

True God 2391

[Chapter 2391 Shen Niang Kissed Ye Chen](#)

Da Dolu told Sun Xuanyin and Dongfang Xiu, he told them that the battle was still not over.

Sun Xuanyin and Dongfang Xiu already knew about this, they both knew that it would happen sooner or later.

Dongfang Xiu freed the entire army from Da Dolu, thus Da Dolu withdrew along with everyone in his army.

"Just now, you just bullied him didn't you?" Sun Xuanyin said to Dongfang Xiu, she knew what Dongfang Xiu had just done.

"That's all I can do" Dongfang Xiu told him that was all she could do to drive them away.

"I thought so" Sun Xuanyin had expected this, she had expected that this would definitely happen as well.

"The old man's strength is not bad, my arm was injured from his attack." Sun Xuanyin said to Dongfang Xiu, she told her that she was injured from Da Dolu's attack.

"let's go back and ask Sister Jingyi to heal you," Dongfang Xiu said to Sun Xuanyin.

"I understand" the two left, and left the army of the Sacred Heaven Star Realm.

The troops of the Sacred Heaven Star Realm are of course confused, they did nothing from start to finish.

"We'll be guarding this place, they might come back again" the leader of the troop gave an order, he gave an order to stay in this place for a while.

"we understand" Everyone understands, they will all be here and guard this place from the enemy who might come back again.

The extermination is still going on, everyone is still working together to win the battle, they are using all the skills they have to be able to win in this battle.

"what a horrible battle" Ye Chen looked at the remnants of the war, he saw the remnants of the current battle, he could see how much damage had been done from the battle.

"The person behind all this is truly terrifying." Shen Niang and Xu Leiya agreed with what Ye Chen said.

"Mo Xi, we have to stop him" Ye Chen said to Shen Niang and Xu Leiya.

"Of course, I will help you stop that person." Shen Niang said that she would help Ye Chen stop Mo Xi.

"let's help everyone, use all the resources you have" Ye Chen ordered all the women to provide assistance.

"Then I will also provide assistance to everyone, I will provide my healing for the entire God Realm." Shen Niang said that she would also help, she wanted to help everyone in this place.

A huge circle appeared above Shen Niang, this circle grew bigger and bigger until it was able to envelop the entire God Realm.

"what is it" everyone looked at the circle that appeared, they all wanted to know what happened, they didn't know what else would happen, this made them even more confused.

"I give healing to all of you who were injured in battle." The circle disappeared, golden colored particles rained down from the sky.

When the gold-colored particles touched everyone, the wounds on their bodies healed instantly, those who were injured quickly recovered and were able to stand up normally.

"this is great" Everyone felt that this was very great, the wounds on their bodies disappeared quickly and they recovered.

"we are healed, let's fight" everyone immediately left, they all immediately went to fight again.

"You enveloped the entire God Realm with your power." Ye Chen looked at Shen Niang.

"That's amazing" Xu Leiya said to Shen Niang, she felt that what Shen Niang did was really amazing.

"This is nothing" Shen Niang said that this is nothing.

"You are really great" Ye Chen had to admit that Shen Niang was really great, she did things that no one in God Realm could imagine.

"I just want to help them, I can't let them be like that, this is my problem because my opponent is the descendant of my enemy too" Shen Niang said to Ye Chen.

"understood" Ye Chen understood, he could understand what Shen Niang said.

With Shen Niang's healing, everyone returned to battle, they began to suppress and clear the battlefield with full force.

It took them around 10 hours to suppress the nearby monsters by 95%, now only 5% were left hanging around and waiting to be killed.

everyone looked very tired, it could be said that this was the biggest battle they had ever fought.

"You all did quite well." Ye Chen said to Zhao Yanyan and the others, they did very well.

"That was so tiring, I fought too many monsters" Zhao Yanyan said to Ye Chen.

Zhao Yanyan and the others worked quite hard with what happened, they were all exhausted from what happened.

"That is really troublesome, where did that monster come from" said Yue Ya.

Yue Ya asked, she wanted to know where the monsters they had fought and defeated had come from, it had made a mess and had given them a headache.

"They are from the center of the God Realm ruins" Ye Chen said to Yue Ya.

"what happened there, why don't you tell us" Yue Ya said to Ye Chen, she wanted to know everything from Ye Chen.

Ye Chen explained to everyone present in this place, even if it wasn't all of them, he was sure that they could explain the situation to the others.

"So that's how it happened" they all finally understood, they finally understood what happened, they all understood Ye Chen's explanation.

"Then our current opponent is in the Demon God Realm right?" Zhao Yanyan said to Ye Chen.

"That's right." Ye Chen nodded, the enemy was indeed hiding in this place.

"How troublesome, it's quite difficult for us to enter and last long in that place" Yue Ya said to Ye Chen.

Yue Ya knew the conditions there, it was quite difficult to get to that place, she couldn't possibly get there easily.

"That's right, it's difficult to go to that place." Zhao Yanyan understood the situation, it was indeed quite a difficult place for all of them.

"let's find a solution to this problem slowly" Ye Chen said to everyone, he told them to find a solution to the problem that occurred.

"um . ." they understand, they can do this slowly.

"Now let's focus on repairing this place, it's really troublesome to make repairs" Ye Chen said to everyone.

"repair and restoration may need 1 full month, I have already contacted everyone, they can all cooperate with us" Yue Ya said to Ye Chen.

"I leave this matter to me, my wife is beautiful" Ye Chen would help too, he handed over the command to Yue Ya.

"Just leave it to me, I'll make sure that everything recovers quickly" Yue Ya would do the best she could.

