

True God 2181

[Chapter 2181 Ye Chen & Xue Muer \(2\)](#)

Xue Muer was too easy to be seduced, she was too easy to be seduced by Ye Chen, Ye Chen only needed to show a bit of his skills and Xue Muer was instantly helpless.

"no . ." Xue Muer had already reached her limit, she had reached her limit and could no longer endure Ye Chen's fierce onslaught.

"this is great" Xue Muer was overjoyed, Ye Chen was too strong, he made Xue Muer feel an incomparable feeling.

Xue Muer closed her eyes, to be honest Xue Muer's ability is quite weak, she can't stand too much stimulation at all.

"She's quite weak" Ye Chen looked at Xue Muer, to be honest Xue Muer's ability was quite weak, it was obvious when she received such a great feeling.

"are you going to let her go" Chu Yuechan asked Ye Chen, She wanted to know whether Ye Chen would let Xue Muer go or not.

"let her go ?, that's impossible" Ye Chen said that he would not let Xue Muer go.

Ye Chen couldn't possibly spit out the meat that had entered, so now Ye Chen decided to directly eat Xue Muer.

"Ahhhhh . . ." Xue Muer who was resting screamed, Ye Chen bit her cherry buds, this felt really good.

"No, I can't anymore" Xue Muer said to Ye Chen, she told Ye Chen that she couldn't fight Ye Chen anymore.

"what are you saying, this is still the beginning" Ye Chen informed that this was just the beginning, more exciting things were about to begin.

"Impossible" Xue Muer couldn't believe what Ye Chen said, if this was just the beginning, then Ye Chen would definitely start to get more serious.

Ye Chen was indeed more serious, he began to show his own ability, he showed his own ability in front of Xue Muer.

"ahhhh" Xue Muer couldn't stand it, everything that Ye Chen had done had pushed her to her limit.

"This is too strong, how could this happen" Xue Muer couldn't stand it, she couldn't stand the extremely strong feeling that Ye Chen gave her, for her this was too strong a thing and she couldn't stand it.

"no. . . , stop . . ." Xue Muer asked Ye Chen to stop, she was no longer able to hold on.

"hehehehe, why stop, I told you to enjoy this well" Ye Chen said to Xue Muer, he told Xue Muer to enjoy this well.

Xue Muer knew, to be honest she really enjoyed this, having even reached the top a few times, that just proved how strong Ye Chen was.

Ye Chen started exploring every inch of Xue Muer, Ye Chen tried to remember all of Xue Muer's parts.

"ahhh. . ." Xue Muer was amused, she really was too overwhelmed to resist Ye Chen's invasion.

Ye Chen was now trying to occupy Xue Muer's entire place.

Ye Chen started to descend, he started to suck on Xue Muer's honey cave.

"no, don't be there" Xue Muer said to Ye Chen.

Ye Chen ignored Xue Muer, he tasted Xue Muer's best things.

Xue Muer couldn't stand it, she was actually cornered by Ye Chen, the strength of Ye Chen's tongue was too strong and made her unable to bear it.

Xue Muer was convulsing again, this pleasure was too much for her.

Ye Chen was too rough, a virgin like Xue Muer would definitely not be able to stand up to Ye Chen's too strong attack.

Ye Chen didn't care, he enjoyed what was his.

Xue Muer had promised, so Ye Chen would do whatever he wanted, he would make sure that Xue Muer had the best pleasures and wouldn't be able to forget him.

After 10 minutes, Ye Chen finally released Xue Muer, he was quite satisfied sucking Xue Muer's Yin Qi.

"no I can't stand it anymore" Xue Muer said to Ye Chen, she couldn't stand what Ye Chen did anymore.

"no, this is the main event" Ye Chen said to Xue Muer, he said that if this was the main event, he would not let Xue Muer go.

"what do you mean?" Xue Muer asked Ye Chen, she asked about the entry and the words spoken by Ye Chen.

Ye Chen smiled, he started to undress and revealed his big stick.

"that . . ." Xue Muer was shocked by the object that had just appeared, it was enormous, at least it was much bigger than what she had seen before.

"Why is it so big?" Xue Muer wanted to know why Ye Chen's was so much bigger, this was obviously very strange.

"Earlier it was still not fully awakened" Ye Chen explained to Xue Muer, it seemed that Ye Chen had to explain more clearly for Xue Muer to understand.

"Could it be like that?" Xue Muer didn't expect that it could be like that.

"Of course, sometimes there are some things you don't understand." Ye Chen said to Xue Muer, sometimes not all women understand what men have.

Ye Chen drew closer towards Xue Muer.

Xue Muer was a little scared, she was quite afraid of such a big thing, it was much bigger and would probably hurt a lot.

"why did you run away" Ye Chen asked Xue Muer, he wanted to know why Xue Muer ran away.

"that's scary" Xue Muer said to Ye Chen.

"at first it was scary, but later you will like it" Ye Chen said to Xue Muer.

From experience, women are afraid at first, but after trying it later they will like it.

Ye Chen started to get closer, he kept getting closer towards Xue Muer's place.

Xue Muer tried to retreat, it was a pity that this room was not very big, she had already touched the wall and could no longer escape.

Ye Chen pulled Xue Muer's body, he started to do Xue Muer.

Ye Chen would make sure that Xue Muer enjoyed this, so he would do the best he could.

Xue Muer had no escape, nor could she fight back, so right now she could only accept what Ye Chen was doing.

Ye Chen immediately used his huge object, he pointed his towards Xue Muer's closed gate.

"Are you ready, this might hurt a bit" Ye Chen gave Xue Muer a warning.

"just do it" Xue Muer couldn't run away, no matter what she said, Ye Chen would definitely not let her go.

"Is that so, alright, I'll start" seeing that Xue Muer was ready, Ye Chen decided to start with it.

Ye Chen's army started to raise spears, the troops tried to break into the enemy's gate.

"uh . . ." Xue Muer couldn't stand it, Ye Chen's huge object rushed straight in and made her body feel like it was being split open.

"It hurts, take it out quickly" Xue Muer said to Ye Chen, he told her that it hurts a lot.

"It's okay this is normal" Ye Chen tried to win Xue Muer, he ensured that Xue Muer could be more calm.

Xue Muer squirmed, she endured the discomfort in her body.

Ye Chen gave room for Xue Muer, he let Xue Muer adapt.

After a few quiet minutes, Xue Muer finally calmed down, she might be able to accept Ye Chen's entire thing.

"It's already good" Ye Chen asked Xue Muer.

"Yeah, it's not bad" Xue Muer said that it wasn't bad.

"then let's get started, it will be an interesting battle" Ye Chen said to Xue Muer.

Ye Chen started moving, Ye Chen's army started attacking all of Xue Muer's weakest places.

"ahh . . ." Xue Muer couldn't stand it, she was immediately made to reach the highest happiness by Ye Chen.

"Impossible" Xue Muer couldn't believe this, this was too great, this feeling won the best, one could say that this was the best Xue Muer had ever tasted.

[Chapter 2182 I Might Be Punished By Sect](#)

"It's too comfortable" Xue Muer said to Ye Chen, she told Ye Chen that it was too comfortable, this feeling was so strong that Xue Muer couldn't stand it.

"is it comfortable ?" Ye Chen asked Xue Muer, it looked like Xue Muer was enjoying this.

"this is great, how can there be something like this, you fill me" Xue Muer feels full, Ye Chen's thing is very big, this makes Xue Muer full.

"then I'll be a little faster, I hope you like it" Ye Chen said to Xue Muer.

Ye Chen decided to get even stronger, it seemed that Xue Muer had gotten comfortable.

"no. . . , don't do that" Xue Muer said to Ye Chen, she told Ye Chen not to do that.

Ye Chen didn't listen to what Xue Muer said, he moved quickly.

"Pah. . . , Pah. . . , Pah. . . , Pah. . . , Pah. . . ." a very crisp sound rang out, this proved that the two of them were working quite hard.

Xue Muer couldn't stand it, she was quickly reaching her limit, this was too much for her.

Ye Chen had no mercy, he was too hard on Xue Muer.

It was Xue Muer who had to endure Ye Chen's ferocity instead.

