

True God 2281

[Chapter 2281 Miss Ning Was Stranded At Sea](#)

"let me try how the dishes owned by the teacher" Ye Chen wanted to try the dishes owned by Lin Rouxi, the dishes owned by Lin Rouxi should not disappoint.

"it's so delicious" after trying, Ye Chen found that the dishes owned by Lin Rouxi were delicious.

"it's really delicious, how do you make it" the women from Yellow Lake Sect asked Lin Rouxi, they wanted to know how Lin Rouxi made this thing, if possible they wanted to learn.

"it's just ordinary dishes, there is nothing special about this dish" Lin Rouxi said that this is just ordinary cuisine, there is nothing special about this.

Although Lin Rouxi said this way, the women of Yellow Lake Sect wanted to know, they didn't know that dishes could be cooked deliciously like this.

Yellow Lake Sect, has a green place and is full of fruits and vegetables, in addition to medicine, they supply other things for the benefit of Sect, so it is not strange that they are interested in what Lin Rouxi makes.

"if you are indeed interested, I don't mind teaching you guys" Lin Rouxi will teach, as a teacher, she really likes teaching.

This is Lin Rouxi's dream after all, she has always wanted to teach cooking classes.

"Thank you so much" they looked happy, the lady from Yellow Lake Sect was happy that Lin Rouxi was willing to help them.

They continue to eat food, they really have fun and don't care much about the area around.

If it were another group, they would definitely not dare to relax, if they relaxed they could be eaten by these ocean-waiting monsters.

All of them ate with gusto, they all ate with gusto and were finally full.

"the cooking from the teacher is indeed the best, I like this" Ye Chen likes this, he likes what Lin Rouxi cooks.

Lin Rouxi was very happy as hell, she was happy with the praise given by Ye Chen, this made Lin Rouxi feel ascending to the sky.

"Shock . . ." they began to feel a shock, it seemed that we hit something, Ye Chen took a look, he wanted to know what happened.

"hmmm . . ." when Ye Chen looked, he found a person floating in the middle of the sea.

"Who is this. . . ?" Ye Chen used a stick, he wanted to know whether this person was still alive or not.

This woman didn't react, she was floating and looked weak.

Ye Chen raised this person, when Ye Chen raised this person, he found that this was Miss Ning.

"why is she in the middle of the sea" Ye Chen wanted to know why this woman was in the middle of the sea, how could it be in front quickly.

"Who did you raise" Zhi Fuxe asked Ye Chen, he wanted to know who Ye Chen had just appointed.

"look, I didn't expect this woman in here" Ye Chen told that he didn't expect that this person was in this place.

"Why can he be in this place, what's going on" Zhi Fuxe was taken aback, she was quite surprised when she saw what was in front of her.

Ye Chen smiled, it was not strange that Zhi Fuxe was taken aback, it was quite strange to see this woman stranded in the middle of the sea, just for her not to be eaten by monsters.

"she is beautiful" Ye Chen saw Miss Ning, if you look closely, she is beautiful.

Miss Ning has slightly purple black hair, a perfect beautiful face and no flaws, all of which are perfections in the eyes of men.

"why can this guy be stranded in front of us, roughly what happened" Ye Chen wanted to know what happened, why this beautiful woman was stranded.

"If you want to ask about it, you have to wake her up" Zhao Yanyan said to Ye Chen, she told Ye Chen to wake up Miss Ning.

"you are right, I will wake her up" Ye Chen agreed with what Zhao Yanyan said, he had to wake up Miss Ning first.

Ye Chen checked the condition of this beautiful woman, he wanted to know what happened.

"so that's it, it seems that she drowned and drank too much water" Ye Chen said and began to see what happened to Miss Ning.

"Then I only need to take out the water in his body" Ye Chen only needs to remove the water in miss Ning's body.

Ye Chen gave first aid, he pressed Miss Ning slightly on the abdomen and also the chest.

When Ye Chen pressed the chest of this beautiful woman, he felt a very nice tenderness.

"Boing. . ." A chewy voice sounded intermittently.

"Oh. . ., this is great" Ye Chen was satisfied once, the taste of touching this thing was very chewy.

"see . . ." Zhao Yanyan saw Ye Chen, she saw what Ye Chen was doing.

"why are you looking at me like that" Ye Chen asked Zhao Yanyan, he wanted to know why Zhao Yanyan looked at Ye Chen in such a way.

"didn't you seize a chance" Zhao Yanyan said to Ye Chen.

"Cough . . ." Ye Chen coughed when listening to the remarks coming out of Zhao Yanyan.

"No way, I help people, I am a good person" Ye Chen told Zhao Yanyan that he was trying to help.

Zhao Yanyan smiled when she saw Ye Chen, the smile possessed by Zhao Yanyan had a lot of meaning.

Ye Chen had to be a little careful, he might have to be careful to take advantage of miss Ning.

"Why didn't she wake up" Ye Chen felt strange, this should be enough to wake him up.

"maybe he needs artificial breath" Zhao Yanyan said to Ye Chen.

"why don't you do it" Ye Chen told Zhao Yanyan to do it.

"why me. , just you" Zhao Yanyan refused, she told Ye Chen to do it.

"I don't want to." Zhi Fuxe refused, she didn't know what to do, here Ye Chen knew better about the conditions of this woman than everyone.

"If you all don't want to, then I just" Ye Chen didn't miss this opportunity.

Zhao Yanyan smiled when she saw this, she let Ye Chen help Miss Ning.

Ye Chen kissed the beautiful woman in front of him, although he had just met, he kissed and gave Miss Ning a favor.

Ye Chen kissed Miss Ning, their two lips met and Ye Chen began to give Miss Ning a breath.

When that time, Miss Ning suddenly became aggressive, she subconsciously kissed Ye Chen with a rough move.

Ye Chen didn't think that this woman would do this thing, how could she do something like this, whether she did this thing according to instinct or something else.

Ye Chen couldn't let this happen, he began to give a fight by kissing this woman.

The two kissed for a few minutes, Ye Chen didn't expect that this woman was safe to be aggressive, this was something Ye Chen couldn't imagine.

Miss Ning only dreamed that she was kissing someone, she didn't expect that she would kiss Ye Chen directly and it was done without full consciousness.

With a little encouragement and help from Ye Chen, Miss Ning took out a lot of water.

"Cough . . ." A loud cough sounded, Miss Ning began to sober up and looked around.

When she looked around, she found a strange figure around, she even saw a handsome man in nearby.

"Ahh . . . , you . . . ?" Miss Ning saw Ye Chen, she didn't expect that she would see Ye Chen.

"Hey calm down" Ye Chen tried to appease Miss Ning, this woman was too vigilant.

"what's going on. . ." Miss Ning asked Ye Chen.

[Chapter 2282 Ning Yi](#)

"It should be me who asked you that, what exactly is going on in this place, why did you get there" Ye Chen asked Miss Ning.

"wait a minute" Miss Ning tried to remember what happened.

"I remember" Miss Ning finally remembered what happened, she finally remembered what happened.

"I met a very strong storm and was blown away, after which I don't remember what happened" Miss Ning said to Ye Chen, she told what happened.

"it's not strange that you can get to the front first" Ye Chen finally understood why this woman got to the front, it turned out that this was the reason.

"I thank you for wanting to help me" Miss Ning said that she was very grateful for what Ye Chen did, what Ye Chen did meant a lot to her.

"I understand, we should help each other" Ye Chen said to Miss Ning, they should help each other.

Miss Ning began to look around, she found that there were so many beautiful women on this small boat, to be honest, Miss Ning didn't expect that Ye Chen would have so many beautiful women, it's not strange that so many men feel jealous of Ye Chen.

"oh yes, what's your name ?" Ye Chen asked Miss Ning, he wanted to know what this woman's name was.

"my name is Ning Yi" Miss Ning told her name, she told me that di was Ning Yi.

"Ning Yi, I am Ye Chen it's nice to meet us" Ye Chen introduced himself, he introduced himself in front of Ning Yi.

"Um. . ." Ning Yi nodded lightly, she remembered the name possessed by Ye Chen.

Ning Yi touched her lips, inexplicably herself feeling something wrong.