After the short meeting that was held by Ye Chen and his wife, everyone immediately did what Ye Chen said, they all immediately went to carry out their assigned tasks.

"they all did their best" Shen Niang appeared behind Ye Chen, she didn't join the meeting and chose to stay in this place.

"That's right, we also have to work hard" Ye Chen said to Shen Niang.

"Of course, we have to work together, I completely agree with what you said" Shen Niang completely agreed with what Ye Chen said.

Shen Niang drew closer towards Ye Chen, she leaned her beautiful body towards Ye Chen.

"You have worked very hard, it must be very tiring" Shen Niang said to Ye Chen, she told Ye Chen that she had worked very hard.

"No, it's nothing" Ye Chen said that it was nothing.

"fufufufu" Shen Niang smiled and laughed as she listened to what Ye Chen said.

"then let me give you a gift" Shen Niang said to Ye Chen, she came closer and kissed Ye Chen on the lips.

Ye Chen was surprised by what Shen Niang did, what Shen Niang did was too sudden.

Shen Niang was still quite innocent in this matter, so she only carried out the most basic kiss with Ye Chen.

even so, it felt too comfortable for Ye Chen.

Ye Chen extended his hand to Shen Niang's waist, he hugged and brought his body closer to Shen Niang.

"The two of them kissed for quite a long time, Shen Niang herself seemed to really enjoy this matter, she really enjoyed what Ye Chen was doing.

After a few minutes, the two separated, they looked at each other.

"It turned out pretty good" Shen Niang said to Ye Chen, she was really very satisfied when she kissed Ye Chen.

"You surprised me, a beautiful goddess like you kisses me, it's a beautiful " Ye Chen said to Shen Niang.

"Is that so, then let's start slowly, I'm still new to this, maybe I'll learn a bit" Shen Niang said to Ye Chen.

Shen Niang said that she wanted to learn more.

Ye Chen smiled when he saw the determination shown by Shen Niang, he must not disappoint Shen Niang, he must do his best to make Shen Niang comfortable, that's what Ye Chen was thinking right now.

"again" Shen Niang said to Ye Chen, both of them kissed again and started to sink in, both of them forgot the time around to enjoy their time.

For Shen Niang who has lived for a long time, this is a wonderful, She enjoyed what happened with Ye Chen, There is no regret in Shen Niang's heart, She is very satisfied with doing this thing with Ye Chen.

Shen Niang had hopes for Ye Chen, Shen Niang's hopes were very high for Ye Chen

[Chapter 2392 Go To The Border](#)

2 weeks have passed since the incident that shook the entire God Realm, due to what happened, many people lost their homes and needed help, recovery progressed quite quickly, they started rebuilding everything.

Some people also mourned, all of them could only mourn the warriors and victims who fell in battle.

Ye Chen had work to do as well, there were countless things to do and he was looking for any information to be found about the Demon God Realm.

"There is little information about the Demon God Realm, this is quite annoying" Ye Chen said in a dissatisfied tone, this is really troublesome.

"Demon God Realm is a forbidden place for us, so there isn't much information you can get." Qi Yunzhi came near Ye Chen, she brought Ye Chen a drink.

As Ye Chen's personal maid, she did everything to help Ye Chen, she also accompanied Ye Chen to the libraries in the entire God Realm to get information.

"I want to rest for a while" Ye Chen said if he wanted to rest for a while, he might need it.

"Alright come here" Qi Yunzhi said to Ye Chen, she prepared everything for Ye Chen.

Qi Yunzhi was very understanding, she knew what to do to make Ye Chen comfortable, she had prepared everything to make her master comfortable.

"Thank you very much" Ye Chen thanked, he was happy when he had Qi Yunzhi nearby.

"Where has Shen Niang gone, she has not been seen since that incident." Shen Niang has disappeared for 2 weeks, since then she has never appeared again.

Plus Ye Chen couldn't find her, maybe he was avoiding Ye Chen or something.

"Maybe he is avoiding me" Ye Chen felt that Shen Niang was avoiding him.

"You're being lazy again" a voice as sweet as honey was heard, a beautiful woman appeared from the door.

The woman who appeared was Xu Leiya, she wore a beautiful dress on her body, her well-developed body was covered by a beautiful dress and made her look very beautiful and glamorous.

After that incident, Xu Leiya often came to tease Ye Chen, she often teased Ye Chen by using her powerful Charm, it seemed she still couldn't accept it when she saw Ye Chen succeed against her Charm.

Xu Leiya was also quite close to Ye Chen's few women, she was able to mingle easily and get information about Ye Chen from them.

All women were quite straightforward and enthusiastic when it came to Ye Chen, so Xu Leiya could easily find Ye Chen's weaknesses.

"what are you doing here, don't you have a job" Ye Chen said to Xu Leiya.

"I don't have work, I have finished everything" Xu Leiya said to Ye Chen, Xu Leiya has no work, she has finished everything.

The Xu Clan is also rising, although the traitors are still some not found and it may take some time to do so.

"oh it's time, I'm leaving first, I have something to do" Qi Yunzhi said to Ye Chen, she still had to do his work.

"Enjoy your time" Qi Yunzhi left Ye Chen and Xu Leiya, she would start cooking for Ye Chen and prepare everything for Ye Chen.

"she left" Ye Chen looked at Qi Yunzhi who left, it seemed that Qi Yunzhi had deliberately left to make room for Ye Chen and Xu Leiya.

"So what, have you found what you're looking for?" Xu Leiya immediately went to Ye Chen's side, she asked Ye Chen about the progress.

