

## True God 2221

### [Chapter 2221 Battle Against The God Realm Illumination \(9\)](#)

"This is impossible" The three old monsters were shocked by Ye Chen's increasing strength, Ye Chen's strength only became stronger and headed towards them.

"Boom" Ye Chen's attack hit the enemy, the attack created a huge explosion that sent everyone flying away.

"Arghhhh. . ." everyone was blown away, they were all blown away by Ye Chen's extremely powerful and destructive attack.

"I hope this attack is enough to defeat them" Ye Chen really hoped that his attack could defeat the three old monsters.

"I don't think it's strong enough yet" Chu Yuechan said to Ye Chen, Ye Chen's attack wasn't enough to kill them.

Ye Chen looked at the results, he wanted to know the condition of the three old monsters that were hit by DESOLATE PALMS.

"Did the ancestor lose" Seeing the attack just now, everyone thought that Ye Chen had won the battle, they also thought that Ye Chen had won this battle.

"It's not that easy, they are immortals, such a powerful attack shouldn't be able to kill our great ancestor." The elders didn't believe that their ancestors would lose to Ye Chen, they firmly believed that their ancestors were very strong and couldn't possibly lose to Ye Chen.

Everyone agreed, they all agreed with what happened, there was no way that the great and mighty ancestor would be defeated by Ye Chen so easily, that was an absolutely impossible thing to happen.

Dense smoke still enveloped the great ancestral grounds, the three of them still didn't appear after they received the attack from Ye Chen.

Everyone wanted to know the result, they all wanted to know whether Ye Chen succeeded or not.

When the smoke had completely cleared, they saw the figure of an ancestor who had been injured from Ye Chen's attack.

"This damn thing is quite painful" the ancestors were angry at Ye Chen, they were angry with what Ye Chen did.

Ye Chen's attack had an extremely destructive impact, this impact left the three of them quite badly injured.

The enemy saw the ancestor who was injured in Ye Chen's hands. They didn't expect that the ancestor could be injured in Ye Chen's hands.

They were injured from the attack launched by Ye Chen, Ye Chen's attack left their whole body quite seriously injured and there were several parts missing.

The three started to recover themselves, they had the ability to quickly regenerate their bodies and recover to their original state.

"That's great" everyone was shocked when they saw what happened, they didn't expect that the three ancestors could recover themselves so quickly, it was like they were immortal and could not die.

"they can recover themselves quickly" Ye Chen saw that his enemies could easily recover quickly, his attacks weren't enough to crush them and make them die.

"They all look very troublesome, they have strength that is quite inconvenient for you" Chu Yuechan said to Ye Chen, herself could see that the enemy had strength that was inconvenient for Ye Chen.

"To be honest I hate their strength" Ye Chen quite hate the enemy's strength that can recover quickly.

"fufufufu, I knew that you would say that" Chu Yuechan knew that Ye Chen would say that, Ye Chen was obviously displeased with the enemy's strength being able to recover quickly.

"Your attack won't be able to kill us" the ancestor of the Eternal Sun Star Realm said to Ye Chen, he told Ye Chen's attack that it wouldn't be able to kill them.

"You don't need to say, I know that too." Ye Chen said that he also knew that, he was not blind and could see that his attacks couldn't kill the Eternal Sun Star Realm ancestor.

"It's a good thing that I brought something that can make you troublesome." Ye Chen said that he brought something that could cause the ancestors of the Eternal Sun Star Realm to get into serious trouble.

The Eternal Sun Star Realm Ancestors wanted to know what Ye Chen was planning, they wanted to know what Ye Chen was trying to plan.

"let's finish this" Ye Chen took the Divine Yin Yang Sword , the Divine Yin Yang Sword appeared in Ye Chen's hand.

The moment the Divine Yin Yang Sword appeared in Ye Chen's hand, the three old monsters felt something dangerous, they had extremely strong instincts and could feel that the Divine Yin Yang Sword in Ye Chen's hand was a dangerous and terrifying item.

The three retreated, they kept their distance from Ye Chen.

"It seems they know the power of the Divine Yin Yang Sword" Chu Yuechan said to Ye Chen, herself telling them that they all knew the power of the Divine Yin Yang Sword.

"That's great, I managed to scare them" Ye Chen was happy, he managed to make the Enemy fear him, this became an advantage for Ye Chen.

Ye Chen stepped forward, himself wielded the Divine Yin Yang Sword and started attacking the old monster in front of him.

The old monsters in front avoided Ye Chen's attacks, they dodged Ye Chen's dangerous attacks and might be able to kill them.

"It's not that easy" Ye Chen opened his Wind Vein, his strength immediately rose rapidly, he was now extremely fast and would not be able to be seen by the enemy.

The ancestors of the Eternal Sun Star Realm and Immortal Profound Sea Realm were shocked by the strength shown by Ye Chen, they did not expect that Ye Chen would have speed far superior to them.

"Slashes . . ." Ye Chen slashed at the ancestors of the Eternal Sun Star Realm and Immortal Profound Sea Realm, all three of them receiving injuries on their bodies.

"damn" The ancestors of the Eternal Sun Star Realm and Immortal Profound Sea Realm felt pain, Ye Chen's attack was quite painful.

Even though they could heal themselves, the reality was that they still felt pain if they were hit.

They are trying to heal themselves, that way the pain will go away soon.

When they wanted to heal themselves using their powers, they found that they couldn't heal themselves, the pain persisted and they couldn't heal themselves.

"what's going on here" everyone wants to know what's going on, they all want to know what's going on in this place.

"Why can't they heal like before ?".

"Have you realized that you won't be able to heal yourself?" Ye Chen said to the ancestors of the Eternal Sun Star Realm and Immortal Profound Sea Realm.

"Don't tell me you are." They finally realized what Ye Chen was doing.

"So you guys finally realized, Hahahaha" Ye Chen laughed evilly, he looked really happy when he saw this.

Ye Chen had succeeded, he had managed to frighten the great ancestor of the Eternal Sun Star Realm and Immortal Profound Sea Realm with the sword in his hand.

"We have to destroy the sword in his hands" the Eternal Sun Star Realm and Immortal Profound Sea Realm ancestors aimed for the sword in Ye Chen's hands, it was the most dangerous sword that could threaten their lives.

"So you guys are aiming for the sword in my hand." Ye Chen was of course aware that the ancestors of the Eternal Sun Star Realm and the Immortal Profound Sea Realm were aiming for the sword in his hand.

They wanted to aim for the sword in Ye Chen's hand.

the ancestors of the Eternal Sun Star Realm and Immortal Profound Sea Realm started to attack Ye Chen, they attacked Ye Chen using the power and abilities they possessed.

An attack of hot sun and water launched towards the Divine Yin Yang Sword in Ye Chen's hand.

#### [Chapter 2222 God-Slaying Lance](#)

"Do you think you can beat me like that?" Ye Chen said that they couldn't beat him like this.

Ye Chen wielded the Divine Yin Yang Sword, himself resisted the enemy's attack with the Divine Yin Yang Sword.

Ye Chen used the God Master One Sword and entered into the Dao of the sword mode, when Ye Chen did this his strength and battle skills became stronger.

"damn, he has the strength of the Dao of the Sword" the ancestors of the Eternal Sun Star Realm and Immortal Profound Sea Realm cursed Ye Chen, they did not expect that Ye Chen would have such , it was a very troublesome power for all of them.

Using the Divine Yin Yang Sword, Ye Chen slashed at the enemy in front of him effortlessly, he did this effortlessly and without any resistance.

The Eternal Sun Star Realm and Immortal Profound Sea Realm Ancestors could only flee, they could only escape when they received Ye Chen's slash.

They knew that they would die if they took Ye Chen's attack head on, so they parried and dodged Ye Chen's attack.

"Clang . . ." Ye Chen's attacks were blocked, all of Ye Chen's attacks were successfully blocked by the enemy.

Ancestors Eternal Sun Star Realm and had to have their bones broken when they received the attack from Ye Chen.

Ye Chen's attacks were extremely damaging, it left them injured even though they had parried Ye Chen's attacks.

"This cannot be tolerated" The ancestors of the Eternal Sun Star Realm and Immortal Profound Sea Realm could not allow this.

"why don't you not use the strongest weapon, this is the time, otherwise we might be buried in this place" ancestor The Immortal Profound Sea Realm ordered the ancestor of the Eternal Sun Star Realm and Immortal Profound Sea Realm to take out the weapons that he possessed.

"That's right, it's about time" the Eternal Sun Star Realm ancestor agreed with what the said ancestor Immortal Profound Sea Realm.

"seems to have no other choice" one of the Eternal Sun Star ancestor took out a spear.

This spear had an imposing aura, when it was released it immediately intimidated everyone in this place.

"what is that, such a terrifying power" everyone felt goosebumps from the spear that the released ancestor of the Eternal Sun Star Realm.