Xue Muer was starting to get confused, her mind was completely messed up, Ye Chen had messed up her mind and heart, she was currently only thinking about Dual Cultivation with Ye Chen.

"oh" Ye Chen was getting more and more violent, Xue Muer's body probably wouldn't be able to stand this ferocity.

.

.

Ye Chen and Xue Muer did this for quite some time, at least 1 hour had passed after they started the war.

Xue Muer had completely collapsed, she no longer had the strength to fight against Ye Chen.

Xue Muer's strength probably needs to be trained a bit, it doesn't seem like it needs any increase in strength.

"This is it" Ye Chen gave Xue Muer his own essence, warmth immediately filled Xue Muer's body.

"it's too strong, I can't take it anymore" Xue Muer said to Ye Chen, she couldn't take it anymore.

"Looks like you need some practice" Ye Chen said to Xue Muer, he told Xue Muer that he needed some practice.

"mmmmmmmm" Xue Muer was delirious, it seemed like she was unable to continue this.

Because Xue Muer can't afford it, Ye Chen didn't force her, Ye Chen let Xue Muer loose, this is still Xue Muer's first time, she may need adjustments.

Ye Chen helped Xue Muer, he helped Xue Muer cultivate Yang Qi.

That way Xue Muer would get a tremendous increase in strength.

.

.

Ye Chen was alone in this place, Mu Nianci and Xia Qingyu still hadn't returned, the two of them were probably still engrossed in training.

Ye Chen couldn't leave Xue Muer, so he accompanied Xue Muer here.

.

.

Xue Muer was unconscious for about 3 hours, after three hours, she finally woke up.

The first thing Xue Muer saw was Ye Chen.

"what happened" Xue Muer asked Ye Chen, she asked Ye Chen about what happened.

"Don't you remember what happened" Ye Chen asked Xue Muer.

"that . . . Xue Muer tried to remember what happened, when she tried to remember, she finally remembered what happened.

"I really did that" Xue Muer didn't expect that he would do that, Xue Muer was frightened when he remembered this.

"what's wrong?, why do you look scared" Ye Chen asked Xue Muer, he wanted to know why Xue Muer looked scared.

"This is bad" Xue Muer said to Ye Chen, she told Ye Chen that this was a bad thing.

"calm down and say it more clearly" Ye Chen told Xue Muer to say it more clearly, Ye Chen didn't understand what Xue Muer meant.

"We have made a mistake, we will probably be punished" Xue Muer said to Ye Chen, she told Ye Chen that they would be punished.

"Who the hell dares to punish you" Ye Chen asked Xue Muer.

"Of course mistress and elder" Xue Muer pointed out that they might be punished by Xue Zhirou and the others.

"Don't worry, as long as I'm around, everything will be fine." Ye Chen told her that everything would be fine, as long as he was around, everything would be safe.

Xue Muer looked at Ye Chen, Ye Chen looked very confident, he was very confident in the abilities he had.

Ye Chen is of course very confident, his abilities don't need to be questioned.

"If you are afraid of being punished by them, why don't you drag them along with you" Ye Chen said to Xue Muer.

"huh?, you mean" Xue Muer was shocked when she heard what Ye Chen said, she could feel that Ye Chen was planning bad things.

"No way, I can't do that" Xue Muer couldn't do that, she couldn't do what Ye Chen said.

"don't you want to be with me ?" Ye Chen said to Xue Muer.

"I . . . , of course I want to be with you" Xue Muer naturally wants to be with Ye Chen, she wants to be with Ye Chen in this life.

It could be said by Xue Muer that she couldn't leave Ye Chen, she was already attached to Ye Chen and wouldn't be able to leave after all.

There was no way Xue Muer would leave, after what just happened, she would be followed by Ye Chen.

"Then why are you scared" Ye Chen asked Xue Muer.

If Xue Muer really wanted to follow him, then she wouldn't be afraid to do so.

"You may be right" Xue Muer agreed, she should probably say what Ye Chen said.

"If what you say can work, I want to do it" Xue Muer said to Ye Chen, she wanted to do what Ye Chen said.

"Don't worry, everything will work out for sure" Ye Chen said to Xue Muer, he will make sure that everything will work out.

Ye Chen would make sure that everyone accepted this, he would make sure that Xue Zhirou, Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong accepted this relationship.

"Put your clothes on" Ye Chen said to Xue Muer.

"Okay" Xue Muer understood, she understood what Ye Chen said, she started to put her clothes back on.

Xue Muer didn't think about it anymore, Ye Chen's words calmed her down.

Ye Chen start thinking, how did he get Xue Zhirou, Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

Since they were no longer young women, they must have had quite a bit of experience and might have some resistance.

"let's just try" Ye Chan will give it a try, if the worst happens, maybe they just need to clear up the misunderstanding.

Xue Muer finished, she finally finished stabilizing her strength.

"My strength rose by this much, this is impossible" Xue Muer was shocked, she was surprised by the increase in her strength.

"what's wrong ?" Ye Chen asked Xue Muer, he asked Xue Muer.

"I advanced four levels, now I'm at ninth level" Xue Muer said to Ye Chen, she looked very happy.

She didn't know what to make of this, this was really very shocking for Xue Muer.

"It might be because of the pure Yin in your body, also before that we did Dual Cultivation and it was you first, so your strength will naturally rise" Ye Chen explained to Xue Muer.

"But is that possible, there's no way that Dual Cultivation can increase strength by this much." Xue Muer certainly knew a bit about Dual Cultivation, the problem was that she didn't know that Dual Cultivation would increase strength by this much.

[Chapter 2183 Xue Zhirou Challenged Ye Chen](#)

"It might happen" Ye Chen told that it might happen.

"I never knew such a thing" Xue Muer never knew such a thing.

"That's because you haven't tried it yet" Ye Chen said that Xue Muer had never tried it.

"Is that the reason?" Xue Muer nodded, she understood what said Ye Chen

Xue Muer didn't know that performing Dual Cultivation would be so powerful, It's not strange that some women can become very strong in such a short amount of time, perhaps this was one of the reasons.

"come with me" Ye Chen invited Xue Muer to come with him.

"where are you going ?" Xue Muer asked Ye Chen, she wanted to know where Ye Chen was going.

"Meet Xue Zhirou" Ye Chen told Xue Muer.

"ehhh . . . " Xue Muer was shocked when she heard the words that left Ye Chen's mouth.

"what do you want to do ?" Xue Muer asked Ye Chen, she wanted to know what Ye Chen would do .

"You will know later" Ye Chen didn't tell Xue Muer, Xue Muer would know this later.

Xue Muer was very curious, she was curious about what do Ye Chen

To be honest, he wanted to know what do , why did Ye Chen want to meet Xue Zhirou.

"Come on quickly" Ye Chen said to Xue Muer, he told Xue Muer to quickly do as he ordered.

"Okay I understand" Xue Muer understood, she immediately went after Ye Chen.

Ye Chen and Xue Muer went to Xue Zhirou's place, they quickly arrived at Xue Zhirou's place.

"Come with me, hide your whereabouts, with your current cultivation, you should be able to do it" Ye Chen said to Xue Muer.

"I will do it" Xue Muer understood, she would do as said Ye Chen

Xue Muer hid her whereabouts, after Xue Muer hid their whereabouts, the two entered Xue Zhirou's place.

When Ye Chen and Xue Muer arrived and entered Xue Zhirou's place, they saw that Xue Zhirou was cultivating.

"mistress is cultivating" Xue Muer saw Xue Zhirou, Xue Zhirou was very calm.

"She seems busy." Ye Chen saw that Xue Zhirou was busy.

"should we bother her" Xue Muer asked Ye Chen.

"Of course, that is our purpose here, listen to me carefully, we are here to convince her" Ye Chen told the reason why the two of them came to this place.

"Do you understand?" Ye Chen asked Xue Muer.

"I understand" Xue Muer understood, she had promised to follow Ye Chen, so from now on she would do everything together with Ye Chen.

Xue Muer didn't care about anything else, she had now dedicated herself to Ye Chen.

"Click" Ye Chen flicked his finger.

Immediately Xue Zhirou immediately woke up, the sound just now was very clear and made Xue Zhirou wake up.

"who ?" Xue Zhirou immediately looked up, he was looking for the whereabouts of Ye Chen.

