

True God 2271

[Chapter 2271 Ye Xiu And Nanhua Caiyi Teased Ye Chen](#)

"I understand, I will do it" Zhi Fuxe said that he would do as Ye Chen said.

"then go and rest, it looks like it will be a long time" Ye Chen said to Zhi Fuxe.

The storm would probably last a while, so they could wait for a while.

"master" Nanhua Caiyi and Ye Xiu's came to Ye Chen, both of them hugged Ye Chen who was in front of them.

Nanhua Caiyi and Ye Xiu looked very pleased with Ye Chen, both wanted to spend more time with Ye Chen.

"what's wrong ?" Ye Chen asked Nanhua Caiyi and Ye Xiu.

"We just want to be with you, it's been a long time since we've been together with you" Ye Xiu informed them that they hadn't been with Ye Chen in a long time.

"Oh, I see . ." Ye Chen understood, he understood what Ye Xiu and Nanhua Caiyi were doing.

Ye Xiu and Nanhua Caiyi tried to tease Ye Chen, it seemed they had not teased Ye Chen in a long time.

Ye Chen was not to be outdone, he teased Ye Xiu and Nanhua Caiyi with his hands.

Ye Xiu and Nanhua Caiyi couldn't stand what Ye Chen was doing, they were quickly beaten by Ye Chen.

"Your hand skills are getting better and better" Ye Xiu and Nanhua Caiyi said to Ye Chen, they said that Ye Chen had very good hand skills.

Ye Chen used his finger to tease Ye Xiu and Nanhua Caiyi, using that, he quickly defeated Ye Xiu and Nanhua Caiyi.

"You guys are getting really good too, your bodies are progressing well" Ye Chen told Ye Xiu and Nanhua Caiyi, he told them that both of them had really good bodies.

"Weren't you the one who raised us to this point?" Nanhua Caiyi said to Ye Chen.

"You're absolutely right, maybe I should touch more to know what your bodies are like." Ye Chen using his own touch, he started to put Ye Xiu and Nanhua Caiyi at ease.

"Ummm . . ." Ye Xiu and Nanhua Caiyi groaned, a touch made by Ye Chen making the two feel at ease, they couldn't fight back when they were touched by Ye Chen.

Ye Xiu and Nanhua Caiyi tried to keep their voices down, they didn't let other women hear their voices.

Since they lived in a small place, the slightest sound might easily be heard, so Ye Xiu and Nanhua Caiyi kept their voices down.

Ye Chen became excited when he saw this, it was quite fun for Ye Chen to do this, he couldn't help but be happy when he did this with Ye Xiu and Nanhua Caiyi.

"ahhh. . . , no , don't go there" Nanhua Caiyi tried to hold Ye Chen's hand, Ye Chen attacked her weak point and put Nanhua Caiyi in danger.

"It seems that this is still your weak point." Ye Chen whispered to Nanhua Caiyi.

"Don't say that, it's embarrassing" Nanhua Caiyi said to Ye Chen, she felt embarrassed when she was teased by Ye Chen.

"Hahahaha" Ye Chen smiled when he heard what Nanhua Caiyi said, he couldn't help but smile when he saw Nanhua Caiyi.

The current Nanhua Caiyi was so cute, Ye Chen wanted to go on and on teasing Nanhua Caiyi, that would be a fun thing to do.

"no . . ." Nanhua Caiyi used her hand, she blocked her own voice from escaping.

Nanhua Caiyi had done her best, too bad Nanhua Caiyi's voice was still leaking out and she was making a cute sound.

"Hehehe" Ye Chen had made Nanhua Caiyi reach the top, now it was Ye Xiu's turn.

"no. ." Ye Xiu couldn't stand what Ye Chen did, she couldn't stand what Ye Chen did.

"this is too strong" Ye Xiu told Ye Chen, she told that what Ye Chen did was too strong.

"Don't you like this?" Ye Chen pointed out that Ye Xiu should like this.

"This is really really fun" Ye Xiu had to admit that what Ye Chen did was too much fun.

"Looks like your voice is quite loud, everyone can probably hear the voice you have" Ye Chen said to Ye Xiu.

Ye Xiu finally realized what Ye Chen said, she finally realized what Ye Chen said and started to lower her voice.

"emmmm" Ye Xiu started to lower her voice, she lowered her voice and restrained herself.

Ye Xiu tried to keep his voice down, too bad he couldn't keep it down.

Ye Chen was too rough, it made Ye Xiu unable to hold on and let out a seductive voice.

It couldn't be helped, Ye Chen had good technique, Ye Xiu couldn't possibly last long when she was together with Ye Chen.

Ye Chen continued to tease Ye Xiu and Nanhua Caiyi, he made sure that both of them got the highest pleasure and were satisfied with what he was doing.

a Moments later, both of them had completely collapsed, they couldn't take it anymore and were already limp.

"That's too great" Ye Xiu and Nanhua Caiyi were very satisfied, she was satisfied with what Ye Chen was doing.

"You guys don't get too excited, we're not in a good place, I don't want to carry you guys." Cheng Mengyan came in, she told Ye Xiu and Nanhua Caiyi to hold back.

They weren't in a safe place right now, so Cheng Mengyan told Nanhua Caiyi and Ye Xiu to hold back.

"We understand" Ye Xiu and Nanhua Caiyi understood, they understood and stopped.

what Cheng Mengyan said was true, they couldn't freely do it in this place, it was quite dangerous here and they had to restrain themselves.

Ye Chen smiled when he saw this, it seemed that it was Zhao Yanyan who had sent Cheng Mengyan to stop them.

Ye Chen had to be more restrained, he might have to hold back until he arrived at a safe place, as Cheng Mengyan had said, this wasn't a safe place, so they should be able to restrain themselves.

Ye Chen and the others waited for the storm to end, they were finally able to get out after 2 days of being inside.

We've spent two days in this place, we better move on. They've been trapped inside for 2 days, they need to make up for it and move fast.

Everyone agreed, they just moved quickly and quickly got out of this place.

In this second place there are not many monsters, who dare to approach Ye Chen, any monster that approaches will be directly driven away by Ye Chen.

This was a splendid place for Ye Chen and he became invincible in this place.

"Clanks . . ., looks like there's a battle ahead." Ye Xiu could smell blood from afar, it seemed like there was a fierce battle ahead.

"Is it a monster or a human?" Ye Chen asked, who was fighting.

"From the smell, it's a human" Ye Xiu pointed out that it was a human, it seemed there were several humans in conflict.

"let's get closer, they might be fighting over something" Ye Chen decided to get closer, he wanted to know what these people were fighting over, they must be fighting over something.

Ye Chen looked for a safe place to observe, Zhao Yanyan and the other women took important positions and ensured each other's support.

"Who are they?" Ye Chen asked Ye Xiu.

"it seems they are one of the great nobles in the God Realm, I have seen a few of them, otherwise one is the Ping Clan and the other is from the golden lion empire"Zhi Fuxe said to Ye Chen.

[Chapter 2272 Work Together To Get Out Of The Desert](#)

"why are they fighting, about what are they fighting over" Ye Chen wanted to know what the two sides were fighting over.

"Let's hear what they are fighting over." Zhi Fuxe said that he was also curious about this matter, he wanted to know what they were fighting over there.

"quickly hand over the compass to you" Ping Clan told the golden lion empire to hand over the compass to them.

"We won't do that, if you have the strength, why don't you just take it from our hands" Golden Lion Empire announced that they would not hand over the compass to the Ping Clan.

They are fighting over a compass, could it possibly be a useful item" Ye Chen said to Zhi Fuxe.

"It might be a useful item for getting out of this place" Zhi Fuxe said to Ye Chen, she told them that it would most likely lead them to an exit.

"If so, we can take it, it will be useful for all of us." Ye Chen said that they had to grab the object so they could get out of this desert.

