

True God 2311

[Chapter 2311 Rhino Tank](#)

"she is indeed with me, is there a problem?" Ye Chen asked Ice Phoenix.

"Of course there is a problem" Ice Phoenix said to Ye Chen, she was shocked by what Ye Chen had.

Ice Phoenix naturally knew about Shen Niang, plus this was the real Shen Niang who was one of the strongest true gods in the past and became the leader of countless Clans and pure great powers.

"Big brother, I want to play with the bird." Little Shen Niang said to Ye Chen, she told him that she wanted to play with the Ice Phoenix.

"-_- " Ice Phoenix was a little worried, she was worried when listening to what little Shen Niang said, she felt that something bad would happen.

"why don't you ask her, she will probably let you playing" Ye Chen told the little Shen Niang to ask the Ice Phoenix.

"I want to play, come on. ." Little Shen Niang said innocently.

"I . . ." Ice Phoenix hesitated a little, she hesitated whether to play with Shen Niang, it seemed impolite and would be troublesome for her.

"Come on" the little Shen Niang insisted, she forced the Ice Phoenix to do what she wanted.

"ummm . . ." Ice Phoenix grumbled, how could this kind of situation happen, he would not be able to escape from Little Shen Niang.

"You'd better agree, don't anger her, you'll get into trouble" Ye Chen whispered to Ice Phoenix.

-_-", Ice Phoenix felt bad, it seemed that it was bad to let this matter go, so he had to solve this problem as soon as possible.

"Alright" Ice Phoenix finally agreed, Ice Phoenix agreed to play with little Shen Niang.

Ye Chen smiled, it was really fun to see the little Shen Niang bullying the Ice Phoenix.

Ice Phoenix took little Shen Niang to fly, and it seemed like he was enjoying this and let little Shen Niang fly with him.

Ye Chen followed behind the two, for some reason he was also dragged inside to play together.

"I wonder, who's inside there?" Ye Chen asked, he asked if anyone was inside.

"There are still a few, the most annoying one is Rhino Tank, he is the most difficult to deal with and has very strong defense, the defense of Rhino Tank is stronger compared to the taste of Earth God dragon" Ice Phoenix said to Ye Chen.

"Interesting, maybe I should go and meet him" Ye Chen said.

"it was a bit difficult to persuade him to give you what you asked for" the Ice Phoenix said to Ye Chen.

"not really, I have her next me, so everything should be fine" Ye Chen said to Ice Phoenix.

"You want to use the goddess Shen Niang to bully, you are so bad" Ice Phoenix said to Ye Chen.

"is there something wrong with that" Ye Chen asked Ice Phoenix.

"Ahh. . ., That . . ." Ice Phoenix was speechless, she was speechless at the thought of Ye Chen.

"let's go to the Rhino Tank's place" Ye Chen said to the Ice Phoenix.

"Okay. . ." Ice Phoenix has no choice, as long as Ye Chen has Shen Niang nearby, Ice Phoenix will not dare.

Ye Chen didn't expect that little Shen Niang would be so scared. It seemed that everyone was afraid of little Shen Niang, even the Ice Phoenix didn't seem to dare to refuse little Shen Niang's request.

Ice Phoenix finally escorted Ye Chen, Ice Phoenix escorted Ye Chen to the place of Rhino Tank.

"Who dares to enter my place" Rhino Tank was immediately angry when he saw someone entering his territory.

"I'm Ice Phoenix coming" Ice Phoenix said that she came.

"What are you going to do in this place?" Rhino Tank asked the Ice Phoenix.

"I came to help someone" Ice Phoenix said that she came to help someone.

"Who is it?" Rhino Tank asked, he wanted to know who the Ice Phoenix would help.

"he" Ice Phoenix pointed at Ye Chen, he announced that he had come to help Ye Chen.

"what does this person need from me" Rhino Tank asked the Ice Phoenix.

"I need your strength" Ye Chen said to Rhino Tank.

"Huh?, do you think you are worthy?" asked Rhino Tank to Ye Chen.

"Why not . ." Ye Chen said to Rhino Tank.

"I won't let you do it" Rhino Tank told Ye Chen, he wouldn't let Ye Chen do that.

"So you reject it" Ye Chen saw that Rhino Tank was indeed arrogant, this was just like what the Ice Phoenix said.

"You naughty rhinoceros" Little Shen Niang spoke to Rhino Tank.

"Who dares to say such a thing." Rhino Tank was angry when he heard Shen Niang's words.

Rhino Tank saw Shen Niang hiding behind the body of the Ice Phoenix, he could see the figure of the most beautiful goddess in God Realm.

"Why is she here?" Rhino Tank was shocked and stepped back, why is the goddess Shen Niang in this place.

"You seem surprised." Ice Phoenix saw the Rhino Tank's reaction, it seemed he was also surprised by the presence of Shen Niang.

Shen Niang dismounted, she drew closer towards the Rhino Tank.

Rhino The tank with a big and strong body retreated, it seemed that he didn't want to find trouble with little Shen Niang.

Even though it was only a remnant of a soul, Rhino Tank knew the power that little Shen Niang possessed, so it was not strange that she decided to retreat and did not dare to resist.

"I'm sorry, I made a mistake" Rhino Tank finally apologized, he did make a mistake.

"It's good that you understand." Little Shen Niang was satisfied, it seemed that Rhino Tank knew his mistake.

"good job" Ye Chen said to little Shen Niang, she did a very good job, Ye Chen really liked the work done by little Shen Niang.

"thank you very much" Little Shen Niang was very happy, she asked Ye Chen for a gift.

Ye Chen gave little Shen Niang a gift, he stroked little Shen Niang's head gently.

Shen Niang seems happy and likes what Ye Chen is doing, she is very satisfied with what Ye Chen is doing.

Rhino Tank and Ice Phoenix couldn't believe what they were seeing, they saw how Ye Chen had treated one of the rulers of the God Realm in such a manner.

Who would believe this, obviously they wouldn't believe it if they didn't see it with their own eyes.

"Ice Phoenix you brought trouble for me" Rhino Tank said dissatisfiedly.

"I also have no choice, who knows if he will be with the goddess." Ice Phoenix also doesn't know, she can't know about this matter, considering that Shen Niang has strength above them and can't be found by them.

"So how" Ye Chen asked Rhino Tank.

"Okay, I agree, but after that you have to leave this place" Rhino Tank said to Ye Chen, he told Ye Chen to leave this place.

"I understand" Ye Chen would do as Rhino Tank said.

Rhino The tank passed on his inheritance, he passed his blood and strongest defense technique to Ye Chen.

After Ye Chen inherited the Rhino Tank, his physical strength increased enormously, the Rhino Tank's strength was earth, so Ye Chen's physique as well as the True God Body Technique immediately rose to the next level.

Ye Chen was getting closer to reaching the peak, his body was getting stronger and stronger and wouldn't be able to be crushed easily by the enemy.

"You've got what you want, now get out of this place" Rhino Tank said to Ye Chen, he told Ye Chen to get out of this place.

[Chapter 2312 Chu Yelan Came Along With Ye Chen](#)

"Have you had enough to play?, let's leave this place." Ye Chen talked to little Shen Niang.

"Let's go home" the little Shen Niang asked Ye Chen.

"of course, do you want something" Ye Chen asked the little Shen Niang.

"I want sweets and sweets" Little Shen Niang said to Ye Chen, she told Ye Chen her wish.

"then let's go back" Ye Chen took Shen Niang back, the two of them left the Ice Phoenix and Rhino Tank.

"Finally they left too" Rhino Tank was happy when he saw Ye Chen leave, finally the burden around was removed and they could return to how they were before.

"I hope they are all okay" Ice Phoenix hoped that they would all be okay.

"With the goddess Shen Niang by their side, perhaps their chances will be even greater, I hope they survive, and I hope that the outer God Realm will come in peace, even though it will be a difficult thing to do." Rhino Tank helplessly said.

"There is nothing to regret, we can only see the next generation, whether they will survive or not, that will be their future which is full of mystery".

Rhino Tank agrees, the future is a mystery, whether they will survive or not, that will be the path they will take.

After talking for a while, the two of them returned to their places, the Ice Phoenix returned to her lake and the Rhino Tank returned to his domain.

Ye Chen and Shen Niang came out, they went and found all the women there.

Zhao Yanyan, Zhi Fuxe, Cheng Mengyan, Ye Xiu, Nanhua Caiyi, Ning Yi Su Yuya, and Lin Rouxi had already come out, they had completely mastered the inheritance they had obtained.

"what are you doing in there" Zhao Yanyan asked Ye Chen, what Ye Chen was doing in there.

"Just a short talk" Ye Chen informed that he had a short talk with the ancient magical beasts.

"It seems they have already told you." Chu Yelan saw that Ye Chen probably already knew everything.

"That's right, they have all told me." Ye Chen nodded, he already knew everything.

The Ye Chen woman was confused by what Ye Chen and Chu Yelan were talking about, they didn't understand what they were talking about.

"you're all gathered, if we're done let's go back" Ye Chen said to all the women, he asked them all to get ready and they'll be back.

"ehhh, why are you in such a hurry" all the women asked Ye Chen, they just wanted to laze around.

