[Chapter 2331 Dong Suo And Dong Nimin](#)

Ziu Rixa finished her song, and she still couldn't influence Ye Chen and Lin Rouxi.

"clap . . ." everyone applauded at Ziu Rixa.

Ye Chen and Lin Rouxi also did the same, they followed their surroundings so as not to raise any suspicions.

"So annoying" Ziu Rixa was annoyed, she didn't like what Ye Chen and Lin Rouxi were doing.

"Miss Rixa, that was very good earlier, you did something that amazed everyone" a young man came and said to Ziu Rixa.

Ziu Rixa smiled at the young man who had just arrived, he seemed to know who this young man was.

This young man was one of the young masters out of the Dong, he was a rather arrogant man, his wealth made him what he is today.

"thank you young master Dong" Ziu Rixa thanked the man in front of her, she was offended by young master Dong's words.

Young master Dong is Dong Suo, his name is a bit strange but he is a man who is quite arrogant and full of strong ambition to make the world his own.

Dong Suo drew closer towards Ziu Rixa, he hugged Ziu Rixa who was in front of him.

Ziu Rixa couldn't help but smile when Dong Suo did this, she had no choice but to do what Dong Suo wanted.

Dong Suo was very happy when he saw Ziu Rixa so obedient, it seemed that his power made Ziu Rixa obedient and do what he wanted.

Dong Suo isn't actually that handsome, he just has a lot of money so he can easily get what he wants without much effort.

"Everyone, welcome to this party, I hope you enjoy it, there will be lots of entertainment that you won't be able to see in this world" Dong Suo said confidently, he told everyone that this party would be the most exciting party ever. great in this world and they will never be forgotten.

"Clap. . ." Everyone applauded, they couldn't wait to see how this party would turn out for Dong Suo.

"This kid is quite arrogant." Lin Rouxi looked at Dong Suo, she could see that Dong Suo had arrogant characteristics.

"It seems that this family is very rich, they even dare to say that." Ye Chen saw that the Dong family was quite rich, it was obvious that they dared to say that.

"They probably haven't seen this world, so it's not strange that they are like that." Lin Rouxi saw that the Dong family had not seen this world, so it wasn't strange that they were like that.

"no need to think about it, we better just enjoy it, it's really good, free meal is the best thing" Ye Chen said to Lin Rouxi.

"It's you" Lin Rouxi smiled, she could probably have fun with Ye Chen and didn't need to care too much about her surroundings.

"You guys come too" a woman with the age of 35++ years came, she approached the group of aunt Sui Xi.

"You finally came." Sui Xi said to the woman who had just appeared.

The woman who appeared was Dong Suo's mother and also the mistress of this house, her name was Dong Nimin, she changed her name to Dong as well.

This woman wore quite a lot of high-value jewelry and also very luxurious-looking dresses, everyone here especially women could tell that this was very expensive and probably needed a lot of people.

Dong Nimin shows off what he has, he shows everyone in this place that he has a lot of money in his body and is a rich man.

Even all the women here felt inferior when they saw Dong Nimin's appearance, they all probably couldn't be compared, even Sui Xi also felt the same way when he saw how Dong Nimin looked.

"You have a nice dress, how much is this" the women in this place asked, they all wanted to know how much money was spent on buying this thing.

"I spent over 5 Purple Profound Crystals to buy this" Dong Nimin told her how much her clothes cost.

Just a note, 1 Purple Profound Crystal was equal to 20 million dollars in today's world, so 5 Purple Profound Crystals was equal to 100 million dollars.

"What?" Everyone was of course shocked when they heard this, they couldn't believe that Dong Nimin spent 5 Purple Profound Crystals to buy clothes, it was clearly an absolute waste.

"Husband, isn't the Purple Profound Crystal an easy thing to find?" Lin Rouxi asked Ye Chen.

"In the God Realm it's a commodity item used for transactions, but on earth it's a rare item" Ye Chen said to Lin Rouxi.

"Oh so that's it" Lin Rouxi understood, she understood what Ye Chen said.

"How, you guys must be surprised" Dong Nimin said arrogantly, everyone must be surprised by this.

"You are really rich, spending so much money just to buy clothes" all the women around said and praised Dong Nimin.

Dong Nimin looks very satisfied, she managed to make everyone praise her and show that she is a great woman.

"But you are still far away from Sui Xi's daughter." These women had already compared Dong Nimin's looks, even though she was wearing fine and luxurious clothes, she still couldn't match Lin Rouxi's beauty.

Even if they were quite as distant as heaven and earth, they could barely be compared.

"What?" Dong Nimin looked displeased when she heard this, she wanted to know what kind of woman these people were talking about, just how beautiful the daughter Sui Xi had was.

Dong Nimin wanted to see it with her own eyes and confirm this matter properly.

"Just look" the women looked at Lin Rouxi, they pointed out that Lin Rouxi was far prettier than Dong Nimin.

Dong Nimin looked at Lin Rouxi, she saw that Lin Rouxi was a very beautiful woman and had a perfect face and body without any flaws.

"Impossible, how can a woman like this exist in this world" Dong Nimin couldn't believe what she was seeing, how could a woman like this exist in the world, obviously this was an impossible thing to happen.

"How is it, my daughter is beautiful" Sui Xi said proudly, she said that Lin Rouxi was very beautiful and could not be compared with Dong Nimin.

Dong Nimin gritted her teeth, she seemed dissatisfied with this, how could she be so easily beaten by a young lady like Lin Rouxi.

Sui Xi smiled, it seemed that this time she won this battle and showed that Lin Rouxi was very beautiful.

No one could win against Lin Rouxi in this place, not even Ziu Rixa was a match for Lin Rouxi either.

"Mother, what's wrong?" Dong Suo came, he asked his mother, he wanted to know what his mother was doing.

"Nothing" Dong Nimin said in an annoyed tone.

The women around smiled when they saw what was happening, it was fun to see the angry Dong Nimin.

Dong Suo didn't know what happened, what happened to make his mother angry like that.

"she may be beautiful, but my son's girlfriend is also quite beautiful and is a famous star in the world today" because of losing, Dong Nimin decided to use Dong Suo as a shield, she told everyone that Dong Suo has a girlfriend as beautiful as Ziu Rixa.

"He is very lucky because he has a beautiful woman who is super popular right now." Everyone feels that if Dong Suo is blessed, he is one of the luckiest men in the world.

Where can he hug a beauty like Ziu Rixa.

Ziu Rixa smiled when he heard this, she looked embarrassed when she heard what Dong Nimin said.

"Suo, they are all mother's friends, they are quite good aren't they" Dong Nimin said to Dong Suo.

Dong Suo looked around, they were good, but they weren't as good as Ziu Rixa who was on the side.

Dong Suo looked at Lin Rouxi, when he looked at Lin Rouxi, he saw that this was a real beauty.

"Who is this woman ?, why is she in this place" Dong Suo has never seen this beautiful woman, why is this beautiful woman in her place.

"I guess I have to get acquainted" Dong Suo has to get acquainted, he has to get acquainted with the beautiful woman in front of him.

Dong Suo immediately left Ziu Rixa beside him, he wanted to try to get to know Lin Rouxi.

Ziu Rixa was shocked by what happened, she didn't expect that Dong Suo would head towards Lin Rouxi.

"This can't be allowed" Ziu Rixa couldn't allow this, she couldn't possibly let her prey escape by Lin Rouxi.

"hello miss, do you have time" Dong Suo said to Lin Rouxi.

"I'm busy, go" Lin Rouxi immediately shooed away Dong Suo, she did this to everyone who tried to get close to her.

Dong Suo's face turned black when he saw this, he didn't expect that he would be rejected before even introducing his own name.

Many people were shocked when they heard this, they did not believe that Lin Rouxi would directly reject Dong Suo.

Ye Chen laughed when he saw this, it seemed that Dong Suo had just eaten some dirt and he was probably embarrassed by his behavior.

Lin Rouxi didn't really like to be disturbed, from earlier there were a lot of people like Dong Suo and Lin Rouxi rejected them, she could feel that they all wanted to do something bad.

"Miss, I haven't even introduced my name to you yet" Dong Suo said to Lin Rouxi.

"So what ?, I don't want to know about it" Lin Rouxi said to Dong Suo.

[Chapter 2332 Dong Nimin Wants To Show Off Her Wealth](#)

Dong Suo dug the hole even deeper, he humiliated himself in front of everyone.

Ye Chen smiled when he saw this, Lin Rouxi was evidently evil enough to reject others like that.

Dong Suo was getting darker and darker, he was being rejected continuously by Lin Rouxi, it was obvious that he had lost quite a bit of face.

"Miss, I haven't spoken yet" Dong Suo said to Lin Rouxi, Dong Suo had not spoken yet, but Lin Rouxi kept rejecting him.

"Can't you see that I already have someone" Lin Rouxi said to Dong Suo.

