

True God 2201

[Chapter 2201 Jing Thao's Arrogance](#)

Jing Thao's entire body had been completely frozen by Xue Muer and Xue Zhirou, he shouldn't be able to move anymore.

"Luckily we had time" Xue Muer and Xue Zhirou were lucky, they had time to freeze Jing Thao, this way they didn't have to worry anymore and maybe they could win this battle easily.

"cracks . . ." Jing Thao's body suddenly broke free, he completely broke free and directly attacked Xue Muer and Xue Zhirou.

"dead . ." Xue Muer and Xue Zhirou were taken aback by the sudden attack, and both of them immediately retreated when facing the powerful attack launched by Jing Thao.

Both of them had a very good chance, it left them unharmed when they received the attack that came from Jing Thao.

Xue Muer and Xue Zhirou's clothes were slightly torn, Jing Thao's attack hit Xue Muer and Xue Zhirou's clothes.

Xue Muer and Xue Zhirou became even more alert, both of them became even more wary of the enemy in front of them.

"The enemy is quite strong, we should probably be serious" Xue Zhirou told Xue Muer to be serious.

"should we use the Domain" Xue Muer asked Xue Zhirou.

"maybe it's necessary, let's do it" Xue Zhirou totally agreed with what Xue Muer wanted.

"Frozen Cloud Domain" Xue Muer and Xue Zhirou simultaneously opened a domain, a domain appeared and super cold clouds started to envelop this place.

"what is this?" Jing Thao wanted to know what this was, he wanted to know what Xue Muer and Xue Zhirou were doing.

As the clouds began to appear, Jing Thao's sight began to become dim, he could not find the whereabouts of Xue Muer and Xue Zhirou.

Jing Thao tried to focus and look for the whereabouts of Xue Muer and Xue Zhirou, while he was focused, the clouds started moving and pressed against him.

"damn, what is this ?" Jing Thao didn't know what was going on, he didn't understand what was going on.

"feel this" Xue Muer and Xue Zhirou attacked Jing Thao, they both launched a powerful attack towards Jing Thao.

"slashes . . ." Jing Thao was slashed from all sides, he didn't see any moves made by Xue Muer and Xue Zhirou.

"damn it" Jing Thao was very annoyed, how dare Xue Muer and Xue Zhirou make fun of Jing Thao.

Jing Thao tried to drive away Xue Muer and Xue Zhirou, he used his lightning power to drive away Xue Muer and Xue Zhirou.

Xue Muer and Xue Zhirou used their powers, they tried to freeze Jing Thao.

The battle that was fought by Jing Thao Vs Xue Muer and Xue Zhirou became a fierce battle, they used all the techniques they had to kill each other.

"great" from afar Xue Qinmo, Xue Miya, Xue Sunzhe saw the battle that was fought by Jing Thao Vs Xue Muer and Xue Zhirou, they could all see the strength that Xue Muer and Xue Zhirou had, the battle they fought was capable of destroying a star.

Jing Thao Vs Xue Muer and Xue Zhirou had to keep their distance, if they didn't keep their distance, maybe they would receive an impact from the battle that was fought by Jing Thao Vs Xue Muer and Xue Zhirou.

"Boom. .." each explosion that occurred, would make a strong impact, there were many craters that appeared due to their battle.

"Why isn't he still frozen?" Xue Zhirou didn't understand, his strength should be enough to freeze his enemy.

Even when combined with Xue Muer, the two of them should be enough to destroy Jing Thao.

Jing Thao had strong resistance when facing attacks from ice, so it wasn't strange that the attacks launched by Xue Muer and Xue Zhirou were unable to kill him easily.

"Too bad, your attacks can't hurt me" Jing Thao laughed at Xue Muer and Xue Zhirou, the attacks launched by the two were unable to freeze and kill him.

Xue Muer and Xue Zhirou were also helpless, their attacks were unable to destroy and kill Jing Thao.

Both of them are looking for a way, if it continues like this then they will lose at the hands of Jing Thao.

"black lightning burst" Jing Thao's attacked Xue Muer and Xue Zhirou with an extremely powerful burst, an extremely powerful torrent shot straight towards Xue Muer and Xue Zhirou.

Jing Thao's burst was extremely fast, Xue Muer and Xue Zhirou had no chance to avoid it, they might only be able to use their strength to block the attack coming from Jing Thao.

"boom" Jing Thao's burst hit Xue Muer and Xue Zhirou.

"Very good, this is my victory" Jing Thao was very happy, he managed to hit Xue Muer and Xue Zhirou.

"You are too fast to win" Ye Chen said to Jing Thao, he appeared in front of Jing Thao and said that Jing Thao was happy too fast.

"impossible . . ." Jing Thao was shocked when he saw Ye Chen who came and protected Xue Muer and Xue Zhirou.

Honestly Ye Chen should have died from the previous attack.

With Ye Chen appearing again, Xue Muer and Xue Zhirou were safe, both of them couldn't possibly get hurt when Ye Chen was in front of them.

"He seems to be quite a troublesome opponent" Ye Chen said to Xue Muer and Xue Zhirou.

"He is very troublesome indeed, he has a skin that makes him immune to ice attacks" Xue Zhirou said to Ye Chen, Xue Zhirou had already analyzed what happened, she already knew that their ice attacks would not work against Jing Thao.

"If it doesn't work, then we can use another one" Ye Chen said that he could use another power.

Ye Chen took out a lightning profound, he wanted to face Jing Thao by using a lightning profound.

"hahahaha, so ridiculous" Jing Thao laughed when he saw what Ye Chen was doing, what Ye Chen was doing was quite ridiculous.

If Jing Thao didn't work with ice, then lightning shouldn't even work, Ye Chen's attack probably had no effect on Jing Thao's body.

"We haven't tried it yet, let's see if you can survive my attack" Ye Chen said to Jing Thao.

"hahahaha, no need to say anymore, come attack me, I will accept it willingly" Jing Thao had underestimated Ye Chen too much, he had underestimated the power and attack that Ye Chen was trying to launch.

"Alright" Ye Chen used his lightning power, he made a lightning spear and threw it towards Jing Thao.

Jing Thao didn't dodge, he didn't dodge Ye Chen's attack, Ye Chen's attack was unable to penetrate his body which had been enhanced to hundreds of times stronger.

"jleb. . ." when Jing Thao thought that Ye Chen's attack would not be able to penetrate his body, Ye Chen's attack was actually able to penetrate Jing Thao's body.

"Huh?" Jing Thao was surprised by what Ye Chen did, he was quite surprised to see his body penetrated by an attack from Ye Chen.

"This can't be happening, how can the strong body that I have be easily penetrated" Jing Thao couldn't believe what happened, he didn't believe that the strong body that he had was easily penetrated by Ye Chen.

"What's a strong body, your body is too fragile" Ye Chen said that Jing Thao's body was too fragile, that's what made him unable to withstand attacks from Ye Chen.

"damn it" Jing Thao cursed Ye Chen, even though his body was hollowed out, Jing Thao was still able to stand normally.

[Chapter 2202 Succeeded In Defeating Jing Thao](#)

Jing Thao tried to heal himself, he used all the strength he had to heal himself.

"Do you think I will let you do that thing" Ye Chen will not let Jing Thao do that thing, he will not let Jing Thao do the healing.

"Ying'er, come up" Ye Chen called Yin Ying'er, he called Yin Ying'er to come up and help him deal with Jing Thao.

Yin Ying'er appeared in Ye Chen's hand, she immediately went and helped Ye Chen solve the problem.

With the help provided by Yin Ying'er, Ye Chen immediately advanced towards Jing Thao.

The Divine Yin Yang Sword appeared, Ye Chen immediately used the Divine Yin Yang Sword to slash at Jing Thao who was in front of him.

"ahhh . . ." Jing Thao screamed, he screamed when he received the attack launched by Ye Chen.

"It hurts so bad" half of Jing Thao's body is missing, half of Jing Thao's body was cut by the Divine Yin Yang Sword.

"how, isn't it very great ?" Ye Chen said to Jing Thao.

"damn it, I'll kill you" Jing Thao was very angry, he was very angry with what Ye Chen

Jing Thao had done using all of his abilities, he tried to attack Ye Chen using all the abilities he had.

Too bad Jing Thao couldn't, Ye Chen was a thousand times faster than him.

Jing Thao tried to recover himself, he did his best to be able to restore himself to his original state.

It's a shame that the Divine Yin Yang Sword has rendered Jing Thao unable to recover, he now has no chance of recovery.

"Damn, what is this, my body doesn't want to recover" Jing Thao cursed quite loudly, he cursed very loudly what Ye Chen did.

"You won't be able to recover, it's time for you to rest in peace" Ye Chen said to Jing Thao.

