

True God 2341

[Chapter 2341 Have Thoughts Of Destroying The Earth](#)

Zhang Shiyun took advantage of the opportunity given by Lin Rouxi.

He immediately gave a powerful attack towards the enemy.

"This woman, what kind of attack does she have".

The members of the Gou Clan seemed to be having trouble with the techniques and abilities that Zhang Shiyun and Lin Rouxi possessed.

Zhang Shiyun's wind blade moved and slashed at the enemies, their bodies covered in ghastly wounds.

Zhang Shiyun didn't hold back, he charged at the enemy in front and aimed for the life of the enemy.

"you all hurry up and gather right now" everyone was far away, so the leader told them all to rush into battle.

"Impossible, the whirlpool is very annoying." The Whirlpool created by Lin Rouxi was very annoying. It's not strange that they couldn't fight together.

"You guys just focus on fighting me." Zhang Shiyun said to her enemy.

"Damn bitch, you will regret for daring to fight us" the Gou Clan group leader said to Zhang Shiyun.

"stop babbling and fight me, I'm tired of listening to the ramblings you have" Zhang Shiyun was already getting tired of the enemy's slurred words.

"Get lost all of you." Zhang Shiyun decided to attack even more aggressively, she executed a very aggressive attack once towards the enemy in front of her.

"Slah "Blood kept pouring out of the enemy's bodies, they were not given a chance by Zhang Shiyun to defend themselves.

Zhang Shiyun's attack was extremely aggressive, she turned the enemy into a blood mist with her wind blade.

Lin Rouxi fought several enemies, she used her water power to crush the enemies in front of her.

Using the power of water, the cultivator's body inside began to disintegrate, the pressure Lin Rouxi used was so strong that it was capable of destroying the enemy's internal organs.

The two of them took out everyone quickly and left the leader of the group injured in all areas.

"In the end, you are the only person I hate the most" Zhang Shiyun said to the man in front of her, he was one of the people Zhang Shiyun hated the most.

This person was extremely arrogant and infuriated Zhang Shiyun, he called Zhang Shiyun a bitch several times.

"Damn it, who are you two, why do you guys have such strength." He couldn't believe that Zhang Shiyun and Lin Rouxi were so strong.

"I told you that I am the ruler of this place, and you still dare to call me in such a disrespectful tone." Zhang Shiyun announced for the umpteenth time that she was the ruler of this place.

"Then you must prepare because you will be destroyed, the patriarch of our clan won't spare you" he told Zhang Shiyun.

"To be honest I'm not afraid of the threats you give" Zhang Shiyun said that he was not afraid of the threats given, it is useless to be afraid of the threats given.

If Zhang Shiyun didn't finish this guy off, then the earth would still be in risk, so it was all the same.

"You get ready" he told Zhang Shiyun to get ready, he would fight Zhang Shiyun to the last drop of blood.

"Then get ready" Zhang Shiyun used her own strength, a huge wind appeared around this place and cut everything in front of her.

It was like millions of blades that were traveling like a current and it was terrifying for the people within it.

"rumbling" This person's body's started emitting a blood-red lightning, this lightning enveloped his body and this person's strength increased quite a lot.

"he burned his own blood" Zhang Shiyun knew that this person burned his own blood to use this power, he obviously used quite a lot of courage to do this.

"Looks like he's pressed." Lin Rouxi said to Zhang Shiyun.

"If he doesn't use that thing, he will be killed" Zhang Shiyun said to Lin Rouxi.

"You are too much that he became like that" Lin Rouxi said to Zhang Shiyun.

"Why are you blaming me, he himself chose this path, better be careful because it looks like he is about to use a terrifying power to destroy Earth".

Zhang Shiyun sensed that the person in front was targeting the earth.

"Don't let him do that." Lin Rouxi said to Zhang Shiyun, they must not let this person target the earth.

Everyone that Lin Rouxi loved would probably die if that happened.

"The wind dome I created should be enough to withstand it," Zhang Shiyun said to Lin Rouxi.

"I will protect the earth with even more power" Lin Rouxi used her own power to protect the earth, the earth was covered by a huge amount of water.

"Looks like it's one of your precious places, then I'll destroy this place" This guy knew that he wouldn't be able to defeat Zhang Shiyun and Lin Rouxi, so it was better to destroy their place and make the two of them despair.

"I told you that this queen will not let you do that." Zhang Shiyun said that he would not let the earth be targeted by this person.

"Boom" an explosion occurred, Zhang Shiyun used her wind power to destroy the attack launched by the enemy.

The enemy used all the abilities he had to destroy the earth, he ignored Zhang Shiyun and Lin Rouxi.

The two continued to use their strength to restrain the enemy from the Gou Clan, the enemy was too agile and caused them trouble.

The biggest problem for Zhang Shiyun and Lin Rouxi was that neither of them could attack their enemy, for some reason the enemy's body became flexible and couldn't be touched by their techniques and attacks.

"My attack is ignored, the body is translucent?" Zhang Shiyun and Lin Rouxi realized that the attacks they launched pierced the enemy's body.

"He doesn't have a physical body" Lin Rouxi finally realized that the enemy didn't have a physical body.

"He sacrificed his own body to avoid our attacks." Zhang Shiyun finally realized what the enemy was doing.

"You two are so stupid for letting me use this technique, now you won't be able to touch me and you can only see how this small place is destroyed" the enemy said to Zhang Shiyun and Lin Rouxi.

Zhang Shiyun and Lin Rouxi became quite tense, they tried all kinds of ways to stop the enemy.

Even Lin Rouxi used all her strength to create a super strong whirlpool to stop her enemy.

The problem is that their enemy is lightning, so he can travel fast and not get carried away by the current.

The two are starting to run out of time, this person is getting closer to earth and is about to crash into earth.

"Hahaha, this is the end of your residence, destroy it. . . ." he is heading to earth and ready to destroy earth.

Even the barrier that Lin Rouxi had deliberately set up was unable to restrain this person.

"Bamm . . ." when he was about to enter the earth, an object hit him and immediately sent him flying backwards.

"damn what happened ?" he was knocked back, a punch hit him.

Physical attacks shouldn't be able to touch or attack him.

"You are so bold, it looks like you want to be crushed." Ye Chen appeared, he came to stop the force that was going to the earth.

This person was bold enough to have thoughts of destroying the earth, which Ye Chen naturally couldn't accept.

"You. . . , I finally found you" he finally found the whereabouts of Ye Chen, the person who had killed Gou Yanhe.

"You are from the Gou Clan, well done, then you deserve to die" Ye Chen used the divine lightning, he crushed the enemy using the divine lightning.

[Chapter 2342 Ning Yi Told What Happened To Her](#)

"you are all bastards, I will make you regret what you have done" he began to attack Ye Chen.

Ye Chen swung his hand, he directly slapped the enemy who was in front of him easily.

"impossible" he didn't believe what happened, how could Ye Chen slap him so easily like that.

"how could this happen, it should be that you won't be able to touch me" she said to Ye Chen, it should be Ye Chen can't touch herself.

"What's the matter, do you think I can't touch you, it's too naïve as hell" Ye Chen said.

Ye Chen used the heavenly lightning and began to envelop the body of the enemy, using the heavenly lightning, he easily enveloped the enemy and locked up the enemy.

"It's not what this is, it's impossible how do you have this thing" it seemed that he couldn't fight the heavenly lightning, this was too strong and his body began to be fed by the heavenly lightning.

"You have to know that in this world there is a higher kind of lightning compared to the one you have, so just accept the fate you have".

Ye Chen said in a firm tone, lightning began to crush the man who came from Clan Gou.

In just a matter of minutes, the red lightning disappeared instantly, now everything has been completely destroyed by Ye Chen's heavenly lightning.

"husband, you are so awesome, how did you do it, I and Rouxi can't even touch it" Zhang Shiyun approached towards Ye Chen's place.

"it was a secret trick where I used the same force against it, it seemed to be quite effective" Ye Chen said to Zhang Shiyun.

"no way Zhang Shiyun doesn't believe it" Ye Chen must have hidden such a powerful technique, he was even more curious.