"That's right, why don't you just focus on your girlfriend, isn't she a pretty good female star" Ye Chen said to Dong Suo.

"Damn it" Dong Suo Not happy with this, he wasn't satisfied with the answer given, he wanted to snatch it from Ye Chen.

"Isn't it fine if I try to get close to other women, I'm sure she won't mind" Dong Suo said to Ye Chen.

Dong Suo was a rich man, Ziu Rixa wouldn't mind this kind of matter, he would definitely easily accept this.

"This fellow is so dare to turn her back on me, I think I have to teach him a lesson." Ziu Rixa couldn't allow this, she couldn't allow Dong Suo to turn away, however this stupid man was one of her supporters and a running machine that eased her career. in this world.

"Is that so" Ye Chen said to Dong Suo.

Dong Suo still persisted, he didn't want to lose to Ye Chen and kept trying to get rid of Ye Chen.

"It seems this woman doesn't know who I am, I have to show off what I have" Dong Suo decided to show who he was, he was going to show his strength in front of Lin Rouxi.

Lin Rouxi didn't really care about this kind of matter, she didn't really care about Dong Suo's wealth.

"Miss, I have a good thing, do you want it?" Dong Suo showed a piece of jewelry made from Divine Red Profound Crystal.

"That" everyone nearby was shocked by what Dong Suo showed, this man easily took out the Divine Red Profound Crystal on Lin Rouxi.

"Wow, this is too luxurious" everyone stared at the Divine Red Profound Crystal, which was too luxurious for everyone in this place.

"How isn't this really great" Dong Suo said to Lin Rouxi, Dong Suo was very proud of this, he was quite proud when he showed how rich he was in front of everyone in this place.

"is this real or fake" Ye Chen took a closer look, he wanted to confirm that this was real.

"Are you underestimating me" Dong Suo couldn't accept when he heard what Ye Chen said, he couldn't accept the humiliation given by Ye Chen.

"I just guessed it, are you trying to cheat" Ye Chen said to Dong Suo.

Ye Chen only felt a bit of power within the jewelry made of several fragments of the Divine Red Profound Crystal, to be honest it was very little and perhaps some of the power had already been absorbed.

"What did I trick you for, there's no point in tricking someone like you, I bought this at a high price and you wouldn't be able to imagine it." The Divine Red Profound Crystal in Dong Suo's hands was genuine, he had spent quite a lot of money to buy this thing from someone else's hands. .

"Oh, is that so, then congratulations, it seems that you have just been deceived" Ye Chen said to Dong Suo.

"What did you say?" Dong Suo didn't hear what Ye Chen said, he didn't listen to what Ye Chen just said.

"I said that if you just got scammed, it looks like it's a used item whose value has dropped and might be of no use to you." Ye Chen said to Dong Suo.

It was strange to use the Divine Red Profound Crystal as a decoration, but even though it was a resource for cultivators, it seemed that Dong Suo was an ignorant and ignorant person.

"What do you know about the stuff we have" Dong Nimin said to Ye Chen, Ye Chen may not know anything.

Dong Nimin was trying to help Dong Suo, there was no way he would let Ye Chen disgrace his family.

"I'm telling the truth, don't you accept this?" Ye Chen said to Dong Nimin.

"Of course, you may not have this yourself, how can you comment on this," Dong Nimin said to Ye Chen.

"You mean Divine Red Profound Crystal?, don't worry, I have it too." Ye Chen naturally had Divine Red Profound Crystal.

"Don't just brag, someone like you can't possibly have a Divine Red Profound Crystal." Dong Nimin didn't believe that Ye Chen had a Divine Red Profound Crystal.

"Is that so, do you think you have the Divine Red Profound Crystal?" Ye Chen said to Dong Nimin.

"Of course, I have quite a few Divine Red Profound Crystals," said Dong Nimin in a tone full of arrogance.

"Why this woman, is she crazy or stupid" Chu Yelan asked Ye Chen, she saw that the woman in front of her was crazy and stupid.

"Just maybe, she might be a little crazy" Ye Chen said to Chu Yelan.

Ye Chen pointed out that this woman might be a little crazy, she might be treasure mad and she now couldn't stand it when someone tried to harass her wealth.

Especially now that they were in public, if they were to lose to Ye Chen they would greatly lose the face they had.

"You must not have it, that's why you are jealous" Dong Nimin said to Ye Chen.

"Didn't I say that I have" Ye Chen said to Dong Nimin.

"Then why don't you take it out, are you scared because you're just a braggart" Dong Nimin said to Ye Chen.

Dong Nimin wasn't sure that Ye Chen had the Divine Red Profound Crystal, Ye Chen was definitely just bragging in front of them.

"Let's show it" some people told Ye Chen to show it, they wanted to see for themselves what Ye Chen had.

Most of the people in this place were Dong Nimin's subordinates, so it wasn't strange that they defended Dong Nimin so much and had Ye Chen show them off.

"Rouxi, will he be okay?" Sui Xi said to Lin Rouxi, Ye Chen might be in quite serious trouble.

"Don't worry, he should be fine" Lin Rouxi said that Ye Chen would be fine.

"Do you have a plan?" Sui Xi asked Lin Rouxi, she wanted to know whether the two of them had a plan or not.

"no need for a plan" Lin Rouxi didn't need a plan, they didn't need a plan for dealing with the Dong family.

"Okay, if you guys want it that way, I'll show it to you all right away" Ye Chen said to Everyone.

Ye Chen finally started to take out the Divine Red Profound Crystal, he showed that he possessed the Divine Red Profound Crystal and the aura of the Divine Red Profound Crystal was purer and stronger than Dong Suo's.

"he really has it" everyone was surprised when Ye Chen had it, it seemed that Ye Chen was much richer than they imagined.

"Wow, it's great" Sui Xi saw that Ye Chen has Divine Red Profound Crystals, it turns out that Ye Chen is rich enough to have Divine Red Profound Crystals.

On the other hand, several women who were friends of Sui Xi's aunt were also surprised, they did not imagine that Ye Chen would take out the Divine Red Profound Crystal.

Dong Nimin and Dong Suo were silent for a while, they didn't believe that Ye Chen would possess the Divine Red Profound Crystal.

"It seems that this kid is quite rich, this can't be tolerated." Dong Nimin saw that Ye Chen was indeed a little capable, but he would not be as good as the Dong family.

"Just one seed, so cute" Dong Nimin said to Ye Chen, he mocked Ye Chen who only had 1 Divine Red Profound Crystal.

"Indeed, how much do you have?" Ye Chen asked Dong Nimin, he was curious how much Dong Nimin had.

"Just look at this, Suo take out what we have, don't overdo it" said Dong Nimin to Dong Suo.

"Okay" Dong Suo understood, he immediately took out two Divine Red Profound Crystals and showed them to Ye Chen.

"Look, how, you won't have it." Dong Nimin and Dong Suo said to Ye Chen, they won't have it.

"I have three" Ye Chen took out the Divine Red Profound Crystal again and showed it to everyone.

"Everyone was even more shocked when they saw Ye Chen easily take the Divine Red Profound Crystal, they all couldn't believe that Ye Chen easily took the Divine Red Profound Crystal again.

Dong Suo and Dong Nimin started to panic, Ye Chen seems to be much rich compared to them.

"Suo" quickly take out everything you have, we can't lose, this is about the pride we have" Dong Nimin said to Dong Suo, he told Dong Suo to immediately take out everything they have.

"I understand" Dong Suo understood, he immediately took out five Divine Red Profound Crystals and prepared to fight Ye Chen.

"I have five Divine Red Profound Crystal" Dong Suo said to Ye Chen, he told him that he had five Divine Red Profound Crystals.

The people here could only be stupefied when they battled Ye Chen and the Dong family, those who were here had not been able to arrive at that stage.

"Now we win" Dong Suo was very confident, he was very confident that he was richer than Ye Chen.

"Then I have 10" Ye Chen took out 2x the amount Dong Suo had.

"Huh?" Dong Suo was shocked when he saw this, Ye Chen was too unreasonable, how could he have more Divine Red Profound Crystals than Dong Suo.

"Don't you have any more" Ye Chen said to Dong Suo.

Ye Chen smiled at Dong Suo, these two people finally knew that they were not opponents for him.

[Chapter 2333 Feng Xue Appears In The Party](#)

Dong Nimin and Dong Suo started to feel confused, they didn't know what to do, Ye Chen had cornered them and they didn't know what to do now.

"Don't you have any more?" Dong Nimin asked Dong Suo.

"no, I don't have any more, those are all that I have" Dong Suo no longer had these things, he no longer had any treasures left in his body.

Dong Nimin gritted his teeth, it seemed that they had lost to Ye Chen and this was an insult to them.

"We have to find another way to deal with this person, otherwise we will lose the face we have" Dong Nimin had to find a way to deal with Ye Chen, they had to find a way to deal with Ye Chen who was making a mess.

