from below towards where Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong were.

The magma ball flew and headed towards Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

"This is bad" The woman from Frozen Cloud Sect started to panic, Xu Fati used a lot of attacks towards they, he used enough numerous attacks towards the Frozen Cloud Sect.

"Boom. . . ." several buildings were hit by hot magma, it melted and destroyed instantly.

"tell disciples to fall back" Xue Rong gave an order for the outer court and inner court disciples to retreat immediately.

They might get into trouble if they stayed here.

Currently the core disciple's strength was necessary, if the outer and inner court disciples came along, then it would be a problem for them.

Xu Fati is very strong, this person is very dangerous, he will not let go of his enemy.

The inner court and outer court disciples immediately withdrew, they retreated to the very rear, there they would be perfectly safe, the enemy's attack wouldn't reach that distance.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong teamed up, they worked together to win the battle.

With their combined ice power, they were finally able to withstand Xu Fati's attack.

"This man is getting stronger" they really did not expect that Xu Fati's strength would increase in this way, To be honest Xu Fati can be said to be very strong.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong even had to combine their strength to withstand an attack from Xu Fati.

"Not bad" Xu Fati praised the strength of Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

They had done their best to withstand his attacks.

"You better leave right now" Xue Himi told Xu Fati to leave this place immediately.

"hahahaha, get out from this place, it's a very funny thing, sorry I won't do that" Xu Fati refused to leave, he refused to leave this place.

"I'm still warming up, so don't be too serious, next time, otherwise you will have a chance to win." Xu Fati said that he was still warming up, next time he would make sure that Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong lost.

"Great Eruption" Xu Fati used his technique again, an earthquake occurred right below.

"what happened ?" Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong started to panic they became very panicked when they saw what was happening.

The ground beneath them began to split open, a hole started to appear and created a rather large crater.

This crater is quite large, it has a very large diameter, it is estimated that it is about 5 miles in size.

"This is bad, get out of this place quickly." Xue Qinmo, feeling something bad, she felt that it was going to explode.

"It's too late, you guys won't have time to escape." Xu Fati said that the five of them wouldn't have time to escape.

"Explode!" Xu Fati shouted, roars and loud sounds started to come out of the crater.

"Boom. . ." an enormous explosion occurred right within the Frozen Cloud Sect.

This explosion was enormous, it destroyed Frozen Cloud Sect and reduced half of Frozen Cloud Sect to the ground.

Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong were blown away, many core disciples scattered and injured from the powerful attack launched by Xu Fati.

"hahahaha, this is the end for you guys" Xu Fati said that this is the end, this is the end for Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong as well as Frozen Cloud Sect.

Xu Fati had already succeeded in getting his revenge, he was seeking revenge on the Frozen Cloud Sect, who had ruined his life.

"You guys have ruined my life, this time I will have you all destroyed" Xu Fati would make sure that he destroyed all life within the Frozen Cloud Sect.

"you all, let's have fun" Xu Fati invited everyone to have fun, this was the perfect time for them to have fun with the women of the Frozen Cloud Sect, before they turned them into slaves in a brothel.

"Yeahhhhhh" everyone was so excited, they all couldn't wait to just go and have fun, they all wanted to get hold of the virgin women in Frozen Cloud Sect.

"you are all shameless" when the Dark Horse bandits were about to take the women from Frozen Cloud Sect, Xue Zhirou appeared, she appeared and directly destroyed Xu Fati.

Xue Zhirou was quite angry, he saw Frozen Cloud Sect destroyed like this.

The huge and powerful Frozen Cloud Sect was suddenly destroyed like this by a shameless bastard like Xu Fati, naturally angering Xue Zhirou.

"mistress" all the women were overjoyed when they saw Xue Zhirou appear, as long as Xue Zhirou appeared, then should be fine.

"You dare to attack my place" Xue Zhirou said to Xu Fati.

"why, do you think this fat man would be afraid of an old woman like you" Xu Fati said to Xue Zhirou.

Xue Zhirou raised her eyebrows, she couldn't accept Fati Xu calling.

Xue Zhirou was still beautiful and young, her beauty could be said to be one of the best, so how could anyone dare to say that Xue Zhirou was an old woman.

"Since you have dared to find trouble with me, then I have a reason to kill you" Xue Zhirou said to Xu Fati.

"hahahahaha" Xu Fati laughed, he took Xue Zhirou's words as a funny joke.

"You are such a funny woman, let me show you the strength that I have, I will silence you with the strength that I have" Xu Fati will silence Xue Zhirou with the strength that he has, he will show his strength in front of Xue Zhirou.

"Gahhhh . . ." Xu Fati let out a groan, an enormous force enveloped Xu Fati's entire body.

[Chapter 2173 Xue Rong Asked Ye Chen For Help](#)

Xue Zhirou was speechless, this fat man's voice was embarrassing, she felt disgusted just from hearing Xu Fati's voice.

Xu Fati continued to show off and show the strength he had, he showed Xue Zhirou the strength he had.

"Look at this, this is the strength that I have, you can never win against me." Xu Fati said to Xue Zhirou, Xue Zhirou can never win against him.

"don't be too arrogant" Xue Zhirou said not to be too arrogant, he still has a chance to win against Xu Fati.

"Frozen Cloud Lance" Xue Zhirou began to show her own power, when Xue Zhirou showed her strength, dozens of ice spears of enormous size appeared from above.

estimated that the size of the Frozen Cloud Lance was nearly 50 miles, so it was enormous.

Xue Zhirou wanted to kill Xu Fati using a single strike, he hoped that he could easily kill Xu Fati with one strike.

Xu Fati looked at the spear above the sky, it seemed that Xue Zhirou couldn't hold back her strength anymore.

"Hahahaha, very good, here it is, you finally show the strength you have" Xu Fati was so happy, he couldn't wait to try his strength.

"let's increase your hatred" Xu Fati increased his hatred for Xue Zhirou, when Xu Fati did this, Xu Fati's strength only got bigger.

Xu Fati's strength is increasing, this man is getting stronger and stronger with time.

"Mistress, it's better to finish quickly, this person's strength is getting stronger" Xue Himi ask Xue Zhirou to kill Xu Fati as soon as possible, if they let Xu Fati live, then they would really get into a very big problem.

Xue Zhirou understands, she also realizes that Xu Fati's strength is getting bigger, this man's strength is getting bigger with time.

Xue Zhirou accelerated her attack, the ice spear headed towards Xu Fati at an astonishing speed.

"Boom . . ."The ice spear hit Xu Fati, a huge explosion occurred when the spear hit Xu Fati.

A huge ice explosion engulfed the surroundings, every part that was hit by the explosion was instantly turned into ice, even the previously hot ground was also instantly turned into ice.

"success" Xue Sunzhe shouted, he was overjoyed that they had managed to defeat Xu Fati.

Xue Himi, Xue Qinmo, Xue Miya, Xue Rong and everyone else were also happy, they were all happy when they saw Xue Zhirou manage to win the match quickly and easily.

"impossible" the army of Dark Horse bandits became scared, they all became scared when they saw their big boss being defeated by Xue Zhirou with just one strike.

"Boss has lost, we should retreat." Some said that they might have to withdraw.

"No, the boss is much stronger, such an attack shouldn't have much effect on him." Some people still couldn't believe that Xu Fati would lose with just one strike from Xue Zhirou, he was much stronger than that.