Ye Chen appeared in front of Xue Zhirou, he appeared again in front of Xue Zhirou.

"you, what are you doing in my place again" Xue Zhirou asked Ye Chen, he wanted to know what Ye Chen wanted to do in his place.

"I want to tell you something" Ye Chen said that he wanted to say something important.

"just say it" Xue Zhirou told Ye Chen to say it.

"I want to take one of your disciples, is that okay" Ye Chen said to Xue Zhirou.

"Huh?, what do you mean by that" Xue Zhirou asked Ye Chen.

"let me explain to you" Ye Chen was about to explain to Xue Zhirou.

"come here" Ye Chen told Xue Muer to come closer, he called Xue Muer who was hiding.

"I want her" Ye Chen said to Xue Zhirou.

"what's going on in this place ?" Xue Zhirou looked confused, everything was happening so fast.

"mistress, please let me be with him" Xue Muer asked Xue Zhirou for permission.

"You two, don't tell me" Xue Zhirou started to feel something strange from Xue Muer, she felt something strange from Xue Muer.

Xue Muer's Yin Qi air was gone, there was only one reason for this, it must have happened.

"Whether the brand has done it, they are much braver than I imagined." Xue Zhirou was shocked when she knowing, Xue Muer was much braver than she imagined.

"I didn't expect that you guys already did it" Xue Zhirou said to Ye Chen and Xue Zhirou.

"everything happened so suddenly, so it can't be helped, as a good man, I naturally have to take responsibility" Ye Chen said that he would be responsible for what happened.

"So you showed your true nature" Xue Zhirou said to Ye Chen.

"who knows. . ." Ye Chen answered Xue Zhirou, he smiled at Xue Zhirou.

"mistress, please don't say bad things, I was the one who teased her originally" Xue Muer said to Xue Zhirou.

Xue Zhirou looked at Xue Muer, Xue Muer is an honest and innocent woman , she must be telling the truth .

"how could this happen" Xue Zhirou was helpless, how could this thing happen.

"So did you give permission?" Ye Chen asked Xue Zhirou.

"what if I don't give permission for you, what will you do?" Xue Zhirou asked Ye Chen.

"Please don't force me, I don't want to drag you down too" Ye Chen said to Xue Zhirou.

Xue Zhirou's face turned red, she understood what said Ye Chen

"shameless" Xue Zhirou said to Ye Chen, she cursed Ye Chen as a pervert.

"I'm used to hearing that" Ye Chen told that he was used to it.

"I won't spare you guys, she's a good student, plus she'll be a really great student" Xue Zhirou said to Ye Chen.

Xue Zhirou will not let Xue Muer, Xue Muer is a good student, she is a very good seedling, so there is no way Xue Zhirou will just let Xue Muer go.

"It seems that now I can only take it from you" Ye Chen said that he would take Xue Muer from Xue Zhirou.

"My strength has recovered, so don't underestimate me" Xue Zhirou said to Ye Chen, she told Ye Chen that her strength had recovered, she would certainly dare to fight Ye Chen.

Xue Zhirou used her strength, the room froze in the blink of an eye.

"mistress please don't do it" Xue Muer tried to stop Xue Zhirou.

"Don't worry, I'll take care of it" Ye Chen said to Xue Muer, he'll take care of Xue Zhirou.

Ye Chen came forward, he would be the opponent for Xue Zhirou.

"This room is a little cramped, I hope you don't destroy this place." Ye Chen said to Xue Zhirou.

"This place is very well constructed, it's quite difficult to destroy this place, so there's no need to hold back." Xue Zhirou said that this place was very strong, their attacks would be very difficult to destroy this place.

"I just don't want outsiders to listen to our battle, how will they react if they see something they shouldn't see" Ye Chen said to Xue Zhirou.

Ye Chen smiled evilly at Xue Zhirou.

Xue Zhirou knew what Ye Chen meant, it seemed that she had to be serious, otherwise she might fall into Ye Chen's trap.

Xue Zhirou had to acknowledge Ye Chen's strength, so she had to be careful when she fought Ye Chen.

"Are you ready?" Ye Chen asked Xue Zhirou.

"let's start" Xue Zhirou said to Ye Chen, she came forward and fought Ye Chen.

[Chapter 2184 Ye Chen Kissed Xue Zhirou](#)

Xue Zhirou stepped forward, she used her own strength to attack Ye Chen who was in front of her.

Ye Chen used his own strength, he parried Xue Zhirou's attack using his own strength.

Xue Zhirou immediately retreated when she received Ye Chen's attack, Ye Chen's attack was too strong, she couldn't win when he exchanged attacks with Ye Chen.

Ye Chen smiled at Xue Zhirou, he smiled when he saw the defeated Xue Zhirou.

"why are you smiling" Xue Zhirou asked Ye Chen.

"I just want to smile, do you have a problem about it" Ye Chen said to Xue Zhirou.

"of course" Xue Zhirou was having a problem, her concentration was slightly lost when she saw Ye Chen, to be honest Ye Chen's handsome appearance made Xue Zhirou unable to think straight.

"I see, I understand" Ye Chen understood, he smiled continuously at Xue Zhirou.

"I told you not to do it" Xue Zhirou attacked Ye Chen, she told Ye Chen not to do it.

Ye Chen didn't follow Xue Zhirou's words, he tried to seduce Xue Zhirou.

Xue Zhirou launched several attacks towards Ye Chen again.

"Bam . . ." all the attacks hit Ye Chen, amazingly Ye Chen didn't flinch when he received the attack launched by Xue Zhirou.

"Why wasn't he injured after receiving such a powerful attack?" Xue Zhirou wanted to know, why was Ye Chen unscathed after receiving such a powerful attack from Xue Zhirou.

When Xue Zhirou attacked Ye Chen again, Ye Chen used his own strength to catch Xue Zhirou's palm.

Xue Zhirou was stunned when she saw what Ye Chen was doing.

"Your palms are very soft" Ye Chen said to Xue Zhirou, he admitted that Xue Zhirou's palms were very soft.

"Huh?" Xue Zhirou was dumbfounded when she heard Ye Chen's words, under these circumstances Ye Chen still dared to tease her.

"This man" Xue Zhirou was helpless when she saw Ye Chen, Ye Chen dared to tease herself openly.

"Let go of me quickly" Xue Zhirou told Ye Chen to let go of her hand.

"what if I don't want to" Ye Chen said that he didn't want to do this.

"you" Xue Zhirou pointed at Ye Chen, she was dissatisfied with the answer gave .

"quickly let me go" Xue Zhirou started to fight back, he started to fight against Ye Chen using his legs.

Ye Chen stretched out one of his hands, Ye Chen again parried the attack launched by Xue Zhirou.

Ye Chen managed to catch Xue Zhirou's feet, Xue Zhirou's beautiful legs were caught by Ye Chen's hand.

"no way" Xue Zhirou was shocked when she saw this, again she was caught by Ye Chen.

"hehehehe, very interesting" Ye Chen touched Xue Zhirou's beautiful legs again, Xue Zhirou shuddered when Ye Chen did this.

Xue Muer was shocked by the scene in front of her, according to her, the scene in front of her was quite shocking.

Instead of seeing this as a battle, This looked more like a battle of lovers, Ye Chen teased and seduced Xue Zhirou.

"Impossible" Xue Zhirou gritted her teeth, she was completely seduced by Ye Chen, this young man was too cool and tough, Xue Zhirou had no chance to win against Ye Chen.

"Are you ready to give up?" Ye Chen asked Xue Zhirou.

"I can't give up" Xue Zhirou said that she would not give up on Ye Chen.

"You are so stubborn, why don't you just accept it, maybe it will help you." Ye Chen used the Passion Goddess technique on Xue Zhirou.

When Ye Chen used the Passion Goddess technique on Xue Zhirou, Xue Zhirou became very weak, she immediately fell into Ye Chen's arms.

"What have you done to me?" Xue Zhirou asked Ye Chen what Ye Chen had done .

Xue Zhirou was so weak, she didn't know what was going on, why was she so weak, it was as if she didn't have the strength to put up a fight.

"Didn't you fall and accept it" Ye Chen whispered to Xue Zhirou.