"do you want to interfere in this matter" Zhi Fuxe asked Ye Chen.

"Of course, we can't possibly be stuck in this place, if there is an item that can be used, why don't we get it" Ye Chen said to Zhi Fuxe.

Ye Chen has to get it, he doesn't want to go around in circles in this place.

"If that's what you want, I'll come along" Zhi Fuxe would follow, she would follow Ye Chen's request.

Ye Chen told Zhao Yanyan and the others, he told them what he wanted.

Zhao Yanyan and the others agreed with what Ye Chen wanted, they would all help Ye Chen to get it.

"They have agreed, let's start, you and I will negotiate" Ye Chen said to Zhi Fuxe.

Ye Chen took Zhi Fuxe to negotiate, they had to get that compass and get out of this place.

"I understand" Zhi Fuxe understood, she would help Ye Chen and ensure that Ye Chen got what she was looking for.

Ye Chen and Zhi Fuxe finally came out, when they came out, the Ping Clan and the golden lion empire immediately alerted Ye Chen and Zhi Fuxe.

"who are you" the leader of the golden lion empire said to Ye Chen, he wanted to know who Ye Chen was and what Ye Chen wanted in this place.

"I should be asking you guys, what are you guys doing in this place, you shouldn't be arguing and just get to work, this isn't a good place" Ye Chen said to the Ping Clan and the golden lion empire.

"don't interfere in our affairs" Ping Clan and the golden lion empire said simultaneously, they didn't want Ye Chen to interfere in their problems.

"It seems they have a grudge, otherwise their reaction wouldn't be like that." Ye Chen felt that the Ping Clan and Golden Lion Empire had a grudge, otherwise the reaction they would have would not be like that.

"I agree with what you said" Zhi Fuxe agreed with what Ye Chen said, it seemed the two of them had enmity and couldn't be reconciled.

"We'd better settle this peacefully." Zhi Fuxe stepped forward, he instructed everyone to settle this matter peacefully.

"Stop talking little girl, this is none of your business" the leaders of the two groups from the Ping Clan and the Golden Lion Empire said to Zhi Fuxe, they told Zhi Fuxe not to interfere in this matter, this was an internal matter they had.

Zhi Fuxe didn't expect that their reactions would turn out like that, it seemed like they had personal grudges that made them unable to get along.

"We have to do something" Zhi Fuxe said to Ye Chen, in this kind of situation, they had to do something.

"This will be a bit difficult to do" Ye Chen pointed out that this would probably be a difficult thing to do.

"but let's try it" Ye Chen wanted to give it a try, he hoped that he would be able to convince the two sides to make peace.

"You all, I know that you have some personal grudges, but things are not going well, I hope you can forget about that and start cooperating with us" Ye Chen said to the Ping Clan and the Golden Lion Empire.

"dream on, I won't cooperate with you guys, so you better not bother us" golden lion empire said to Ye Chen.

they are the ones who own the compass, so they are the ones who have the right to use it.

"I know that, but we all need it, if you don't share, maybe you will be destroyed in this place and suffer a loss for everyone" Ye Chen said to the golden lion empire.

If a battle really erupted, it would be detrimental to all of them, in order to prevent that from happening, Ye Chen wanted to make sure that everyone made peace and found a way out of this place.

"Hmmm" the leader of the golden lion empire thought about what Ye Chen said, what Ye Chen said might have happened, if that happened, it would be a loss for all of them.

"We want to work with you, but we have a condition for you" the golden lion empire said that they have a condition.

"what is that" Ye Chen asked, he wanted to know the conditions owned by the golden lion empire, about what conditions the golden lion empire possessed, Ye Chen was quite curious about this.

"The conditions we have are very simple, we want all the treasures on this journey for us" The leader from the golden lion empire said to Ye Chen and also the Ping Clan.

"You are so greedy, do you think I will agree" Clan Ping said that they would not agree to these conditions.

"Okay I agree" Ye Chen announced that he agreed.

"brat, are you stupid" the leader of the Ping Clan said to Ye Chen, it seemed Ye Chen was stupid for agreeing to this condition.

"don't call me that, this is a barren land, there is nothing valuable in this place, so why are we fighting" Ye Chen told the Ping Clan.

The leader of the Ping Clan began to think about what Ye Chen said, what Ye Chen said had some truth to it, there was nothing of value around this place.

The Ping Clan had been here for a few days, just as Ye Chen had said, they didn't find any valuables, there were only monsters in this place.

"Alright, we agree" after being convinced by Ye Chen, they finally agreed to do as Ye Chen said.

"very good, you should keep your promise" the leader from the golden lion empire said to Ye Chen and Clan Ping.

After the agreement was made, they immediately left together.

They use the compass they have, with that compass they will quickly get out of this place.

"So you guys haven't left this place yet" Ye Chen asked Ping Clan.

"We've been stuck here for a few days, you should know that we can't get out of this place, every time a storm appears, the direction will change and we just go around in circles around this place" Clan Ping said to Ye Chen .

"Is that so" as Ye Chen expected, the previous storm was very unusual, it wasn't strange that they couldn't get out of this place.

[Chapter 2273 Ye Chen Was Not Listened To By The Other Party](#)

"It seems that our choice of following them was very correct" Ye Chen told Zhi Fuxe, their choice was very correct, they followed the right person.

Zhao Yanyan and the others followed behind, they were able to hide themselves very well.

"Everything went smoothly" Ye Chen said to Zhi Fuxe, everything went very smoothly, they just needed to go with the flow.

"I totally agree with what you said." Zhi Fuxe totally agreed with what Yang said is said by Ye Chen, he strongly agreed with what was said by Ye Chen and this trip would be even more enjoyable.

Ye Chen asked Zhi Fuxe, he wanted to know who was the group leader from Ping Clan and golden lion empire.

Ye Chen was sure that they were great people, they should at least be great elders or great commanders.

"I'll tell you in person" Zhi Fuxe said to Ye Chen, she told Ye Che who these people were.

"He is Ping Yanzong, he is the great elder, it seems that he is here on the direct orders of the leaderKlan, he is quite strong, although he is not a threat to you" Zhi Fuxe said to Ye Chen.

Zhi Fuxe told Ye Chen that Ping Yanzong was not a threat to Ye Chen, with Ye Chen's strength, it was obvious that Ping Yanzong was not a threat.

"On the other hand, I see that it is General Shi Shizi, he has fought and experienced many battlefields, his experience in battle is very great, he is one of the strongest people and not to be underestimated" Zhi Fuxe said to Ye Chen, Zhi Fuxe told Ye Chen, she told each of the leaders of this group.

"Is that so, you provided very useful information." Ye Chen told that Zhi Fuxe had provided some very good information, he liked the detailed explanation given by Zhi Fuxe, Zhi Fuxe gives a very easy explanation understandable by Ye Chen.

Ye Chen and Zhi Fuxe's group continued supervised, they didn't let Ye Chen and Zhi Fuxe easily wander around and they couldn't be free.

Ye Chen knew that this would definitely happen, with their strength and their meager numbers, it would not be strange for Ye Chen and Zhi Fuxe to be bullied by the Ping Clan group and the golden lion empire.

Ye Chen as well as Zhi Fuxe didn't really care about this, both of them ignored them and started to focus on their journey.

The few times they encountered monsters, fortunately the Ping Clan group and the Golden Lion Empire could easily deal with them, so Ye Chen didn't need to show off his strength.

"It's going too smoothly" Ye Chen told that everything went smoothly, they all went smoothly.

If everything continues smoothly and without any hindrances, then it will be extremely beneficial for Ye Chen, Ye Chen doesn't need to bother anymore.

"Look, there is something" a few moments later they saw a hole, this hole is rectangular and around it there are some stones that carved delicately.

It was obvious that this was someone's creation, there was no way something like this had formed naturally.

