

True God 2191

[Chapter 2191 Rescue Xue Himi Who Was Seriously Injured](#)

"damn it" Shao Tong screamed, he screamed as his body started to freeze, this was so annoying.

Shao Tong's body quickly froze, in just seconds Shao Tong's body completely turned into ice, he became an Ice statue and was unable to move.

"Cracks . . ." Shao Tong's body was completely destroyed, it shattered and shattered because it was too fragile, the slightest gust of wind had crushed Shao Tong.

Xue Zhirou had completely defeated Shao Tong, he had made Shao Tong get the most deserved punishment in this world.

"Jing Thao, I will remember that name" Xue Zhirou will definitely ensure that Jing Thao gets the punishment he deserves, he has made Frozen Cloud Sect become like this, this matter is absolutely unforgivable.

"Looks like it's done", Ye Chen saw that Xue Zhirou had finished everything, she had already crushed her enemy.

Now they only need to look for Jing Thao, they have to solve the problems they have with Jing Thao.

"how do you feel" Ye Chen asked Xue Zhirou, he wanted to know the feelings that Xue Zhirou had.

"I'm fine" Xue Zhirou told Ye Chen that she was currently fine.

"mistress, something bad happened, elder Himi was seriously injured, it is very difficult to heal her" Xue Qinmo said to Xue Zhirou, she told Xue Himi that she was seriously injured.

"I'll take a look" Xue Zhirou went and started to look at Xue Himi's condition, she wanted to make sure that Xue Himi could be cured.

Xue Zhirou came, she saw Xue Himi's condition firsthand, this was really bad" Xue Zhirou saw that Xue Himi's condition was very apprehensive.

"Her condition is really bad" Xue Zhirou saw Xue Himi's condition, it seemed that it would be very difficult to heal, Xue Himi's injuries were quite severe.

Xue Himi was already unconscious, she was completely in a coma because of her injuries.

Meanwhile Xue Rong was still much better, she was indeed seriously injured, but he was not as bad as Xue Himi.

Ye Chen left, he wanted to see how Xue Himi was.

When Ye Chen saw the condition that Xue Himi had, he saw that it would be very difficult to cure it.

"This is bad, all his meridians are burnt, it will be difficult to heal her." Ye Chen saw that it would be very difficult to heal Xue Himi.

"Why do you look confused, don't you still have an item that can make her heal, that's all you can use in this kind of situation, she doesn't have much time left" Chu Yuechan told Ye Chen, she told Xue Himi probably didn't have any enough time.

"You may be right, I will use that thing" Ye Chen took out something, himself took something out and started to give it to Xue Himi.

"what did you take ?" Xue Zhirou asked Ye Chen, he wanted to know what Ye Chen had just taken.

"Phoenix Tears" Ye Chen told Xue Zhirou, he told what he took and gave to Xue Himi.

"what?" Xue Zhirou was shocked when she heard what Ye Chen said, she didn't expect that Ye Chen would give such a precious thing like Phoenix Tears.

"Isn't that precious to you" Xue Zhirou said to Ye Chen,

"it's fine, as long as it's used to save lives, then it's fine" Ye Chen said to Xue Zhirou.

Xue Zhirou was quite surprised by what Ye Chen said, she didn't expect that Ye Chen would say this.

"You are very kind" Xue Zhirou acknowledged Ye Chen's kindness, he was a very kind man and wanted to give such a precious thing to a woman he had just met.

Very quickly the wounds on Xue Himi's body started to disappear, Xue Himi immediately returned to her original state.

The power and efficacy of the Phoenix Tears was so great that even the suffering Xue Himi was able to completely heal.

"Now she should be safe, I will start to heal Xue Rong" Ye Chen went to Xue Rong's side, he started healing Xue Rong who was also injured.

All the women looked at Ye Chen, they saw that Ye Chen was very good.

"Mistress, you. . ." Xue Qinmo, Xue Miya asked Xue Zhirou, they were both shocked by the increase in strength made by Xue Zhirou and also Xue Muer.

"You three quickly go to my room now" Xue Zhirou ordered Xue Qinmo, Xue Miya and Xue Sunzhe to go to his room.

"we will leave soon" Xue Qinmo, Xue Miya and Xue Sunzhe understood, the three of them immediately headed to Xue Zhirou's place.

"I will leave this matter to you" Xue Zhirou said to Xue Muer.

"I will do it" Xue Muer will do it, she will take care of everything in this place.

Xue Muer knew that Xue Zhirou had confessed to her, so it wouldn't be strange for her to want to give Xue Muer this kind of task.

"come with me" Xue Zhirou invite Xue Qinmo, Xue Miya and Xue Sunzhe, she will explain what happened to them.

The four of them leave, they go to discuss the matter that happened.

Ye Chen himself was trying to treat the injuries that the disciples and Xue Rong had, there were countless students injured from the attack just now.

Shao Tong's attack was quite powerful and quite damaging, so it wasn't strange that countless people had suffered from Shao Tong's attack.

"you are very good" the women of Frozen Cloud Sect praised Ye Chen, they praised Ye Chen who was very good, Ye Chen was really a very good man.

"Thank you very much, you are beautiful women too, as a man it is my duty to help you all" said Ye Chen confidently.

"fufufufu, you are trying to tease us, you are really naughty" all the women giggled, they looked happy when they talked to Ye Chen, they felt very happy talking to Ye Chen, they thought Ye Chen was a very fun person to be with talk.

Xue Muer carries an injured student, herself helps carry out an emergency evacuation and saves a woman trapped in the rubble.

There were several female disciples who were seriously injured, so Xue Muer brought them to Ye Chen, Xue Muer was very sure that Ye Chen would be able to heal them.

Ye Chen had to work really hard, he had to work really hard to be able to heal everyone.

.
.

In her room, Xue Zhirou was discussing what would happen next.

"mistress, what are we going to do?, Sect is really badly damaged." Xue Qinmo, Xue Miya, Xue Sunzhe asked Xue Zhirou.

"I know, our Sect has been damaged quite badly, the enemy has brought our Sect to this state, and they will most likely attack us again." Xue Zhirou was sure that Jing Thao would attack them again.

"I agree with what was said, they will definitely come back with great force, so we must prepare ourselves" Xue Qinmo said.

"Ye Chen will help us, plus he is also a competent person, how about we follow him" Xue Zhirou said to Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Qinmo, Xue Miya, Xue Sunzhe surprised when they heard this.

"is mistress sure about this decision" Xue Qinmo, Xue Miya, Xue Sunzhe questioned the decision Xue Zhirou was about to make.

"of course, he is a very competent person, there's no harm in us following him" Xue Zhirou said in a firm tone.

[Chapter 2192 Are You Sure, You Won't Be Able To Do That](#)

Everyone thought hard about whether they should do it or not, it became a slightly difficult choice to make.

After thinking for a while, finally Xue Qinmo, Xue Miya, XueSunzhe agreed with what Xue Zhirou wanted, they finally agreed to do and accept what Xue Zhirou wanted.

"Okay, we agree to do it." Xue Qinmo, Xue Miya, Xue Sunzhe said that they agreed with what Xue Zhirou wanted.

"You have made a very good decision." Xue Zhirou had to admit that they had made an extremely good decision.

They have made a very good decision, now everything will be easier to do.

"mistress, you haven't answered our question, how do you have such strength?" Xue Qinmo, Xue Miya, Xue Sunzhe asked Xue Zhirou, they wanted to know the strength Xue Zhirou had.

"Why?, Are you guys curious about this problem?" Xue Zhirou asked Xue Qinmo, Xue Miya, Xue Sunzhe.

"of course" Xue Qinmo, Xue Miya, Xue Sunzhe were curious, they were all curious about this.

Xue Qinmo, Xue Miya, Xue Sunzhe saw Xue Zhirou's super strong changes, they saw the super strong changes that Xue Zhirou had.

The aura around Xue Zhirou was slightly different from usual, the current she looked more mature and gentler, plus Xue Zhirou also looked more and more beautiful, her beauty was truly something awe-inspiring.

"Do you guys really want to know?" Xue Zhirou said to Xue Qinmo, Xue Miya, Xue Sunzhe.

