[Chapter 2261 Ye Chen Vs Jharon Kang](#)

"Get ready, you will be destroyed" Jharon Kang said that Ye Chen would be destroyed.

Jharon Kang stepped forward, he extended his hand towards Ye Chen.

Jharon Kang wanted to touch Ye Chen, a darkness appeared in Jharon Kang's palm and intended to touch Ye Chen.

Ye Chen used his palm, he attacked Jharon Kang with his palm.

"Boom" Jharon Kang backed away, meanwhile Ye Chen's hand was injured.

There was no blood on Ye Chen's hand, Ye Chen's hand was cracked after exchanging blows with Jharon Kang.

Ye Chen looked at his injured palm, it should be that the attack from Jharon Kang wasn't that strong and made Ye Chen hurt.

"master, That is an annihilation curse, everything that touches that black object will be destroyed" Chu Yuechan said to Ye Chen.

"curse technique, it is the most troublesome thing" Ye Chen knows how troublesome the curse technique is, this is a technique that avoided by a cultivator.

"not bad, the strength you have is fine" Jharon Kang said to Ye Chen, Ye Chen has the strength to resist his attack.

"It's not strange that you have the third position, it turns out that you have a terrible curse technique" Ye Chen said to.

"So you've realized, you're a smart guy" Jharon Kang said to Ye Chen, Ye Chen was quite good because he could tell the strength that Jharon Kang had quickly.

"all the things that touched will be destroyed, even if your body is as strong as steel and you have strong armor, it will all be destroyed under my curse technique" Jharon Kang said to Ye Chen, he said in a voice filled with arrogance.

"Then you are truly dangerous and must hurry destroyed of this world" Ye Chen said.

"You can't do that" Jharon Kang said that if Ye Chen couldn't do that, Ye Chen wouldn't be able to crush or touch Jharon Kang.

"You don't even have a chance to attack me" Jharon Kang said that Ye Chen didn't have a chance to attack him.

"I have several ways to attack you" Ye Chen said that he had several ways to attack Jharon Kang.

"Are you sure about that, I'm not sure you have a way to attack me" Jharon Kang covered his body with black stuff, with this Ye Chen wouldn't be able to touch him.

Ye Chen saw what conducted by Jharon Kang, he was trying to restrain Ye Chen by using a full body destruction curse, that meant Ye Chen had a chance to attack.

"Your opponent this time is really troublesome" Chu Yuechan said to Ye Chen, she saw that Jharon Kang would be a troublesome opponent for Ye Chen.

"no, it won't be troublesome, I'll quickly finish this" Ye Chen said that he would quickly finish Jharon Kang.

Ye Chen began to attack Jharon Kang, he launched several attacks towards Jharon Kang.

All attacks that launched by Jharon Kang crushed, it had little impact because arrested by curse.

"I see, even attacks will be weak when it hits that person." Ye Chen understood how the enemy's attacks worked, he already understood what he should do.

"Since attacks are useless, Ye Chen uses Heavenly Armor, he wants to know if this person can destroy Heavenly Armor.

"You have no chance of winning, all the attacks you launch won't be able to hurt me" Jharon Kang said that Ye Chen's attacks wouldn't be able to hurt him.

Jharon Kang started to attack Ye Chen, he stretched out his hand and prepared to touch Ye Chen's face.

As long as he touches that face owned by Ye Chen, then Ye Chen would be instantly crushed, it would be an easy victory for Jharon Kang.

Ye Chen smiled when he saw this, he let Jharon Kang do it.

Jharon Kang touched Ye Chen, when he was about to touch Ye Chen, he found that his hand was not making contact with Ye Chen's face.

"what ! ! !" Jharon Kang was naturally shocked when he saw this, should he could hold Ye Chen easily.

"what's the use of your strength, you can't touch me" Ye Chen informed that Jharon Kang would not be able to touch him, Ye Chen had the power to penetrate all objects and attacks from Jharon Kang would not work.

Jharon Kang was shocked and speechless, he didn't expect that Ye Chen would have such ability.

It was obvious that with Ye Chen's abilities, Jharon Kang had no chance of winning against Ye Chen.

"I don't believe that I can't touch you" Jharon Kang can't believe that he can't touch Ye Chen, he must be able to touch Ye Chen easily.

Ye Chen smiled when he saw Jharon Kang, it seemed that Jharon Kang had started to give up when he fought Ye Chen.

Jharon Kang used all kinds of ways to touch Ye Chen, it was a pity he couldn't touch Ye Chen, Ye Chen was not touched by Jharon Kang.

"already surrendered ?" Ye Chen said to Jharon Kang, this time Ye Chen said to Jharon Kang, he told whether Jharon Kang had surrendered or not.

Jharon Kang was angry, he was humiliated by Ye Chen, this can't be forgiven.

"I will not forgive you" Jharon Kang told that if he will not forgive Ye Chen, he will attack Ye Chen's woman next to him.

Ye Chen of course realized what that was thought by Jharon Kang, he realized that Jharon Kang was trying to target his woman.

"You are too confident, it will break you" Ye Chen came over, he hit Jharon Kang with his present handcoated by Heavenly Armor.

"Arghhhhhh. . ." Jharon Kang was hit by Ye Chen, he suffered severe damage when he received Ye Chen's punch.

"damn, why can he touch me" Jharon Kang didn't know what Ye Chen was doing, how come Ye Chen can touch him, he shouldn't be able to touch Jharon Kang.

"So that's your weakness" Ye Chen found Jharon Kang's weakness, now Jharon Kang has no chance to win against Ye Chen.

"how could you do that" Ye Chen said to Jharon Kang.

"it's not over yet, I will remember you" Jharon Kang said to Ye Chen, he will remember what conducted by Ye Chen.

"Want to run away, I will not let you do that" Ye Chen would not spare Jharon Kang, he used the power of dimensions to seal this entire place and leave Jharon Kang with no way to run.

"what happened in this place" Jharon Kang didn't know what happened in this place, he seemed to be in a dark dimensional trap created by Ye Chen.

"I told you that you won't have a chance to escape from this place" Ye Chen said that Jharon Kang would not have a chance to escape.

"Now I will show you the power that will destroy you" Ye Chen used Heavenly Armor, the wings on Ye Chen's back shone and directly attacked Jharon Kang.

"Arghhh. . ." Jharon Kang felt pain, he was weakest against light.

"Stop, you can kill me" Jharon Kang asked Ye Chen to stop, what Ye Chen did could kill Jharon Kang.

"no word to stop" Ye Chen didn't want to stop, he didn't want to stop and continued to attack Jharon Kang.

[Chapter 2262 Rid The Academy Of The Vengeance Fate Sect's Seeds](#)

Jharon Kang's body began to blister, his body began to turn to ashes when exposed to the power of light.

"No way, this can't be happening" Jharon Kang couldn't believe that he would lose to Ye Chen, how could he who was the most feared person in God Realm lose to Ye Chen.

Moments later Jharon Kang's body shattered and disappeared, he was completely wiped out by Ye Chen.

"That person with a body full of curses is finally gone" Ye Chen was finished, finally Jharon Kang disappeared from this world, that kind of person was the most troublesome person ever, he was the one who caused other people trouble.

Ye Chen's task was done, now it was only left to finish the rest.

.

.

Lei Qiaolin was currently facing Lung Xiantang, she was currently facing Lung Xiantang head on.

"So you decided to go against me, what a shame, when we could make a good partnership" Lung Xiantang said to Lei Qiaolin.

"I won't be willing to work with someone like you" Lei Qiaolin told him that she wouldn't be willing to work with Lung Xiantang.

"Your mouth is still cold, I will win this battle and make you a collection, I will enjoy you every night" Lung Xiantang said to Lei Qiaolin, he told her that he would enjoy Lei Qiaolin.

"That won't happen" Lei Qiaolin said that it would never happen.

"Let's see." Lung Xiantang used his sword, he pointed his sword at Lei Qiaolin.

"Taste this" Lung Xiantang attacked Lei Qiaolin, he swung his sword towards Lei Qiaolin.

