

## True God 2371

### [Chapter 2371 Mo Xi Vs Shen Niang](#)

Something terrifying appeared behind Ye Chen, this was extremely terrifying and made anyone feel goosebumps.

"What is it. . ., what happened" Everyone could feel the horror that happened, they all felt like the happiness in this world vanished and was replaced by despair.

"What the hell is going on, why is this happening" they started to move away, they couldn't stay in this place and were afraid of what would happen.

The darkness spread faster than the speed of light, it spread rapidly and almost enveloped many stars and parts of the God Realm.

Needless to say, this is a person with a high level of cultivation in the peak era of the God Realm, naturally enveloping the entire God Realm would not be a difficult thing to do.

"How terrifying, is this the power of the enemy, it really gives me goosebumps" Ye Chen is still not used to this, this is much more terrifying compared to when he first met Shen Niang.

"This guy just made a troublesome thing once, I hope Shen Niang doesn't destroy something, it's hard to stop her, her strength is much more terrifying and her anger is all out".

In front was a direct descendant of Shen Niang's enemy, so it was not strange that Shen Niang was angry to the extent that she was now.

"What are you doing?" Mo Xi asked Ye Chen, he who was standing at the top felt goosebumps when he felt a hatred that was terrifying and much stronger than what he had ever seen in his life.

"It's your own fault, you just triggered your own destruction" Ye Chen told Mo Xi.

Ye Chen would not be responsible for what would happen, he did not want to interfere in troublesome matters, Ye Chen knew that this would be a troublesome matter once.

Shen Niang appeared with an appearance that was still quite good and beautiful.

The problem was that around Shen Niang was a dark aura filled with hatred and anger, if you got close to Shen Niang, you would definitely be crushed by a very high level of pressure.

Ye Chen kept his distance from Shen Niang, he retreated and made sure that Shen Niang would not create more destruction.

Chu Yuechan, Chu Yelan, and Chu Ning'er had to come out and help Ye Chen, Ye Chen alone would not possibly be able to defend against Shen Niang's level of strength.

"darkness is starting to spread in God Realm, if it continues like this, then the entire God Realm will be covered by darkness" Chu Yelan said to Ye Chen.

"I will try to seal Shen Niang's darkness, I need your help too" Ye Chen said to Chu Yuechan, Chu Yelan, and Chu Ning'er.

"We will help you" Chu Yuechan, Chu Yelan, and Chu Ning'er will help Ye Chen, they won't let Ye Chen go alone against the most terrible darkness in this world.

Shen Niang and Mo Xi finally came face to face, the two came face to face and looked at each other.

"this woman" Mo Xi couldn't lie, the woman in front of him was beautiful, it was just that the power of the surrounding darkness made her beauty fade, there was only fear that Mo Xi could feel.

"The goddess of life and mercy, is this the woman who was chased by the ancestors, why does she have such terrifying darkness power, has she fallen into the darkness, no, this must be a fake, she should also be dead, so who is this woman in front of her ?" Mo Xi looked at Shen Niang.

he was still curious, there was no record of this woman in front of him, he didn't know that there was a female demon with such terrifying strength in front of him.

Mo Xi didn't seem to know about the past of Mo Xie's ancestors, Mo Xie only left records of his glorious achievements and ambitions, he never left anything bad in his story.

History is written by the victor, even if the victor is a bad person, he has the right to write whatever he wants, that's the history that the victor of the battle deliberately conceals.

"I will kill you in this place" Shen Niang said to Mo Xi.

"Don't joke, do you think it's easy to kill me in this place, I am invincible and impossible to die, you should be self-aware" Mo Xi said to Shen Niang.

"Jlub. . ." Mo Xi wanted to finish his words, when he wanted to finish his words, one of his arms was suddenly severed, fresh blood appeared on his arm.

"What! ! !" Mo Xi's eyes widened when he saw his arm suddenly disappear.

Blood started coming out from the arm that just came off, he used his power to heal and regenerate quickly.

The regeneration ability possessed by Mo Xi was very fast, he was able to quickly heal his injured self, just in a matter of seconds.

"What just happened to me, why did this happen?" Mo Xi didn't know what just happened, he didn't know what Shen Niang had just done.

Shen Niang looked at Mo Xi, her gaze was terrifying and her killing intent made it hard for Mo Xi to breathe.

"This is not good, I have to do something" Mo Xi had to do something, he had to do something to solve the problem.

"At this rate I will destroy this woman, no more compromises" Mo Xi won't compromise anymore, he wants to destroy Shen Niang in this place.

Mo Xi started to unleash an extremely powerful light force, he intended to summon a top-ranked force at once.

Mo Xi had unleashed all his strength, which meant he would no longer hold back when fighting Shen Niang, he would use all his strength to fight Shen Niang.

Shen Niang just kept quiet when she saw Mo Xi's attack, she didn't seem to consider Mo Xi's attack as a threat.

"Destroy all the power of my opponent, Divine Holy Circle Law" A circle of light spread rapidly and enveloped Shen Niang, the brightest light power enveloped Shen Niang's body.

With the power of light that could purify anything, nothing could survive, this was a power that could destroy even the most powerful enemy Mo Xi had.

"Rest in peace" Mo Xi was already certain that he won, he won this battle.

"Now it's just a matter of finishing the rest" Now that Mo Xi only needed to fight Ye Chen, he would soon end Ye Chen as well.

"rrrrrr" just when Mo Xi thought that everything was over, a dark aura enveloped him.

"What is this" Mo Xi panicked, he tried to use the power of light to get rid of the darkness that wanted to engulf him.

What Mo Xi did was stupid, the darkness began to eat away Mo Xi's light.

"What the hell, this isn't normal" Mo Xi finally realized that this wasn't normal, he finally knew that the darkness in Shen Niang's body was abnormal and was able to eat the light in his body.

Mo Xi tried to run away, even though he ran away, the darkness still came to attack him, this was something that made him sick.

"You will die here" Shen Niang said to Mo Xi.

"Emmmm. ." Mo Xi started to get scared, he started to get scared of Shen Niang.

"no good, I'm not her opponent, I have to go" Mo Xi was afraid of Shen Niang, he was not a worthy opponent for Shen Niang.

Mo Xi used the Clone to escape, he wanted to escape from this place.

"You won't be able to escape" Mo Xi wouldn't be able to escape, there was no way anyone could escape the power of Shen Niang.

#### [Chapter 2372 The Residual Appearance Of Mo Xie's Soul](#)

What kind of power is this, this is not the darkness I can fight against" Mo Xi realized that he was nothing in the face of this power of darkness, this was a darkness that swallowed all light, no light could survive and drown together with the eternal darkness.

"What a terrible enemy, since when has there been such a terrible enemy" Mo Xi didn't know that there was such a terrible enemy like the one in front of him, the beautiful woman in front of him was too terrifying for Mo Xi and he wouldn't be able to defend against a force that was beyond his comprehension.

"I must escape, it's the only way to win" Mo Xi knew that there was no chance of winning, now he could only think of a way to get out of this place, it was the only way he could survive the evil goddess standing in front of him.

Shen Niang wouldn't let her enemy escape, she couldn't possibly let her enemy escape just like that.

"This is so bad, what should I do now" Mo Xi thought out loud, he had to pull out everything he had to get out of Shen Niang.

Shen Niang gathered the power of darkness, he wanted to destroy Mo Xi with one sweep.

Mo Xi took out tons of things from the ring in his hand, he wanted to use everything he had to escape.

"I didn't expect that I would be forced into this situation" Mo Xi couldn't believe that he would be forced into this situation, it was honestly hard to believe that he would be forced into this situation, a situation that was clearly unfavorable and could possibly endanger his life.

"Right now I only have one path" Mo Xi only has one path, this is the only way he can get out of all the troubles, he has to do it, otherwise he will be completely finished.