"that" Ye Chen looked at the spear that the ancestor of the Eternal Sun Star Realm had just taken out.

"He has the God-slaying Lance" Chu Yuechan didn't expect that the ancestor of the Eternal Sun Star Realm would possess the God-slaying Lance.

"So it's true, they have super powerful weapons like that." Ye Chen finally believed Nanlan Lia's talk, he finally realized that they had Heavenly Tier artifacts.

"brat, you have made me bring out something like this, you must be prepared to die by my hands" the ancestor of the Eternal Sun Star Realm said to Ye Chen.

The God-slaying Lance had already come out, which meant that Ye Chen's victory would be nearly impossible.

Ye Chen couldn't possibly win against the God-slaying Lance, the God-slaying Lance was capable of slaying a god with a single thrust.

"That seems really troublesome" Chu Yuechan was a little worried about Ye Chen, whether Ye Chen would be fine or not, his opponent had the God-slaying Lance in his hands.

"Do you think he has made the God-slaying Lance submit?" Ye Chen asked Chu Yuechan.

"I don't know, most likely the God-slaying Lance already acknowledged that person as its master, otherwise, he should n't be able to use the God-slaying Lance" Chu Yuechan said to Ye Chen.

The Eternal Sun Star Realm Ancestor should have already made the God-slaying Lance submit, otherwise he would not have been able to wield the God-slaying Lance.

"Then he should be able to wield the God-slaying Lance at full power." Since the Eternal Sun Star Realm's Ancestor had already made the God-slaying Lance submit, then he should be able to use the full power of the God-slaying Lance.

"feel this" The Eternal Sun Star Realm Ancestor used his own hand and began swinging the God-slaying Lance towards Ye Chen.

Ye Chen used his own body to block the attack from the God-slaying Lance.

"Boom. ." a powerful explosion hit Ye Chen's body, for the first time Ye Chen's body was blown away when he received this explosion.

"This is heavy" Ye Chen body would be blown away when it received the attack from the God-slaying Lance.

"You are too reckless" Chu Yuechan said to Ye Chen, what did was very reckless.

"Strong weapon" Ye Chen rubbed the bloodstain on his lips, the attack that came from the God-slaying Lance was able to make him hurt.

"hahahaha, how about it, have you seen the power of the God-slaying Lance?" The Eternal Sun Star Realm Ancestor said to Ye Chen.

"It's really strong, I'm interested in having it" Ye Chen said that he was interested in having the God-slaying Lance.

"Don't dream too big, you won't get the God-slaying Lance, this will be the end of your journey " The Eternal Sun Star Realm Ancestor said in a condescending and mocking tone.

"hahahaha" Ye Chen laughed, himself laughing as he listened to what the say Eternal Sun Star Realm Ancestor

"Why?, have you despaired and gone mad?" the Eternal Sun Star Realm Ancestor asked Ye Chen.

"No, I'm quite happy, it's been a long time since I fought like this." Ye Chen said that he had not fought at full power for a long time, now was the time for Ye Chen to use all the abilities he had.

Ye Chen's opponent was quite strong, if Ye Chen didn't use all the strength at his disposal, he might find it difficult to win against an Eternal Sun Star Realm Ancestor who had used the God-slaying Lance.

"You have to look around you, your people are starting to get pushed out, you guys will have no chance of winning" The Eternal Sun Star Realm Ancestor said to Ye Chen.

He was telling that Ye Chen had been cornered and probably didn't have the strength to fight back.

"You will lose everything you have" The Eternal Sun Star Realm Ancestor said that Ye Chen would lose what he had.

"Don't underestimate the women I've trained, they're not that weak, and do you guys think they're just that" Ye Chen said to the Eternal Sun Star Realm Ancestor.

"What do you mean?" The Eternal Sun Star Realm Ancestor did not understand what meant Ye Chen

"They will arrive soon" Ye Chen said that help would arrive soon, he could feel that help would arrive soon.

"huh?" The Eternal Sun Star Realm's ancestors didn't understand, they didn't understand what said Ye Chen

"Boom. . ." a while later, help arrived, Ye Chen's other women finally arrived and started joining the battle.

here Xue Suyin and the others finally arrived, they arrived and started to provide assistance and attack the enemy from behind.

Xue Suyin was with Cheng Mengyan, Li Qingzu, Ye Xiu, Feng Xue, Mu Zhue, Feng Xi, Mu Fei, Murong Xi, Nanhua Caiyi, Zhang Shiyun, Su Yuya and a few Ye Chen women who were from the Frozen Ice Sect.

They finally finished their training and came out, now they were solid supports.

The well-trained women from Heaven Dream Sect also came, they came to provide assistance and joined the fight with everyone.

Xue Zhirou also came, he brought everyone along with him.

Xue Zhirou brought everyone with great strength, this was done so that they wouldn't burden the battle.

Xing Shenyi somehow also came, he came in and out of the elf village to help Ye Chen along with the other elves.

Fan Yima also came and helped using all of their abilities.

[Chapter 2223 Help Arrives And Makes A Change In The Course Of The Battle](#)

"Elves, how could they be in this place" many people were shocked when they saw the elves coming out of the hidden village, this couldn't happen.

Fang Miyu had also summoned the Fang Clan, they had summoned the Fang Clan to join the battle with Ye Chen.

The relief troops come at the perfect time, this is the perfect time for help and they are glorious to carry out a heavy attack on the enemy and help each other.

"Finally they came." Shui Yixian was happy when she saw help coming to help.

"They've come out, it looks like it will be a big help to us." Zhao Yanyan was happy about this, she was very happy when she saw the help coming.

"Yanyan this is the time, use all the skills you have" Shui Yixian told Zhao Yanyan to use all of her skills, this was the perfect time to put up a fight.

"I understand" Zhao Yanyan understood, she began to use her strength and provide assistance in the form of increasing strength for all existing allies.

"This is a power that I have, use it well" Zhao Yanyan told everyone, herself telling everyone to carry out level and end the battle as soon as possible.

"thank you very much" All women will take advantage of the support that provides Zhao Yanyan

"It's time to show the strength that has been trained for many years." Feng Xue wanted to show all the skills she had, she started to sing a song and started to confuse the enemy.

Feng Xue's voice was so beautiful, almost no one could match Feng Xue's voice.

"She has a very good voice" Qiao Xin had to admit that Feng Xue had a beautiful voice, Qiao Xin was probably a bit inferior compared to Feng Xue.

"argh . . !" Many people were hypnotized by Feng Xue's voice, they started attacking each other and started to lose control.

"All of you, make good use of this opportunity" Xue Suyin told all the women to take advantage of the circumstances created by Feng Xue, this was their chance to fight and defeat the enemy.

"ready" Cheng Mengyan, Li Qingzu, Ye Xiu, Mu Zhue, Feng Xi, Mu Fei, Murong Xi, Nanhua Caiyi, Zhang Shiyun, Su Yuya came forward, they showed their strength and started attacking the enemy.

Cheng Mengyan displayed splendid dance prowess, she attacked the enemy in an extremely graceful manner.

Li Qingzu uses lightning and ice, she attacks the enemy with a deadly attack and makes the enemy fall.

Ye Xiu used her strength and started sniping at the nearby enemies.

"Boom" an explosion occurred, this explosion occurred as a result of Ye Xiu's attack.

Mu Zhue, Feng Xi, Mu Fei, Murong Xi used their ice power, they made lots of ice flowers and started shooting at the enemies.

Any enemy hit by the flower will instantly freeze and can't move anymore.

Nanhua Caiyi used her whip, herself destroying every enemy that tried to get close.

With the power of Nanhua Caiyi's whip, she defeated the enemy effortlessly, even cultivators with high strength and cultivation were unable to withstand 's Nanhua Caiyi

Zhang Shiyun wielded an invisible wind blade, with which he defeated countless enemies without them knowing .

Su Yuya used the power of fire, she burns everything around with ease.

"a lot "Xue Suyin didn't expect that the number of enemies would be so many.

"The enemy's numbers are overwhelming, we must hurry up even more" Zhang Shiyun said to Xue Suyin.

There are still many enemies, they must work together to defeat them all.

Elves help from a long distancethey, they use arrows to attack the enemy in front.

There is no need to doubt Elf's archery ability, they have been well trained and it is impossible to miss when aiming at their target.

"defense your position" Xing Shenyi told the Elf to defend their position, she would hold off any enemies who tried to approach.

Fan Yima used her own strength, herself used her own power and started to create a fortress that the enter enemy

"Don't be careless, this is a very big battle." Xue Zhirou said to everyone behind, her telling that this was a big battle, they would lose their lives if they were even a little off guard.

Everyone was helping each other, they were suppressing the enemy with the full strength they had.

Plus the help provided by Zhao Yanyan made them even stronger.