Lei Qiaolin snapped her finger, when Lei Qiaolin snapped her finger, an ice chain appeared in front of Lung Xiantang.

"clang . " Lung Xiantang's sword cannot break this ice chain.

"How did this happen?" Lung Xiantang couldn't believe that Lei Qiaolin's weak ice chain could withstand his strengthened sword attack.

"Are you surprised, I'm not that weak anymore" Lei Qiaolin said to Lung Xiantang, she told him that she was not that weak and could withstand the strength of Lung Xiantang.

Lung Xiantang felt insulted by Lei Qiaolin, the dignity he had as a swordsman had just been insulted by Lei Qiaolin.

"I will show you the strength that I have" Lung Xiantang decided to use his own strength, he would show his own strength and would no longer hold back.

"world splitting slash" Lung Xiantang's used such a powerful slash, he would defeat Lei Qiaolin in no time.

Lei Qiaolin saw Lung Xiantang's move, she knew what Lung Xiantang would do.

"He will use the strongest technique he has, I have to anticipate it." Lei Qiaolin had to quickly anticipate an attack from Lung Xiantang.

"Cube Ice Wall" Lei Qiaolin made a wall, he made a box-shaped ice wall and extended upwards.

"It's useless, under this technique of mine, no one will be able to stop me from defeating you" said Lung Xiantang in a big voice filled with triumph.

Lung Xiantang was confident in his own abilities, he would defeat Lei Qiaolin quickly and easily.

Lung Xiantang swung his sword towards Lei Qiaolin.

Lung Xiantang swung his sword using his full strength, he intended to destroy Lei Qiaolin's defense.

"feel this" Lung Xiantang shouted and told Lei Qiaolin to feel his attack, this was one of the strongest attacks he had and would crush Lei Qiaolin easily.

"Slashes . . ." Lung Xiantang's attack smashed against Lei Qiaolin's defense, Lei Qiaolin's ice defense did not flinch when it endured Lung Xiantang's attack.

"Huh? ? ?" Lung Xiantang was shocked when he saw this, how could Lei Qiaolin withstand such a strong attack, no one should be able to withstand his attack using full strength.

Lei Qiaolin was also surprised by his strength, he didn't expect that he would improve like this, his strength was far above Lung Xiantang.

"Now he is no longer an opponent for me." Lung Xiantang was no longer a worthy opponent for Lei Qiaolin.

"It seems that your attacks have become dull." Lei Qiaolin told Lung Xiantang, he said that Lung Xiantang's attacks had become dull.

"That's impossible, I've always been practicing my attacks, they can't be dull." Lung Xiantang rebutted what Lei Qiaolin said, he always practiced his own skills, so there was no such thing as a dull ability for Lung Xiantang.

"In fact that's what happened" Lei Qiaolin told that that's the reality that happened, the power of Lung Xiantang was getting dull.

Lei Qiaolin was quite evil, she used the difference in their strength to bully and make the opponent's mentality drop.

Lung Xiantang's mental state dropped, he started to worry about himself.

"Looks like it's time to end this, I'll seal you." Lei Qiaolin said that he was going to seal Lung Xiantang.

"No way, you can't do that." Lung Xiantang said to Lei Qiaolin, Lei Qiaolin would not be able to seal Lung Xiantang.

"Ice Seal Cube" Lei Qiaolin used the Ice Seal Cube to seal Lung Xiantang's movements, Lung Xiantang's body was immediately enveloped by the box ice and he was unable to move.

Everything happened so fast, Lung Xiantang didn't have time to put up a fight against the Ice Seal Cube.

"Very good job, you have done very well" Ye Chen said to Lei Qiaolin.

"everything is done isn't it" Lei Qiaolin said to Ye Chen.

"everything is done" Ye Chen said that everything was done, the main problem has been solved, now only need to take care of the followers of Lung Xiantang.

Ye Chen told Ye Xiu to take care of the rest of the enemies, they must no longer be allowed to roam this place.

Ye Xiu understood and immediately went to destroy the remaining troops that Lung Xiantang had, she didn't hold back and crushed everything to the root.

Since Ye Chen said that he would not allow the seeds of Vengeance Fate Sect to grow, Ye Xiu of course destroyed all of them, everyone related to Vengeance Fate Sect was crushed and annihilated.

"Now that the academy is clean, although there are some things that cannot be resolved" Ye Chen said to Lei Qiaolin.

"You don't need to worry, I will strictly recruit new teachers, I will no longer allow the seeds of Vengeance Fate Sect to thrive" Lei Qiaolin said to Ye Chen.

Ye Chen understood, Lei Qiaolin had done the right thing, Ye Chen only needed to accompany her for a while.

Ye Chen along with the other women helped Lei Qiaolin, they helped to restore the academy quickly.

The teachers who were obedient before were rewarded by Lei Qiaolin, they got higher wages and they got a good status.

Meanwhile teachers who disobey must step down, they must be demoted from their status and undergo a trial period, that way Lei Qiaolin can maintain quality.

"finally everything is done" Ye Chen was happy, he was happy that everything was done.

"You have done well" Zhang Shiyun told that Ye Chen had done well.

"We still haven't completely destroyed Vengeance Fate Sect, we should just go straight to their place" Ye Chen said to Zhang Shiyun.

"If finding them was that easy, you should have done it a long time ago." Zhang Shiyun said that Ye Chen might have done it a long time ago.

"You are absolutely right" Ye Chen agreed with what Zhang Shiyun said.

"husband" Xia Qingyu's came over, she called Ye Chen who was sitting down.

[Chapter 2263 \[Bonus \] Zhi Fuxe's Secret Map Was Stolen](#)

"Why are you in this place?" Ye Chen asked Xia Qingyu, why was Xia Qingyu in this place.

"What, am I not allowed to come here?" Xia Qingyu said sarcastically.

"Of course you can, who would forbid you from coming to this place?" Ye Chen pointed out that he did not forbid Xia Qingyu from coming to this place.

"Good, I just happen to want to visit someone" Xia Qingyu said to Ye Chen.

"But, I didn't see her." Ye Chen told Xia Qingyu that he didn't see his little sister.

"what do you mean, then where are they" Su Yuyu asked Ye Chen, she wanted to know where her cute little sister was right now.

"That's right, I haven't seen them for a long time." Xing Mei was also here, she announced that she wanted to see Su Yuyu and Xia Ningzi.

the three of them came to visit, what a coincidence they wanted to visit Su Yuyu and Xia Ningzi.

"If you are looking for her, she should be in her room right now, I heard that they were undergoing intense training," Lei Qiaolin told Xia Qingyu, Su Yuyu and Xing Mei.

"then call them" Ye Chen asked Lei Qiaolin to call them.

"I understand" Lei Qiaolin understood, she didn't ask much and directly went to call Xia Ningzi and Su Yuyu.

While waiting for Lei Qiaolin to return, Ye Chen chatted with Xia Qingyu, Su Yuyu and Xing Mei.

"what are you doing in this place ?" Xing Mei asked Ye Chen.

"just doing a bit of work" Ye Chen said to Xing Mei.

Ye Chen did quite a bit of work, that's why he was in this place.

"what job is it, please tell me" Xing Mei asked Ye Chen, she asked Ye Chen to tell her.

"I won't tell you" Ye Chen said that he wouldn't tell this to Xing Mei.

"you are stingy" Xing Mei snorted coldly, she was not happy when she saw the stingy Ye Chen.

"hahahaha" Ye Chen laughed as he heard this.

"big sister" Xia Ningzi and Su Yuyu finally arrived, the two arrived and greeted Su Yuyu and Xia Qingyu.

Su Yuyu and Xia Qingyu were shocked when they saw Xia Ningzi and Su Yuyu, both of whom were more mature now than they used to be.

They also looked beautiful, especially Xia Ningzi, she was becoming more and more beautiful only.

Su Yuyu has also started the body, it's just that her chest is still lacking compared to normal women.

"You two have matured, it's been a long time since I've seen you." Su Yuyu and Xia Qingyu said that they had not seen Su Yuyu and Xia Ningzi for a long time.

