

## True God 2321

### [Chapter 2321 Date With Zhao Yanyan Downtown\(1\)](#)

"Xiao Lulu defended really well, she was able to defend against Ye Chen quite well.

"I can't take it anymore" Xiao Lulu said to Ye Chen, she told Ye Chen that she couldn't take it anymore and had completely lost to Ye Chen.

Ye Chen's strength was too strong, Xiao Lulu had fought hard and finally lost to Ye Chen, because Ye Chen was too strong.

"You have worked hard enough" Ye Chen said to Xiao Lulu, he told Xiao Lulu that he had worked very hard, he had made Ye Chen feel very comfortable, so Ye Chen could forgive Xiao Lulu.

"You go out a lot, I'm full enough" Xiao Lulu said to Ye Chen, she had enough for today.

"young master, you have an appointment" Qi Yunzhi said to Ye Chen, she told Ye Chen that she had an appointment.

"You are absolutely right" Ye Chen remembered, he had an appointment to do, so Ye Chen would not be able to stay here, he had to leave immediately.

Ye Chen immediately went to take a shower and directly changed clothes to meet Zhao Yanyan.

"Finally everything is over, it was tiring and very fun" Qi Yunzhi finally knew Ye Chen's strength, Ye Chen was very strong and made Qi Yunzhi feel very comfortable.

"It's a good thing he let us go, this will be troublesome because his strength is too strong" said Xiao Lulu.

Xiao Lulu felt more at ease because Ye Chen let go, to be honest Xiao Lulu was still far away when compared to Ye Chen, so she ran into trouble when doing it with Ye Chen.

Plus Qi Yunzhi was still too newbie, he didn't help much and made Xiao Lulu have to fight harder and work harder to deal with Ye Chen.

"Aren't you too weak, you should fix that thing" Xiao Lulu said to Qi Yunzhi.

Xiao Lulu pointed out that Qi Yunzhi was still weak and needed a lot of improvement.

"I understand, thank you very much" Qi Yunzhi hugged Xiao Lulu, she was happy and liked Xiao Lulu, Xiao Lulu is so cute that it makes Qi Yunzhi want to hug her every day.

The two of them left and started to clean up after themselves as well, the relationship they had just got better and better.

Ye Chen took a shower and immediately changed into better clothes, Ye Chen was wearing everyday clothes on earth, this looked more suitable for Ye Chen to wear.

"It's been a long time since I wore clothes like this." Ye Chen hasn't worn clothes for a long time earth, earth clothes are indeed the most comfortable to wear everyday.

After tidying up the clothes, Ye Chen went straight to the meeting place with Zhao Yanyan.

From the information Ye Chen got from Qi Yunzhi, Zhao Yanyan asked Ye Chen to meet in the city center, it was one of the large and majestic places within the city center.

"It's getting busy here" Ye Chen looked around, this place was starting to get very busy with visitors, there were lots of visitors who came and started to shop around.

They were all living a peaceful life again, now that there were rarely big battles like before and they preferred to live comfortably.

"I'm happy that this place has gotten better" Ye Chen was happy that this place has gotten better, it seemed like everyone had forgotten what happened a few years ago and started living anew.

When Ye Chen arrived, there were countless women who saw him, there were also women who dared to invite Ye Chen to go together.

Ye Chen had to refuse her, he had an appointment with Zhao Yanyan.

The women were disappointed when they heard this, they really wanted to go out with Ye Chen, they had never seen a man more handsome than Ye Chen.

Ye Chen had been standing here for only 10 minutes, but he had already rejected dozens of women who were trying to get close to him.

"It seems troublesome to be a handsome man" Chu Yelan said to Ye Chen.

"So noisy" Ye Chen said to Chu Yelan, why did this female elf bother taking care of Ye Chen.

"Fufufufufu" Chu Yelan smiled, it was really fun to tease Ye Chen.

"Don't tease him, come with me" Chu Yuechan said to Chu Yelan, she would not let Chu Yelan tease Ye Chen again.

"I understand" Chu Yelan understood, she would not continue to tease Ye Chen and left together with Chu Yuechan.

Since Chu Yuechan and Chu Yelan had gone out to discuss something, the atmosphere seemed extremely peaceful.

10 minutes later Zhao Yanyan finally came, she finally came and waved towards Ye Chen.

"have you been waiting for a long time ?" Zhao Yanyan said to Ye Chen, she wanted to know if Ye Chen had been waiting for a long time.

"I just arrived" Ye Chen told Zhao Yanyan, he told Zhao Yanyan that he had just arrived.

Ye Chen looked at Zhao Yanyan, he could see that Zhao Yanyan was very pretty in a white casual dress with little flowers and little butterflies.

Zhao Yanyan's hair was also styled with several beautiful hair ornaments, she displayed an extremely beautiful appearance and was full of beauty that was pleasing to the eyes of those who saw her.

"what do you think, do I look weird" Zhao Yanyan asked Ye Chen, she wanted Ye Chen's opinion.

"No way, you are so beautiful, you are like a goddess" Ye Chen said to Zhao Yanyan.

Ye Chen wouldn't lie, he said that Zhao Yanyan was very beautiful, Zhao Yanyan had grown and became the figure of a beautiful goddess.

Everyone would definitely admit this, no one could deny this anymore.

"thank you very much, you are very handsome too" Zhao Yanyan said to Ye Chen.

Ye Chen himself was also handsome, Zhao Yanyan had to admit this, Ye Chen was the most handsome man Zhao Yanyan had ever seen.

"I take that as a compliment," Ye Chen said to Zhao Yanyan.

Zhao Yanyan smiled when she heard this, she was very happy about this.

"Come on . . , let's have fun, I will make you lose a lot of money" Zhao Yanyan dragged Ye Chen, she dragged Ye Chen to have fun.

Ye Chen smiled when he saw this, he took Zhao Yanyan's hand and headed towards the shopping center.

The combination between Ye Chen and Zhao Yanyan was eye-catching, there were countless people currently looking at the two, they wanted to know where these two couples came from.

Ye Chen and Zhao Yanyan tried to ignore the stares from the surroundings, both of them ignored the glares from the surroundings and focused more on each other.

"What do you want to eat?" Ye Chen asked Zhao Yanyan.

"Let me think about it." Zhao Yanyan thought for a while.

"Ice cream and cake look delicious, haven't eaten those two things for a long time." Zhao Yanyan thought about eating ice cream and cake, she hadn't eaten such things in a long time.

"okay, let's go" Ye Chen said to Zhao Yanyan.

Ye Chen was looking for the best place, they finally found a good place that sells Ice Cream, cold drinks and Cakes of various sizes.

"One strawberry Ice cream and one cold orange drink" Ye Chen ordered some for Zhao Yanyan.

The restaurant maid looked very nervous when she faced Ye Chen, to be honest it was very difficult to face Ye Chen considering Ye Chen was handsome and Zhao Yanyan was very beautiful.

"Husband, it looks like you scare her" Zhao Yanyan smiled, it seemed that Ye Chen scared the little girl in front.

#### [Chapter 2322 Date With Zhao Yanyan Downtown\(2\)](#)

"am I scary you ?" Ye Chen asked the woman in front of him, he wanted to know the opinion of the woman in front of him.

The maid was nervous when talking to Ye Chen, she was very nervous when she met such a handsome man like Ye Chen.

"This is the first time she has met such a handsome man like Ye Chen, this is quite a shock for a maid.

The maid was silent, she didn't answer Ye Chen's question.

"Fufufufufu" Zhao Yanyan smiled when she saw this, it was so cute when she saw the woman in front of her dumbfounded at the sight of Ye Chen.

Zhao Yanyan knew that Ye Chen's charm was too strong, she didn't think that this woman couldn't stand Ye Chen's charm.

Ye Chen was indeed too handsome, it was difficult for normal women to resist Ye Chen's charm.

"oi" Ye Chen tried to wake up the maid, he tried to wake up the maid in front of him.

With a few light taps by Ye Chen, the female maid started to wake up, she finally realized what she had done.

"I'm sorry, I didn't do it on purpose" the maid was very embarrassed, she did such an embarrassing thing in front of Ye Chen.

"No problem, so can you quickly process what we ordered" Ye Chen said to the female maid.

"I'll do it right away" the female maid immediately took the order from Ye Chen, she made the order that Ye Chen wanted.

A few minutes later Ye Chen and Zhao Yanyan's orders were ready, they immediately left and looked for a good place to eat.

Zhao Yanyan and Ye Chen sat on a bench by the roadside, the atmosphere around this place became very cool and comfortable for relaxing.

Since the earth has embraced technology, air pollution has become less and nature has begun to become pure again. Of course, this is very suitable for cultivation and makes everyone healthy.

"This is delicious" Zhao Yanyan said as she ate the ice cream she ordered, it was really delicious and she liked it.

