

True God 2351

[Chapter 2351 Ye Chen And Ning Yi Night \(3\)](#)

The two started to become active, they became very active and started to enjoy everything.

Ye Chen and Ning Yi were comfortable with what they were doing, they forgot everything and moved madly.

Ning Yi started to become bolder, she started to become bolder and started to move her waist quickly.

This naturally made Ye Chen comfortable and Ye Chen also increased his speed.

"Ohhh. . ., very good" Ning Yi shouted, her voice couldn't be contained and she was going crazy.

"You're pretty good, your skills aren't bad, you seem to be more talented" Ye Chen said to Ning Yi, he told Ning Yi that she was very talented.

"More please" Ning Yi told Ye Chen, she asked Ye Chen for more.

Ye Chen granted Ning Yi's request, he lifted Ning Yi's body and carried her.

The two of them switched positions, where now Ning Yi was on Ye Chen's lap and both of them could see each other.

Ning Yi was blushing profusely, she looked embarrassed as she revealed her embarrassing side.

"It's embarrassing, please don't look at me" Ning Yi said to Ye Chen, she asked Ye Chen not to look at her.

"No, you are very beautiful, I like it when I see your face now" Ye Chen said to Ning Yi, he told Ning Yi that he liked Ning Yi.

Ning Yi's face became redder and redder, she was getting more and more embarrassed with Ye Chen.

Ye Chen took this opportunity to make Ning Yi feel more comfortable, he made Ning Yi feel the power of his large object.

Ye Chen's thing penetrated into the core, Ning Yi's body bulged slightly when it did.

"ahhh. . ., this is crazy" Ning Yi couldn't stand it, she already felt crazy with what Ye Chen was doing.

Ye Chen had made Ning Yi comfortable, so it was only a matter of time before Ning Yi lost in his hands.

The pleasure given by Ye Chen made Ning Yi feel very comfortable and became addicted.

"No... . ." Ning Yi reached the peak, this was too strong and she couldn't hold back anymore.

Ye Chen continued to advance more and more, he made Ning Yi lose her sanity, this felt so comfortable for Ye Chen.

"This is great, baby you're doing great" Ye Chen said to Ning Yi, he praised Ning Yi for doing so well.

"ummmmm. . ." Ning Yi didn't answer Ye Chen, it seemed like she was fully immersed and didn't think about anything else.

Ye Chen and Ning Yi were going crazy, the two of them did Dual Cultivation for dozens of hours and Ning Yi was still able to survive, Ning Yi's ability and endurance were quite strong.

"husband, I can't take it anymore" Ning Yi said that she had reached her limit.

"Then let's end this, you're pretty good" Ye Chen said to Ning Yi.

"Please" Ning Yi pleaded, she was already very tired, this was even more tiring than fighting.

"Alright, let's finish everything quickly" Ye Chen accelerated his movements, he was becoming faster and faster and was about to reach the limit as well.

"ahhh. . ., amazing" Ning Yi became more and more crazy, she really had become very lustful under Ye Chen's training.

"ready to take it again" Ye Chen said to Ning Yi.

"Of course, give it to me, I like this feeling" Ning Yi said to Ye Chen, she liked when Ye Chen gave Yang Qi essence, it made her body comfortable and she gained benefits when cultivating with Ye Chen.

"Ummm. ." Ye Chen took it all out, he gave Ning Yi what she wanted.

"Once again, you make me full" Ning Yi felt full, it seemed like she received too much of Ye Chen's Yang Qi.

"Let's refine it more" Ye Chen told Ning Yi, it was time to refine the results of their relationship.

Ning Yi understood, she followed Ye Chen and began to cultivate what Ye Chen gave her.

Ye Chen utilized the Yin Qi from Ning Yi, this was enough to stabilize the Yang Qi in his body.

The two practiced for a few hours, after which Ning Yi finally finished and she became even better than before.

"That's great, such a large amount of power flowing into my body, this is really great" Ning Yi said to Ye Chen.

Ning Yi realized that this was the result of practicing Dual Cultivation with Ye Chen, this made her become stronger and stronger.

"Congratulations" Ye Chen said to Ning Yi, he congratulated Ning Yi.

"This is all thanks to you, you made me like this, what is your secret that you can increase the strength I have" Ning Yi said to Ye Chen.

"This is the effect of doing Dual Cultivation, I hope you know that it is quite effective for both sides" Ye Chen said to Ning Yi.

"I know, but I didn't expect that doing so would increase my strength to this extent, I feel like I'm getting closer to becoming an immortal" Ning Yi said to Ye Chen.

"I hope that can happen" Ye Chen said to Ning Yi.

"Are you able to move, I want to take you out" Ye Chen asked Ning Yi.

"I don't think I can do that, you're too rude and it's causing me trouble" Ning Yi said to Ye Chen.

Ye Chen was too rude, he made Ning Yi hurt there.

"I'm sorry" Ye Chen said to Ning Yi, Ye Chen apologized for what happened.

"You have to compensate me" Ning Yi said to Ye Chen.

"What kind of compensation" Ye Chen asked.

"Accompany me in this place for a while, I want to be like this for a while" Ning Yi said to Ye Chen.

"Of course I will" Ye Chen happily did so, he accompanied Ning Yi and hugged her.

Ning Yi snuggled in Ye Chen's arms, this felt very soothing for Ning Yi.

The two continued like this for a while, then they went to the bathhouse and started to wash.

"husband, I have something to ask, this place is really great, how did you build it" Ning Yi was already curious about this place, honestly it was a really great place.

"I just happened to get it" Ye Chen informed that he just happened to get this.

"I see" Ning Yi nodded, Ye Chen was very lucky to get a place like this.

"Do you like living in this place?" Ye Chen asked Ning Yi.

"Of course, this place is very comfortable and the pure energy in this place is very surprising to me" Ning Yi told Ye Chen.

"I expected that you would say that" Ye Chen had expected this, Ning Yi would definitely like this place.

"Is there anyone else living in this place" Ning Yi asked Ye Chen.

"Of course, there are other people living, they are all my women, even Zhao Yanyan and the others live and train in this place, they use the facilities in this place" Ye Chen replied.

"Is there a training ground, I want to see it" Ning Yi was excited when she found out there was a training ground inside this place.

"Of course, after this I will take you" Ye Chen said to Ning Yi.

"Then let's go, I can't wait" Ning Yi said that she wanted to see it right away, she wanted to see it

"Let's go then" Ye Chen helped Ning Yi clean up her body, as well as Ye Chen, he was helped by Ning Yi to clean up his body.

[Chapter 2352 Training Ning Yi](#)

After finishing cleaning up, the two went to the practice ground, there happened to be someone using the practice ground.

"Who are they?" Ning Yi asked Ye Chen, she wanted to know who they were.

"They are from the Frozen Ice Sect" Ye Chen told Ning Yi.

"It looks like they are practicing, Ye Chen has seen them quite rarely, until now they have been practicing behind closed doors and cannot be disturbed.

How much strength do they have now, they should have become stronger and stronger after practicing for so long inside the fairy gate.

The beautiful ladies of Frozen Ice Sect smiled at Ye Chen, they were happy to see Ye Chen.

Ye Chen smiled back and told them that he wanted to train Ning Yi.

The ladies of the Frozen Ice Sect seemed to already know Ye Chen's purpose, so they didn't bother Ye Chen and Ning Yi.

"This place is great, it's spacious and filled with an impressive aura" Ning Yi was speechless when she saw what was in this place, honestly this was far from what Ning Yi could think of.

"This is not all, there are still some rooms to train in, such as the gravity room, it will increase your resistance to strong pressure and you will not be afraid when you encounter enemies that are much stronger than you" Ye Chen explained to Ning Yi.

"That's too great" Ning Yi said that it was too great and too powerful.

"Want to try practicing with a puppet, it will increase your experience in fighting.

"Sure, I want to try it" Ning Yi wanted to try it, she wanted to know what a puppet could do.

"Don't be too confident, it's quite difficult, I practiced a lot and had problems" Ye Chen told Ning Yi.