Xue Zhirou didn't celebrate victory so quickly, she confirmed whether Xu Fati was still alive or not.

"Cracks . . ." a loud crack sounded, this crack proved that Xu Fati was still alive.

Xu Fati was indeed still alive, he was indeed still alive after receiving the powerful attack from Xue Zhirou.

"hahahaha, just like that" Xu Fati said to Xue Zhirou, he underestimated Xue Zhirou's power and attack.

"I knew that such an attack would not be able to kill you." Xue Zhirou knew that an attack of her own would not kill Xu Fati outright.

"You better give up right now, this is your chance to give up right now" Xu Fati told Xue Zhirou to give up.

"It will only happen in your dreams" Xue Zhirou said that she would not give up, she would not give up on someone like Xu Fati.

"What a stupid answer, if that's what you want, then I'll make you regret it." Xu Fati said that he would make Xue Zhirou regret his decision.

"explosion" Xu Fati used an extremely powerful explosion technique, an explosion occurred and headed towards Xue Zhirou.

Xue Zhirou endured Xu Fati, when he tried to block Xu Fati, he felt an extremely destructive attack.

"This bad is too strong" Xu Fati was too strong, this fat and ugly man possessed extremely terrifying strength, his strength was enough to make Xue Zhirou fall back and fall.

"Impossible" all the women couldn't believe what happened, they saw that Xue Zhirou was knocked down by Xu Fati.

"This ugly guy, he is too strong" All the women felt sad, Xu Fati's strength was far from theirs, they had no chance of winning against this fat man.

Xue Zhirou fell, she fell down and landed on the ice.

Xue Zhirou was cornered, a single strike from Xu Fati had put her in this state.

"This is impossible, how could I lose" Xue Zhirou couldn't believe that she was defeated, how could she be defeated so easily, she seemed to have no resistance in front of Xu Fati.

"Hahahahaha, I told you that you can't win against" Xu Fati drew closer towards Xue Zhirou.

Xu Fati can't wait to take revenge on Xue Zhirou, his hatred for Xue Zhirou is so great, he might torture Xue Zhirou to death.

Xue Zhirou felt Xu Fati's gaze, this man wanted to kill her, he must have the intention of doing bad and inhuman things to Xue Zhirou.

"what will you do?" Xue Zhirou asked Xu Fati, she wanted to know what Xu Fati.

"I will make you suffer" Xu Fati would make everyone suffer, he would make sure that everyone in Frozen Cloud Sect suffered, he would show something even crueler than death to the women of Frozen Cloud Sect.

The Frozen Cloud Sect's women were already starting to feel hopeless, their hopes of winning were very lite, even they couldn't even take on a single person, if all the Dark horse bandits intervened, then they would quickly lose.

"Are we going to end up in this place?" Xue Rong didn't expect that Frozen Cloud Sect would end like this, even with Xue Zhirou's strength they were unable to survive the attacks of the Dark Horse bandits.

"let's plunder the entire Frozen Cloud Sect" everyone was excited, they couldn't wait to plunder the entire Frozen Cloud Sect and take everything, Frozen Cloud Sect must be a very rich sect, so they must have a lot of great resources.

Xue Rong bit her lip, she wasn't happy with the screams coming from the enemy, she wanted to protect Frozen Cloud Sect, this was her place, she wouldn't let these people destroy Frozen Cloud Sect.

"Who can help to deal with this?" Xue Rong started to think, who could help Frozen Cloud Sect in this kind of situation.

"That's him" Xue Rong remembered Ye Chen, he might be one who could help, he was quite strong and might be able to help.

"I should probably look for him" Xue Rong decided to look for Ye Chen.

"Xue Rong, where are you going?" Xue Miya asked Xue Rong, she wanted to know where Xue Rong was going.

Xue Rong didn't answer, she immediately went to find Ye Chen's whereabouts, Xue Rong wanted to ask Ye Chen for help.

Ye Chen was around, he watched Xue Zhirou's battle from afar, he could see that someone like Xue Zhirou ran into trouble when she fought Xu Fati, this fat man put up a strong resistance against Xue Zhirou.

[Chapter 2174 One Strike To Defeat Xu Fati](#)

"Looks like she has no chance of winning." Chu Yuechan saw that Xue Zhirou had no chance of winning against her enemy.

"I also know, that man's strength is strong, with the power of hatred, he becomes stronger and stronger, this is what I hate the most against people from Vengeance Fate Sect" Ye Chen said to Chu Yuechan.

Ye Chen was quite displeased when he had to face Vengeance Fate Sect, Vengeance Fate Sect possessed strange powers and could cause people trouble.

Their strength stems from hatred, vengeance and rage, as long as they possess that, they will be a force worthy of reckoning.

"It seems you are here" Xue Rong finally found the whereabouts of Ye Chen, she was lucky to find the whereabouts of Ye Chen.

"What do you want to do?" Ye Chen asked Xue Rong, this woman must have come for something, Ye Chen was absolutely certain of this.

"I came to ask for help from you" Xue Rong asked for a favor from Ye Chen, he asked for help from Ye Chen to help Frozen Cloud Sect.

"Why should I help the Frozen Cloud Sect?" Ye Chen asked Xue Rong, he wanted to know the reason.

"that . . ." Xue Rong was confused, how should she answer Ye Chen's words.

Xue Rong looked stupid, she didn't know what to do in the current situation, the Frozen Cloud Lance was about to be destroyed, she had to do something to protect the Frozen Cloud Lance.

"Okay, how about this, if you help the Frozen Cloud Sect, I will give you anything, even if it is an unreasonable request" Xue Rong said to Ye Chen, Xue Rong said that she would give whatever Ye Chen asked for, as long as Ye Chen is willing to help Frozen Cloud Sect get out of this trouble.

Ye Chen looked at Xue Rong, he didn't expect that this woman would say these things.

"do you like the Frozen Cloud Sect that much?" Ye Chen asked Xue Rong, he wanted to know if the Frozen Cloud Sect really liked the Frozen Cloud Sect.

"Of course, this is my residence, I will not let this place be destroyed just like that." The Frozen Cloud Sect would not be allowed to be destroyed, Xue Rong would do everything possible to save the Frozen Cloud Sect.

"So it's your choice, you did a very good thing, then let me help you guys" Ye Chen decided to help, he decided to help Xue Rong solve Xu Fati.

Ye Chen came down, he helped Xue Zhirou who had been completely cornered by Xu Fati.

Xue Zhirou could only defend against Xu Fati, he could only survive Xu Fati's repeated attacks.

"Bamm . . ." when Xu Fati attacked Xue Zhirou, there was someone blocking his attack.

"Looks like it's enough up to here" Ye Chen said to Xu Fati, he told Xu Fati to stop his attacks on Xue Zhirou.

"who are you?" Xu Fati asked Ye Chen, he wanted to know who Ye Chen was, how dare Ye Chen resist his attack.

"I am a guest of Xue Zhirou" Ye Chen announced that he was a guest.

"just a guest, how dare you interfere with my business, you will regret it" Xu Fati said to Ye Chen.

"What am I sorry for" Ye Chen will not regret, he will not regret what he did.

Ye Chen helped Xue Zhirou and the others out of trouble, so why would he regret what he did.

"Bastard, I will kill you" Xu Fati decided to kill Ye Chen, he used his own power to kill Ye Chen.