"Of course, we've all been through a lot." Su Yuyu and Xia Ningzi said that the two of them had been through a lot.

Xia Qingyu and Su Yuya understood, both of them understood what Su Yuyu and Xia Ningzi had gone through.

"That's right, they seem more mature" Ye Chen said to Su Yuyu and Xia Ningzi.

"why are you here" Su Yuyu said to Ye Chen, she told what Ye Chen was doing in this place.

"So what, am I not allowed to be in this place, it's up to me where I want to be." Ye Chen answered Su Yuyu.

"You're still annoying, I'll teach you a lesson." Su Yuyu said that she would teach Ye Chen a lesson.

"wait, don't do that" Xing Mei and Xia Ningzi stopped Su Yuyu.

"Let me go" Su Yuyu told Xing Mei and Xia Ningzi to let her go.

"You are not his opponent" Xing Mei and Xia Ningzi told that Su Yuyu was not an opponent for Ye Chen.

"I don't care" Su Yuyu didn't care, she wanted to fight Ye Chen.

"They look really excited." Su Yuya was happy about this, she was happy when she saw Su Yuyu Xing Mei& Xia Ningzi excited like that.

"let's go for a walk" Xia Qingyu and Su Yuya took SuYuyu Xing MeidanXia Ningzi go for a walk.

"come on . . ." Su Yuyu was excited, she immediately joined Xia Qingyu and Su Yuya.

They finally left this place, they went around around.

"You won't come" Lei Qiaolin said to Ye Chen.

"no, maybe let them have fun, they need some time alone" Ye Chen will let the five of them have fun.

"You guys are here anyway, you guys might cheer me up" Ye Chen said to Lei Qiaolin and Zhang Shiyun.

"what are you going to do, don't mess in this place" Lei Qiaolin told Ye Chen not to mess in this place.

"I won't listen to you guys" Ye Chen wouldn't listen to Lei Qiaolin, he started messing with Lei Qiaolin and Zhang Shiyun.

The two of them couldn't escape Ye Chen's evil hands, they could only surrender to what Ye Chen was doing.

"Ye Chen, this is bad" Zhi Fuze came over, she ran towards Ye Chen's place.

"what is it?" Ye Chen asked Zhi Fuze, he looked to be in serious trouble.

"I got news from elder sister, you should read it quickly, she said it's important" Zhi Fuze had something for Ye Chen, he told her that this was important.

"let me read it" Ye Chen took the letter that was sent by Zhi Fuxe, he wanted to know what was sent by Zhi Fuxe.

"Husband. . ., this is bad, the map I have was stolen, there will probably be a lot of people going there, if you are not busy, you should quickly start making a group" Zhi Fuxe wrote a letter to Ye Chen.

Ye Chen read the letter written by Zhi Fux, it seemed that this was indeed a very important matter.

"This is indeed an important matter." Ye Chen admitted that this was an extremely important matter, the secret place would definitely be exposed soon.

"what is it?" Lei Qiaolin and Zhang Shiyun asked Ye Chen.

"This is a secret place that Zhi Fuxe found, it seems that there is something valuable inside and it was stolen, maybe there will be some people who will leak it to the outside world" Ye Chen answered the question from Lei Qiaolin and Zhang Shiyun.

"It seems that it is indeed an important matter, too bad I can't help us." Lei Qiaolin couldn't leave, if he did, then there would be no one to guard this place.

"this place is still unstable" Zhang Shiyun agreed with Lei Qiaolin, this place is still unstable and needs Lei Qiaolin and Zhang Shiyun.

Lei Qiaolin herself was incapable and needed the help of Zhang Shiyun and Xue Suyin, if the two of them went with Ye Chen, then he would have problems.

"It's fine, I still have a few people, Su Yuya and the others can help me out" Ye Chen said to Lei Qiaolin and Zhang Shiyun.

Lei Qiaolin and Zhang Shiyun were relieved, Ye Chen had several people accompany him.

"we will follow, we have no work" Cheng Mengyan, Nanhua Caiyi and Ye Xiu said that they would follow Ye Chen.

Ye Chen was surprised by this, he didn't expect that they would surprise him.

"You guys just surprised me" Ye Chen was quite surprised by what Cheng Mengyan did, Nanhua Caiyi and Ye Xiu.

"Fufufufu" Cheng Mengyan, Nanhua Caiyi and Ye Xiu smiled as they listened to what Ye Chen said.

"Then I'll come along." Zhao Yanyan, Lin Rouxi and Mu Nianci suddenly came over.

"uh ?, wait a minute, how did you guys know ?" Ye Chen asked Zhao Yanyan, Lin Rouxi and Mu Nianci .

[Chapter 2264 Abyss Of Darkness](#)

"We just feel that you need help from us" Zhao Yanyan told him that she felt Ye Chen needed help from her.

"I didn't expect that you could find out about that," Ye Chen said to Zhao Yanyan.

"fufufu" Zhao Yanyan laughed, her voice very pleasant to listen to.

"since it's like this, let's get ready" Ye Chen had quite a lot of help, so everything should be fine.

"may I come along?" Zhi Fuze asked Ye Chen.

"You stay here, it seems like you don't have enough battle experience" Lei Qiaolin told Zhi Fuze to stay.

"Why, I'm good enough already" Zhi Fuze said to Lei Qiaolin.

"I didn't see that, so you stay in this place" Lei Qiaolin didn't care about the reason, he told Zhi Fuze to stay here.

Zhi Fuze was still lacking in experience, bringing her along might cause trouble.

In addition, the strength of the Zhi Fuze was still considered low compared to others, so it would not be good to take him away.

"Okay" Zhi Fuze said sadly, she had no choice but to stay here for a while.

Zhi Fuze definitely didn't want Zhi Fuze to come along either, so Lei Qiaolin's decision was very good.

Ye Chen with the others started to prepare, they started to prepare for their journey.

Zhao Yanyan, Lin Rouxi started to negotiate, they might need a little more help and should probably take Su Yuya as well as Xia Qingyu, both of them were good enough, they could learn a lot more if they joined the battle.

Ye Chen waited, he wondered if the rest of the people would also be there.

"It seems there is a big movement and rumors have spread fast." Lei Qiaolin came over, she told what he got from outside.

"So everyone already knows" Ye Chen said to Lei Qiaolin.

"That's right, all the cultivators in God Realm already know about that place, people have just called it the abyss of the path of darkness, of the most people who enter, rarely does anyone come back, I hope you are careful" Lei Qiaolin said to Ye Chen.

there had been many people who had entered, and only a few had been able to return, from what Lei Qiaolin knew, that place could be said to be a dangerous and possibly life threatening place.

"Aren't they much faster than me" Ye Chen said in a helpless voice.

"In the God Realm rumors spread fast, of course all the great cultivators left immediately, after all there are secrets hidden there waiting for someone to uncover them" Lei Qiaolin said to Ye Chen.

"I will soon reveal what's in there" Ye Chen said that he would reveal what happened there.

"I hope you succeed, I always pray for you" Lei Qiaolin will always pray for Ye Chen's safety.

"I understand" Ye Chen understands, he will definitely be fine.

"Husband, let's go" Zhao Yanyan told Ye Chen to get ready, they would be leaving right away.

"I'm coming" Ye Chen told that if he will come, he will come with everyone.

"I'm going" Ye Chen said goodbye to Lei Qiaolin.

"um. . ." Lei Qiaolin nodded, she waved her hand and let go of the other Ye Chen.

Ye Chen together with Zhao Yanyan and the others left immediately, they went straight to the meeting place of Zhi Fuxe.

"They're gone, let's go inside" Xue Suyin said to Lei Qiaolin, she told Lei Qiaolin to quickly settle things down so they could rest easy, they also still had some business in the kunlun holy land.

"I understand" Lei Qiaolin understood, she will finish the affairs here as soon as possible, the restoration of strength must be conducted quickly.

Ye Chen, Zhao Yanyan and the others quickly arrived, they arrived at the meeting place and saw Zhi Fuxe already waiting for them.

