

True God 2241

[Chapter 2241 The Attacker Uses An Ancient Puppet](#)

Ye Chen didn't waste any time, he immediately stepped out and directly faced the enemy outside.

Outside Ye Chen saw several enemies wearing black clothes, they surrounded this place and started looking for Chang Er's whereabouts.

They destroyed every room in existence, and they searched for the whereabouts of people with significant influence within this academy.

Students started to run away, they screamed and started to run away from this place, they didn't want to interfere in the battle, they preferred just to run away.

"boom." an explosion occurred, which only worsened the situation, and everyone was frightened by this.

"move" Ye Chen said to the surrounding students, he told them to get out of the way immediately.

Ye Chen faced the enemy, he used his strength and techniques to deal with the enemy in front of him.

"Nine Shadow Step" Ye Chen used Nine Shadow Step, he appeared behind the enemy and started attacking the enemy in front of him.

"Bam. . ." Ye Chen's attack took down the enemy, Ye Chen easily took down the existing enemy.

The enemy immediately turned their attention to Ye Chen, and they immediately turned their attention towards Ye Chen and started attacking Ye Chen with sword weapons.

"Slashes . . ." The enemy used their swords, and they slashed at Ye Chen with their swords.

Ye Chen endured all the attacks, he coated his body with a strong wind, so the enemy wouldn't be able to hurt Ye Chen with a sword.

"move" Ye Chen used his strength and knocked the enemy away, all the enemies were blown away.

Ye Chen's attack was already potent, it could easily stun the enemy.

"woshhh . ." when Ye Chen thought that he had taken down all the enemies, he saw that the enemies that had been knocked down woke up again, they got up again and started to attack Ye Chen.

"My attack should have broken their bones, why are they still able to fight" Ye Chen's attack was directed at the vulnerable spot, they shouldn't be able to wake up for a few days.

"They are a little strange, they are like an army of corpses," Chu Yuechan said to Ye Chen, she told that these people were like corpses, Ye Chen's attacks seemed to have no effect on them, they did not feel any pain from Ye Chen's attacks. Chen.

"no it's not like that" Ye Chen slightly realized something, he realized something when fighting the enemy in front of him.

"They are puppets" Ye Chen finally realized that if his opponent was a puppet, there must be someone controlling this puppet somewhere.

Ye Chen used his eyes, he searched for the whereabouts of the person controlling this puppet.

Ye Chen searched the area for about 100 miles, but strangely he didn't find anyone controlling this thing.

"no one" Ye Chen could see that no one was controlling this puppet.

"It seems this person is controlling the puppet from far away." Chu Yuechan said to Ye Chen.

"If that's the case, I need to track him down." Ye Chen decided to track him down, he could use the connections of the puppets and look for that person.

Ye Chen tried to catch one of the dolls, and when Ye Chen did that all the dolls ran away, they immediately ran and avoided Ye Chen.

The puppeteer seemed to be very clever, he knew that Ye Chen would track him down, so he avoided Ye Chen.

"I won't let it" Ye Chen wouldn't let the puppets run away, he used his incredible speed and directly caught one of them.

"hit" Ye Chen had succeeded in catching the puppet, he had managed to catch the annoying puppet.

When Ye Chen managed to catch one of the puppets, the doll changed color, and the puppet exploded right in front of Ye Chen.

"BOOM" an explosion occurred, the doll that Ye Chen caught exploded and caused an enormous explosion.

This explosion can be said to be very large, this explosion makes the surrounding buildings destroyed and leveled to the ground.

Ye Chen had been hit by an explosion already, he should have received a severe injury after he received such a massive explosion.

After getting rid of Ye Chen all the puppets immediately moved and started to kidnap Chang Er.

"come with me quickly" Luo Bing took Chang Er, she took Chang Er away from this place and looked for a haven.

This place wasn't safe, they would be targeted by the enemies present.

Ye Chen had been defeated, which meant that the enemy possessed formidable strength, so Luo Bing immediately took Chang Er away and found a safe place.

"An explosive puppet, this guy is really troublesome. . ." the enemy looked really troublesome, they had puppets that could self-detonate, if all the puppets self-detonated, then it was certain that part of the academy would be destroyed and razed to the ground.

"Looks like it's time to get a bit serious." Seeing this, Ye Chen decided to be more serious, he had to destroy the dolls without causing them to explode and injure the people around them.

Ye Chen used the Heavenly Silver Flame, he directly controlled the Heavenly Silver Flame to hunt down all the puppets.

The doll was chased by the Heavenly Silver Flame, which belonged to the Heavenly Silver Flame, which was very fast and was immediately eaten by the Heavenly Silver Flame to ashes.

The Heavenly Silver Flame quickly crushed the puppets, the puppets did not explode and could be defeated safely.

"very good . . ." Ye Chen was satisfied, and he started destroying everything quickly and neatly.

The tens of puppets were destroyed by Ye Chen, they didn't have resistance against the Heavenly Silver Flame.

"Okay, everything is done" Ye Chen has finished everything, everything should be safe and under control.

Ye Chen went to find the whereabouts of Chang Er and Luo Bing, he had to find them both.

Ye Chen looked for Chang Er as well as Luo Bing, and he very quickly discovered the whereabouts of the two of them.

They hid in a cellar, it was a very safe place for them.

Ye Chen came in, opened the door, and saw the state of Chang Er and Luo Bing.

"stop" when Ye Chen stepped inside, Luo Bing immediately stopped him, he stopped Ye Chen and brandished a weapon toward Ye Chen.

"Don't worry, it's me" Ye Chen said to Chang Er as well as Luo Bing, he told them that it was him, so the two of them didn't need to worry.

Luo Bing was immediately relieved when she saw that it was Ye Chen. She was relieved when she saw Ye Chen come and help her.

"you come," Chang Er said to Ye Chen, she was pretty happy when she saw Ye Chen come.

Chang Er came towards Ye Chen, and she tightly clung to Ye Chen's body.

Luo Bing saw what Chang Er was doing, and for some reason, she didn't like it when she saw Chang Er teasing Ye Chen with her perfect body.

Ye Chen felt Luo Bing's gaze towards Chang Er, it seemed that Luo Bing didn't like the way Chang Er teased Ye Chen.

"let's go out" Ye Chen led Luo Bing and Chang Er out of this place.

"is the situation under control ?" Luo Bing asked Ye Chen.

"everything is under control, I have everything under control," Ye Chen said to Luo Bing, he told Luo Bing that the situation was under control and everything was safe.

"Very good" Luo Bing was happy when she heard this, it seems that Ye Chen has succeeded in overcoming this problem, Ye Chen is indeed very great, he can do extraordinary things and defeat the enemy quickly.

[Chapter 2242 Zhi Fuze Is Kidnapped](#)

"You two look close." Luo Bing said to Ye Chen and Chang Er, she could see that the two of them were close.

"Of course, we have experienced a lot of things together." Chang Er told Luo Bing that they had experienced a lot of things.

"what have you guys been through" Luo Bing asked Chang Er, she wanted to know what the two of them were going through.

"That's a very secret thing." Luo Bing said Chang Er, she told that it was a secret thing and couldn't be said.

The words Chang Er used made Luo Bing even more suspicious, she became even more suspicious of Ye Chen and Chang Er.

"Don't argue like that anymore, let's go out" Ye Chen asked Chang Er and Luo Bing to come out and leave this place.

"Okay" Chang Er and Luo Bing understood, and they immediately left the place.

When the two went up, they saw that several places had been destroyed, and many were damaged due to the fighting that had taken place.

"So evil, how could they do something like this" Luo Bing said to Ye Chen.

"They are targeting a few people, it seems they want to make the rich people of the big families into captives for them" Ye Chen said to Luo Bing.

"It's not strange that they are targeting me." Chang Er understood, he now understood why they were targeting her.

It seemed they wanted to use it to threaten this place's Clans and noble families.

"They want to rule over this entire academy, so it wouldn't be strange for them to do that" Ye Chen said to Chang Er.

Ye Chen saw Lei Qiaolin, who started to come over, she seemed to have recovered and immediately secured the situation around this place.

"It seems your teacher has come, I will go and meet you later, I have things to confirm." Ye Chen said to Chang Er and Luo Bing.

"okay" Chang Er and Luo Bing nodded at Ye Chen.

