

True God 2301

[Chapter 2301 Ye Chen, Mu Nianci And Xia Qingyu](#)

Ye Chen looked at Mu Nianci, Mu Nianci's reaction was very cute, it looked like she was enduring the pain.

"Are you okay?" Ye Chen asked Mu Nianci, it looked like Mu Nianci was not okay.

"This is inconvenient" Mu Nianci said to Ye Chen, she told Ye Chen that it was inconvenient.

"Then I'll make you comfortable in a bit then" Ye Chen said that he would make Mu Nianci feel comfortable.

"What are you going to do?" Mu Nianci said to Ye Chen, she wanted to know what Ye Chen would do.

"You will know soon" Ye Chen said to Mu Nianci, he will know very soon what Ye Chen will do.

Ye Chen started moving, he started pumping at a slow speed and got faster and faster as time passed.

"No . . ." Mu Nianci said to Ye Chen, she felt strange about what Ye Chen was doing.

On top of that, Mu Nianci still felt pain, which caused Mu Nianci to have a problem.

Mu Nianci tried to hold on, after some time, she finally started to feel comfortable by Ye Chen.

"This is so great" Mu Nianci began to feel it. Her whole body went numb and she felt a very strong feeling down below.

Ye Chen's big thing has made Mu Nianci feel very full, she feels very full by Ye Chen.

"this is great, do it faster, I like this" Mu Nianci was starting to lose her sanity, the cold indifferent woman started to lose to the pile of lust accumulated over decades.

"Very good, you have good things down there" Mu Nianci had a good artifact, it clamped Ye Chen very tightly and didn't let Ye Chen move easily.

That's why Ye Chen needs more power to make Mu Nianci feel comfortable.

The two of them enjoyed their time, they loved each other and made each other comfortable.

Mu Nianci kissed Ye Chen, she had really started giving up and let go of all the shackles on her body, she was no longer holding back like before and was enjoying her time with Ye Chen.

Mu Nianci didn't expect that doing things between the couple would be so much fun, it seemed like she had missed a lot of things so far.

Mu Nianci would try to enjoy it, she would enjoy her time with Ye Chen.

Xia Qingyu who was on the side couldn't stand it anymore, she really couldn't stand what Ye Chen and Mu Nianci were doing.

Xia Qingyu didn't expect that Mu Nianci would do that with Ye Chen, she was so daring when it came to Dual Cultivation with Ye Chen.

"Too bad" Xia Qingyu started to get wet, it looked like she couldn't stand what was happening.

Ye Chen and Mu Nianci didn't look at Xia Qingyu, both of them were too engrossed and had probably forgotten that Xia Qingyu was still at the side.

Ye Chen was too passionate about having a relationship with Mu Nianci, he did his best to make Mu Nianci as comfortable with him as possible.

Mu Nianci was extremely comfortable, this was the highest happiness as a woman.

Ye Chen and Mu Nianci did battle for a few minutes, a few moments later Xia Qingyu came and hugged Ye Chen.

"Husband, me too" Xia Qingyu said to Ye Chen, she told Ye Chen that she wanted to be with Ye Chen.

Ye Chen finally saw Xia Qingyu, it seemed that he also needed help from Ye Chen.

"come here..." Ye Chen tugged Xia Qingyu, he pulled Xia Qingyu closer towards Mu Nianci.

Both lay together and close to each other.

Xia Qingyu looked at Mu Nianci, she could see how blushing Mu Nianci was looking at Ye Chen.

Mu Nianci's cold and beautiful face had completely faded, now Mu Nianci had removed her mask and was enjoying everything.

Xia Qingyu was of course shocked by this, she was surprised to see how Mu Nianci was enjoying all alone.

While treating Mu Nianci, Ye Chen teased Xia Qingyu with his hands, he let Xia Qingyu feel how good his technique was.

"Ahh. . ." Xia Qingyu couldn't stand Ye Chen's technique, Ye Chen's technique was too comfortable, it was very comfortable and made her feel very satisfied.

"Ahh. . ." Mu Nianci and Xia Qingyu started groaning, their voices were very good and seemed to be pleased with what Ye Chen was doing.

Mu Nianci became even more excited, she became even more excited when Xia Qingyu joined the battle, most likely because she was seen by Xia Qingyu and felt more tense and exciting.

Ye Chen himself was pinched tightly by Mu Nianci, the taste was too delicious for Ye Chen, this was a very good thing that Ye Chen could feel.

Ye Chen now no longer held back his own ability, he decided to show his own powerful ability to Mu Nianci n, by using his strong ability, Ye Chen hoped that he could make Mu Nianci comfortable.

"No . . ." Mu Nianci was swiftly brought to the peak by Ye Chen, Ye Chen's strength made Mu Nianci's body and soul obtain such immeasurable joy that she was unable to endure it.

Mu Nianci felt really happy, this was too strong and too comfortable for her, she probably already completely liked this thing.

"How, are you satisfied?" Ye Chen asked Mu Nianci.

"this is very good, I like this, you must take good care of me in the future, otherwise I might be angry"
Mu Nianci said shyly.

"Of course, but now Qingyu needs me" Ye Chen said to Mu Nianci.

Mu Nianci looked at Xia Qingyu as if indeed Xia Qingyu needed help from Ye Chen.

Ye Chen withdrew his troops, when Ye Chen did that, Mu Nianci felt a bit lost.

Now was the time for Ye Chen to make Xia Qingyu his woman.

Her pure beautiful fianc  had to be gotten by Ye Chen.

"You have to take it slowly" Xia Qingyu said to Ye Chen, she asked Ye Chen to take it slow and make her comfortable like Mu Nianci.

"You should already know what to do, prepare yourself well" Ye Chen said to Xia Qingyu, he told Xia Qingyu to prepare well.

Xia Qingyu would prepare herself well, she would prepare herself to the best of her ability and let Ye Chen enter easily.

Ye Chen used his huge object, he pierced through Xia Qingyu's tightly closed defense.

"umm . . ." Xia Qingyu's reaction was exactly the same as Mu Nianci's, it seemed she felt pain when she received Ye Chen's object.

"It's too strong" Xia Qingyu said to Ye Chen, she told Ye Chen that it was too strong.

Ye Chen's thing made her feel full and bloated, Xia Qingyu didn't expect that she would receive Ye Chen's strong and huge thing.

"You will get used to it soon" Ye Chen said to Xia Qingyu, he told her that Xia Qingyu would get used to this.

Xia Qingyu tried to hold back, this was too strong for her.

Ye Chen would not let Xia Qingyu down, he started to move and started to put Xia Qingyu at ease.

Xia Qingyu started to feel a strange feeling from Ye Chen, this strange feeling started to develop into an extremely pleasant feeling for Xia Qingyu.

[Chapter 2302 Don't You Want To Tease Him A Bit?](#)

A moment later, Xia Qingyu started to feel very good, when Ye Chen started to move, this feeling started to be good and made Xia Qingyu go crazy.

Xia Qingyu was still new to this matter, so it was not strange that she felt an indescribable feeling in her life.

"Are you satisfied?" Ye Chen whispered in Xia Qingyu's ear, he teased Xia Qingyu.

Xia Qingyu closed her eyes, her face as red as an apple.

"Why don't you answer, do I need to stop" Ye Chen said that he would stop.

"No, don't do it, I like this" Xia Qingyu finally answered Ye Chen, she finally answered Ye Chen and told that she liked the feeling Ye Chen gave her.

"It's good that you like it" Ye Chen was happy when he heard this, it seemed that Xia Qingyu liked this feeling and she seemed to have started to get addicted to this feeling.

"You slow down, is too strong" Ye Chen's movements were quite aggressive, this made Xia Qingyu have difficulty fighting Ye Chen.

Ye Chen was too comfortable with Xia Qingyu, he had forgotten that Xia Qingyu was still his first time and needed Ye Chen's gentleness.

"I'm sorry, I seem to be too excited" Ye Chen told Xia Qingyu that he was too excited, he was too excited when he did this with Xia Qingyu.

"Don't praise like that" Xia Qingyu was embarrassed when she received Ye Chen's compliment, Ye Chen's compliment looked embarrassing to Xia Qingyu.

"Hehehe" Ye Chen chuckled, Xia Qingyu was so cute, he wanted to tease Xia Qingyu and make Xia Qingyu show something cute like this.

Ye Chen's skills were too strong for Xia Qingyu, it was impossible for Xia Qingyu to be able to withstand Ye Chen's skills, it was quite difficult to resist Ye Chen's skills, considering that Ye Chen had very strong and very high abilities.