"I admit you are a very rich person, even so you don't have the good things that my son has" Dong Nimin said to Ye Chen.

What does he have, I don't see anything good in him" Ye Chen said to Dong Nimin.

"Just look, we have someone with great influence and reputation like Ziu Rixa, you should know that she is one of the best women in this world and very popular" Dong Nimin said to Ye Chen.

Dong Nimin used Ziu Rixa to corner Ye Chen.

"I believe he will not have the ability to defeat us." Dong Nimin was certain that Ye Chen would not have the ability to defeat Ziu Rixa.

Who doesn't know Ziu Rixa, everyone must already know Ziu Rixa, she is a popular woman and hard to beat, even Ziu Rixa's popularity is at the very top in the world.

"Is that so, I have better than him" Ye Chen said that he had better than Ziu Rixa.

"What ! ! !" Ziu Rixa was shocked when he heard what Ye Chen said.

"Are you kidding me, who is better than me" Ziu Rixa said to Ye Chen.

Ziu Rixa was a star at the peak, no one could beat her, so Ye Chen's words were invalid and sounded far-fetched.

"Don't you believe it" Ye Chen said to Ziu Rixa.

"I don't believe it, even we all don't believe what you said" Ziu Rixa said to Ye Chen.

Everyone here said to Ye Chen, he told Ye Chen that they didn't believe what Ye Chen said.

"That's right, Ziu Rixa is number one, who can beat her" Dong Suo said to Ye Chen.

Dong Suo believed that Ziu Rixa was the first in terms of popularity on earth, there should be no one else who could compare to Ziu Rixa.

"Then let me show you a little bit" Ye Chen said to everyone present in this place.

Ye Chen decided to call Feng Xue, it would be easy to deal with all the problems if Feng Xue was in this place, Ziu Rixa would definitely get into trouble when she met Feng Xue.

Ye Chen decided to call Feng Xue, he used voice transmission to call Feng Xue who was in town.

Since they were still on earth, it was quite easy for Ye Chen to contact them.

"Rouxi, what is he going to do?" Sui Xi asked Lin Rouxi, she still didn't understand what Ye Chen was going to do, to be honest, she wanted to know what Ye Chen meant, who Ye Chen's acquaintances were.

"she must be a great person, mother will definitely know soon" Lin Rouxi said to Sui Xi.

Sui Xi was more and more curious, she was even more curious about the person Ye Chen was referring to, who was a woman who was more popular than Ziu Rixa.

"Hey, who did he say?" The people around started to guess who Ye Chen had prawned.

Ziu Rixa was starting to get a little worried, about who Ye Chen had invited, she really wanted to know, who could compare with her.

Feng Xue would probably arrive soon, so Ye Chen just needed to wait.

Dong Nimin and Dong Suo were a little worried. If they lost this time, they wouldn't know what to do anymore.

"Don't worry, everything will be fine, there's no way this man has someone like that." Dong Nimin tried to be confident.

Where the possibility of Ye Chen showing someone who was more popular compared to Ziu Rixa was extremely slim.

It's even impossible for such a person to exist in this world, so Dong Nimin should be relaxed in the face of Ye Chen.

They waited for quite a while, it's a pity that the person Ye Chen said didn't come.

"Where is that person, are you trying to lie to us" Dong Suo said to Ye Chen, he said that Ye Chen lied to all of them.

"Relax, she should be here soon" Ye Chen said to Dong Suo.

"You'd better stop, your imagination is too high, you may have more resources, but you still don't have anything better than me" said Dong Suo.

"That's right, I'm the first, no one can beat me." Ziu Rixa is confident in her own abilities, no one should be able to beat Ziu Rixa.

"Sorry, late, you guys may have been waiting" a voice that is very gentle and filled with happiness is heard.

Everyone who heard this immediately got goosebumps, they felt their bodies tremble when they heard this voice, this voice was obviously too good that all of them wouldn't be able to endure it.

"wow, who is this, he has a very good voice" everyone tried to find the origin of this sound.

Ziu Rixa tensed up, she was quite tense when she saw everyone slip away from her enchantment.

Obviously this person was much stronger compared to him, otherwise he wouldn't be able to escape his enchantment so easily.

A beautiful woman descended from the sky and surprised everyone in this place.

"beautiful, who is this, I seem to know her" Everyone felt that Feng Xue was very familiar.

"she, she, she" Ziu Rixa gaped when she saw who had come, as someone who followed the entertainment world, she of course knew who this was.

"No way, hasn't he disappeared for so many years, how could he appear in a place like this?" Ziu Rixa tried to pinch her hand a few times, she thought that this was a dream.

"Wait, she's Feng Xue right, a female star who was popular in the past and became the best."

Wow, I didn't expect her to appear and she really has a very strong aura. Everyone finally realized who had just come.

Dong Nimin and Dong Suo saw who had come, they gaped when they saw who had just come to their place.

"Impossible, don't tell me that he is an acquaintance of this person, this is impossible" Dong Suo couldn't believe it, he didn't want to believe what happened.

How could this man know Feng Xue, and Feng Xue should have not appeared for a long time and had not been heard from for a long time, why would she appear when this person called her.

"it's Feng Xue, she really appeared, and she's getting more and more awesome" some of Feng Xue's old fans started cheering, they haven't seen Feng Xue in a long time.

"What is it?" Feng Xue asked Ye Chen, she got closer to Ye Chen asked Ye Chen's needs.

"They want to show that I have acquaintances of famous people" Ye Chen said to Feng Xue.

[Chapter 2334 Feng Xue Vs Ziu Rixa](#)

"I see, I see, it looks like someone is trying to find trouble with you" Feng Xue said to Ye Chen.

Feng Xue could easily figure this out, she knew that someone was trying to find trouble with Ye Chen.

she immediately saw the person who was looking for trouble with Ye Chen, she found Ziu Rixa who was at the side.

"So you're the one trying to cause trouble" Feng Xue said to Ziu Rixa.

"I . ." Ziu Rixa was a little scared of Feng Xue.

"This woman is troublesome, what should I do" Feng Xue tried to suppress Ziu Rixa, it would not be strange for Ziu Rixa to immediately shrink.

"This is my chance to fight and show that I am the best" Ziu Rixa can take this opportunity to show everyone that he is the best and is one of the people with the best voices in the world.

"So what if I do it, I don't think you have acquaintances with her" said Ziu Rixa to Feng Xue.

"You are quite brave too" Feng Xue said to Ziu Rixa, how dare Ziu Rixa find trouble with Ye Chen, it seems she doesn't know who Ye Chen is.

"So what, I'm not afraid" Ziu Rixa said to Feng Xue, she said that she was not afraid of Ye Chen and Feng Xue.

"want to compare skills with me" Feng Xue said to Ziu Rixa.

Feng Xue went straight for it, she wanted to compare skills with Ziu Rixa.

"Of course, I will not back down and will fight you." Ziu Rixa will not back down and show that he will be the best.

"Let's show her" Dong Nimin and Dong Suo said to Ziu Rixa, they told Ziu Rixa to show her abilities.

The two of them seemed to have lost face against Ye Chen, so they could only use Ziu Rixa against Ye Chen and Feng Xue right now.

"that's great, I hope you are ready" Feng Xue said to Ziu Rixa, she told Ziu Rixa to get ready because they will show the skills they have.

Ziu Rixa followed Feng Xue, the two of them would show off the strength they had.

"you first" Feng Xue said to Ziu Rixa, she told Ziu Rixa to come forward and show how her singing voice and skills she has.

"of course, pay close attention, I will show you." Ziu Rixa said to Feng Xue, he will show the ability and voice that is above Feng Xue.

"Come on" the audience looked very excited once, they were all excited when they saw Ziu Rixa and Feng Xue would compare singing skills, they wanted to see who was better whether Feng Xue or Ziu Rixa.

"Just watch, this time you will lose" Dong Suo said to Ye Chen, he said to Ye Chen that he would lose in this place.

"want to bet" Ye Chen said to Dong Suo.

Ye Chen was confident in Feng Xue's abilities, so it wasn't strange that Ye Chen dared to bet on Feng Xue.

"Of course, I won't be afraid of you." Dong Suo naturally dared to bet with Ye Chen, he was not afraid and dared to bet with Ye Chen.

Dong Suo couldn't refrain, he couldn't help himself because Ye Chen was always provoking him.

"This time I will definitely win and humiliate you" Dong Suo was sure that he would win this time and would make Ye Chen embarrassed.

"Okay, bet agreed, don't cry when you lose this bet" Ye Chen said to Dong Suo.

"I won't cry, you will feel how it feels to lose and be humiliated," said Dong Suo to Ye Chen.

Both of them exuded an extremely strong aura of hostility, both of them were completely hostile and did not want to lose.

Ye Chen supported Feng Xue, meanwhile Dong Suo would support Ziu Rixa.