Jing Thao bit his lip, he didn't expect that the situation would turn out like this.

"The situation is getting worse, I may have to leave this place as soon as possible" Jing Thao felt that the situation was getting unsafe for him, that's why he decided to immediately leave and escape from this place.

"want to run away, that can never happen" Ye Chen will not let this thing go, he will not let Jing Thao go.

Jing Thao used all of his strength and abilities, he tried to escape from Ye Chen.

Ye Chen couldn't let his prey escape, he used his own power to teleport and appeared in front of Jing Thao.

"Humph, no way" Jing Thao didn't expect that Ye Chen would appear in front of him, he was really taken aback by what Ye Chen did.

"take this" Ye Chen slashed at Jing Thao again, he gave a slash towards Jing Thao.

"no" Jing Thao screamed, he again felt the excruciating pain from the attack given by Ye Chen.

"hehehe, don't you want to tell me your purpose" Ye Chen gave Jing Thao an opportunity, he asked Jing Thao to tell what really happened to him.

"No, I will not tell what happened to you" Jing Thao refused to tell what was planned.

"If you don't tell, you will feel even more cruel torture" Ye Chen said to Jing Thao.

"no . ." Ye Chen began to torment Jing Thao, Jing Thao couldn't possibly endure this.

Jing Thao was strong enough, he was strong enough to withstand every attack launched by Ye Chen.

"he is quite persistent" Ye Chen saw that Jing Thao was a persistent person, so he would probably shut up.

"You don't need to waste your time, just steal information from him" Chu Yuechan told Ye Chen to steal the information inside Jing Thao's head.

"It seems there is no other way" Ye Chen used the method suggested by Chu Yuechan, he began to extract information from within Jing Thao's head.

Ye Chen absorbed the information that was in Jing Thao's head, he found some quite interesting things.

"Okay, so that's your goal" Ye Chen finally figured out Jing Thao's goal, it turned out that he wanted to use the Frozen Cloud Sect's woman for personal gain.

"Zhirou" Ye Chen called Xue Zhirou.

"I leave this person to you" Ye Chen said to Xue Zhirou.

Just let Xue Zhirou solve this problem, Ye Chen firmly believed that Xue Zhirou would be able to solve this problem very well.

"I understand" Xue Zhirou understood, she understood what wanted Ye Chen

Xue Zhirou came forward, she immediately used her own strength and started stabbing Jing Thao's body.

"bitch woman" Jing Thao's cursed Xue Zhirou, she looked very annoyed at Xue Zhirou.

"You deserve it" Xue Zhirou said that Jing Thao really deserved all of this.

He became a person who deserved to be killed for causing Xue Zhirou and the others to suffer.

"You will regret this" Jing Thao said that Ye Chen and the others would regret this, they would regret what they had done.

"I will not regret what I have done" Ye Chen said that he would not regret what he had done.

Jing Thao's body was completely frozen by Xue Zhirou's power.

"Cracks . ." Jing Thao's body broke and became many pieces, now there is no Jing Thao in this world.

"we have succeeded" Xue Muer came, she congratulated them because they had succeeded in killing Jing Thao and finished everything.

"We still haven't succeeded." Mu Zhirou said that they might not have finished yet.

"Hmm, what do you mean?" Xue Muer asked Xue Zhirou, she wanted to know what Xue Zhirou meant.

"That's because we still have enemies like Vengeance Fate Sect" Ye Chen said to Xue Muer.

Jing Thao was one of the important people in Vengeance Fate Sect, there would definitely be someone seeking revenge.

"I forgot that" Xue Muer forgot that they still have enemies that are bigger than Jing Thao, there is still Vengeance Fate Sect behind Jing Thao.

"You don't need to worry, I'll make sure that you guys are okay." Ye Chen would make sure that Vengeance Fate Sect wouldn't be able to touch Frozen Cloud Sect.

Xue Muer and Xue Zhirou understood, she understood what said, both believed what said.

"let's clean up this place" Ye Chen asked Xue Muer and Xue Zhirou to clean up this place, they had to make sure that everyone from Vengeance Fate Sect disappeared.

Mu Nianci and Xia Qingyu were fighting inside, the two of them immediately attacked and killed all the enemies inside.

"they are terrible" Xia Qingyu couldn't stand the sight in front of her, she saw countless prisoners left to starve to death and dry up.

It was not uncommon for Xia Qingyu to see abandoned women and children pile up.

"They are an evil sect, so it's no wonder they would do such cruel things." Mu Nianci told Xia Qingyu, it wasn't strange that they were ruthless, they were an evil sect and had no mercy.

"How dare you guys show up at my place" the warden appeared, he appeared in front of Mu Nianci and Xia Qingyu.

"Who?" Mu Nianci and Xia Qingyu asked the man who had just appeared in front of them.

[Chapter 2203 Xue Qinmo, Xue Miya, Xue Sunzhe Walked Into A Trap](#)

"I am the head of the prison in this place" this man told me that they had a head of the prison whose job was to secure this place.

"So you are the one responsible for everything that happened." Mu Nianci finally knew who the person in front of her was.

"That's right, I'm in charge of this place, I won't let you guys go" the warden told that he would never let Mu Nianci and Xia Qingyu go.

"Who are you?, How dare you say that to us." Mu Nianci said in a voice as cold as ice, Mu Nianci's voice was so cold that it made the prison warden shiver.

"You cold woman, I should probably burn you first" the warden said that he wanted to burn Mu Nianci.

"Dark Flame" The warden's used black flames, he attacked Mu Nianci who was in front of him.

"Ice Sword of Destiny" Mu Nianci's displayed her own strength, she displayed her own strength in front of the enemy, the greatsword started to descend and immediately fell on the enemy's body.

"arghhhh . . ." The enemy's body was crushed by Mu Nianci, half of the enemy's body was cut off by the Ice Sword of Destiny.

"seal him" Mu Nianci ordered Xia Qingyu to seal the enemy.

"Okay" Xia Qingyu understood, she used the Ice Pillar to seal the enemy.

A pillar appeared under the warden's feet and instantly wrapped around the warden's entire body.

The current prison head was either preserved or trapped within the ice pillars made by Xia Qingyu.

"Very good job" Mu Nianci had to admit that Xia Qingyu did an extremely good job, she did an extremely good job as she managed to seal the enemy easily.

"Should we release the prisoners?" Xia Qingyu asked Mu Nianci, was it necessary for them to release the prisoners who were locked up.

"Wait a minute, we don't know what happened to them, they might be used as guinea pigs, if we set them free arbitrarily, it will cause another mess." Mu Nianci said to Xia Qingyu.

"I think I agree with what you're thinking." Xia Qingyu agreed with Mu Nianci's thoughts, they didn't know what happened to the people in this place.

The two of them were waiting for Ye Chen, they wanted to know what Ye Chen would do about this.

Ye Chen together with Xue Muer and Xue Zhirou came, they came to see the state of Mu Nianci and Xia Qingyu.

"Are you guys okay?" Ye Chen asked Xia Qingyu as well as Mu Nianci, he wanted to know if the two of them were okay or not.

"we're fine" Mu Nianci and Xia Qingyu said that they were fine, they got through everything so easily, they could be said to have succeeded.

"Very good, I'm happy to hear this." Ye Chen felt happy to hear this, he was happy when he heard Mu Nianci and Xia Qingyu's conditions.

"What are you going to do to them?" Xia Qingyu asked Ye Chen, she wanted to know what Ye Chen would do to the people in this place.

"I might release some" Ye Chen said that he would release some, there are some bad people here, so Ye Chen couldn't possibly release them and let them run around and make trouble.

"let us go. ." the bad guys tried to beg Ye Chen, they wanted Ye Chen to let them off this place.

"It's useless, I won't let you go, you just stay in this place" Ye Chen didn't believe, he didn't believe in these people.

Instead of Ye Chen releasing them and adding to the trouble, it was better for them to just stay in this place, that way they wouldn't make any trouble.

"let's go" after confirming that everyone is free, Ye Chen took all the women to go up, their task is done, this place is completely clean, so they now only need to go back.

All the women followed Ye Chen, they all followed Ye Chen out of this place.

Everything done, let's head back to the Frozen Cloud Sect.

"There are still some who haven't returned, I will look for them" Ye Chen said to Xue Zhirou, he would go to find the whereabouts of Xue Qinmo, Xue Miya, Xue Sunzhe.

"Hmm? ? ?" Xue Zhirou didn't understand, she didn't understand what Ye Chen meant.

Ye Chen left, he went and immediately looked for the whereabouts of Xue Qinmo, Xue Miya, Xue Sunzhe.