Ye Chen's movements became more and more skilled, he finally discovered Xia Qingyu's weakness, and began to carry out massive attacks.

"No. . ." Xia Qingyu seemed to know that Ye Chen found her weakness, this was too much fun for Xia Qingyu, Xia Qingyu couldn't resist this pleasure and she completely fell under the might of Ye Chen.

The two of them merged and started Dual Cultivation, they seemed very harmonious, they could complement each other.

Mu Nianci looked at Xia Qingyu, it seemed that Xia Qingyu had also completely gone, the two of them would not be able to escape from Ye Chen and they had to serve Ye Chen.

Xia Qingyu couldn't stand it, Ye Chen's strength was too strong, it wouldn't be strange for Zhao Yanyan and the other women to have a hard time beating Ye Chen.

"Sister, help me" 25 minutes later, Xia Qingyu finally asked for help from Mu Nianci, it seemed that Mu Nianci had completely recovered her strength and was ready to fight again.

"Ahh. . ." Mu Nianci was quite surprised by this, she did not expect that Xia Qingyu would seek help from her.

Ye Chen saw that Xia Qingyu couldn't take it anymore, so he decided to let Xia Qingyu rest and continued with Mu Nianci.

"No, I still haven't" Mu Nianci wasn't ready for what Ye Chen was doing, to be honest she wasn't ready for what Ye Chen was doing.

Ye Chen put his thing back in, he started the second battle with Mu Nianci.

"Ahh. . , that's great, I feel like I'm melting" Mu Nianci couldn't stand it, she completely liked when Ye Chen carried himself with so much tenderness and love.

Ye Chen was a master, so Xia Qingyu and Mu Nianci definitely wouldn't be able to last long when facing Ye Chen, they were quickly beaten by Ye Chen and they might have to accept a crushing defeat when they fought Ye Chen.

Ye Chen continuously took turns in comforting Xia Qingyu and Mu Nianci, he used techniques to ensure the two had fun and ensure their Yin Qi was stable.

Ye Chen was with Xia Qingyu and Mu Nianci for several hours, both of them seemed exhausted from facing Ye Chen.

Xia Qingyu and Mu Nianci had obtained Ye Chen's Yang Qi, it made the two of them even better and now they could probably start cultivating.

Xia Qingyu and Mu Nianci could not rest, they had to cultivate their strength and completely merge with the Ice Phoenix's pure blood.

The two started to close their eyes, it seemed that the Ice Phoenix's blood had begun to completely merge with their bodies, Ye Chen could see the changes that Xia Qingyu and Mu Nianci had.

Thirty minutes later, Xia Qingyu and Mu Nianci managed to completely merge their Ice Phoenix blood, it seemed Ye Chen helped them to quickly awaken the Ice Phoenix blood.

After fully awakening the Ice Phoenix blood, both of them became excited, their strength and stamina recovered.

As they became lighter and lighter, Xia Qingyu and Mu Nianci felt that they could do everything easily.

Mu Nianci didn't expect that the inheritance of the Ice Phoenix would be able to awaken immediately, they had merged with the power of the Ice Phoenix.

"I want to try it." Xia Qingyu wanted to use her own power, Xia Qingyu's hair changed color when using the power of the Ice Phoenix.

Xia Qingyu used her finger, she froze the entire lake with ease.

"This is so great" Xia Qingyu was shocked when she saw this strength, obviously much stronger than before, plus her Pure Yin body had completely awakened because of Ye Chen and him possessing such astonishing strength.

In contrast to Xia Qingyu, Mu Nianci stretched out her own hand, she created an Ice lotus with an extremely powerful aura, even the temperature of the surroundings seemed to follow the Ice lotus in Mu Nianci's hand.

"My strength has increased quite a lot." Mu Nianci had also improved, she had also increased her strength and right now her strength was way above average.

Perhaps Mu Nianci's strength was the same as Mu Lanyin's, they might be comparable in strength, though perhaps Mu Lanyin was much better because she awakened the inheritance earlier than Mu Nianci.

Mu Nianci's aura was very impressive, possibly because her Frozen Glass Heart Special Body had begun to awaken and now she was even more beautiful and filled with charm that made men want to possess her.

Mu Nianci and Xia Qingyu looked overjoyed, both of them seeming to have gotten good things for their future.

Ye Chen himself also got a lot of benefits, harvesting Yin Qi from the pure Yin body and Frozen Glass Heart Special Body made Ye Chen get a lot of benefits, this benefit was a blessing to increase Ye Chen's strength.

"he still hasn't finished" Mu Nianci saw that Ye Chen still hadn't finished, it seemed that Ye Chen needed more time to cultivate Mu Nianci and Xia Qingyu's remaining Yin Qi.

Mu Nianci came closer, she started touching Ye Chen with her cold fingers.

"What are you doing ?" Xia Qingyu asked Mu Nianci, she saw that Mu Nianci was trying to do something from Ye Chen.

"just want to tease him a little, usually he teases us a lot, now it's our turn to tease him" Mu Nianci wanted to tease Ye Chen a little, she wanted to tease Ye Chen.

Xia Qingyu couldn't believe what she was hearing, she didn't expect Mu Nianci to want revenge, this wasn't like the usual Mu Nianci.

today Mu Nianci was full of flowers, so it wasn't strange that she was like this, she seemed to be enjoying her time with Ye Chen and starting to open up about their relationship.

"Don't you want to tease him a bit?" Mu Nianci said to Xia Qingyu.

[Chapter 2303 Mu Nianci & Xia Qingyu Seduced Ye Chen \(1\)](#)

"You are absolutely right" Xia Qingyu agreed with what Mu Nianci said, perhaps it was time for them to retaliate and tease Ye Chen.

The two of them were probably planning revenge, they wanted to take revenge on Ye Chen for what happened.

it looked like the two of them were trying to plan something, they were trying to plan something against Ye Chen.

Ye Chen didn't know what they were thinking, if Ye Chen knew, he would probably be shocked by what happened.

Luckily Ye Chen wasn't at a crucial moment, so he was still very leisurely in doing things and he was very happy about what happened earlier.

Mu Nianci kept using her fingers to touch Ye Chen, she felt happy when she did this to Ye Chen.

Mu Nianci smiled, Mu Nianci's smile was very beautiful and amazed anyone who saw it.

Mu Nianci rarely smiled, so it wasn't strange that she looked extremely beautiful when she did.

Mu Nianci's beauty also matured, she looked prettier and more mature compared to before.

It seemed that doing Dual Cultivation with Ye Chen had made Mu Nianci grow from strength to beauty, she became a slightly different person from before.

Xia Qingyu also approached, she started to do what Mu Nianci did.

Both of them touched Ye Chen and teased him, they both did this with a happy heart.

Ye Chen himself was almost finished, so he would probably wake up soon.

Ye Chen was of course aware of what Mu Nianci and Xia Qingyu were doing, what they were doing was naughty and Ye Chen should probably give both of them some punishment.

Ye Chen was happy about this, so he let Mu Nianci and Xia Qingyu play a bit more against him.

Mu Nianci started to feel uneasy, why did Ye Chen take so long, did he fall asleep and forgot.

"Hmmm, looks like we should wake him up," Mu Nianci said to Xia Qingyu.

Mu Nianci invited Xia Qingyu to wake Ye Chen up.

"I have a good idea" Xia Qingyu said to Mu Nianci, she told Mu Nianci that she had a very good idea.

"What ideas do you have?" Mu Nianci said to Xia Qingyu, she wanted to know what ideas Xia Qingyu had.

The two of them had touched and teased Ye Chen, it was a pity that Ye Chen's reactions were casual and it seemed they were lacking in doing so.

Xia Qingyu whispered to Mu Nianci, she told them what they could do.

"Huh?" Mu Nianci was suddenly shocked by Xia Qingyu's idea, she didn't expect Xia Qingyu to have such a strange idea.

"Are you sure this will work?" Mu Nianci said to Xia Qingyu.

"I've read something like that before, so maybe it will work," Xia Qingyu said.

"It seems that the place where you live is so daring, for you to read such a thing," Mu Nianci said to Xia Qingyu.

"I accidentally" Xia Qingyu said that he accidentally discovered it.

"Wanna try it?" Xia Qingyu said to Mu Nianci.

Mu Nianci thought for a while, whether to try out what Xia Qingyu said or not.

If this had been the previous Mu Nianci, she would have immediately rejected what Xia Qingyu had said.

"let's try it" Mu Nianci was curious, she wanted to try it.