"no I don't accept it" Xue Zhirou said to Ye Chen, she told Ye Chen that she would not accept this.

"Are you sure ?" Ye Chen said to Xue Zhirou.

Ye Chen extended his hand towards Xue Zhirou.

Xue Zhirou used all of his defensive abilities, she was trying to survive Ye Chen's attacks.

"no. . . ." Xue Zhirou screamed, she screamed when she felt Ye Chen's touch.

"What is this, this is too great" Xue Zhirou was confused, Ye Chen's touch was too comfortable, this made her very happy.

"how, do you like it" Ye Chen asked Xue Zhirou, he knew that Xue Zhirou liked this thing.

"I don't know" Xue Zhirou said that she didn't know, she felt very strange, this feeling was too strong for Xue Zhirou.

Ye Chen smiled when he saw this, it seems that Xue Zhirou has completely fallen, he has no more resistance to Ye Chen.

Ye Chen started to get serious, he used his hands to stimulate and make Xue Zhirou feel comfortable.

"no" Xue Zhirou said to Ye Chen, this was too much for Xue Zhirou, she couldn't bear this feeling.

"You are quite excited" Ye Chen said to Xue Zhirou, he could feel that Xue Zhirou was very excited, it could be seen from Xue Zhirou's body that was trembling.

the pleasure given by Ye Chen was too much for Xue Zhirou.

Xue Zhirou started to give up, she couldn't stand Ye Chen's attack, for her this stimulus was too strong, she couldn't stand it and might have completely lost.

"keep it up, it's really good" Xue Zhirou finally gave up, she showed her long-hidden true nature.

Passion Goddess technique has made Xue Zhirou very honest, she is now honest with her feelings.

"So you have given up" Ye Chen saw that Xue Zhirou had completely given up, she asked Ye Chen for more.

"ahhh . . . , more" Xue Zhirou groaned, Ye Chen's touch on her body was too comfortable, she couldn't bear this strong feeling, this feeling was too strong for Xue Zhirou.

Xue Zhirou had fallen, she completely accepted what had done Ye Chen

Xue Zhirou didn't care about anything else, she only wanted to be loved by Ye Chen.

"a mistress turned out to be a pervert, I didn't expect it." Ye Chen said to Xue Zhirou, Xue Zhirou looked obscene and seductive.

"no don't say that" Xue Zhirou told Ye Chen not to say that.

"Aren't you willing to accept reality?" Ye Chen said to Xue Zhirou.

Ye Chen told Xue Zhirou to accept reality, in fact Xue Zhirou was very lewd, she made a seductive voice, plus Xue Zhirou had her own charm.

"You are . . ." Xue Zhirou complained, she was really being teased by this little bastard.

Xue Zhirou touched Ye Chen, she really wanted Ye Chen, she wanted more love from Ye Chen.

Xue Zhirou had a very strong feeling, she wanted to be dominated by Ye Chen.

Ye Chen of course understood Xue Zhirou's wish, she lifted Xue Zhirou's face and started kissing her.

"Um. . ." Xue Zhirou was shocked when she was kissed by Ye Chen, this was so sudden.

Xue Zhirou's mind started to drift, this was too comfortable for her, she couldn't survive Ye Chen's kiss.

"This is too good" Xue Zhirou said in her heart, Ye Chen's kiss was too good.

[Chapter 2185 Xue Zhirou Became Full Of Passion](#)

Xue Zhirou was completely bewildered by what had happened, she no longer knew what was happening now.

This was too much for Xue Zhirou, she couldn't stand what was happening, for her it was very comfortable and great.

"Is this the feeling of kissing the opposite sex, this is too amazing" Xue Zhirou had to admit that this was too great, this feeling was too great and very strong, Xue Zhirou might not be able to return.

After trying this, Xue Zhirou would never be able to return, she would not be able to return after knowing this wonderful new world.

"Chuu. . . , um . . . , Chuuu . . . , um . . . ," Ye Chen and Xue Zhirou had a deep and passionate kiss, both of them were too passionate and forgot about the surroundings.

"umm, what is this ?" Xue Muer was shocked and blushed when she saw the scene in front of her, she didn't expect that Ye Chen would be able to make Xue Zhirou like this.

"Husband, he is too fierce" Xue Muer saw that Ye Chen was too fierce, this man's skills can be said to be too strong.

Even the mentally strong women fell down without putting up much resistance.

Ye Chen's strength is indeed very good, he has refined his skills well, so it's not strange that normal women won't be able to resist his allure.

Ye Chen and Xue Zhirou kissed for about 10 minutes, Xue Zhirou was getting out of breath, so Ye Chen decided to let go.

"how do you feel" Ye Chen asked Xue Zhirou, he wanted to know how Xue Zhirou felt after having a mature kiss with him.

"You are really so skilled, I can't possibly win" Xue Zhirou said to Ye Chen.

Ye Chen is too skilled, all the techniques shown by Ye Chen are very difficult to resist.

"You really won't have a chance to win against me" Ye Chen pointed out that Xue Zhirou wouldn't have a chance to win against him.

"It seems that I am fated to fall" Xue Zhirou said that he was destined to fall.

"Who said that you are destined to fall, from now on you will become even stronger, I will guarantee that" Ye Chen said to Xue Zhirou.

"I see" Xue Zhirou was surprised by Ye Chen's words, Ye Chen looked very serious with her.

"Are you sure, you will receive a great responsibility if you take me" Xue Zhirou said to Ye Chen.

If Ye Chen wanted to get Xue Zhirou, then he would have to take on a huge responsibility.

"I will do it, for a woman like you I will do anything" Ye Chen said to Xue Zhirou, he would do anything for Xue Zhirou.

Xue Zhirou was touched by Ye Chen's words, these were words that came from a gentleman, these were words Xue Zhirou needed.

"Oh my, it seems that I really have gone crazy" Xue Zhirou felt crazy, she had fallen for this man in front of her.

Xue Zhirou waved her hand, a huge ice barrier appeared and covered around her and Ye Chen.

"what are they going to do" Xue Muer tried to stop Xue Zhirou, too bad she was too late, she was too late and the two were already inside the barrier.

"This is a special barrier, I won't be able to break it." Xue Muer couldn't possibly destroy the barrier Xue Zhirou had set up.

"what are they going to do" Xue Muer was quite worried, she was quite worried about what Xue Zhirou and Ye Chen would do.

To be honest Xue Muer wanted to see what kind of game Ye Chen and Xue Zhirou would play, too bad she wouldn't be able to do that.

Ye Chen looked around, he saw that this was a special barrier made by Xue Zhirou.

"why look around, are you scared?" Xue Zhirou said to Ye Chen.

"it seems that you are braver than I imagined" Xue Zhirou was quite bold, she used this barrier for both of them.

"I've been through so many lifetimes, so after all I have to be prepared for everything" Xue Zhirou said to Ye Chen.

Xue Zhirou is indeed a mature woman, she is very mature, this makes Ye Chen even more interested.

Xue Zhirou started to take off the dress on her body, she did it slowly, she did it very well, this made Ye Chen an unbearable temptation.

"oh, she's quite seductive, mature women are the best" Ye Chen said excitedly, Milf are different, even though they have no experience, they are able to seduce men with simple moves, and this is what Xue Zhirou did to Ye Chen.

"I won't let go" Ye Chen won't let Xue Zhirou go, he will definitely make Xue Zhirou happy.

Ye Chen came forward, he pulled Xue Zhirou towards him.

"ahh . . ." Xue Zhirou was shocked by what Ye Chen did, Ye Chen was too sudden.

"Aren't you too fast" Xue Zhirou said to Ye Chen, Ye Chen was too fast, Xue Zhirou was not ready.

"You are too seductive, where did you learn something like this" Ye Chen asked Xue Zhirou.

"that . . ." Xue Zhirou couldn't say where she had learned this from.

"why, just tell me, I won't make fun of you" Ye Chen asked Xue Zhirou.

"from here" Xue Zhirou took something out, she took out a book and showed it to Ye Chen.

"a story?" Ye Chen saw that what Xue Zhirou put out was a story.

"That's absolutely true, I've read this stuff, here are also some things to seduce men" Xue Zhirou said to Ye Chen.

