

True God 2381

[Chapter 2381 Major Disasters \(2\)](#)

"Then we can leave everything to him" Xu Leiya felt that they could leave everything to Ye Chen.

"It seems like you really believe in him" Shen Niang said to Xu Leiya.

"Of course, he looks strong and great, plus, he can't be controlled, my charm doesn't work" Xu Leiya looked helpless when she said that.

She feels that the strong charm she has won't be able to be of any use to Ye Chen.

"So that's what you're worried about" Shen Niang said to Xu Leiya.

"Isn't that strange, he is not affected, is there something wrong with me?" Xu Leiya said to Shen Niang.

"There is nothing wrong with you" Shen Niang told her that there was nothing wrong with Xu Leiya.

"she has a very strong resistance to charm" Shen Niang told Xu Leiya.

"So it's impossible to influence him" Xu Leiya asked Shen Niang.

"hehehe, do you want to try it" Shen Niang asked Xu Leiya.

"Of course" Xu Leiya of course wanted to try it, she liked new things that she had never done.

Here Shen Niang started teasing Xu Leiya, she looked like she wanted to tease Xu Leiya, Xu Leiya didn't know what Shen Niang was thinking, she just followed what Xu Leiya said.

Ye Chen, along with Shen Niang and Xu Leiya moved forward.

They moved forward at a slow pace and more and more monsters entered their sight.

"It's endless, what the hell" Ye Chen began to struggle against the numerous monsters, it was like there was no end and the number kept growing.

"If I fight them, we won't be able to advance quickly" Ye Chen finally changed his strategy.

He would just break through, it would be faster.

"You two, please come with me" Ye Chen said to Shen Niang and Xu Leiya.

The two of them approached towards Ye Chen's direction, they approached and were on Ye Chen's left and right side.

"We're going forward" Ye Chen said to Shen Niang and Xu Leiya.

"You want to break through, you will be an easy target for them" Xu Leiya said to Ye Chen.

What Ye Chen did was too careless, they would probably end up being shot by enemies from all directions.

"Take it easy, I have already predicted this" Ye Chen informed that he had already predicted all.

Ye Chen would use absolute defense, he made barriers and also reinforced to be many times over.

"God Thunder Armor" Ye Chen used his power to envelop around himself and also Shen Niang, Xu Leiya.

"Let's move forward" Ye Chen said and began to shoot out with a terrifying speed that Xu Leiya could not imagine.

"This is too fast" Xu Leiya couldn't believe it, this was too fast for her, on the other hand Shen Niang looked very relaxed, she didn't seem too troubled by Ye Chen's speed.

For Shen Niang this is still very normal, so she can naturally easily accept everything easily.

"Boom. . ., Boom . . ., Boomboom.boom. . . .," the monsters started shooting towards Ye Chen, they were trying to knock Ye Chen down.

Ye Chen was much stronger, he would not let the monsters knock him down, he would not allow them to harm Shen Niang and Xu Leiya.

With this kind of speed, they should be able to easily reach the inside, it didn't take long for them to reach the center of the God Realm, and it was a place full of amazing things.

The deeper they went, the more they saw that inside this place was a large red moon.

"Is that the Blood Moon?" Ye Chen asked Shen Niang.

"It is indeed the Blood Moon" Shen Niang nodded, she told him that it was the Blood Moon that she said.

"This is the source of all our problems, then we just need to destroy it" Ye Chen told Shen Niang.

"Of course, as long as you destroy that thing, everything will return to normal" Shen Niang told Ye Chen.

"Alright, I understand, I will finish it right away" Ye Chen said that he would finish it right away.

"No, it could affect you too and you might lose consciousness" Shen Niang told Ye Chen.

"For this matter, Shen Niang will solve this problem" She knew how to stop this thing.

"Other than that, please take care of them for me" Shen Niang said to Ye Chen, she told Ye Chen to help take care of the troublesome people who were behind all this.

Ye Chen saw the line of sight from Shen Niang, he saw the man who was behind all of this.

"Mo Yoxa" Xu Lieya was the first to react when she saw who was responsible for this matter.

"So all of this is your doing" Xu Leiya said to Mo Yoxa.

"Of course, these are all absolute orders for me, so that you can't chase after our master" Mo Yoxa said that they wouldn't let Ye Chen chase after Mo Xi.

"So everything is just to distract us." Xu Leiya finally understood, it was all a plan to distract them.

"You people are crazy, what you did made a lot of victims" Ye Chen said to Mo Yoxa.

They were crazy enough to do something like this, Ye Chen could confirm that a lot of victims had fallen as a result of what they did.

"Do you think we care about such things, they are just like grass that we step on and pull out when it is no longer needed" Mo Yoxa said to Ye Chen.

Mo Yoxa's words made Ye Chen feel displeased, honestly he was not happy with the words spoken by Mo Yoxa.

"You are a heartless man" Xu Leiya said to Mo Yoxa.

Most people would have said what Xu Leiya said, they wouldn't accept something like this.

Behind appeared several powerful monsters that were extremely terrifying and had an aura that was far more terrifying than all the monsters seen by Ye Chen.

"It looks like she is alone, it is likely that her subordinates went together with Mo Xi" from here Ye Chen could see that Mo Yoxa was alone, while he subordinates made sure that Mo Xi could escape from God Realm safely.

"Very good and very perfect plan" Xu Leiya had to say this, she could feel that this was a perfectly good plan, no one would be suspicious of this plan.

"You are right, this is too perfect, a very perfect plan, more perfect than anything else, everything has been estimated very well" Ye Chen said to Xu Leiya.

"Don't tell me that they have the ability to see what's going on, that's troublesome" Ye Chen said helplessly, seeing something like that was an absurd thing.

"You choose the opponent behind Mo Yoxa or against Mo Yoxa" Ye Chen asked Xu Leiya.

"I . ." Xu Leiya looked confused when she received Ye Chen's question.

"I will fight Mo Yoxa, she makes me feel angry" Xu Leiya finally made a decision, this person had made her angry and made too big a mess.

"Very good, then I will take care of all the monsters and make sure they won't bother you" Ye Chen said that he would take care of the monsters so that they wouldn't bother Xu Leiya.

"I beg for help" Xu Leiya begged for help from Ye Chen.

"God's Judgment Lightning, Dimension Breaker, Eagle Cloud Turner Claw, Frost Age, DESOLATE PALMS, One Hundred Thousand Fire Swords" Ye Chen performed consecutive attacks to make the monsters stay away from Xu Leiya dan Shen Niang.

"So you decided to fight me, wasn't it clear before that you are not an opponent for me" Mo Yoxa said to Xu Leiya.

[Chapter 2382 Major Disasters \(3\)](#)

"For this time, I will beat you" Xu Leiya said that she would beat Mo Yoxa.

"hahahahaha, what a good joke, you're getting better at making jokes" Mo Yoxa said that Xu Leiya was getting better and better at making jokes.

Mo Yoxa underestimated Xu Leiya, he didn't consider Xu Leiya's strength as a threat to him.

Xu Leiya remained calm in this situation, she should be able to find an opening to defeat Mo Yoxa.

Mo Yoxa should now not be wary of Xu Leiya, this is a very good opportunity to make an attack towards Mo Yoxa.

Xu Leiya fired an attack towards Mo Yoxa, a light shot towards Mo Yoxa.

Mo Yoxa was using his bare hands, the power of Xu Leiya would not be able to touch or kill him.

"Jlubb. ., eh. . ." as Mo Yoxa was confident in his strength, a ray of light pierced through Mo Yoxa's body.

It directly hit Mo Yoxa's right chest and left a hole.

"What happened, why did this all happen" Mo Yoxa could hardly believe what had just happened, he could not believe that Xu Leiya's attack was able to injure him like that.

"It worked, I did it" Xu Leiya did it, she did it very well, she had made a wound on Mo Yoxa's body.