"hello, I'm Zhao Yanyan, it's nice to meet you" Zhao Yanyan, Lin Rouxi and others began to introduce themselves to Ning Yi.

Ning Yi understood, she remembered all the women on this ship.

"Is it okay that I'm in this place" Ning Yi asked Ye Chen, it seemed that this ship was small and there were already too many people.

"It doesn't matter, if you meet your people, maybe you can come back, now that we are in the middle of the sea, we can't go back or leave you" Ye Chen said to Ning Yi.

Their current position is in the middle of the sea, Ye Chen is unlikely to leave Ning Yi in the middle of the sea.

"thank you" Ning Yi thanked Ye Chen, she thanked Ye Chen who was so kind.

Ning Yi sat aside, this woman seemed to be trying to distance herself from the others.

Ye Chen looked at Ning Yi, he could see that this woman was trying to be alone and distanced herself from the world.

"Why is she like that" Ye Xiu asked Ye Chen, Ye Xiu had already seen Ning Yi for a while, so it was not strange that she felt strange to this woman.

"I don't know, but it seems that he is trying to keep her distance, it seems that she has her own problems" Ye Chen said.

Ning Yi may have her own problems, that's why she kept a distance from them.

"you'd better go and start to comfort her" Ye Xiu said to Ye Chen, she told Ye Chen to comfort the woman.

Ye Xiu could feel that this woman was lonely, that's why she kept a distance from others.

"okay, I'll try it" Ye Chen understood, he was going to try it, Ning Yi did seem lonely, she did seem lonely when Ye Chen saw her more clearly.

Ye Chen came over, he approached Ning Yi and sat directly next to this woman.

"why are you here ?" Ning Yi asked Ye Chen, she wanted to know why Ye Chen was in this place.

"Nothing, I just want to talk to you, it seems that you need a friend" Ye Chen said to Ning Yi.

"I don't need that" Ning Yi told her that she didn't need that.

"you are trying to dodge, obviously you currently need that thing, I can see clearly from the way you dodge" Ye Chen told Ning Yi.

Ning Yi never thought about this, she would rather be alone and not care much about what was around.

Ning Yi feels that she has a world of her own, so it is not strange that she stays away from others.

"Honestly, what you did is not good for yourself" Ye Chen told that what Ning Yi did was not good.

"why?" Ning Yi asked Ye Chen, she wanted to know why this thing was not good.

"Isn't it obvious that everyone needs others, you should know that and start opening up to outsiders, I believe you can definitely do it" Ye Chen said to Ning Yi.

Ning Yi thought of what Ye Chen said, she wanted to know if she could do that thing, it seemed that it was a thing that was not easy to do.

"can I do that thing" Ning Yi said that she might not be able to do that.

"I'm sure if you can do that" Ye Chen told that Ning Yi would definitely be able to, he believed that Ning Yi would be able to open up to outsiders.

Ning Yi saw Ye Chen, when she looked at Ye Chen, she blushed, inexplicably she was embarrassed when she looked at Ye Chen's face.

Ning Yi never felt this way, roughly what happened to her, how come she became like this.

Ning Yi couldn't stay with Ye Chen, she decided to leave and stay away from Ye Chen.

Ning Yi drove towards the place of Zhao Yanyan and the others, it can be seen that she was trying to hide herself from Ye Chen.

Ye Chen smiled like he had succeeded in making this woman embarrassed.

"Master, do you think this woman is from the Ancient Clan, I feel a familiar power" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that Ning Yi was from the ancient Clan .

"Is that so, if it is true, then she is indeed well-deserved, he has such strength at this age, it seems that he is indeed from the ancient Clan " Ye Chen agreed with what Chu Yuechan said.

"It's not strange that he tried to keep his distance, it seems that he doesn't want you to know about him" Chu Yuechan told the reason why Ning Yi kept a distance from Ye Chen and the others.

"I'm getting more and more curious, maybe I can figure it out" Ye Chen became more curious, he wanted to find out about the matter.

"Roar . ." A monster appeared in front of them, everyone stood up instantly when they saw a monster appearing in front of them.

"The monster that appeared this time is a sea snake of super large size, the size of this monster is bigger than a mountain and longer than anything else.

"This monster" Ning Yi said that she had seen this monster.

"Have you seen it" Ye Chen asked Ning Yi, he seemed to see this monster.

"I've seen it, this is a powerful monster with a hard body, I fought back before and couldn't kill it, I finally escaped from this monster" Ning Yi told what happened.

"So that's it" Ye Chen understood, he finally understood that this is a powerful monster.

"You all have to be careful" Ning Yi told everyone to be careful.

"Let's solve this" Ye Chen took out the Black Dragon Sword, he was going to solve this quickly.

All the women made room for Ye Chen, they knew that Ye Chen was going to fight this monster.

[Chapter 2283 Ning Yi Was Shocked By Ye Chen's Strength](#)

"What do you want to do?" Ning Yi said to Ye Chen, she wanted to know what Ye Chen was going to do, isn't it obvious, I will defeat this monster.

Ye Chen said to Ning Yi, he told her that he would go and defeat this big snake monster.

"No, you can't do that thing, the monster has a very strong body, physical attacks will not be able to penetrate it" Ning Yi said to Ye Chen.

"Why do you know that ?" Ye Chen asked Ning Yi, he wanted to know why Ning Yi could know about this matter.

"that's because I've tried it before" Ning Yi told Ye Chen that she had tried it, so she knew what happened.

Ning Yi had already tried to slash this monster, this monster was very powerful and the slash made by Ning Yi could not afford to inflict injuries on the body of this monster.

Ning Yi told everything she knew, she hoped that Ye Chen would not make the same mistakes as she had done.

"So that's the case, then I have to thank you for what you said, I will remember what you said" Ye Chen didn't listen to what Ning Yi said.

Ning Yi didn't believe that she was ignored by Ye Chen, even though she had already told what she knew, it was a pity that Ye Chen didn't listen to what she said.

He tried to do a stupid thing by challenging a powerful monster that had a super strong defense that even Ning Yi had trouble penetrating.

"why don't you guys stop him" Ning Yi asked the women in Ye Chen's Party, why didn't they stop Ye Chen from doing stupid things.

"why should we stop it" Zhao Yanyan and others asked, they didn't have a reason to stop Ye Chen,

"you" Ning Yi didn't believe this, what's the matter with the Party owned by Ye Chen, why are they so strange, even Ning Yi was confused by the Party owned by Ye Chen.

Ye Chen began to take out the Black Dragon Sword and prepare, it was time for Ye Chen to defeat the monster.

Ye Chen began to take a breath, he took a breath and began to enter the Dao sword.

"One God Slash" Ye Chen directly showed the power that belonged to him, he made a powerful slash towards the giant sea snake in front.

"Slash . ." by using One God Slash Ye Chen easily once split the body of the giant sea snake.

"Huh?" Ning Yi was taken aback when she saw what Ye Chen was doing, she couldn't believe it when she saw what Ye Chen was doing.

"how is it possible, how can he do that thing easily" Ning Yi didn't believe what he saw, how could Ye Chen do those things so easily, this is a very difficult thing for Ning Yi to explain.

"okay, it's done" Ye Chen finally finished it, he had killed the giant sea snake and continued on his way.

"I think it's strong, let's go back to eat" All the women went back to eat, they didn't seem to care much about the previous thing.

Ning Yi was still confused, she didn't know what happened, what happened just now was too much for Ning Yi.

They resumed on their way, while Ning Yi was still confused about what had just happened.

"Is that monster different from the one I have encountered" Ning Yi thought, the sea snake monster just now may be of a different kind from the one he encountered, it is the only thing that can be explained at the moment.

"what's wrong with you" Ye Chen asked Ning Yi, Ning Yi looked strange and puzzled.

"it's okay" Ning Yi's Can tell Ye Chen that she was fine, she was just thinking for a while.

The journey this time has become very easy, Ning Yi feels that it is much easier than before.

"The journey this time is so easy, is it because of them?" Ning Yi began to think that this trip became easy because of the existence of Ye Chen and the others.

To be honest, the Party owned by Ye Chen is too good, this is very powerful and unreasonable, so it is not strange that they can easily pass through the vast ocean.

Sea travel takes a long time, they need 5 days for this trip.