Mu Nianci wanted to try new things, there were many new things she hadn't tried yet and she wanted to try them right away.

"Then how about you start first?" Mu Nianci told Xia Qingyu to start first.

"Alright" Xia Qingyu understood, he would start first, he knew enough about this matter.

Xia Qingyu stretched out her hand, she stretched out her hand towards Ye Chen's younger brother who was below.

Xia Qingyu was holding Ye Chen's little brother, it was so big and so strong, it was quite terrifying that one hand wasn't enough to hold him.

"It's bigger than before, can it still grow?" Xia Qingyu felt that it was so huge, how could Ye Chen still grow, this was incomprehensible.

Xia Qingyu herself didn't believe that this could enter, how she endured this and how she was messed with by Ye Chen's thing, the feelings in Xia Qingyu's heart mixed together.

Ye Chen felt a hand reaching below him, he knew whose hand it belonged to, it was obvious that it belonged to Xia Qingyu.

"Oh, I didn't expect her to do that." Ye Chen didn't expect that Xia Qingyu would be so bold, she was brave enough to tease Ye Chen with her own hands.

Xia Qingyu's movements were quite good, she knew what to do to make Ye Chen as comfortable as possible.

Mu Nianci saw what Xia Qingyu was doing, from Mu Nianci's perspective, it seemed that Xia Qingyu was playing with Ye Chen.

"Is that so" Mu Nianci understood, she could understand what was going on and saw that Xia Qingyu was trying to seduce Ye Chen using the skills she had.

Xia Qingyu's skills were already said to be decent, this should have made Ye Chen more alert.

Mu Nianci saw that Xia Qingyu seemed to be having fun, she could see it from the face Xia Qingyu showed.

"Is it fun, I want to try it" Mu Nianci wanted to try it herself, she wanted to try whether it was comfortable or not.

Mu Nianci also reached out her hand, she grabbed Ye Chen's object and began to move her hand like Xia Qingyu did.

The two of them started to help Ye Chen by using their both hands, they teased Ye Chen's little brother and put Ye Chen at ease.

Ye Chen tried to calm down and enjoy this, he enjoyed what his two beautiful wives were doing.

Mu Nianci didn't know, but this was so much fun, it was more fun than she thought.

"How?, isn't this fun?" Xia Qingyu said to Mu Nianci.

Xia Qingyu told Mu Nianci that this was a really fun thing to do.

"You're right, it's fun to do." Mu Nianci agreed, she was quite happy about this.

"want to do more" Xia Qingyu said to Mu Nianci.

"Sure, it looks like he's run into trouble, let's let him know the strength we have," Mu Nianci said to Xia Qingyu.

The two of them were currently in excellent condition, so the two of them didn't hesitate to seduce Ye Chen again and dared to fight against Ye Chen.

Xia Qingyu and Mu Nianci had recovered their strength, so it wasn't strange that they were so bold as to seduce Ye Chen.

"They are brave enough, it seems they are not satisfied enough yet" Ye Chen was shocked by the change from Xia Qingyu and Mu Nianci, they were both too bold to challenge Ye Chen.

Xia Qingyu and Mu Nianci didn't know Ye Chen's strength yet, so it wasn't strange for the two of them to dare like this.

Xia Qingyu started to approach, she used her small mouth to serve Ye Chen's object.

"Slurp . . ." Xia Qingyu started to suck, she started to display her skills in serving Ye Chen.

Mu Nianci was shocked by what Xia Qingyu did, she didn't expect Xia Qingyu to be so bold, she ate Ye Chen's monster.

Xia Qingyu seemed to enjoy this, she liked Ye Chen's and loved serving Ye Chen's.

"umm . . ., chuuu . . ." Xia Qingyu made a seductive voice, her technique seemed to be quite good and she was already highly skilled at this.

[Chapter 2304 Mu Nianci & Xia Qingyu Seduced Ye Chen \(2\)](#)

"Qingyu did it" Ye Chen could feel that this was done by Xia Qingyu, he could feel Xia Qingyu's small mouth.

Xia Qingyu was a little troubled, Ye Chen had such a big and difficult thing for Xia Qingyu to handle.

"This is great, I like it." Xia Qingyu liked this thing, it was too comfortable and too delicious.

Xia Qingyu helped Ye Chen, she had forgotten that Mu Nianci was watching at the side right now.

"want to try it" Xia Qingyu said to Mu Nianci, how to do it, is it good?" Mu Nianci asked Xia Qingyu.

Mu Nianci was much more innocent compared to Xia Qingyu, that was probably because Mu Nianci wasn't a modern person, so she didn't have much experience.

"It was hard at first, but I'm sure you'll like it after you try it," Xia Qingyu said to Mu Nianci.

Xia Qingyu expressed satisfaction at doing this and told Mu Nianci to give it a try.

Mu Nianci gave it a try, she did it slowly.

"This is too difficult." Mu Nianci saw that this was too difficult, to be honest she couldn't really do it.

"You should put in more effort, don't hold back" Xia Qingyu said to Mu Nianci.

Xia Qingyu herself also experienced hardships, but the truth was that she could when she put in the effort.

Mu Nianci gave it another try, she again rendered service to Ye Chen's huge object.

This time Ye Chen felt a different feeling, it was obvious that this must be Mu Nianci, she looked clumsy and made Ye Chen a little sore.

Mu Nianci didn't know anything about tricks at all, it wasn't strange that she was really too clumsy.

Ye Chen couldn't go on like this, he probably had to do something.

"You can't do that, it will hurt him." Xia Qingyu tried to tell Mu Nianci, with a little guidance from Xia Qingyu, she stopped scratching Ye Chen's and started to comfort him.

Mu Nianci saw that this was really good, it was like she was eating candy but in a much stronger and tastier form than Mu Nianci had imagined.

Xia Qingyu couldn't stand it, the two of them finally served Ye Chen and seduced Ye Chen using all the skills they had.

"Ummm . . ." Mu Nianci and Xia Qingyu's stimulation was too strong, Ye Chen had to endure the pleasure that Mu Nianci and Xia Qingyu gave him.

"Slurp . ." the two of them worked very well together, the two of them were finally able to make Ye Chen comfortable, a technique that the two of them used have too strong and would probably make Ye Chen give up quickly.

Ye Chen enjoyed when he saw how Mu Nianci and Xia Qingyu worked together.

Mu Nianci and Xia Qingyu did things that were too good for Ye Chen, Ye Chen wanted to see her, there was no way he would miss the opportunity to see how seductive Mu Nianci and Xia Qingyu were.

"You two little fairies, you two are teasing me" Ye Chen said to Mu Nianci and Xia Qingyu.

Mu Nianci and Xia Qingyu looked at Ye Chen, they saw Ye Chen who had already opened his eyes.

"Now it's our turn, we will take revenge for what happened" Mu Nianci and Xia Qingyu said to Ye Chen.

"Oh . . ." Mu Nianci and Xia Qingyu were getting stronger and stronger, they were doing their best to defeat Ye Chen.

Mu Nianci and Xia Qingyu had just been cultivated, to think that they would have such excellent talent.

Ye Chen enjoyed this, he enjoyed what Mu Nianci and Xia Qingyu were doing.

"Well done, you guys are indeed talented" Ye Chen praised, Mu Nianci and Xia Qingyu were very talented, if they were willing to practice more, they would probably become even more skilled.

Mu Nianci and Xia Qingyu were happy about this, both of them continued to tease Ye Chen's younger brother who was downstairs, they both showed that they were worthy opponents for Ye Chen.

Ye Chen endured long enough, he was able to outlast Mu Nianci and Xia Qingyu long enough.

"Isn't he too strong?" Mu Nianci said to Xia Qingyu, they had used all kinds of methods, until now they still couldn't beat Ye Chen.

"No, I'm pretty sure he's already reached his limit." Xia Qingyu believed that Ye Chen wouldn't be able to hold out much longer, he couldn't possibly hold out much longer and would probably lose out soon.

Xia Qingyu decided to use more strength to please Ye Chen, she used as many moves and skills as she could to serve Ye Chen.

Mu Nianci wouldn't lose to Xia Qingyu either, she displayed her strength and skills to make Ye Chen feel at ease.

Ye Chen was too comfortable, the love given by Mu Nianci and Xia Qingyu was too strong and made Ye Chen unable to bear it.

"You two, you are too tempting" Ye Chen said to Mu Nianci and Xia Qingyu

Mu Nianci and Xia Qingyu knew that Ye Chen wouldn't be able to stand it, so they kept speeding up their moves and techniques.