"Is that so" Ye Chen finally knew, it seemed that Xue Zhirou's knowledge was much better than Ye Chen could have imagined.

As a leader, it wasn't strange that Xue Zhirou would have such good knowledge, otherwise she probably wouldn't be worthy of being a leader.

"then let's start" Ye Chen said to Xue Zhirou, time for them to start.

"no, wait a minute" Xue Zhirou said to Ye Chen, he asked Ye Chen to wait.

Ye Chen wasn't prepared to wait any longer, himself started to touch Xue Zhirou's double peaks and started to play with it.

"No, don't do that. . . , ahhh . . . , no . . ." Xue Zhirou screamed, she was really weak when Ye Chen touched her double peak.

Ye Chen seemed to really enjoy this, he enjoyed Xue Zhirou's double peaks which had developed very well.

"this is very good" Xue Zhirou has a toned and good body, it is not inferior to that of a young lady.

"ahh . . ." Xue Zhirou kept making seductive groans, Xue Zhirou's voice was so coquettish , she was really trying to seduce Ye Chen.

Ye Chen became more and more uncontrollable, he enjoyed every inch of Xue Zhirou's body.

"no. . ." Xue Zhirou couldn't stand it, she quickly reached the limit.

"This is too great" Xue Zhirou can't stand it, this is too strong, she has obtained something extraordinary.

Xue Zhirou slumped, she was quite weak when she received the teasing from Ye Chen.

Ye Chen looked at Xue Zhirou, it seemed that Xue Zhirou was as weak as Xue Zhirou.

"They are so weak, what is this" Ye Chen wanted to know why Xue Zhirou and Xue Muer were so weak.

"Maybe it's because of their training method, they studied frozen hearts, so they will be weak against the stimulation you give them." Chu Yuechan told what happened to Xue Zhirou and Xue Muer.

Ye Chen finally realized, it wasn't strange that Xue Zhirou and Xue Muer were quite weak and easy to take down.

[Chapter 2186 Ye Chen & Xue Zhirou](#)

"Okay, I already know their weakness" Ye Chen finally knew Xue Zhirou and Xue Muer's weakness, he would probably help them overcome this weakness.

Xue Zhirou lay on Ye Chen's body helplessly, she lay down helplessly.

"ummm" Xue Zhirou woke up, that was really great, she really liked what Ye Chen was doing.

"how do you feel" Ye Chen asked Xue Zhirou.

"Very good, but I'm tired" Xue Zhirou said that she was a little tired, what Ye Chen did was too much for Xue Zhirou.

"It's still early days, we will do more things" Ye Chen said to Xue Zhirou, Ye Chen said that they would do more things.

"what do you mean ?" Xue Zhirou asked Ye Chen.

"hehehehe" Ye Chen chuckled, he couldn't wait to taste Xue Zhirou's taste.

Ye Chen started to take off his clothes, he showed his muscular and body strength to Xue Zhirou.

Ye Chen's body can be said to be good, this makes Xue Zhirou amazed.

Xue Zhirou likes Ye Chen's body shape, she thinks it is very perfect, Ye Chen has a good body.

"What is that" Xue Zhirou was shocked when she saw Ye Chen's thing, wasn't that thing really big, it's not strange that Xue Zhirou would be surprised by Ye Chen's thing.

"I will teach you some things" Ye Chen said to Xue Zhirou, he will teach Xue Zhirou some things.

"what are you going to teach me ?" Xue Zhirou wanted to know what Ye Chen was going to teach.

Ye Chen smiled, he told Xue Zhirou to try touching him.

"Okay I'll do it" Xue Zhirou came closer, she started to kneel down and touched Ye Chen's things.

"It's big, hot and hard." The first time Xue Zhirou touched Ye Chen's, she felt that Ye Chen's was really big.

"Do you like it ?" Ye Chen asked Xue Zhirou.

"Not bad, I feel something strange from this thing" Xue Zhirou said that he felt something strange from Ye Chen's big object.

"very good, then you will serve this thing and make it better" Ye Chen said to Xue Zhirou, he wanted Xue Zhirou to serve him.

"um" Xue Zhirou understood, she would do as Ye Chen said.

"Use your hands and move slowly and slowly" Ye Chen instructed and taught Xue Zhirou.

"Like this" Xue Zhirou started to do what Ye Chen said, she started to move her hands and help Ye Chen.

"Yeah, that's really good" Ye Chen praised Xue Zhirou, she quickly learned what Ye Chen told her to do.

Xue Zhirou's hand was soft, it was as soft as a lotus and soothing to Ye Chen, Ye Chen was speechless when he felt Xue Zhirou's touch.

Xue Zhirou was quite curious, she wanted to know more about Ye Chen.

Xue Zhirou played Ye Chen's, she used her best ability to make Ye Chen as comfortable as possible.

"that's great, now you use this part for me" Ye Chen told Xue Zhirou to use her double peaks to make Ye Chen comfortable.

"Okay" Xue Zhirou didn't know what Ye Chen wanted to do, she just obeyed and did what Ye Chen told her to do.

Xue Zhirou helped Ye Chen's little brother, she used her double peaks to squeeze Ye Chen.

"This is very good" Ye Chen was happy, he was happy with what Xue Zhirou did.

Xue Zhirou was shocked when she saw Ye Chen's, Ye Chen's was too strong, his double peaks were unable to cover Ye Chen's huge thing.

"It's really big." Xue Zhirou realized that it was really big, did men really have something as big as this, if so, then it was terrible.

"let's use yours" Ye Chen told Xue Zhirou to start.

"Okay, I'll start" Xue Zhirou understood, she started to help Ye Chen by using the double peaks.

she provided services for Ye Chen, Ye Chen should enjoy the services provided by Xue Zhirou.

Xue Zhirou gave very good service, she gave Ye Chen a very good service.

"Skill is not rushed" Ye Chen admitted that Xue Zhirou's skills are very good, she has very good skills and makes Ye Chen comfortable.

Xue Zhirou helped Ye Chen for about 10 minutes, it was during this time that Ye Chen felt very comfortable.

"is this enough" Xue Zhirou asked Ye Chen, is what he gave enough for Ye Chen.

"Of course this is very good" Ye Chen said that what Xue Zhirou did was good enough, Xue Zhirou had done very well, she had made Ye Chen feel very comfortable.

Xue Zhirou had fought very hard, she had shown Ye Chen that she had the ability to make Ye Chen as comfortable as possible.

"Alright, then let's start" Ye Chen said to Xue Zhirou, he asked Xue Zhirou to get up.

"ahhh. . ." Xue Zhirou not ready by what Ye Chen did.

"What would you do?" Xue Zhirou asked Ye Chen, Ye Chen carried her towards the bed.

"let's start, I will make you as comfortable as possible" this time Ye Chen wants to do Xue Zhirou, he wants to get Xue Zhirou.

"ummm. . ." Xue Zhirou lay on the bed, he was now like a weak lamb and ready to be preyed upon.

"I hope you don't regret this" Ye Chen said to Xue Zhirou, he hoped that Xue Zhirou would not regret what happened.

"I won't regret it, I hope you don't either" Xue Zhirou said that she had no regrets.

"Very good, then let's start" Ye Chen decided to start, he started teasing his thing and prepared to enter Xue Zhirou's honey cave.

Xue Zhirou closed her eyes, she took a very deep breath, she was a little scared, she was wondering whether Ye Chen's thing could enter.

Ye Chen attacked Xue Zhirou's stronghold.

"ahhh. . ." Xue Zhirou screamed, it hurt too much.

"I forgot to mention that this might hurt" Ye Chen said to Xue Zhirou.

"why didn't you tell me before" Xue Zhirou complained to Ye Chen.

"hehehe, I'm sorry, in order to make up for it, I will give you a great feeling." Ye Chen said to Xue Zhirou, he would make Xue Zhirou comfortable.

Ye Chen started to make a light move to get Xue Zhirou used to it.

"no. . ." Xue Zhirou screamed, she couldn't stand it and still felt pain.

Xue Zhirou tried to defend herself, she tried to survive the onslaught of attacks made by Ye Chen.

After a while, Xue Zhirou started to feel comfortable and enjoyable, she liked the feeling Ye Chen gave her.

"this is very good" Xue Zhirou said to Ye Chen, Ye Chen's big thing is too good.