Ye Chen left, he believed that Lei Qiaolin would protect them.

"are you guys okay" Lei Qiaolin came over, she said to Chang Er and Luo Bing.

"we are fine" Chang Er and Luo Bing said they were fine, and Ye Chen had helped them.

"Thankfully, some of your friends have been kidnapped, and their whereabouts are currently unknown" Lei Qiaolin informed that many students had been kidnapped.

Chang Er and Luo Bing understood they were fortunate to be helped by Ye Chen, otherwise, they would probably be taken in by those thugs.

"Come with me, I will take you to a safe place" Lei Qiaolin told Chang Er and Luo Bing to come with her.

The two of them immediately followed Lei Qiaolin to a safe place, they had to be together and ensure that the enemy didn't attack this place again.

From afar, Ye Chen saw Lei Qiaolin, Chang Er and Luo Bing.

"what's the situation ?" Ye Chen asked Ye Xiu, Nanhua Caiyi and Cheng Mengyan.

"We were also attacked, they took some important people away, what happened before was just a diversion" Ye Xiu said to Ye Chen.

"I knew that they just wanted to distract us and kidnap people" Ye Chen had expected this, he already knew that.

"what are you going to do" Ye Xiu asked Ye Chen, what was Ye Chen going to do?.

"I will track them down" Ye Chen said to Ye Xiu and the others.

"How did you track them ?, even sister Xiu couldn't track them ?" Cheng Mengyan asked Ye Chen.

"I have my plan" Ye Chen said he had his plan.

Ye Chen took out the part of the puppet he had defeated, he was about to start tracking down the enemy.

Ye Xiu, Nanhua Caiyi and Cheng Mengyan looked at Ye Chen, they wanted to know what Ye Chen was going to do, they were pretty curious about what Ye Chen was going to do.

Ye Chen left, and he started to use this section to trace the enemy's whereabouts, he should be able to do it.

"Let's go back" Ye Chen invited Ye Xiu, NanhuaCaiyi and Cheng Mengyan to come back.

Ye Xiu, Nanhua Caiyi and Cheng Mengyan followed Ye Chen, they followed Ye Chen back.

Ye Chen needed some time, he might have to be a bit patient to find the whereabouts of the person who had kidnapped the nobles.

News of the academy attack quickly spread, and countless people came when they heard of this, especially parents who had their children kidnapped.

"This place became very crowded" when morning came, Ye Chen saw that this place was very crowded, many big clans and even upper-class nobles came.

They seemed to have come to make sure that everyone was okay.

"Husband, here is the list of the kidnapped people, I just got it from sister Suyin" Nanhua Caiyi came over, and she passed the list of the kidnapped people to Ye Chen.

Ye Chen received the list of the kidnapped people, he saw that there were hundreds of people who were abducted, they were people with enormous power and background.

"Zhi Fuze" Ye Chen didn't expect that Zhi Fuze would be kidnapped too, she should have some resistance when facing the enemy.

Ye Chen looked into the distance, he saw that Zhi Fuxe was coming, she had come to confirm that an evil group had kidnaped Zhi Fuze.

"thank you very much, come back, and everything is fine, if there is anything suspicious, you just take care of them right away" Ye Chen said to Nanhua Caiyi.

"I understand" Nanhua Caiyi understood, she immediately went and did as Ye Chen said.

Ye Chen went and met Zhi Fuxe, he might find it easier to get what he wanted, plus Zhi Fuxe could help Ye Chen.

Ye Chen came down, he went straight to where Zhi Fuxe was and approached Zhi Fuxe.

Several men surrounded Zhi Fuxe, she seemed very popular, as a light user, Zhi Fuxe was indeed more special than ordinary people.

So it's not strange that she has many pursuers ready to chase and get her.

"This is very troublesome" Zhi Fuxe hated this, she hated it when someone interfered with her business, even though she was in serious trouble and didn't have time to attend to these people.

"Miss, you are here, come with me" Ye Chen came, he came over and directly pulled Zhi Fuxe from the crowd.

Zhi Fuxe was shocked when she saw what Ye Chen did, she didn't expect Ye Chen would be so bold and touch her in such a way.

Ye Chen carried Zhi Fuxe, he pulled Zhi Fuxe by force.

Zhi Fuxe was unable to resist, he discovered that the strength the other party possessed was far superior to his own.

"who is he" Zhi Fuxe wanted to know who Ye Chen was, he made Zhi Fuxe curious.

Ye Chen brought Zhi Fuxe, he brought Zhi Fuxe to a place not too long ago.

"It seems that you are having a hard time" Ye Chen said to Zhi Fuxe, it seems that Zhi Fuxe is having a hard time.

"you . . . ?" Zhi Fuxe was silent for a while, and a moment later she remembered this voice.

"You Ye Chen. . . , you make me confused, why do you always wear a different appearance, it makes me troubled." Zhi Fuxe said to Ye Chen, Ye Chen made Zhi Fuxe feel confused.

"Hehehehe," Ye Chen chuckled when he heard this.

[Chapter 2243 Managed To Find A Place Of Detention](#)

"It seems your little sister is having some trouble" Ye Chen said to Zhi Fuxe.

"Yeah, she seems to be in trouble, I hope she's fine, I'm quite worried about my sister's situation." Zhi Fuxe said that she was worried about Zhi Fuze's situation, she was always in trouble.

"She is like that, it seems we have to save her" Ye Chen said that they must save Zhi Fuze immediately.

"Do you know where she is?" Zhi Fuxe asked Ye Chen, Ye Chen knew where Zhi Fuze was.

"Not yet, I'm still looking for it, soon I will probably get the coordinates of the kidnapper, you can wait more patiently" Ye Chen said to Zhi Fuxe.

"Okay, I will believe what you say" Zhi Fuxe said that he believed what Ye Chen said.

"But why are you in this place?" Zhi Fuxe asked Ye Chen, why Ye Chen was in this place, he shouldn't be in this place.

"I'm investigating about Vengeance Fate Sect." Ye Chen told why he was in this place.

"It seems they were involved in the kidnapping that happened." Zhi Fuxe finally realized that they were involved in the kidnapping.

"You have to be careful, several teachers in this place have joined Vengeance Fate Sect and want to take over this place" Ye Chen told Zhi Fuxe to be even more careful.

"Thank you for the warning, I'll be careful" Zhi Fuxe said that if she were careful, she would be even more cautious in making decisions in this place.

"I'll go first, they will be suspicious of you, if you find anything, I will help you" Zhi Fuxe knew that Ye Chen had a problem and was undercover, he better not disturb Ye Chen for now.

"Okay" Ye Chen nodded, he left, and Zhi Fuxe also left this place.

"That woman is smart, she knows what to do" Chu Yuechan said to Ye Chen.

"Of course, he has the power of light, of course, he is wise like Yanyan and Yixian," Ye Chen replied.

"I will start searching for the whereabouts of the enemy" Ye Chen used his strength, he would track down the enemy using the connections from the remaining puppet fragments.

.

.

Meanwhile, in a place underground far from human reach.

Zhi Fuze and the others were currently detained, they were arrested and tied up in a solitary confinement cell which prevented them from using their strength freely.

"This is so annoying" Zhi Fuze cursed, she didn't like this, she was confined in this place and couldn't do anything.

Zhi Fuze wanted to be free, she tried to fight the enemy who had kidnapped her.

Too bad that Zhi Fuze couldn't do that, she couldn't do that considering the enemy had locked her up, and she couldn't escape from this place.

"Clanks . . ." when Zhi Fuze was thinking of a way to escape, she could say that someone opened the door to the room, someone entered and saw the condition of the prisoners inside.

All the disciples fell silent when they saw who had just entered, even Zhi Fuze was shocked when she saw who had just entered.

"Why is he in this place?" Zhi Fuze didn't expect that this man was in this place.

"Hello everyone, I hope you are fine and comfortable with the facilities we provide for you" this man said to everyone, he told everyone to enjoy the facilities that have been provided.

"Let us go bastards" everyone cursed the man who just appeared, they were not happy with the man who just appeared.

"This transfer student, so he is the mastermind behind everything" Zhi Fuze looked at Khan Cao, she could see that this man was the mastermind behind everything.

"Shut up" Khan Cao used his strength and cut off one of the hands of the student who dared to resist.

"arghhh . . ." the hands of the resisting students were immediately cut off and fell to the floor.