"You guys can do it when you get home" Ye Chen said to Zhao Yanyan, Zhi Fuxe, Cheng Mengyan, Ye Xiu, Nanhua Caiyi, Su Yuya, and Lin Rouxi.

"Okay, we understand" everyone already understood, it seems they should go back as soon as possible, they can't contact with the outside world.

"Xiao Luilin" Chu Yelan said to Xiao Luilin.

"what's wrong, does fairy need my help" Xiao Luilin asked Chu Yelan.

"From now on you are in charge of guarding this place and in charge of this place" Chu Yelan said to Xiao Luilin.

"Ehhh. . ., why me" Xiao Luilin asked Chu Yelan, she was not prepared for this arduous task.

"I've been in this place for so long, I want to get out" Chu Yelan said to Xiao Luilin.

"-_- " Xiao Luilin made a helpless face, it seemed to be a form selfishness that belonged to Chu Yelan.

"You are now in charge, you should be enough to do that" Chu Yelan had confidence in Xiao Luilin's strength.

So handing over this place to Xiao Luilin was not a bad choice.

"ehhh. . ., you want to leave this place" Ye Chen said to Chu Yelan.

"Of course" Chu Yelan said to Ye Chen, she wanted to go out and see God Realm now.

"Then where are you going?" Ye Chen asked Chu Yelan.

"come with you, I already talked to Yuechan about this" Chu Yelan said proudly.

"why come with me" said Ye Chen to Chu Yelan.

"Because besides you there is no one suitable" Chu Yelan told the reason why she wanted to go with Ye Chen.

Ye Chen has the artifact of the fairy gate, as long as he can be together with Ye Chen, he can go anywhere he likes handsome must be tied to the annoying place that locked him up.

"hey Yuechan, why don't you tell me this" Ye Chen said to Chu Yuechan.

"I thought you would accept it" Chu Yuechan said to Ye Chen, she was sure that Ye Chen would accept Chu Yelan.

"After all she's a beauty, there's no way Master would refuse such a beautiful woman" Chu Yuechan said to Ye Chen.

"You have always been like that" Ye Chen said helplessly, it seemed that Chu Yuechan already knew Ye Chen's thoughts.

"If you make trouble and disobey, you will return to this place" before giving Chu Yelan a pass, Ye Chen did not forget to give Chu Yelan a warning.

"I understand, I will do as you say" Chu Yelan will do it, she will follow what Ye Chen said.

"Very good" Ye Chen was satisfied with the answer given by Chu Yelan, Ye Chen only hoped that Chu Yelan would not make trouble.

"then let's go" Ye Chen said to everyone, he told everyone to get ready, because they were going to leave.

"we will pack" Everyone left, they all went to pack, there were some things they needed to clear before leaving.

"I'll take all the copies of Runes and Arrays I have with me, wait for me" Chu Yelan said to Ye Chen, she wanted to take them all with her.

"Okay" Ye Chen agreed, he agreed with what Chu Yelan did, he would disturb Chu Yelan.

It took Chu Yelan some time to leave, she needed several hours to pack up and carry everything.

Chu Yelan had even changed into her clothes, she was wearing the casual clothes she usually used to move around.

Ye Chen looked at Chu Yelan, it seemed that Zhao Yanyan gave clothes to Chu Yelan, otherwise Chu Yelan would not have the casual clothes she is wearing now.

"I'm ready, let's leave this place" Chu Yelan said to Ye Chen, she was ready to leave this place.

"Xiao Luilin take good care of this place, if I come back and things go wrong, you will receive punishment" Chu Yelan gave Xiao Luilin a warning.

"I understand" Xiao Luilin understood, she would take good care of this place and make sure everything was fine.

"That's a very good answer, I like the answer you gave" Chu Yelan liked the answer given by Xiao Luilin.

"Everyone gather near me, I will take you all out of this place" Chu Yelan said to everyone, she told everyone to gather near her.

Everyone gathered near Chu Yelan, a circle enveloped them and they all disappeared from this place and headed outside.

.

.

Ye Chen and the others were now outside, they all got out safely.

"It's easy, so you can go in and out easily" Zhi Fuxe said to Chu Yelan.

"Of course, I can go in and out easily, this is the place I made, so I can go in and out at any time" Chu Yelan told her that she could go in and out as she pleased.

"That was easy" Zhi Fuxe said in a helpless tone, they had been through tough days, and it only took Chu Yelan a few seconds to go in and out, it was a pain in the ass for Zhi Fuxe.

[Chapter 2313 Stormed Into The Vengeance Fate Sect](#)

"You must be quite irritated by that," Chu Yelan said to Zhi Fuxe.

"Indeed I am very annoyed" Zhi Fuxe said to Chu Yelan.

Chu Yelan smiled, it was so much fun to see an angry Zhi Fuxe.

"already, you two don't need to fight anymore, let's go back" Ye Chen said to Zhi Fuxe and Chu Yelan.

"we understand" Zhi Fuxe and Chu Yelan understood, they would no longer be fighting.

"what about you" Ye Chen asked Ning Yi, he wanted to know what Ning Yi will do next.

"I will come back" Ning Yi said if she is going to come back, she needs to go back to her Clan.

"I have some business with you, how should I meet you" Ye Chen needed help from Ning Yi, he needed help to do something important.

"If you want to find me, I will meet you, I will be right back" Ning Yi said to Ye Chen, he needed a special permission before this happened.

"I understand" Ye Chen understood, he could understand Ning Yi's decision.

"Then I'll go first" Ning Yi said goodbye to Ye Chen and the others, she was very happy to be together with Ye Chen and the others, they were very kind and made Ning Yi get a wonderful inheritance.

"she's gone, we have to go back" Ye Chen said to everyone, they also have to go back and start to solve the problem.

"Husband, what are we going to do next?" Zhao Yanyan asked Ye Chen, she wanted to know what they were going to do.

"That's easy, we just need to find the whereabouts of the Vengeance Fate Sect, they are one of the threats that we need to deal with as soon as possible" Ye Chen told what his goal was.

"If that is what you wish, then all of us will help" this time everyone will look for the whereabouts of the Vengeance Fate Sect.

they had to destroy the existence of the Vengeance Fate Sect, and settle things down.

"Let's go back" Ye Chen together with the others came back, they all quickly headed back.

"You guys are back, how was your journey" Lei Qiaolin greeted Ye Chen and the others, she greeted Ye Chen and the others.

"why are you here, what about the academy" Ye Chen said to Lei Qiaolin.

"The academy is very secure, so I can leave for a while, plus I've hired several teachers with good strength and skills, everything should be over quickly" Lei Qiaolin said to Ye Chen.

"Is that so" Ye Chen understood, it seems that after leaving, a lot of things happened, a lot of things happened after Ye Chen left.

"what about Vengeance Fate Sect, are they attacking ?" Ye Chen asked Lei Qiaolin.

"That's a very good question, we just discovered the whereabouts of the Vengeance Fate Sect, currently they are besieged and can't run, we just need to attack them, are you coming" Lei Qiaolin said to Ye Chen.

"During Ye Chen's absence, Lei Qiaolin had done a lot of things, he had carried out an extensive search to find the whereabouts of the Vengeance Fate Sect.

"Very good, then we don't need to delay the time we have, let's just finish this quickly, they must also be planning something big against us" Ye Chen said to Lei Qiaolin.

"They are currently defending against us, they have strong defenses, so it will be difficult to break through the defenses they put up, rushing in makes us an easy target".

"Is that so?" Ye Chen was interested in this, he wanted to see the defense that Vengeance Fate Sect had.

"Come with me" Ye Chen said to Lei Qiaolin, he asked Lei Qiaolin to come with him.

Lei Qiaolin understood, he escorted Ye Chen to where Vengeance Fate Sect was.

Zhao Yanyan, Lin Rouxi, Zhi Fuxe, Nanhua Caiyi, Ye Xiu and Cheng Mengyan decided to come along, they went with Ye Chen and helped Ye Chen solve the matter regarding Vengeance Fate Sect.

They all went to the headquarters of Vengeance Fate Sect, the headquarters of Vengeance Fate Sect was on a mountain with a splendid view, this was far better than all the bases Ye Chen had ever seen.

"They have bases inside the mountain, it would be difficult to get in since they all set a trap right and can attack us from all directions" Lei Qiaolin said to Ye Chen.

"There really are a lot of traps in this place." Ye Chen could clearly see the traps used by the enemy, there were many traps used by the enemy to catch intruders.

There were many cultivators surrounding here, they didn't advance knowing that it was dangerous ahead and they could only stand aside and wait for the people from Vengeance Fate Sect to come out so they could attack them.

"then I will open the way" Ye Chen said if he will open the way, he will open the way for everyone here.

"Husband, what are you going to do?" Lei Qiaolin asked Ye Chen, what was Ye Chen going to do.

Ye Chen stepped forward, he flew forward and started walking towards the center of the Vengeance Fate Sect headquarters.

Lei Qiaolin was shocked when she saw what Ye Chen was doing, she couldn't believe that Ye Chen would do such a thing.

Ye Chen stepped forward, when Ye Chen stepped forward, he was immediately greeted by arrows and sharp weapons thrown towards him, there were also several black fireballs, black lightning and strong winds aimed towards Ye Chen.