"There isn't much information about the Demon God Realm," Ye Chen said to Xu Leiya.

"It's not easy to get information about them, besides the place is closed and we only have a few spies who go in there, most of them die before getting any information.

"Why is that, is that place dangerous?" Ye Chen asked Xu Leiya.

"how should I put it, that place is quite dangerous, there are frequent street fights and anyone can kill easily, if you are not strong, it is only a matter of time to be killed" Xu Leiya said to Ye Chen.

Xu Leiya didn't know the specifics, what was certain was that it was a place where there were frequent battles and riots, there were no rules, the strong would survive, it was quite cruel and not many people could survive.

"Such a place, it seems that it is." Ye Chen nodded, it seems that it is more chaotic compared to God Realm.

"come with me" Xu Leiya said to Ye Chen, she invited Ye Chen to come with her.

"where" Ye Chen asked Xu Leiya.

"take a walk" Xu Leiya said to Ye Chen.

"you're not usually like that." Ye Chen said to Xu Leiya.

normally this woman would only come to tease Ye Chen, and when Ye Chen fought back and exerted pressure on Xu Leiya, she would be like a scared rabbit and run away from Ye Chen.

"Just come with me already" Xu Leiya said to Ye Chen, she told Ye Chen to come with her.

"I understand" Ye Chen understood, he immediately went with Xu Leiya.

Xu Leiya took Ye Chen out, they went to a quite far place, after a while, they finally arrived at the border.

"Why did you invite me to this place?" Ye Chen asked Xu Leiya's intentions and goals.

"I want to show you the Demon God Realm, I hope you see it from this place" Xu Leiya said to Ye Chen.

This is a heavily guarded border, it is very difficult to enter the Demon God Realm because of so many guards.

"There are quite a number of guards around this place." Ye Chen saw that many people were on guard around this place.

"I heard from Xiu that there is tension in this place, it seems that it is true." Ye Chen saw that there was tension in this place.

"That's right, I also heard that Demon King Da Dolu was said to want to attack God Realm and was stopped by the Snow Butterfly Goddess," Xu Leiya said to Ye Chen.

"I didn't think that she was part of your woman, it seems you really like to collect beauties" Xu Leiya said to Ye Chen.

"your words are quite stinging" Ye Chen said to Xu Leiya.

"Fufufu" Xu Leiya smiled when she saw the helpless Ye Chen, teasing Ye Chen was indeed the most interesting thing that Xu Leiya could do in her spare time.

"Big brother what are you doing in this place ?" Fan Fumi asked Ye Chen, she came over and asked what Ye Chen was doing.

"Why are you in this place" Ye Chen asked Fan Fumi.

"I was carrying out an errand from Sister Xiang, she ordered me and the others to supervise the movement around the restrictions" Fan Fumi said to Ye Chen.

"Fan Fumi was not alone, he was accompanied by Fang Miyu and Qiao Xin, Fang Miyu and Qiao Xin were making their rounds to check what happened.

"So it's like that, you did a good thing" Ye Chen said to Fan Fumi, he did a really good thing.

"thank you very much" Fan Fumi was quite happy, she was happy when she received praise from Ye Chen.

"elf, what a rarity" Xu Leiya looked surprised when he saw an elf, this was the first time he saw Fan Fumi and an elf, where the elf had not appeared in God Realm for a long time and chose to live in their hidden village.

If I'm not mistaken it just opened a while ago, it seems that Ye Chen brought this elf along with him.

"You kidnapped one of them, aren't you being too bold" Xu Leiya said to Ye Chen.

Xu Leiya concluded that Ye Chen kidnapped the Elf in front of her.

"You talk casually" Ye Chen said to Xu Leiya.

"So?" Xu Leiya asked Ye Chen, she wanted some clarity from Ye Chen.

"she came voluntarily and she is one of my women" Ye Chen said.

"Oh so that's it" Xu Leiya was speechless.

"too many rivals" Ye Chen saw that there were too many rivals, whether she would be able to do it or not.

"Even so, I will not give up." Xu Leiya said that she would not give up, she would not give up.

Xu Leiya asserted herself, she asserted herself to keep fighting.

"Do you have a good relationship with Elf?" Xu Leiya asked Ye Chen.

"Of course I have a very good relationship." Ye Chen said that he had a good relationship with Elf.

[Chapter 2393 Met Xing Shenyi And Fan Yima](#)

"Then that's very good, I presume they have a map of the Demon God Realm, I'm absolutely sure" Xu Leiya said to Ye Chen.

"Are you serious about this matter" Ye Chen asked Xu Leiya, he wanted to know if Xu Leiya meant what he just said

"Of course I'm serious, why would I lie to you" Xu Leiya said to Ye Chen.

"Okay, let's go there right now." Ye Chen said to Xu Leiya, he wanted to go right now.

"then I will also come along" Fan Fumi said to Ye Chen.

"Don't you still have a duty in this place" Ye Chen said to Fan Fumi.

"It's fine" Fan Fumi said that she wanted to come with Ye Chen.

"Wait here, I'll talk to the other sisters when I'm going" Fan Fumi said that she wanted to take her leave.

"Okay" Ye Chen understood, he would wait for Fan Fumi.

"Fufufu, what a cute girl." Xu Leiya smiled as she looked at Fan Fumi.

"That's absolutely true" Ye Chen said to Xu Leiya, Ye Chen of course knew that Fan Fumi was cute, she was very lively and had great fun.

"But it's quite unfortunate, we should be able to go alone" Xu Leiya muttered softly, she was probably expecting too much.

"Did you say something?" Ye Chen asked Xu Leiya.