"There is a building down there" Ye Chen said that there was a building down there.

"Are we going to continue or explore down" the underlings asked Shi Shizi, they wanted to know what they should do.

"There must be something under there" Shi Shizi said that if there is something down there, they can't miss this opportunity.

"I'm not sure, why not continue on our way so we can get there faster" Ye Chen said to Shi Shizi.

"Come down with me" Shi Shizi asked his followers to come down, it seemed that he didn't listen to what is said by Ye Chen.

"This idiot" Ye Chen was really annoyed, he was really annoyed when he saw these people coming inside.

"We should also go in, we can't let them get everything." Ping Yanzong asked his Clan members to come down, they couldn't allow Shi Shizi to get everything for himself.

Ye Chen looked at the two groups, to be honest they were quite stupid, they did stupid things and harmed themselves.

"Husband, what are we going to do, it seems we should go with them" Zhi Fuxe said to Ye Chen.

"No, wait a minute" Ye Chen said to Zhi Fuxe, he didn't want to rush it.

This time Ye Chen was extremely careful, he didn't want to make a decision quickly.

"Husband, what about them, it seems they don't listen to you." Zhao Yanyan said that the previous people didn't listen to Ye Chen.

"Forget it, they won't want to listen to what I have to say, the situation is already like this, why don't we just take the compass from them right away" Ye Chen wanted to hurry up, they should take the compass and continue on their way.

"We agree with what you said." Zhao Yanyan and the others agreed with what is said by Ye Chen, they all agreed to come with Ye Chen, and took the compass.

"Come on in and come with me" Ye Chen invited everyone to come and go with him, they had to finish this quickly.

Ye Chen, Zhao Yanyan, Zhi Fuxe, Lin Rouxi, Su Yuya, Cheng Mengyan, Nanhua Caiyi, Ye Xiu, Mu Nianci and Xia Qingyu immediately left, they went in and went downstairs.

When they went downstairs, they saw that the Ping Clan and the golden lion empire had gone far enough.

"They are already one step ahead of us" Ye Chen informed that the group from Ping Clan and Golden Lion Empire were already ahead of them.

"We'd better catch up soon" Zhao Yanyan said to Ye Chen.

They left and followed the Ping Clan and the golden lion empire.

"clang. . ." There was a battle ahead, Ye Chen saw that in front were several black guardian beasts attacking the Ping Clan and the golden lion empire.

The Ping Clan and the golden lion empire began to fight, they began to fight and fight the monsters that guard this place.

"It seems they are fine." Ye Chen saw that the Ping Clan and the Golden Lion Empire were fine, there was nothing strange about them.

"Husband, I saw a few people who needed help." Ye Xiu kissed there were several other people around this place.

"maybe they are the first to open this place, let's see" Ye Chen said to Ye Xiu.

"Alright time to take the compass from Shi Shizi's hand" Ye Chen used Perfect Steal, he stole the compass directly from Shi Shizi's hand.

Shi Shizi didn't realize that the thing they could use to get out was gone taken by Ye Chen.

Right now they would again have a hard time getting out of this place, and would probably be trapped in this place.

Ye Chen and Zhao Yanyan looked at another group. When they saw another group, they found a female group with a total of four people and were fighting against the enemy.

This woman was wearing a golden skirt and matching, possibly a core disciple or perhaps an elder, they could be said beautiful

"They are from Golden Lake Sect, what are they doing in this place?" Zhi Fuxe seemed to know these people.

"You know them?" Ye Chen asked Zhi Fuxe.

"Of course, I know them well, I have a partnership with them, they are one of the Sects that supply water-grown medicines of excellent quality" Zhi Fuxe said to Ye Chen.

"I will help them" Zhi Fuxe said that she wanted to help them.

[Chapter 2274 Fighting Over A Weapon With An Evil Aura](#)

"Then no problem, let's help them" Ye Chen agreed to help them, he went and helped them to solve the problem that happened.

"Hello" Ye Chen appeared, he appeared and helped the woman in front of him.

"who are you ?" Women looked at Ye Chen, they wanted to know who Ye Chen was.

"I came to save you, so don't ask so much" Ye Chen told that he had come to rescue them, so Ye Chen told them not to ask much.

Ye Chen will explain it later, he will make sure that all these women know who he is.

Ye Chen swung his sword, he swung his sword and began to kill all the guardian monsters in this place.

With just one swing, Ye Chen easily killed all the guardian monsters on hand.

The four women were shocked when she saw Ye Chen, they are fascinated that Ye Chen could defeat the enemy so quickly, this was shocking enough for all of them.

Ye Chen smiled at the woman from Yellow Lake Sect, he had saved them all from disaster.

"thank you very much for saving us" the women from Yellow Lake Sect said to Ye Chen, they thanked Ye Chen for being willing to help and help them.

"Don't think about it, I'm doing this to help you guys" Ye Chen told him that he did this to help them.

" how can you guys be in this place" Zhi Fuxe appeared and asking the woman from Yellow Lake Sect.

"how are you in this place ?" the women from Yellow Lake Sec t asked Zhi Fuxe, they wanted to know why Zhi Fuxe was in this place.

"I came like you guys" Zhi Fuxe told that they came to explore, everyone in this place did the same, they all came to explore this place and found treasures.

"this is terrible, from just now we didn't find anything good, this is really a scam" the women of the Yellow Lake Sect, didn't get anything, they didn't get anything and only got the scum alone.

Even the monsters here can't be picked up and disappear directly, it is an annoying thing once and they have suffered enough losses and injuries.

"it seems that you guys have encountered a bad thing" Zhi Fuxe saw that Yellow Lake Sect had a bad thing, they had a bad thing and now they have to survive to live.

"this is the worst, we didn't expect that this place would become like this" they have already arrived here, there is no way they will come back, plus their supplies are running low.

"If you guys are indeed struggling, we can provide a little help for you guys" Zhao Yanyan said to the woman of Yellow Lake Sect.

"That's absolutely true, we will help you guys" Ye Chen said to the woman from Yellow Lake Sect.

"Thank you very much you are all indeed very kind" the woman from Yellow Lake Sect thanked Ye Chen , Ye Chen is a good person.

Women from Yellow Lake Sect are quite happy with Ye Chen, they like it when they see Ye Chen who is kind and handsome, to be honest, a man like Ye Chen is one of the ideal men of women like them.

The women of Yellow Lake Sect began to introduce themselves, they have the first name Yuan, first named Yuan Qoli, second is Yuan Zhenqu, third Yuan Diaqo, fourth Yuan Ayin.

"okay, I'll introduce my name too" Ye Chen decided to introduce himself too, he began to introduce himself to Yuan Qoli, Yuan Zhenqu, Yuan Diaqo, Yuan Ayin.

Yuan Qoli, Yuan Zhenqu, Diaqo, Yuan Ayin are grateful, they are very friendly with everyone including Ye Chen.

"Arghhh . . ." A voice sounded, it seemed that something bad happened with the people before.

"it seems that they are in trouble" Nanhua Caiyi, knowing that those people have a problem and they probably won't be able to escape easily.

"hmmm . . ." Ye Chen sighed, this is so troublesome.

"Okay, let's save them afterwards get away from this place, this place is terrible" Ye Chen said to everyone.

Ye Chen would save them once, after that he would leave this place, he was unwilling to continue to be in this place.

"We agree, we have been in this place for a few days, there is nothing in this place" Yuan Qoli said to Ye Chen.

Ye Chen knew this matter, he knew that if there was no good thing in this place, if there was such a good thing, then Chu Yuechan would have told Ye Chen.

Ye Chen along with the others came back, they saw that the Ping Clan and the golden lion empire were fighting for a sword they found.

"I think what, it turns out that they are fighting for goods" Ye Chen thought that if they encountered a problem, it turned out that they were fighting for an item.

