

## True God 2291

### [Chapter 2291 Arrived At The Garden Of Goddess](#)

Ye Chen used his hands, he started to bend the iron in front of him.

"Clanks . . .", the strong iron made by Xiao Luilin began to bend.

"no way, how did you do that" Xiao Luilin couldn't believe what Ye Chen was doing.

His iron cage should be very strong, there's no way it was bent by Ye Chen.

Ye Chen's physical strength was already getting stronger, his body was actually growing and getting stronger

Ye Chen bent the bird cage, after which they all came out of the cage.

"No way, this can't be happening" Xiao Luilin couldn't believe it, this was the first time she saw someone who could get out so easily.

"Alright, time to teach the naughty girl a lesson" Ye Chen announced that he would teach the naughty girl a lesson.

"What would you do ?" Xiao Luilin started to fear Ye Chen.

"Let's see" Ye Chen used the Nine Shadow Steps, he currently appeared right behind Xiao Luilin's body.

Xiao Luilin didn't notice Ye Chen coming, she didn't realize that Ye Chen was already behind her body.

Ye Chen caught Xiao Luilin from behind, he used the Passion Goddess technique to restrain Xiao Luilin.

Using the Passion Goddess technique, Xiao Luilin's body started to grow weak and helpless he became so weak and unable to move

"what did you do to me?, why am I so weak ?" Xiao Luilin asked Ye Chen, her body became weak and helpless in Ye Chen's hands.

"I hope you are prepared, because this is going to be painful" Ye Chen said to Xiao Luilin.

Ye Chen bullied Xiao Luilin, he made a threat to Xiao Luilin.

Xiao Luilin became afraid of the threats that were given by Ye Chen, she was afraid of the threats that were given by Ye Chen.

Ye Chen wasn't kidding when threatening Xiao Luilin, he started to show off his skills.

"No . . ., let me go." Xiao Luilin said to Ye Chen.

Ye Chen pinched Xiao Luilin, it was very uncomfortable and made Xiao Luilin feel crazy.

"Are you going to give up or should we continue ?" Ye Chen spoke to Xiao Luilin.

"fine, I give up, I don't want to fight, please let me go" after a while Xiao Luilin finally give up, she couldn't endure the punishment given by Ye Chen.

"Hehehe, this is very easy" Ye Chen felt that this was very easy, he had successfully defeated Xiao Luilin.

Ye Chen took out a rope, he started tying Xiao Luilin's body.

"Okay, now show me a way out, if you obey, I will let you go" Ye Chen said to Xiao Luilin, he told Xiao Luilin to show him the way.

As long as Xiao Luilin pointed the way, he would directly let Xiao Luilin go.

Xiao Luilin pouted, inevitably, she had to do as Ye Chen said.

"come with me" Xiao Luilin told Ye Chen to come with him.

He would show Ye Chen and the others the way.

Ye Chen along with all the women followed Xiao Luilin.

They followed behind Xiao Luilin.

"Are you sure that this woman can be trusted?" Zhi Fuxe said to Ye Chen.

"We can trust him, if he dares to cheat, he will be in trouble" Ye Chen said that Xiao Luilin would be in trouble if he dared to trick them.

"I heard that" Xiao Luilin said that she could hear what Ye Chen and Zhi Fuxe were saying.

"Did you listen to what we said, good then, I hope you understand what we said" Ye Chen told Xiao Luilin to remember not to do anything bad.

"just watch out, I will definitely make you all pay" Xiao Luilin would definitely make Ye Chen and the others pay for what they did.

Xiao Luilin brought Ye Chen to one of the mountains, he told Ye Chen that this was the way out.

"Is this the way out?" Ye Chen asked Xiao Luilin.

"This is indeed the way out" Xiao Luilin told Ye Chen that this was the way out.

"Then what about the mountains around this place" Ye Chen asked Xiao Luilin.

"Didn't you realize that you were just going around in circles?" Xiao Luilin said that Ye Chen and the others only revolved around this place.

"What ! ! ! !" Zhao Yanyan and the others didn't expect that they were just circling earlier.

"I thought, from the beginning I already felt something wrong" Ye Chen had suspected this, from the beginning he had suspected that something was wrong in this place.

it seemed that Ye Chen's guess had come true, it seemed that they only revolved around this place.

"fine, we have found a way out, let's just go out right away" Ye Chen has already found a way out, it's time for them to come out.

Once again Ye Chen was the first to make it out, he was the first to make it out of this place.

"I hope you all prepare yourselves, after this you will face someone much stronger than me" Xiao Luilin said that Ye Chen and the others would face an enemy that was much stronger than Xiao Luilin.

"what do you mean by that, are there still other strong people" Ye Chen asked Xiao Luilin.

"of course, you will find out soon" Xiao Luilin said to Ye Chen.

"then show me" Ye Chen told Xiao Luilin to show himself, he wanted to know which strong enemy they would face.

"come with me" Xiao Luilin guided Ye Chen, they passed through the cave with help from Xiao Luilin.

With the help of Xiao Luilin, Ye Chen and the others could easily find a way out, they saw a mountain with a large expanse of grass.

"This is so beautiful." Xia Qingyu, Zhao Yanyan and the others saw that this place was very beautiful.

They couldn't imagine that in a place like this there would be a place as beautiful as a fairy gate.

"So this is the Garden of Goddess, not bad, it's a very good place" Ye Chen said that this is a good place.

"Don't look at this place as good, you might regret coming to this place" Xiao Luilin said to Ye Chen.

"Is that so, let's see who is in this place" Ye Chen said to Xiao Luilin.

Ye Chen took a deep breath, he used his own profound energy to speak loudly.

"hello, is there anyone here, I have guests for you" Ye Chen said in a loud voice, this voice was loud and made the earth shake.

"This guy is crazy, he is inviting disaster." Xiao Luilin couldn't believe that this man would be so crazy, he was so daring to do something like this.

What Ye Chen was doing was probably too much, he might anger the people inside.

"This is bad, he might make the goddess Fairy angry, should I just leave?" Xiao Luilin started to get scared, she wanted to get away from this place.

"Where are you going?" Ye Chen stopped Xiao Luilin from leaving this place.

"let me go, I want to get out of this place" Xiao Luilin said that she wanted to get out of this place.

"You can't go, we have business to take care of." Ye Chen forbade Xiao Luilin to leave.

"Who dares to disturb my sleep" a voice said in an angry tone.

### [Chapter 2292 Beautiful Fairy](#)

"So what you said is true, there are people living in this place" Ye Chen saw that there really was someone living here.

"Of course, why would I lie to you?" Xiao Luilin said that if he hadn't lied to Ye Chen, there really was someone in this place.

"That's great, I like it, you pass and do good things" Ye Chen told that he liked what Xiao Luilin was doing.

Xiao Luilin's honesty made Ye Chen feel at ease, it was rare to find someone as honest as Xiao Luilin.

"You have angered her, you will be in big trouble, I hope you prepare yourself" Xiao Luilin said to Ye Chen, Ye Chen has been looking for trouble, Xiao Luilin doesn't know whether Ye Chen will survive or not.

"oh, thank you, I will remember that, I want to see who it is." Ye Chen said that he wanted to see who would appear.

Who would appear and be able to frighten Xiao Luilin.

Moments later a woman appeared, the woman who appeared had wings like Chu Yuechan.

The woman who appeared was beautiful and glamorous, she had a well-developed and mature body, to be honest this woman had a much more mature body compared to Chu Yuechan.

In addition, this woman had slender hips, nice buttocks and also a sizeable double peak that sat above Chu Yuechan.

Her pretty face was not inferior to Chu Yuechan, perhaps she had an even more superior side compared to Chu Yuechan.

"Wow, a beautiful fairy" Ye Chen saw that the woman who appeared was a fairy, it seemed that Ye Chen met a woman of the same race as Chu Yuechan and Chu Ning'er.

"Look who came to my place, I didn't expect such a handsome man to come to my place, it seems that this is my luck" the female fairy said to Ye Chen, she looked at Ye Chen with shining eyes.

The female fairy looked around this place, she could see that there were quite a few people around as well.

"How interesting" the female fairy was quite interested, she was interested when she saw the women around Ye Chen.

"Who are you guys?, it's been a long time since I've had guests" the female fairy asked Ye Chen.

"I am Ye Chen" Ye Chen introduced himself.

"Ye Chen, what a catchy name, the aura around you is really impressive" the female fairy said to Ye Chen, she could feel that the aura around Ye Chen was quite impressive, Ye Chen had an imposing aura.

"Thank you very much for the compliment" Ye Chen thanked for the compliment given.

"Even so you have disturbed my sleep, I will not forgive you for what happened" the female fairy told that she would not forgive Ye Chen for daring to disturb her sleep.

