

## True God 2251

### [Chapter 2251 Get Zhi Fuxe And Zhi Fuze](#)

Zhi Fuze finally drew near, she drew near and began to join in on the battle that was currently taking place.

Zhi Fuxe was shocked when she saw what happened, she didn't expect that Zhi Fuze would be like this.

"what are you doing ?" Zhi Fux asked Zhi Fuze, she wanted to know what Zhi Fuze was doing.

"I like it too" Zhi Fuze said to Zhi Fuxe.

Zhi Fuxe was shocked when he heard this, he was speechless when he heard this.

Zhi Fuxe didn't expect that his little sister would like Ye Chen too.

"ahh . . ." Zhi Fuxe's focus was distracted by Ye Chen, his focus was distracted by what Ye Chen was doing.

"no stop ! ! !" Zhi Fuxe told Ye Chen to step back, he couldn't stand what Ye Chen was doing.

Ye Chen moved faster and faster, he would make Zhi Fuxe as comfortable and at ease as possible.

Zhi Fuxe was very comfortable with what Ye Chen was doing, he had reached the peak several times and this was a very beautiful thing for Zhi Fuxe.

Ye Chen had already reached his limit, it seemed that he could no longer hold on.

"let's do it" Ye Chen said to Zhi Fuxe.

"no . . ." Zhi Fuxe couldn't stand it, she couldn't stand what Ye Chen was doing, this feeling was too strong for Zhi Fuxe.

"oh . . ." Ye Chen finally took out his own essence, he made a full Zhi Fuxe.

Zhi Fuxe lay weak, she couldn't stand what Ye Chen was doing, this feeling was too comfortable for Zhi Fuxe.

Ye Chen looked at Zhi Fuze, he could see that Zhi Fuze had been waiting patiently for her.

Ye Chen didn't expect that he would get two birds with one stone, this was Ye Chen's luck.

"Are you sure about this, after this there is no turning back" Ye Chen said to Zhi Fuze, he wanted to know if Zhi Fuze was ready with his decision.

"I will not regret it" Zhi Fuze said that he would not regret what he did.

"if you put it like this" seeing Zhi Fuze agree, Ye Chen no longer held himself back, he started touching and squeezing Zhi Fuze's body that had just blossomed.

"What is this?" Zhi Fuze didn't expect that Ye Chen would directly attack her, this was a very beautiful thing for Zhi Fuze.

"Do you like it, this should be comfortable for you" Ye Chen said to Zhi Fuze, what he did should be able to make Zhi Fuze feel comfortable.

"this is very good, how did you do it" Zhi Fuze asked Ye Chen, he wanted to know how Ye Chen did this thing.

"Of course I used a little trick" Ye Chen informed that he used a special trick to make Zhi Fuze feel as comfortable as possible.

Zhi Fuze didn't know what kind of trick Ye Chen was using, she was enjoying it all and didn't care about it anymore.

Moments later Zhi Fuze was already drenched to the core, looking like he was ready to fight Ye Chen.

"let's do it" Ye Chen couldn't take it anymore, he wanted to quickly get what he wanted from Zhi Fuze.

Zhi Fuze was a little scared by this, she wasn't used to this kind of thing.

Ye Chen knew what Zhi Fuze was thinking, he must not be used to this kind of thing.

"You will definitely get used to this soon" Ye Chen told that Zhi Fuze would get used to this.

"Isn't it painful, I heard from some friends that it will hurt" Zhi Fuze said to Ye Chen.

Ye Chen smiled when he heard what Zhi Fuze said, it seemed that Zhi Fuze already knew more about this matter than Ye Chen thought.

"Don't worry, everything will be fine, you just have to trust me" Ye Chen told Zhi Fuze to trust him.

"Okay, I'll do it" Zhi Fuze agreed with what Ye Chen said, he quickly agreed with what Ye Chen said and tried to strengthen the resolve he had.

Ye Chen immediately used his troops to penetrate Zhi Fuze's formidable defense.

"Umm. . ." Zhi Fuze couldn't stand what Ye Chen was doing, it felt much more painful than Zhi Fuze thought.

"This is quite painful, you actually tricked me" Zhi Fuze said to Ye Chen.

Zhi Fuze felt that he was deceived by Ye Chen, he felt that being deceived by Ye Chen was bad and painful.

"hehehehe, I didn't lie to you" Ye Chen told him that he wasn't lying.

Ye Chen started to show off what he had, he made Zhi Fuze comfortable with his skills.

With his skills, Zhi Fuze started to feel at ease.

"This is very fun" Ye Chen was very satisfied, he was very satisfied with what Ye Chen was doing.

"This is very good, you make me comfortable" Zhi Fuze said to Ye Chen, he liked what Ye Chen was doing.

"It's still not much, I'll make you even happier" Ye Chen said that he would make Zhi Fuze even happier.

Zhi Fuze didn't know what Ye Chen would do, just now he had gotten great pleasure from Ye Chen.

Ye Chen started moving, he made a quick move and tried to attack Zhi Fuze's weak point.

Zhi Fuze let out a delicious groan, she really liked what Ye Chen was doing.

Ye Chen only needed a few minutes to make Zhi Fuze submit, he began to obey what Ye Chen said.

"I can't take it anymore Zhi Fuze told Ye Chen that he couldn't take it anymore.

"So you've reached your limit, I will force you to exceed your limits" Ye Chen told him that he would exceed his limits.

"no don't do that" Zhi Fuze couldn't stand it anymore, he couldn't stand what Ye Chen was doing anymore.

Ye Chen didn't really care about this, he didn't really care about Zhi Fuze's moaning and refusal.

" ahhh . . ." the pleasure Zhi Fuze got became bigger and bigger, he got more and more comfortable.

Ye Chen continued to treat Zhi Fuze for a while, after several long hours, he finally couldn't endure it anymore.

"take this" Ye Chen finally couldn't hold it in and spit out his own essence, this was very comfortable for Ye Chen.

"This is too strong." Zhi Fuze was unable to move anymore, he was already at his limit and extremely tired.

Ye Chen looked at Zhi Fuxe, it seemed that Zhi Fuxe had already recovered the strength he had.

Ye Chen no longer held back, he no longer held back and started the second round with Zhi Fuxe.

"no" Zhi Fuxe couldn't stand what Ye Chen was doing, she couldn't stand what Ye Chen was doing.

Ye Chen really made the two of them comfortable, he didn't expect that he would get two beauties at once, this was a very good thing for Ye Chen.

The three of them enjoyed the time they had, they all looked happy and enjoyed everything without having a burden.

"After one whole night, finally Zhi Fuxe and Zhi Fuze were no longer able to hold on, they were no longer able to defend against Ye Chen.

#### [Chapter 2252 Chang Er Came And Hugged Ye Chen In Public](#)

Ye Chen is too strong, these two are not opponents for Ye Chen, they can only survive when facing Ye Chen's strength which is too strong.

"Finally done." Zhi Fuxe and Zhi Fuze could finally relax, both of them were already extremely exhausted when they Dual Cultivation with Ye Chen.

"It looks like you guys should improve the strength you have" Ye Chen said to Zhi Fuxe and Zhi Fuze.

"We understand." Zhi Fuxe and Zhi Fuze understood, they started to refine their strength.

Zhi Fuxe and Zhi Fuze benefited immensely, they benefited immensely when they absorbed Ye Chen's Yang Qi.

After several long hours, the two finally finished, they finally finished to stabilize the strength they had.

"How are you two?" Ye Chen asked Zhi Fuxe and Zhi Fuze.

"we are fine" Zhi Fuxe and Zhi Fuze said that they were very fine, they gained enormous benefits when they Dual Cultivation with Ye Chen.

Zhi Fuxe and Zhi Fuze were still embarrassed, both of them were embarrassed when they came face to face with Ye Chen.

Zhi Fuxe and Zhi Fuze remembered what they did with Ye Chen, both of them remembered what they did with Ye Chen and it was such a shame, they didn't expect that they would do such a thing with Ye Chen.

"Very good, then let's go back right now." Ye Chen invited Zhi Fuxe and Zhi Fuze to go back.

"I have to go, I can't go back with you to the academy" Zhi Fuxe told Ye Chen, she said that she couldn't go with Ye Chen and Zhi Fuze.

"Do you have anything important?" Ye Chen asked Zhi Fuxe.

"I have a few important things I need to do" Zhi Fuxe informed Ye Chen that she had important things that needed to be done.

She wanted to continue being with Ye Chen, too bad she couldn't do that.

"I can understand" Ye Chen could understand, he could understand what Zhi Fuxe wanted.

"then we will come back, you take good care of yourself" Ye Chen said to Zhi Fuxe, he told Zhi Fuxe to take good care of herself.