"What! ! !" Ning Yi was naturally surprised when she heard this, if Ye Chen was having trouble, then she should be having trouble too.

"You try it first" Ye Chen told Ning Yi to try it.

"Um. ." Ning Yi nodded and started trying to practice with the wooden doll.

The wooden puppet is activated and will compensate for the strength possessed by Ning Yi.

"You no longer need to hold back" Ye Chen said to Ning Yi, he told Ning Yi not to hold back.

"Is that okay, what if I break it?" Ning Yi asked Ye Chen.

"It doesn't matter" Ye Chen said that it didn't matter to Ye Chen.

"Alright, I won't hold back anymore" Ning Yi wouldn't hold back and immediately used full force.

Ning Yi wasn't going to hold back anymore, she wasn't going to hold back and show the full power that she had.

"Slash. . . , Boom. . ." Ning Yi attacked the wooden puppet with full force and did not hold back.

Ning Yi's attack was quite powerful, it was powerful enough to crush an object into dust.

"did I damage it" Ning Yi was afraid that she damaged Ye Chen's wooden doll.

"take a good look" Ye Chen told Ning Yi to take a good look, he told her to see what would happen.

Ning Yi looked ahead, when she saw what happened, she was surprised to see that the wooden doll was not scratched by such a powerful attack.

"That's really great" Ning Yi said that it was really great, this doll was really strong and was able to withstand the powerful attack from her.

"Let the practice begin, prepare yourself" Ye Chen told Ning Yi.

The wooden bone started to move, the puppet started to move and charged straight towards Ning Yi.

Ning Yi was vigilant and resisted the attack of the wooden doll, she used all her abilities to resist and fight with the wooden doll.

"Clang. . ." the battle between the two seemed to become very fierce, Ning Yi seemed to begin to understand that this puppet was using complicated moves and she had to be able to defend against these attacks.

"I will not give up, I will fight continuously" Ning Yi would not give up, she would continue to fight and show the abilities and strength she had.

"You are quite energetic, let's defeat the wooden doll and up your skills" Ye Chen said to Ning Yi.

"I'll do it" Ning Yi would do it, she would hone her skills.

Ye Chen observed Ning Yi, she accompanied Ning Yi to train until she became stronger and stronger.

.

.

The two of them spent quite a lot of time inside the gate away, it seemed like Ning Yi really liked this place as it was full of new and amazing things.

"This place is the best, I'm growing fast" Ning Yi told Ye Chen, she told him that this place was too strong and he was growing faster in this place.

"You are indeed evolving, we still have quite a bit of time, let's use this to increase your strength, that way you can become even stronger" Ye Chen said to Ning Yi.

"ummmm" Ning Yi was very excited, Ning Yi's character was a hard worker, so she would work hard to get the strength she deserved.

With Ye Chen's help and training, Ning Yi became stronger and stronger, she managed to become much stronger.

"husband, am I interrupting your time" Li Jingyi appeared behind Ye Chen and Ning Yi.

"No, why indeed" Ye Chen asked Li Jingyi.

"That, I wanted to tell you that sister Huang Ying hasn't returned yet, I heard that you are in the ancient Clan, so you might be able to meet her and see how she is doing" Li Jingyi told Ye Chen.

Huang Ying still hadn't returned, maybe she was doing something with the ancient Clan, so she asked Ye Chen to go and check for herself.

"I understand, when I meet her, I will inform you" Ye Chen said to Li Jingyi.

Ye Chen understood this request, it seemed like Huang Ying was doing something important.

"Huang Ying, she seems familiar to me" Ning Yi felt no stranger to Huang Ying.

"Do you know Huang Ying?" Li Jingyi asked Ning Yi.

"If I'm not mistaken, she was one of the disciples of the ancient Clan, she was so strong and so beautiful that she had quite a few pursuers and I heard she was part of the 12 Guardian Gods in the past" Ning Yi said.

"That's her" Li Jingyi said to Ning Yi.

"Such a powerful goddess, is she also one of your women" Ning Yi asked Ye Chen.

"Of course" Ye Chen said to Ning Yi.

Ye Chen did not hide this anymore to Ning Yi.

"That's, how did you get her, isn't she a difficult woman to get close to" Ning Yi asked Ye Chen.

"How did she get close to Huang Ying, in theory there have been many talented people who were kicked out by Huang Ying and not allowed to get close to Huang Ying." Ning Yi asked Ye Chen.

"It's a secret, you won't believe how I did it." Ye Chen said to Ning Yi.

"You're quite stingy, your nature hasn't changed" Ning Yi said to Ye Chen.

Ning Yi looked annoyed when she didn't get the answer she wanted from Ye Chen.

"Hehehe" Ye Chen chuckled when he heard this.

"Jingyi, you can train together with her, she is quite weak with water power, so I hope you can train her to be more familiar with water" Ye Chen asked Li Jingyi.

"Okay, I understand, just leave this problem to me" Li Jingyi understood, she would help Ye Chen to solve the problem Ning Yi had.

"Come with me." Li Jingyi dragged Ning Yi, she was going to train Ning Yi with water power.

"Husband, what are you doing, I can't" Ning Yi said to Ye Chen.

"You have to fight" Ye Chen said to Ning Yi, he asked Ning Yi to fight.

[Chapter 2353 Chu Yelan Vs Chu Yuechan](#)

"This is all for your own good, I hope you are ready to do it" Ye Chen said to Ning Yi.

Ye Chen was doing this for Ning Yi's sake, so he really hoped that Ning Yi would accept this well.

"You heard what the husband said, so let's train together, I will make sure that you get a hard enough workout" Li Jingyi would be serious, she was the type of person who was serious when training and would be hard.

"No... . ." Ning Yi felt a bad feeling, she could feel a bad feeling when practicing with Ning Yi.

Li Jingyi and Ning Yi went to the training ground, both of them started practicing and showing their skills.

"Master" Chu Yuechan came up to Ye Chen.

"Yuechan, do you know what Huang Ying is doing, is she doing something dangerous" Ye Chen asked Chu Yuechan.

"She's probably watching them and making sure that they don't make a move on you" Chu Yuechan told him what Huang Ying was doing.

"I just hope she doesn't do anything bad and get stuck there, it's been a few months since she left" Ye Chen said.

"You're worried about her" Chu Yuechan asked Ye Chen.

"Of course, I'm quite worried about her" Ye Chen was worried about Huang Ying's safety, so it wasn't strange that he was thinking about this.

"You are very considerate, if she is here, she will definitely be touched by what you are doing" Huang Ying said to Ye Chen.

"Don't tease me anymore" Ye Chen said to Chu Yuechan, she told Chu Yuechan not to tease her anymore.

"Fufufu, how cute" Chu Yuechan said to Ye Chen, she loved teasing Ye Chen and it was very cute.

"You, just watch out for you, I won't let you go" Ye Chen said to Chu Yuechan, he told her that he wouldn't let her go.

"Can you catch me?" Chu Yuechan said to Ye Chen.

"Why not, I will start catching you" Ye Chen said that he would catch Chu Yuechan.

Chu Yuechan ran away and away from Ye Chen.

Ye Chen used his power, he caught Chu Yuechan with his dimension power.

With Ye Chen's dimension power, he moved Chu Yuechan easily into his arms.

"master is such a cheating ability" Chu Yuechan said to Ye Chen, the ability used by Ye Chen was quite cheating.

"There is no such thing as cheating, you have to accept everything" Ye Chen said with a wicked smile.

Chu Yuechan was in his arms and Ye Chen could do everything he wanted.

"Look at your face, what do you want to do, you must be thinking of bad things" Chu Yuechan said to Ye Chen.

"Of course I'm thinking of bad things, the beautiful fairy is in my hands, I can do anything I want" Ye Chen said to Chu Yuechan.

Ye Chen tried to scare Chu Yuechan, he bullied Chu Yuechan.

"What are you going to do, I'm curious" said Chu Yuechan to Ye Chen.

"You're not scared" Ye Chen asked Chu Yuechan.