"mistress, please tell us" Xue Qinmo, Xue Miya, Xue Sunzhe asked, they wanted to know this matter too.

"Okay, I'll tell you." Xue Zhirou decided to tell what happened.

Xue Zhirou is a mature woman, she is not ashamed to say this to Xue Qinmo, Xue Miya, Xue Sunzhe.

Plus, Xue Zhirou's relationship with Xue Qinmo, Xue Miya, Xue Sunzhe, so there's nothing wrong her to telling what happened to Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Qinmo, Xue Miya, Xue Sunzhe listened to Xue Zhirou's explanation, when Xue Zhirou said what he did with Ye Chen, Xue Qinmo, Xue Miya, Xue Sunzhe immediately turned red like an apple.

"no way, how could you do such a thing" everyone couldn't believe what happened, they didn't believe that Xue Zhirou would do such a thing with Ye Chen.

"Would you not believe that I did that?" Xue Zhirou asked Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Qinmo, Xue Miya, Xue Sunzhe looked at each other, they naturally believed what Xue Zhirou said.

"If that's true, aren't you breaking the rules" Xue Miya said, if Xue Zhirou did that, then he was breaking the rules.

"Which rule did I break" Xue Zhirou asked Xue Miya.

"The cardinal rule is not to have relation with men while still having status in the Sect," Xue Miya said to Xue Zhirou.

"That's impossible, I didn't make a mistake" Xue Zhirou said that she didn't make a mistake, she defended herself and said that he didn't make a mistake.

"Then how do you explain this matter?" asked Xue Qinmo, Xue Miya, Xue Sunzhe to Xue Zhirou.

"I will explain it to you guys, so listen carefully." Xue Zhirou explained what happened to Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Zhirou said that Ye Chen has the Ancient (Yang) Body, with that they don't have to worry about breaking the rules.

"No way, so he really has an Ancient (Yang) Body." Xue Qinmo, Xue Miya, Xue Sunzhe didn't believe that Ye Chen would have an Ancient (Yang) Body, it's not strange that Xue Zhirou wants to follow Ye Chen, it turns out that this the reason.

"It's not strange that the mistress wants to follow him." Now Xue Qinmo, Xue Miya, Xue Sunzhe already know the reason why Xue Zhirou wants to follow Ye Chen, it turns out that this is the reason.

"You understand, I hope you won't protest anymore" Xue Zhirou ordered Xue Qinmo, Xue Miya, Xue Sunzhe not to protest anymore.

"We understand." Xue Qinmo, Xue Miya, Xue Sunzhe understood what happened. After knowing what happened, how could they dare to protest.

"Good, we discussed this well" Xue Zhirou was pleased, all misunderstandings were cleared.

"For now, let's focus on making a strong defense, the enemy might not stay silent and will attack us," Xue Zhirou said to Xue Qinmo, Xue Miya, Xue Sunzhe.

"we understand" Xue Qinmo, Xue Miya, Xue Sunzhe understand, they will focus on making a strong defense.

They all know when to fix Frozen Cloud Sect would be a waste of time, so they decided to defend this place until all matters were resolved.

After they got some clarity from Xue Zhirou. Xue Qinmo, Xue Miya, and Xue Sunzhe left, they immediately left this place.

"Everything is going well, it seems that they are willing to accept everything." Xue Zhirou felt more at ease, Xue Qinmo, Xue Miya, Xue Sunzhe were willing to accept everything, so she didn't need to worry for now.

"now what should I do, should I create a situation for them" Xue Zhirou will probably help Ye Chen to get Xue Qinmo, Xue Miya, Xue Sunzhe, however Ye Chen has strong strength and she needs help against Ye Chen.

Xue Zhirou's strength was very weak, she was unable to endure for long, so it was better for her to seek help.

Xue Muer had already joined, she might be able to get Xue Muer to join hands and start a plan.

Xue Muer had her own plan, she had her own plan to make Ye Chen acceptable to everyone in this place.

Ye Chen had finished helping all the women, he helped all the women who were hurt.

Ye Chen was already quite popular among the girls around Frozen Cloud Sect, he already has the attention of many girls in Frozen Cloud Sect.

Ye Chen was too kind to everyone, so it wasn't strange that he was easily accepted by all the women in this place, all of them liked Ye Chen.

"how are they?" Xue Zhirou asked Ye Chen.

"everyone is good, I have given them the first treatment, they just need rest to be able to fully recover" Ye Chen said to Xue Zhirou.

"Is that so, thank you very much" Xue Zhirou thanked Ye Chen, she was grateful for what Ye Chen did.

"It's okay, I'm doing this for you" Ye Chen approached Xue Zhirou, he came closer and hugged Xue Zhirou.

Xue Zhirou froze when she saw the courage shown by Ye Chen, to be honest this man in front of her was too brave, she was too brave to hug herself in public.

"wait a minute, it's outside, please don't do this" Xue Zhirou asked Ye Chen to let go.

"no, I don't want to let you go" Ye Chen said that he didn't want to let Xue Zhirou go.

"why don't you obey, what if someone else sees us, do you want to humiliate me" Xue Zhirou said to Ye Chen.

"If they dared to do that, it would probably drag them onto the bed" Ye Chen said to Xue Zhirou.

"Are you sure, you won't be able to do that" Xue Zhirou said to Ye Chen.

"want to try it" said Ye Chen to Xue Zhirou, Ye Chen was quite confident in his abilities.

[Chapter 2193 Called By Xue Himi](#)

"no thanks" Xue Zhirou refused, she didn't want to try it, she knew Ye Chen's strength, so she better not try it.

Xue Zhirou was still a little sore at the bottom, so she probably wouldn't be able to fight Ye Chen, so for now she just wanted to be with Ye Chen.

"Hehehehe" Ye Chen smiled, he smiled when he saw this.

"Are you planning something?" Ye Chen asked Xue Zhirou.

"Husband, what do you think about the women in Frozen Cloud Sect?" Xue Zhirou asked Ye Chen.

"they are beautiful and kind" Ye Chen said to Xue Zhirou, he immediately gave his opinion about the women in the Frozen Cloud Sect.

"Are you interested in them, if that's the case then you might be able to catch up with them" Xue Zhirou invited Ye Chen to go after the women in Frozen Cloud Sect.

"Are you sure about this, maybe your ancestors won't be happy" Ye Chen said to Xue Zhirou.

"We don't have any ancestors anymore, the last ancestor died thousands of years ago, now only I have the highest power in Frozen Cloud Sect" Xue Zhirou said to Ye Chen, she told Ye Chen that currently Frozen Cloud Sect doesn't have any living ancestors.

It could be said that currently Xue Zhirou was the strongest and most influential person in Frozen Cloud Sect.

"Is that so, so all decisions are in your hands" Ye Chen said to Xue Zhirou.

The current Xue Zhirou was the strongest person and possessed absolute power, so no one would dare to go against her.

"You are against the rules, really beyond expectations" Ye Chen said to Xue Zhirou.

"It doesn't matter to me" Xue Zhirou said that it didn't matter.

Xue Zhirou wouldn't tell Ye Chen the rules, it was better that Ye Chen didn't know about this matter, that way he would struggle even more to get the woman in Frozen Cloud Sect.

"Then I will do it, don't regret the decision you made" Ye Chen said to Xue Zhirou, Ye Chen hoped that Xue Zhirou would not regret the decision she had made.

"I will not regret the decision I made" Xue Zhirou said to Ye Chen, she told that she would not regret the decision she made right now.

"very good" Ye Chen was happy to hear this, he would do what he wanted.

Xue Zhirou had already given permission, so why would Ye Chen hold himself back, Ye Chen would no longer restrain himself, he would start trying to get close to Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

"I'm going back, I need to stabilize my strength, if you are looking for me, you can go there" Xue Zhirou said to Ye Chen, he informed Ye Chen of his whereabouts.

"I understand" Ye Chen understands, Ye Chen understands, he will look for Xue Zhirou when he needs it.

Xue Zhirou left, she left Ye Chen.

Ye Chen decided to take a look at the state of Xia Qingyu and Mu Nianci, both of them should be training quite hard.

"You guys, it seems that you guys are training quite hard" Ye Chen said to Mu Nianci and Xia Qingyu, he saw that they were training quite hard.

