

True God 2231

[Chapter 2231 Became A Student At The Five Lord Divine Academy](#)

"So they are already there" Ye Chen didn't expect that Zhang Shiyun and Xue Suyin were already there.

"They are there to conduct surveillance, the information they got is very good and I can pass this information on to you" Shui Yixian said to Ye Chen.

"It seems that a lot of things happened when I was injured, then I have to finish this" Ye Chen said that he would finish this thing.

"You have to be more careful, they are much more cunning, don't make the mistake of dealing with the enemy" Shui Yixian warned Ye Chen, lest Ye Chen misdirect and involve people who have nothing to do with this matter.

Vengeance Fate Sect is full of cunning people, they will definitely use all kinds of means to deal with Ye Chen.

"I will do it" then I will go to the Five Lord Divine Academy" Ye Chen said that he would go to the Five Lord Divine Academy.

"I'll take you" Shui Yixian escorted Ye Chen, himself escorted Ye Chen to the Five Lord Divine Academy.

Shui Yixian called Ye Xiu, Cheng Mengyan, and Nanhua Caiyi, they quickly came and left together with Ye Chen.

They came right away, they had been waiting for this for a long time and they wanted to leave immediately with Ye Chen.

"Master" Nanhua Caiyi this time hugged Ye Chen, she looked very happy that Ye Chen had made up.

"You are too excited" Ye Chen said to Nanhua Caiyi, he saw that Nanhua Caiyi was too excited.

"It's because I haven't seen you for a long time, I want to spend time with you" Nanhua Caiyi said to Ye Chen.

Nanhua Caiyi was very coquettish, she tried to seduce Ye Chen by using sneaky tricks.

Luckily Ye Chen could stand it, otherwise it would be a very difficult thing for Ye Chen.

"You guys, listen to me carefully" before arriving at the Five Lord Divine Academy, Shui Yixian will tell them a few things, she will tell them the rules and also what they have to do in the Five Lords Divine Academy.

Ye Xiu, Cheng Mengyan, and Nanhua Caiyi listened to what Shui Yixian said, they were quite serious about what Shui Yixian said.

"Now that this is the Five Lord Divine Academy, we still don't know where Vengeance Fate Sect is playing, so I want you to investigate," Shui Yixian told everyone.

"It is likely that they are playing on the two sides." Ye Chen said to Shui Yixian, he considered that Vengeance Fate Sect was playing on the two sides.

"Those things can happen, so I hope you guys are more careful and don't act too rashly, I'll give you a bracelet that can change your appearance." Shui Yixian handed the bracelets to Ye Xiu, Cheng Mengyan, and Nanhua Caiyi.

With that they will easily mingle with other students.

Ye Xiu, Cheng Mengyan, and Nanhua Caiyi received the bracelets from Shui Yixian, they immediately put them on and their appearances now changed in the eyes of others.

"no change" Ye Xiu said to Shui Yixian.

"That's only visible to outsiders, you and I can still see your original appearances," Shui Yixian said to Ye Xiu, Cheng Mengyan, and Nanhua Caiyi.

"Is that so" Ye Xiu, Cheng Mengyan, and Nanhua Caiyi understood, they understood what Ye Chen said.

"In addition to being able to hide your appearance, it can also hide the strength you have, make sure not to use your full strength, otherwise the thing will be damaged." Shui Yixian gave a warning.

"we understand" Ye Xiu, Cheng Mengyan, and Nanhua Caiyi understood, they already knew what they had to do.

"Good, we'll be there, Everyone get ready." Shui Yixian told Ye Xiu, Cheng Mengyan, and Nanhua Caiyi to get ready.

"They are ready, I hope you succeed." Shui Yixian hoped that Ye Chen would succeed in expelling Vengeance Fate Sect.

"if possible I want to destroy them" Ye Chen wants to destroy Vengeance Fate Sect, he does not like Vengeance Fate Sect.

"I knew that you would do that" Shui Yixian knew what Ye Chen was thinking, of course she knew what Ye Chen was thinking.

"We're almost there, make sure you don't do anything suspicious and get your identities exposed, it'll be troublesome" Shui Yixian said to Ye Xiu, Cheng Mengyan, and Nanhua Caiyi.

"husband, you have to hold back too" Shui Yixian looked at Ye Chen, she wasn't sure whether Ye Chen could hold back or not.

Shui Yixian might be able to manage Ye Xiu, Cheng Mengyan, and Nanhua Caiyi, but it was different with Ye Chen, she couldn't manage Ye Chen if she made a mess.

"I will try it" Ye Chen said that he would try to do it.

"sigh. . ." Shui Yixian sighed, she wasn't sure if Ye Chen would be able to do that.

After a while they finally arrived at the Five Lord Divine Academy, they were dropped off at a secluded place and headed towards the Five Lord Divine Academy on foot like normal students.

"I heard that the Five Lord Divine Academy is a school for the rich." Cheng Mengyan said to Ye Chen, she told that the Five Lord Divine Academy was an academy for the rich and powerful clans with high levels of strength.

"Mostly it should be like that" Ye Chen had to admit that the Five Lord Divine Academy was a place for the rich, after all they were benefactors of the Five Lord Divine Academy.

"Looks like we're going to face a troublesome young master." Ye Xiu felt that they were going to face a troublesome young master.

"If they are looking for trouble with us, we just have to kick them." Nanhua Caiyi said that she would kick anyone who dared to find trouble.

"don't do that" Ye Xiu and Cheng Mengyan forbade Nanhua Caiyi to do that, neither of them wanted Nanhua Caiyi to do such a thing.

"Okay" Nanhua Caiyi was surprised by this, she was surprised to see Ye Xiu and Cheng Mengyan stopping her.

Ye Chen smiled at Ye Xiu, Cheng Mengyan and Nanhua Caiyi were really cute, they were quite familiar and easy to mingle with.

After walking for quite some time, they finally entered the Five Lord Divine Academy.

There were currently a large number of people entering the Five Lord Divine Academy, it seemed that lessons were about to start and they had to go to class.

"Where is our class?" Ye Chen asked Cheng Mengyan, she wanted to know where their class was right now.

"Our class should be in room number 15" Cheng Mengyan told Ye Chen, she told Ye Chen about the class they had.

"then let's go there" Ye Chen invited Cheng Mengyan and the others to go, they had to mingle with the others.

The four immediately searched for their class, they only needed a few minutes to be able to find their class.

"I found it" Ye Xiu announced that she found class number 15.

Ye Chen, Cheng Mengyan and Nanhua Caiyi left immediately. They entered the class and saw thousands of people in the same class.

When Ye Chen some people saw Ye Chen, they looked at Ye Chen and ignored Ye Chen.

They were used to new students, to them Ye Chen, Ye Xiu, Cheng Mengyan and Nanhua Caiyi didn't attract the attention they had.

"they ignore us" Nanhua Caiyi didn't expect that they would be ignored like this.

"Never mind, don't worry about it." Ye Chen told Nanhua Caiyi not to worry about this matter, instead they were grateful for not being too conspicuous and attracting the attention of the enemy.

[Chapter 2232 Lei Qiaolin Threw An Ice Cube At Ye Chen](#)

"Let's find a seat." Ye Chen invited Ye Xiu, Cheng Mengyan and also Nanhua Caiyi to find a seat for them.

The four of them went to find a seat, they didn't attract the attention of any students in the class at all.

Evidently Ye Chen didn't attract the attention of the disciples in this place, their current strength was quite weak, they were trying to hide their strength so they appeared weak and were from the lower realms.

That's why they were neglected and ignored, it was very normal for nobles not to look up to people from lowly backgrounds.

Ye Chen looked around himself, he could see that there were a lot of unused empty seats.

"Hmmm, definitely not like our world, seems like there are a lot of students who are absent and spending time in seclusion" Ye Chen said as he looked around himself.

"This is the world of cultivators, that is of course normal." Cheng Mengyan said that this was very normal, they were more focused on increasing their strength than attending classes to receive lectures and training.

"You are absolutely right" Ye Chen agreed with what Cheng Mengyan said, it seemed they preferred cultivation over classes.

Ye Chen looked around, he wanted to know if there were any acquaintances within this class.

"Zhi Fuze" Ye Chen saw that Zhi Fuze was in this place, he didn't expect that Zhi Fuze was in the same class as Ye Chen.

"is that your acquaintance" Nanhua Caiyi asked Ye Chen, she looked at the direction where Ye Chen was staring.