"Thank you very much, I will take good care of myself" Zhi Fuxe understood, she would take good care of herself and make sure that she was fine.

Ye Chen and Zhi Fuze left, as well as Zhi Fuxe left this place and returned to his place to finish things.

"what are you going to do next" Zhi Fuze asked Ye Chen, she wanted to know what Ye Chen would do next.

"I will go back to investigate the person who kidnapped you, this is troublesome and it might take some time to reveal everything" Ye Chen said to Zhi Fuze.

"So that's it, then I'll help too, I won't just stay silent like this" Zhi Fuze told Ye Chen, she said that she would help Ye Chen finish everything.

"I will rely on you" Ye Chen said that he would rely on Zhi Fuze.

Ye Chen believed in the abilities and strength that Zhi Fuze possessed, so he believed in the results that Zhi Fuze would achieve at this time.

The two of them came back, they saw that the construction was going on, the recovery process was very fast, the academy would soon return to how it was before.

Ye Chen parted ways with Zhi Fuze, they would exchange the information they had, both believed that they could work well together.

"husband, you and that woman?" Ye Xiu appeared near Ye Chen, hse asked Ye Chen's relationship with Zhi Fuze.

"You must already know" Ye Chen said to Ye Xiu, Ye Xiu must have known about this matter.

"I understand" Ye Xiu understood, she already understood Ye Chen's relationship.

"Did they make another flashy move?" Ye Chen asked Zhi Fuze.

"There are no strange movements, everything is under our control." Zhi Fuze informed him that everything was safe and there were no problems.

"good, keep it up well" Ye Chen was happy to hear this, it seemed that he didn't have to worry about this matter, this matter would be quickly resolved.

"let's go back" Ye Chen came back, he along with the others mingled with the students in the academy.

.

.

Several days have passed, in the past few days everything seems normal, nothing strange has happened for the past 1 week.

"There isn't any strange movement, could it be that they have given up already" Ye Chen said to Ye Xiu, Nanhua Caiyi and Cheng Mengyan.

"Maybe, they might as well have given up and come back" Ye Xiu agreed, this place was becoming verypeace once, there was no strange movement around this place.

"They might be more careful, after that incident, you have gotten them into trouble, so they won't be moving for a while.

"If they don't move, then we should start moving" Ye Chen said to Cheng Mengyan, Ye Xiu and Nanhua Caiyi.

"If we make a move, then it will make them hide even more, it will cause us all trouble in the future, we better eradicate them to the root" Cheng Mengyan said to Ye Chen.

"You might be right" Ye Chen agreed with what was said by Cheng Mengyan.

He had to completely clear Vengeance Fate Sect so that in the future there would be no such thing as Vengeance Fate Sect.

"Ye Chen, you are here" Chang Er came to Ye Chen, he came closer and hugged Ye Chen.

" what ! ! ! " Everyone present was shocked when they saw what happened, they didn't expect that Chang Er would directly hug Ye Chen who was in front of her.

Chang Er was one of the beauties within this academy and had quite a number of pursuers, so it wasn't strange that everyone was shocked when they saw Chang Er hugging Ye Chen intimately like that.

Ye Chen was speechless when Chang Er hugged him, he could feel strong hostile gazes from all around when Chang Er hugged him.

"fufufufu" Cheng Mengyan, Ye Xiu and Nanhua Caiyi all smiled when they saw what happened, they looked very happy when they saw what happened.

"Who is that person that dares to act intimate with our goddess?" There were many male students who were angry at Ye Chen, they were all angry with what Ye Chen did.

to be honest Ye Chen didn't mean to do this, he didn't mean to do this with Chang Er.

"can you let me go, it seems like everyone is mad at us" Ye Chen said to Chang Er, he told Chang Er to let him go.

"no" Chang Er said to Ye Chen, she stuck out her tongue and used a mischievous look at Ye Chen.

Ye Chen's face darkened when he saw what Chang Er did, Ye Chen was speechless with what Chang Er did.

This woman must have done it on purpose, she must have wanted to make Ye Chen a public enemy.

Chang Er was indeed a mischievous girl, she always caused trouble for Ye Chen.

"damn I don't accept this" many men didn't accept what Ye Chen did, they all didn't accept what Ye Chen did to Chang Er.

Ye Chen was helpless with this problem, how should he solve this problem quickly.

#### [Chapter 2253 Zhi Fuze And Chang Er Argued](#)

"Stop teasing him" Zhi Fuze didn't stay silent when she saw Ye Chen being treated like that by Chang Er, for some reason she was jealous of what Chang Er did.

"no way, even my goddess" everyone was shocked by what they saw now, they didn't expect that Zhi Fuze would come and join the battle.

Chang Er looked at Zhi Fuze, she didn't like what Zhi Fuze was doing.

Chang Er and Zhi Fuze glared at each other, both of them didn't like each other.

Here Zhi Fuze felt more senior compared to Chang Er, so it wasn't strange that he was very confident when she faced Chang Er.

Chang Er felt the aura that Zhi Fuze had, she did not believe that Zhi Fuze would have such a strong aura, this strong aura naturally made Chang Er step back a little.

"Don't bully her" Ye Chen said to Zhi Fuze, he told Zhi Fuze not to bully Chang Er.

The strength of Zhi Fuze is already very strong, he has very strong strength and is not easy to be defeated by Chang Er who still has weak strength.

Zhi Fuze understood, she withdrew the power she had from Chang Er, Chang Er started to regain her breath when Zhi Fuze withdrew the strength she had.

"So why are you here, do you have a problem?" Ye Chen asked Chang Er.

"no I don't have a problem" Chang Er told Ye Chen that she didn't have a problem.

"Then why are you here?" Ye Chen asked Chang Er.

"Shouldn't I come here and see you?" Chang Er asked in a seductive voice.

Chang Er's voice could make everyone feel misunderstanding, they all misunderstood what Chang Er said.

They saw that Chang Er was very close to Ye Chen they thought about what kind of relationship they had.

"she is mine, so don't tease Ye Chen" Zhi Fuze said to Chang Er, she told Chang Er not to tease and seduce Ye Chen.

" what ! ! !" Everyone again misunderstood what Zhi Fuze said, they didn't expect that Zhi Fuze would say that Ye Chen was her.

"he is too greedy" everyone was annoyed with Ye Chen, they all didn't like it when they saw Ye Chen have two beauties beside him.

Ye Chen quickly became a public enemy, currently there are countless people who are hostile to Ye Chen.

They all stared at Ye Chen with gazes filled with hostility.

"What's wrong with you" Zhi Fuze said to Chang Er, the two of them returned to battle for Ye Chen.

"I will not be from you" Chang Er said that she would not lose to Zhi Fuze.

The two of them started fighting, the situation started heating up between the two.

Ye Chen was not very helpless when he saw this, he didn't know what to do.

"student Ye Chen, come with me right now" when Ye Chen was in trouble, Zhang Shiyun came over, she helped Ye Chen get out of trouble.

Ye Chen was very happy when he saw Zhang Shiyun coming, he didn't expect that Zhang Shiyun would come and help him.

A few male and female students looked at Zhang Shiyun, they could see that Zhang Shiyun was very seductive, Zhang Shiyun's charm was too strong for them.

Even though Zhang Shiyun had suppressed her charm, she still attracted the attention of others.

"I'm coming" Ye Chen didn't miss the chance that Zhang Shiyun gave him, he immediately left together with Zhang Shiyun.

"wait a minute" Chang Er and Zhi Fuze tried to stop Ye Chen.

Ye Chen left very quickly, in just a short time the two of them had left this place.

"This is all your fault" Zhi Fuze said that this was all Chang Er's fault.

"no, it's your fault, you shouldn't come and bother me" Chang Er tried to fight back, she didn't want to lose to Zhi Fuze.

The two fight again, they fight again and start the battle.

"Should we stop them?" Cheng Mengyan asked if they should stop Zhi Fuze as well as Chang Er.

"There's no need to leave them alone, this will be an interesting spectacle, besides these two don't want to fight seriously" Nanhua Caiyi replied to Cheng Mengyan.

Nanhua Caiyi wanted to see the battle that Chang Er as well as Zhi Fuze fought.

"it's you" Ye Xiu was helpless as he listened to what Nanhua Caiyi said, it seemed like they could only watch the two of them fight.

"I wonder why sister Zhang Shiyun called Ye Chen" Ye Xiu didn't know why Zhang Shiyun called Ye Chen.

"I don't know either, she is a queen, her mind is a bit more complicated than ours, we won't know what she will do" Nanhua Caiyi spoke up and announced that they wouldn't be able to know what Zhang Shiyun was thinking.