"How about now, you won't have any problems with me" Xu Leiya said to Mo Yoxa.

Now that Xu Leiya had managed to defeat Mo Yoxa, it wouldn't be long before he could defeat Mo Yoxa.

"Where did you get such strength" Mo Yoxa asked Xu Leiya, he wanted to know where Xu Leiya got such strength from.

"You don't need to know, let's finish our battle quickly" Xu Leiya wanted to finish this battle quickly, she would finish this battle quickly.

"Useless" Mo Yoxa was angry, he made many balls of light and prepared to kill Xu Leiya.

"This will end quickly" Mo Yoxa said that she would end this battle quickly.

"Overconfidence" Xu Leiya said to Mo Yoxa, Mo Yoxa was overconfident in his strength, it was one of the biggest weaknesses Mo Yoxa had.

Xu Leiya raised one finger up, she raised one finger of her own and prepared to use an attack towards Mo Yoxa.

"Light finger Wave" a wave of light spread around, this dazzling light began to destroy what was in front.

"Bomm" several large explosions finally occurred, these large explosions occurred and began to destroy the surroundings of this place.

"ohh. ." Mo Yoxa's body began to be injured, blood poured out of his body and the armor on his body began to peel off on its own.

"Her light became stronger, what happened, this can't be happening" Mo Yoxa couldn't believe that he lost to Xu Leiya, there should be no chance for Xu Leiya to win this battle.

"You're too confident in your abilities, that's what ruined you" Xu Leiya said to Mo Yoxa.

"I am the strongest person, someone like you won't be able to defeat me" Mo Yoxa said that Xu Leiya wouldn't be able to defeat him.

"That's what I said, you're a fool and an ignoramus." Xu Leiya said to Mo Yoxa.

"You old woman, stop messing with me" Mo Yoxa said to Xu Leiya, he said that Xu Leiya was an old woman.

The moment after Mo Yoxa said that, a terrifying aura came out from Xu Leiya's body.

"What did you say?" Xu Leiya made an angry face, she seemed to be angry when listening to what Mo Yoxa said.

Xu Leiya seemed to be unhappy when she listened to someone saying she was old.

As a beautiful woman, she has the pride of not saying age.

Women didn't like it when they were called old, it would make a bad impression, and it seemed like Mo Yoxa had done it, he made a bad impression and wreaked havoc on him.

A great power overflowed from the body of Xu Leiya, this power was so great that it easily covered the surroundings of this place, she used all her strength to create this.

.

.

"ehhh, what is this" Ye Chen realized that light was shining brightly behind his body.

He could see that there was a battle going on in the background between Mo Yoxa and Xu Leiya.

"It looks like the battle over there is quite fierce" Ye Chen saw that the battle at that place was very fierce.

Both of them were using their full strength and preparing to take each other down.

"I hope she's fine against Mo Yoxa" Ye Chen hoped that Xu Leiya would be fine.

"roar. ." Monsters were approaching towards Ye Chen, they intended to kill Ye Chen quickly.

"Get lost you useless monsters" Ye Chen prevented the monsters from approaching Xu Leiya and Shen Niang, he made sure that the two would not be disturbed, especially Shen Niang, if she was disturbed it would be very troublesome for Ye Chen.

"roar. . ." finally the figure of the monster with many heads appeared as well, this was a Hydra with a huge body, its body was probably 10x bigger compared to planet earth.

"roar. ." This Hydra roared towards Ye Chen, it roared loudly towards Ye Chen.

"Looks like the boss of the monsters has appeared, this time it will be a worthy opponent" The biggest monster finally appeared in front of Ye Chen.

"Looks like it's not just the head that's growing again, the strength of this monster has become stronger, an ancient terrible monster" Chu Yuechan said to Ye Chen.

"I hate enemies that can regenerate" Ye Chen said in a dissatisfied tone, he said that he was not happy with monsters like that.

"Haven't you always met opponents like that, they are probably troublesome for most people and you should probably have died several times already" Chu Yuechan said to Ye Chen.

"What's with that choice of words, you seem to be in a bad mood" Ye Chen said to Chu Yuechan, Ye Chen could feel that Chu Yuechan was in a bad state, he could feel that Chu Yuechan was angry.

"what do you mean" Chu Yuechan asked Ye Chen, she seemed to have no clue what is said by Ye Chen.

"Forget it" Ye Chen told Chu Yuechan to forget what just happened.

"I just have to defeat this monster" Ye Chen only needs to defeat this monster, that's all he has to do it quickly otherwise these monsters will become more and more powerful, it will endanger the battle of Xu Leiya.

"Ying'er" Ye Chen used his flagship weapon, he would quickly destroy this monster.

панда Ыовê|,còM The Divine Yin Yang Sword was unsheathed and ready to kill the Hydra.

When Hydra saw the Divine Yin Yang Sword in Ye Chen's hand, it attacked Ye Chen even harder, its attacks getting more brutal and more terrifying.

This monster is too strong, if he gets to go, even a top level star will be easily defeated destroyed become a heap of earth.

"How can a monster like this exist, this can't be happening" the explosive power is getting stronger, these monsters are getting stronger and getting stronger.

Chu Yelan was shocked by this, she didn't know Hydra was capable of this strength, there must be something wrong with the monster in front of them right now.

"I will start attacking" Ye Chen decided to attack, he used the God Master Shadow Sword to start cutting the enemy's body.

With a quick and invisible shadow slash, the Hydra had no chance to dodge Ye Chen's attack, resulting in him cut off easily by Ye Chen.

Although already cut off, it seems that Hydra can still recover, although it is very slow but this monster is trying to recover.

"Even the Divine Yin Yang Sword is not enough to kill it." Chu Yuechan felt that this monster was strange, the Divine Yin Yang Sword should be able to stop its regeneration ability on Hydra.

"All you need to do is kill the monster before it fully regenerates, this will be easy for you done Ye Chen came to a conclusion, he used consecutive attacks and coated the Divine Yin Yang Sword with the Heavenly Silver Flame.

The monster started to retreat when Ye Chen launched a series of attacks, it seemed he ran into trouble when Ye Chen attacked in his own way.

This time it was Ye Chen's turn to start attacking, he attacked with all his strength and targeted the enemy's heart.

Regarding these monsters operated, of course this monster continued to resist even though he had been cornered by Ye Chen, Hydra could only fight Ye Chen to death.

"Enough here, I found your weak point" After some time, Ye Chen finally arrived at the monster's weak point, he found the weakest point and started to use the Heavenly Silver Flame's immense amount of power.

"with this crumble into ashes" Ye Chen roared in a loud voice, he poured all his strength to crush the Hydra into ashes.

"Boom" an explosion of silver flames filled this place, this slash blew everything away including the small monsters that were near the Hydra.

Flakes of dust started scattering after the explosion occurred, it should have completely destroyed the monster.

"Roars . . ." the other monsters headed towards Ye Chen, they didn't give up even though Ye Chen had defeated the biggest one.

"It seems that the battle will still continue" Ye Chen still has to continue fighting, he has no other choice but to fight, because this is the only choice he candone.

.

.

"back to that battle done by Xu Leiya, he was now fighting fiercely, his opponent was fighting well and plus Mo Yoxa has a fast wound regeneration rate and it is very troublesome to kill this person with one move.

"I didn't think that you were able to corner me into this situation like now" Mo Yoxa said to Xu Leiya, he had to admit that Xu Leiya was indeed capable, he was able to push Mo Yoxa to his limit.

"I also didn't expect that I could push you to this kind of situation" Xu Leiya said to Mo Yoxa.

Luckily she made my light power stronger and I could be on par with Mo Yoxa.

Xu Leiya is very grateful for what was done by Shen Niang, what done by Shen Niang allowed herself to survive and was able to bring Mo Yoxa to a very bad state.

"I will not let you win from me" Mo Yoxa said that he would not let Xu Leiya win.