Ye Chen looked at an easy woman, it seemed that she was Ye Chen's acquaintance, Nanhua Caiyi could see that thing in Ye Chen's eyes.

"Of course, you probably don't know her yet." Nanhua Caiyi and the others probably didn't know about Zhi Fuze yet, so it wasn't strange that they were all unfamiliar with Zhi Fuze.

"do you need help to get it, we will help you" Ye Xiu said to Ye Chen, she would help Ye Chen to get Zhi Fuze.

"You guys" Ye Chen said to Ye Xiu and Nanhua Caiyi who were trying to seduce him.

"fufufufu" Ye Xiu and Nanhua Caiyi giggled, they looked so happy as they teased Ye Chen.

Nothing was more fun than teasing Ye Chen, that was why both of them had so much fun when they teased Ye Chen.

They talked for some time, they tried to mingle with the surroundings and started to find useful information.

"hello everyone" a few moments later the teacher came, this teacher came and greeted everyone in this place.

"she" Ye Chen didn't expect that the teacher who was going to teach him would be Lei Qiaolin, it seemed that Ye Chen's luck was too high and he met an acquaintance.

"Your luck is quite high too, you meet her again, it seems you two are meant to be" Chu Yuechan said to Ye Chen, herself telling that Ye Chen might be destined to be with Lei Qiaolin.

"Is that so?" Ye Chen wasn't too sure about this, he always met Lei Qiaolin.

This was too frequent for Ye Chen to continuously run into Lei Qiaolin.

Lei Qiaolin immediately started her lesson, she didn't really care about the existence of Ye Chen who was a new student.

There were too many students here, so Lei Qiaolin was not aware that there was a new student like Ye Chen.

Lei Qiaolin started to explain, she explained about how to quickly raise the cultivation level and how to use the correct techniques and moves.

"sleepy . ." Ye Chen was sleepy when he listened to Lei Qiaolin's lecture, to be honest Ye Chen didn't really like listening to things like this.

Ye Chen had heard this a long time ago, everything had been taught by Gu Xuan and Ye Chen no longer needed to listen to Lei Qiaolin's ramblings.

All the disciples listened carefully to what Lei Qiaolin had to say, they did not dare not to listen to what Lei Qiaolin had to say.

"just sleep" Ye Chen decided to sleep, he put his head on the table.

Ye Xiu, Cheng Mengyan as well as Nanhua Caiyi didn't reprimand Ye Chen, they looked relaxed and didn't mind this matter.

Lei Qiaolin showed various kinds of tricks to the students in this class, she showed her strength so that everyone could learn how to use their strength properly and correctly.

"Do you understand what I said, if you have any questions you can ask them" Lei Qiaolin ordered to ask what the people in this place didn't understand.

Everyone lowered their heads, some of them didn't understand what Lei Qiaolin was saying, they didn't dare to ask when Lei Qiaolin was the teacher in their class.

This shouldn't be Lei Qiaolin's time to teach them, it should be their main teacher teaching them.

It seems that some things happened which made Lei Qiaolin take over from the main teacher.

Lei Qiaolin was satisfied, it seemed that everyone already understood what had happened.

Lei Qiaolin looked around, she found a student sleeping in her classroom.

"Huh? . . ., who is it, how dare he sleep in my class." Lei Qiaolin didn't expect that someone would dare to sleep in his class.

It had been a long time since Lei Qiaolin had seen someone as daring as Ye Chen, Lei Qiaolin should probably teach Ye Chen a proper lesson, then she would know that it was not good to seek trouble in her class.

Lei Qiaolin stretched out her hand, she started sculpting a ice cube.

Lei Qiaolin threw this ice cube towards Ye Chen, she targeted the head that belonged to Ye Chen.

Lei Qiaolin's throw was very good and very fast, it should have hit Ye Chen.

Just as the ice cube was about to hit Ye Chen, Ye Chen reflexively dodged the attack from Lei Qiaolin.

"Boom. . ." the wall behind Ye Chen cracked when it received the impact from the ice cube thrown by Lei Qiaolin.

Ye Chen immediately looked at the person who had thrown the ice cube at him, he could see that it was Lei Qiaolin.

Lei Qiaolin was quite surprised when she saw what Ye Chen was doing, he didn't expect that Ye Chen could easily dodge her attack.

"No way, how could he dodge my attack" Lei Qiaolin couldn't believe what happened, Ye Chen shouldn't have been able to avoid her attack.

"does she realize it's me" Ye Chen had already tried to completely change his appearance, he couldn't let Lei Qiaolin know about him or else things would get messed up.

Ye Chen instantly woke up, he straightened his body and started to act serious.

After a while, Lei Qiaolin finally came to her senses, she finally realized what had happened.

"You are brave enough to sleep in my class" Lei Qiaolin said to Ye Chen.

"I didn't sleep, I listened well" Ye Chen said to Lei Qiaolin.

Ye Chen denied the accusations from Lei Qiaolin, he denied all the accusations that were said by Lei Qiaolin.

"You still dare to refute it, then explain the important points of what I have conveyed to you" Lei Qiaolin told Ye Chen to convey the important points that had been conveyed.

"I will do it" Ye Chen dared, himself did what Lei Qiaolin said.

Ye Chen said some important points that were conveyed by Lei Qiaolin, he did not even hesitate to correct some things that were not conveyed by Lei Qiaolin.

[Chapter 2233 Yu Lung Attacked Chang Er And Luo Bing](#)

Lei Qiaolin was silent as she listened to Ye Chen's words, she didn't expect that Ye Chen would say something so much better than what she said.

"Okay, go back to sleep" Lei Qiaolin told Ye Chen to sleep, she might lose face when facing Ye Chen.

Just now Lei Qiaolin had gotten the wrong opponent, so it wouldn't be strange for her not to continue fighting with Ye Chen and chose to retreat.

"Wow, he's really great" Zhi Fuze was shocked when she saw Ye Chen, she didn't expect Ye Chen to be that great, Ye Chen's knowledge was too strong, even Lei Qiaolin was not an opponent for Ye Chen.

After class was over, Lei Qiaolin order everyone to return, she order everyone to practice and start cultivating according to the instructions she had been given.

"let's go" Ye Chen invited Ye Xiu, Cheng Mengyan as well as Nanhua Caiyi to go, they had to find a place to stay for their base.

"let's go" Ye Xiu, Cheng Mengyan and also Nanhua Caiyi agreed with what Ye Chen said, both of them agreed to do as Ye Chen said, they started to look for a suitable place to live for them.

Ye Chen together with Ye Xiu, Cheng Mengyan and Nanhua Caiyi looked for a less conspicuous place, they reserved two buildings so as not to be suspicious.

"we will reserve two places, you guys are on the side and I am here" Ye Chen said to Ye Xiu, Cheng Mengyan and Nanhua Caiyi.

"Why don't we just stay in one room" Nanhua Caiyi asked Ye Chen, she wanted them to live in the same room.

"it will be a bit conspicuous, it's better to stay in a different room" Ye Chen said to Nanhua Caiyi.

"It doesn't matter, we can set up different rooms that way we can still connect with each other." Ye Xiu didn't mind about this, he could accept whatever Ye Chen wanted.

"That's absolutely true" Cheng Mengyan also agreed, herself agreeing with what Ye Xiu said.

"if you say that" since everyone agreed, then there was no reason for Nanhua Caiyi to force this.

"let's do our job, let's find out the current situation" Ye Chen told Ye Xiu, Cheng Mengyan and Nanhua Caiyi to quickly go and get information.

"we will do it" Ye Xiu, Cheng Mengyan and Nanhua Caiyi understood and would do as Ye Chen said.

Ye Chen, Ye Xiu, Cheng Mengyan and Nanhua Caiyi found a splendid place to live, they lived next door to each other and it would be very profitable for them.

After finding the temporary residence and temporary base, Ye Xiu, Cheng Mengyan and Nanhua Caiyi came out, they immediately investigated the current situation, they had to be vigilant and stay careful not to be noticed by the enemy.

Ye Chen took a walk in the center of the academy, he listened to the talk that was being done by the people who were around.

Their conversation is classified as very normal, they talk about normal things and don't talk about anything else.

"Troublesome, it seems they don't know anything about the problem that occurred" Ye Chen saw that these people were clueless, they seemed to be here to study and weren't interested in anything else.