"Already, let's go back with me, we will discuss the enemy" Ye Chen said to Lin Rouxi and Zhang Shiyun.

"okay" Zhang Shiyun and Lin Rouxi followed behind Ye Chen.

Ye Chen called Zhao Yanyan and Feng Xue, it seemed that the two had to go back to discuss a big enough matter.

"Whether it is true, if it is true, then it is very troublesome once" Zhao Yanyan said to Ye Chen.

If what Ye Chen said is true, then it becomes a very troublesome thing once.

"I knew that you would say that too" Ye Chen knew that Zhao Yanyan would definitely say the same.

"anyway, we are waiting for Ning Yi to wake up, after that we will start to counterattack, it is not good to make the earth visible because it will be a dangerous thing to do" Ye Chen said to everyone.

"I agree" Lin Rouxi, Feng Xue and Zhang Shiyun agreed, they all agreed with what Ye Chen said.

"everything is decided" then let's divide our task" Ye Chen said to Zhao Yanyan, Lin Rouxi, Feng Xue and Zhang Shiyun.

Zhao Yanyan, Lin Rouxi, Feng Xue and Zhang Shiyun understand what they should do, they all seem to understand what to do.

Ye Chen headed back to Ning Yi's place, he wanted to confirm whether Ning Yi was awake.

Ning Yi still didn't wake up and seemed to be fast asleep, Ye Chen approached and looked at the condition from Ning Yi.

Ye Chen sat next to Ning Yi, he confirmed the conditions and circumstances of Ning Yi.

"she looks so cute" Ye Chen saw Ning Yi, she looked pretty cute if this is the case.

Ye Chen touched Ning Yi, he tried to make Ning Yi feel good.

Ye Chen accompanied Ning Yi for a period of time, it took a long time to wait for Ning Yi to fully regain consciousness.

After waiting for a few hours, Ning Yi opened his eyes, when he opened his eyes, he found an unfamiliar place.

"what happened to me, where is this place" Ning Yi looked confused, she didn't know where she was at this time.

"calm down, you are in my place" Ye Chen said to Ning Yi, he told Ning Yi that he was now in his place.

"ehhh, Ye Chen, why can I be in your place?" Ning Yi asked Ye Chen, she wanted to know why she was in Ye Chen's place.

Ning Yi got out of bed directly, she revealed a nice beautiful body in front of Ye Chen.

"calm down, don't ask too much, why don't you cover your body first, I can easily see it" Ye Chen said to Ning Yi.

"Eh. . . ?, Kyahhhhhhh" Ning Yi looked down, when she looked down, she found that her lower body was exposed.

she didn't wear anything on her body.

"No. . ., what happened to my body" Ning Yi asked Ye Chen, where did the clothes she had gone.

"I let go, I did it to heal you" Ye Chen said to Ning Yi.

"so you let it go, you must have seen it all" Ning Yi said to Ye Chen.

"Of course, I have seen everything, so there is no need to hide it anymore" Ye Chen said to Ning Yi.

Ning Yi's face turned red like an apple, she seemed very embarrassed as hell by what happened.

"that's so embarrassing" Ning Yi said to Ye Chen, she told Ye Chen that it was so embarrassing.

"I'm doing this to heal you" Ye Chen said to Ning Yi.

"I know, but it's still so embarrassing" Ning Yi said to Ye Chen, telling her that it was still embarrassing.

Ye Chen smiled, it was fun to look at the timid Ning Yi.

"these are new clothes for you, I see that your previous clothes were damaged and you were also injured quite badly" Ye Chen said to Ning Yi.

"Thank you very much" Ning Yi thanked Ye Chen, she thanked Ye Chen for giving her a dress.

Ning Yi just went straight to use the clothes given by Ye Chen, she was grateful for the clothes given by Ye Chen.

It seems that the clothes chosen by Zhao Yanyan are very suitable for Ning Yi, most likely this is very suitable for Ning Yi to use.

"So what happened to you, can you tell me what happened to you?" Ye Chen asked Ning Yi.

"I'll explain what happened to you, please listen to me carefully" Ning Yi said to Ye Chen, she told Ye Chen about what happened.

Ye Chen listened to the words from Ning Yi, he finally began to understand what happened.

"so it can be said that you are attacked when you are about to come back" Ye Chen said to Ning Yi.

"that's absolutely true" Ning Yi nodded lightly, Ning Yi telling Ye Chen that she was attacked when she was about to return.

"is Gou Mengma that strong?" Ye Chen asked Ning Yi, he wanted to know the strength of Gou Mengma.

"He has a strong lightning power and is very fast, his speed exceeds me and maybe he becomes a difficult opponent to beat" Ning Yi said to Ye Chen.

"so that's it, I understand, it seems that he is a passable opponent" Ye Chen said to Ning Yi.

"I hope that my Clan members are okay" Ning Yi hoped that his Clan members were okay.

"Don't you send a signal for help" Ye Chen asked Ning Yi.

"Actually, I have done that thing, it's a pity that I didn't get an answer" Ning Yi said to Ye Chen.

"If that's the case, then it should be that your Clan is in serious trouble too" Ye Chen said to Ning Yi.

"impossible" Ning Yi was sad when listening to this, if it was true then what should Ning Yi do.

Ning Yi looked sad, she didn't seem to know what to do in this kind of situation.

[Chapter 2343 Gou Mengma's Plan](#)

"Don't worry, everything will be fine" Ye Chen tried to comfort Ning Yi, he said that everything will be fine.

Ning Yi needed to be even more calm in dealing with the situation as it happened, lest she lose control and do something reckless.

"um . . ." Ning Yi looked at Ye Chen, somehow Ye Chen made Ning Yi feel better, she could feel that Ye Chen was giving her own comfort.

"strange feeling" Ning Yi felt a strange feeling when she was with Ye Chen, this feeling was quite strange and made Ning Yi feel nervous when she was with Ye Chen.

"We'd better recover yourself first, after that we can discuss the matter" Ye Chen said to Ning Yi.

Now Ye Chen needs to cure Ning Yi first, after Ning Yi is fully cured, they can go straight to see what happened.

"um . . ., you are absolutely right, my wound is still not completely healed" Ning Yi seemed to agree with what Ye Chen said, he agreed to do what Ye Chen said.

Ye Chen helped Ning Yi, meanwhile Ning Yi did what Ye Chen said.

The two spent time together, they did not expect that several days had passed.

"Yanyan, how are the conditions around, are there any suspicious signs" Ye Chen asked Zhao Yanyan, he wanted to know if there were any suspicious signs outside.

"everything is under control and everything should be fine" Zhao Yanyan said that the situation seemed to be clear, there was no sign of movement from the enemy and the earth was also covered by a barrier that was extremely strong and not easy to break through.

Fu Lanlin, Nangong Xiang even came down to earth, they protected this place and made sure that earth was okay.

Many of Ye Chen's women had descended, evidently all of them seemed worried about their home on earth and decided to go and protect earth from threats.

"Very good, then I will go together with Ning Yi, I will leave this place to you" Ye Chen said to Zhao Yanyan.

"You have to be careful, don't do anything weird" Zhao Yanyan said to Ye Chen, she told Ye Chen to be more careful.

"I understand, I will be careful" Ye Chen understands, he will be even more careful and will not do anything bad.

"what about your condition, are you okay" Ye Chen asked Ning Yi.

"My condition has recovered 95%, looks like I'm ready" Ning Yi told Ye Chen that she was ready.

"then let's go, we will fly so that the enemy won't find us" Ye Chen said to Ning Yi.

"That's a smart and very good decision" Ning Yi seemed to really like Ye Chen's decision, she saw that Ye Chen had decided a very good thing.

"let's go, let's save all the clan members you have" Ye Chen said to Ning Yi.

The two of them headed straight for the Ning Yi Clan.

Since Ye Chen didn't know where Ning Yi's ancient Clan was located, he decided to let Ning Yi take the lead.

Ye Chen meanwhile made sure that they weren't discovered, he was able to hide their whereabouts from them very well.

"My clan is very far away, we may need a few days to arrive" Ning Yi said to Ye Chen.

"how far is it" Ye Chen asked Ning Yi.