In this period of 5 days, Ning Yi began to get along with the women around, inexplicably they were easy to talk to and didn't think Ning Yi was special, they thought that Ning Yi was an ordinary woman like them.

"I see a land ahead" Ye Chen told that he saw a landmass, he saw a land ahead.

"are we there yet, finally" All the women on the boat are happy, they have spent a lot of time at sea, to be honest it is very boring once.

"Yanyan, Fuxe, increase speed" Ye Chen told Zhao Yanyan and Zhi Fuxe to pick up speed.

Zhao Yanyan and Zhi Fuxe did what Ye Chen said, they began to pick up the speed of the boat by using their strength.

Ye Chen used the wind power he had, he used the power of the wind and the boat became very fast once and quickly once came to the end.

A few minutes later, Ye Chen and the others finally set foot on the mainland.

"finally, I thought I was going to die" Cheng Mengyan was very happy, she was really satisfied with the land, she prefers the land compared to the ocean with high waves.

"there are so many high hills waiting for us" Ye Chen saw that there were countless high hills waiting for them.

"let's rest for a while first" Ye Chen told that they would rest for a while in this place, they needed a short rest in this place.

"I agree once, let's set up a tent" Zhao Yanyan agreed with what Ye Chen said, everyone needs a little rest, being in a small boat must have made everyone feel tired.

All the women in the Party were very happy with the decision made by Ye Chen and Zhao Yanyan, they did need a short rest.

They started setting up a tent, they set up a tent for themselves.

Ye Chen is looking for a good place, he is looking for the best place that is safe and can monitor around.

Ning Yi herself looked at the sea, she wanted to know if they were okay or not.

"you wait for your people" Ye Chen asked Ning Yi, he wanted to know if Ning Yi was waiting for her people.

"Of course, I want to know if they survived or not" Ning Yi wanted to know whether they survived or not.

"Maybe they are back, the terrain is quite difficult" Ye Chen told Ning Yi that it was very likely that these people had returned to the place of origin.

"No, they can't possibly do that thing" Ning Yi didn't believe that if they did that thing, if they did that thing, they might get into trouble.

"Then you can wait for them, if you are willing to join, you can join us" Ye Chen said to Ning Yi.

Ye Chen left Ning Yi near the shore, he and his woman were more focused on making tents and resting.

[Chapter 2284 Husband, You Don't Need To Hold Back, I Will Make You Comfortable](#)

"This place seems safer compared to other places" Ye Chen saw that this place was very safe, there were no monsters around this place.

"Isn't it good, we can rest comfortably and peacefully, we ourselves are constantly living in vigilance, I think it's a good thing" Zhao Yanyan likes this thing, she prefers to live in a safe place like this.

"you are absolutely right, it seems that it is very safe here once, then I don't have to hold back anymore" Ye Chen said to Zhao Yanyan.

"Husband, what do you want to do?" Zhao Yanyan asked Ye Chen, she wanted to know what Ye Chen was doing.

"hehehehe" Ye Chen chuckled, he pulled Zhao Yanyan closer to himself.

"ahhh no" Zhao Yanyan yelled, she tried to break away from Ye Chen.

"you won't be able to break away from me" Ye Chen told Zhao Yanyan, Zhao Yanyan would not be able to break free from Ye Chen's hand.

"you are getting more and more naughty" Zhao Yanyan told that Ye Chen was getting more and more naughty, he became more and more naughty and unrestrained, this made Zhao Yanyan helpless.

"Hehehehe, you already know it" Ye Chen said to Zhao Yanyan, it should be Zhao Yanyan already knew about Ye Chen.

"you can't be helped" Zhao Yanyan said to Ye Chen who was in front of her.

Zhao Yanyan began to hug the waist possessed by Ye Chen, she began to be affectionate with Ye Chen and showed her own love for Ye Chen.

Zhao Yanyan is so beautiful, want to see wherever Zhao Yanyan is a beautiful and perfect woman, Ye Chen is lucky to be able to get a woman like this.

Ye Chen and Zhao Yanyan looked at each other, the two looked at each other and started to kiss.

"Chuuuuu . . ." Ye Chen and Zhao Yanyan began to do an adult kiss, both of them had a mature kiss and were full of love.

Ye Chen began to insert his tongue, meanwhile Zhao Yanyan began to welcome the tongue possessed by Ye Chen, their two tongues intertwined into one and began to perform kisses full of passion.

Zhao Yanyan is no longer a rookie, of course she has a very good technique once, Zhao Yanyan's technique cannot be underestimated and she has become very aggressive once.

Zhao Yanyan was very satisfied once, she was very satisfied with what Ye Chen did.

"it's so good, my head seems to melt" this time Zhao Yanyan was very satisfied once, what Ye Chen did was so comfortable, Zhao Yanyan enjoyed this thing and she felt that this was so beautiful.

"Yanyan, you are so awesome, give me, the best kiss you have" Ye Chen told Zhao Yanyan to show the best kiss he had.

"Um. ." Zhao Yanyan understood, she began to give the best kiss she could do.

The technique possessed by Zhao Yanyan became more and more very good, Ye Chen who kissed her was very satisfied once, she was really interested in this thing.

Ye Chen and Zhao Yanyan were too engrossed, they really enjoyed this moment of two.

Ye Chen began to stretch out a hand that belonged to her, he touched the Zhao Yanyan double peak .

"Wow, Yanyan, it's getting bigger, it seems that this can grow again" Ye Chen said to Zhao Yanyan.

Zhao Yanyan's grows up, this will probably become perfect as time.

"That's because you touch this continuously, husband is indeed the most naughty" Zhao Yanyan said to Ye Chen.

"Am I not allowed to touch this thing" Ye Chen asked Zhao Yanyan, whether he shouldn't touch Zhao Yanyan's two beautiful and perfect double peaks.

"Of course it's okay, you have to be better, don't squeeze it too strongly, ahhh , no. . ." Zhao Yanyan said to Ye Chen, she told Ye Chen not to do it hard, it was very powerful and made Zhao Yanyan have a problem.

Ye Chen smiled when he saw Zhao Yanyan's reaction, it seemed that he had made Zhao Yanyan feel at ease, this way he might be able to do Zhao Yanyan quickly.

Zhao Yanyan was already very excited once, she was already excited and wanted to do it with Ye Chen immediately.

"ahhh . . ." Zhao Yanyan's screams echoed and she couldn't help herself, what Ye Chen did was too comfortable, Zhao Yanyan couldn't hold back and let out a lewd and seductive voice.

The voice that belonged to Zhao Yanyan made Ye Chen become excited, Ye Chen was excited and became more passionate when he listened to the voice that belonged to Zhao Yanyan.

"No, I can't stand it anymore. ." Zhao Yanyan couldn't stand it anymore, she couldn't stand it anymore and reached the top quickly.

This is too strong and too comfortable, no woman can survive Ye Chen's attack for a long time, that's why Zhao Yanyan also couldn't hold on for long when receiving stimulation from Ye Chen, it was because this was too beautiful for Zhao Yanyan.

"Yanyan, it seems to have given up" Ye Chen said to Zhao Yanyan, it seemed that Zhao Yanyan gave up so quickly.

"That's because you are too strong" Zhao Yanyan said to Ye Chen, she told that Ye Chen was too strong, Zhao Yanyan naturally couldn't stand it.

"Isn't it the same, you lost" Ye Chen told that Zhao Yanyan lost.

Zhao Yanyan pouted when she listened to what Ye Chen said, she was quite sullen when listening to Ye Chen's words.

"This time I am the one who will attack" Zhao Yanyan was unwilling to accept this defeat, she was going to fight back what Ye Chen did.

Ye Chen was pushed by Zhao Yanyan, using the power that belonged to Zhao Yanyan, Ye Chen was pushed down.

Zhao Yanyan wants a rematch, this time she is going to beat Ye Chen.

"we'll see if you can survive" Zhao Yanyan said to Ye Chen, she told whether Ye Chen could survive or not.

"wife, what are you doing" Ye Chen asked Zhao Yanyan, he could see that Zhao Yanyan was planning something.

"Fufufufufu" Zhao Yanyan laughed, she laughed triumphantly.

Zhao Yanyan knew the weak points possessed by Ye Chen, so it was not strange that she started to attack Ye Chen.