"I'm really sorry, I didn't expect that I would disturb your sleep." Ye Chen apologized, he apologized for disturbing the sleep of the beautiful fairy in front of him.

"oh, so you decided to apologize, but I won't forgive you easily" the beautiful fairy informed that she would not forgive Ye Chen easily.

"then what should I do" Ye Chen asked the beautiful fairy, he wanted to know what he should do to be forgiven by the beautiful fairy in front of him.

"You are a very interesting person" beautiful fairy felt attracted to Ye Chen, Ye Chen was quite attractive to a beautiful fairy.

"Will you do what I ask?" the beautiful fairy said to Ye Chen.

"As long as the request isn't too heavy" Ye Chen said that he would accept the request.

"Is that so, then I want one of these beauties, it seems interesting to have them" the beautiful fairy said to Ye Chen.

"Sorry, but they are not for you." Ye Chen said that he would not give the woman behind him.

"but I want, what should I do, is it necessary for me to snatch them from you" the beautiful fairy said to Ye Chen, she wanted to snatch them from Ye Chen.

"I won't let that happen" Ye Chen said that he wouldn't let that happen.

"then can you stop me" beautiful fairy said to Ye Chen, can Ye Chen stop herself.

Ye Chen looked at the beautiful fairy in front of him, she was as mischievous as Chu Yuechan and Chu Ning'er, were all the fairy races like this, if that was true, then it wouldn't be strange for Chu Yuechan to tease her often.

"The female fairy showed her own ability, she quickly arrived beside Ye Chen, she arrived beside Ye Chen and finally passed Ye Chen.

"You won't be able to catch me" the female Fairy said that Ye Chen would not be able to catch her.

Ye Chen showed a faint smile, it seemed that this woman wanted to test Ye Chen's ability.

"It's a good thing I've fought Yuechan before, now let's see if you can escape" Ye Chen used his own power, he used the power of dimensions to switch places with other objects.

"what happened" the beautiful fairy was shocked when Ye Chen was in front of her, how could Ye Chen be in front of her quickly, she couldn't see Ye Chen's movements.

"I have to retreat" the beautiful fairy retreated, she decided to retreat and dodged Ye Chen's attack.

"Fairy goddess, this man has a strange power, if you touch him you will lose" Xiao Luilin told the beautiful fairy that Ye Chen had a strange ability.

"What ! ! !" the beautiful fairy was of course surprised when she heard this, she became more and more careful about Ye Chen.

"It's too late, you can't escape anymore" Ye Chen has already set up a dimensional barrier around, no matter how strong this woman is, she will not be able to escape.

"I can't get out of this place" the beautiful fairy was shocked when she found that she couldn't get out of this place, it seemed like she wouldn't be able to retreat.

Ye Chen would not miss this precious opportunity, he directly held the beautiful fairy's hand in front of him.

"You" beautiful fairy didn't believe that Ye Chen would touch her, she tried to distance herself from Ye Chen.

Ye Chen used his own skill, easily this beautiful fairy was weak and had no resistance.

"This ability, impossible, how do you have something like this, this technique should have disappeared from the mortal world long ago" The beautiful fairy did not expect that Ye Chen would have such a powerful Dual Cultivation Technique, this is one of the most dangerous techniques for a woman.

Even a beautiful fairy wouldn't be able to win against this technique.

"So you know the technique I have, then I don't need to explain to you anymore" Ye Chen said.

"you're bad" the beautiful fairy said to Ye Chen, she told Ye Chen that she was a bad person.

"Hahahahaha" Ye Chen smiled, he smiled as he listened to what the female Fairy in front of him.

"Let's see what I will do to you" Ye Chen started to think about what he would do to the woman in front of him, about what Ye Chen would do, should Ye Chen start to seduce him.

The beautiful fairy was getting desperate, she didn't expect to lose at Ye Chen's hand.

"I can't believe I lost at the hands of someone like him" The beautiful fairy couldn't believe that she would lose at Ye Chen's hands, how could she be defeated at Ye Chen's hands, this was an impossible thing to happen.

"master, it seems that's enough, you don't need to bully him anymore" Chu Yuechan said to Ye Chen, she asked Ye Chen not to bully the fairy in front anymore.

#### [Chapter 2293 Chu Yelan](#)

"why, I just started" Ye Chen told that he had just started.

"that's enough, don't you feel sorry for her" Chu Yuechan said.

"No, I want to play a little bit, you know that she is as playful and naughty as you, it's quite fun to play with her" Ye Chen told that he likes to play with beautiful fairies.

"it's just your reason, I know that you want revenge for what often happens" Chu Yuechan said to Ye Chen.

"oh, so you know" Ye Chen smiled, it seemed that Chu Yuechan knew what he meant.

"let me talk to her" Chu Yuechan decided to go out, she went out and showed herself.

"sister, long time no see" Chu Yuechan said to the beautiful fairy, she greeted the beautiful fairy in front of her.

"Ehh. . ., you?" the beautiful fairy said to Chu Yuechan, she seemed to be taken aback when she saw Chu Yuechan was in front of her.

"It seems that you still remember with me" Chu Yuechan was happy that this woman still remembered Chu Yuechan.

Ye Chen saw this, it seemed that the two knew each other, it was not strange that Chu Yuechan stopped Ye Chen, it seemed that the two of them had a relationship.

"you are still alive" the beautiful fairy did not expect that Chu Yuechan was still alive.

"how do you say that, I'm of course still alive" Chu Yuechan looked resentful and angry when she listened to this.

"I'm really sorry, I didn't expect that this is you" the beautiful fairy said to Chu Yuechan, she apologized to Chu Yuechan.

"so elder sister Yuechan knows her" Zhao Yanyan saw that Chu Yuechan knew the other party.

"we know quite closely, her name is Chu Yelan, she is one of the good people and I already think of her as a big sister" Chu Yuechan explained, she told Ye Chen and everyone that she and Chu Yelan knew well.

"Of course, we know very well, by the way who they are" Chu Yelan asked Chu Yuechan, she wanted to know Chu Yuechan's relationship with everyone in this place.

"I'll introduce them to you" Chu Yuechan said that he would introduce everyone to Chu Yelan.

First of all, she wanted to know why Chu Yelan was in this place, what really happened, why Chu Yelan could end up in this place.

"hmmm, it's a little long story, I'm here because of being trapped, you know that if I can't go out and be the guard of this place for a long time, it's so boring" Chu Yelan said that she was quite bored.

"what are you guarding in this place" Ye Chen asked Chu Yelan.

"ancient runes and ancient arrays" Chu Yelan's tells us that she guards an ancient rune and an ancient array.

"It's so interesting" Ye Chen was attracted by this.

"Master, he is a person who is good at runes and arrays, I think his ability is far above me" Chu Yuechan said to Ye Chen.

"master, so you follow this handsome guy, you are lucky enough" Chu Yelan said to Chu Yuechan, she felt that Chu Yuechan was lucky enough to be able to follow Ye Chen.

"don't tease me" Chu Yuechan said to Chu Yelan, she told Chu Yelan not to tease her.

"What, are you embarrassed, so cute" Chu Yelan was so happy when she teased Chu Yuechan, teasing Chu Yuechan was so much fun to do.

"If you go on like that, I will make the master take care of you" Chu Yuechan said.

Chu Yuechan tried to threaten Chu Yelan.

"Is that so, then I don't mind" Chu Yelan said that if she didn't mind this, she didn't mind being taken care of by Ye Chen.

"you" Chu Yuechan was helpless with this thing, she forgot how the character of Chu Yelan was.

"hehehehe" Ye Chen chuckled, it seems that this Chu Yelan is much more skilled compared to Chu Yuechan.

This female Fairy was even able to make Chu Yuechan have a headache.

Chu Yuechan looked at Ye Chen, it seemed that he knew what Ye Chen was thinking.

"Master, you must be thinking badly" Chu Yuechan saw that Ye Chen was thinking badly.

"what, I didn't do anything" Ye Chen said that he didn't do something.

"hmpp" Chu Yuechan sniffed coldly, she knew that Ye Chen was thinking about a bad thing.

"Come with me" Chu Yelan tried to get up, she successfully eliminated the effect of Ye Chen's technique.

Although it hasn't completely disappeared yet, Chu Yelan has already been able to fully stand up and do it all.

Chu Yelan took everyone, they all left and followed behind Chu Yelan.

"She is quite friendly" Ye Chen said to Chu Yuechan, Ye Chen looked at the hospitality shown by Chu Yelan.

"she is indeed friendly, you'd better be careful, she is good at teasing and playing tricks on people, she is much better than me" Chu Yuechan told Ye Chen, she gave Ye Chen a warning.

"okay, I see" Ye Chen understood, he would remember what was said by Chu Yuechan.

Chu Yelan took everyone to go to her house, here are so many things, there are artifacts and scrolls in large quantities once.