"Of course, it's quite far if we use the ark we might be faster, but it will be conspicuous and we might be discovered" Ning Yi said to Ye Chen.

"I totally agree with what you said" Ye Chen agreed with what Ning Yi said.

"it's okay, we can fly at a faster speed, I believe we can get there quickly" Ye Chen spoke to Ning Yi.

"um . . ." Ning Yi understood, the two of them flew away at a fast speed.

They used the highest speed they had to arrive at Ning Clan.

.
.

Meanwhile, Gou Mengma was currently sitting while waiting for news.

"damn, no news, what happened" Gou Mengma was angry, he didn't get any news about Ning Yi.

"Master, the people we sent have been defeated, and now the other groups haven't returned either, do we need to send more people" one of the elders asked Gou Mengma.

"We can't send more people, our numbers are limited, we are focusing on conquering Ning Clan, they are already pushed back and their numbers are getting smaller" Gou Mengma said to focus on destroying Ning Clan first.

"That girl will definitely return to this place, so there's no need to worry, let her be shocked when we manage to destroy the entire Ning Clan" Gou Mengma said with an evil laugh.

"Patriarch, you are smart, I will tell this to our troops" the elder left immediately, he went to tell the troops that they would destroy Ning Clan soon.

"I will definitely crush anyone who dares to challenge us" Gou Mengma said in a serious tone mixed with intense anger.

It was obvious that he was angry because he had lost a son, he would not let go of the people involved, even if he had to antagonize the entire Ancient Clan.

Gou Mengma got up from his chair, he went straight to the battlefield, he would go ahead and finish it himself.

"It's time to show who I am" Gou Mengma said confidently, he seemed to be very confident in going against the Ning Clan.

Ye Chen and Ning Yi were currently on their way, both of them were still on their way to Ning Clan.

"Are you okay" Ye Chen asked Ning Yi, he wanted to know the condition of Ning Yi,

"I'm fine" Ning Yi said to Ye Chen, she told Ye Chen that she was fine.

"if you are tired, you should rest for a bit, you don't need to push yourself so much" Ye Chen said to Ning Yi.

Ye Chen told Ning Yi not to push herself too hard, he didn't want Ning Yi to push herself too hard.

"I understand" Ning Yi was touched by the attention that was given by Ye Chen, Ye Chen gave a pretty sweet attention to Ning Yi.

Ye Chen of course paid attention to Ning Yi, he didn't want Ning Yi to get into trouble.

Ning Yi had just been injured recently, so it wouldn't hurt to take a good look at Ning Yi.

The two of them continued their journey and flew at full speed, they should be arriving soon.

Ye Chen and Ning Yi finally arrived at a place, both of them arrived at a place that was quite damaged from the battle.

"This is the place where I was ambushed, it seems they have already left this place" Ning Yi informed them that they were close.

This was the place where Ning Yi was attacked by Gou Mengma.

"So here you were ambushed, it seems you had a very fierce battle with that person" Ye Chen said to Ning Yi.

"To be honest that person is shameless, he brought quite a number of people to ambush me, otherwise I wouldn't be injured badly enough" said Ning Yi in a complaining tone.

Ye Chen smiled when he saw Ning Yi, it was funny when he saw Ning Yi like that.

Ye Chen used God Eyes, he saw if there was anyone around this place.

"There's no one around this place, we should just go to your Clan" Ye Chen said to Ning Yi, he told that there's no one around this place.

[Chapter 2344 Ning Clan Ruined](#)

"they seem to be back, then we should also go" Ning Yi agreed with Ye Chen's words, she wanted to know the conditions of her Clan.

Ning Yi took Ye Chen and led the way, she made sure that Ye Chen did not get lost and hit a trap.

"All the traps in this place were set up by your clan?" Ye Chen asked Ning Yi.

"Of course, this is all done to protect our place, you should know that there are so many people eyeing our place, even other ancient Clans are also doing the same" Ning Yi replied.

Ning Yi told Ye Chen about what happened, why they put traps and formations to confuse the enemy.

"It seems that you guys are very wary of outsiders, doesn't it matter if I come with you" Ye Chen said to Ning Yi.

"I don't think it matters, you are a good person, I don't feel anything bad from you and you want to save me, so you are an exception" Ning Yi said to Ye Chen.

Ning Yi seemed to believe in Ye Chen very much, she believed that Ye Chen would not do anything bad.

"you have to be careful, maybe I can pounce on you from the back" Ye Chen said to Ning Yi.

"Then why didn't you do it from just now" Ning Yi said to Ye Chen, why didn't Ye Chen do it from just now, he should be able to do that thing without needing to say to Ning Yi.

"You already have a lot of opportunities to do that thing, but in fact you didn't" Ning Yi said to Ye Chen.

"maybe it's because I'm a good person" Ye Chen said.

"If I hadn't seen you have beautiful women around, I thought you were an idiot" Ning Yi said to Ye Chen.

"so evil" Ye Chen said in a dissatisfied tone.

"I'm just telling the truth about the impression I have on you" Ning Yi smiled, she smiled more often when she was with Ye Chen.

Ning Yi became more relaxed again, she became more peaceful when she was together with Ye Chen.

The two continued their journey until they came to a place, they came to a place that had quite a lot of gaps and hollows.

"There is someone around" Ye Chen said to Ning Yi.

"Are they from my clan" Ning Yi was quite excited, she wanted to see if they were people from her clan.

"no, it doesn't seem to be from your Clan" Ye Chen said to Ning Yi, he told her that this was not from her Clan.

"You mean ?" Ning Yi asked Ye Chen.

"Come with me" Ye Chen said to Ning Yi, the two looked for a place to hide and waited for them to show up.

"Ye Chen, what are you going to do ?" Ning Yi asked Ye Chen, she wanted to know what Ye Chen was going to do.

"Stttt, you will understand soon" Ye Chen said to Ning Yi.

Ning Yi understood, she didn't ask much and focused on looking forward.

In front, they saw several people from the Gou clan.

"they don't come from my Clan" Ning Yi finally realized that they didn't come from her Clan.

"This part of the place has been controlled by them, it is very likely that they have all succeeded in getting inside" Ye Chen said to Ning Yi.

"Doesn't that sound very bad" Ning Yi said to Ye Chen.

"to be honest, it is indeed a bad thing" Ye Chen agreed with what Ning Yi said.

"we have a very easy task, even though the Patriarch and elders are carrying out an attack to kill the Ning Clan" the members of the Gou Clan began to discuss what happened to the Ning Clan.

"what! ! !" Ning Yi looked surprised and couldn't control herself when listening to this news.

"Calm down first" Ye Chen told Ning Yi to be calmer, he didn't let Ning Yi lose control and make trouble.

"But, didn't you hear what happened just now" Ning Yi said to Ye Chen.

"Sure, I heard it very clearly once, but I don't want you to do the thing that makes you wretched" Ye Chen said to Ning Yi.

Ye Chen tried to make Ning Yi calm down, he used words to make Ning Yi calmer again and did not do the thing that made them discovered.

Ning Yi gritted her teeth, she took a deep breath and began to calm down.

"Ning Yi, listen to me carefully" Ye Chen said to Ning Yi, he told Ning Yi to listen to himself well.

"what is that" Ning Yi asked Ye Chen.

"we use the thing we have, it will be a good thing to give our enemy a surprise attack" Ye Chen said to Ning Yi, he told her that they could launch a surprise attack on their enemy.

"I see" Ning Yi seemed to have begun to understand Ye Chen's intentions and purpose, she began to understand why Ye Chen did all this.

"Very good, then let's do it, we can definitely do it" Ye Chen was confident, they would definitely be able to do it.

"the daughter of the Ning Clan is still not found, if she is found, she will have a bad luck" these people began to talk about Ning Yi, they said that Ning Yi would have a bad thing.

"they are also targeting me" Ning Yi saw that he was also targeted by the Gou Clan, that's why Ye Chen's decision was good enough and got Ning Yi out of trouble.

"Come with me, we will use the secret road" Ning Yi said to Ye Chen.

"Is there a secret passage ?" said Ye Chen to Ning Yi.

"Of course, this is a very fast secret road to pass these people" Ye Chen told Ning Yi, telling them that this was the fastest way to get into the Clan.