"You guys better shut up, otherwise, you might lose your hands" Khan Cao said to all the disciples in this place.

Khan Cao tried to bluff, he attempted to oppose everyone who wanted to fight him.

Everyone was silent when they saw Khan Cao, they were scared when they saw Khan Cao who had just cut off the arm of one of the disciples in this place.

"That's good." Khan Cao was satisfied when he saw that everyone had become quiet, now everyone seemed more comfortable.

After Khan Cao gave everyone a warning, he immediately left, he had already completed his task, and now they only needed to threaten the Great Clans and the existing noble families.

That way, they will get what they want and soon masterFive Lord Divine Academy.

Everyone was getting desperate, who would save them from this place, they wanted to know that.

Zhi Fuze hoped that her elder sister could easily escape, she could only expect from Zhi Fuxe alone, only she could save Zhi Fuze from this place.

"I hope you come soon" Zhi Fuze hoped that Zhi Fuxe would come soon and save her.

.

.

After a few days passed, Ye Chen managed to get a bit of a clue, he could sense the whereabouts of the person who had kidnapped the elite disciple.

"I can feel it, and it's absolutely" Ye Chen said to Chu Yuechan.

"let's just quickly follow it" Chu Yuechan said to Ye Chen, she told Ye Chen to follow this same trail, this power trail would lead them to where they wanted to go.

"I understand" Ye Chen understands, he understands what is said by Chu Yuechan.

Ye Chen left, and before leaving, he told Ye Xiu to control this place, the enemy might return to their attack.

Ye Chen went alone, he immediately went to the place where Zhi Fuze was being held.

Ye Chen went to a very remote and very remote place, he brought headed to a place dead by this trace of power.

"This place is not worth inhabiting "This place is perfect for used torturing and locking people up, no one will suspect and go to a lonely and dead place like this.

"You've found it" Zhi Fuxe came, got the news from Ye Chen, and went straight to this place.

"I've found it, they are should around this place, so come with me" Ye Chen told Zhi Fuxe to follow him.

"um" Zhi Fuxe understood, she followed Ye Chen to find the whereabouts of her younger sister.

Ye Chen and Zhi Fuxe decided to browse around this place, they would probably discover the whereabouts of the kidnapped disciple.

Ye Chen used his God Eyes, he searched for their whereabouts of them.

"over there" Ye Chen discovered the whereabouts of the student kidnapped, finally finding the whereabouts of the kidnapped student quickly.

"You managed to find them" Zhi Fuxe asked Ye Chen.

"I managed to find them" Ye Chen said that he managed to find them.

"Where?" Zhi Fuxe asked Ye Chen, she looked excited when listening to what was said by Ye Chen.

"It's right below you" Ye Chen informed them that they were below.

"Below" Zhi Fuxe finally realized what was said by Ye Chen, he realized that below there was a place that was quite wide and could use to confine a large number of people.

"You can feel it already right ?" Ye Chen said to Zhi Fuxe.

"I can feel it." Zhi Fuxe said that she could feel what was meant by Ye Chen.

[Chapter 2244 The Real Enemy Appears](#)

"We have found the place, let's go in" Ye Chen invited Zhi Fuxe to enter, they had to find Zhi Fuze.

"Then let's go inside" Zhi Fuxe agreed with what Ye Chen said.

Zhi Fuxe and Ye Chen went inside, the two entered and immediately went to find the whereabouts of the kidnapped student.

Ye Chen and Zhi Fuxe managed to enter, and both of them managed to enter and knock the guards that were around this place, using the strength that he had, Ye Chen started to paralyze the guards.

Ye Chen had incapacitated the guards, it would be easy to get inside.

Ye Chen extracted information from the guards he had crippled, too bad they were only mercenaries hired to guard this place against being intruded on by others.

"how?, did you find anything" Zhi Fuxe asked Ye Chen.

"no, they are just mercenary troops, our enemies are not using their real troops" Ye Chen said to Zhi Fuxe.

"Is that so" Zhi Fuxe understood, the enemy seemed more competent.

"We'd better go and ask Zhi Fuze directly, he might know the root of this matter" Ye Chen asked Zhi Fuxe to look for Zhi Fuze, they could ask Zhi Fuze about this matter.

"I agree with what you said" Zhi Fuxe agreed, she and Ye Chen went to find the whereabouts of Zhi Fuze.

Ye Chen used his strength, he quickly discover the whereabouts of the Zhi Fuze.

"He is there" Ye Chen found the whereabouts of Zhi Fuze, Zhi Fuze was currently huddled up and looking for help.

"little sister, are you okay?" Zhi Fuxe approached, and she asked about Zhi Fuze's condition.

"sister you came" Zhi Fuze was happy that Zhi Fuxe would come and help her, she had been waiting for so many days.

"They didn't do anything bad to you, did they?" Zhi Fuxe asked Zhi Fuze.

"no, they didn't do anything rash" Zhi Fuze told them that they didn't do anything bad to her.

"That's great." Zhi Fuxe was happy when she heard this, she was delighted when she saw that Zhi Fuze was fine.

"do you know who caught you" Ye Chen asked Zhi Fuze, he wanted to know who caught her.

"That, he is Khan Cao" Zhi Fuze told Ye Chen, she said about the person who had caught her.

"That new student" Ye Chen had indeed felt strange things from Khan Cao, it turned out that his suspicions were correct, Khan Cao was the mastermind behind this matter.

"If he is the mastermind behind all this, then we must catch him" Zhi Fuxe must catch Khan Cao.

"I quite agree with what you said" Ye Chen agreed with what Zhi Fuxe said, they should catch Khan Cao and bring him to justice.

"I finally found a bright spot" Ye Chen found a bright spot, he found a bright spot and managed to find the person he was.

Khan Cao could answer all the questions Ye Chen had, he would know everything Ye Chen wanted to know.

"Xiu, please go and find the student named Khan Cao for me, be careful he is a strong opponent" Ye Chen said to Ye Xiu, he gave a voice transmission to Ye Xiu.

"let's get out of this place" Ye Chen asked Zhi Fuze and Zhi Fuxe to get out of this place, they had to leave this place as soon as possible.

Ye Chen freed all the existing disciples, let them find their way out, Ye Chen would not care about this matter.

They weren't small children, they had the strength and ability to get out of this place, so Ye Chen didn't need to worry too much about them, they should be fine without Ye Chen's help.

Ye Chen along with Zhi Fuze and Zhi Fuxe came out, other students also came out, they immediately went and saved themselves respectively, they didn't care about other students getting hurt and had to save their lives.

The people who were kidnapped were people from prominent families. They didn't care about the other's safety. They just wanted to save their own lives.

"husband, I didn't find the person you told me about, he's not around here" Ye Xiu replied to Ye Chen, she told Ye Chen that the person she was looking for wasn't in the academy.

"If he wasn't there, he should be around here." Seeing this, Ye Chen knew that Khan Cao should be around here.

"arghh . . ." from far away Ye Chen could hear a shrill scream, this was clearly from one of the students who might have had a bad day.

"what happened there" Zhi Fuze wondered, she wanted to know what happened.

"Looks like it's Khan Cao and her minions, be careful, he might use puppets to catch you" Ye Chen said to Zhi Fuze and Zhi Fuxe.

"I will help you" Zhi Fuxe said that she would help, she wanted to help Ye Chen and also Zhi Fuze fight Khan Cao.

Moments later, a puppet appeared, attacking Ye Chen, Zhi Fuze, and Zhi Fuxe.

Ye Chen snapped his finger, and when Ye Chen snapped his finger, he immediately paralyzed all the puppets.

"Stop using toys against me, go ahead and fight me head-on" Ye Chen said to Khan Cao, he told Khan Cao to come out and fight him.

"So you are the one who freed them, you have destroyed the good plan that I made" Khan Cao said to Ye Chen, he didn't like it when he saw Ye Chen destroy the plan he had, he was angry with what was done by Ye Chen.

"Hahaha, too bad, you must be outraged when you see this, I have messed up the plans you guys have" said Ye Chen to Khan Cao.

"Today I will kill all of you, I will not let you run away, I will make sure that you are buried in this place so that you are not able to tell the others about this matter" Khan Cao thanked Ye Chen, Zhi Fuxe, Zhi Fuze.