"Why would I be scared, I want to see if you are brave, it seems like you are getting less brave like before" Chu Yuechan said to Ye Chen.

Chu Yuechan challenged Ye Chen, she wanted to see the courage Ye Chen had.

"Don't blame me" Ye Chen said to Chu Yuechan, he started to challenge Chu Yuechan.

Ye Chen touched Chu Yuechan, he felt Chu Yuechan's double tops.

"weird, it feels bigger or is it just my feeling" Ye Chen saw that Chu Yuechan was bigger, is it just my feeling or what.

Chu Yuechan smiled, it seemed like she was hiding something from Ye Chen.

"She looks strange, what is she planning" Ye Chen wanted to know what Chu Yuechan was planning, Chu Yuechan looked strange.

"You still look doubtful" Chu Yuechan said to Ye Chen, she could still see that Ye Chen was still doubtful.

"I have no doubts and will prove it to you" Ye Chen didn't hesitate anymore, he used his skills to make Chu Yuechan comfortable.

"Ahhh. . So this is a master skill, you're great" Chu Yuechan groaned this time, she couldn't stand what Ye Chen was doing.

The voice of Chu Yuechan was very seductive, she had a very seductive voice and made Ye Chen excited.

"This is too great" Ye Chen liked, he was quite fond of Chu Yuechan and wanted to do more to Chu Yuechan.

Ye Chen touched Chu Yuechan, he used tricks to increase the stimulation on Chu Yuechan's body.

"Ahhh, you are so rough, do you like it, they are yours" Chu Yuechan said to Ye Chen who was playing with her two double tops.

Chu Yuechan was too seductive, her words right now were too strong and made Ye Chen lose control.

"I didn't know that you could tease like this" Ye Chen said to Chu Yuechan.

"I do dare to be like this, do you not like me being like this" Chu Yuechan said to Ye Chen.

"Of course I do, no matter what you are like, I will still like you" Ye Chen told her that he liked Chu Yuechan.

Chu Yuechan was touched by what Ye Chen said, she felt very touched by Ye Chen's words.

Chu Yuechan continued to tease Ye Chen, she stimulated Ye Chen and wanted to do more with Ye Chen.

"Want to do more with me" Chu Yuechan said to Ye Chen, from her words alone she wanted to do more with Ye Chen.

Chu Yuechan was too and too bold, she invited Ye Chen, as a man Ye Chen couldn't possibly refuse her.

"If you say so" Ye Chen stretched out his hand and prepared to remove every inch of Chu Yuechan's clothes.

"Master, stop, stay away from her" when Ye Chen was about to go further, he was stopped by Chu Yuechan.

"Ehhh. ., why are there two, what happened ?" Ye Chen said in confusion.

Ye Chen looked confused as to why there were two Chu Yuechan.

"Looks like I got caught, but just a little bit more." Chu Yuechan who was in Ye Chen's arms turned into Chu Yelan, all this time the one who teased Ye Chen and said bold things was Chu Yelan.

"You" Ye Chen didn't expect that Chu Yelan would tease Ye Chen, it was only fitting that Chu Yuechan was bolder than usual.

"You're brave enough to tease my master, he's mine, don't just snatch he away" Chu Yuechan said in an unhappy tone.

"Come on, you have to share with your big sister, you can't keep him to yourself" Chu Yelan said to Chu Yuechan.

"No, I won't share him" Chu Yuechan would not budge and the battle began.

"Both of them began to emit a strong and terrifying aura.

"hey, hey calm down you two" Ye Chen tried to calm the two down.

"This is our business" Chu Yuechan and Chu Yelan said.

both told Ye Chen not to interfere in this matter.

"Might as well give up, let them finish their business" Chu Ning'er came to Ye Chen's side.

"Have they always been like this?" Ye Chen asked Chu Ning'er.

"No, they get along quite well, they are just joking around, so don't take this too seriously" Chu Ning'er told Ye Chen.

"Are you sure?" Ye Chen asked Chu Ning'er.

"Trust me, they'll be fine" Chu Ning'er, assured Ye Chen that the two of them would be fine.

[Chapter 2354 Hugging Chu Yuechan And Chu Yelan](#)

Chu Ning'er was confident that they would be fine, so Ye Chen didn't need to worry about them.

The two of them did fight and use their strength, it seemed that they were not very serious and only attacked using a little strength.

"Boom. . ." Several large explosions occurred, these large explosions occurred and were quite devastating.

Ye Chen and Chu Ning'er stood up and saw what happened, the two could only see what happened from afar.

"They used quite a lot of power" Ye Chen could see that Chu Yuechan and Chu Yelan were having a bit of fun, they had equal power with each other.

They fought and used their techniques, as a fairy race their speed was amazing.

"You can't win" Chu Yelan said to Chu Yuechan, she told Chu Yuechan that she couldn't win.

"Who said that I can't win against you, I will prove that I can win against you" Chu Yuechan tried to blow Chu Yelan away, they both tried to knock each other down.

Their battle is becoming fiercer as time goes by, so Ye Chen must stop them as soon as possible.

"It seems that only I can stop them" Ye Chen saw that he could stop the two of them.

Ye Chen approached, he tried to stop Chu Yuechan and Chu Yelan.

Ye Chen reached out his hand and immediately caught Chu Yuechan and Chu Yelan.

He held them using the Passion Goddess technique, with this technique, Ye Chen was able to render the two fairies helpless.

"No, this technique" Chu Yuechan and Chu Yelan finally realized what Ye Chen was doing.

"Ahhh. . ." Chu Yuechan and Chu Yelan groaned, both of them could no longer stand the Passion Goddess technique.

"Master, you brat, why did you do that?" Chu Yuechan said in a complaining tone.

"It's your fault for fighting, I don't like it when I see you all fighting like that" Ye Chen informed that he didn't like seeing Chu Yuechan and Chu Yelan fighting.

"You . . ." Chu Yelan looked at Ye Chen, she could clearly see that Ye Chen was worried about their safety.

"We understand" Chu Yuechan and Chu Yelan understood, they would no longer fight like before.

"Very good, I'm happy to listen to the answers you guys have" Ye Chen told that he was happy when listening to the answers given by Chu Yuechan and Chu Yelan.

"Then I would like to discuss with you three about something" Ye Chen said to Chu Yuechan, Chu Yelan and Chu Ning'er.

"What is it, is it a serious matter" Chu Yuechan asked Ye Chen.

"It's about the King God Realm matter said by Nanlan Lia, do you think she is the one who Ice Phoenix is referring to" Ye Chen wanted to know the explanation from Chu Yuechan, Chu Yelan and Chu Ning'er.

"I honestly don't know myself, I rarely go out of my place, I also never heard that God Realm has a king who stands above everyone, after the era of gods and immortals ended, there was no one who dominated God Realm, that's what I know" Chu Yelan said to Ye Chen.

"That's right, I've never heard of it either" Chu Ning'er had never heard of it either.

"But if he really exists, then wouldn't he be terrible" Ye Chen said to Chu Yuechan, Chu Yelan and Chu Ning'er.

"It depends on what he has, if he is that strong, then he should have a lot of things, probably won't be weaker than all of us" Chu Yuechan said to Ye Chen.

If that person does exist, then it is certain that he will be the strongest of all Ye Chen's opponents.

"I see, then I still have to train and break through to a higher level" Ye Chen said that he must be able to break through to a higher level.

"One step above the Divine Overlord Realm, that might be a little difficult, even after obtaining Yin Qi from so many women, you haven't even stepped into the realm above the 10th level of the Divine Overlord Realm" Chu Yuechan said to Ye Chen.

"That's cruel, like I can't break through" Ye Chen said to Chu Yuechan.

"But that's the truth" Chu Yuechan said to Ye Chen, Chu Yuechan was saying the truth, she was saying the reality that was happening right now.

"Sometimes reality is more bitter" Ye Chen said in a helpless tone.

"Even though you haven't reached that realm, you are still quite strong, you are even stronger compared to a person at the highest realm of the Divine Overlord Realm and probably close to being almost equal to a person at the Immortal Realm" Chu Yelan said.