"Was there another attack?" Mu Nianci asked Ye Chen, Mu Nianci felt a battle far away, she just felt a huge force that someone had just released.

"You are absolutely right, it seems that there are people with ill intentions in the Frozen Cloud Sect".

Ye Chen said that if there was someone with bad intentions in Frozen Cloud Sect, Ye Chen had to find that person.

"Why don't you just go look for that person, that way the trouble will be quickly resolved," Xia Qingyu said to Ye Chen.

Xia Qingyu told Ye Chen to quickly find the person who had made the mess, that way they would quickly settle this matter.

"That's not easy to say" Ye Chen pointed out that it wouldn't be easy to do, considering that Vengeance Fate Sect was a Forbidden Sect, their forces should be spread out quite a lot, searching each of their areas would probably take several weeks.

"So you can't do it" Mu Nianci didn't expect that Ye Chen couldn't do it.

"Who said, I certainly can do it." Ye Chen said if he could do it, he probably would.

"then we will help you" Mu Nianci said to Ye Chen, she would help Ye Chen to solve the problems in Frozen Cloud Sect.

"Before that you should probably cultivate, your strength isn't completely stable yet" Ye Chen said to Mu Nianci and Xia Qingyu.

"Then wait for us" Mu Nianci and Xia Qingyu said to Ye Chen, the two of them would be ready soon.

"I understand" Ye Chen understood, he would patiently wait for Xia Qingyu and Mu Nianci, after all, both of them were women of his, so it was only natural for Ye Chen to wait for the two.

Ye Chen left, he allowed Mu Nianci and Xia Qingyu to stabilize their strength.

"Master Ye Chen, you were asked by elder Xue Himi to go to her room" a female disciple told Ye Chen.

"what's wrong, is there a problem?" Ye Chen asked the woman in front of him.

"I don't know about this matter" she didn't know what Xue Himi wanted.

"Okay, I'll go there, please take me there" Ye Chen asked the woman in front of him for help.

"please follow me" this woman started to guide Ye Chen, she led Ye Chen to the place of Xue Himi.

"Xue Himi's place is quite big, at least it's several times wider than the residences of core disciples.

"Come in please" The female disciple invited Ye Chen to come inside.

Ye Chen went straight inside, he walked into Xue Himi's room.

"ahhh. ." when Ye Chen came in, Xue Himi shouted at Ye Chen, at this time Xue Himi was just about to change clothes, did not expect that Ye Chen would forcefully enter when Xue Himi did this.

"no way" Ye Chen also didn't expect that this kind of situation would happen, he really committed a recklessness.

"I'm sorry, I didn't do it on purpose" Ye Chen apologized to Xue Himi, this was his fault.

After apologizing quite sincerely to Xue Himi, Ye Chen immediately walked out of Xue Himi's room.

"wait a minute" Xue Himi stopped Ye Chen, she stopped Ye Chen from intending to get out of this place.

"what is it?" Ye Chen asked Xue Himi, he wanted to know what Xue Himi wanted.

"You can stay in this place" Xue Himi said to Ye Chen, she told Ye Chen to stay in this place.

The thoughts possessed by Xue Himi as mature as Xue Zhirou, so even if Ye Chen had snooped around, she could still calm down and guard her heart from attacking Ye Chen.

Xue Himi was already quite tolerant of Ye Chen, Ye Chen had saved her life, so it wasn't strange that Xue Himi easily forgive Ye Chen.

Xue Himi should be grateful to what Ye Chen did, because of what Ye Chen did, Xue Himi was able to completely heal, one might say that Ye Chen has given Xue Himi a second life, so Xue Himi should be grateful to Ye Chen.

Xue Himi started to put on her own clothes, she was very beautiful when she wore plain clothes, she was an ancient woman who might be a dream for men from modern era.

[Chapter 2194 Xue Himi Helped Ye Chen \(1\)](#)

Women of the modern era may be more seductive, but women of the ancient era seemed more to be had.

"So why did you call me ?" Ye Chen asked Xue Himi.

"I want to thank you" Xue Himi said to Ye Chen, she wanted to thank Ye Chen, Ye Chen had helped her and given her a new life.

"don't mind, I am helping you because you are worthy" Ye Chen said to Xue Himi, he helped Xue Himi because Xue Himi deserved it.

"Thank you very much" Xue Himi thanked Ye Chen again, he thanked Ye Chen for what he did.

"you're welcome" Ye Chen is happy to help, he will help as much as he can.

"Wanna have tea together?" Xue Himi asked Ye Chen.

"Did you do that, this place is quite cold, you know?" Ye Chen asked Xue Himi.

"This place is indeed cold, so we use cold tea, whether you like it or not" Xue Himi asked Ye Chen.

"I want one" Ye Chen said to Xue Himi, he wanted one, Ye Chen wanted to know the tea that Xue Himi made.

"Wait a minute" Xue Himi said to Ye Chen, she told Ye Chen to wait a minute.

Ye Chen waited patiently, he watched what Xue Himi was doing.

Xue Himi's movements were very skilled, it seemed that she was very skilled at making tea.

Xue Himi only needed a few minutes, she managed to make tea for Ye Chen.

"this is it" Xue Himi said to Ye Chen, she put the tea in front of Ye Chen.

"thank you very much" Ye Chen thanked Xue Himi, he started to try the tea made by Xue Himi.

Xue Himi looked at Ye Chen, she wanted to know whether Ye Chen would like the tea she made or not.

Ye Chen started tasting the tea made by Xue Himi, the taste of the tea made by Xue Himi was very good, this felt very refreshing for Ye Chen.

"how, do you like it or not" Xue Himi asked Ye Chen, she wanted to know whether Ye Chen liked it or not.

"I like this, you make really good tasting tea." Ye Che said that Xue Himi had made really good tasting tea.

"thank you" Xue Himi was happy, she happy with the praise given by Ye Chen, she liked the praise given by Ye Chen.

Ye Chen and Xue Himi started chatting, the two of them talked about a lot of things, they started talking about some topics, it could be said that Xue Himi wanted to know more about Ye Chen.

Xue Himi had never been this interested in men, perhaps Ye Chen was the first person capable of making her feel attracted to the opposite sex.

Ye Chen told Xue Himi, he told where he was from and what he was doing.

Xue Himi was very friendly, so it wasn't strange that Ye Chen liked talking to Xue Himi.

Ye Chen finished the tea in his cup, when it did, he started to feel a little heavy.

"what is it?" Xue Himi looked at Ye Chen who was getting a little weird, he looked like he was having trouble.

"It's okay, somehow my body is a little heavy and hot" Ye Chen said to Xue Himi, he told her that his body was a little hot.

'Is that so?" Xue Himi didn't feel anything, instead she felt relieved as she drank the tea.

"what happened" Ye Chen started to feel that his Yang Qi started to rise, it seemed that something had happened to his body.

"Don't tell me that" Ye Chen finally realized something, he realized what happened to him.

"what tea do you use" Ye Chen asked Xue Himi.

"Hmmm, if I'm not mistaken it's a sky green leaf" Xue Himi said to Ye Chen, Xue Himi told what he used.

"It's not strange, it seems I'm not suitable to use sky green leaf" Ye Chen said to Xue Himi.

"why, don't you like it ?" Xue Himi asked Ye Chen.

"Of course I like it, the problem is my body doesn't really like this thing".

"What do you mean ?" Xue Himi asked Ye Chen, Xue Himi still didn't realize, she still didn't realize what happened.

"My body is not very suitable for using things that increase Yang Qi, I am just not suitable for using things that increase Yin Qi" Ye Chen said to Xue Himi.

"I forgot" Xue Himi finally knows, she finally knows what happened to Ye Chen, she forgot that Ye Chen has a special body.

Xue Himi herself uses this tea to relieve stress. Most of the women here use this to relieve stress. It brings them great benefits and keeps them calm.

"I'm really sorry" Xue Himi apologized to Ye Chen, she apologized for what happened to Ye Chen.

"it's okay, it seems I have to finish this" Ye Chen should probably finish this, he might be able to ask for help from Xue Muer and Xue Zhirou.

"wait a minute" when Ye Chen was about to leave, Xue Himi stopped Ye Chen, she stopped Ye Chen who wanted to leave this place.