Mo Xi took out a Jade carving, he intended to use the item that could save himself from the horrible monster, or rather Shen Niang.

"Come out" Mo Xi smashed the Jade in his hand, when e did so, the Jade emitted an extremely intense light.

Shen Niang immediately froze when she saw the powerful light released from the Jade, clearly this was an almighty power.

"Mo Xie" Shen Niang was of course familiar with this power, she certainly knew the power of the enemy that made her fall into eternal darkness.

Light began to illuminate the darkness, a light appeared and formed a figure that was dashing and had amazing charisma.

"What is it?" Ye Chen from afar could feel an incredible power, he could see the power of a person who possessed terrifying strength, this power was powerful and might almost be able to compete with Shen Niang.

"It seems like the battle is becoming more and more interesting" Chu Yuechan said to Ye Chen.

"What do you think is going on over there" Chu Yelan wanted to know what was going on over there, it seemed like they were fighting with strength that was beyond the limits of what cultivators could see in this day and age.

"This is very bad" Chu Ning'er could sense that this was bad, it seemed like something terrible was going to happen around this place.

"Master, use your dimensional power and confine them inside, it looks like this is going to be a bad "

Chu Yuechan said to Ye Chen.

"I hope it works, if not, I don't know what will happen" Ye Chen used dimensional power, he tried to separate the world with them.

Ye Chen used all the power he had, he used all the abilities he had to exert dimensional power.

"I have to leave this place immediately" Mo Xi also utilized this opportunity quite well, she had to leave this place as soon as possible, otherwise she would end up in this place.

"Mo Xie's remaining soul, I didn't expect that you would equip your descendants with such things" Shen Niang said to Mo Xie.

"I foresaw that this would happen, you are finally free, it looks like this world will be swallowed by darkness" Mo Xie said to Shen Niang.

Although it was only a temporary remnant soul, this could answer Shen Niang's questions and words.

"Whose fault is it that I am like this?" Shen Niang said to Mo Xie.

"Of course it's my fault, it's all because of my greed" Mo Xie said.

Mo Xie admitted his mistake, he knew that he made a mistake and made them fall into a battle that lasted for a very long time.

"But I won't regret what happened, there is no point in regretting what has already happened, the future will continue and the past will only be history, neither me nor you will be able to change it." Shen Niang was filled with an even darker aura, as if she had fallen deeper into a hole that she could not return from.

"You speak as if this has nothing to do with you" Shen Niang was filled with an even darker aura, as if she had fallen deeper into a hole from which she could not return.

"There seems to be no point in talking to you anymore, the person you are now is not the person I knew before" Mo Xie said to Shen Niang.

Mo Xie's Soul Remnant attacked Shen Niang.

păndă Ńovê1,còM Shen Niang snapped her fingers, she blocked the attack from Mo Xie's remnant soul.

"Boom. ." an extremely terrifying explosion occurred, this explosion was so powerful that it was even able to sweep away the small planets around like grains of sand.

"Crazy power" Behind the barrier, Ye Chen witnessed a battle that was really very intense, this battle was very powerful and destructive.

"It's a good thing you already have the power of dimensional control, otherwise we're doomed" Chu Yuechan was thankful that Ye Chen had the power to manipulate dimensions, otherwise they would have been swept away by the power of the former cultivator at the peak of the God Realm.

"Even though it's just a remnant soul, the power of Mo Xie is still very terrifying, how was his figure in the past" Ye Chen saw more clearly, a figure that was very powerful and stood at the peak of God Realm in the past.

Chu Yuechan came behind Ye Chen's body, she reached out her hand and held Ye Chen in her arms.

Ye Chen was surprised by what Chu Yuechan did, he couldn't believe what Chu Yuechan did.

"I know what you are thinking right now, you don't need to worry, you can definitely have the same level as them, I believe that" Chu Yuechan said to Ye Chen.

Chu Yuechan was very confident in the strength possessed by Ye Chen, she was quite sure of the strength possessed by Ye Chen, Ye Chen's potential was huge and in addition he had the inheritance of one of the most powerful people in God Realm.

"Thank you very much" Ye Chen felt very comfortable with what Chu Yuechan did, what Chu Yuechan did felt very comfortable.

Ye Chen's confidence returned and he saw Shen Niang's battle with Mo Xie's soul remnant.

"Bam. ." Shen Niang used the power of darkness and cornered Mo Xie's remnant soul.

This was just a soul remnant and wouldn't be able to hold Shen Niang for long.

"You look ugly and terrible" Mo Xie said to Shen Niang.

#### [Chapter 2373 Approaching Shen Niang](#)

"Stop talking nonsense in front of me" Shen Niang used her power and completely destroyed Mo Xie's remaining soul.

After destroying Mo Xie's remaining soul, Shen Niang immediately looked towards Mo Xi, she saw that Mo Xi was gone.

"he took advantage of that opportunity to escape, I won't let him escape" Shen Niang wouldn't let him, she would chase that person away.

As expected by Ye Chen, he could clearly see that Shen Niang was starting to become uncontrollable, it looked like this was going to be bad and Ye Chen had to stop her.

"Master isn't this bad, do you have a plan to stop that woman ?" Chu Yelan said to Ye Chen, she wanted to know the plan Ye Chen had.

They had to stop her, if not maybe bad things would happen.

"Can you guys wait for me near here" Ye Chen said to Chu Yelan and the others.

"What are you going to do?" Chu Yuechan and Chu Yelan were getting more and more curious about what Ye Chen was doing.

Right now only Ye Chen could stop Shen Niang, so he had no choice but to come forward himself to solve everything.

Ye Chen approached towards Shen Niang, he quickly arrived in front of Shen Niang.

Shen Niang stopped for a while, she looked at Ye Chen.

"Are you going to stop me?" Shen Niang asked Ye Chen.

Ye Chen stood in front of her, he didn't seem afraid of her.

"Of course" Ye Chen smiled at Shen Niang, he would definitely stop Shen Niang.

"You step aside, this time you won't be able to stop me anymore." Shen Niang said to Ye Chen, she used force to make Ye Chen move out of her way.

This was her choice, she would do what had to be done, she had to find that person.

"I already said that I will stop you, I don't want you to fall into darkness like this" Ye Chen said to Shen Niang.

"Why did you do that?" Shen Niang asked Ye Chen.

Shen Niang did not want Ye Chen to stop her, she did not want to be stopped by Ye Chen.

she felt that she had to do what she had to do, she had to do what she couldn't do in the past.

"Please don't be like that, I still believe that there is light in your heart" Ye Chen said to Shen Niang.

Ye Chen still believed that there was still a light in Shen Niang's heart, and Ye Chen only needed to make Shen Niang awaken that light.

"You ?" Shen Niang looked at Ye Chen, she could see that Ye Chen was serious with his words.

"Why do you still believe in that, don't you see me" Shen Niang said to Ye Chen.

"Of course, I can see you" Ye Chen said that he could see Shen Niang clearly.

"I am so disgusting and horrible, is that what you are saying" Shen Niang recalled the words of the remnant soul of Mo Xie.

"I don't think so, I see that you are beautiful, the first woman in God Realm and the first beauty, I can't deny that, even if I try to lie, I won't be able to do it" Ye Chen wouldn't be able to lie, the woman in front of him was a first-rate goddess favored by immortal cultivators in the past.

Shen Niang clasped her hands, she felt mixed feelings when listening to Ye Chen's words.

She didn't want to listen to Ye Chen's words, but somehow she still listened and made her heart and mind chaotic.

"Come back, didn't you say you would come back like before" Ye Chen said to Shen Niang.

Ye Chen tried to persuade Shen Niang, he wanted Shen Niang to come back and be herself.

Ye Chen wanted to see that, it would definitely be the greatest thing in this world and make everyone's dream come true.

"No, please stop" Shen Niang told Ye Chen to stop, she did not control her mind, she became chaotic because of Ye Chen's words.