"it's still nothing, just look at this" Ye Chen started to speed up his movement.

"ahhh. . ." Xue Zhirou groaned, this was too strong, Xue Zhirou felt ascending to the heavens.

"That's great, you are the best" Xue Zhirou said to Ye Chen, she really enjoyed what Ye Chen gave her.

"I will help you cultivate" Ye Chen said to Xue Zhirou, he would help Xue Zhirou to cultivate together.

"um . . ." Xue Zhirou understood, she went along and obeyed Ye Chen's words.

the two of them started Dual Cultivation, Ye Chen taught Xue Zhirou a lot of new things.

[Chapter 2187 The Second Attack Came](#)

Xue Zhirou was also very obedient to what Ye Chen said, she followed everything Ye Chen said.

The two of them tried various moves, and it made Xue Zhirou feel extremely comfortable.

"It's very convenient" Xue Zhirou was very happy, she felt happy with what Ye Chen was doing.

Ye Chen's younger brother made her feel at ease, Xue Zhirou had never been this happy in her life, this feeling was too comfortable for Xue Zhirou.

Xue Zhirou could never imagine this feeling, this feeling was too strong for Xue Zhirou.

"That's great, it's very comfortable" Xue Zhirou groaned, the feeling Ye Chen gave her was too comfortable, he couldn't stand this feeling,

Ye Chen's movement was also getting faster, he made sure Xue Zhirou was satisfied with the fast movement.

The two loved each other for 3 hours, Xue Zhirou was actually able to defend against Ye Chen, Xue Zhirou's will and strength were quite formidable.

"ohhh, I can't stand it" Ye Chen said to Xue Zhirou, he was already on the verge.

Xue Zhirou's cave walls clamped down tightly, so it wasn't strange that Ye Chen wasn't able to hold on.

Ye Chen has endured long enough, now is the time for Ye Chen to vent.

"no, you are too strong" Xue Zhirou said to Ye Chen, she told Ye Chen that he was too strong.

Xue Zhirou couldn't stand it, it was too strong, her whole body trembled from the pleasure given by Ye Chen.

Ye Chen didn't seem to care, he used all the abilities he had and gave vent to his own.

"take this" Ye Chen said to Xue Zhirou, he told Xue Zhirou to accept it.

"no . . ." Xue Zhirou received Ye Chen's Yang Qi, Ye Chen's Yang Qi filled Ye Chen's body.

"so warm" Xue Zhirou was very happy, it made her body feel comfortable.

"let's fix it" Ye Chen said to Xue Zhirou, he took Xue Zhirou to Cultivation together.

"Okay" Xue Zhirou understands, he cultivates Ye Chen's Yang Qi, with Ye Chen's help, he should get great benefits.

.

.

Outside Xue Muer waited patiently, she waited patiently and confirmed everything from outside.

Xue Muer didn't know what happened, roughly what Ye Chen and Xue Zhirou had been doing for about 3 hours.

"Too long" Xue Muer complained, she wanted to know why Ye Chen and Xue Zhirou were taking so long.

They should be out, he wanted to know what was going on.

Xue Muer was a little sour, the man of hers was currently with the Mistress, and she could only stay in this place.

"mistress" a disciple shouted, she looked in a hurry.

"what's wrong" Xue Muer asked, she wanted to know what happened.

"Where is Mistress ?" the female disciple asked Xue Muer.

Xue Muer looked at the barrier, she couldn't possibly tell the truth of what happened.

"she's busy, maybe she won't be able to meet you" Xue Muer told Xue Zhirou that she was busy.

"Is he not to be bothered?" asked the female disciple to Xue Muer.

"It seems she can't be bothered" Xue Muer said that Xue Zhirou can't be bothered.

"what exactly happened" Xue Muer asked, she wanted to know what really happened.

"We were attacked again by some strong people" the female disciple said that they were attacked again by several people, this time their number was small, but their strength was very surprising.

Even Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong were overwhelmed against them.

"Why don't you tell me?" Xue Muer was worried when she heard this, it seemed they were being attacked by people who were much stronger than the Dark Horse bandits.

Xue Muer looked at the barrier, she found that there was no sign of Ye Chen and Xue Zhirou going out.

"It seems that I have to deal with this problem." Xue Muer took the initiative to solve this problem.

Apart from Xue Zhirou, Xue Muer could be said to be the most powerful in the Sect, so she had to help out.

Xue Muer couldn't give Ye Chen and Xue Zhirou a warning, so she could probably only buy time.

"I will help" Xue Muer said to help, she might be able to help the battle against the enemy.

"But what about the mistress" the female disciple asked Xue Muer.

"she's in an important matter, she'll leave when the time comes" Xue Muer told that Xue Zhirou would leave when the time came, so they only needed to buy time for Xue Zhirou to leave.

"I understand." The female disciple understood, she understood what Xue Muer said.

"let's go" Xue Muer asked the female disciples to go, the two went and helped Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

Xue Muer went to where Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong, when they arrived, they saw several people coming with a dark and terrifying aura.

"who are they" Xue Muer had a bad feeling she could feel something bad was coming soon.

"They look strong, we should call the mistress" Seeing the enemy's strong strength, the female student called the mistress to help.

"That's not necessary." Xue Muer stepped forward, she walked towards Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

The female student was quite confused about what Xue Muer was doing, what Xue Muer was planning.

"You guys better leave, this isn't your territory" Xue Qinmo shooed the enemy away.

"You don't have the right to kick us out, so shut up," the servant from Jing Thao said to Xue Qinmo.

"You guys" Xue Qinmo looked displeased with these people, they were too arrogant.

"You better surrender and obey our orders, that way you will live" Jing Thao said to the woman in Frozen Cloud Sect.

"We won't give up" Xue Rong said that if they weren't going to give up, there was no way they would.

Xue Rong felt danger from these people, it seemed they had bad intentions towards Frozen Cloud Sect.

"If that is the decision you have, I will grant it" Jing Thao's servant started to attack, she attacked Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

"everyone get ready" Xue Himi told everyone to get ready, they will fight against the enemy that is coming.

Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong started to use their strength, they launched an attack towards the enemy.

"Useless" Vengeance Fate Sect members attacked using black lightning, black lightning rumbled and attacked Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

"ahhh. . ." The black lightning hit Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong, they immediately retreated.

Xue Rong was hit the closest, she was seriously injured.

"Xue Rong" Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, shouted, they called Xue Rong who was hit by lightning.

A wound appeared on Xue Rong's body, her condition was bad enough and needed help.

"I will help her" Xue Miya decided to help, she started to use her power to freeze Xue Rong's bleeding.

Xue Rong's bleeding was quite severe, it was a bit difficult to stop this bleeding.

Xue Rong was unconscious, she was unconscious due to her injuries.

Now only Xue Himi, Xue Qinmo, and Xue Sunzhe remained, they had to fight the enemy in front of them.

"You don't study, you are not my opponent." The servant from Jing Thao said that they were not his opponent.

This servant is at the realm of the nine Divine Overlord Realm, the difference in strength between them is enormous, so it is quite difficult for Xue Himi, Xue Qinmo, and Xue Sunzhe, to win this battle.

[Chapter 2188 Xue Muer Enter The Battlefield](#)

The women of the Frozen Cloud Sect were quite tenacious, they did not give up even though they knew that their chances of winning were very slim, perhaps even very small.

"Boom. . ." some big explosion happened, the battle they had was quite fierce, they tried their best to win the battle.

When they pitted their strengths, Xue Himi, Xue Qinmo, and Xue Sunzhe retreated, they didn't have a chance to win in physical combat, it was obvious that their physiques were no match for the enemy.

"Their physical strength is too strong, we won't be able to win if we use normal means." Xue Himi said that they wouldn't be able to win if they relied on their physical strength.

Xue Himi, Xue Qinmo, and Xue Sunzhe were quite weak in terms of physical strength, if they forced themselves to continue fighting, there would be no chance for them to win.

"Let's use the Frozen Cloud Lance." Xue Qinmo invited all the ladies to use the Frozen Cloud Lance.

"I agree" they all agreed, they used the Frozen Cloud Lance that used Xue Zhirou

The strength of the Frozen Cloud Lance that Xue Himi, Xue Qinmo, and Xue Sunzhe exhibited was not as strong as that of Xue Zhirou, there was quite a difference in their strength.