"Ye Chen ! ! ! !" Xue Zhirou said to Ye Chen, he told Ye Chen to avoid Xu Fati's attack, Xu 's attack Fati could be said to be very terrible, so it was better for Ye Chen to just leave.

Xue Zhirou didn't want Ye Chen to get involved in the battle, she didn't want to see Ye Chen suffer for helping her.

"Don't worry, I will finish them off." Ye Chen will definitely finish Xu Fati, he will not let any member of Vengeance Fate Sect escape or run away from this place.

"Boom" Xu Fati attacked Ye Chen, his fist landed on Ye Chen's body and exploded.

The explosion generated by Xu Fati's fist was extremely powerful, if it was hit by an explosion this powerful, then maybe the body would be instantly destroyed.

"ahhh . . ." there were countless women screaming, they couldn't bear it when they saw what happened to Ye Chen.

Xue Zhirou was also surprised by what happened, she was also surprised by what happened to Ye Chen, what happened to Ye Chen was enough to make someone like Xue Zhirou shocked.

"Impossible" Xue Rong was also surprised, she couldn't believe that Ye Chen had accepted Xu Fati's attack voluntarily.

There are countless people who feel sorry for Ye Chen, they all feel sorry for what happened to Ye Chen.

"Hahahaha" Xu Fati was very happy, he was very happy with what happened, he was happy because he managed to beat Ye Chen so easily.

"die bastard" Xu Fati insulted and cursed Ye Chen, he was very happy when he saw Ye Chen killed in his hands.

"Your voice is so ugly" Ye Chen said to Xu Fati, he said that Xu Fati was very ugly.

"Huh?" Xu Fati was shocked when he heard Ye Chen's voice, he hurriedly looked at Ye Chen who was standing in front of him.

Ye Chen stood in place, Ye Chen looked fine, there was not the slightest trace of a scratch on Ye Chen's body.

"No way, how did you do it" Xu Fati couldn't believe what he was seeing, he couldn't believe it when he saw Ye Chen defend against his attack.

"What's wrong, is that all you can do, weren't you very arrogant earlier" Ye Chen said to Xu Fati.

"Bastard, I will kill you" Xu Fati was furious, he was going to kill Ye Chen using all his strength.

Xu Fati unleashed all of his potential strength, he gathered his strength at one point, namely his fist.

"die" Xu Fati said to Ye Chen, he launched the most powerful attack he could use.

Ye Chen stretched out his palm, he endured Xu Fati's attack with his bare hands.

"Boom" Ye Chen resisted Xu Fati, he used his bare hands to block Xu Fati's attack.

"Impossible, how could that happen" Xu Fati couldn't believe what happened, he couldn't believe that Ye Chen blocked his own attack with just one hand.

It was obvious that what Ye Chen was doing was not normal, Ye Chen was doing things that were beyond reason.

"Okay, you've used your strength, then it's my turn to show the strength that I have" Ye Chen said to Xu Fati, it's time for Ye Chen to show the strength that he has.

"Breaking Meteor Blow" Ye Chen hit Xu Fati's chest, instantly all the bones in Xu Fati's body shattered.

"impossible . . ." Xu Fati couldn't believe it, he couldn't believe what Ye Chen was doing.

Xu Fati fell down, he was lying on the floor and was unconscious.

Everyone fell silent when they saw what happened, they couldn't believe what happened, what happened was too shocking for everyone who saw it.

Xu Fati fell from just one punch of Ye Chen, Ye Chen only needed to use one punch to kill Xu Fati.

Xu Fati wouldn't be able to get up again, Ye Chen's strength was already strong enough to kill Xu Fati.

[Chapter 2175 Jing Thao](#)

"Okay, it's time to clean up the rest." Ye Chen broke the silence, he announced that he would clean up the rest of the Dark Horse bandits.

the bandits Dark Horse gawked when they heard Ye Chen's words, they all didn't expect that Ye Chen would be able to do something as crazy as this.

Ye Chen stepped forward, he started to advance and attack all the enemies that were in front.

"run save yourselves" everyone tried to run, they all tried to save themselves from Ye Chen.

Ye Chen would not let his enemy run, he would definitely ensure that his enemy was punished for daring to join the Vengeance Fate Sect.

A desperate scream resounded, all the bandits were terrified when they saw what Ye Chen was doing.

"you all quickly help him" Xue Zhirou ordered everyone to help Ye Chen.

The Frozen Cloud Sect women finally regained their senses, they all regained their senses and headed straight for Ye Chen's place.

Everyone helped Ye Chen, they all helped Ye Chen eradicate the Dark Horse bandits.

All the members of the Dark Horse bandits lay on the ground, they were all killed and frozen, some even turned into chunks of ice.

"we win" everyone is happy, they are all very happy when they win the battle.

This victory was thanks to Ye Chen, he had helped Frozen Cloud Sect to win this match.

"You are really great, are you really a disciple of Jade Lotus Peak?" Xue Zhirou acknowledged Ye Chen's strength, he had to admit that Ye Chen had the ability.

"Don't you believe that I am only a disciple of Jade Lotus Peak" Ye Chen asked Xue Zhirou.

"I believe" Xue Zhirou believes that Ye Chen is a disciple of Jade Lotus Peak, Ye Chen is indeed different from the person Xue Zhirou once knew.

Should your troubles be over, it is very likely that Vengeance Fate Sect will attack you again." Ye Chen said to Xue Zhirou, he told them what could happen to them.

"I understand too, I'm just confused, why are they targeting us?" Xue Zhirou wanted to know the reason why Vengeance Fate Sect was targeting them.

"if you want to know the answer, you should look around, that way you will know the answer" Ye Chen told Xue Zhirou to look around this place, he would definitely know what Vengeance Fate Sect was after.

Xue Zhirou looked around, he didn't quite understand what Ye Chen was saying.

Xue Zhirou thought for a while, he finally understood the reason.

"I understand" Xue Zhirou finally understood, he finally understood what Ye Chen said.

Vengeance Fate Sect is targeting Frozen Cloud Sect's women, all the women here have extremely excellent Yin Qi, it's not strange that they would be targeted by Vengeance Fate Sect.

"Looks like we have to start being vigilant." Xue Zhirou would be even more vigilant, to think that they would be targeted like this.

"But why would they want to do this to us, there should be a lot of Dual Cultivation Sects out there, usually Vengeance Fate Sect would choose them as furnaces" Xue Zhirou said in a strange tone.

"Don't you know yet ?" Ye Chen said to Xue Zhirou.

"What do you know?" Xue Zhirou didn't know, he didn't know what Ye Chen said.

"The number of Sect Dual Cultivation right now is very small, they have been destroyed and may only remain and the number may only be few" Ye Chen said to Xue Zhirou.

"what? ? ?" Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong and Xue Zhirou were shocked when they heard this, they had no idea about this matter.

To be honest this news didn't reach their ears, it was because this incident was so well hidden that not many people knew about this matter.

Even someone with a high status like Xue Zhirou did not know about this matter.

"now I understand" Xue Zhirou finally understood, he finally understood what happened.

It seems that from now on they will be targeted, this is too bad, the balance of the God Realm is starting to crumble.

"You know enough about this matter" Xue Zhirou was surprised to find Ye Chen knew about this matter.

"That's because I was there when it happened, I can only save one of them" Ye Chen said to Xue Zhirou.