"Have you been waiting long" Ye Chen asked Zhi Fuxe.

"No, I didn't wait long, but it seems we are a bit late, they entered earlier than us and maybe they have found the secret inside" Zhi Fuxe said to Ye Chen.

"Don't worry, it won't be that easy, I'm pretty sure they still haven't found him, you said that if the place is full of monsters it should be a bit difficult to enter" Ye Chen said to Zhi Fuxe.

"By the way, who stole it from you, you should have kept it well" Ye Chen asked Zhi Fuxe.

"It was a maid in our family, She took the map and sold it at a high price I wanted to find her and give her punishment" Zhi Fuxe said in an irritated tone.

"So it's like that, it seems we can't do something about it." Since it was like that, Ye Chen and the others couldn't do anything about it.

"I hope he suffers the consequences" Zhi Fuxe said in an irritated tone.

"Already, there is no need to be so upset, things have already happened, we can't do anything about that matter" Zhao Yanyan said to Zhi Fuxe.

Zhi Fuxe looked at Zhao Yanyan, she looked at Zhao Yanyan with awe.

"She is beautiful, is this the Yanyan that used to be said by master" Zhi Fuxe looked at Zhao Yanyan, this woman was indeed a beauty, Zhi Fuxe had to admit that Zhao Yanyan was very beautiful and had an extraordinary temperament.

"We better get in, otherwise we will fall further behind" Lin Rouxi said to everyone, if they don't hurry, they will fall behind the first person to enter.

"You're right, come in, I'll explain this inside" Zhi Fuxe would explain to everyone.

"Good" Ye Chen understood, he and the others immediately went inside.

When they go inside, they were welcomed by a wide expanse of forest.

"A vast forest" Ye Chen saw that this was a vast forest.

"Husband, the first level is a forest, after the forest we will meet a vast desert, after that the ocean and the fourth is a Mountain" Zhi Fuxe told Ye Chen that there were four stages that she knew.

"so we just have to get out of this forest and head to the desert" if that's the case, then they just leave.

"That's right" Zhi Fuxe told them that they had to get out of this forest.

"But this place is dark, we might have a bit of trouble finding a way out." Su Yuya saw that this place was dark and they might have trouble finding their way.

"that's true, we stay together and let's walk in one direction" Ye Chen said to everyone.

Ye Chen had to walk one way, that way they would probably find a way out.

Ye Chen tried to use God Eyes, in this place the visibility of God Eyes was quite limited, so Ye Chen had to find his own way.

"Roars. . ." when Ye Chen had just walked a few steps forward, he had already encountered several snake beasts and huge bees.

"Come on, we just walked for a while, and we have already encountered monsters, this is no fun" Ye Chen complained, the luck they had was not very good.

Seeing humans, the monsters immediately attacked Ye Chen, they directly attacked Ye Chen using their venom and also their sting.

"I'll do it" Lin Rouxi stepped forward, she used her strength to defeat the enemy, using the power of water, is easily kill big monsters.

"They are quite strong" Lin Rouxi saw that the enemy was strong enough, they were able to withstand Lin Rouxi's attacks several times.

"They are still lowly enemies, there are many strong enemies waiting for us ahead" Zhi Fuxe said to Ye Chen and the others.

"we will be more careful" everyone will be more careful.

[Chapter 2265 Strong Barrier That Is Not Easily Broken](#)

"let's continue our journey" Ye Chen continued their journey, they continued their journey quickly and walked through the forest in front of him.

Ye Chen and the others encountered terrifying and powerful monsters several times, they had to work together to fight the enemy.

Xia Qingyu also trained, she trained her battle strength and defeated monsters here.

"They don't have crystal cores, that means they were created by someone's power." Ye Chen just realized that these monsters weren't magical beasts, they seemed to be made by using profound energy.

"then what does that mean" Zhao Yanyan asked Ye Chen, she wanted to know what Ye Chen said.

"That means they will be able to revive no matter how many times we kill them" Ye Chen told Zhao Yanyan and the others.

"That means we're wasting time withoppose them" Lin Rouxi said to Ye Chen.

"Not a waste of time, more like we have no choice but to defeat them to be able to continue our journey" Ye Chen said to Lin Rouxi.

"we can only fight them, otherwise they will come back to life" Ye Xiu said to everyone.

They had no choice but to do so, they could only do so considering that they had to move on.

Ye Chen nodded, they had no choice, they could only fight and advance.

"Arghh . . ." a scream was heard, it seemed that someone was fighting and having a hard time.

"We really can't let our guard down, they will attack us from anywhere." Nanhua Caiyi and the others kept their guard up, they couldn't let their guard down, if they let their guard down, then they could be eaten by the monsters in this place.

"wait a minute, I'll take a look" Ye Chen said to the others, he would see what happened, he wanted to know what was going on.

Ye Chen left, he just went straight to where the sound came from, when Ye Chen arrived, he saw that there were several bodies lying around and they were all dead.

In front of Ye Chen saw a monster similar to a mantis with a black body and full of blood.

This mantis eyes were red like blood, its body was shiny like an iron and it had a sharp glare on Ye Chen.

Black Mantis directly attacked Ye Chen who was in front of him, he didn't care who Ye Chen was, his job was to kill the humans in this place.

Black Mantis had fast and deadly moves, in a split second he was already behind Ye Chen and used a sharp hand to penetrate Ye Chen's body.

Ye Chen stretched out his hand, he used his finger to block the attack from Black Mantis.

"What did I think, it turned out to be just a little monster" Ye Chen said to Black Mantis.

Black Mantis retreated, he immediately kept his distance from Ye Chen, Black Mantis had a wit, he had a wit and knew that Ye Chen was strong.

Black Mantis started to set up his battle stance against Ye Chen.

"he has an intelligence" Chu Yuechan said to Ye Chen, the Black Mantis in front of them had a high intelligence, it could be seen when he kept his distance and started to improve his fighting way against Ye Chen.

"I don't know who created them, but they are quite smart because they are capable of making this" Ye Chen said to Chu Yuechan.

"It's likely that this was the creation of someone strong, if he can create monsters like this, they're probably real monsters" Chu Yuechan said to Ye Chen.

"You are here to help me, so there's no need to worry too much about them." Ye Chen believed that Chu Yuechan would help him against the enemy.

"no, you have to fight alone" Chu Yuechan said to Ye Chen, she told Ye Chen to fight alone.

"Hey, how can you be like that" Ye Chen said to Chu Yuechan, Chu Yuechan should have helped Ye Chen.

"see monster coming" Chu Yuechan said to Ye Chen, she told Ye Chen that his enemy was ahead and was going to attack Ye Chen.

"no need to care so much about Black Mantis" Ye Chen used one punch to destroy Black Mantis.

The Black Mantis that wanted to attack Ye Chen was immediately crushed by a single punch that belonged to Ye Chen.

"finished" Ye Chen use finished attack, he finished the enemy.

"let's continue our journey" Ye Chen decided to continue on his way, with the help from Zhi Fuxe, Ye Chen and the others finally arrived at a huge barrier.

"This is an impenetrable place, do you guys have a way to enter?" Zhi Fuxe said to everyone, she was stuck in this place before and couldn't move forward.

"I'll give it a try." Cheng Mengyan used her own strength and hit the barrier with her palm.

"Clang. . ." Cheng Mengyan's body immediately trembled as she hit the barrier, she was like she was hitting the hardest iron in this world.

"So hard" Cheng Mengyan felt that this was really too hard.

she will not be able to destroy this barrier.

"Then I'll try to destroy it." Zhao Yanyan decided to step up, she would use her own strength to destroy the barrier.

"Everyone stand down and give Yanyan a space" Ye Chen told everyone to stand back, they must make space for Zhao Yanyan.

Zhao Yanyan used Saint Light Zither, she started to play it, a powerful note was emitted by Zhao Yanyan and smashed into the barrier in front of her.

"Boom. ." an enormous explosion occurred when Zhao Yanyan used Saint Light Zither.