So the Frozen Cloud Lance technique they used wasn't as good as Xue Zhirou.

"child technique" laughed, to them the power Xue Himi, Xue Qinmo, and Xue Sunzhe wielded was like a toy to them.

"attack" Xue Himi, Xue Qinmo, and Xue Sunzhe simultaneously launched their attacks, several huge ice spears heading towards the enemy in front.

Xue Himi, Xue Qinmo, and Xue Sunzhe used the strength they had, a circle of black lightning appeared and started to destroy the attacks launched by Xue Himi, Xue Qinmo, and Xue Sunzhe.

"boom" The black lightning began to destroy the attacks launched by Xue Himi, Xue Qinmo, and Xue Sunzhe, those attacks were unable to kill the people from Vengeance Fate Sect.

"I have orders to end you guys immediately, so I won't waste my time fighting you guys" the servant said that he didn't have much time, he already promised to return victorious soon.

"finish them" the servant leader finally told his subordinates to finish the battle.

With the order that was given, the servant around immediately attacked.

"Dark Flame" These people's used his own power, a Dark Flame appeared and started shoot towards Xue Himi, Xue Qinmo, and Xue Sunzhe.

"Quickly leave this place" Xue Himi ordered Xue Qinmo, and Xue Sunzhe to leave, she would withstand the attacks of the enemy.

"No, don't do that" Xue Qinmo and Xue Sunzhe said to Xue Himi, they didn't want Xue Himi to withstand the enemy's attack.

"There's no other way" Xue Himi said that there's no other way, if they endure this attack together, they will definitely suffer.

Xue Qinmo and Xue Sunzhe also understood this. The problem was that the two of them didn't want to sacrifice Xue Himi.

Xue Himi used her strength, she pushed Xue Qinmo, and Xue Sunzhe away.

With the force used by Xue Himi, he pushed Xue Qinmo, and Xue Sunzhe away.

Xue Qinmo, and Xue Sunzhe were pushed away by Xue Himi, both of them were pushed away and at a safe distance.

After confirming that Xue Qinmo, and Xue Sunzhe were at a safe distance.

Xue Himi created a barrier, she created an Ice barrier to block attack enemy's

"Ice Wall" Xue Himi made an Ice wall, she wanted to block the enemy's attack by using this ice wall.

"Boom" enemy attacks rained down on Xue Himi's ice wall, very quickly, Xue Himi's ice wall shattered and melted, this wall melted and black flames hit Xue Himi's body.

"ahh . . ." Xue Himi's body was burned her body was burned by the intense black flames.

"No, all the ladies shouted, they couldn't bear to see Xue Himi who was currently losing.

"all of you, I will defeat you" Xue Qinmo was angry, he wanted to attack the enemy who had injured them.

"Wait a minute" Xue Sunzhe, trying to stop Xue Qinmo, the enemy is too strong, they might find it difficult to fight them off, so they must be patient and not rush, otherwise they might get into trouble.

Xue Qinmo understood, he was trying to remain calm, he must not be provoked and do anything stupid.

If he did something stupid, Xue Himi and Xue Rong's sacrifice would be in vain.

"Attack them again" the leader of the enemy attacked, they attacked Xue Qinmo, and Xue Sunzhe.

"boom" when they tried to attack, they backed away and were knocked by someone.

"who" Xue Qinmo, and Xue Sunzhe were shocked, they was shocked when they saw the power that just knocked the enemy away.

Xue Muer appeared, she appeared in front of Xue Qinmo, and Xue Sunzhe, Xue Muer was a little late, she came too late and saved everyone.

Xue Muer used her own power, she instantly extinguished the flames on Xue Himi's body.

With Xue Muer's strength, she extinguished the fire burning Xue Himi's body.

Even though he had put out the fire on Xue Himi's body, Xue Himi got burns, she got quite severe burns, maybe this will be very difficult to heal.

"Muer, you" Xue Qinmo, and Xue Sunzhe, said to Xue Muer, they were surprised to see Xue Muer coming over.

"Elder, I will help you." Xue Muer said that he had come to help Xue Qinmo and Xue Sunzhe.

"no, you should go, these people are very powerful and terrible, so you should go" Xue Qinmo said to Xue Muer, these people are too strong, Xue Muer might be injured if she forces herself to fight.

"It's okay, I'm fine" Xue Muer said that if he was fine, he would fight the person who had caused chaos in Frozen Cloud Sect.

"who's she ?" the servant looked at Xue Muer, this woman's strength was comparable to him.

this was quite strange, considering that the woman in front of her wasn't Xue Zhirou, so who was this woman in front of her.

"you, who are you" the steward asked Xue Muer, he didn't know who Xue Muer was.

"I am a core disciple of the Frozen Cloud Sect." Xue Muer said to the enemy in front of her, she announced that she was a core disciple of the Frozen Cloud Sect.

"impossible" the enemy couldn't believe what said , Xue Muer's strength being that strong couldn't possibly make him a core disciple, he was even much stronger compared to the elders around.

"It's up to you to believe it or not" Xue Muer didn't really care, she didn't really care if the enemy in front of her didn't believe it, it was useless for Xue Muer to explain to the person in front of her.

"you . . . , I will shut you up using the strength I have" the servant advanced towards Xue Muer, she would make Xue Muer regret it.

Xue Muer also came forward, herself started to fight with the servant in front of her.

"Bomm . . ." an enormous explosion occurred, this enormous explosion occurred when Xue Muer collided with her enemy.

"That's great" All the women in Frozen Cloud Sect were shocked when they saw the strength displayed Xue Muer

"How could he be that strong?" Xue Qinmo, and Xue Sunzhe were also shocked when they saw the strength displayed , Xue Muer's strength could be said extremely high.

[Chapter 2189 Ye Chen Came To Save Xue Muer](#)

It's not strange that everyone was shocked when they saw Xue Muer's strength, Xue Muer's current strength was really very high, all of them couldn't be compared to Xue Muer.

"You are very strong" the maid said to Xue Muer, she acknowledged the strength that Xue Muer had.

"You are strong too" Xue Muer also admitted that the opponent in front of her was strong, she was on par with her in strength.

"I didn't know that in this place there was someone as strong as you, you must be one of the strongest people in Frozen Cloud Sect" the servant said to Xue Muer.

"Not really, I'm not that strong, there are still people who are much stronger than me" Xue Muer said that there are still people stronger than her.

The servant was shocked when he heard this, he didn't expect that there was someone much stronger than Xue Muer.

"It's not strange that the Dark Horse bandits lost, I think I know the reason." The servant finally knew why the Dark Horse bandits lost, even though they had received a lot of help from Jing Thao.

"Since you are a worthy opponent for me, I will tell you who I am, I am Shao Tong, the first servant of Jing Thao" Shao Tong said that he was the first servant of Jing Thao, he is also the most powerful person Jing Thao.

"I came here under the orders of my lord, and my goal here is to capture all of you, you should just surrender, it will make the job I have easier" Shao Tong said to Xue Muer.

"Can you guarantee our safety if we surrender, your master is a bad person, we will not give up and fight against you" Xue Muer said that he would fight against Shao Tong and also Jing Thao.

"If that is indeed the decision you make, then I will respect that decision, I will take you by force, from now onwards there will be no more compromises" Shao Tong said that there are no more compromises on this matter.

"if that's the case let's end this battle" Xue Muer said to end this battle as soon as possible.

"Frozen Spray" Xue Muer's used the power she had, she froze the enemy in front of her, a dew spread rapidly, the enemy in front started to freeze from the extremely low temperature.

"bad" Shao Tong backed away, he kept his distance from Xue Muer.

Shao Tong might have been able to keep his distance from Xue Muer, it was a pity that his followers were unable to keep their distance, they ended up being frozen fast for Xue Muer.

After Xue Muer won the battle, she took out her weapon.

The shawl was immediately launched towards the enemy and aimed at Shao Tong who was in front of her.

Shao Tong tried to avoid Xue Muer's attack, he used very fast steps to avoid Xue Muer's attack.

Shao Tong was a lightning user, so it wasn't strange that his speed would be that fast, that was because he possessed astonishing speed.