Shen Niang began to emit terrifying darkness power, this power was naturally terrifying, with Ye Chen's cultivation, she had a problem.

Ye Chen didn't have the power to resist darkness, so this naturally had an effect on Ye Chen, the pure power of darkness made Ye Chen's body tremble and began to feel pain.

"Isn't this bad" Chu Ning'er said to Chu Yuechan and Chu Yelan.

"This is bad, can we do anything" Chu Yuechan said to Chu Yelan and Chu Ning'er.

"We won't be able to get close, even if we use all the power we have, we won't be able to do it" Chu Yelan said.

Even if they join forces, they will not be able to get close.

"He did a great thing, if it was me I probably wouldn't have lasted long enough" Chu Yelan had to admit that Ye Chen was pretty great.

If other people were in Ye Chen's position, then they would have already run away, the power of darkness from Shen Niang was too terrifying, it could injure people and kill others easily.

Ye Chen has a strong defense, plus he opened the earthen vein to strengthen his own defense.

"My body is trembling a little, this is very strong" It is obvious that Shen Niang's strength has become stronger, it is more terrifying than before.

"But I have to stop her, if it continues like this she might do things that make her fall completely and get others hurt, I can't let that happen, I have to stop her and bring her back".

Ye Chen used Heavenly armor around his body, this was all Ye Chen could do, otherwise he would not be able to get close to Shen Niang.

Despite using Heavenly armor, it was still difficult for Ye Chen to get close to Shen Niang, it took a lot of determination to do so.

Because the closer Ye Chen got, the greater the power pushed Ye Chen away and made him injured.

Even with the help of Heavenly armor, Ye Chen's body could still be injured.

Some fresh blood began to drip, this time it was Ye Chen's body that couldn't hold on.

Heavenly armor is quite strong and hard, so it can withstand well and not be destroyed, because it is difficult to destroy Heavenly armor even if it is Shen Niang.

"He wants to get close to such terrible power, what does he want?" Chu Yelan didn't understand, what did Ye Chen want, even if he used Heavenly armor, he still had injuries, it couldn't completely resist the power of Shen Niang.

he still couldn't use the full strength of the Heavenly armor, it was obviously because the difference in strength was so far away, so far away that the Heavenly armor couldn't show full strength to withstand the strength of Shen Niang.

"What are you going to do?" Chu Yuechan was most worried, it was because right now she could not protect Ye Chen, so she was most worried about Ye Chen's safety.

She could only see Ye Chen advancing towards the disaster in front of her.

"Don't come close" Shen Niang said to Ye Chen, she tried to drive Ye Chen away, no matter what happened she wanted to drive Ye Chen away.

#### [Chapter 2374 Shen Niang Shines Bright Again](#)

Shen Niang's words and strength were useless on Ye Chen, Ye Chen was not afraid and did not flinch as he approached Shen Niang.

Their distance was getting closer, it was only a few steps away from Shen Niang.

Shen Niang's body started trembling when she saw Ye Chen approaching, somehow he saw Ye Chen who was getting closer and made herself become nervous, her heart was beating very fast, it was faster compared to usual.

"Almost there" Ye Chen was almost there, it was only a few steps away.

He would soon arrive and reach Shen Niang, no one could stop Ye Chen, no force could stop Ye Chen.

Even if it was the power of Shen Niang, she couldn't stop Ye Chen, don't know how Ye Chen did that, but he was already very close to Shen Niang.

Ye Chen stretched out both hands and instantly caught Shen Niang who seemed to be cowering in fear and alone.

"I need more" He used more of his special vein power, he had to be able to get to Shen Niang's place no matter what, he had to do it.

When Ye Chen caught and hugged her Shen Niang instantly froze speechless, she became confused by this.

The power of darkness began to dissipate, it began to be suppressed and no longer raged as before.

"what's going on over there" Chu Yuechan, Chu Ning'er and Chu Yelan looked towards Ye Chen and Shen Niang, they saw Ye Chen holding Shen Niang in his arms.

"Why are you doing this so hard?" Shen Niang asked Ye Chen, why did Ye Chen go this far for Shen Niang, when he could have left Shen Niang alone like before.

"Didn't I tell you before" Ye Chen said to Shen Niang, he whispered words to Shen Niang.

"I love you" Ye Chen whispered to Shen Niang.

"Uhhhh . . ." Shen Niang heart became more and more strange, she reacted too strangely, this made her speechless.

"The darkness began to dissipate, Shen Niang's beautiful color began to appear, this is a goddess-level beauty that is extremely beautiful and enchanting to those who see it." Ye Chen whispered to Shen Niang.

Shen Niang felt that her soul became purer, Ye Chen made her come back, the darkness in her heart and mind began to disappear.

"You . . . , thank you very much. ." Shen Niang smiled so beautifully, this smile was the most beautiful in the world.

"You can finally smile so beautifully" Ye Chen smiled at Shen Niang, he felt happy to see such a beautiful thing in front of him.

Shen Niang's face turned red, she felt embarrassed, this had never happened before.

Shen Niang hurriedly calmed her heart, she tried her best to make her heart calm.

Too bad what he did was useless because the more he tried to do it the more embarrassed he became.

"It's so bad, my body has become weak" It seemed like Ye Chen had pushed himself too hard, his body was weak and his consciousness became weak as well.

He unconsciously fell forward towards Shen Niang.

"ehh. . what happened to you?" Shen Niang hurriedly caught Ye Chen who fell forward.

Shen Niang looked at Ye Chen, she seemed to have a lot of injuries, it was probably because of what Shen Niang did.

Shen Niang felt very guilty, she felt very guilty about what happened, she felt sick when she saw this happen.

Shen Niang knew what made Ye Chen like this, she knew that it was because of the hard work to stop Shen Niang from falling and becoming even more horrible, Ye Chen didn't care about himself and forced it to be like that.

Shen Niang combed Ye Chen's hair, she began to use her power to give Ye Chen healing.

Shen Niang was the first healer in God Realm, she could heal people better than anyone else, it could be said that her ability was the best, it was above everyone else.

This power should have long been extinguished and never used again since the time Shen Niang fell, but now he used it again and healed Ye Chen.

The wounds on Ye Chen's body instantly disappeared, it was only a few seconds to do so.

Even a rather severe wound was completely covered, it was very great and very amazing.

Ye Chen's wounds were all healed, although his consciousness had not fully recovered, he had used too much mental power to penetrate into Shen Niang's place.

Shen Niang looked at Ye Chen, she felt more peaceful when she saw Ye Chen sleeping in her arms.

There was a beautiful smile on Shen Niang's lips, a smile that was more and more beautiful.

Shen Niang hugged and carried Ye Chen away from this place, she headed to Chu Yuechan, Chu Yelan and Chu Ning'er's place.

Shen Niang appeared beside Chu Yuechan, Chu Yelan and Chu Ning'er.

"ahhh. . ., goddess" Chu Yuechan, Chu Yelan and Chu Ning'er were surprised when they saw Shen Niang appear, they could clearly feel the visible difference of Shen Niang, she was now more shiny than ever.

"How is he" Chu Yuechan approached, she asked Shen Niang.

"It's fine, probably needs a little rest, he used the sage god vein and got exhausted, he needs rest, so let him be like this" Shen Niang said to Chu Yuechan.

"Thank goodness" Chu Yuechan was relieved, she felt happy to see Ye Chen was fine.

"Yuechan, let's go back, we can't stay here, it will make his condition worse" Chu Yelan said to Chu Yuechan.

They were here by using Ye Chen's power, if they didn't go back, it would make Ye Chen even worse.

"Please take good care of him" Chu Yuechan said to Shen Niang.

"I will" Shen Niang said to Chu Yuechan.

"Thank you." After saying that, Shen Niang went back inside the fairy gate.

Shen Niang looked around, she looked to see if there was any Clan that she had a relationship with in the past.