"That thing exudes evil power once" Chu Yuechan said to Ye Chen, she told that the thing in front exuded an evil aura.

" stop, it's a dangerous thing, you'd better go back" Ye Chen gave a warning.

"Shut up kid, this is the parents's business" these people didn't listen to Ye Chen.

"Let's just go back" Ye Chen said to all the women, this is a waste of time, he is not listened to and ignored, it is better for them to go back.

"that's absolutely true" All the women agreed with what Ye Chen said, this was a waste of the time they had.

"This thing is mine" Ping Yanzong said to Shi Shizi, he who discovered this thing, so this is his.

"Didn't you say that all the things in this place are mine, you go back to your words" Shi Shizi said in a dissatisfied tone, she was dissatisfied with what happened.

Ping Yanzong broke his words, he didn't like Ping Yanzong.

"Hahahaha, indeed when did I say it like that, if it weren't for that boy, I wouldn't want to cooperate with you, you guys are greedy people, so what are we cooperating with you for" Ping Yanzong said that if they didn't want to cooperate, they refused to cooperate and had to fight Shi Shizi and get the artifacts they found.

"Asshole, then let's fight" Shi Shizi started the battle, he started the battle and directly destroyed Ping Yanzong.

"Attack" Ping Yanzong was not to be outdone, he gave an order to carry out an attack, the two clashed, they couldn't get along and attacked at full strength.

"Boom . . ." The battle became very fierce once, they fought and killed each other, this would make everything very chaotic once.

"I'll get it, it's all for the sake of the kingdom" Shi Shizi took this opportunity and began to pick up the sword, when he touched the sword, a huge force began to envelop the body from Shi Shizi.

"strength, a power" Shi Shizi said in a very satisfied tone once, he was very satisfied once with the power pouring into his body.

"Damn it, he sneaked up and took the sword" Ping Yanzong was angry, he was angry that Shi Shizi sneaked up and took the sword, to be honest, this would be a complicated and serious matter, so they had to prepare to rob the weapon from Shi Shizi's hands.

A little later, an evil force began to enter the body of Shi Shizi, he began to lose control and began to kill everyone who was nearby.

"general, what are you doing ?" the troops did not understand, why Shi Shizi attacked them, this made the troops rowdy and they had to start retreating.

[Chapter 2275 We Have To Go, We Already Helped Them, There Is No Responsibility For Us To Stay Here](#)

What Ye Chen said proved true, this sword made the user lose control and started to slaughter everyone around.

"everyone gather" Ping Yanzong ordered everyone to gather as soon as possible, they must do something to destroy Shi Shizi.

By using the strength and abilities possessed by Ping Yanzong, he should be able to stop Shi Shizi.

"I will not hold back" Ping Yanzong said that he would not hold back, he would use all of his strength to kill and destroy Shi Shizi.

Ping Yanzong stepped forward, he directly aimed for the body of Shi Shizi.

Shi Shizi who had been possessed by the sword became very aggressive. He became very aggressive and attacked Ping Yanzong.

Ping Yanzong was quite shocked when he saw that Shi Shizi had gotten stronger, it seemed that the evil sword had given Shi Shizi strength.

"Damn, this is so troublesome" Ping Yanzong really hated losing to Shi Shizi, he didn't like losing.

Shi Shizi became more and more brutal, no matter if it was the Ping Clan or the golden lion kingdom, he attacked everyone and killed everyone.

Shi Shizi's consciousness was extremely weak, so it wasn't strange that she was unable to resist the power of the evil sword and ended up becoming the puppet and body for the evil sword.

"scram" Shi Shizi muttered a few times, he ordered everyone to get out of this world.

Shi Shizi carried out a massive massacre, there were countless people killed by him.

The commotion was getting more and more out of control, in that case, Ye Chen could only come over and end things.

When Ye Chen came back, he found that there were already a lot of corpses, it seemed that there were a lot of victims around this place.

"stupid people, I have already warned, have you guys felt the consequences?" Ye Chen said to Ping Yanzong as well as Shi Shizi who was being controlled, these two people were extremely stupid and made them what they are today.

"Damn it. . ." Ping Yanzong was angry at Ye Chen. He didn't expect that one day he would be insulted by Ye Chen. Obviously this was an insult to Ping Yanzong.

"Shut up, we can handle this problem." Ping Yanzong said that if they could solve this problem, they didn't need Ye Chen's help and could handle everything on their own.

"Okay, if you say it like that" Ye Chen looked, he saw whether Ping Yanzong was really capable of dealing with this problem.

Ping Yanzong came forward again, he used arrows and swords to attack Shi Shizi.

Shi Shizi was fast, Ping Yanzong's attack couldn't hit him.

Ping Yanzong swung his sword towards Shi Shizi's neck, he swung and intended to take Shi Shizi's life.

Shi Shizi used the sword in his hand, with a slight movement of the sword, it directly smashed Ping Yanzong's sword.

"Impossible, why could this happen, this can't happen." Ping Yanzong couldn't believe it, how could his weapon be destroyed so easily.

"Roars . . ." Shi Shizi used his own roar, this was a special technique used to weaken the enemy.

Ping Yanzong tried to cover his ears, he didn't let himself hear this loud sound.

It's a pity that this lion's voice was so loud that it made Ping Yanzong's body weak.

"Damn it, he has become much stronger, it is because of that sword" Ping Yanzong cursed, if not for that sword, then Ping Yanzong would not have lost.

Shi Shizi advanced towards Ping Yanzong, he swung his sword and intended to kill Ping Yanzong.

Ping Yanzong tried to use all of his abilities, he used his skills to block the attack from Shi Shizi.

"dead . . ." Shi Shizi said to Ping Yanzong, he wanted to kill Ping Yanzong with one swing of his hand.

"clang. . ." Ye Chen wouldn't let this happen, he wouldn't let Shi Shizi use that evil sword to get others into trouble.

"I won't let you" Ye Chen said that he wouldn't allow Shi Shizi to do that.

Shi Shizi looked at Ye Chen, he was displeased with Ye Chen and wanted to kill Ye Chen.

Shi Shizi raised her hand, she used the cursed sword that was in her hand.

Shi Shizi wanted to use a slash that started from below and headed upwards, that way he would be able to kill Ye Chen.

Ye Chen used his legs, he blocked Shi Shizi's attack with his legs.

"this is too easy" Ye Chen said to Shi Shizi.

Shi Shizi seemed to understand what Ye Chen said, he was angry and slashed at Ye Chen again.

Ye Chen used a powerful kick, he directly kicked the enemy in front of him.

Shi Shizi was sent flying, Ye Chen's kick broke his ribs.

Shi Shizi tried to get up, even though his bones were broken, he could still stand up and wanted to fight Ye Chen.

It seemed that the blade had completely controlled Shi Shizi's body, it made Shi Shizi unable to feel any pain.

"Not good, it seems I have to find another way." Ye Chen had to find another way.

"I know" Ye Chen knew, he might be able to cut off Shi Shizi's hand, that way, Shi Shizi would no longer be able to use that sword.

The evil sword couldn't escape, even if Ye Chen pulled it, it wouldn't want to leave Shi Shizi's body.

So the only way to beat him was to cut off Shi Shizi's arm.

Ye Chen used wind profound strength, he created a sharp wind blade and directly aimed for Shi Shizi's arm.

"Slashes . ." Shi Shizi's arm was severed, and the sword began to lose its strength.

"Arghhh . . ." Shi Shizi screamed, he actually felt a bone-chilling pain.

Previously Shi Shizi was controlled, so it wouldn't be strange for her to feel no pain.

Shi Shizi used his strength, he endured the wound and immediately took out a pill to heal his wound.

Damn it, what happened in this place? Shi Shizi didn't know what happened in this place, how could his troops die like this.

"General, you're finally awake, you were just controlled by an evil spirit and killed a lot of troops" one of the soldiers told Shi Shizi.