"Look, they are very strong, your army will soon be destroyed." Ye Chen announced that the troops they had would be destroyed.

"That won't happen." The Eternal Sun Star Realm Ancestor said that if that wasn't going to happen, as long as he was alive, he would not allow it to happen.

The Eternal Sun Star Realm Ancestor attacked Ye Chen with an extremely aggressive attack, he wanted to immediately kill Ye Chen with the spear in his hand.

"as long as you die, everything will end here" The Eternal Sun Star Realm Ancestor was aiming for Ye Chen's life, as long as Ye Chen died, then everything would be finished here.

"That won't happen, I'll show you the power that I have" Ye Chen showed his strength, he finally put on the Heavenly armor.

Heavenly armor appeared on Ye Chen's body, Ye Chen finally put on Heavenly armor and started to seriously fight against the God-slaying Lance user.

"no way" The Eternal Sun Star Realm's Ancestor didn't expect that Ye Chen would be Heavenly Tier too.

"You aren't the only one with it." Ye Chen said that it wasn't only the Eternal Sun Star Realm Ancestor who had Heavenly Tier.

"Damn it, why does someone like you have Heavenly Tier?" The Eternal Sun Star Realm ancestor complained, he was complaining because Ye Chen had something that not just anyone could have.

"This is a gift from the heavens, you have to accept it well." Ye Chen said that the Heavenly Armor already possessed him.

"Let's begin, I want to see if the Heavenly armor is capable of defeating the God-slaying Lance." Ye Chen stepped forward, himself finally launched a powerful attack towards the Eternal Sun Star Realm

Ancestor The Eternal Sun Star Realm Ancestor used the God-slaying Lance to attack Ye Chen.

"thump . . ." a powerful explosion occurred when the two Heavenly Tier, it made an explosion and impact all over the battlefield.

"insane battle" Everyone's could only the Heavenly Tier weapon,

this battle can be said be the most powerful battle in this era.

The Eternal Sun Star Realm Ancestor had a bit of a hard time when he attacked Ye Chen. The Heavenly armor was much tougher and was able to protect Ye Chen's body well.

"I am completely unable to break through the defenses" The Eternal Sun Star Realm Ancestor was unable to break through and injured Ye Chen.

"feel this" Ye Chen used a punch to hit the face of the Eternal Sun Star Realm Ancestor, in this case Ye Chen had quite an advantage because he could not be attacked easily by the enemy.

"Taste this" Ye Chen used a punch that had been strengthened by using Heavenly armor, this caused the old ancestor to be seriously injured in the face.

"Damn it" The Eternal Sun Star Realm Ancestor was seriously injured, he was seriously injured from being hit by Ye Chen's punch.

#### [Chapter 2224 Battle Of Two High-Class Weapons](#)

Fresh blood appeared, this fresh blood proved that Ye Chen's attack was extremely violent and powerful.

The Eternal Sun Star Realm Ancestor knew that his attack would not kill Ye Chen, he had to use his full strength if he wanted to kill Ye Chen.

"Let's get this over with quickly." The Eternal Sun Star Realm Ancestor decided to use the technique of the God-slaying Lance.

The God-slaying Lance began to emit flames and began to heat up to a temperature that no one in the entire God Realm could reach.

"it's so hot" everyone can feel the scorching heat, they can all feel the heat that they can't easily endure.

"everyone is coming towards me" Li Jingyi told everyone to come closer, she intends to help everyone by using her strength.

Li Jingyi used her own power, she started to help everyone by using the power she had.

Li Jingyi used water to retain the heat so as not to hurt them.

Lin Rouxi also used her water power, herself using her water power to withstand the heat.

Ning Xia, Mu Lanyin, Mu Xueying as well as the other women used ice to cover everyone, that way they wouldn't be exposed to the superheated temperature emitted by the God-slaying Lance.

"no" everyone shouted, they couldn't bear the heat coming from the God-slaying Lance.

"ahhhhh" Everyone was getting burnt by the heat from the God-slaying Lance, they were getting vaporized by the God-slaying Lance.

"This old man is much crazier than I thought." Ye Chen saw what happened, he could see how the enemy was crushed by the God-slaying Lance.

Without doing anything, in fact Ye Chen had already won, this old monster had used the God-slaying Lance to kill his own troops, this was insane and unreasonable.

"master, this seems bad" Chu Yuechan said to Ye Chen, she felt that this would be a very bad thing, she might get into trouble if she received an attack from the God-slaying Lance.

The God-slaying Lance was in the hands of the right person, therefore the God-slaying Lance was able to show its maximum potential.

"what do you think, is it possible for me to withstand the attack from the enemy" Ye Chen said to Chu Yuechan.

"I'm not sure about that" Chu Yuechan said that she wasn't sure about what Ye Chen was doing.

"then I will face him head-on, this is the time to end the battle" Ye Chen should probably end this battle quickly, it seems that it is not profitable for Ye Chen to fight any longer.

The other two ancestors started to close in, they exerted their strength to strengthen the attack of the God-slaying Lance.

Using the combined power of three at once, this would be a terrifying attack, it would be hard for anyone to resist.

"this is the combined strength of the three of us, so prepare yourself" the three ancestors said to Ye Chen, they used all the strength they had to attack Ye Chen.

They knew that their attacks wouldn't work and would be easily intercepted by Ye Chen, because that's why all that could kill Ye Chen was a strike from the God-slaying Lance.

"then I will also use the full strength that I have" Ye Chen used his full strength.

The wings behind started emitting a powerful light and illuminated hundreds of millions of miles away.

"Yuechan, please take the others away from this place" Ye Chen asked Chu Yuechan, he asked Chu Yuechan to take everyone away from this place as soon as possible.

"I understand, I will do it" Ye Chen understands, he will do what Ye Chen wants.

Chu Yuechan came out, she immediately went and brought everyone together, with Chu Yuechan's strength and speed, she was able to take everyone away from this place very quickly.

When Chu Yuechan took everyone away, Ye Chen now no longer needed to hold back, he no longer needed to hold back when facing the enormous power that was in front of him.

"rumble . . ." The moment the two superpowers met, a huge explosion occurred in almost the entire God Realm, everyone could feel how terrifying a Heavenly Tier grade artifact was.

The battle for a Heavenly Tier class artifact made the heavens want to collapse, this was the most gigantic battle that everyone in the God Realm had ever seen.

Ye Chen used Water Vein, he needed even more profound energy to launch his super powerful attacks.

Ye Chen now possessed boundless profound energy, with this Heavenly armor could utilize all of Ye Chen's profound energy.

Ye Chen's strength was growing bigger, as well as the enemy's strength.

"escape from this place" cultivators with strong cultivations started to flee, they couldn't possibly survive an attack this powerful.

They tried to leave, unfortunately they probably didn't have much time to do such a thing, considering that the four of them were already ready to unleash their full power.

Ye Chen released his strength towards the enemy in front of him.

Meanwhile the three great ancestors also started to release their power, they released their power towards Ye Chen.

"thump . . ." a super big explosion occurred when two great forces met, this explosion was very large and swept almost all the planets and also people around.

The people were swept away, they were blown away by the super strong explosion that was going on.

This explosion was extremely powerful, it spread quickly and could be felt throughout the God Realm.

"This is nonsense" This force is unreasonable, some nearby stars experience strong shocks as a result of the impact of the explosion.

The explosion lasted for several minutes, after the big explosion occurred, the area at the center of the explosion became extremely quiet.

This place became extremely desolate, whether Ye Chen and the three powerful ancestors were still alive or not.

"oh . . ." Ye Chen started to get up he was trapped in the rubble when a huge explosion occurred.

"Big brother are you okay" Chu Ning'er asked Ye Chen.

"I'm fine, just a few broken bones, it's not that big of a deal." Ye Chen was fine, he had a slight injury from the huge explosion just now.

The explosion just now was indeed huge, it should be able to kill any cultivator easily, if Ye Chen didn't use the Heavenly armor, perhaps he would have received possibly slightly severe injuries.

Ye Chen couldn't stay silent, he had to make sure that they were dead.

Ye Chen searched for the whereabouts of two Eternal Sun Star Realm ancestors and one Sacred Heaven Star Realm ancestor.

two ancestors of the Eternal Sun Star Realm and one ancestor of the Immortal Profound Sea Realm were still alive, they were able to survive despite being extremely injured.

"We have lost" the Eternal Sun Star Realm ancestor said that they had lost the battle.

"This is impossible, how could we lose to a brat this is so embarrassing." The ancestors of the Immortal Profound Sea Realm did not expect that they would lose at the hands of Ye Chen, this was something that could not be accepted.

"If we do lose, we have to drag him down with us" the Eternal Sun Star Realm ancestor said that they had to drag Ye Chen along with them.

"if that's the case, let's start using that thing, let's merge our bodies into one" they were like this, now they could only use the last resort to merge their bodies into one and fight against Ye Chen.