In the past there were many Clans that were under the command of Shen Niang, such as Blue Moon God Star Realm, so there should be ancestors of ancient Clans that had oaths with Shen Niang.

Shen Niang could feel some, so she decided to approach them.

Some of the ancient Clans had already returned, they should anticipate Mo Clan and make plans.

Xu Clan itself was still here, it was because Xu Leiya didn't want to leave, she wanted to know what happened to Ye Chen, the one who saved them.

So Xu Leiya was still in this place and wanted to know if Ye Chen was okay.

Behind Xu Leiya there were a few women who saw Xu Leiya, they didn't ask, they followed what Xu Leiya told them to do.

A figure looked over and they saw a very beautiful woman appear in front.

Xu Leiya and the others could only remain silent when they saw this beautiful figure.

All were shocked when they saw the beauty that surpassed their imagination, even Xu Leiya was speechless.

"Do you guys have a place?" Shen Niang asked Xu Leiya.

"Ahh. . ." Xu Leiya finally regained her senses, she saw that this woman was holding Ye Chen in her arms, she knew what was happening.

"Of course, I have some private property around this place, come with me" Xu Leiya said that she had private property around here that they could use to stay.

"Take me there" Shen Niang said to take them there right now.

Xu Leiya couldn't refuse, she accepted Shen Niang's order and took them to the nearest star, here was a rather large manor, this was one of Xu Leiya's private places.

#### [Chapter 2375 Good Night](#)

Shen Niang brought Ye Chen to a room, which was a very suitable place to rest.

Shen Niang put Ye Chen on the bed, she covered Ye Chen and gave him good care.

Xu Leiya looked from the side, she saw very clearly when the beautiful goddess took care of Ye Chen, this was the ultimate happiness when a beautiful woman took care of you.

"this woman, she is too beautiful" Xu Leiya muttered several times, she still couldn't believe it when she saw Shen Niang.

"What are you thinking about ?" Shen Niang asked Xu Leiya.

"No, I'm not thinking about anything" Xu Leiya told Ye Chen.

"You don't have to lie, I know that you are thinking about something" Shen Niang told Xu Leiya.

"That, I want to ask who you are ?" Xu Leiya wanted to know who Shen Niang was, she was quite curious about this matter.

"I am Shen Niang" Shen Niang answered the question from Xu Leiya.

"Shen Niang, it's not unfamiliar" Xu Leiya said while remembering this name.

"You don't need to ask too much about this matter, don't you also want to avenge what Mo Clan did" Shen Niang said to Xu Leiya.

"Of course, I won't be able to just let the matter go, the children of my Clan got injured and they are suffering, I won't let go of Mo Clan" Xu Leiya said.

"Very good answer, then I will help you and give you strength" Shen Niang said to Xu Leiya.

"Come here" Shen Niang told Xu Leiya to come closer.

Xu Leiya approached, she did not feel any ill will from Shen Niang.

Xu Leiya knelt in front of Shen Niang, she bowed in front of Shen Niang and waited peacefully.

Shen Niang stretched out her hand, she gave the power of light in front of Xu Leiya.

Xu Leiya felt a difference in her body, she could clearly feel that the power of light in front of her became very strong, and more pure than before.

Xu Leiya looked at Shen Niang, there was shock in her eyes when she knew this.

"I helped awaken the power of light in your body, it should be useful for you" Shen Niang explained what she had just done to Xu Leiya.

"Thank you very much." Xu Leiya was grateful for what Shen Niang did.

"No need, now you go and look for useful information, I want to know what will happen now" Shen Niang gave Xu Leiya an order.

"I will leave immediately" Xu Leiya left immediately, she went straight to search for the information Shen Niang wanted.

Xu Leiya disappeared and left, Shen Niang and Ye Chen were left in this place alone.

Shen Niang looked at Ye Chen, she sat on the side and observed Ye Chen well.

Shen Niang smiled when she saw Ye Chen who was very handsome.

This was probably the first time Shen Niang smiled this much, she smiled when she saw a small thing like this.

"I didn't expect you to become like this, you are still boy but quite brave" Shen Niang said to Ye Chen.

Shen Niang remembered the words said by Ye Chen, her heart felt happy when Ye Chen expressed his feelings.

"You have brought me back to the right path, I owe you a lot" Shen Niang felt more alive compared to before and her world became more beautiful.

Shen Niang knew that Ye Chen would not be able to listen to her, even so she wanted to talk to Ye Chen.

Shen Niang knew when Ye Chen would wake up, there was still plenty of time until Ye Chen woke up, so she could be with Ye Chen for the time being.

Shen Niang lay down beside Ye Chen, she decided to accompany Ye Chen and forget everything that happened.

A beautiful woman hugging you from the side, this is happiness.

It was a pity that Ye Chen couldn't see this, he still had his eyes closed when Shen Niang hugged her from the side.

"Good night" Shen Niang said to Ye Chen.

The two slept and Shen Niang had truly returned and he was herself again.

.

.

Xu Leiya went to look for information, she went to see what was going on right now.

She should be able to know what the other ancient Clans were doing.

They were moving, they started moving to search for the whereabouts of the Mo Clan, they seemed to be trying to fight the Mo Clan.

Several ancient clans had been attacked by Mo Clan and destroyed, so to end it all, they decided to retaliate.

Unfortunately the Mo Clan had escaped and their whereabouts were unknown, everyone including Cao Cao searched for the whereabouts of the ancient Clan, they wanted to avenge what happened.

They all didn't even hesitate to use all their resources, instead of waiting for destruction and extinction, they chose to fight against Mo Clan.

While some others were still silent and did not make a decision, they shut themselves away and did not interfere with the matter at hand.

"Where did they go, after the mess they made, they ran away like cowards" Shen Niang said in a displeased tone.

"You won't be able to find them, they already ran away and it was faster than you imagined" a woman's voice appeared behind Xu Leiya.

Xu Leiya looked at who was talking to her, she saw another beautiful woman behind her.

"You, aren't you Huang Ying, what are you doing in this place ?" Xu Leiya asked Huang Ying.

"I am watching the movements of the ancient Clan that is part of the God Realm illumination" Huang Ying said.

"Isn't the Mo Clan also part of the God Realm illumination" Xu Leiya said.

"Of course, they have already left, they seem to be heading towards the Demon God Realm, I saw their group leaving quickly, and a strong person is leading them, I can't stop them, that person is very strong" Huang Ying told what she had just discovered, she had just seen Mo Xi and his minions leaving towards the direction of the Demon God Realm territory.

"Demon God Realm isn't that bad" Xu Leiya said to Huang Ying.

"It is indeed bad we can't go there to chase them" Huang Ying said to Xu Leiya.

Xu Leiya bit her lip, she was getting bad information and news, it seemed like this would be a serious problem.

"Then I will go and tell you what I got from that woman" Xu Leiya wanted to tell Shen Niang about what she found out.

"I'll go first" Xu Leiya said to Huang Ying.

"Wait a minute" Huang Ying stopped Xu Leiya who wanted to leave.

"What's wrong, is there anything else you want to talk about?" Xu Leiya asked Huang Ying.

"I feel the presence of someone close to me in your body" Huang Ying said to Xu Leiya.

"What do you mean, I don't understand what you mean" Xu Leiya said to Huang Ying.

"Did you recently meet a person with a handsome and slightly unreasonable appearance" Huang Ying said.

"Emm. ." Xu Leiya gasped when she heard this.

"Are you also familiar with the man named Ye Chen" Xu Leiya said.

"So you met that person ?" Huang Ying said to Shen Niang.

"uh. .., why do women also know, what is their relationship" Xu Leiya felt helpless, a strange feeling filled her body, more precisely an uncomfortable feeling was in her heart.

"Of course, he seems to be injured after a battle with someone" Xu Leiya said to Huang Ying.

"Injured, how come, where is he now" Huang Ying asked Xu Leiya.