"Zhao Yanyan has almost forgotten when she tasted something like this, it's probably because she trained in the God Realm for too long and only ate sober food.

As long as in the God Realm, Ye Chen, Zhao Yanyan and the others weren't picky when it came to food, as long as it was edible, it was enough for them.

"It seems this place is getting more peaceful and better, it's different from a few years ago" Ye Chen said to Zhao Yanyan.

"So you realize it, this place is indeed getting better, the earth is becoming a more livable place, a disaster dark what happens grows beautiful new things, it seems like fate" Zhao Yanyan said to Ye Chen.

"hahaha" Ye Chen laughed as he listened to Zhao Yanyan's words.

"why are you laughing, is there something strange?" Zhao Yanyan looked at Ye Chen with her crystal clear eyes, she wanted to know what Ye Chen was laughing at.

"I don't know why the Yanyan I have said like a wise man, you might be similar to Yixian" Ye Chen said to Zhao Yanyan.

"Am I looking more like her, but we look different in appearance and she is more graceful and wiser than me" Zhao Yanyan gave an assessment of Shui Yixian.

"What are you saying, you are now like a goddess, if you look in the mirror, no one will be able to deny Yanyan's beauty, I think Yanyan has a part of herself and can't be imitated by others" Ye Chen said to Zhao Yanyan.

Zhao Yanyan blushed when listening to Ye Chen's praise, she was happy to know how she was in Ye Chen's eyes.

Ye Chen saw Zhao Yanyan, Zhao Yanyan seemed to be shy, it looked really cute.

"are you happy ?" Ye Chen asked Zhao Yanyan.

Seeing Zhao Yanyan's reaction, Ye Chen wanted to tease Zhao Yanyan more and more.

Zhao Yanyan finally realized that she was being teased by Ye Chen, Ye Chen was currently teasing her.

"Husband, you are stupid . ." Zhao Yanyan turned her head away, she looked embarrassed.

Ye Chen smiled, the goddess nearby was very beautiful and Ye Chen wanted to hug her and make Zhao Yanyan his own.

Zhao Yanyan went back to eating the ice cream in her hands, she seemed to really enjoy it.

Ye Chen saw Zhao Yanyan, for some reason Zhao Yanyan looked very tempting when she licked the ice cream.

Zhao Yanyan looked at Ye Chen, she could see that Ye Chen was looking at her with a strange look.

"You must be thinking bad things" Zhao Yanyan said to Ye Chen, she was sure that Ye Chen was thinking bad things.

"why did I think such a bad ?" Ye Chen tried to deny it.

"Fufufu, the more you deny it, the more obvious it is." Zhao Yanyan was not easy to fool.

"Yanyan is too smart" Ye Chen saw that Zhao Yanyan was too smart, she was not easy to fool.

"let's continue" Ye Chen stretched out his hand to Zhao Yanyan, he invited Zhao Yanyan to continue.

There were still lots of places they hadn't visited yet, plus they had plenty of time until the afternoon.

After getting some snacks, Ye Chen and Zhao Yanyan went shopping and played the game machines that were all around this place.

"I've never been to a place like this, I want to try it" Zhao Yanyan had never been to an arcade machine before, this was something new for Zhao Yanyan.

"want to try it" Ye Chen saw Zhao Yanyan, it seemed that Zhao Yanyan was very excited, Ye Chen couldn't let Zhao Yanyan down and decided to invite Zhao Yanyan in.

The two entered and started to search for the game that Zhao Yanyan wanted.

Zhao Yanyan looked so cute, she was like a child finding a new toy.

Ye Chen looked around, this place was quite crowded like the year before there was internet.

It would take time to rebuild the internet to its former state, so everyone could only take advantage of a few games in this place to entertain themselves.

Everyone needs entertainment, working too hard will be frustrating and it will not be good for mental health.

"there is a good doll" Zhao Yanyan said to Ye Chen, Zhao Yanyan saw the beautiful snow white bear, she liked the look of it.

"Aren't you too mature for that," Ye Chen said to Zhao Yanyan.

"husband, I'm not that old, stop acting old, we haven't even reached old yet" Zhao Yanyan said to Ye Chen.

"I seem to have been affected by staying too long in the God Realm." The women there are obviously different from here and their tastes are different too." Ye Chen realized that Zhao Yanyan was still a young woman, so this sort of thing was still normal.

"I'll try it" Zhao Yanyan wanted to try it, she took Ye Chen's money and started to use it to play.

Ye Chen smiled seeing this, it seemed that the current Zhao Yanyan was very good, he really liked the current Zhao Yanyan, they seemed much more free to do what they wanted without any restrictions.

#### [Chapter 2323 Trying To Wear Empress Clothing](#)

Zhao Yanyan started to try, she used the machine with her hands.

To be honest Zhao Yanyan's skills were poor at this, it was probably because she had never played this thing before, so there was no experience.

Zhao Yanyan failed several times, she failed several times and did not give up.

"Why is it so difficult?" Zhao Yanyan was annoyed that she failed several times, this was much more difficult than Zhao Yanyan had imagined.

Ye Chen smiled when he saw Zhao Yanyan, the cranky Zhao Yanyan was so cute.

"That's because you're trying to aim for the big one, of course it's hard to do it" Ye Chen said to Zhao Yanyan.

Zhao Yanyan didn't seem to have realized that the bigger it was, the more difficult it would be to obtain.

"In that case, I'll just use force," Zhao Yanyan said to Ye Chen.

It seemed like Zhao Yanyan had to use her own strength to get what she wanted.

"Wait a minute" Ye Chen said to Zhao Yanyan, he told Zhao Yanyan that he couldn't do that.

"why" Zhao Yanyan asked Ye Chen.

"Look at that" Ye Chen pointed at the paper on the wall, already explained it forbidden use force here.

"Ah, so that's how it is" Zhao Yanyan didn't notice, she didn't notice this writing and couldn't possibly use her strength.

"Then come help me" Zhao Yanyan said to Ye Chen, she told Ye Chen to help herself.

"Sure, why not. . ." Ye Chen helped Zhao Yanyan, this time it was Ye Chen's turn to try it.

"do your best, I want it" Zhao Yanyan gave a few words to get Ye Chen excited.

"I hope you give a decent reward" Ye Chen said to Zhao Yanyan, he hoped Zhao Yanyan gave a worthy gift.

"Sure, I understand" Zhao Yanyan blushed, she would probably give a gift when Ye Chen got it.

Ye Chen started to move the machine, with a dexterous hand, he immediately looked for the best and strongest point to hold the doll from falling again.

Zhao Yanyan noticed Ye Chen, he noticed what was done by Ye Chen, whether Ye Chen will succeed or not.

After finding the right spot, Ye Chen immediately pulled the doll that Zhao Yanyan was after.

"Ding. . ." the machine raises a jackpot sound.

"it worked, well done" Zhao Yanyan looked very happy, she was very happy to get Ye Chen's gift.

Ye Chen took the gift he got and gave it to Zhao Yanyan.

"this is for Yanyan dear" Ye Chen said to Zhao Yanyan, he gave what wanted by Zhao Yanyan.

"Thank you very much, you are very kind." Zhao Yanyan was happy, all the previous complaints owned disappeared quickly.

"don't forget my gift" Ye Chen said to Zhao Yanyan, Ye Chen whispered to Zhao Yanyan, he told Zhao Yanyan about his gift.

Zhao Yanyan understood, she tugged Ye Chen's shirt and started kissing him.

Zhao Yanyan was much brave, she directly kissed Ye Chen who was in front of her.

The two of them kissed for a few moments, both of them seemed to really enjoy it.

Ye Chen enjoyed this, he liked kissing Zhao Yanyan, the feeling of kissing Zhao Yanyan was very comfortable and very comfortable.

The two kissed for a few minutes before the two parted ways.

"That's enough right?" Zhao Yanyan said to Ye Chen.

"Yanyan is really very kind" Ye Chen said to Zhao Yanyan, Zhao Yanyan was too kind when it came to giving gifts to Ye Chen.

"It's good that you're happy, let's go, we'll continue." Zhao Yanyan was happy enough to get the gift she wanted and was no longer interested in anything else.

Ye Chen knew what Zhao Yanyan was thinking, so he left and continued on his way.

Zhao Yanyan hugging a doll was very cute, she looked beautiful and too seductive, Ye Chen wanted to pinch Zhao Yanyan's cheeks.

"What is it?" Zhao Yanyan asked Ye Chen, she saw that Ye Chen was thinking about something.

"You look really cute" Ye Chen said to Zhao Yanyan, he told her that Zhao Yanyan looked really cute.

"Is that so?" Zhao Yanyan looked very happy, Ye Chen praised her again.