"with our current state, we will probably disappear after we do that" with their current state, they will disappear after doing that.

#### [Chapter 2225 Battle At Full Power \(1\)](#)

"It looks like we should do that" the three agreed, they had no other choice but to do so, they had already lost, so they had better take Ye Chen with them.

They began to merge their body and soul into one, when they did this, they would gain a power that was extremely terrifying and unimaginable for normal people.

It could be said that their strengths would merge and make them invincible.

This technique was indeed formidable, but there was a price they had to pay for using this technique, they would probably lose their souls as they couldn't possibly be able to withstand the immense power combined together.

"Boom . . ." Ye Chen felt a very large explosion, this explosion was very large and made Ye Chen very alert.

"what kind of power is this, it is so huge" this power is so huge and so powerful, this is probably the most powerful power that Ye Chen has ever seen.

"This is bad, they used a forbidden technique and combined their powers in one body, that would give them strength far beyond what ordinary people could imagine" Chu Ning'er said to Ye Chen.

"Wait a moment, let me remember it properly" Ye Chen tried to remember, himself tried to remember what Chu Ning'er said.

"Isn't this a dangerous technique, their souls will be destroyed with time" Ye Chen had to admit that this technique was indeed formidable, but the price to be paid was enormous and extremely terrifying.

"It seems they don't care about that anymore, they just want to beat you and end everything." Chu Ning'er said that these people didn't care anymore, they just wanted to beat Ye Chen.

"boy . . . , this time you will not be able to survive" The voice of the ancestor hoarse, a huge body figure with two elements appeared in front of Ye Chen.

The two Ancestors of the Eternal Sun Star Realm and also one Immortal Profound Sea Realm had fused into one body and one soul, they looked extremely powerful and were filled with an extremely powerful aura.

They now possessed strength that was far above Ye Chen and they had become invincible.

"You guys are doing this just to beat me, you guys are really interesting" Ye Chen said to the old monster in front of him.

"do you think we will let you win, we will take you with us" the ancestor said that he would take Ye Chen with him.

"I don't want to, I still want to enjoy the time I have in this world" Ye Chen said that he still wanted to enjoy the time he had in this world.

"useless, feel this" The old monster used the God-slaying Lance to attack Ye Chen, he aimed at Ye Chen's now weakened body.

"Boom. . ." an explosion hit Ye Chen's body, Ye Chen's body was blown away quite a distance, he was sent flying after receiving an attack from a powerful ancestor.

"hahahah" the strong ancestor was overjoyed when he saw Ye Chen, he looked very happy when he saw Ye Chen being blown away so easily.

"damn it" Ye Chen got up, he felt the pain from the attack just now.

"they are too strong" Chu Ning'er said to Ye Chen, she told that the enemy is too strong.

"I saw it too, I have to do something" Ye Chen said that he had to do something to defeat the enemy in front of him.

The enemy was too strong, he had to use something to defeat them.

Ye Chen took a pill, he started to eat the pill, the pain in Ye Chen's body started to recover, but Ye Chen's wound didn't recover when he took the pill.

"My wounds are not easy to heal" Ye Chen could feel that the wounds on his body could not heal quickly, it seemed that this was the effect of the God-slaying Lance.

"Okay, it's time to use the lightning vein." Ye Chen decided to use his lightning vein.

"Boom" a terrifying explosion came out of Ye Chen's body, this power was so great that it could match the combined power of the three great ancestors in front of him.

Ye Chen used the power of the heavenly lightning, he finally used his full strength.

"impossible" the great ancestor saw Ye Chen's strength begin to rise very quickly, Ye Chen's strength became extremely strong.

"God Slayer Lightning Shot" Ye Chen's shot an extremely powerful bolt of lightning towards the fusion of the great ancestor's body.

The Ancestor used all of his abilities to block Ye Chen's attack, if he didn't withstand Ye Chen's attack then he would probably be crushed by God Slayer Lightning Shot.

"boom . . ." The God Slayer Lightning Shot was met with a scorching strike from the God-slaying Lance.

a huge explosion occurred again, this was an extremely huge explosion, this huge explosion shook the God Realm again.

"Not good, an attack this powerful is still unable to destroy them." Ye Chen realized that his attack was unable to defeat the great ancestor that had merged into one.

The strength of the three is still very strong and very sturdy.

"do you think such an attack could kill us" great ancestor attacked Ye Chen, he countered the previous attack.

"Boom. . .,boom . . .,boom . . .,boom . . ." several explosions occurred, the two exchanged attacks, they used all their strength and made a gigantic explosion.

this battle was too intense, no one could survive this place, everything was ravaged, around this place there was no longer any sign of life or stars.

This was just a dark place illuminated by a light from the explosion of Ye Chen's battle against the great ancestor.

The battle became so fierce that they used their strongest attacks to overpower each other.

Huge flame discs, huge water dragons as well as a supernova explosion continuously shot out to kill Ye Chen.

Even though they were one body, they could still use three attacks swiftly and simultaneously, this was quite troublesome for Ye Chen.

"I'm really mad, Dimension Shaker" Ye Chen used the Dimension Shaker, he shook the area around the ancestor.

"Damn it, what happened?" because the dimension around started to go wrong, the ancestor started to be unable to use his own power.

"It worked" Ye Chen saw that his attack was successful, his own attack managed to make the attacks of the great ancestor stop.

Ye Chen saw what happened, it seemed that the power of the Dimension Shaker could mess them up.

"Then I can make good use of this thing." Ye Chen can use this opportunity, he can use the Dimension Shaker to suppress.

"Shadow Clone" Ye Chen made Shadow Clones he made several Shadow Clones to help himself fight against the fusion of great ancestors.

"impossible. . ." the great ancestor looked at the Ye Chen who had become an awful lot.

The number of Ye Chen became many, Ye Chen started to launch a counterattack towards the great ancestor.

"Boom. ..." the great ancestor could only survive when he was attacked by the clone created by Ye Chen, even if the clone Ye Chen couldn't kill them, the clone Ye Chen could still make the great ancestor hurt.

"Damn it" great ancestor was very angry and very annoyed, he wanted to fight back, the problem was that he couldn't attack because Ye Chen had cornered them so well.

Ye Chen was smart, he knew what he had to do, he cornered them and started attacking the great ancestor.

the great ancestor was running out of time, if he didn't hurry up, then what he was doing would be ridiculous and a waste of time.

#### [Chapter 2226 Battle At Full Power \(2\)](#)

"We are running out of time" they are running out of time, if they don't do something soon, they might end up doing useless things for the rest of their lives.

"Let's use the last attack" they had no choice, they had to use the last attack they had to kill Ye Chen immediately.

"This is the last attack we will use, it is enough to kill you" the great ancestor said to Ye Chen.

The great ancestor started wielding the God-slaying Lance, he lifted the God-slaying Lance up into the sky.

When the God-slaying Lance was lifted into the sky, an enormous power appeared, this power was immense and was the power that appeared as a result of three forces being combined.

Ye Chen saw what the great ancestors did, he saw how they gathered their strength to defeat Ye Chen.

"This is different from before, it seems that this is the pure power of the God-slaying Lance." Ye Chen guessed what happened.

"He wants to use the pure power of the God-slaying Lance, its power and destructive power will be far more terrifying than the previous attack." From afar, Chu Yuechan helped Ye Chen, her telling Ye Chen what happened.

Chu Yuechan gave a piece of advice to Ye Chen, herself gave a piece of advice so that Ye Chen would not be rash in taking action.

"I'm also at my limit, I probably won't be able to withstand the Lightning Vein's power much longer" Ye Chen had already reached his limit, he needed to end this battle quickly.

The two of them had already reached their limit, that meant they were going to use their full power in their final attack.

Ye Chen used Dimension Breaker, he used all of his strength in this one strike.

"God-slaying Lance ultimate Stab" the great ancestor decided to use God-slaying Lance ultimate Stab, this was the strongest technique a God-slaying Lance could cast.

The enemy also used all the strength they had, right now both of them were using the same power, they used all the abilities they had in this one last attack.

The two closed in, they launched the last attack they had.

"Boom. ." The two attacks met and made an enormous impact, the God-slaying Lance smashed into the Dimension Breaker, causing the surrounding dimension to begin to destabilize and collapse.

"Cracks . . ." The dimensions around him collapsed very quickly, in just seconds the dimensions collapsed and strange and absurd things started happening around Ye Chen.

The two of them didn't care about what was happening around them, both were more focused on fighting to win.

"die" the great ancestor told Ye Chen to just die, he didn't like Ye Chen.

Ye Chen didn't want to lose, he used all of his strength to destroy the God-slaying Lance using his own strength.

"This may seem impossible to do, but Ye Chen is very confident that if he can do it, Ye Chen only needs to believe in himself.