Ye Chen came with Ning Yi, the two went towards a hole in this place.

"here it is, let's go in" Ning Yi told that this is the place, as long as they enter here, they will directly arrive at the Clan.

"Then what are we waiting for, let's go in" Ye Chen said to Ning Yi, the two went into the pit together.

Ning Yi walked in first, so much so Ye Chen followed directly behind Ning Yi, the two walked in and went straight to the deeper section.

With the direction given by Ning Yi, Ye Chen easily came to the end, where they came to an unused warehouse.

"this place is connected to the warehouse" Ning Yi said to Ye Chen, he told them that they arrived at the warehouse.

When they came out, they immediately saw the sky, here it can be explained that the warehouse has been razed to the ground.

"It's terrible, the warehouse has been razed to the ground" Ning Yi said to Ye Chen.

"let's look around first" Ye Chen and Ning Yi looked around, they saw that the houses around were already destroyed and full of debris.

"it's so bad, this place is ruined, my clan is ruined like this" Ning Yi was very sad when she saw what happened.

[Chapter 2345 Gou Mengma Makes An Attack On Ning Clan](#)

Her ancient clan had become like this and it was all the work of the Gou Clan.

"They attacked this place, what are they after" Ye Chen asked Ning Yi.

"The Gou Clan has been after our treasures for a long time, so it's not strange that our relationship is not good, and now they are doing cruel things and showing their power to my Clan" Ning Yi told Ye Chen.

Ning Yi looked gloomy, he seemed to be discouraged and sad when he saw what happened.

"They did it quite ruthlessly, let's go look for survivors" Ye Chen said to Ning Yi.

"You are absolutely right, this is not the time to be sad" Ning Yi should not be sad, there might still be survivors.

"Let's search around this place" Ning Yi said to Ye Chen, there might still be survivors in this place.

Ye Chen and Ning Yi sneaked around, both sneaking around to find survivors.

Ye Chen and Ning Yi sneaked around, they found several corpses lying around.

Ning Yi looked at them and confirmed who they were.

"How?" Ye Chen asked Ning Yi.

"They are guards, it looks like they fought and died in this place" Ning Yi told Ye Chen.

"I'm sorry, let's all just focus on going straight to the inside, it looks like no one survived this place" Ye Chen invited Ning Yi to go even deeper, it looked like there was no one left in this place.

"Boom. . ." an explosion occurred in the distance, it seemed like there was a battle ahead.

"Let's quickly go inside" Ning Yi said to Ye Chen.

Ye Chen immediately brought Ning Yi forward, the two of them arrived at a place where there was a strong barrier that was trying to be destroyed.

People from outside were trying to destroy this barrier, they were all destroying the barrier which had quite a few people inside.

"Isn't that the head of Clan Gou?" Ye Chen said to Ning Yi.

"Yes, the person with the most power is the Clan leader" Ning Yi said to Ye Chen.

Ning Yi saw how his Clan was, it seemed like they could still defend against the enemy, the barrier was strong enough to withstand the attack from Gou Mengma.

"There is still hope, we can save them" Ning Yi had a hope to save everyone.

"That's right, we just need to wait for the right time to do it" Ye Chen told Ning Yi.

Right now they just needed to find the right time, they could launch an attack on Gou Mengma and Gou Clan.

"Ning Hazu, surrender right now and become a slave of Gou Clan, you are surrounded" Gou Mengma said in a commanding tone.

Ning Hazu was the Clan Chief of Ning Clan and was Ning Yi's father, it seemed that he along with the other Clan members were hiding in this place to take refuge from Gou Mengma.

"We still have our pride, so we won't want to be a part of you" Gou Mengma said that they didn't want to be a part of Gou Mengma let alone bow down at Gou Mengma's feet.

"Unwise choice, you're already on the brink, if you continue like this you'll destroy the entire Clan" Gou Mengma was about to destroy Ning Clan.

"We will endure to the end." Ning Hazu said that they would endure to the end.

"Then get ready, I'm going to destroy you all." Gou Mengma said to Ning Hazu.

Gou Mengma instantly wielded great lightning power, lightning gathered above the clouds and began to rain down on Ning Clan's barrier.

A huge rain of spears began to occur, this was terrifying and like an ending for Ning Clan.

Ning Clan's barrier probably wouldn't last much longer, so they had to fight.

"Our barrier probably won't last much longer" Ning Hazu said that the barrier they had wouldn't last long.

"We're a Clan, we have to fight even if the end of our battle isn't good" They all refused to give up, they didn't want to give up and stay silent.

"Even if we lose, we still have glory, let's fight to the end." Ning Hazu tried to convince everyone, as he roused the spirit of the remaining members of Clan Ning.

"Come on. . ." Their spirit was enormous, even though they were outnumbered, they still dared to put up a fight.

Ning Yi was moved when he saw what was happening, they were all very brave and not afraid of death.

"They still have a spirit, that means it will be easy if they decide to join the battle." Ye Chen was naturally happy.

This way they could still meet to protect themselves.

"Hahahahaha" Gou Mengma laughed, he destroyed everything in front of him and didn't care about the safety of Ning Clan.

"Crack. . ." Gou Mengma used quite a bit of power, he borrowed power from the members of the Gou Clan to increase his strength and destructiveness.

This naturally made Ning Clan's armor begin to crack and could not withstand Gou Mengma's excessive strength.

"Be destroyed. . , be destroyed. ..., hahahaha" Gou Mengma seemed to enjoy this, they seemed to enjoy seeing Ning Clan destroyed.

"More power, give me more power, I will destroy their Clan" Gou Mengma ordered to give more power, he wanted to destroy Ning Clan.

"Clang" The barrier that Ning Clan had was destroyed, their barrier was shattered into pieces by Gou Mengma.

"Hahahahaha" Gou Mengma laughed, he had successfully destroyed Ning Clan's barrier.

"Now is the end for all of you, prepare yourselves for it" Gou Mengma told Ning Hazu.

"Let's fight" Ning Hazu invited everyone to fight with him, he wanted to make everyone fight to the end.

"This seems to be the time" Ye Chen said to Ning Yi, this was a pretty good time for them to make a surprise attack.

"Let's go out" Ning Yi came out, she launched an attack from behind.

Ning Yi used a huge amount of Vermilion power, she made a powerful slash towards Gou Mengma.

Gou Mengma and the others were too focused, they did not notice the arrival of Ning Yi's attack.

A huge explosion occurred, this huge explosion occurred and destroyed everything around.

"Damn it" Gou Mengma cursed, Ning Yi's attack made he angry.

The powerful attack launched by Ning Yi managed to injure quite a few people.

"Ning Yi, is that you?" Ning Hazu was very happy when he saw Ning Yi, as it turned out that Ning Yi was still alive and in good condition.

"Father, I came to help you, I also brought some help for you" Ning Yi said that he came and brought some help.

"Little girl, how dare you attack me?" Gou Mengma said to Ning Yi, he didn't like Ning Yi.

"You deserve it" Ning Yi said that Gou Mengma deserved the attack.

"Damn it, I won't let you" Gou Mengma attacked Ning Yi.

This time she would make sure to kill Ning Yi.

"Bam" As Gou Mengma attacked, Ye Chen came forward to block Gou Mengma's attack.

"You... ." Gou Mengma looked at Ye Chen, his anger became even higher when he saw Ye Chen.

"Weren't you looking for me" Ye Chen said to Gou Mengma.

"Damn it, you appeared in front of me, that's great, now I will kill you in this place" Gou Mengma said to Ye Chen.

Gou Mengma's voice was full of anger, it seemed like he was furious towards Ye Chen.

[Chapter 2346 Super Black And Red Lightning Ball](#)

"You seem to be very angry" Ye Chen said to Gou Mengma.

"Of course, I am very angry and can destroy anything" Gou Mengma said to Ye Chen, he told him that he can destroy anything too.

"Feel this" Gou Mengma used the speed of lightning, his feet were enveloped by lightning and now he became very fast.

"Want to use speed against me, you are too naive" Ye Chen saw that Gou Mengma was too naive.

"Ye Chen she is very fast, you better be careful" Ning Yi told Ye Chen, she warned Ye Chen about Gou Mengma's speed.