"also with me, I won't let you win easily." Xu Leiya also didn't have the will to give up, she didn't want to give up when she fought Mo Yoxa.

"I will show you the power that I have, and silence everything you have done to me" Xu Leiya said that she would silence Mo Yoxa.

Light began to gather on the body of Xu Leiya, a soft light wrapped around Xu Leiya and a wing of light began to appear behind Xu Leiya's body.

"oh, so this is the strongest form you have, you look like a fairy" Mo Yoxa looked at Xu Leiya who looked like a fairy.

"This power will be used to beat you" Xu Leiya stretched out her hand, the light started moving and attacked Mo Yoxa.

"I will not hesitate to destroy you" Mo Yoxa also did not want to lose to Xu Leiya.

He created a light that was far stronger and deadlier than anything else, it was extremely powerful and capable of affecting anything around the two of them.

"Boom . . ." explosion after explosion occurred as their two forces met, they pushed each other to get their victory.

"stronger, I need more strength" Xu Leiya needs more and more strength, she wants to beat Mo Yoxa.

"broken. . . , be destroyed. . ." Mo Yoxa shouted like a madman, he wanted to crush Xu Leiya with his own hands.

The two's battle finally came to a climax, where both of them didn't hold back and used more force in the final attack.

Who is able to stand last will be the winner, so the two would not give up before becoming the victor.

"more, more" Xu Leiya's strength was rising, she unleashed all her abilities to push Mo Yoxa to the limit.

"no, where did your strength come from?" Mo Yoxa couldn't believe, where did Xu Leiya get such strength.

"this is my strength, I will defeat you" Xu Leiya said to Mo Yoxa.

The more Mo Yoxa was pushed back by Ye Chen, the more she was cornered and might lose the battle that was about to happen.

"ahhhh . . . , this can't happen, this can't happen." Mo Yoxa roared, he couldn't believe that this all happened, this couldn't happen, he couldn't lose.

[Chapter 2384 Major Disasters \(5\)](#)

Mo Yoxa was pushed all the way by Xu Leiya, he finally started losing to Xu Leiya.

Xu Leiya mustered the last bit of strength she had, she would end Mo Yoxa right here and now.

"No. . . ." Mo Yoxa shouted, he seemed to be in pain from the attack from Xu Leiya.

Mo Yoxa was finally defeated, Xu Leiya used all the strength she had to defeat Mo Yoxa.

"finally this is over" Xu Leiya was very tired, she felt tired from the battle with Mo Yoxa, she almost used all the strength she had to fight Mo Yoxa.

"good job" Ye Chen said to Xu Leiya.

Ye Chen appeared behind Xu Leiya, he was holding a tired looking Xu Leiya.

"Eh. . ." Xu Leiya was shocked when she saw Ye Chen extend her hand, they were quite close and in a position that was slightly embarrassing for Xu Leiya.

"Are you okay?" Ye Chen asked about Xu Leiya's condition.

"I'm fine" Xu Leiya told herself that she was fine.

she was just a little tired after fighting Mo Yoxa for so long.

"That's great, you can finally beat him" Ye Chen said to Xu Leiya.

"Um" Xu Leiya nodded, she was happy when she defeated a strong enemy like Mo Yoxa, she didn't expect that she would be able to do it.

"It seems that you guys have also finished it." Shen Niang appeared in front of Ye Chen and Xu Leiya, in her hand was a ball like a moon.

"I solved the problem, everything should be fine" Shen Niang said to Ye Chen, should he had already stopped the rampaging monsters.

"it seems that everything is settled" Ye Chen was happy that everything was settled.

Shen Niang and Xu Leiya agreed on what is said by Ye Chen, the two of them were happy that everything was done.

"Hahahaha" when everyone thought it was over, a sound of laughter was heard.

The sound of this laughter clearly belonged to Mo Yoxa.

"Has he not died yet, what happened ?" Xu Leiya felt that Mo Yoxa was too strong, it should have killed him easily.

"no, he should have lost already" Shen Niang said to Xu Leiya.

"Then what is this" asked Xu Leiya to Shen Niang.

"If my guess is correct, then this should be the remnant soul of Mo Yoxa before he died" Shen Niang said.

"hahahaha, that's very true, you are indeed great but it's a shame you guys are too late" said Mo Yoxa in a voice full of victory.

"what do you mean" Xu Leiya didn't understand what on purpose by Mo Yoxa, they've stopped everything, they should have won.

"No, should He has only bought us the time he has before." Ye Chen said that Mo Yoxa was only buying time, his goal was definitely not to make a mess.

Shen Niang and Xu Leiya saw Ye Chen, they wanted to know what thought by Ye Chen.

"I'm pretty sure you have other goals." Ye Chen was pretty sure Mo Yoxa had other goals.

"You're so smart, I do have another goal from master, you're all going to hell" Mo Yoxa said to Ye Chen.

Mo Yoxa's words were not very clear to Ye Chen, of course this made Ye Chen, Shen Niang and Xu Leiya bewildered by what happened.

"Hahahaha" Mo Yoxa laughed loudly and started to disappear, it was a very strange thing.

"absurd person" Ye Chen could see that Mo Yoxa was absurd, he made everyone in this place confused.

"Shaking" A great shaking occurred, this great shaking occurred around this place.

"what's going on" Xu Leiya knew what was going on, they wanted to know what was going on right now.

"This is bad" Shen Niang said to Ye Chen, she told him that this would be bad.

"what's is this?, this aura is not pleasant" Ye Chen felt that this was unpleasant, it felt that this darkness was really very terrible.

"To be honest, I don't really like this." Chu Yuechan said that she didn't really like what was happening, she didn't like what was happening right now.

"A terrible monster is born, I can feel it" Chu Yelan said to Ye Chen, feeling that someone would wake up.

"what monster is that" Ye Chen asked Shen Niang, she wanted to know what kind of monster was awakening.

"This aura, maybe One Eyes Black Dragon, dragon that brings destruction" Shen Niang said to Ye Chen.

Shen Niang seems to know about this matter, she knows what the monster that just awakened is.

"I didn't think that they would raise up a monster like this, what are they really thinking?" Shen Niang said.

Shen Niang hates this, this will probably be more trouble than Blood Moon.

"Looks like we have to stop monster" Xu Leiya said to Shen Niang and Ye Chen.

"Of course, we have to stop it, it is a powerful monster, it seems I need your help" Shen Niang said to Ye Chen.

Under these circumstances Shen Niang might only need Ye Chen, Xu Leiya was already exhausted and unable to fight, so it was better for her to stay away from the battle.

"I want to help you guys" Xu Leiya said that she wanted to help Ye Chen.

"I know you have very good intentions, the thing is you just fought with all your strength, you better rest in this place" Ye Chen said to Xu Leiya.

Ye Chen told Xu Leiya, he told Xu Leiya that the conditions were impossible.

"Do you know something, if you know something please tell me" Yue Ya asked Shui Yixian, she asked Shui Yixian to give her a hint.

"No, I don't know, this is beyond my reach" Shui Yixian told Yue Ya.

Yue Ya looked at Shui Yixian, if what Shui Yixian said was true, then this was a troublesome matter.

"Do you think he is involved in this matter?" Liu Yue asked Shui Yixian.

"What do you think, I am sure that he is involved in this matter" Shui Yixian was sure that if Ye Chen was involved, he was probably fixing the situation.

"It's possible, he didn't come, maybe something happened to him" Liu Yue said.

Liu Yue was worried about Ye Chen, she wanted to know if Ye Chen was okay or not.

What is the condition of Ye Chen, Liu Yue wants to know everything.

"anyway we have to take care of this place first, Zhao Yanyan along with others are on earth, they are protecting this place, meanwhile Ning Xia and Mu Xueying are protecting the Clan and also their star, I am also cleaning up my place and just finished, the rest we have to clean it up together" Shui Yixian said.