"It's not strange you know" Xue Zhirou finally understood, it seems that Ye Chen is indeed a good person, it can be seen from Ye Chen who is willing to help others who are in trouble.

"I am very grateful to you, you can enjoy your time in this place, we will ensure that you get the best treatment" Xue Zhirou thanked Ye Chen, she thanked Ye Chen for his help.

If Ye Chen didn't help, Xue Zhirou didn't know what would happen to Frozen Cloud Sect.

"Okay, then I will return to my place" Ye Chen said that he would return, before Ye Chen returned, Ye Chen looked at Xue Rong.

Xue Rong also stared at Ye Chen, she knew what Ye Chen was thinking, Ye Chen would definitely ask her for something in return.

Ye Chen left, he wanted to see the condition of Xia Qingyu and Mu Nianci.

Ye Chen went inside, he saw Xia Qingyu and Mu Nianci who were still sleeping, the commotion outside was not heard by Xia Qingyu and Mu Nianci, the barrier created by Ye Chen was strong enough to withstand any sound coming from outside.

"It seems they still haven't woken up." Ye Chen didn't bother, Xia Qingyu and Mu Nianci, he slept in the middle of the two, he hugged the two beauties in each side of his arms.

.

.

Currently in a dark place with little light, a handsome man was drinking something black with a very strong smell, this man's appearance could be said to be very good.

this man was one of the most influential people in Vengeance Fate Sect, he was one with terrifying strength.

"I didn't think that the Dark Horse bandits would be destroyed, who did this" this man immediately knew that the Dark Horse bandits had been destroyed.

He knew this news immediately when he no longer felt any radiance from Xu Fati.

"They are useless people, we have given them many things, but they failed to carry out master's orders" the servant spoke to the young master who was in front of him.

It could be seen that this servant was displeased with the destruction of the Dark Horse bandits.

they had given quite a lot of resources to the Dark Horse bandits, they hoped that the Dark Horse bandits would be of use to them.

In reality, they were trash, they were useless in battle and were simply destroyed.

"no need to get angry, let's do it again, this time you go and solve this problem" the young man told the servant to bring troops to finish everything.

"fine I'll do it right away" this servant quickly agreed, he was excited as she listened to the young master's order.

"If you fail, don't ever come back here, otherwise you will suffer the consequences." The young man told him that if he failed, there would be no mercy.

"I will try to do my best" the maid understood, she already knew the consequences of this task.

If he failed, then he would be killed immediately, it was a common thing in this place.

"I have to get Frozen Cloud Sect, that way I will get a slight increase in strength" This young man needed Frozen Cloud Sect for strength increase.

This young man's name was Jing Thao, he was number 7 in Vengeance Fate Sect, so his strength was unquestionable.

[Chapter 2176 Frozen Cloud Yin Lake](#)

"I hope you don't disappoint me" Jing Thao hoped that his people would not disappoint him.

"Otherwise, then he himself would have to step in to settle things, when he intervened to settle things, then it would be the downfall for Frozen Cloud Sect.

.

.

Meanwhile in the Frozen Cloud Sect, all the female disciples from the lowest to the highest were working together to rebuild the several places destroyed by Xu Fati's attacks.

With cooperation 's able everyone should be to restore Frozen Cloud Sect quickly.

"How is it?" Xue Rong asked how the progress of the Frozen Cloud Sect's refinement was.

"Everything went very smoothly, perhaps in a few days we can get Frozen Cloud Sect back to normal".

One of the senior female disciples said that they might be able to repair Frozen Cloud Sect in the next few days.

"Very good, you have done a very good thing, tell everyone not to work too hard." Xue Rong told her not to push , many disciples were injured and had to rest a lot.

"I understand, I will make sure that everyone is okay" Senior female disciple understood, she will make sure that everyone is okay.

"Good" Xue Rong was satisfied with the answer given, this was the answer she wanted.

Everything was going very well, Frozen Cloud Sect would recover soon, Xue Rong needn't worry.

.

.

Ye Chen woke up together with Mu Nianci and Xia Qingyu, both of them woke up together with Ye Chen.

"How long have we been asleep?" Mu Nianci and Xia Qingyu asked Ye Chen, they both didn't know how long they had been sleeping like this.

"You guys seem to be enjoying it" Ye Chen said to Mu Nianci and Xia Qingyu, both of them seemed to be enjoying this well.

"You pervert" Mu Nianci and Xia Qingyu, said to Ye Chen, both of them said that Ye Chen was a pervert.

"hehehehehe, don't you enjoy it too" Ye Chen said to Mu Nianci and Xia Qingyu.

"hmmpp . . "Mu Nianci and Xia Qingyu snorted coldly, both of them looking away in dissatisfaction.

"let's go out" Mu Nianci asked to go out, they have to practice, they are here to practice.

"It looks like your training will be delayed" Ye Chen informed that Mu Nianci and Xia Qingyu's training would be delayed.

"Why?" Mu Nianci and Xia Qingyu asked Ye Chen.

"Why don't you guys look outside?" Ye Chen told Mu Nianci and Xia Qingyu to look outside.

Mu Nianci and Xia Qingyu went to look outside, when they looked outside, they saw a scene they couldn't imagine.

They saw that Frozen Cloud Sect had been destroyed, the scene before them was shocking.

"what happened" Mu Nianci and Xia Qingyu immediately asked Ye Chen, both of them asked Ye Chen about what happened to Frozen Cloud Sect.

"When you guys rested this place was attacked and destroyed like this, for only then all the problems were already settled" Ye Chen said to Mu Nianci and Xia Qingyu.

"Why don't we know?" Mu Nianci and Xia Qingyu looked confused both of them didn't know about this matter.

"That's because you two slept too well" Ye Chen said that the two of them slept too well, that's what made them both not know what happened.

Mu Nianci and Xia Qingyu were quite surprised when they heard what said , they didn't expect that they were sleeping during the chaos.

"you guys are here" Xue Himi came over, she greeted Ye Chen, Mu Nianci and Xia Qingyu.

"what's wrong ?" Ye Chen asked Xue Himi, she wanted to know what wanted .

"Mistress is calling you guys, come come with me" Xue Himi told Ye Chen, Mu Nianci and Xia Qingyu to come with her.

"Okay, take us to her." Ye Chen understood, he was going to go and see Xue Zhirou.

"come with me" Xue Himi told Ye Chen. Mu Nianci and Xia Qingyu to come with her.

Ye Chen, Mu Nianci and Xia Qingyu followed behind Xue Himi, the three of them in between towards the sky, in the sky was a flying island with an extremely numerous and powerful barrier.

this powerful barrier was simply too strong to be broken through.

"what place is that" Ye Chen asked Xue Himi, he wanted to know where they were going to.

"That is Frozen Cloud Yin Lake" Xue Himi said about the flying island they were going to visit.

"what kind of place is that" Ye Chen wanted to know what kind of place it was.

"You don't have to ask so much, you'll find out soon" Xue Himi said to Ye Chen, everything would be clear when they arrived at Frozen Cloud Yin Lake.

Ye Chen understood, he understood and would be more patient, maybe Xue Zhirou would explain this matter to Ye Chen.

The four arrived at Frozen Cloud Yin Lake, when they arrived, they saw Xue Zhirou standing in front of an enormous pool.