There are also a lot of array drawings here as well as runes, it seems that Chu Yelan is studying them all.

"You learned all this" Zhao Yanyan didn't expect that Chu Yelan would learn so many things.

"Of course, if you are interested you can take it away" Chu Yelan said to Zhao Yanyan and the others.

Zhao Yanyan and the others are not very interested in this, they are not like Ye Chen, Ye Chen is quite interested in this.

"Don't you have anything even better" Chu Yuechan said to Chu Yelan, she was sure that Chu Yelan still had better things.

"what are you looking for" Chu Yelan said to Chu Yuechan.

"something interesting, I'm sure if you have it" Chu Yuechan said to Chu Yelan.

"do you want to rob your own sister" Chu Yelan said to Chu Yuechan.

"don't be so stingy, we have worked hard here, at least give something good" Chu Yuechan said to Chu Yelan.

"Fufufufu, why don't we drink first" Chu Yelan said to everyone.

"we don't have time, we want good legacy" Ye Chen said to Chu Yelan.

"well I understand" Chu Yelan understood, she would give what Chu Yuechan wanted.

"you can all come with me, but you have to prepare yourself, this may become difficult for you" Chu Yelan said seriously, she told her that this would be serious.

"we are ready" Ye Chen said that when he was ready, they were ready for this thing.

"then let's come with me" Chu Yelan said to Ye Chen, she told Ye Chen to come with her.

All the women were also told to come along, he told all the women to come with him.

"well, we have arrived" Chu Yelan took them to a cave, inside here are countless branches.

"this is the place to get the inheritance of the God Magical Beast, I wish you good luck, I won't explain it, you alone should look for the inheritance yourself" Chu Yelan said to Ye Chen.

"how do you have this thing" Ye Chen asked Chu Yelan.

"that's a story a long time ago, I used to have a lot of acquaintances, it's a pity that they are gone and they left their souls in this place, only a decent person can take it away, I guess among you there are those who are worthy of one of the inheritances" Chu Yelan said to everyone.

Chu Yelan was sure that if Ye Chen and the others were worthy, she could see that they were all worthy and had the ability.

"Okay everyone we have arrived at this place, let's start right now, from here the real journey I hope you are ready" Ye Chen said to all the women.

"okay" All the women answered Ye Chen, even Ning Yi also answered Ye Chen.

"okay, let's go in" Ye Chen led everyone, he led everyone to enter.

"Goddess, they came in, don't you explain that the place is dangerous, it is the place built by the \* of Magical Beast" Xiao Luilin said to Chu Yelan.

"I know that too, but they insist, I'm not responsible after this" Chu Yelan said that if she is not responsible, whether they will be fine or not, it is not her responsibility.

Let it be the responsibility of Chu Yuechan, it should be her who will be responsible for everything.

"okay, I get it" Xiao Luilin didn't ask much, she didn't know what Chu Yelan was planning.

"is there anything else coming" Chu Yelan asked Xiao Luilin.

"there are so many, they are currently going around in circles" Xiao Luilin said to Chu Yelan.

"well, then I want to play, it's been a long time since I played" Chu Yelan said that she wanted to play.

The people who come here will become toys for Chu Yelan.

Chu Yelan was still annoyed that she lost to Ye Chen, she lost to the Chu Yuechan's master, that's why she needed something to relieve the uncomfortable feeling.

"I see" Xiao Luilin understood, she didn't ask much and chose to retreat.

Xiao Luilin didn't want to fight against Chu Yelan, that's why he would stay here.

"guard this place for me, I'll go first" Chu Yelan told Xiao Luilin to guard this place, she would go and play with other groups.

Xiao Luilin understood, he was told to guard this place while Chu Yelan left from this place to fight against the other groups behind Ye Chen.

"Master, you have to be careful, this place can't be simple, she can't let us in easily" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen, this place may be dangerous and Ye Chen must be more careful when around this place.

#### [Chapter 2294 Swift Wind Wolf](#)

"Okay, I understand" Ye Chen understood, he already knew that this would not be easy to do.

When Ye Chen just entered, in front there were already several rocks coming out from below.

A large mass of statues appeared and blocked Ye Chen's path and start to attack Ye Chen.

"Look, we just entered and we've met a strong monster" Chu Yuechan said to Ye Chen, he told her that they had encountered a strong monster.

"everyone get ready, this time we will defeat them quickly" Ye Chen said to everyone.

Ye Chen took the lead, he was the first to come forward and hit the statue in front.

"Clang. . ." Ye Chen hit the statue, a shrill sound sounded when Ye Chen did this.

"ohhhh. . ." Ye Chen held his hand, it was much tougher than he imagined.

Ye Chen's attack might have succeeded in destroying the statue, the problem was that this statue was tough and very difficult to break through.

"Husband, how ?, is it hard" Zhao Yanyan asked Ye Chen, it seemed that Ye Chen was not well.

"I'm fine, it's just that the statues in this place are quite hard" Ye Chen informed that the statues in this place were hard.

"then it's my turn, I want to use the weapon given by master" Nanhua Caiyi came forward, she wanted to use the weapon given by Ye Chen.

Nanhua Caiyi had received the Heavenly Sky Whip from Ye Chen, this was the perfect time for Nanhua Caiyi to wield and see the power of the Heavenly Sky Whip.

"Okay go ahead" Ye Chen told Nanhua Caiyi to come forward, he wanted to see the strength and ability of the Heavenly Sky Whip.

"Get ready all of you, I will smash you into pieces" Nanhua Caiyi waved the Heavenly Sky Whip.

A strong storm occurred when Nanhua Caiyi waved the Heavenly Sky Whip.

roar . . . "Lightning began to rumble, this sound was very loud and created a commotion around this place.

Heavenly Sky Whip was swung by Nanhua Caiyi.

"Boom. ." A strong explosion occurred, this strong explosion occurred and destroyed the area around this place.

"terrible strength" Ning Yi was shocked when he saw the strength displayed by Nanhua Caiyi, he did not expect that Nanhua Caiyi could display such strength.

In addition, the power of the Heavenly Sky Whip was too strong, it had terrible damage, the enemy who received the attack from Nanhua Caiyi might not survive.

"That's great" Ye Chen saw that Nanhua Caiyi's strength was very great, she had great strength.

"So strong" The Heavenly Sky Whip in his hand was too powerful, Nanhua Caiyi didn't expect that it would be this powerful.

Using the Heavenly Sky Whip, Nanhua Caiyi easily swept everything away, she easily swept through everything and left no traces.

"Alright, it's done." Nanhua Caiyi had finished everything, she had destroyed all the enemies around.

"Well done, you did a good job" Ye Chen said to Nanhua Caiyi, Nanhua Caiyi has done a very good job.

Nanhua Caiyi smiled, it seemed like she had done a really good thing and made Ye Chen happy.

"let's go a head" Ye Chen invited everyone to go deeper, when they went deeper, they were immediately greeted by a violent super strong wind.

"Ahhhh . . ." everyone screamed, they had difficulty moving forward under the pressure of the super strong wind that had just appeared.

"Everyone stay calm" Ye Chen told everyone to stay calm, he will use his strength.

Ye Chen used his own ability, he protected everyone around.

Using his own strength, Ye Chen protected everyone from the surrounding winds.

"stay behind my body" Ye Chen told everyone to stay behind his body, that way they would stay safe.

"husband is indeed great" everyone was relieved when they saw Ye Chen, Ye Chen was very strong and made them feel safe and no longer hit by high-strength wind pressure.

"Come follow behind me" Everyone followed behind Ye Chen, as long as they followed and stuck behind Ye Chen, then it would be safe and nothing would happen to all of them.

Ye Chen barged quickly inside, until he entered into a room where there was a wolf statue in this place.

"what is this place ?" Everyone looked around, they wanted to know what kind of place this was.

"master, this is the place of the swift wind wolf" Chu Yuechan said to Ye Chen.

"oh so that's it" Ye Chen understood, he immediately understood what Chu Yuechan said.

"Oh, it seems that someone is coming to this place, very interesting, I did not expect that someone would come to my place" a voice came.

the wolf statue started to glow and a huge wolf figure appeared, in front of everyone.

"hello . . ." Ye Chen gave a greeting to the swift wind wolf.

"You all have arrived at this place, then I will choose a worthy person among you" the wind wolf quickly said that he would choose a worthy person.

The wind wolf quickly looked around, he saw that there were only two people that matched him.

First was Nanhua Caiyi and Cheng Mengyan, both of whom were perfectly suited to her strength.

"You two seem to suit my strength, you can stay and I will give you strength" the wind wolf quickly said to Nanhua Caiyi and Cheng Mengyan.

"we ?" Nanhua Caiyi and Cheng Mengyan were shocked when they heard this.

"That's right." The swift wind wolf quickly said that Nanhua Caiyi and Cheng Mengyan were the most compatible.