"You don't know who you are fighting, you will regret this." Zhi Fuze said that Khan Cao would regret this matter.

Let's see who will regret this matter, me or you guys, let's see directly" Khan Cao attacked Zhi Fuze, he attacked Zhi Fuze using his full strength.

Using his full strength, Khan Cao could kill Zhi Fuze quickly.

"I won't let you touch my sister" Zhi Fuze decided to join the battle, she enter the struggle and fight Khan Cao.

Zhi Fuxe finally released the power of light, she released a strong force of light and made Khan Cao retreat.

"Damn, she has the power of light, this is troublesome." Khan Cao didn't like Zhi Fuxe, she didn't like Zhi Fuxe's power.

Zhi Fuxe's power of light is the natural enemy of people in the Vengeance Fate Sect, so it's not strange that Khan Cao is very annoyed with Zhi Fuxe.

"I will face him" Zhi Fuxe said to Ye Chen, she told Ye Chen that she would face Khan Cao.

"If that's what you want" Ye Chen invited Zhi Fuxe to fight, he wanted to see the strength and abilities Zhi Fuxe had.

Zhi Fuxe began to chant several techniques, she summoned several light shields around herself.

Several orbs of light around Zhi Fuxe's body were also used to shoot enemies down.

[Chapter 2245 Against Khan Cao \(1\)](#)

"I won't hold back even if my opponent is a woman" Khan Tall said to Zhi Fuxe, he told Zhi Fuxe that he would not hold back even if he fought a beautiful woman like Zhi Fuxe.

"I don't need pity from someone like you" Zhi Fuxe said that she didn't need pity from Khan Cao, she will not defeat Khan Cao with his own hands.

Khan Cao took out his sword, he summoned several powerful puppets, and intended to control them.

"that . . ." The puppets taken by Khan Cao is very different from the previous one, it is definitely stronger and more powerful if compared with before.

"It's an ancient puppet with enormous strength, it has very good things, it's not strange that it's so confident in its strength," Ye Chen said while looking at the puppet.

"is that bad . . ." Zhi Fuze asked Ye Chen, she wanted to know if it was bad or not.

"Of course, it's a little bad, it will be difficult to destroy and stronger compared with the one I fought before".

Ye Chen briefly explained to Zhi Fuze, he told clearly what would happen next.

"Big sister, I hope you win" Zhi Fuze hoped that Zhi Fuxe would win against Khan Cao.

Zhi Fuxe started to attack, she used a ball of light and started to attack the enemy in front of her, using the ball of light, he shot a light toward Khan Cao.

Khan Cao used his sword, he parried the attack from Zhi Fuxe with his sword.

The sword skills possessed by Khan Cao are said extremely high level, with this kind of ability, he was able to easily intercept Zhi Fuxe's attacks.

Zhi Fuxe saw what Khan Chao was doing, this man used a sword to parry her attack.

"your attack that's weak." Khan Cao said to Zhi Fuxe, he told Zhi Fuxe that she had a weak attack.

Zhi Fuxe remained calm, she still had a chance to win over Khan Cao.

"Shield Light" Zhi Fuxe used strong shield power, she smashed into Khan Cao's body with his shield.

"Clank" Khan Cao tried to block Yang's attack launched from Zhi Fuxe.

It was a pity that Zhi Fuxe's attack power was much stronger this time compared with before, this power made Khan Cao overwhelmed.

"It's tougher compared with before" Khan Cao knew that Zhi Fuxe used a harsher light.

Khan Cao had no choice but to retreat, this was the time he used his puppet.

Khan Cao's puppets started attacking Zhi Fuxe, they attacked Zhi Fuxe from behind.

Zhi Fuxe wielded a shield of light, she endured the attacks from the enemy.

"Clanks . . ." When Zhi Fuxe was sure that she had blocked the enemy's attack, a puppet took out a large two-handed sword and immediately destroyed Zhi Fuxe's defenses.

"bad . . ." This time Zhi Fux dodged, she knew that she wouldn't be able to withstand the attack from the huge puppet wielding a huge sword.

"hehehehe, so that's your weakness, then I'll attack you directly" Khan Cao having discovered Zhi Fuxe's weakness, now only needed to attack and destroy Zhi Fuxe using his huge puppet.

"one finger shot" Zhi Fuxe used his finger and started shooting toward the puppet in front of him.

This is one of the strongest techniques possessed by Zhi Fuxe, with this technique Zhi Fuxe is able to defeat enemies and destroy mountains.

Light shot out from Zhi Fuxe's finger, this contains immense power of light.

The doll used own power, that resisted Zhi Fuxe's power.

While Zhi Fuxe was focusing on one doll, the other dolls distracted Zhi Fuxe, and they attacked the off-guard Zhi Fuxe.

"ah" Zhi Fuxe retreated, she backed away when she received the attack from the doll.

"big sister" Zhi Fuze was worried about Zhi Fuze's condition, she immediately came forward and saw Zhi Fuze's condition.

"I'm fine" Zhi Fuxe said to Zhi Fuze, she told her that she was fine, it was only a minor injury.

Zhi Fuxe was trying to get up, he was trying to get up and put up a fight against her enemy.

"I will immediately kill you both, prepare yourselves," Khan Cao said to Zhi Fuxe and Zhi Fuze, he used his puppet power to kill both of them.

Zhi Fuxe and Zhi Fuze had no time, an attack from Khan Cao came very quickly, the attack came very quickly.

"dead" Khan Cao said to Zhi Fuxe and Zhi Fuze, he had obtained his victory.

"Clanks. . ." when Zhi Fuxe and Zhi Fuze were in an urgent and super difficult condition, Ye Chen came, he came and gave his help to Zhi Fuxe and Zhi Fuze.

"do you think I would let that happen" Ye Chen said to Khan Cao, he couldn't possibly let Zhi Fuxe and Zhi Fuze be killed in front of his own eyes.

"Chen. . ." Zhi Fuxe saw Ye Chen, he saved her in the last situation.

"It seems that the puppet he has is very troublesome, I will take care of it" Ye Chen said to Zhi Fuxe and Zhi Fuze, he will take care of Khan Cao and the puppet which is a bother.

"Damn it, don't be arrogant, I will kill you with my hands" Khan Cao said to Ye Chen, he would kill Ye Chen with his own hands.

Khan Cao ordered his puppet to attack Ye Chen, he also started moving and attacked Ye Chen with his sword.

"Slashes . . ." Khan Cao used an extremely powerful slash, that slash was so powerful, it was capable of cutting whatever easily.

Ye Chen used a branch to block Khan Cao's attack, he didn't need a sword to block Khan Cao's attack.

"why. . . , you are not dead" Khan Cao said to Ye Chen, he really wanted Ye Chen to die.

"You are too confident, you won't be able to kill me" Ye Chen said to Khan Cao.

"What did you say ?" Khan Cao was angered by words spoken by Ye Chen.

"dragon head cutting slash" Khan Cao used a technique to split Ye Chen's body into two pieces.

No one has ever survived Khan Cao's attack, and they are divided in two.

Ye Chen stretched out his hand, he blocked Khan Cao's attack with his bare hands.

The strongest attack owned by Khan Cao discontinued by Ye Chen using only his bare hands, this was something that Khan Cao would find hard to believe.

"Crack. . ." Ye Chen pinched Khan Cao's sword, he smashed Khan Cao's sword into pieces.

"impossible . . ." Khan Cao was stupefied when he saw what was conducted by Ye Chen, he didn't expect Ye Chen to destroy his sword with one pinch.

See is conducted by Ye Chen, Khan Cao hurriedly backed away, he backed away and kept his distance from Ye Chen.

"Is this just a coincidence?" Khan Cao thought that this was just a coincidence, Ye Chen couldn't destroy his sword.

Khan Cao decided to use his puppet, he started attacking Ye Chen using puppet he had.

Khan Cao didn't want to mess around anymore, he used all of his puppet abilities to destroy and kill Ye Chen.

The puppets owned by Khan Cao started to merge into one, and this became a bigger puppet with a very complete weapon.

[Chapter 2246 Against Khan Cao \(2\)](#)

It became a huge and terrifying puppet, it could easily kill a cultivator like Ye Chen.

"You are so stupid for making me angry, now you have to accept the consequences for making me angry" Khan Cao said to Ye Chen.

Ye Chen had angered Khan Cao, therefore, Ye Chen had to accept the consequences of what he did.