"look, the academy flower is coming out" when Ye Chen was listening to the talk of the disciples around, he listened to the commotion.

"There is this commotion it's very interesting" Ye Chen was attracted by the commotion, he immediately went to see what was going on.

Ye Chen saw that many men had gathered, he could see that these men had gathered to see someone.

Ye Chen looked and found the figures of two beauties, one was Luo Bing who looked even prettier in ancient clothes, and the second was Chang Er, this woman was still popular and attracted attention from others.

Yu Ting was currently no longer here, so the men's attention was currently focused on them.

"the two of them might be able to help me" Ye Chen felt that the two of them might be able to help, he should probably kidnap the two of them and start to ask what happened.

Chang Er would not dare to say anything while Luo Bing, he had a way of taking care of this woman easily.

"Okay I will do it" Ye Chen followed Luo Bing as well as Chang Er, he followed them to a deserted place.

"They are so annoying." Luo Bing didn't like this, she didn't like being followed by these unreasonable people.

"If you don't like it, you can kick them out." Chang Er said that Luo Bing could kick them out.

"Are you sure about that?" Luo Bing asked Chang Er.

Luo Bing didn't expect that Chang Er would say such a thing, it was unusual for her to say such things.

Chang Er loved fame, so she should feel happy when surrounded by men around.

"Then I'll chase them away." Luo Bing used her own strength, she drove away the pursuers easily.

"no. . ." by using her ice powers, Luo Bing managed to freeze everyone easily without any difficulty.

"This is better" Luo Bing was satisfied, she was very satisfied after driving the pursuers away.

"This pretty policeman is still the same as before" Ye Chen didn't expect that Luo Bing was still the same as before, she was still as rude as before.

"It's good to see her not changing, maybe I should do something to her" Ye Chen started planning bad things, he started planning bad things against Luo Bing.

"umm. . ." Luo Bing got goosebumps, she had a feeling something bad might happen.

"what is it?" Chang Er saw that Luo Bing had become strange, what did Luo Bing think.

"I feel that something bad is coming." Luo Bing said that he sensed something bad is coming.

"What do you mean?" Chang Er didn't understand what Luo Bing meant, she didn't know and didn't understand what Luo Bing meant.

"You won't understand this matter." Luo Bing said that Chang Er would not understand this matter.

Only Luo Bing knows this matter, this will be a very troublesome matter for Luo Bing.

"You are so strange" Chang Er felt that Luo Bing was very strange, she was a more complicated woman than she had imagined.

A while later, the two arrived at a slightly deserted place, it just so happened that they passed by a place that the disciples in this place didn't like.

"I think this is a very good opportunity for me to kidnap them." Ye Chen had a very good chance.

"stop" just as Ye Chen was about to enter, he saw a woman stopping Chang Er and Luo Bing.

Chang Er and Luo Bing immediately stopped, they immediately stopped and were alert to the person who appeared in front of them.

"she, why is she here ?" Ye Chen didn't expect that this woman would appear in this place, I wonder what this woman would do.

This was the cruel woman that was Yu Lung, this cruel woman actually appeared in front of Chang Er as well as Luo Bing.

"Why is this woman in this place?" Chang Er of course knew who the woman in front of her was, how could this super cruel and most wanted woman in God Realm be in this place.

"You must come with me" Yu Lung said that Chang Er had to come with her.

"I don't want to" Chang Er said that she didn't want to go, she didn't want to go with Yu Lung, going with this woman was really looking for death.

[Chapter 2234 Caught Yu Lung](#)

"If you dare to refuse, then I will take you by force with me." Since Chang Er did not want to come along, Yu Lung would take Chang Er by force.

"no. ." Chang Er didn't want to, she didn't want to go with Yu Lung.

"You have no choice" Yu Lung said to Chang Er, in this case Chang Er had no choice but to go with Yu Lung.

"I won't let you do that." Luo Bing said that she wouldn't let Yu Lung take Chang Er.

"hahahaha, do you think you can stop me" Yu Lung said that Luo Bing would not be able to stop her.

"I will do my best" Luo Bing didn't care, she would try to defeat Yu Lung using the strength she had.

"You are really stupid, don't you know the difference in strength we have" Yu Lung said to Luo Bing.

"I don't care" Luo Bing didn't really care about this, she didn't want to run away and face the enemy in front of her.

"That's interesting, then I'll kill you." Yu Lung stepped forward, she used her own power to kill Luo Bing.

Yu Lung only needed Chang Er as a prisoner, he didn't really care about Luo Bing's life and death.

"Ice Cube Seal" Luo Bing started to use her own power, she used the same technique as Lei Qiaolin's.

"boom . ." fire and ice collided, it created a thick fog as the evaporation took place.

"This little lady is quite strong" Yu Lung didn't expect that Luo Bing would be able to fend off the attack just now, it seemed that she had underestimated this woman too much.

"I have to hurry" Yu Lung couldn't waste her time with Luo Bing, she had to kill Luo Bing immediately and bring Chang Er along with her.

Yu Lung had the task of carrying Chang Er, after bringing Chang Er along with her, she would receive a pretty good reward.

Yu Lung usually doesn't want to do this, she does this because she has to, she needs a gift.

"I don't have time to fight a brat like you, let's end this quickly." Yu Lung used her power, from the ground a surging and superheated flame appeared, the area around her quickly turned into a sea of blazing flames.

"This is too bad" Luo Bing felt really bad, she couldn't possibly extinguish this many flames.

Luo Bing used all the strength she had, she used the strength she had to extinguish the surrounding flames.

Despite using all of her abilities, in reality she was unable to extinguish the surrounding fire, it was too strong and could not be extinguished by Luo Bing.

"I will help you" Chang Er tried to help Luo Bing, she used her strength to help Luo Bing.

Both using their powers, they work together to help each other.

"what happened to them, are you not going to help them?" Chu Yuechan said to Ye Chen.

"wait a moment" Ye Chen told Chu Yuechan to wait a moment, it seemed he was beginning to know what Yu Lung was after.

He had to find out what Yu Lung was after, that way he knew Yu Lung's goal was to kidnap Chang Er.

"You will not have a chance to win" Yu Lung said to Luo Bing, he told that Luo Bing would not have a chance to win.

"What is your real purpose in kidnapping Chang Er?" Luo Bing asked, he wanted to know why Yu Lung kidnapped Chang Er.

"Someone told me to do it, I don't need to tell you about this problem" Yu Lung said that she would not tell this matter.

"Okay, now is the time to kill you." Yu Lung said to Luo Bing, this is the time for her to kill Luo Bing.

Yu Lung stretched out her hand, she intended to kill Luo Bing quickly and painlessly.

"die" fire moved towards Luo Bing, it directly attacked and enveloped Luo Bing's body.

"no . ." Luo Bing had no time to dodge, she was completely surrounded by flames.

"Is my life's journey only ends here?" Luo Bing did not expect that her life's journey would end here.

"You are always in trouble" Ye Chen appeared, he protected Luo Bing from Yu Lung's attack.

"Who?" Luo Bing asked the person in front of her, she didn't know who the person in front of her was.

"hehehehe, it seems that the beauty police won't be able to recognize me" Ye Chen said to Luo Bing.

Luo Bing thought for a while, herself thinking about Ye Chen's words.

"you . ." Luo Bing seems to have started to know who Ye Chen is, she has started to know who Ye Chen is.

Only Ye Chen dared to say that to Luo Bing.

Apart from Ye Chen, perhaps no one would dare to say that to Luo Bing.

"Why are you in this place?" Luo Bing asked Ye Chen, Ye Chen should be in the palace and enjoying a comfortable life.

"I have my own problems, so don't ask too many questions." Ye Chen said to Luo Bing, he said that he had his own problems.

"cheeky" Ye Chen was still stingy, this man still didn't want to tell Luo Bing about this matter.

"Hahahahaha" Yu Lung laughed, she managed to kill Luo Bing.

"no . ." Chang Er did not expect that this would happen, she did not believe that Luo Bing would die at Yu Lung's hands.

"One problem has been solved, come with me" Yu Lung said to Chang Er, she told Chang Er to come with her.

"no, quickly let me go" Chang Er said to Yu Lung, she didn't want to join this devil woman.

"Wusshhh . ." Ye Chen flicked his sleeve, a very strong wind appeared and hit Yu Lung's body.

"Uhhhh . ." Yu Lung shouted, she's not ready with there would be a surprise attack launched from Luo Bing's direction.