"Thank you very much, we are very happy." Nanhua Caiyi and Cheng Mengyan were very happy.

"You can go, there's still a lot waiting for you" the wind wolf quickly said to Ye Chen and the others, there's still a lot that will suit them up ahead.

"we understand" everyone understands, they all leave from this place.

"take care of yourselves" Ye Chen said to Nanhua Caiyi and Cheng Mengyan, they should take good care of themselves.

"we understand" Nanhua Caiyi and Cheng Mengyan understand, they will take good care of themselves.

Ye Chen along with all the women left, they all left Nanhua Caiyi and Cheng Mengyan.

Nanhua Caiyi and Cheng Mengyan inherited the swift wind wolf, both inherited the swift wind wolf and each obtained 3 drops of the swift wind wolf's pure blood.

"Start refining it, after that I will teach you my strengths" the wind wolf quickly said to Cheng Mengyan and Nanhua Caiyi.

Cheng Mengyan and Nanhua Caiyi didn't ask much, they didn't ask much and started to do as the swift wind wolf said.

"They are so lucky" Zhao Yanyan saw that Nanhua Caiyi and Cheng Mengyan were lucky because they hit it off immediately.

"Don't worry, there's still a lot of them in this place, so let's search casually and slowly" Ye Chen said to all the women around.

Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci agreed, they still had a chance, so they didn't need to worry about this matter.

"We need to focus more on what's ahead, it seems that the front is much more challenging than before." Ye Chen could feel that the front was full of danger, he felt that the front was full of threatening dangers.

Moments after Ye Chen and the others came forward, a large amount of water came, this water came and swept away Ye Chen along with Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci.

"What's this ?" Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci couldn't move, their bodies stiff and hard to move.

"Calm down, I'll save you guys" Ye Chen here could move easily, he was the only one who could move freely without a problem.

With the power of the Sage God, Ye Chen naturally could easily fight against the power of water that had the effect of paralyzing someone.

This made Ye Chen invulnerable and still able to move freely.

Ye Chen just went straight ahead and started saving Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci.

he rescued them all and took them to safety.

Here Ning Yi looked the worst, she looked the weakest among everyone.

Ning Yi has the power of fire and somehow he is weak against water, when she is in water her strength will decrease.

"I got you" Ye Chen got Ning Yi, he hugged Ning Yi and brought him to the edge along with all the women present.

"Uh . . , that was really bad, just for all of us to be safe." Everyone thanked Ye Chen, if Ye Chen wasn't there, they would probably be dragged quite far and might be stranded somewhere.

"are you all okay" Ye Chen asked all the women, he wanted to know if they were okay or not.

"we are all fine, it is thanks to you, we are all safe" Zhao Yanyan told that they were all fine, it was all thanks to Ye Chen, because of Ye Chen they were all safe.

Ye Chen swept over all the women, he could see that they were all wet, the underwear they had was visible to Ye Chen.

"oh that's great" Ye Chen looked at Mu Nianci and Xia Qingyu, he could see that both of them were wearing plain white underwear and they looked extremely beautiful.

"These two are looking more and more attractive." Ye Chen saw that Mu Nianci and Xia Qingyu were getting more and more attractive.

#### [Chapter 2295 Blue Dolphin](#)

"Where are your eyes looking?" Xia Qingyu and Mu Nianci realized that they were being looked at by Ye Chen.

"Oh, sorry, it seems it was by accident." Ye Chen pointed out that it was by accident.

Xia Qingyu and Mu Nianci covered their bodies, they were trying to hide their bodies from Ye Chen.

"ahem. . ., can you let me go" Ning Yi said to Ye Chen, at this time she was in Ye Chen's embrace.

"ohh, I'm sorry" Ye Chen apologized to Ning Yi, Ye Chen didn't realize that Ning Yi was currently still in his arms.

Ye Chen was a bit at a loss, perhaps he felt comfortable hugging Ning Yi's slightly warm body.

"it's okay, thank you for the help" Ning Yi thanked for the help provided by Ye Chen, she was very satisfied with the help provided by Ye Chen.

Ye Chen once again saved Ning Yi's life, Ning Yi thanked him for what Ye Chen did.

"Are you all okay?" Ye Chen asked everyone, he wanted to know the condition of everyone in this place.

"we are fine" Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci informed them that they were fine.

"it's good that you guys are okay" Ye Chen felt relieved when he saw everyone who was fine.

"But what's wrong with this water, we can't move when we touch this water." Zhao Yanyan looked at the flowing water, they couldn't move when they were dragged.

"That's so weird" everyone was also aware of that, they all realized that they couldn't move while in the water.

"This water has the power to immobilize the body, it's like a technique to lock on a target.

"teacher, it looks like this is the same as what you have" Ye Chen said to Lin Rouxi.

"You're probably right, this power is similar to mine." Lin Rouxi agreed with Ye Chen's words, this power was very similar to her.

"let's go ahead and see" right now they can only go forward, they have to see what's going on inside, roughly what's going on in there.

Ye Chen along with Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci entered, they passed through the deadly rushing water.

There were some dangerous fish trying to attack Ye Chen, Ye Chen used his profound fire power to roast all the fish that were trying to eat them.

Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci clung to Ye Chen, all of them entrusting their safety to Ye Chen.

Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci had complete trust in Ye Chen, they all believed that Ye Chen could protect them well.

"We're almost there, everyone hold on tight, don't let us get separated, it will be troublesome if we get separated" Ye Chen said to Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci.

Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci held Ye Chen even tighter, they didn't want to be separated because it would be troublesome.

Ye Chen believed that everyone could overcome this, they only needed to unite their will and feelings as well.

Ye Chen took Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci towards the end, they saw the end of this passage.

"Finally we got out, the water current was very fast" everyone was happy because they could get out, they were finally able to get out of the super fast and dangerous water current.

"what is in this place" Ye Chen looked at the dolphin, he could see that this was a beautiful dolphin.

This statue is shining again, it is shining again and it is shining all around.

Around this place is illuminated by a sea blue light that is beautiful and very calming.

"It was great for you guys to get to this place, you must have a hard time going through such strong currents" a voice said to Ye Chen, Zhao Yanyan, Lin Rouxi, Su Yuya, Zhi Fuxe, Ning Yi, Ye Xiu, Xia Qingyu and Mu Nianci.

"Yuechan, what is this?" Ye Chen asked Chu Yuechan.

"a dolphin, the name is if I'm not mistaken Blue Dolphin, has very fast agility in the water and has the ability to seal enemies in the water, the ability to paralyze enemies is very strong, even the ability to detect enemies is very great and able to find enemies at a moment's notice tens of thousands of miles away." Chu Yuechan explained what she knew.

"It seems great" Ye Chen said to Chu Yuechan.

"Of course, they are ancient Magicals, their strength is incomparable and they possess terrifying intelligence" Chu Yuechan said to Ye Chen.

"Okay, I understand" Ye Chen understood, he understood what Chu Yuechan explained.

"You guys got here, you guys definitely want the inheritance, let me take a look, who is the best among you." Blue Dolphin looked at everyone, Blue Dolphin saw who was the most suitable.

Blue Dolphin looked at Ye Chen, Blue Dolphin could see that within Ye Chen's figure was something terrible.

"great, it's a pity that he has such a terrible power" Blue Dolphin can't possibly choose Ye Chen, there is strength residing in his body.

Ye Chen had the aura of the Azure Dragon, the strength of the Azure Dragon was extremely terrifying, so it wasn't strange that he scared the Blue Dolphin a little.

Blue Dolphin looked at Lin Rouxi, Blue Dolphin found that Lin Rouxi had good things.

"Okay I found a good one" Blue Dolphin found Lin Rouxi, Blue Dolphin saw that Lin Rouxi was the most suitable for Blue Dolphin.

"Alright, you seem the most suitable." Blue Dolphin looked at Lin Rouxi.

"I . . ." Lin Rouxi was shocked.

"That's right, she is indeed the most suitable" Ye Chen agreed, he agreed that Lin Rouxi was the most suitable for the Blue Dolphin.

"Big sister Rouxi is indeed the most suitable" Zhao Yanyan also agreed, she agreed that Lin Rouxi was the most suitable among them all.

"I understand" Lin Rouxi understood, she finally realized that she deserved it.

"It's good that you can accept this, it will ease everything." Blue Dolphin said to Lin Rouxi.

Lin Rouxi had received everything, so the Blue Dolphin could easily impart her strength.

"I understand" Lin Rouxi nodded, Lin Rouxi was very polite and full of ethics.

"Okay, you can go, have a nice day and you all can get something from other" Blue Dolphin said to everyone.

"dear teacher, we will continue, take good care of yourself" Ye Chen said to Lin Rouxi.

"I understand" Lin Rouxi understands, she will take good care of herself.