"Why did you stop me ?" Ye Chen asked Xue Himi.

"Just let me help you" Xue Himi said to Ye Chen, Xue Himi said that she would help Ye Chen.

Ye Chen was shocked when he heard what Xue Himi said, he didn't expect that Xue Himi would be quite aggressive.

"Don't you want" Xue Himi asked Ye Chen, maybe Ye Chen doesn't want and doesn't like her.

"No, I can't refuse you" Ye Chen said to Xue Himi, he couldn't refuse Xue Himi.

"then I will help you" because Ye Chen did not refuse, Xue Himi started to help Ye Chen, she used her skills to help Ye Chen.

Xue Himi knelt in front of Ye Chen, she knew what to do to help Ye Chen.

"I just need to help him to vent, I think it will be easy to do" Xue Himi was confident, she was confident enough to help Ye Chen.

Xue Himi knelt in front of Ye Chen, she started to do what she had to do.

Ye Chen looked at Xue Himi, Xue Himi was much braver than what Ye Chen thought.

"she is too brave" Ye Chen saw that Xue Himi was too brave, she was brave enough to do this.

Ye Chen saw that women in Frozen Cloud Sect were quite daring, it was obvious when they teased Ye Chen.

Women in Frozen Cloud Sect were lonely enough, Ye Chen couldn't imagine their life to be like that, so when they saw Ye Chen, they were like a hungry tigress.

Xue Himi started to help Ye Chen unbuckle his belt, suddenly something appeared in front of Xue Himi.

"this . . ." Xue Himi was shocked by what she saw, she was quite surprised when she saw Ye Chen's.

"It's big enough" Ye Chen saw that Ye Chen's looked quite big, it was much bigger than anyone imagined.

"how do I help him, I don't know how" Xue Himi doesn't know how to help Ye Chen, this is too big, what should she do.

Xue Himi had already said to help Ye Chen, there was no way he would back down after everything that happened.

"Do you know what you should do?" Ye Chen said to Xue Himi, Ye Chen saw that Xue Himi was clumsy, most likely he didn't know what to do.

[Chapter 2195 Xue Himi Helped Ye Chen \(2\)](#)

"I may know a little" Xue Himi said that if she knew what this was, she of course knew what she should do.

"I'm not very good at doing this, I hope you don't make fun of me" Xue Himi said to Ye Chen.

"don't worry, I won't make fun of you" Ye Chen said to Ye Chen.

Ye Chen's body felt uncomfortable, he really needed help from Xue Himi.

Xue Himi stretched out her hand towards Ye Chen's younger brother, she was quite surprised by Ye Chen's size.

Her one hand was not enough to hold Ye Chen's, even when Xue Himi used two hands, she still found it difficult to hold Ye Chen's.

"this is too great" Xue Himi said in her heart, this is too strong, she is like holding a big, hard and super hot stick.

"glupp . . ." Xue Himi gulped, she seemed to be a little panicked by this, it seemed that she was really afraid of Ye Chen's super large.

"Don't just look at it" Ye Chen said to Xue Himi, he told Xue Himi to start it.

"Okay, I will do it" Xue Himi understood, she would do what Ye Chen wanted.

Xue Himi used her hand, she helped Ye Chen by using hers.

Xue Himi's hand began to move up and down, she did this slowly but surely.

Xue Himi didn't know what was going to happen, she didn't know if this would work or not.

"oh . . ." Ye Chen looked at Xue Himi's strength and moves, even though her moves weren't good, she was able to make Ye Chen feel good.

"do it even better" Ye Chen told Xue Himi to do it better.

"I understand" Xue Himi would do her best, she would try to make Ye Chen feel as comfortable as possible.

Xue Himi wanted to repay Ye Chen's kindness, so it wouldn't be strange for her to do this with Ye Chen.

Ye Chen's body temperature was quite stable, he didn't lose his senses.

Luckily Ye Chen used Frozen Cloud Yin Lake and also did Dual Cultivation with Xue Zhirou and Xue Muer, so Ye Chen's Yang Qi was quite stable for now.

The movements made by Xue Himi became faster, she started to become faster and made Ye Chen feel comfortable.

"Very good job, you are surprisingly talented" Ye Chen said to Xue Himi.

Ye Chen had to admit that Xue Himi was talented, she was able to make Ye Chen comfortable.

Xue Himi blushed when she heard this, she was embarrassed when she received Ye Chen's praise.

On the one hand Xue Himi was embarrassed, on the other hand she was happy with the praise given by Ye Chen.

Xue Himi continued to help Ye Chen, she used all the knowledge she had.

Xue Himi used a few moves, she thought this would make Ye Chen comfortable so that Ye Chen would immediately vent.

It's a shame that Xue Himi's efforts were in vain, Ye Chen was much stronger than one could imagine, until now Ye Chen was still able to defend against Xue Himi's attacks.

"Why is this too strong?" Xue Himi saw that Ye Chen was too strong.

"What's wrong, already surrendered" Ye Chen asked Xue Himi, Ye Chen saw that Xue Himi had started to give up, she had started to give up against Ye Chen.

"No, I haven't given up" Xue Himi said that she still didn't want to give up, she still had the confidence to win the battle against Ye Chen.

"then continue" when Xue Himi said that, Ye Chen told Xue Himi to continue.

Xue Himi continued on, she taught Ye Chen a little lesson, this way Ye Chen shouldn't be able to fight back.

Ye Chen was too strong, the innocent Xue Himi was no match for Ye Chen.

"Why is this so strong, this should be enough to beat men" Xue Himi said to Ye Chen, Ye Chen was too strong, Xue Himi's strength was not able to beat Ye Chen.

"I'm not the same as normal men, you have to work harder to beat me" Ye Chen told Xue Himi.

"no way" Xue Himi was shocked when she heard this.

That meant she had to work even harder to beat Ye Chen.

"By the way, you know quite a bit about this matter" Ye Chen asked Xue Himi.

"In the past I had an acquaintance, she was an emperor's concubine, so she gave me a bit of her experience" Xue Himi said to Ye Chen.

Xue Himi told the origin of her experience, she got this from a past friend.

"oh, so that's it, then where is she now" Ye Chen asked Xue Himi, he wanted to know where she was now.

"I don't know, I don't know, we haven't seen each other in a long time, so I don't know where she is now, she should have left the imperial family and lived somewhere" Xue Himi said to Ye Chen.

"Is that so" Ye Chen understood what Xue Himi said, it seems that there was a conflict within the imperial family that made Xue Himi's friends get eliminated.

"But this is quite surprising, I didn't know that the size would be several times what was said" Xue Himi said to Ye Chen.

Xue Himi said that Ye Chen was several times the size of a normal man, and this was really abnormal.

"hehehe, I am blessed enough" Ye Chen said that he was blessed enough.

"Let's use another method, it looks like it will take a long time" Ye Chen said to Xue Himi.

"what do you want to do" Xue Himi asked Ye Chen, waiting for Ye Chen's answer.

"lie down" Ye Chen told Xue Himi to lie down.

Xue Himi quickly agreed with Ye Chen's request, she started to lie down in front of Ye Chen.

Ye Chen started to do it, he started to remove all the clothes from Xue Himi.

"no . . ." Xue Himi tried to stop Ye Chen, too bad she was too late, she couldn't stop Ye Chen.

"You've seen me, so why are you hiding yourself from me, let's start" Ye Chen said to Xue Himi.

Ye Chen touched Xue Himi, Ye Chen's touch was too delicious, Xue Himi couldn't stand Ye Chen's touch.

"what is this, this is too delicious" Xue Himi said to Ye Chen, she felt that this was too delicious, this made Xue Himi's head feel empty.

"do you like it" Ye Chen asked Xue Himi.

"I like" Xue Himi answered Ye Chen, she told Ye Chen that she liked what Ye Chen did.

"Very good" Ye Chen was also happy with the answer given by Xue Himi.

Ye Chen touched the double peaks and also the secret garden that belonged to Xue Himi.

The instant Xue Himi's body convulsed, she got an indescribable feeling from Ye Chen.

Ye Chen already knew that Xue Himi was the same Xue Muer and Xue Zhirou, he easily defeated Xue Himi.

Xue Himi was too sensitive, her bottom was so wet already, it looked like she was ready.