"Who is it ?" Chang Er wanted to know who threw Yu Lung.

"damn, what happened ?" Yu Lung did not know what happened, why she could be attacked by an attack like that.

Yu Lung got up, she held her stomach which was injured from Ye Chen's attack.

"Who are you, you are quite daring to interfere with my business" Yu Lung said to Ye Chen.

"am I disturbing you, you are blocking my way" Ye Chen said to Yu Lung.

"Damn it. . ." Yu Lung cursed Ye Chen, Ye Chen was quite arrogant and made Yu Lung feel irritated.

"hahahaha" Ye Chen laughed, he seemed to really enjoy what was happening, for him it was very enjoyable.

"Earlier you might have managed to escape, but this time you won't be able to escape again, devil woman" Ye Chen informed that Yu Lung would not be able to escape again.

Yu Lung saw Ye Chen, he tried to find out about Ye Chen, for some reason he had met and fought against Ye Chen.

"Don't tell me that he is" Yu Lung finally remembered who Ye Chen was, even though his appearance had changed, Yu Lung would not forget Ye Chen's way of speaking.

"I have to run away" Yu Lung has to run away, she can't win against Ye Chen.

"escape again ?" Ye Chen see that Yu Lung would run away again, this woman did not dare to face Ye Chen.

"I won't let you escape." Ye Chen used a swift move, he directly caught up to Yu Lung and knocked him down.

"boom" Ye Chen used his strength to knock Yu Lung down, using the power of the wind, Ye Chen easily knocked Yu Lung down.

"take this" Ye Chen made a seal, he sealed Yu Lung so he couldn't escape.

[Chapter 2235 Ask To Luo Bing & Chang Er](#)

"impossible" Yu Lung was sealed by Ye Chen, now she can't escape from Ye Chen.

"Now you won't be able to escape from me" Ye Chen said that Yu Lung would not be able to escape from Ye Chen.

"let go of me, I have no business with you" Yu Lung told Ye Chen to let go, she has no business with Ye Chen.

"I also know that you have nothing to do with me, why are you targeting Chang Er, what exactly do you want?" Ye Chen asked Yu Lung.

"I won't tell that" Yu Lung refused to tell this matter to Ye Chen.

"You're quite annoying, then don't blame me." Since Yu Lung didn't want to tell, then he might force her by using his own strength.

"no, don't do that" Yu Lung said to Ye Chen, he asked Ye Chen not to do that.

"too bad, you don't have a chance" Ye Chen said to Yu Lung.

Ye Chen immediately used his own method to get information from Yu Lung, using his strength, he finally found the information he was looking for.

"very good, I found it" Ye Chen finally found it, he found what he was looking for.

It turned out that someone had ordered Yu Lung, he was told to get Chang Er alive, it was not known what that person's goal was.

What was certain was that he wanted to do something to Chang Er, Ye Chen was absolutely certain of this.

"what are you going to do" Chu Yuechan asked Ye Chen.

"I will lure this guy out, he is targeting Chang Er, he definitely needs something from Chang Er" replied Ye Chen.

Ye Chen remembered that Chang Er had a good and influential family, it seemed they wanted to use Chang Er for business.

"what are you doing " Nanhua Caiyi came over, she came to help Ye Chen.

It just so happened that Nanhua Caiyi was near Ye Chen, so she could easily sense when Ye Chen was in danger.

"I'm fine, please take care of this woman for me, do whatever you want, she is a super dangerous woman and also very evil" Ye Chen said to Nanhua Caiyi.

"can I do anything I want" Nanhua Caiyi asked Ye Chen.

"Of course, I give you permission to do that." Ye Chen gave permission to Nanhua Caiyi, she could do whatever she wanted to Yu Lung.

"Fufufufu, then I will make her regret being born." Nanhua Caiyi smiled, she would do her job and make Yu Lung get the punishment she deserved.

Yu Lung looked at Nanhua Caiyi, she could see that this woman had some way of dealing with her, this woman was bound to do something bad.

"no don't come closer" Yu Lung told Nanhua Caiyi not to come closer, he was afraid of Nanhua Caiyi,

"No, you won't be able to escape." Nanhua Caiyi dragged Yu Lung, she took Yu Lung to a place used to torture and confine Yu Lung.

Luo Bing and Chang Er looked at Nanhua Caiyi, both of them saw Nanhua Caiyi who had a strong charm.

"This woman is too seductive" Chang Er had to admit that Nanhua Caiyi was very seductive, she had an extremely strong charm.

Chang Er might not be the opponent of Nanhua Caiyi.

"Okay, you two come with me" Ye Chen told Luo Bing and Chang Er to come with him.

"Why should we come with you ?" Luo Bing said to Ye Chen, she didn't want to come with Ye Chen.

"If you don't want to, I will take you by force" Ye Chen said to Luo Bing, if Luo Bing doesn't want to, he will take them by force.

"That's kidnapping" Luo Bing said that what Ye Chen did was a form of kidnapping.

"I did want to kidnap you and maybe bring you to bed" Ye Chen said to Luo Bing.

"You are so lecherous" Luo Bing said that Ye Chen was so perverted.

"Hehehe" Ye Chen chuckled, he loved to make Luo Bing angry.

Chang Er looked at Luo Bing and Ye Chen, they seemed to be very close.

"Come with me" Ye Chen took Luo Bing and Chang Er, he carried the two of them and went to a place that no one else would find.

"let go of me, I can do it myself" Luo Bing told Ye Chen to let go, she can go by herself.

"be quiet ! ! !" Ye Chen told Luo Bing to be quiet, he didn't like seeing Luo Bing rebel like this.

Luo Bing was quite stubborn, so it wouldn't be strange for her to continue to rebel like this.

Ye Chen took Luo Bing and Chang Er to a quiet place where they could talk freely.

"I need some information from you" Ye Chen said that he needed information from Luo Bing and Chang Er.

"What information do you need from us?" Chang Er asked Ye Chen, roughly what kind of information did Ye Chen need.

Chang Er was quite compromising, it was shown when she wanted to answer Ye Chen's question.

"I won't tell you" Unlike Chang Er, Luo Bing didn't cooperate, she didn't want to tell what she knew.

"Are you sure?" Ye Chen said to Luo Bing.

Ye Chen looked at Luo Bing with an evil look, he was planning bad things on Luo Bing.

Luo Bing looked at Ye Chen, she could feel that Ye Chen wanted to do bad things to her.

"Why are you looking at me like that, do you want to do such a shameless thing, don't mess with me." Luo Bing said that Ye Chen shouldn't mess with her.

"Do you have the strength to restrain me from doing evil things to you?" Ye Chen said to Luo Bing, Luo Bing did not have the strength to restrain Ye Chen.

"You must not commit crimes" Luo Bing said to Ye Chen.

"hahahaha, this is the God Realm, I can of course do just that, there are no rules about it in the God Realm" Ye Chen said to Luo Bing.

Luo Bing thought for a while, what Ye Chen said might be the right thing, there is no law here, if Ye Chen wanted to do that thing, he might be able to do it.

"Why do you always understand me" Luo Bing said in a dissatisfied tone.

"It's because you don't obey" Ye Chen said to Luo Bing, he whispered and teased Luo Bing.

Luo Bing blushed, this beautiful ex-cop's face turned red when she heard what Ye Chen said.

"Okay, let's start" After Ye Chen was satisfied with teasing Luo Bing, he immediately turned around and looked at Chang Er.

"do you know the reason that evil woman is targeting you" Ye Chen asked Chang Er.

"I know, maybe she wants to target my background" Chang Er started to guess why Yu Lung was targeting her.

"You are such a smart woman, their aim is indeed to target the family you belong to, I see that your family has a lot of influence in this academy, it is likely that they want to use that to suppress those who want to rule this academy".

"What do you mean?" Luo Bing didn't understand, she didn't quite understand what Ye Chen said.

"who are they can you tell me this" Chang Er asked Ye Chen.

"Vengeance Fate Sect" Ye Chen told the enemy that was targeting Chang Er.

"what ! !" Luo Bing looked surprised when she heard what Ye Chen said, she now knew who was targeting Chang Er.

"So your purpose here is" Luo Bing finally knew Ye Chen's purpose.

[Chapter 2236 Zhi Fuze Bothered Ye Chen](#)

"Of course, what did I come here for?" Ye Chen said to Luo Bing.