"Let's go back to where we are, I feel something bad is about to happen." Ye Xiu felt that something bad was about to happen, they had to be prepared for the worst that could happen right now.

Nanhua Caiyi and Cheng Mengyan agreed with what Ye Xiu said.

They believed and believed in Ye Xiu's instincts.

.

.

Ye Chen and Zhang Shiyun walked in a passage, both of them were going to the direction of Zhang Shiyun.

"husband, it seems you are having trouble with two troublesome little girls" Zhang Shiyun smiled and said to Ye Chen.

Zhang Shiyun's voice was quite coquettish, she knew how to seduce Ye Chen.

"They are indeed a bit of a bother, I might have to find a way to get them along a bit" Ye Chen would make the two of them get along and not fight like before.

"Is that so, then I understand what you are doing." Zhang Shiyun seemed to understand what Ye Chen was going to do.

After a while, the two finally arrived at the private place owned by Zhang Shiyun, here no one was able to disturb them.

"How is the progress of your investigation?" Ye Chen asked Zhang Shiyun.

"I've got some suspicious people, I just need to confirm if they are indeed the enemies we're looking for" Zhang Shiyun said to Ye Chen.

"To be honest it's been a long time, I can't stand this." Ye Chen told him that he couldn't wait to keep waiting.

"I know what you are like, you have to do it your own way" Zhang Shiyun said to Ye Chen, he told Ye Chen to use his own way, that way Ye Chen would be able to find the enemy he was looking for

Zhang Shiyun wouldn't restrain Ye Chen, the more she tried to restrain Ye Chen, the more difficult the situation would become.

Honestly the academy's situation was already chaotic, all the teachers had distrust of each other and they probably wouldn't walk the same path and had to walk alone.

This was the most opportune moment to take everything within this academy.

"Looks like I'll be moving on alone, give me a list of all the teachers and strongmen within this academy, I'll start looking into this" Ye Chen asked Zhang Shiyun.

"do it" Zhang Shiyun told Ye Chen to do it, she told Ye Chen to immediately go and do it.

#### [Chapter 2254 Ye Chen Secretly Followed Lung Xiantang](#)

"Then please give me what I ask for" Ye Chen told Zhang Shiyun to give him what he asked for.

"Okay, I'll do it wait here a second" Zhang Shiyun understood, she understood what Ye Chen wanted, she gave Ye Chen what he asked easily and quickly.

Ye Chen accepted the person Zhang Shiyun suspected the most, it turned out to be Lung Xiantang.

"is he, I'll be happy to make a move" Ye Chen of course didn't mind moving around watching and finding out what Lung Xiantang had.

"You have to be more careful, this man is too strong, he is one of the best teachers in this academy." Lung Xiantang was the best teacher in this place, so he told Ye Chen to be more vigilant and not take belittle Lung Xiantang .

"I will remember what you said" Ye Chen said that he would remember what Zhang Shiyun said.

"I will go" Ye Chen told that he would go right now.

"are you going to leave like that ?" Zhang Shiyun asked Ye Chen.

"is there more ?" Ye Chen asked Zhang Shiyun, Ye Chen asked Zhang Shiyun, did Zhang Shiyun have anything else needed.

"what a fool . . . . ." Zhang Shiyun was not happy, she was not happy with what Ye Chen was doing.

Ye Chen looked at Zhang Shiyun, she seemed to know the problem.

"Then how about tonight." Ye Chen said to Zhang Shiyun, he said that he would pamper Zhang Shiyun tonight.

"You must not lie to me" Zhang Shiyun said to Ye Chen, she told Ye Chen not to lie to her.

"Why would I lie to you, I won't do that" Ye Chen said that she wouldn't lie to Zhang Shiyun.

"Well done" Zhang Shiyun was very happy, before Ye Chen left, she didn't forget to give Ye Chen a kiss.

Ye Chen hugged Zhang Shiyun, he started kissing Zhang Shiyun who was in front of him, both of them had a seductive and full of temptation kiss, they were too seductive for each other.

A few moments later Ye Chen left, he went and put on his disguise.

"Good luck" Zhang Shiyun said to Ye Chen, she hoped that Ye Chen would succeed.

Ye Chen had already left, he just went straight to the place of Lung Xiantang.

Ye Chen easily found the location of Lung Xiantang, he started to sneak in and immediately searched for clues and evidence.

Ye Chen used his strength and hiding splendidly, he was able to easily hide so well, no one would be able to discover Ye Chen's whereabouts.

Ye Chen searched every corner, he might find something good around this place.

"roughly where did he hide it" Ye Chen wanted to know where Lung Xiantang had hidden the evidence he had, this man definitely wouldn't be stupid and hide valuable objects within the academy.

"Hey wait a minute" Ye Chen listened to the sound from outside, he could hear if someone was talking outside.

Ye Chen was immediately alerted, he was immediately alerted to the person outside.

Ye Chen took a peek and found out who was outside, he wanted to know who was out there.

When Ye Chen used the strength he possessed to look through the door, he could see who was outside.

"He saw that outside was Lung Xiantang as well as Lei Qiaolin.

"Are you sure you don't want to go with me tonight?" Lung Xiantang asked Lei Qiaolin to go, he wanted to go with Lei Qiaolin and have dinner together.

"I don't have time to do that" Lei Qiaolin told him that she didn't have time to do that, she didn't like doing those things and didn't want to go out with Lung Xiantang.

"Why do you always reject me ?" Lung Xiantang said to Lei Qiaolin, Lei Qiaolin always rejected Lung Xiantang.

"That's because I don't like you" Lei Qiaolin told him that she didn't like Lung Xiantang.

Lei Qiaolin directly rejected Lung Xiantang, she rejected Lung Xiantang quite viciously.

After a violent refusal, Lei Qiaolin left this place, she left behind Lung Xiantang who was angry at having just been rejected by Lei Qiaolin.

"hahahahaha" Ye Chen laughed when he saw this, it was quite amusing to see how Lung Xiantang was rejected by Lei Qiaolin.

"This woman is actually quite cold" Ye Chen realized that Lei Qiaolin was quite cold, she rebuffed her pursuers fiercely.

This woman is quite cold to her pursuers and does not allow them to come close.

"Damn" Lung Xiantang was very angry, he was very angry with Lei Qiaolin's rejection.

"hehehehe, so funny" Ye Chen looked at Lung Xiantang, it seemed that this man had just eaten the dirt of Lung Xiantang.

"Bam . . ." Lung Xiantang punched the wall several times, he looked very angry and very annoyed with Lei Qiaolin, he should be able to get Lei Qiaolin.

"I won't let you escape, you will become my personal toy." Lung Xiantang would not let Lei Qiaolin escape, he would make sure that he would get Lei Qiaolin.

Lung Xiantang returned to his room, he sat on a chair and looked at the sky.

"I can't go on like this, I have to do something." Lung Xiantang couldn't stay silent, he had to do something.

Ye Chen kept watching Lung Xiantang, he observed the movements made by Lung Xiantang.

"is he not willing to move?" Ye Chen didn't see that Lung Xiantang wanted to move, this person was quite resistant and didn't want to move.

Ye Chen looked at Lung Xiantang, he could see that Lung Xiantang was very alert, he was very aware of what was around him.

Ye Chen saw that Lung Xiantang was very alert, he knew that he was being watched and didn't make any strange movements.

"He's quite smart, he doesn't want to move, and restrains himself well." Ye Chen looked at Lung Xiantang who held himself well.

"Master, it seems that you are very suspicious of Lung Xiantang" Chu Yuechan said to Ye Chen.

"he has something strange, I naturally suspect him." Ye Chen said that he was suspicious of Lung Xiantang and saw that Lung Xiantang was hiding something big.

Ye Chen kept watching Lung Xiantang until nightfall, when the night was almost approaching curfew, Lung Xiantang finally started to move.

"Finally he's moving too" Ye Chen was enthusiastic, he finally saw that Lung Xiantang started to move and go somewhere.

Ye Chen immediately left, he immediately left and followed behind Lung Xiantang.

Lung Xiantang didn't realize that he was being followed by Ye Chen, Ye Chen had the ability to hide himself very well.

First of all Lung Xiantang turned a few times, he made sure that he wasn't being followed by anyone else.

Seeing what Lung Xiantang was doing, Ye Chen was more and more convinced that this man was hiding something big.

"I will not let you go" Ye Chen will not let go of Lung Xiantang, this is a good opportunity to get evidence and catch Lung Xiantang directly.

After making sure that everything was safe, Lung Xiantang went straight into a house.

Ye Chen saw this, she used God's Eyes to see what Lung Xiantang would do next.

#### [Chapter 2255 Get Important Information From Lung Xiantang](#)

"he went to a place that was quite dangerous for a teacher" Ye Chen could see that Lung Xiantang was going to a place that Ye Chen probably wouldn't have imagined.