"It's too late, you will be crushed and die in this place" Gou Mengma told Ye Chen.

Ye Chen smiled, his body suddenly disappeared and he appeared behind Gou Mengma's body.

Gou Mengma did not know and did not realize Ye Chen, all he knew was that Ye Chen was already behind and attacking him.

"Arghhhhh. . ." Gou Mengma cried out, he screamed when Ye Chen launched an attack towards the back.

"Damn, how could this be possible" Gou Mengma could not believe how Ye Chen could appear behind him.

"Don't underestimate me, I also have the same speed as you" Ye Chen said to Gou Mengma.

"Damn it. ." Gou Mengma underestimated Ye Chen too much, it turned out that Ye Chen was strong too and was able to surpass his speed.

"All of you help me" Gou Mengma told the elders to help her fight Ye Chen.

"Your opponent is me" Ning Yi told the elders of Gou Clan, Ning Yi wouldn't let them get away with it.

"Move aside" they told Ning Yi to get out of the way.

"I told you that I won't move, be prepared to fight me" Ning Yi told the elder of Gou Clan.

"There's no other choice, attack" They decided to attack Ning Yi.

"Don't let them, we must unite" Ning Hazu would not let Ning Yi fight alone, they also wanted to help.

"Boom. ." the battle between the elder Gou Clan and Ning Clan was unavoidable, they started fighting and showing the strength they had.

Gou Mengma saw the battle going on, it looked like she wouldn't be able to ask the elders for help as they were also busy fighting Ning Clan.

"Damn it" Gou Mengma cursed, she cursed that Ning Clan was interfering.

"They won't be able to help you fight me" Ye Chen said to Gou Mengma.

"If it's like this, I don't need their help" Gou Mengma said to Ye Chen.

The situation was already like this, Gou Mengma didn't need any more help to fight Ye Chen.

Gou Mengma's body began to be enveloped by lightning with flaming black and red colors.

Gou Mengma used his hidden power to fight Ye Chen.

"This time I will use a speed that you have never seen in your life" Gou Mengma told Ye Chen, he would show Ye Chen a speed that he had never imagined.

"That's bad, it's a speed enhancing technique, she will become super fast and hard to fight" Ning Hazu said in a worried tone.

"Is it that strong?" Ning Yi asked, is Gou Mengma's strength that strong?

"I fought him once and lost badly, it was troublesome" Ning Hazu said in a deep disappointed tone.

"Ye Chen, be careful, he's going to be very fast" Ning Yi immediately gave Ye Chen a warning.

"It's too late, you are within my reach and you will die" Gou Mengma kicked the air at an unbelievably fast speed, this was even faster than the speed of light.

As Ning Hazu had said, Gou Mengma's speed was indeed very fast.

It was not easy to see the speed that Gou Mengma possessed.

"Time Vision" Ye Chen's used the ability to see the movements of the opponent, with this Ye Chen saw the movements that Gou Mengma would make.

Ye Chen saw the movement of Gou Mengma, with Time Vision he could tell what Gou Mengma was going to do.

"miss" The attack from Gou Mengma missed, it didn't hit Ye Chen.

"How could that happen, it should have hit, what happened?" Gou Mengma should have been able to hit Ye Chen, but why was Ye Chen able to dodge at the last moment.

"It must be a hallucination, I'll try again" Gou Mengma decided to attack Ye Chen again.

"miss, miss, miss, miss, miss, miss, miss," Ye Chen dodged the attacks from Gou Mengma, all the attacks from Gou Mengma could not touch Ye Chen.

"No way, it should have hit" Gou Mengma shouted angrily, he should have been able to hit Ye Chen.

But why did all her attacks successfully avoided by Ye Chen.

"Your speed isn't bad, too bad, I can see all the moves you are going to make" Ye Chen said that Gou Mengma's attacks were easy to guess.

"Don't tell me that you can read my attacks" Gou Mengma finally realized that Ye Chen was able to read her attacks.

"Of course, I can read your attacks, so the chance of you winning is none" Ye Chen told Gou Mengma.

"I see, then I have a way to deal with you" Gou Mengma had a way to deal with Ye Chen.

Since Ye Chen could read his attacks, Gou Mengma only needed to perform blind attacks.

That way Ye Chen wouldn't be able to withstand her attacks.

Gou Mengma's attacks became chaotic and irregular, making it difficult to read Gou Mengma's attacks.

Ye Chen could still read Gou Mengma's attacks, Time Vision gave Ye Chen a vision of future attacks coming.

"faster, faster again" Gou Mengma tried to increase his speed.

Gou Mengma's speed was indeed becoming faster and faster and could barely be seen by the eyes.

"Unreasonable speed" Ning Yi could not see the attacks that Gou Mengma was launching.

If Ning Yi was in Ye Chen's position, it would be very difficult for Ning Yi to defend.

"Focus on the battle" elder Gou Clan attacked Ning Yi.

He drew his sword and targeted Ning Yi's body.

Ning Yi used her sword, she used a quick step killer move and started stabbing one of the Gou Clan elders who was in front.

With a powerful and deadly attack, Ning Yi managed to stab the Elder's chest, after which the Vermilion flames instantly ignited and burned the elder's entire body to nothing.

Ning Yi's abilities had to be taken into account, if they let their guard down just a little, then they could be burned to the ground by Ning Yi.

"Come forward, I will fight you all." Ning Yi would end the battle quickly, after which he could help Ye Chen fight Gou Mengma.

"Don't dodge, you bastard" Gou Mengma was furious, none of the attacks he launched could hit Ye Chen.

"Blaming people for incompetence, is this the leader of the Gou Clan, really very unworthy" Ye Chen said.

Gou Mengma's face turned red and some veins began to show, it seemed that Gou Mengma's anger had reached the peak and he could explode at any time.

"Super Black and Red lightning Ball" Gou Mengma began to gather quite a lot of power, he gathered a lot of power above the sky.

A large ball with black and red colors began to form, this ball became bigger and bigger along with the power Gou Mengma used.

It quickly became almost the same size as a star.

"Let's see how you will survive an attack of this size" Gou Mengma said to Ye Chen.

[Chapter 2347 Gou Mengma Was Defeated](#)

Since ordinary attacks were unable to hit Ye Chen, Gou Mengma decided to use an even more powerful attack.

It seemed like Gou Mengma wanted to eliminate Ye Chen along with everyone else in this place.

"You're pretty bad too, but I like the way you play" Ye Chen liked the way Gou Mengma played.

"God Thunder Armor, Rhino power" Ye Chen used power to increase his physical strength.

Ye Chen's body was enveloped by an unbelievably powerful profound lightning.

"okay, I'm ready, time to battle you" Ye Chen was ready to battle, he wanted to show his strength.

"Die for me" Gou Mengma said to Ye Chen, he threw a super large ball of lightning towards Ye Chen.

Ye Chen advanced and approached the Super Black and Red lightning Ball, he stretched his hand forward, and held the Super Black and Red lightning Ball.

"He's holding it" everyone looked surprised when they saw Ye Chen was able to withstand the attack from Gou Mengma.

"Great, he can withstand such an attack, who exactly is he" Ning Hazu was shocked when he saw Ye Chen withstand Gou Mengma's attack, such a powerful attack was withstood by Ye Chen using only his bare hands.

"You idiot, you won't be able to withstand that with just your bare hands" Gou Mengma said to Ye Chen.

"Who says, I can withstand it with just my bare hands, even if I want to, I can withstand it with just one finger" Ye Chen said to Gou Mengma.

"Stop bragging in front of me, you are not worthy to fight against me" Gou Mengma said to Ye Chen, he told Ye Chen that he was not worthy to fight against him.

"Let's see who will win" Ye Chen said to Gou Mengma.

Both of them showed the best strength they had, they tried to take each other down.

Gou Mengma was in a position where he had to use all his strength, otherwise he wouldn't be able to knock Ye Chen down.

"Fall and crumble into dust" Gou Mengma shouted in a loud voice, he told Ye Chen to fall right now.

Ye Chen didn't want to fall, he resisted and started pushing back the huge ball of lightning towards Gou Mengma's place.