"I agree with what you said, this place needs cleaning, I will help, everyone is working, I can't possibly stay idle" Shui Yixian said to Liu Yue and Yue Ya.

Meanwhile in Sky Cloud Peak Star Realm, Li Jingyi along with a few women had finished killing the monsters that attacked Sky Cloud Peak Star Realm.

"What this monster, where did he come from" Li Jingyi said in a helpless tone.

This monster killed many people and rampaged in the city, the casualties were quite numerous and Li Jingyi had to treat all of them and it made her tired.

"Are you alright" Mu Xueying asked Li Jingyi.

"I'm fine" Li Jingyi said that she was fine.

"You and I stand guard in this place while the others go to help the nearest star that is in this place" Mu Xueying told the current situation, she sent Song Ziyu, Mei Yueli, Fan Fumi, Yan Fei, Fairy Zhen to move.

Meanwhile Chi Shui along with the Seven Fairy Succubus went to help the star further.

Meanwhile Qiao Xin, Fang Miyu, Frozen Blood Eater were in charge of gathering information and making small attacks.

They moved in a very neat group.

Dongfang Xiu and Sun Xuanyin and Gu Xun went to help the troops from Sacred Heaven Star Realm.

"Why should we help them" Sun Xuanyin asked Dongfang Xiu.

"I can't bear to let them fight like that" Dongfang Xiu told Sun Xuanyin.

"Even so, they are already strong, they should not need help from us" Sun Xuanyin saw that Sacred Heaven Star Realm's army was strong and did not need help.

"That's so, but I feel something bad" Gu Xun said to Sun Xuanyin.

"What do you mean?" Sun Xuanyin looked at Gu Xun, she wanted to know what the words just now meant.

There was no way the powerful army of the Sacred Heaven Star Realm would lose so easily, they were already strong and full of top level cultivators in the God Realm.

"Let's keep an eye on them anyway, I have a favor to ask you, you are one of the free people in this place" Dongfang Xiu said to Sun Xuanyin.

"Alright, I got it" Sun Xuanyin understood, she joined Dongfang Xiu's game, she was curious what would happen next.

Nangong Xiang was currently in the Holy Flame Star Realm, she was helping there because it was her place and she couldn't let go of that place. please visit

Zhao Yanyan, Su Mengxin, Fu Lanling, Qing Cheng, Cheng Mengyan and the other women were protecting the earth from attacks, the attacks on the earth were numerous and the number of enemies kept growing.

"What?, there are so many enemies" Mu Lanyin had never seen this many monsters, where they came from was suspicious.

"It looks like something bad happened" Lin Rouxi saw that if something bad happened, God Realm must be in serious trouble.

"Let's finish in this place and help the others, as long as we finish this place first, helping the others will be easy to do" Zhao Yanyan gave orders to all the women, they had to end this quickly.

"Understood" Feng Xue understood, she started to show her voice and started to make the monsters crumble one by one.

"Xiao Lulu, Ye Xiu, Mu Nianci and Ling Yin are currently guarding the palace, they stood up and looked at the monsters attacking them, fortunately the harem palace made by Ye Chen was strong enough and easily withstood the monsters.

"What's going on, it's so chaotic" explosion after explosion just kept happening, it's horrible like total destruction.

"The chaos keeps spreading, we've defeated quite a few, but it keeps appearing, geez where did all this come from, I don't like this" Xing Mei complained.

"Don't complain too much" Xiao Lulu said not to complain too much, they have to protect this place.

"I understand" Xing Mei understood, she went forward together with the women to start exterminating quickly.

"We are done in this place, tell everyone that we will start helping the needy stars" Xue Zhirou gave orders to everyone, she told them all to immediately go and help the nearby stars that needed help, they could not stand by and watch the destruction of other stars around them.

"We understand" Xue Himi, Xue Qinmo, Xue Miya, Xue Sunzhe, Xue Rong left, they all immediately went and provided assistance to the stars in need.

Almost all the forces joined, they all helped each other to overcome all the chaos that occurred, that way they could survive the monster's rampage.

"What a mess, I have never seen anything like this, even war is much better than this" Huang Ying froze all the enemies, she only needed to use one wave of her hand to freeze the monsters.

"You are very strong" Ning Yi saw the strength of Huang Ying, this woman's strength was too much, she defeated monsters like pinching an ant.

Huang Ying smiled as she listened to Ning Yi's words.

"Let's go, we have something to do with the monsters around" Huang Ying said to Ning Yi.

"Okay, let's go." Ning Yi agreed to go together with Huang Ying, the two of them went to exterminate a large number of monsters, Ning Clan also came along and was in another place to exterminate monsters.

Back to Ye Chen and Shen Niang's place.

Ye Chen and Shen Niang now entered the dark, they felt the horror of the darkness ahead.

"The monster we are going to fight, is it strong" Ye Chen asked Shen Niang.

"One Eyes Black Dragon is strong, it is endowed with great defense and attack power, even I can get injured fighting that monster" Shen Niang told Ye Chen.

"Even you?" Ye Chen asked Shen Niang.

"The scales of the One Eyes Black Dragon are very strong, if you make armor with it, it will be of high quality and very difficult to break" Shen Niang explained to Ye Chen.

"Its claws are called immortal killing claws, so be careful when dealing with that monster" Shen Niang warned Ye Chen.

One Eyes Black Dragon was a figure of destruction, it was a dragon born to destroy and was hated by other dragon races.

"I can't seem to use Azure Dragon's inheritance to suppress it" Ye Chen said.

"One Eyes Black Dragon does not bow down to anyone, even if you have the Azure heritage, it will not be afraid and instead fight you with full force, One Eyes Black Dragon and Azure are enemies, you must be prepared" Shen Niang said to Ye Chen.

[Chapter 2386 One Eyes Black Dragon \(1\)](#)

"then we can no longer hold back" Ye Chen will follow Shen Niang's words, he does not need to hold back, what Ye Chen needs to do now is to fight the enemy in front of him.

"we are almost there" Shen Niang said to Ye Chen, she told Ye Chen that they were almost there from the enemy.

"There is a terrible darkness power ahead" Ye Chen can feel a terrible darkness power.

In front of Ye Chen saw a dragon, a huge and black dragon, the size of which was at least that of a large building.

"That's it, it should be fine, let's attack." Shen Niang said to Ye Chen, this is their time to launch an attack.

"then just go ahead and use the strongest attack I have." Ye Chen used the Five Lord Elements Technique, he used the most powerful strength in which Ye Chen combined five elements at once.

"Five Lord Elements Technique" Shen Niang praised Ye Chen, she used a very good technique.

"thank you for the compliment" Ye Chen was grateful for the compliment given by Shen Niang.

"I'll start, monsters destroy with this" Ye Chen threw the five elements combined into one towards the One Eyes Black dragon.

"Boom. ." An extremely powerful explosion occurred, this powerful explosion occurred and swept away the rubble around this place.

Shen Niang made a protector, he made a protector for both of them.

"boom" This explosive was so huge, everyone in God Realm could hear the sound of the explosion occurring.

"what kind of explosion is that" everyone is looking for, they want to know what kind of explosion happened, they want to know what happened, the explosion was huge, who can make such an explosion, of course everyone immediately found out about this matter.

"Did it destroy the monster?" Ye Chen wanted to see if his attack was able to kill the One Eyes Black Dragon.

the explosion raised dense black smoke around the One Eyes Black dragon.

A moment later the smoke cleared and the figure of the One Eyes Black dragon appeared in front of Ye Chen.

The One Eyes Black dragon appeared in very good shape, he wasn't injured by Ye Chen's attack.

"not even scratched ?" Ye Chen finally knew what Shen Niang said, the defense of the One Eyes Black dragon was truly terrifying, she was able to survive such a powerful attack with ease.