Shi Shizi was shocked when he heard this, he didn't expect him to do this.

"You have done this and made my clan members like this" Ping Yanzong said to Shi Shizi, Ping Yanzong was not with Shi Shizi.

"stop arguing, you guys should just go back" Ye Chen said to Ping Yanzong and Shi Shizi.

"Why should we go back" Ping Yanzong and Shi Shizi did not want to go back.

"It's up to you guys, but I have already given you a warning, this is not the first warning I'm giving, look at you now, continuing is tantamount to courting death" Ye Chen said in a firm tone.

Shi Shizi as well as Ping Yanzong had already suffered an injury, so continuing on would probably be extremely difficult.

Shi Shizi and Ping Yanzong seemed to want to ignore Ye Chen's words.

"It's up to you guys, I'll go, enjoy your time" Ye Chen said before leaving.

"husband. . ." Zhi Fuxe said to Ye Chen.

"we have to go, we have already helped them, there is no responsibility for us to stay" Ye Chen said.

"um . ." Zhi Fuxe understood, Ye Chen had been very kind, it was a pity that the person he helped was so stupid and didn't want to listen to what Ye Chen had to say.

[Chapter 2276 Fiery Scorpion](#)

They finally left, they left this place and went straight up.

"Where are we going?" Yuan Zhenqu asked Ye Chen, they wanted to know where they were going.

"we will go out of this place" Ye Chen said that they will go out of this vast desert.

Ye Chen took out the compass in his pocket, he started to follow the direction he was headed.

All the women left and followed Ye Chen, they all followed Ye Chen towards the exit.

Ye Chen together with the all of the women traveled on a journey for several days, they needed quite a bit of time to arrive at the end.

"it's tiring" Some women are tired after a long journey, they need rest because this place is getting hotter and hotter.

"we rest here for a while" Ye Chen informed to rest for a while.

"We should be at the end soon" Ye Chen believed that they would soon be at the end.

He couldn't wait to get out of this place.

"I found something, come over here" Xia Qingyu said to Ye Chen, she told Ye Chen that she found something.

"what did you find ?" Ye Chen asked Xia Qingyu, he wanted to know what Xia Qingyu found.

Xia Qingyu found the remains of an enormous Magical Beast.

The Magical Beast that Xia Qingyu found seemed to be powerful.

"There was a person who killed and harvested this Magical Beast, it seems that person is strong enough to do this." After observing for a while, Ye Chen was sure that it was harvested by someone.

There was someone who could defeat a powerful Magical Beast like this.

If Ye Chen wasn't wrong, this Magical Beast was stronger than the Black Diamond Dragon, so it could be concluded that a powerful group had come.

"Do you think this is the work of one of the big powers?" Chu Yuechan asked Ye Chen.

"That can't be, I didn't hear that they made their move to this place, it's probably an ancient clan, their strength is not weaker than the great powers in the God Realm" Ye Chen was now trying to deduce what happened.

"Ancient clan, they seem to be quite dangerous." Chu Yuechan felt that they were even more dangerous compared to the great powers in the God Realm.

"Perhaps, we have never seen them." Ye Chen said that he had never seen an ancient Clan, so he couldn't deduce the strength they possessed.

"They've taken all the important things, there's nothing left to take from this monster anymore" Ye Chen said.

It's just a carcass, so there's nothing they can take from it.

"So what, did you find anything?" Xia Qingyu asked Ye Chen.

"Nothing special, it seems that this has been dead for a long time and everything has been taken" Ye Chen said.

"oh . . ." Xia Qingyu nodded at Ye Chen.

"Let's go back" Ye Chen invited Xia Qingyu to go back.

Xia Qingyu followed Ye Chen, the two of them returned to the tent and started to rest.

After resting, they continued their journey again, they went back forward and followed the directions from the compass.

On the way Lin Rouxi stopped and started to close her eyes.

"Sister what's wrong?" Zhao Yanyan asked Lin Rouxi, she wanted to know what Lin Rouxi was doing.

"I can feel it" Lin Rouxi indicated that she could feel it.

"what do you feel" Ye Chen asked Lin Rouxi.

"Sea water, it seems we are close" Lin Rouxi announced that they were nearing the end.

"Is that true?" All the women asked Lin Rouxi.

"That's absolutely true" Lin Rouxi was absolutely sure, she really believed in what she said.

"that's great, finally we can get out of this hot desert" All the women were quite happy.

They couldn't wait to get out of here.

"Come on quickly" All the women urged to get away from this place, they urged to get away from this place immediately.

They continued on their way, the way out was almost in sight.

When everyone was advancing at full speed, Ye Chen felt a strong pressure from below.

"stop" Ye Chen told everyone to immediately stop now.

everyone obeyed what Ye Chen said, they all stopped behind Ye Chen.

"Boom. . ." From the sand emerged a Magical Beast, this Magical Beast was a red scorpion like fire.

"monster" all the women shouted in unison, they could see that this was a powerful monster.

"fiery scorpion" Ye Chen saw that this was a flaming scorpion.

Magical Beast has the power to melt anything with its sting.

Plus the body of this Magical Beast has a high temperature, it is capable of incinerating all of its prey.

the fiery scorpion looked at Ye Chen, he saw Ye Chen as a good prey to eat.

"looks like this is the last monster we have to fight before we get to the end" this monster is a disturbing monster, they have to defeat this monster in order to get to the end.

Ye Chen became Close, he becomes the one who steps up and fights the enemy.

"Hey, it's a fiery scorpion, you have to be careful, otherwise you will burn to ashes." Yuan Ayin gave a warning to Ye Chen.

Zhao Yanyan and the others also started to approach, they were helping Ye Chen from behind.

They couldn't possibly leave Ye Chen alone, so they helped out.

The ladies from the Yellow Lake Sect also started to come down to help, they should all join hands to help each other.

the fiery scorpion started to head towards Ye Chen, the fiery scorpion walked swiftly and stretched out its pincers to catch Ye Chen.

"Nine Shadow Step" Ye Chen used Nine Shadow Step, he disappeared and reappeared behind the fiery scorpion.

"Accept this" Ye Chen launched an attack at the fiery scorpion.

"What kind of technique is that?" Yuan Diago surprised by Ye Chen's technique, Ye Chen's technique was too strong that they couldn't see through it.

Using the Nine Shadow Step Ye Chen managed to make the fiery scorpion flustered, the fiery scorpion became flustered and started attacking randomly.

Zhao Yanyan and the others used this opportunity to attack from afar.

Zhao Yanyan used her zither sound waves to create the smoldering fiery scorpion became even more flustered.

Lin Rouxi used her own strength and started to make a huge wave, This huge wave directly hit the scorching fire scorpion and made the scorching fire scorpion's body cool.

Mu Nianci and Xia Qingyu started to move, they started to move to freeze the fiery scorpion.

Everyone started to join hands, they all joined hands to fight against the smoldering fiery scorpion.

The fiery scorpion was completely confused, This monster was being attacked from all sides and started to lose its strong defense.

"Chaaaa" the fiery scorpion knew that it would not win, so the flaming scorpion decided to run away.

Ye Chen used his own strength, he used his own strength to throw the fiery scorpion into the ground.

the fiery scorpion was unable to escape and he remained below the surface.

The fiery scorpion can't do anything, Ye Chen has completely restrained the escape route, now fiery scorpion has become the punching bag for Ye Chen and others.

The ladies of the Yellow Lake Sect were shocked by the strength possessed by Ye Chen and the others, They saw that Ye Chen and the others possessed strength that was too strong that they could not imagine.

They had not expected that Zhi Fuxe would have such a terrifying companion, they were completely new to this matter.

[Chapter 2277 Get Ugly And Old Boat](#)

"Wavy Wind Slash" Ye Chen used Wavy Wind Slash, a very strong wind slash once hit the body of the fiery scorpion.