"It's an underground brothel, why would he go to that place" Chu Yuechan said to Ye Chen, she wanted to know why Lung Xiantang would go to such a place.

"I don't know what to do, but it looks like he will meet people in that place, it is one very good place and will not be easily found by other people" Ye Chen said to Chu Yuechan.

"are you going in too ?" Chu Yuechan asked Ye Chen.

"Of course, I will of course go in" Ye Chen told Chu Yuechan that he would go inside.

Ye Chen went inside, not to arouse suspicion, he put on a normal appearance and started mingling with the people around.

This place was much more crowded than Ye Chen had imagined, there were several people who came and hired beautiful women for them to enjoy.

Ye Chen focused on the target he had, he focused on looking at Lung Xiantang.

Lung Xiantang entered a room, he entered a room with several people in there.

Ye Chen saw them, he could feel a dark and sinister aura coming from the people that Lung Xiantang had encountered.

Ye Chen approached even further, if he approached even further, then he would know what was going on there.

"Have you done the task I gave well?" Lung Xiantang said to the people in front of him, he asked if they had done the task he gave.

"Sir, this is a bit difficult, our movements couldn't be any faster, we are being watched and there are several strong women constantly hanging around this place to watch over our movements" they told Lung Xiantang what happened.

"Useless, all of you are really useless, I just gave an easy task and you can't do it, you guys really disappointed me" Lung Xiantang was disappointed, he was disappointed when he heard what happened, people he had failed to do the task he gave him, even though this was a very easy task to do.

"forgive us. . ." Everyone apologized, they apologized to Lung Xiantang.

"Forget it, let's start everything over from the beginning" Lung Xiantang had to start over from the beginning, he couldn't continue like this and keep the grand master waiting, he would probably lose his life if he failed at this place.

Outside of Ye Chen listening to what they were talking about, Ye Chen could hear what these people were talking about.

The direction Lung Xiantang's conversation was going was to catch a teacher who didn't agree with them, that would make things easier.

"Is that so, he finally did it" Ye Chen finally knew who Lung Xiantang was, he finally knew what plan Lung Xiantang was up to.

Lung Xiantang intended to capture all the teachers present, that would be a big plan and might make a difference.

"If I'm not mistaken all the teachers are currently in a state of chaos, this might be the right time to have them reunite." Ye Chen probably had a plan to make all the teachers who weren't involved with Vengeance Fate Sect unite and form a powerful army.

In that way Vengeance Fate Sect would not be able to rule over the Five Lord Divine Academy.

"You have such a good plan, I really like the way of thinking you have, now what we need is to bring everyone together, we can figure this out quickly" Chu Yuechan said to Ye Chen.

"First of all, let's find out Lung Xiantang's thoughts first, we need to know who is an enemy and who is a friend, I don't want any intruders to sneak in and mess things up.

Ye Chen called a maid, he told the maid to come in and give Lung Xiantang some drinks.

Ye Chen paid for this, he gave quite a number of profound crystals and of course the maids in this place were easily tempted.

With what Ye Chen had, they probably wouldn't work for long, this was an extremely good bargain.

Some of the drinks were passed to Lung Xiantang and the others.

Inside was an extremely strong anesthetic, with this they should be able to collapse easily.

Lung Xiantang was not suspicious of the drinks that were served, they all partied and started enjoying the night before they went back to work catching teachers in the academy.

A few minutes later, they finally collapsed and fell unconscious, this was an excellent time for Ye Chen to enter and start searching inside Lung Xiantang's mind.

"I just need a few people who are already cooperating with you." Ye Chen looked for people who were cooperating with Lung Xiantang.

He quickly found what he was looking for and found a large number of people working with Lung Xiantang.

"This is a lot" Ye Chen didn't expect that the number would be so much, this number was quite a lot and probably already had 1/3 of the full strength within the academy.

"Very good, this trip was successful, I got what I was looking for" Ye Chen had gotten what he was looking for, he had managed to get what he needed right, He just needed to come up with a plan to destroy them all.

It seemed like Lung Xiantang wasn't one of the important people within Vengeance Fate Sect, so it was likely that strong people from Vengeance Fate Sect wouldn't appear for a while.

"It's fine, I'll take care of them first and start destroying Vengeance Fate Sect slowly." Ye Chen would do everything slowly and surely, he would make sure that everything went according to his wishes.

After Ye Chen got what he was looking for, he immediately left this place, he immediately left and headed straight back to the academy.

Ye Chen had an appointment with Zhang Shiyun, plus he had worked things out well.

Ye Chen went to Zhang Shiyun's place, it just so happened that Zhang Shiyun's place was not far from Lei Qiaolin's place.

"So they are neighbors, I didn't expect that Zhang Shiyun would live near this place." Ye Chen was happy, he could probably have fun easily.

Ye Chen went to Zhang Shiyun's place, he sneaked in and found out what Zhang Shiyun was doing.

When Ye Chen walked in, he saw Zhang Shiyun wearing a seductive white sheer silk dress, she was really too beautiful and seductive.

Zhang Shiyun showed a very seductive body curve, She had a good shape and amazing temperament, As a queen who is still active, of course her temperament and aura are not easy to match even high-class women.

Zhang Shiyun looked out the window, she was looking out to wait for Ye Chen.

"will he forget" it was past midnight and Ye Chen still didn't come back, Zhang Shiyun was afraid that Ye Chen forgot.

Zhang Shiyun touched her own body, she really needed Ye Chen, only Ye Chen could make herself feel refreshed.

Zhang Shiyun was dry enough, it had been a long time since she had been moisturized by Ye Chen, she needed Ye Chen right now.

"Maybe I'll head over to sister Suyin's place." Zhang Shiyun should probably go and start playing with Xue Suyin.

## [Chapter 2256 Ye Chen And Zhang Shiyun Teased Lei Qiaolin](#)

Zhang Shiyun made a move that was too seductive, Ye Chen had no way to endure when he saw how Zhang Shiyun moved.

Every move that conducted by this woman was a temptation, there was no way Ye Chen who was a normal and young man could resist the temptation of the super beautiful and super tempting Milf.

Ye Chen immediately slipped behind Zhang Shiyun's body, he immediately extended his hand towards Zhang Shiyun.

"Ahh. . ." Zhang Shiyun was shocked when she saw someone hugging her from behind, she was neither prepared nor aware of this person's presence.

"who are you . . ?" Zhang Shiyun asked the person behind him.

"It just looks bigger and bigger" Ye Chen said to Zhang Shiyun, he admitted that Zhang Shiyun has a lot of capital, the double peak he has now is much bigger and more tempting than the last time.

"Husband, you finally came. . ." Zhang Shiyun was happy when she heard Ye Chen's voice, nothing was more pleasant than hearing Ye Chen's voice, it was like a gift from the heavens to Zhang Shiyun.

"do you miss me" Ye Chen asked Zhang Shiyun, he saw that Zhang Shiyun missed him.

"Of course, it's been a long time since we've seen each other, I certainly miss you." Zhang Shiyun told that she missed Ye Chen

"I'm the same, I can't wait to make my queen comfortable" said Ye Chen Zhang Shiyun.

"Is that so, then do your best, I will give you a reward if you do well" Zhang Shiyun whispered to Ye Chen, she joined in the fun game conducted by Ye Chen.

"hehehehe" Ye Chen chuckled, he immediately attacked and touched Zhang Shiyun's double peaks, nothing was more pleasant than touching two huge melon-like objects.

"Ummm . . ." Zhang Shiyun couldn't hold on, Ye Chen's touch was too strong for her.

"Are you comfortable" Ye Chen asked Zhang Shiyun, Zhang Shiyun should be comfortable with the touch and squeezing conducted by Ye Chen.

"This is very good, husband, you are the best." Zhang Shiyun told Ye Chen that he was the best, he really knew how to make Zhang Shiyun comfortable.

Ye Chen already knew all of Zhang Shiyun's weak points, so it wouldn't be strange for her to easily make Zhang Shiyun down and helpless.

In just a matter of minutes, Zhang Shiyun had already fallen and was leaning on Ye Chen's body, what the conducted by Ye Chen is too delicious and too strong.

"This is great, I haven't felt this for a long time." Zhang Shiyun said to Ye Chen, he told Ye Chen that he had not felt this for a long time.

"are you satisfied. ." Ye Chen asked Zhang Shiyun, he wanted to know whether Zhang Shiyun was satisfied or not.

"Of course I'm not satisfied, I'm still quite hungry and want to eat you" Zhang Shiyun said to Ye Chen, he wanted to eat Ye Chen and absorb Ye Chen's Yang Qi.