"Hey there there is a beautiful clothes shop, do you want to try it, it looks like I want to see Yanyan wear a nice dress or costume" Ye Chen said to Zhao Yanyan.

"Do you want to play a costume game, you are so naughty" Zhao Yanyan said to Ye Chen.

"what's wrong with that, everyone has their own hobbies and interests, I myself am interested in it, isn't Yanyan interested" Ye Chen asked Zhao Yanyan.

"Of course I'm interested, let's go in and pick a good thing." Zhao Yanyan said to Ye Chen, she invited Ye Chen to come inside.

Ye Chen was dragged away by Zhao Yanyan, the two of them finally went in and started to choose nice clothes.

"This place is very big." Zhao Yanyan realized that this place was very large, this place was very large and very majestic.

All the clothes and clothes that Zhao Yanyan wanted should be easily found in this place.

Zhao Yanyan's eyes shone very brightly, it looked like she was really enjoying this.

Ye Chen smiled when he saw Zhao Yanyan, he had never seen Zhao Yanyan so excited when buying clothes.

"very good, I will choose the most excellent thing in this place" Zhao Yanyan was going for the best, she couldn't wait to show it to Ye Chen.

Ye Chen of course knew the thoughts of Zhao Yanyan, Ye Chen couldn't wait to see for what would be shown by Zhao Yanyan to himself.

Zhao Yanyan started looking for the most flattering clothes, there were so many fashion clothes that Zhao Yanyan was interested in trying on.

"Husband, how about this Maid's dress, do you like it" Zhao Yanyan said to Ye Chen, she picked up a pretty Maid's dress.

Ye Chen started to think about it, he started to think that when Zhao Yanyan was wearing a maid outfit, the possibility would be very good.

"Why don't you try it, I want to see it." Ye Chen said to Zhao Yanyan, he wanted to see Zhao Yanyan in a maid dress.

"Okay. . ." Zhao Yanyan went straight away, she went straight to try it out.

Ye Chen couldn't wait to see how Zhao Yanyan would look after wearing the maid clothes, Ye Chen really wanted to see.

A few minutes later Zhao Yanyan finally came out, she finally came out and immediately showed a maid outfit.

"It suits you very well" Ye Chen said to Zhao Yanyan, the clothes really suited Zhao Yanyan.

"Then I'll buy it." Zhao Yanyan felt that this really suited her, so there was no problem buying it.

"do you have any more suggestions" Zhao Yanyan asked Ye Chen, she wanted to receive suggestions from Ye Chen.

"How about this" Ye Chen picked up an extremely magnificent outfit that he usually wore worn by a country's empress or queen, Zhao Yanyan might suit this.

Zhao Yanyan looked at the clothe selected by Zhao Yanyan, it seemed that this was a very fine garment and that perhaps only the empress would be able to wear it.

"are you sure you want me to use that thing" she asked Ye Chen, she wasn't sure if she would be suitable.

The clothe selected by Ye Chen is too eye-catching, this is too shining.

"Why not give it a try, I'm sure Yanyan will suit her very well" Ye Chen said to Zhao Yanyan.

"Then I'll give it a try." Zhao Yanyan agreed to give it a try, she also wanted to experience herself wearing normal clothes charged by the empress.

#### [Chapter 2324 Peaceful Life Is The Best](#)

Ye Chen is quite looking forward to it, he wants to see Zhao Yanyan's appearance, Zhao Yanyan will definitely look very beautiful, Ye Chen can't wait to see Zhao Yanyan.

Because these clothes were too complicated, Zhao Yanyan needed some time to put them on.

These clothes usually required several people to put them on, so it wouldn't be strange for Zhao Yanyan to need a bit of time.

Plus Zhao Yanyan had to rearrange her hair to fit this suit, she styled her hair into a bun with some of the hair loose, Zhao Yanyan also had to use some of the decorations that came with the clothes.

10 minutes quickly passed, Ye Chen was getting more and more worried, maybe Zhao Yanyan couldn't use it, if that was the case maybe Ye Chen shouldn't have forced her.

Ye Chen paced back and forth, he wanted to know the condition of Zhao Yanyan, was Zhao Yanyan okay or not, he wanted to know about it.

"rustling . ." the curtain finally opened, Zhao Yanyan began to walk out with a very graceful movement.

Due to the clothing constraint, Zhao Yanyan had to keep her footsteps to fit, and this made her even more beautiful.

Ye Chen looked at Ye Chen, he could see that Zhao Yanyan was very beautiful, Zhao Yanyan was like a goddess who descended from the sky, her beauty made a man go crazy.

Ye Chen was silent for a while, he needed time to see the beauty from Zhao Yanyan.

Zhao Yanyan spin around and pointed at Ye Chen, she was very glamorous in this dress, it was like seeing a mature woman full of dignity.

"How . . ?" Zhao Yanyan smiled at Ye Chen, Zhao Yanyan already knew Ye Chen's reaction, it seemed Ye Chen was surprised by her appearance.

"That's great, Yanyan looks really pretty." Ye Chen finally came to his senses, Zhao Yanyan brought Ye Chen back to his senses.

"You are very beautiful, glamorous and graceful" Ye Chen said to Zhao Yanyan, he said what he saw.

"thank you very much, I think I'll take this" Zhao Yanyan couldn't forget Ye Chen's reaction, it seemed that she was really good at using this thing, so Zhao Yanyan had already decided to buy this thing.

"Do you like it right away" Ye Chen asked Zhao Yanyan, Ye Chen saw that Zhao Yanyan seemed to like this thing.

"I like seeing husband's reactions, I think I'll use this to tease you." Zhao Yanyan started to show her mischievous side.

"As I thought, you must have a reason, but it fits perfectly." Ye Chen gave Zhao Yanyan a thumbs up.

"Then let's try something else" Zhao Yanyan said to Ye Chen, they tried on many different clothes and costumes, Zhao Yanyan almost fit all of them considering she was a beauty.

"I found Idol clothes, do I match this thing?" Zhao Yanyan asked Ye Chen.

"Yanyan is such a match, if you become an Idol, you will definitely have enough fans.

"You praise me too much" Zhao Yanyan said to Ye Chen, Ye Chen praised her too much.

"I'm telling the truth" Ye Chen said honestly, he wouldn't lie about a problem like this.

"I know, thank you very much, but I'd rather live with you than be an idol" Zhao Yanyan said to Ye Chen.

Zhao Yanyan wasn't very interested in things like becoming an Idol and a star, in her opinion it was a troublesome thing to do.

For example, Zhao Yanyan likes to live peacefully and not have to be seen by everyone.

If he became an Idol, his own life would be exposed and he might not be able to get out that easily.

"Don't you like idols, as I recall you really like Xue" Ye Chen said to Zhao Yanyan.

"I do like sister Xue's songs, but I don't intend to enter the world of entertainment," Zhao Yanyan said to Ye Chen.

Zhao Yanyan really admired Feng Xue's songs, she liked all the songs that Feng Xue brought and owned.

"I see, I understand" Ye Chen understood, he respected Zhao Yanyan's decision.

Zhao Yanyan and Ye Chen finally finished to buy clothes, Zhao Yanyan bought quite a lot and went straight enter into the Space ring.

After that they went on dates and did lots of things, they played, ate, traveled and enjoyed it all, this was a lovely thing to do for Ye Chen and Zhao Yanyan.

It was quickly getting dark, the sun was about to set.

Ye Chen and Zhao Yanyan went towards the hill, they saw a view of the setting sun from this place.

"Peaceful life is the best" Zhao Yanyan said to Ye Chen, she likes this kind of life, she wants to live like this continuously.

"You're absolutely right, I like this kind of peaceful life" Ye Chen agreed with what Zhao Yanyan said, he liked living like this, it felt comfortable when enjoying time with Zhao Yanyan.

"I hope all the problems will be over soon so we can spend time like this, I want to spend more time with you" Zhao Yanyan said to Ye Chen, she told Ye Chen that she wanted to spend more time with Ye Chen.

"um . ." Ye Chen nodded, he saw that Zhao Yanyan really wanted to spend time with him.

"I will definitely work harder" Ye Chen will definitely work even harder, he wants to finish everything and create the life he dreams of.

Ye Chen and Zhao Yanyan were enjoying the sunset, both of them really enjoying this time well.

They hugged each other while watching the sunset, without them realizing they looked at each other and started to do a kiss.

"Chuuuu. ." Ye Chen and Zhao Yanyan kissed, they had a good time, since this place was quiet no one would disturb them.

The two of them kissed long enough, without them noticing the sun had set and they had to head back.

"Let's go back to the villa" Zhao Yanyan took Ye Chen back.

"of course" Ye Chen smiled at Zhao Yanyan, the two flew back to the villa, today they had a lot of fun and now they have to go back.