"No, please forget what I said" Xu Leiya said to Ye Chen, she told Ye Chen to forget what she just said.

"You're just getting weirder" Ye Chen said to Xu Leiya, he felt that Xu Leiya was getting more and more weird.

Even so, this woman is still beautiful, even if it's a little unreasonable, Every beautiful woman is sometimes unreasonable, they are sometimes like that.

"I'm back, I've obtained permission, let's go" Fan Fumi said to Ye Chen, she had already obtained permission from Fang Miyu and Qiao Xin.

"Then let's go, I can immediately go and transfer there right now." Ye Chen used teleportation to go to the hidden village of the Elves, it would save them quite a bit of time.

In just a matter of seconds, they had arrived at the Elven forest which was full of trees everywhere and looked very green.

"Is this the Elf's place, it's pretty good, it's still very well maintained" Xu Leiya said.

"Of course, this is our place, we take very good care of the forest, and live by the forest itself" Fan Fumi said to Xu Leiya.

"Is that so, you guys are pretty good, I'm impressed with you guys" Xu Leiya was impressed when she saw everything.

"already, let's go, let's go to the center directly, I want to meet Fan Yima and Xing Shenyi" Ye Chen said to Fan Fumi and Xu Leiya.

"I understand" the two understood, they followed right behind Ye Chen to go to the kingdom where everyone was gathered.

"Big brother, we came suddenly, maybe they won't greet us properly" Fan Fumi said to Ye Chen.

"It doesn't matter, our purpose in coming here is to seek information and meet them, I don't want to stand out too much and want to meet the two of them secretly" Ye Chen said to Fan Fumi.

"I understand" Fan Fumi understood, she could easily understand what Ye Chen wanted.

"Who is it, is it a woman again?" Xu Leiya felt that if what Ye Chen said was a woman, Ye Chen must be saying a woman in this place.

"This is the place of the elves, there should be a lot of beauties in this place, he must have become entangled with one or two of the elves in this place, or maybe all of them" Xu Leiya looked around, he could see that this place was all women .

"let's go there" Ye Chen could see the whereabouts of Fan Yima and Xing Shenyi.

"They're there, let's go to that place." Fan Fumi said to Ye Chen, she invited Ye Chen and Xu Leiya to go to where Fan Yima and Xing Shenyi were.

"The three of them went down and entered the place of Fan Yima and Xing Shenyi, When they entered, Fan Yima and Xing Shenyi were shocked.

"Husband, why are you in this place?" Fan Yima and Xing Shenyi asked Ye Chen.

"I came to visit you guys, is that not allow ?" Ye Chen asked Fan Yima and Xing Shenyi.

"Of course, you are free to do so." Fan Yima and Xing Shenyi were pleased by Ye Chen's words, both of them were too happy when they both saw Ye Chen.

Ye Chen smiled at Fan Yima and Xing Shenyi, he was happy to see that both of them were fine and they looked prettier and prettier only.

Ye Chen approached, when he approached, the two came forward and directly hugged Ye Chen.

the two of them seemed to really want to meet Ye Chen, it had been a long time since they had seen Ye Chen and hugged Ye Chen, it felt too comfortable.

"You guys are fine aren't you" Ye Chen said to Fan Yima and Xing Shenyi.

"Of course, we are fine, no problem, we are all safe" Xing Shenyi said to Ye Chen, she told him that she and Fan Yima were safe and they were both living quite well.

"I am happy to hear this." Ye Chen was happy to hear about Fan Yima and Xing Shenyi's condition.

When they finished the reunion, Xing Shenyi reached out towards Ye Chen, he pinched Ye Chen who was in front of him.

"what is this, are you mad at me" Ye Chen asked Xing Shenyi.

"Of course, I'm angry, why don't you come to visit us" Xing Shenyi said to Ye Chen.

"I'm sorry, I'm really busy, I'll do it often next time" Ye Chen said to Xing Shenyi.

Ye Chen was trying to calm Xing Shenyi, he was trying to make Xing Shenyi calm down and not do anything reckless.

"You have to do it, Yima and I are lonely here" Xing Shenyi said to Ye Chen.

"I understand" Ye Chen said that he understood and would be more considerate.

Ye Chen didn't directly ask about his needs, he spent time with Fan Yima and Xing Shenyi, they needed Ye Chen more than anything.

"fufufufu" when Ye Chen came, Fan Yima and Xing Shenyi looked very happy, they looked very happy when they were together with Ye Chen.

"Did something happen in the God Realm, we don't really know, but we heard that there are a lot of monsters outside" Fan Yima asked Ye Chen.

"To be honest something bad just happened, monsters went out of control and destroyed quite a lot of places, me and the others are working on fixing the problem" Ye Chen said that they are currently trying to fix the problem that occurred.

"It seems that it is very troublesome for you." Xing Shenyi saw that Ye Chen was troubled.

"Not really" Ye Chen said to Xing Shenyi, Ye Chen smiled, he can still deal with this matter.

"Did Fumi make trouble for you" Fan Yima wanted to know what happened to Fan Fumi.

"she helped out a lot, before coming here he was watching over the border and on missions" Ye Chen said.

"good, I thought he would cause trouble" Fan Yima was relieved at this.

"Is it fine for her to take on the appearance of an Elf back in the God Realm?" Xing Shenyi asked Ye Chen.

"It doesn't matter, there's no need to hide anymore, no one will dare to do anything bad, if they do that, I'll start destroying them" Ye Chen said seriously.

Ye Chen would protect Fan Fumi, he would make sure that Fan Fumi was okay.