"hehehehe, are you sure, you will probably lie in bed all day" Ye Chen said to Zhang Shiyun.

"We'll see, I'm already strong enough and not as weak as before, my physical strength should also have improved after the grueling training" Zhang Shiyun said to Ye Chen.

"is that so . . ." Ye Chen wanted to know if Zhang Shiyun was telling the truth, whether Zhang Shiyun had indeed become stronger, Ye Chen had to prove this point and try it himself, he would know the result.

"So how, have you made any progress?" Zhang Shiyun asked Ye Chen, she wanted to know if Ye Chen had made any progress.

"I have made progress" Ye Chen said that he has made progress, he has made great progress.

"tell me what you got" Zhang Shiyun asked Ye Chen to explain.

While Zhang Shiyun was recovering his strength, he wanted to know what had been obtained by Ye Chen.

Ye Chen told Zhang Shiyun about what he got, he already got what they got need and intends to bring everyone together to fight.

"This seems a bit difficult" Zhang Shiyun said to Ye Chen, she told Ye Chen that this would probably be quite a difficult thing to do, this would be a very difficult thing because they didn't have much influence and it wasn't easy to unite the teachers here.

"I wonder who has the most influence other than Lung Xiantang?" Ye Chen asked Zhang Shiyun.

"Hmmm, I guess it's Lei Qiaolin, she is a woman with great influence and her strength is no joke" Zhang Shiyun said to Ye Chen.

"very good, this will make it easier for me" Ye Chen was happy when he heard this, this will make it easier for Ye Chen to bring everyone together.

"do you want to catch him, what a coincidence he is behind the wall" Zhang Shiyun said to Ye Chen.

"wife, are you thinking what I'm thinking" Ye Chen said to Zhang Shiyun.

"Fufufufu, is that so, then let's do it" Zhang Shiyun naturally knows what wanted by Ye Chen, he knew what this brat was thinking.

"You don't need to hold back and shout as loud as you can" Ye Chen said to Zhang Shiyun.

"I understand . . ., fufufufu" Zhang Shiyun laughed mischievously, she really liked Ye Chen's plan.

"ahhhh . . ." Zhang Shiyun started shouting in a loud voice, with this loud voice, she easily reached where Lei Qiaolin was.

Lei Qiaolin was currently sitting and cultivating, she began to steady her own heart and try to calm down.

Ever since the incident when she was with Ye Chen, she honestly couldn't calm down when she was cultivating.

"Wrong, this is all that brat's fault" Lei Qiaolin was dissatisfied, she was dissatisfied with what Ye Chen did, if not for Ye Chen, she would not be where she is today.

"what is that sound" Lei Qiaolin listened to a voice, she could hear a woman's groaning coquettish and full of seductive tenderness for everyone who heard it.

"what the hell. . ." Lei Qiaolin was shocked by what happened, as a normal woman with knowledge, she of course knew what was going on.

"wait a minute, who is next to me" Lei Qiaolin tried to remember who the person who was beside her, after remembering for a while, Lei Qiaolin finally remembered who had just moved to the side.

"If I'm not mistaken it's Zhang Shiyun's teacher who is have Charm, did she steal a man, isn't she too daring to do that?" Lei Qiaolin was quite surprised when he found out that Zhang Shiyun dared to steal a man.

plus again, the sound they have is too loud, it can be obviousbe heard oleh Lei Qiaolin.

"They are too bold, this is not good." The noble Lei Qiaolin was confused, Zhang Shiyun's voice made her excited.

Lei Qiaolin wanted to see who it was, she wanted to find out who the person Zhang Shiyun was playing with.

"she won't notice if I peek." Lei Qiaolin was sure that Zhang Shiyun would not notice if she peeked, she was very sure of that matter.

Lei Qiaolin came out, he immediately went over and tried to peek outside.

Lei Qiaolin didn't believe that she would do this, but this curiosity made Lei Qiaolin feel uneasy, she had to do her best to see it with her own eyes.

#### [Chapter 2257 I Found Someone Stealing You From Outside](#)

Lei Qiaolin peeked inside, she looked into the room owned by Zhang Shiyun, when Lei Qiaolin looked into the room owned by Zhang Shiyun, she was shocked by what she saw, she saw something very strange and unreasonable.

Lei Qiaolin looked at Ye Chen and Zhang Shiyun who were having fun.

Zhang Shiyun served Ye Chen and made a voice that was so seductive and full of charm.

"what are the two of them doing" Lei Qiaolin didn't expect that Zhang Shiyun would do such a thing with Ye Chen.

Zhang Shiyun displayed her skills in front of Ye Chen, she showed that she had the strength and ability to make Ye Chen comfortable.

"how, do you like it" Zhang Shiyun asked Ye Chen, she served Ye Chen and started teasing Ye Chen with her lovely little mouth.

"teacher, you are really great" Ye Chen said to Zhang Shiyun, he admitted that Zhang Shiyun had the ability to make him comfortable.

"fufufu, you're so cute I want to tease you more and more" Zhang Shiyun felt that Ye Chen was cute, he wanted to tease Ye Chen more and more.

The two continued their relationship, they knew that on the outside Lei Qiaolin was watching what they were doing.

Lei Qiaolin's face was as red as an apple, he looked very embarrassed by what Ye Chen and Zhang Shiyun had done.

"The two of them did it, I can't believe this" Lei Qiaolin couldn't believe that the two did it, this was something that Lei Qiaolin had a hard time believing.

Ye Chen and Zhang Shiyun were having fun, they both enjoyed their relationship, they didn't care about people around and enjoyed everything well.

"I can't stay in this place, I have to leave this place" Lei Qiaolin wanted to leave this place, he couldn't be alone in this place and see what Ye Chen and Zhang Shiyun were doing.

Lei Qiaolin wanted to leave, it was a pity that he couldn't move and kept watching what Ye Chen and Zhang Shiyun were doing.

Lei Qiaolin was too focused on Ye Chen's possessions, he could see that Ye Chen possessed a considerable amount of capital, it was a treasure that normal people would probably never imagine.

"That's great" Lei Qiaolin became more and more excited, she became even more excited when she saw what Ye Chen and Zhang Shiyun were doing.

"hello big sister, what are you doing?" when Lei Qiaolin was peeking at Ye Chen and Zhang Shiyun, she was startled by someone behind her.

"you . . . ?" Lei Qiaolin was of course shocked when she saw woman in back, she was shocked when she saw that there was a person behind her.

The woman behind Lei Qiaolin was Xue Suyin, Xue Suyin caught Lei Qiaolin peeking inside.

Xue Suyin used her own strength to catch Lei Qiaolin, using her own strength, she easily caught Lei Qiaolin.

After Xue Suyin caught Lei Qiaolin, Xue Suyin brought Lei Qiaolin inside.

"Hubby, look who I caught." Xue Suyin walked in, she informed Ye Chen that she caught someone peeking at them.

"Well done, you did a very good job" Ye Chen gave a compliment to Xue Suyin, he had done a very good thing, he managed to catch Lei Qiaolin and bring her inside.

"oh, look who is this, how did you peek at our place" Ye Chen blessed Lei Qiaolin who was trying to peek at their place.

"Quickly release me" Lei Qiaolin told Ye Chen to release her, she didn't want to become Ye Chen's prisoner.

"Tell me why we have to let you go?" Ye Chen asked Lei Qiaolin, he asked the reason why they had to let Lei Qiaolin go.

Lei Qiaolin was silent for a while, she didn't know what she should say to answer Ye Chen.

"Hubby, don't be too hard on her" Xue Suyin told Ye Chen not to be too hard on Lei Qiaolin.

"Since she wants to see, let's show her." Zhang Shiyun invited Ye Chen and Xue Suyin to show Lei Qiaolin their strength and ability.

"I agree, since she wants to take a peek, let's show her." Ye Chen agreed with what her two beautiful wives said, he didn't show his strength to Lei Qiaolin.

"What are you guys doing, you are shameless" Lei Qiaolin said to Ye Chen, Xue Suyin and Zhang Shiyun, he told them that he was shameless.

"weren't you the one who was shameless and peeked at us" Ye Chen said to Lei Qiaolin.

Lei Qiaolin blushed, this was indeed her fault in the first place, she was too careless and made a fatal mistake and made her what he is today.

Xue Suyin and Zhang Shiyun started touching Ye Chen's little brother, both of them helping Ye Chen's little brother with their hands.

Xue Suyin and Zhang Shiyun had a hard time holding Ye Chen's, it could be said to be big and strong, both of them were unable to resist even when they used both hands.

"It's already excited, then enjoy eating" Xue Suyin and Zhang Shiyun started attacking Ye Chen, they started attacking Ye Chen and made Ye Chen comfortable by using the techniques they had.