#### [Chapter 2376 Shen Niang Takes Care Of Ye Chen](#)

Huang Ying showered Xu Leiya with tons of questions about Ye Chen, it could be clearly seen that Huang Ying was worried about Ye Chen's condition.

It had been quite a while since Huang Ying last met Ye Chen, when she heard Ye Chen was injured she naturally became very worried and wanted to know Ye Chen's condition.

"Please calm down" Xu Leiya tried to calm Huang Ying down, this woman was troublesome as she bombarded by Huang Ying with many questions.

"Quickly tell me what his condition is" Huang Ying would not calm down before she knew the condition of Ye Chen.

"he is currently fine, he is very well taken care of by someone" Xu Leiya answered Huang Ying.

"Who is taking care of him" Huang Ying asked Xu Leiya.

"A beautiful woman, her name is Shen Niang" Xu Leiya told who was taking care of Ye Chen.

"She took care of Ye Chen?" Huang Ying wanted to know, isn't Shen Niang innocent, can she take care of Ye Chen, she was getting worried about the condition of Ye Chen.

"Quickly take me there" Huang Ying said.

Huang Ying wanted to see Ye Chen, she wanted to see if Ye Chen was in good condition or not.

"Then come with me" Xu Leiya said to Huang Ying, he took Huang Ying to Ye Chen's place.

Huang Ying and Xu Leiya arrived at the manor, after arriving inside the manor, the two of them went straight to Ye Chen's place, Xu Leiya led the way for Huang Ying.

"Let's see, they are inside" Xu Leiya said that they were inside.

Huang Ying opened up, she peeked at what was happening, when she opened the door, she saw that inside Ye Chen and Shen Niang were sleeping, she could see that Ye Chen's condition was fine, the breath released by Ye Chen proved that he was fine.

"it seems he's fine" Ye Chen was fine and his life was not threatened, she finally felt more relieved.

Huang Ying didn't bother Shen Niang, she refused to disturb the two and decided to let the two rest a little longer.

"You're not going in?" Xu Leiya asked Huang Ying.

"He seems to be in good shape, let him rest" Huang Ying said to Xu Leiya.

Huang Ying knew that the two of them needed rest and could not be disturbed.

"Tell me what happened in this place" Huang Ying told Xu Leiya to tell her what happened.

"Okay" Xu Leiya told what happened, she told Huang Ying everything that happened.

"So that's it, they took a risk to kill all of you, what are they planning, they must be planning something big" Huang Ying began to think, she wanted to know what Mo Clan was planning, why did they want to kill and destroy the entire ancient Clan.

"I'm quite happy that he was there, otherwise I don't know what would have happened to me" Xu Leiya was thankful for what Ye Chen did, Ye Chen had saved them all from death, if it wasn't for Ye Chen, they might have been slaughtered easily by the strongest member of Mo Clan.

"You said that Ye Chen is with Ning Clan, then I will go there and ask what happened, maybe they know more" Huang Ying said to Xu Leiya.

"I will stand guard at this place" Xu Leiya said that she would stand guard at this place, she would make sure Ye Chen and Shen Niang were okay, she still had to report what happened to Shen Niang.

"I understand, then I leave them to you" Huang Ying was confident in the abilities possessed by Xu Leiya, so she trusted Ye Chen's safety to Xu Leiya.

Huang Ying left from this place towards Ning Clan, she wanted to meet with Ning Yi and ask what happened.

Xu Leiya went inside, she would take care of Ye Chen and Shen Niang.

"Miss there is important news from our main Clan" A woman came in, she had important news for Xu Leiya.

"What news do you have, I don't like listening to bad news" Xu Leiya said to the woman who just came in.

"This is indeed bad news, I hope you are not angry" this woman indeed brought bad news.

Xu Leiya had a headache, why was there only bad news, in just one day she had experienced so many things and made her feel upset.

"Some elder from our Clan escaped, we don't know their destination, what is certain is that they took some important items.

"What did you say ?" Xu Leiya was angry, she was angry when she heard this.

"What are they doing, betraying the Clan, I will not let this matter go" Xu Leiya said in an angry tone.

Xu Leiya disliked betrayal the most, she disliked when she saw rebels in the Clan.

"Miss, your orders" this woman waited for Xu Leiya's orders.

"Find out what happened and chase them, if the situation is not good don't force it, we are in a chaotic situation" Xu Leiya made a decision, he made a decision to catch those who escaped.

"As ordered miss" this woman immediately went to carry out the order from Xu Leiya.

"Too much trouble, I don't like this" Xu Leiya said that she didn't like this, this beautiful woman slumped on the chair and was exhausted with everything that happened.

.

.

Ye Chen opened his eyes, he did not know how long he had been asleep, he felt warm and very comfortable in his body, a softness touched his body and he felt very comfortable.

Ye Chen opened his eyes, he looked at the roof and found a very strange place, Ye Chen did not know where he was right now, this place was so mysterious to him.

"Where am I?" Ye Chen's head was dizzy, he tried to recall what happened before.

"Mmmmmmm" from the side Ye Chen could hear a soft breathing, he saw the figure of a beautiful woman sleeping beside him and hugging Ye Chen .

"ehhhh, why did I sleep with her, what happened ?" Ye Chen started to get dizzy, he could not remember why he slept with Shen Niang.

The small movement made by Ye Chen woke up Shen Niang, she opened her eyes and looked at Ye Chen.

"Are you feeling well?" Shen Niang smiled and asked Ye Chen.

"Yes I am fine, what happened in this place ?" Ye Chen asked Shen Niang.

"You got injured when trying saving me, have you forgotten?" Shen Niang said in a soft voice.

Shen Niang's voice was soft and melodious, it was too comfortable for Ye Chen to listen to.

"The tone of her voice is very soft,s he has softened a lot" Ye Chen could tell that Shen Niang had softened quite a lot.

"I remember" Ye Chen finally remembered, he finally remembered what happened.

"Are you already better?" Ye Chen asked Shen Niang.

"I'm already fine, I won't let the darkness take over me anymore" Shen Niang told Ye Chen.

Ye Chen was happy when he heard this, he was grateful when he heard Shen Niang again.

"Where are we right now ?" Ye Chen wanted to know where they were, Ye Chen was no stranger to this place.

"We are in Xu Clan's manor" Shen Niang told him where they were.

"So this is Xu Leiya's manor, she saved us" Ye Chan should be grateful for the hospitality Xu Leiya had.

"Knock. . ." someone knocked on the door, Xu Leiya went inside and bowed towards Shen Niang and Ye Chen.

#### [Chapter 2377 Shen Niang Spoiled Ye Chen](#)

"How is the progress, did you get anything good" Shen Niang asked Xu Leiya.

"Mo Clan has currently crossed into the Demon God Realm, their position is unknown and no one can pursue them, they left with three other Clans and escaped from pursuit" Xu Leiya told what she found out.

"They've gone that far?" Ye Chen said to Xu Leiya, Mo Clan is very fast, they ran away faster than a rabbit.

"It seems he is afraid of me." Shen Niang knew the reason Mo Xi ran away, he must be afraid of Shen Niang.

"We'd better solve this problem right away, God Realm is in trouble if he manages to destroy the boundary wall" Ye Chen said.

Ye Chen intended to get up and immediately search for the whereabouts of Mo Xi, that man must be stopped.

"Wait a minute" Shen Niang stopped Ye Chen, she stopped Ye Chen who wanted to chase after Mo Xi.

"What's wrong, why are you stopping me?" Ye Chen asked Shen Niang.

"There is no need to rush, the Demon God Realm is more complicated than you imagine, finding them will be very difficult" Shen Niang told Ye Chen.

Shen Niang knew better than Ye Chen, he knew that Demon God Realm was the most suitable and safe place for Mo Xi to escape, it would be a difficult thing to find them there.

"Is it so hard to chase after them?" Ye Chen asked Shen Niang.