"About where did they go?" Ye Chen wanted to know where Xue Qinmo, Xue Miya, Xue Sunzhe had gone, they should be around this place.

After searching for a while, Ye Chen found the whereabouts of Xue Qinmo, Xue Miya, Xue Sunzhe.

They look unconscious and fell on the ground, what happened to them, who has done this to them.

"Why are they here?" Ye Chen drew closer, he drew closer towards the unconscious Xue Qinmo, Xue Miya, Xue Sunzhe.

Ye Chen found out what happened, when Ye Chen found out what happened, he found that Xue Qinmo, Xue Miya, Xue Sunzhe were a little abnormal.

"No scars, it seems they were caught in a trap." Ye Chen saw that Xue Qinmo, Xue Miya, Xue Sunzhe were hit by a trap.

"That's funny, it looks like they fell into an aphrodisiac trap" Chu Yuechan said to Ye Chen.

Chu Yuechan knows what just happened, it seems that Xue Qinmo, Xue Miya, Xue Sunzhe stepped on a trap and became like this.

"How unfortunate" Ye Chen didn't expect that Xue Qinmo, Xue Miya, Xue Sunzhe would turn out like this.

Ye Chen tried to help Xue Qinmo, Xue Miya, Xue Sunzhe, he tried to help Xue Qinmo, Xue Miya, Xue Sunzhe who were poisoned.

"who ?" Xue Miya looked at Ye Chen, when she saw Ye Chen, her body moved on its own, she started to pull Ye Chen along with her.

"what are you doing . . ?" Ye Chen asked Xue Miya.

"my body is hot, please help me" Xue Miya said to Ye Chen, she wanted Ye Chen to help her.

"Oh my, how could you guys be like this" Ye Chen was helpless, how could they end up like this now.

Ye Chen looked at the situation Xue Qinmo, Xue Miya, Xue Sunzhe had, it seemed that they were affected by the aphrodisiac quite badly, at this rate they might be in trouble.

Apart from Xue Miya, there was also Xue Qinmo and Xue Sunzhe starting to approach Ye Chen, they seemed to be attracted by Ye Chen's scent.

Ye Chen's male scent is very strong, so it's not strange that they are attracted to Ye Chen.

Ye Chen was quickly surrounded by three beautiful and charming women, as a man he had tried his best to survive.

"what's going on here ?" Xue Zhirou finally found Ye Chen, when she discovered the whereabouts of Ye Chen, Xue Zhirou was quite surprised when she saw Ye Chen who was being hugged by Xue Qinmo, Xue Miya, Xue Sunzhe.

"what did you do to them ?" Xue Zhirou directly asked Ye Chen, she wanted to know what Ye Chen did to Xue Qinmo, Xue Miya, Xue Sunzhe.

"I didn't do anything strange to them" Ye Chen tried to defend himself, he said that he didn't do anything strange to Xue Qinmo, Xue Miya, Xue Sunzhe.

Chapter 2204 [Bonus]Xue Qinmo, Xue Miya, Xue Sunzhe Were Under The Influence Of The Aphrodisiac (1)

"Then why did they become like that" Xue Zhirou asked Ye Chen, she wanted to know why they could become like that.

"It's possible that they fell into a trap, there are quite a few traps here, so be careful" Ye Chen told Xue Zhirou.

Xue Zhirou had just realized this, she had just realized that this place indeed had some traps, she had even stepped on a few and had to fend off those traps.

it seems Ye Chen didn't lie to Xue Zhirou, he said what happened to Xue Zhirou.

"it seems that this is bad, then let's go back first" Xue Zhirou told Ye Chen to go back first.

It was too dangerous here, they might be attacked from all directions, so they better get out of this place immediately.

"I agree with you" Ye Chen agreed with what Xue Xue Zhirou said, he really agreed with what said Zhirou

Ye Chen brought Xue Qinmo, Xue Miya, Xue Sunzhe with him, they very quickly headed towards the Frozen Cloud Sect.

Ye Chen, along with all the women came back, after they came back, they directly took Xue Qinmo, Xue Miya, Xue Sunzhe to a safe place.

Xue Qinmo, Xue Miya, Xue Sunzhe's condition was getting worse, they were delirious quite badly, this made Xue Zhirou a bit uncomfortable.

Ye Chen and Xue Zhirou looked at the conditions Qinmo, Xue Miya, Xue Sunzhe had.

"This is really bad" Xue Zhirou felt that this was really bad, she had to do something, if it continued like this, it would make Xue Qinmo, Xue Miya, Xue Sunzhe feel more and more sick.

"You are absolutely right, it seems that this is much worse than I imagined" Ye Chen agreed with what Xue Zhirou said, this is bad enough, they got a bad aphrodisiac

"They shouldn't have come, they've caused us a lot of trouble." Xue Qinmo, Xue Miya, Xue Sunzhe had made a mistake, they had secretly joined and ended up like this.

"They must just want to help" Ye Chen said that Xue Qinmo, Xue Miya, Xue Sunzhe just wanted to help them.

"Huft . . ." Xue Zhirou knows this, she knows that if they only want to help fight the enemy, she must respect the decision made by Xue Qinmo, Xue Miya, Xue Sunzhe.

"It seems there is no other way" Xue Zhirou saw that there was no other way.

"husband, please help them, it seems they can't last much longer" Xue Zhirou said to Ye Chen, she told Ye Chen to heal Xue Qinmo, Xue Miya, Xue Sunzhe.

"huh?, you want to use that method" Ye Chen asked Xue Zhirou.

"There is no other way, they might be able to accept you, if it's someone else I don't know" Xue Zhirou said.

Xue Qinmo, Xue Miya, Xue Sunzhe would definitely be able to accept Ye Chen, she was sure that they would be able to accept Ye Chen well.

"Okay, I'll do it" Ye Chen couldn't possibly refuse the request asked Xue Zhirou

"Do it slowly, you are so rude" Xue Zhirou said to Ye Chen, he asked Ye Chen to do it more lightly, he knew that Ye Chen was quite rough in doing things.

"Are you worried about them?" Ye Chen smiled, it seemed that Xue Zhirou was worried about Xue Qinmo, Xue Miya, Xue Sunzhe.

"How can I not worry" Xue Zhirou is of course worried about the situation that Xue Qinmo, Xue Miya, Xue Sunzhe have.

he didn't want anything bad to happen to Xue Qinmo, Xue Miya, Xue Sunzhe, so Xue Zhirou warned Ye Chen not to do anything weird and unreasonable.

"Okay, I'll make sure they're happier, you don't need to worry" Ye Chen said.

"Um. ." Xue Zhirou understood, she understood what said Ye Chen

Xue Zhirou didn't really want to leave, but he knew that if he had to leave this place, he couldn't just stay and watch what happened.

Xue Zhirou left Ye Chen with Xue Qinmo, Xue Miya, Xue Sunzhe, it seems that something interesting will happen when Ye Chen is with Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Qinmo, Xue Miya, Xue Sunzhe couldn't stand it anymore, they covered Ye Chen's body and started to undress Ye Chen's body.

Ye Chen didn't know what used , but her reaction was definitely very aggressive, Xue Qinmo, Xue Miya, Xue Sunzhe were quite aggressive towards Ye Chen.

"you guys, can you guys be more at ease" Ye Chen said to Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Qinmo, Xue Miya, Xue Sunzhe didn't listen to what Ye Chen said, they didn't want to listen to what said, to them what said was meaningless.

Ye Chen was like a meal for Xue Qinmo, Xue Miya, Xue Sunzhe, they started removing all the armor on Ye Chen's body.

"this is mine" Xue Qinmo, Xue Miya, Xue Sunzhe tried to fight over, they fought over Ye Chen.

Ye Chen couldn't move much, his whole body had been occupied by Xue Qinmo, Xue Miya, Xue Sunzhe.

"I didn't expect that the situation would turn out like this" Ye Chen didn't expect that the situation would turn out like this, he actually became the prey for Xue Qinmo, Xue Miya, Xue Sunzhe.

"You have a very good body" Xue Qinmo said to Ye Chen, she had to admit that Ye Chen had a very good body.

Xue Qinmo was already completely controlled by the medicine, from the way she spoke, she couldn't control herself anymore.

Now she might just think of a way to get pleasure from Ye Chen.

"hehehe, you are beautiful, what are you going to do" Ye Chen asked Xue Qinmo.

"may eat you" Xue Qinmo said to Ye Chen, Xue Qinmo said very bold words, she said too bold words.

"Are you sure, I'm not an easy opponent to fight" Ye Chen said to Xue Qinmo.

"Never underestimate women, you will know the consequences" Xue Qinmo warned Ye Chen.

Ye Chen smiled when he received Xue Qinmo's warning, it seemed that Xue Qinmo wanted to challenge Ye Chen directly.