"Wonderful" all the women were surprised by the strength that Zhao Yanyan possessed, Zhao Yanyan's strength was clearly above them.

Zhao Yanyan's strength was too strong, the surrounding forest was easily blown away by Zhao Yanyan's strength.

"Should be with Yanyan's strength, the barrier will be destroyed" Lin Rouxi was sure that the barrier was broken.

"I hope that's enough, he has already used his power over us" Zhi Fuxe said to everyone.

"this is bad" Zhao Yanyan said to everyone in this place.

"what's up" everyone asked Zhao Yanyan, they wanted to know what Zhao Yanyan meant.

"My attacks didn't work and weren't able to break through this barrier" Zhao Yanyan told everyone what happened.

"No way, with an attack as powerful as just now." All of the women couldn't believe that Zhao Yanyan's attack couldn't break through the barrier, even though it was already such a powerful attack.

"At this rate, we should probably find another way." Xia Qingyu thought about finding another way.

"That might be a really good idea to do." Mu Nianci agreed with Xia Qingyu's words.

"Looks like it's hard enough that Yanyan isn't able to break through it," Ye Chen said to Zhao Yanyan.

"can you do it ?" Zhao Yanyan asked Ye Chen, she asked if Ye Chen could destroy this place.

"Your strength should be already very high, if your attacks are not able to scratch it, maybe my attack will also only slightly scratch this thing" Ye Chen said to Zhao Yanyan.

"So it is impossible to destroy this barrier" Zhi Fuxe said to Ye Chen.

"no really, we don't need to destroy the barrier, we just destroy the existing dimension so that the barrier will also collapse" said Ye Chen.

"Dimension Breaker" Ye Chen shattered destroying the dimensions around him.

By destroying the supporting dimension, the barrier also collapses.

"Now we fix it" Ye Chen used his own strength to repair the dimension in front of him.

Everyone was shocked by what Ye Chen did, they didn't expect that Ye Chen could do that.

"That's great" Zhi Fuxe was the most excited, she saw that Ye Chen was really great, she was able to do what they couldn't.

[Chapter 2266 Black Diamond Dragon](#)

"applause. . .,applause. . .,applause. . .,applause" Zhao Yanyan and the others clapped their hands after they saw the ability Ye Chen displayed.

"Hehehehe" Ye Chen chuckled as he received applause from all the ladies.

"let's go in" Ye Chen was the first to enter, he tried to go in and see what was in there.

"Bammmm . . . " moments after that Ye Chen was hit by something from inside and ended up being sent flying .

"what happened" Nanhua Caiyi, Cheng Mengyan and others were shocked when they saw Ye Chen bounced off.

"Everyone quickly retreat" Zhao Yanyan told everyone to retreat, it seemed that something powerful was hiding in there.

All the women backed off, they kept their distance and prepared to engage the enemy hiding behind the barrier.

"I wonder what kind of monster is capable of making a husband bounce?" Zhi Fuxe wanted to know what kind of monster was able to make Ye Chen bounce like that.

"Finally after a long time" a monster came out from inside, this monster came out and showed itself in front of everyone.

They saw the figure of a dragon filled with terrifying strength, this power gave Zhao Yanyan and the others chills.

This dragon's body is shiny like a Diamond.

"Black Diamond Dragon" Zhi Fuxe knew what kind of monster this was.

"Is it really the Black Diamond Dragon?" Zhao Yanyan seemed to know a little about this, she had learned that this was one of the evil dragons that once became a plague that destroyed countless stars in the God Realm.

And became one of the feared monsters in God's Realm.

"It seems so, but why is he here, a monster like this should have disappeared a long time ago and its whereabouts are unknown" Zhi Fuxe said to Zhao Yanyan.

"Most likely he's trapped in there and unable to get out" Zhao Yanyan told Zhi Fuxe that the Black Diamond Dragon was trapped behind a super strong barrier and unable to leave.

"Then we've uncovered a dangerous thing" it seemed they had invited a dangerous thing into the God Realm.

"We can't let this monster out, come with me and stop him" Zhao Yanyan invited Zhi Fuxe, they had to stop this thing and not let this monster roam around and cause a disaster.

"I totally agree with you" Zhi Fuxe agreed with what Zhao Yanyan said.

Zhao Yanyan led everyone, she used the power of light as well as the power of the goddess melody to protect everyone, Zhao Yanyan would help them all with her abilities.

"You guys just step aside, you guys are not opponents for me, you all better get out of the way as soon as possible" Black Diamond Dragon said to Zhao Yanyan and the others.

The Black Diamond Dragon was in a happy mood, which was why he let Zhao Yanyan and the others off for the time being, he wanted to go and wreak even greater destruction in the God Realm.

"sisters, you go" Zhao Yanyan told Lin Rouxi and Cheng Mengyan to come forward and fight the dragon.

"we understand" Lin Rouxi and Cheng Mengyan came forward, they attacked the Black Diamond Dragon.

Cheng Mengyan charged at the enemy, she used physical attacks to attack the Black Diamond Dragon.

"Boom. ." The Black Diamond Dragon instantly retreated when it received the attack from Cheng Mengyan.

"Damn it" Black Diamond Dragon was angry, he was angry when he was attacked by Cheng Mengyan, it was very painful.

Cheng Mengyan's attack was quite effective, her attack was able to make the Black Diamond Dragon feel pain.

"I will lock him in" Lin Rouxi used the water power she possessed to lock the Black Diamond Dragon.

The Black Diamond Dragon was aware that around himself was a great deal of water, this water made him feel a bit weak and helpless.

"Humans, you guys are quite brave, I won't forgive you" Black Diamond Dragon said that he would never forgive Zhao Yanyan and the others.

"Don't underestimate us, we're not done here yet." Nanhua Caiyi, Ye Xiu joined in, they combined attacks and created a much stronger destructive force.

"damn" the Black Diamond Dragon was blown away, he was slightly injured from the attacks from Nanhua Caiyi and Ye Xiu.

The body of the Black Diamond Dragon was tough, so it wasn't strange that Nanhua Caiyi and Ye Xiu's attacks didn't have much impact.

Zhi Fuxe, Mu Nianci and Xia Qingyu also helped, they assisted and started attacking.

Everyone took their attacks, this cornered the Black Diamond Dragon and was unable to move.

"Damn it, how could they have such high level techniques, just who are they?" The arrogant Black Diamond Dragon immediately sank down, he didn't dare to belittle Zhao Yanyan and the others.

"Chain of Light" Zhao Yanyan used the Chain of Light, this time the Chain of Light seemed much stronger compared to the previous one, Zhao Yanyan's Chain of Light became much bigger and stronger to resist the enemy.

"No way, how could I be beaten like this" Black Diamond Dragon couldn't believe that he was so easily beaten by Ye Chen, how could he be beaten so easily by these women.

"Light of holy Floor" Zhao Yanyan's added an attack, whereupon the floor glowed and started emitting a light that caused the Black Diamond Dragon to suffer pain.

"this hurts, damn it" Black Diamond Dragon said to Zhao Yanyan, he told Zhao Yanyan that this hurts a lot.

The Black Diamond Dragon tried to get up and break away from Zhao Yanyan, he could not continue like this and become a prisoner of Zhao Yanyan.

Zhao Yanyan's strength was so strong, the Black Diamond Dragon would not be able to escape from Zhao Yanyan's grasp.

"Looks like he's been taken care of." Zhi Fuxe and the others drew closer, they had already managed to take care of the Black Diamond Dragon.

"Excellent work, we have successfully contained this monster, it would be bad to let the Black Diamond Dragon escape and wreak havoc" Zhao Yanyan told everyone.

"What about Ye Chen, is he okay or not?" Mu Nianci wanted to know about Ye Chen's condition.

Everyone remembered Ye Chen, they wanted to know Ye Chen's condition, whether Ye Chen was okay or not.

"That's right, why didn't he come back" all the women realized, why didn't Ye Chen come back, if he was fine, he should have come back to this place.

Zhao Yanyan and the others were looking for Ye Chen, they were looking for the whereabouts of Ye Chen.