"hahahahaha" Ye Chen laughed as he listened to what Khan Cao said.

"Useless bastard, you still dare to laugh at me, I will make him regret living in this world" Khan Cao said that he would make Ye Chen regret living in this world.

"can you stop talking nonsense like that, to be honest, it makes me sick" Ye Chen said to Khan Cao.

"Damn, you die" Khan Cao will not hold back anymore, he wants to kill Ye Chen, Khan Cao's killing intent is very significant, he wants Ye Chen to die right now.

The puppet moves and the puppet has lots of hands and lots of weapons in her hands.

It could be said that the doll had become one and became a terrifying killing machine and was ready to take Ye Chen's life.

"Boom. ." Ye Chen pointed his finger forward, and a small flame appeared in Ye Chen's hand.

Ye Chen shot the small fire, he made sure that the small fire would hit the body of the puppet owned by Khan Cao.

"Boom" a massive explosion occurred when the small fire hit the puppet owned by Khan Cao.

With the big explosion, of course, the puppet owned by Khan Cao was quickly destroyed by Ye Chen.

Khan Cao couldn't believe what had happened, Ye Chen's flames destroyed his powerful ancient puppet.

Ye Chen used the Heavenly Silver Flame, it was strong enough to destroy Khan Cao's ancient puppet.

"I told you don't have a chance, don't you hear it?" Ye Chen said to Khan Cao.

Ye Chen stood in front of Khan Cao, right now, Khan Cao would not be able to leave or escape from Ye Chen, Ye Chen had cornered him entirely.

"Finally, everything will be clear, let's end this all" Ye Chen had found what he was looking for, he had captured one of the influential people of Vengeance Fate Sect, and everything would be quickly exposed after Ye Chen got Khan Cao.

"no . ." Khan Cao started to be afraid of Ye Chen, he was scared of Ye Chen and started to retreat to avoid Ye Chen.

Ye Chen continued to advance, he continued go to capture Khan Cao.

"Since it's like this, I'll kill you with me." Khan Cao used an explosive technique, he wanted to blow Ye Chen up with him.

"I won't let you do that thing" Ye Chen won't let Khan Cao do that thing, he stopped Khan Cao from doing stupid things.

"Boom. . ." when Ye Chen was about to catch Khan Cao, someone came and killed Khan Cao, he came with several people to kill Khan Cao.

Ye Chen intends to stop this person, it's a pity that this person used a strange trick to kill Khan Cao.

"what are you doing?" Ye Chen saw the person who killed Khan Cao, he asked and he wanted to know what this person was doing.

The person who did this was Lung Xiantang, he was an influential master figure that was recognized by everyone around.

"I just want to kill the traitor who deceived everyone," Lung Xiantang said to Ye Chen, he told Ye Chen that he killed Khan Cao who was the traitor.

"That's not the case, you ruined everything," Ye Chen said to Lung Xiantang.

"This matter is my problem, you better go and leave this matter to me" Lung Xiantang said to Ye Chen, he told Ye Chen to leave this matter to them.

"Isn't it possible to listen to the words you said" Ye Chen would not listen to the words that belonged to Lung Xiantang.

"Chen, wait a moment" Zhi Fuxe directly confronted Ye Chen, she told Ye Chen to calm down.

"Why did you kill him instead, he would be of use if alive" Zhi Fuxe didn't know what Lung Xiantang's reason was for doing that, but it was apparent that what this person was doing was too reckless.

"He won't tell the truth, you don't know what criminals are like" Lung Xiantang said to Zhi Fuxe, he explained that Khan Cao would never tell them the truth.

"even so, he is still useful, what you did was wrong" Ye Chen said to Lung Xiantang.

Even though they were able to get information from Khan Cao, Lung Xiantang killed him instead, this was a very disastrous thing.

"It is our job as teachers to solve problems, we know better than you ." Lung Xiantang told Zhi Fuxe, Ye Chen, and Zhi Fuze to go back, they should go back now.

Lung Xiantang would handle the situation in this place, he and the other teachers could easily deal with the problems here.

"If that's what you want, we'll go." Zhi Fuxe said that they were leaving.

Zhi Fuxe took Ye Chen and Zhi Fuze, she took the two of them away from this place.

The three left, while the other teachers immediately went to help the attacked and injured students.

"Big sister, why did you choose to go instead?" Zhi Fuze asked why did they choose to go instead.

"He has the power to do that, we also don't know what his purpose is," Zhi Fuxe said to Zhi Fuze.

"she is weird, I will watch over her for a while" Ye Chen will watch over Lung Xiantang, he feels weird about Lung Xiantang.

Although what Lung Xiantang did was correct, for some reason, Ye Chen didn't trust this person, right now there were too many people that Ye Chen couldn't trust.

Zhi Fuxe knew Ye Chen's thoughts, Ye Chen was much more intelligent, and he should be able to deal with this matter with a more excellent head.

"This is a waste" Ye Chen was quite disappointed, he didn't gain anything from this incident.

"don't worry, I will try to help you to deal with this matter" Zhi Fuxe will help Ye Chen.

"Are you sure, this might be troublesome for you" Ye Chen said to Zhi Fuxe.

"I have plenty of time and can help you." Zhi Fuxe said that he had plenty of time, so she could help Ye Chen.

"If you say that, I can't possibly refuse." Ye Chen said that he would not refuse the help given by Zhi Fuxe.

"let's go and find an inn" Ye Chen took Zhi Fuze and Zhi Fuxe to find a temporary inn.

The academy should still be in ruins, so they better find an inn they can stay in near the city.

Of course, Zhi Fuxe and Zhi Fuze immediately agreed with Ye Chen's proposal, they immediately went to find a place to rest.

It was getting dark, all the teachers should have saved all the students, by now everything should be fine, and things were back to normal.

"knock . ." Someone knocked on Ye Chen's door.

"Come in" Ye Chen invited the person to enter his room.

The bedroom door was opened, and Ye Chen saw the figure of Zhi Fuxe enters the room.

Zhi Fuxe was wearing a nightgown, his current appearance was completely different.

Plus Zhi Fuxe is beautiful, wearing a nightgown like that, she can already excite men.

[Chapter 2247 Ye Chen & Zhi Fuxe \(1\)](#)

"what's wrong, do you need something from me" Ye Chen asked Zhi Fuxe.

"are you busy" Zhi Fuxe asked Ye Chen, she wanted to know if Ye Chen was busy or not.

"No I'm not busy" Ye Chen told that he wasn't busy.

"Then I want to chat with you for a while" Zhi Fuxe said that if he wanted to chat with Ye Chen for a while, there were many things that Zhi Fuxe wanted to ask Ye Chen.

"Just sit here" Ye Chen asked Zhi Fuxe to sit down, it happened that this place didn't have a table and Ye Chen asked Zhi Fuxe to sit on the bed.

Zhi Fuxe sat on the bed, she sat next to Ye Chen.

"so what do you want to talk to me about" Ye Chen asked Zhi Fuxe, he wanted to know what Zhi Fuxe wanted to talk about.

"That's it, I need help from you" Zhi Fuxe said that she needed help from Ye Chen.

"What kind of help is that ?" Ye Chen wanted to know what kind of help Zhi Fuxe needed.

"I want you to accompany me to a place" Zhi Fuxe said that he wanted Ye Chen to accompany him somewhere.

"what kind of place is that" Ye Chen asked Zhi Fuxe, he wanted to know what kind of place Zhi Fuxe wanted to visit.

"That is a dangerous place, and it might be very difficult to enter" Zhi Fuxe said to Ye Chen.

"Hmmm" Ye Chen was interested when he heard this from Zhi Fuxe, he was quite interested in what Zhi Fuxe said.

"tell me, I want to hear it" Ye Chen told Zhi Fuxe to say it, he asked Zhi Fuxe to declare the place.

"This is the place" Zhi Fuxe gave off an image stone, inside the image stone was a map.

"what is this" Ye Chen asked Zhi Fuxe, he wanted to know what kind of map Zhi Fuxe put out.

"This is a map that I accidentally found, in this map there is something interesting.

"I've tried going there, it's a shame I can't go in and I'm not strong because there are some strong creatures that I have never seen in my life" Zhi Fuxe said to Ye Chen.