Ziu Rixa was the first to show what she had, she showed hers in front of everyone.

Ziu Rixa started to sing, this woman's voice and singing were quite beautiful and made everyone who heard her become interested.

"Her voice is so beautiful." The audience had to admit that Ziu Rixa's voice was beautiful and not inferior to the Feng Xue from the past.

Everyone was mesmerized by Ziu Rixa's voice, her voice excited their hearts and minds.

"Is that so, I understand" Feng Xue finally understood, she understood what Ziu Rixa was doing.

"You better not hold back, she's using charm in her voice" Ye Chen said to Feng Xue, he told Feng Xue to no longer hold back and show all the abilities she has.

"I understand, I will do as you say." Feng Xue certainly understood, she would naturally use all of her abilities to destroy Ziu Rixa.

"clap . . .,clap . . .,clap . . .,clap . . ." Ziu Rixa finally finished singing, everyone gave Ziu Rixa applause.

"Beat me if you are able to do it" Ziu Rixa said to Feng Xue, he told Feng Xue to show her ability.

"Of course, I will beat you easily" Feng Xue said to Ziu Rixa.

Feng Xue wouldn't hold back, Ziu Rixa was very arrogant and Feng Xue had to use her own ability to make this woman aware of this world.

This world was vast, there were countless people who were stronger than Ziu Rixa, so there was no reason for Ziu Rixa to show his arrogance in front of everyone.

"then it is my turn" Feng Xue said to Ziu Rixa.

Feng Xue stepped forward, this time the atmosphere was quiet and not as lively as Ziu Rixa.

Ziu Rixa had used his own power to control everyone present in this place, so it wouldn't be strange if they didn't scream and cheer for Feng Xue.

"how strange, why are they like that" Lin Rouxi asked Ye Chen, she wanted to know why they were all like that.

"That woman, she used her Charm to control everyone in this place" Ye Chen said to Lin Rouxi.

"Oh, I see, so the previous song was used to control the guests in this place." Lin Rouxi finally understood, it seemed that Ziu Rixa was far more cunning than Lin Rouxi had imagined.

"Don't worry, Xue should be able to easily deal with this problem" Ye Chen said to Lin Rouxi.

Ye Chen already knew Feng Xue's strength, there was no way she would lose to a weak woman like Ziu Rixa, Feng Xue's strength was far greater and she could even make everyone submit with her voice.

"♪ ♪ ♪ ♪ ♪ ♪ ♪ ♪ ♪ ♪ ♪ ♪" Feng Xue finally started to show her own voice, she showed that she had a beautiful and good voice.

Feng Xue's voice was full of blessings and beauty, everyone immediately realized when they heard Feng Xue's voice.

"That's great, that's great" Feng Xue said in a very beautiful voice, everyone cheered on Feng Xue.

The situation became chaotic, everyone seemed to be going crazy as they listened to Feng Xue.

"impossible" This was definitely more lively when compared to Ziu Rixa, it was obvious that the difference in their abilities was vast and Ziu Rixa was no match for Feng Xue.

Feng Xue did very well, she made everyone submit easily with the most beautiful voice in the world.

Everyone felt very comfortable when they listened to Feng Xue sing, it was like the voice of an angel from the heavens giving a blessing.

[Chapter 2335 Three Mysterious People From The Kunlun Holy Land Came](#)

"This is just my beautiful wife, she did very well" Ye Chen was very satisfied with this, he was very satisfied when he saw Feng Xue sing, to be honest this was very beautiful and made Ye Chen's heart feel very happy.

Dong Suo, Dong Nimin and also Ziu Rixa was in serious trouble, it was obvious that they had all completely lost to Ye Chen.

"Hehehehe" looks like this is my win, don't forget about the bet we made, don't let young master DongHis I lost face for not keeping my promise" Ye Chen said to Dong Suo.

Ye Chen smiled evilly, he had actually made the three of them lose face and become a joke.

"Thank you very much" Feng Xue said to everyone, she thanked everyone who would listen to her song.

"Applause, cheers, applause, cheers, applause, cheers, applause, cheers, applause, cheers" all the spectators were excited when they saw this, they were extremely satisfied with Feng Xue's performance.

After providing entertainment for everyone present, Feng Xue went towards Ye Chen, Feng Xue had a strong aura and made everyone embarrassed when she saw him.

Dong Suo looked back at Feng Xue, he could see that Feng Xue's quality was far above Ziu Rixa's.

"beautiful lady, maybe I can give it a try" again this guy had bad thoughts, he had bad thoughts of Feng Xue.

"Miss Feng wait a minute" Dong Suo said to Feng Xue.

"I no have business with you, so go away" Feng Xue strictly told Dong Suo to leave.

Dong's Suo Face turn dark and he vomited blood from anger, Feng Xue also rejected Dong Suo and ignored Dong Suo.

"damn . . ." Dong Suo was very angry, he was very very angry about this, he really had a grudge against Ye Chen.

"It seems that this is my victory, have you accepted it" Feng Xue said to Ziu Rixa.

"I haven't lost yet" Ziu Rixa said that she still hasn't lost, she can still fight against Ye Chen.

"Then what do you want, do you want to fight with me" Feng Xue asked Ziu Rixa.

"Of course, I want to fight and fight you" Ziu Rixa said to Feng Xue, she wanted to fight Feng Xue and started to compare the strength they have.

Ziu Rixa still believed in her strength, she still believed that she had a chance to fight against Feng Xue with her cultivation.

"Is that so, let me tell you the strength that I possess." Feng Xue using the strength that she had, she displayed her own strength and started to suppress Ziu Rixa.

Ziu Rixa was pressed down by Feng Xue, she immediately fell down and knelt on the ground.

Ziu Rixa was quite surprised when she knew the power of Feng Xue, Feng Xue's pressure was as strong as a mountain.

"do you still want to try it, I don't mind" Feng Xue said to Ziu Rixa.

"no, no, I don't dare, please let me go" Ziu Rixa apologized to Feng Xue, she apologized to Feng Xue for her mistake.

Ziu Rixa finally came to his senses and understood the difference in strength they had, there was no chance for Ziu Rixa to win if he persisted in fighting Feng Xue.

"You have to do it properly" Feng Xue told Ziu Rixa to apologize even better, otherwise Feng Xue would never let Ziu Rixa go.

"I really apologize to Miss Feng, please forgive me, I won't bother you anymore" Ziu Rixa said and apologized to Feng Xue.

"I'll let you go but please don't make trouble anymore, otherwise you'll get a problem from me" Feng Xue said to Ziu Rixa.

"I understand, I will never forget" Ziu Rixa said to Feng Xue.

"very good" Feng Xue was satisfied, she was finally satisfied with the answer given by Ziu Rixa.

"hello auntie" Feng Xue went to Sui Xi's place.

"hello" Sui Xi was quite surprised when Feng Xue came and greeted her, this was too sudden.

Feng Xue gave a small gift to Sui Xi, he hoped that Sui Xi would like it.

"You are very kind" said Sui Xi to Feng Xue.

"That's because Sister Rouxi has helped and cared for me a lot, so I have to be nice to her" Feng Xue said to Sui Xi.

"Rouxi, she is your student?" asked Sui Xi to Feng Xue.

"she is my sister, she also has a relationship with Ye Chen, and maybe I haven't told this to mother" Lin Rouxi hasn't told everything yet.

Lin Rouxi still did not tell on Sui Xi because she didn't want Sui Xi to get too involved in her love affairs with Ye Chen.

"Geez. . ., I didn't expect" Sui Xi didn't expect this, how could Ye Chen get a beautiful woman like Feng Xue who has fans of tens or maybe hundreds of millions of people.

It seems that he thinks too much of Ye Chen as ordinary, and doesn't know that Ye Chen can do this kind of thing.

"what's going on here, why does it look so messy" a middle-aged man appeared, this man appeared and asked what happened at the party he was making to welcome important guests.

"Husband, it seems that someone is trying to cause trouble in this place," Dong Nimin said to the man who had just arrived.

It turned out that the man who had just arrived was the husband of Dong Nimin and became the head of the Dong household, he had a bold appearance and was filled with a domineering aura, one could see that this man had big ambitions to be better.

"What, who dares to find trouble in my place, they all want to die" Dong Guljun said in an angry tone, he was very annoyed when someone dared to look for trouble in his place.

"There seems to be a misunderstanding in this place" Ye Chen said to Dong Guljun.

"What do you mean?" said Dong Guljun to Ye Chen.

"From the start, they were looking for trouble with me, so you better educate them well" Ye Chen spoke to Dong Guljun to teach a little lesson for Dong Suo and Dong Nimin.

"See for yourself how rude he is to us, he dares to fight us." Dong Nimin used this opportunity, he used this opportunity to make Ye Chen look bad.

"This woman is too sneaky" Dong Nimin turns out to be a pretty sneaky woman.