"Boom . . ." A powerful explosion occurred, this explosion was caused by an attack that hit Ye Chen's body, this explosion could easily create a large crater.

"is he okay" Lei Qiaolin looked at Ye Chen, she felt worried about Ye Chen.

"I hope he's okay" Zhao Yanyan thought the same thing, she really hoped that Ye Chen would be okay.

The attack launched by the Vengeance Fate Sect was not weak, it was evident from the large crater that appeared as a result of their attack.

In addition to the strong defense, Vengeance Fate Sect has a strong attack, it is not strange that Lei Qiaolin has difficulty getting inside.

Ye Chen was unaffected by the attacks, he confidently walked forward and didn't care about the attacks from the enemy.

With the body strengthening power provided by the Rhino Tank, Ye Chen didn't feel any significant pain in his body.

his body is extremely strong and impenetrable to attacks from the Vengeance Fate Sect.

Lei Qiaolin saw Ye Chen coming out of the crater, to be honest Lei Qiaolin was surprised by Ye Chen's strength, Ye Chen had a strong strength and could survive the successive attacks launched by Vengeance Fate Sect.

"his defensive power is very strong" Lei Qiaolin had to admit that Ye Chen has super strong defensive power, it is not easy to break through Ye Chen's defense.

The enemy didn't want to give up, they kept on attacking Ye Chen and trying to kill Ye Chen.

They couldn't let Ye Chen pass and make a mess of their place.

Ye Chen was like a Tank that couldn't be stopped right, all the powerful attacks couldn't destroy Ye Chen.

A few minutes later Ye Chen finally arrived at the entrance, he made it to the entrance where no one else could reach this place.

[Chapter 2314 A Direct Attack On The Vengeance Fate Sect's Core](#)

"too strong, he finally arrived in front of the enemy's base" Lei Qiaolin was amazed by what Ye Chen did, Ye Chen was too strong, he easily entered into the enemy's territory and was now in front of the enemy's gate.

"I've arrived, is there no one to welcome me?" Ye Chen wanted to know if anyone would welcome him, who would welcome Ye Chen.

A few moments later a dozen people appeared wearing black robes and some wearing white robes.

The group that had just arrived immediately surrounded Ye Chen and blocked Ye Chen's movements.

"vengeance chain" Their made a chain and immediately locked Ye Chen using the chain they made.

Ye Chen's body was currently wrapped in chains, there were countless chains wrapped around his body.

"This is so annoying" Ye Chen didn't really like it, the way the enemy treated himself was not very good.

Ye Chen was wearing God Thunder Armor, Ye Chen's body was enveloped by lightning and the people who caught Ye Chen were struck by lightning.

They fell and convulsed on the spot, it seemed they were very weak against Ye Chen's strength, they were knocked down with just one strike by Ye Chen.

"Sending people like that to fight me, it seems they are underestimating my strength." Vengeance Fate Sect underestimated Ye Chen's strength, they sent an incompetent person to fight Ye Chen.

Vengeance Fate Sect really underestimated Ye Chen's strength, they didn't know that Ye Chen's strength was very strong and posed a threat to Vengeance Fate Sect.

"master, just go ahead and destroy the entire place they have" Chu Yuechan said to Ye Chen.

"That's right, do you need help from me, I don't mind sweeping away all the mountains in this place along with the people inside." Chu Yelan intended to help Ye Chen.

"I alone am enough, I will destroy the place they have" Ye Chen said that he would destroy Vengeance Fate Sect.

Ye Chen continued to increase his physical strength, he used the inherited Rhino Tank to increase his physical strength.

Ye Chen's physical strength was getting bigger and bigger, with this kind of great strength, Ye Chen should be able to destroy the enemy's gate with one light punch.

"feel this" Ye Chen used a very strong punch, he used a super strong punch to destroy the enemy's gate.

Using an extremely powerful blow, Ye Chen made the arch shatter into pieces and fly in all directions.

Now that the Vengeance Fate Sect's gates were destroyed, they had nowhere else to hide from Ye Chen.

"You are all surrounded, you will not have a chance to get out of this place" Ye Chen said to the people from Vengeance Fate Sect.

The residents from Vengeance Fate Sect came out, they raised their swords and prepared to fight Ye Chen.

They all dared themselves to go against Ye Chen, they even gathered their hatred to become more and more powerful.

The strength of the people in Vengeance Fate Sect became stronger and stronger, the stronger the hatred they had for their enemies, the more and more powerful their strength became, making their strength comparable to that of high-class cultivators.

"Their strength increased by leaps and bounds, they used hatred and desire for revenge, this might be a formidable power, but the side effects can be fatal if done long term" Chu Yelan explained to Ye Chen.

"You mean this technique has limits" Chu Yuechan said to Chu Yelan.

"Of course, this is indeed a very strong power and can give strength to the user in a short time, even so there are side effects if you use it frequently" Chu Yelan said to Chu Yuechan.

"I thought so" Chu Yuechan's guess was right, it seemed that this technique had a terrible effect.

"Despite all this, they are all dangerous people and filled with a terrifying killing aura, it seems like they have all slaughtered countless humans in their lives." The aura of a Vengeance Fate Sect member was terrifying, only evil that had killed countless people could have this kind of aura.

"they are an evil sect, what can you expect from an evil sect like them" Ye Chen said to Chu Yelan.

"You are absolutely right, they are an evil Sect, so what can we expect from them" Chu Yelan said to Ye Chen.

"Everyone kill him" they all advanced towards Ye Chen, their target was Ye Chen, they all wanted to kill Ye Chen using black flame and black lightning attacks.

"Most of them are users of fire and lightning, so these two attacks dominate in battle.

Ye Chen flicked his finger, when Ye Chen snapped his finger, immediately the attack that should be heading towards Ye Chen turned to attack the user.

"what happened" Vengeance Fate Sect members looked stupid, they didn't know what happened, why did their attacks turn this way.

"Boom. . ." the attacks they launched hit themselves, a massive and destructive explosion occurred instantly.

"ahhhhh" desperate screams started to sound out, everyone from Vengeance Fate Sect was seriously injured from the attacks they launched.

Originally they wanted to kill Ye Chen, who would have thought that they themselves were killed by their own attacks.

"we are coming" Zhao Yanyan and the others came, they came to give Ye Chen help.

Zhao Yanyan and Zhi Fuxe used the power of light, they created wings behind their backs and started attacking the enemy with flashes of light from the wings.

"too dazzling" Ye Chen saw that Zhao Yanyan and Zhi Fuxe were both too dazzling and they were full of light that made the enemy feel pain all over.

"Lin Rouxi used a new technique, she created a pool of water under the enemy's feet and dragged them in, the enemy immediately entered the pool of water and couldn't get out.

Nanhua Caiyi and Cheng Mengyan used huge and extremely destructive slashes of wind, everything was easily sliced apart by the two of them.

Su Yuya was currently outside, she incinerated all the traps using hot flames and made them all melted so troops can enter safely.

Ye Chen's army's strength was too dominant, they all rushed in and flattened countless members from Vengeance Fate Sect.

"Everyone follow me and stay alert, the enemy may attack you." Lei Qiaolin said to the troops she had, she led everyone to look for the members of the Vengeance Fate Sect who were hiding.

Everyone followed Lei Qiaolin, they all joined hands to search for the rest of the enemy hiding inside.

There are still many enemies hiding inside" Chu Yelan said to Ye Chen.

Chu Yelan had the ability to detect enemies, she easily found out the whereabouts of the enemies inside.

It could be said that Chu Yelan's strength was far above Chu Yuechan's.

"Big sister Yelan's ability is still amazing" Chu Yuechan said, Chu Yuechan praised Chu Yelan's ability.

"Of course, I taught you, of course my skills are great" Chu Yelan said to Chu Yuechan.

"You should practice more, I will train you even better" Chu Yelan was going to train Chu Yuechan.

"ummm" Chu Yuechan was helpless, it seemed that she was going to train with Chu Yelan again.

"where do they quickly take me to them" Ye Chen said to Chu Yelan.

"Follow me" Chu Yelan told Ye Chen to follow her, she would accompany Ye Chen to where the enemy or leader of this place was.

[Chapter 2315 Ling Zhabu](#)

Ye Chen went with Chu Yelan, this time Chu Yelan gave a hint for Ye Chen.

Chu Yelan helped Ye Chen, she quickly arrived at their destination and they saw several people sitting with their weapons on them.

They have all been waiting for the arrival of Ye Chen, they have been waiting for Ye Chen in this place and are preparing to defeat Ye Chen in this place.

If they could beat Ye Chen in this place head on, they would probably win this battle.

"so you are the leader of the team that surrounded us all this time" the leader of this place said to Ye Chen.

"I am indeed the leader of the people who want to destroy you guys" Ye Chen said that he was the one who wanted to destroy them all.

"How presumptuous, don't you know who we are, destroying us is an impossible thing to do" the leader of Vengeance Fate Sect said to Ye Chen.

"You are quite confident in facing me, it seems that you have prepared everything" Ye Chen said to the leader of Vengeance Fate Sect.

The leader of the Vengeance Fate Sect rose from his seat, he held a sword weapon in both his right and left hands.