Luo Bing was a little disappointed when she heard this, she might have expected Ye Chen too much.

"You now know that you are being targeted, do you have a plan?" Ye Chen asked Chang Er.

"I . ." Chang Er didn't have a plan, to be honest she didn't know what to do in this situation.

"I thought that you wouldn't know." Ye Chen had already expected this, he had expected that Chang Er would not know what to do.

"How about you just go with the plan I have" Ye Chen said to Chang Er, he told Chang Er to follow his plan.

"what plan do you have ?" Chang Er asked Ye Chen, she wanted to know what plan Ye Chen was using.

"hehehe, listen to me carefully" Ye Chen told Chang Er to listen to his plan, he was very sure that this plan would go well and correctly.

Ye Chen said what he was planning, he wanted to use Chang Er as bait, that way the enemies would come out and show themselves in front of Chang Er.

"How can you do that, don't do that." Luo Bing forbade Ye Chen to do that, she didn't want Chang Er to take such a big risk.

"I will do it" Chang Er said that she would do as Ye Chen said.

"Very good" Ye Chen was satisfied with the answer given by Chang Er, this would make it easier for Ye Chen to find his enemy.

"How can you believe this person?" Luo Bing didn't expect that Chang Er would easily believe Ye Chen.

"He looks very convincing" Chang Er said to Luo Bing, she really believed in Ye Chen's ability, she really believed that Ye Chen was able to protect her.

"you" Luo Bing was helpless when she heard this, she didn't know if Chang Er was stupid or if Ye Chen had bewitched Chang Er into an obedient woman.

Ye Chen smiled at Luo Bing, it seemed that Luo Bing was confused by what happened.

"From now on, don't go away from me" Ye Chen told Chang Er to stay away from him, he would watch over Chang Er and would make sure that Chang Er was okay.

Ye Chen was quite certain that the enemy would again take action to capture Chang Er.

Yu Lung had failed, they would definitely send someone else to catch Chang Er, and then Ye Chen would seize this opportunity to catch them and find out who was involved in this matter.

"Okay you guys can go, I'll keep an eye on you" Ye Chen said to Luo Bing and Chang Er.

"what do you mean watching us, do you want to peek at us" Luo Bing asked Ye Chen.

For some reason Luo Bing didn't believe Ye Chen, she felt dangerous when she let Ye Chen do that, Ye Chen might do something bad to them.

"Don't worry, I won't do that" Ye Chen said to Luo Bing.

Ye Chen smiled at Luo Bing, he was trying to make sure that Luo Bing believed what he said.

Luo Bing still couldn't believe what Ye Chen said, she still didn't want to believe Ye Chen who was a pervert from the start.

To Luo Bing, Ye Chen was a pervert, so it wasn't strange that he didn't want to believe Ye Chen.

"then I'll go first" Ye Chen said to Luo Bing and Chang Er, he would go first and watch the two from afar.

Ye Chen disappeared, he disappeared very quickly, Luo Bing and Chang Er also did not see the movement that Ye Chen had.

"Why do you trust him so much, he is not a good person" Luo Bing asked Chang Er, she told Chang Er that Ye Chen was not a good man, this man was quite bad.

"I see that he is a good person, do you have a problem with him" Cheng Er said to Luo Bing.

"I . . "Luo Bing couldn't answer Chang Er's question, she couldn't answer Chang Er's question.

"It seems that you do have problems." Chang Er could see that Luo Bing had problems with Ye Chen.

"You won't understand" Luo Bing said that Chang Er wouldn't understand what she was feeling.

"Never mind, he is strong enough, he is able to defeat Yu Lung easily, we should be safe when we are together with him" Chang Er believed in Ye Chen, she believed that Ye Chen could protect both of them.

"let's go back" Luo Bing took Chang Er back, they still had things to settle.

"You're great too, you made that naughty woman so obedient" Chu Yuechan said to Ye Chen, Ye Chen had made Chang Er obedient.

"It seems that he no longer dares to fight me." Ye Chen saw that Chang Er no longer dared to find trouble with him, this was a very good thing for Ye Chen.

"are you going to keep an eye on them" Chu Yuechan asked Ye Chen.

"I'll use my shadow to keep an eye on them for a while, I'm sure that the enemy isn't as stupid as Yu Lung and attacks during the day" Ye Chen said to Chu Yuechan.

"That's absolutely true" Chu Yuechan agreed with what Ye Chen said.

The enemy wouldn't be that stupid, they would definitely find the right time to attack.

Ye Chen used Clone to follow Luo Bing and Chang Er, he ensured that everything was fine and there would be no more attacks on the two.

Ye Chen again searched around the academy, he wanted to see if anything was strange or not.

"Hey, you . . ." when Ye Chen was looking around, he was stopped by someone.

Ye Chen looked at the woman in front of him, he saw the woman in front of him who was an acquaintance.

"Zhi Fuze" Ye Chen muttered, he saw that the woman in front of him was Zhi Fuze.

"what's wrong, do you need something from me" Ye Chen asked Zhi Fuze.

"Wasn't it you who dared to challenge teacher Lei, you are really great, I have never seen someone like you" Zhi Fuze said to Ye Chen.

"I'm not that great, I'm still a beginner and don't know anything" Ye Chen said to Zhi Fuze.

"You don't need to lie, I can feel that you are a great person" Zhi Fuze said to Ye Chen.

Zhi Fuze was filled with an aura full of enthusiasm, this woman was very passionate and it was very difficult to extinguish the spirit that was possessed by Zhi Fuze.

"Okay I understand, so why are you stopping me" Ye Chen asked Zhi Fuze.

"I need your help" Zhi Fuze said that he needed Ye Chen's help.

"no" Ye Chen said to Zhi Fuze, he could feel that Zhi Fuze would give him trouble.

"Why, you don't know what request I have yet" Zhi Fuze said to Ye Chen.

"I smell trouble" Ye Chen said to Zhi Fuze, he said that he smelled trouble.

"Ummm" Zhi Fuze pouted, she didn't expect that she would be rejected like this, she should never have been rejected by others.

"come come with me" Seeing Ye Chen refuse, Zhi Fuze pulled Ye Chen by force.

she took Ye Chen with her and went somewhere.

Ye Chen was dragged away by Zhi Fuze, this woman didn't want to listen to Ye Chen.

[Chapter 2237 Zhi Fuze Asked To Practice](#)

"she's quite stubborn" Ye Chen saw that Zhi Fuze was quite stubborn, this woman didn't want to listen to what Ye Chen said.

Ye Chen had no choice but to come with Zhi Fuze.

"who is it ?" when Ye Chen was together with Zhi Fuze, there were many people who looked towards Ye Chen, they looked displeased and disliked when they saw Ye Chen together with Zhi Fuze.

"It seems they don't like me" Ye Chen could feel that these people didn't like him, it seemed they didn't like it when they saw Ye Chen together with Zhi Fuze.

Ye Chen looked at Zhi Fuze, it seemed that Zhi Fuze was quite popular, there were lots of boys eyeing Zhi Fuze.

"You are too popular, it seems that the people who like you are angry" Ye Chen said to Zhi Fuze.

"just ignore them" Zhi Fuze told Ye Chen to ignore them.

"There's no way I can do it, look at the looks they have, they look like they want to kill me" Ye Chen said to Zhi Fuze, he saw that people wanted to kill him.

"they won't do it" Zhi Fuze said that these people wouldn't do anything bad to Ye Chen.

"this woman" Ye Chen said in his heart, it seemed he knew the intention and purpose of Zhi Fuze.

This woman must have been on purpose and wanted to use Ye Chen as a shield.

"Where are we going ?" Ye Chen asked Zhi Fuze, he wanted to know where Zhi Fuze would take him to.

"To the training ground" Zhi Fuze said that he would take Ye Chen to the training ground, it was one of the places that Zhi Fuze used quite often.

"Huh?, what are you going to do?" Ye Chen asked Zhi Fuze, about what Zhi Fuze would do, Ye Chen was quite curious about this.

Ye Chen and Zhi Fuze finally arrived at the training ground, there were many elite disciples using this place for their training.

"We have arrived" Zhi Fuze told Ye Chen that they had arrived.

Ye Chen knew this, he knew that they had arrived at the training ground.

"come with me" Zhi Fuze told Ye Chen to come with her, she wanted to introduce Ye Chen as a friend.