Ye Chen started using his power, he controlled Gou Mengma's power and returned it to Gou Mengma.

"There's no way what's going on, go back, don't come here" Gou Mengma tried to resist his attack, too bad it wouldn't submit to Gou Mengma's power and headed towards Gou Mengma.

The Super Black and Red Lightning Ball shot towards Gou Mengma, and Gou Mengma had no time or way to escape because his position was not good.

"Damn it, this can't be happening" Gou Mengma cursed in a loud voice.

"Boom. ." an enormous and super destructive explosion occurred, this explosion destroyed everything around this place.

Ye Chen created a barrier to contain this explosion, that way the explosion would not hit the Ning Clan below.

"That was great. ." Ning Clan members cheered, they all cheered when they saw Ye Chen successfully returned the attack to Gou Mengma.

"Patriarch, this can't be happening" Gou Clan members couldn't believe what they saw, Gou Mengma lost the battle to a stranger, this was bad news for all of them.

"The patriarch has lost, let's retreat" everyone decided to retreat, they could not have won without Gou Mengma.

"Don't let them retreat" the members of Ning Clan wouldn't let them retreat, they had to take revenge for what happened to their Clan.

Right now Ning Clan was chasing after Gou Clan, they were avenging what had previously happened and this would be an easy battle for Ning Clan.

The enemy had lost their fighting spirit, so it was easy to kill them.

Ye Chen looked at the battle happening below, he could see how they were fighting.

"Looks like they're fine" Ye Chen saw that they could handle this problem on their own.

"Bastard, just watch out for you. . ." Gou Mengma was still alive, but all parts of his body were badly damaged and in quite a terrible condition.

"You're still alive after receiving your own attack, how does it feel to receive your own attack" Ye Chen asked Gou Mengma.

"Damn, that hurt a lot" Gou Mengma said to Ye Chen, he told him that it was very painful.

"hahahaha, now you know how it feels" Ye Chen said to Gou Mengma.

"Bastard I will kill you" Gou Mengma was still able to fight, he was still able to battle against Ye Chen.

"This time I will kill you" Ning Yi appeared in front of Gou Mengma.

Ning Yi was going to kill Gou Mengma by using her hands.

"Ning Yi you?" Ye Chen said to Ning Yi,

"Let me do it, I want to make him pay for what happened" Ning Yi said to Ye Chen.

"Then go ahead" Ye Chen invited Ning Yi to do it.

"Thank you very much" Ning Yi was grateful for Ye Chen's kindness, Ye Chen was very kind and understanding.

"Get out of the way, I will kill you too" Gou Mengma said to Ning Yi.

"Vermilion flame, please give me the strength to destroy the enemies I have" Ning Yi's body began to be enveloped by the vermilion flame.

A wing appeared behind Ning Yi's body, his body wrapped in what appeared to be powerful flames.

These flames were extremely hot and their radiance could penetrate hundreds of millions of miles away.

"Prepare to receive your end" Ning Yi told Gou Mengma.

"It's hot" Gou Mengma felt a piercing heat, his body feeling like it was being melted by Ning Yi's flames.

Ning Yi advanced and performed a huge slashing attack, a huge flame slash came out of Ning Yi's sword and went straight towards Gou Mengma.

"No... . ." Gou Mengma's body seemed unable to withstand the power of the Vermilion flames, his fragile body no longer able to withstand the powerful attacks launched by Ning Yi.

"Booom. . ." An enormous explosion of flames occurred, this explosion of flames burned Gou Mengma's body.

"Arghhhh. . . all of you bastards. . . , assholes" profanity kept coming out of Gou Mengma's mouth.

Until finally, Gou Mengma's body vanished and his voice also disappeared.

After Gou Mengma's body disappeared, Ning Yi extinguished the vermilion flame, she was finally able to win against Gou Mengma.

"You did it" Ye Chen said to Ning Yi.

Ye Chen approached towards Ning Yi, when he got close, he was immediately hugged by Ning Yi.

"Thank you so much" Ning Yi thanked Ye Chen, she gave Ye Chen her thanks.

Ye Chen was silent for a while, Ning Yi's way of thanking her was quite surprising.

"You're welcome" Ye Chen hugged Ning Yi's body.

Ning Yi felt very safe when being hugged by Ye Chen, the feeling of being hugged by Ye Chen was too comfortable for Ning Yi.

The two of them hugged for a while, it seemed like Ning Yi forgot that they were in public.

"How long are we going to be like this, it looks like your Clan members are watching us" Ye Chen said to Ning Yi.

Ning Yi finally came to her senses about this matter, she immediately pushed Ye Chen away.

Ning Clan had managed to get rid of the Gou Clan members who were trying to run away, although not all of them could be pursued because they had run away far enough that it was impossible to catch up with them.

[Chapter 2348 Ehem. . .,What Are You Doing?](#)

Ning Yi and Ye Chen went downstairs, they were welcomed very well.

"Thank you so much for helping us, by the way who are you" Ning Hazu said to Ye Chen.

"His name is Ye Chen, I met him while exploring" Ning Yi told who Ye Chen was.

"I see" Ning Hazu nodded lightly, he could see the connection between Ning Yi and Ye Chen.

"Then let's focus on restoring this place, it seems like this place needs restoration" Ye Chen said to Ning Yi and Ning Hazu.

"That's right, let's focus on recovering the injured people first" Ning Yi agreed with the suggestion said by Ye Chen, they should recover the injured people.

"That's absolutely right, gather the injured people, we will do the healing" Ning Hazu directly gathered the injured people.

Ye Chen began to help, he gave pills and medication to everyone who needed help.

With the help provided by Ye Chen, the process for recovery became faster and faster.

"Thank you for your help, we don't know how to thank you" Ning Hazu said to Ye Chen, the help provided by Ye Chen meant so much, they couldn't repay it.

"No need" Ye Chen said to Ning Hazu, he told her not to think about it.

"Oh yeah, I need your help a bit, I came here to talk about something, you guys might be able to answer it" Ye Chen said to Ning Hazu.

"What is it, if I can answer it, I will" Ning Hazu said to Ye Chen.

"I wonder if you know the strange activities that are being done in secret" Ye Chen said to Ning Hazu.

"Hmm, what do you mean, I don't know" Ning Hazu said to Ye Chen.

"I'm talking about people trying to destroy the dividing wall between God Realm and the outside world" Ye Chen said to Ning Hazu.

"hmmm, it seems like I've heard of this too" Ning Hazu had also heard of this matter.

"So you know" Ning Yi asked Ning Hazu.

"I honestly don't know enough about this matter, I heard this from rumors" Ning Hazu said to Ye Chen.

"Where did you get this information from" Ye Chen asked Ning Hazu.

"I got this information from another ancient Clan, they are much stronger and have power over our Ning Clan" Ning Hazu told Ye Chen.

"Then can you take me there?" Ye Chen asked Ning Hazu.

"That's impossible, their place is not easy to reach, and if we enter their territory, it's the same as declaring war on them" Ning Hazu said.

"This is troublesome" Ye Chen did not expect that the ancient Clan would have such troublesome rules.

"You are quite lucky, because there will be an important meeting to compare the strength of all of us, those who are strong should come to that place" Ning Hazu told Ye Chen.

"When is that?" Ye Chen asked Ning Hazu.

"Maybe 2 weeks from now" Ning Hazu counted the days, if his guess was correct then it should be 2 weeks away.

"In 2 weeks, can I come to that place?" Ye Chen asked Ning Hazu.

"Maybe you can, if you are a guest of this Clan, you might be able to come, there will also be some people who are just like you" Ning Hazu told Ye Chen.

"That's great" Ye Chen finally got what he wanted.

"But you have to be careful, they are much stronger than the Gou Mengma you fought" Ning Hazu told Ye Chen, he told him that the enemy had greater strength and was stronger than the Gou Mengma.

"I've seen them, and they are indeed very powerful" Ning Yi told Ye Chen.

"I don't really care about that, my goal is to get to the bottom of the problem I have".

Ye Chen's goal was to stop the impending disaster, he didn't really care about the other ancient Clans.

"You are so strange, coming to the ancient Clan to find out such a thing" Ning Hazu said to Ye Chen.