"My name is Ling Zhabu, anyone who hears the name I have will definitely run away immediately." Ling Zhabu introduced himself and told him that he was a very strong and very deadly person.

"oh, so you are so terrible, I don't know too much about this matter." Ye Chen said that he didn't know too much about this matter, he didn't know too much about Ling Zhabu.

Ling Zhabu raised his eyebrows, he had just been teased by Ye Chen, this was an insult to Ling Zhabu.

"Ignorant brat, today I will kill you in this place" Ling Zhabu said in a high tone, he was serious when he said this.

Ye Chen saw Ling Zhabu, Ling Zhabu's strength increased by leaps and bounds, his current strength was extremely terrifying.

From the start Ling Zhabu's strength was at the 10th level of the Divine Overlord Realm, but now his strength had increased again, so his strength might not be comparable to someone at the realm of the 10th Divine Overlord Realm.

Everyone around this place began to follow Ling Zhabu's actions, they began to show their strength.

An aura of killing and intense hatred was directed at Ye Chen.

Everyone in this place wanted to kill and eliminate Ye Chen.

"looks like you're in big trouble" Chu Yelan said to Ye Chen, Ye Chen might be in pretty serious trouble.

"Hahahahahaha" Ye Chen laughed when he heard what Chu Yelan said.

"maybe they are in big trouble" Ye Chen replied that Chu Yelan, Ling Zhabu and the others would get in big trouble for fighting Ye Chen.

"attack" Ling Zhabu ordered everyone to advance with him, they fought Ye Chen together.

They all knew that they wouldn't be able to win against Ye Chen on their own, so they all had to work together to fight Ye Chen using the strength they had.

Ling Zhabu used the ruthless killing triangle formation to fight Ye Chen, this formation was extremely effective at torturing and killing Ye Chen.

Ye Chen was surrounded, all the enemies surrounded Ye Chen and he was in the middle of the formation and couldn't get out.

"attack" Ling Zhabu ordered to attack Ye Chen in turn, that way they could kill Ye Chen.

"Too naive" Ye Chen Time Vision, he can see what his enemy is going to do, he can easily see if the enemy wants to attack him from which direction.

After knowing what the enemy was going to do, Ye Chen directly attacked the enemy, he directly attacked the enemy and knocked them down.

Ye Chen only needed one hand to do that, he used a fist and knocked the enemy in the face.

"Arghhh" the enemy shouted, they were hit by Ye Chen, their faces were destroyed by Ye Chen's too strong punch.

Ye Chen dropped one enemy after another, in a few seconds, 3/4 of the enemies were dropped by Ye Chen, only Ling Zhabu and a few people were still standing and watching what Ye Chen was doing.

"Is this the only ability that you have, your ability is so weak" Ye Chen said to Ling Zhabu, he told Ling Zhabu that the ability of the troop he had was too weak.

"damn it" Ling Zhabu was angry when he heard Ye Chen's words, no one had ever said this to Ling Zhabu .

"patriarch, this is bad, he beats everyone" people started to fear Ye Chen, Ye Chen had managed to beat a lot of their friends so easily.

"don't be afraid, we can't be afraid of him" Ling Zhabu said to everyone, he told everyone not to be afraid of Ye Chen.

"We understand" with a little coaxing by Ye Chen, all of them could finally easily regain the confidence they had.

"Give me your strength, I will attack him myself" Ling Zhabu said to everyone, he asked them all to help, he would fight Ye Chen using the strength he had.

The people around Ling Zhabu understood, they all directly gave Ling Zhabu the power they had.

They channeled their strength to Ling Zhabu, thus Ling Zhabu's strength was very large.

"here it is" Ling Zhabu gained more strength, it should be by using the immense strength within his body, he would be able to kill Ye Chen easily.

"get ready, I will kill you right now" Ling Zhabu said to Ye Chen, he stepped forward carrying two swords in his hands and drew them towards Ye Chen.

"clang. . .", Ling Zhabu's sword hit the body that belonged to Ye Chen.

"What ! ! !" Ling Zhabu's hands trembled as he tried to slash at Ye Chen, he was like he had just slashed through super hard iron.

"It seems you forgot to sharpen your sword" Ye Chen said to Ling Zhabu, he informed that Ling Zhabu forgot to sharpen his sword.

"Impossible . . ." Ling Zhabu couldn't believe this thing, Ye Chen should be injured, how could he survive.

"take this" Ling Zhabu attacked Ye Chen again, he attacked Ye Chen again using the sword in his hand.

This time Ling Zhabu used all of his strength and abilities, he used the full strength that he had.

"Clank" tooth a shrill voice sounded again, no blood appeared and Ling Zhabu again felt the pain in his arm.

"What is your body actually made of?" Ling Zhabu cursed, Ye Chen's body was extremely hard and tough, his weapon didn't want to hurt Ye Chen.

"who knows. . ." Ye Chen answered Ling Zhabu.

"I won't give up" Ling Zhabu said that if he didn't give up, he would continue to attack Ye Chen.

Ling Zhabu continuously launched an attack towards Ye Chen, he launched a series of attacks towards Ye Chen and used a great deal of force to attack Ye Chen.

Ye Chen stayed still and defended against Ling Zhabu's attack, he endured all of Ling Zhabu's attacks.

Moments later Ling Zhabu felt tired, all of his attacks were unable to hurt Ye Chen.

"damn it, what should I do" Ling Zhabu cursed, as long as he couldn't injure Ye Chen, then there would be no chance of winning against Ye Chen.

The sword in Ling Zhabu's hand was a lethal blade, it could kill someone from just a small wound, it was a pity that Ye Chen's body was impenetrable and he couldn't use the power of his sword.

[Chapter 2316 Execution Furnace Blood](#)

"Is this the only ability you have, and you call yourself patriarch?" Ye Chen said to Ling Zhabu.

Ling Zhabu's strength was terrible, he was even worse than Jharon Kang.

"I haven't shown my full strength yet" Ling Zhabu said that he hasn't shown his full strength yet.

Ling Zhabu was filled with rage, a strong rage welled up in his body and Ling Zhabu's strength increased again.

Ling Zhabu's strength is increasing, now he is getting taller and taller.

"This time's attack can definitely kill you." Ling Zhabu said to Ye Chen, this time's attack must be able to kill Ye Chen, Ye Chen must die in his hands.

Ling Zhabu turned into serious mode, he was very focused and tried to find Ye Chen's weak point.

"You idiot" Ye Chen said to Ling Zhabu, he wouldn't be able to break through Ye Chen's defense.

Ling Zhabu didn't believe that if Ye Chen's defense was not penetrated, there must be an opening to fight Ye Chen.

Ling Zhabu was trying to target Ye Chen's most vulnerable part, that way he could kill Ye Chen.

Ye Chen stretched out his hand to block Ling Zhabu's attack, using his hand, he managed to block Ling Zhabu's two swords.

Ling Zhabu's two swords Ling Zhabu restrained by Ye Chen, he used his hand to hold Ling Zhabu's sword.

"Is that so, this sword contains poison, it's not strange that you want to hurt me so much." Ye Chen realized that the sword in Ling Zhabu's hand contained super strong poison.

"If you get hit by mine, then I can guarantee that you will die" Ling Zhabu said to Ye Chen.

"That is if I get hit by your attack, it's a shame I will destroy your sword." Ye Chen used more strength, the sword in Ye Chen's hand instantly shattered and became fragments.

Ling Zhabu couldn't help but be speechless when he saw what Ye Chen had just done, he couldn't imagine that the powerful sword that had occupied for thousands of years and become the most lethal weapon will be destroyed easily.

"Have you given up yet?" Ye Chen saw Ling Zhabu's reaction, it seemed Ling Zhabu had given up when his sword shattered in Ye Chen's hand.

"This can't be happening, this must be just an illusion and a dream that you created" Ling Zhabu couldn't believe what happened, this kind of result couldn't possibly happen.

"then feel this, you will wake up when you feel this attack" Ye Chen kicked Ling Zhabu, he kicked Ling Zhabu hard.

Ling Zhabu's cultivation by Ye Chen's kick, the kick just now should have crippled Ling Zhabu's cultivation.

Ye Chen didn't directly kill Ling Zhabu, he would be of use in the future, Ye Chen could use Ling Zhabu to tell the location of Vengeance Fate Sect's headquarters.

"amazingly great, you are skilled enough to beat Ling Zhabu" A young man with a cool appearance appeared in front of Ye Chen, this person appeared in front of Ye Chen and said to Ye Chen.

"So there's more" Ye Chen looked at the man in front of him, it seems that there are still enemies that Ye Chen hasn't killed yet.

"I am Jing Lhao, today I came to avenge my family" this person introduced himself as the family of Jing Thao, she came to take revenge on Ye Chen.

"I see, I understand" Ye Chen finally knew who this man in front of him was, it seemed that she was the family of Jing Thao.

"master, this person is hiding a dangerous item" Chu Yuechan said to Ye Chen, she told Ye Chen that Jing Lhao had and hid something dangerous.

"Do you know what it is?" Ye Chen asked Chu Yuechan, the man in front was indeed emitting a dangerous aura.

"Be careful, it's a forbidden artifact that can confine a person." Chu Yelan could tell what Jing Lhao was carrying.