"How dare you, you don't know who I am" said Dong Guljun to Ye Chen.

Ye Chen looked at Dong Guljun, he doesn't know who Dong Guljun is standing in front of him.

"I don't know you" Ye Chen said with a different tone.

Ye Chen didn't know about Dong Guljun, he never saw and met Dong Guljun.

Dong Guljun's face turning red with anger, Ye Chen had underestimated himself too much.

"You. . ." Dong Guljun started to give off a terrifying aura, he looked like he wanted to pounce on Ye Chen.

"little brother Dong, what happened?" three men in ancient clothes started to come out, they came out and went straight to Dong Guljun.

These three people didn't seem to be from around this place, they seemed to be from the Kunlun Holy Land.

"They, they seem to be from the Kunlun Holy Land." Ye Chen could see that they were from the Kunlun Holy Land.

What came was an easy man with pretty decent looks and two guards standing behind to protect this young man.

"brother Hin, I'm really sorry for this trouble, I hope you don't mind the trouble that is going on" Dong Guljun hastily lowered his head and apologized.

[Chapter 2336 Young Master Hin](#)

From what Ye Chen could see, it seemed that these three people were important guests belonging to Dong Guljun, otherwise Dong Guljun wouldn't have behaved like that.

the person called Hin looked at Ye Chen, he could see that Ye Chen had some beauties around him.

"Do you have a problem with this person?" Hin asked Dong Guljun.

"Yes, I have a problem with this person" Dong Guljun said that he had a problem with Ye Chen.

"Very good, I will help you deal with it, I don't mind helping you and taking the good items from this person." Hin wanted to take away the good things that belonged to Ye Chen.

"It seems that you are planning bad things for me" Ye Chen could feel that this person had bad plans.

"don't need to say much, I want you to die" Hin wanted Ye Chen to die right now.

"kill him for me" Hin ordered to kill Ye Chen.

"But, we are forbidden from causing trouble" the two guards behind said that if they were forbidden from causing trouble, they might get into trouble.

"Didn't you hear what I said, don't let me get angry and make you guys be punished for not following orders" Hin said in an angry tone, he wanted to kill Ye Chen right now.

He didn't like Ye Chen and needed Ye Chen to disappear from this world, that way he could easily kidnap the two beauties in the back from Ye Chen.

"fine, we'll do it" the two had no choice, the two had no choice but to do as Hin said.

This man named Hin's mind was extremely stupid, he was really too stupid, even Dong Suo was much smarter than this person.

"I won't let you" Feng Xue will not let this person do anything to Ye Chen.

"wait a minute" Ye Chen said to Feng Xue, he stopped Feng Xue and intended to take matters into his own hands.

"husband?" Feng Xue said to Ye Chen, she wanted to know what Ye Chen would do.

"I will deal with this matter, you don't need to intervene to deal with this trash" Ye Chen said to Feng Xue.

Feng Xue didn't need to intervene, Ye Chen could deal with trash like young master Hin.

"Your mouth is quite bad, but you won't live much longer, kill him right now" young master Hin told the guards to kill Ye Chen as soon as possible.

"Very good, do it quickly" Dong Suo and Dong Nimin were very happy when they saw this, they were really happy when they saw Ye Chen was about to be executed on the spot.

"feel this" the two of them used their spears to attack Ye Chen, they both wanted to attack and kill Ye Chen quickly.

"Rouxi, this is bad, they come from a strong place" Sui Xi said to Lin Rouxi.

"no need to worry" Lin Rouxi said to Sui Xi.

They weren't very strong, so why worry about Ye Chen, at most they would be crushed by Ye Chen.

Ye Chen used his elbow, he directly parried the incoming attack.

"Bam" a direct attack was parried by Ye Chen and the person who attacked Ye Chen was immediately knocked away.

"What ! ! !" young master Hin was shocked when he saw what happened.

Everyone doesn't believe that Ye Chen can fight, and it can be seen that Ye Chen is strong, it seems that he can't be underestimated.

"Wow, he's pretty good too" Sui Xi's aunt's friends acknowledged Ye Chen's abilities, they were amazed by Ye Chen's abilities.

"what are you guys doing" young master Hin was angry because they didn't do anything good and were unable to kill Ye Chen.

"Okay, we will finish this quickly" one remaining person directly attacked Ye Chen, he directly attacked Ye Chen with his spear.

"You didn't learn from before" Ye Chen again used one hand to slap the man who was trying to attack.

"Pahh" with just one slap, Ye Chen had already knocked down the guard that young master Hin had brought over.

"no way" Young Master Hin couldn't believe what was happening.

How did Ye Chen defeat his guards, this was ridiculous.

"now who will protect you from me" Ye Chen said in an evil voice.

"You dare, I come from a powerful family, if you dare to look for trouble, you will be ruined" Hin said to Ye Chen.

"oh, you are trying to threaten me, how interesting, I want to see how strong your family is so you can be arrogant like that" Ye Chen said to young master Hin.

Young master Hin started to panic, it seemed like Ye Chen wasn't afraid of the threat he posed at all.

"This is too bad, he is not afraid of the threats I give" young master Hin tries to find a way, this person is not afraid of the threats he gives.

"My family has great connections, if you dare to go against me, it's tantamount to going against the entire Kunlun holy land" young master Hin said to Ye Chen.

This person still dared to threaten Ye Chen, he still dared to threaten Ye Chen and did not hesitate to use his own background.

"I told you that I'm not afraid." Ye Chen said that he was not afraid, he was not afraid of the background that young master Hin had.

"Just watch, I will call for help" young master Hin decided to call for help.

He took out something and started to call for help, it should be soon help will come to help him.

"Young master Hin, please don't do that, you will turn this into a battlefield" Dong Guljun asked young master Hin not to do it.

His house would probably be destroyed if that happened.

"That person told me to do it" young master Hin said that Ye Chen had forced him to use this thing.

"You, apologize quickly, otherwise we will all die in this place" Dong Guljun said to Ye Chen.

Dong Guljun broke out in cold sweat, he was completely panicked and couldn't think straight.

"Are you stupid, he wants to kill me, why should I apologize to him, only a fool would do it" Ye Chen said while berating Dong Guljun.

"You don't know who you are fighting" Dong Guljun said to Ye Chen.

"I of course know who I'm fighting, it's just a stupid kid who can't do anything right" Ye Chen said to Dong Guljun.

Young master Hin was getting more and more angry with Ye Chen, he seemed to be turning dark and filled with rage.

the situation was starting to turn bad, this might turn this place into a battlefield.

You better apologize quickly, this is really bad" everyone said and tried to make Ye Chen apologize.

"Shut up you guys" Ye Chen told everyone to be quiet and not interfere in the matter that happened.

"damn" many people are angry with Ye Chen, they are all angry with what Ye Chen said, it's like they are nothing to Ye Chen.

Those present here possessed authority, naturally they would not be pleased when their orders were ignored.

Everyone quickly became Ye Chen's enemy, Ye Chen became a public enemy and everyone seemed to be hostile towards Ye Chen.

"husband . . ." an extremely seductive voice came.

The sound that sounded full of temptation to make men get excited.

There's no way a man can stand this kind of voice, the enchantment of this voice is too strong to make a man excited.

[Chapter 2337 Zhang Shiyun's Identity Made Everyone Submit](#)

A beautiful adult woman came over, she was wearing casual clothes and looked very seductive with her well-developed body and glamorous mature charm.

The woman who had just arrived at this place was Zhang Shiyun, she actually came over and hugged Ye Chen.

"I can't breathe" Ye Chen said to Zhang Shiyun, two large and soft objects hit Ye Chen's face, this made it difficult for Ye Chen to breathe.

Young master Hin was surprised when another woman came towards Ye Chen, to be honest there were too many women coming towards Ye Chen and this felt really annoying for young master Hin.

"damn it, I will make you regret it" young master Hin said to Ye Chen, he will make Ye Chen regret what happened.

"husband, what's wrong with this person, does he have a problem" Zhang Shiyun asked Ye Chen.

Zhang Shiyun just came from the kunlun holy land, what a coincidence she wanted to meet Ye Chen.

Ye Chen looked at Zhang Shiyun, it seemed that he had a plan of his own.

"hehehe very interesting, what a coincidence, this might be a very interesting thing to do" Ye Chen was interested in using Zhang Shiyun, he could use Zhang Shiyun to fight this guy.

"he is indeed looking for trouble, you should probably take care of it for me" Ye Chen said to Zhang Shiyun.

Ye Chen told Zhang Shiyun to take care of this person and teach him a proper lesson.

"Hmm, I see, how dare he do that," said Zhang Shiyun as she looked at the young man in front of her.

"Aren't you afraid of getting punished?" Zhang Shiyun said to young master Hin.

"afraid, what am I afraid of you for, nothing can scare me, you will regret it because soon my people will come so be prepared" young master Hin said to Zhang Shiyun.