"That's Zhi Fuze" many men see Zhi Fuze, for them the figure of Zhi Fuze is their ideal woman.

In this academy there were quite a few beauties, and Zhi Fuze was one of them, so it wasn't strange that he had quite a number of fans following him.

"What's your name?" Zhi Fuze asked Ye Chen, she didn't know Ye Chen's name yet.

"I am Ye Chen" Ye Chen said to Zhi Fuze.

"Hmmm, your name is familiar to me" Zhi Fuze said to Ye Chen.

Ye Chen smiled at Zhi Fuze, Ye Chen hoped that Zhi Fuze would not know him.

Zhi Fuze shouldn't be able to find out Ye Chen's name, she shouldn't know because Ye Chen's disguise was very good.

"Okay, I understand." Zhi Fuze understood, she wanted to introduce Ye Chen to everyone in this place.

"Everyone, introduce, this is Ye Chen, from now on he is a my pesonal training partner" Zhi Fuze told everyone.

"how could that be possible, this common man became your partner" everyone was in disbelief when they heard this.

It could be said that they didn't accept what Zhi Fuze was doing, how could Zhi Fuze choose an ordinary man and have no ability.

"This is the decision I made, so you guys have to accept this." Zhi Fuze said that this was the decision she made, everyone should accept the decision she made.

Everyone could only grit their teeth, they didn't have the strength to go against the decision taken by the Zhi Fuze.

"It's quite a pity." Ye Chen was quite a pity when he saw them, he saw that everyone looked distraught by what happened.

"let's start practicing" Zhi Fuze dragged Ye Chen, she dragged Ye Chen to practice together.

They were looking for a place to practice, luckily there was an empty place that they could use for practice.

"why are you doing this" Ye Chen asked Zhi Fuze, he wanted to know why Zhi Fuze did this.

"I just don't want to be disturbed, they are quite a nuisance to me" Zhi Fuze said to Ye Chen, she told Ye Chen that she didn't like being disturbed while practicing.

"I can't believe that's your only excuse" Ye Chen couldn't believe it when she heard Zhi Fuze's excuse.

"I'm telling the truth, why don't you believe what I'm saying" Zhi Fuze asked Ye Chen.

"Of course, I feel strange when I see a beautiful woman coming to me, it's a strange thing" Ye Chen said to Zhi Fuze, she told what was strange about Zhi Fuze.

"Do you think it's strange?" Zhi Fuze didn't expect that Ye Chen would find this strange.

"Of course it's weird" Ye Chen said that it was weird for him.

"So that's why you are suspicious, you don't need to worry, I won't do that to you" Zhi Fuze said to Ye Chen.

"then let's start training" Ye Chen said to Zhi Fuze, he took Zhi Fuze to practice.

"let's go" Zhi Fuze was excited, she wanted to train together with Ye Chen.

Both of them started practicing, they both practiced and started to attack each other using practice attacks.

Zhi Fuze displayed her abilities, she displayed her own in front of Ye Chen.

This time Zhi Fuze used her leg as well as hand skills, she attacked Ye Chen with a swift and fast speed.

In order not to attract attention, Ye Chen didn't use the full strength he had, he restrained himself and didn't use his own strength, he didn't want to expose his strength.

Ye Chen lost in this battle, he lost easily to Zhi Fuze.

"You did really well, you can last long enough" Zhi Fuze said to Ye Chen, she had to admit that Ye Chen had the ability, it could be seen when Ye Chen was able to last for a long time when he fight against Zhi Fuze.

"I told you that I'm a beginner, the strength that I have is not comparable to yours." Ye Chen said that his strength is not comparable to Zhi Fuze.

"You just need to train harder" Zhi Fuze told Ye Chen to train even harder, that way Ye Chen might be able to match Zhi Fuze's strength.

"Maybe I will do it" Ye Chen said that he would do what Zhi Fuze said, in reality Ye Chen might not do it.

"great, they fought very well" from afar came the voices of many people who were praising a battle.

"what happened there" Ye Chen wanted to know what happened there, he wanted to know what was going on in that place.

"It seems that there is an interesting battle going on, let's have a look" Zhi Fuze was curious, he took Ye Chen to see the battle that was going on there.

"Come on" Ye Chen understood, he went along with Zhi Fuze and saw the battle that was going on.

In one place they saw two people fighting, most of the audience were women, they were seeing two handsome men fighting.

"ahhh . ." a woman's scream could be heard clearly.

[Chapter 2238 Lei Qiaolin Wears A Sexy Cat Costume](#)

"who are they" Ye Chen asked Zhi Fuze, he wanted to know who the two of them were.

"I don't really know the other guy, he seems to be a transfer student, if the other one is a teacher, he's a pretty popular teacher named Lung Xiantang" Zhi Fuze told Ye Chen.

He explained that between the two of them was a teacher with strong and powerful experience.

"Lung Xiantang's swordplay is quite good." Ye Chen saw that Lung Xiantang's play was quite good.

"He is the first person with the best sword skills in this academy" Zhi Fuze said to Ye Chen, he told that Lung Xiantang was the best person in the academy, he was a sword specialist teacher and very strong.

"Is that so, it's not strange" Ye Chen now understands, he understands why Lung Xiantang's sword skills are strong.

It turned out that he was the number one teacher in this academy, so it wasn't strange that he had above average strength and ability, perhaps no one in this academy could beat Lung Xiantang.

"But the new transfer student isn't bad either, he was able to match Lung Xiantang." Zhi Fuze was more interested in the new transfer student, he was able to match Lung Xiantang's abilities.

"His movements are a little strange." Ye Chen said that the movements of the transfer students were a little strange.

"So you noticed" Chu Yuechan also noticed, she could feel a hint of the eerie traces of the transfer student game.

"I will find out who he is" Ye Chen decided to go and find out who the transfer student was, he seemed suspicious to Ye Chen.

"Miss, who is the transfer student who is fighting against Lung Xiantang?" Ye Chen decided to ask, and dared to ask the female students around.

"He is Khan Cao, he is an excellent student and is capable of matching the strength of teacher Lung Xiantang" the female student answered Ye Chen's question.

"thank you very much" Ye Chen finally knew who the man who fought with Lung Xiantang was.

"Do you know who he is?" Zhi Fuze asked Ye Chen.

"he was Khan Cao" Ye Chen said to Zhi Fuze.

"oh . ." Zhi Fuze's reaction was casual, she wasn't too interested in Khan Cao.

"Why are you reacting like that, are you not interested, you should see that there are a lot of women who are interested in him" Ye Chen said to Zhi Fuze.

"Not interested, I've seen someone with much greater strength than that" Zhi Fuze said to Ye Chen.

Zhi Fuze had already seen someone with far greater strength, plus he was also young and one of the strongest people in the God Realm.

"You shouldn't underestimate him, he has strength" Ye Chen said to Zhi Fuze.

Ye Chen told Zhi Fuze, Ye Chen could feel that Lung Xiantang and Khan Cao had great strength, both of them might be hiding their strength.

Moments later, there were more women who came, they saw the battle that was going on.

"let's go" Zhi Fuze asked Ye Chen to leave, they didn't need to look because more and more people would come.

"Okay I understand" Ye Chen understood, he followed with Zhi Fuze, the two of them left the practice arena.

When Ye Chen left, there were several men who looked at Ye Chen with an unpleasant look, it seemed they didn't accept when Ye Chen was close to Zhi Fuze.

Ye Chen ignored all these stares, he walked out together with Zhi Fuze.

". . . ." Just as Ye Chen and Zhi Fuze were about to head out, Ye Chen suddenly felt a killing intent towards him.

Ye Chen, of course, immediately became alert and immediately looked for the person's whereabouts.

When Ye Chen was about to search, this person instantly withdrew the killing intent he had, he disappeared within the crowd.

"that was . . ." Ye Chen felt that earlier it was not directed at him, more precisely it was aimed at Zhi Fuze.

"what is going on in this place, is there anyone targeting Zhi Fuze?" Ye Chen felt that if someone was targeting Zhi Fuze, who was trying to target Zhi Fuze.

"Why" Zhi Fuze asked Ye Chen, he wanted to know what Ye Chen was doing.

"nothing, let's go" Ye Chen said to Zhi Fuze, the two of them left this place.

The two walked and chatted lightly, after that Zhi Fuze took her leave and left Ye Chen, she still had to cultivate and refine her strength.

Ye Chen was finally free from the Zhi Fuze, he went straight to his residence.