"Ohhh. ." Ye Chen finally gave in, he couldn't stand the teasing from Mu Nianci and Xia Qingyu any longer.

"Ahh. ." both of them received Ye Chen's Yang Qi, they both received Ye Chen's extremely rich Yang Qi.

"It's hot" Mu Nianci felt that it was really hot.

she couldn't stand this and gave it a try, after a while she liked the taste and asked for more from Ye Chen.

Ye Chen was having trouble against Mu Nianci and Xia Qingyu, both of them were just too seductive right now and they looked like Succubus who wanted to suck Ye Chen dry.

"You guys are too tempting, let's do it" Ye Chen said to Mu Nianci and Xia Qingyu, he used decided to have a match with the two.

Mu Nianci and Xia Qingyu would not be able to escape, they were both restrained by Ye Chen and had another rematch to determine who was the strongest among them.

"Ahh. ." Loud voices resounded, it seemed the two of them were enjoying their time very well.

Ye Chen took the two inside the fairy gate, they would be freer and get a lot of benefits there.

.

Chu Yelan now looked around, she saw that there were a lot of people around this place.

"There are so many guests coming to my place, I feel that they have come with bad intentions." Chu Yelan could feel that these people had come with very bad intentions, it seemed they were after the treasure in her place.

Chu Yelan couldn't let this happen, she couldn't let this happen and decided to play with them.

"let's see if you guys have the ability, I'll play with you all" Chu Yelan left, she used her own strength to play with everyone who was currently lost and kept rotating around this place.

Chu Yelan found a group, she found a small group that was currently confused.

"what's with this place, what happened to this place" the small group felt hopeless, they had been trapped in this place for several days and they couldn't do anything about this matter.

Chu Yelan appeared, she appeared wearing a very beautiful dress in front of them.

"Where did this beautiful woman come from, is she lost?" This small group immediately discovered Chu Yelan's whereabouts.

Chu Yelan's fairy beauty would definitely be able to easily attract the attention of any approaching men.

[Chapter 2305 I Have An Item That Will Make You Lose Easily](#)

"Hehehehe, how interesting, to think that we would meet such a beautiful woman in a place like this".

This small group was very happy when they saw Chu Yelan in this place, they were extremely lucky that there were no women in the group, so it wasn't strange for them to be interested.

Plus again Chu Yelan was beautiful and seductive, this woman's charm was extremely strong and might make men excited just from looking at her.

"What are you doing in this place alone, pretty lady?" The group asked Chu Yelan, they all wanted to know what Chu Yelan was doing in this place.

"I'm lost" Chu Yelan said that she was lost in this place, she didn't know how to get out of this place.

"Then we are the same, how about we be together" the group leader said to Chu Yelan.

"Are you guys okay with a woman like me?" Chu Yelan said in a coquettish and seductive tone.

"Of course, that's fine" everyone wouldn't mind, they couldn't possibly object to Chu Yelan joining their group.

Chu Yelan smiled, it seemed that the humans in front were easy to fool, they were easy to fool and now they were in trouble.

Chu Yelan started to think about what to do, what to do with these people, after all these people looked evil and not good.

They started to leave together with Chu Yelan, they flirted and started talking to Chu Yelan.

Chu Yelan tried to blend in, she tried to mingle with these people and searched for information about these people.

A while later, they arrived at a slightly dark mountain pass, this mountain pass was an extremely splendid place.

"How about we rest in this place for a while" The group leader said to everyone.

Everyone naturally knew what to do, they all knew what the group leader was going to do, it seemed that they wanted to do something to Chu Yelan.

Chu Yelan was not stupid, she was naturally aware of what this group would do.

A while later the group started to approach and started to tease Chu Yelan, they used all kinds of ways to seduce Chu Yelan.

Chu Yelan smiled, they finally started to show themselves.

After that one of the group tried to extend their arms towards Chu Yelan.

Chu Yelan immediately shook off the hand, then, she snapped her fingers and the person was instantly sent flying tens of kilometers away.

"Everyone was shocked by what Chu Yelan did, they couldn't believe that Chu Yelan would easily fly one of them.

"Damn it, what are you doing" the leader of this group said to ChuYelan.

"You guys are disgusting, I don't like you guys" Chu Yelan said that she didn't like them.

"Damn" The leader and everyone was not happy with what Chu Yelan said, they were insulted by the words Chu Yelan said.

Everyone was angry and glaring at Chu Yelan, they would overpower and cripple Chu Yelan, after that they could do whatever they wanted.

"You guys must be thinking badly" Chu Yelan said to these loathsome people, Chu Yelan knew that they must be thinking badly and badly about Chu Yelan.

"You already know, we won't let you go even if you beg us" They were going to make Chu Yelan pay for what she said earlier.

"Oh, I'm so scared" Chu Yelan said that she was afraid, it seemed that they were planning something bad for her.

"It's too late, let's incapacitate this woman" they moved towards Chu Yelan, they started to immobilize Chu Yelan using various techniques.

They launched earth and wind attacks to attack Chu Yelan.

"Hoam . . ." Chu Yelan used her finger, she easily reflected the opponent's attack.

"how is that possible" Everyone was shocked when they Chu Yelan reflected the attacks they had.

"Is this your only strength, why are you guys so weak, is the God Realm now full of weaklings?" Chu Yelan said to the small group in front of her.

Chu Yelan had already measured the strength of the other party, she realized that the other party's strength was neither too great nor too strong, it seemed that the God Realm had been in decline since the last time and now only the weaklings remained.

The group leader continued to attack Chu Yelan, they couldn't stand what Chu Yelan was saying.

Chu Yelan continued to deflect all the attacks from the opponent, all the attacks from the opponent were easily deflected by Ye Chen and they were all easily made to retreat.

This battle was so boring, it seemed that the opponent was unable to satisfy Chu Yelan.

"I don't need you guys" Chu Yelan used her own strength, a powerful whirlwind appeared and blew everyone away from this place.

"How annoying, all of you are so useless" Chu Yelan said that these people were useless and a waste of Chu Yelan's time.

Apart from Ye Chen and Chu Yuechan, it seemed that the strength of the nearby party wasn't very strong and was probably very weak at all.

"I will search again" Chu Yelan searched again, she wanted to find another group that was stronger than before.

Chu Yelan left, she found a powerful group that was around.

"There's a very strong group, whether they're from an ancient Clan, that's interesting." Chu Yelan was interested, she was attracted by a powerful group that contained people with high cultivation and great strength.

This group seemed to be Gou Yanhe's group, after the battle with Ye Chen, Gou Yanhe currently sitting in a wheelchair, as seen by Gou Yanhe's feet was not fine due to the behavior of Ye Chen.

"We have to find that person and take revenge" Gou Yanhe was currently full of anger, he was full of anger that was so strong that it was caused by Ye Chen's actions.

All of this was because of Ye Chen, he lost his leg because of Ye Chen and he had to take revenge for what Ye Chen did.

Gou Yanhe could not let this humiliation pass him by, he had to seek justice for himself.

"what's wrong with you guys" Chu Yelan appeared in front of Gou Yanhe, she appeared in front of Gou Yanhe and the others.

Gou Yanhe and the others were shocked when they saw the appearance of Chu Yelan, they saw a beautiful fairy appear in front of them.

"Fairy race?" Gou Yanhe knew that Chu Yelan belonged to the fairy race, he did not expect that he would meet such a rare and legendary fairy race.

It is said if the fairy race had an astonishing beauty, it seemed that the news was true, Gou Yanhe could feel that Chu Yelan was very beautiful.

"Damn it, I didn't expect that I would meet the fairy race, it seems that my luck is very good." Gou Yanhe was very happy, it seemed that his luck was very good.

"You are of the fairy race, do you want to come with me?" Gou Yanhe said to Chu Yelan.

"Why should I come with you" Chu Yelan said to Gou Yanhe.

"That's because you have no choice but to come with me" Gou Yanhe said that Chu Yelan had no choice.

"You are such an arrogant human being, do you really have the strength to do such a thing?" Chu Yelan said to Gou Yanhe.

"Of course, I have things that will let you lose so easily" Gou Yanhe said to Chu Yelan.

"Elder take it out right now" Gou Yanhe's ordered the Elder to take it out right now, he ordered to take out a weapon that could render Chu Yelan helpless.

[Chapter 2306 Curse Fairy Orb](#)

"What are you guys going to do?" Chu Yelan asked Gou Yanhe, what Gou Yanhe was going to do.