"this Lake?" Ye Chen looked at the pond in front of him, to be honest it was huge and contained an enormous amount of Yin.

The amount was so abundant that the air here was filled with pure Yin Qi.

"Wow, so this is the Frozen Cloud Yin Lake, it's rare for me to see it, it's filled with extremely pure Yin Qi, the amount is truly amazing, with this amount, maybe it will help you" Chu Yuechan said to Ye Chen.

Chu Yuechan had told him that the Yin in Frozen Cloud Yin Lake could help with cultivation.

"You are absolutely right" Ye Chen completely agreed with what Chu Yuechan said, he agreed with what said Yuechan

"You guys have finally come" Xue Zhirou greeted the arrival of Ye Chen, she welcomed the arrival of Ye Chen, Mu Nianci and Xia Qingyu.

"So why did you call us" Ye Chen asked Xue Zhirou, he wanted to know why Xue Zhirou called them.

"I will explain the reason why I call you to this place." Xue Zhirou said that he would tell the reason why she had call Mu Nianci and Xia Qingyu.

"You two, you obtained permission to enter Frozen Cloud Yin Lake" Xue Zhirou said to Mu Nianci and Xia Qingyu.

"we?" Mu Nianci and Xia Qingyu said to Xue Zhirou.

"Yes, it's you guys." Xue Zhirou pointed at Mu Nianci and Xia Qingyu.

"So you two don't know why Ning Xia told you to come to this place" Xue Zhirou asked Mu Nianci and Xia Qingyu.

"I don't know" Mu Nianci and Xia Qingyu said that they didn't know why Ning Xia had them train in this place, they thought it was just an ordinary practice.

"This is what wants , she wants you to enter Frozen Cloud Yin Lake, as long as you enter, you will probably increase your strength greatly" Xue Zhirou informed them that they would gain strength when entering Frozen Cloud Yin Lake.

"Is that so" Mu Nianci and Xia Qingyu finally understood what Ning Xia wanted.

Ning Xia really thought about the future of Xia Qingyu and Mu Nianci.

"You guys better start getting ready, a few core disciples will be arriving soon, you'll all be going in," Xue Zhirou said to Xia Qingyu and Mu Nianci.

"Okay" Xia Qingyu and Mu Nianci understood, the two of them decided to prepare.

"what about me ?" Ye Chen asked Xue Zhirou, he wanted to know if he could come along.

[Chapter 2177 He Really Has An Ancient \(Yang\) Body](#)

"do you want to die" Xue Zhirou said to Ye Chen, she told Ye Chen that he might want to die.

"what do you mean ?" Ye Chen asked Xue Zhirou, he wanted to know what Xue Zhirou meant, roughly what Xue Zhirou meant.

"Frozen Cloud Yin Lake filled with huge pure Yin, if a man enters, then they won't be able to withstand the terrifying amount of pure Yin and they might die" Xue Zhirou said to Ye Chen.

Xue Zhirou gave a warning to Ye Chen, he gave a warning to Ye Chen not to try to enter Frozen Cloud Yin Lake.

"Is that so?" Ye Chen looked in disbelief, he didn't seem to believe what Xue Zhirou had said.

"There used to be a man with a pure Yang body, too bad he only lasted less than 1 minute before coming out" Xue Zhirou gave Ye Chen an example.

Xue Zhirou gave the example of a man with a pure Yang body, even one with a rare physique was unable to survive in Frozen Cloud Yin Lake.

That's why Xue Zhirou forbade Ye Chen from entering Frozen Cloud Yin Lake.

"So that's the reason, very interesting, maybe I want to try it" Ye Chen said to Xue Zhirou, he wanted to try it.

"Are you sure ?" Xue Zhirou asked Ye Chen again.

"Of course, I'm not afraid of this kind of thing." Ye Chen said that he was not afraid of this kind of thing.

"If you really have made up your mind, then I won't stop you, but remember to get out quickly if your body is uncomfortable" Xue Zhirou still gave a warning to Ye Chen.

"thank you very much, I will do it" Ye Chen will do it, he will do what Xue Zhirou said.

The selected core disciples had finally arrived, they were the best core disciples in Frozen Cloud Sect.

Ye Chen looked at Xue Muer, this woman had actually come along, she seemed to be about to enter Frozen Cloud Yin Lake.

Xue Muer looked at Ye Chen, she looked at Ye Chen with a shocked look.

"Why is he in this place" Xue Muer was surprised when she saw Ye Chen, she was quite surprised to see Ye Chen in this place.

"You all, this is a good opportunity for you, Frozen Cloud Yin Lake has opened, you have 1 hour to enter Frozen Cloud Yin Lake and absorb the pure Yin that is in Frozen Cloud Yin Lake" Xue Zhirou explained to everyone women present.

All the women listened to Xue Zhirou's explanation, they listened to Xue Zhirou's explanation very well.

Xue Zhirou explained to everyone in this place, he told them what to do.

After Xue Zhirou's extremely detailed explanation, everyone finally understood.

"Are you guys ready?" Xue Zhirou asked, she wanted to know if they were ready or not.

"we are all ready" everyone is ready, they are all ready.

"If you are ready, let's start." Seeing that everyone was ready, Xue Zhirou immediately invited everyone to enter the lake.

Everyone immediately went into the water, they were still and submerged in the water.

Xia Qingyu and Mu Nianci also entered, both of them having entered together with the disciples from Frozen Cloud Yin Lake.

Everyone had entered, they had all started cultivating and were quiet within the Lake.

"You come in too" Xue Zhirou told Ye Chen to come in, he and Xue Himi would also make sure Ye Chen was okay.

"I understand" Ye Chen understood, he was about to enter Frozen Cloud Yin Lake.

Ye Chen started to take steps, he started to enter into Frozen Cloud Yin Lake.

"Are you sure you let him in?" Xue Himi asked Xue Zhirou, it would be a dangerous thing to let Ye Chen in, Ye Chen might get into trouble for entering Frozen Cloud Yin Lake.

"It's okay, just let him try it." Xue Zhirou said that she allowed Ye Chen to try it, for her it didn't matter if Ye Chen tried it.

"I don't understand the mistress's way of thinking" Xue Himi doesn't understand Xue Zhirou's way of thinking.

Xue Zhirou had her own reasons, she let Ye Chen have a go, she wanted to know the limits of Ye Chen's strength.

Ye Chen went inside, the water here began to spread and made Ye Chen's clothes crumble.

"what happened?" Ye Chen looked at the clothes on his body that were starting to disintegrate.

Now Ye Chen's appearance was completely exposed in front of all the female beauties present in this place.

Xue Zhirou and Xue Himi looked at Ye Chen, both blushed when they looked at Ye Chen.

"Too handsome" Xue Zhirou and Xue Himi had to admit that Ye Chen was a very handsome man, he was the most handsome and courageous man they had ever seen.

Even Xue Zhirou and Xue Himi who weren't interested in men started to take an interest in Ye Chen.

The female disciples in the pool also looked at Ye Chen, they looked at Ye Chen with a look of extreme admiration.

"that's enough. . ." Ye Chen didn't really care, he decided to try to absorb the pure Yin that was in this lake.

Pure Yin began to enter Ye Chen's body, he made Ye Chen feel very comfortable.

"it's very comfortable" Ye Chen felt very comfortable, he felt very comfortable with the pure Yin in this place.