"Okay, let's start" Ye Chen said to Xue Himi, Ye Chen wanted to start.

"I want to be on top" Xue Himi said to Ye Chen.

"oh, you are quite brave" Ye Chen didn't expect that Xue Himi would be brave, the first time she wanted to take the lead, it was quite daring.

"Okay, I'll let you take the lead." Ye Chen allowed Xue Himi to do it, he allowed Xue Himi to take the lead.

[Chapter 2196 Someone Came To Visit](#)

"thank you very much" Xue Himi thanked Ye Chen, she started to go up and started to fight with Ye Chen.

Ye Chen lay down, he wanted to see what Xue Himi would do.

Xue Himi started to climb on Ye Chen's body, she was now on top of Ye Chen's body.

Xue Himi was knowledgeable about this, her friends had said that this was the most enjoyable position for women, where women could directly control the course of the battle.

This position also makes women appear dominant, they will make men feel good about themselves.

Xue Himi wanted to make Ye Chen feel as comfortable as possible, so it wouldn't be strange for her to want to take the lead.

Ye Chen was quite worried about Xue Himi, he wanted to know if Xue Himi could do it or not.

Xue Himi started to move, she started using Ye Chen's thing and started stuffing it.

Ye Chen looked at Xue Himi, from his movements and techniques, it seemed that Xue Himi knew the basics, he should be fine, so Ye Chen didn't have to worry too much about Xue Himi.

Xue Himi started to insert Ye Chen's things, for her it was too big and put up a fight.

"This is too strong" Xue Himi felt that if this was too strong, Xue Himi might not be able to bear this feeling.

"fight" Ye Chen gave his support, he told Xue Himi to do it, Ye Chen was sure that Xue Himi could do it.

Xue Himi looked at Ye Chen, from Ye Chen's words, she became more confident.

After several hard and tiring struggles, Xue Himi finally succeeded, she finally managed to do it.

Xue Himi managed to eat ½ of Ye Chen's huge object, this was still quite difficult for Xue Himi.

"It hurts so bad" Xue Himi complained, this turned out to be quite painful, she didn't expect that this would be so painful.

"it's like that, you have to endure it" Ye Chen said to Xue Himi, Ye Chen told Xue Himi to hold it.

Xue Himi did as Ye Chen said, she started trying to do as Ye Chen said.

After a while, Xue Himi finally got used to it, herself starting to feel something strange.

"this feels weird" Xue Himi said to Ye Chen, she started to feel something strange.

"what do you feel" Ye Chen asked Xue Himi, he wanted to know what Xue Himi felt.

"This feels really weird, what is this, I feel like I've been electrocuted, there's a bit of a strange feeling of numbness" Xue Himi said to Ye Chen.

Xue Himi told Ye Chen about what happened.

"Is that so, then let's start" Ye Chen said to Xue Himi, he told Xue Himi to start.

Ye Chen started helping Xue Himi, he started helping Xue Himi by using his skills.

Xue Himi was forced by Ye Chen to move, like it or not, she had to start moving.

"Wow, what is this, this feels very comfortable" Xue Himi started to feel a very comfortable feeling, she felt a very comfortable feeling given by Ye Chen, for Xue Himi this feeling was really very comfortable.

Xue Himi had never known that there was this kind of feeling in this world, so it wouldn't be strange that her reaction would be like this.

"how?, do you like it or not. ." Ye Chen asked Xue Himi.

"I like this, this is too great" Xue Himi said to Ye Chen, she told Ye Chen that this feels very comfortable.

"then move your hips better" Ye Chen told Xue Himi to move hers better.

"I understand" Xue Himi understood, she started to move faster.

Xue Himi moved faster , the more pleasure she got from Ye Chen.

"ahhh . ." Xue Himi's voice leaked out, the sound was quite good and made Ye Chen excited.

Ye Chen didn't want to stay silent, he started helping Xue Himi.

"pa. . ." The movements of the two became more and more intense, this time Xue Himi started being attacked by Ye Chen.

"no, you are too strong" Xue Himi couldn't stand it, Ye Chen pushed harder and harder at her.

"this is very good, it seems that you are very talented" Ye Chen said to Xue Himi.

Ye Chen had to admit that Xue Himi was really talented, she was able to pin Ye Chen well.

"no . . ." Xue Himi screamed, she couldn't stand what Ye Chen was doing, she found it too convenient.

"The two of them continued to exercise vigorously, in an instant Xue Himi had obeyed and tried to find her own pleasure, she was constantly fused with Ye Chen, this feeling was too strong for Xue Himi.

Time passed very quickly, Ye Chen and Xue Himi didn't realize that they had been doing their work for more than 1 hour.

"I can't take it anymore" Xue Himi couldn't take it anymore, she couldn't stand the pleasure that Ye Chen gave her anymore, she thought it was too comfortable, she couldn't take it anymore.

"Come on, you can do it" Ye Chen encouraged Xue Himi, he told Xue Himi to work harder.

Ye Chen wanted Xue Himi to make himself as comfortable as possible, so he wanted to continue doing this with Xue Himi.

"knock . . ." when Xue Himi and Ye Chen were engrossed in their world a knock interrupted them.

"what . . ." Xue Himi was surprised, she was quite surprised when she saw a visitor.

Ye Chen also didn't expect that there would be visitors at this time.

" who is that . . ." Xue Himi wanted to know who was outside.

"This is us Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong" the woman outside told them who they were.

Xue Himi tensed up when she heard this, she didn't expect that Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong would come to visit her.

"what should we do" Xue Himi said to Ye Chen, she looked really confused.

"calm down" Ye Chen told Xue Himi to be more calm, Ye Chen has a plan to get out of this situation.

Xue Himi understood, she decided to follow what Ye Chen said.

Ye Chen brought Xue Himi to bed, meanwhile Ye Chen used his own power to disappear.

Xue Himi was surprised by this, she was shocked when she saw Ye Chen who was able to disappear while in front of her.

"he's so great" Xue Himi was barely able to find the whereabouts of Ye Chen, Ye Chen was completely lost.

"You can let them in" Ye Chen told Xue Himi to let everyone in.

"Come in" After Ye Chen completely disappeared, Xue Himi immediately let them in.

Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong, when they entered, they found Xue Himi on the bed.

"How are you, are you still not well?" Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong were worried about Xue Himi's condition.

Xue Himi's face was red, so it wasn't strange that they were worried about Xue Himi's condition.

"I'm fine" Xue Himi told him that he was fine, he was completely healed and fully recovered.

"What's wrong with this place, why is there a strange smell?" Xue Rong asked Xue Himi, she smelled a strange smell.

"that . . ." Xue Himi looked confused, she didn't know how to answer this question, how could she get out of this problem, Xue Himi had to find an excuse.

"Maybe because it hasn't been cleaned for a long time" Xue Himi said to Xue Rong.

"Is that so" Xue Rong understood, that was probably what happened.

[Chapter 2197 Xue Rong Was Trapped](#)

They believed what Xue Himi said, no suspicions were found by anyone.

"How is your condition?" Xue Himi asked Xue Rong, she wanted to know Xue Rong's condition.

"I'm fine" Xue Rong told her that she was fine, her injuries had improved a lot, she just needed to rest a bit.

"That's great, I'm getting better too" Xue Himi said that she was also getting better, she was getting better and starting to recover.

Even she had already done sports with Ye Chen, so Xue Himi had fully recovered.

Xue Himi talked with Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong for a while, currently Xue Himi was doing her best to get them out as soon as possible.

Too bad they don't want to come out, they want to stay longer in this place.

While Xue Himi was talking to Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong, suddenly a hand touched her.

"ahh . ." Xue Himi's voice leaked out, she couldn't stand what was happening.

"What's wrong?" Xue Qinmo asked, she wanted to know what happened to Xue Himi.

"It's okay" Xue Himi said that she was fine.

Xue Himi felt Ye Chen's hand, Ye Chen touched her in front of everyone.

"It's too bad, this is too good, I may not be able to stand this thing" Xue Himi couldn't stand Ye Chen's touch, she thought it was too delicious, she couldn't stand Ye Chen's touch.

Ye Chen played the double peak that belonged to Xue Himi, so it wasn't strange for her to become like this.