Young master Hin didn't seem to know who Zhang Shiyun was, perhaps because Zhang Shiyun was wearing a more informal dress so he wasn't recognized.

"Hmmm, are you not afraid, very interesting, it seems that you have strong connections, I want to see how strong your people are." Zhang Shiyun wanted to see the strength of the young master Hin, it seems that he is quite bold in front of her.

"of course, you will soon know how strong my strength is and you guys will feel the terrible thing" young master Hin threatened Zhang Shiyun and Ye Chen.

"fufufu, so interesting, I want to look forward to it" Zhang Shiyun wants to look forward to it, he wants to see who will come.

"who is this woman" everyone wondered, it looked like they didn't know who Zhang Shiyun was.

Zhang Shiyun smiled at Ye Chen, from her smile, Ye Chen could tell what Zhang Shiyun was going to do.

"Looks like she's about to start acting evil." Ye Chen could feel that Zhang Shiyun was about to try to commit a crime.

Whatever, the important thing is you solve this problem.

Ye Chen let Zhang Shiyun solve this problem, it seems that he wants to play with this little guy.

A few minutes later there was a roar from a distance, black clouds began to appear and began to cover the area around this place.

This place started to look tense, thunder and wind started to appear making the atmosphere even more noisier.

"hahahaha" young master Hin smiled, he looked very satisfied when he saw help had arrived.

"About 30 people came quickly" Ye Chen counted the cultivators who came, the reinforcements that young master Hin had summoned were quite a lot.

People started to fear, they were clearly scared when they saw the thunder and storm that had started to form due to the power of a high level cultivator.

"we will be destroyed" everyone was distraught by what happened, it seemed young master Hin was not playing around and was going to destroy all of them in this place.

A moment later 30 figures appeared above the sky, they looked dignified with an super aura shrouding them.

"big uncle, you come" young master Hin was very happy, the help this time was very strong, there was no way Ye Chen could get out of this situation.

"Whoever dares to find trouble, we will destroy them" this person said that they would go and destroy Ye Chen.

Zhang Shiyun smiled when she saw the arrival of the reinforcements summoned by young master Hin.

"I'm the one who wants to make trouble, do you guys want to stop me?" Zhang Shiyun stepped forward, she said to the 30 people who came.

When Zhang Shiyun spoke, the 30 people who appeared immediately fell silent, they were as if struck by lightning and did not dare to speak.

Their domineering aura immediately disappeared and they looked terrified when they saw that Zhang Shiyun was in this place.

"what is this ?" young master Hin noticed that everyone fell silent when they saw Zhang Shiyun.

"big uncle, don't just stay still and do something quickly" young master Hin said to big uncle to deal with Zhang Shiyun.

"Pahhhh" this person immediately slapped young master Hin to the ground.

"what are you doing ?" young master Hin asked big uncle, why did he even hit him.

"Fool, don't you know who she is ?" big uncle said to young master Hin.

"I don't know who he is, all I know is she's trying to find trouble with me so I want to destroy her" Young master Hin said innocently.

"You are so stupid, she is the ruler of the Kunlun Holy Land and the Empress who rules over the entire Kunlun Holy Land, are you tired of living" she told young master Hin the truth.

"What ! ! !" young master Hin was shocked when he heard this, he couldn't believe what he just heard.

The woman who had just arrived was the queen of the Kunlun Holy Land and the supreme ruler, so why was she dressed so casually like a commoner.

"You finally know who I am, now do you want to fight me?" Zhang Shiyun said in a mischievous voice.

Everyone naturally trembled immediately, they were naturally frightened when they heard what Zhang Shiyun said.

If Zhang Shiyun were to make a move, then all of them definitely wouldn't be able to survive, Zhang Shiyun might just need to snap her fingers to eliminate them.

"Queen, please forgive us, we didn't mean to do that" big uncle said to Zhang Shiyun.

"he is the ruler of the holy land of kunlun, he is a very powerful person isn't he, and he knows that man, who the hell is that man, how does he have connections with the Queen" everyone was shocked when they found out what happened, they all tried to guess how Ye Chen has an acquaintance with a Queen.

"Aren't you Situ Duji from the trading house, you know what crimes you have committed" Zhang Shiyun said to Situ Duji.

Situ Duji works in a trading house, that means this young master should be from a trading house.

"I understand what I did wrong, I am ready to accept the punishment" Situ Duji said to Zhang Shiyun.

Situ Duji said that he was ready to accept the punishment.

"What a good decision, then I want you all to prostrate in this place for 1 year, and for you, you have to prostrate in this place for 5 whole year, this is your punishment" Zhang Shiyun said to everyone.

Zhang Shiyun gave punishment, she gave punishment to the one who dared to disturb Ye Chen.

"I will accept this punishment, thank you very much for your majesty's kindness." Situ Duji had to accept this, he had no choice, this was better than death.

"Quickly apologize, you have made a big mistake, this will probably make your position in the trading house disappear" Situ Duji said to young master Hin.

"Queen, I apologize for what I have done, I hope you will forgive me" young master Hin apologized for the rudeness he had done.

"I don't need that." Zhang Shiyun didn't need that.

"You guys accept your punishment, if you dare to make a move, you will lose even more" Zhang Shiyun said to those who made a mistake.

They all trembled, the aura from Zhang Shiyun made everyone feel like they were going to die.

Out of all the people present in this place, young master Hin had suffered the most, he was actually breaking out in cold sweat and was the most scared, he had just made a huge mistake and perhaps his position and all that he had would be lost.

"Damn it, why did I get into this trouble, this is all Dong Guljun's fault" young master Hin was so annoyed, if it wasn't for Dong Guljun, none of this would have happened.

Young master Hin still didn't realize that he was the wrong person from the start, he was wrong from the start for trying to target Feng Xue.

"Sister, you are too kind, why not just give him more punishment right away" Feng Xue said to Zhang Shiyun.

"You don't need to worry, even if this punishment is light, he will definitely lose everything he has, so let him have a bad time slowly.

"Your methods are quite ruthless." Ye Chen saw that Zhang Shiyun was using ruthless methods.

"That's because someone is trying to bully you, I won't let them dare to bully you" Zhang Shiyun said to Ye Chen.

Zhang Shiyun hugged Ye Chen again, she spoiled Ye Chen with all her heart.

People couldn't help but envy when they saw this thing, they couldn't imagine how Ye Chen got all this.

Sui Xi was dizzy listening to everything, this was too much for her.

[Chapter 2338 Ning Yi Was Injured At The Door](#)

"So complicated, they all have strong backgrounds, can Rouxi survive" Sui Xi really has a headache, with the background of the woman who appeared, can Lin Rouxi be able to survive.

"mother, you don't need to worry too much about this matter, I can handle everything, you just focus on training and cultivation" Lin Rouxi said with a gentle smile.

"I won't interfere in young people's affairs, I'd better go back, I got a good gift from Feng Xue" Sui Xi was satisfied, she would not interfere.

"Everyone let's go have fun" Sui Xi asked everyone to go, she was going to treat them all.

Sui Xi and all her friends bid farewell to Ye Chen Feng Xue, and Zhang Shiyun.

When they saw Zhang Shiyun, they were depressed because they met someone with such a high background.

"they left, you won't come" Ye Chen said to Lin Rouxi.

"You've made a mess, let's just go back" Ye Chen made a big mess, so it's better for them to just go back.

"they left, you won't come" Ye Chen said to Lin Rouxi.

"You've made a mess, let's just go back" Ye Chen made a big mess, so it's better for them to just go back.

Lin Rouxi didn't want Ye Chen to make a bigger mess, everyone also immediately kept their distance from Ye Chen and didn't dare to come closer, they were scared and immediately went home.

They were all afraid that Ye Chen was seeking revenge, they might not survive if Ye Chen did that.

"Oh yeah, where is Dong Suo, he still hasn't paid the agreed bet" Ye Chen looked for the whereabouts of Dong Suo.

"He and that female artist have already left this place" Feng Xue said to Ye Chen, she informed Ye Chen that they had left this place.

"they still haven't gotten the punishment they deserve, I'll make them pay for it" Ye Chen decided to look for all of them, they had to get the punishment they deserved.

Dong Suo and Dong Nimin hid in the basement, they were both terrified and didn't dare to come out.

"This is bad, he is too terrible, it seems that this is the end of us." Dong Nimin was really desperate, she didn't expect that Ye Chen would be so strong and have such strong connections.

"It seems we have no choice but to hide in this place" Dong Suo only had the choice to hide in this place, Ye Chen probably wouldn't find them in this place.

"Are you talking about me, you guys are easy to find" when Dong Nimin and Dong Suo thought that Ye Chen would not find them in this place, Ye Chen appeared behind them.

"How could you know about this place, Dong Nimin asked Ye Chen, how could Ye Chen know about this place.