"Is that so, I am not aware" Ye Chen said that he was not aware of this matter.

"You should be more aware, you have great potential" Chu Yuechan said to Ye Chen.

"That's right, your potential is really great, you should develop it more, it seems like this is the right time to train you" Chu Yelan said to Ye Chen.

"That seems to be true, then let's train him" Chu Yuechan agreed, they might have to train Ye Chen more seriously.

"I feel a bad feeling when you guys say that" Ye Chen felt a bad feeling when listening to the conversation that Chu Yuechan and Chu Yelan were having.

"Be prepared, it's going to be tough" Chu Yuechan said to Ye Chen.

Chu Yuechan and Chu Yelan dragged Ye Chen, they both wanted to train Ye Chen using their abilities.

Ye Chen was dragged, he couldn't possibly escape again when being dragged by Chu Yuechan and Chu Yelan.

"This is coercion" Ye Chen said to Chu Yelan and Chu Yuechan.

"It's for your good and our good, so be prepared" Chu Yelan said to Ye Chen.

The two of them seemed unwilling to listen to Ye Chen's words, they still took Ye Chen away with them.

Ye Chen couldn't help but join in the training, he started practicing with Chu Yuechan and Chu Yelan.

Chu Yuechan and Chu Yelan were quite strict when practicing, they practiced firmly and made Ye Chen become stronger and stronger.

Ye Chen and Ning Yi practiced quite hard, they had their training inside the gate away and had fun in it as well.

"It's been a while, it looks like it's time for us to come out and go to the meeting" Ye Chen said to Ning Yi.

"Let's go out, I have gotten quite a lot of practice and now I am getting stronger" Ning Yi had practiced a lot and started to change, her confidence became much greater than before.

The two came out from inside the fairy gate, when they emerged, Clan Ning had already started to improve and they had completed the repairs quickly.

"Where did you go?" Ning Clan's members asked Ye Chen and Ning Yi, the two of them had left and disappeared for a long time.

"I was practicing together with him" Ning Yi informed that she was practicing together with Ye Chen.

"It's not strange that you haven't been seen for so long, the group will be leaving soon, the patriarch told you to prepare and will be leaving at noon" the Ning Clan member told Ning Yi and Ye Chen.

"I understand, we will both prepare" Ning Yi nodded lightly, the two of them would prepare to depart.

"I'll be going then, enjoy your time well" The Ning Clan member left and returned to the post to continue the repairs that had not been fully completed.

[Chapter 2355 Arrived In A Big City That Was Alive](#)

Ye Chen and Ning Yi started packing, they started preparing everything.

Ye Chen himself prepared a few things, just in case something untoward happened.

"Ning Yi, I wonder what the meeting between the Ancient Clans will entail, what will you guys discuss ?".

"Usually we exchange items and do transactions or auctions, there are also sessions of comparing strengths and usually there will be many young talents who come to show their abilities" Ning Yi said.

"So then, it seems interesting, I want to see if there are any good items I can get" Ye Chen wanted to see if he could get a good item.

"Maybe you can get a good item" Ning Yi told him that Ye Chen might be able to get a good item.

They made preparations quickly, when daylight came, they all went straight to the entrance.

"There are some people here too, they seem to be the same as Ning Yi and are promising young talents." Ning Yi said.

"Are you all ready?" Ning Hazu asked everyone, he wanted to know if they were all ready.

"We are all ready" they told him that they were.

"Then we're off" Ning Hazu said as they set off, using the vehicle that had been prepared, a canoe that could fit eight to ten people.

"This vehicle will take us to the arranged meeting place, everyone come with me on board." The vehicle had already been prepared and was about to leave for the appointed place, even Ning Hazu didn't know where their meeting place was because it was so secret.

"Do we even know where we're going?" Ye Chen asked Ning Yi.

"The meeting place is usually a secret place, so we are not informed about this and we just need to use the transportation provided by the event organizer where the ancient Clan is in charge of deciding the place and providing everything" Ning Yi told Ye Chen.

"It's so secretive, it's not strange that you weren't discovered, you're even cautious in such a small matter.

"That's just the way it is, we've been doing it for a long time" Ning Yi said to Ye Chen.

"Let's go up, what are you waiting for?" Ning Hazu told everyone to go up, even though it seemed small it still worked well and they would soon arrive at the meeting place of the Ancient Clan.

"Alright we got it" Everyone boarded immediately, after boarding, the canoe flew at full speed, it was estimated that their journey would take about 4 hours, so they still had plenty of time and would arrive in the afternoon.

"I can't wait to see that person" some of the male members said and were talking about something.

"You're too excited, we won't know if he's coming or not, don't get your hopes up" another one said that it was difficult to materialize.

"Who are they talking about?" Ye Chen asked Ning Yi.

"Oh them, they are talking about women" Ning Yi told Ye Chen.

"They always get excited when they talk about that" Ning Yi said helplessly.

"Is there anything that appeals to them" Ye Chen said to Ning Yi,

"Of course, there is a beautiful woman from the Ancient Clan and is the Clan leader, all men can't run away from her and she has a terrible charm, even father can't survive that woman and mother would be angry" Ning Yi said to Ye Chen.

Ning Yi was talking about a witch woman who had a strong charm and could make men crazy and obedient.

"That powerful" Ye Chen asked Ning Yi.

"Of course, why don't you ask them, those who have seen them won't be able to forget them" Ning Yi said to Ye Chen.

"You don't seem to care much about this matter" Ye Chen could see that Ning Yi seemed indifferent about this matter.

"That woman is a bit scary, she is capable of manipulating a woman like me, so I am more cautious with her" Ning Yi told Ye Chen.

Ning Yi felt a sense of pressure when he was with that woman, so it was not strange that he was more vigilant and cautious.

"Isn't it troublesome, she might be able to manipulate all the people she wants to manipulate" Ye Chen said to Ning Yi.

"Of course, she is dangerous, but you are quite strong, I heard that you have resistance to charms, so you should be fine" Ning Yi said to Ye Chen.

"So you are not worried about me at all" Ye Chen saw that Ning Yi was not worried about Ye Chen's safety.

"You should have a strong charm sealed, if she dares to mess around, you just need to counterattack, it's easy" Ning Yi said to Ye Chen.

Ye Chen still had a charm weapon that was strong enough to make a woman chase him, it was quite powerful.

"I almost never use things like that, to be honest the last time I used it, I was chased by a girl from one city, it was a little scary" Ye Chen said.

Ye Chen might be able to survive if only a few people were chasing him, but when an entire city was chasing him, it was very troublesome, and he had sealed his charm and almost never used it.

If Ye Chen used it, perhaps he could easily get women with just one look.

"So that's your reason, I can understand, it turns out your life isn't very good either" Ning Yi said to Ye Chen.

"Your words don't help" Ye Chen said to Ning Yi.

"Fufufu" Ning Yi smiled and laughed, she felt satisfied talking to Ye Chen, it was fun to do.

Their journey finally arrived, they arrived at a city that was quite large and looked quite lively.

This city could be said to be very large, it was bigger than a continent.

"Is this our destination, isn't this place too flashy and has too many people" Ye Chen said to Ning Yi.

"Meeting places are usually erratic, we are all lucky that we get a nice and cozy place, usually it is in a small town or a hidden forest" Ning Yi said.

"So that's it" Ye Chen started to understand, he started to understand what was happening, it seemed like it was easy to understand.

When they got down, they were greeted by a large and magnificent building with lots of crystal chandeliers that were bright and eye-pleasing.

"This place is very lively" Ning Yi looked around, she could see that the surroundings were very lively and full of people doing their thing.

"Sir, welcome, come with me." Ning Hazu was immediately greeted by a young man and a young woman, she was told to follow behind them.

"All of you, please behave yourselves, there are many strong people here, don't make a mess of this place." Before entering, Ning Hazu gave a warning to everyone not to be arrogant because this place was full of young talents who were far more competent and talented than any of them.

"We understand, we won't make a mess" they said that they wouldn't make a mess.

They all knew the risks and knew that they were still weak compared to the Ancient Clans in this place.