"um . ." Fan Yima and Xing Shenyi nodded.

"Then who is this?, I've never seen you before?" Fan Yima asked Xu Leiya, she had never met Xu Leiya before.

"I am Xu Leiya the leader of the Xu Clan." Xu Leiya introduced herself formally.

The other party was too friendly, so Xu Leiya had to be even more friendly in order to impress the elf in front of her.

Xu Leiya didn't know what kind of status the two of them had, she was curious about this matter and wanted to know who the two of them were.

"Oh right, do you have a map of the Demon God Realm?" Ye Chen asked Fan Yima and Xing Shenyi.

"Demon God Realm map, there should be, but I forgot where it was, it was a long time ago, so I don't really remember," Xing Shenyi said to Ye Chen.

Xing Shenyi forgot, she forgot where this thing was stored, because they never used it, it was almost forgotten.

"how come we can have such a thing" Fan Fumi asked, she was clueless.

"Should it be drawn by one of our ancestors who was brought in by a Demon and became a slave, he wandered there and drew all the adventures together with her master" Xing Shenyi explained to Fan Fumi.

"then it was a long time ago" Ye Chen said to Xing Shenyi.

"Not bad, but it's still pretty good because there are some hiding places that not many people know about" Xing Shenyi said to Ye Chen.

"that seems good" Xu Leiya said to Ye Chen, he felt that it was very good.

"Then let's go find it, I need it." Ye Chen said to Xing Shenyi, he told her that he needed it enough.

"I understand, I will do it immediately" Xing Shenyi said to Ye Chen, she told Ye Chen that she would take the thing.

Ye Chen went with Xing Shenyi, meanwhile Xu Leiya went with Fan Fumi, Xu Leiya was curious about this place and wanted Fan Fumi to show Xu Leiya a lot of things.

"Husband, it seems that you have a serious problem, do you want to go to the Demon God Realm?" Xing Shenyi asked.

"Of course, I have to look for the criminals in that place, it might be quite troublesome, you should know" Ye Chen said to Xing Shenyi.

"You seem to have a lot of work to do, but I'm glad that you still have time for us" Xing Shenyi said.

[Chapter 2394 The Longing That Xing Shenyi Had \(1\)](#)

"Yeah" Ye Chen also felt happy because he could be in this place, it felt really good.

"Okay we arrived. . ." some time later, they finally arrived, they finally arrived at their destination.

"So this is the place, let's go in and start looking." Ye Chen took Xing Shenyi in, they started to search the map of the Demon God Realm.

The place Ye Chen and Xing Shenyi entered was a library, this was a place to store various things they owned, there was a lot of knowledge to be gained in this place.

Xing Shenyi started to search, the two started to search among the enormous pile of scrolls.

"I didn't expect that there would be this much." Ye Chen didn't expect that the amount would be so large, this number could be said to be enormous.

"There are quite a number of them." Xing Shenyi said that there were indeed many of them and they should look for them.

The two worked together, they both seemed to be enjoying their alone time in this place.

This place was deserted, only Ye Chen and Xing Shenyi were in this place.

"where ?" Xing Shenyi started to try to remember, it should be somewhere around here.

"Did you find it?" Ye Chen asked Xing Shenyi.

"Not yet, how about you" Xing Shenyi asked Ye Chen back.

"It's not here either" Ye Chen informed that he also hadn't found it.

Ye Chen searched every corner to find the whereabouts of the thing he was looking for, it should be around this place.

A while later Ye Chen found a scroll that was quite old, out of curiosity Ye Chen decided to take a look.

"what is this" Ye Chen opened and looked at it, he saw the image of the spirit of a huge monster destroying the elf village and hunting the elves.

"a story" Ye Chen saw that this was an interesting story, Ye Chen decided to take a look and confirm the story in front of him.

This picture tells of a spirit that went out of control and started destroying the Elf village, this caused the village and the kingdom of the Elf in the past to be destroyed, it was a very dark time for the Elves and they were forced into a terrible situation after everything that happened.

"What are you reading?" Xing Shenyi asked Ye Chen, she wanted to know what Ye Chen had read.

"I'm looking at the story in the picture, what is this?" Ye Chen asked Xing Shenyi.

"Oh, it's a terrible story, it's a story about Spirits who rampaged and destroyed our kingdom in the past, it's quite dark" Xing Shenyi said to Ye Chen.

"Is this story true?" Ye Chen asked Xing Shenyi.

"It should be like that, it should be genuine, if I'm not mistaken the Spirit was sealed somewhere in this continent" Xing Shenyi said to Ye Chen.

"So that's how it is" Ye Chen understood, it seems that this story is true.

"I've found what you're looking for" Xing Shenyi said to Ye Chen, he told him that he had managed to find a map of the Demon God Realm.

"Is that so" Ye Chen understood, he immediately closed the scroll and started looking at the map that belonged to Xing Shenyi.

Ye Chen looked at the map of the Demon God Realm, he could see everything clearly down to all the secret passages within.

"this is what I was looking for" Ye Chen got it, he managed to get what he was looking for.

With this he might have complete confidence when heading to the Demon God Realm.

"Thank you very much, you are really very kind." Ye Chen said to Xing Shenyi, he went over and kissed Xing Shenyi.

"Ahh. . ." Xing Shenyi was surprised by what Ye Chen did, she was not prepared when she got a kiss from Ye Chen.

"Um. ." Ye Chen's kisses were getting more and more interesting and stronger, Xing Shenyi quickly lost his composure and started cooperating with Ye Chen.