"This place is easy to find, next time look for a place that is hard to find" Ye Chen told that this place was easy to find.

"damn it, I won't give in, I will fight you" Dong Suo didn't want to die in this way, he was going to fight Ye Chen to death.

"Very good spirit, it's a pity that I have much stronger strength than you" Ye Chen used his strength, when Ye Chen used his own strength, Dong Suo immediately trembled and was frightened, he seemed to see a terrible ghost on Ye Chen's figure.

Unbeknownst to Dong Suo, he peed his pants in fright.

"Hahahahaha" Ye Chen laughed when he saw what happened to Dong Suo.

"You guys have done something bad, it's time for you to pay for it" Ye Chen said to Dong Suo and Dong Nimin, it's time for the two of them to pay for what happened.

"No . . . !" Dong Suo and Dong Nimin shouted, they don't want this.

Ye Chen blackmailed the two of them, he made the two of them pay for what they had done.

After extortion, Ye Chen went out and met Lin Rouxi and Zhang Shiyun.

Ye Chen just blackmailed Dong Suo and Dong Nimin, He took a lot from Dong Suo and Dong Nimin, I hope this becomes a worthy lesson for Dong Suo and Dong Nimin.

"Where is Feng Xue" Ye Chen asked where Feng Xue had gone.

She went to Yanyan's place" Lin Rouxi told Ye Chen, she told where Feng Xue had gone.

"Is that so, then let's go home." Ye Chen invited Lin Rouxi and Zhang Shiyun to go back.

"let's go" the two followed Ye Chen, the two of them left and followed Ye Chen back to the Villa.

"I can finally relax, this is really fun." Ye Chen felt satisfied when he could relax with Lin Rouxi and Zhang Shiyun by his side.

"want to eat fruit" Zhang Shiyun said to Ye Chen, she started serving Ye Chen and gave what Ye Chen wanted.

Zhang Shiyun was very considerate of Ye Chen, she spoiled Ye Chen too much.

"Sister, you spoil him too much" Lin Rouxi said to Zhang Shiyun.

"is there something wrong with it" Zhang Shiyun asked Lin Rouxi, did Lin Rouxi have a problem when Zhang Shiyun spoiled Ye Chen.

"no, it's just that he will become more and more lazy" Lin Rouxi said to Zhang Shiyun.

"It doesn't matter, he has worked hard enough, it doesn't matter if he slacks off for a while" Zhang Shiyun said to Lin Rouxi.

"Oh my, it's you" Lin Rouxi was helpless, it seemed that she couldn't stop Zhang Shiyun.

Ye Chen spent time with Zhang Shiyun and Lin Rouxi inside, they were talking and having fun inside.

"rumble . . ." Outside there was thunder, it seemed that it was raining outside.

"Yanyan and Xue haven't come back yet, what are they doing?" Ye Chen wanted to know what Zhao Yanyan and Feng Xue were doing.

"I heard they went to sing, maybe they will come back late" Lin Rouxi told Ye Chen, she told where Zhao Yanyan and Feng Xue had gone.

"looks like Yanyan wants to sing together with Xue, looks like they are having fun" Ye Chen could see that Zhao Yanyan and Feng Xue were having fun.

"knock . . .,knock . . .,knock . . .,knock . . .,knock . . ." outside came a knock.

"It seems they have returned" Zhang Shiyun said.

"no, if they come back, then they won't knock on the door, maybe this is a guest, I will see them" Ye Chen said.

Ye Chen decided to go and see who had come, most likely someone had come to visit.

"wait a moment" Ye Chen opened the door, when Ye Chen was just about to open the door, a person suddenly fell towards Ye Chen.

"Ehhhh. ." Ye Chen was naturally shocked when he saw this.

"she . . ., Ning Yi, what did he do, and why did he get hurt" the woman in Ye Chen's arms was Ning Yi.

Ye Chen's voice made Lin Rouxi come over, when Lin Rouxi arrived at the front, she saw Ning Yi who was in Ye Chen's arms.

"Husband, what happened to her?" Lin Rouxi directly asked Ye Chen, she wanted to know what happened to Ning Yi.

"It seems she was injured, I don't know who did this thing, she was probably being chased" Ye Chen said.

"sister let's go, it seems that there are people who are going to harm the earth" Lin Rouxi immediately realized that there might be someone following Ning Yi.

"I understand" Zhang Shiyun understood Lin Rouxi's worries, if that was true, then the earth was in a bad situation.

"husband, you take care of him, we will guard" Lin Rouxi said to Ye Chen.

[Chapter 2339 Gou Clan Came To Look For Ning Yi](#)

"I will try to take care of her, please be careful" Ye Chen told Lin Rouxi to be more careful.

"we will be careful" Lin Rouxi will try to be careful, their opponent seems quite strong.

"let's go, I want to see who dares to enter the earth" Zhang Shiyun said to Lin Rouxi.

Zhang Shiyun and Lin Rouxi finally left as well, they went to fight the one who was chasing Ning Yi.

Ye Chen directly took Ning Yi to an empty room, he must immediately provide help to Ning Yi.

Ye Chen looked at the condition of Ning Yi's body, he found that Ning Yi's body was injured quite badly.

"she suffered quite a heavy internal injury, who had injured her like this" the person who did this must be very strong, he must be strong because he had injured Ning Yi's internal organs quite badly.

"who did this to you?" Ye Chen wanted to know who did this to Ning Yi.

Seeing the condition of Ning Yi, Ye Chen decided to immediately give help, he helped Ning Yi to get rid of the clothes she was wearing.

"umm . ." Ning Yi groaned, it seemed she was still aware of what Ye Chen was doing.

Ye Chen continued on, Ye Chen's top priority right now was to heal Ning Yi.

Ye Chen deftly undressed Ning Yi, Ning Yi's beautiful and smooth body was now in front of Ye Chen.

Ning Yi's body looked so splendid, it was probably because he took care of her body quite well.

As a great swords woman, Ning Yi naturally spent quite a bit of time honing her own sword skills.

Ye Chen took out a golden needle and started to give Ning Yi a helping hand.

Ye Chen directly stabbed Ning Yi's vital points, he used his strength to ease Ning Yi's wounds.

Ning Yi started to wince in pain from her wound, she probably still felt the pain from this wound.

Ye Chen tried to be gentler, she tried to ensure that Ning Yi would not feel a pain.

Ye Chen gave help to Ning Yi, he made sure that Ning Yi received the best help and all the wounds on his body could heal.

"cough . . ." all the dirty blood in Ning Yi's body immediately came out.

Ye Chen cleaned up everything and made sure Ning Yi's body was clean.

Ye Chen took a potion, he gave a drink to Ning Yi and made sure that Ning Yi could drink it properly.

When Ye Chen tried to give Ning Yi the medicinal herbs to drink, Ning Yi vomited it out, it seemed that she was unable to swallow the herbs.

"she subconsciously rejected it, he probably thought that this was something" Ye Chen could feel that Ning Yi was deliberately rejecting him, she didn't seem to let anything enter her body.

"since you didn't let me, I have no choice but to do this" Ye Chen had no other choice, he just drank the potion, after that he drew closer towards Ning Yi.

Ye Chen kissed Ning Yi, he gave the herb to Ning Yi.

Ye Chen would not allow Ning Yi to spit out the potion he gave him, with this Ning Yi would swallow it all.

"Ummmm. . . ." Ning Yi was completely forced, she was forced by Ye Chen to drink it all.

Their lips intertwined, kissing Ning Yi was such a pleasure to do.

Ye Chen kept on giving Ning Yi the best kisses, unconsciously Ye Chen was enjoying his time when kissing Ning Yi, this felt very comfortable to do.

Ning Yi seemed to be enjoying this as well, she seemed to accept what Ye Chen was doing.

"This is no longer their first time kissing, Ye Chen has already kissed Ning Yi when giving CPR, so it seems the two of them have started to get along better.

Ye Chen kissed Ning Yi for a while, originally he was doing it to give medicine, but it seemed he really enjoyed this and started to like kissing Ning Yi.

"master, aren't you too afraid" Chu Yuechan said to Ye Chen, Chu Yuechan told that Ye Chen was too greedy.

"what's the problem, I'm just helping him" Ye Chen tried to help Ning Yi.

"It seems that's enough, you better focus on recovering her, once she wakes up, you can do whatever you want" Chu Yuechan said to Ye Chen.

Chu Yuechan said to Ye Chen, she told Ye Chen what to do when Ning Yi woke up.

"I also want to know that" Ye Chen was also curious about this matter, to be honest he really wanted to know why Ning Yi could become what she is today.

Ye Chen helped Ning Yi recover, he ensured that Ning Yi would recover soon.

.

.

Zhang Shiyun and Lin Rouxi went outside, they confirmed that no one was chasing Ning Yi.

"Who do you think will chase?" Zhang Shiyun asked Lin Rouxi, to be honest Zhang Shiyun didn't know the situation yet.