Zhao Yanyan attacked Ye Chen's younger brother who was below, she began to untie Ye Chen's belt and began to touch Ye Chen's big long and strong thing.

" this is already so excited, does what I did make you excited" Zhao Yanyan was happy, it seemed that Ye Chen was excited because of herself.

"you little teaser" Ye Chen saw Zhao Yanyan, what Zhao Yanyan did was too strong, Ye Chen couldn't bear it and was naturally excited about what Zhao Yanyan did.

Zhao Yanyan began to help Ye Chen, she showed her own technique in front of Ye Chen, she began to shake Ye Chen's thing using super soft hands.

"oh . ." Ye Chen naturally couldn't stand what Zhao Yanyan did, what Zhao Yanyan did was too strong, he couldn't possibly last long with a touch from Zhao Yanyan.

Zhao Yanyan smiled, she knew that Ye Chen would not be able to hold on for long, Zhao Yanyan's technique had already been strengthened and she knew Ye Chen's weakness, defeating Ye Chen should be a piece of cake for Zhao Yanyan.

"I have to endure" Ye Chen had to endure, he couldn't let Zhao Yanyan beat herself quickly.

"Husband, you don't need to hold back, I will make you comfortable" Zhao Yanyan used beautiful words, she used beautiful words in Ye Chen's ear.

Zhao Yanyan's words were like a whisper, she began to whisper to Ye Chen and teased Ye Chen to be even more energetic.

[Chapter 2285 You Two Had Fun And Didn't Invite Us](#)

Ye Chen is now trying to resist the temptation given by Zhao Yanyan, although it looks difficult, Ye Chen is trying to restrain.

Zhao Yanyan saw Ye Chen, she saw that Ye Chen still persisted strong enough, it seemed that Ye Chen had a very good resilience in fighting Zhao Yanyan.

"I won't let you survive" Zhao Yanyan would not let Ye Chen survive so easily, she kept trying to tease Ye Chen and make Ye Chen comfortable.

Zhao Yanyan's hand moved quickly once, she began to move her hands quickly and made Ye Chen comfortable.

the movements made by Zhao Yanyan became faster and faster, she tried to please Ye Chen by using all the abilities she had.

"This is great" Ye Chen was very satisfied with what Zhao Yanyan did, he was very satisfied with what Zhao Yanyan did, what Zhao Yanyan did was too comfortable and too great for Ye Chen.

Zhao Yanyan looked at the reaction shown by Ye Chen, she felt very happy about the reaction shown by Ye Chen.

"Isn't it very comfortable once" Zhao Yanyan asked Ye Chen, she was sure that this was very comfortable.

"this is indeed very comfortable, Yanyan, you did a great thing" Ye Chen told Zhao Yanyan, he told her that this felt very comfortable.

"then you won't hold back anymore" Zhao Yanyan said to Ye Chen, she told Ye Chen not to hold back anymore and took it all out.

"It's not that easy, I won't lose easily" Ye Chen told that he would not lose easily, he still had a force to fight back.

"husband, You is stubborn, you should be more obedient" Zhao Yanyan said to Ye Chen, she told Ye Chen to be even more obedient.

"just try it" Ye Chen told Zhao Yanyan to try it, he wanted to see what Zhao Yanyan was going to do.

Zhao Yanyan is looking for a way, she is looking for a way to deal with Ye Chen.

After thinking for a while, Zhao Yanyan finally had some ways to deal with Ye Chen.

"then I will tease you more" Zhao Yanyan said that she would tease Ye Chen more, she used the double peak to tease Ye Chen.

Ye Chen began to worry, it seemed that Zhao Yanyan began to show the abilities he possessed, to be honest, Ye Chen had difficulty resisting the strength and abilities possessed by Zhao Yanyan, the abilities possessed by Zhao Yanyan were too strong for Ye Chen.

"you will definitely give up soon" Zhao Yanyan said that if Ye Chen was about to give up, she began to use the best technique she had.

Ye Chen felt happy and satisfied, Zhao Yanyan used her double peak to clamp the big thing owned by Ye Chen, this feeling is the best, Ye Chen likes it.

"Slurp . . ." Zhao Yanyan began to enjoy Ye Chen's, she enjoyed Ye Chen's.

"It's so big" Zhao Yanyan said to Ye Chen, Ye Chen's is so big and so delicious.

"you are getting better and better" Ye Chen said to Zhao Yanyan, the technique possessed by Zhao Yanyan is indeed top-notch.

"hehehehe" Zhao Yanyan smiled, she was very happy when she received the compliment from Ye Chen.

Zhao Yanyan continued to help Ye Chen, she ate Ye Chen's big thing and served Ye Chen's thing wholeheartedly.

Zhao Yanyan did everything very well once, she provided a very convenient mouth service once.

"um . . ." Zhao Yanyan licked and began to eat Ye Chen's, she did it quite deeply.

"oh, this is great" Ye Chen likes what Zhao Yanyan does, Zhao Yanyan does a good thing.

Zhao Yanyan helped Ye Chen for about 10 minutes, after which Zhao Yanyan began to become tired.

"Cough . . ." Zhao Yanyan felt tired, she felt tired from helping Ye Chen.

"it's tiring, he is really strong" Zhao Yanyan saw that Ye Chen became stronger and stronger.

Zhao Yanyan struggled to help Ye Chen, she coughed a few times and couldn't afford to continue anymore.

"I'll find another way" Zhao Yanyan had to find another way, she had to find another way to make Ye Chen happy.

Zhao Yanyan thought of some ideas, a little later, Zhao Yanyan came up with a very good idea.

"Very good, I found a very good idea" she found a good idea.

"Husband, come here" Zhao Yanyan said to Ye Chen, she told Ye Chen to lie on her lap.

"What is this?, what are you going to do ?" Ye Chen asked Zhao Yanyan, he wanted to know what Zhao Yanyan was going to do.

"Come with me" Zhao Yanyan told Ye Chen to follow what she said.

Ye Chen followed what Zhao Yanyan said, he began to lie on the Zhao Yanyan lap .

Zhao Yanyan again helped Ye Chen by using her hands, while she teased Ye Chen by using her two double peaks.

Ye Chen looked at what Zhao Yanyan had, the two things owned by Zhao Yanyan were too tempting, Ye Chen wanted to taste it.

Ye Chen began to eat the Cherry buds that were in front of him, he sucked and enjoyed this.

"Emmm . . ." Zhao Yanyan trembled, what happened was too strong for Zhao Yanyan, Zhao Yanyan couldn't stand what Ye Chen did.

"this is too strong" Zhao Yanyan couldn't bear it, what Ye Chen did was too strong.

Ye Chen was so excited, he liked what Zhao Yanyan did.

The plan possessed by Zhao Yanyan went very smoothly once, she successfully teased Ye Chen by using new tricks.

Ye Chen was excited, the stimulation given by Zhao Yanyan made herself unable to stand it anymore.

"oh. . ." Ye Chen reached the limit of hers, she made Zhao Yanyan's hand sticky.

"Emmm, you took out enough" Zhao Yanyan licked her hand, she tasted Ye Chen's Yang Qi, it's so delicious.

What Zhao Yanyan did was too tempting, Ye Chen couldn't stand what Zhao Yanyan did.

"Wife, I can't stand it anymore, let's do it" Ye Chen pounced on Zhao Yanyan, he began to do exercises with Zhao Yanyan.

"Giggle, you are too excited, I won't run away, so take it easy" Zhao Yanyan said to Ye Chen.

"you are getting more and more Sexy, it seems that I have to train you to be obedient" Ye Chen said to Zhao Yanyan, he was going to train Zhao Yanyan to be obedient.

Ye Chen just started directly, he just put his own thing into Zhao Yanyan.

"Ahhh . . ., too fast" Zhao Yanyan shouted, she couldn't stand what Ye Chen was doing.

Ye Chen started to move quickly, Zhao Yanyan's honey cave was very good and flushed Ye Chen vigorously.

"husband, you are too rude" Zhao Yanyan said to Ye Chen, she told Ye Chen that she was too rude.

Ye Chen didn't care, he didn't care about what happened and started to make Zhao Yanyan comfortable.

The two began to enjoy their time, until they realized that there were some people peeping.