Ye Chen and Zhao Yanyan returned to the villa. When they returned, they both found Xiao Lulu and Qi Yunzhi sleeping on the sofa and embracing each other.

"They seem tired." Zhao Yanyan looked at Xiao Lulu and Qi Yunzhi, both of them seemed quite exhausted.

Xiao Lulu and Qi Yunzhi were indeed exhausted, both of them were quite exhausted after doing sports with Ye Chen, so it wouldn't be strange for the two of them to fall asleep in this place.

"I'll take them upstairs" Ye Chen said to Zhao Yanyan, he started to lead Xiao Lulu and Qi Yunzhi to their room.

"Then I'll go cook, tonight we'll have dinner together" Zhao Yanyan said to Ye Chen, coincidentally this morning Zhao Yanyan picked the fresh vegetables planted by Xiao Lulu in the fairy gate.

Apart from cultivating medicinal plants, fruits, Xiao Lulu also planted vegetables, it was for everyone's needs considering the number of women Ye Chen was overwhelming.

Ye Chen took Xiao Lulu and Qi Yunzhi upstairs, he made sure not to wake the two of them up and put them on the bed.

Xiao Lulu and Qi Yunzhi were not aware that they were brought in by Ye Chen, Ye Chen was too gentle that they were not aware of it.

After putting Xiao Lulu and Qi Yunzhi on the bed, Ye Chen went downstairs. It happened that Zhao Yanyan was cooking and now she changed and wore the Tail bangs hairstyle.

#### [Chapter 2325 Husband, Hug Me](#)

"how, are they sleeping in the room already" Zhao Yanyan asked Ye Chen.

"They were already asleep, luckily I didn't wake them up" Ye Chen said to Zhao Yanyan.

"But it's strange to see them sleeping, when they are so excited and rarely like that" Zhao Yanyan asked curiously.

"maybe they are too tired" Ye Chen said to Zhao Yanyan.

Ye Chen convinced Zhao Yanyan that Xiao Lulu and Qi Yunzhi were tired and needed to rest.

"Is that so?" Zhao Yanyan didn't immediately believe what Ye Chen said, she was suspicious of what Ye Chen said.

Ye Chen looked at Zhao Yanyan, it seemed that Zhao Yanyan was starting to suspect, this might be a bit troublesome, Ye Chen should quickly change the subject as soon as possible.

"what are you going to do ?" Ye Chen asked Zhao Yanyan,

"Meat and vegetable stir-fry, it seems that's our dinner menu this time" Zhao Yanyan said to Ye Chen.

Zhao Yanyan told Ye Chen about the main dinner menu they had.

"I can't wait to taste it soon, I'm curious about the taste" Ye Chen said to Zhao Yanyan.

"Fufufufu, just wait then" Zhao Yanyan said to Ye Chen.

Ye Chen understood, he glanced at Zhao Yanyan and started to see the way Zhao Yanyan was cooking.

He saw how Zhao Yanyan cooked food from chopping vegetables to stir-frying all the ingredients together.

Zhao Yanyan's moves were very skilled, she had very skilled moves that made Ye Chen feel happy when she saw them.

"Why are you looking at me like that, is there something strange about me" Zhao Yanyan said to Ye Chen.

Zhao Yanyan felt embarrassed when she was looked at by Ye Chen.

"What's wrong, I just want to see my beautiful wife cooking, it's so beautiful to see a beautiful wife cooking like this".

Zhao Yanyan's face turned red, she was very embarrassed when she heard Ye Chen's praise.

"Your mouth is very sweet, if you continue like that, maybe the food won't be ready" Zhao Yanyan said to Ye Chen and told Ye Chen not to tease her anymore.

"Okay, I will do it" Ye Chen understood, he would do as Zhao Yanyan said.

Zhao Yanyan seemed to be so embarrassed already, it seemed like Ye Chen didn't need to tease her anymore.

Ye Chen sat while reading the report from Nangong Xiang, it seemed that many things had happened while he was not here.

There are lots of new crime groups emerging and forming, it seems they have become bolder because some stars have lost their shields.

"should send people to repair everything" Ye Chen should start repairing everything, he'd better start cleaning up a new mess.

That way everyone could live in comfort and peace, it might be a good thing to do.

Yue Ya might as well do the same as Ye Chen, she definitely wouldn't allow her territory to become a den for thieves and bandits.

Lei Qiaolin herself hadn't made a move due to internal troubles, so she probably wouldn't make a move any time soon.

Meanwhile the Sacred Heaven Star Realm also didn't show a sign of moving, ever since that incident they didn't make any strange moves, nor did they seem to have any intention of bringing Dongfang Xiu back.

Dongfang Xiu was used to staying at Ye Chen's place, he was used to being in the palace together with Nangong Xiang and the others.

"everything is ready" when Ye Chen saw the report, Zhao Yanyan came over, she put some plates on the dining table and after that sat beside Ye Chen.

"Have you received the report?" Zhao Yanyan asked Ye Chen.

"Of course, I have received everything." Ye Chen said that he had received everything.

"it looks like there's some trouble." Zhao Yanyan said to Ye Chen, she told him that there were some important matters.

"You are absolutely right, but a problem like this should be easy to solve," Ye Chen said to Zhao Yanyan.

"I also believe in the strength that you have" Zhao Yanyan said to Ye Chen, she believed in the ability that Ye Chen had.

"then let's eat" Zhao Yanyan said to Ye Chen.

"of course, I want to eat it all" Ye Chen wants to eat it all, the cooking from Zhao Yanyan must not be wasted,

"Fufufufu" Zhao Yanyan looked absolutely delighted when she saw Ye Chen.

He fetched some food for Ye Chen.

Ye Chen accepted it all, Zhao Yanyan's cooking was really good, it was probably a lot better compared to a few years ago.

"this, do you want" Zhao Yanyan wanted to feed Ye Chen.

"ehh! !!" Ye Chen was a little surprised at what Zhao Yanyan wanted to do.

"what's wrong?, don't you want" Zhao Yanyan said to Ye Chen.

"Of course I want" Ye Chen of course wants, how could Ye Chen refuse the offer made by Zhao Yanyan.

Ye Chen opened his mouth and wanted to take a small mouthful from Zhao Yanyan.

Zhao Yanyan directly gave food to Ye Chen, she felt happy when she did this.

"This feels really good" Zhao Yanyan said in her heart, doing this was really good and made Zhao Yanyan feel happy.

Zhao Yanyan continued to feed Ye Chen, this feeling was very comfortable for Zhao Yanyan.

Ye Chen saw the sincerity shown by Zhao Yanyan, Ye Chen also had to repay Zhao Yanyan.

"then say ahhh" Ye Chen told Zhao Yanyan to open his mouth.

"Ehh. . ." Zhao Yanyan was surprised by what Ye Chen said.

"This is for you" Ye Chen said to Zhao Yanyan.

"Then I'll take it." Zhao Yanyan opened her mouth and waited for Ye Chen's mouthful.

Zhao Yanyan is very cute and beautiful when waiting for food, Her pretty face makes men want to take good care of her.

Ye Chen passed a mouthful to Zhao Yanyan.

Zhao Yanyan took a bite from Ye Chen, this was pretty good too, it wasn't strange that Ye Chen liked it when Zhao Yanyan gave him food.

The two of them enjoyed their dinner at home, it was seen that both of them were very happy and in the happiest mood.

Ye Chen had already eaten enough and he forced Zhao Yanyan to eat more, it made Zhao Yanyan too full.

After eating, the two of them washed the dishes, they worked together so that the work they had was quickly completed.

Little did they know it was already night and time for bed, so the two of them went upstairs and slept together.

Zhao Yanyan had already changed into her nightgown, she was ready to sleep together with Ye Chen.

"Today was really fun and I'm tired" Zhao Yanyan said to Ye Chen.

Zhao Yanyan was very happy today, this was the most beautiful thing that Zhao Yanyan had ever experienced.

"You are absolutely right" Ye Chen was also happy, he was happy to have a day like this with Zhao Yanyan.

"Husband, hug me" Zhao Yanyan said to Ye Chen, she asked Ye Chen to hug her.

Ye Chen complied with Zhao Yanyan's request, he embraced Zhao Yanyan in his arms.

"this is very warm, I like this feeling" Zhao Yanyan said to Ye Chen, she really liked the feeling Ye Chen gave.

"Yanyan's body is very fragrant and soft, I like hugging you." Ye Chen said to Zhao Yanyan, he liked to hug Zhao Yanyan's body and feel how the scent of Zhao Yanyan.

"Let's sleep. . ." Zhao Yanyan said to Ye Chen, today Zhao Yanyan only wants to be like this with Ye Chen.

Ye Chen nodded and accompanied Zhao Yanyan, the two slept together and hugged each other tightly.

#### [Chapter 2326 Ning Yi Was Ambushed By The Gou Clan](#)

Meanwhile elsewhere.