"How do you know about that?" Ye Chen asked Chu Yelan, Chu Yelan's ability was very strong.

"don't underestimate me, my ability to analyze things is much higher, I can know what the enemy is carrying and what someone is hiding" said Chu Yelan to Ye Chen.

"Isn't her ability much better than you" Ye Chen said to Chu Yuechan.

"sorry, if my skills are bad" Chu Yuechan snorted coldly, it seemed she was irritated when Ye Chen compared the strength between her and Chu Yelan.

"Hehehehe so cute" Ye Chen smiled as he saw Chu Yuechan annoyed, it seemed Chu Yuechan was angry when Ye Chen brought this up.

"Yuechan is so cute" Ye Chen liked when he saw Chu Yuechan like this, he had never seen Chu Yuechan act this cute.

Chu Ning'er said nothing, her job was only to take care of the fairy gate, so she didn't interfere in Ye Chen's travels.

So all of this had nothing to do with Chu Ning'er.

"Are you ready to be destroyed?" Jing Lhao said to Ye Chen, Jing Thao took out a super large flaming furnace in front of him.

The fiery furnace that Jing Lhao put out was pitch-black in color, the aura around looked incomparably gloomy.

"Is that the remnant soul wandering?" Ye Chen looked more clearly, he could see that the flaming furnace was emitting an angry soul.

"If I'm not mistaken it's an execution furnace blood" an artifact to burn cultivators alive and turn them into a blood pill that can increase strength" Chu Yuechan explained to Ye Chen.

"This is one of the most ruthless artifacts, how could he obtain such a item?" Chu Yelan knew that this was a cruel artifact and only evil cultivators could use it.

"Everything they own is used for evil, it's no wonder they are called a heretical sect" Apart from their bad behavior, they possess forbidden items. and misleading.

"You'd better be careful, I think it's difficult to get out of the execution furnace blood." Chu Yelan said to Ye Chen, it was quite difficult to get out after entering the execution furnace blood.

"Let's end this quickly, I don't want to take a risk" Jing Lhao didn't want to take a risk, so he better kill Ye Chen immediately.

With Ye Chen's cultivation base, maybe it would be a good thing to put him in the execution furnace blood.

"open" Jing Lhao opened the execution furnace blood, a dark smoke appeared towards Ye Chen, this dark smoke tried to pull Ye Chen into trouble.

Ye Chen used his body to defend, when Ye Chen used his body to defend, he found that his footing was gone, his footing was gone and shattered instantly.

Ye Chen was drawn into the execution furnace blood, he is now locked in the execution furnace blood.

"Hahahaha, this is too easy" Jing Lhao laughed against Ye Chen so easy to do, JingLhao it only took a little time to cage and kill Ye Chen on the spot.

Now it's only a matter of time until the execution furnace blood completely burns Ye Chen, perhaps it will happen in a few minutes.

"Did you catch him?" Ling Zhabu tried to get up, he held his chest which was injured from Ye Chen's attack.

The attack launched by Ye Chen was quite strong, of course Ling Zhabu was seriously injured from Ye Chen's attack.

[Chapter 2317 Revenge Of The Soul In The Execution Furnace Blood](#)

"of course I managed to catch it, it's a very easy to do" Jing Lhao said that he easily did that.

"Now it's just a matter of waiting, he will soon be destroyed" Jing Lhao said to Ling Zhabu.

Ye Chen wouldn't be able to escape, only needed to wait for the time until everything was over.

"don't get excited too fast, he strong enough" Ling Zhabu said to Jing Lhao, he told that Ye Chen is very strong, so they can't get excited too quickly.

"Indeed, what can that person do in the execution furnace blood, you know that no one has ever come out alive from the execution furnace blood" Jing Lhao said confidently.

execution furnace blood is the most powerful weapon, no one can come out from inside the execution furnace blood.

"You are absolutely right" Ling Zhabu seems to agree with this, it is not easy to get out of Ling Zhabu, maybe even his success is only around 0%, because no one has been able to get out of the execution furnace blood.

Ye Chen entered a very hot place with very strong flames, these flames were very strong and very hot.

On top of that Ye Chen could see that there were some souls still hanging around in this place, they were waiting for their unfinished revenge.

"So this is inside the execution furnace blood." Ye Chen looked around, it was nothing more than an iron prison with a hot and burning interior like a furnace.

"Aren't you too relaxed, you are in the execution furnace blood" Chu Yelan said to Ye Chen, she said that Ye Chen was too relaxed when he was in the execution furnace blood.

"What should I do, there's nothing I can do, so it's better to just stay silent" Ye Chen said to Chu Yelan.

"Do you need help destroying this place, I can help destroy this place." Chu Yelan said that she could help Ye Chen destroy the execution furnace blood.

"wait, don't do that" Ye Chen said to Chu Yelan, he needed something in this place.

Because Ye Chen was immune to fire, Ye Chen wasn't burned or destroyed. He walked around this place and saw countless souls that were around the place.

"You want to talk to them" asked Chu Yuechan to Ye Chen, Chu Yuechan seemed to be aware of Ye Chen's intent and purpose.

"Of course, I want to talk to them, it seems very interesting to do business with them" Ye Chen said to Chu Yuechan.

"what are you going to do" Chu Yelan still didn't understand Ye Chen, she still didn't understand Ye Chen's way of thinking.

"I believe you won't understand my master's train of thought." Only Chu Yuechan understood Ye Chen's thoughts, Chu Yelan would not understand the matter.

This time Chu Yuechan won, she understood Ye Chen far more than Chu Yelan.

Chu Yelan was confused by Ye Chen and Chu Yuechan, both of them made Chu Yelan confused.

"hello everyone" Ye Chen greeted the souls around this place.

"what are you doing in this place, have you just been put in this place" the soul here said to Ye Chen, it seemed that they were wandering because of their old grudge with the owner of the execution furnace blood.

"I have a good offer for all of you, do you want to come along or not" Ye Chen said to the soul in this place.

"what is that offer" the souls around asked Ye Chen, they all wanted to know what Ye Chen wanted to do.

"I will get you out of this place, but in exchange, you must attack the owner of the execution furnace blood" Ye Chen said to the souls around.

Ye Chen made an offer to take revenge on the current owner of the execution furnace blood.

Let Jing Lhao taste the revenge of every person he killed.

"if you can do that, we will voluntarily do it" they said to Ye Chen, if indeed Ye Chen can do that, then they will all do it voluntarily.

"Very good, then get ready." Ye Chen said to everyone, this is the time to destroy the execution furnace blood.

Ye Chen began to gather an enormous amount of strength, an enormous amount of power rushed out of Ye Chen's body and began to shake the execution furnace blood.

"rumble. . ." Outside Jing Lhao and Ling Zhabu saw the strange things that happened to the execution furnace blood, they could see the strange things that happened to the execution furnace blood.

the execution furnace blood began to vibrate violently and began to shake violently.

"what happened to the execution furnace blood" Jing Lhao and Ling Zhabu began to wonder what really happened to the execution furnace blood.

"Cracks . . ." a cracking sound started to sound, this sound was loud and resounded in Jing Lhao and Ling Zhabu's ears.

"This can't be happening" Jing Lhao and Ling Zhabu couldn't believe what happened, how could this happen, to be honest he couldn't imagine that this was happening.

execution furnace blood cracked, high heat started to come out from the inside of execution furnace blood.

"This is too bad, the execution furnace blood is starting to crack." Jing Lhao, who is the owner of the execution furnace blood, tries to repair the execution furnace blood.

It was a pity that he couldn't repair the execution furnace blood because a huge power overflowed from within the execution furnace blood.

"What kind of power is this?" Jing Lhao couldn't believe that there was such a huge power overflowing from the execution furnace blood, this huge power was impossible for Jing Lhao to withstand.

"what happened" Ling Zhabu asked Jing Lhao, what is going on, Ling Zhabu wants to know what is happening right now.

"I don't know either" Jing Lhao said that he didn't know what was going on, everything was really very strange.

"cracks . . ." a hole appeared in the execution furnace blood.

"roar . . ." A terrifying sound came out from within the execution furnace blood, this sound was extremely terrifying and full of desperate screams.

This place was burning and starting to melt, the souls that were in the execution furnace blood also started to come out, they all came out and headed straight for Jing Lhao.

"arghhhhh . . ." Jing Lhao shouted, he was pulled by the soul and began to feel excruciating pain.

Jing Lhao tried to fight back, he tried to fight off the attack from the soul that wanted to take revenge on him.

Ye Chen came out from the inside, he came out in good condition, while now Jing Lhao entered the execution furnace blood in place of Ye Chen, he might get trouble with that much soul.

"What are you guys doing, quickly let go of me, I am your master" Jing Lhao said to the wandering souls.

"You are not our master and you are the one who killed us" all the souls dragged Jing Lhao's body, they all dragged Jing Lhao and immediately took Jing Lhao inside.

"Damn it, I won't lose" Jing Lhao still tried to fight back, too bad he couldn't fight back and was taken inside, after that the execution furnace blood closed again and Jing Lhao was trapped in the execution furnace blood.

"Finally came out" Ye Chen was happy to be out of the execution furnace blood, the outside world looked better than the execution furnace blood.