Chu Yuechan, Zhao Yanyan and the others could only see Ye Chen's battle from a very far distance, they were all quite worried about Ye Chen's battle.

"Their battle was truly formidable, they both possessed terrifying strength." Zhao Yanyan could see how strong the enemy was, she could feel that their battle was quite fierce.

"You're right, it's a shame we can't get any closer." Chu Yuechan said that they couldn't get any closer, they couldn't get close to such a powerful battle.

"Isn't there something we can do?" Zhao Yanyan asked, she wanted to help Ye Chen who was fighting against the enemy.

"There's nothing you can do, hope he wins this battle" Chu Yuechan said to Zhao Yanyan, she told Zhao Yanyan and the others to pray for Ye Chen to win this battle.

All the women started to pray, they all hoped that Ye Chen could win and come back with them, one could say that they wanted Ye Chen to come back.

Everyone started wishing, they all wanted to spend their time together with Ye Chen.

"fight" Chu Ning'er tried to support Ye Chen, herself gave Ye Chen her own support.

"I'm doing it" Ye Chen was trying, he was trying his best to destroy the God-slaying Lance that was in front of him.

Ye Chen used all of his abilities, this should have destroyed the God-slaying Lance.

"Cracks . . ." a crack began to appear on the God-slaying Lance, it seemed that the Dimension Breaker was capable of destroying the God-slaying Lance.

"feel this" great ancestor didn't see this, he didn't see this because he focused on defeating Ye Chen, he knew that he had to defeat Ye Chen no matter what.

The great ancestor kept pushing Ye Chen backwards, Ye Chen was being pushed back by the strength displayed by the great ancestor.

"Gahhhhhh" Ye Chen retorted, he was trying to push back the great ancestor who was trying to push himself backwards.

The two were comparing strength, they used their strength to push each other down.

"You won't win, just accept your defeat" the great ancestor said to Ye Chen, he told Ye Chen that he would not be able to win this battle.

"nothing is impossible" Ye Chen said that he still has a chance.

Ye Chen opened his five veins, he used Fire, wind, water, earth veins and had also opened lightning veins.

This caused Ye Chen's strength to increase massively.

"die . ." Ye Chen noble pushed, he destroyed the great ancestor in front of him.

Ye Chen's strength became stronger and more understanding, this of course made the great ancestor retreat.

"impossible. . . , this can't be happening" great ancestor couldn't believe what was happening, he couldn't believe what was happening, there was no way he could lose at Ye Chen's hands.

Ye Chen's strength became more and more powerful, his attacks made the great ancestor's body begin to shatter and crack.

"no. . ., I can't lose" the great ancestor did not believe, he did not believe that he would be defeated by Ye Chen, he should be invincible with this form.

"Cracks . ." cracks sounded, the body of the great ancestor finally broke into pieces.

"unbelievable" the great ancestor couldn't believe this, he couldn't believe what had happened.

"I won" Ye Chen won, he had succeeded in destroying the fusion of three powerful ancestors in the God Realm.

"This can't be happening" the great ancestor didn't believe that he had been defeated by Ye Chen, he didn't expect Ye Chen to be able to beat him.

The great ancestor's body had started to turn to dust, his soul had been completely depleted and he was about to disappear from this world.

Ye Chen saw everything, he saw that his enemy had disappeared.

"I'm glad that this is all over" Ye Chen was happy that everything was over, he had already used all the strength in his body and was very tired.

"Looks like I need to rest" using all the Veins at one time was enough to burden Ye Chen's body, Ye Chen's body felt very heavy.

Ye Chen felt unable to hold his body up.

When Ye Chen felt that he was going to fall, suddenly Ye Chen felt someone grab him from behind.

"are you okay" Zhao Yanyan caught Ye Chen's body, she caught Ye Chen and started hugging him.

"I'm quite tired" Ye Chen said to Zhao Yanyan, he told her that he was feeling tired.

"Everything is done, you can rest" Zhao Yanyan said to Ye Chen, she told Ye Chen to rest, it seemed that Ye Chen had pushed himself hard enough.

Ye Chen is really very weak right now, he is really very weak and unable to do anything.

Using the lightning vein had made his own strength disappear for a while.

Zhao Yanyan brought Ye Chen, she had to heal Ye Chen quickly.

Li Jingyi came with Zhao Yanyan, she wanted to heal Ye Chen well.

"Everyone, let's clean up this place." Shui Yixian ordered everyone to help clean up this place, the war had made this place very messy.

"understood" everyone understood what Shui Yixian wanted, they immediately went and immediately cleaned up the mess.

Because the chaos was so huge and so heavy, everyone had to use their powers to sort things out as they occurred.

The enemies had all retreated, they had retreated long ago and no longer dared to show themselves.

If they showed themselves now, then it was certain that they would receive punishment.

News of the battle spread rapidly, this battle spread extremely quickly and everyone knew that the Eternal Sun Star Realm and the Immortal Profound Sea Realm had been destroyed.

Now the Western God Realm had lost two major powers and perhaps this would be a bad thing for the fate of the Western God Realm.

All of this was done by the very young Ye Chen, at such a young age, he could already shake the entire God Realm.

"Oh . . ., this hurts" Ye Chen was currently healing, the injuries on his body were quite severe and Li Jingyi had to use his own strength to help Ye Chen.

"Husband, your injuries are quite serious, my strength needs time to completely heal you" Li Jingyi said to Ye Chen, she told that he needed time to completely heal the wounds on Ye Chen's body.

"Take it slowly, there's no need to be too hasty" Ye Chen said to Li Jingyi, she also knew how things were right now.

Where Ye Chen's body was injured from the powerful attack of three ancestors with peak cultivation in God Realm.

"I will do it" Li Jingyi understands, he will do it slowly.

"Hubby, long time no see you" Ye Xiu appeared, she hugged Ye Chen who was in front of her.

"oh . . ." Ye Chen tried to endure the pain, Ye Xiu did a good thing at a bad time.

"sister Xiu, he is sick, don't do anything bad" Zhao Yanyan said to Ye Xiu, she told Ye Xiu to release Ye Chen.

"Are you injured ?" Ye Xiu couldn't believe that Ye Chen was injured, she couldn't believe that the strong Ye Chen would be injured.

"I'm still injured, so let me go, it hurts" Ye Chen said to Ye Xiu.

"Okay" Ye Xiu understood, she let go of Ye Chen and started to walk away, she didn't want Ye Chen to feel pain because of her.

Xue Suyin, Cheng Mengyan, Li Qingzu, Feng Xue, Mu Zhue, Feng Xi, Mu Fei, Murong Xi, Nanhua Caiyi, Zhang Shiyun , Su Yuya appeared, they saw the condition of Ye Chen

They could only see Ye Chen and talk to Ye Chen, Ye Chen still had to receive treatment before he could be with them.

"you all look better" Ye Chen said to Xue Suyin, Cheng Mengyan, Li Qingzu, Ye Xiu, Feng Xue, Mu Zhue, Feng Xi, Mu Fei, Murong Xi, Nanhua Caiyi, Zhang Shiyun, Su Yuya.

"of course, we spent time training, we missed you quite a bit" Zhang Shiyun said to Ye Chen.

"Hehehehe" Ye Chen laughed, he laughing when he saw things getting better.

"You should rest more for a while" Li Jingyi forbade Ye Chen to move too much it would affect his injuries.

"You should rest more" Cheng Mengyan said to Ye Chen, she wanted Ye Chen to fully recover so they could live their relationship well.

"That's absolutely true" Li Qingzu agreed completely, she wanted Ye Chen to rest to get better, she wanted to spend more time with Ye Chen.

"I understand" Ye Chen understood, he would recover quickly.

"a while later everyone left, they all left and left Ye Chen to rest.

Li Jingyi would watch over Ye Chen, she would make sure that Ye Chen could recover quickly.

"You are very lucky" Chu Yuechan appeared in front of Ye Chen, she appeared in front of Ye Chen and saw the condition of Ye Chen.

"they are very attentive" Ye Chen saw his wife who was attentive, they were all very attentive to Ye Chen.

"You have to take good care of them, my cute master" Chu Yuechan said as she teased Ye Chen.

"My condition is not good, so don't tease me" Ye Chen said to Chu Yuechan, he told Chu Yuechan not to tease him.

"Fufufufu" Chu Yuechan smiled, she really liked and really enjoyed teasing Ye Chen.

Chu Yuechan accompanied Ye Chen, she accompanied Ye Chen here while the others cleaned up the mess that was outside.

#### [Chapter 2227 Ye Chen & Li Qingzu Together \(1\)](#)

Several weeks had passed since the great battle that occurred, Ye Chen was currently spending his own time quite peacefully and he was undergoing healing and was almost completely recovered to how he used to be.

"Are you feeling better?" Nangong Xiang came to see Ye Chen, she wanted to see Ye Chen and see his condition.