"what is it" Ye Chen was curious about this, if Zhi Fuxe couldn't enter, then it meant that it was quite a dangerous place.

"I don't know either, for sure it's dangerous, so I need your help to get there" Zhi Fuxe said to Ye Chen.

Zhi Fuxe said that she needed help from Ye Chen, she wanted help from Ye Chen.

"I understand, then I will do it" Ye Chen said to Zhi Fuxe, he told Zhi Fuxe that he would help.

Ye Chen was quite curious about this, so it wasn't strange that he was eager to go out with Zhi Fuxe.

"Thank you very much" Zhi Fuxe looked very happy when she heard this, as long as Ye Chen was willing to help, then everything would be easy.

Zhi Fuxe couldn't wait to do it, she really wanted to go out with Ye Chen.

"but it's not free" Ye Chen pointed out that it wasn't free.

"You mean . . ." Zhi Fuxe asked Ye Chen, she wanted to know the meaning of the words said by Ye Chen.

"hehehe, you must know what I mean" Ye Chen said to Zhi Fuxe.

"what is that?" Zhi Fuxe blushed, she didn't know what Ye Chen meant.

Zhi Fuxe was trying to hide her embarrassment, she didn't want to show this to Ye Chen.

"Don't you know, you came to the men's room wearing that appearance, what are you going to do, are you trying to tease me here" Ye Chen said to Zhi Fuxe.

"I . . ." Zhi Fuxe was getting more and more reddened, she was actually being teased by Ye Chen.

Ye Chen smiled when he saw this, it seemed that Zhi Fuxe had come to tease him.

"I didn't mean to do that" Zhi Fuxe said that he didn't mean to do that, he didn't have the intention to do that.

Zhi Fuxe was extremely embarrassed, she was truly embarrassed and wanted to leave this place immediately.

Ye Chen restrained Zhi Fuxe who wanted to leave this place, she would not let Zhi Fuxe leave this place.

"do you want to go" Ye Chen said to Zhi Fuxe.

"Please let me go" Zhi Fuxe told Ye Chen to let go, she didn't want to stay here any longer, she felt ashamed to stay here any longer.

Ye Chen saw what Zhi Fuxe was doing, what Zhi Fuxe was doing was so cute, she wanted to tease her more.

Even though like this, Zhi Fuxe was an innocent woman when it came to relationships, she wasn't very good at relationships with the opposite sex.

That's why he rejected everyone who tried to get close to him.

"come here," Ye Chen said to Zhi Fuxe, he told Zhi Fuxe to stay here a little longer.

Zhi Fuxe was a little confused, she was confused about what she should do in this situation, whether she should obey what Ye Chen said or not.

Zhi Fuxe wanted to leave, but strangely her legs didn't want to do what he wanted and in the end Zhi Fuxe stayed.

Ye Chen saw that Zhi Fuxe had no resistance, she did not have resistance against Ye Chen.

"It seems he didn't reject me" Ye Chen knew that if Zhi Fuxe didn't reject Ye Chen because it was like this then Ye Chen would not let Zhi Fuxe down.

Ye Chen stretched out his hand towards Zhi Fuxe, he made Zhi Fuxe comfortable.

"Chen, what are you doing" Zhi Fuxe said to Ye Chen, Ye Chen's hands started roaming around his body.

"Don't worry, it will be fine" Ye Chen said to Zhi Fuxe, he told Zhi Fuxe that everything will be fine.

Zhi Fuxe started to feel something strange, she started to feel the very comfortable feeling that Ye Chen gave her.

"What is this, this feels strange" Zhi Fuxe said to Ye Chen, she told Ye Chen that this felt very strange.

"don't you like it" Ye Chen asked Zhi Fuxe.

"I don't know" Zhi Fuxe said that he didn't know.

Zhi Fuxe was still embarrassed to answer, she still didn't want to answer Ye Chen's question.

"Then I will make you more sure of this feeling" Ye Chen said to Zhi Fuxe, she would make Zhi Fuxe sure of the feelings he received.

Ye Chen started to launch his attacks toward Zhi Fuxe, using his teasing skill, Ye Chen started caressing Zhi Fuxe's body.

Ye Chen stroked Zhi Fuxe's body and double peaks.

Zhi Fuxe accepted what Ye Chen did, she could feel that it was very comfortable.

"It's very convenient," Zhi Fuxe said to Ye Chen, she told Ye Chen that it was very comfortable.

Zhi Fuxe was finally honest, he told her how he felt.

"do you want more, I will give you more" Ye Chen said to Zhi Fuxe.

"I . . ." Zhi Fuxe thought for a while, she thought for a while and finally realized what she had done with Ye Chen.

"No, we can't do this" Zhi Fuxe said to Ye Chen, she told Ye Chen that she couldn't do this.

[Chapter 2248 Ye Chen & Zhi Fuxe \(2\)](#)

"Don't you like me?" Ye Chen asked Zhi Fuxe.

"No, it's just that it's not right for us to do it." Zhi Fuxe said that it wasn't right for them to do something like this.

"I want to do it, if you don't want to you can just say it" Ye Chen said to Zhi Fuxe he told Zhi Fuxe that he wanted to do it.

It will be complicated if the two of us do it." Zhi Fuxe said that it would be complicated if he and Ye Chen did that as well.

"I don't really care about that matter" Ye Chen didn't really care about that kind of matter, he just wanted to be with you and enjoy Zhi Fuxe's beauty.

As a man, Ye Chen couldn't possibly neglect a beauty like Zhi Fuxe.

"but" Zhi Fuxe tried to go against Ye Chen, she didn't want to do that thing with Ye Chen.

Ye Chen didn't want to give up, he didn't want to give up and let go of the Zhi Fuxe that was in front of him.

Ye Chen came back to attack Zhi Fuxe, he launched an attack towards Zhi Fuxe, using this attack, Ye Chen could easily make Zhi Fuxe excited again.

"no, don't do that" Zhi Fuxe was helpless, she was helpless when she faced Ye Chen's touch, this was too comfortable for Zhi Fuxe.

"You seem very excited" Ye Chen said to Zhi Fuxe, Zhi Fuxe looked very excited when she received Ye Chen's touch and caresses.

"No, I'm not a pervert like you think." Zhi Fuxe said to Ye Chen, she told Ye Chen that she wasn't a pervert.

"Hehehehe, Let's see if what you said becomes the truth" Ye Chen wanting to confirm what Zhi Fuxe said, he took off the clothes that Zhi Fuxe had on.

"Impossible" Zhi Fuxe couldn't believe what Ye Chen was doing, she didn't expect that Ye Chen would do such a thing.

Ye Chen stripped off all the clothes owned by Zhi Fuxe, he easily stripped off all the clothes owned by Zhi Fuxe.

"No don't do that" Zhi Fuxe said to Ye Chen, she told Ye Chen not to do that.

It was too late, Ye Chen had already let go of all that Zhi Fuxe had, The beautiful body that Zhi Fuxe had right now was in front of Ye Chen.

Zhi Fuxe tried to cover her body, she used her hands to cover her body.

That way Ye Chen wouldn't be able to see what Zhi Fuxe had.

"It's useless, I've seen everything" Ye Chen said to Zhi Fuxe, he told Zhi Fuxe that he had seen everything.

"You are veryobscene once" Zhi Fuxe said to Ye Chen, she told Ye Chen that she was a pervert.

"I'm a pervert" Ye Chen said to Zhi Fuxe, he told her that he was a pervert.

"Hmmm" Zhi Fuxe snorted coldly, towards Ye Chen.

It seems that Zhi Fuxe is not very happy about this, Ye Chen must quickly make Zhi Fuxe return to how it was before.

Ye Chen extended his hand towards Zhi Fuxe, he started to help Zhi Fuxe to move his hand from the double peak and also the secret garden that belonged to Zhi Fuxe.

Zhi Fuxe was trying to put up a fight against what Ye Chen was doing, she wouldn't let Ye Chen easily touch her in that way.

Ye Chen had many ways to make Zhi Fuxe obedient, he only needed to use his finger to make Zhi Fuxe feel great comfort.

"Ahhhhh. . . , no" Zhi Fuxe couldn't stand it, she couldn't stand what Ye Chen did, what Ye Chen did was too much fun, Zhi Fuxe couldn't endure the pleasure Ye Chen gave her.

Zhi Fuxe finally withdrew her hand, she used hers to stop what Ye Chen was doing.