[Chapter 2318 Xiao Lulu In A Swimsuit](#)

"You . . ., how are you still alive." Ling Zhabu looked at Ye Chen with shocked eyes, He was shocked when he saw Ye Chen still alive.

"It's not easy to kill me, you should know that stuff" Ye Chen blessed Ling Zhabu.

Ling Zhabu's mouth twitched several times, it was obvious that he did not believe what Ye Chen said.

"Alright, since everything has come to here, come with me, I will make you say everything" Ye Chen said to Ling Zhabu, he would make Ling Zhabu say everything.

"I will not come with you and will not say anything to you." Ling Zhabu said that he would not come with Ye Chen and would not say what Ye Chen wanted.

"You have no choice" Ye Chen brought Ling Zhabu, he would dig everything that belonged to Ling Zhabu.

Ye Chen brought and restrained Ling Zhabu, he would not let Ling Zhabu commit suicide or anything else.

Ling Zhabu's body was completely sealed and frozen by Ye Chen, he wouldn't be able to do anything he wanted in that state.

"what is the situation in this place" Ye Chen asked Lei Qiaolin, he wanted to know the current situation.

"We have taken care of everything, everyone inside Vengeance Fate Sect's main base has been destroyed" Lei Qiaolin said to Ye Chen.

"good job, then for now we just have to deal with the rest, everything has been working well, you guys can rest first" Ye Chen said to all the ladies here.

"thank you very much" Lei Qiaolin is happy everything is over, now is the time for them all to rest and enjoy their time.

"Yanyan, how about we return to Earth, it looks like there will be a comfortable place" Lin Rouxi said.

"let me have not seen grandpa and grandma for a long time, so let's go back" Zhao Yanyan had already planned a trip with Lin Rouxi, the two of them would definitely return to earth.

While others wanted to rest, like Nanhua Caiyi and also Ye Xiu, both of them wanted to rest and enjoy their time anywhere and didn't care about the others.

Ye Chen brought Ling Zhabu to be interrogated, Qing Cheng would help Ye Chen to do that.

With help from Qing Cheng everything became very easy, Qing Cheng helped Ye Chen and searched for the information Ye Chen needed.

Ye Chen sent a few people, he sent a few women to solve this problem, Chi Shui and the others should be able to solve trivial matters like this easily.

.

.

"Finally Ye Chen entered a period of peace, no problems occurred and all the women seemed fine.

"Young master, you seem to be in a very good mood." Qi Yunzhi came over and served Ye Chen, she passed a drink to Ye Chen.

"I rarely have free time, it seems very comfortable in this place" Ye Chen said to Qi Yunzhi.

Ye Chen was very happy when he had free time, he had not enjoyed the free time he had for a long time.

"Oh yeah, sister Yanyan told you to come for a walk at noon, she wants to take you out for a walk." Qi Yunzhi gave a message to Ye Chen, in the message Zhao Yanyan wanted to go out with Ye Chen.

"So that's it, it's been a long time." Ye Chen had not gone out with Yanyan for a long time, maybe this is the right time to go out.

"There are still a few hours left, considering it's still very early in the morning, so Ye Chen has plenty of time.

"thank you for reminding me" Ye Chen thanked Qi Yunzhi for reminding this.

"you're welcome" Qi Yunzhi was happy, she was happy to be able to help Ye Chen.

Qi Yunzhi walked away, he walked while showing seductive gestures.

Ye Chen looked at Qi Yunzhi, needless to say, Qi Yunzhi was indeed seductive and Sexy, she became more and more Sexy when in front of Ye Chen.

"Obviously her goal was to seduce Ye Chen, Qi Yunzhi's obsession with Ye Chen was extremely high, she wanted to serve Ye Chen by using her skills.

"She's just getting more and more flirtatious" Chu Yuechan said to Ye Chen, she told him that Qi Yunzhi looked more and more charming.

"she looks more mature, it seems Chi Shui has trained her a lot" Ye Chen agreed with what Chu Yuechan said.

"Where's Yelan?" Ye Chen asked about the whereabouts of Chu Yelan.

"I don't know, she seems to be hiding, I can't find her" Chu Yuechan said to Ye Chen.

"Is that so" Ye Chen understood, it seemed that Chu Yelan had her own business.

Xiao Lulu's "big brother" came and met Ye Chen, it just so happened that Xiao Lulu came together with Ye Chen and helped Ye Chen take care of the Villa.

Ye Chen looked at Xiao Lulu, he could see Xiao Lulu who was wearing a swimsuit that was slightly open, she looked cute in a swimsuit.

"Lulu is so cute" Ye Chen went towards Xiao Lulu, he immediately hugged Xiao Lulu from behind.

"Ahhh. . ." Xiao Lulu was surprised by what Ye Chen did, she couldn't believe that Ye Chen would hug her from behind.

"big brother" Xiao Lulu said to Ye Chen.

"call me husband, you naughty cute girl" Ye Chen whispered in Xiao Lulu's ear.

Xiao Lulu's face was very red, she was very embarrassed to be teased by Ye Chen, it was very embarrassing to be teased by Ye Chen.

Ye Chen carried Xiao Lulu, he carried Xiao Lulu and laid her on the chair.

Xiao Lulu wanted to know what Ye Chen would do, Xiao Lulu still couldn't guess what Ye Chen would do.

"what are you going to do to me" Xiao Lulu asked Ye Chen.

"Hmmm, let's see, Lulu is so cute, I want to play with you" Ye Chen told Xiao Lulu.

Xiao Lulu is really cute, so it's not strange that Ye Chen wants to play with Xiao Lulu.

Xiao Lulu's doll-like face made Ye Chen want to always be with her and play with Xiao Lulu.

Xiao Lulu's face became more and more red, she seemed to already know what Ye Chen was going to do.

Xiao Lulu lay down, she looked really good and excited Ye Chen.

Ye Chen helped Xiao Lulu, it seems that Xiao Lulu needs help.

"You seem to be working hard" Ye Chen saw that Xiao Lulu's body was too tense, most likely she was too busy working.

"I don't want to trouble others, so I work hard" Xiao Lulu said to Ye Chen.

"I don't think you bother others, you should be more relaxed, self respect is a necessary thing" Ye Chen said to Xiao Lulu.

"I understand" Xiao Lulu understood, she would try to do as Ye Chen said.

"husband, want to swim" Xiao Lulu took Ye Chen to swim, she wanted to play with Ye Chen in the pool.

"Wait a moment" Ye Chen helped Xiao Lulu, he used his skills to make Xiao Lulu comfortable.

"ahhh. . ., No . . ." Xiao Lulu screamed, she couldn't bear it at least when Ye Chen touched her body, that feeling was too comfortable for Xiao Lulu, she felt like she was flying in the sky.

Xiao Lulu made a cute voice, just hearing it made Ye Chen's heart feel very comfortable.

"umm . . ." Xiao Lulu sighed in a small voice, the more she endured it the funnier it became.

[Chapter 2319 How About We Have A Match To Put The Young Master At Ease \(1\)](#)

After a very hard struggle, Xiao Lulu finally managed to hold on, she felt very light and she felt very refreshed.

"This is very good" Xiao Lulu said to Ye Chen, she felt very excited about what Ye Chen was doing.

"You're better now, next time you don't have to force yourself, you should rest diligently" Ye Chen told Xiao Lulu not to push herself.

Although a cultivator, Ye Chen wished that Xiao Lulu could spend more time on her body.

"I understand" Xiao Lulu understood, she would do as Ye Chen said, she knew what she was doing was wrong, so she wanted to make things right.

"let's play, don't you want to play ?" Ye Chen said to Xiao Lulu.

Ye Chen took Xiao Lulu to enter the swimming pool.

"Come on" Xiao Lulu was very excited, she and Ye Chen entered the swimming pool, they seemed to be enjoying everything well.

Ye Chen and Xiao Lulu got into the swimming pool, the two got in and started having fun.

"feel this . . ." Xiao Lulu used water to splash Ye Chen, It seemed that she wanted to play with Ye Chen and have fun with Ye Chen.

Ye Chen accompanied Xiao Lulu, it was really fun, Xiao Lulu did a good thing and started to make Ye Chen accompany her.

Ye Chen can't refuse, no one can refuse Xiao Lulu, it's quite difficult to refuse Xiao Lulu, such a cute woman is hard for Ye Chen to refuse.

"Young master" Qi Yunzhi came, she joined in and got into the water.

Qi Yunzhi also changed into a very daring black swimsuit.

With Qi Yunzhi's well-developed body, naturally a sexy swimsuit would suit Qi Yunzhi very well.

"What do you think ?" Qi Yunzhi asked Ye Chen, she wanted Ye Chen's opinion.

"beautiful, too tempting" Ye Chen said and gave an honest assessment.

"Does the young master not like it?" Qi Yunzhi asked Ye Chen.

"how to say, of course I like it" Ye Chen has no way to refuse this thing, how can he refuse this kind of thing.

"I'm so happy" Qi Yunzhi said that she couldn't refuse something like this.

Even though it looked very tempting, in reality she was still very innocent, it was probably a very cute thing to see Qi Yunzhi like this.