Ye Chen followed in, he followed behind and entered together with all of them.

Because Ye Chen had guest status, Ye Chen was given a seat where he was at the very back while Ning Yi and Ning Hazu were in the front as important people.

[Chapter 2356 Absolute Charm Domain](#)

When they arrived, there were already quite a few people who came and occupied the seats, about 70% of the seats here were already filled.

"There are too many, I didn't expect them to be this many" Ye Chen didn't expect that the Ancient Clan would have such a large number, if they only sent representatives, then it was certain that they were bigger than Ye Chen imagined.

"but, they all look like ordinary cultivators, they are not even eye-catching" Ye Chen could see that they were not eye-catching, they looked like ordinary cultivators who came from an ordinary Clan.

Although they looked ordinary, Ye Chen could be sure that they were monsters, their strength was all almost evenly distributed in the 10 Divine Overlord Realm, obviously their strength could not be underestimated.

"What's wrong, do you dislike this place?" Ning Yi tried to retreat, he asked Ye Chen.

"Not really, I just like this place" Ye Chen told Ning Yi.

Ye Chen said that he liked this place, he was even more curious about this place.

"Good then, I thought you didn't like this place" Ning Yi thought that Ye Chen was uncomfortable in this place.

"oi look at that, aren't they from Clan Cao" several men with luxurious looking clothes came over, they all looked very dashing with tall bodies and large bodies.

Their aura was a little different from the people here, they didn't seem to hold back and tried to dominate everything.

"Clan Cao, they are a Clan with terrifying and powerful physical strength" Ning Yi said to Ye Chen.

"They are also too agile, they are a formidable opponent and at the same time very strong, their dominance power is wind and earth" Ning Yi explained to Ye Chen, she would tell Ye Chen the strong people that arrived.

"They did show their strength" Ye Chen said to Ning Yi.

"But why are they treated so differently from us?" Ye Chen asked Ning Yi.

"Our Ning Clan's position is not very strong and dominant, so our rights are limited" Ning Yi told Ye Chen.

Ning Yi told Ye Chen that if they had limited rights, they could not be compared to Cao Clan.

"It's like a caste" Ye Chen said to Ning Yi.

"That's right, we are only at the bottom while they are at the top, the difference in strength is obvious" Ning Yi said.

"Don't be so modest, I've trained you so much, you shouldn't be any worse off than them" Ye Chen said to Ning Yi.

Ye Chen helped to cheer Ning Yi up, he told her that Ning Yi had become stronger compared to before.

"Thank you so much, I'm happy about all this" Ning Yi was happy, she felt that Ye Chen made her heart calm and happy.

"tap . . . , tap , tap," a sound of footsteps with a good rhythm suddenly sounded.

It was obvious that they were stepping in rhythm to make a sound like this.

"They're coming, they're coming" Most of the people stood up to see who was coming.

They were too excited, like they were too happy to hold back.

"I guessed it, they won't be able to hold back" Ning Yi had already guessed that they wouldn't hold back.

"No... . , the charm around our place is increasing" Ye Chen said to Ning Yi.

Ning Yi might not be aware of this, the one who might be able to be aware of this was Ye Chen, she was able to see that his charm had already filled this place.

"Even though he hasn't entered yet but has already made things like this, it seems Ning Yi isn't messing around with what was previously said.

If she is able to do something like this, then it is certain that she is indeed strong in the matter of charm.

Perhaps Sun Xuanyin is still not up to this point, this might be more of Fu Lanling's innate charm that is enhanced even more strongly.

"Maybe I should be see" Ye Chen decided to see that woman.

All of them would not be able to survive, here obviously no one would be able to survive even the people from Cao Clan had to lower their heads and start reciting some spells to clear their minds.

"They have their own difficulties" Ye Chen saw that they were trying to survive and not get caught up with this absolute charm.

A group immediately entered this place in a graceful manner and full of strong enchantment style.

The group was led by a woman wearing a luxurious white dress with silver colored hair and dazzling violet colored eyes.

Her eyes looking around, she looked at everyone and mesmerized them.

This room was like a domain for this woman, no one could escape from her reach.

"Behind there are also some women with no less powerful charms, their combination of course can easily make the men and battles in this place become confused and uncontrollable.

"she's scary isn't she?" Ning Yi said to Ye Chen, Ning Yi tried not to look and turned her attention elsewhere.

she tried to make her mind clear so as not to get caught up with them.

"Who are they?" Ye Chen said to Ning Yi.

"They are from Xu Clan, and that woman's name is Xu Leiya, their leader and the most powerful, she has absolute charm and cannot be fought" Ning Yi said.

"I'll keep that in mind, it seems like she's a troublesome woman, everyone in this place might already be entangled" Ye Chen said to Ning Yi.

"What? ?" said Ning Yi in a surprised tone.

"You also can't seem to help it" Ye Chen said to Ning Yi, he could see that Ning Yi couldn't help it either and he was affected by the charm that Xu Leiya possessed.

"I... ., am I too weak in this matter" Ning Yi said to Ye Chen.

"charm is different from fighting, it attacks the subconscious and changes your mind, you are even afraid to look at it, that is more than enough proof" Ye Chen said to Ning Yi.

"ah. . ., so that's it" Ning Yi finally understood, she finally knew what happened, she had been unable to fight from the beginning.

Unlike Ye Chen who was able to steadfastly resist, Ning Yi barely had the strength to resist and chose to dodge, that already proved everything.

"It's better to stay like that, don't get influenced and recognized by him" Ye Chen said to Ning Yi.

"I will try to persevere and not be influenced" Ning Yi finally strengthened her resolve, she strengthened her resolve to persevere.

"Ahhh Miss Xu you are beautiful as always, tonight you are very beautiful" When the Xu Clan group appeared, there were already several men and women gathered to greet them.

They were all obviously very famous and more so than all the Clans that had previously arrived.

"Hello everyone, long time no see, how are you?" this woman said to everyone who greeted her, she seemed very friendly, she was friendly to everyone in this place.

Xu Leiya has a good figure, her body is slim and her G-sized double peaks are perfect with her body, plus she knows how to use her beauty, in every movement and way of speaking, she really shows that she is a high-class woman who is hard to reach.

[Chapter 2357 Xu Leiya Was Rejected](#)

No one could stand this kind of thing, even a strong man in this place found it difficult when facing Xu Leiya.

Xu Leiya looked around, she smiled when she saw everyone falling.

"They are all still unable to endure" Xu Leiya saw that those here were still weak and unable to endure his absolute charm.

Xu Leiya was clearly invincible and could easily manipulate her will.

"Goddess, you should all sit down, we have prepared the most special place for you all" The men in this place had prepared a very special place, that way Xu Leiya would be satisfied.

"thank you very much everyone" Xu Leiya smiled and thanked, everyone was touched and felt melted when receiving a smile from Xu Leiya.

"yes, she is quite beautiful" Xu Leiya was indeed beautiful and Ye Chen had to admit it.

"Don't tell me that you are affected too" Ning Yi said to Ye Chen.

"I didn't say that I was affected by this, this is my personal opinion" Ye Chen told her that this was his personal opinion.

"So it's your personal opinion, I feel more relieved" Ning Yi said that she felt more relieved, she became more relieved when she heard this.

Xu Leiya and the others sat down, they were the first and most conspicuous among all the people in this place.

With the arrival of Xu Leiya, almost everyone had arrived, now there was only one left, the Mo Clan, they were probably the slowest and had considerable strength among all the ancient Clans here.

Everyone must wait, they must be able to be more patient to wait for Mo Clan to arrive at this place.

When Mo Clan arrived at this place, then they could begin.

"It's so long, how long do we want to wait like this, why not just start" Ye Chen said while crossing his legs.

"There are still ancient Clans that haven't arrived yet, so I hope you will be more patient" Ning Yi said to Ye Chen.

"Alright I understand" Ye Chen said that he understood this and would wait even longer.

Everyone waited like Ye Chen, they all waited patiently, they wanted to get angry but couldn't, because the ancient Clan that hadn't come yet was stronger compared to all of them in this place.