"Let's go" Zhi Fuxe invited everyone, he asked everyone to go with him.

Ye Chen and the others left, they left Lin Rouxi at the place of the Blue Dolphin.

"I wonder what will be waiting for us, I can't wait" Ye Chen can't wait, he can't wait to see what will be waiting for them, it seems that this place is full of precious things and makes Ye Chen more and more interested in this place.

"There are so many things waiting for us, I can't wait either" Zhi Fuxe said that she was also impatient, she wanted to know what was waiting for them ahead, there were many new things waiting for them there.

They continued on their way, after a while, they finally entered a place with lots of stairs.

"Should we go up?" Ye Xiu saw that there were so many stairs, he couldn't see the end.

"we have to go up" Ye Chen said to Ye Xiu, he invited all the ladies to go upstairs.

"okay" everyone started up, they all started up.

A pressure began to envelope them, fortunately they all had very strong strength and made them unaffected by this power.

"This pressure, this is enormous pressure" Zhao Yanyan saw that she was above a powerful and terrifying pressure.

"I agree with you, I have experienced this too." Ye Chen has experienced this before, only this time it was a little weaker and he was not affected too much.

It was probably because right now Ye Chen's strength was strong enough, so he wasn't affected by this pressure.

"This is bad" Xia Qingyu and Mu Nianci were in trouble, their cultivation was the lowest, they might run into trouble and it was a bit difficult to rise.

"come here, hold out your hand" Ye Chen said to Xia Qingyu and Mu Nianci, he would help the two of them up.

Xia Qingyu and Mu Nianci stretched out their hands, both of them receiving help from Ye Chen.

Ye Chen hugged Xia Qingyu and Mu Nianci, he carried the two of them upstairs.

Xia Qingyu and Mu Nianci were slightly embarrassed, they were hugged by Ye Chen and carried upstairs.

With this all going well, Ye Chen made Xia Qingyu and Mu Nianci feel comfortable and unaffected by the pressure.

Ye Chen and the others took approximately 1 hour before arriving at the end, they had already climbed quite a distance and the pressure here was growing.

"Finally we arrived, after a while, they finally reached the end, they saw a beautiful temple with some fallen trees.

"A shrine?" Ye Chen scanned the surroundings to find out what temple this was.

Inside the temple Ye Chen saw a statue of a nine-tailed fox that was quite beautiful.

#### [Chapter 2296 The Legacy Of The Nine Tailed Fox](#)

"Husband, this place ?" Ye Xiu said to Ye Chen, she felt very comfortable in this place, there is a good feeling about this place

"let's come closer and have a look, it seems that this has something to do with you" Ye Chen said to Ye Xiu, he invited Ye Xiu to come closer.

The other women decided to stay outside, they made Ye Chen and Ye Xiu go inside.

As long as the two entered inside Zhao Yanyan together with the others would not interfere.

"I wonder what will happen to them" Zhi Fuxe wanted to know what would happen to Ye Chen and Ye Xiu.

"Let's just wait here." Zhao Yanyan said to Zhi Fuxe, they could only wait here until Ye Chen and Ye Xiu returned to this place.

Ye Chen and Ye Xiu entered, they entered and a light started to appear and enveloped the statue.

"Finally you guys came too, a soft and pleasant voice sounded, this voice is very soothing to listen to

"Who are you?" Ye Xiu asked, she asked who the figure of the nine tailed fox was in front of her.

"That's funny, you shouldn't have to ask anymore, you and I are similar, so you shouldn't have to ask, cute little girl" the nine tailed fox said to Ye Xiu.

"Are you an ancestor or what?" Ye Xiu asked the nine tailed fox.

"You can say that, I don't know if I can be called that myself, but I am the strongest" the nine tailed fox said to Ye Xiu.

"Then teach me how to get stronger" Ye Xiu said that she wanted to get stronger.

"That's a very good decision, I do, I can fully awaken the strength you have" the nine tailed fox can help Ye Xiu.

Ye Xiu looked happy when he heard this, it seemed like this was very good news because Ye Xiu could get stronger.

"The man beside you, oh Azure Dragon, it's rare, so he has found a successor, that's great" Nine tailed fox looked at Ye Chen, she didn't expect that Ye Chen would inherit the power of Azure Dragon.

"thank you very much" Ye Chen thanked, he was grateful for the compliment.

"You two seem fated, then I'll give you strength, you stay here with me, I'll make you even better" the nine tailed fox said to Ye Xiu.

"I understand" Ye Xiu understood, she would follow what the nine tailed fox said.

"You can also live in this place if you want" the nine tailed fox said to Ye Chen.

"I still have to go forward" Ye Chen said that he still has to go forward.

"Too bad, then go away" the nine tailed fox said to Ye Chen.

"You stay here, I will go with the others" Ye Chen said to Ye Xiu, he told him that he would go with the others.

"You have to be careful" Ye Xiu said to Ye Chen, he told Ye Chen to be careful.

"I see, you must fully obtain strength" Ye Chen said that Ye Xiu must fully obtain strength.

"I'll do my best" Ye Xiu told Ye Chen that she would do her best.

Ye Chen left, he left Ye Xiu and headed towards Zhao Yanyan and the others, they were still waiting for Ye Chen outside.

"Nine-tailed fox, very interesting, looks like Xiu will awaken her blood soon" Chu Yuechan said to Ye Chen.

"It seems he is in good hands." Ye Chen saw that Ye Xiu was in good hands, let Ye Xiu awaken the hidden power.

Ye Chen encountered Zhao Yanyan and the others.

"How?" Zhao Yanyan and the others asked Ye Chen, they all wanted to know how it went.

"everything is fine" Ye Chen informed that everything was fine.

Zhao Yanyan and the others are feeling good about this, looks like Ye Xiu managed to come up with some good stuff.

"let's continue our journey" Ye Chen said to Zhao Yanyan and the others.

They finally continued their journey, now only they were left in this place.

"It's just us, will everything be alright" Zhao Yanyan said to Ye Chen.

"Don't worry, I hope you all have good things, don't let this journey be wasted on you." Ye Chen said to Zhao Yanyan and the others.

Zhao Yanyan and the others tried to pray, they tried to pray for good things.

Ahead was an abyss, this abyss was very deep and there was no way forward.

"We can't fly, this place sucks in people who fly," Zhao Yanyan said.

"They can't fly and jump, so they have to think of a way.

"I have a way, I will make a bridge so we can all go" Ye Chen said to Zhao Yanyan.

"can you do that ?" Zhao Yanyan said to Ye Chen, she wanted to know if Ye Chen could do that thing.

"Don't worry, I can do it" Ye Chen used the power of dimensions and made an invisible bridge.

"Okay, I've made a bridge" Ye Chen said that he had made a bridge.

"Zhao Yanyan and all the women looked confused, they didn't see the bridge made by Ye Chen.

Ye Chen looked at Zhao Yanyan and the others, it seemed that they didn't know what Ye Chen had just made.

"Come on, come with me" Ye Chen said to all the women, he told all of them to come with him.

All the women tried to go with Ye Chen, even Ning Yi who hesitated decided to go with Ye Chen.

Ning Yi didn't know, she believed in what Ye Chen was doing, she felt that Ye Chen had indeed built a bridge.

Ye Chen took everyone to cross the abyss, with the power of the new dimension, Ye Chen created a strong enough foothold.

"what is this" several women wanted to know what Ye Chen made, they all wanted to know what Ye Chen made, they all couldn't see and could only feel that they were currently stepping on something.

"This is great" Ning Yi was shocked, she was shocked when she saw what Ye Chen was doing.

Ning Yi really wanted to know what Ye Chen was doing, about how Ye Chen did this, Ning Yi was of course curious about Ye Chen's method.

With Ye Chen's foothold, they could cross the abyss with ease.

"we made it again" they succeeded again, everything was passed with ease, they had succeeded in overcoming difficult obstacles.

All this thanks to Ye Chen, Ye Chen has made things easy, if there is no Ye Chen in this place, then everything will be difficult to do.

Apart from the abyss, there were several other hurdles, there were hurdles that Ye Chen and all the women had to overcome.

"This obstacle is much more than before." Zhao Yanyan and Zhi Fuxe felt that the obstacle this time was much more than before.

"If that's true, then maybe something will be waiting for us ahead." Ye Chen said that maybe someone would be waiting for them ahead.

I wonder what things will be waiting for them, Ye Chen feels something good ahead, and maybe this will be a great thing.

#### [Chapter 2297 Light White Dragon & Vermilion Bird](#)

Ye Chen along with all the ladies finally arrived at a place, there was a magnificent palace sparkling in front of them.

"what a good palace" Ye Chen saw that this was a good palace.

"Perhaps the people living inside are very rich" Xia Qingyu said to Ye Chen.