They followed Ye Chen's trail, when they came to the end, they saw a huge deep hole.

"maybe he went inside" Lin Rouxi was sure that Ye Chen went inside.

"It's quite deep, I can't see the end of it" Ye Xiu said as she looked towards the hole.

"let me have a look" Zhao Yanyan used a piece of paper, she threw the paper into the center of the hole.

When the paper is thrown, a strong suction immediately pulls the paper inward.

"This is really bad" Zhao Yanyan said that this was a bad.

"The suction from this hole is very strong, if we go down, we might not come back" Cheng Mengyan said to Zhao Yanyan.

"You are absolutely right, we can't go in, we can probably only wait for him to come back, he should be fine" Zhao Yanyan couldn't take the risk of going down, if they all went down, then maybe they would have trouble getting up.

Zhao Yanyan would try to use her zither tune, she would send a sound to Ye Chen, she hoped Ye Chen would be able to hear it.

[Chapter 2267 Golden Apple Qi](#)

"damn" Ye Chen cursed, how could he be in this place, this is impossible.

"It looks like you entered a hole" Chu Yuechan said to Ye Chen, she told Ye Chen that she entered a hole.

"You are absolutely right, I just fell into a hole, it seems I have to go back" Ye Chen had to go back up.

"wait a minute" When Ye Chen was about to go up Chu Yuechan immediately stopped him.

"why?" Ye Chen asked Chu Yuechan, he asked why Chu Yuechan stopped him.

"There seems to be something in this place" Chu Yuechan said to Ye Chen, she told Ye Chen there was something in this place.

"what's that. . ., quickly tell me" Ye Chen told Chu Yuechan to say it, it seems that Chu Yuechan found something.

"I can only feel it vaguely, you'd better go and have a look" Chu Yuechan said to Ye Chen, she told Ye Chen to go and see for himself.

Ye Chen didn't waste any time, he directly went and took a look for himself.

Ye Chen went to the front, this place was dark and full of strange, sinister sounds.

"There aren't any monsters or dangerous things around this place, this is just a normal cave and there's nothing strange about this place.

As Ye Chen advanced further and further, he found that this place was getting quieter and quieter, he couldn't hear anything around this place.

"master, you have to be careful, sometimes quiet places are much more dangerous" Chu Yuechan said to Ye Chen.

"I know that too" Ye Che also knew that, he knew that a place like this was dangerous and might pose a threat.

Ye Chen became alert, he took out the Divine Yin Yang Sword and started to charge forward.

Ye Chen was very alert, there might be monsters or something strong lurking in this place.

Ye Chen went deeper and deeper, when he went deeper, he found a small and shallow stream.

Ye Chen entered and followed the flow of this river and he headed to a pretty good place with a tree in the middle of this place.

"That tree master, that is the Golden Apple Qi" Chu Yuechan said to Ye Chen.

Ye Chen looked at the apple tree in front of him, he saw the golden apple tree that was in the middle of this place.

"Golden Apple Qi that has matured, I'm so lucky, it should be a rare item and only grows once every 100,000 years" Ye Chen was delighted, he hastily tried to get closer and plucked the Golden Apple Qi.

When Ye Chen tried to get closer, from under the lake a monster appeared, the monster caught Ye Chen and started to squeeze Ye Chen.

Ye Chen used his transfer ability, he moved and immediately retreated backwards.

The monster eel was angry because he couldn't catch Ye Chen.

"That was close" luckily Ye Chen managed to escape, he managed to escape the sting of the huge eel.

The huge eel started chasing Ye Chen, it seemed that monsters didn't like it when Ye Chen entered into its territory.

"You want to fight, I will punch you" Ye Chen used a punch to punch the eel, punched the eel until it went back into the water.

"Arghhhh. . ." the eel went back into the water, the blow launched by Ye Chen made the eel's head crack.

After receiving a punch from Ye Chen, the eel no longer dared to appear.

"It seems he doesn't dare to show up anymore." Ye Chen didn't find any sign of the eel, it seemed that the eel didn't dare to show up.

"You hit him hard, it seems he won't dare to appear again" Chu Yuechan said to Ye Chen, she told Ye Chen that the eel would not dare to appear again.

"I can't take risks, the monsters here are so strange and I've never encountered it. It's better to drain this place and destroy the monsters." Ye Chen used his profound energy power and drained the lake water.

By using profound energy, Ye Chen managed to dry up the lake in an extremely fast amount of time.

The lake was quickly drying up. When the lake dried up, there were tons of bones from cultivators strewn about below.

"It seems that there are a lot of people who come here and become the food of this monster" before Ye Chen there were a lot of people who came to this place, they might become the food of the eel.

Judging from the bones that were present, they were probably here tens of thousands or even hundreds of thousands of years ago.

It seemed like it had been a long time since anyone had come to this place, so it wasn't strange that the previous eel wanted to eat Ye Chen.

"Now where is that monster?" Ye Chen searched for the whereabouts of the monster that had previously tried to eat him.

Ye Chen discovered that the monster was hiding underground, it seemed he had many ways to escape from this place.

"too bad, eel managed to escape" Ye Chen didn't really care about this, he started to go and take the Golden Apple Qi.

"Not bad" Ye Chen said that he had gotten a pretty good thing, it would improve his cultivation if Ye Chen ate this thing.

"You better use it quickly, it will lose its purity if you don't use it" Chu Yuechan said to Ye Chen, she told Ye Chen to use it immediately.

"I understand" Ye Chen understood, he would do as Chu Yuechan said.

"please protect me" Ye Chen said to Chu Yuechan, he asked Chu Yuechan to protect himself.

"I will do it" Chu Yuechan understood, she would protect Ye Chen and would not let anything bad happen to Ye Chen.

Ye Chen ate the Golden Apple Qi, he started refining the Golden Apple Qi he had eaten.

The pure energy and profound energy entered Ye Chen's body, this made Ye Chen feel very comfortable and Ye Chen started to close his eyes and refined the pure energy and profound energy.

Chu Yuechan was standing guard outside, she ensured that the previous monster wouldn't come back, it would be really troublesome if the previous monster came back and attacked Ye Chen.

Ye Chen needed time to refine his Pure Energy and profound energy, it seemed he would be here for a while.

.

.

Above, Zhao Yanyan and the others waited so patiently, they didn't know if Ye Chen was alright or not.

"I'm worried about him" Lin Rouxi was worried about Ye Chen's condition, she wanted to know if Ye Chen was okay or not.

"I'm also worried about him, but right now there's nothing we can do to help him," Zhao Yanyan said in a disappointed tone.

haha, maybe he's dead" Black Diamond Dragon said to Zhao Yanyan and the others.

When the Black Diamond Dragon said that, he could feel the stares from Zhao Yanyan and the others, it seemed they were not happy about what is said by Black Diamond Dragon.

Black Diamond Dragon did not expect that he would be bullied by a human.

[Chapter 2268 Ye Chen Came To Save Zhao Yanyan And The Others](#)

"This dragon is quite annoying, why don't we just kill it." Nanhua Caiyi suggested killing the Black Diamond Dragon.

"That's right, this stupid dragon is so annoying." Cheng Mengyan agreed with Nanhua Caiyi's suggestion, she didn't like this stupid dragon.

"I want to do that too" Zhao Yanyan said that she wanted to do that too.

it seemed they had agreed to do just that and slay the Black Diamond Dragon.

"no, you guys can't do that" Black Diamond Dragon said that they couldn't do that.

"we have the power to do that" Zhao Yanyan and others said that they have the power to do that.

"you are all criminals" Black Diamond Dragon said to Zhao Yanyan and the others.

"We are not criminals, on the contrary you are criminals and cannot be forgiven" Zhao Yanyan said that the Black Diamond Dragon couldn't forgiven.

The Black Diamond Dragon was irritated with Zhao Yanyan and the others, how could a powerful monster like him treated like this.

This was an insult to Black Diamond Dragon and Black Diamond Dragon didn't like this.

"I must gather strength and fight back" Black Diamond Dragon wanted to gather strength and start fighting back.