Ye Chen started to soak and absorb the Pure Yin in this place, he along with the core disciples were inside for a while.

"wow, he was able to last for a long time" Xue Himi was shocked when she saw Ye Chen able to last for a long time, Ye Chen's strength in defending was extremely long.

"This is a bit strange, how did he survive" Xue Zhirou wondered, how did Ye Chen manage to survive, even though no man could survive for such a long time in Frozen Cloud Yin Lake.

"mistress, don't tell me he has it" Xue Himi said to Xue Zhirou.

"impossible" Xue Zhirou couldn't believe what happened, she didn't believe that Ye Chen had that.

Xue Himi and Xue Zhirou looked at Ye Chen, both of them might have guessed that Ye Chen had an Ancient (Yang) Body.

"No way, he really has an Ancient (Yang) Body." After a few minutes, Xue Himi and Xue Zhirou finally confirmed that Ye Chen had an Ancient (Yang) Body.

"This is a very rare thing, I didn't expect that I would meet someone with an Ancient (Yang) Body." Xue Zhirou didn't expect that Ye Chen would have an Ancient (Yang) Body.

"mistress, isn't that a great ?" said Xue Himi, Xue Himi looked very excited, she was excited when she saw this.

"That's really great, do you want to try it?" Xue Zhirou said to Xue Himi.

Xue Zhirou told Xue Himi to try the Ancient (Yang) Body, he might get a lot of benefits from the Ancient (Yang) Body.

"I . ." Xue Himi blushed, she blushed when she heard this.

Since ancient times, the Ancient (Yang) Body is one of the special bodies that many forces in the God Realm have fought over. It is the best treasure for women and deserves it.

Even the ancestors of the Frozen Cloud Sect were interested in the owner of the Ancient (Yang) Body.

There was even a special rule that allowed women from the Frozen Cloud Sect to have relations with the owner of an Ancient (Yang) Body.

[Chapter 2178 Ye Chen Made A Breakthrough](#)

"Are you embarrassed?" Xue Zhirou asked Xue Himi, she could see that Xue Himi was embarrassed by this.

"Of course, who isn't embarrassed, all of us have never done that" Xue Himi said to Xue Zhirou.

They had honestly never done it before, so it wouldn't be strange for this to be a slightly embarrassing thing to say.

Xue Zhirou also agreed, she also didn't have much experience in this matter, she only had a little experience, and it made her embarrassed to even try.

Even though the two of them were embarrassed to try it, the curiosity in their hearts was overwhelming, so it wasn't strange that they wanted to try it so badly.

Women are strange creatures, their curiosity is so strong, it makes them try strange things and maybe don't make sense.

Xue Zhirou and Xue Himi lowered their heads, they had strange thoughts in their minds, it could be said that the minds of the two of them were very chaotic.

Meanwhile, Ye Chen and the others were spending their time in the lake, they were cultivating and making very good use of the time they had.

Ye Chen absorbed all the pure Yin, he made good use of this in order to ascend.

if Ye Chen made good use of this, he might break through.

"I'm very lucky" Ye Chen felt lucky, he felt very lucky to come to this place, this allowed him to obtain quite a lot of benefits from Frozen Cloud Yin Lake.

Mu Nianci and Xia Qingyu also benefited greatly, Both of them benefited greatly from absorbing the pure Yin, their bodies became extremely strong and their cultivations began to rise rapidly.

"Boom" Xia Qingyu and Mu Nianci began to breakthrough, their speed taking Xue Zhirou and Xue Himi by surprise.

"They're both great, they're really fast." Xue Zhirou acknowledged the strength and ability that Mu Nianci and Xia Qingyu possessed, both of whom possessed great abilities.

"These two are really great, they are quite geniuses, it's a shame they aren't part of us" Xue Himi agreed, the two of them were really good, it would be a shame if they were n't part of the Frozen Cloud Sect.

"Jade Lotus Peak is very lucky, they have great talent, I'm a little jealous" Xue Zhirou said to Xue Himi.

Xue Zhirou was envious, she was envious of Jade Lotus Peak and Ning Xia.

"I understand how you feel" Xue Himi could understand what was Xue Zhirou

"boom" Xue Muer's had a breakthrough, she had an excellent breakthrough.

"Very good, he is indeed the best disciple" Xue Himi and Xue Zhirou were very happy, both of them were very happy with what Xue Muer did, she deserved to be the best student they had.

After Xue Muer, there were several core disciples who broke through, they were slightly slower than the others, it seemed that their talent wasn't as good as Mu Nianci and Xia Qingyu.

Ye Chen is the same, he hasn't made a breakthrough yet, it's probably because his cultivation is very high and requires quite a lot of pure Yin.

So it wasn't strange that he was taking so long in his breakthrough.

After making several breakthroughs, the female disciples who were tired immediately went up, they all went up because they couldn't anymore.

Right now in the lake there were only Mu Nianci, Xia Qingyu, Xue Muer and Ye Chen.

These four are great people, they were able to last a very long time.

"That guy is amazing" Many female disciples had to admit Ye Chen's strength, Ye Chen was able to survive in Frozen Cloud Yin Lake for a long time.

If it was an ordinary man, then they would have believed that person had died long ago.

It wouldn't be strange if Ye Chen was able to save Frozen Cloud Sect, he indeed possessed great strength, there were many women who were amazed by what done , they were all amazed by what done .

About 56 minutes have passed, only 4 minutes left before it's all over.

Ye Chen, Mu Nianci and Xia Qingyu were still holding out, meanwhile Xue Muer decided to go up, she decided to go up because time was up.

Xue Muer was satisfied, she had already leveled up, currently she was at the fourth realm of the Divine Overlord Realm and was very stable.

He will probably become an elder soon, with her current strength, she has the qualifications to become an elder.

Xue Muer looked at Ye Chen, she could see how strong Ye Chen was, this man was really beyond her imagination.

After Xue Muer, Xia Qingyu caught up, she followed out of the lake, Xia Qingyu couldn't stand it anymore, her body was numb while inside, so she climbed to the surface.

Xia Qingyu was in the early stages of the Divine Overlord Realm, she did everything well and rose to this level.

Mu Nianci also came out, she came out to catch up with Xia Qingyu.

Mu Nianci's cultivation was much better, she was at the 5th level of the Divine Overlord Realm, now she was quite strong and full of strength.

Ye Chen himself still needs time, he wants to try to break through with one move.

"I hope it works" Ye Chen wished that he could break through immediately, he wanted to break through with one try.

Ye Chen had already accumulated a large amount of pure Yin, this was a very important stage.

"boom. . ." a very strong explosion occurred, this powerful explosion made a stunning splash, everyone was thrown away when hit by this super strong explosion.

"ahhh. . ." many women screamed, they did not expect that there would be such a strong explosion.

"Everyone quickly come with me" Xue Zhirou ordered everyone to follow her, they had to find a place to get away.

everyone immediately followed behind Xue Zhirou, they followed Xue Zhirou and moved away from this place.

Everyone looked from afar, they wanted to see Ye Chen who was about to break through.

"is she going to break through" these young ladies asked Xue Zhirou, they all wanted to know if Ye Chen would make a breakthrough.

"Of course, this is proof that he will break through, the problem is that his strength is very strong and huge, this makes the surroundings of this place unstable" Xue Zhirou explained to all the women.