Ye Chen took advantage of this opportunity very well, he immediately stretched out his hand and directly touched the double peak that belonged to Zhi Fuxe.

Zhi Fuxe was shocked again by what Ye Chen did, she didn't expect that Ye Chen would do something like this.

"Chen, don't do that, please let me go" Zhi Fuxe begged Ye Chen, she asked Ye Chen to let go of her.

"I told you that I will never let you go" Ye Chen said that he would never let Zhi Fuxe go, he would make sure that Zhi Fuxe received great comfort from him.

Ye Chen squeezed the double peaks of Zhi Fuxe, Zhi Fuxe had a splendid double peaks, when Ye Chen touched it, it felt very comfortable to Ye Chen.

" ahhh" Zhi Fuxe couldn't stand what Ye Chen was doing, she couldn't stand when Ye Chen squeezed her chest.

Zhi Fuxe started to feel something strange, she started to feel something strange when Ye Chen touched her chest, the feeling that Ye Chen gave her was too strong for Zhi Fuxe.

Ye Chen liked the Zhi Fuxe in front of him, he saw that Zhi Fuxe had a smooth and well-developed body, if Ye Chen could cultivate the Zhi Fuxe's body well, it would be a great thing.

Zhi Fuxe didn't know Ye Chen's thoughts, if she knew Ye Chen's thoughts, she would probably be very annoyed.

"I can't hold on" Zhi Fuxe couldn't hold on, it was difficult for Zhi Fuxe to endure the temptation given by Ye Chen.

Seeing Zhi Fuxe going crazy, Ye Chen became more and more daring, he started showing more obscene things to Zhi Fuxe.

Ye Chen touched Zhi Fuxe's Cherry bud, he played with it and started to make Zhi Fuxe scream in seductive tone.

"No, it's not a toy" Zhi Fuxe said to Ye Chen, she told Ye Chen that it wasn't a toy.

"But I like this thing" Ye Chen said to Zhi Fuxe, he told Zhi Fuxe that he liked this thing.

Zhi Fuxe could only endure Ye Chen's harassment, she didn't have a chance to survive Ye Chen's teasing technique.

"Not . . . , I'm at my limit, please stop." Zhi Fuxe felt that something was going to come out, thus she told Ye Chen to stop immediately right away.

"So you're at your limit, then I'll make it more comfortable" Ye Chen wanted to make Zhi Fuxe more comfortable, she wanted to make Zhi Fuxe as comfortable as possible.

Ye Chen didn't stop, he instead increased the intensity of his own strength, which made Zhi Fuxe unable to stand it and quickly reached the peak.

"Ahh. .." Zhi Fuxe reached the peak quickly, she just experienced an incredibly wonderful feeling.

"I didn't expect that this would be so comfortable" Zhi Fuxe said to Ye Chen, she told Ye Chen that this felt very comfortable.

"let's do more, now it's your turn to comfort me" Ye Chen said to Zhi Fuxe.

"I understand" Zhi Fuxe understood, she wanted to make Ye Chen comfortable, she would make Ye Chen as comfortable as possible.

[Chapter 2249 Ye Chen & Zhi Fuxe \(3\)](#)

Zhi Fuxe began to show her strength and ability, she wanted to make Ye Chen comfortable.

Ye Chen saw what Zhi Fuxe was doing, Ye Chen started to touch the double peaks that belonged to Zhi Fuxe.

Zhi Fuxe knelt in front of Ye Chen, she started to help undress Ye Chen's clothes.

Zhi Fuxe did everything slowly, she made sure that she didn't make Ye Chen uncomfortable.

With Zhi Fuxe's decent moves, she was able to put Ye Chen at ease.

Ye Chen looked at Zhi Fuxe, what Zhi Fuxe did was very good, he did very well and made Ye Chen feel comfortable with his skills.

"Her skills are not bad" Ye Chen had to admit that Zhi Fuxe had skills, she had skills to make Ye Chen feel comfortable,

Zhi Fuxe easily helped Ye Chen, she quickly took off Ye Chen's top clothes.

After shedding the upper garment, it was time to see things that Zhi Fuxe had probably never seen in her life.

Zhi Fuxe let go of Ye Chen's bottom, when Zhi Fux took off Ye Chen's pants, she saw a strong and long thing in front of her.

"ehhh. . . ?" Zhi Fuxe was of course shocked by this, she was naturally shocked when she saw what was happening, she had never seen something this big like this.

"This is scary" Zhi Fuxe felt that this was scary, she could see that Ye Chen had something scary and horrible at the bottom.

"are you surprised" Ye Chen asked Zhi Fuxe, he wanted to know if Zhi Fuxe was surprised or not.

"It's so big, what did you eat that it grew big and long?" Zhi Fuxe asked Ye Chen, she wanted to know what Ye Chen ate that he had such a strong and big weapon.

"You wouldn't know what I've done to have something like this" Ye Chen told that Zhi Fuxe wouldn't be able to imagine what he had to go through to be able to achieve this.

Ye Chen had gotten countless women, after training with countless women, he could finally have something like this.

"may I touch it" Zhi Fux asked Ye Chen for permission, she asked Ye Chen for permission to touch a big object.

"Of course" Ye Chen allowed Zhi Fuxe to do it, he asked Zhi Fuxe to do what she wanted.

Zhi Fuxe no longer held back, she directly touched Ye Chen's huge object.

"It's huge" Zhi Fuxe didn't expect that it would be so big, one hand wasn't enough to completely hold Ye Chen's huge object.

Ye Chen was quite proud when his big object was touched by Zhi Fuxe, what Zhi Fuxe did made Ye Chen very comfortable, he was very comfortable with what Zhi Fuxe did.

"Does this feel comfortable?" Zhi Fuxe asked Ye Chen, she wanted to know if what she was doing was comfortable or not.

"This is comfortable, continue" Ye Chen said that this felt very comfortable, what Zhi Fuxe did was very comfortable and made Ye Chen feel happy.

Zhi Fuxe became more excited, she became more eager to help Ye Chen with her own hands.

The movement of Zhi Fuxe became even faster, with this kind of movement, Zhi Fuxe could make all the men fall easily.

Luckily Ye Chen was strong, so she easily resisted Zhi Fuxe's technique.

Zhi Fuxe looked at Ye Chen, she could see that Ye Chen had strong resilience.

"This is so strong, is he really this strong?" Zhi Fuxe said in her heart, she had to admit that Ye Chen had the ability, he was able to easily endure being caressed by Zhi Fuxe.

Zhi Fuxe was not to be outdone, she continued to help Ye Chen with her hands.

"This woman's technique is pretty good" Ye Chen had to admit that Zhi Fuxe had excellent techniques and abilities, this made Ye Chen excited.

"use your mouth" Ye Chen told Zhi Fuxe to use her mouth.

"How?" Zhi Fuxe asked Ye Chen, she didn't really know how to do it.

"Just put it in and do it like you eat candy" Ye Chen said to Zhi Fuxe. Ye Chen told Zhi Fuxe, he told Zhi Fuxe to do it like he was eating candy.

Zhi Fuxe wasn't sure what Ye Chen was doing, Ye Chen had such a big thing here, it was quite difficult for Zhi Fuxe to eat this thing.

Zhi Fuxe looked at Ye Chen, Zhi Fuxe could see that Ye Chen was waiting and waiting for her.

Zhi Fuxe couldn't let Ye Chen down, she couldn't let down Ye Chen's request.

"I'll give it a try" Zhi Fuxe was finally willing to give it a try, she was willing to give it a try and make Ye Chen comfortable.

Zhi Fuxe opened her mouth, she started to put Ye Chen's big object into her mouth.

"oh" Ye Chen was very satisfied, he just felt like he was melting when his thing entered Zhi Fuxe's small mouth.

Zhi Fuxe started to move, she started serving Ye Chen using clumsy skills.

Ye Chen saw that Zhi Fuxe didn't know anything, the technique used by Zhi Fuxe could be said to be bad, even so Zhi Fuxe didn't hurt Ye Chen's things.

"Slurp . . . , ummmm" Zhi Fuxe made a seductive sound, she started to sink in and like Ye Chen's.

"Why is this so good" Zhi Fuxe didn't understand, why did this feel so good, she felt that this was so good and she couldn't stop doing it.