"Even the attacks you launched were unable to scratch it, it looks like it will be a fierce battle" Shen Niang said to Ye Chen.

"It's really a monster" Ye Chen said to Shen Niang, she saw that in front of her was a real monster.

"One Eyes Black Dragon doesn't regenerate, so as long as we can penetrate its body, it should be fine." Shen Niang said to Ye Chen.

"I understand" Ye Chen understands, they only need to break through the dragon scales and attack the inside.

One Eyes Black dragon opened blood-red eyes, he looked towards Ye Chen with a terrifying gaze.

One Eyes Black dragon spread its wings, a strong wind blew towards Ye Chen.

Ye Chen stood in the middle, One Eyes Black dragon's attack couldn't make Ye Chen retreat.

"be careful with the claws" Shen Ning said to Ye Chen, he told Ye Chen to be careful with the monster's claws.

Shen Niang knew that Ye Chen would not be affected by the One Eyes Black dragon's elemental attack, even so this monster's claws could still cause wounds to Ye Chen.

"wow . ." The One Eyes Black dragon moved with an unbelievably fast speed, it was swiftly behind the bodies of Ye Chen and Shen Niang.

"fast . . , this huge monster can move that fast." Even though the One Eyes Black Dragon is large, its movement speed is quite fast for such a large monster.

This monster raised its huge claw that was like a black sword towards Ye Chen.[please visit](#)

Ye Chen used the Divine Yin Yang Sword to fend off the attack from the One Eyes Black dragon.

"Bro. . ." Ye Chen was blown away when he received the attack from the One Eyes Black dragon.

He retreated tens of kilometers when he received the One Eyes Black dragon's attack.

"the power is too great" One Eyes Black dragon's strength was huge, even with Ye Chen's enhanced physique and using artifacts, he was still forced back tens of kilometers.

"It would be bad if you were to take that attack head on" Chu Yuechan said to Ye Chen.

"One Eyes Black dragon has speed and power, you better be prepared because it will come soon and attack you" Chu Yelan said to Ye Chen.

The two of them gave advice to Ye Chen, what should Ye Chen do to fight the One Eyes Black dragon.

One Eyes Black dragon is targeting Ye Chen more, maybe One Eyes Black dragon feels that Ye Chen is far more dangerous than Shen Niang.

Shen Niang assisted Ye Chen, she attacked with the power of light and fire simultaneously.

"Boom. . ." One Eyes Black dragon ignored Shen Niang and attacked Ye Chen.

"This monster ignores me" Shen Niang realized that she was being ignored now, this monster tried to ignore Shen Niang.

"Is it because he has the inheritance of the Azure Dragon?" Shen Niang remembered that Ye Chen had the inheritance of the Azure Dragon, that might be one of the reasons why One Eyes Black Dragon was targeting Ye Chen.

Shen Niang's attack was unable to cause any serious damage to One Eyes Black dragon, One Eyes Black dragon's body was hard and difficult to penetrate.

"Why don't you want to attack me?" Shen Niang performed a powerful attack, even though she couldn't hurt One Eyes Black Dragon, she was able to knock One Eyes Black Dragon away.

"Shen Niang's strength is terrible" Ye Chen saw Shen Niang's strength, she was very strong and might be able to destroy this place easily.

despite using all of his strength, the One Eyes Black dragon still attacked Ye Chen.

"You can kill me" Shen Niang's attack is too strong, it can make Ye Chen hurt too.

"I'm trying to help you" Shen Niang said to Ye Chen.

"It seems monster is interested in me." Ye Chen said to Shen Niang, she told that One Eyes Black Dragon was interested in Ye Chen.

"I'll try to fight , you find the right time to do the attack to kill that monster" they have to work together, it's not good to attack randomly and make the battle chaotic.

"Okay, if that's what you want, I will join your plan." Shen Niang listened to Ye Chen, she participated in Ye Chen's plan.

"ok" Ye Chen started to do battle, he used Divine Yin Yang Sword to attack One Eyes Black dragon.

"Bam. . . , bang . . ." Ye Chen attacked with the Dao Sword, the attack launched by Ye Chen was definitely strong enough to cut through anything.

Even so One Eyes Black dragon only suffered light scratches.

"So tough" Yin Ying'er said to Ye Chen, the One Eyes Black Dragon's monster body was tough enough to be penetrated.

"real a monster" Ye Chen said as he started to attack the One Eyes Black dragon.

Ye Chen doesn't care, as long as it can be for scrape, then there is a possibility that Ye Chen can defeat One Eyes Black dragon.

"Roars . . ." One Eyes Black dragon was angry at Ye Chen, he was angry at Ye Chen, Ye Chen's attack made One Eyes Black dragon's defense threatened.

One Eyes Black dragon attacked Ye Chen with its fast and deadly claws.

[Chapter 2387 One Eyes Black Dragon \(2\)](#)

A huge battle ensued between Ye Chen and the One Eyes Black dragon.

"clang" Ye Chen was knocked back several times by One Eyes Black dragon, even so he still fought One Eyes Black dragon and started to beat back One Eyes Black dragon.

Shen Niang watched Ye Chen's battle against One Eyes Black dragon, she was waiting for the right time to make a powerful attack.

" don't lose" Shen Niang said to Ye Chen, she told Ye Chen not to lose against One Eyes Black Dragon.

"strong, this is bad" Ye Chen began to push, the enemy seemed to be much stronger in terms of strength and speed.

"Even so, I can't lose in this place." Ye Chen didn't want to lose, he didn't want to lose against the enemy in front of him.

Ye Chen gathered his strength and spirit, the spirit of not wanting to lose made Ye Chen even stronger.

"Clang. . . ." Ye Chen started counterattacking, he started counterattacking and started to make One Eyes Black dragon retreat.

"good, he started suppressing the enemy" Shen Niang looked happy when she saw Ye Chen starting to have some momentum in battle, it seemed she had learned a lesson when fighting the One Eyes Black dragon.

One Eyes Black dragon knew that Ye Chen put up a fight to overthrow One Eyes Black dragon, "Roar" One Eyes Black dragon roared and began to carry out attacks that were far more intense than before.

"Heavenly Armor" Ye Chen used armor to protect his body.

"Roars . . ." One Eyes Black dragon roared back towards Ye Chen, One Eyes Black dragon was displeased when it saw the Heavenly Armor on Ye Chen's body.

By using Heavenly Armor, Ye Chen should still be able to survive One Eyes Black dragon's deadly attack.

Even though he could withstand the attack from the One Eyes Black dragon, Ye Chen was still able to experience the impact of the One Eyes Black dragon's attack.

"If it's like this, I also have to use strength to defeat One Eyes Black Dragon." Shen Niang began to use her strength.

she needed time to use her technique to defeat the One Eyes Black dragon.

"how to defeat One Eyes Black dragon" Ye Chen thought, he must find a way to defeat One Eyes Black dragon.

"I might be able to freeze it" Ye Chen used Frost Age to freeze One Eyes Black dragon.

"Frost Age" Ye Chen used Frost Age to freeze One Eyes Black dragon.

"frozen . . ." the body of the One Eyes Black dragon froze when it received the attack from the Frost Age.

"this is the opportunity to destroy the shell" Ye Chen had to take advantage of this opportunity to destroy the One Eyes Black dragon's scales.

"Cracks . . ." when Ye Chen got closer and wanted to destroy One Eyes Black dragon, suddenly One Eyes Black dragon broke free and tried to attack Ye Chen.

"slashes . . ., Clanks . . ." Ye Chen's body flew up, his body flew away from the sudden attack.

"The enemy's resistance is extremely high, it seems like an attack like that won't be able to freeze or seal the One Eyes Black dragon's movements" Chu Yuechan tried to help Ye Chen, she wanted to help Ye Chen take down One Eyes Black dragon.

"Ding . ." A sound sounded, Ye Chen could feel a strong light force coming from the direction of Shen Niang.