"You will know what I will do soon" Gou Yanhe said that Chu Yelan will know what he will do soon, she will know what will happen soon.

one of the people from Gou Yanhe's group took out something, he took out a ball.

"That" Chu Yelan was shocked when she saw what Gou Yanhe had just taken out, how could this item in the hands of Gou Yanhe.

"You must already know what this is, you will soon know what this is and feel it," Gou Yanhe said to Chu Yelan.

Chu Yelan looked at Gou Yanhe, it seemed that this man was from an ancient Clan, otherwise how could he have that Cursed thing in his hands.

The thing that Gou Yanhe released was not an ordinary thing, it could weaken the strength of the Fairy race and make them weak.

To be honest, this was an item that Chu Yelan and all the fairy race hated, they really hated it and didn't like it.

"let's see if this thing will work against you" Gou Yanhe said to Chu Yelan.

Gou Yanhe started using the Curse Fairy Orb, he demonstrated the power of the Curse Fairy Orb to Chu Yelan.

"Not good" Chu Yelan's body started to grow weak, her body started to grow weak and she no longer had much strength.

"Hahahaha, now let's see what you can do" Gou Yanhe was overjoyed, the Curse Fairy Orb left Chu Yelan helpless.

"You despicable person, I won't spare you" Chu Yelan said that she wouldn't spare Gou Yanhe succeed.

"arrest him" Gou Yanhe gave an order, he ordered everyone to arrest Chu Yelan.

They took out a cage, after which they locked Chu Yelan inside.

Chu Yelan tried to escape, it was a pity that her strength was very weak and she had difficulty escaping.

"Clank. ." Chu Yelan entered the cage, he entered and was locked in the cage.

"Hahahaha" Gou Yanhe smiled, he smiled and was satisfied that he could easily defeat and capture Chu Yelan.

Gou Yanhe was lucky because he had the Curse Fairy Orb, if he didn't have the Curse Fairy Orb in his hands, then it was certain that he would be killed on the spot by Chu Yelan.

Chu Yelan was caught, she didn't believe that she would be caught by a human, this was something that was hard to believe.

"She has the Curse Fairy Orb, it seems my luck is quite bad" Chu Yelan cursed, why did she have to meet the person who has the Curse Fairy Orb, this was a very troublesome thing for Chu Yelan.

"It's good that you've been caught now, quickly tell us the way." Gou Yanhe told Chu Yelan to tell us the way out of this place.

"You guys are too late, a group has already managed to enter and beat me, they should have got everything by now" Chu Yelan said to Gou Yanhe.

"What ! ! !" Gou Yanhe was angry when he heard that, how could such a thing be, this was simply impossible.

"Who is that man" Gou Yanhe asked Chu Yelan.

"If I am not mistaken it is Ye Chen, he is with many beauties" Chu Yelan said to Gou Yanhe.

"Damn it, that person again" Gou Yanhe was angry when he heard the name from Ye Chen.

Chu Yelan saw this, it seemed that Gou Yanhe had grudges with Ye Chen.

"It seems they had an enmity before." Chu Yelan realized that this group had an enmity with Ye Chen's group.

"Quickly take me there, I will snatch everything from him, this time I will use everything I have" Gou Yanhe said to ChuYelan.

Gou Yanhe had to snatch everything from Ye Chen, he had to snatch everything from Ye Chen and show that he was a worthy person.

"If I bring you to them, will you let me go?" Chu Yelan asked Gou Yanhe.

"I will do it" Gou Yanhe said to Chu Yelan, he said that he will release Chu Yelan.

Gou Yanhe had no intention of letting go of Chu Yelan, he couldn't possibly let go of Chu Yelan, however he couldn't let go of Chu Yelan, only a fool would want to let go of this beautiful fairy.

"Then I will accompany you." Chu Yelan said that she would accompany Gou Yanhe and this group.

Gou Yanhe and the others immediately left, they all went according to the instructions given by Chu Yelan, they completely believed what Chu Yelan said, they did not know that there would be danger waiting for them.

.

.

Back at Ye Chen's place, Ye Chen had now finished Dual Cultivation with Mu Nianci and Xia Qingyu, they were too excited and made Ye Chen give up everything.

Mu Nianci and Xia Qingyu were quite tired, they didn't expect that Ye Chen would become this strong, he was extremely strong and caused Mu Nianci and Xia Qingyu trouble and perhaps they didn't need more rest.

"let's get up" Ye Chen said to Mu Nianci and Xia Qingyu, he told them to get up and started to leave this place.

"We are tired, how are you still excited like that?" Mu Nianci and Xia Qingyu were shocked by Ye Chen's enthusiasm.

"Because I'm quite used to it" Ye Chen said to Mu Nianci and Xia Qingyu.

Mu Nianci and Xia Qingyu couldn't help but smile as they listened to what Ye Chen had to say.

Mu Nianci and Xia Qingyu lazily got up, they looked so cute.

The two got up and they immediately went to clean themselves up, Ye Chen originally wanted to join Mu Nianci and Xia Qingyu together, it was a pity that he was rejected by Mu Nianci and Xia Qingyu.

Ye Chen had no choice but to wash himself and clean himself.

"Master. ." Chu Yuechan came, she came and see Ye Chen.

"What is it ?" Ye Chen asked Chu Yuechan, he wanted to know why Chu Yuechan looked a little uneasy.

"I feel something bad" Chu Yuechan said to Ye Chen, she told Ye Chen that she could feel the Curse Fairy Orb.

"Is it dangerous ?" Ye Chen said to Chu Yuechan.

"It seems that it is dangerous for me and the fairy race, maybe Chu Yelan is in danger" Chu Yuechan said to Ye Chen.

"Is that so" Ye Chen understood, he knew what Ye Chen was trying to say, he knew that Chu Yuechan was worried about Chu Yelan's condition.

"Then I'll go take a look" Ye Chen said to Chu Yuechan, he announced that he would go and take a look.

Ye Chen immediately rushed over, he tidied up everything and quickly left this place.

Mu Nianci and Xia Qingyu would probably be out soon, they had already cleaned themselves up and now looked so beautiful and full of charm that Ye Chen was enchanted.

"What is it?" Mu Nianci and Xia Qingyu asked Ye Chen, they both waited for Ye Chen's opinion.

"You two look amazing, you are so beautiful and charming" Ye Chen praised Mu Nianci and Xia Qingyu, they were both really beautiful.

"Thank you very much" Mu Nianci and Xia Qingyu thanked, Ye Chen's praise made Ye Chen happy.

"So you are done, well done" Ice Phoenix appeared, she appeared in front of Ye Chen, Mu Nianci and Xia Qingyu.

"Thank you very much." Mu Nianci and Xia Qingyu were grateful for what the Ice Phoenix had given them.

"Fine, I'll give you guys a few techniques, they'll be of use to you," the Ice Phoenix said to Mu Nianci and Xia Qingyu.

[Chapter 2307 Gou Yanhe Wanted To Take Revenge On Ye Chen](#)

"Thank you very much" Xia Qingyu and Mu Nianci thanked again.

"are you leaving?" Ice Phoenix asked Ye Chen.

"It seems I have to go back, it's like Chu Yelan is in trouble" Ye Chen told that he needed to go back.

"then you can come back later, looks like I have some things to tell you" said the Ice Phoenix.

Ice Phoenix knew that Ye Chen was busy, so Ice Phoenix told Ye Chen to come back later.

"I will do it" Ye Chen said to Ice Phoenix, he will do as Ice Phoenix said.

"Then I'll go first" Ye Chen said to the Ice Phoenix.

Ye Chen, Xia Qingyu and Mu Nianci left, they went outside to see what happened, Ye Chen hoped that everything was fine and nothing bad happened to Chu Yelan.

They came out very quickly, they only needed a few minutes to get out of this place.

"That's fast, you guys are out already?" Xiao Luilin surprised when she saw Ye Chen coming out, Ye Chen came out too fast.

"Did something happen?" asked Ye Chenon Xiao Luilin.

"Nothing happened, very therepeace once" Xiao Luilin said that it was very peaceful here and nothing happened.

"Is that so" Ye Chen said to Xiao Luilin.

Xiao Luilin nodded, it's safe here, no one else has arrived besides Ye Chen.

"Then where is that woman?" Ye Chen asked about the whereabouts of Chu Yelan.

"She left" Xiao Luilin told Chu Yelan that she left, she left right after Ye Chen came in and hasn't returned yet, she was probably playing with people out there.

"So she went out" It seemed Chu Yuechan was right, maybe Chu Yelan was in some serious trouble.