Xue Miya and Xue Sunzhe were currently downstairs, the two of them had already started playing with Ye Chen's.

"this is scary" the two didn't know what they were grabbing, they used their instincts to hold onto Ye Chen's.

They seem to be self-taught, they are trying to learn independently.

Ye Chen couldn't teach them, so all Ye Chen could do now was guide them using his skills.

Xue Qinmo, Xue Miya, Xue Sunzhe were still beginners, they probably didn't know how to make Ye Chen feel pleasure.

Plus the they is still under the influence of the Aphrodisiac, so they may be more aggressive and abusive.

Xue Miya, Xue Sunzhe started to use their hands, they served Ye Chen with soft and super cold hands.

"very comfortable" Ye Chen had to admit that Xue Miya, Xue Sunzhe had the ability, both of them had the ability to make Ye Chen feel comfortable.

Xue Miya giggle, Xue Sunzhe giggle, they are both happy with what they are doing.

They loved to tease Ye Chen, Ye Chen was really teased, he was seduced by innocent women like Xue Miya, Xue Sunzhe.

Xue Miya, Xue Sunzhe didn't know who they were flirting with. If they knew this, they might change their minds.

[Chapter 2205 Xue Qinmo, Xue Miya, Xue Sunzhe Were Under The Influence Of The Aphrodisiac \(2\)](#)

Xue Qinmo started kissing Ye Chen, she carried out a mature and passionate kiss towards Ye Chen.

Ye Chen welcomed the kiss given by Xue Qinmo, he taught Xue Qinmo a little mature kiss.

The two's tongues and lips started to entangle, in this case, Ye Chen was more dominant, he attacked Xue Qinmo's lips and started to enjoy it.

Xue Qinmo was weak, she didn't expect that kissing Ye Chen would be so delicious, this was really something that imagine Xue Qinmo

"This is great, I didn't expect it to be so good." Xue Qinmo didn't expect it to be so good.

"Don't hold back anymore" Ye Chen said to Xue Qinmo, he told Xue Qinmo not to hold back anymore, she had to release everything in her body.

Xue Qinmo naturally followed what said , she followed what said and started to get pleasure from Ye Chen.

Meanwhile under Xue Miya, Xue Sunzhe became aggressive, the two of them did not hesitate to eat Ye Chen's huge object.

"ohhhh" Ye Chen didn't expect that Xue Miya, Xue Sunzhe would render himself a service like this, both of them were bolder than imagined Ye Chen

Both of them enjoyed Ye Chen's things, both of them didn't want to let go of Ye Chen's things.

"slurp. . ."Xue Sunzhe might be clumsy, even so, both of them did everything very well, both of them did their best to make Ye Chen feel comfortable.

Ye Chen was happy, the two of them had done very well, how could Ye Chen be angry with such a trivial matter.

Xue Miya, Xue Sunzhe were in a quandary, so the two of them had done quite well.

Ye Chen fully appreciated every woman who was willing to dedicate herself to him.

They became more and more aggressive, they attacked Ye Chen from all directions, YE Chen was attacked from all directions by Xue Qinmo, Xue Miya, Xue Sunzhe.

"Looks like I have to show off a bit of what I have." Ye Chen was going to show off the strength he had on Xue Qinmo, Xue Miya, Xue Sunzhe.

Ye Chen reached out and started counterattacking, he counterattacked towards Xue Qinmo, Xue Miya, Xue Sunzhe.

"no . . ." Xue Qinmo, Xue Miya, Xue Sunzhe started screaming, they instantly reached the peak by Ye Chen's touch.

"How, this must be very convenient." Ye Chen said to Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Qinmo, Xue Miya, Xue Sunzhe didn't answer, they were too engrossed in their own world, they were enjoying what doing Ye Chen

Ye Chen kept helping Xue Qinmo, Xue Miya, Xue Sunzhe, Ye Chen made sure that Xue Qinmo, Xue Miya, Xue Sunzhe were ready.

"I can't take it anymore" Xue Sunzhe was the first person who couldn't stand it, she couldn't take it anymore and wanted to do it with Ye Chen immediately.

Using a skill of hers, she started up and started to enter Ye Chen's.

Ye Chen let Xue Sunzhe take the lead, he wanted to know what Xue Sunzhe would do .

Ye Chen was quite happy, he was quite happy when he saw an innocent woman like Xue Sunzhe do this in her own way.

"hehehehe, let's see, what he can do." Ye Chen couldn't wait anymore, he wanted to see Xue Sunzhe's strength and ability.

"it hurts" when Xue Sunzhe put Ye Chen's in, she felt sick, she couldn't stand this feeling.

"Indeed, you should do it quickly, move your waist quickly." Ye Chen told Xue Sunzhe to quickly move her waist.

Xue Sunzhe didn't really understand what said , she just kept doing what said , she started to move at a fairly fast speed.

"This is great ! ! !" Xue Sunzhe started to feel comfortable, she started to feel comfortable by Ye Chen's big thing.

Ye Chen's huge thing made Xue Sunzhe feel full, she really liked this feeling.

"I like this, this is the best" Xue Sunzhe said that if this is the best, she might get addicted to it.

Xue Qinmo, Xue Miya looked from the side, they saw from the side what doing Xue Sunzhe

The two also wanted to try it, he wanted to try to do it with Ye Chen.

"You two will have your turn." Ye Chen said to Xue Qinmo, Xue Miya, they will have their turn.

Xue Qinmo, Xue Miya understands, they are trying to get closer and join the battle.

Ye Chen was quite chaotic. After making Xue Sunzhe helpless, he started to enter the next round. he dragged Xue Miya and started to take Xue Miya's first time.

"no" Xue Miya can't stand it, she can't stand this thing, it hurts and is too good.

Ye Chen started to let Xue Miya know the feeling of Dual Cultivation, she would definitely be very happy to do this with Ye Chen.

Xue Miya was quickly taken aback, she was beaten by Ye Chen so easily.

After that, Ye Chen went straight to Xue Qinmo, he started with Xue Qinmo.

"Please be gentler" Xue Qinmo asked Ye Chen, she saw that his two sisters had been made helpless by Ye Chen, Ye Chen had made both of them helpless with his strength.

"Don't worry, I'll be gentle" Ye Chen said to Xue Qinmo, he told Xue Qinmo that he would be gentler.

Ye Chen went straight ahead, he directly entered.

"ahh . . ." Xue Qinmo screamed, this was much more painful than she imagined.

Ye Chen knew that Xue Qinmo was trying to defend herself, so he waited patiently.

"do your best" Ye Chen said to Xue Qinmo, he told Xue Qinmo to do her best.

"um . . ." Xue Qinmo understood, she started to move and started to pinch Ye Chen's with full force.

"So comfortable" Ye Chen felt very comfortable, he was very comfortable with what doing Xue Qinmo

"Very good, you did a very good thing." Ye Chen said that Xue Qinmo had done a very good thing, she made Ye Chen comfortable.

"This is very good" Xue Qinmo said to Ye Chen, she told Ye Chen that it felt very comfortable.

"I feel comfortable too" Ye Chen told that he also felt the same way, he felt a very comfortable feeling.

"Then let's enjoy this" Ye Chen began to move his waist faster, he made Xue Qinmo feel comfortable with his own ability.

Xue Qinmo felt comfortable,s he really felt comfortable with what doing Ye Chen

"no I will come" Xue Qinmo was coming, she had already reached her limit by leaps and bounds.

"Then I will give you a gift" Ye Chen said to Xue Qinmo, he was going to give Xue Qinmo a gift.

"Byur" Xue Qinmo got Ye Chen's Yang Qi, she was full of Ye Chen's Yang Qi.

Xue Qinmo couldn't stand it, she had already been made to reach the peak several times by Ye Chen.

"next is me" Xue Miya, Xue Sunzhe said to Ye Chen, they want Ye Chen.

"Okay, let's enjoy this" Ye Chen hugged Xue Miya, Xue Sunzhe, he started the second battle with Xue Miya, Xue Sunzhe.

Ye Chen trained Xue Qinmo, Xue Miya, Xue Sunzhe, in just a few hours, they became very obedient to Ye Chen.

Ye Chen spent eight hours, he finished to make everyone comfortable.

[Chapter 2206 Rebuild Frozen Cloud Sect](#)

The battle became extremely fierce once, they did their best to make Ye Chen comfortable.

After struggling hard enough, they were finally able to calm down, all the aphrodisiacs in their bodies completely gone.

"we really did it" Xue Qinmo, Xue Miya, Xue Sunzhe didn't expect that they had done it.

"It was our fault for walking into the enemy's trap" Xue Miya said that it was their fault for walking into the enemy's trap, this made them like this.