Qi Yunzhi approached Ye Chen, she came closer and immediately hugged Ye Chen from behind.

Qi Yunzhi's two soft objects touched Ye Chen's back, it was very soft and extremely comfortable.

Qi Yunzhi seemed to be doing this on purpose, she knew that Ye Chen would not be able to refuse this thing.

"That's cheating" Xiao Lulu was not to be outdone, she hugged Ye Chen from the front.

Xiao Lulu and Qi Yunzhi had an extremely good relationship, so it wasn't strange that the two of them seemed to be very close and very friendly with each other.

"sister Lulu, you have to share with me" Qi Yunzhi said to Xiao Lulu, she wanted Xiao Lulu to share with herself.

"Why should I share with you" Xiao Lulu doesn't want to me

"Don't be stingy with me" Qi Yunzhi said to Xiao Lulu.

Ye Chen looked at Qi Yunzhi and Xiao Lulu, it was funny to see how the two were fighting.

The two of them started to rub their bodies against Ye Chen, they both seemed to be oblivious to what they were doing

"oh this is very fun" Ye Chen was very happy, he was very happy with what Xiao Lulu and Qi Yunzhi did.

The two of them made Ye Chen even more excited about going through the day.

Xiao Lulu and Qi Yunzhi had a little fight, this was normal and nothing to worry about too much.

"Okay, don't fight anymore" Ye Chen finally held Qi Yunzhi and Xiao Lulu, he hugged their waists and tried to calm them down even more.

With Ye Chen's embrace, Qi Yunzhi and Xiao Lulu calmed down a bit, both of them became calmer and could accept everything.

"You guys don't need to fight anymore, you two are mine" Ye Chen said to Qi Yunzhi and Xiao Lulu, these two beauties were his and so was Ye Chen belonged to both of them.

Qi Yunzhi and Xiao Lulu looked at Ye Chen, they were aware of the direction Ye Chen was talking about.

Now that everything is clear, that Ye Chen belongs to the two of them, so there is no need to fight and fight over Ye Chen anymore.

Qi Yunzhi and Xiao Lulu could finally calm down, both of them could calm down and accept everything.

Qi Yunzhi and Xiao Lulu were extremely embarrassed, both of them felt extremely embarrassed when Ye Chen hugged them like that.

"Have you guys calmed down yet?" Ye Chen asked Qi Yunzhi and Xiao Lulu.

"um . . ." Qi Yunzhi and Xiao Lulu nodded, both of them had calmed down a lot.

"That's great" Ye Chen was happy when he heard this, it seemed that the two of them had become much calmer compared to before.

"Young master, that..." Qi Yunzhi said to Ye Chen.

"What is it ?" Ye Chen asked Qi Yunzhi what Qi Yunzhi said, Ye Chen didn't really listen to what Qi Yunzhi said.

"There is something rising under there." Qi Yunzhi said to Ye Chen, she saw that Ye Chen's younger brother who was below got up.

With the teasing that Qi Yunzhi and Xiao Lulu had just carried out, it would be strange if Ye Chen wasn't excited.

"Isn't it your fault you unknowingly teased me, you two naughty girls" Ye Chen said to Qi Yunzhi and Xiao Lulu.

"we are not naughty girls" Qi Yunzhi and Xiao Lulu denied that they were naughty girls, they denied what Ye Chen said.

"Then what did you guys do earlier, what should I say about it" Ye Chen whispered in Qi Yunzhi and Xiao Lulu's ear.

The bodies of Qi Yunzhi and Xiao Lulu trembled, the temptation carried by Ye Chen made Qi Yunzhi and Xiao Lulu excited.

"Husband, naughty. ." Xiao Lulu said to Ye Chen, Xiao Lulu is so cute, she looks cute when she pouts.

"want to compete?" Qi Yunzhi said to Xiao Lulu.

"what do you mean" Xiao Lulu asked Qi Yunzhi, she did not know and was not aware of what Qi Yunzhi said.

"Who can make young master happy, he wins." Qi Yunzhi whispered to Xiao Lulu.

"You won't win" Xiao Lulu said to Qi Yunzhi, she was far superior compared to Qi Yunzhi.

Xiao Lulu's experience was much better than Qi Yunzhi's, so Qi Yunzhi would have no chance of winning.

"Who said that, don't underestimate me, I have much better strength than you now." Qi Yunzhi was confident in his own strength, he had no less strength than Xiao Lulu.

"Okay, let's have a match" Xiao Lulu will not back down, although she is still a little timid, she will not lose to Qi Yunzhi.

"Okay. . ." Qi Yunzhi smiled, it was so easy to influence Xiao Lulu.

Ye Chen didn't know what they were planning, it seemed that they were plotting something against Ye Chen.

Qi Yunzhi and Xiao Lulu dragged Ye Chen, they looked for a shallower place and brought Ye Chen there.

[Chapter 2320 How About We Have A Match To Put The Young Master At Ease \(2\)](#)

"hey, what do you want to do" Ye Chen asked Xiao Lulu and Qi Yunzhi.

"You will know what we are going to do soon" Qi Yunzhi said to Ye Chen, Ye Chen will know very soon what they are going to do.

Ye Chen looked at Qi Yunzhi and Xiao Lulu, it seemed that they were planning something.

"They are braver than I expected." Chu Yuechan knew what Xiao Lulu and Qi Yunzhi were going to do, they were much braver than Chu Yuechan could imagine.

Xiao Lulu and Qi Yunzhi had already decided, they would battle and compare skill, they would make sure that they could make Ye Chen comfortable with their abilities.

Ye Chen saw what Xiao Lulu and Qi Yunzhi were doing, he seemed to begin to know what Xiao Lulu and Qi Yunzhi were going to do.

"don't tell me you want to" Ye Chen said to Xiao Lulu and Qi Yunzhi.

"Big brother, leave this matter to us" Xiao Lulu said with cute tone and expression, how could someone refuse Xiao Lulu's request.

"we will show our ability" Qi Yunzhi said seductively, this woman's charm is getting stronger and makes Ye Chen overwhelmed, so how will Ye Chen be able to do it.

Both of them use the main weapon they have, of course this will be a difficult thing to fight against.

"you two" how can Ye Chen survive, how to survive two natural seducers.

One is very cute and can't be resisted, while the other is very seductive and has too strong a charm.

Xiao Lulu helped Ye Chen undress, she used her little hand to untie the shorts that Ye Chen was wearing.

Ye Chen only had one piece of clothing on his body, that was because he had just sunbathed and was enjoying the sun peacefully.

"Wow ! ! !" Qi Yunzhi was shocked when she saw Ye Chen's, she was shocked by Ye Chen's size.

"So this is the weapon that sister Shui said, it is really huge." Qi Yunzhi said in her heart, she was shocked when she saw Ye Chen's big and full of strength younger brother.

"It's huge" Xiao Lulu was also still not used to it, she wasn't used to Ye Chen's, its size was clearly out of control and this thing became a terrible weapon to satisfy women.

"husband I will start" Xiao Lulu was the first to start, she served Ye Chen using her hands and small mouth.

Xiao Lulu was too cute and too cute, she was like she was eating a lollipop and was very pleasing for Ye Chen to look at.

"This is bad, Lulu's ability is very strong".

Xiao Lulu didn't seem to want to lose to Qi Yunzhi, so it wasn't strange that Xiao Lulu showed all the skill she had and no longer held back on serving Ye Chen.

Qi Yunzhi saw Xiao Lulu, Qi Yunzhi didn't expect that Xiao Lulu would have such excellent abilities, it's no wonder that she was so confident in facing Qi Yunzhi.

"I won't lose, how could I lose to her" Qi Yunzhi didn't want to lose to Xiao Lulu, she also joined the battle to make Ye Chen comfortable.

"ahh . . ." Qi Yunzhi shifted Xiao Lulu, she shifted Xiao Lulu and started serving Ye Chen using her small mouth.

Ye Chen felt a different feeling from before, it seemed that right now it was Qi Yunzhi who was serving Ye Chen.

Qi Yunzhi's technique was no worse than Xiao Lulu's, although overall Qi Yunzhi was still slightly behind Xiao Lulu's.

"cough . . ." Qi Yunzhi choked, this was her first time doing this, it was much more difficult than she had imagined.

"It's too big" Qi Yunzhi felt that Ye Chen was too big, it was really hard to eat Ye Chen's big thing.

"You definitely can't." Xiao Lulu said to Qi Yunzhi, Qi Yunzhi's level was still below Xiao Lulu's.

"no, I can definitely do it" Qi Yunzhi was sure that he could do it, he was very sure that he could do the same thing as Xiao Lulu.

Qi Yunzhi never gave up, as a servant of Ye Chen, she wanted to make Ye Chen comfortable, that was her duty and she should be able to do it.

Qi Yunzhi owed Ye Chen a lot, she owed Ye Chen a lot of things for picking ya up and giving her a good life, if not for Ye Chen, she couldn't possibly enjoy this kind of life and would probably have experienced even more terrible things.

With Qi Yunzhi's beauty, Qi Yunzhi was able to charm everyone, she could definitely become a concubine or the main wife that was cherished, but her life might not be as free as when she was with Ye Chen, where she felt freer to do everything without any restraint.