Ye Chen's strength was formidable, when he had a breakthrough, he made such an amazing thing, it seemed that he was much better than all of them.

"boom" Ye Chen's breakthrough, he made a breakthrough to the realm of the nine Divine Overlord Realm.

"Finally" Ye Chen is satisfied, he is very satisfied with this result.

Ye Chen had been waiting for this for so long, he had actually been stuck for quite a while in his cultivation level.

With that much pure Yin, Ye Chen naturally could easily overcome the bottleneck.

"Congratulations on the achievement, there's only one level left, maybe this will be super difficult" Chu Yuechan said to Ye Chen.

The tenth level of the Divine Overlord Realm would probably be a bit difficult, Ye Chen might need more pure energy to reach that level.

He had to gather more women to become stronger and stronger.

"I'm quite happy with this result" Ye Chen was already quite happy with this result.

Ye Chen walked out of the lake, on the shore of the lake all the women started to get off and saw Ye Chen's condition.

When they went downstairs, all the women turned red, they all saw something they shouldn't see.

"So big" all the women said in unison, they were all shocked when they saw Ye Chen's size, it was so strong and so terrifying.

Even Xue Himi and Xue Zhirou who already had a lot of life experience were surprised by what Ye Chen had.

"ahem, you better use this" Xue Zhirou passed a robe to Ye Chen.

[Chapter 2179 \[Bonus\] Xue Muer Came To Visit](#)

all women blush, they all blush when they see something they have never seen in their lives.

It wouldn't be strange for them to be shocked, what they saw just now was a hefty thing, no one could match Ye Chen in that area, he was almost invincible when it came to the pride of being a man.

Countless women stole glances at Ye Chen, they were all curious about things they had never seen.

Their curiosity was extremely strong, so it wasn't strange that they would steal glances at Ye Chen.

Ye Chen received the robe given by Xue Zhirou, after that Ye Chen put it on.

"This is great" Ye Chen said that it was very comfortable, he really liked the material Xue Zhirou chose.

"You are quite a surprise me" Xue Zhirou said that Ye Chen was quite a surprise, she was quite a surprise when he made a breakthrough.

"hahahaha, this is also thanks to you, if it wasn't for you, maybe it would be a problem for me" Ye Chen thanked Xue Zhirou back, if it wasn't for Xue Zhirou, Ye Chen probably wouldn't have gotten to this point.

So Ye Chen thanked Xue Zhirou for what Xue Zhirou did, what Xue Zhirou did was very meaningful to Ye Chen.

Xue Zhirou smiled, this was also because of Ye Chen's ability, if not for Ye Chen's ability, he would not have been able to reach this point.

"Congratulations to all of you, all of you have succeeded, that is an extremely great achievement." Xue Zhirou congratulated the Core Disciples for breaking through, they had accomplished great things.

especially Xue Muer, she might be instantly made an elder.

Xue Muer had already qualified to become a great elder.

"You guys must be tired, that's why come back and stabilize your breakthroughs." Xue Zhirou ordered all the disciples to return to their places, they had to stabilize their breakthroughs.

"we understand" everyone can understand, they all do what Xue Zhirou said.

All the female disciple returned, they all immediately returned to their places.

Now only Ye Chen, Mu Nianci, Xia Qingyu, Xue Zhirou and Xue Himi were left.

"I'll go first" Xue Himi said that he had to go, there were some things she had to finish.

"I understand" Xue Zhirou understands, she knows that Sect is busy.

"Mistress Xue Zhirou, we want to use your training ground, is that fine?" Mu Nianci asked Xue Zhirou, she wanted to use the training ground to test their new strength.

"Of course, you are allowed to do so, do whatever you want." Xue Zhirou allowed Mu Nianci and Xia Qingyu to do whatever they wanted.

"Thank you very much." Mu Nianci and Xia Qingyu were very happy, both of them immediately went and tried out their new powers.

"These two are weird" Xue Zhirou saw that Mu Nianci and Xia Qingyu were quite weird, they shouldn't do that, they should stabilize their breakthrough.

"It's okay, they are a bit special" Ye Chen said to Xue Zhirou.

Ye Chen had mentioned that Xia Qingyu and Mu Nianci were special, so they could do things that normal people didn't need to do.

"Aren't you special too ?" Xue Zhirou said to Ye Chen.

Xue Zhirou saw that Ye Chen was also special, he had something that was super rare and might be something that every woman in the God Realm wanted.

"I don't know, who knows ?" Ye Chen said that he didn't know, he was trying to be more mysterious to Xue Zhirou.

Xue Zhirou smiled, she knew that Ye Chen was hiding the truth.

"It doesn't matter, I already know." Xue Zhirou didn't mind this, she already knew, so there was nothing to hide from him anymore.

"I thank you, I will return to my place" Ye Chen said to Xue Zhirou, he told Xue Zhirou that he would return.

"be careful ! ! !" Xue Zhirou said to Ye Chen, he told Ye Chen to be a little careful.

"be careful" Ye Chen didn't understand what Xue Zhirou said, why Xue Zhirou told Ye Chen to be careful, what will happen next.

Ye Chen left Xue Zhirou, he returned to his room.

"she's a little weird" Ye Chen saw that Xue Zhirou was a little weird, to be honest Xue Zhirou was weird and probably didn't make sense to Ye Chen.

"looks like she knows something about you, you should probably be careful, she might attack you" Chu Yuechan said to Ye Chen.

Chu Yuechan gave Ye Chen a warning, she warned Ye Chen to be careful.

"No way, how could he attack me" Ye Chen couldn't believe it, he didn't believe that Xue Zhirou would attack him.

"master, you shouldn't look down on women, sometimes cold women can be more aggressive than you imagine, haven't you seen her example from your wife" Chu Yuechan said to Ye Chen.

Chu Yuechan gave a warning to Ye Chen.

Ye Chen remembered this, he knew that cold women might be quite aggressive, this was based on some of Ye Chen's women, they were quite aggressive in bed and would be dignified women outside.

"Yes, maybe you're right, but the possibility of that will be very small" Ye Chen said to Chu Yuechan.

Ye Chen admitted that it would probably happen, the problem would be that the probability would be very small.

"You're probably right, the possibility would be extremely small." Chu Yuechan agreed, even though it was small there was still a slight possibility.

Ye Chen returned to his own room, because Xia Qingyu and Mu Nianci weren't around, Ye Chen was left alone.

Mu Nianci and Xia Qingyu might not be returning any time soon, they would probably be cultivating at the practice site as well.

"knock . . .,knock . . .,knock . . .,knock . . ." Just as Ye Chen was about to sit down, someone knocked on his bedroom door.

"who ?" Ye Chen asked, he asked who was outside.

the person outside didn't answer, he kept on knocking on Ye Chen's door.

Ye Chen had no other choice, himself got up and opened the door for the other side.

When Ye Chen opened the door, he saw a beautiful female figure standing in front of his door, this figure was no longer unfamiliar to Ye Chen, this was Xue Muer.

"that. . . , do you have time?" Xue Muer asked Ye Chen.

"Yes, I have enough time" Ye Chen informed that he had enough time.

"In that case, may I come in?" Xue Muer asked Ye Chen.

"Of course, go ahead" Ye Chen motioned for Xue Muer to enter his room.

After getting Ye Chen's approval, Xue Muer went straight inside, she sat right on Ye Chen's bed.