"Ohhh, great, I like this" Xing Shenyi was very happy, she was very satisfied with the kiss that Ye Chen gave her, she thought it was very comfortable and made her feel young again.

"husband, I want to ask something" Xing Shenyi said to Ye Chen, she wanted to ask Ye Chen something.

"Just say it" Ye Chen told Xing Shenyi to say a wish of his own, he would do his best to grant Xing Shenyi's wish.

"please hug me" Xing Shenyi said to Ye Chen, she told Ye Chen to hug her.

"So that is the request you have, then I will do it" Ye Chen happily did, he did what Xing Shenyi wanted.

Ye Chen hugged Xing Shenyi, he hugged Xing Shenyi into his arms, he hugged a beautiful woman like Xing Shenyi who was a elf queen.

Xing Shenyi felt comfortable, she tightly clung to Ye Chen's body, her double peaks touched and excited Ye Chen.

"ohhh. . ., this is really bad." Ye Chen felt that this was really bad, he couldn't possibly endure it.

Xing Shenyi seduced Ye Chen, she did this on purpose, her goal was very clear, she wanted to be with Ye Chen, her body was dry enough and needed moisture from Ye Chen.

"wife . . ?" Ye Chen said to Xing Shenyi.

"want to do it?, we haven't done it for a long time." Xing Shenyi said to Ye Chen, she used her fingers on Ye Chen's chest, she was like an abandoned kitten.

"oh, so cute" Ye Chen saw the cute side of Xing Shenyi, there was no way Ye Chen could survive the attack that caused damage to Ye Chen.

"You, don't blame me" Ye Chen kept the map, he will study it more, now is the time to give happiness to his beloved wife.

Ye Chen carried Xing Shenyi, he went straight to Xing Shenyi's room.

"Is there someone in there?" Ye Chen asked Xing Shenyi.

"no maids should have left long ago" Xing Shenyi said to Ye Chen.

"then it's the right place" Ye Chen said to Xing Shenyi.

Ye Chen said that it was the right place, it was the right place for them to vent their longing.

After arriving in the room, Ye Chen immediately began to take off Xing Shenyi's clothes, he didn't hold back and did whatever he wanted.

"You are so rude" Xing Shenyi complained to Ye Chen, she told him that Ye Chen was quite rude.

"Who told you to be too beautiful" Ye Chen whispered to Xing Shenyi, Xing Shenyi's majestic beauty made Ye Chen unable to look away.

Xing Shenyi's face became extremely red, she was completely defeated by Ye Chen, there was no way she could win when listening to Ye Chen's words.

"You are so cheating" Xing Shenyi said to Ye Chen, she told Ye Chen that she was cheating.

"hehehe" Ye Chen chuckled when he heard what Xing Shenyi said.

Ye Chen started to feel Xing Shenyi's towering peak, he touched and started to play with his fingers.

"ahhh . . , You . . . , too loud" Xing Shenyi said to Ye Chen, she told Ye Chen that it was too loud.

"is it convenient?" Ye Chen asked Xing Shenyi.

"Sure, it's convenient, no . . ." Xing Shenyi said to Ye Chen, she told him that it was very convenient.

"Very good, then I will continue" Ye Chen said to Xing Shenyi.

Ye Chen showed his skills, he attacked the sensitive spot that belonged to Xing Shenyi.

[Chapter 2395 The Longing That Xing Shenyi Had \(2\)](#)

"no, husband, you . . . , ahhhh . . ." Xing Shenyi tried to defend herself, she did her best to defend against Ye Chen's attacks.

Despite doing the best he could, the fact that he couldn't hold on for too long, Xing Shenyi quickly reached the top.

"Ohhh. . , you make me comfortable." Xing Shenyi sighed happily, she savored every minute that Ye Chen gave her.

"Hehehe, I believe you must be quite satisfied." Ye Chen said to Xing Shenyi.

"That's great, your ability is getting stronger, it was too fast for me." Xing Shenyi said to Ye Chen, she said that just now it was too fast, she could barely hold on for too long.

"then let's just enjoy the time we have" Ye Chen said to Xing Shenyi.

"Umm, please do it slowly, I can't stand what you're doing" Xing Shenyi said to Ye Chen.

"is that so . . ." Ye Chen blew the ears that belonged to Xing Shenyi, Xing Shenyi shouldn't be able to survive this temptation.

Xing Shenyi's body was getting hotter and hotter, she felt the blood in her body was boiling.

"That's too great" in her heart Xing Shenyi was very satisfied with what happened, she really enjoyed what Ye Chen was doing.

"You are really great, I like what you do" Xing Shenyi said to Ye Chen, she likes Ye Chen.

Ye Chen took off his clothes, this was the time to enjoy himself with Xing Shenyi.

Xing Shenyi didn't blink when she looked at Ye Chen, she looked extremely excited when she saw Ye Chen's strong body full of muscles.

Ye Chen took care of his body, it was not too exaggerated and it looked very suitable for Ye Chen, so this was Xing Shenyi's dream.

Plus Ye Chen has something strong underfoot, that is the thing that Xing Shenyi is looking forward to.

"oh, here it is, do you miss me" Xing Shenyi said to Ye Chen, she stretched out her hand towards the object under Ye Chen's body.

Xing Shenyi's hand touched and started to play, she seemed to miss what Ye Chen had.

"very good" Ye Chen said to Xing Shenyi, he enjoyed every time Xing Shenyi moved.

"Fufufufu" Xing Shenyi blew Ye Chen's, she teased Ye Chen with a new technique that had never been used.

Xing Shenyi was getting more and more skilled, she had prepared enough strategies of her own to fight with Ye Chen.