"It might be difficult, but it's not impossible" Shen Niang said that it was not impossible that she could still catch Mo Xi.

"Very good, then let's work together" Ye Chen said to Shen Niang.

Shen Niang smiled when listening to what Ye Chen said.

"There's no need to be too hasty about it" Shen Niang told Ye Chen, he told Ye Chen not to be too hasty.

"Why don't you want to destroy Mo Xi?" Ye Chen said to Shen Niang.

Ye Chen will help, he will defeat Mo Xi for Shen Niang.

"Maybe so, but you should recover your condition first" Shen Niang said to Ye Chen.

"I have recovered" Ye Chen said that he had recovered, he could move if he wanted to.

"That's not what I mean, although your body is recovered, your mental strength is still not fully recovered, you should stay here for a while, I will take good care of you" Shen Niang told Ye Chen.

Shen Niang's voice seemed very happy, she was enjoying taking good care of Ye Chen.

"What's going on here" Ye Chen didn't know what was going on in this place, he felt that Shen Niang was doing that on purpose.

Shen Niang smiled towards Ye Chen, there was a lot of meaning in that gentle smile, Ye Chen did not know what Shen Niang was thinking.

"You did a great job, I thank you for everything you did" Shen Niang was happy with the work done by Xu Leiya.

"Then I will leave first, there is a problem within the Clan that I need to solve" Xu Leiya said.

Xu Leiya had to leave, she had a problem to solve, it was about his Clan, she had to solve this problem as soon as possible.

"Go, I can take care of this place" Shen Niang said that she could take care of Ye Chen, in fact she was happy when she was with Ye Chen, she could take advantage of the moment alone with Ye Chen and improve the relationship.

"It's finally just the two of us in this place" Shen Niang came near Ye Chen, she stretched out her hand and started to hug Ye Chen's arm.

"munyuu. ." a soft object pressed against Ye Chen's hand, this feeling was simply amazing.

Ye Chen was naturally embarrassed when Shen Niang suddenly did this, he would not be able to imagine that Shen Niang would do this suddenly.

"What are you doing ?" Ye Chen asked Shen Niang, he wanted to know what Shen Niang was doing.

"Improving our relationship, is there a problem with that" Shen Niang asked Ye Chen.

"Of course, I have a problem with it, you can make me too embarrassed and maybe I can get excited" Ye Chen said to Shen Niang.

By looking at Shen Niang's beauty, as a normal man, he couldn't possibly last long, he wouldn't be able to resist the temptation of the beautiful goddess beside him.

"You are so cute, so you are quite embarrassed when I do this to you" Shen Niang laughed when she saw Ye Chen's reaction.

Shen Niang did not have much experience in this matter, nor could she express herself well, she only learned a little from the memories she found from Ye Chen.

It could be said that Shen Niang was using information that could be used to get close to Ye Chen, she didn't know if this would work or not.

Shen Niang seemed to have succeeded, she seemed to have managed to make Ye Chen feel both embarrassed and helpless with the techniques used.

"This is fun" Shen Niang felt happy doing this, so he didn't feel embarrassed and chose to continue clinging tightly to Ye Chen.

Ye Chen of course had his own problems when he faced Shen Niang, he still had to be nice in front of Shen Niang, otherwise it was possible that Shen Niang would get angry.

Ye Chen had already taken great pains to make Shen Niang calm down and return to the good path, so he wouldn't let Shen Niang get upset or angry with him.

Ye Chen let Shen Niang do whatever she wanted, nor could he stop Shen Niang because of the vast difference in strength.

Shen Niang did whatever she wanted to Ye Chen, she gave treatments that she never gave to anyone else.

The person who received treatment directly from Shen Niang must be the happiest person in this world.

"This is so great, he makes me so comfortable" Shen Niang gave her thigh for a pillow, Ye Chen felt so happy when she could sleep on Shen Niang's lap, this feeling was indeed the best, this was no match for Ye Chen.

Shen Niang pulled out Ye Chen's hair, she caressed Ye Chen lovingly, this made Ye Chen sleepy and wanted to sleep.

The affection given by Shen Niang was too great for Ye Chen, it felt too comfortable for Ye Chen, there was no way Ye Chen could stand against the feeling of affection from Shen Niang.

Ye Chen closed his eyes again, he went back to sleep peacefully, it felt like he was more peaceful and could almost forget everything that happened easily.

Shen Niang observed Ye Chen, she finally saw Ye Chen who returned to peace.

"This is fun, I will continue to watch over you" Shen Niang will continue to watch over Ye Chen, she will watch over Ye Chen and make Ye Chen as comfortable as possible.

Shen Niang would not get bored and would enjoy her time with Ye Chen.

"Didn't she spoil our master so much" Chu Yuechan could see what Shen Niang was doing.

"Are you jealous?" Chu Yelan asked Chu Yuechan.

"eh, why would I be jealous?" Chu Yuechan rejected the idea said by Chu Yelan.

"It's obvious, don't you realize?" said Chu Yelan.

Chu Yelan smiled at Chu Yuechan, she enjoyed looking at Chu Yuechan who was agitated when she saw the scene they were looking at.

While they were arguing, Shen Niang closed the gap between Chu Yuechan and Chu Yelan who wanted to take a peek, right now she only wanted to be with Ye Chen.

### [Chapter 2378 I Think You're Special](#)

"she closed the channel we have" Chu Yuechan looked annoyed when she saw Shen Niang closed their channel, they couldn't see what Ye Chen was going through.

"she's using her power to suppress us, that's bad enough" Chu Yelan said to Chu Yuechan.

They couldn't do anything about this, neither of them could put up a fight against Shen Niang, they wouldn't be able to win arguing with Shen Niang.

"I hate this" Chu Yuechan was a little resentful of the goddess who had just awakened, she was too monopolizing and invincible, Chu Yuechan could not fight against that woman.

"There's nothing to do, it's better to be lazy, Ning'er let's take a bath and relax, you too Yuechan, don't think about that problem, she won't be taken away" Chu Yelan said.

"I know that" Chu Yuechan also understood this, she came with Chu Yelan and Chu Ning'er.

"I won't let you guys interfere" Shen Niang was too strong, the three beautiful fairies were no match for Shen Niang.

"Now that no one can bother us anymore, let's enjoy our alone time" Shen Niang wanted to enjoy their time well.

Shen Niang used power to make Ye Chen comfortable, she used her own power to make Ye Chen feel as comfortable as possible.

Ye Chen slept soundly, it was like he was caressed by a softness that made his soul and body very light.

Time passed quickly without Ye Chen realizing it, Ye Chen felt something soft touching his face, it was very soft and very pleasant to touch, he could feel the suppleness of this thing.

"Eh. . ., wait a minute, this soft is ?" Ye Chen opened his eyes, he saw that he was hugged by Shen Niang, Shen Niang raised his head and hugged him between two big and beautiful breasts.

"No way" Ye Chen did not expect the situation to turn out like this.

He could feel Shen Niang's skin and soothing scent.

"Are you awake, are you enjoying it?" Shen Niang looked down at Ye Chen, she wanted to know if Ye Chen was enjoying this.

"You already know the answer don't you, I am enjoying this" Ye Chen said to Shen Niang.

It would be a lie if Ye Chen did not enjoy what Shen Niang was doing.

"I'm grateful that you're enjoying it" Shen Niang said that she was glad Ye Chen was enjoying it, thinking Ye Chen would be annoyed by this.

"How long have I slept?" Ye Chen asked Shen Niang.

"More than a day, I think" Shen Niang told Ye Chen.

"What! ! !" Ye Chen did not expect that he would sleep for such a long time, he thought that it would only be a few hours, he did not expect that he would sleep for a whole day.

"Why do you look surprised" Shen Niang asked Ye Chen, she wanted to know why Ye Chen looked surprised by this.