"It seems that you guys are having a good time, you should have taken us too" Cheng Mengyan, Ye Xiu, Nanhua Caiyi came, they joined the battle.

"come help me, she is too powerful" Zhao Yanyan asked Cheng Mengyan for help, and the others, she would not be able to cope with Ye Chen alone.

Cheng Mengyan, Ye Xiu, Nanhua Caiyi came, they joined the battle.

Ye Chen was happy, he started to do all the women that belonged to him.

[Chapter 2286 You All Don't Want To Join](#)

Zhi Fuxe, Lin Rouxi, Su Yuya in outside, they did not join the battle and chose to stay here.

"you all don't want to join" Zhi Fuxe asked Lin Rouxi and Su Yuya.

"No, we won't join, they are enough, I'm afraid I won't make a move tomorrow" Lin Rouxi had an excuse for not participating in the game that happened.

"It seems that you are afraid" Su Yuya saw that Lin Rouxi was afraid.

"Sister, don't make fun of me, you know own strength, so it's better just here" Lin Rouxi said to Su Yuya.

"yes, I know, the last time I couldn't wake up, it was a little annoying" Su Yuya said to Lin Rouxi.

"but you two should like it" Zhi Fuxe said to Su Yuya to Lin Rouxi.

"ahhh, that" Su Yuya at Lin Rouxi didn't want to answer, both of them were embarrassed to admit it.

"I guessed that you guys wouldn't want to say it" Zhi Fuxe had already guessed this, she had already guessed that they would not dare to admit it.

Zhi Fuxe herself knew how delicious it was to do that thing with Ye Chen, it was a very pleasant thing once and Zhi Fuxe liked that feeling.

"We don't need to discuss that, let's get everything done so that we can relax" Lin Rouxi needs help, they have to solve everything quickly.

"we understand" they all understand, they get everything done quickly.

Mu Nianci and Xia Qingyu were currently in the tent, they could listen to Ye Chen's voice together with Zhao Yanyan.

"They started again" Xia Qingyu heard that Ye Chen started again, inexplicably Ye Chen liked it so much.

"Do you want to join them" Mu Nianci said to Xia Qingyu.

"Ahhh . ., why should I join them" Xia Qingyu looked panicked when she listened to the remarks from Mu Nianci.

"I see if you want to join, you won't be able to lie" Mu Nianci said to Xia Qingyu, she could see clearly that Xia Qingyu wanted to join.

Xia Qingyu's face turned red, she couldn't believe that she was discovered so easily by Mu Nianci.

"how do you know that" Xia Qingyu asked Mu Nianci.

"it can be seen clearly from the attitude and also what you do, I know that you are very fond of her" Mu Nianci could tell from the movements and actions made by Xia Qingyu.

"so that's it" Xia Qingyu finally knew why Mu Nianci could know this, it seemed that she was dismantling this matter in front of Mu Nianci.

"you yourself how ?, don't you want to" Xia Qingyu asked Mu Nianci.

"I . . ." Mu Nianci was speechless, she didn't know what to answer in this kind of situation, to be honest she had trouble answering Xia Qingyu.

"why ?" Xia Qingyu asked Mu Nianci, she wanted to know the answer from Mu Nianci.

Xia Qingyu and Mu Nianci have been together for a long time, the relationship between the two can be said to be very close, so there is no need to keep anything secret between the two of them.

"to be honest I'm not ready, you know that I still have a little problem with it" Mu Nianci said to Xia Qingyu.

Mu Nianci ran into a problem, to be honest, she was still not ready and not mature enough to do that thing.

Although she is an adult, the reality is that Mu Nianci is still very ordinary.

Mu Nianci is still a layman in a love relationship, so she is still not ready.

"so that's the case, then you don't have to worry, I will help you, I believe that if we can repair our relationship with Ye Chen" Xia Qingyu will help, she will help repair their relationship.

"it seems that we have to find some time by ourselves" Xia Qingyu thought, she might need time to be alone with Ye Chen.

"Thank you so much" Mu Nianci thanked Ye Chen, the two began to chat other issues.

.

.

Ye Chen, Zhao Yanyan, Cheng Mengyan, Nanhua Caiyi, Ye Xiu had a relationship for 1 full day, they were too tired and needed rest.

"It's been a long time, your thing messed up once" Cheng Mengyan said to Ye Chen, she told that Ye Chen's thing messed up and made them all feel tired.

"you are all great, it was so fun just now" Ye Chen told me that it was so fun just now.

Zhao Yanyan, Cheng Mengyan, Nanhua Caiyi, Ye Xiu smiled, they were also happy about what happened.

"want to continue? " Ye Chen asked Zhao Yanyan, Cheng Mengyan, Nanhua Caiyi, Ye Xiu.

"Go away, we are already tired" Zhao Yanyan, Cheng Mengyan, Nanhua Caiyi, Ye Xiu said to Ye Chen, they all told Ye Chen to leave, they were already very tired and now this needs more rest.

"hahahaha" Ye Chen smiled it seemed that they were all angry about what happened.

Zhao Yanyan, Cheng Mengyan, Nanhua Caiyi, Ye Xiu are tired, they need more rest, so it's better for Ye Chen to leave them for this time.

Ye Chen came out, outside he saw Lin Rouxi who was doing something.

"dear teacher" Ye Chen approached Lin Rouxi, he stunned Lin Rouxi from behind.

"Ahh . . , you, why do you always do those things, you are so naughty" Lin Rouxi said to Ye Chen.

"what are you doing" Ye Chen asked Lin Rouxi, he wanted to know what Lin Rouxi was doing.

"I'm making some food for us, you must also be hungry" Lin Rouxi said to Ye Chen.

"it just so happens that I was full just now" Ye Chen told that he had just been fully charged by Zhao Yanyan, Cheng Mengyan, Nanhua Caiyi, Ye Xiu.

"you are really naughty" Lin Rouxi used cooking utensils to hit Ye Chen.

"Why ?" Ye Chen asked Lin Rouxi, why did Lin Rouxi hit himself.

"that's because you are naughty" Lin Rouxi told that Ye Chen was so naughty once, she actually thought of such a thing.

"oh yes, dear teacher why don't you come" Ye Chen asked Lin Rouxi.

"I'm not coming, I'll pack you up when we go back" Lin Rouxi had her own reasons for not coming, maybe later she would pack Ye Chen when they had already returned home.

"I can't wait to look forward to it" Ye Chen told that he couldn't wait to look forward to it.

Lin Rouxi flushed, it seemed that she had just made a mistake.

"go there, don't bother me" Lin Rouxi told Ye Chen to leave.

"okay, I get it" Ye Chen understood, he left Lin Rouxi behind.

After teasing Lin Rouxi, Ye Chen walked around this place, it was a coincidence that he saw Zhi Fuxe who was looking towards the sea.

"what's the matter" Ye Chen approached Zhi Fuxe.

"I'm looking at Ning Yi" Zhi Fuxe told me that she was looking at and watching what Ning Yi was doing.

"it seems that he is waiting" Ye Chen saw that Ning Yi was waiting, she was waiting for her partner.

"is it possible that they survived" Zhi Fuxe asked Ye Chen, he wanted to know Ye Chen's opinion on this matter.

"I don't know about this matter, I'm honestly not sure if they survived or not" Ye Chen didn't know, he didn't know whether they survived or not in this incident.

"do we need to go and leave her" Zhi Fuxe asked Ye Chen.

"how about we wait for her for a while, we stay here safely a few more days" Ye Chen said to Zhi Fuxe.

Ye Chen saw that Zhao Yanyan, Cheng Mengyan, Nanhua Caiyi, Ye Xiu couldn't go on, they still needed a lot of rest so in the meantime Ye Chen would be here while waiting.

"if it's a decision you made, I will follow it" Zhi Fuxe told that he would follow the decision made by Ye Chen.

Chapter 2287 Gou Yanhe's Group Finally Arrived

3 days quickly passed, in these three days Ye Chen, within these three days, Ye Chen saw a lot of very interesting things, he saw a few people who came near the shore.

The conditions they had were quite poor, they were wounded and tattered, it seemed that they had finished fighting and survived in the middle of the dangerous sea.

"about what they went through to be like this" Su Yuya weighed on Ye Chen, she could see that everyone was in such a bad condition, they were really in super bad condition and might be desperate.