"You don't need to worry, she is very strong, all of them won't be able to beat her" Xiao Luilin said to Ye Chen.

Xiao Luilin knew Chu Yelan's strength, with such strength, it would be impossible to beat Chu Yelan, even the strongest person in the God Realm would not be able to do such a thing.

"Nothing is impossible" Ye Chen said to Xiao Luilin, he told that now Chu Yelan is in a problem.

"Finally we arrived" Gou Yanhe's group finally entered, their group finally entered and were now in front of the entrance.

"There are intruders" Xiao Luilin saw that there were intruders, she couldn't let intruders enter this place, she had promised to guard this place.

"Their group again" Ye Chen knows whose group is coming, this is the arrogant and annoying Gou Yanhe's group.

Ye Chen looked behind Gou Yanhe, she could see that behind Gou Yanhe was a cage that had Chu Yelan inside.

"Impossible" Xiao Luilin couldn't believe it when he saw Chu Yelan being caught, how could Chu Yelan be caught like that.

"I have brought you, quickly release me" Chu Yelan said to Gou Yanhe, he told Gou Yanhe to release her.

"I will not let you go" Gou Yanhe said to Chu Yelan.

"You lied to me" Chu Yelan realized that Gou Yanhe was lying.

"Hahahaha, that's true, I lied to you." Gou Yanhe said that he really lied to Chu Yelan, he would not let go of Chu Yelan and would make him a toy.

Chu Yelan gritted her teeth, this person is shameless, Gou Yanhe dared to lie to Chu Yelan.

"Just look, I won't let go of you" Chu Yelan said to Gou Yanhe, he won't let go of Gou Yanhe.

"You're trapped now, you won't have a chance to do that to me" Gou Yanhe said that Chu Yelan would have no chance to win against him.

"Hey why are you just silent, can you save me" Chu Yelan said to Ye Chen.

"Emm, why should I save you, aren't you strong" Ye Chen said to Chu Yelan.

"-_- " Chu Yelan was helpless, Ye Chen seemed to be playing with her.

"You have to save me, this person is bad" Chu Yelan said to Ye Chen.

"You have to give a proper reward if you want to be saved" Ye Chen said to Chu Yelan.

"I will give a fair reward for saving me" Chu Yelan said that he would give a fair reward if Ye Chen could save Chu Yelan.

"Aren't you going to lie, you tease me a lot" Ye Chen said to Chu Yelan.

"I won't lie, this time I'm serious" Chu Yelan said that she was serious right now.

"Okay, then I will do it" Ye Chen will do it, he will save Chu Yelan.

"husband you naughty" Xia Qingyu and Mu Nianci were helpless when they saw what Ye Chen was doing, they didn't expect that Ye Chen would do such a thing.

"Hehehehehehe" Ye Chen berkata pada Xia Qingyu dan Mu Nianci, dia tersenyum pada Xia Qingyu dan Mu Nianci.

"Then let's save her" Ye Chen said to Xia Qingyu and Mu Nianci, he would go and save Chu Yelan.

"Okay" Xia Qingyu and Mu Nianci understood, they would try to save Chu Yelan.

"hahahaha" Gou Yanhe, he laughed at Ye Chen.

"why are you laughing" Ye Chen said to Gou Yanhe, it seems that Gou Yanhe has started to go crazy.

"Today I will take revenge for what happened to you" Gou Yanhe said to Ye Chen.

"what are you going to do" Ye Chen said to Gou Yanhe, this guy seems to be planning something.

"Take it out, let's kill him" Gou Yanhe ordered the elder to take out his own weapon that would be used to kill Ye Chen.

The elder took out a large chest from the Space Ring, he took out an extremely large ring and began to open its contents.

A humans with large body sizes appeared in front of Ye Chen, these humans' sizes were around 5 meters by a weak 1.5 meters.

"bad, that weapon" Chu Yuechan said to Ye Chen, she knew what weapon Gou Yanhe took out.

"human, not a war doll?" Ye Chen looked at the item that Gou Yanhe had just taken out.

"That is one of the shadow ranger, it is a powerful weapon and hard to destroy, I thought it was long gone and can no longer be seen" Chu Yuechan said to Ye Chen.

Chu Yuechan explained in more detail, it seemed that Ye Chen didn't know much about this.

"is it strong" Ye Chen asked Chu Yuechan.

"Of course it's powerful, it's capable of causing millions of soldiers trouble and it's a very terrifying weapon." Chu Yuechan explained that the shadow ranger weapon was a powerful and terrifying weapon.

"You already know what this is, you're going to be in trouble" Gou Yanhe said to Ye Chen.

Gou Yanhe channeled his profound energy into the shadow guard warrior, with this the shadow guard soldier started to rise and exit from the chest.

"This will be the end for you" the shadow rangers started advancing towards Ye Chen,Quick Yanhe ordered the shadow rangers to come forward and kill Ye Chen.

The shadow rangertook out a large sword weapon, the shadow rangers swung the weapon towards Ye Chen and intended to slash Ye Chen's body.

"Hahahaha, die you damn brat." Gou Yanhe laughed, he was sure that this would be the death of Ye Chen.

The chance that Ye Chen could win against the shadow rangers was 1%, and that had never happened.

Ye Chen used his hand, he used his hand to block the attack from the shadow rangers.

[Chapter 2308 Elder Gou](#)

"clang" Ye Chen's hold the attack fromshadow warrior, he used the power of the earth to withstand the attacks of the shadow warrior.

"no way, how did you do it" Gou Yanhe couldn't believe what happened, how could Ye Chen do that, Ye Chen shouldn't be able to withstand the attack.

"Are you surprised" Ye Chen said to the shadow guard soldier.

"Damn it" Gou Yanhe was very angry, he was very angry with what wasdone by Ye Chen, Ye Chen just insulted himself.

"Quickly kill that person"Gou Yanhe gave an order, he gave an order to kill Ye Chen.

The Shadow Rangers attacked Ye Chen again, this time the Shadow Rangers used more power to fight Ye Chen.

"I want to see if it is strong or just bullshit" Ye Chen wanted to destroy the Shadow Rangers , he wanted to test whether the shadow warrior was as strong asis said oleh Chu Yuechan.

"Taste this, Stone Punch Cannon" Ye Chen coated his hand with a stone, he used a hard rock to coat his hand.

By using this thing, punch that launched by Ye Chen will be so great once, Ye Chen will have such a terrible punch and punch power, it will be difficult toarrested by ordinary people

"Now can the Shadow Guard be able to do it, will the Shadow Rangers be able to withstand Ye Chen's attack.

"take this and break" Ye Chen said to the Shadow Rangers

"Hahahaha, how stupid, how could such a punch be able to destroy a Shadow Rangers , stupidity has a limit too" Gou Yanhe mocked Ye Chen, he said that Ye Chen was very stupid, Ye Chen was very stupid and had underestimated the strength of the Shadow Rangers .

"Bamm . " Ye Chen's punch instantly smashed the Shadow Rangers into pieces .

"What ! ! !" Gou Yanhe and everyone in the group were shocked by whatdone by Ye Chen.

"how could that happen?" Everyone of course found it hard to believe what happened, they all found it hard to believe that Ye Chen could easily destroy the Shadow Rangers .

"Is it just like this?" Ye Chen didn't expect that the shadow warrior would be so weak, it was weak and unable to withstand Ye Chen's attack.

"This can't be happening" Gou Yanhe couldn't believe it, how could this happen, this is one of the strongest weapons that Gou Yanhe has.

"So annoying, I thought you would show a great thing, it turned out to be just a toy" Ye Chen said helplessly.

"He is strong" Chu Yelan saw that Ye Chen was strong enough, it was proven when Ye Chen was able to destroy the Shadow Rangers .

"Alright, let's end this all" Ye Chen said that he was going to end it all, he wanted to end it quickly.

"You all hurry up and stop him right now."Gou Yanhe ordered everyone around to stop Ye Chen.

"Whoever can kill him and bring his head to me, I will give them a bounty" Gou Yanhe said that he would give a bounty to anyone who could bring Ye Chen's head.

"Is that true" everyone was very excited, they all looked very excited when they heard this.

Everyone looked very confident, they all looked very confident when they wanted to kill Ye Chen.

They were all impatient to get Gou Yanhe's gift, that was a thingwanted by everyone.

Gou Yanhe smiled, it seemed he managed to persuade everyone to kill Ye Chen.

"You stupid, Shadow Clone" Ye Chen made a lot of clones, he made a lot of clones to deal with these people.

when Ye Chen used his Clone, everyone immediately attacked Ye Chen's Clone, they thought that the Clone created by Ye Chen was weak.