"Why didn't you wake me up earlier?" Ye Chen asked Shen Niang, why didn't he wake Shen Niang up earlier.

"You looked very peaceful, there was no way I would wake you up" Shen Niang told Ye Chen, she said that Ye Chen looked very peaceful and she did not want to disturb Ye Chen.

"Is that so" Ye Chen knew what Shen Niang was thinking, it seemed like he didn't want to disturb Ye Chen and let Ye Chen rest longer.

"Xu Leiya isn't back yet, let's take a walk outside, there are some things I want to tell you" Shen Niang said to Ye Chen, she invited Ye Chen to go outside.

"Of course" Ye Chen nodded, he wanted to know what Shen Niang wanted to say.

The two of them went out, the two of them went out and headed towards a park not far in front of them, in front of them was a wide view of the forest.

This mansion was in the middle of the forest and was quite hidden, so there wasn't much of a view that they could see.

"We are in a rather large forest too" Ye Chen said to Shen Niang.

"If you don't like it, I can change this place with my illusion" Shen Niang said to Ye Chen, she told him that she could change this place.

"What kind of illusion?" Ye Chen asked Shen Niang, he was still unfamiliar with the power that Shen Niang possessed.

"Like this" Shen Niang snapped her fingers, she snapped her fingers and everything turned into a beautiful and vast flower bed.

There was a beautiful tree standing in the center of the flower bed and it looked very beautiful.

"Is this an illusion, it looks so real" Ye Chen could hardly imagine that this was an illusion.

Ye Chen picked the flower in front of him, when he did so, he found that the flower he was holding looked very real, it was almost impossible to tell the difference.

"This feeling is too real" Ye Chen felt that this feeling was too real for him, this kind of feeling was too real for Ye Chen.

"This is indeed an illusion, if you don't believe that you can destroy that thing, it will turn into the profound energy that I have" Shen Niang said to Ye Chen, she told Ye Chen about what happened.

Ye Chen tried to do what Shen Niang said, when he did, he found that what Shen Niang said became the truth, he finally knew that this was an illusion.

"Your strength is too great, at this rate you can manipulate all people and living things" Ye Chen said to Shen Niang.

"I can indeed do that" Shen Niang knew better than Ye Chen, she could certainly do what Ye Chen did.

"Your strength is too strong" Ye Chen said in a helpless tone.

"Is that so, from my point of view I am the weakest among all of them, you know the leader than the cultivator who reached the God realm" Shen Niang said.

"How could that be, you are so strong" Ye Chen said to Shen Niang.

"That's from your point of view, you don't know how strong they were in the past, if you are talking about the salient Mo Xie, even if I use all my strength I won't be able to win against him, that's why I need the power of darkness to defeat that person" Shen Niang said to Ye Chen.

"I just found out about that, so that is the reason you practiced the power of darkness?" Ye Chen asked Shen Niang.

"That is indeed my goal, otherwise I wouldn't have won, I may be great at healing and things that are useful to most people, but in strength it is quite weak among those who stand at the top" Shen Niang knew her own weaknesses, she was weak in battle, and great at things that are useful to everyone like concocting pills and growing high level herbs.

"Aren't the abilities you have much more useful" Ye Chen said to Shen Niang.

"What do you mean?" Shen Niang said to Ye Chen, she didn't understand what Ye Chen was saying.

"I think you have a special ability, you don't need to be so modest, your ability is very useful in this world" Ye Chen said to Shen Niang.

"So that's it, you think that my abilities are great ?" Shen Niang said to Ye Chen.

"Of course, I'm sure of it, you have a great ability, no need to get down on yourself, not everyone can do what you do" Ye Chen said to Shen Niang.

#### [Chapter 2379 Monsters Rampage In The God Realm](#)

"So that's what you think of me, I'm very happy to hear this from you, it seems like I underestimated myself too much" Shen Niang finally realized that she has her own advantages where she is quite special.

"I'm very happy to meet you, I think I realized who I am, and maybe I will still be who I was" Shen Niang said to Ye Chen.

Shen Niang no longer needs to change, she has found that she no longer needs to chase after the power that destroyed her.

"That's great" Ye Chen was happy to hear this, he was quite happy when he listened to what Shen Niang said.

"It seems like talking to you makes my mood even better, I will probably tell you a lot of things" Shen Niang said.

Shen Niang was in such a good mood, she would tell Ye Chen a lot of things.

"What is it?" Ye Chen asked Shen Niang, he wanted to know what Shen Niang was going to do.

"It's about the outer God Realm, although I can't confirm it myself, it seems like the outer God Realm is getting better, in the past all the strong cultivators were in the center God Realm that we live in"

"So only a few are in the outer part, they should be having problems due to the loss of many high-level cultivators, so they are having problems and improving themselves, maybe someone is replacing our position as the leader of God Realm" Shen Niang said.

Shen Niang said what was outside the wall created by Sage God.

"If that's the case, that means they are indeed dangerous" Ye Chen was even more convinced that they were dangerous.

"Of course they are quite dangerous, with my strength I probably won't be able to hold them all off" Shen Niang said that she would not be able to hold all the cultivators if they entered into the central God Realm.

Although Shen Niang was very strong, there was a limit to where she could withstand the enemy, whereas Ice Phoenix had said that the outer God Realm was huge and the number of cultivators there might be tens or even thousands of times more than in this place, such strength was certainly terrifying.

"Have you imagined it, my dear" Shen Niang said to Ye Chen.

"It's terrible" Ye Chen said that it was terrible.

"I expected that you would say that, I hope you won't be afraid" Shen Niang said to Ye Chen.

"I won't be afraid, it's useless to be afraid" Ye Chen wouldn't be afraid, he had to go forward and fight the enemy, even if it was strong he would fight to get better.

"Fufufufu" Shen Niang chuckled, she felt happy seeing the determination Ye Chen had.

"Then after all the problems are solved, we can go to the outer God Realm, you should be able to go in and out with the power of the dimensional law" Shen Niang said to Ye Chen.

After all the problems were solved, Shen Niang wanted Ye Chen to go outside, to increase his strength, here was too limited and would shackle Ye Chen's talent.

"I understand" Ye Chen said that he understood what Shen Niang said.

"Before that, we have to do something about the strength you have, I see that the inheritance of the Sage is still not perfect, it seems that we have to refine it" Shen Niang had to refine Ye Chen's strength, that way Ye Chen would be safe when entering into the territory of the monsters that were much stronger than the peak of strength in this place.

"It's not as easy as imagined, I have to look for it and it requires high luck and fate" Ye Chen said to Shen Niang.

"Luck and fate yes, it seems like you have both, you have a good thing and might find what you are looking for soon, all we need to do is go around the God Realm and Demon God Realm to look for the Sage God treasure instead" Shen Niang said to Ye Chen.

"Don't tell me that you are going to force me to do that" Ye Chen said to Shen Niang.

"Of course, we don't have much choice right now" Shen Niang told him that they didn't have much choice.

"Shouldn't you have more strength than Shui Yixian" Ye Chen said to Shen Niang.

"It's not good to keep using such things, it will be troublesome if you depend on such things, you should use your own efforts" Shen Niang told Ye Chen.

Shen Niang told Ye Chen not to rely on the power of seeing the future, because that would make Ye Chen become strong and more dependent.

"I thought about that too" Ye Chen understood, he was thinking the same thing as Shen Niang.

"Roar. . ." A loud roar sounded when they were in an intense conversation.

"what is it, monsters and Magical Beasts, their auras seem terrible" Ye Chen felt that there were some powerful monsters coming.

"Looks like there are uninvited guests." Shen Niang felt that there were monsters approaching towards them.

Shen Niang flicked her finger, the flower garden disappeared and the scenery around returned to what it was before.

Swarms of monsters started coming from the direction of the horizon and there were quite a lot of them, at least it was dozens of monsters and they were.