"What really happened?" Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong felt strange, they felt that Xue Himi looked very strange.

"I'm fine, maybe I need a little rest" Xue Himi said that she needed a little rest.

Xue Himi was strong, she was able to resist the temptation from Ye Chen's hands, otherwise she would have screamed loudly.

Xue Himi couldn't lose to Ye Chen, she had to do something against Ye Chen.

Using her hand, Xue Himi tried to get rid of Ye Chen's hand.

Too bad, what Xue Himi did was useless, she couldn't get rid of Ye Chen's hand, Ye Chen's strength was too strong and she couldn't get rid of Ye Chen's hand.

"what should I do?" Xue Himi looked confused, what if he was found by Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

"You won't be able to escape." Ye Chen said to Xue Himi, he would not allow Xue Himi to escape.

"please release me" Xue Himi said to Ye Chen, she told Ye Chen to release her.

"no" Ye Chen rejected Xue Himi's proposal, he would not let Xue Himi go easily.

Xue Himi was forced to endure, she had to survive and win against Ye Chen's invasion.

Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong kept watching the strangeness that Xue Himi pointed out, they started to guess what was going on.

"Today you seem strange, what exactly happened" Xue Miya asked, she wanted to know what made Xue Himi strange.

"I'm not weird, I'm fine, what happened might make me a little confused" Xue Himi said to Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong.

"Perhaps we should leave you for a while" Xue Sunzhe felt that they should probably leave Xue Himi for a while, that way she could rest easy.

"Then let's go, we still have the task of building defenses, we won't know when the enemy will come back" Xue Rong said.

"Your condition is not fully recovered, you can rest here, and accompany Xue Himi, we will take care of it" Xue Qinmo said to Xue Rong.

Xue Rong and Xue Himi were currently recovering, so it was better for the two of them to stay in this place.

Xue Himi's face turned pale, what should she do, there was no way she could drive Xue Rong away, that would be a bit unreasonable.

Xue Qinmo, Xue Miya, Xue Sunzhe left, they went and started to work on the necessary matters.

Xue Rong stayed behind, she didn't want to bother others.

Xue Rong decided to stay beside Xue Himi, she stayed near Xue Himi.

The two of them were silent for a while, they looked a little awkward.

Xue Rong felt something was off, it seemed that Xue Himi was a little quieter than usual, as if she had something to hide.

"You seem to be hiding something ?" Xue Rong asked Xue Himi.

"huh?, what do you mean" Xue Himi was surprised when she heard what Xue Rong said.

"I feel that you are hiding something from me" Xue Rong said that Xue Himi was hiding something, Xue Rong was sure of her instincts.

"I'm not hiding anything" Xue Himi said that if she wasn't hiding something, she wasn't hiding anything.

"Really?" Xue Rong didn't really believe what Xue Himi said, she still didn't really believe what Xue Himi said.

Xue Himi started to get tensed, what if she was found out, it might be a big problem.

"don't worry, everything will be fine, since she dares to tease you, let's drag her along" Ye Chen said to Xue Himi.

Ye Chen had a bad idea, he should probably drag Xue Rong down, it seems Xue Rong needs to be taught a little lesson.

"Then I will help you" Xue Rong said that she would help Ye Chen, she was willing to help Ye Chen.

Instead of Xue Himi being found out, it would be better to drag Xue Rong along.

"Xue Rong, sorry I didn't mean to do this, I hope you don't get angry" Xue Himi said to Xue Rong.

"what did you say?" Xue Rong was confused, she didn't know what Xue Himi said.

Xue Himi used her strength, she started to catch Xue Rong using her own strength.

"ahhh. . ." Xue Rong was unprepared, she was unprepared for Ye Chen's sudden attack.

"what are you doing?" Xue Rong asked Xue Himi, she didn't understand what Xue Himi was doing.

"no need to worry" Ye Chen appeared in front of Xue Rong, he started to touch Xue Rong's face which was caught by Xue Himi.

"You, how come you are in this place ?" Xue Rong was quite surprised when he found Ye Chen in front of him, he didn't know when Ye Chen appeared.

"I've been in this place since earlier, you might not have seen me" Ye Chen said to Xue Rong, he told him that he had been in this place since earlier.

" what ?" Xue Rong was shocked when she heard what Ye Chen said.

"Why can't I feel your presence?" Xue Rong asked Ye Chen, Xue Rong barely felt Ye Chen's presence.

"It's because I used a special method, so it's not strange that you can't find me" Ye Chen said to Xue Rong.

"What would you do?" Xue Rong asked Ye Chen, she wanted to know what Ye Chen would do.

"let's see what I will do" Ye Chen thought about what he would do.

"First you find trouble with me, maybe I should take revenge a little for what happened" Ye Chen said that he wanted to take revenge on Xue Rong.

Ye Chen extended his hand towards Xue Rong.

[Chapter 2198 Did With Xue Rong And Xue Himi](#)

"no, don't come closer" Xue Rong told Ye Chen to stay away, she was afraid of Ye Chen.

Xue Rong already knew Ye Chen's abilities, so it wasn't strange that she was very wary of Ye Chen.

"are you afraid, take it easy it won't hurt" Ye Chen said to Xue Rong.

"no . . ." Xue Rong couldn't believe what Ye Chen said.

"hehehehe" Ye Chen smiled, he looked very happy when he saw the helpless Xue Rong.

Xue Rong was helpless, she couldn't do anything in front of Ye Chen.

"You have to accept it" Ye Chen whispered to Xue Rong, he told Xue Rong to take this well.

Xue Rong turned her head away, she tried to ignore Ye Chen.

Ye Chen smiled again when he saw this, it seemed he needed to teach Xue Rong a lesson.

"Alright, I'll let you know, it won't be like before, you won't be able to run from this place" Ye Chen said to Xue Rong.

Previously Ye Chen had let Xue Rong escape, but now he would not let Xue Rong escape from this place.

"no, let me go. . ." Xue Rong tried to rebel, she didn't want to accept this.

Ye Chen used his own skills, using his own skills, he easily rendered Xue Rong helpless.

"umm . ." Xue Rong groaned, she let out a very sweet voice.

"what happened to me ?" Xue Rong wanted to know what happened to him.

Xue Rong went limp again, her body felt too strong pleasure, this was too strong for Xue Rong.

"how, do you like it" Ye Chen asked Xue Rong, Xue Rong should like this thing.

"You, how could this happen again" Xue Rong was helpless, she was actually quite weak when she faced Ye Chen's temptation.

The temptation given by Ye Chen was too strong for Xue Rong to resist, so it wasn't strange that Xue Rong couldn't resist this.

Ye Chen only needed to use a little force to make Xue Rong completely surrender.

"this is great, do more" Xue Rong told Ye Chen to do more forcefully.

Xue Himi saw Xue Rong, she didn't expect that Xue Rong would give up so quickly in front of Ye Chen.

"Even Xue Rong surrendered so quickly, this is quite surprising" Xue Himi was quite surprised when she found out about this, she was quite surprised when he found out that Xue Rong would surrender quickly in the face of Ye Chen's strength.

"ahhh. . ., this is too good." Xue Rong said to Ye Chen, she felt that this was too good.

"Are you able to accept it already?" Ye Chen asked Xue Rong.

"Yes, I understand, please treat me well" Xue Rong said to Ye Chen.

"good, let's release her" Ye Chen told Xue Himi to release Xue Rong.

Xue Himi understood, she immediately released Xue Rong from the seal she had made.

After releasing Xue Rong hugging Ye Chen's body, she leaned against Ye Chen's body.

"It's too strong, my body is shaking" Xue Rong said to Ye Chen, she told what happened to her.

"Don't you like it ?" Ye Chen said to Xue Rong.

"Who said that I like this, it's really weird" Xue Rong said to Ye Chen, Xue Rong felt that this was weird.

"is that so, then let's continue, it seems you still don't understand" Ye Chen started back, he started teasing Xue Rong.

"no stop" Xue Rong was wrong, she had irritated Ye Chen and made fun of herself again.

This time Ye Chen used stronger strength, this should be enough to make Xue Rong feel satisfied.

Xue Rong was again made to reach the peak by Ye Chen, this was too strong and made her body tremble.