"cheap technique" everyone thought that the technique used by Ye Chen was a cheap technique, that's why they were so confident to fight Ye Chen.

"They all don't know Ye Chen's strength, so it's not strange that they are very confident in their abilities.

"Bamm . . " Ye Chen's clones started to attack, they started to attack the enemy that was in front of them.

"bamm . . ." As the battle progresses, Clone Ye Chen begins to destroy all the enemies present.

"what the hell, isn't this just a shadow" everyone couldn't believe it, they all couldn't believe that Clone Ye Chen was capable of attacking and having such a serious impact on them.

"Ahh. . ." Screams started happening, troops from Gou Yanhe was starting to get overwhelmed against the yang powerowned by Clone Ye Chen, even themslaughtered run out by Clone Ye Chen.

Gou Yanhe's face became darker and darker, there was no way that many people would lose to Ye Chen, obviously this was an extremely difficult thing to do trusted Gou Yanhe.

"Stupid what are you doing, quickly kill him right now" Gou Yanhe shouted, he ordered to kill Ye Chen immediately.

"he is so weird it is so hard to kill him" people said to Gou Yanhe, they all had a hard time killing Ye Chen.

"Useless" Gou Yanhe cursed loudly, they were all useless and they couldn'tdependable to fight Ye Chen.

Gou Yanhe was furious, he tried to attack Ye Chen.

Even though Gou Yanhe was unable to move, he still dared to attack Ye Chen, he used all the strength he had to attack Ye Chen with all his might.

"We won't let you do that." Mu Nianci and Xia Qingyu moved, they both attacked Gou Yanhe.

"arghhhh" Gou Yanhe shouted, he received attacks from Mu Nianci and Xia Qingyu.

His body froze into ice as he received the attacks that came from Mu Nianci's and Xia Qingyu's palms.

"Wow" Ye Chen looked at Mu Nianci and Xia Qingyu, they fought really well.

"young master, I will save you" the elder finally appeared and restrained Xia Qingyu and Mu Nianci, he would not allow the two to do anything bad to Gou Yanhe.

"Get out of our way" Xia Qingyu told the elder in front of him to back off.

"I will not retreat, you retreat, lest I kill you." The elder said to Xia Qingyu and Mu Nianci, he gave Xia Qingyu and Mu Nianci a warning.

"We won't be afraid of the warning you give." Mu Nianci and Xia Qingyu told them that they wouldn't be afraid of the warning you given, he had instead challenged Mu Nianci and Xia Qingyu.

"want to fight him" Mu Nianci said to Xia Qingyu.

"Of course, let's fight him." Xia Qingyu naturally followed along with Mu Nianci, the two of them attacked Elder Gou.

Elder Gou anticipated attacks from Mu Nianci and Xia Qingyu, this man did not hesitate to unleash his full strength.

"Thunder Shock Palm" Elder Quick Using his full power, he attacked Xia Qingyu and Mu Nianci with his full strength.

Palm that handshrouded by an extremely strong lightning appeared, this palm appeared and headed towards Elder Gou.

"Ice Wall" Mu Nianci's created an Ice wall, she resisted Elder Gou's attack.

"Boom" that attack launched Elder Gou crash the barrier made by Mu Nianci, what a wall that is made by Mu Nianci was unable destroyed.

"What?" Elder Gou gaped, how could Xia Qingyu and Mu Nianci have such strength, it was obvious that the attack just now was a full blown attack. launched by Elder Gou, Elder Gou used 100% of his strength to attack Xia Qingyu and Mu Nianci.

[Chapter 2309 Killed Gou Yanhe](#)

"You can attack him directly" Xia Qingyu said to Mu Nianci, she told Mu Nianci to attack the enemy in front of them.

"I'll go" Mu Nianci of course stepped forward, she just stepped forward and directly attacked Elder Gou.

"It won't be that easy." Elder Gou said to Mu Nianci, he wouldn't be easy to attack.

Mu Nianci moved swiftly and lethally, in no time at all she had arrived in front of Elder Gou.

"What . . ." Elder Gou was shocked again by Mu Nianci's speed, how could Mu Nianci have such speed, Mu Nianci's speed was abnormal.

"Mu Nianci used light steps and allowed herself to run fast, it's not strange that she can get in front of the enemy easily.

"feel this" Mu Nianci used her shawl, she hit Elder Gou with hers.

"Uhhh. . ." Elder Gou bounced off Mu Nianci's attack which was strong enough and deadly enough for Elder Gou.

"Cough. . ." Elder Gou coughed up blood, Mu Nianci's attack succeeded in deeply wounding Elder Gou.

"Damn it, I can't believe that I was defeated by a woman." Elder Gou couldn't believe that he had lost to a woman, this was something that was hard to believe.

Mu Nianci stood in front of Elder Gou, she was ready to beat Elder Gou.

"Looks like our battle ends here," Mu Nianci said to Elder Gou.

"I can still fight." Elder Gou said that if he could still fight, he would still be able to fight Mu Nianci.

"die" Elder Gou said to Mu Nianci, he used a weapon to kill Mu Nianci.

Elder Gou used a weapon with a dangerous poison, he used poison to kill Mu Nianci.

"Ice Phoenix Seal" from behind, Xia Qingyu directly used the power of ice to freeze Elder Gou.

Before Elder Gou could stab Mu Nianci, he had already turned into a statue.

Mu Nianci was shocked, it was close just now, for Xia Qingyu to save her, otherwise it would have become quite a serious problem for Mu Nianci.

"thank you very much" Mu Nianci thanked Xia Qingyu.

"You're welcome" Xia Qingyu was happy that she was able to help Mu Nianci, as long as Mu Nianci wasn't hurt.

Both of them had succeeded in defeating Elder Gou, now only Gou Yanhe was left to deal with.

Gou Yanhe was currently alone, no one else could save him from Ye Chen.

"hahahaha, now that you are alone, what can you do" Ye Chen said to Gou Yanhe.

"Damn it, this isn't over yet" Gou Yanhe said that he wasn't done yet.

"Give up now already" Ye Chen told Gou Yanhe to give up right now.

"That won't happen" Gou Yanhe started screaming, from his body started to emit a blue light, an old man's figure appeared near Gou Yanhe.

"Kid, how dare you make my son like this" this figure appeared in front of Ye Chen, it seemed to be the protective soul in the body of Gou Yanhe.

"this is the soul protector given by my father, you won't be able to survive anymore" Gou Yanhe said to Ye Chen.

Gou Yanhe had no choice but to use this thing, he used this thing to fight and defeat Ye Chen.

"get out of the way" Ye Chen slapped Gou Yanhe's soul protector.

With a single slap from Ye Chen, the guardian soul vanished.

"What ! ! !" Gou Yanhe was dumbfounded, he couldn't believe that the powerful soul given to him by his father would be destroyed by Ye Chen so easily.

"Let's end this child's play" Ye Chen said that he would end Gou Yanhe's child play.

"Wait a minute, don't kill me" Gou Yanhe said to Ye Chen, he asked Ye Chen not to kill him.

"It's too late, I told you before not to find trouble with me, now suffer the consequences." Ye Chen attacked Gou Yanhe and killed on the spot.

Ye Chen didn't need to use too much strength to kill Gou Yanhe, he only needed a little strength to be able to kill Gou Yanhe.

"Now let's see what he has" Ye Chen looked at Gou Yanhe's body, he searched for the Cursed Fairy Orb that was in Gou Yanhe's body.

"wait first, let me go" Chu Yelan said there was Ye Chen, he told Ye Chen to let go of himself first.

"I will do it later" Ye Chen said that he would do it later.

"what" Chu Yelan couldn't believe what she was hearing, this was the first time someone had refused a request of hers.

"This person, how could he refuse a request from a beautiful woman like me" Chu Yelan was angry and annoyed, she was angry and annoyed with Ye Chen, how could Ye Chen refuse and fight against her.

Ye Chen didn't really care, right now he was looking for the Cursed Fairy Orb that was in Gou Yanhe's body.

"Hehehehe, found " Ye Chen finally found the Cursed Fairy Orb, with this he might be able to fight back a bit when Chu Yuechan tried to tease him.

"master, don't tell me you" Chu Yuechan seemed to know, she seemed to know Ye Chen's intention and purpose.

"Hehehehe, now let's try it, this thing" Ye Chen drew closer to Chu Yelan, he used the Cursed Fairy Orb on Chu Yelan.