"This is a pretty big problem, if it's not solved, the entire God Realm will sink and might become slaves" Ye Chen replied.

"Is this problem that bad?" Ning Hazu said to Ye Chen.

"Of course, we're talking about an existence that might be in the god realm or immortal" Ye Chen said.

After hearing this, Ning Hazu's face began to change, it seemed that he began to understand the problem Ye Chen wanted to solve.

"I will try to help as much as I can" Ning Hazu said that he would try to help as much as he could.

Ning Hazu didn't know if he could help Ye Chen, but he would try.

"Thank you very much" Ye Chen thanked him, even the slightest help was quite valuable to Ye Chen.

"Come with me, I'll walk you to your room" Ning Yi told Ye Chen.

"Okay. ." Ye Chen understood, he followed Ning Yi to the room reserved for guests.

Ye Chen was taken to a courtyard with a size of 20x20m, this was quite big for a guest house.

"This place is not very nice, I hope you will be able to accept this" Ning Yi said to Ye Chen.

"I will accept it" Ye Chen said that he would accept this.

"Thank you for your understanding, you are very understanding" Ning Yi said.

Ye Chen smiled as he listened to what Ning Yi said.

Ning Yi accompanied Ye Chen for some time, before she left to do something.

"2 more weeks is still quite long" Chu Yuechan said to Ye Chen.

"That's right, it's long enough," Chu Yelan felt that it was still long.

"Can you guys be more patient?" Ye Chen said to Chu Yelan and Chu Yuechan.

"Alright, we understand. . ." Chu Yelan and Chu Yuechan understood.

Ye Chen lived in Ning Clan for some time, he was getting used to living in this place.

"hello, do you need anything" a maid came to Ye Chen, she was the person in charge of servants for Ye Chen.

"I don't need anything else for now" Ye Chen said to the maid in front of him.

"If you need anything, don't hesitate to tell me" the maid said to Ye Chen.

"I understand, I will do so" Ye Chen nodded lightly.

The maid was quite attentive, it seemed like she was trying to tease Ye Chen.

Ye Chen is not a stupid man, he naturally understands the way women flirt with him.

"Master, you are very good, your ability is very strong" the maid said to Ye Chen.

"Not really, there are still people stronger than me" Ye Chen said to the maid.

"I want to get to know you better, is that okay?" the maid said to Ye Chen.

"You're quite brave too" This woman was quite brave, she openly flirted with Ye Chen.

"I prefer to be honest" this woman said that she preferred to be honest and straightforward.

Ye Chen smiled at this.

This woman continued to try to get close to Ye Chen, she approached Ye Chen with some pretty good tricks.

"Ehem. . ., what are you doing?" when the maid wanted to approach Ye Chen, Ning Yi came and stopped her.

"Ahhh. . . sorry I'll go" seeing Ning Yi coming of course the waitress left immediately, she didn't want to get in trouble from Ning Yi.

Ye Chen laughed when he saw this, it was funny to see the reaction of the maid.

[Chapter 2349 Ye Chen And Ning Yi Night \(1\)](#)

"You seem to have scared her" Ye Chen said to Ning Yi, what Ning Yi had done had scared the maid.

"It was worth it, she dared to tease you" Ning Yi said in a dissatisfied tone.

"Are you jealous of the maid ?" Ye Chen asked Ning Yi.

"Why. . I'm jealous ?" Ning Yi seemed to stutter while talking to Ye Chen.

"So cute" Ye Chen said to Ning Yi, Ning Yi was so cute.

"You're teasing me, you're so naughty" Ning Yi said to Ye Chen.

Ning Yi finally realized that Ye Chen was very wicked.

"I just wanted to tease you, it turns out that you have such a reaction, it's so cute" Ye Chen said to Ning Yi.

"Please don't do that, it's very embarrassing for me" Ning Yi said to Ye Chen, she felt embarrassed by what Ye Chen said.

"Why are you embarrassed?" Ye Chen asked Ning Yi, he wanted to know why Ning Yi was embarrassed.

"I... ." Ning Yi looked confused to answer Ye Chen, she couldn't answer Ye Chen.

Ye Chen had cornered Ning Yi too much, it was not strange that Ning Yi looked confused.

"I wonder how she feels about me" Ye Chen wanted to know the feelings Ning Yi had.

Ye Chen pushed Ning Yi onto a chair.

"Ahhh. ." Ning Yi was surprised by what Ye Chen did, Ye Chen was too abrupt.

"What do you want to do?" Ning Yi made an embarrassed face, she looked seductive.

"How do you feel?" Ye Chen asked Ning Yi.

"It's embarrassing" Ning Yi told Ye Chen, she told him that it felt quite embarrassing.

"Are you embarrassed to be cornered like this, you should have fought back" Ye Chen said to Ning Yi.

"That's rude, I wouldn't do that" Ning Yi said that she wouldn't do that.

"Is that so, when we first met didn't you chase away everyone who tried to get close to you" Ye Chen said to Ning Yi.

"That's... I didn't like them" Ning Yi said to Ye Chen.

"You didn't kick me out, then you like me" Ye Chen said to Ning Yi.

"What! ! !" Ning Yi's face was panicked and looked confused, this was too fast for Ning Yi and she couldn't defend against the attack from Ye Chen.

"Please don't do that, it's embarrassing for me" Ning Yi said to Ye Chen, she told her that it was embarrassing as hell.

"Haven't you ever had a relationship with anyone else?" Ye Chen said to Ning Yi.

"I'm not like you, I'm still alone" Ning Yi told Ye Chen.

Ning Yi admitted that she had no experience, she had no experience in that field.

"I knew it" Ye Chen had expected this, he had guessed that Ning Yi had no experience.

Since Ning Yi had no experience, she didn't know how to get close to Ye Chen.

"Since she doesn't know, I will guide her directly" Ye Chen decided to guide Ning Yi.

"Come here, I will show you a good thing that you will never experience" Ye Chen said to Ning Yi.

"What is it?" Ning Yi was immediately curious about what Ye Chen meant.

"You will soon know what I'm talking about" Ye Chen reached out a hand that belonged to the shoulder of Ning Yi, he used the Passion Goddess technique on Ning Yi.

Ning Yi's body started to feel strange when Ye Chen used the Passion Goddess technique, she felt a strange feeling when Ye Chen used the Passion Goddess technique.

"What is this ?, what is happening to my body" Ning Yi's thoughts started to become chaotic, for some reason she felt like her body was itching like there were tons of ants crawling around.

"What are you feeling?" Ye Chen asked Ning Yi.

"I don't know" Ning Yi said that she didn't know what kind of feeling this was, the feeling she felt was very strange.

"Do you like this feeling?" Ye Chen asked Ning Yi.

Ye Chen whispered to Ning Yi, when Ye Chen whispered and blew on her ear, she immediately trembled.

"emmm. ." Ning Yi made a funny sound, she couldn't stand what Ye Chen was doing.

"this is too great, what is happening to my body" Ning Yi didn't know what was happening to her body, all she knew was that this felt strange.

Ye Chen saw what Ning Yi was going to do, if Ning Yi did not resist, then it was easy for Ye Chen to proceed.

Ning Yi enjoyed this feeling, this feeling felt very new.

Ning Yi did not resist, she felt happy with what Ye Chen was doing.

Since Ning Yi did not resist what Ye Chen was doing, Ye Chen started to use more strength to make Ning Yi feel comfortable.

"Ye Chen, this is too strong, what are you doing ?" Ning Yi started to feel too comfortable, this feeling was too strong for Ning Yi.

"You must like it, I will continue to continue it" Ye Chen said to Ning Yi.

"No, please don't do that, it makes me feel weird" Ning Yi said to Ye Chen.

Ning Yi felt strange, this feeling was too strange and Ning Yi started to lose her mind.

Ye Chen touched Ning Yi's body, Ning Yi's body felt soft when receiving a touch from Ye Chen.

"My body feels so weak" Ning Yi couldn't possibly endure, she couldn't possibly endure what Ye Chen was doing.

Ning Yi's body heated up and she started to fall into Ye Chen's embrace.