"maybe, let's go in and have a look" Ye Chen said to all the women around, he invited them all to go inside and see what was in there,

Everyone followed Ye Chen, they all followed Ye Chen and went inside to see what was inside there.

When they entered they were all greeted by a very bright light, this bright light was so dazzling that they couldn't see.

"Ahh. . ." All the women screamed, they couldn't see anything ahead.

"What's going on, I can't see it, it's even brighter than sister Yixian's." Zhao Yanyan couldn't see it, it was so bright that Zhao Yanyan couldn't see it.

"a dragon?" Ye Chen saw a dragon with four shining white wings ahead.

Here only Ye Chen can see it, others don't have the strength to see through it.

A few moments later the light disappeared, the light disappeared and the figure of a white dragon appeared in front of everyone.

"Hello, who are you?" the white dragon said to Ye Chen and the others, the white dragon seemed to respect Ye Chen and the others, plus this dragon was very friendly to Ye Chen.

"we are visitors" Ye Chen replied, he guarded the questions of the dragon in front of him.

"It's been a long time since anyone got here, it's been millions of years that no one has been here" the white dragon said to Ye Chen,

"Light white dragon" Chu Yuechan said and told Ye Chen the name of this dragon.

The light white dragon is one of the rarest dragons with the power of light. Ye Chen also knows that he has the memories of the light white dragon.

Ye Chen thought that the Light white dragons were so few in number, it was inconceivable that they would encounter one of the Light white dragon's remnant souls.

"The reason we came is to" Ye Chen said to the Light white dragon.

"No need to say it, I know what you want." Light white dragon already knows, Light white dragon already knows what Ye Chen wants.

The light white dragon approached, Light white dragonsaw Ye Chen, Zhao Yanyan and Zhu Fuxe.

"Azure Dragon, very interesting." The light white dragon smelled the power of the Azure Dragon on Ye Chen's body.

"The woman beside you, who are they?" Light white dragon asked Ye Chen, Light white dragon wanted to know the woman beside Ye Chen.

"They are my wives" Ye Chen told that Zhao Yanyan and the others were his wives.

"Is that so, then they stay, they have the qualifications for the power that I have" Light white dragon said to Ye Chen, he told Ye Chen that Zhao Yanyan and Zhi Fuxe stayed.

"I understand" Ye Chen understood, he let Zhao Yanyan and Zhi Fuxe stay in this place.

Zhao Yanyan and Zhi Fuxe looked at each other, the two of them must now be together to get the Light white dragon.

"It seems that the Light white dragon chose you guys, then I will go" Ye Chen said to Zhao Yanyan and Zhi Fuxe.

"um . . ." Zhao Yanyan and Zhi Fuxe nodded, they will stay in this place.

"very good" Ye Chen was satisfied with the answers Zhao Yanyan and Zhi Fuxe gave him, he was very pleased with the answers they gave.

Ye Chen, Xia Qingyu, Mu Nianci, Su Yuya and Ning Yi left, now there were only five of them left.

"To think that our numbers are getting smaller." Ye Chen looked at Xia Qingyu, Mu Nianci, Su Yuya and Ning Yi.

"They already got what they were looking for, it's just us, I hope we all get what we're looking for" Su Yuya hoped that he found what he was looking for, she could only hope in this kind of situation.

"I'll make sure that you guys get something." Ye Chen said that he would make sure that Su Yuya and the others got good things.

Ye Chen along with Xia Qingyu, Mu Nianci, Su Yuya and Ning Yi continued on their way, they arrived at a scorching hot place.

"I don't like this, it's too hot" Xia Qingyu and Mu Nianci didn't like this place, for them it was too hot.

"Are you okay?" Ning Yi asked Xia Qingyu and Mu Nianci, he knew that they were cultivators with the power of ice, so heat was their natural enemy.

"We can hold on" Xia Qingyu and Mu Nianci said that they could hold on for a while.

"You have to hold on" Ye Chen said to Xia Qingyu and Mu Nianci.

Xia Qingyu and Mu Nianci used their strength, they used their strength and enveloped their bodies in an icy mist.

At least this will relieve the heat that is around.

Ye Chen could only help a little, he gave Xia Qingyu and Mu Nianci a helping hand.

In front was a crater spewing crimson hot flames, Ye Chen used the power of ice to freeze these crimson flames.

Even though Ye Chen had frozen it, in reality this crater was still spewing fire.

"I will control the flames" Ye Chen decided to control the flames using his own strength, this way Xia Qingyu, Mu Nianci, Su Yuya and Ning Yi would not be harmed.

Ye Chen guarded them with his strength, they wouldn't be hurt because of Ye Chen.

Ye Chen and the others passed through the obstacles with ease, they passed every fire barrier easily and effortlessly.

"very easy" of all the challenges, you could say that this is the easiest.

Ye Chen smiled when he heard this, they didn't know it was Ye Chen who worked hard to make sure they didn't get hurt.

"Come on in then." Ye Chen and the others entered, they finally entered a place filled with crimson flames.

These flames surround this place like a magnetic field.

"amazing, what is this?" Ning Yi and Su Yuya were amazed by this, they both looked amazed by what was in front of them.

Something emerged from the vortex of fire, a bird emerged from the vortex of fire.

"Vermilion Bird?" With just a glance, Ye Chen already knew the bird that appeared, This bird has a fire power that is even more deadly than the Phoenix. It can be said that the power of the Vermilion Bird is the most destructive.

The Vermilion Bird saw Ye Chen, it started attacking Ye Chen using its own power.

Ye Chen was aware of what was about to happen, so he used his own strength to block the attack from the Vermilion Bird

Using his own strength, the Vermilion Bird's attack was reflected by Ye Chen.

The Vermilion Bird was different from all the ancient Magical Beasts that Ye Chen had previously encountered, the Vermilion Bird was slightly overbearing and attacked Ye Chen and the others.

Ye Chen reversed the power of the Vermilion Bird, it made the Vermilion Bird retreat.

"ohhh, how interesting, can withstand the strength of me" Vermilion Bird looked at Ye Chen, Vermilion Bird had never seen someone like Ye Chen.

"we didn't come here to fight" Ye Chen said to the Vermilion Bird.

"I know you're coming, it's just a bit of a test for you." Vermilion Bird said that just now it was just a test for Ye Chen and the others.

To think that Ye Chen would display such strength, it was simply formidable.

#### [Chapter 2298 Ice Phoenix Again](#)

"oh, so it was just a test, okay, I understand." Ye Chen understood, he understood that just now it was just a test for them.

"You are all great people, just coming here already shows that you are strong people." Vermilion Bird said to Ye Chen.

Ye Chen and everyone had shown that they were worthy people, only strong people could come to this place, considering that not many people had come to this place already and they had been here for a very long time.

"Thank you very much" Ye Chen was grateful for the praise given by the Vermilion Bird, it means that they deserve this praise.

"so which one of you is worthy" Vermilion Bird said to Ye Chen, Su Yuya and Ning Yi.

They seemed to deserve it, the Vermilion Bird wanted to see everything, she discovered that within Ye Chen's body was a powerful flame like the Heavenly Flame, it was no weaker than what she had.

Su Yuya and Ning Yi looked promising, they both had good talent and high strength, provided they would probably be of great use.

Mu Nianci and Xia Qingyu were not compatible, their strengths were clearly opposites, plus the Vermilion Bird felt that there were traces of the Ice Phoenix's power on the bodies of Mu Nianci and Xia Qingyu.

"I like both of them." Vermilion Bird liked Ning Yi and Su Yuya.

"thank you very much" Ning Yi and Su Yuya looked happy, they were about to obtain the power of the Vermilion Bird.

"Okay, you three can leave this place." Vermilion Bird chased Ye Chen, Mu Nianci and Xia Qingyu away.

Ye Chen, Mu Nianci and Xia Qingyu. Smiling wryly, it looked like they were kicked out of this place.

"We will go" Ye Chen said to Su Yuya, he told him that he would go together with Mu Nianci and Xia Qingyu.

Mu Nianci and Xia Qingyu didn't look well, so Ye Chen decided to make them leave this place.

"let's go" Ye Chen told Mu Nianci and Xia Qingyu.

Mu Nianci and Xia Qingyu followed Ye Chen, both of them leaving the super hot place.

Ye Chen and Mu Nianci and Xia Qingyu left the nest of the Vermilion Bird, now they had a place to be alone.

"We're finally out of the overheated place." Mu Nianci and Xia Qingyu felt better after they stepped out of the Vermilion Bird's compound.

"Just the three of us left" Ye Chen said to Mu Nianci and Xia Qingyu.

"Do we still have to go forward?" Mu Nianci asked Ye Chen.

"Of course, we will advance, this place is very good, there are many things we can't miss in this place." Ye Chen said that they would not be able to miss such a good opportunity.