Ning Yi is now on her way back, it will take him a long time to be able to return to her Clan.

Because Ning Yi's Clan is hidden enough, it took her a long time to be able to return to her Clan.

"finally I'll be back" Ning Yi was very happy, finally she was about to return to the Clan.

she can't wait to show what she got, everyone will definitely be very surprised by what she gets.

When Ning Yi was about to return to the Clan, she felt a strange feeling, she could feel that the air around was very strange.

"there is something wrong in this place" Ning Yi saw the wrong thing in this place, she could see a mistake that was going on in this place.

Ning Yi became more vigilant, she was in combat mode and ready to fight enemies who might attack her.

"Srkkkkk" a light voice began to sound, this voice was very light and could be easily listened to by Ning Yi.

"Who?" Ning Yi said, he realized that someone was following her.

"Woshhhh . . ." several people appeared in front of Ning Yi, they appeared and surrounded Ning Yi.

"this is bad, I'm surrounded" Ning Yi was surrounded, she didn't have a way to escape or leave this place.

"who are you" Ning Yi's tries to remain calm, in this situation she must not to show weakness in front of his enemies.

"have you forgotten me" A man appeared, she appeared in front of Ning Yi.

Ning Yi was taken aback, she naturally knew who this man in front of her was, this man was Gou Mengma, the father of Gou Yanhe.

"What are you doing in this place" Ning Yi asked Gou Mengma.

"I came to see you and naturally made a ruin" Gou Mengma said to Ning Yi.

"you . ." Ning Yi began to become tense when she listened to what Gou Mengma said, she felt a bad feeling when listening to what Gou Mengma said.

Gou Mengma is strong, if he wants to find trouble with Gou Mengma's Clan, then he can do it.

"tell me where is the person who killed Yanhe" Gou Mengma asked Ning Yi.

"I don't know" Ning Yi said to Gou Mengma, Ning Yi didn't want to answer Gou Mengma, he was protecting Ye Chen from being discovered.

"It's a pity, if you don't want to answer it, then there is only one way to make you talk, hurry up and catch her" Gou Mengma told to catch Ning Yi.

The members of the Gou Clan surrounded Ning Yi, they all surrounded Ning Yi and directly attacked Ning Yi.

"don't underestimate me" Ning Yi said to his enemy, he told his enemy that he was not an opponent to be underestimated.

Ning Yi used the power that belonged to him, the power of Vermilion appeared and began to burn everyone who tried to get close to Ning Yi.

"Vermilion Flame ?" Gou Mengma was shocked when he saw Ning Yi possessing Vermilion fire, this is a great inheritance once.

"It's so interesting, so on your way, you have obtained Vermilion Flame, then you are of great value, I will catch you and make you a puppet, it will be even more useful" Gou Mengma said to Ning Yi, he wanted to make Ning Yi a puppet that could be used.

The power of the Vermilion Flame is very strong and can be a terrible weapon for the Gou Clan.

"don't kill her, she can be a good weapon for all of us" Gou Mengma gave an order.

Ning Yi started to make an attack, she attacked the members of the Gou Clan and started to kill them all.

The members of the Gou Clan can't afford to deal with Ning Yi, Ning Yi's current strength is much higher than theirs, so it is difficult to catch Ning Yi.

The resistance made by Ning Yi was very fierce, she made a very fierce resistance.

Vermilion Flame burns the enemy, the destructive power of Vermilion is able to easily burn enemies coming from the Gou Clan.

Gou Mengma looked at his army when fighting Ning Yi, his whole army was incapable of fighting Ning Yi.

"useless, it seems that I have to intervene by myself" Gou Mengma had to intervene by himself, this matter must be resolved by Gou Mengma immediately.

Gou Mengma's palms were blanketed by lightning, as well as his two legs.

Gou Mengma used a lightning step and made an attack on Ning Yi.

Ning Yi focused on fighting the enemies around, she didn't realize that Gou Mengma was currently trying to attack her.

"bam. . ." a sneak attack from behind directly hit Ning Yi.

"Ahhh . ." Ning Yi screamed, her body flying several miles when it received a sneak attack from the Gou Mengma.

Ning Yi tried to get up, there was blood on the corner of her mouth, it seemed that she had suffered quite severe injuries from the attack from Gou Mengma.

"you despicable old man" Ning Yi said to Gou Mengma.

"hahahahaha" Gou Mengma laughed when listening to the babbling from Ning Yi.

"you are too weak, you should know that the enemy is targeting you" Gou Mengma said to Ning Yi.

The world is cruel, that's why Gou Mengma will show how cruel this world is to Ning Yi.

To be honest, Ning Yi was very upset about this matter, she was quite upset because she was hit by an attack from Gou Mengma.

"Bad, my injury is severe enough, this old man's attack is too strong" Ning Yi had a problem, the injuries on his body were quite severe, if he forced to fight under this circumstances, it would be very difficult for Ning Yi to win.

Ning Yi was besieged again, Gou Mengma had already thought what Ning Yi would do, this young lady would definitely try to escape from this place.

Ning Yi looked around, now this time he really has no route to escape from this place.

"what should I do" Ning Yi tried to close his eyes, he tried to think.

"it seems that you are already desperate, this will be very easy" Gou Mengma looked at Ning Yi who was already desperate, this would make it easier for himself to catch Ning Yi.

Ning Yi finished thinking, she finally found a way to deal with Gou Mengma.

"Vermilion Bird Domain" Ning Yi decided to create a domain.

When Ning Yi did this thing, flames began to gush in all directions, these flames spurted out and expanded rapidly.

Ning Yi was quite rash, he did such a crazy and unreasonable thing, how could he do such a thing, obviously this opening Domain is a really risky thing, with the condition of Ning Yi obviously the risk of opening a domain will burden his injured body.

"Damn it, this little girl" Gou Mengma was of course annoyed with Ning Yi, he was very upset with Ning Yi opening the domain, this would naturally make it difficult for Gou Mengma to catch Ning Yi.

The heat around became extremely high, the people closest to Ning Yi were instantly burned and turned into ashes.

"retreat" Gou Mengma told his troops to retreat, this is not a good time to sacrifice his troops, so Gou Mengma told them all to retreat right now.

#### [Chapter 2327 Escaped From Gou Mengma](#)

"It's great that my plan worked, this is the right time to run away" Ning Yi took advantage of this opportunity, she ran away and quickly left this place.

"patriarch, what should we do" they are outside Ning Yi Domain, what should they do now.

"There's no rush" Gou Mengma said that they would wait, with Ning Yi's strength and condition, she wouldn't be able to hold the Domain for long.

What can feel to do now is to wait, as long as they wait patiently, Ning Yi will definitely come out soon.

Ning Yi used this opportunity, she immediately fled at full speed.

by using her full speed, Ning Yi was able to escape, she didn't forget to cast a shadow to trick Gou Mengma.

the shadow made by Ning Yi is very good, this should easily fool Gou Mengma.

"I have to go, I can't return to the Clan" Ning Yi was unable to return to the Clan, she would not be able to return because her own route had been closed by Gou Mengma.

Right now Ning Yi could only run away and find a shelter, he could only find a safe place from Gou Mengma.

Gou Mengma and the others waited for the flames to completely die out, it just so happened that the Vermilion Flame was extremely powerful and long enough to be extinguished.

"For a long time Gou Mengma couldn't wait to catch Ning Yi, no matter what happened he must be able to catch Ning Yi.

They waited for about 30 minutes, after another 30 minutes, finally the fire completely dissipated and the figure of Ning Yi was in front of them.

Gou Mengma looked at Ning Yi in front of him, for some reason Ning Yi in front of her had no expression and looked lifeless.

"What happened?" Gou Mengma started to look confused by what happened, he could see that Ning Yi in front of her looked like a lifeless doll.

"don't tell me that it is" Gou Mengma came forward, he came forward and confirmed it.

Gou Mengma attacked Ning Yi, when Gou Mengma attacked Ning Yi, Ning Yi's body instantly turned into flames and disappeared into thin air.

"damn it" Gou Mengma was very angry about this, he was very angry when he was fooled by Ning Yi.

"That girl, how dare she fool me" Gou Mengma was angry when he saw himself being fooled by Ning Yi.

It was very annoying to be fooled by Ning Yi, this feeling was very uncomfortable to be fooled by a young woman.

"Why are you silent, quickly find that woman, don't let her run away" Gou Mengma ordered to chase after Ning Yi, Ning Yi must not be allowed to run away.

"We understand" Everyone understood, they immediately went to chase Ning Yi who had just run away.

Ning Yi shouldn't be far from this place, plus he was injured so he shouldn't be able to go far.

"Boom" Gou Mengma was very angry, he was really very angry and destroyed this place.