Not stopping here, Ye Chen attacked again and immediately cut off the fiery scorpion's pincers.

This scorpion started to hurt and he started to spit out a red colored blood and was able to burn the sand around him.

This scorpion was continuously using its own blood to attack Ye Chen.

"Better stop this quickly" Ye Chen stopped the scorpion that was in front of him, he used Wavy Wind Slash with full power.

"With full power, Wavy Wind Slash, Ye Chen could easily slice through a scorpion's body.

"quickly freeze this monster" Mu Nianci said to Xia Qingyu, she said ask for help from Xia Qingyu to freeze this monster.

It would be dangerous if this monster's blood continued to spill out and flood around this place.

After Mu Nianci and Xia Qingyu joined hands, the two finally froze the monster.

"we did it, let's start harvesting it" Ye Chen came closer, he started looking for a good part that could be useful for.

"The other women looked at Ye Chen, they didn't know much and could only rely on Ye Chen to look for the precious items in the fiery scorpion's body.

"I found a good core and pincers as well, besides it doesn't seem to be very useful due to the high poison content" Ye Chen said to all the women.

"No problem, let's go immediately." Zhi Fuxe knew, that was already a very good thing, they just had to head to the sea.

Ye Chen agreed, he and all the women immediately left and finally arrived in front of an ocean, they saw a vast and endless ocean scene.

"So we have made it through the desert, now we only need to head towards the sea" Ye Chen said to everyone.

"There are already quite a few people there." Zhi Fuxe saw that a few people had already come to this place.

"I think we were the first to make it to this place, no suspected if someone comes first compared with us" it seemed that Ye Chen's guess was wrong.

"They made it to this place, that proves, that they have an ability" Nanhua Caiyi said that they had strength.

"let's get closer" Ye Chen approached, he wanted to see more clearly what was happening.

When Ye Chen got closer, he saw that they had something, he could see that they had something interesting.

"A small boat" Ye Chen saw that these people were standing in front of a boat.

In this place there are a total of 15 boats, everyone is ready and has a boat at their disposal.

"Give us the boat" everyone started fighting, they compared their strength to get the boat, that way they have the right to use it.

"It seems to get a boat, we have to use force" Zhi Fuxe understood what was going on in this place, it seemed they had to use force to get a boat.

When Ye Chen's group arrived, they attracted attention, of course Ye Chen's group attracted attention because there were some tempting beautiful flowers, it was not strange that they paid close attention to Ye Chen's group.

"Are there any vacancies?" Ye Chen wanted to know if any were still vacant.

"there is one, but its condition is very bad" Lin Rouxi said to Ye Chen.

Out of the fifteen boats here, there is one boat that looks so bad, this boat is not fit for used.

Ye Chen came closer and looked at the ugly boat. It seems that this is good and can still be used.

"How strange, why don't they use profound arks?" Zhi Fuxe felt something was wrong, should everyone in this place has profound arks, why don't they use them.

"You won't be able to use a profound ark in this place, even once you use a profound ark there will be a power that crushes the profound ark that you have into rubble, plus if you fly, there will be strong winds blowing you away and it hurts so much" one of the people here told what would happen if they used the deep ark.

"Is that so, it's not strange that they don't dare to use profound arks." Zhi Fuxe finally understood why no one dared to use profound arks.

"Hey beauties, do you have time" the men here started teasing Zhi Fuxe, they teased Zhi Fuxe and asked Zhi Fuxe to be with them.

"Thank you very much for the offer, but I already have someone to be with" Zhi Fuxe rejected these people's offers, she already had someone.

These people were displeased, they were displeased at being rejected by Zhi Fuxe.

"Looks like we can use this thing, it's much better than I thought" Ye Chen said while looking at the old boat that was already ugly.

"Are you sure about that, it looks like it's already unfit for use, plus everyone seems to be avoiding and unwilling to use it" Yuan Qoli said to Ye Chen.

"Its appearance may not be convincing, but it is strong enough to withstand the waves" Ye Chen said to Yuan Qoli.

Ye Chen convinced Yuan Qoli that this was strong, this thing was strong and easy to handle used.

Yuan Qoli started to believe what is said by Ye Chen, he started to believe with what is said by Ye Chen.

"I'll fix it, it will probably be more feasible" Ye Chen said that he would fix this thing.

"Hey look at that guy, what is he doing, using an old and ugly boat, does he want to sink" some people started laughing at Ye Chen, they laughed at Ye Chen who was trying to use an ugly thing to sail.

"Leave it alone, he's a fool" one person said that Ye Chen was a fool.

"How can a beautiful woman like them follow such a fool, it's a waste" people belittled and insulted Ye Chen, they believed that Ye Chen was brainless and stupid to use such ugly things.

for them that boat used by Ye Chen is ugly, no one wants to touch that junk.

They were more interested in waiting for the right time to fight and seize the ship from the hands of other groups.

The waves at sea right now were very high, so everyone didn't just go and wait for the sea storm to subside, they might be able to easily set sail when things calmed down.

Zhao Yanyan and the others sat on the edge, they didn't have the same abilities as owned by Ye Chen, so it wasn't strange that they didn't help Ye Chen and only watched from afar.

"Yanyan, why do you think husband uses that Boat, isn't there a better one, with our current strength, we can seize one of the good ships" Lin Rouxi asked Ye Chen.

"I don't know what either planned, I will only believe in what he does" Zhao Yanyan told that he would believe in what conducted by Ye Chen.

Zhao Yanyan herself wasn't sure about this, she wasn't sure what conducted by Ye Chen, to be honest what is conducted by Ye Chen is very complicated and there is no thigh.

[Chapter 2278 Two Party With Terrible Strength](#)

"master, this old wood is excellent, if you use Yanyan and Zhi Fuxe's strength, then it can go fast" Chu Yuechan said to Ye Chen.

"This wood should react to light, if we use the strength of the two of them, we will probably be able to move quickly." Ye Chen had already thought of this, even though he was old, as long as he had the strength of Zhao Yanyan and Zhi Fuxe, then everything will work fine.

Ye Chen started repairing everything, he quickly refined the blades and added some parts quickly.

Even though it was patched by Ye Chen, everyone still didn't want to aim for that thing, they still refused to use an ugly thing and might sink any time also.

"Okay done, we just need to wait for the storm to clear before continuing" Ye Chen told to wait for the storm to clear before continuing.

"um" everyone understands, they all understand what is meant by Ye Chen.

"You got something" Ye Chen asked Zhi Fuxe, he wanted to know if Zhi Fuxe got something.

"I obtained something very important, there are two powerful party that we have to watch out for" Zhi Fuxe told him that she had obtained very important information, she had obtained very important information about the people in this place.

"tell me" Ye Chen told Zhi Fuxe to tell him, Ye Chen wanted to know what worked obtained by Zhi Fuxe.

"First there is the strongest group, they are from a mysterious Clan, but their strength is very strong with 14 people in total, that person's name is Gou Tanhe, he is a proud young master and destroys everyone who challenges him" Zhi Fuxe said to Ye Chen.

"So he is such an arrogant person, I wonder how much arrogance he has" Ye Chen wanted Gou Yanhe's year of arrogance.

"This group is quite dangerous, if possible we must avoid them" Zhi Fuxe said to Ye Chen, he told Ye Chen to avoid this group.

"Okay, okay, I understand, but if they are looking for trouble, I will kick them out" Ye Chen said to Zhi Fuxe.

Ye Chen would try not to find trouble, he would try not to find trouble with those around him.

"second group is young miss Ning, they call her miss Ning, I don't know her real name, but that woman is quite beautiful with a sword in her hand who is also beautiful" Zhi Fuxe lacked information, she didn't know the name of the woman who was the leader of the second group.