Ye Chen looked at Xue Muer, he saw that Xue Muer looked very nervous.

"roughly why did he come to my place" Ye Chen tried to guess, he tried to guess the reason Xue Muer came to his place.

Whether he wanted to discuss business with Ye Chen, or wanted to settle things with Ye Chen, it made Ye Chen quite curious.

"Ye Chen" Xue Muer said to Ye Chen, she said in a nervous voice.

"what's wrong?, why are you so nervous, you need to be more calm" Ye Chen told Xue Muer to be more calm, it seemed that Xue Muer needed calm to be able to speak more fluently.

Xue Muer lowered her head, Ye Chen might be right, Xue Muer was indeed a little nervous.

Xue Muer finally tried to calm herself down, she was trying to stay calm in the face of something.

[Chapter 2180 Ye Chen & Xue Muer \(1\)](#)

after a while, Xue Muer finally calmed down, she finally calmed down and started talking to Ye Chen.

"how, are you feeling good?" Ye Chen asked Xue Muer again.

"thank you very much" Xue Muer thanked Ye Chen, she thanked Ye Chen for making her feel at ease.

"Then I'll start to say it" Xue Muer started to say and told the reason why she came to this place.

Ye Chen understood, he would listen to Xue Muer's reason for coming, he was quite curious about what Xue Muer was doing.

"Ye Chen, actually I . . . , I . . . " Xue Muer stuttered again, the words stuck in her throat, she didn't know why this had happened.

"Just say it" Ye Chen smiled at Xue Muer, he told Xue Muer to say what she needed right.

Xue Muer looked at Ye Chen, Ye Chen in front of her was very handsome, she couldn't believe what she was seeing.

"It seems that this woman is shy" Chu Yuechan saw that Xue Muer was shy, she didn't even dare to say what was in her heart.

"Actually I might like you" Xue Muer finally worked up the courage, she finally worked up the courage to say what she was thinking.

"oh . . ." Ye Chen looked at Xue Muer, it seemed that Xue Muer's arrival was to express his feelings.

Xue Muer is a brave woman, she is quite brave in expressing her feelings.

"You are brave enough to say how you feel" Ye Chen said to Xue Muer, he could see that Xue Muer was very brave.

"that . . ." Xue Muer was embarrassed, it seemed that Ye Chen was laughing at her.

"Did I get rejected?" Xue Muer already had a strange thought, she might have been rejected by Ye Chen.

"What did I do, I really am so stupid." Xue Muer felt that she was stupid, why did he do this, she was embarrassing herself.

Ye Chen looked at Xue Muer, what Xue Muer did was so cute.

"she's really cute." Ye Chen smiled when he saw Xue Muer, Xue Muer was really too innocent.

It was her innocence that made her dare to say something like this to Ye Chen.

"What attracted you to me?" Ye Chen asked, he was asking about what attracted Xue Muer to Ye Chen.

"I'm interested in you, I can't say in detail." Xue Muer said that he couldn't say it more clearly.

Ye Chen looked at Xue Muer, he could see that Xue Muer was very embarrassed, it was like Xue Muer was hiding something from Ye Chen.

"If you don't want to say it, maybe I will forcefully say it" Ye Chen will make Xue Muer say it, he will make Xue Muer say what he thinks.

Ye Chen stretched out his hand towards Xue Muer, immediately something went wrong with Xue Muer.

"what's this?" Xue Muer started to feel a strange feeling, this feeling was deeply imprinted in Xue Muer's memory.

This was the best feeling that Xue Muer had ever felt.

"This is a feeling I often feel in dreams." Xue Muer saw that this was a feeling she often felt in her dreams, she didn't expect that she would experience it directly.

To be honest, Xue Muer has been thinking about Ye Chen for a long time, she has been thinking about Ye Chen for quite a while, almost every night she thinks of Ye Chen and will dream shameless things.

At first Xue Muer thought that this was an ordinary thing, but as time passed, she felt something change, she could feel that she really always thought of Ye Chen.

"so can you tell the truth" Ye Chen asked Xue Muer, he told Xue Muer to tell the truth.

"no it's embarrassing" Xue Muer said that she was embarrassed, she was embarrassed to say that to Ye Chen.

"just say it, I will make you feel at ease if you are willing to say it" Ye Chen said to Xue Muer, he told Xue Muer to say it, he will definitely make Xue Muer feel at ease.

"no . . ." Xue Muer screamed, she screamed and couldn't stand Ye Chen's touch.

Even though it was only a light touch, Xue Muer couldn't stand it and started to lose her strength.

Xue Muer was weak to this, she had no resistance when she received Ye Chen's touches and caresses, this was the best feeling as a woman.

"huff . . ., huff . . ., huff . . ., huff . . ., huff . . ." Xue Muer's breath started to become irregular, she seemed to be on the verge of reaching the top.

Xue Muer was enjoying this too much, she was enjoying what Ye Chen was doing.

The touch given by Ye Chen felt so comfortable and too enjoyable, all the muscles in Xue Muer's body trembled when she received Ye Chen's touch.

In just a few minutes Xue Muer had already fallen, she didn't have a single resistance against Ye Chen.

Ye Chen knew that Xue Muer already had no resistance, that's why he started asking Xue Muer.

"So what made you like me" Ye Chen asked Xue Muer.

"That I can't stop thinking about you, every night I think shameless things with you" Xue Muer told Ye Chen.

"oh, so that's it, you turned out to be a lecherous woman" Ye Chen said to Xue Muer.

"please don't say those things" Xue Muer said to Ye Chen, she didn't want to be called a pervert by Ye Chen.

"Then what should I do?" Ye Chen asked Xue Muer.

"I don't know" Xue Muer said that she didn't know, she didn't know what to do.

"just say it, I will make you happy" Ye Chen said to Xue Muer.

"then make me comfortable, make me yours" Xue Muer said to Ye Chen.

"Those are very good words" Ye Chen had to admit that Xue Muer was brave enough, she was brave enough to ask Ye Chen such a thing.

Ye Chen would of course grant Xue Muer's wish, he would make sure that Xue Muer got what she wanted.

Ye Chen started to take off Xue Muer's clothes, he did it quickly and without any resistance.

Xue Muer didn't have resistance , plus she had already given Ye Chen permission.

"oh you have a pretty good body" Ye Chen saw that Xue Muer had a pretty good body.

Even though she wasn't well developed yet, Xue Muer had the capital to become a beautiful and seductive woman, she probably just needed a bit of polishing.

"Don't look at me like that" Xue Muer said to Ye Chen, she asked Ye Chen not to look at herself in that way.

"what's wrong, are you embarrassed, you are a beautiful woman, no need to be embarrassed" Ye Chen said to Xue Muer, he told not to be embarrassed.

Xue Muer was both embarrassed and happy, she was embarrassed when Ye Chen saw her, meanwhile she was happy when she received Ye Chen's praise.

Ye Chen touched Xue Muer, he touched Xue Muer's double peaks.

"ahhhhh . . . , no. . ." Xue Muer screamed, she couldn't stand Ye Chen's touch, this time it felt much better than before.

"no need to hold back, this will be a very enjoyable thing" Ye Chen said to Xue Muer, he told Xue Muer to enjoy this properly.

"no. . ." Xue Muer couldn't stand it, she couldn't stand what Ye Chen was doing, she felt something was coming.