This place was turned into a very deep crater by Gou Mengma.

"I won't let this happen, you guys must die" Gou Mengma will take revenge, she will take revenge on Ye Chen.

.

.

Ye Chen woke up, last night he hugged Zhao Yanyan and slept with her.

Ye Chen looked at Zhao Yanyan's sleeping face, Zhao Yanyan's sleeping face was so beautiful, she was truly a goddess.

Ye Chen stretched out his hand and started touching Zhao Yanyan's pretty face.

Ye Chen enjoyed touching Zhao Yanyan's face, it was very soft and squishy.

Zhao Yanyan's eyelashes began to flutter, it seemed that she felt Ye Chen's touch and began to wake up from sleep.

Zhao Yanyan opened her eyes and looked at Ye Chen in front of her, she could see that Ye Chen was touching her face.

Zhao Yanyan started to touch Ye Chen's hand by using her cheek, Ye Chen's hand was very warm and very comfortable for Zhao Yanyan.

"it's warm" Zhao Yanyan said to Ye Chen.

"It's already morning, let's get up" Ye Chen said to Zhao Yanyan.

"Wait a minute, I want to do this a little longer" Zhao Yanyan wanted to be with Ye Chen a little longer, she really enjoyed her time with Ye Chen.

"You are just getting spoiled" Ye Chen said to Zhao Yanyan.

"Is that so, I just want to be with you, what's wrong ?" Zhao Yanyan said to Ye Chen.

Zhao Yanyan only wanted to be with Ye Chen, so it wasn't strange that she was so spoiled when she was with Ye Chen.

"but you are so cute in this state" Ye Chen said to Zhao Yanyan, he told Zhao Yanyan that she looked really cute.

"You are trying to make fun of me" Zhao Yanyan puffed out her cheeks, Her face was as red as an apple.

"I won't ridicule Yanyan, I praise you" Ye Chen said to Zhao Yanyan.

Zhao Yanyan looked at Ye Chen, it seemed that Ye Chen was indeed trying to compliment her.

The two stared at each other, as if they were in a world of their own and oblivious to what was around them.

Both of them started to get closer to their faces and wanted to kiss, it felt like the world only belonged to them alone.

"Big brother, let's get up, sister Lulu told you to get up quickly and have breakfast." Little Shen Niang suddenly came in and broke into Ye Chen's bedroom entrance.

she woke up Ye Chen and Zhao Yanyan who were currently in the room.

Ye Chen and Zhao Yanyan were quite surprised by this, they didn't imagine that little Shen Niang would come in.

"Little Shen Niang, you came out ?" Ye Chen saw little Shen Niang, most likely it was Chu Yuechan who asked her out.

"Let's get up quickly" Little Shen Niang said to Ye Chen, she told Ye Chen and Zhao Yanyan to get out of bed quickly.

Little Shen Niang had an innocent mind, so she was neither suspicious nor embarrassed by what Ye Chen and Zhao Yanyan were doing.

Even though she has a mature body and a super beautiful face, she still has the thoughts of a child, it's quite strange to see her like this.

"Okay, we are going down" Ye Chen said to Little Shen Niang, he told Little Shen Niang that he was going down.

"Okay . . ." Little Shen Niang understood, she just left and went straight downstairs.

"looks like we should go downstairs" Ye Chen said to Zhao Yanyan.

"You are absolutely right, we should go down" Zhao Yanyan agreed with what Ye Chen said, the two of them should get down as soon as possible.

The two of them made up the bed before going downstairs together.

When they got down and headed to the dining room, they saw three or two figures already waiting for them on chairs.

They were Lin Rouxi and Feng Xue.

"Husband . . ." Feng Xue said to Ye Chen, she greeted Ye Chen and looked very happy when she met Ye Chen.

"You two are here" Ye Chen didn't expect that Lin Rouxi and Feng Xue would be in this place.

"I have an appointment with Yanyan." Feng Xue told Ye Chen that she had an appointment with Zhao Yanyan.

"I need a little help from you" Lin Rouxi said that she needed help from Ye Chen.

#### [Chapter 2328 You Come With Me To The Party](#)

"oh . . ." Ye Chen understood, it seemed that the two of them had a purpose here.

Ye Chen took a seat, meanwhile Zhao Yanyan helped Xiao Lulu and Qi Yunzhi prepare the food.

When finished, they all sat down at the dining table.

"Yanyan, after this let's go out" Feng Xue said to Zhao Yanyan.

"Of course" Zhao Yanyan nodded, she couldn't wait to leave together with Feng Xue.

"where are you going" Ye Chen asked Zhao Yanyan and Feng Xue, he wanted to know where the two of them were going.

"secret, this is a woman's business" Feng Xue said to Ye Chen, Feng Xue did not tell Ye Chen.

"So stingy, but I was just curious" Ye Chen said to Feng Xue.

"Fufufufu" Feng Xue laughed mischievously, she felt that she won from Ye Chen.

Zhao Yanyan and Lin Rouxi smiled when they saw this, to think that Feng Xue would tease Ye Chen.

"we will just go out, nothing more" Zhao Yanyan said to Ye Chen, she told Ye Chen what they were going to do.

Zhao Yanyan and Feng Xue had an appointment to go out, the two of them were going to go out and have fun.

"Oh, I see. . ." Ye Chen understood, it looked like they were going to have a good time.

Yes, they should both be fine, so there's no need to worry too much.

"dear teacher, what problem do you have ?" Ye Chen asked Lin Rouxi, he wanted to know what problem Lin Rouxi had.

"That . . ." Lin Rouxi looked embarrassed to say the problem.

"what?, if you don't say it more clearly, I won't understand" Ye Chen said to Lin Rouxi, he told Lin Rouxi to say it more clearly, if it goes on like that he won't know what Lin Rouxi meant.

"can you come with me to the party" Lin Rouxi said to Ye Chen, she told Ye Chen about the problem.

"whose party?" Ye Chen asked Lin Rouxi, shouldn't this be the party of one of Ye Chen's women, could it be a relative of Lin Rouxi?

"it's a party from my mother's friend" Lin Rouxi said to Ye Chen.

"Your mother's friend's party, but why did you come. . ." Ye Chen asked Lin Rouxi.

"sigh. . ., at first I didn't want to come either, but mother forced me too much, so I had no choice but to accept, she even told you to come, but I don't know if you can or not" Lin Rouxi said to Ye Chen.

"Hmmm, looks like I don't have a schedule" Ye Chen said to Lin Rouxi, he happened to have no important schedule.

"It's good that it's decided, I hope you're prepared. . . ." Lin Rouxi said to Ye Chen.

"Now?" Ye Chen asked Lin Rouxi.

"Of course, from noon to night, I heard that there will be a very famous and beautiful super star guest," Lin Rouxi said to Ye Chen.

"huh? ?" Ye Chen looked at Feng Xue, here was also the number one idol who was extremely beautiful and had such a beautiful voice.

"why are you looking at me like that ?" Feng Xue asked Ye Chen, why did Ye Chen look at her with such a look.

"no, it's just that I want to listen to your beautiful voice" Ye Chen said to Feng Xue.

Feng Xue's face suddenly blushed, Ye Chen's words were so sudden.

"hehehehe" Ye Chen smiled at Feng Xue, teasing Feng Xue was very fun to do.

"You tease me, I hate this" Feng Xue finally realized that Ye Chen was teasing her, Ye Chen was a really naughty guy.

"I told the truth, why would I lie" Ye Chen said to Feng Xue.

"hmmpp. . ." Feng Xue snorted coldly at Ye Chen.

"giggle" Zhao Yanyan and Lin Rouxi giggled when they saw Ye Chen and Feng Xue, they were both so cute.

"are you interested in that female star" Lin Rouxi said to Ye Chen.

"not too. ., I have a beautiful one" Ye Chen said to Lin Rouxi.

"I thought you would be interested" Lin Rouxi said to Ye Chen.

"He's a bit weird, even then he didn't know me and didn't even know about my song" Feng Xue said in an irritated tone.

Feng Xue remembered the first time she met Ye Chen, at that time Ye Chen didn't know her and the most surprising thing was that he didn't know her song.

Even though Feng Xue had tried very hard to make her song heard by others, unexpectedly there were still people who didn't know her song.

"it can't be helped, I have a hard life, there is no time to listen song" Ye Chen said helplessly.

"You are absolutely right, at that time I heard that you had quite a hard life, even skipping school for up to 2 months, it seems that your true nature is that of a mischievous man" Lin Rouxi said to Ye Chen.

"That time I was practicing, so it can't be counted" Ye Chen tried to defend himself.

"Is that so, it's not strange" Feng Xue finally understood, it seems that Ye Chen's life is not as good as she thought.

"But now he is much better, he even has dozens of beauties" Zhao Yanyan said with a wry smile.