Ye Chen waited in the residence that belonged to him, he waited for the night to fall.

Cheng Mengyan, Nanhua Caiyi and Ye Xiu scanned the academy, they were still in position and made sure there weren't any strange movements.

Ye Chen communicated with Cheng Mengyan, Nanhua Caiyi and Ye Xiu, he made sure that the situation was under control.

"No movement, they are quite silent." Ye Chen could see that Vengeance Fate Sect did not make any movement, they were quite silent and invisible.

Right now Ye Chen only needs to wait, let the enemy come and knock on the door.

.
.

In a dark room inside the academy, there were three people wearing dark robes, they were meeting and discussing something important.

"It seems Yu Lung has failed to complete the task given, now it's your turn to move" the leader of the group told everyone to move.

"do we have to kidnap all the nobles" this group member asked.

"Of course, kidnap them all, they are meaningful enough for us to use, that way we can complete the task of the great lord" the group leader said to his men.

"we will do it" they left immediately, they will do as told and start kidnapping all nobles from big Clans. they go, they just do the task given by the superiors they have.

The leader of this group also immediately disappeared, tonight they started to make a move.

Ye Chen looked around the place of Luo Bing and Chang Er, he didn't see any strange movement around this place.

"There is no strange movement around this place." Ye Chen was disappointed, it seemed that the enemy didn't want to move.

Ye Chen looked at Luo Bing and Chang Er both in the same room, they both seemed to be enjoying their life well.

Luo Bing and Chang Er were sleeping, both of them were wearing nightgowns and fell asleep in the room.

Ye Chen turned his eyes elsewhere, coincidentally he saw a room that had Lei Qiaolin in it.

"That woman, what is she doing" Ye Chen came closer, he wanted to know what Lei Qiaolin was doing.

Ye Chen drew closer, he wanted to know what Lei Qiaolin was doing.

Ye Chen took a look and peeked into the room from Lei Qiaolin, when Ye Chen looked inside, he saw something that others would probably never be able to imagine.

Lei Qiaolin did the unreasonable thing, this female teacher turned out to have quite a strange hobby.

Lei Qiaolin was currently wearing a cute and revealing outfit, he was wearing cat ears and posing in front of the mirror.

"These clothes are quite cute and beautiful" Lei Qiaolin liked the clothes she bought, she just knew that there were clothes like this.

Lei Qiaolin liked new things she had never seen before, so it wasn't strange for her to have strange clothes.

"Oh, very interesting, she seems to like to wear cosplay, I seem to have discovered a new secret." Ye Chen looked at Lei Qiaolin, he could see that Lei Qiaolin had hobbies that might be strange for a person in the God Realm.

[Chapter 2239 Pushed Lei Qiaolin Onto The Bed \(1\)](#)

Ye Chen kept looking and observing Lei Qiaolin, he felt quite happy when he saw Lei Qiaolin.

Lei Qiaolin was not aware that Ye Chen was watching him, he was not aware of Ye Chen's existence.

Ye Chen hid himself very well, so it wasn't strange that Lei Qiaolin couldn't see and know about Ye Chen, it was a very normal thing for Lei Qiaolin.

"The clothes in the God Realm are starting to become more attractive, I like this." Lei Qiaolin felt that the clothes in the God Realm became more attractive, he really liked the clothes in the God Realm.

The clothes that Lei Qiaolin wore were definitely earthly clothes, this must be sold by Yan Fei and also Liu Yue, only the two of them could sell clothes like this.

"But she's also great for getting that shirt." Ye Chen didn't expect that Lei Qiaolin was able to get that kind of clothes, that kind of clothes would definitely be very difficult to get, he was very sure about this.

"Okay time to try on another one" Lei Qiaolin wanted to try another one, she still had enough clothes, she bought too many clothes and wanted to try them on.

Ye Chen really enjoyed the scene in front of him, how could Ye Chen miss this kind of sight.

"maybe I'll take some pictures for memories" Ye Chen decided to take some pictures, he couldn't wait to capture Lei Qiaolin.

Lei Qiaolin tried on a maid outfit, with Lei Qiaolin's mature body, of course she could easily fit into every outfit.

"This maid's clothing is slightly different." Lei Qiaolin noticed that this maid's clothing was slightly different, it looked more fashionable and sleeker than those in the God Realm.

"These clothes never disappoint me" Lei Qiaolin is never disappointed, she is never disappointed with the clothes she buys, everything is very good, Lei Qiaolin likes the clothes she buys very much.

Lei Qiaolin circled around, she started to show a side that was never shown to outsiders.

"she's just like a child" Ye Chen looked at Lei Qiaolin, she could see that Lei Qiaolin was just like a child, it was quite funny when Ye Chen saw Lei Qiaolin.

Ye Chen kept looking at Lei Qiaolin, he was enjoying Lei Qiaolin and was starting to get excited.

Lei Qiaolin was too seductive, she had a perverted side and was also coquettish, she made some seductive poses, Ye Chen couldn't possibly stand Lei Qiaolin's poses.

"Judging from her movements, she probably wants to tease you" Chu Yuechan said to Ye Chen, she told Ye Chen that Lei Qiaolin might be teasing Ye Chen.

"He is indeed teasing me." Ye Chen also knew this matter, he knew that Lei Qiaolin was trying to seduce others.

Ye Chen wanted to know what Lei Qiaolin wanted to use this thing for, whether he wanted to use it on other people.

"This is really good, it's a shame I can't show it to other people." Lei Qiaolin couldn't possibly show it to other people, it would be an extremely embarrassing thing.

Ye Chen was shocked when he saw and heard what Lei Qiaolin said.

"she has a naughty mind" Ye Chen didn't expect that Lei Qiaolin would have such a naughty mind, it seems that he has the mind to show herself in front of others.

"I still have unfinished business with her, it seems like this is a good time to finish it." Ye Chen should probably settle things with Lei Qiaolin

Ye Chen used his ability to enter, it was not difficult for Ye Chen to enter Lei Qiaolin's room.

so as not to raise suspicions for Lei Qiaolin, Ye Chen used the original appearance she had.

Ye Chen got on the bed and looked at Lei Qiaolin who was in a sexy nurse outfit.

"I didn't expect that teacher Lei Qiaolin would wear such a thing, aren't you too bold to use that thing" Ye Chen said to Lei Qiaolin.

Lei Qiaolin was silent for a while, she froze for a while when he heard Ye Chen's voice.

Lei Qiaolin immediately turned around, she immediately looked at Ye Chen who was in front of her.

Lei Qiaolin was speechless, how could Ye Chen be on her bed, this was an unreasonable thing for Lei Qiaolin.

Lei Qiaolin was shocked for a while. After being shocked for a while, she finally came back to her senses.

"No way, how did you get in this place?" Lei Qiaolin asked Ye Chen, how could Ye Chen be in his place.

"What a coincidence that I passed by and also saw my place, I didn't expect that you would do this, you naughty teacher" Ye Chen said to Lei Qiaolin.

Lei Qiaolin's face was red, her face was now like an apple, she was really embarrassed by what Ye Chen said, she couldn't imagine that she would be seduced by Ye Chen.

"Get out of my room right now" Lei Qiaolin told Ye Chen to get out of her room.

"why ?" Ye Chen asked Lei Qiaolin.

"You are still asking, don't you know that what you are doing is illegal" Ye Chen said to Lei Qiaolin.

"Whether what I'm doing is illegal, why don't I know" Ye Chen said to Lei Qiaolin.

"You are a very annoying person" Lei Qiaolin said to Ye Chen, she felt that Ye Chen was a very annoying person.

"You shouldn't say such mean words to me" Ye Chen looked helpless, he looked like he was being bullied by Lei Qiaolin.

Lei Qiaolin looked at Ye Chen, the more she saw Ye Chen the more angry she got at Ye Chen.

"I will make you regret" Lei Qiaolin said to Ye Chen, she would make Ye Chen regret.

Lei Qiaolin headed towards Ye Chen, she intended to attack Ye Chen using the strength she had.

Ye Chen had been waiting for this, he took advantage of this opportunity to attack Lei Qiaolin.

using the strength he had, she caught Lei Qiaolin and directly cornered her on the bed.

Lei Qiaolin was quite surprised by what Ye Chen did, she didn't expect that Ye Chen could do such a thing.

"let go of me" Lei Qiaolin told Ye Chen to let go of her.