They blew, bit and swallowed Ye Chen's easily without any resistance from their bodies.

Xue Suyin and Zhang Shiyun were both veterans and strong, their strength was unquestionable and they displayed terrifying strength and excited Ye Chen quickly.

Lei Qiaolin looked confused when he saw what Xue was doing. Suyin and Zhang Shiyun, he couldn't believe that these two super sexy and hot women would do such a thing for Ye Chen.

The two of them looked very excited, they were both very in love with Ye Chen.

"This brat, how does he have such a big capital" Lei Qiaolin wants to know why Ye Chen has such a strong capital, it must be a dragon among men and an idol for women.

"Are you interested in joining?" Xue Suyin said to Lei Qiaolin who was looking at them with wide eyes.

"Why should I join?" Lei Qiaolin said to Xue Suyin.

"Aren't you interested, you should know that finding something like this is extremely difficult, you will definitely like it after you try it," Xue Suyin said to Lei Qiaolin.

Xue Suyin and Zhang Shiyun started to show off when they were in front of Lei Qiaolin, they were showing off and showing that Ye Chen had such a good thing and was super strong, there was no way Lei Qiaolin would easily endure this.

Lei Qiaolin started to swallow her saliva, she had really been provoked by Xue Suyin and Zhang Shiyun.

Xue Suyin and Zhang Shiyun were natural succubus, they were very good at flirting with opposites and same sex, so it wasn't strange for Ye Chen to choose them as a partner to get Lei Qiaolin.

Lei Qiaolin tried to refuse, but she wanted to do it, the charm of Xue Suyin and Zhang Shiyun had made Lei Qiaolin confused and wanted to do it with Ye Chen.

Xue Suyin and Zhang Shiyun saw the changes in Lei Qiaolin, it seemed that this woman couldn't take it anymore and wanted to join them.

"fufufufu, let's let her go" Xue Suyin and Zhang Shiyun let go of Lei Qiaolin, the two picked up and started to train Lei Qiaolin to become their sister.

Lei Qiaolin didn't resist, she seemed to have accepted her destiny and intended to do it with Ye Chen.

#### [Chapter 2258 Ye Chen, Lei Qiaolin, Zhang Shiyun And Xue Suyin](#)

Lei Qiaolin started to follow Xue Suyin and Zhang Shiyun, she followed the two of them and started serving Ye Chen.

"we will teach you" Xue Suyin and Zhang Shiyun said that they would teach Lei Qiaolin.

"um" Lei Qiaolin nodded, she would accept the teachings given by Xue Suyin and Zhang Shiyun.

"fufufu" Xue Suyin and Zhang Shiyun were very happy, both of them were happy when they saw the obedient Lei Qiaolin, this would make it easier for them to finish and get Lei Qiaolin.

Xue Suyin winked at Ye Chen, she told Ye Chen to cooperate with the two of them to get Lei Qiaolin.

Ye Chen of course understood what Xue Suyin wanted, he would happily cooperate with the two of them to get Lei Qiaolin.

"Do as I do" Xue Suyin told Lei Qiaolin to do as she did.

Lei Qiaolin started to look at Xue Suyin, she saw clearly what Xue Suyin was doing.

Xue Suyin served Ye Chen's item well, she began to show Lei Qiaolin top grade techniques.

"You are really great" Ye Chen had to admit that Xue Suyin had an ability, this woman had a powerful ability and could easily make Ye Chen achieve pleasure.

Lei Qiaolin looked at Ye Chen, he didn't expect that Xue Suyin would easily make Ye Chen like that.

Xue Suyin's kung fu was too strong, she comforted Ye Chen with a tongue that was too smooth.

"how, can you do it" Xue Suyin asked Lei Qiaolin.

"I don't know about that, I'll give it a try." Lei Qiaolin didn't know if she could do the same as Xue Suyin did.

"You don't need to be afraid and hold back, we are all women and know what's best for you" Zhang Shiyun said to Lei Qiaolin, she assured Lei Qiaolin that everything would be fine and she would receive the highest comfort.

Lei Qiaolin looked at Xue Suyin and Zhang Shiyun, both of whom were earnest about training Lei Qiaolin.

Lei Qiaolin finally tried, she finally tried and began to team up with Xue Suyin and Zhang Shiyun.

Xue Suyin and Zhang Shiyun left an empty spot for Lei Qiaolin, they supervised and guided Lei Qiaolin.

"I didn't expect that you would do this," Ye Chen said to Lei Qiaolin.

Ye Chen looked at Lei Qiaolin with a proud and triumphant gaze.

Lei Qiaolin was not happy about this, she was not happy when she saw Ye Chen.

Lei Qiaolin started holding Ye Chen's and squeezed it tightly.

"what are you doing . . . ?" Ye Chen said to Lei Qiaolin, what was done by Lei Qiaolin scared Ye Chen.

"don't do that" Xue Suyin and Zhang Shiyun hurriedly stopped Lei Qiaolin.

Xue Suyin and Zhang Shiyun couldn't possibly let Lei Qiaolin injure Ye Chen.

"You can't do that, it will hurt him." Xue Suyin gave a lecture to Lei Qiaolin, she gave a lecture and a warning to Lei Qiaolin.

"sorry, I got carried away" Lei Qiaolin apologized.

"If you are like that, we won't spare you" Xue Suyin and Zhang Shiyun said to Lei Qiaolin.

"I understand, I won't do that thing again" Lei Qiaolin said that she wouldn't do that thing again.

"good, excellent, remember the words you said, then to make amends for what you have done, you must do even better" Zhang Shiyun said to Lei Qiaolin.

"I will do it" Lei Qiaolin will do it, he will do what Zhang Shiyun said.

Lei Qiaolin returned to her stance, this time she started helping Ye Chen's objects using her hands.

Lei Qiaolin was quite surprised, she didn't expect that this thing would be so big that it couldn't be grasped with one hand.

"This is terrible, I feel like I'm holding a monster" Lei Qiaolin felt that she was holding a powerful monster, she didn't expect that this would be such a terrible thing.

"Don't just look at it, let's quickly do our best" Zhang Shiyun told Lei Qiaolin to do it immediately, she told Lei Qiaolin to quickly help Ye Chen.

Lei Qiaolin understood, she used her cold mouth to help Ye Chen.

A warm object met Lei Qiaolin's cold mouth, this feeling was of course very comfortable for Ye Chen.

"This is great" Ye Chen said to Lei Qiaolin, he told that Lei Qiaolin had good skills.

Lei Qiaolin became even more excited when he received praise from Ye Chen, she became fond of doing this and under the tutelage of Xue Suyin and Zhang Shiyun, she became more and more skilled.

"fufufufu" Xue Suyin and Zhang Shiyun looked at Lei Qiaolin, they both could see that Lei Qiaolin was extremely excited, he was even more passionate than the two of them.

Xue Suyin and Zhang Shiyun joined in, the three started to help Ye Chen and fought to please Ye Chen by using the skills they had.

Ye Chen couldn't stand it, he had endured well and decided to go straight to eat the three of them.

"You guys are too tempting, this time I will give my best for you guys" Ye Chen said to Xue Suyin, Zhang Shiyun and Lei Qiaolin, Ye Chen would make the three feel comfortable by using his weapons.

"Husband, let Lei Qiaolin first, she must feel the power that belongs to the husband" Xue Suyin and Zhang Shiyun said to Ye Chen, they told Ye Chen to let Lei Qiaolin know the strength that Ye Chen has.

Ye Chen naturally understood what Xue Suyin and Zhang Shiyun wanted, he started to carry Lei Qiaolin and started to do Lei Qiaolin first.

"this will be an interesting start" Ye Chen said to Lei Qiaolin, he told that this would be an interesting start.

"Don't be so rude" Lei Qiaolin told Ye Chen not to be so rough.

"I'm a good man, I won't be too rough" Ye Chen told her that she wouldn't be too rough with women.

Lei Qiaolin could be a bit relieved, at least Ye Chen had promised and would make her comfortable with the skills he had.

Ye Chen immediately used his weapon to penetrate Lei Qiaolin's honey cave.

Lei Qiaolin's body instantly shook and warped as Ye Chen's invaded.

"This is too strong" Lei Qiaolin couldn't stand it, she couldn't stand Ye Chen's attack, it was too strong and he couldn't possibly last for a long time.

"You finally got you" Ye Chen finally got Lei Qiaolin.

He got a cold woman like Lei Qiaolin and now Ye Chen would train her well.

Ye Chen started to move, he put Lei Qiaolin at ease.

"No, this is too strong for me." Lei Qiaolin couldn't stand it, she couldn't stand what Ye Chen did, what Ye Chen did was too strong and made herself easily reach the top.