"Yanyan, are you jealous" Ye Chen said to Zhao Yanyan, Ye Chen saw that Zhao Yanyan seemed to be jealous.

"Not really, I'm not jealous." Zhao Yanyan smiled gently, she already knew Ye Chen's heart and there was no point in being jealous.

"Yanyan is indeed different from other women, her way of thinking is a bit confusing to me." Feng Xue couldn't keep up with Zhao Yanyan, Zhao Yanyan's way of thinking seemed more complicated.

"fufufu, thank you for the compliment" Zhao Yanyan was grateful for the compliment given by Feng Xue.

They smiled so happily.

Xiao Lulu and Qi Yunzhi listened to everyone's conversation, they seemed interested in everyone's conversation.

After they finished eating, Lin Rouxi directly dragged Ye Chen away, meanwhile Zhao Yanyan and Feng Xue went outside in normal clothes.

Xiao Lulu and Qi Yunzhi continued cleaning the house and went inside the fairy gate to do light maintenance on the plants inside.

"where are we going" Ye Chen asked Lin Rouxi.

"To my house" Lin Rouxi said to Ye Chen, she would take Ye Chen to her house.

"your house . .?" this was too sudden, Lin Rouxi invited Ye Chen go to her house.

Lin Rouxi immediately went to her own house, she was going to invite Ye Chen to go with her.

"ding. . ." Lin Rouxi immediately pressed the bell.

"Wait a moment" a voice immediately came from inside and the figure of Sui Xi appeared to open the door.

"oh. . ." Sui Xi was shocked when she saw this, she didn't expect that Ye Chen would come together with Lin Rouxi.

"mother, I have brought him with me, I will go with him" Lin Rouxi said to Sui Xi.

"Are you sure, maybe someone will steal it from you" Sui Xi said to Lin Rouxi.

"that won't happen" Lin Rouxi said to her mother.

Sui Xi was already very friendly with Ye Chen, it was probably because she had accepted the relationship between the two.

"Here's your invitation, mom will go first, all of mom's friends will be gathering." Sui Xi had an early meeting with her co-workers, so it wouldn't be strange for her to leave first and let Ye Chen and Lin Rouxi be alone.

"Your mother seems very excited." Ye Chen could see that Sui Xi was excited.

"looks like he wants to show off" Lin Rouxi said to Ye Chen.

Lin Rouxi knew her mother well enough, so she knew what her mother would do.

#### [Chapter 2329 Friend Of Aunt Sui Xi](#)

"Oh yes, I have prepared clothes for you" Sui Xi came back again, she told Lin Rouxi, she had prepared clothes for Lin Rouxi.

"I know . . ." Lin Rouxi already knew, Sui Xi no longer needed to tell her.

"Ahh. . ., sorry" Sui Xi left, she left Ye Chen and Lin Rouxi behind.

Ye Chen smiled looking at Lin Rouxi, it was really nice to see Lin Rouxi embarrassed like this.

"I will change clothes first" Lin Rouxi said to Ye Chen, she told Ye Chen that she was going to change clothes.

"I will wait for you" Ye Chen said to Lin Rouxi, he will wait for Lin Rouxi.

"You better get ready too" Lin Rouxi told Ye Chen to get ready.

"Okay, I understand" Ye Chen understands, he will immediately prepare to leave together with Lin Rouxi.

"very good" Lin Rouxi was very satisfied with the answer given by Ye Chen, she went and started to change clothes.

Ye Chen also had to prepare, he immediately started to change clothes and put on a suit. Fortunately, the old suit still fits, so there is no need to buy a new one.

Ye Chen only needed a few minutes to prepare himself, meanwhile Lin Rouxi seemed to need more time to prepare herself.

Ye Chen waited for Lin Rouxi, it seemed that it would not be fast.

"women, they always take a long time when they dress up" Ye Chen sighed, he was used to this matter, so he was no longer surprised when he saw Lin Rouxi who had not come down.

"Isn't she doing this for you, you should be more patient" Chu Yuechan said to Ye Chen.

Lin Rouxi did this for Ye Chen, Ye Chen should be happy that Lin Rouxi was willing to do it.

"I know that" Ye Chen also knew that, he knew that Lin Rouxi did all this for him.

25 minutes passed, Ye Chen sat on the sofa waiting tiredly.

"Tap . ., tap . ., tap . ., tap . .," Ye Chen heard a sound of footsteps, he knew that this must belong to Lin Rouxi.

"Finally" Ye Chen was overjoyed, after waiting for a long time, Lin Rouxi finally came down too.

Lin Rouxi dismounted, she was currently wearing a light blue dress that looked beautiful and matched her slender and well-developed body.

"Ohhhh . . ." Ye Chen was excited when he saw Lin Rouxi, she was very beautiful in the blue light gown.

"how, suitable or not?" Lin Rouxi asked Ye Chen, she wanted to know if this matched her.

"It suits you very well" Ye Chen said that it suits Lin Rouxi very well, Lin Rouxi looked very beautiful when she wore that dress.

"Thank you very much" Lin Rouxi was very happy with Ye Chen's compliment.

"You look really cool too" Lin Rouxi said to Ye Chen, she said that Ye Chen looked really cool too.

"Then let's go" Ye Chen said to Lin Rouxi, he invited Lin Rouxi to go right now.

"Come on" Lin Rouxi understood, she stretched out her hand towards Ye Chen.

Ye Chen received Lin Rouxi's hand and directly held Lin Rouxi's soft hand.

The two held hands and headed straight to the party, they followed the directions from the map they got from the invitation.

Ye Chen and Lin Rouxi flew over, they only needed a few seconds to arrive at the party venue.

Where the party is held in a Mansion far from the city with a very large garden and everyone can do whatever they want.

"it seems that this is a rich man's house" Ye Chen said to Lin Rouxi.

"if I'm not mistaken, my mother's friend married out Dong family, it's one of the rich families that has just risen, they hold businesses under construction so they can easily earn wealth" Lin Rouxi explained to Ye Chen.

"Oh, I see. . ., let's go down, it seems that everyone is having fun." Ye Chen said to Lin Rouxi.

Ye Chen took Lin Rouxi down, the two of them entered from the front door.

When Ye Chen and Lin Rouxi entered, the guards were immediately shocked. They didn't know whether Ye Chen and Lin Rouxi were important guests or not, both of them were too conspicuous with their extraordinary aura.

"show me your invitations please" the guard told Ye Chen and Lin Rouxi to show their invitations.

"here it is" Ye Chen gave them their invitation, by showing the invitation, they were invited to come inside.

"is our aura too strong, it seems they are afraid of us" Lin Rouxi said to Ye Chen, the guards seemed to be afraid of Ye Chen and Lin Rouxi.

"no way, we have already suppressed our strength" Ye Chen said to Lin Rouxi.

Ye Chen and Lin Rouxi had already suppressed the strength they had, no one should find them and no one would be aware of the strength they possessed.

Since they lived on earth, Ye Chen and Lin Rouxi had to limit their strength, otherwise there was no way they could destroy a city if they made a mistake.

"then why?" Lin Rouxi was still confused as to why the guards lowered their heads.

"Maybe they don't dare to look at you, obviously you are a beauty and they won't dare to look at you" Ye Chen said while looking at Lin Rouxi.

"You praise me too much" Lin Rouxi smiled at Ye Chen, Ye Chen praised herself too much.

Ye Chen and Lin Rouxi went inside, inside there were already many people with strong backgrounds who had come.

"There are a lot of people with strong backgrounds, they seem to be important people on earth today." Lin Rouxi swept her eyes around, she could see that everyone was important people.

"are they important people, I think they are ordinary" Ye Chen said to Lin Rouxi, there was nothing special about them.

"You might be right" Lin Rouxi said to Ye Chen, what Ye Chen said might be the truth.

"dear teacher there is good food, let's go there" Ye Chen said to Lin Rouxi.

Ye Chen saw that there were some delicious food, so he invited Lin Rouxi to go to that place.

"ehhh . ." Lin Rouxi was dragged by Ye Chen, she was dragged by Ye Chen table to a table full of food.

"You, don't tell me you came here just to eat," Lin Rouxi said helplessly.

"As expected, it seems you already know my purpose in coming to this place, as long as there is free food, then there's no harm in eating it all" Ye Chen said to Lin Rouxi.

Lin Rouxi was helpless, it seemed she could only join Ye Chen and start enjoying the party.

The party was held very well, there was loud music and there were many guest stars who showed their strength, from martial arts and other performances.

Lin Rouxi took a glass of drinking, she looked around this place, it seemed that there were a lot of people looking at Lin Rouxi and it was not very comfortable for Lin Rouxi.

"I don't like parties" Lin Rouxi doesn't really like parties, there are too many people here which makes Lin Rouxi uncomfortable.