Xue Himi saw Xue Rong, she saw how lecherous face Xue Rong showed.

"Was I also like that before?" Xue Himi didn't know that Xue Rong could make a face like that, maybe she also made something like that.

Xue Himi felt strange, she felt very strange when she saw Ye Chen and Xue Rong.

she felt very excited when she saw Ye Chen and Xue Rong.

"I want too" Xue Himi also wants, she wants entertainment from Ye Chen, her body needs more affection from Ye Chen.

Xue Himi approached, she started to join the battle.

Ye Chen looked at Xue Himi, he pulled Xue Himi in, he started to battle with Xue Himi and also Xue Rong.

Ye Chen kissed Xue Himi, meanwhile Ye Chen told Xue Rong to help the younger brother downstairs.

Xue Rong didn't know what to do, she didn't know what to do with the huge object in front of her.

Ye Chen started training Xue Rong, he gave Xue Rong a training so he would know what to do.

Xue Rong knew what to do in the current situation, she started to touch Ye Chen's things and opened her mouth.

"I can't believe that I would do this" Xue Rong didn't expect that she would do this for Ye Chen.

Despite resisting a bit, Xue Rong couldn't resist, somehow her heart wanted to do this.

Xue Rong started to taste this big thing, when she tasted this, she started to like it, somehow this is a new feeling for Xue Rong.

Ye Chen played with Xue Rong and Xue Himi, he enjoyed the beauties on both sides.

Xue Rong and Xue Himi both liked being abused, they seemed to accept what Ye Chen did.

Ye Chen received excellent care from Xue Rong and Xue Himi, both of them giving Ye Chen the best care they could.

"this is very good" Ye Chen likes the two of them, the two of them might make interesting opponents.

"I think I can't take it anymore" Ye Chen couldn't take it anymore, he decided to start immediately.

Ye Chen lifted Xue Rong and Xue Himi, he put both of them on the bed.

"Miss, let's do something more interesting." Ye Chen said to Xue Rong and Xue Himi.

"what are you going to do" Xue Rong asked Ye Chen.

"You will know soon" Ye Chen said to Xue Rong, Xue Rong will know soon.

"please do it, I can't stand it anymore" Xue Himi told Ye Chen to do it immediately, she couldn't stand what was happening anymore.

"Okay" Ye Chen understood, he started to do what had to be done.

First Ye Chen would take Xue Rong's first, he directly penetrated Xue Rong's defense.

"it hurts . . ." Xue Rong couldn't stand it, she couldn't stand this pain.

"how, this will be fun, so prepare yourself" Ye Chen said to Xue Rong.

"no" Xue Rong screamed, she couldn't stand what Ye Chen did, what Ye Chen did was too strong.

Ye Chen got Xue Rong used to it, After getting used to it, Xue Rong started asking for more from Ye Chen.

"Very good" Xue Rong was satisfied, she was very satisfied with what Ye Chen did.

"I want too" Xue Himi complained, she also wanted to be spoiled by Ye Chen.

"of course" Ye Chen understood, he took turns to make Xue Rong and Xue Himi satisfied.

This room became chaotic, both of them started a pretty fierce battle.

[Chapter 2199 Xue Zhirou Couldn't Wait To Attack The Enemy](#)

The three of them started going crazy, they started enjoying each other, it was very comfortable for them.

Xue Himi and Xue Rong took turns to please Ye Chen, they worked together to make Ye Chen comfortable.

With good and true cooperation from Xue Himi and also Xue Rong, the two of them were able to make Ye Chen comfortable with them.

The battlefield only became more and more intense, the two of them reached the peak together, they were both filled with Ye Chen.

And now they may no longer be able to return to the way they were before.

Ye Chen helped the two, he helped Xue Himi and Xue Rong to complete Dual Cultivation.

The two of them should be able to benefit from the dual cultivation relationship with Ye Chen.

.

.

A few hours later Ye Chen came out of Xue Himi's room, he came out with a good feeling.

Xue Himi and Xue Rong looked tired, so the two of them decided to rest more to recover their strength.

Doing exercises on the bed with Ye Chen exhausted both of them mentally and physically.

So a short break is needed to get them back in shape.

Ye Chen has been here for a while, he has already got at least four women, this is quite good, plus he has also leveled up.

It's also quite difficult to advance to the next level, it seems I need a lot of it." Ye Chen saw that he needed more pure energy to be able to ascend.

He probably needed to do more Dual Cultivation to make himself even stronger.

"you are here" Xue Muer came to Ye Chen, she had something for Ye Chen.

"what's wrong, do you have a problem" Ye Chen asked Xue Muer, he wanted to know if Xue Muer had a problem.

"I already know where Jing Thao hide place, I've made one of those people say the place where Jing Thao is" Xue Muer said to Ye Chen.

"then let's go" Ye Chen said to Xue Muer, he wanted to solve this matter very quickly.

"um . . "Xue Muer understood, she also completely agreed with what Ye Chen said, the faster they were, the better it would be.

Ye Chen summoned Xia Qingyu as well as Mu Nianci, both of them could come along and help to defeat the army from Jing Thao.

Xia Qingyu and Mu Nianci came over, they had come to help Ye Chen, this time both of them looked very confident in their new power.

"let's go, we will go to the enemy's place" Ye Chen said to Xue Muer, Xia Qingyu and Mu Nianci.

"Where are you guys going?" Xue Zhirou asked Ye Chen, she wanted to know where Ye Chen was going.

"we want to go to the place of Jing Thao" Ye Chen told where they were going.

"Then I will come" Xue Zhirou said that he wanted to come, he wanted to destroy the people who had made this place destroyed.

"Mistress, you should just stay here, this place needs you," said Xue Muer.

"It's okay, there are already enough people to protect this place, Xue Rong and Xue Himi are enough to protect this place" Xue Zhirou said.

Xue Zhirou looked towards Ye Chen, it seemed that Xue Zhirou already knew what Ye Chen and Xue Rong and Xue Himi were doing.

"It seems that he already knows" Chu Yuechan said to Ye Chen, it seems that Xue Zhirou already knows what happened.

"she seems to be able to take this well." Ye Chen saw that Xue Zhirou could take this quite well.

"You are absolutely right, she is capable of taking this well." Chu Yuechan agreed, Xue Zhirou was able to take this well.

"let's go" Xue Zhirou took Ye Chen, she couldn't wait to kill Jing Thao.

"um . . ." everyone understood, they all went straight and caught up with Xue Zhirou.

Xue Muer led everyone, she was one of the people who knew the whereabouts of Jing Thao.

As they all left, Xue Qinmo, Xue Miya, Xue Sunzhe appeared, it seemed they were listening to the conversation that Ye Chen as well as the others were having.

"They want to attack the enemy, do we need to help?" Xue Qinmo asked Xue Miya, Xue Sunzhe's opinion.

"Of course we have to help, we can't let them go" Xue Miya said excitedly.

Xue Miya couldn't just let them go, she also wanted to help take revenge for what happened.

"If that's your decision, let's do this." Since everyone had agreed, Xue Sunzhe asked Xue Qinmo, Xue Miya, to go.

"Let's leave this place to Xue Rong and Xue Himi, they seem to have recovered and gotten stronger" Xue Qinmo said.

after a short debate, they finally left, they went to follow Ye Chen and the others.

Ye Chen and all the ladies quickly arrived at a place called the valley of black flowers. This was a rather strange place. With all kinds of black flower plants and black trees. The atmosphere in this place was also tense. It was more like a place of despair.

"Is he here?" Xue Zhirou asked, he didn't know whether this person was in this place or not.

"The information I got should be very accurate" Xue Muer said to everyone.

"Then we just have to look for him" Ye Chen said that they only need to look for him.

Ye Chen used God Eyes, he searched around this place and looked for the whereabouts of Jing Thao.

The place is minimal with light, so it's a bit hard to find anything clearly.

Ye Chen had to work hard he used his full strength to find a palace that was quite hidden.

"There is a cultivator with level nine and it might take a bit more to get to level ten Divine Overlord Realm" Ye Chen said to Xue Muer and Xue Zhirou.

"Then it must be the person." Xue Muer and Xue Zhirou were sure that it must be the person.