It was definitely more beautiful and more pleasant than when Ye Chen touched it, she liked this feeling.

Lei Qiaolin had already given up, she quickly gave up and surrendered her body and mind to Ye Chen.

Ye Chen didn't hold back and showed his strength to Lei Qiaolin, this made Lei Qiaolin reach the peak together with Ye Chen.

Lei Qiaolin did well, he had a good artifact and put Ye Chen at ease.

"congratulations" Xue Suyin and Zhang Shiyun congratulated Ye Chen, they were happy that Ye Chen got Lei Qiaolin.

#### [Chapter 2259 Lei Qiaolin Was Looking For Followers](#)

"Thank you for the help you guys gave" Ye Chen thanked Xue Suyin and Zhang Shiyun for the help.

They had helped Ye Chen to get Lei Qiaolin, if they didn't help Ye Chen, maybe Ye Chen would have a pretty serious problem.

"This is our duty, we will always help you." Xue Suyin and Zhang Shiyun said that they would continue to help Ye Chen, they would continue to help Ye Chen get beauty in this world.

"Then it's your turn" Ye Chen gave happiness to Xue Suyin and Zhang Shiyun, he made Xue Suyin and Zhang Shiyun comfortable and started to do them.

"Husband, you are too rough" Xue Suyin and Zhang Shiyun shouted, they couldn't stand what Ye Chen did, what Ye Chen did was too rough and too strong, the two of them naturally couldn't easily survive Ye Chen's things.

Ye Chen possessed terrifying strength, even after fighting with Law Qiaolin fiercely, she still has the strength to fight against two mature women like Xue Suyin and Zhang Shiyun.

Xue Suyin and Zhang Shiyun started working together, they both knew that they would not be able to win against Ye Chen.

they wouldn't be able to win against Ye Chen using the strength they had, it could be said that Ye Chen's strength was too great and they needed a lot of strength to fight Ye Chen.

"Husband, you are indeed great".

Ye Chen drilled into Xue Suyin and Zhang Shiyun's honey cave, he put the two of them at ease.

"you two are the best, you guys are really trying to suck me up" Ye Chen said to Xue Suyin and Zhang Shiyun, Ye Chen could feel that Xue Suyin and Zhang Shiyun wanted to suck himself dry.

"You can't let your guard down, don't let us dry you up." Xue Suyin and Zhang Shiyun said to Ye Chen, both of them told Ye Chen to be alert, otherwise the two of them might directly dry Ye Chen.

"Let's see who will win, me or you" Ye Chen said to Xue Suyin and Zhang Shiyun, he would make both of them submit.

"fufufufufufu" both of them start battle, they both start their battle and have fun.

Since the other party was Xue Suyin and Zhang Shiyun, Ye Chen no longer needed to hold back, he didn't need to hold back when he faced Xue Suyin and Zhang Shiyun.

Ye Chen gave it all away, he brought out all the potential that he had.

That way Ye Chen could make Xue Suyin and Zhang Shiyun happy.

Xue Suyin and Zhang Shiyun were ecstatic, both of them were truly missed and satisfied by what Ye Chen had done.

They finally realized that they couldn't live without Ye Chen.

Ye Chen, Xue Suyin and Zhang Shiyun carried out Dual Cultivation until morning, they completely lost track of time and continued to have fun.

Lei Qiaolin was lucky because he had such great comrades like Xue Suyin and Zhang Shiyun, it meant that Lei Qiaolin didn't need to work any harder against Ye Chen.

Morning finally came, Lei Qiaolin, Xue Suyin and Zhang Shiyun were sleeping next to Ye Chen.

"It's already morning, wake up quickly" Ye Chen said to, Lei Qiaolin, Xue Suyin and Zhang Shiyun.

"we are still sleepy" Xue Suyin and Zhang Shiyun said to Ye Chen, both of them told Ye Chen that they were both still exhausted after the long battle with Ye Chen.

Xue Suyin and Zhang Shiyun had completely collapsed, they realized that their strength would not be able to match and defeat Ye Chen.

That's why they became like that and couldn't continue fighting against Ye Chen.

"it's morning" Lei Qiaolin was a little better, she looked fit and not too tired because she had the help from Xue Suyin and Zhang Shiyun.

"are you okay ?" Ye Chen asked Lei Qiaolin.

"do you think I'm fine, you almost killed me" said Lei Qiaolin in a complaining tone.

Ye Chen was too strong, she was almost killed by this brat.

"Hahahaha, I'm sorry" Ye Chen didn't expect that Lei Qiaolin would be angry, it seemed that he had done too much and made Lei Qiaolin unable to bear it,

Lei Qiaolin saw Xue Suyin and Zhang Shiyun, both of them completely collapsed and couldn't move for a while.

"I didn't expect that I would be stuck with you" Lei Qiaolin didn't expect that she would be trapped with Ye Chen.

"It is your fate to be trapped with me" Ye Chen told her that it was Lei Qiaolin's fate to be trapped with him.

"Is that so. ." Lei Qiaolin drew closer, she hugged Ye Chen who was in front of her.

Lei Qiaolin was already happy, she was very happy with Ye Chen and he would never regret what she was about to do.

Ye Chen held Lei Qiaolin, he held Lei Qiaolin and hugged him directly.

Everything has come to this point, let's get started" Ye Chen said to Lei Qiaolin, it was time for them to start.

"What are you going to do" Lei Qiaolin asked Ye Chen, she wanted to know what Ye Chen would do.

"Listen to me carefully" Ye Chen told Lei Qiaolin to listen carefully to himself.

Lei Qiaolin understood, she listened to what Ye Chen said.

Ye Chen told Lei Qiaolin his plan, he wanted to make Lei Qiaolin the new headmaster.

Lei Qiaolin was shocked by what Ye Chen said, how would Ye Chen think of something like this.

"Why do you want to do that?" Lei Qiaolin asked Ye Chen, she wanted to know the reason Ye Chen had.

"That's because you are very suitable for this task." Ye Chen said that Lei Qiaolin was very suitable for this task, Ye Chen was very sure that Lei Qiaolin could do this task well.

"But I don't have the power to do that" Lei Qiaolin pointed out that he didn't have that kind of power

"You don't have to worry, I will help you, and now that you are not weak, you should benefit from me." Ye Chen said to Lei Qiaolin.

Lei Qiaolin listened to Ye Chen's words, she finally realized that her strength had become high, she had recently improved and was now at the pinnacle of cultivation.

"This is so great" Lei Qiaolin was shocked, she didn't know that he had just made a breakthrough.

Ye Chen smiled as he looked at Lei Qiaolin, Lei Qiaolin was really cute.

"So how about it, do you want to do it?" Ye Chen asked Lei Qiaolin.

"I will do it, I will help you" Lei Qiaolin will help Ye Chen, this time she wants to be of use to Ye Chen.

Ye Chen was happy when he heard this, now things would be easier to do.

"Alright, let's start by gathering all the teachers who are not related to the Vengeance Fate Sect".

Ye Chen intended to gather all the teachers who had no relation with Vengeance Fate Sect.

Lei Qiaolin came along, she followed Ye Chen and started to do as Ye Chen said.

"Are you guys not coming?" Ye Chen asked Xue Suyin and Zhang Shiyun.

"You two are enough, we want to rest a bit." Xue Suyin and Zhang Shiyun said lazily, both of them indicating that they wanted to laze around.

"It's up to you guys" Ye Chen didn't really care, they needed to rest for a while to recover the strength they had.

Ye Chen together with Lei Qiaolin, the two of them started to greet some teachers and started to do the recruiting.

"Would you like to join me" Lei Qiaolin invited several teachers to join her camp.

"Why should I join you, what are the benefits of me joining you" Some teachers rejected Lei Qiaolin, they didn't want to join Lei Qiaolin and wanted to remain alone.

Lei Qiaolin was a little confused, what should he do now.

Ye Chen looked at Lei Qiaolin, she could see that Lei Qiaolin looked flustered when dealing with this matter.

"If you can't convince them with words, you should convince them by using the strength you have" Ye Chen whispered in Lei Qiaolin's ear.

Lei Qiaolin understood, she knew what she had to do, she would follow what Ye Chen said, she knew what had to be done.

Lei Qiaolin used her current strength, by using her own strength, she was able to intimidate her opponent.

Some teachers were surprised by the strength possessed by Lei Qiaolin, they did not expect that Lei Qiaolin had such great strength.

"Do you guys need any more proof, I'll make sure that you guys will get a lot of things when everything is done" Lei Qiaolin announced that she would give a gift after everything was done.

Now they just needed to unite, once everything was done, then it would be easy to do.

Everyone thought, they thought about what Lei Qiaolin said.