A good opportunity like this won't be easy to get, so it's better for them to take advantage of this opportunity properly so they don't regret it later.

Ye Chen always lives life to the best of his ability, he will not miss this life because life is meaningful, life is only once Ye Chen will not miss this kind of opportunity.

Mu Nianci and Xia Qingyu nodded lightly, they both knew and were aware of what Ye Chen had said.

"Okay, let's go." Ye Chen hugged Mu Nianci and Xia Qingyu.

Right now at his side were only Mu Nianci and Xia Qingyu, so Ye Chen hugged the two of them intimately.

Mu Nianci and Xia Qingyu went with Ye Chen, both of them felt safe when they were with Ye Chen, so they didn't need to fear any danger.

Ye Chen provided a protection against Mu Nianci and Xia Qingyu, he provided a protection against Mu Nianci and Xia Qingyu.

"The temperature around them is starting to drop." Ye Chen saw that the temperature around them was starting to drop, the temperature around them started to drop very quickly, in a short time the temperature became very cold.

"This place is getting cold" The cave started to get cold, the more Ye Chen, Mu Nianci and Xia Qingyu advanced, they found a thick layer of ice covering the walls around them.

"Looks like this place has become cold and very suitable for you to use." Ye Chen said to Mu Nianci and Xia Qingyu.

This place is really suitable, it's quite comfortable." The two of them felt comfortable, the cold place made Mu Nianci and Xia Qingyu feel comfortable.

The temperature is getting colder and colder, With this cold temperature, it is certain that it will be difficult for ordinary cultivators to survive.

"Why is it getting colder and colder?" Mu Nianci and Xia Qingyu were getting cold, the temperature was dropping and they were starting to get cold.

Cultivators like Mu Nianci and Xia Qingyu felt a chill, it was obvious that the temperature in this place was already very low, if Ning Yi had come along, he probably wouldn't last long in this place.

Ye Chen gave warmth to Mu Nianci and Xia Qingyu, he hugged Mu Nianci and Xia Qingyu to give warmth to both of them.

Mu Nianci and Xia Qingyu were touched by what Ye Chen was doing, both of them were very comfortable with what Ye Chen was doing.

With the help provided by Ye Chen, Mu Nianci and Xia Qingyu were no longer cold, They walked over and hugged Ye Chen right and left.

Mu Nianci and Xia Qingyu did not expect that they would become so intimate with Ye Chen, this was quite rare.

Especially for Mu Nianci, she rarely had intercourse with Ye Chen.

They entered deeper and deeper, the temperature grew cold and several times the ice below and the sky shot towards Ye Chen.

Ye Chen parried them all, he set up a wind barrier around to deflect the sharp icicles that were falling towards them.

Luckily Ye Chen had the power of wind, this could deflect any attacks headed their way and make everyone well protected.

After walking for a long time, they finally arrived at a place, they all arrived at a lake that was cold and also very calm.

"This place is very quiet" Mu Nianci had never seen such a quiet place, it was one of the places that Mu Nianci liked quite a bit.

Mu Nianci likes a quiet place the most, that is one of the things Mu Nianci likes, where a quiet place is very comfortable.

"quiet place, who lives in this place" Ye Chen wants to see who lives in this place.

Ye Chen used his strength.

A great force occurred and the cold water that was the lake started to shake.

"rumbling" A figure came out of the inside, this figure came out from the inside and made the lake freeze

"It's been so long, who bothered me." The figure of the Ice Phoenix reappeared in front of Ye Chen, this figure was quite familiar to Ye Chen.

"As I thought, this is Ice Phoenix." Ye Chen looked at the Ice Phoenix in front of him, this figure was very familiar to Ye Chen.

"Heir of the Azure Dragon, why are you in this place" the remnant Ice Phoenix Soul said to Ye Chen.

#### [Chapter 2299 Ice Phoenix Gives Gifts](#)

"So the one sleeping in this place is you" Ye Chen said to the Ice Phoenix.

"Of course, what are you doing here?" Ice Phoenix asked Ye Chen.

"I wonder if I can get some from the Ice Phoenix" Ye Chen said to the Ice Phoenix.

"You shouldn't need it, is it for the two women beside you, they seem to have a bit of Ice Phoenix blood, I can feel it faintly" Ice Phoenix could feel the blood on Mu Nianci and Xia Qingyu's bodies.

both of them obtained a bit of strength from Ning Xia, so it wouldn't be strange for them to obtain a bit of pure Ice Phoenix blood.

"It doesn't matter, I'm actually find for the two of them." Ye Chen said that he was looking for Mu Nianci and Xia Qingyu.

"what a nice guy you are" Ice Phoenix said to Ye Chen.

"this is so weird, you seem to be talking a lot more than last time" Ye Chen said to the Ice Phoenix.

"You may not realize, that I and the one you met are different." Ice Phoenix said that she was different from the one Ye Chen met.

"So you are different, not weird." Ye Chen now understands, that's the reason why the Ice Phoenix here is a little more talkative than before.

"you don't need to ask too much about that problem" Ice Phoenix said to Ye Chen, she told Ye Chen not to ask too much.

"Okay, I understand" Ye Chen understood, he didn't ask Ice Phoenix much anymore.

"That's great, then I'll give them strength, you stay here, just in case anything untoward happens to them" Ice Phoenix said to Ye Chen.

"what do you mean ?" Ye Chen asked Ice Phoenix, he wanted to know the meaning of the words said by Ice Phoenix.

"You will know if that happens, you two prepare yourselves," the Ice Phoenix said to Mu Nianci and Xia Qingyu.

Mu Nianci and Xia Qingyu started to prepare, both of them preparing to receive the pure blood of the Ice Phoenix.

The Ice Phoenix each gave 9 drops of the purest blood, this should be plenty for Mu Nianci and Xia Qingyu.

Mu Nianci and Xia Qingyu had extremely formidable bodies, so the Ice Phoenix only gave a little so they could put it to good use.

Mu Nianci and Xia Qingyu closed their eyes, they began to feel that their body temperature was dropping.

"How strange, this is different from what Sister Ning Xia did." Mu Nianci felt that this was a little different, the Ice Phoenix pure blood was much more difficult to handle compared to Ning Xia's.

"hold on" Ice Phoenix said to Mu Nianci and Xia Qingyu.

Mu Nianci and Xia Qingyu did their best, both did the best they could.

"You two can do it" Ye Chen believed in Mu Nianci and Xia Qingyu, he was sure that the two of them would be able to overcome anything.

Mu Nianci and Xia Qingyu closed their eyes, they tried to calm their body and mind.

The two of them became extremely calm, they both tried to completely control the blood of the Ice Phoenix.

"Well done" Ice Phoenix was satisfied with what Mu Nianci and Xia Qingyu had done, both of them had succeeded in the first stage.

"Okay, I leave them to you, take good care of them" Ice Phoenix said to Ye Chen.

After saying that, the Ice Phoenix immediately descended to the bottom of the lake.

"what is the meaning of this" Ye Chen said to Ice Phoenix, it's a pity that Ice Phoenix didn't listen to Ye Chen, he had already left this place first.

Ye Chen didn't understand, why did the Ice Phoenix leave, it seemed that Ye Chen could only keep the two of them in this place.

Ye Chen was being watched by Mu Nianci and Xia Qingyu, he could see that the two of them were very serious, they were both quite serious in doing this.

"I hope you get what you want." Ye Chen hoped that by Mu Nianci and Xia Qingyu gaining full strength, it would be of great benefit to Mu Nianci and Xia Qingyu.

As Mu Nianci and Xia Qingyu began to completely control the pure Ice Phoenix blood, their bodies became colder and colder.

"ummm . ." Mu Nianci and Xia Qingyu couldn't stand this, neither of them could stand the cold in their bodies.

The pure Yin Qi in their bodies overflowed and left the two of them chilling.

"ah . . . , this is bad " the Ice Phoenix 's blood is really strong .

Mu Nianci and Xia Qingyu had bodies with extremely pure Yin Qi, so it wasn't strange for them to run into trouble.

"Are you okay?" Ye Chen said to Mu Nianci and Xia Qingyu, he wanted to know the condition of Mu Nianci and Xia Qingyu.

"This is bad. . ." Mu Nianci and Xia Qingyu said to Ye Chen, he told her that this looked bad.

"What happened, tell me" Ye Chen said to Mu Nianci and Xia Qingyu, he asked Mu Nianci and Xia Qingyu to tell what happened.

Mu Nianci and Xia Qingyu held back, they didn't say what happened.

Ye Chen was near them and made sure that they were okay.

Mu Nianci and Xia Qingyu were not doing well, when Ye Chen was around them, they felt even worse.

Mu Nianci and Xia Qingyu's bodies were quite cold, they needed fire to relieve this cold.

and Ye Chen had just that, so when Ye Chen approached, it naturally attracted Mu Nianci and Xia Qingyu.