Even so the strength of the group led by this woman was strong and could be compared to Gou Yanhe.

"Let me take a look" Ye Chen has always been interested, he is interested in what is said by Zhi Fuxe.

Ye Chen searched and found a beautiful woman with a sword, this woman looked very calm and kept herself away from the mortal world.

This woman was indeed beautiful, she had a beautiful face like a goddess and straight long hair that almost touched her buttocks, the sword in her hand was also very strong, it must be a high Tier artifact and super strong from here alone, this woman must be from a super good family.

This woman wears a little purple shirt tight, the curve of her body was clearly seen by Ye Chen.

"You are absolutely right, she is indeed beautiful" Ye Chen admitted that this woman was beautiful, this woman was no less beautiful than Zhao Yanyan, this was quite surprising.

"Husband, you should be more careful, this woman is a little scary, I heard that people who tried to get closer were slashed by her" Zhi Fuxe gave Ye Chen a warning, she told that this woman doesn't disturbed.

"I understand" Ye Chen understands, he can understand what is meant by Zhi Fuxe.

Ye Chen could see that this woman didn't like her disturbed, she seems to live in her own world and does not let others in.

Young miss Ning looked at Ye Chen, she looked at Ye Chen and wanted to see if Ye Chen was looking at her.

Young miss Ning took a glance at Ye Chen, after which she ignored Ye Chen.

"Miss, is it necessary for me to teach that person a lesson?" Young Miss Ning's subordinate asked.

"That does not's required, just ignore them, it looks like the storm is about to clear up, we have to prepare" young lady Ning told them that they should be prepared.

"We understand, with a single order from young miss Ning, everyone started preparing, they were all on the defensive, they would not allow anyone else to seize their boat.

"is there more" Ye Chen asked Zhi Fuxe, he wants to know if there is more.

"Other than those two groups, there are a few more, they aren't very strong and you can ignore them for the time being" Zhi Fuxe said that these people weren't strong and wouldn't threaten them.

"if you really say that" Ye Chen will believe, he will believe what is said by Zhi Fuxe.

"hello miss, our young master invite you to go together, do you want ?" someone approached Zhao Yanyan, he said that he wanted to invite Zhao Yanyan over.

"It seems sister Yanyan is quite popular, she got invites from other groups" Zhi Fuxe said to Ye Chen.

"Looks like they're looking for trouble" I won't let them" Ye Chen said that he wouldn't let these people go looking for trouble.

"I. . ." Zhao Yanyan wanted to refuse this invitation, she didn't want to join a foreign group that she didn't even know about.

"She won't be able to come with you" Ye Chen came and saved Zhao Yanyan, he told the other side that Zhao Yanyan wouldn't be able to come.

"I'm not talking to you, so don't interfere" this man informed that he wasn't talking to Ye Chen.

"This is my business because she is mine, so don't talk nonsense to me" Ye Chen told not to talk nonsense in front of himself, Ye Chen doesn't like people like that.

"Don't be so arrogant, you might lose your life" this man made a threat to Ye Chen.

"Did I not hear, are you being threaten me, Ye Chen said to the person in front of him.

"The man in front of Ye Chen was angry with what is said by Ye Chen, he began to emit a terrifyingly strong pressure from within his body.

This strong pressure was immediately noticed by everyone, they all realized that there was a battle between Ye Chen and one of Gou Tanhe's group.

"They are fighting, this is a very interesting sight" everyone likes to see this, after a long time there are those who want to start a war.

They were all still biding their time and didn't want to start a war, it would be detrimental for them to start a war because the sea was stormy.

Young miss Ning looked at the fight that was about to happen, she saw Ye Chen who wanted to fight one of Gou Tanhe's underlings.

"what is he going to do, challenging that person is not very good for conducted" Young Lady Ning saw that Ye Chen was doing something stupid, going against one of Gou Tanhe's underlings was not a good thing, he might get into a serious problem if he did that.

"Do you know my strength now, you better go there" the man in front of Ye Chen said in a loud tone, he intimidated Ye Chen by using a loud tone.

"Hahahahahaha" Ye Chen laughed, he laughed when he heard what is said by the man in front of him.

[Chapter 2279 Gou Yanhe's People Were Looking For Trouble For Ye Chen](#)

"It's so funny, you want to bully someone with strength, are you stupid ?" Ye Chen said to the man in front of him.

"you must be afraid of the power I have" the person in front told that Ye Chen was afraid of him.

"Fear . . ., when did I say afraid, even your strength can't afford to make me tremble" Ye Chen said that if he didn't tremble with this power, this power was still not strong enough to scare Ye Chen.

Ye Chen even regarded this power as a joke to try to scare himself.

"He is so courageous" miss Ning looked at Ye Chen, she saw that Ye Chen was so courageous, she didn't expect that Ye Chen had this kind of courage.

Ye Chen's opponent is strong, if this guy is willing to make a move, then Ye Chen's history will be finished.

"you challenge me, you will accept the consequences of having dared to challenge me, no one survived when challenging me" he told Ye Chen, no one survived when anyone tried to challenge himself.

"Stop saying nonsense, you can go" Ye Chen said to stop saying nonsense, he told this guy to go right away.

"Damn it, I'm going to kill you" he launched an attack towards Ye Chen, a super powerful lightning attack launched towards Ye Chen.

This person's hands were filled with blood-like red lightning, this lightning enveloped this person's body and turned into a blood-like color.

This guy swung an arm that belonged to him to cut Ye Chen.

The moment he used the power of lightning and hit Ye Chen's shoulder, this guy's attack stopped in place.

"Huh?" He was shocked when he saw that Ye Chen could withstand the attack that belonged to him, it should be that his attack was already strong to crush Ye Chen.

"Impossible, how could he do that thing" miss Ning wanted to know, why Ye Chen could do that thing, it was so unreasonable.

Ye Chen resisted a strong attack just by relying on the body, this is obviously very difficult for others to accept.

The enemy used even more power, he used even more power to kill Ye Chen.

It's a pity that his attack was unable to move, there was a force protecting Ye Chen.

"why . . .?" he didn't know why Ye Chen was able to withstand such a powerful attack, it should be that this powerful attack would not be able to withstand by Ye Chen.

"I told you that you were looking for the wrong enemy" Ye Chen raised a hand that belonged to his enemy.

Ye Chen was too unreasonable, he used his own hand to touch the enemy's profound lightning, whoever saw this thing would definitely not believe what they saw.

"this is impossible, how could this happen" everyone was astonished at what Ye Chen did, they all could hardly believe what they saw, how could Ye Chen do those things.

"you won't know what's going on" Ye Chen said that the enemy in front of him would not know what happened.

"Then die" this guy used more power, he used more power that belonged to him to fight Ye Chen.

The person in front wanted to kill Ye Chen, he used the full strength he possessed to kill Ye Chen.

"you'd better go there" Ye Chen used the power that belonged to him, he punched this guy towards the sea.

The enemy in front of Ye Chen did not have a resistance to the attack that Ye Chen launched.

Everyone couldn't help but bark when they saw what Ye Chen was doing, Ye Chen punched the enemy.

"no. . ." The enemy shouted, he didn't turn around and headed towards the sea that had high waves.

The sea in this place is different from the ordinary sea, those who enter will find it difficult to be able to rise to the surface.

"No help me . . ." This guy asked for help, he oscillated into the middle of the sea and couldn't climb up, like there was a force sucking himself down.

Gou Yanhe told to save the person, it would be troublesome if he died in such a way.

"Yes" all men of Gou Yanhe began to leave, they provided a favor for their companion who had just been tossed by Ye Chen.

Because the ocean was so chaotic, making a rescue a little difficult, those who tried to save their companions were instead dragged by the waves as well.

"why?" Gou Yanhe didn't know why this all happened, people who were trapped in the middle of the sea were very difficult to save, the waves and storms in the middle of the sea became difficult things to make rescues.