"what should we do in the future" Xue Sunzhe didn't know what they should do.

"We have no other choice, we have to start following him like a mistress" They probably had no other choice but to follow Ye Chen, it was an option they now had to choose from.

Xue Qinmo, Xue Miya, Xue Sunzhe looked at each other, they had no choice but to do so.

"You guys are awake, how do you feel?" Ye Chen asked Xue Qinmo, Xue Miya, Xue Sunzhe.

"we are fine" Xue Qinmo, Xue Miya, Xue Sunzhe looked at Ye Chen, they looked at Ye Chen with embarrassed looks.

"hahahaha, you are so funny" Ye Chen said to Xue Qinmo, Xue Miya, Xue Sunzhe, they are so funny.

Xue Qinmo, Xue Miya, Xue Sunzhe were getting redder and redder, it seemed like Ye Chen was trying to tease them.

"Let's put on the clothes that you guys have." Ye Chen ordered Xue Qinmo, Xue Miya, Xue Sunzhe to go back to put on clothes.

Xue Qinmo, Xue Miya, Xue Sunzhe took the clothes they had, he started to take the clothes they had and started to put them back on.

They now look more mature and more seductive, they exude a special charm that makes them even more attractive to a man.

"thank you very much" Xue Qinmo, Xue Miya, Xue Sunzhe thanked Ye Chen.

"There's no need to do that, you guys are already mine" Ye Chen said to Xue Qinmo, Xue Miya, Xue Sunzhe.

"You must have planned this." Xue Qinmo felt that Ye Chen had planned this.

"Not really, I'm not even thinking about getting you all." Ye Chen wasn't even thinking about getting Xue Qinmo, Xue Miya, Xue Sunzhe.

"what are you going to do to us" Xue Qinmo wants to know what Ye Chen will do, Ye Chen has got the body and mind of Xue Qinmo, Xue Miya, Xue Sunzhe.

"nothing, do whatever makes you guys like it" Ye Chen said to Xue Qinmo, Xue Miya, Xue Sunzhe, he told Xue Qinmo, Xue Miya, Xue Sunzhe to do what they like, Ye Chen will not restrain them.

"Okay, we understand." Xue Qinmo, Xue Miya, Xue Sunzhe quickly understood, they understood what Ye Chen said.

after all, they came out, they went straight to see Xue Zhirou.

Xue Zhirou had waited long enough, she had waited long enough to be able to meet Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Zhirou smiled at Xue Qinmo, Xue Miya, Xue Sunzhe, hse looked very happy to see Xue Qinmo, Xue Miya, Xue Sunzhe who had officially joined.

"You guys have joined" Xue Zhirou said to Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Qinmo, Xue Miya, Xue Sunzhe became more and more embarrassed, they didn't expect that the situation would turn out like this, it was beyond their thoughts.

"You don't need to be embarrassed anymore, you have to get used to what happened." Ye Chen said to Xue Qinmo, Xue Miya, Xue Sunzhe, he told Xue Qinmo, Xue Miya, Xue Sunzhe to get used to it.

Don't let them be embarrassed by something like this, he wanted them to get to know each other better.

"You're being naughty" Ye Chen said to Xue Zhirou, Ye Chen saw that Xue Zhirou had become more naughty, she had become more naughty when she had intercourse with Ye Chen.

"Who is it that made me like this" Xue Zhirou said to Ye Chen.

"I understand" Ye Chen understood, he may have made Xue Zhirou change a little.

"everything is done, let's rebuild our place" Xue Zhirou said to Xue Qinmo, Xue Miya, Xue Sunzhe.

Xue Qinmo, Xue Miya, Xue Sunzhe understand, they will help rebuild Frozen Cloud Sect.

Ye Chen helped out, this was a very good opportunity for Ye Chen to get close to all the beauties in Frozen Cloud Sect.

Besides Ye Chen, Mu Nianci and Xia Qingyu also helped, the two of them helped rebuild Frozen Cloud Sect.

With the help of everyone who had recovered, they should quickly rebuild Frozen Cloud Sect.

There was also the powerful Ye Chen here, so things would go on fairly smoothly without any disturbances.

Ye Chen himself managed to approach countless women, they were easily subdued by Ye Chen.

It wasn't difficult for Ye Chen to conquer an innocent woman, so he easily obtained beautiful female disciples in the Frozen Cloud Sect.

The female students weren't too wary of Ye Chen, they quite trusted Ye Chen, so they didn't dodge even though they knew that in front of them there was a wolf that might be able to eat them.

after staying a few days in Frozen Cloud Sect, Ye Chen, Mu Nianci and Xia Qingyu decided to return.

"You guys want to go back" Xue Muer asked Ye Chen.

"Of course, I have to go back, I still have some unfinished business" Ye Chen said that he still had some unfinished business, so it wouldn't be strange if he had to go back.

"why not stay a little longer" Xue Himi said to Ye Chen, she asked Ye Chen to stay a little longer.

All women liked Ye Chen, so it wouldn't be strange for them to hold Ye Chen from leaving.

"That can't be done, I still have enemies to find, so I can't stay, if you need help, don't hesitate to say it." Ye Chen said that he would come if Frozen Cloud Sect was in trouble.

"It seems we really can't hold you down." Xue Zhirou knew that they couldn't hold Ye Chen, so they could only let Ye Chen go.

"See you later" Ye Chen said to Xue Zhirou and the others, he would wait for them to come to his place.

Sooner or later, Xue Zhirou and Xue Muer would probably join Ye Chen, they only needed a bit of time to make Frozen Cloud Sect stronger and impervious to enemy attacks.

Ye Chen, Mu Nianci and Xia Qingyu left, they flew towards Jade Lotus Peak.

"looks like you had fun with them" Mu Nianci said to Ye Chen.

"How do you know?" Ye Chen asked Mu Nianci, how did Mu Nianci know about this matter.

"I saw it" Mu Nianci said that she saw Ye Chen go in and out of the beautiful women's place several times.

So that was the reason why Mu Nianci knew about it.

"you're angry?" Ye Chen weighed heavily on Mu Nianci, it seemed that Mu Nianci was angry.

"Why am I angry?" Mu Nianci said that she was not angry, she was used to Ye Chen.

"You are indeed a pervert, you don't seem to have changed." Xia Qingyu said to Ye Chen, Ye Chen was still the same as before.

"It can't be helped, they are teasing me," Ye Chen said to Xia Qingyu and Mu Nianci.

"Who would believe that?" Mu Nianci and Xia Qingyu couldn't believe it, neither of them believed what Ye Chen Said.

It was obvious that Ye Chen was trying to lie to them, Ye Chen must have lied about what was said.

[Chapter 2207 Yang Guo Went To Fight Ye Chen](#)

"Why would I lie to you guys?" Ye Chen asked Mu Nianci and Xia Qingyu.

"We don't believe you" Mu Nianci and Xia Qingyu couldn't believe what Ye Chen said.

"Is that so?" Ye Chen stretched out his hand, he stretched out his own and started touching Mu Nianci and Xia Qingyu.

"no, quickly let us go" Mu Nianci and Xia Qingyu tried to rebel, they tried to tear themselves away from Ye Chen.

you guys are doing nothing, you won't be able to escape me" Ye Chen said to Mu Nianci and Xia Qingyu.

"You are a bully" Mu Nianci and Xia Qingyu complained to Ye Chen, both of them complained about what Ye Chen was doing.

"hehehe" Ye Chen chuckled, he had so much fun teasing Mu Nianci and Xia Qingyu.

"An attack at full speed is coming" Chu Yuechan informed Ye Chen about an attack coming towards her.

Ye Chen noticed the arrival of this attack, he immediately used his strength to block the sneak attack.

"boom. . ." a very large explosion occurred, this explosion threw rocks and also several small planets.

"What just happened?" Mu Nianci and Xia Qingyu asked Ye Chen.

"It seems we are being attacked" Ye Chen informed that they were being attacked by the enemy.

"who attacked us" Mu Nianci wanted to know who attacked them.

"I don't know, there are only 3 of them, and they have terrible strength." Ye Chen told the number of enemies in front of them.

"are they really bad people?" Xia Qingyu asked Ye Chen, she wanted to know if the enemy was dangerous.

They are indeed dangerous, this is the first time I have seen them" Ye Chen said that this was the first time he had seen an enemy.

"Who are they?" Mu Nianci wanted to know, she could feel a very strong danger from the enemy in front of them.

"Who are you?" Ye Chen asked, he wanted to know who they were.

"Interesting, you are able to withstand our attacks" The three people were interested in Ye Chen, they were interested when they saw Ye Chen was able to withstand the attacks they launched.