Mu Nianci and Xia Qingyu were struggling to hold on, both trying to hold on and not be consumed by lust.

Mu Nianci and Xia Qingyu's willpower was extremely strong, both of them being able to endure for quite a long time.

After a while later, they finally started to be unable to take it anymore.

"I can't take it anymore" Mu Nianci was the first person, she couldn't take it anymore and needed help from Ye Chen.

Mu Nianci drew closer to Ye Chen, she started hugging Ye Chen who was in front of her.

Ye Chen didn't think too much, he thought that Mu Nianci wanted to hug him and wanted to thank Ye Chen.

Ye Chen's prediction turned out to be wrong, Mu Nianci apparently wanted something from him.

Mu Nianci kissed Ye Chen, the two started kissing and had a mature kiss.

Ye Chen was of course surprised by what Mu Nianci did, what Mu Nianci did was so sudden.

The current Mu Nianci was completely different from what Ye Chen knew, the current Mu Nianci was much bolder than usual.

"help me, this is not comfortable" Mu Nianci said to Ye Chen, she asked Ye Chen to help herself, this feeling was very uncomfortable for Mu Nianci.

"what's wrong, say it more clearly" Ye Chen told Mu Nianci to say it even more clearly.

So that Ye Chen could know the problem that Mu Nianci had.

"My body is full of pure Yin Qi, I can't handle it" Mu Nianci said to Ye Chen, she spoke and explained to Ye Chen.

Mu Nianci was a little hard to tell Ye Chen, she was still embarrassed to say the reason.

"So that's it, why not say" Ye Chen finally understood, he finally understood what really happened.

Ye Chen looked at Xia Qingyu, it seemed that she also had the same problem that Mu Nianci had.

"Alright, I'll help you ." Ye Chen said that he would help Mu Nianci and Xia Qingyu, he couldn't let the two get into trouble and ensure that they were fine in absorbing the Ice Phoenix's inheritance.

#### [Chapter 2300 Ye Chen & Mu Nianci](#)

Mu Nianci couldn't stand it anymore, her body wasn't comfortable at all and she was really in serious trouble.

Ye Chen started helping Mu Nianci, he absorbed Mu Nianci's Yin Qi.

Ye Chen used all the best skills, he made Mu Nianci feel so comfortable that she couldn't hold on.

"This is very good" Mu Nianci said to Ye Chen, she told Ye Chen that this is very good.

"I'm glad you like it" Ye Chen was happy when he saw Mu Nianci liked what he was doing, it seemed that Mu Nianci was very comfortable.

"do more, I need more" Mu Nianci said to Ye Chen, she told Ye Chen that she needed more love from Ye Chen.

"Of course" Ye Chen stretched out his hand and started to undress Mu Nianci.

Mu Nianci was resigned when Ye Chen took off her clothes, she let Ye Chen let go and she showed Ye Chen her own excellent body.

"You have a very good body" Ye Chen said to Mu Nianci, he told her that Mu Nianci had a very good body.

"no, don't tease me anymore" Mu Nianci said to Ye Chen, she told Ye Chen not to tease her anymore.

"Okay, I understand" Ye Chen understood, he would do his best to make Mu Nianci comfortable.

Xia Qingyu herself was still better than Mu Nianci, that was probably because Xia Qingyu's Yin Qi was less compared to Mu Nianci.

The two of them were quite far apart in age, so it wasn't strange that Mu Nianci was the first person who couldn't stand it and immediately hugged Ye Chen.

Mu Nianci's body was exquisite and mature, it was a ripe body ready to be plucked, the one who got hold of Mu Nianci would be the luckiest in this world.

"is it okay for me to do it ?" Ye Chen said to Mu Nianci.

"It's okay, I can't stand it anymore, help me quickly" Mu Nianci said to Ye Chen, she told Ye Chen to help herself.

"Okay" Ye Chen understood, he started to help Mu Nianci and began to massage Mu Nianci's double peaks.

"No, it's too strong." Mu Nianci said to Ye Chen, Ye Chen squeezed too hard and made Mu Nianci feel very strange.

"very good, this feeling is very steady" Ye Chen was happy, he liked to squeeze Mu Nianci's double peaks.

Mu Nianci made a seductive voice, Mu Nianci's voice could be very seductive when she got stimulation from Ye Chen.

Ye Chen was probably the only one who could make Mu Nianci make this kind of sound, Mu Nianci couldn't possibly make this kind of sound if she wasn't stimulated by Ye Chen's technique.

"Ahh. . ." Mu Nianci shook her head left and right, to be honest she had a hard time holding back this many feelings.

Mu Nianci's voice naturally made Xia Qingyu lose focus.

Xia Qingyu lost her focus when she heard Mu Nianci's seductive voice.

"What are they doing, their voices are too loud" Xia Qingyu saw that Ye Chen and Mu Nianci's voices were too loud, from just this Xia Qingyu already knew what the two of them were doing.

Xia Qingyu opened her eyes to see what was happening, she opened her eyes to see that Ye Chen was teasing Mu Nianci with his hands.

Xia Qingyu had already experienced Ye Chen's teasing before, so it wasn't strange for her to know how it felt.

"It seems that sister Nianci is going to be in trouble." Xia Qingyu saw that Mu Nianci was going to be in trouble, she would definitely find it hard to defend against Ye Chen's attack.

Mu Nianci was indeed having a hard time, she was hard enough to resist Ye Chen's invasion, Ye Chen's hands alone had made her go crazy.

"ahhh. . ., too great, what kind of feeling is this, it makes my head messed up" Mu Nianci felt messed up by Ye Chen, although her head felt very messy, Mu Nianci liked what Ye Chen did, what Ye Chen did was very pleasure and made Mu Nianci feel happy.

Mu Nianci rarely felt happiness, and now she finally got it and she might fall into a pit where she would change.

"how, is it already good?" Ye Chen asked Mu Nianci, he wanted to know if Mu Nianci was satisfied.

"my body is still too cold do something" Mu Nianci said to Ye Chen.

Ye Chen continued to hug Mu Nianci, he ensured that he was warmed up.

Ye Chen had already helped Mu Nianci by channeling Yang Qi, it seemed it was still quite slow.

"this is bad, it's too slow" Ye Chen had to do something, he had to get Mu Nianci to get Yang Qi to balance the Yin Qi in her body.

Ye Chen didn't want to waste his time, he immediately took off his clothes and showed Mu Nianci his strength.

Mu Nianci was shocked when she saw Ye Chen, she was mesmerized by Ye Chen's splendid body, Ye Chen's body was so perfect and without even a single flaw.

"why are you looking at me in that way" Ye Chen said to Mu Nianci.

"no I" Mu Nianci said to Ye Chen, she was embarrassed to admit what happened.

Ye Chen smiled when he saw Mu Nianci stuttering, it seemed she was still embarrassed to admit what happened.

Ye Chen came closer, he started helping Mu Nianci by using what was below.

"please slow down, it looks terrible, I also have no experience" Mu Nianci said to Ye Chen.

Mu Nianci didn't have an experience, she didn't have an experience and was extremely nervous about this matter, so it wasn't strange that she told Ye Chen to be gentler.

"You are a strong cultivator, are you afraid of such a small thing?" Ye Chen said to Mu Nianci.

"It's a monster" Mu Nianci immediately said to Ye Chen.

Ye Chen has a big and long thing, a pure woman will definitely be frightened when she sees what Ye Chen has.

Ye Chen smiled when he saw the reaction shown by Mu Nianci, the reaction shown by Mu Nianci was very funny, he showed a very funny reaction and made Ye Chen happy.

"let's start" Ye Chen said to Mu Nianci, it seemed Mu Nianci was already prepared so they didn't need to make any other preparations.

Mu Nianci prepared her heart, she tried to prepare herself to face Ye Chen, to be honest, she was still afraid to do this with Ye Chen.

"Don't be afraid, you must take off all the shackles, you don't need to shackle yourself anymore" Ye Chen said to Mu Nianci, he told Mu Nianci not to shackle herself anymore.

"I understand" Mu Nianci listened to Ye Chen, she tried to open her whole heart to Ye Chen.

Ye Chen saw Mu Nianci, he could see the effort Mu Nianci had shown, that's why Ye Chen would make Mu Nianci satisfied.

Ye Chen started using his own and drilled into Mu Nianci's honey cave which was still the first time.

"Uh. . . ." Mu Nianci immediately reacted when Ye Chen did this, she started to feel a sharp pain.

"This is not good, why do they like to do this, it is inconvenient" Mu Nianci didn't know that this would hurt, then why did Ye Chen's woman like this.

This made no sense to Mu Nianci.

"It will be good soon, you have to endure a little" Ye Chen said to Mu Nianci, he told Mu Nianci to hold back a little and soon she would feel comfortable.