"It's very likely that they just experienced a bad thing, it must be what made them up to that way" Ye Chen was very sure that if these people encountered a bad thing, they must have just fought with powerful monsters and super-big waves.

The journey this time is so great, everyone probably won't forget this in their lives.

Everyone has already arrived at the beach, just like Ye Chen, they made a tent temporarily, they want to recuperate and the injuries they have, this is one way to survive.

Now this Ning Yi is still waiting, she is still waiting for clarity from the Clan teammates whose circumstances are currently unknown.

"Are they okay or not" Ning Yi was helpless, it was so difficult to search for the whereabouts of people among the vast ocean like this, looking for them might be one of the difficult things to do.

"It's been a few days, are you going to stay here or do you want to come with us" Ye Chen approached Ning Yi, he told Ning Yi to come along.

Ye Chen passed an umbrella to Ning Yi, he made sure that Ning Yi was not hot.

"Thank you very much, I'll wait a little longer" Ning Yi told that he would wait a while, if there was really no progress, then he would give up and just leave directly together with Ye Chen.

"then I'll wait" Ye Chen said to Ning Yi, he told her that he would wait for Ning Yi.

"why are you doing this ?" Ning Yi asked Ye Chen, why didn't Ye Chen just go, he should have been able to leave, but he instead stayed in this place together with Ye Chen.

"I can't possibly leave a girl like you, this place is dangerous, your life may be threatened if you stay in this place for too long" Ye Chen told Ning Yi, he told why he wanted to wait.

Ning Yi's face flushed, Ning Yi flushed when listening to what Ye Chen said, inexplicably she was even more embarrassed when facing and meeting Ye Chen head-on, this has never happened to Ning Yi.

Ye Chen went back to wait, he was going to make time for Ning Yi.

Fortunately, Zhi Fuxe and the others could accept this, so Ye Chen didn't have to worry too much about this and could wait for Ning Yi.

"How ?" Zhao Yanyan asked Ye Chen, she wanted to know whether Ning Yi was willing to join or not.

"he asked for a little time" Ye Chen told that Ning Yi needed a little time.

"so that's the case, then everything is fine" Zhao Yanyan understands, she understands and can accept it all.

"Let's wait a little longer, it's no different to wait a little longer, after all, other groups still don't want to move, they are still waiting in this place because the vicinity of this place is much safer compared to other places" Zhao Yanyan said to Ye Chen.

"they are afraid to come forward, I can know the reason, I know why they did that thing, it seems that they are waiting for the group from Gou Yanhe" Ye Chen estimated what happened.

Aren't they one of the strongest groups, whether they survived or not.

Zhao Yanyan wanted to know whether they survived or not, considering that the ocean is a dangerous place.

With their strength, they should have about 50% chances, as well as Ning Yi's group" Ye Chen told the chance they had.

"50% is a very big opportunity once, with such a big chance, they should be fine" with such a big opportunity, they should be about to arrive.

.

.

1 day quickly passed, Ning Yi began to lose hope and she might have to accept it.

In these few days, no group dared to approach Ning Yi, they were afraid that if they did something they would be slashed by this woman.

So all the groups decided to stay away and keep a distance from Ning Yi.

Only Ye Chen alone dared to approach, he was the only person who talked to Ning Yi normally.

"look at it, the group from Gou Yanhe has finally arrived" All the groups looked at the baot from Gou Yanhe Party.

They saw that Gou Yanhe and all the clansmen survived and would reach the mainland in the near future.

"They finally arrived" Ye Chen saw that the group from Gou Yanhe finally arrived, they finally arrived in the mainland.

Gou Yanhe's group looked pretty bad, their hair and clothes looked messed up, it seemed that they had encountered something bad on the way this time.

Ye Chen laughed when he saw this, it seemed that they had encountered a problem and lost a few people too.

Everyone lost their companions in the middle of the sea, the search was impossible and they all had to accept this fate with airiness.

Gou Yanhe and his group are quite tired, they have gone through hard days, on this trip it can be said that this is the most tormenting for all of them, they are exhausted physically as well as mentally.

So it's not strange that their situation has become like this.

After Gou Yanhe came, then all the ships were docked, there were only a few that did not come, there were two possibilities between them being submerged or destroyed by monsters.

"never mind, it seems that they are not here" Ye Chen said to Ning Yi, he told that they were not here and maybe they would not be able to accompany Ning Yi.

Ning Yi looked at Ye Chen, it seemed that what Ye Chen said became a truth.

"then I'll come with you guys" Ning Yi told that she was going to come with Ye Chen.

"Oh, isn't this Miss Ning, where are the members of your group, did they sink, it seems so" Gou Yanhe said to Ning Yi, he saw that the members of Ning Yi were drowning in the sea.

"Gou Yanhe take care of that talk of yours" Ning Yi said to Gou Yanhe, she told Gou Yanhe to keep the words coming out of his mouth.

"I'm just telling the truth, you have to accept that thing" Gou Yanhe said to Ning Yi.

Ning Yi gritted her teeth, she didn't seem to be happy with what Gou Yanhe said.

"already, don't hear what he said" Ye Chen said to Ning Yi, he told Ning Yi not to listen to what Gou Yanhe said.

Ye Chen successfully persuaded Ning Yi, he successfully made Ning Yi calm down and willing to listen.

[Chapter 2288 Gou Yanhe Challenged Ye Chen](#)

Gou Yanhe was surprised when he saw that Ye Chen could make Ning Yi obedient, it should not be easy for Ning Yi to be obedient to outsiders or strangers.

"who is this person?, he is able to make Ning Yi be obedient, what is the secret" Gou Yanhe wanted to know the secrets possessed by Ye Chen, how could a person like Ye Chen make Ning Yi obedient.

It's not strange that Gou Yanhe is curious about the secrets possessed by Ye Chen, he wants to know the secrets possessed by Ye Chen.

how did Ye Chen have many beautiful goddesses by his side, plus he succeeded in making the indifferent and arrogant Ning Yi obedient.

"hi you wait first" Gou Yanhe said to Ye Chen, he told Ye Chen to stay here temporarily.

"what's the matter, do you have anything to do with me" Ye Chen asked Gou Yanhe.

"you are still asking about it, it is obvious that I have business with you" Gou Yanhe said to Ye Chen, he told him that he had something to do with Ye Chen.

"What is that?, I don't have much time for you" Ye Chen said that he didn't have much time for Gou Yanhe.

Gou Yanhe raised an eyebrow that belonged to him, he not satisfied that Ye Chen would say these things, Ye Chen's words proved that Ye Chen wanted to fight Gou Yanhe.

"Very good, it seems that you are indeed looking for a problem with me, because of that thing, I won't hold back anymore" Gou Yanhe said that he would not hold back anymore.

"what do you want to do" Ye Chen asked Gou Yanhe.

"Isn't it obvious, I want to teach a lesson to someone like you" Gou Yanhe said that he wanted to teach Ye Chen a lesson.

"why is it" Ye Chen asked Gou Yanhe, he wanted to know the reason.

"You still ask, you have made one of us wretched, it is your turn to accept your punishment" Gou Yanhe said to Ye Chen, he was going to punish Ye Chen for what happened.

"Is that so, are you capable of doing that" Ye Chen said to Gou Yanhe, he was sure that Gou Yanhe would not be able to do that.

"Don't underestimate me, I'm much stronger than the previous person" Gou Yanhe said to Ye Chen, he told Ye Chen that he was much stronger than Ye Chen.

"He is indeed strong" Ning Yi said to Ye Chen, Ning Yi told Ye Chen that Gou Yanhe was strong.

"why if he is strong ?, do I care about it" Ye Chen said that he didn't care about it.

Ye Chen's tone looked like he didn't care about Gou Yanhe.

Gou Yanhe naturally felt angry about what Ye Chen did, how could Gou Yanhe not be angry when someone dared to say those things.

Gou Yanhe lives in power, no one dares to say such things to himself until now.

"Very good, you are brave enough, I will kill you and * everything you have, I see that you have a lot of beautiful women around" Gou Yanhe said to Ye Chen.

Gou Yanhe was attracted by the beauties around Ye Chen, he was more interested in them than Ning Yi.