"I am very good" Ye Chen told her that he was very good.

"good" Nangong Xiang was overjoyed, she was glad that Ye Chen had started to recover and was in top condition.

"What is the current state?" Ye Chen asked Nangong Xiang, he wanted to know the current state.

"everything is fine everyone, the situation is getting under control and God Realm is starting to return to how it was before" Nangong Xiang told what happened, she told Ye Chen what was going on.

"I'm glad to hear that" Ye Chen was happy when he heard this, he was quite satisfied when he heard this news from Nangong Xiang.

"With the loss of the two major powers, there should be someone to replace them, are you also interested in that?" Nangong Xiang asked Ye Chen.

"To be honest it's a little troublesome" Ye Chen said to Nangong Xiang.

Ye Chen didn't really like such troublesome things, he would probably get a lot of hard work, and Ye Chen didn't really like being told to do all the trouble.

"I thought that you would say that." Nangong Xiang had expected that Ye Chen would say this, he had expected that Ye Chen would say this to himself.

"You are now one of the strongest people in God Realm, you must be more careful, perhaps there will be more targeting you" Nangong Xiang said to Ye Chen.

Nangong Xiang firmly believed that right now there were a lot of people who might be targeting Ye Chen.

"Indeed, there are quite a few people who are trying to target me. It seems that there are still three more powerful ancestors who control God Realm illumination," Ye Chen said.

"They probably won't move for a while." Nangong Xiang was absolutely certain that they wouldn't move for a while.

"I hope so" Ye Chen also hoped so.

"what about the elves, did they return to their place" Ye Chen asked about the elves.

"They have returned, they don't seem fit to live in the God Realm because it is not as good a place as they are, there are only two left, they are Xing Shenyi and Fan Yima, I heard they are your women, so I let them stay inside. fairy gate, looks like they like being in there." Nangong Xiang told Ye Chen what he was doing.

"You have done a very right thing" Ye Chen was satisfied with what Nangong Xiang did, he had done a very good thing.

"There is something urgent" Fang Miyu appeared behind Nangong Xiang, she told what was going on and needed Nangong Xiang.

"I understand" Nangong Xiang understands, he will leave immediately.

After notifying that something happened Fang Miyu immediately left, she immediately left and immediately went to deal with something.

"what happened," Ye Chen asked Nangong Xiang.

"Just a matter, it seems that there is a group of robbers causing trouble in our place, I will go and deal with it" Nangong Xiang told what happened.

"Is that so" Ye Chen understood, it seemed that this matter was about business and needed Nangong Xiang to help.

"I'll go first" Nangong Xiang left, she directly went and dealt with the matter at hand.

Ye Chen came back alone, he came back alone in this room.

"a little boring" Ye Chen looked bored, he looked bored himself and wanted to do something to overcome this boredom.

"Just take a walk" Ye Chen decided to take a walk, he wanted to take a look around this palace.

Beautiful Harem Palace looks very lively, this place looks very lively and is the most beautiful place with many beautiful women.

When Ye Chen was sightseeing, he saw the figure of Li Qingzu

"that's Li Qingzu ?" Ye Chen looked at Li Qingzu, he hadn't seen Li Qingzu in a long time.

Li Qingzu was doing work, she was caring for the plants around this place with all her heart and soul.

Li Qingzu was a woman who was diligent in both study and work, and she hated sitting around doing nothing at all.

Ye Chen started to move closer towards Li Qingzu, himself hugging Li Qingzu from behind.

"ah. .." Li Qingzu was surprised by what Ye Chen did, she was quite surprised when she saw what Ye Chen did.

"What's wrong?" Li Qingzu asked Ye Chen, he wanted to know what Ye Chen was doing.

"I just want to hug you" Ye Chen said that he only wanted to hug Li Qingzu.

Li Qingzu still felt strange, she still felt strange about what Ye Chen had done.

"is something bothering you" asked Ye Chen on Li Qingzu.

" I want you to answer my question" Li Qingzu said to Ye Chen, she wanted Ye Chen to answer her question.

"what is it, just say it" Ye Chen told Li Qingzu to say it.

"What do you think, I feel that I feel inferior to others" Li Qingzu asked Ye Chen.

"That's all you want to ask ?" Ye Chen said on Li Qingzu.

"Yes" Li Qingzu nodded, that was what he wanted to ask Ye Chen.

"What an interesting question" Ye Chen said that Li Qingzu had a very interesting question.

"What do you think?" Li Qingzu asked, she wanted to know what Ye Chen thought about this matter.

"You don't need to think about it anymore, to be honest you are already very good, listen to me carefully, they don't care about that, they don't care about your background, they already think of you as part of the family, you You alone should be able to overcome this and not think of yourself as lower than others" Ye Chen said to Li Qingzu.

"I myself also come from a background that may be far worse than yours, you should be more grateful" Ye Chen whispered in Li Qingzu's ear.

Li Qingzu was silent for a while, what Ye Chen said was the truth, he had to believe everyone, everyone believed him.

"thank you very much, I'm relieved" Li Qingzu thanked Ye Chen, the words given by Ye Chen had made her excited again.

"you're welcome" Ye Chen was also happy, he was also happy in helping Li Qingzu, Ye Chen hoped that Li Qingzu could be more confident with herself.

"why don't you let me go" after a while they hugged, Li Qingzu said to Ye Chen.

"Why should I let you go?" Ye Chen asked Li Qingzu, he wanted to know why he had to let Li Qingzu go.

Ye Chen didn't want to let go of Li Qingzu, he wanted to hug Li Qingzu next.

"it" is now Li Qingzu's turn to be confused by Ye Chen, he doesn't know the reason to reject Ye Chen.

"You have no reason, you are mine" Ye Chen said to Li Qingzu , he told Li Qingzu was his.

Li Qingzu blushed, Ye Chen's words were so firm, Ye Chen regarded Li Qingzu as his own.

Ye Chen carried Li Qingzu in his arms, he took Li Qingzu with him.

"what will he do" Li Qingzu naturally felt happy, herself felt happy when she was carried by Ye Chen, she couldn't help but love when he was carried by Ye Chen like a princess.

#### [Chapter 2228 Ye Chen & Li Qingzu Together \(2\)](#)

Ye Chen took Li Qingzu to his room.

Li Qingzu currently lowered her head in embarrassment, she was quite embarrassed by what was about to happen.

Ye Chen carried Li Qingzu onto the bed.

"are you embarrassed" Ye Chen looked at Li Qingzu, it seemed that Li Qingzu was embarrassed when facing Ye Chen.

"this is embarrassing" Li Qingzu said to Ye Chen, she told that this is embarrassing.

"hahaha, this is so funny, Senior Sister is so shy" Ye Chen saidon Li Qingzu.

"Don't make fun of me" Li Qingzu said to Ye Chen, she didn't want to be made fun of by Ye Chen.

"then you don't need to be ashamed anymore" said Ye Chen to Li Qingzu.

Ye Chen told Li Qingzu not to be embarrassed and start facing him.

The two already had a special relationship, so Ye Chen wanted to get even closer to Li Qingzu.

"you are the one who made me ashamed" Li Qingzu said to Ye Chen, she told that Ye Chen was the one who made her feel ashamed.

"Is that so?" Ye Chen was happy, he stretched out his hand towards Li Qingzu.

"ummm . ." Li Qingzu groaned, Ye Chen's touch felt very comfortable.

"You seem quite excited, a little touch made you become like this" Ye Chen said as he teased Li Qingzu.

"no" Li Qingzu said to Ye Chen, for some reason when Ye Chen's fingers touched her, it felt so good that Li Qingzu was confused by Ye Chen.

"Hehehehe" Ye Chen smiled, he smiled when he saw Li Qingzu.

Li Qingzu was so cute, Ye Chen wanted to play with Li Qingzu a little longer.

"ohhh . ." Li Qingzu's voice was very sweet, she had a very sweet voice for Ye Chen to listen to.

Ye Chen was quite excited, he had not exercised for a long time, he probably wanted to eat Li Qingzu.

Li Qingzu was helpless, she could only survive the attacks launched by Ye Chen.

"Are you just going to stand by and do nothing?" Ye Chen asked Li Qingzu.

Li Qingzu looked at Ye Chen, she saw Ye Chen smiling at her.

Li Qingzu blushed when she saw Ye Chen, to be honest Ye Chen was too handsome and full of very strong charm, Li Qingzu couldn't stand the handsome Ye Chen.

"You do not want to show the results of your training?" Ye Chen said to Li Qingzu, he wanted Li Qingzu to show him the results of the practice she had done.

"I'll show it" Li Qingzu would start showing her training results, he would show Ye Chen how he was now.

Apart from cultivating his own, Li Qingzu also practiced Dual Cultivation.

Li Qingzu knew that she was bad at it, so she decided to train harder to get more benefits.