"see there is something underwater" some people see something underwater, they see a huge shape that resides underwater.

"a monster" everyone sees that the shape below is getting bigger and bigger, It has a terrible size.

"no. . ., don't get close" the men of Gou Yanhe directly tried to swim away from the monsters, it's a pity that this monster is so big.

The monster below opened its mouth, suddenly this monster sucked water, a huge whirlpool appeared and swallowed it all, the person in the middle of the sea had no chance to run and was sucked down.

Everyone saw this thing, they all fell silent when they saw what happened, the monster just now was so big and ate a cultivator easily.

After the monster disappeared, the storm began to disappear.

Everyone was still silent, they all didn't know what happened just now, it seemed that in the sea there were countless powerful and terrible monsters.

"Isn't this bad, there are powerful monsters on the sea, if we use that small boat, we will probably be eaten like the previous person" Zhao Yanyan said to Ye Chen.

Ye Chen looked towards the sea, the sea calmed down once, the storm and also the waves had stopped.

Although it seems that it has calmed down a lot, the reality is that everyone dare not come forward, they dare not take the risk to come forward.

"If that happens, we just need to fight them, let's move forward" Ye Chen said to everyone.

They've already gotten here, so they'd better move forward.

Ye Chen became the first person who dared to do this thing, he did this thing without having a fear in his heart.

While the other group was still thinking, they were not as brave as Ye Chen and thought of a way to survive.

"Damn it, that guy has dared to challenge me" Gou Yanhe was angry with Ye Chen, Ye Chen had killed one of the members of this group, the evil possessed by Ye Chen could not be forgiven.

"Yanyan, Fuxe, please use the power of light you have" Ye Chen said to Zhao Yanyan and Zhi Fuxe.

"okay, we get it" they both understood, they understood what Ye Chen wanted.

Zhao Yanyan and Zhi Fuxe used the power of light, both of them used the power of light and began to shine on the wood.

The wood that had previously looked old began to become fresher, this became more immediate and instantly rushed forward at an incredible speed.

"What the hell, how could it happen" Everyone couldn't believe what they saw, they couldn't believe what had just happened.

How could Ye Chen make such an old and ugly small boat be good, what is the secret that can make Ye Chen do such a thing.

[Chapter 2280 Start Sailing On The Sea](#)

How could Ye Chen make such an old and ugly small boat be good, what is the secret that can make Ye Chen do such a thing.

Ye Chen had already passed away leaving the mainland, now he was already in the middle of the sea and it was impossible to chase.

"we also have to get a ship" now there are only 14 when, they have to scramble to be able to use that time.

Great warfare could not be fought, they fought for ships for themselves.

"hold them" Gou Yanhe and the miss Ning were also attacked, they were attacked by fools who were willing to plunder their ships.

Ye Chen saw that when the battle had started, everyone was scrambling to get their ships.

"Your master made a perfect choice, otherwise we might still be fighting there" Nanhua Caiyi praised Ye Chen, she didn't expect that Ye Chen would be so smart and make them free from fighting.

"I have already planned this thing, this way we will be safe" Ye Chen had already planned this thing, he had already planned this thing quite carefully.

"By the way, what will happen to us, this ocean is so vast and our boat is small enough" Zhao Yanyan saw that this small enough boat was a little cramped in this place.

"It's okay, we have to share space, this place is indeed small, so you guys have to share space, I'll keep an eye around, it seems that under the sea there are a large number of monsters and maybe right now this is eyeing the ship we are on" Ye Chen told him that he was going to guard.

This task is quite heavy, so Ye Chen himself will complete this task, he can't let this ship sink or be eaten by monsters.

Zhao Yanyan and Zhi Fuxe have the task of ensuring that this ship can move, the two will take turns to provide power for power for the ship.

Ye Chen used the power that belonged to him to give a boost, by using the power of the wind, he made this ship move quickly.

"If it continues like this, we may soon get to the end" at this speed, they will soon get to the end, so they don't have to worry.

"Um . . ." Zhao Yanyan and the others agreed with what Ye Chen said, both agreed that they would quickly relax.

Ye Chen is now watching the place around this place, he makes sure that there are no monsters or strange things approaching.

While some women start chatting, they do this to overcome boredom.

They are now in the middle of the sea, they can't move much and can only sit and this is boring as hell.

"That's why they decided to exchange life experiences, it would be very useful once for each other.

"They are so cheerful" Chu Yuechan looked at the group of women, she could see that they were very cheerful once.

"we are in a place like this, it's quite fun to see them can be cheerful in this kind of situation" Ye Chen himself was happy, he was happy about this.

When the situation calmed down, Ye Chen felt that there was a huge monster approaching in front.

" there are monsters approaching, you all have to prepare" Ye Chen told that everyone must be prepared, they must not be caught off guard because there is a monster in front.

Hearing the warning from Ye Chen, everyone began to become vigilant, they began to become vigilant and finally they saw some big sea fish monsters and there were super large sharks that began to attack their small boats.

This shark attacked Ye Chen's small boat, the Shark tried to sink Ye Chen and the others.

"this must not be allowed, I will not allow this thing" Ye Chen wouldn't let this happen, he used a lightning spear to attack the Shark.

Using a spear, Ye Chen pierced Shark's body.

Because of the pain, the Shark immediately rises to the surface, the Shark has a white color.

"ugly monster, you are looking for the wrong opponent" Ye Chen told that this monster had been looking for the wrong opponent.

"Rumble. . ." Ahead there was a roar, it seemed that storms and high waves were about to reappear.

"bad, there is a storm ahead, is it necessary for us to detour" Xia Qingyu told Ye Chen, in front of there was a storm, their ship probably wouldn't be able to defend against the waves and storms in the middle of the sea like this.

"Don't worry, we can't go back, we can only break in and get through the storm.

"this is too risky for all of us" Lin Rouxi said to Ye Chen, this small boat would be very difficult to withstand the storm, so they'd better think of a way.

"I'm going to use a visor" Ye Chen told that he was going to use a visor.

Ye Chen used the power that belonged to protect this ship, using the power of inheritance that belonged to him, it should be that this ship should be able to survive the storm.

The storm approached and lunged at Ye Chen, this small ship was hit by a strong storm.

The barrier created by Ye Chen succeeded in resisting this storm, this barrier is very strong and able to withstand the super strong storm that occurred.

"it works very well" Ye Chen was happy that it worked so well, Ye Chen didn't have to worry and could focus on moving forward.

The barrier set up by Ye Chen worked so well, all the women were relieved and felt very safe once when they were inside Ye Chen's barrier.

The huge storm continued to rage, the ship used by Ye Chen really encountered a bad thing.

"The storm lasted for several days, after a few days the storm finally completely subsided".

And they were finally freed from the terrible raging waves.

"it's finally done, I seem to be seasick" Cheng Mengyan had a problem, it seemed that she was seasick from being swayed by the storm for these few days.

All the women are also limp, they are all quite tired, they didn't expect that sea trip would become like this.

"Hahahaha, you seem to be having trouble" Ye Chen saw that Zhao Yanyan and the others were having trouble.

"Husband, how can you still be excited, aren't you tired?" Zhao Yanyan asked Ye Chen.

Ye Chen was too strong, he persisted long enough and didn't have any trouble.

"Hehehehe, I'm quite used to it, so I'm not as tired as you guys" Ye Chen told her that he was not as tired as the women.

"I envy" Zhao Yanyan was quite envious of the power possessed by Ye Chen.

"let's eat, I brought some provisions for the trip this time" Lin Rouxi said to everyone, she brought a lot of provisions and took everyone to eat.

"This is great, the storm has also stopped, let's have a little fun" All the women agreed, they lined up neatly and began to wait for food.

Ye Chen also came along, they probably need a little rest before continuing on this journey.