"what's that ?" Ye Chen looked at Shen Niang, wondering what Shen Niang would do.

One Eyes Black dragon looked at Shen Niang. One Eyes Black dragon was displeased with Shen Niang and headed towards Shen Niang.

"I won't let you" Ye Chen will not let One Eyes Black Dragon attack and hurt Shen Niang. please visit
He would protect Shen Niang using all of his strength.

Even though Ye Chen's strength was still below the One Eyes Black dragon, he still had a chance of being able to win.

"God Slayer Lightning Shot" Ye Chen shot out powerful heavenly lightning towards the One Eyes Black dragon.

"Roars . ." The heavenly lightning just instantly sent One Eyes Black Dragon flying, it seemed that it was able to slightly injure One Eyes Black Dragon.

One Eyes Black dragon looked at Ye Chen with eyes filled with hostility, he was like this to kill Ye Chen using all of his strength.

"I'm done, I'll end this all, Chen leave there right now" Shen Niang said to Ye Chen.

"Understood" Ye Chen understood, he directly teleported out of Shen Niang's attack range.

An enormous halo appeared above the One Eyes Black dragon's body, this halo gave off a huge light towards One Eyes Black dragon.

"Pure sky fall light" Shen Niang sent down a light with enormous power towards the One Eyes Black dragon.

"Boom" One Eyes Black dragon was enveloped in light, this light was very strong and could destroy anything in existence, the body of One Eyes Black dragon shouldn't be able to survive this kind of attack.

The intense light lasted for 1 full minute, it should be enough to destroy the One Eyes Black dragon.

Ye Chen was still holding up the sword in his hand, he didn't know whether the One Eyes Black Dragon was still alive or had been destroyed after receiving the attack from Shen Niang.

"Roars . ." A roar Sounded from the front, the figure of One Eyes Black Dragon appeared with a body covered with wounds from Shen Niang's attack, the scales on its body fell off due to Shen Niang's attack.

"Even that attack was unable to destroy One Eyes Black Dragon" There was something strange about One Eyes Black Dragon, Shen Niang's attack should have been enough to destroy One Eyes Black Dragon.

"Roars . ." The body of the One Eyes Black dragon suddenly shuddered and new scales grew from the One Eyes Black dragon.

The damaged scales quickly returned and the body of the One Eyes Black dragon was covered in new, much stronger scales.

"Eh, how could that be, I didn't know One Eyes Black Dragon could do such a thing." Chu Yuechan, Chu Yelan, and Shen Niang all looked confused by what was happening.

"Why do you guys look surprised, have you never seen that?" Ye Chen asked Chu Yuechan.

"That's very strange, One Eyes Black Dragon is indeed powerful, but it shouldn't be able to regenerate like that, I saw it for the first time, could it be a test species" Chu Yuechan said curiously.

"This is very bad" Shen Niang said to Ye Chen, she told Ye Chen that this was very bad, obviously that the One Eyes Black Dragon in front of them was not like what Shen Niang knew.

"Mo Xie, what monster have you created?" Shen Niang wanted to know what Mo Xie was doing, only he could create this monster.

Shen Niang closed her eyes, when she closed her eyes, she could feel Mo Xie's blood on the body of the One Eyes Black dragon.

"So that's it, I see, it's not strange." Shen Niang knows, this monster has the pure blood of Mo Xie, it is not strange that it is strong and different from the previous fight.

"Now, how to defeat this powerful monster" Shen Niang has to find a way, this may be difficult, she may have to use the power of darkness as before.

"But I don't want to use it anymore" Shen Niang doesn't want to use it anymore, she doesn't want to use such terrible power anymore.

"Don't worry, we can definitely win" Ye Chen said to Shen Niang, he told them that they could definitely win this battle.

[Chapter 2388 One Eyes Black Dragon \(3\)](#)

"Okay" Shen Niang nodded towards Ye Chen, she believed in Ye Chen, she would stay with Ye Chen.

"One God Slash" Ye Chen slashed at One Eyes Black dragon.

Ye Chen didn't care if his attack couldn't kill One Eyes Black dragon with one strike, he kept doing his best to kill One Eyes Black dragon.

"Why did he target Ye Chen so much?" Shen Niang started to think, One Eyes Black dragon is targeting Ye Chen, there must be something strange going on here.

"Wait a minute, this monster, don't tell me it was made to defeat the Sage God?" Shen Niang thought of this, this is why One Eyes Black Dragon is targeting Ye Chen so much.

"It means that the monster wants to kill and destroy Ye Chen." Shen Niang finally realized something, she finally realized that One Eyes Black Dragon was targeting Ye Chen because Ye Chen has the inheritance of the Sage God.

"I understand, that's what happened." Shen Niang finally understood very well, she finally understood what happened.

It was a perfectly reasonable matter, he knew what the One Eyes Black dragon was after.

"Making a monster like this to fight the Sage God, you are really angry with the Sage God." Shen Niang knew that Mo Xie was angry with the Sage God, that's why he created this creature.

"If Ye Chen wasn't there, this monster would definitely destroy God Realm and become the most terrifying monster ever" Shen Niang said.

Shen Niang knew that this would be a serious threat, now that One Eyes Black Dragon was targeting Ye Chen, if she was done with Ye Chen, she would definitely directly attack everyone she encountered and become a vicious monster that brought disaster to the world.

Ye Chen was fighting using his full strength, their battle was too intense and too fast.

One Eyes Black dragon looked at Ye Chen, he began to gather dark power in his mouth and prepared to kill Ye Chen with one burst of full power.

"Isn't that bad" Chu Yuechan said to Ye Chen, she saw that the enemy's attack was quite bad, if it was hit it would be very troublesome for Ye Chen.

"Boom" One Eyes Black dragon's shot out rapidly, a jet black torrent headed toward Ye Chen.

"Ye Chen dodged, he used his strength to dodge the enemy's attack.

The One Eyes Black dragon followed Ye Chen's movements, it followed Ye Chen's movements while continuously spitting out strange and devastating black objects.

This darkness destroyed anything it touched, everything shattered and blackened when it came into contact with this torrent.

Ye Chen's Heavenly Armor made his movements quicker and more agile, he became extremely fast and agile to an extremely great extent.

"Roars . . ." One Eyes Black Dragon was angry at Ye Chen, One Eyes Black Dragon didn't like it when he saw Ye Chen dodge his attacks.

"Long-time battles won't be good for me, it seems I have to end things quickly." Ye Chen knew that long battles were unprofitable, his opponent was a monster with unlimited power which would be detrimental for Ye Chen.

"Since I can't beat him the normal way, I'll use the Lightning Vein." Ye Chen had one choice, use the Lightning Vein to defeat an opponent who was much stronger than himself.

One Eyes Black dragon stared at Ye Chen, he seemed to already know what Ye Chen was going to do.

"Grrr. . ." One Eyes Black Dragon was angry at Ye Chen, One Eyes Black Dragon was like seeing an enemy that had to be destroyed as soon as possible.

"Boom. ." Ye Chen released his barrier, strength flowing in Ye Chen's body in great amount.

"This is the time, this is the time to fight back" Ye Chen stepped forward, he started to fight back against the One Eyes Black Dragon.

"Bam . ." Ye Chen disappeared and appeared right under One Eyes Black dragon's body, he hit One Eyes Black dragon and threw him in the air.

Ye Chen's punch attack became strong, the One Eyes Black dragon's scales loosened when it received Ye Chen's attack. please visit

"he did it" Shen Niang didn't expect that Ye Chen could do it, she did very well.

"I only have a little time, it's better to end this as soon as possible" Ye Chen had little time, he had to hurry.

"Boom" Ye Chen's took out a large number of techniques at once, he used all of them to defeat One Eyes Black dragon.

One Eyes Black dragon's body was bombarded with countless attacks, all of these attacks caused the One Eyes Black dragon's body to fall off, the One Eyes Black dragon's scales fell off and left the flesh of One Eyes Black dragon.