Li Qingzu pushed Ye Chen away, she started to become more aggressive than before.

"I hope you're ready, I won't hold back" Li Qingzu said to Ye Chen, she telling Ye Chen that she wouldn't hold back.

"I want to see it, don't let you beg when you lose" Ye Chen said on Li Qingzu.

"Let's see." Li Qingzu help Ye Chen, she started to help Ye Chen take off Ye Chen's clothes.

Li Qingzu took off Ye Chen's upper clothes, when she did that, she could see Ye Chen's body which was so beautiful and so muscular.

Ye Chen had a perfect body shape, this was what Li Qingzu liked.

Li Qingzu looked at Ye Chen, she was about to start teasing Ye Chen by using her skills.

Li Qingzu started to kiss Ye Chen, she kissed Ye Chen and started to insert her own tongue into Ye Chen's mouth.

Ye Chen welcomed Li Qingzu's tongue, the two's tongues entangled with each other and started to dance together.

"Um. ." Li Qingzu really likes this, she likes it when it comes to adult kisses, it's a very good thing.

Ye Chen and Li Qingzu kissed for a few minutes, after a few minutes Li Qingzu was the first to retreat, it seemed that she was out of breath and couldn't bear to kiss for a long time together with Ye Chen.

"This is great, I'm getting excited." Li Qingzu was getting excited, she couldn't stand this stimulation.

"this wants it" Li Qingzu wants it, she wants to do the same thing as last time.

Li Qingzu took off Ye Chen's pants, suddenly something big and long appeared in front of Li Qingzu.

"Wow, it's bigger than last time" Li Qingzu finally noticed that Ye Chen's had gotten a lot bigger compared to before.

"It should be bigger, can it still grow, this is surprising." Li Qingzu saw that this was very surprising.

Li Qingzu was quite shy, she was quite shy for something like this.

"Okay I will do it, he is the man I have, I can't be embarrassed." Li Qingzu tried to be confident, and started to help Ye Chen.

Li Qingzu stretched out her hand, she started to help Ye Chen's little brother with her hand.

Ye Chen was very satisfied, Li Qingzu had such a good move, this made Ye Chen feel at ease.

Li Qingzu moved her hand quickly, she wanted to make Ye Chen comfortable by using her hand.

"It's very sturdy and strong" seeing that Ye Chen is very strong, maybe he needs more strength to fight Ye Chen.

Li Qingzu brought her face closer, she brushed aside some of her hair and started to open her mouth.

Li Qingzu helped Ye Chen with her mouth, she provided a service for Ye Chen.

Li Qingzu was quite skilled at this service, she used her mouth to comfort Ye Chen.

"Jubo. . ." Li Qingzu moved swiftly and aggressively, she really wanted to squeeze out all of Ye Chen's Yang Qi.

"too strong" Ye Chen didn't expect that Li Qingzu would be this strong, Li Qingzu's technique could be said to be very good.

Li Qingzu looked at Ye Chen, she tried to see if Ye Chen was satisfied or not with the service she provided.

Ye Chen looked very satisfied, he enjoyed what Li Qingzu was doing.

Li Qingzu helped Ye Chen for 15 minutes, he saw that this was not enough to make Ye Chen lose.

"husband, you are really strong" Li Qingzu said to Ye Chen.

Ye Chen was extremely strong, he could survive Li Qingzu's attack for 15 minutes.

"of course, I am a gentleman" Ye Chen said to Li Qingzu.

"then let's do it" Li Qingzu said to Ye Chen, she directly climbed onto Ye Chen's body.

"I can't take it anymore" Li Qingzu said to Ye Chen, she telling that she couldn't take it anymore and needed Ye Chen to get rid of this discomfort.

"do it" Ye Chen said to Li Qingzu, he told Li Qingzu to do it.

Li Qingzu directly entered Ye Chen's, she started to move and directly started a fierce battle with Ye Chen.

"Ahh. ." Li Qingzu moaned, this felt so good, she couldn't stand the feeling that the big thing under her was giving her very good feeling.

"you are amazing" Li Qingzu said to Ye Chen, she said that Ye Chen is amazing.

Li Qingzu didn't hold back her voice, her voice leaked out and could easily be heard by anyone nearby.

The two started Dual Cultivation practice, they were quite excited and passionate.

#### [Chapter 2229 Feng Xue And Su Yuya Peeked Into The Room](#)

"ahhh . . . , this is too strong" after several hours of fierce fighting, Li Qingzu finally started asking Ye Chen to be gentler.

It seemed that Li Qingzu couldn't stand Ye Chen's strength that was too strong anymore.

"It's too late to regret it" Ye Chen said to Li Qingzu, it's too late for Li Qingzu to regret it, he will not let Li Qingzu go no matter what.

"no ! ! !" Li Qingzu said in a weak voice, he completely defeated by Ye Chen in this battle.

"what happened ?" Feng Xue was currently in front of Ye Chen's room, she heard a female voice in Ye Chen's room.

Feng Xue was no longer innocent, she of course knew what was going on in there, she just wanted to know who the woman Ye Chen was with, early made Feng Xue curious.

"little sister, what's wrong" Su Yuya came over, she asked Feng Xue, she wanted to know why Feng Xue was standing quietly in front of Ye Chen's room.

"Big sister Yuya, look what's going on inside" Feng Xue said to Su Yuya, she told Su Yuya about what happened inside.

"This voice ?" Su Yuya listened to Ye Chen and Li Qingzu's voice, As a mature woman, she naturally knew what was going on.

"looks like he is doing something with his woman" Feng Xue said to Su Yuya

"I'm not too surprised, he has his own troubles and has to do that" Su Yuya said to Feng Xue.

Su Yuya knew that Ye Chen had problems in his body, he could easily accept this and not mind this too much.

"help . ." from within Li Qingzu started screaming, he seemed to be in trouble.

"is she okay" Feng Xue wants to know if the woman inside is okay.

"It should be Li Qingzu inside." Su Yuya knew who the woman was inside, it should be Li Qingzu, a slightly shy and reserved girl.

Su Yuya didn't expect that he would do that with Ye Chen, it was quite a shock for Su Yuya.

"what should we do ?" Feng Xue asked Su Yuya, what should they do to solve this problem.

"we should probably help her" Su Yuya said to Feng Xue.

Su Yuya wanted to help Li Qingzu, she couldn't let Li Qingzu ask for help when fighting Ye Chen.

"Big sister, don't tell me you want it." Feng Xue naturally understood what Su Yuya wanted.

"are you embarrassed, haven't you done it too" Su Yuya said to Feng Xue.

"that . . ." Feng Xue was speechless when she heard this, she had already done that with Ye Chen.

"Come in" milf Su Yuya led Feng Xue in, they went in and peeked inside.

When the two peeked inside, they saw a quite embarrassing sight.

The two of them saw how Ye Chen carried out Li Qingzu quite hard, Li Qingzu had no resistance when fighting Ye Chen.

It could be said that Ye Chen was too strong, Li Qingzu was no match for the extremely strong Ye Chen.

"It seems that he is in trouble." Feng Xue saw that Li Qingzu was in trouble, it seemed that she was facing Ye Chen who was too strong.

"He is indeed strong, the ability on the bed is too strong" Su Yuya knows very well Ye Chen's strength, Ye Chen's strength is very strong, they might get into trouble if they try to fight Ye Chen.

Ye Chen felt someone watching him, Ye Chen immediately saw who was watching him.

Ye Chen saw Feng Xue as well as Su Yuya, both of them peeking outside.

"So the two of them came, maybe I should drag the two of them." Ye Chen wanted to drag the two of them, but before that he had to make Li Qingzu satisfied.

"ahhh . . ., this is great" Li Qingzu was more and more satisfied with Ye Chen, she became more and more satisfied with the treatment given by Ye Chen.

"This is very comfortable" Li Qingzu is of course very satisfied with what Ye Chen is doing.

A few minutes later Li Qingzu lay weak, she had just received the greatest gift from Ye Chen.

"It's so full" Ye Chen's Yang Qi made Li Qingzu full, she really liked this feeling.

"How long are you guys going to be there?" Ye Chen said to Su Yuya and Feng Xue who were peeking.

"huh" Li Qingzu turned her head, she saw Feng Xue and Su Yuya who were on the side, she didn't expect that the two of them would be there.

Li Qingzu blushed, she had been seen by them all this time, this was so embarrassing.

"Looks like we were found out, we really can't hide from him." Su Yuya knew that they couldn't hide themselves from Ye Chen.

"sorry for interrupting, we will be leaving" Feng Xue said to Ye Chen, she announced that they were leaving.

"That's impossible." Ye Chen used his own strength, he blocked Feng Xue and Su Yuya from leaving.

"since you are in this place, then you should also join" Ye Chen said to Feng Xue and Su Yuya.