"what's wrong" Ye Chen asked Lin Rouxi, he wanted to know what Lin Rouxi was doing, It seemed that Lin Rouxi looked uncomfortable.

"no, I'm fine" Lin Rouxi said to Ye Chen, she told Ye Chen that she was fine.

"Let's eat, don't you want, the food here is not bad, so there's no need to hold back" Ye Chen said to Lin Rouxi.

"You, you don't know how to hold yourself back" Lin Rouxi was helpless when she saw Ye Chen, Ye Chen really couldn't hold himself.

In contrast to Lin Rouxi who still maintained a graceful demeanor, Ye Chen seemed to not care about those around him and acted as usual without caring about outsiders' opinions.

"Rouxi, are you here?" Sui Xi came with a few women, they seemed to be mature women.

"Mother . . ." Lin Rouxi of course greeted her mother, she saw that her mother was already with her friends.

"So beautiful, is this your daughter, she is really too beautiful, what used to be this beautiful" Sui Xi's friends were shocked when they saw Lin Rouxi, to all of them Lin Rouxi was too beautiful and looked like a goddess.

"Of course, you don't know how good my daughter is," said Sui Xi confidently.

Lin Rouxi was very proud, she showed off that Lin Rouxi was very strong.

"Then this handsome man, is he a boyfriend?" asked the women to Sui Xi.

"Of course, he is my daughter's partner, aren't they a very great combination," said Sui Xi.

"Mother, don't say those things." Lin Rouxi was very embarrassed, she was very embarrassed when she heard what Sui Xi said.

"No need to be ashamed to admit it, isn't that blessed by you," said Sui Xi to Lin Rouxi.

Lin Rouxi turned her head away, she looked embarrassed when she heard this.

"where do you work ?" the women around asked Ye Chen, they wanted to know where Ye Chen worked.

"no work, just adventuring" Ye Chen said to the women around.

"Is it a treasure seeker? It seems that this is the most popular profession nowadays" Due to the condition of the earth, the profession of searching for treasure has become something that is quite popular here.

"like that" Ye Chen didn't want to explain further, maybe it would be too troublesome.

"Where do you live now?" these women asked Ye Chen again, they seemed to be interrogating Ye Chen.

"Golden Eagle District" Ye Chen gave the answer they wanted, he told them that he was currently living in the Golden Eagle District.

"that's very good" everyone was surprised when Ye Chen lived in the Golden Eagle District, it seemed that Ye Chen was quite capable.

"it can't be compared, just look at this place, this place is much wider than my house" Ye Chen said to the women around.

#### [Chapter 2330 Female Star Ziu Rixa](#)

"The Dong family is indeed rich, I can understand your feelings" these women knew what Ye Chen was thinking.

They all even admitted that the Dong family was extremely powerful and super rich, Ye Chen probably wouldn't be able to compare with them.

"Even so Ye Chen still has a good life, he still has a good life and is above average.

"Where is that woman, I thought she would come and show off again" Sui Xi wanted to see the arrival of her friend who was the mistress of the Dong family, now she often flaunts her wealth.

"she is like that, she is now more successful than us" these women whispered, they all whispered that women are strong.

"But it doesn't matter, I have a beautiful daughter, I am invincible" Sui Xi said confidently, she seemed to be very confident in Lin Rouxi's beauty.

"Your mother looks very excited," Ye Chen said to Lin Rouxi.

"mother, you embarrassed me" Lin Rouxi felt embarrassed, she felt embarrassed when she heard her mother's words.

"hehehehe" Ye Chen smiled when he saw Lin Rouxi, the embarrassed Lin Rouxi was very cute and very cute.

The party started, a woman appeared wearing a party dress that was quite Sexy, from the open back and V-shaped chest, her thighs were also left visible to make men peek at her.

"Very brave" Ye Chen saw that this woman was very brave, her clothes were quite bold and sexy.

It takes courage to use this in public and it takes a lot of mental toughness.

"She's quite sexy" Lin Rouxi give opinion when she saw the woman who had just appeared, this woman's clothes were too revealing and might make men excited.

When this woman came, everyone immediately looked at her, especially the men where their eyes never left the beautiful woman's body.

"don't look at it" All the women started to panic, they all panicked when their men saw the beautiful and sexy woman who had just appeared.

"Her charm is strong enough to make people in this place confused." Ye Chen felt the charm of this woman, where her charm was strong enough to make people in this place confused.

"dear teacher, this woman, don't tell me that she is the star you said" Ye Chen asked Lin Rouxi.

"um, it should be, she is indeed the one, but I don't believe that she would show something like this, that's quite daring" Lin Rouxi said to Ye Chen.

"Who knows, she might be looking for a rich man in this place." Ye Chen seems to know the purpose of the popular female star in front of her, she is probably looking for a rich man.

"Rouxi, you have to be careful, she's a little dangerous." Sui Xi immediately gave a warning to Lin Rouxi.

"I'm not too worried, he shouldn't be easily influenced" Lin Rouxi looked at Ye Chen.

Ye Chen already has a woman who is much sexier than the woman in front, so maybe Ye Chen will not be affected by this woman.

"hello everyone" this woman said to everyone in this place, she gave a greeting to everyone.

This woman's voice is quite deep and makes anyone who hears it confused and become crazy.

This woman was clearly using the charm in her voice to hypnotize the people in this place.

Rixa. . . , Rixa. . . , Rixa. . . , Rixa. . . , Rixa. . . ,"everyone shouted this woman's name, this woman's name is Ziu Rixa, the number one idol worldwide and become the most popular woman today.

"thank you very much" Ziu Rixa thanked, this woman showed kindness to everyone.

"Then I will sing for you all" Ziu Rixa said to the crowd, he announced that he was going to play a song for everyone in this place.

"Come on . . . , Come on . . . ." everyone is waiting for Ziu Rixa to sing, they all want to hear Ziu Rixa sing.

"Then I will sing a song for all of you" Ziu Rixa said that he would sing a song for everyone in this place, he would show his strength and ability to everyone in this place.

"beautiful star of life and shining hope" Ziu Rixa started to sing, she showed her voice in front of everyone.

"so beautiful, she is like a goddess" Ziu Rixa's voice is very beautiful, she is very beautiful with her charming voice and full of charm to make the opposite sex excited.

"Husband, do you want to eat ?" while listening to a song, Lin Rouxi decided to feed Ye Chen.

"of course" Ye Chen would not refuse, he would accept the food that Lin Rouxi brought him.

"then I will feed you" Lin Rouxi said to Ye Chen and gave Ye Chen a small mouthful.

While everyone was focused on listening to Ziu Rixa's song, Ye Chen and Lin Rouxi were engrossed in their own world and didn't really care about Ziu Rixa.

Ziu Rixa saw that everyone was excited when listening to his songs, they could all be easily influenced by his voice.

"It was so easy to make them like this" Ziu Rixa was proud, he easily made everyone into her prisoner with her powerful voice.

Here no one is able to resist the allure of Ziu Rixa's charm.

Even all the men approached and no longer cared about the partners they had, they approached and were crazy about Ziu Rixa.

"come on praise me and bow down to me" Ziu Rixa was very happy, she subdued everyone in this place.

Ziu Rixa looked around and found something strange and unreasonable, She saw a couple who were not affected by her voice.

Both of them are engrossed in their own world and tease each other.

"What ! ! !, how could this be, this can't be happening" Ziu Rixa couldn't think when she saw this, how could anyone be able to endure her voice, this thing was clearly an impossible thing to happen.

"Why are they not interested, is my enchantment not strong" Ziu Rixa kept trying, she was trying to influence Ye Chen.

Ye Chen was too strong to be influenced, Ziu Rixa's charm was not strong enough to make Ye Chen obey.

Even goddesses in the God Realm find it difficult to influence Ye Chen, let alone just a small woman in front of him, it is obviously impossible.

Ziu Rixa gaped, he didn't understand what was going on, how could this happen, this had never happened to Ziu Rixa, everyone should be able to easily obey under her control.

"I have to do something" Ziu Rixa couldn't stay silent, she couldn't allow this matter to continue, she had pride and she had to make both of them listen to her own song.

Ziu Rixa took a deeper look at Ye Chen and Lin Rouxi. If you look closely, Lin Rouxi is very beautiful and Ye Chen is very handsome.

"This guy is so handsome, I've never seen anything like this, I might try to snatch him away" Ziu Rixa started planning bad things for Ye Chen, she started planning bad things for Ye Chen and wanted to snatch Ye Chen away from Lin Rouxi.

If Lin Rouxi found out about Ziu Rixa's plot, she would probably make this woman regret it, she would not allow a woman like Ziu Rixa to steal Ye Chen.

To Lin Rouxi, Ziu Rixa wasn't worthy of Ye Chen yet.