"This is a very good opportunity, Half Dimension." Ye Chen took advantage of this to directly attack the body of the One Eyes Black dragon.

The body of the One Eyes Black dragon started to shrink and its size started to decrease.

"The power to bend dimensions, great power, this is a good opportunity, One Eyes Black Dragon should be weak because of that" Shen Niang decided to take it fairly.

He snapped his fingers and millions of blades of light appeared around his body.

"This is a very good time, accept this." Shen Niang attacked One Eyes Black Dragon, she took this opportunity to kill One Eyes Black Dragon.,

The sword of light penetrated the body of the One Eyes Black dragon, the body of the One Eyes Black dragon was penetrated by the millions of swords of light created by Shen Niang.

The sword of light was extremely fast, it was like a bullet of light that rapidly penetrated the body.

"roar" One Eyes Black dragon roared, he tried to attack Ye Chen with his attack.

One Eyes Black dragon made a huge black ball and prepared to shoot Ye Chen.

Even though it has been pushed in such a situation, One Eyes Black Dragon can still carry out the attack, this monster is really something.

"Half Dimension" Ye Chen performed Half Dimension again on the One Eyes Black dragon's attack, he used all of his remaining strength to do this.

The attacks from the One Eyes Black dragon began to crumble and crumble, One Eyes Black dragon could no longer carry out attacks on Ye Chen.

The One Eyes Black Dragon's condition was already dire enough, it was already at its limit and there was no way it could fight back.

"don't let him recover" Shen Niang said to Ye Chen, it would be a problem if One Eyes Black Dragon recovered.

"I see, I will use all my strength for this one strike" Ye Chen approached the One Eyes Black dragon.

"Dimension Breaker" He used the Dimension Breaker near the body of the One Eyes Black dragon.

Cracks formed around the body of the One Eyes Black dragon.

One Eyes Black dragon was silent for a while, before One Eyes Black dragon shattered into pieces.

"Clanks . ." A shrill sound occurred as the One Eyes Black dragon shattered into pieces.

"I will seal it" Shen Niang used the seal for the remnant body of One Eyes Black dragon, no one is allowed to use the body of One Eyes Black dragon because it will be dangerous for the future.

The two of them had quite a bit of trouble defeating the One Eyes Black dragon, so after everything was done, the remaining body of the One Eyes Black dragon had to be sealed.

With a few moves, he easily performed a seal on the remaining body parts of the One Eyes Black dragon.

"Finally done" Shen Niang said to Ye Chen, she said that they finally finished defeating One Eyes Black Dragon.

[Chapter 2389 Dark Crystal](#)

after using the lightning vein, Ye Chen's body fell, he lost the strength of his own.

"Chen . ." Shen Niang came closer headed towards Ye Chen, she directly touched and held Ye Chen.

"Are you okay?" Shen Niang asked Ye Chen.

Shen Niang tried to heal Ye Chen, she used the power of healing Ye Chen.

"what happened to you" Shen Niang said to Ye Chen, she could feel that Ye Chen had no strength in his body.

"This is the effect when using Lightning Vein" Ye Chen said to Shen Niang, he told Shen Niang about what effect she would get after exchanging with beyond bounds power.

"Is that so, that means you can't fight anymore" Shen Niang said to Ye Chen.

"I can only use my physical strength" Ye Chen said to Shen Niang.

"I understand, then let's go back." Shen Niang understood, they should go back and directly restore Ye Chen's body.

"Wait a minute, what is it?" Ye Chen said to Shen Niang.

he saw a dark crystal ahead, where the One Eyes Black dragon had disappeared.

"That . ." Shen Niang also didn't know what it was, to be honest she didn't know what was in front of them.

"Come closer, that's probably what I'm looking for" Ye Chen said to Shen Niang, he told her that was what he was looking for this survivor.

"I understand" Shen Niang held Ye Chen, she together with Ye Chen headed to that place.

Shen Niang lent her arm to Ye Chen, she helped Ye Chen to fly.

As they drew closer, they saw a black crystal, that black crystal radiating the power of darkness.

"This . ." Shen Niang said to Ye Chen, she said that she might know what this is.

"It seems we were lucky enough to find it in a place like this" Ye Chen said to Shen Niang.

"Are you sure, darkness is a terrible power, I myself have never seen the Sage God use it." Shen Niang said to Ye Chen.

Shen Niang had never seen the Sage God wield the power of darkness, and she didn't even know that the Sage God possessed such power.

"I have no choice" Ye Chen said to Shen Niang.

"Then I support what you take" Shen Niang believed in Ye Chen, she was sure that Ye Chen would not be eaten by darkness like her.

Ye Chen extended his strength forward, he grabbed what should be his.

This is the one left behind by the Sage God, an extremely dark power of darkness, a power that could possibly change a person.

Chu Yuechan, Chu Yelan, Chu Ning'er became worried, they didn't know if anything happened when Ye Chen used the power of darkness.

When Ye Chen stretched out his hand, the dark crystal entered Ye Chen's body and began to fuse with Ye Chen's body.

Ye Chen's body felt strange, the power of darkness started to enter and made Ye Chen's body unreasonable.

"This is different from everything that Ye Chen found, it is dark and wants to control Ye Chen.

"uh. . ." Ye Chen became a little uncontrollable, his head really hurt.

are you okay" Shen Niang said to Ye Chen, she was trying to help Ye Chen.

"I'm fine" Ye Chen said to Shen Niang, he told Shen Niang that he was fine.

"No, I can't lose, I can't be controlled by this power, I control this power." Ye Chen said in a firm tone, he would not allow himself to be controlled by this power.

The darkness continued to rebel in Ye Chen's body, it was so wild and Ye Chen had to do something. please visit

Ye Chen used dimensional power to suppress, it was Ye Chen's strongest power above the darkness.

Darkness leaked from Ye Chen's body, Ye Chen's body started to be filled by a terrifying darkness.

"fight" Shen Niang encouraged Ye Chen, she asked Ye Chen not to lose.

Shen Niang knows what Ye Chen feels, it seems that it is difficult to accept Ye Chen.

The darkness started to be suppressed by Ye Chen, it started to tame and the evil in the darkness started to fade from Ye Chen's body.

After quite a hard struggle, Ye Chen finally won and controlled the darkness power in his body, it had completely fused with Ye Chen.

"Are you okay, is there something wrong with you" Shen Niang asked Ye Chen, she wanted to know Ye Chen's condition, she wanted to know Ye Chen's condition.

"I'm fine" Ye Chen said that he was fine, he managed to do well.

"I'm very happy" Shen Niang said Ye Chen, she felt happy when she listened to what Ye Chen said, she was very happy with Ye Chen's success.

"what about your condition" Shen Niang thanked Ye Chen, she wanted to know if Ye Chen's strength had been fully recovered.

"I've recovered" Ye Chen told her that he had recovered enough.

"You don't need to lie" Shen Niang said to Ye Chen, she told Ye Chen that she lied, she knew that Ye Chen still had not fully recovered.

"I will ensure that you rest well until you fully recover" Shen Niang said to Ye Chen, she would ensure that Ye Chen fully recovered.

"You are being too considerate of me" Ye Chen said to Shen Niang, he could see that Shen Niang was very concerned about Ye Chen.

"don't you want ?" Shen Niang asked Ye Chen.

"Of course I'm very happy" Ye Chen said to Shen Niang, he was happy with the attention from Shen Niang.

Ye Chen was a man, he naturally loved the attention Shen Niang gave him.

"Then I will pay attention and pamper you more" Shen Niang smiled at Ye Chen, she told that she would make Ye Chen comfortable, she would pamper Ye Chen well.

Ye Chen started to get used to it when he saw Shen Niang, this was much better.

Shen Niang smiled gently, whoever received this kind of smile, they would definitely cry tears of joy.