Should the attacks they launched be top tier attacks and impossible for normal people to parry, even though Ye Chen was that powerful, it was simply impossible to parry the attacks they had.

"I am Yang Guo" leader of the 12 Guardian Gods.

This person started to introduce himself in front of Ye Chen, he told that he was the leader of the 12 Guardian Gods.

Yang Guo finally appeared too, he appeared in front of Ye Chen and intended to destroy Ye Chen.

"Oh, so you are the leader of the 12 Guardian Gods, very interesting, very happy to see you want to appear in front of me." Ye Chen was happy when he saw Yang Guo willing to appear in front of him, this would make Ye Chen's work easier.

It was extremely difficult to find the whereabouts of the members of the 12 Guardian Gods, so it would be really great if they were willing to show themselves in front of Ye Chen directly, it would make things easier.

"this will be your grave" behind Yang Guo were two women, they were mature women with quite good looks.

It could be said that they were quite seductive milfs, they were wearing a tight dress with quite a fiery appearance.

"Oh, so you brought two beauties behind you, do you want to have fun with them, or do you bring them for me?" Ye Chen asked Yang Guo.

"I didn't bring them for you, they are his two best followers, I won't let you insult them both" Yang Guo would not forgive Ye Chen who dared to bully his two followers.

"So they are not members of the 12 Guardian Gods, what a shame" Ye Chen was quite disappointed hearing this, he thought they were members of the 12 Guardian Gods, unexpectedly that they were only Yang Guo's personal servants.

"You still dare to belittle us" Yang Guo's two followers became more and more angry, both of them became even more angry when they saw Ye Chen's getting worse and worse.

"There's no need to waste time with you anymore, I'll kill you in this place and settle things." Yang Guo said that he would settle this matter quickly.

Yang Guo started to advance, he charged forward and directly attacked Ye Chen using his full strength.

Yang Guo uses the four elements, he uses fire, ice, wind and also lightning.

Ye Chen looked at Yang Guo, he saw that Yang Guo had the ability to use the four elements.

"A very interesting enemy" Chu Yuechan pointed out that Yang Guo was a very interesting enemy.

"I agree with what you said" Ye Chen just agreed with what Chu Yuechan said.

Yang Guo was interesting, he was able to use all four elements at once.

The followers behind Yang Guo immediately helped out, one of them took out a musical instrument, while the other sang a very beautiful song.

"la. . ., la. . ., la. . ., la. . .," a song began to play, Yang Guo's body began to be enveloped by a great power.

"feel this" Yang Guo directly launched hundreds of different attacks towards Ye Chen.

He used all the techniques he had at one time.

"increasing power with music" Ye Chen looked at the followers behind Yang Guo, he could see that they had almost the same abilities as Zhao Yanyan.

The abilities possessed by the enemy were no joke, they had the strength and also the ability to fight against Ye Chen.

"Boom. . ." hundreds of attacks directly hit Ye Chen's body.

"Feel it" Yang Guo said to Ye Chen, he had launched a super strong attack towards Ye Chen.

"damn . . ." Ye Chen used the strength and abilities he possessed, he used the shield to block the attack coming from Yang Guo.

"Are you guys okay?" Ye Chen asked Mu Nianci and Xia Qingyu.

"We're fine," Mu Nianci and Xia Qingyu announced that they were fine.

"I won't let that person do bad things anymore." Ye Chen wouldn't let Yang Guo do bad things.

"You two hide." Ye Chen told Mu Nianci and Xia Qingyu to hide.

"We want to help you." Xia Qingyu and Mu Nianci said that they wanted to help Ye Chen.

"It's a bit difficult, the two people behind Yang Guo are strong, if you fight them, maybe you guys have a slight chance of winning." Ye Chen said to Mu Nianci and Xia Qingyu.

Ye Chen naturally believed in Mu Nianci's strength and abilities, the problem was that the enemies in front of them were equally strong, Mu Nianci and Xia Qingyu were not up to par with them.

If they forced it, it would put the two of them in danger, and maybe they would get bad luck.

"I understand" Mu Nianci understood, she understood and led Xia Qingyu to find a safe place.

"feel this" Yang Guo launched an attack again, he again launched an attack towards Ye Chen using full speed.

Apart from having a lot of strength and techniques, Yang Guo still has speed, Using this speed he wants to defeat Ye Chen.

"Sky wind Law" Ye Chen decided to fight back, he used his own power to fight against his enemy.

"Boom" a fierce battle ensued between Ye Chen Vs Yang Guo, both of them used their full strength to attack each other, they didn't hold back when they fought.

Their battle was very fierce, Yang Guo was able to match Ye Chen's strength.

"Their battle was intense." Xia Qingyu admitted that Yang Guo was capable of keeping up with Ye Chen.

"He was able to draw because of the two retainers behind, they gave Yang Guo strength" Mu Nianci said to Xia Qingyu.

"If that's the case then he'll be hard to beat," Xia Qingyu said to Mu Nianci.

"That's right" Mu Nianci agreed, it might be a bit of a problem to defeat Yang Guo

"Looks like we have to help get rid of the two women over there" Mu Nianci had a plan, she wanted to get rid of the two women who helped Yang Guo, that way , Ye Chen will probably be able to win easily once.

Yang Guo used countless techniques from various schools, he had used thousands of different techniques on Ye Chen.

"actually how many he mastered technique ?" Ye Chen wanted to know, he wanted to know how many techniques Yang Guo mastered, this person had demonstrated many techniques which were too much trouble for Ye Chen.

"It seems like everything was stolen from the enemy." Chu Yuechan was sure that if all of these techniques were stolen, this person probably stole the technique of the enemy he had killed.

"Skill steal technique ?" Ye Chen said to Chu Yuechan.

"That might happen" Chu Yuechan agreed with what said , this man probably had steal technique skills.

"You have to be more careful" Chu Yuechan said to Ye Chen, she told Ye Chen to be more careful against his enemies.

"If that's the case, then I don't need to hold back anymore" Ye Chen said that he would no longer hold back.

Time to see his new power, he wants to know the new power he has.

"You won't have a chance to win" Yang Guo said that Ye Chen wouldn't have a chance to win against him.

"Are you sure about that?" Ye Chen said to Yang Guo.

Ye Chen smiled, he showed an evil smile towards Yang Guo.

Ye Chen used the full strength that he had, an extremely strong power immediately appeared and enveloped Ye Chen's body.

"One Hundred Thousand Fire Swords, DESOLATE PALMS, Frost Age, God Slayer Lightning Shot" Ye Chen instantly used three top class techniques to kill and attack his enemy, he used his full strength to fight Yang Guo.

"Bastard" Yang Guo evaded, the strength shown by Ye Chen was extremely terrifying, if he received an attack from Ye Chen, then it was certain that he would be seriously injured.

[Chapter 2208 God Slayer Box](#)

Yang Guo dodged, he dodged the attack launched by Ye Chen using his full strength.

Ye Chen would not allow Yang Guo to avoid it, he launched a surprise attack towards Yang Guo.

"no way" Yang Guo couldn't believe what happened, he didn't expect that Ye Chen was already behind him.

Ye Chen used Nine Shadow Steps, he used Nine Shadow Steps to sneak attack Yang Guo.

"bastard" Yang Guo roared at Ye Chen, he looked extremely irritated at Ye Chen.

"feel this" Ye Chen used One Hundred Thousand Fire Swords, DESOLATE PALMS, Frost Age, God Slayer Lightning Shot on Yang Guo.

"damn it" Yang Guo cursed very loudly, he cursed very loudly what Ye Chen did.

Ye Chen smiled, he had just won against Yang Guo with a bit of technique.

"Boom" a very strong explosion occurs, this explosion is very strong and very damaging, this is much stronger than all the existing explosions.

Yang Guo was blown away, he was sent flying after receiving the attack that came from Ye Chen.

"damn" Yang Guo was injured, he was injured from the attack that came from Ye Chen.

"how" Ye Chen said to Yang Guo, Yang Guo should already know his strength.

"Heal me quickly" Yang Guo ordered his followers to heal him.

They did as ordered , they started to heal Yang Guo using the power they had.

Using the strength they possessed, they easily healed Yang Guo's wounds.

Yang Guo returned, his state returned to perfection, not slightest wound on his body.

Ye Chen saw what doing , he could see that Yang Guo used fast healing with the help of the two maids behind.

"Is that so, they have the duty of being a complete supporter." Ye Chen saw that the two women behind were Yang Guo's most important supports.

"In that case then I will target them" Ye Chen decided to target the supporters in the back first, that way he might be able to make Yang Guo weak.

"I won't let you" Yang Guo won't let Ye Chen, he won't let Ye Chen touch the supporter who is behind.