"This is great, please hold me" Ning Yi couldn't stand it anymore, this touch made her feel too comfortable.

"I'll do it" Ye Chen happily did so, he held Ning Yi and started to touch the body parts of Ning Yi.

As time went by Ning Yi's body became more and more sensitive, she could not stand the touch that Ye Chen was doing.

Ye Chen touched the double peaks that Ning Yi had, it was quite nice, the shape was quite perfect and made Ye Chen want to continue holding it.

"No, where did you touch it" Ning Yi said to Ye Chen, she said where Ye Chen touched it.

"Why?" Ye Chen asked Ning Yi.

"it's because. ." Ning Yi couldn't say it, it felt very embarrassing to say it.

"If there is no reasonable reason, I will continue to touch it" Ye Chen told Ning Yi.

Ye Chen touched Ning Yi's double peaks again, he squeezed and started massaging them.

"Ahhhhh. . ." Ning Yi's body shook very strongly, this feeling was too strong for Ning Yi.

"This is too strong, I can't stand it" Ning Yi couldn't stand it, there was no way she could withstand the pleasure Ye Chen was giving her.

Ning Yi had completely given up, she could no longer resist Ye Chen.

"Have you given up" Ye Chen asked Ning Yi, he wanted to know if Ning Yi had given up.

"This Ye Chen is too great, how could you possibly do this" Ning Yi asked Ye Chen, the feeling Ye Chen gave off was too strong.

"In this world I'm probably the only one who can do this, do you want to continue, we can do more fun things, my dear" Ye Chen said to Ning Yi.

Ning Yi looked at Ye Chen, she of course understood what Ye Chen was saying.

"Do you want to do that, but I'm not very good at relationships" Ning Yi said to Ye Chen.

"No problem, I will guide you" Ye Chen said to Ning Yi.

[Chapter 2350 Ye Chen And Ning Yi Night \(2\)](#)

"Then please do me a favor" Ning Yi said in a formal tone.

Ye Chen smiled when he saw Ning Yi, how could she still speak formally in a situation like this.

"Why are you laughing, is there something wrong with me?" Ning Yi asked Ye Chen.

"Of course, you're very funny" Ye Chen said to Ning Yi.

Honestly Ning Yi was very funny, she was very funny when she did things like that.

"Then let's be a bit more serious" Ye Chen said to Ning Yi, he was going to start being more serious and make Ning Yi feel comfortable.

Ning Yi didn't know what Ye Chen was going to do, she was honestly curious about what Ye Chen was going to do.

Ye Chen started to take Ning Yi's clothes off, as Ning Yi's clothes were quite ancient and had intricate patterns, it took Ye Chen some time to take them all off.

Ning Yi was quite embarrassed when she saw this, she was quite ashamed when she saw Ye Chen taking off her clothes.

"This is so embarrassing" Ning Yi said to Ye Chen, she was embarrassed by what Ye Chen did.

"Why are you embarrassed, I've already seen it" Ye Chen said that he had already seen Ning Yi's body.

"You... ." Ning Yi finally realized that Ye Chen had already seen her body when she was unconscious.

"You must have done something weird when I was unconscious" Ning Yi said to Ye Chen.

"I didn't do anything bad" Ye Chen told Ning Yi, he told her that he didn't do anything bad to Ning Yi.

"Is it like that, you won't lie to me?" Ning Yi asked seriously.

"Of course, why would I lie to you" Ye Chen said that he did not lie.

"But now I'm going to start touching you, and doing bad things, so be prepared to take it" Ye Chen told Ning Yi.

"Ahhh. ." Ning Yi started to scream, she started to feel a strange feeling again.

Ye Chen touched Ning Yi's body, he started to explore Ning Yi's body which looked flawless.

Ning Yi had taken very good care of her body, so it was not strange that she had a nice body and a firm double peak.

Ye Chen was naturally excited when he touched Ning Yi, he used more strength and techniques to touch Ning Yi.

Ning Yi couldn't stand what was happening, how could he possibly stand a touch from Ye Chen.

"Emm, ahhhh. ., I can't stand it" Ning Yi quickly reached the peak, she was defeated easily by Ye Chen.

The pleasure given by Ye Chen had made Ning Yi go crazy, her mind started to go blank.

Ye Chen saw that Ning Yi had already lost, she had already reached the peak first.

"Your skills are a bit poor, but it doesn't matter, we can improve them" Ye Chen said to Ning Yi.

Ye Chen didn't really mind the abilities that Ning Yi had, he could develop the abilities that Ning Yi had.

"this is too great and too powerful, how can he do this" Ning Yi wanted to know how Ye Chen could do something like this, Ye Chen made Ning Yi's body and mind go crazy and she couldn't hold on anymore.

"How about it, did you enjoy it" Ye Chen said to Ning Yi.

"I can't think, my head feels empty" Ning Yi said to Ye Chen.

Ning Yi couldn't think, the previous pleasure was too strong and made Ning Yi unable to think clearly.

"That's good, you're honest with yourself, let's go to the next level then" Ye Chen told Ning Yi.

Ye Chen told Ning Yi to go to the next level.

Ye Chen took off his clothes, he revealed his body to Ning Yi.

Ning Yi looked at Ye Chen's body, Ye Chen's body was very good and perfect, this was a body that women liked, even Ning Yi seemed to like Ye Chen.

Ning Yi's eyes glanced down, when she glanced down, she found that Ye Chen's lower body looked very large.

"what is it, why would he keep something that big" Ning Yi realized that it was huge, obviously the size was far above average.

Ning Yi was still too unfamiliar with this kind of matter, so it was not strange that he was surprised by what Ye Chen had.

"How about it, isn't it nice" Ye Chen said to Ning Yi.

"Will it fit, it's too big" Ning Yi said to Ye Chen.

"Of course, we won't know until we try it on" Ye Chen said to Ning Yi.

They wouldn't know before trying it on, so it was better to make Ning Yi try it on.

Ning Yi nodded lightly, she wanted to try it, he wanted to know how if this thing went inside, surely it would be an amazing thing.

"Let's get started" Ye Chen started right away, it seemed Ning Yi didn't need any more warm up.

Ning Yi understood, she immediately wanted to start with Ye Chen.

Ning Yi became more and more panicked and became more tense, it seemed like she was still not really ready to do it.

"You're too tense, relax more" Ye Chen said to Ning Yi, he told Ning Yi to relax more.

"I'll try it" Ning Yi understood, he would try it.

"Tap. ." there were some sounds of footsteps outside, it seemed like people were still working diligently.

"Ye Chen, how about we change places, I feel that this place is too crowded" Ning Yi said to Ye Chen.

Ning Yi invited Ye Chen to go and find a good place, it was too conspicuous here and they might be found.

Ye Chen understood, he immediately took Ning Yi into the fairy gate, he immediately took Ning Yi to the Dual Cultivation room.

"Where is this?" Ning Yi asked Ye Chen, she wanted to know where they were right now.

"Sttt, you don't need to ask too many questions, let's just get started, no one will bother us here" Ye Chen told Ning Yi.

Ye Chen didn't want to waste time, so he decided to just start with Ning Yi.

Ning Yi seemed to understand what Ye Chen wanted to do.

"This place is nice, I like it" Ning Yi became more relieved, here she no longer needed to hold back.

Ye Chen hugged Ning Yi, he used his large object to penetrate Ning Yi's honey cave.

Ning Yi closed her eyes, she was afraid of what would happen next.

Ye Chen started right away, he went straight in and took Ning Yi's first time.

"Emmmm. . ." Ning Yi moaned louder and louder, this pain made Ning Yi scream.

"does it hurt" Ye Chen asked Ning Yi.

"It hurts a bit, but I can endure it" Ning Yi told him that she could endure all of this.

"good then let's start" Ye Chen knew that Ning Yi was a strong woman, so from now on, he no longer needed to hold back.

Ye Chen began to move, the speed of his movements was from slow to faster and faster.

"Ahhh. . What is this, it's too strong, it's amazing, it's so much fun" Ning Yi's voice leaked out completely, she couldn't help herself and let out everything she felt.

Ye Chen also felt comfortable, Ning Yi squeezed him very strongly and it felt too warm and comfortable.