The ancient clan had a bad relationship with each other, so it was not strange that they could not unite and Gou Yanhe would not be able to get together with Ning Yi.

"You are really too arrogant and greedy, what you have can make you wretched in this place" Ye Chen said to Gou Yanhe.

"Do I care about this thing?, I don't care about this thing at all, I will get what I want" Gou Yanhe doesn't care much about this, as long as he gets what he wants, that's enough.

Gou Yanhe took out a very long sword from the Space Ring, the sword issued by Gou Yanhe was very long and had at least a length of about 3 meters.

"Are you ready, this will be your grave" Gou Yanhe said to Ye Chen.

"I won't let you" Ning Yi would not let Gou Yanhe kill Ye Chen.

Ning Yi wanted to protect Ye Chen, nothing bad must happen to Ye Chen who had been helping herself.

"you are in the way, get out of the way" Gou Yanhe said to Ning Yi, he told Ning Yi to get out of the way and not to interfere with his affairs with Ye Chen.

"Then pass me first" Ning Yi told Gou Yanhe to pass herself first.

"if it's what you want, I won't hold back" since Ning Yi wants to fight, Gou Yanhe will fight this woman.

"wait a minute, let me take care of this person" Ye Chen said to Ning Yi, he would take care of this person.

"He is a tough opponent" Ning Yi said to Ye Chen, he told Ye Chen that Gou Yanhe was a tough opponent.

"I can handle it, you don't have to worry" Ye Chen said to Ning Yi, he told Ning Yi that he could solve this problem.

Ye Chen came forward, he was going to face Gou Yanhe by using his own sword.

The Black Dragon Sword was taken out by Ye Chen, Ye Chen took out the Black Dragon Sword and prepared to fight Gou Yanhe.

"so you decided to fight with me, that's great, don't let me down" Gou Yanhe said to Ye Chen, he told Ye Chen not to let himself down.

"I won't let you down, I will make sure that you will experience bad things that you would never imagine" Ye Chen said to the Black Dragon Sword.

"Hahaha, it's so interesting, it's really what you can do, can you beat me" Gou Yanhe said to Ye Chen.

"this sword in my hand is enough to kill you" Ye Chen told that this sword in his hand was enough to kill him.

"what you said, didn't I hear it wrong" Gou Yanhe said to Ye Chen, he shouldn't have listened to what Ye Chen said wrong.

"you heard it right, I'm going to break your two legs" Ye Chen said to Gou Yanhe.

"then I will kill you" Gou Yanhe said that he was going to kill Ye Chen.

Gou Yanhe used the long sword in his hand, he just directly attacked Ye Chen using a long sword.

Gou Yanhe swung the long sword, he was eyeing the head that belonged to Ye Chen.

Gou Yanhe swung his sword vigorously and quickly, in just a short time it was already a few inches away from near Ye Chen's neck.

When the sword was 2 inches away from Ye Chen's head, Ye Chen stepped back slightly, he used a light and silent step to dodge Gou Yanhe's attack.

"Impossible, how could it be?" Gou Yanhe was shocked when he saw Ye Chen who was able to dodge the attack, it should be that the attack just now could easily cut Ye Chen's neck.

"so slow" Ye Chen said that Gou Yanhe's attack was slow.

"Damn it, this is just the beginning, I still keep a lot of things for you" Gou Yanhe told Ye Chen that he still had a lot of deadly attacks.

He was not stupid to use them all at the beginning of the battle.

"Then why don't you show me, I want to see how you attack, or you just brag" Ye Chen said.

Gou Yanhe was provoked by what Ye Chen said, to be honest, Gou Yanhe couldn't let Ye Chen be on top.

"you will regret that you have challenged a super powerful young master like me" Gou Yanhe said to Ye Chen.

[Chapter 2289 Cut Off The Enemy's Leg](#)

"super strong, has he never gone out and seen the outside world, he seems to be bragging" Ye Chen saw that Gou Yanhe was a fool who was good at bragging.

"I don't think he is bragging, he probably doesn't know the world yet and he seems to be spoiled like a young master in most" Chu Yuechan said to Ye Chen, she told that Gou Yanhe really didn't know about the world yet, it was not strange that he was like this.

"Then we see what this guy can do, to be honest, I also want to know the strength of the ancient Clan, I see that they have a huge amount of strength, whether it is true or not" Ye Chen wanted to know if the ancient Clan had decent strength.

"I hope you won't be disappointed, it seems that the strength of those in front of you may be lacking" Chu Yuechan said to Ye Chen.

"Taste this, Flame Cut slash" Gou Yanhe slashed at Ye Chen, he used a fire slash to Ye Chen, he used a super powerful Flame slash towards Ye Chen.

Ye Chen stretched out a hand that belonged to him forward, a super strong flame slash was restrained by using his bare hands.

"your hands will be destroyed" Gou Yanhe was pleased with what was done by Ye Chen, Ye Chen's hands would definitely be destroyed when he received Gou Yanhe's attack.

Ning Yi tried to help Ye Chen, she didn't want Ye Chen to be ruined by the attack from Gou Yanhe.

"Dingg. . ." the attack from Gou Yanhe was resisted by Ye Chen, the super powerful attack carried out was resisted by Ye Chen using his bare hands by Ye Chen.

The Flame attack was resisted by Ye Chen, Ye Chen resisted Gou Yanhe's attack easily.

Ye Chen snapped his fingers, he snapped his fingers and directly smashed Gou Yanhe's attack.

Gou Yanhe and Ning Yi were shocked by what happened just now, they couldn't believe what they saw, it was obvious that what they saw was a very difficult thing to believe.

"Impossible, how could this be, how come you can afford to withstand the attack I have" Gou Yanhe didn't believe it, the powerful flame sword slash attack was crushed by Ye Chen.

"Have you never seen someone who is able to withstand the attacks you have" Ye Chen said to Gou Yanhe.

Gou Yanhe gritted his teeth, how could all this happen, this must be an illusion made by Ye Chen.

"I must not be afraid and demoralized" Gou Yanhe tried to encourage himself, he tried to encourage himself.

No matter what, the spirit possessed by Gou Yanhe must not be extinguished.

"Thunder saber Sword" Gou Yanhe began to look for other ways to defeat Ye Chen, he coated his sword with lightning.

Gou Yanhe's legs were also coated by lightning, it seemed that he wanted to use speed to fight Ye Chen.

"Focus, I can definitely split his body with this one attack" Gou Yanhe tried to focus more, he was sure that the attack this time could be to split Ye Chen's body.

"this time I will definitely end" Gou Yanhe said to Ye Chen, he would end Ye Chen by using this attack.

"you are too confident, sometimes excessive self-confidence is not good" Ye Chen told that too much self-confidence is not good.

"Shut up, I don't want to listen to the babbling you have" Gou Yanhe told him that he was reluctant to listen to Ye Chen's words.

"Whatever, let's get this done, prepare to lose something" Ye Chen said to Gou Yanhe.

Ye Chen prepared to use the Black Dragon Sword.

Ye Chen and Gou Yanhe looked serious, they were both waiting for the right time to attack.

Ye Chen waited, in the meantime Gou Yanhe was unwilling to attack.

Since Gou Yanhe was unwilling to attack Ye Chen, Ye Chen decided to attack Gou Yanhe, he used his sword to attack Gou Yanhe.

Seeing Ye Chen coming forward, Gou Yanhe decided to go forward too, he decided to come forward and confront Ye Chen by using the Saber sword in his hand.

"I really benefited once in this regard" Gou Yanhe benefited so much, his long sword had the advantage to fight Ye Chen.

Using a long sword, the attack distance from Gou Yanhe will be very wide, he can reach Ye Chen even if Ye Chen is far away.

Ye Chen knew what Gou Yanhe was thinking, he was already ready to counterattack.

"dead" Gou Yanhe swung his sword, he took into account every right angle so that Ye Chen could not run.

"Time Vision " Ye Chen's used the ability of Time Vision, he saw at a glance what the future would happen and was done by Gou Yanhe.

"I saw it" Ye Chen smiled, with the help of Time Vision, he saw what Gou Yanhe was going to do.

Ye Chen just swooped down directly, below was one of the places that Gou Yanhe couldn't reach.