"This, don't tell me that they are wyverns, plus they are high-level monsters with strong destructive power" Ye Chen said while looking at the horde of monsters that came.

"Wyverns, they should be in the center of the God Realm ruins right" Ye Chen said to Shen Niang.

"Maybe, then what are they doing in this place?" Shen Niang said to Ye Chen.

"They seem to be out of control" Ye Chen saw that they were out of control and started destroying what was in front of them, they sprayed lightning and burned everything in front of them to dust.

"No, something is controlling them, to be able to control them, an item must be used" Shen Niang said to Ye Chen.

"So that's what you think, then I will start to fight them first" Ye Chen said that he would fight them first.

"Go ahead" Shen Niang invited Ye Chen, she allowed Ye Chen to fight the wyvern.

Ye Chen went forward, he used One Hundred Thousand Fire Swords to fight the horde of wyverns.

A thousand silver colored swords appeared and directly charged towards the rampaging wyvern, it easily pierced through and cut off the wings of the wyvern.

"This sound" Shen Niang looked around, she looked around and sensed what was happening around God Realm.

When Shen Niang used her power to sense what was happening, she saw that there were countless monsters spreading rapidly throughout God Realm.

"What's going on, why are they running rampage" Shen Niang tried to figure it out, she wanted to know what made this happen.

"Where did it come from, I want to know that" Shen Niang tried to figure out the origin, she found out that everything came from the center of God Realm's ruins.

"From there yes, what happened in that place" Shen Niang seemed to find the cause of all this.

#### [Chapter 2380 Major Disasters \(1\)](#)

These all came from the center of the God Realm ruins, it was a place where many rare monsters lived.

"Slash. . ." Ye Chen took little time to defeat all the Wyverns, he scorched them effortlessly.

"Roar. . ." Ye Chen heard a lot of cries, it seemed like this entire star was attacked by monsters and they all looked strong.

"What exactly happened?" Ye Chen felt a bad feeling, this would probably be quite a bloody event.

"Something bad is happening" Xu Leiya came to Ye Chen, she told him that something bad happened.

"Was this star attacked by the Tamer?" Ye Chen asked Shen Niang.

"No, you can say that the entire God Realm is under attack, monsters are acting strange and starting to create chaos in every place" Xu Leiya told Ye Chen.

"Why, is there anyone doing this" Ye Chen asked Xu Leiya.

"I honestly don't know about this" Xu Leiya said that she didn't know about this, she didn't know who was doing this.

"What about everyone's condition" Ye Chen asked.

"It's quite bad, there are already many low ranked stars that were destroyed and swept away by the monster, they don't have the strength to resist it" Xu Leiya said.

The situation was growing worse, from Xu Leiya's words, Ye Chen could deduce that something terrible had happened to the God Realm.

"This is a serious disaster" Shen Niang said to Ye Chen, she told him that this was a serious disaster.

"Do you know what happened?" Ye Chen asked Shen Niang.

"I seem to know where this all came from" Shen Niang said that she knew where all this commotion came from.

"Where is it from" Ye Chen asked Shen Niang.

"From the center of the God Realm ruins" Shen Niang told Ye Chen.

"if we want to know the answer, we have to go there" Shen Niang told Ye Chen, if they want to know the answer, they have to go to that place.

"I see" Ye Chen understood, he seemed to understand that the beginning of the problem was in that place.

"Announcement to all cultivators in the entire God Realm, there is a disaster and all high level cultivators should come out of hiding and start fighting, the situation is very bad" A very wide announcement was spread, this could only be done by a great power in God Realm.

"Looks like Yue Ya, and Lei Qiaolin have already moved to gather forces" Ye Chen knew that this must be an order from the two of them, they must have already given the order and prepared to counterattack.

"Looks like we can leave the monster problem to them and head to where the problem originated" Ye Chen said to Xu Leiya and Shen Niang.

"Understood" Shen Niang understood, she would follow Ye Chen.

"I don't think I will go" Xu Leiya said to Ye Chen.

"Why, are you scared?" Ye Chen asked Xu Leiya.

"It would be a lie if I wasn't scared, that place is horrible and full of dangerous things, many powerful cultivators are buried in that place" Xu Leiya told Ye Chen.

"You have to come" Shen Niang said to Xu Leiya, she told Xu Leiya to come along.

"Why?" Xu Leiya asked Shen Niang.

"Why ?, because I like you, so you have to come with me" Shen Niang said an absurd reason to Xu Leiya.

"No, I don't want to come" Xu Leiya refused, she rejected what Shen Niang said.

"You won't be able to refuse" Shen Niang said that she would take Xu Leiya by force.

"No" Xu Leiya was afraid, she was afraid of what Shen Niang said.

Shen Niang pulled Xu Leiya, she pulled Xu Leiya forcefully, she pulled very forcefully and would not let Xu Leiya escape.

"Give up, he won't let you go" Ye Chen said to Xu Leiya, Shen Niang wouldn't let Xu Leiya go.

"Help me" Xu Leiya begged Ye Chen, she wanted Ye Chen to help her.

"It's useless, you should come and help in this matter" Ye Chen said to Xu Leiya.

"No way" Xu Leiya was helpless, he was forced by Ye Chen and Shen Niang to join the battle.

Under the power of two strong men like Ye Chen and Shen Niang, Xu Leiya did not have the strength to fight back, she could only follow them to the center of the God Realm ruins.

"Can you use the power of teleportation around there" Shen Niang asked Ye Chen.

"Okay I'll do it" Ye Chen brought Shen Niang and Xu Leiya.

He knew the closest place to the center of the God Realm ruins.

Ye Chen held the two and went towards the place where the God Realm ruin center was.

As they approached, they saw that the surroundings looked strange.

"Why is it red like blood around here?" The surroundings of this place became strange, a blood-like light was sticking out and shining around this place.

"Blood Moon?" Shen Niang seemed to know what was happening, she seemed to already know what was happening.

"This explains everything, there is someone using the Blood Moon to make monsters angry and uncontrollable, we must destroy it immediately" Shen Niang said to Ye Chen.

"So someone did it on purpose, I will not allow this, I will destroy the Blood Moon" Ye Chen did not hesitate, he advanced towards the center.

"Wait a minute, it's dangerous up ahead" Xu Leiya tried to stop Ye Chen, she didn't want Ye Chen to get hurt.

"Take it easy, he'll be fine" Shen Niang told Xu Leiya.

"Even so, this place is dangerous" Xu Leiya said to Shen Niang.

"I know it too, that's why you stay close to me" Shen Niang told Xu Leiya.

"Thank you very much." Xu Leiya thanked her, she hid behind Shen Niang's body.

Xu Leiya felt safe behind Shen Niang's body, everything should be fine and she didn't have to worry about what happened.

Shen Niang and Xu Leiya followed behind Ye Chen, both letting Ye Chen lead the way.

Ye Chen swept away all the monsters that tried to block his path, she destroyed them all with ease.

"Get out of the way" The monsters around kept coming and attacking Ye Chen, they kept attacking Ye Chen to make sure that Ye Chen was killed in this place.

They monsters thought that Ye Chen was an enemy who infiltrated this place.

"It's endless" Ye Chen could feel that it was endless, the enemies kept coming towards Ye Chen's place like it was infinite.

"Then it's time to use a much broader attack power" Ye Chen had to get rid of the problems that occurred, he used a broad scale attack to get rid of the existing enemies.

"Dimension Breaker" a huge explosion occurred and swept away the monsters at a long distance.

"So powerful" Xu Leiya saw the power Ye Chen possessed, she could understand that it was an extremely powerful and terrifying power.

"You are great" Shen Niang praised Ye Chen, she felt that Ye Chen was great and looked pleasant to look at.

He was a very heroic figure when fighting like that.

"Has he fully recovered" Xu Leiya asked Shen Niang.

"Of course, he is fully recovered" Shen Niang said that Ye Chen was fully recovered, he was healed and in good shape.