Ye Chen and the others had to wait for about 2 hours and it was boring, they had no choice but to talk about some topics with the people around.

The most lively one was around Xu Leiya, there were tons of people approaching and trying to find luck.

"It seems like it's still quite long, how about we go out for a while" Ye Chen said to Ning Yi.

Ye Chen invited Ning Yi to go out for a while and see what was around, they would probably take a long time in this place.

Some people also came out to get some fresh air, they also didn't like to wait for too long.

"It looks like I can't, father won't let me go" Ning Yi said that she wouldn't be able to go.

Ye Chen could only go out alone, he went out of this room towards the outside, no one stopped Ye Chen, it seemed like this place was quite free, as long as Ye Chen did not go out of the courtyard area, then everything would be fine.

"that person. ." Xu Leiya noticed Ye Chen, she could notice that Ye Chen walked out of this place.

Ye Chen was aware that Xu Leiya was looking at him, he only glanced briefly and continued to leave.

"That person, he wasn't affected by the charm absolute" Xu Leiya finally realized that the person just now wasn't affected.

"This can't be, this is very strange, how could it happen" Xu Leiya muttered, she couldn't believe it when she found out about this matter.

"I have to confirm this matter" seeing something not good, Xu Leiya had to confirm it herself.

Xu Leiya suddenly stood up and she immediately left leaving everyone behind.

"Miss, where are you going" Xu Leiya's followers asked, they wanted to know where Xu Leiya wanted to go.

"I want to do something first" Xu Leiya said that she had to do something first.

"You stay in this place, make sure nothing untoward happens when I'm not around" Xu Leiya said in a quite firm tone.

"We understand" They all understood, they would make sure that this place would be their domain.

After saying that Xu Leiya walked out.

Ye Chen looked around, he saw something interesting in this place.

He saw a person carrying a box and it looked very precious, he could feel something great.

"Yuechan, what do you think it is" Ye Chen asked Chu Yuechan.

"It's a little difficult, but it emits a strong golden aura, maybe it's a fruit that can increase the power of light" Chu Yuechan said.

Chu Yuechan tried to guess, to be honest Chu Yuechan couldn't, she couldn't guess what was inside, the box had a power that made it difficult for Chu Yuechan to see what was inside.

"I think it will be sold in an auction, didn't Ning Yi say that there will be an auction later" Chu Yuechan said to Ye Chen.

"That's right, there will be an auction later" Ye Chen might have to get that, he was sure that this would not be easy to get, they would definitely target and compete with Ye Chen.

"What are you doing in this place" When Ye Chen was thinking, a soft voice spoke to Ye Chen.

"Ehhh. . ." Ye Chen was too focused, he didn't realize that there were people behind him.

Ye Chen peeked, he saw the figure of Xu Leiya who was talking to him.

"Just a little sightseeing, what does the leader of Xu Clan want from someone like me" Ye Chen asked Xu Leiya.

"You are quite polite too" Xu Leiya saw that Ye Chen was quite polite, that was a good point.

"It's our first time meeting, of course I'll be polite" Ye Chen informed that it was their first time meeting, he naturally had to be more polite.

"I can sense other intentions from this woman" Ye Chen could sense other intentions from Xu Leiya, Xu Leiya must want something.

Xu Leiya looked at Ye Chen, she had already used his charm and saw that Ye Chen was not affected.

"he is not affected, what happened, why did this happen, did he use a special artifact, or does he have a very strong mind, this is enough to make me curious" Xu Leiya became curious, she had never failed in her absolute charm.

So there must be something that made Ye Chen able to survive his attacks, and Xu Leiya had to find out about that matter.

"What a coincidence, I'm also out, it's quite crowded inside, plus Mo Clan hasn't arrived yet, they're always late" Xu Leiya told why he was out.

"Then I won't disturb your time" Ye Chen said that he wouldn't disturb Xu Leiya's time.

Ye Chen said his greetings and went out, he was getting curious about the ancient Clan and wanted to find out more.

Xu Leiya was left alone, he was silent like a fool.

"Just now, was I rejected?" this was the first time Xu Leiya received this kind of treatment, honestly this goddess-like beautiful woman had never been rejected, she should be the one rejecting everyone, but now it was reversed and she was rejected.

[Chapter 2358 The Barbaric Mo Clan](#)

Xu Leiya was still in disbelief, it could be said that she would not believe what was said, how could she be rejected like that, such a thing was definitely an impossible thing to do.

"Seems interesting, I don't even know who he is yet" Xu Leiya said that Ye Chen was interesting, she didn't know who she was facing yet.

This was the first time she faced an enemy like Ye Chen, where she was able to fight back and not flinch.

"she is definitely not one of the Clan members, seems like an important guest, who is it, who found this kind of person, which Ancient Clan found him" Xu Leiya became more and more curious, she became more and more curious about Ye Chen.

"Then let's play" Xu Leiya wanted to play, she wanted to play with Ye Chen, it had been a long time since she was a naughty and nosy woman.

Ye Chen himself had gone quite far, he who was currently looking around to find himself in a long passage.

This place was very busy, almost everyone in this place was clearly working hard and Ye Chen could clearly see that they were preparing items and step goods to be sold.

Moments later from the front, several people appeared in combat attire and carrying various weapons such as swords, spears, axes, scythes arrows and daggers, they all looked very domineering and were feared by everyone in this place.

Unlike all the people Ye Chen had previously encountered, this group was much more dominant, they did not hide their strength and showed that they were the best among all the people in this place.

"Forget it, it's none of my business, I don't really care about them" Ye Chen didn't really care about these people.

Ye Chen crossed paths with the opposing group, he walked casually and passed by all of them.

There was no exchange in their eyes.

"hey, you. . ." a while after they took 10 steps from each side, one of them said to Ye Chen.

Ye Chen paused, he could feel a hint of hostility from this group.

"what do they want from me" Ye Chen didn't know what they wanted.

"Do you guys need anything from me" Ye Chen asked the group opposite to himself.

"Don't you know who we are" these people asked Ye Chen.

"I don't know, I never met you guys" Ye Chen said that he never met them.

"You've never met us, so that's it, it's appropriate that your attitude is like that, if you know who we are, you will definitely change your attitude" they said to Ye Chen.

"What do you mean, are you guys great?" Ye Chen said to the group behind him.

"Hahahaha, how interesting, you dare to say that, it seems like you don't know who we are" they felt that they should show their strength in front of Ye Chen.

"Let me show you the strength we have" one of them advanced towards Ye Chen, the one who advanced used a spear and intended to attack Ye Chen with full force.

Ye Chen did not move, he seemed to have no fear of the opponent's attack directed at him.

The spear approached and headed straight towards it just inches away from Ye Chen's body.

"Take this you idiot" This person didn't seem to be playing around when attacking Ye Chen, he seemed to be using all his strength to attack Ye Chen.

Ye Chen intended to extend his hand and block the attack from the opponent.

"Stop right there" when the attack was about to hit Ye Chen, someone stopped the man using the spear.

The man stopped before his weapon hit Ye Chen, this voice had a strong domination power and could not be resisted.

Xu Leiya who was previously rejected by Ye Chen, suddenly appeared behind, she crossed her arms under her chest and made a dissatisfied face.

"Goddess Xu, what are you doing in this place" the spear-using man looked at Xu Leiya, he looked flushed when looking at Xu Leiya.

"Of course waiting for you late, barbaric Mo Clan" Xu Leiya said in a dissatisfied tone.

Xu Leiya looked dissatisfied, she seemed to be dissatisfied with this group.

The group before Ye Chen was the Mo Clan group they were waiting for, they waited long enough to wait for a group of barbarians who were arrogant and thirsty for honor.

"Please forgive us, we have some business to do before coming to this place, I hope the goddess Xu is not angry.

"Mo Yoxa, you better take care of your people, don't make trouble in this place, I will turn a blind eye to this matter" Xu Leiya said to Mo Yoxa.

"Alright, I'll work on it, I'll try my best to keep them from making trouble in this place" Mo Yoxa said that he would take care of them.