"ahhh . ." Ye Chen didn't wait for a response from Feng Xue and Su Yuya, he started to disarm Feng Xue and Su Yuya.

"Not . . ." Feng Xue didn't expect that all of her clothes would be easily stripped off by Ye Chen.

"You two are beauties, one mature and one popular female star" Ye Chen said to Feng Xue and Su Yuya.

Feng Xue and Su Yuya tried to cover their bodies, they felt that they would have a tough battle.

"Are you guys ready?" Ye Chen said to Feng Xue and Su Yuya.

"don't regret it, we might suck you dry" Feng Xue said to Ye Chen.

Feng Xue gave a warning to Ye Chen, she said that the two of them could suck Ye Chen dry.

"Hahaha, let's see, I've heard of it a lot, but I've never experienced it." Ye Chen challenged Feng Xue and Su Yuya.

"You are too confident, sometimes being too confident is not good for you" Su Yuya said to Ye Chen.

Su Yuya is quite mature, she is quite calm when faced with this kind of situation,

"let's beat him" Feng Xue asked Su Yuya to beat Ye Chen.

"I will help you" Su Yuya of course went along, she helped Feng Xue to deal with Ye Chen.

Ye Chen of course greeted Feng Xue and Su Yuya, the three started their battle.

"Finally I can rest." Li Qingzu was pleased with the arrival of Feng Xue and Su Yuya, she could finally rest a bit.

Feng Xue and Su Yuya used tricks against Ye Chen, both of them worked very well together, they made Ye Chen comfortable with their techniques.

Feng Xue and Su Yuya were getting better and better, they could use their techniques to put Ye Chen at ease.

Especially Feng Xue, this woman's voice is too good, Ye Chen who hears it can't stand it and goes crazy.

"no . ." Ye Chen took Feng Xue, he directly ate Feng Xue.

Feng Xue greeted Ye Chen, she started hugging Ye Chen's back and cooperated together with Ye Chen.

The former First female star was under Ye Chen and was enjoying the fun, this was an extremely hard thing to believe.

Feng Xue is so popular, what will happen if Feng Xue's fans know about this matter.

"ahhh, husband, you are really great, I like you" Feng Xue likes Ye Chen, Ye Chen gives something that is unparalleled.

#### [Chapter 2230 Vengeance Fate Sect Moves](#)

Feng Xue said to Ye Chen, Feng Xue told that she likes Ye Chen.

"I like you too" Ye Chen came closer towards Feng Xue he started kissing Feng Xue who was in front of him.

The two of them were so passionately entangled, they really were too much.

Su Yuya did not remain silent, she decided to join the battle.

Su Yuya didn't like to be waited on, so she decided to join the battle and started teasing Feng Xue.

"no . . ." Feng Xue couldn't stand it, Su Yuya tried to tease her, this made Feng Xue feel dizzy.

"don't do that, I can't stand it" Feng Xue said to Su Yuya, she told Su Yuya that she can't stand it.

"Aren't you enjoying this?" Su Yuya said to Feng Xue.

"ah . . ." Feng Xue let out a splendid voice, she made Su Yuya excited.

Ye Chen smiled seeing what Feng Xue and Su Yuya were doing, both of them were very cute and made Ye Chen want to play together with them both.

Ye Chen moved quickly, he made Feng Xue lose quickly.

After Feng Xue, it was Su Yuya's time, she had not had Ye Chen's treatment for a long time.

"It's been a long time, please treat me well." Su Yuya said to Ye Chen, she wanted Ye Chen to treat her.

"of course" Ye Chen understood, he would treat Su Yuya well.

Su Yuya was already excited enough, so Ye Chen didn't need to warm up with Su Yuya anymore.

Ye Chen started to enter, he started to penetrate the defense of Su Yuya.

"ahhh. . ." Su Yuya was a little surprised, he was surprised by Ye Chen getting bigger.

"This is more than last time" Su Yuya finally realized that Ye Chen's had become stronger and bigger than before.

"Of course, it grows very well." Ye Chen said that it grows very well, it grows and makes women feel satisfied.

"with something like that, you can destroy a woman" Su Yuya said to Ye Chen.

"hehehehe, of course, I might be born to do that, so prepare yourself" Ye Chen started to attack, he started to move with a decent speed.

Su Yuya tried to follow Ye Chen's movements, it seemed that she had difficulty following Ye Chen's movements.

"This is great" Su Yuya's mind went blank, he felt like he was flying freely feeling very comfortable with what Ye Chen was doing.

"no need to hold back, let's have fun" Ye Chen said to Su Yuya, he told Su Yuya to have fun.

"I understand" Su Yuya understood, she wanted to continue to have fun with Ye Chen.

Ye Chen found Su Yuya's weak point, he attacked even harder on Su Yuya.

"ummm" Su Yuya couldn't stand it, she couldn't stand what Ye Chen did.

What Ye Chen did made Su Yuya reach the top quickly.

"It's too beautiful, my life is really full of luck" Su Yuya said to Ye Chen, she said that she felt very comfortable with what Ye Chen was doing.

"it's still early, you are happy too soon" Ye Chen said to Su Yuya, he told Su Yuya not to be happy too soon.

Ye Chen moved again, he again drilled into Su Yuya's honey cave.

"no. .." Su Yuya groaned, she couldn't stand what Ye Chen was doing.

Ye Chen took turns to please Li Qingzu, Feng Xue and Su Yuya.

The three of them got Ye Chen's love and they were very satisfied with what Ye Chen did.

After quite a few long hours, the fierce battle they waged was finally over, in this fierce battle Ye Chen was still the victor.

"Are you guys okay?" Ye Chen asked Li Qingzu, Feng Xue and Su Yuya.

"I'm tired" Li Qingzu, Feng Xue and Su Yuya said to Ye Chen, they were really tired after facing Ye Chen.

"hahahaha, you guys still need more physical training" Ye Chen said to Li Qingzu, Feng Xue and Su Yuya.

Ye Chen told Li Qingzu, Feng Xue and Su Yuya to do more physical training that way maybe they would have a chance to win against Ye Chen.

"You were abnormal from the start, it was difficult to beat you." Su Yuya said to Ye Chen, she telling that she had a hard time facing Ye Chen.

Ye Chen's strength was not normal, he had strength above men in general and they were unable to defeat Ye Chen.

Even though Li Qingzu, Feng Xue and Su Yuya had teamed up, normal men shouldn't be able to stand up against three super beautiful women like Li Qingzu, Feng Xue and Su Yuya.

Ye Chen just smiled, he listening to what Su Yuya said.

The three rest, they enjoy their time together and hug.

"are you busy" Shui Yixian walked into Ye Chen's room, she came in and saw Ye Chen.

" what is it?" Ye Chen asked Shui Yixian, he felt that Shui Yixian had something to say to him

"I have something for you" Shui Yixian said that he had something for Ye Chen.

"what is it" Ye Chen curious, is there any good news that Shui Yixian has.

"I just received news about the Five Lord Divine Academy, a part of the Five Lord Divine Academy is now controlled by Vengeance Fate Sect" Shui Yixian told Ye Chen about what he found and obtained.

"how could that happen" Ye Chen didn't expect that Shui Yixian would say such news.

"I also have a bit of disbelief about this matter, I heard that the leader of the Five Lord Divine Academy fell and now there is a dispute to determine the new leader of the Five Lord Divine Academy" Shui Yixian explained what happened.

"They are quite smart, they started to enter and try to establish their strength in the Five Lord Divine Academy." Ye Chen saw that Vengeance Fate Sect was quite smart.

They took advantage of this opportunity very well.

Ye Chen remembered that Yu Ting was sent there to do something, it seemed that this was the purpose of Yu Ting was sent to the Five Lord Divine Academy by the Vengeance Fate Sect.

"Are you going to meddle in this matter or just sit back and watch things unfold" Shui Yixian asked Ye Chen.

"Maybe we should do something, this situation is a little bad, if all the big powers are gone, it will be a problem for us" Ye Chen said to Shui Yixian.

"You made a very good decision, I really like the decision you took" Shui Yixian liked the decision taken by Ye Chen, she was very satisfied with the decision taken by Ye Chen.

"Okay, I'll go there" Ye Chen said that he would go there.

"wait a minute" Shui Yixian stopped Ye Chen, she stopped Ye Chen from going alone.

"what is it?" Ye Chen asked Shui Yixian.

"I have already prepared several people to go and help you" Shui Yixian said that he had already prepared several people to go and help Ye Chen.

"Who are they?" Ye Chen wanted to know who Shui Yixian prepared.

"Those are Ye Xiu, Cheng Mengyan, and also Nanhua Caiyi, the three of them will disguise themselves together with you" Shui Yixian said to Ye Chen.

"There is also Zhang Shiyun andXue Suyin, I sent them to be teachers to see the situation" Shui Yixian said to Ye Chen.