"You all don't have to think too much, otherwise you might get into much bigger trouble" Ye Chen said to the teachers around.

"what do you mean ?" all the teachers asked Ye Chen, they wanted to know the meaning of Ye Chen's words.

"You guys will know what I mean later" Ye Chen said to the teacher in front of him.

"Is this a threat. . ." teacher looked at Ye Chen and Lei Qiaolin, they thought that Ye Chen's words were a threat.

"This is not a threat, this is a warning to you guys" Ye Chen told that this was a warning from him.

Ye Chen was still kind, he gave a warning to those who would listen to him.

"You have time, I hope you think this matter over well." Lei Qiaolin gave time, she gave everyone time to think before making a decision.

#### [Chapter 2260 Number 3 In Vengeance Fate Sect](#)

Lei Qiaolin was very kind, she gave these people time to think about this for a while.

"They are very difficult to work with." Lei Qiaolin saw that the teachers in this place were difficult to work with.

"they will regret this" Ye Chen said that they would regret this sooner or later.

"You are absolutely right, they don't know who they are dealing with, I hope they are fine and make the right decision" Lei Qiaolin hoped that all the teachers here made the right decision, otherwise they would lose out.

"let's look for another one" Ye Chen and Lei Qiaolin started to search again, they did not give up on creating a stronger force.

Lei Qiaolin agreed with what Ye Chen said, he and Ye Chen went straight to the other teacher's place.

Ye Chen and Lei Qiaolin went to a few teachers, they started to make a good deal.

Ye Chen and Lei Qiaolin had a little trouble convincing everyone, they tried to convince everyone to come along.

"It's quite difficult, we only managed to convince less than 1/2" Lei Qiaolin said to Ye Chen.

"It doesn't matter, that's a lot of numbers" Ye Chen said that it was already a lot, that was a lot of numbers and it was enough to put up a fight.

"I hope it works" Lei Qiaolin said to Ye Chen, Lei Qiaolin hoped that this would work, she hoped that they would win.

"everything will definitely go according to plan" Ye Chen told that everything will go according to plan, they just need to do better and they will get victory.

Lei Qiaolin would try to believe it, he would believe what Ye Chen said.

Lung Xiantang would definitely make a move soon, this was going to be interesting and they had to be prepared.

Ye Chen had already given each of them an alarm stone, it would help when they were being attacked.

"Let's go back, we've spent enough time in this place" Ye Chen invited Lei Qiaolin to return, he knew that Lei Qiaolin was tired and needed rest.

"um . ." Lei Qiaolin was happy with what Ye Chen was doing, she was quite happy when she saw Ye Chen paying more attention to her.

The two returned to see Xue Suyin and Zhang Shiyun.

.

.

On the other hand, Lung Xiantang started to move, he started to move and started to kidnap and bring the unwilling teachers to join him.

Here Lung Xiantang has two choices. The first is to kill and make them his slaves.

The first and second choice being the same thing, it was a bad choice for a teacher in the academy.

"We will seize this academy and become the new ruler, all resources will be ours, are you guys ready for a new, brighter era" Lung Xiantang told everyone.

"long live Lung Xiantang" all of Lung Xiantang's men cheered, they couldn't wait to celebrate their victory as soon as possible and become one of the top cultivators and become even stronger than now.

"let's move" Lung Xiantang invited everyone, he asked everyone to go and started attacking the teacher.

they began to move quickly, they made their attack silently and immediately caught the teacher who was their enemy.

"ding. . ." Ye Chen saw that an alarm had been set, it seemed that Lung Xiantang had started to move.

"They started moving, everyone quickly get into your positions" Ye Chen said to all the women present, he ordered them to move and go straight to the enemy's position and provide assistance to their comrades.

"Come on" Lei Qiaolin got up, she immediately went and helped her followers, this would be an opportunity to make Lei Qiaolin's reputation rise.

"You have to do your best" Ye Chen said to Lei Qiaolin, he told Lei Qiaolin to do her best.

"I understand" Lei Qiaolin understands, she knows what to do.

"Let's see, you won't be able to run away from this place anymore" Lung Xiantang will no longer be able to run, everything will be exposed and everyone will know who Lung Xiantang is.

Seeing Lei Qiaolin, Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Zhang Shiyun, Xue Suyin and Zhi Fuze departing, Ye Chen also decided to set off.

They departed and began to solve the problem that occurred.

When Ye Chen, Lei Qiaolin, Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Zhang Shiyun, Xue Suyin and Zhi Fuze arrived, they saw that Lung Xiantang's group started moving and hunting down all the teachers, under the strength of Lung Xiantang's group, they had no ability to put up any resistance.

"We have to help them" Lei Qiaolin announced that she would help them.

"husband . . ?" Cheng Mengyan asked Ye Chen.

"Please do what you want, it doesn't matter if you kill them" Ye Chen said to Lei Qiaolin, Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Zhang Shiyun, Xue Suyinze and Zhi Fu.

"I understand, then I don't need to hold back anymore." Nanhua Caiyi would not hold back, she would no longer need to hold back and could destroy her enemies.

Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Zhang Shiyun, Xue Suyin and Zhi Fuze advanced and started fighting and drove the enemy back.

"what happened, who are they?" Lung Xiantang's group wanted to know who attacked them.

"ahhh. . ." Before they could discern the enemy, they had already been taken down by Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Zhang Shiyun, Xue Suyin and Zhi Fuze.

"Sorry, I won't hold back, I hope you guys can hold on a little longer" Zhang Shiyun said to her enemy.

Zhang Shiyun didn't hold back, she used the super strong wind force to crush her enemy's body.

"Who are the women who came, why are they so strong ?".

Cheng Mengyan used a beautiful and powerful dance, every time she moved the enemy would be slashed and fell.

Nanhua Caiyi only needed to use her whip, she crushed her enemy's legs with her whip.

Xue Suyin used one finger, she only needed to use one finger to slash at the enemy in front of her.

Zhi Fuze used her leg strength, she kicked the enemy's head into the ground.

Ye Xiu used a ball of light as strong as fire, she blew up the enemies easily.

In just an instant the battlefield had changed, the powerful army that belonged to Lung Xiantang was easily overthrown by the woman Ye Chen.

"I will go and fight Lung Xiantang" Lei Qiaolin said to Ye Chen, she was going to face Lung Xiantang.

"I also have business with someone" Ye Chen said that he had business with someone else.

"um . ." Lei Qiaolin nodded at Ye Chen, she didn't ask Ye Chen much and went straight to fight Lung Xiantang.

Ye Chen went to the next door, he found someone with the highest cultivation hiding in the dark and saw the course of the battle.

"are you the one who supports Lung Xiantang" Ye Chen appeared behind the enemy.

"So it's you who has interfered with our plans, you are bold enough to interfere with the plans we have, are you not afraid of the consequences you will face" this person said to Ye Chen.

"I'm not afraid, why would I be afraid of you guys" Ye Chen said to the person in front of him.

The person in front of Ye Chen opened his face, Ye Chen saw a hideous face that was shattered and bleeding.

This person's face was so hideous, people who saw it would definitely think that this person was a corpse.

"You have a nice face" Ye Chen said to the man in front of him.

"I take that as a compliment and an insult to me" this man said that this is a compliment and an insult to him.

"is that so" Ye Chen said to the man in front of him.

"since you have disrupted the plans we had, I decided to eliminate you here" this man said that he would eliminate Ye Chen in this place.

"We just met and you are already talking such nonsense, unattractive" Ye Chen said that this man in front of him was unattractive.

"You don't know who I am yet, once you know who I am, you will probably run scared" this man told that Ye Chen would probably run if he knew who he was.

"Who are you?" Ye Chen asked, he wanted to know the man in front of him.

"My name is Jharon Kang, I am the number 3 person in Vengeance Fate Sect." Jharon Kang informed Ye Chen that he was the number 3 person in Vengeance Fate Sect.

"Number 3, looks like you are much taller than trash Jing Thao" Ye Chen pointed out that Jharon Kang might be better than trash like Jing Thao.

"Why are you know Jing Thao, that means you are the one who killed him" Jharon Kang said to Ye Chen.

"Yes, I am indeed the person who killed him" Ye Chen told him that he was the person who had killed Jing Thao.

"Very interesting, then you are an opponent worthy of being taken seriously, I Jharon Kang will use full strength, prepare yourself" Jharon Kang said to Ye Chen, he will use full strength to defeat Ye Chen.

Jharon Kang took off his robe, his body was also only a little bit, Ye Chen could see that part of his body had been destroyed and only bones remained.

"How is this person still alive with a broken body, is he a zombie or a demon?" Jharon Kang's body was no longer worthy, in fact he could now be called a skeleton with such a body.