"I see, I understand now" Xue Muer finally understood the power possessed by Shao Tong, she was able to catch Shao Tong using her shawl.

Xue Muer used her hands, she controlled her shawl and started targeting the enemy in front of her.

Xue Muer's shawl flew quickly, it started to wrap around Shao Tong's body.

"no way" Shao Tong didn't expect Xue Muer to catch him, it seems that Shao Tong underestimated Xue Muer too much.

"damn, I underestimated you too much" Shao Tong underestimated Xue Muer too much, he was finally caught by Xue Muer.

"You have been completely caught" Xue Muer said that Shao Tong was completely caught.

Xue Muer froze her shawl, now Shao Tong was completely trapped and would not be able to escape.

"she succeeded" everyone was happy with Xue Muer's success, Xue Muer had succeeded in defeating the enemy.

"She's really great" Xue Qinmo, and Xue Sunzhe admitted that Xue Muer was great, she was able to defeat enemies they couldn't beat.

"What actually happened to her, why did he become that strong?" Xue Qinmo wanted to know why Xue Muer became so strong, Xue Muer's current strength was probably much stronger than Xue Zhirou's.

"Cracks . . ." when everyone was happy and celebrating their victory, the Ice Shawl that Xue Muer was wearing cracked.

"It seems my attacks are still not strong enough to defeat enemy." Xue Muer realized that her attacks were not strong enough to defeat the enemy, that's what made her unable to defeat Shao Tong.

"rumble" a super powerful rumble resounded, Shao Tong's entire body was enveloped by a terrifying black lightning.

Shao Tong finally started to get serious, he finally showed his strength and influence, he became a different person from before.

"How dare you bastard" Shao Tong was angry, his anger made him stronger.

The people of Vengeance Fate Sect, would become stronger if they were angry and had hatred towards the enemy, so it was not strange that Shao Tong's strength would increase rapidly.

Shao Tong used his weapon, a lightning whip appeared in Shao Tong's hand.

"You made me angry, you will feel the retribution for what you did" Shao Tong said to Xue Muer.

Xue Muer used her strength, she was ready to fight again with Shao Tong.

Shao Tong swung his weapon, he swung the lightning whip and started attacking Xue Muer who was in the distance.

"rumble" the lightning whip emitted a terrifying sound, this sound rumbling so loudly, the whole continent could hear it clearly.

"Boom. ." Shao Tong swung his whip, immediately the hand was split into two halves, there was a super large and long gap formed by Shao Tong's swing attack.

"Impossible, that's so strong" everyone was shocked by Shao Tong's strength, with that kind of strength, the entire Vengeance Fate Sect might be leveled in a matter of seconds.

Xue Muer saw the impact of Shao Tong's attack, for only she was able to dodge Shao Tong's attack.

"If I avoid it, the entire Sect will be destroyed." Xue Muer realized that the entire Vengeance Fate Sect would be destroyed if she dodged the enemy's attack.

"if you dodge mine, your sect will be destroyed, and everyone will die" Shao Tong said to Xue Muer.

Xue Muer can't escape, she can only fight.

"feel this" Shao Tong swung his attack towards Xue Muer.

"you . . ." Shao Tong looked at Ye Chen, he looked at Ye Chen with a gaze filled with hostility.

"what's wrong, are you not happy with me ?" Ye Chen asked Shao Tong.

"Jing Thao, alright, then I'll go and kill him" Ye Chen said that he would kill Jing Thao.

"How dare you, I will not forgive you" Shao Tong will not forgive Ye Chen, Ye Chen's words can not be tolerated.

"Are you angry, annoyed and hate me, show me your strength, I want to see the strength you have" Ye Chen said to Shao Tong.

"ahhh . ." Shao Tong retreated, attacks from Xue Zhirou was strong enough to make Shao Tong retreat.

"damn it" Shao Tong was so pissed off, he pushed by a woman to be like this, this can't be for given Shao Tong.

"How dare you, do you want to die?" Shao Tong shouted at Xue Zhirou.

"I should be the one saying that to you" Xue Zhirou should saying that to Shao Tong, Shao Tong had injured countless members of the Frozen Cloud Sect, so it was not strange that Xue Zhirou was unable to forgive Shao Tong.

Shao Tong had committed an extremely disastrous crime, he had caused a loss to Frozen Cloud Sect.

"as a leader" Xue Zhirou can't let this matter go, she has to deal with this problem properly and correctly.

"I will kill you rebels" Shao Tong was very angry, he said that he would kill everyone in this place.

Anyone who dared to resist would die, Shao Tong would show no mercy to rebels who refused to obey his orders.

"I will fight him" Xue Zhirou said to Ye Chen, she told Ye Chen that he would go and defeat Shao Tong.

"I understand" Ye Chen understands, he can understand what Xue Zhirou is feeling, Xue Zhirou must be very angry right now, so it's better for Ye Chen to let Xue Zhirou avenge Frozen Cloud Sect.

Xue Zhirou came forward, she would hope to go straight with Shao Tong, where Shao Tong was the main servant owned by Jing Thao.

So his strength was not to be underestimated, he was probably extremely strong and comparable to the top ranked members of the Vengeance Fate Sect.

Xue Zhirou came forward, she used her strength, she showed the strength he had on Shao Tong.

"Boom" a huge ice explosion occurred, the aura around Xue Zhirou was extremely imposing, this aura made the entire place freeze.

The temperature dropped, everything around instantly turned into ice even the air felt cold and piercing to the point to the bone.

"Boom. . ." a very powerful attack hit Xue Zhirou's body, it was amazing that Xue Zhirou was able to parry this attack.

Xue Zhirou used her ice power, in an instant, the lightning whip in Shao Tong's hand turned into ice.

"How is this possible, this can't be happening" Shao Tong couldn't believe what was happening, he couldn't believe what was happening to him.

Shao Tong's extremely strong strength easily tamed by Xue Zhirou, so it wouldn't be strange for Shao Tong to be shocked like this.

The ice started to creep up, Shao Tong's hand started to turn into ice, the power that shown by Xue Zhirou was very strong and was able to freeze Shao Tong's body easily.

"arghhhhh" Shao Tong shouted, he immediately used his own hand to cut the part frozen by Xue Zhirou.

If Shao Tong doesn't do action prevention quickly and well, then you can confirmed that she would become an ice sculpture.

"clanks . . ." Shao Tong's hand turned into ice crystals, it crumbled into powder.

"Next, your whole body will be destroyed" Xue Zhirou said to Shao Tong, he said that Shao Tong's body will soon be destroyed.

"I won't allow it" Shao Tong will not allow this, he has amassed a huge amount of strength.

Shao Tong used all of his strength and abilities, Shao Tong knew that in order to defeat Xue Zhirou, he had to use all of his strength, otherwise he would have no chance of winning.

"This is the full strength that I have, my body is now strong, you won't be able to freeze me anymore" Shao Tong's body was completely protected by the black lightning, so Xue Zhirou had no chance of being able to freeze Shao Tong.

"Frozen Cloud Domain" Xue Zhirou opened a domain, the instant this place began to change, a dense fog enveloped Xue Zhirou's surroundings.

"what is this" Shao Tong looked at the thick fog around him, he tried to get rid of the thick fog around him by using his own strength.

Shao Tong was unable to get rid of the dense fog surrounding his strength used to get rid of this dense fog.

"it's not fog, it's like a cloud" Shao Tong saw that it was like a cloud, it was so thick that Shao Tong couldn't see what was around him.

"The temperature around Shao Tong became very cold, the surroundings became very cold and his body started to freeze.

"Isn't that possible?" Shao Tong was surprised when he found that his body was starting to freeze.

"This can't be happening, how can my body freeze" Shao Tong couldn't believe what was happening, even though his whole body was completely protected using black lightning, so it's impossible for him to be frozen.

"This is a special domain, everything that enters will freeze quickly" Xue Zhirou said to Shao Tong.

"damn it" Shao Tong complained, he had to get out of this place quickly, it would be dangerous if he remained inside the Frozen Cloud Domain.

Shao Tong tried to jump out of the Frozen Cloud Domain.

When Shao Tong tried to do that, he suddenly found that his legs were frozen and he couldn't move.