Yang Guo was quite smart, he used a strong defense to protect his supporters, that way Ye Chen wouldn't be able to touch them.

"I see they are quite precious to you" Ye Chen said to Yang Guo, he saw that Yang Guo really valued the two of them.

"Of course, they are my reliable weapons, I spent a lot of resources to get them." Yang Guo said that he had spent a lot of resources training these two followers, so he wouldn't let Ye Chen hurt them both.

"So that's it, then I'll target them." Ye Chen understood, he would target the two women.

Yang Guo was blocking Ye Chen, he was using all the power he had to block Ye Chen.

Ye Chen was too fast and strong, Yang Guo was starting to be overwhelmed to fight against Ye Chen.

Ye Chen had managed to overwhelm Yang Guo, this way, he would be quickly defeated.

Yang Guo was too focused on protecting those behind him, he didn't have the time to counterattack towards Ye Chen.

"damn it" Yang Guo was quite angry, he was quite angry with Ye Chen, what did had made himself into trouble.

"He forced me to continue defending" Yang Guo finally realized that he was forced by Ye Chen to continue defending, Ye Chen did not let Yang Guo succeed in attacking him.

Yang Guo's followers were also preoccupied with Ye Chen, they were preoccupied with Ye Chen and started to help Yang Guo using all the strength and abilities they had.

"This is our chance" Xia Qingyu said to Mu Nianci, they could help Ye Chen and attack the enemy.

"Let's help him." Mu Nianci agreed with Xia Qingyu's words, this was an opportunity for them to help Ye Chen.

Mu Nianci and Xia Qingyu came out, the two of them came out and helped Ye Chen using the strength they had.

"Ice phoenix explosion" Mu Nianci and Xia Qingyu used the power Ning Xia had taught them, both of them used this technique at full power.

"Boom . ." Mu Nianci and Xia Qingyu froze the people behind Yang Guo.

" what ! ! !" Yang Guo was shocked when he saw this, he didn't expect that this would all happen.

"How could this happen?" Yang Guo couldn't believe his two followers were defeated by Mu Nianci and Xia Qingyu.

"we did it" Mu Nianci and Xia Qingyu succeeded, both of them had managed to overthrow Yang Guo's supporters.

Xia Qingyu and Mu Nianci had used their entire strength in one strike, allowing them to successfully seal the enemy away.

Ye Chen saw what doing , he didn't expect that the two of them would do such a thing, it was beyond his expectations.

"You bitches" Yang Guo roared at Mu Nianci and Xia Qingyu, Yang Guo was enraged by what the two had done.

"no . . ." Xia Qingyu and Mu Nianci didn't have any strength anymore, both of them had already used their all and didn't have the strength to avoid Yang Guo's arrival.

"Your opponent is me" Ye Chen couldn't let Yang Guo touch Xia Qingyu and Mu Nianci.

"Damn it" Yang Guo was so annoyed, he couldn't touch Mu Nianci and Xia Qingyu either.

"You two, you did a very good job" Ye Chen said to Mu Nianci and Xia Qingyu, they had done a very good job.

Mu Nianci and Xia Qingyu were very happy, they were both very happy with the praise given by Ye Chen.

"then it's time to end the battle" Ye Chen decided to end the battle.

"Dimension Breaker" Ye Chen used Dimension Breaker, he immediately targeted Yang Guo.

"I will make you regret it" Yang Guo said that he would make Ye Chen regret what he had done.

"God Slayer Box from the sky" Yang Guo decided to use the forbidden weapon he had, he used his trump card.

The moment Yang Guo used this, a terrifying purple cloud appeared from the sky.

The aura around him also began to change, an ancient aura began to shroud this place.

"I wonder what's going on?" Mu Nianci and Xia Qingyu wanted to know what was going on.

"above the sky something is coming" Ye Chen said that from the sky something came.

"What's above the sky?" Mu Nianci and Xia Qingyu were curious about this, both of them wanted to know what was above the sky.

"a big box" Ye Chen announced that a big box started to fall from the sky.

"A box, what is that?" Mu Nianci didn't know what used, she could only feel something terrible from this thing.

"Be happy, all of you will experience power you never imagined in this life." Yang Guo said that everyone will see power they never imagined in this life.

Boxes from the sky began to fall down, after Box came down, this box opened and started to emit a purple lump that turned into a human figure with a tall and large body.

Ye Chen didn't know what it was, he didn't know much about this, this technique seemed to be a forbidden technique and would probably have tremendous impact.

[Chapter 2209 The Leader Of The God Realm Illumination Came To Save Yang Guo](#)

"It seems to be the box of the god of death." Chu Yuechan tried to find out about this matter.

"I don't know, I've never known this, Huang Ying's is also absent." Ye Chen didn't know what it was, Huang Ying's memory was absent.

"be careful" Chu Yuechan said to Ye Chen, she told Ye Chen to be careful, maybe this is a dangerous trap.

A dark figure started to appear, this dark figure had no face and no mouth.

"what are you trying to use?" Ye Chen said to Yang Guo, what is this guy trying to use.

"You will know soon, kill him quickly." Yang Guo ordered the creature in front of him to kill Ye Chen immediately.

This monster immediately left, he went towards Ye Chen.

In just seconds, this monster appeared in front of Ye Chen, he used his hand and turned his hand into a spear.

"Jlub . . ." The monsters in front attacked Ye Chen using their full speed.

Ye Chen used his own strength, he used his own strength to block the enemy's attack.

"boom . . ." an enormous explosion occurred as Ye Chen endured the attacks from the monsters in front of him.

"So strong" Ye Chen didn't expect that the monster in front of him would be this powerful, he had never imagined something like this.

"this was one of the god slaying weapons in the past, once ordered it will instantly kill you" Yang Guo said to Ye Chen.

"So that's how it is" Ye Chen understood, he was fighting a god-slaying weapon, it is not strange that this monster in front of him has above average strength.

"You won't have a chance this time, your life is in my hands" Yang Guo said that Ye Chen's life was in his hands.

"summon" Yang Guo decided to summon more monsters from inside the box, thousands of monsters with the same appearance came out and immediately surrounded Ye Chen.

Ye Chen was currently surrounded by countless enemies, there was no way to escape or escape from this place.

"hahahaha" Yang Guo laughed, he laughed when he saw Ye Chen who had been confined, Ye Chen now could no longer escape from Yang Guo, he was completely trapped and had no way of escaping from this place.

"It seems I've been trapped" Ye Chen saw that he was trapped, he had no way to escape or get out of this place.

"what should we do" Mu Nianci and Xia Qingyu asked Ye Chen, both of them asked about what Ye Chen was going to do .

"what am I going to do?, maybe it's time to rampage" Ye Chen may have to rampage, it's time to destroy.

"Azure Domain" Ye Chen used Azure Domain, an ancient dragon appeared and started roaring with a terrifying voice and terrifying aura.

"Argh, what is this" Yang Guo didn't know what this was, he didn't know what was going on, an ancient aura emitted from the dragon behind Ye Chen's body.

This aura was extremely intimidating, all the monsters were unable to move.

"Dimension Breaker" Ye Chen used Dimension Breaker, he destroyed all the monsters around.

"Cracks . . ." the entire monsters were destroyed by Ye Chen, they were all destroyed in the blink of an eye.

"impossible" Yang Guo couldn't believe this, he couldn't believe what he was seeing.

Ye Chen destroyed everything with a single strike, this was beyond his expectations.

"summon" Yang Guo tried to summon another monster from inside the box.

Ye Chen saw what Yang Guo was doing, seeing that Ye Chen immediately went and destroyed Yang Guo's box.

"Half Dimension" Ye Chen used Half Dimension, immediately the box started to shrink and became smaller.

"What, how could that happen" Yang Guo couldn't believe when he saw what Ye Chen was doing, how could Ye Chen do such a thing, it was unreasonable.

"what's wrong?, are you shocked" Ye Chen asked Yang Guo, this is a loss to Yang Guo, he has already lost and has no more chance to fight Ye Chen.

"damn . . damn . . damn . . damn . . damn . . ," Yang Guo cursed very loudly, he cursed very loudly what Ye Chen did.

The ace that he had was destroyed in Ye Chen's hands, now what will Yang Guo do to defeat Ye Chen.

"Should I escape?" Yang Guo began to think, should he just escape from this place, he might not have a chance to win against Ye Chen.

"Are you thinking about escaping from this place?" Ye Chen asked Yang Guo.

Yang Guo was shocked, Ye Chen could easily guess what he was thinking, this was nonsense.

"Bastard" Yang Guo said to Ye Chen, he cursed Ye Chen by using inappropriate words.