"Let's go" Mo Yoxa said that they should leave, he was quite calm when facing Xu Leiya, or rather he would not be able to win against Xu Leiya.

Mo Clan's group left in a hurry, they left this place quickly.

"I just left you for a while and you're already making trouble with Mo Clan, are you tired of life already" Xu Leiya said to Ye Chen.

"I wasn't looking for trouble with them, I was just passing by and suddenly they attacked me" Ye Chen explained what happened, he was just passing by and was attacked by the Mo Clan.

"They are honor-hungry barbarians, if you don't bow in front of them, then you will be considered challenging them" Xu Leiya said to Ye Chen.

"Just because of that issue alone" Ye Chen asked Xu Leiya.

"Of course, they won't even hesitate to kill you over such a matter" Xu Leiya said helplessly.

"That's very troublesome" Ye Chen saw that this matter was very troublesome.

"Next time be careful and don't look for trouble with them, cherish your life" Xu Leiya said.

"Thank you for the warning, I will be careful" Ye Chen appreciated Xu Leiya's words.

Xu Leiya smiled at Ye Chen, this smile could make a man melt.

Ye Chen smiled back, this woman wasn't bad either, at least she hadn't shown her motives yet.

This was the first time Xu Leiya had seen someone who could survive at such a close distance to her, it was obvious that Ye Chen's strength was on a different level.

Xu Leiya wanted to see to what extent Ye Chen was able to defend, whether he could defend against her directly.

"Ding. ." a bell rang signaling that the auction was about to begin.

"Too bad, looks like I have to go back" Xu Leiya had to go back, the auction was about to start.

"Goodbye kid" Xu Leiya left, she walked away leaving Ye Chen behind.

"Troublesome woman, it seems you have a little trouble defending from beautiful women, right my dear master" Chu Yuechan said to Ye Chen.

"So noisy" Ye Chen said to Chu Yuechan.

Ye Chen didn't want to discuss this matter, after all he didn't know who would be his enemy in this place, lest he be complacent.

"You should also go back, it will start" Chu Yuechan said to Ye Chen.

"I understand" Ye Chen understood, he was going straight back to his seat.

He used teleportation and quickly got to his seat before Xu Leiya even arrived at this place.

"It seems to be starting soon" Ye Chen said to Ning Yi.

"Eeeeh ? ?? , when did you come back?" Ning Yi was surprised when she saw Ye Chen already beside him.

[Chapter 2359 High-End Auctions Begin](#)

"I just came back" Ye Chen told her that he just came back.

"That surprised me, I didn't even see you coming" Ning Yi said that she didn't see Ye Chen coming,

Maybe everyone in this place didn't realize that Ye Chen just walked in and sat on his chair.

It's like nothing happened, it's like Ye Chen never left this place.

"But Mo Clan has arrived, it seems like there will be interesting things that will happen" Ning Yi said to Ye Chen.

"they have made us wait and it sucks, maybe we should teach them a lesson" Ye Chen said in a dissatisfied tone.

"hmmm, it's a bit strange too, why are they wearing so many high-end armors" Ning Yi said while looking at Mo Clan.

"Are they not usually like this" Ye Chen asked Ning Yi.

Ye Chen thought that they were like this and used armor in meetings.

"You see all the people in this place, they are all wearing formal clothes, this is a meeting and not a war, so why wear such clothes" Ning Yi said to Ye Chen.

"You're absolutely right, they probably have other purposes for doing that" Ye Chen was sure that they had other purposes, they had other goals.

"I'm not sure what they will do" Ning Yi also didn't know what would happen next.

Xu Leiya finally returned, she came back and immediately sat on her special seat, she seemed to be eager to get started.

"hello everyone, welcome to this place, you have all come and now is the time to start, how about we start with the auction" a man came over, he was the organizer of this place and his name was Wu Dongni.

"You will definitely not regret when you come to this place, there will be a lot of things that make you all excited" Wu Dongni said to everyone in this place.

"ohhh . . ." Everyone said to Wu Dongni, everyone looked excited when listening to this.

They were all impatient when they heard that there would be good stuff in this place.

"Should we start right now or should we wait" Wu Dongni said to everyone.

"How about we start right away" Xu Leiya said that they start right now.

"Let's start" Because of Xu Leiya's words, everyone shouted as if they were being led towards Xu Leiya's wishes.

"This woman is not bad either, she makes everyone obey what she wants" Xu Leiya made everyone submit, they all joined in Xu Leiya's game.

If it continues like this, then it is certain that everyone will join the woman's game.

They will definitely join the game that Xu Leiya wants.

They wouldn't even be able to resist, in this matter they would go with the flow.

"Should I go with the flow or should I go against the flow" what should Ye Chen do, should he go with the flow, or against the flow.

It was a decision Ye Chen had to make.

"Let the time decide, if there is good stuff I will not hesitate to fight" Ye Chen made a decision, if there is good stuff, he will not miss it.

"Alright, let's get started, the first sword that will appear is something great, this is a relic of the divine level" A shabby sword appeared, this sword looked very damaged and almost impossible to use or wear.

"What the hell, why bring out a shabby sword" everyone started complaining, they all wanted to know why this shabby sword was being sold.

"I thought that you all would do that, but I will answer you, this sword has a divine aura in it, you yourself here must know that, maybe it can help you to see a new world" Wu Dongni told what was inside this sword.

When everyone heard this, they finally understood and understood what was happening, they all finally knew that this thing was really great.

"The starting price is 1000 Divine Rainbow Crystals" Wu Dongni told them the starting price they had to pay for the auction.

"1100 Divine Rainbow Crystal" Some people who longed for the immortal level immediately made a bid, they could not possibly miss this opportunity to obtain a relic of the immortal level.

"1200, 1300, 1500, 1700, 1800, 2500, 3000, 4000" the price started to rise crazily, they all didn't care and continued to make crazy bids.

"husband, about that sword, is it any good" Ning Yi asked Ye Chen.

"No need, honestly we don't need something like that" Ye Chen told Ning Yi, they didn't need that ugly thing, it could be said that it was a waste of their time because it had a thin aura and could hardly be used to make a breakthrough, only a fool would want to buy it.

After the price rose to 5000, fewer and fewer people participated, only a few people here decided to participate.

The price had already reached this point, it wasn't strange that only a few people were willing to participate in a god's sword auction.

Xu Leiya and the others still didn't move, they were still saving their money for the main event, it wasn't good to spend resources on something like this.

Xu Leya, Mo Clan and Cao Clan still stood and watched, they wanted to be quick to the items that interested them.

After a while, the final result was 5600 Divine Rainbow Crystals, one Clan spent quite a lot on a sword with divine aura.

"Alright, now is an item that women might like, this is the Immortal Flame Soul Jewelry, it can increase the user's fire power" Wu Dongni told the second item.

A beautiful jewelry appeared, this jewelry was very beautiful and made women's eyes sparkle, besides having the power to increase the user's fire power, this could also be for decoration that made the appearance beautiful.

"wow, this is great, I must get it" some of the women here were impatient and they wanted to get it.

Women are creatures that like pretty things, so something like this caught their attention.

Even Ning Yi seemed to be interested, she looked interested when she saw the thing that just came out.

"Do you like it?" Ye Chen asked Ning Yi.

"Um, but it's going to be quite expensive" Ning Yi told Ye Chen.

Ning Yi told Ye Chen that the Immortal Flame Soul Jewelry would be quite expensive to buy.

Plus there were many women eyeing it, so it would be difficult.

"If you want, I won't mind getting it for you" Ye Chen said to Ning Yi, telling him that he would get it for Ning Yi.

"Are you serious?" Ning Yi asked Ye Chen, Ning Yi looked happy when he heard this, he was excited when Ye Chen promised the immortal flame soul jewelry as a gift.

"Of course, I can't possibly let my beautiful wife down" Ye Chen informed that he wouldn't let Ning Yi down.

Ning Yi blushed, she could not hold back the pleasure and happiness in her heart, this feeling was too strong and Ning Yi could not help it.