"what are you going to do ?" Chu Yelan asked Ye Chen, what is Ye Chen going to do with the Cursed Fairy Orb.

"Hehehehe, you should already know what I'm going to do." Ye Chen said to Chu Yelan, she should have known what Ye Chen was going to do.

"no, you can't do that, Yuechan help me, see what master will do to me" Chu Yelan asked Chu Yuechan for help.

"hmmmm" Chu Yuechan sighed, she wanted to stop Ye Chen, but thinking about it, maybe it's best to leave them alone so they can get closer.

Ye Chen teased Chu Yelan, now it was Chu Yelan's turn to be harassed by Ye Chen.

Ye Chen touched Chu Yelan and taught Chu Yelan a lesson, and Chu Yelan couldn't fight Ye Chen, her strength was not strong enough to fight Ye Chen.

"I was abused" Chu Yelan couldn't believe that she would be abused by Ye Chen, she had never imagined this in her life.

"This is so fun" Ye Chen was very happy, he could make the naughty Chu Yelan more obedient.

"he is really bad" Mu Nianci looked at Ye Chen, Ye Chen just did a bad thing.

"Yeah, I'm not surprised, he's done that before too," Xia Qingyu replied.

"let's go and train" Mu Nianci left together with Xia Qingyu, they needed to practice more, they had not fully mastered the strength they possessed.

"what a terrible man you are" after a moment of fun, Ye Chen was finally willing to let go of Chu Yelan.

"that is a punishment for you" Ye Chen said as he gave a punishment for Chu Yelan.

"Hmppppp" Chu Yelan snorted coldly.

"So you still want to find trouble, then I won't hold back anymore".

Ye Chen intended to use the Cursed Fairy Orb.

"Hey, I was just kidding." Chu Yelan panicked, she was afraid of what Ye Chen would do.

Chu Yelan was completely harassed by Ye Chen, he was completely harassed by Ye Chen and could not fight against Ye Chen.

[Chapter 2310 A Warning From The Ice Phoenix](#)

Chu Yuechan smiled when she saw what happened, Ye Chen and Chu Yelan were so cute, the two seemed to be getting closer and closer.

"little sister Yuechan, don't you want to come out and help me" Chu Yelan said to Chu Yuechan, she asked Chu Yuechan for a favor.

"I won't do it, I might be the one who will be bullied if I help you" said Chu Yuechan.

Chu Yuechan refused to help, if Chu Yuechan came out now, then it was certain that she would be bullied by Ye Chen.

"You already know the strength I have, you better not go looking for trouble" Ye Chen gave Chu Yelan a warning.

Chu Yelan gritted her teeth, she was annoyed at Ye Chen's behavior.

"Let's see later" Chu Yelan said in her heart, she will repay what Ye Chen did.

"You must be thinking of taking revenge on me" Ye Chen said to Chu Yelan.

"Huh?, how did you know that?" Chu Yelan was shocked when she saw Ye Chen knew what she was thinking.

"So you are really thinking bad things, it seems that I will continue to bother you" Ye Chen said to Chu Yelan.

"I was tricked" Chu Yelan finally realized that she was tricked by Ye Chen, she didn't believe that Ye Chen was much smarter,

From now on Chu Yelan had to be even more careful when facing Ye Chen, it seemed that Ye Chen was a cunning and terrible person.

Ye Chen went back to bothering Chu Yelan, it looked like the two of them were having a good time and they were enjoying the time they had.

Ye Chen enjoyed bullying Chu Yelan, it seemed that Chu Yelan was starting to become obedient to Ye Chen.

Chu Yuechan could no longer see through this, so she decided to confiscate the object used to bully Chu Yelan.

The battle was inevitable, Chu Yelan started to fight against Ye Chen and they fought again, even though the result was that Chu Yelan lost again because Ye Chen had the ultimate weapon against Chu Yelan.

Chu Yelan completely lost, she finally hid behind Chu Yuechan, now she can only rely on Chu Yuechan to face Ye Chen.

"master, don't you still have other business to take care of" Chu Yuechan said to Ye Chen.

"You are right, then I will go first." Ye Chen understood, he understood and immediately went to meet the Ice Phoenix.

This time Ye Chen went alone, no one accompanied Ye Chen.

Chu Yuechan, Chu Ning'er is also now with Chu Yuechan, it seems they have something to talk about, so Ye Chen is completely alone.

"I wonder what the Ice Phoenix will talk about" Ye Chen was quite curious about what the Ice Phoenix will talk about, could it be a very important thing to do.

Ye Chen quickly went to where the Ice Phoenix was, he used the power of dimensions to go where he wanted.

"so what are you going to talk to me about" Ye Chen asked the Ice Phoenix.

"This is about the future of the God Realm," Ice Phoenix said to Ye Chen.

"what happened, tell me" Ye Chen told Ice Phoenix to say what happened.

"I will say it, so listen to me." Ice Phoenix told what happened.

"You know that the realms of the God Realm and Demon God Realm are only a fraction of the realms of the true God Realm," Ice Phoenix asked Ye Chen.

"Sure, I know a little" Huang Ying once said this to Ye Chen, so Ye Chen knows this.

"It's good that you already know, I'll get straight to the point, actually right now there are people who are trying to destroy the barrier that separates the central God Realm from the outer God Realm."

"You know what will happen when it comes, the two separate parts of the God Realm will be reunited, you must know what the consequences will be, maybe this will be a big problem, plus the strength of the central God Realm has greatly decreased compared to the God Realm at the golden time, so I'm worried that these powerful people will come in and start to wreak havoc in this place." The Ice Phoenix told Ye Chen

Ye Chen thought of the Ice Phoenix's words, what the Ice Phoenix feared might be a bad thing, if it came to that, then it would probably be the start of chaos.

"Can I ask" Ye Chen asked Ice Phoenix.

"is that" Ice Phoenix said to Ye Chen.

"Is it possible that gods still exist in the outer God Realm?" Ye Chen asked the Ice Phoenix.

"I don't know, but there should still be, the energy outside should be much purer compared to where we are now, because of the dimensional barrier set up by the Sage God, every year the level of power in the God Realm will become less and less, this is one of the problems which is hard to deal with since ancient times and there is no solution to this problem," replied the Ice Phoenix.

"This is too bad," Ye Chen said to the Ice Phoenix.

"and you have the legacy of the Sage God, you should be able to prevent this disaster" the Ice Phoenix said to Ye Chen.

"So you already know" Ye Chen said to the Ice Phoenix.

"Not only me, almost everyone in this place knows, the existence of your aura is very intimidating, if it wasn't for the legacy of the Sage God, you wouldn't have such a powerful aura" Ice Phoenix said to Ye Chen.

"thank you for the compliment" Ye Chen said to the Ice Phoenix.

"So who is the person trying to destroy the barrier, quickly tell me" Ye Chen instructed the Ice Phoenix.

"I don't know, I am just a remnant soul, we here can only feel a little bit of the power of the outer God Realm, we all don't know where that person's exact place is.

"How troublesome" Ye Chen was a little pessimistic, it seemed that this would be a very difficult job.

"You know that the God Realm is huge, looking for it will take a very long time," Ye Chen said to the Ice Phoenix.

"I know that, and I hope that with what we provide, you can put it to good use and prevent a disaster that might turn everyone in the God Realm into slaves, with the strength of all the people in the God Realm, the probability of winning is 0.000000000000000001 %" Ice Phoenix said what would happen, the chances of them winning were slim considering the huge difference in strength, the gap was too big for them.

"So they are at a higher level compared to the peak of the Divine Overlord Realm" Ye Chen knew the words of the Ice Phoenix, this was indeed very difficult even for the current Ye Chen.

"It's good that you already know, you should start right away, maybe the ancient clans can help you, they should know about this matter" Ice Phoenix gave Ye Chen a hint.

"I understand" Ye Chen understands, he will do it, it seems that he needs help from Ning Yi.

"fine I want to sleep, I hope you find a way to this matter" Ice Phoenix said to Ye Chen.

"You lazy bird" Ye Chen said helplessly.

"Do you have a problem with that?" Ice Phoenix said to Ye Chen, she seemed to be displeased by what Ye Chen said.

"Big brother, bird is really pretty" Little Shen Niang appeared, she appeared beside Ye Chen and said that Ice Phoenix looked beautiful and she wanted to play with this bird.

"huh?" Ice Phoenix was shocked when she saw Shen Niang in front of her, she trembled when she saw Shen Niang appear beside Ye Chen.

"the real her" Ice Phenix realized that this is the real Shen Niang, no one can imitate Shen Niang.