The two decided to head back, Xu Leiya also came back with them.

.

Sun Xuanyin and Dongfang Xiu suddenly headed towards the border of the God Realm and Demon God Realm.

"Why are they here?" Dongfang Xiu wanted to know why these troops were heading towards the border.

"There is clearly something wrong in this place." Sun Xuanyin had already sensed that something was wrong in this place.

"Look over there" Dongfang Xiu looked towards the Demon God Realm, she could clearly see the large number of troops.

"What happened, do they want to fight?" Sun Xuanyin saw that a battle was about to occur, she could clearly see it from this place.

Sun Xuanyin thought for a while, before making a decision.

"One of the lords of the Demon God Realm is about to attack the God Realm, it seems Dongfang Xiong already knew and used his troops to defend this place." Sun Xuanyin came to a decision.

"I guess so, father already knows what will happen." Dongfang Xiu nodded, it seems Dongfang Xiong already knew what was going to happen, so he and his troops went to this place.

"The person behind all this is really very clever, everything was done so well, I'm speechless at this" Sun Xuanyin said to Dongfang Xiu.

[Chapter 2390 Da Dolu Demon King](#)

"You are right, the enemy is very clever, making a mess like this, who is that person?" Dongfang Xiu agreed with what Ye Chen said, he agreed with Ye Chen's words.

"If a battle occurs, then it will be a dangerous thing, what should we do, we must make up our minds to stop them" Sun Xuanyin said to Dongfang Xiu.

Dongfang Xiu thought for a while, what should they do now, this was a rather difficult decision for Dongfang Xiu to make.

"We stop them, don't kill them, I will freeze them all with my strength" Dongfang Xiu finally made up her mind, she wanted Sun Xuanyin to help her.

"Okay, if that's the decision you have, I'll be happy to help you." Sun Xuanyin would help, she wouldn't leave Dongfang Xiu alone, Ye Chen would be furious and Sun Xuanyin wouldn't want that to happen.

Sun Xuanyin had softened up a lot, she was no longer as selfish as before and she was much kinder than before.

"Then let's get closer" Dongfang Xiu said to Sun Xuanyin, she invited Sun Xuanyin to come closer.

The two drew closer, they began to see what the other party was talking about.

"hurry back, this is not your territory" A man appeared, he led the army to fight the Demon.

"hahahaha, are you worthy, where is Dongfang Xiong, why didn't he come to meet me" an old man said in a smug tone.

"Da Dolu" Sun Xuanyin and Dongfang Xiu instantly knew who had just spoken, both of them already knew who had spoken just now.

The person who appeared directly was the leader of one of the great powers in the Demon God Realm.

"He came straight out, it seems this matter is serious" Sun Xuanyin said to Dongfang Xiu, she said that this might be bad.

"That's good, we can negotiate with him directly, it seems that only he stepped forward and the others didn't leave, this is our chance" Dongfang Xiu said to Sun Xuanyin.

"I hope he will listen to us." Sun Xuanyin hoped that they would listen, otherwise it would become quite a problem for all of them.

"We will make them listen to us, trust me" Dongfang Xiu said that he would make them listen.

"Very good then, let's begin." Sun Xuanyin invited Dongfang Xiu to begin.

"We want a portion of the territory of the God Realm, if not, then I will ensure that a battle breaks out in this place right now" Da Dolu said and claimed his possession.

"That can't be happening, we won't let you do something like that." They of course rejected what Da Dolu wanted, they couldn't possibly accept something like this.

"Then let's start fighting," Da Dolu said to the God Realm army in front of him.

in terms of troop numbers, Da Dolu clearly won a lot, he had already prepared all of his troops.

On the other hand, the army of the Sacred Heaven Star Realm, had to be divided due to the battle that was currently going on in the God Realm, this was of course a problem for them.

"stop right there" when the battle was about to start, Sun Xuanyin and Dongfang Xiu appeared, the two of them appeared and stopped the battle that was about to break out.

"miss" Everyone from Sacred Heaven Star Realm called out to Dongfang Xiu, they saw Dongfang Xiu standing in front of them.

"stop right now" Dongfang Xiu told everyone to stop right now.

"what's wrong, what do you want princess, or else I should call you butterfly goddess" Da Dolu said to Dongfang Xiu.

"Please stop everything you're doing" Dongfang Xiu told Da Dolu to stop everything.

"why, can you stop me" Da Dolu said to Dongfang Xiu.

"I certainly could have stopped you, but I don't want a battle to break out and create more chaos" said Dongfang Xiu.

"hahahaha, do I seem to care about that thing" Da Dolu doesn't care, he pursues fighting and doesn't care about such small matters.

"I told you that this person is stubborn" Sun Xuanyin said to Dongfang Xiu, she had told her that Da Dolu was a stubborn person and would not be able to talk to him. please visit

"But I want to talk to you, I don't want both sides to suffer," Dongfang Xiu said to Da Dolu.

"Do you think you can beat me, you are still a little girl, so don't meddle in the affairs of adults" Da Dolu said while emitting an evil aura from his body.

"Everyone became alert when they all saw Da Dolu using evil powers, they readied their weapons for battle and fought the enemy.

"let me show you the strength that I have" Da Dolu said to Dongfang Xiu, he will show his strength.

Da Dolu advanced he wanted to attack Dongfang Xiu.

"watch out" Sun Xuanyin stepped forward, she directly fought Da Dolu with her Flame power.

"Boom" an explosion occurred as their fists collided, this force blew away everything around them.

"What, that woman, isn't she much stronger than last time?" Da Dolu saw that Sun Xuanyin had become even stronger compared to before.

Sun Xuanyin had indeed become much stronger, she had become much stronger compared to before.

"Very interesting, you are a worthy opponent" Da Dolu said to Sun Xuanyin.

"Actually I'm too lazy to fight with you, but I have no choice, I'll temporarily restrain you" Sun Xuanyin said and she attacked Da Dolu.

Sun Xuanyin started fighting, she used the fire scarf to fight against Da Dolu.

"This is your chance, do it quickly" Sun Xuanyin said to Dongfang Xiu, she told Dongfang Xiu to do it quickly.

Dongfang Xiu moved, a huge snow butterfly appeared behind the body of Dongfang Xiu.

"I will freeze all of you" Dongfang Xiu said that she would freeze everyone and temporarily seal their movements.

Da Dolu's army is trying to stop Dongfang Xiu, they won't let Dongfang Xiu freeze them.

The butterflies on the back of Dongfang Xiu's body started to turn into smaller butterfly flakes and there were truly a great number of them, they spread to the enemy soldiers and froze them instantly.

"frozen" everything froze, in a short time the entire army from Da Dolu froze.

"impossible" Da Dolu couldn't believe what he was seeing, he didn't want to believe what he was seeing right now.

"How could this girl have such strong strength" Da Dolu didn't believe that Ye Chen could have such strong strength, he didn't want to believe in this kind of thing.

"You better give up, you won't win against us" Sun Xuanyin bullied Da Dolu, she bullied Da Dolu by using her strength.

Da Dolu gritted his teeth, he seemed to be displeased by what Sun Xuanyin was doing.

"You better retreat right now, otherwise something bad might happen to your people" Dongfang Xiu said to Da Dolu, she had already frozen everyone in this place.

Da Dolu looked back, it seemed that he had no choice but to do just that, if he lost that many troops, it would be bad for his position in the Demon God Realm.

As a Demon King, he couldn't be careless, he had to make good decisions in the problems he faced.

Da Dolu looked at Sun Xuanyin as well as Dongfang Xiu, he could see that both of them possessed terrifying strength.

"what happened, how come they are so strong" Da Dolu can't believe this, how can they be that strong.

"Okay, I agree" Da Dolu said that he agreed to withdraw.

"But this is not the end" said Da Dolu to Dongfang Xiu.