Zhao Yanyan and the others continued to wait, since the Black Diamond Dragon was here they weren't being targeted by the monsters around this place.

All monsters were afraid of Black Diamond Dragon, no monster dared to approach this place and chose to avoid Black Diamond Dragon's place.

"Boom. . ." Zhao Yanyan and the others were shocked when they saw that one had not appeared below them, they did not expect that this monster would appear in front of them.

"Another monster" Xia Qingyu was helpless, yet another troublesome monster appeared.

"Guess we have to fight again, this time the opponent might be more slippery" Zhao Yanyan told everyone, she told them to be more careful because the enemy was slippery and difficult to attack.

This was the eel that Ye Chen fought before, it rose to the surface and decided to attack Zhao Yanyan and Ye Chen's woman.

Zhao Yanyan and the others returned to battle, they returned to battle and fought the big eel.

Another big battle broke out between the eels and Zhao Yanyan's group.

.

.

Ye Chen was still refining Golden Apple Qi, the profound energy he possessed became more and more intense as time went on.

The Golden Apple Qi had the effect of increasing the capacity of profound energy, this would be very beneficial to Ye Chen and Ye Chen could use more power to use the technique.

Ye Chen couldn't continue relying on his water veins, he had to find other alternatives.

Several hours later, Ye Chen finally managed to absorb the Golden Apple Qi.

"Very good, I like this" Ye Chen had this, he had managed to absorb the Golden Apple Qi.

"You succeeded" Chu Yuechan said to Ye Chen, Ye Chen had succeeded in absorbing the Golden Apple Qi.

"Yuechan, is it possible for us to enter the tree of Golden Apple Qi" Ye Chen asked Chu Yuechan.

"Of course you can" Chu Yuechan said that it could be done and they would probably be able to obtain the Golden Apple Qi even faster.

"then put it in" Ye Chen told Chu Yuechan to put it in.

"I understand" Chu Yuechan did as Ye Chen said, she inserted the Golden Apple Qi tree inside.

"I'm going to see if there are any good items around this place." Ye Chen said that he wanted to see if there were any good items around this place.

"I understand" Chu Yuechan understands, she will help Ye Chen to find good things.

Ye Chen checked around, he was trying to find any treasures around this place.

These people should have brought something to this place, so there must be some things that might be good.

Ye Chen found a few Space Rings, he took a look and found some useless items.

"useless" Ye Chen said to Chu Yuechan, there is nothing useful here.

"Should be, if they were to die by the eels, then it would be certain that they would have no ability, so don't put your hopes on them too much" Chu Yuechan said.

"let's go up, everyone must be waiting for us" Ye Chen asked everyone to go up, they may have been waiting.

Ye Chen couldn't let his beautiful wife worry, so he had to go back and see them.

Ye Chen looked for a way to go up, he easily found a way to go up.

"Time to ascend, I got a good thing" Ye Chen is satisfied, he has already obtained the Golden Apple Qi, this is a very good harvest.

Ye Chen climbed to the surface, he climbed to the surface and heard a sound of fighting from there.

"Are they not done yet" Ye Chen wants to know if they are not done yet, they should have finished fighting the monster that kicked Ye Chen before.

Ye Chen remembered that he had faintly listened to Zhao Yanyan's zither sound and that should indicate that Zhao Yanyan and the others were fine, so why were they still fighting and it seemed that the battle they had was quite fierce.

"I'd better take a look and help them" Ye Chen had to help Zhao Yanyan and the others, he couldn't let them fight alone.

Ye Chen moved swiftly towards Zhao Yanyan's place.

After arriving Ye Chen saw that Zhao Yanyan met the eel that was previously fought by Ye Chen.

"So this monster rises to the surface and disturbs my wife, I won't allow it" This monster had made the mistake of disturbing the wife owned by Ye Chen.

"I will kill eel" Ye Chen stepped forward and headed towards the eel and started wielding the Divine Yin Yang Sword.

"Slashes. . ." Ye Chen slashed at the eel with the Divine Yin Yang Sword.

"Arghhhh . . ." The eel roared when it received the attack from Ye Chen, a part of its body was cut by Ye Chen.

"husband" Zhao Yanyan's and the others were happy when they saw Ye Chen, they were all happy that Ye Chen was safe and came back to help him.

"I'm sorry for being late, I had trouble with this monster, I didn't expect it to surface" Ye Chen said to Zhao Yanyan and the others.

"It's okay, we're fine" Lin Rouxi and the others said to Ye Chen, he told them that they were fine.

"Okay, it's time for an ugly monster like you to break down" Ye Chen said to the eel that was in front of him.

The monster had not looked at Ye Chen, he was looking at Ye Chen who had injured him several times.

Seeing Ye Chen again, the monster eel immediately ran away, he didn't dare to face Ye Chen and decided to leave this place.

"Where are you running to?" Ye Chen said to the eel monster, he would not let this monster run away again.

"God Master Shadow Sword" Ye Chen used the God Master Shadow Sword, he used the God Master Shadow Sword to slash the eel monster.

"Slashes . . ." hundreds of slashes directly hit the body of the eel.

"arghhhh" The eel monster was instantly crushed by Ye Chen's attack.

"Very good, the monster is destroyed" Ye Chen defeated the eel monster, now everything is safe.

[Chapter 2269 Monsters Hiding Under The Sand](#)

"are you okay" Zhao Yanyan, Su Yuya, Lin Rouxi and others came straight to Ye Chen, she wanted to know if Ye Chen was okay or not.

"I'm fine" Ye Chen told that he was fine.

"is it a dragon ?" Ye Chen looked at the Black Diamond Dragon.

"Yes, it's a dragon, this dragon is dangerous" Zhao Yanyan said to Ye Chen.

"It's great that you guys caught this thing" Ye Chen praised Zhao Yanyan and the others, they were quite good because they were able to capture the Black Diamond Dragon.

"we cooperate, so we can catch it" Zhao Yanyan told Ye Chen that they were working together to catch this dragon.

"you guys are really great" Ye Chen praised Zhao Yanyan and the others, what they did was really great, they did great things.

"So what should we do, it looks like he can be sold for a fair price" Ye Chen said to Zhao Yanyan and the others.

"You humans, I will not forgive you" Black Diamond Dragon was not happy with what Ye Chen said, he was not happy when he saw and listened to what Ye Chen said.

"Do you have a problem, otherwise I will kill you" Ye Chen said to the Black Diamond Dragon.

"grrr. . ." The Black Diamond Dragon growled at Ye Chen, he was displeased with Ye Chen.

"Husband, we'd better stop this and return him to where he came from" Zhao Yanyan said to Ye Chen.

"Okay, let's return him, he must return to where he came from." Ye Chen agreed with what Zhao Yanyan said, they must return this monster to its original place, they must not let the Black Diamond Dragon roam outside.

Ye Chen dragged the body of the Black Diamond Dragon, he brought the Black Diamond Dragon back into the barrier.

Zhao Yanyan and the others followed behind Ye Chen, they followed Ye Chen inside.

After everyone entered, Ye Chen used his own strength to create another barrier, he used his dimensional power to create isolation from the outside world.

"So in this place like this, there are only a few hard materials around this place." Ye Chen saw that there were only a few hard materials around.

"There's nothing special around this place" Zhao Yanyan told him that there was nothing special about this place.

"this is where I live, there is nothing good in this place" Black Diamond Dragon said to Ye Chen, he told Ye Chen that this is where he lives.

"So where is the exit from this place?" Ye Chen asked the Black Diamond Dragon.

"You just have to go straight then after turning right a bit, you will meet an exit and you will arrive at the desert section" Black Diamond Dragon told Ye Chen the way out of this place.

"Okay, then let's go" Ye Chen said to everyone, he told everyone to go out of this place.

"In that place there are many monsters that are much stronger than me, you guys might run into trouble" Black Diamond Dragon said to Ye Chen and the others.

"we don't care, if they dare to find trouble, I will destroy them" Ye Chen said that he would destroy those who dare to find trouble with him.