"It seems that you have prepared everything." Ye Chen saw Xing Shenyi's intention.

"surely, let's enjoy this" Xing Shenyi said to Ye Chen, she couldn't wait to do it with Ye Chen.

Xing Shenyi pushed Ye Chen away, she directly climbed on top of Ye Chen's body and led the battle.

"let this queen take the lead" Xing Shenyi said to Ye Chen, she told Ye Chen that she would take the lead this time.

The Queen of the Elves presides over, no one would believe such a thing, this would only be a dream for all of them.

Xing Shenyi directly ate Ye Chen's, she immediately started moving and let out a voice full of pleasure.

"this is it, it's been a long time, this is what I wanted" Xing Shenyi said to Ye Chen.

Xing Shenyi started to move and seek her own pleasure, she led splendidly.

Ye Chen himself was enjoying from below while watching how Xing Shenyi was moving, this Queen Elf in front of him was too and too tempting for Ye Chen.

"You did very well" Ye Chen said to Xing Shenyi, he praised Xing Shenyi for doing very well.

"husband, it's so convenient, yours drives me crazy" Xing Shenyi said to Ye Chen, she was enjoying this and made her head float.

This is the most good feeling that Xing Shenyi has, Xing Shenyi wants to continue like this.

Ye Chen stretched out his hand, he started to play with Xing Shenyi's Cherry buds and Ye Chen started cooperating with Xing Shenyi.

Xing Shenyi was more and more active, the pleasure he got was only getting stronger, she wanted to continue being with Ye Chen like this.

Meanwhile in another place far away, a woman was walking underground with a torch, if you look closely this is an Elf, she looks like she's looking for something underground.

This woman's expression was uncomfortable, she seemed to have a lot of trouble, it was clear from this woman's face.

"Watch it, I'll take revenge" this lady was one of the elders that Xing Shenyi punished, she wanted to take revenge on Xing Shenyi for what happened.

The female elder had lost everything because of Xing Shenyi, she had nothing left in her hands, and now she was completely broken, and all of this was Xing Shenyi's fault.

"This woman has already decided, she will take revenge on Xing Shenyi, she will definitely avenge what Xing Shenyi has done, she will not be satisfied before doing that.

This woman continued down the hall to find something that could help her, she wanted to use it against Xing Shenyi.

After several long days, she finally reached the end, where there were some ruins and holes beneath this place.

"Finally, I found it too" This woman finally found what she was looking for, she threw the fire in her hand into the hole below.

"boom . ." A burst occurred as the flames were thrown down, a powerful torrent emerged from below.

"This is the end, I found that Spirit, I will make them pay, Xing Shenyi, Dark Elf, you all will pay for what happened" this woman laughed evilly, it seemed she had started to go crazy.

This woman is doing something bad, she is about to awaken something bad, this is very bad, and maybe it will shake the existing Elven land.

.

.

Back to Ye Chen and Xing Shenyi.

After several hours, Xing Shenyi was now under Ye Chen's body, she was no longer able to resist and now let Ye Chen take the lead.

"husband, you are too strong, I definitely can't stand your strength" Xing Shenyi said to Ye Chen.

Xing Shenyi was too naive to think he could beat Ye Chen, in reality, she would not be able to beat Ye Chen.

"no it's too deep" Ye Chen is too deep, it makes Xing Shenyi feel crazy.

Ye Chen didn't really care about Xing Shenyi's whining, he continued on and made Xing Shenyi feel the highest comfort there was.

"Ahh. . ." Xing Shenyi was unable to hold on, she reached the peak for the umpteenth time.

"I have to seek help, this is really troublesome" Xing Shenyi should probably seek help, fighting Ye Chen was quite a troublesome thing to do.

Ye Chen was moving faster and faster, it seemed that he had also reached his limit.

"ahhh . . . No . ." Shen Niang said to Ye Chen, she was getting crazy with pleasure.

"here you go, are you ready" Ye Chen said to Xing Shenyi.

"please do it quickly" Xing Shenyi told Ye Chen to do it quickly, she wanted to end this battle quickly.

"Very good, you are very good wife" Ye Chen said to Xing Shenyi, he felt that Xing Shenyi was a very good woman, Ye Chen immediately went and gave Xing Shenyi Yang Qi a lot.

"It's warm, it's great" Xing Shenyi fell down, he was really tired and couldn't take it anymore.

[Chapter 2396 Went Hunting With Fan Fumi And Xu Leiya](#)

Ye Chen was satisfied, it seemed that he had completely conquered Xing Shenyi.

"That's great, you are too teasing and make me comfortable" Ye Chen said to Xing Shenyi, when Ye Chen said to Xing Shenyi, he saw that Xing Shenyi was already sleeping.

"It seems that she has reached her limit" Ye Chen could see that Xing Shenyi had already reached her limit, she could no longer fight Ye Chen.

"thank you and good night" Ye Chen said to Xing Shenyi, he said good night and started to cover Xing Shenyi's body with a blanket.

"umm . ." Xing Shenyi groaned softly, he was probably too weak and needed more rest.

After confirming that Xing Shenyi was sleeping comfortably, Ye Chen immediately took out the map that Xing Shenyi gave him.

"let's have this lesson" Ye Chen said to Chu Yuechan and Chu Yelan, he ordered the two to help.

"Ehhh. . , why should we also" Chu Yelan said in a dissatisfied tone.

"Don't complain too much already" Ye Chen said to Chu Yelan, he told Chu Yelan not to complain too much.

"You have to listen to master, otherwise I will use the Cursed Fairy Orb on you" Chu Yuechan said to Chu Yelan.