"damn how could he look down" Gou Yanhe did not take into account that Ye Chen was going to lower his head, with this Gou Yanhe, had to change his attack towards the lower arabs.

As Gou Yanhe slashed towards the bottom, Ye Chen stepped to the right quickly, after which he jumped up and made a slash towards Gou Yanhe's foot.

"Slash . ." Ye Chen's slash hit Gou Yanhe's right leg, Gou Yanhe's right leg was not helped and had to be cut off.

"Arghh . . ." Gou Yanhe screamed, the pain began to spread and spread throughout his body.

"damn it....." Gou Yanhe cursed, he cursed fiercely once.

Gou Yanhe lay on the ground holding one of his legs.

"it hurts so much, anyone, help me" Gou Yanhe told his Clan members , he asked them to help him.

he cried like a child.

The people around saw what happened, they didn't expect that the battle would become like this, the result this time was within their reach, they couldn't believe that Ye Chen successfully defeated Gou Yanhe.

"accept that" after defeating Gou Yanhe, Ye Chen went together with Ning Yi.

Ning Yi barked, she still didn't want to believe that Ye Chen successfully interrupted Gou Yanhe's leg.

Ye Chen and also Ning Yi left from this place, the people around began to give Gou Yanhe a favor, they made sure that Gou Yanhe was cured, otherwise they might get a serious problem.

Ye Chen returned to the base, he had defeated Gou Yanhe and got a victory.

"you did something too far, that person will definitely try to get revenge on you" Ning Yi said to Ye Chen.

Ning Yi was sure that Gou Yanhe would definitely find a way to take revenge on Ye Chen.

"if he still dares to look for trouble, maybe next he won't see the light anymore" Ye Chen said to Ning Yi.

"Gou Yanhe has great strength behind, although he is not that strong, there are strong people protecting him" Ning Yi said to Ye Chen.

"you don't have to worry too much about the trouble that happened, I will deal with the trouble that happened" Ye Chen told Ning Yi not to think too much about the problem, he was going to settle his affairs with Gou Yanhe.

Gou Yanhe's target is Zhao Yanyan, as a good man, Ye Chen will not be able to let Gou Yanhe succeed.

"I'm just giving a warning to you, I hope you hear it" Ning Yi only gave a warning to Ye Chen, she hoped that Ye Chen would listen to her warning.

"I'll remember what you said" Ye Chen would try to remember what was said by Ning Yi.

[Chapter 2290 Xiao Luilin](#)

"Very good" Ning Yi was happy with the answer given by Ye Chen, she was satisfied with Ye Chen's answer.

"Are you finished, I see if you fight someone again" Zhi Fuxe said to Ye Chen.

"It's done, it's just a little bully trying to annoy you , so it's easy to clean up" Ye Chen said that he had already dealt with the little bully.

"then let's go forward" Zhi Fuxe took Ye Chen and everyone to continue on their way.

Everyone agreed, they started to follow Zhi Fuxe, now it is Zhi Fuxe who is leading the way for them.

Zhi Fuxe became the leader of the road, they passed several mountains around.

" Such a big place, approximately how many mountains are around?" Xia Qingyu saw that in the distance it was full of large and high mountains, there were so many mountains that it was difficult to count.

"inside the mountain are several profound crystals" Ye Chen said that there are several profound crystals in the mountain, the number of profound crystals is not too much, but almost in every mountain there are several if they are all in the mine, they will probably get a lot.

"how much is it" Xia Qingyu asked Ye Chen, she wanted to know the number of profound crystals at hand.

"It's not too much and it's going to pass the time, we'd better continue, it will be a waste of time to do some digging" Ye Chen said that there are not many of them, so it's better for them to continue on their way.

"okay" Xia Qingyu understood, she no longer asked because Ye Chen had already answered everything.

"There are no monsters around this place, isn't it weird" Ye Chen saw that this place was very quiet, there were no monsters around.

This place is really very clean, they have never seen any monsters or animals around this place.

"you are right, it's very peaceful here, we have already flown for 1 hour and have not encountered any monsters or magical beasts" Zhao Yanyan agreed with what was said by Ye Chen.

During the 1-hour drive, they didn't see any monsters, everything seemed calm, no one seemed to live around here.

Only the silence alone can be felt by everyone, if there is no them, then it will definitely be empty around here.

Ye Chen used God Eyes, he searched every corner to find what was around, Ye Chen didn't find anything.

"is this a safe zone or the like" Ye Chen wanted to know if this was a safe zone, most likely this was a safe zone so that there were no monsters around.

"It's okay, we can continue this journey quickly" Ye Chen said that they could continue this journey easily and quickly.

Everyone agreed with what was said by Ye Chen, they could indeed continue on their way faster,

They continued to fly forward, imperceptibly they had already passed tens of thousands of mountains around, until now they did not see the end.

"Like no end" this place is spacious, they can't see the end of this place.

"wait a minute" Ye Chen told everyone to stop.

"Why?" Zhao Yanyan asked Ye Chen, she wanted to know why Ye Chen told them to stop.

"there is something in front of there" Ye Chen told me that there was something ahead.

"what is that" Ning Yi asked Ye Chen, he who had such a strong strength couldn't feel what Ye Chen felt.

"why don't you just go out, show yourself" Ye Chen said to the person who was hiding, he told this person to come out quickly and reveal herself.

"oh, so I was found, it's interesting to see someone can find my whereabouts" a voice came from the front.

More precisely it came from behind a dense fog.

All the women finally understood, it turned out that in front of there were people, they didn't feel it.

If it weren't for Ye Chen, they probably wouldn't have sensed the existence of the other party.

"There are humans living here?" Zhao Yanyan hopes that there will be humans living in this kind of place.

"No, it's not a human being, the existence is much stronger" Ye Chen said to Zhao Yanyan.

"Then what is it?" Zhao Yanyan asked Ye Chen.

"I'm not informed" Ye Chen told him that he lacked information about this.

"the woman with wings, whether she is a demon or a fairy" Chu Yuechan said to Ye Chen.

"I don't know, I'm going to make her out" Ye Chen told her that he was going to make this woman come out.

Ye Chen let out a huge wind force, he blew away the fog around and made a huge wind dome to pull the other party from the hiding place.

"Arhhhh" a scream sounded, Ye Chen just hit the woman hiding.

"you dare" a woman fell to the ground, she wore a black colored dress and also had wings on her back.

This woman's body is a little short, she is not very tall and has a nice and perfect thin body shape.

"who are you ?" Ye Chen asked the woman in front of him, he wanted to know who she was.

"I am the guard of this place, my name is Xiao Luilin" this woman told Ye Chen who she was, she told her that she was a guard.

"Oh, so you are the guard of this place, great, then drive us out of this place" Ye Chen told Xiao Luilin to drive them out of this place.

"Don't you know who I am, I am the guard of this place, I won't let you pass, you all have to go back, or you will experience pain" Xiao Luilin said to Ye Chen and the others.

"Little sister you'd better get out of the way" Ning Yi said to Xiao Luilin.

"Little sister?, dare you to say that way, I won't forgive you" although Xiao Luilin is indeed small, she will not forgive people who have called herself a Little sister.

"bird cage" Xiao Huilin's showed strength, she made a bird cage around Ye Chen and the others.

An iron cage emerged from the ground and confined Ye Chen and the whole woman

"she seems to be angry" Ye Chen saw that Xiao Luilin was angry.

"you have angered me, I won't let you go" Xiao Luilin said that she would not let Ye Chen go.

"Come on, you don't have to do this thing" Ye Chen said to Xiao Luilin, she didn't have to do this.

"Shut up, I won't let go of you, feel this" Xiao Luilin began to shrink the birdcage that confined Ye Chen.

"bad, this cage is getting smaller and smaller, if it goes on like this" Su Yuya said to Ye Chen, if this cage gets smaller and smaller, it will be a problem for all of them.

"I understand" he knew what to do in this situation.

"we'd better just stop this, I don't want to fight you" Ye Chen said to Xiao Luilin.

"you all are here, if you don't fight me, you won't be able to get ahead" Xiao Luilin said to Ye Chen.

"If it really has to be, then I won't hold back" since Xiao Luilin didn't want to cooperate, then Ye Chen wouldn't hold back.