Qi Yunzhi tried again, this time she was serious and would not be as easy to lose as before.

Xiao Lulu looked at Qi Yunzhi, she could see the seriousness from Qi Yunzhi.

Qi Yunzhi served Ye Chen wholeheartedly, she made sure that Ye Chen was comfortable with her.

Xiao Lulu didn't want to lose to Qi Yunzhi, she approached and joined in serving Ye Chen, the two of them finally worked together to make Ye Chen comfortable.

Ye Chen is comfortable, the two beauties work together, of course he is very comfortable.

Xiao Lulu and Qi Yunzhi helped Ye Chen's younger brother, their tongues and mouths dancing on Ye Chen's axis, they were both quite lewd and too seductive.

"So who is better" Xiao Lulu and Qi Yunzhi asked Ye Chen, they both wanted Ye Chen's opinion, which of them was better.

"You two are so kind, I can't choose one." Ye Chen said to Xiao Lulu and Qi Yunzhi, both of whom had good techniques and were skilled.

It was quite surprising that Qi Yunzhi's skills developed over time, as she learned a lot from hands-on practice with Ye Chen.

The two of them were getting more and more aggressive, they were like hungry foxes that had just found some delicious prey.

"I can't take it anymore, I want to have them" With the seductive expressions shown by Xiao Lulu and Qi Yunzhi, Ye Chen couldn't possibly hold on for long.

He directly wanted to eat Qi Yunzhi, the most seductive Qi Yunzhi and made Ye Chen's body and blood boil.

"Ahh. . "Qi Yunzhi was the first person that Ye Chen invited, he was invited by Ye Chen.

"Lulu, want to help me" Ye Chen said to Xiao Lulu.

"Of course" Xiao Lulu naturally knew what Ye Chen wanted.

Xiao Lulu immediately went and got out of the water, she prepared a mat for them to use.

Xiao Lulu was much more agile than she thought, she quickly knew what to do as a beautiful maid.

Ye Chen took Qi Yunzhi directly, he told Xiao Lulu to hold Qi Yunzhi.

"What are you guys going to do to me" Qi Yunzhi had a bad feeling, she felt that something bad was going to happen.

"Naughty girl must be punished, are you ready?" Ye Chen said to Qi Yunzhi, he wanted to punish Qi Yunzhi, and let him know his strength.

"Young master you bullied me" Qi Yunzhi said helplessly.

"You shouldn't say that, don't you really want to do this thing, you naughty woman" Ye Chen whispered to Qi Yunzhi.

Qi Yunzhi's face flushed with embarrassment, her purpose had long been known to Ye Chen, she felt like she wanted to find a hole to hide in.

"sister Yunzhi, you don't need to worry, it won't end soon, maybe it will hurt to death" Xiao Lulu said to Qi Yunzhi.

Xiao Lulu was getting naughty, she started to tease Qi Yunzhi and told him that the first time would be painful.

Qi Yunzhi was starting to worry about this matter, there was no way Xiao Lulu would lie, this would probably be a difficult feat.

Qi Yunzhi was sufficiently prepared, so there was no longer any need to hold back and Ye Chen could go straight in.

Ye Chen's huge object entered Qi Yunzhi's honey cave, Qi Yunzhi has a beautiful honey cave that Ye Chen should immediately explore.

"umm . . ." Qi Yunzhi felt pain, just like what Xiao Lulu said, it was indeed painful.

Qi Yunzhi was trying to endure, she didn't expect that it would be so, so painful, it seemed that it was much stronger than Qi Yunzhi had imagined.

It wasn't strange for Qi Yunzhi to be sick, with something as big as Ye Chen's, a normal woman would probably be in trouble, the same was true for Qi Yunzhi.

Even though Qi Yunzhi had learned a lot, in reality she hadn't done it yet, it was all just theory and reality was far more difficult than theory.

"I hope you are ready, because I will start" Ye Chen said to Qi Yunzhi.

"make me yours, I want to feel it" Qi Yunzhi said to Ye Chen, she wanted Ye Chen to make herself feel comfortable.

"Of course I will do it." Ye Chen started to do so, he used his own skills to comfort Qi Yunzhi.

"umm . ." the pain had started to subside and Qi Yunzhi was starting to feel a good feeling.

"Ohhh. . ., this is very good, I like this." Qi Yunzhi liked this feeling, she liked the feeling that Ye Chen gave her, this feeling was very comfortable.

Ye Chen moved quickly, he felt that Qi Yunzhi was trying to suck him up.

"What a very good artifact." Ye Chen really liked what Qi Yunzhi had, this was very convenient for Ye Chen.

The two started moving aggressively, Qi Yunzhi was quickly beaten by Ye Chen.

"No . . ." Qi Yunzhi had already reached the limit, this was too strong and she couldn't help it.

Ye Chen didn't let Qi Yunzhi go, she would let Qi Yunzhi feel the power of his own.

Qi Yunzhi was tired by Ye Chen, in a short time she was very tired from the pleasure given by Ye Chen.

"I can't take it anymore, this is enough" 30 minutes later, Qi Yunzhi started having troubles, Ye Chen was too strong and she ran into trouble when fighting Ye Chen.

Ye Chen was still full of energy, he continued to make Qi Yunzhi feel at ease with his techniques and scrambled Qi Yunzhi's body.

Xiao Lulu looked at Qi Yunzhi, she saw how Qi Yunzhi fought Ye Chen, it seemed that Qi Yunzhi was still not up to par with Ye Chen and ran into trouble.

Xiao Lulu let them first, let them have fun first and after that she wanted Ye Chen.

Qi Yunzhi used all of her strength to defend against Ye Chen's invasion, she did her best to survive.

Another 1 hour passed , by now Qi Yunzhi was completely exhausted and like a broken ship.

Ye Chen was too comfortable, he was already at his limit and passed his Yang Qi Essence to Qi Yunzhi.

"Byur..." Ye Chen gave his all to Qi Yunzhi.

"umm . . Qi Yunzhi felt a warm feeling she knew what this was.

Qi Yunzhi liked the feeling Ye Chen gave her, it was very comfortable.

"It's finally done, it's tiring." Qi Yunzhi was happy that everything was over, it was quite tiring.

When Qi Yunzhi thought that everything was over, she found that Ye Chen had revived.

"No way, young master, don't tell me you?" Qi Yunzhi asked Ye Chen.

"We still have plenty of time" Ye Chen said to Qi Yunzhi.

"No way, I can't possibly stand it" Qi Yunzhi said to Ye Chen.

"You often tease me, do you as long as that" Ye Chen said to Qi Yunzhi.

"No, I'm not that strong" Qi Yunzhi now knew Ye Chen's strength, it would not be strange for Chu Shui to be subdued, Ye Chen was too strong and a girl like Qi Yunzhi was not an opponent for Ye Chen.

"husband, it's my turn, I want too" Xiao Lulu said to Ye Chen, she also needed Ye Chen, she wanted to be hugged by Ye Chen.

"Okay, I will do it" Ye Chen understood, Ye Chen let go of Qi Yunzhi, he also had to think about the feelings that Xiao Lulu had, there was no way Ye Chen would let Xiao Lulu like this.

Xiao Lulu was very happy, she hugged Ye Chen and started kissing Ye Chen.

Ye Chen received Xiao Lulu, he hugged and started kissing Xiao Lulu.

Xiao Lulu is already very good, her skills make Ye Chen comfortable, coupled with her super cute appearance makes Ye Chen want to protect her and make Xiao Lulu happy.

"let's do it" Xiao Lulu said to Ye Chen, she wanted to do it with Ye Chen.

"of course I will make Lulu happy" Ye Chen said to Xiao Lulu, he will make Xiao Lulu even happier.

"Um. ." Xiao Lulu agreed with what Ye Chen said, she really liked Ye Chen.

"You are too cute" Ye Chen said to Xiao Lulu, he could feel that Xiao Lulu was too cute and Ye Chen really wanted to touch her.

"Please don't tease me" Xiao Lulu said to Ye Chen, she was so embarrassed when she was praised by Ye Chen.

"Hehehehe" Ye Chen chuckled, it was really fun to tease Xiao Lulu.

Ye Chen started to do Dual Cultivation with Xiao Lulu, he made Xiao Lulu feel happiness.

"umm. ." Xiao Lulu let out a seductive groan, she let out a very cute moan.

Ye Chen kept moving and made Xiao Lulu feel comfortable. With good skills and techniques, Ye Chen made Xiao Lulu feel very happy.

"Ahh. . ., big brother is really great, this is too strong, Lulu can't stand this thing" Xiao Lulu couldn't stand it, she couldn't stand Ye Chen's push.

"Every time Ye Chen pushes, Xiao Lulu will feel like she is rising to the sky, that feeling is very pleasant for Xiao Lulu.

Ye Chen and Xiao Lulu started to work together, because Xiao Lulu had already done this with Ye Chen, she could easily cooperate with Ye Chen and show her skills in front of Ye Chen.

Xiao Lulu's ability was getting better, she could easily blackmail Ye Chen.

On the other hand Ye Chen didn't hold back, he was very excited and put out all his strength to make Xiao Lulu happy.

Ye Chen and Xiao Lulu had fun both enjoying their blissful relationship.