"The starting price is 3000 Divine Rainbow Crystal" Wu Dongni gave the starting price, she gave the starting price for this pretty good thing.

"3300, 3500, 4000" countless women started to bid.

"5000" Xu Leiya said with a soft and calm voice, when Xu Leiya spoke up, no one wanted to regret and she seemed to be respected and loved by everyone in this place.

No one dared to bid after Xu Leiya came out, they seemed unwilling to bid because they couldn't do it, somehow they couldn't resist Xu Leiya.

Xu Leiya has come forward, that means this thing will definitely fall into his hands, Wu Dongni is of course very familiar with this matter, he understands very well what happened.

"In that case . . . , the winner is . . . , 6000" Before Wu Dongni finished making the announcement, there was someone who wanted to participate in the auction and fight Xu Leiya.

"What's going on, who is he" everyone immediately looked towards Ye Chen, they could all clearly see that Ye Chen was bidding above Xu Leiya.

"He dares to fight the goddess, does he not know his place" some people said in a dissatisfied tone.

"Young Master, why are you coming, you shouldn't need this, this is something that women love" Xu Leiya was still calm and kept her smile, she didn't seem to falter when fighting Ye Chen.

Xu Leiya believed in her abilities, she once again tried to influence Ye Chen.

"I want to use it as a gift" Ye Chen said to Xu Leiya.

"So it's like that, then I won't hold back" Xu Leiya said that she wouldn't hold back and started to bet too, she wouldn't let Ye Chen get it.

The two began to battle, they both raised the price for the item.

People could only watch what was happening, they couldn't intervene in the battle, they could only stand by and watch the fight between Ye Chen and Xu Leiya.

"This guy is not budging, how strong is he able to defend against me" Xu Leiya wanted to know how long Ye Chen was able to defend against her.

"Miss, don't be impulsive" When the bidding reached 9000, the woman beside Xu Leiya immediately told him to stop, she didn't want to let Xu Leiya spend money that fast with Ye Chen.

Xu Leiya was too impulsive, she completely forgot that it was still early and she shouldn't use money too extravagantly.

"So I lost" Xu Leiya didn't like this, honestly she didn't like losing in front of someone, she looked at Ye Chen with eyes full of charm.

[Chapter 2360 Good Item Finally Came Out](#)

Xu Leiya didn't really like losing, she didn't like losing in front of a man.

Xu Leiya continued to look towards Ye Chen, she looked towards Ye Chen with eyes filled with hostility.

Ye Chen naturally saw the eyes that Xu Leiya had towards him, this beautiful woman seemed to start antagonizing Ye Chen.

"It seems like she is starting to become angry with me" Ye Chen could see that Xu Leiya was starting to become angry and he had to do something about this matter.

"It looks like you made a beautiful woman angry, you might get into trouble" Chu Yuechan said to Ye Chen.

"I know that, but it doesn't matter, I feel like I'm enjoying this" Ye Chen felt that he was enjoying this, he could feel how he was enjoying this game.

The auction continued with a variety of things, such as ancient technique books, pills, plants that were quite steep and some artifacts above Tier 10, all of them were here, the problem was, their prices were so expensive and there might not be much strength that could simultaneously transport all of them.

Ye Chen only chose the good things, he still has to save for the training needs of the women he has, there are still many dependents that Ye Chen needs to calculate.

Ning Clan themselves only bought a few pills for their needs, they needed resources to increase their strength quickly, so pills were the quickest way to gain strength.

The auction became hotter and hotter as time went on, those who still had profound crystals continued to bid up the price to get the items they wanted.

And this place became more and more intense as time passed.

"Okay, this is the item that will make you guys in this place scream, are you ready to start" Wu Dongni said to everyone in this place, he informed that everyone would probably get excited when they saw the item they were going to show everyone.

"What is it, quickly take it out and show us" everyone seemed very excited when they heard this, they all wanted to know what Wu Dongni had.

"Hey Yuechan, that thing we saw earlier, it hasn't come out yet" Ye Chen asked Chu Yuechan.

"You're absolutely right, it hasn't come out yet and it's likely to be released soon" Chu Yuechan told Ye Chen, it would be released soon.

A few moments later a box was taken out, inside was something that would make everyone excited.

"What is it, it seems like the aura is quite strong" people could feel that the box held a strong thing and they were all naturally attracted to strong things.

"You will all know what it is soon" Wu Dongni told everyone that they would soon know what they would see.

Xu Leiya, and Cao Clan seemed to be interested in this matter, while Mo Yoxa was still relaxed and did not seem to want to interfere in this matter, they were unwilling to bid from the beginning and stayed where they were as if nothing had happened.

"That's strange, why aren't they bidding, what's going on with Mo Yoxa, are they that weak to not bid" Everyone tried to guess, Mo Clan was one with rich and powerful resources, so it was strange to see Mo Clan not bidding or buying.

People couldn't and didn't want to ask because it would be quite troublesome, so they could now just sit back and see what would happen next.

Ye Chen felt a threat from Mo Clan, somehow he felt that they were a threat and made Ye Chen unhappy.

"Alright here it is, take a good look, all of you will definitely like this" Wu Dongni finally opened the box, a strange fruit with a golden aura and a very fragrant smell immediately wafted out.

"That... ." A lot of people stood up when they saw what had just appeared, they seemed unable to contain their excitement when they saw what appeared in front of them.

"Divine awakening light herb" Ye Chen muttered softly, he naturally knew what appeared in front of him, a rare item and probably only one in the God Realm.

This is one of the rarest items and appears once every few hundred thousand years, people who use it can gain strong light power or increase their light power.

if the person using this could use the power of light directly, it was a very great thing and quite a few people wanted to obtain it.

Everyone laughed, they seemed to be eyeing this for their Clan, which would allow them to use the power of light.

In the God Realm users of the power of light were very rare, even Shui Yixian once said that people like her and Zhao Yanyan could only be counted, the number of light users were few and hard to find, those with the power of light could be said to be chosen people who had high status in the God Realm.

Even in the ancient Clan there were only a few people who were born with the innate talent of using the power of light.

If they could obtain the Divine awakening light herb, they would be able to easily climb the ladder to become the best among the ancient Clans.

"My goodness, this is so dazzling, I must get it" Xu Leiya would not let go of this, she would definitely get it and bring it back together with the Xu Clan.

Everyone was glued to the center of the stage, they all couldn't wait to get started.

"Quickly open the price, we want to have it" They were all in a trance, they could not wait to bid.

Wu Dongni smiled when he saw all the strong cultivators going crazy, they all went crazy and could not wait to get the top prize in the auction, they would not even hesitate to use everything they had to get the final prize.

"The starting price is 50,000, those of you who have please bid at a decent price" Wu Dongni said to everyone.

"Alright" everyone started bidding.

"51,000. 52,000, 55,000, 60,000, 70,000, 80,000, 90,000, 100,000" in just 5 minutes, the starting price immediately increased to 2x, everyone wanted to get the divine awakening light herb, they were realm to spend more and more money they all saved to get the divine awakening light herb.

"120,000, you'll all give it to me won't you" Xu Leiya said to everyone in this place, they would all definitely give it to her.

Some Clan heads started to become uncomfortable when they saw Xu Leiya started to bid, obviously they were not willing to go against their goddess.

Xu Leiya smiled brighter and brighter, the road ahead looked very bright and she would easily get what he wanted.

"150,000" when everyone thought that Xu Leiya got the divine awakening light herb, Cao Clan started bidding, here was the only person who wanted to fight for the divine awakening light herb.

"Ouch, why are you coming, you naughty old man, do you want to fight with this beautiful woman" Xu Leiya said in a dissatisfied tone, obviously she was not happy with this battle.

Xu Leiya did not like to spend more of his Clan's resources, he must be able to convince this old man to stop fighting with her, otherwise maybe Xu Leiya would have to spend even more and that would be detrimental.

"Are you afraid" Cao Clan's leader said to Xu Leiya, Cao Clan's leader was Cao Cao, he said clumsily, it was obvious that Cao Cao was trying to survive Xu Leiya's charm.