"Hehehehe" Ye Chen smiled, he smiled when he saw Yang Guo who was on the verge of despair, now who will save Yang Guo.

"Get out of the way" three people appeared from afar, they appeared and immediately used their full strength to block Ye Chen's path.

A huge wall appeared in front of Ye Chen. This wall appeared in front of Ye Chen and directly blocked Ye Chen's path.

Ye Chen looked at the wall that was used to block him, he could see that this was an extremely strong wall, it was created by someone with high strength and was probably much stronger than Yang Guo.

"A person with enormous strength" Ye Chen could feel an enormous strength, this strength was enormous.

This power might be capable of wreaking havoc in the God Realm, so the possessor of this power need not have any doubts.

"Who are you?" Ye Chen asked the person who appeared.

"we are the highest leaders in the God Realm illumination" people want to claim to be the leaders in the God Realm illumination.

"Why don't you just show yourselves, why are you hiding instead" Ye Chen asked, he told these people to show themselves.

"We don't need to do that," the highest minister in God Realm Illumination said to Ye Chen.

"Listen to us, you will be destroyed soon, wait for the time," the supreme leader of God Realm Illumination said to Ye Chen.

After saying that they took Yang Guo away, they took Yang Guo away from this place.

"Cowards, you guys even ran away like that," Ye Chen said to the leader of the God Realm Illumination.

Too bad they're gone, they're gone from this place, they're gone too soon.

"You won't chase after them" Xia Qingyu and Mu Nianci asked.

"no, it's useless to chase them" Ye Chen said that he would not chase, he knew that he had no chance to catch up with them.

It would be a loss if Ye Chen stepped inside the enemy's place, they might have already prepared a trap for Ye Chen.

Ye Chen might be quite confident in his own strength, but he didn't want to go to a place where he might get into trouble, plus they seemed to have ways to deal with Ye Chen, they probably already prepared a weapon that could kill Ye Chen.

Ye Chen still remembered the words Nanlan Lia said, they had a Heavenly Tier weapon, it was a weapon similar to Ye Chen's and would probably be a weapon strong enough to fight against Ye Chen.

[Chapter 2210 Hang Sayu Said Everything](#)

"What are we going to do with the two of them?" Mu Nianci asked Ye Chen, she wanted to know what Ye Chen would do with the two followers of Yang Guo.

"we bring them both back" Ye Chen will bring them back, they probably know many things about Yang Guo.

"Let's go back." Ye Chen brought Xia Qingyu and Mu Nianci back.

Ye Chen helped Xia Qingyu and Mu Nianci, both of them needed help from Ye Chen.

Ye Chen quickly brought Xia Qingyu and Mu Nianci back, he brought the two back to his own manor and started to make the two rest.

"Where have you been?" Zhao Yanyan asked Ye Chen, she wanted to know where Ye Chen had been.

"I just escorted them to practice" Ye Chen explained and informed that he had just escorted Xia Qingyu and Mu Nianci to practice.

"Is that so?" Zhao Yanyan couldn't believe what Ye Chen said.

"why?" Ye Chen said to Zhao Yanyan, why did Zhao Yanyan get suspicious.

"But I can smell several different perfumes on your body" Zhao Yanyan informed that she smelled the perfume on Ye Chen's body.

Ye Chen smiled wryly, he had no chance to hide what happened from Zhao Yanyan.

"Yes, yes, I admit it" Ye Chen said helplessly.

"giggle" Zhao Yanyan giggled, she felt that Ye Chen was very funny.

"Did something happen?" Ye Chen asked Zhao Yanyan, himself wondering if something happened.

"something did happen" Zhao Yanyan said that something did happen, something happened when Ye Chen was not here.

"What happened when I was not in this place?" Ye Chen wanted to know what happened when he wasn't here.

"We had a few small attacks, it seems the enemy is starting to attack, everyone is quite alert, but it's a problem because they are quite far away, so it's a bit difficult to defend" Zhao Yanyan said to Ye Chen.

"They did move, I previously met their leader, they started to move and will attack us, stay alert" Ye Chen said to Zhao Yanyan.

"I understand" Zhao Yanyan understood. She could understand what Ye Chen was thinking and wanting.

"Where is Huang Ying?" Ye Chen wanted to know where Huang Ying was now, there were some things he wanted to ask Huang Ying.

"I don't know, she hasn't come back for a few days" Zhao Yanyan informed Ye Chen that Huang Ying didn't come back for a few days.

"Who did she go with?" Ye Chen wanted to know who did she go with" Ye Chen asked Zhao Yanyan.

"she went alone" Zhao Yanyan told that Huang Ying went alone, no one was invited by Huang Yin.

"Hmmm . . ., It's a little strange." Ye Chen didn't know where Huang Ying had gone, about where Huang Ying had gone, this became a question for Ye Chen.

"she must have some business of her own, so it's fine" Chu Yuechan said to Ye Chen, Chu Yuechan seemed very confident with Huang Ying.

"Maybe I should believe her" Ye Chen would believe Huang Ying, he would believe what Chu Yuechan said and let Huang Ying do her thing.

"Yuechan, take out Hang Sayu" Ye Chen told Chu Yuechan to take out Hang Sayu.

"Okay, I understand" Chu Yuechan understood, she took out Hang Sayu, Hang Sayu immediately appeared in front of Ye Chen.

"do you need something from me" Hang Sayu asked Ye Chen, she wanted to know if Ye Chen needed her.

"I need you, can you say a little about Yang Guo?" Ye Chen asked Hang Sayu to say and tell what she knew about Yang Guo.

"What an ambitious and ruthless man, he has a technique to steal the power of his dead enemies, his strength is really terrible" Hang Sayu told Ye Chen what she knew.

"It seems that my guess was right, he has the power to steal his opponent's techniques" what said became the truth Yang Guo has great abilities.

"Then what about the supreme leader you guys have" Ye Chen asked Hang Sayu.

"There are six supreme rulers, three of whom are the ancestors of great powers, while the other three are from a very ancient and very secretive Clan." Hang Sayu told what she knew.

"is there anyone who is stronger above them?" Ye Chen asked if there was someone who was still stronger.

"I don't know about that, that's all I know." Hang Sayu didn't know, she only knew that .

"the three ancestors of the great powers, can you say it" Ye Chen asked Hang Sayu.

"You should be dealing directly with them now, they are from the Eternal Sun Star Realm as well as the Immortal Profound Sea Realm." Hang Sayu started to explain to Ye Chen.

Ye Chen understood, he understood the explanation given by Hang Sayu.

"then the rest, do you know ?" Ye Chen was curious with the rest.

"I don't know, they never show themselves." Hang Sayu said that they never showed themselves.

"This is so mysterious" Ye Chen became more and more curious, he became more and more curious about this matter.

"If I'm not mistaken Huang Ying was one of the disciples of the supreme ancient Clan in the past, she should know a bit about this matter" Hang Sayu said to Ye Chen.

"she didn't tell me about this" Hang Sayu never told Ye Chen this, she didn't give this information to Ye Chen.

"Right now she's probably going there to settle matters, I heard that they had a bit of a dispute in the past and made Huang Ying leave and escape to a place where she was never found" Hang Sayu said to Ye Chen.

"So they are the people Huang Ying is afraid of." Ye Chen finally knew who Huang Ying was afraid of.

"Do you have any other questions?" Hang Sayu said to Ye Chen, whether Ye Chen still has any questions to say or not.

"You have answered everything" Ye Chen told that Hang Sayu had answered everything, so Ye Chen didn't really need to ask anymore.

Ye Chen thought about Huang Ying, whether she was okay or not, Ye Chen wanted to know his current condition.

"You should be able to feel her presence, she should be fine" Chu Yuechan said to Ye Chen.

Ye Chen can still feel Huang Ying's existence very clearly and strongly, she should be fine, so for now Ye Chen doesn't need to worry about Huang Ying.

"Can you show me the location of your base?" Ye Chen asked Hang Sayu to tell the headquarters of God Realm illumination.

"They must have hidden it, they are not that stupid." Hang Sayu said that if the God Realm illumination had searched for a new place and destroyed the old place, they would not make a fatal mistake until they were found by Ye Chen.

"Looks like they aren't stupid, if I were them I would probably do the same thing." If Ye Chen was them he would probably do the same.

"Yanyan" prepare everyone well, we will probably be fighting in the near future, so be ready at any time" Ye Chen said to Zhao Yanyan.

"I see, this is the time, they are already strong enough, some sisters should have come out and they might come to see you" Zhao Yanyan said to Ye Chen.

Zhao Yanyan talked about Ye Chen's women who had finished training, they should have left and would probably go and meet Ye Chen soon.

"I can't wait to meet them" Ye Chen can't wait to meet them.