"she is from a powerful Ancient Clan, most likely they are also from an ancient Clan.

Don't underestimate the enemy, they are stronger and ruthless" Lin Rouxi said to Zhang Shiyun.

Lin Rouxi told Zhang Shiyun to get ready, the enemy might arrive to capture Ning Yi.

"Is that so, then I don't need to hold back anymore" Zhang Shiyun didn't need to hold back anymore, he was already prepared to fight the incoming enemy.

The two of them headed beyond Earth and waited for that person to come, they should be arriving at this place soon.

They waited for a while, a few moments later several people appeared and crossed them.

"There are people coming at full speed." Zhang Shiyun said to Lin Rouxi.

"I will catch them all" Lin Rouxi said to Zhang Shiyun, she caught everyone who was approaching.

Lin Rouxi uses her water power, she uses water power to catch the enemy.

Lin Rouxi set several invisible traps, so the enemy wouldn't notice that in front of them was a trap.

"Ahhhh . . , what is this ?" they were not aware of what was happening, when they realized, they were trapped in a water and could not get out.

"damn, what is this let us go" they all shouted immediately, they told Lin Rouxi to let them go.

"are they the one?" Lin Rouxi wanted to confirm whether they were the one or not.

"Most likely they are the one" Zhang Shiyun said to Lin Rouxi, she could feel that they had Ning Yi's scent.

It seemed they had chased Ning Yi all the way to this place.

"You all, I am the lord of this place, I order you all to leave this place, otherwise you will suffer the consequences" Zhang Shiyun said to the Gou Clan group in front of her.

Instead of causing trouble, it was better for Zhang Shiyun to hide his whereabouts from Ning Yi, that way they wouldn't dare to come again.

"Damn it, a bitch woman like you dares to rule over you, don't you know who we are" the people of the Gou Clan said to Zhang Shiyun, they directly insulted and insulted Zhang Shiyun.

Zhang Shiyun naturally felt annoyed that these people were underestimating her too much.

"It seems they are too far away, may I kill them" Zhang Shiyun said to Lin Rouxi.

"Let's catch them and ask them" Lin Rouxi said to Zhang Shiyun.

"Then I'll spare some, I'll make sure that the people who insulted me get the punishment they deserve." Zhang Shiyun started to advance and killed the group from the Gou Clan.

"sister" Lin Rouxi tried to stop Zhang Shiyun, but it was unlikely that she would be able to do so since Zhang Shiyun was already mad at these people.

Zhang Shiyun stepped forward, she headed towards the enemy in front of her.

"Damn bitch, let us go quickly, you will pay the price if you don't let us go" the Gou Clan member said to Zhang Shiyun.

"shut up " Zhang Shiyun used an invisible wind blade to attack the enemy in front of her.

"Slashes . . ." the wind blade instantly chopped off one of the proud members of the Gou Clan who was looking for trouble with Zhang Shiyun.

"ahhhh . . ." this person immediately shouted, he did not believe that Zhang Shiyun would be able to do this so easily.

Zhang Shiyun launched an attack again, she carried out an attack on the enemy in front of her and began to give the punishment she deserved.

"I told you to shut up, don't you understand what I'm saying?" Zhang Shiyun said in an angry tone, it was obvious that Zhang Shiyun was really angry and might be able to kill them easily.

The Gou Clan members started to fear Zhang Shiyun, they had just fallen into the hands of that terrible woman.

"Say what you want in this territory of mine, otherwise you will die" Zhang Shiyun said to these people.

"We came to this place to catch someone" they told them their purpose of coming here.

"Just why do you want to catch that person, do you guys have a problem or what?" Zhang Shiyun asked.

"It's none of your business" they didn't want to answer, it seemed they were hiding the truth from Zhang Shiyun.

"You guys, I've already given you a chance, but you wasted the chance I gave you, then don't blame me." Zhang Shiyun began to release his own power, he released a strong wind force.

This wind blew everyone away, they were all caught in the storm and couldn't get out of this place.

"This bitch is so annoying, we'll kill you" They tried to fight Zhang Shiyun, they used artifacts to escape from Lin Rouxi's trap.

"It's useless, you guys won't be able to get out of the cage I made" Lin Rouxi said that they won't be able to get out of the cage she made.

"no way, how could you do this to us" the members of the Gou Clan seemed to have completely despaired, they were unable to put up a fight against Lin Rouxi and Zhang Shiyun.

"From the beginning you were wrong for coming to my place, now you are feeling the consequences for coming to my place" Zhang Shiyun said to the members of the Gou Clan.

"Crazy woman, you will regret what you have done" the Gou Clan member said that Zhang Shiyun would regret what he had done.

"I will not regret what I did" Zhang Shiyun said that he would not regret what he did.

"Chief, quickly use that" the members of the Gou Clan said to use that thing, it was one of the things that was capable of saving them.

"Looks like I have no choice but to use that thing." The leader of the group took out a ball the size of a baseball.

"You die" this man threw the ball towards Zhang Shiyun.

"sister, be careful" Lin Rouxi said to Zhang Shiyun, she told Zhang Shiyun to be careful because that thing contains a powerful and terrifying power.

Zhang Shiyun tried to retreat, it was a pity that it directly exploded in front of Zhang Shiyun.

"Boom. ." An enormous explosion occurred, this explosion enveloped the entire earth.

"hahahahaha" the Gou Clan member laughed as they managed to hit Zhang Shiyun, now that they could finally break free from the seal placed by Lin Rouxi.

This explosion was quite large and disrupted the solar system, this might be a pretty bad thing.

With such a strong and deadly explosion, Zhang Shiyun and Lin Rouxi should have been reduced to dust.

The figures of Zhang Shiyun and Lin Rouxi appeared from behind the fog, they both appeared and looked fine.

"That was close, luckily I was in time" Lin Rouxi succeeded, she made a barrier that protected them from enemy attacks.

"They're pretty bold too, that was nearly earth-shattering just now" Zhang Shiyun said in an annoyed tone.

Fortunately, the earth has a protector, otherwise it will have a very big impact on the earth.

"They seem even more dangerous, if we bring them into the earth, it will be very risky." Lin Rouxi thought about what could happen if they brought these people in.

"Looks like we don't need that, we eliminate them, they are probably calling for help, if that happens, this place will become a battlefield, and it won't be good for all of us." Zhang Shiyun thought of the worst that could happen if they caught the enemy.

"You are absolutely right" Lin Rouxi agreed with what Zhang Shiyun said, the safety of Earth people is more important than anything else, because there are many people precious to everyone.

"fight seriously, we will really fight them" Zhang Shiyun said to Lin Rouxi.

Zhang Shiyun told Lin Rouxi to be serious, they were going to fight against a member of the Gou Clan.

The Gou Clan members finally finished escaping from Lin Rouxi's trap, the opportunity they created was enough to get them out of Lin Rouxi's trap.

"Now that we are free, what can you do" the members of the Gou Clan were very arrogant, they seemed to have the confidence to win.

"You guys better get ready because we won't hold back against you." Zhang Shiyun said that the two of them wouldn't hold back against them.

"Only you" Tmembers from the Gou Clan looked down on Zhang Shiyun and Lin Rouxi.

They underestimated Zhang Shiyun and Lin Rouxi who only fought them with two people.

In terms of numbers they had already won by far and their cultivations were on the same realm, so Zhang Shiyun and Lin Rouxi had no possibility of winning.

"Rouxi, don't let them get away from this place." Zhang Shiyun set up a huge wind barrier, a huge wind dome instantly appeared and blocked all the escape routes they had.

"I understand" Lin Rouxi immediately understood what to do, she immediately created a whirlpool around this place.

"Now you guys won't be able to escape from this place." Zhang Shiyun smiled, Zhang Shiyun's smile had a meaning that they probably wouldn't even imagine.

"You guys are so stupid, it looks like you guys are trying to dig your own graves" the member of the Gou Clan said to Zhang Shiyun and Lin Rouxi, they dug their own graves by setting up a barrier around.

"I hope you don't regret coming to this place." Zhang Shiyun started to move her hands.

Instantly one of the enemy's body released a fresh blood.

In this person's chest was a hole the size of a sword.

"what happened, since when did he attack" they were all unconscious and didn't see when Zhang Shiyun attacked.

"don't panic, quickly unite and form a formation" they unite and form a formation.

"I won't let it." Lin Rouxi used the power of the water shot and pushed everyone away from each other.

Lin Rouxi's thrust was extremely strong, they were all pushed away from each other, at this rate they would not be able to fight together and would have a hard time facing Zhang Shiyun.

"Very good job, leave the rest to me." Zhang Shiyun was satisfied with Lin Rouxi's work, now she could easily defeat the enemy.

Zhang Shiyun used an invisible wind blade to attack the enemy.

The enemy could not see Zhang Shiyun's attack coming, all they could see was blood spurting from their bodies.