"Why should I let you go" Ye Chen asked Lei Qiaolin, he wanted to know why he had to let Lei Qiaolin go.

"You have to let me go" Lei Qiaolin said that if Ye Chen had to let her go, she didn't want to be treated like this by Ye Chen.

"I won't let you go, instead I want to give you something that might make you never forget it" Ye Chen whispered to Ye Chen.

"no don't do that" Lei Qiaolin said to Ye Chen, she told Ye Chen not to do that.

Ye Chen started to show his strength, he started to show his technique to fight against Lei Qiaolin.

"ahhh . . . "Lei Qiaolin groaned, she felt an extraordinary feeling from Ye Chen, this extraordinary feeling was very great, Lei Qiaolin really liked the feeling given by Ye Chen.

"What is this, why is this so fun, do I like being messed with by this brat?" Lei Qiaolin didn't expect that he would like being treated like this by Ye Chen, he really liked what Ye Chen was doing.

Ye Chen's technique was very good, he easily made Lei Qiaolin obey.

Lei Qiaolin had completely fallen, the touch of Ye Chen's gentle fingers had made Lei Qiaolin feel extremely comfortable.

[Chapter 2240 Pushed Lei Qiaolin Onto The Bed \(2\)](#)

"Why does he have this kind of ability" Lei Qiaolin didn't know why Ye Chen had this kind of ability, the ability that Ye Chen possessed was too strong and made Lei Qiaolin unable to stand it.

Ye Chen already knew that Lei Qiaolin couldn't stand his touch, he definitely wouldn't have the strength to put up a fight against Ye Chen.

"ahhh . . . , no don't touch there" Lei Qiaolin said to Ye Chen, she told Ye Chen not to touch in that part.

"So this is your weak point" Ye Chen smiled at Lei Qiaolin, he had just found Lei Qiaolin's weak point, he could attack Lei Qiaolin.

"Not . . ." Lei Qiaolin got even more pleasure, she didn't expect that Ye Chen would give her a much more comfortable feeling compared to before.

This feeling was clearly too comfortable. Lei Qiaolin would not be able to endure, he would not be able to withstand this amount of pleasure.

"ahhh . . ." Lei Qiaolin started to go wild, she went really wild, she started to squirm and started to sway under Ye Chen's body.

Lei Qiaolin's movements provoked Ye Chen several times, it seems that Lei Qiaolin deliberately did it, she wanted to provoke Ye Chen's younger brother who was below.

"You are really a naughty girl" Ye Chen said to Lei Qiaolin, he said that Lei Qiaolin was a naughty girl.

"No, don't say that" Lei Qiaolin told Ye Chen not to say that, she was embarrassed when Ye Chen called her naughty.

"You have to admit it" Ye Chen said that Lei Qiaolin had to admit it.

"no . ." Lei Qiaolin said that she would not admit what Ye Chen said.

"Is that so, then I have to make you more honest, I like girls who are more honest" Ye Chen whispered in Lei Qiaolin's ear.

Ye Chen's words made Lei Qiaolin even more excited.

Ye Chen really knows how to make Lei Qiaolin, so it's not strange that Lei Qiaolin is very excited, she is quite excited when she is with Ye Chen.

"What is wrong with me ?" Lei Qiaolin didn't know what had happened to her, she felt even more strange and perverted.

she wasn't normally like this, this was very strange for Lei Qiaolin, she couldn't control herself when she was with Ye Chen, Ye Chen was too strong and made Lei Qiaolin surrender and become a prisoner.

"how, do you like it or not" Ye Chen asked Lei Qiaolin, he wanted to know the opinion of Lei Qiaolin.

"I don't know" Lei Qiaolin said that if she didn't know, she couldn't explain this to Ye Chen.

"So you don't want to admit it" Ye Chen could see that Lei Qiaolin didn't want to admit it.

Ye Chen decided to use more strength and techniques, he used powerful skills to defeat Lei Qiaolin.

Lei Qiaolin naturally wouldn't be able to endure it, it was simply too strong and allowed Lei Qiaolin to reach the peak so easily.

"no . . ." Lei Qiaolin reached the peak, this feeling is indeed the best.

"ahhh . . ." Lei Qiaolin was panting heavily, she looked very tired, what Ye Chen did made her body very weak.

"how, do you like it" Ye Chen asked Lei Qiaolin, he wanted to know Lei Qiaolin's honest feelings.

"This is the best . ." Lei Qiaolin finally wanted to be honest, she told Ye Chen that this was very convenient.

"very good, I hope you get ready, because there will be more fun things" Ye Chen said to Lei Qiaolin, he told Lei Qiaolin to prepare, there will be more fun things and make Lei Qiaolin satisfied.

"what are you going to do to me" Lei Qiaolin asked Ye Chen, she wanted to know what Ye Chen would do.

"You will find out soon enough" Ye Chen said that Lei Qiaolin would find out soon enough.

Ye Chen immediately started, he touched Lei Qiaolin's double peaks and abdomen.

"ahhh . . ., don't be there, Ye Chen you . ." Lei Qiaolin said to Ye Chen.

Lei Qiaolin became weak, she became weak when Ye Chen touched that part, it made Lei Qiaolin weak and helpless.

"what's wrong, are you dissatisfied ?" Ye Chen said to Lei Qiaolin.

"no, my body" Lei Qiaolin said to Ye Chen, her body started to lose control and Lei Qiaolin was unable to stop his body.

"Hahahahaha" Ye Chen laughed, he laughed when he saw Lei Qiaolin like this.

It was really fun to fight Lei Qiaolin, Ye Chen was very satisfied when fighting Lei Qiaolin.

Lei Qiaolin's arrogance didn't last long, in just a matter of minutes, she had been made into this way by Ye Chen, she no longer had any resistance against Ye Chen.

Lei Qiaolin was already so wet she had already reached the peak several times.

Ye Chen actually teased Lei Qiaolin into this, he made Lei Qiaolin become full of lust.

Lei Qiaolin couldn't stand what Ye Chen was doing, she wanted more from Ye Chen.

Lei Qiaolin finally took the initiative, she started kissing Ye Chen who was in front of her.

Ye Chen was kissed by Lei Qiaolin, Ye Chen of course returned the kiss given by Lei Qiaolin.

Ye Chen started to teach Lei Qiaolin how to do an adult kiss, with the help provided by Ye Chen, Lei Qiaolin quickly learned.

"This is too great" Lei Qiaolin felt that this was too great, what Ye Chen did was too great and made Lei Qiaolin very comfortable.

It seemed that Lei Qiaolin really liked what Ye Chen was doing.

Ye Chen's hand went into Lei Qiaolin's clothes, he started to touch Lei Qiaolin's double peaks.

Ye Chen used his hand to touch Lei Qiaolin's double peaks, it was very soft and very elastic, Ye Chen liked to touch this thing.

"no. . ., you are driving me crazy" Lei Qiaolin said to Ye Chen, she told Ye Chen that she had driven Lei Qiaolin crazy.

"You have such a good body shape, I can't miss this." Ye Chen said to Lei Qiaolin, he told her that he would not miss this, Ye Chen couldn't miss this opportunity to touch Lei Qiaolin.

Lei Qiaolin was powerless, she could only defend against Ye Chen's attack which was too strong, she couldn't possibly fight against Ye Chen.

Ye Chen and Lei Qiaolin started having fun, both of them started having fun and enjoying the fun that each other was giving.

Lei Qiaolin had already completely fallen, she wanted to quickly give such a beautiful thing to Ye Chen.
she might have completely fallen for Ye Chen.

Ye Chen wanted to do more with Lei Qiaolin, he couldn't wait to do more beautiful things with Lei Qiaolin.

When Ye Chen was about to enjoy the beautiful thing, he could feel that there was a huge movement outside, it seemed that something was going to happen outside.

"Why did you stop ?" Lei Qiaolin asked Ye Chen, why did Ye Chen stop at important moments, this made Lei Qiaolin uncomfortable.

"something bad happened" Ye Chen told that something bad happened outside.

Ye Chen went straight out, he wanted to see what was going on outside.

Lei Qiaolin was confused, she didn't know what Ye Chen was doing, what Ye Chen did was too sudden, Lei Qiaolin felt uncomfortable.

When Ye Chen came out, he saw that there were quite a few people eyeing Luo Bing and Chang Er's place, it seemed they were enemy members assigned to take Chang Er.