Zhi Fuxe was getting wilder, she was just getting more and more aggressive.

Ye Chen looked at the beautiful woman in front of him, he couldn't take it anymore and decided to take away Zhi Fuxe immediately.

"ahhh. ." Zhi Fuxe was not prepared for what Ye Chen did, she was dragged by Ye Chen and carried to the bed.

"what are you going to do ?" Zhi Fuxe asked Ye Chen.

"You still ask, of course I want to get the beauty that you have" Ye Chen said to Zhi Fuxe, he told Zhi Fuxe that he wanted to get her beauty.

Zhi Fuxe was embarrassed when she heard what Ye Chen said, wondering what Ye Chen would do next.

Ye Chen started using his thing and directly targeted Zhi Fuxe's place.

Upon seeing this, Zhi Fuxe of course knew what Ye Chen was going to do.

"Please be gentler you have such a huge" Zhi Fuxe asked Ye Chen to be gentler, she was afraid of Ye Chen's huge thing.

"You don't worry, I'll take it slow" Ye Chen said that he would do this slowly so that Zhi Fuxe could enjoy it.

Zhi Fuxe believed what Ye Chen said, she believed what Ye Chen said, she let Ye Chen begin.

Ye Chen immediately entered, he immediately entered and directly penetrated Zhi Fuxe's stronghold.

"ummm. . ." Zhi Fuxe had resistance, she had resistance to what Ye Chen was doing.

"It hurts" Zhi Fuxe said to Ye Chen, she told Ye Chen that it hurts.

"It will be fine soon" Ye Chen told her that everything would be fine.

"don't lie to me" Zhi Fuxe said to Ye Chen.

[Chapter 2250 Zhi Fuze Looked On From The Outside](#)

"Why would I lie to you?" Ye Chen said that he would not lie to Zhi Fuxe.

Ye Chen gave Zhi Fuxe time, he gave Zhi Fuxe time to fully adapt to the battlefield.

After a while, Zhi Fuxe finally started to adapt, she started to feel a strange and comfortable feeling in her body.

"I will do it" After seeing that Zhi Fuxe was used to it, Ye Chen finally started to attack, she started to attack Zhi Fuxe with full strength.

Ye Chen did a quick pumping, he made Zhi Fuxe very comfortable.

" ahhh . . ." Zhi Fuxe was very comfortable, she was very comfortable with what Ye Chen was doing, she had never felt anything like this in her life.

"This is comfortable, your big thing makes me feel crazy" Zhi Fuxe said to Ye Chen, she told Ye Chen that the big thing that Ye Chen had was driving Zhi Fuxe crazy.

Ye Chen was pumping fast, this of course made Zhi Fuxe very comfortable.

"Your thing is also good, it clamps very tightly" Ye Chen told that Zhi Fuxe clamped onto hers very tightly, Ye Chen couldn't possibly retreat after entering.

Zhi Fuxe put up a fight against Ye Chen, she put up a strong fight against Ye Chen.

"I will conquer you and make you mine" Ye Chen was going to conquer Zhi Fuxe, he would not let this woman escape easily.

"It's very comfortable." Zhi Fuxe liked this, she was satisfied with what Ye Chen did.

The pleasure that Zhi Fuxe received was so intense, she couldn't possibly last long after receiving Ye Chen's pleasure.

The two of them began to unite, they began to make a rhythm that was very beautiful and made the two of them achieve happiness as a couple.

Ye Chen started dual cultivation with Zhi Fuxe, he harvested Zhi Fuxe's Yin Qi and began circulating it throughout his body.

Zhi Fuxe couldn't wait for Ye Chen to do it, she couldn't wait for Ye Chen to harvest her Yin Qi at this time.

Both of them sank very comfortably, both of them had already forgotten what happened around this place, both of them were enjoying their life with great passion.

"in another room" Zhi Fuze was currently waiting for news from Zhi Fuxe, she wanted to know what her big sister was doing with Ye Chen.

"long time, what were they doing" Zhi Fuze wanted to know what Ye Chen was doing as well Zhi Fuxe.

"I'll see" Zhi Fuze didn't like to wait, she didn't like to wait and went straight to Ye Chen's place, she wanted to know what the two of them were doing there.

Zhi Fuze came out, when he came out, he started to sneak in and see what Ye Chen was doing together with her sister.

Zhi Fuze slightly opened the door, When she slightly opened the door, she found something unreasonable.

"what ! ! !" Zhi Fuze was of course shocked when she saw what was inside, she couldn't believe what she saw in front of her.

"How could they do that?" Zhi Fuze couldn't believe they were doing that, what happened here in a moment, something must have happened in this place for his sister to do that with Ye Chen.

"did she threaten elder sister" Zhi Fuze started to think that if Ye Chen threatened Zhi Fuxe, it might be possible for Zhi Fuxe to be willing to do it.

"but big sister's reaction is toonatural, she didn't seem forced and did it of hier own accord." Zhi Fuze didn't find anything out of the ordinary, she didn't find anything out of the ordinary and saw that everything was going very well.

se also didn't see that her elder sister was being threatened by Ye Chen.

Zhi Fuze kept looking for some reason she didn't want to leave this place.

Zhi Fuze knew that this was wrong, but she didn't want to leave this place, she liked being in this place and enjoying the scenery in front of her.

"she hashave a huge weapon" Zhi Fuze finally realized that Ye Chen had such a huge weapon, he didn't expect that his elder sister could match such a big thing, obviously it was a very difficult thing to match.

Even Zhi Fuze wasn't sure she could match that, it was simply too big.

When Zhi Fuze peeked, Ye Chen immediately noticed, she could realize what Zhi Fuze was doing.

"This little girl, she is trying to peek at me" Ye Chen looked at Zhi Fuze, he probably had a plan to tease Zhi Fuze.

"Let him see I will show good things for me" Ye Chen will show good things to Zhi Fuze, she will let Zhi Fuze know the strength and ability she has.

Once again Ye Chen quickened his move, he made Zhi Fuxe more and more comfortable.

"You are too fast, I can't stand it" Zhi Fuze said that if Ye Chen is too fast she can't stand what Ye Chen is doing.

"Isn't this very fun" Ye Chen said to Zhi Fuxe, this was really fun, Zhi Fuxe agreed with what Ye Chen said, this was really fun.

"It's too strong for me to be unable to defend against your attack, your big thing is getting fiercer and fiercer" Zhi Fuxe told Ye Chen that this was very comfortable, she couldn't stand this feeling, this feeling was too strong for Zhi Fuxe.

"You don't need to hold back anymore, let it all out" Ye Chen told Zhi Fuxe to take it all out, let her enjoy it all.

"I will do it" Zhi Fuxe said that if he would do it, he would make Ye Chen comfortable.

Zhi Fuxe started pinning Ye Chen by using her honeycombs.

"what is it, big sister being so obscene" Zhi Fuze, didn't expect that big sister became that lewd when she was under Ye Chen's body.

How could her virtuous older sister do such a thing with Ye Chen, this was simply unacceptable for Zhi Fuxe to believe.

"wife, your little girl saw what we were doing" Ye Chen said that Zhi Fuze was watching what they were doing right now.

"what ! ! !" Zhi Fuxe was of course shocked when She heard this, she was shocked when she heard what Ye Chen said.

Zhi Fux looked at Zhi Fuze, both of them were embarrassed when they saw each other.

"Impossible . ." Zhi Fuxe was trying to push Ye Chen away, he couldn't keep doing this under someone else's tutelage.

Ye Chen couldn't let Zhi Fuxe go, he didn't want to let Zhi Fuxe go in this kind of situation.

Ye Chen used the strength he had, he directly dragged the Zhi Fuze who was outside in.

The Zhi Fuze who was outside didn't expect that Ye Chen would drag him inside.

After Zhi Fuze walked into the room Ye Chen finally closed the room and wouldn't let the two enter.

Zhi Fuze lowered his head, he looked embarrassed when he saw what Ye Chen and Zhi Fuxe were doing.

"Is that convenient?" Zhi Fuze wanted to know if what Ye Chen and his older sister were doing was convenient, she was already quite excited when she saw what Ye Chen and Zhi Fuxe were doing.

"You don't need to hold back" Chu Yuechan gave Zhi Fuze a magical whisper.

Zhi Fuze could not possibly resist Chu Yuechan's magical whispers.