"That must be the person." Xia Qingyu and Mu Nianci also agreed with what Xue Muer and Xue Zhirou said.

it must be the enemy they've been looking for, and maybe he's behind it all.

"How many enemies?" Mu Nianci asked Ye Chen.

Mu Nianci was extremely careful, she asked how many enemies they had to fight.

"About 1,000 people, I see that they are preparing troops, they might want to attack us" Ye Chen looked even more clearly, he could see that the enemy was preparing an attack for them.

"If that's the case, let's stop it." Xue Zhirou asked Ye Chen to stop the enemy's attack.

If they were to depart, it would make Frozen Cloud Sect even more devastated.

"Then let's do it. . ." Ye Chen agreed, if they didn't make a move, they might set out to destroy Frozen Cloud Sect.

Ye Chen along with the four women started to infiltrate, they infiltrated and started to observe the enemy troops they were about to encounter.

When they arrived, they already saw an enemy army with all kinds of equipment, it seemed they wanted to attack Frozen Cloud Sect in full.

"they are all trained forces, this time the attack will be carried out in full" with the existing elite forces, it is possible that the enemy wants to destroy the Frozen Cloud Sect quickly.

"With an army like this, maybe Frozen Cloud Sect will be destroyed, I have to stop this before it's too late" Xue Zhirou said to Ye Chen.

Xue Zhirou was the first person to advance, she immediately launched an attack towards the enemy team.

"Frozen Cloud Lance" a powerful attack was launched towards the enemy, the enemy was unconscious and did not know the arrival of the attack launched by Xue Zhirou.

[Chapter 2200 Finally Against Jing Tao](#)

"You two" Ye Chen said to Xia Qingyu and Mu Nianci, he ordered the two of them to do something.

"What do you want to do?" Mu Nianci and Xia Qingyu asked, both of them wanting to know what plan Ye Chen was planning to use.

"You two take care of the people inside, me and the others will take care of this army" Ye Chen said to Mu Nianci and Xia Qingyu.

he tells that both of them must defeat the enemy inside.

Ye Chen knew that there were tons of enemies inside, so it wouldn't be strange for him to order Mu Nianci and Xia Qingyu to go in and start fighting them.

"Alright, we understand" Mu Nianci and Xia Qingyu understood, both of them would do as Ye Chen asked, both of them were confident enough to do as Ye Chen said.

"Qingyu, I hope you are prepared, the enemy you are about to face may be very evil, so don't hold back" before leaving, Ye Chen said to Xia Qingyu,

Ye Chen deeply understood that Xia Qingyu was still not used to killing evil enemies, so he wanted her not to hold back, lest the enemy kill Xia Qingyu.

"I understand" Xia Qingyu understood, she understood what Ye Chen said, she would do her best to do what Ye Chen said.

After the two of them received orders from Ye Chen, the two of them immediately left, the two of them directly went to fight the enemy.

Ye Chen alone together with Xue Muer helped Xue Zhirou, both of them couldn't afford to let Xue Zhirou run into trouble.

Ye Chen watched from behind, meanwhile Xue Muer and Xue Zhirou walked into the fray.

"Where are you now?" Ye Chen looked for the whereabouts of Jing Thao, he wanted to know the whereabouts of the person who caused trouble for him.

The chaos Xue Muer and Xue Zhirou had created was an incredible mess, they had made a terrible mess.

"Boom . . ." numerous ice explosions were formed, due to the attacks launched by Xue Zhirou and Xue Muer

"no. . . ." the elite troops owned by Jing Thao were unable to kill Xue Muer and Xue Zhirou.

This army was easily annihilated by the combined attack launched by Xue Zhirou and Xue Muer.

"damn" Jing Thao cursed, when he appeared, his entire army had already fallen.

"Bastard, who did this thing" Jing Thao asked in a loud voice, his voice was very big and quite terrible.

Jing Thao's anger made his strength even stronger, he became very strong and his strength began to surpass Xue Zhirou.

Jing Thao made Xue Zhirou and Xue Muer retreat, both of them retreating quite far.

"terrible power" Xue Zhirou could feel that Jing Thao's power was terrible.

The two of them could also feel Jing Thao's extremely strong hatred, it seemed that Jing Thao was really angry at Xue Zhirou.

"So this is your doing, I will kill you" Jing Thao said to Xue Zhirou and Xue Muer.

he wanted to kill both of them using his own hands.

Jing Thao stepped forward, he directed his own attack towards Xue Zhirou and Xue Muer.

"It's not that easy" Ye Chen can't let Jing Thao, he can't let Jing Thao attack his two lovers.

"Bam . . ." Jing Thao was kicked by Ye Chen, he was kicked by Ye Chen and rolled on the ground.

"what happened" Jing Thao couldn't believe what had just happened, he had just been kicked by Ye Chen like this.

"you bastards" Jing Thao cursed Ye Chen, he cursed what Ye Chen did.

"You shut up" Ye Chen told Jing Thao to be quiet, he didn't like and didn't want to listen to Jing Thao's ramblings.

Jing Thao was quite irritated, he was quite irritated by the ramblings given by Ye Chen.

"damn it, you will pay for it" Jing Thao attacked Ye Chen, he used his full power and overflowed with anger, all of his anger overflowed horribly, he was like a monster tainted by darkness.

"black lightning fist" Jing Thao's used his own strength, he used his own strength to attack Ye Chen.

Ye Chen used an ordinary punch, he used a normal punch to attack Jing Thao.

"Boom . . ." Ye Chen's fist and the enemy's lightning punch collided, creating a strong shock when the two punches collided.

"arghhh. . ." Jing Thao screamed, he screamed in pain when he received a punch from Ye Chen.

"No way, I lost" Jing Thao couldn't believe what happened, his punch was unable to win against Ye Chen.

Even though Ye Chen only used normal punches, that alone was enough to make Jing Thao hurt.

Jing Thao's hand bones shattered, it shattered and became several pieces.

"This hurts so bad" Jing Thao felt sick, this really hurt so bad, he might have a problem when he uses his arm.

"he is very strong" Xue Muer and Xue Zhirou had to admit that Ye Chen had strength, he was able to defeat Jing Thao easily.

"What is your goal of destroying Frozen Cloud Sect?" Ye Chen asked Jing Thao.

"Why should I say what goals I have for someone like you?" Jing Thao refused to reveal his goals.

"Are you sure, then I want to destroy your body, let's see if you can still say that again" because Jing Thao is still very arrogant, Ye Chen may have to break Jing Thao's arrogance.

"die you bastard" Jing Thao said to Ye Chen, he made a sneak attack towards Ye Chen.

Ye Chen knew that Jing Thao was a despicable person, he had already anticipated this very quickly.

Ye Chen used his elbow, he started to crush Jing Thao's hand with his elbow.

"no . . ." Jing Thao screamed, he was in pain again, this time his hand was actually smashed and broken by Ye Chen.

"It's still the beginning, I hope you are ready" Ye Chen said to Jing Thao.

"damn . . ., I have never been humiliated like this." Jing Thao was furious, his aura of anger was enormous.

Instantly Jing Thao's body began to be covered by a very scary dark aura, this dark and super scary aura immediately enveloped Jing Thao's body.

"what happened ?" Xue Muer and Xue Zhirou wanted to know what happened, she wanted to know what happened to Jing Thao.

"he wants to change" Ye Chen knows what happened, it seems that he wants to show another form to Ye Chen.

"cracks . . ." the black shell started to crack, a dark and terrifying aura emitted from within the shell.

a moment later a devil-like figure appeared, this figure appeared and directly attacked Ye Chen using a powerful attack.

Ye Chen was hit by an extremely powerful attack, his body immediately retreated when he was hit by a powerful attack launched by the enemy.

"what is going on" Xue Muer and Xue Zhirou were shocked when they saw what was happening, they didn't expect that Ye Chen would be so easily blown away by the enemy.

"Now it's your turn" Jing Thao said to Xue Muer and Xue Zhirou, Jing Thao's voice became hoarse and like a monster.

Xue Muer and Xue Zhirou used their strength, they started trying to freeze Jing Thao who was in front of him.

"freeze" Jing Thao's body was completely frozen, Xue Muer and Xue Zhirou managed to freeze Jing Thao.