Black Diamond Dragon shook his head, it seemed useless to give Ye Chen a warning.

"about what's at the end" Ye Chen asked the Black Diamond Dragon.

"You will meet a place called the garden of Goddess " Black Diamond Dragon informed Ye Chen.

"Is that so, I'm more and more interested" Ye Chen said that he was more and more interested in going inside.

"no one has ever gotten to that place, you should bury your dreams deep" Black Diamond Dragon said to Ye Chen.

"hehehehe, let's see later" Ye Chen was quite confident, he was sure that he would arrive at that place.

"ok" everyone agreed, they all agreed to go to the desert part.

Black Diamond Dragon went back to sleep, right now there was nothing he could do and he went back to sleep like before.

Ye Chen followed what the Black Diamond Dragon said, they finally arrived at a door and they led to a vast wilderness.

"Looks like we've passed through the forest and got to the second part, we did it quickly" Ye Chen informed that they had arrived at the second part.

"Then we can only push on to get to the third section, let's move on" Zhi Fuxe said to Ye Chen.

"we haven't met other people, have they arrived at this place or not" Ye Chen wanted to know whether other people had arrived or not.

"There should be quite a few people arriving at this place, look there, there are traces of a tent." Su Yuya pointed to a tent, it seems that it has just been used.

"Then where is the person?" Ye Chen couldn't feel the presence of the person.

"Want to be right, I don't feel anyone around this place." Zhao Yanyan didn't feel anyone around this place.

"let's move closer" Ye Chen took Zhao Yanyan and the others closer, they would probably know where these people had gone.

Ye Chen along with all the women approached, they finally arrived near the tent and saw that there were still warm coals, it seemed they left this place a while ago.

"stay alert, I feel something" Ye Chen told everyone to be alert, he sensed something.

Everyone understood, they all became alert and checked around.

Ye Chen used his strength to detect the surroundings, with the strength of the ground, he found a small movement on the ground.

"there is a small movement on the ground, what is this?" Ye Chen wanted to know what this was.

"It's most likely a worm or a parasite" Chu Yuechan tried to analyze.

"no, it's very big" Ye Chen said that it's very big, at least it's about 10 km in size, and it's bigger than a dragon and an eel monster.

This thing was moving slowly, he was probably 5 miles deep from where Ye Chen was.

"Just in case, I will use the power I have." Ye Chen can't allow this, it is possible that this is a monster living in this place.

"why don't you attack him first" Chu Yuechan told Ye Chen to attack.

"You are absolutely right, I have to try it" Ye Chen tried to attack, he used the power of the ground to destroy the things below.

Ye Chen used earth, he used earth and directly crushed the things below by crushing it.

"rumble . . ." A small earthquake occurred, Zhao Yanyan and the others could feel this small earthquake.

"What happened" Lin Rouxi wanted to know what happened, she felt a strong shock.

"Everyone, you guys need to stay calm" Ye Chen told everyone to stay calm.

The thing below put up a fight, he put up a fight against Ye Chen's strength.

"want to fight, I won't let you" Ye Chen added strength to his own.

The ground below is narrowing and destroying the things below.

"Boom. ." Ye Chen managed to destroy the object below, it should have been completely destroyed by Ye Chen's power.

"roar . . ." After Ye Chen destroyed the creatures below, a loud scream was heard.

Ye Chen used God Eyes, he saw that there were several earthworms, scorpion and some snake approaching towards Ye Chen.

[Chapter 2270 Sandstorm Is Coming](#)

"they are coming" Ye Chen told everyone that monsters are coming.

"Where are they coming from, I didn't see them." Ye Xiu didn't see them, nor was she able to smell the enemy.

"here" Ye Chen stamped his foot, when he stamped his foot, several monsters came out of the ground and flew into the air.

All the women saw the monster that Ye Chen had just taken out, they all finally knew the monster that Ye Chen had just taken out.

"there are many of them" Ye Chen told that the monsters they will face are very many, it seems that they are hiding below and intend to prey on everyone who passes by.

If they weren't careful and took the wrong action, it was certain that they would be eaten alive.

"Then we won't be able to let our guard down" seeing this, everyone wouldn't be able to let their guard down.

"let's finish them quickly" Ye Chen told that if he wanted to finish these monsters, they all had to be destroyed until the path they would go to was safe.

All the women understood, they started to fight against the monsters that were released by Ye Chen.

"All the monsters want to return to the ground, too bad their route was blocked by Ye Chen, it makes them unable to return to the ground.

Ye Chen left the rest to Zhao Yanyan and the others while she hunted down some of the monsters hiding below.

10 minutes later, they all finally finished, they all finally finished destroying and killing all the monsters around them.

Let's rest around this place, everything has been cleared up." Ye Chen said to Zhao Yanyan, Zhi Fuxe, Lin Rouxi, Su Yuya, Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Mu Nianci and Xia Qingyu.

Ye Chen told all of them to rest here for a while.

Zhao Yanyan, Zhi Fuxe Lin Rouxi, Su Yuya, Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Mu Nianci and Xia Qingyu entered, they recovered their strength.

This place is much more dangerous compared to before, if we let our guard down even a little, monsters will devour us from below" Chu Yuechan said to Ye Chen.

"It seems that many people have died in this place." Ye Chen felt that there were many victims in this place.

"You are absolutely right" Chu Yuechan agreed with what Ye Chen said.

"do you care about them" Chu Yuechan asked Ye Chen.

"Not really, I don't really care about them, we are all chasing the highest place here, so why should I think about them, let them find their own way" Ye Chen said.

Ye Chen didn't want to think about these people, they came here and knew the risks, so why worry about everyone.

Ye Chen better focus on protecting Zhao Yanyan, Zhi Fuxe, Lin Rouxi, Su Yuya, Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Mu Nianci and Xia Qingyu.

Ye Chen can easily find and destroy the existing monsters, this makes all the monsters afraid and don't dare to approach Ye Chen.

Their journey was quite calm, until one day when a storm came.

"A storm is coming" Zhao Yanyan said to Ye Chen.

"I will use my strength to drive away this storm" Ye Chen announced that he would use his own strength to repel the storm.

"Huffttt . ." Ye Chen used quite a lot of strength, driving away the storm was not an easy thing to do.

"Okay I got rid of it, from here it will be easier" Ye Chen has managed to get rid of the storm, now it will be much easier.

They returned to continue their journey, when they continued their journey, an even bigger storm appeared again.

"This is so troublesome, will this never end?" Ye Chen again used his strength to shake off the storm.

When Ye Chen got rid of the storm, he found that when a new storm came, it was like there was no end.

"husband. Looks like we should be here for a while, you'll only use up the strength you have" Zhi Fuxe suggested to Ye Chen.

"Looks like we have no other choice, let's do just that." Ye Chen had no other choice, he had no choice but to set up a tent and spend time here.

"The storm will be very strong, Ye Chen's finger will create a barrier from the ground which is very strong and will block the storm.

Ye Chen didn't forget to use the Array and ensure that the monsters didn't attack them from below.

"You made a really nice house" Xia Qingyu told him that Ye Chen made an really nice house.

"This will protect us, we will stay here for a while and continue our journey when the situation outside calms down" Ye Chen told Zhao Yanyan, Zhi Fuxe, Lin Rouxi, Su Yuya, Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Mu Nianci and Xia Qingyu.

Everyone immediately went in, they used the place made by Ye Chen and started to rest.

To keep this place safe, everyone decided to take turns keeping watch.

so there shouldn't be any serious problems.

Ye Chen came to Zhi Fuxe, he wanted to know what Zhi Fuxe was doing.

"what are you doing" Ye Chen asked Zhi Fuxe.

"I'm drawing a map that I remember, it will help our journey" Zhi Fuxe told Ye Chen.

"That's great" Ye Chen said to Zhi Fuxe, what Zhi Fuxe did would be very helpful.

"we are almost there, I wonder what kind of treasures we will get later" Zhi Fuxe wanted to know what kind of treasures they would get.

"That will be really fun, I can't wait either" Ye Chen told that he couldn't wait to see what they would come up with.