"younger sister how can you bully me" Chu Yelan said helplessly.

Not only did Ye Chen bully, Chu Yuechan also bullied Chu Yelan, this was terrible for Chu Yelan.

"It's your own fault" Chu Yuechan said to Chu Yelan, she should be more obedient towards Ye Chen.

They studied this together, it was quite difficult for them because the map given was quite complex and they also had to memorize the escape routes which were very, very complicated and more difficult than a labyrinth.

"I didn't expect that the Demon God Realm would be this complex, every star has too many hidden places" Chu Yuechan said to Ye Chen.

"That place is like a rat's nest, it's really annoying" Chu Yelan said, she saw that it looked like a rat's nest.

"That's good, at least we can anticipate if something happens, as long as the array doesn't change, it should be very useful for us to use" Ye Chen said to Chu Yuechan and Chu Yelan.

"We understand" they could understand what Ye Chen was going to do.

Ye Chen was accompanied by Chu Yuechan and Chu Yelan, they memorized everything on the map.

"umm . . ." a while later Xing Shenyi, it seemed that he had recovered and went straight to look for Ye Chen.

"what happened" Xing Shenyi asked Ye Chen, she wanted to know what happened.

"You fainted, are you okay?" Ye Chen said to Xing Shenyi, he told Xing Shenyi about what happened.

"I fainted, I didn't expect it." Xing Shenyi said that she didn't expect it, she didn't expect that she would faint after the long battle with Ye Chen.

"Hehehehe, I know you are very good, just now it was really fun" Ye Chen praised Xing Shenyi.

Xing Shenyi's face turned red when Ye Chen praised her ability.

"I'm also very happy, it was a great experience" Xing Shenyi said to Ye Chen.

Xing Shenyi was getting softer and gentler after dealing with Ye Chen, her speaking style now was like an ordinary girl in love.

Xing Shenyi got up from the bed, she used the blanket to cover her beautiful body.

"I will go first" Xing Shenyi said to Ye Chen, she told him that she would take a shower and clean himself.

"Of course, is it necessary for me to come with you?" Ye Chen asked Xing Shenyi, he wanted to know if he should come with you.

"No, you can't come along" Xing Shenyi said to Ye Chen.

Xing Shenyi immediately left, she ran away from Ye Chen and ran out of this room.

Xing Shenyi refused Ye Chen, she refused to take Ye Chen along, if they were trapped again it would make Xing Shenyi unable to get out of bed.

"ahaha" Ye Chen laughed when he saw Xing Shenyi who was running away like that.

Ye Chen went out, he believed that Xing Shenyi would take a long time to take a bath, so it was better to do something.

"This place is really nice." Xu Leiya and Fan Fumi were currently enjoying their time, the two of them were currently eating the delicious food around this place and enjoying everything in this place.

"what is elder brother doing I want to know" Fan Fumi said that she wanted to know what Ye Chen was doing.

"That is quite an important matter." Xu Leiya pointed out that Ye Chen was currently looking for something important.

"whether it has anything to do with the rampaging monsters, they are quite terrifying" said Fan Fumi.

"You're absolutely right, she's looking for the person who did everything, she should find a way to find that person soon." Xu Leiya said that Ye Chen would find the person who ruled God Realm behind the scenes.

Xu Leiya really believes in Ye Chen's ability, she is very confident in Ye Chen's ability.

"what are you guys doing" when Xu Leiya and Fan Fumi were talking about Ye Chen, Ye Chen suddenly appeared in front of them.

"Big brother, Ye Chen" Xu Leiya and Fan Fumi said to Ye Chen, they both looked happy when they saw Ye Chen.

"how did you get what you were looking for" Xu Leiya asked Ye Chen.

"Of course, I have got it" Ye Chen told Xu Leiya, that she had got it.

"That's great" Xu Leiya was happy as she listened to what Ye Chen said, it seemed that everything would be fine.

Ye Chen nodded lightly, he is happy about this matter, I have a question for you." Xu Leiya asked.

"what is it" Ye Chen asked Xu Leiya, she wanted to know what Xu Leiya wanted to ask.

"Who are you going to that place with, to be honest, we are not suitable to go to that place" Xu Leiya said to Ye Chen, most cultivators in the God Realm would not be suitable to go to the Demon God Realm, their strength would decrease when they went to the Demon God Realm.

"I will go alone" Ye Chen said to Xu Leiya.

"Are you sure, that place is dangerous, I have already told you about this matter" Xu Leiya said to Ye Chen, she told him that this place was dangerous.

"I know that too, I have no choice, if not me, then no one can do it" Ye Chen said to Xu Leiya.

Xu Leiya could understand, she could understand what Ye Chen said.

"I've earned a lot, that would be easy to do" Ye Chen said to Xu Leiya.

"Um. . ." Xu Leiya nodded, she believed in Ye Chen's words.

"Big brother let's eat, I ordered quite a lot of food" Fan Fumi said to Ye Chen.

"Of course, let's eat." Ye Chen joined in, he joined Xu Leiya and Fan Fumi to eat together.

"What are your plans next?" Ye Chen asked Xu Leiya and Fan Fumi.

"We want to go to the forest to hunt, sister Xu Leiya said she wants to come with me" Fan Fumi told Ye Chen.

"Oh, I see . . ." Ye Chen understood, Fan Fumi was indeed good at it, so it was fine to let her go with Xu Leiya.

"Then I will also come with you" Ye Chen said to Xu Leiya and Fan Fumi.

"Is that true ?" Fan Fumi looked happy when she heard what Ye Chen said, she seemed happy when she heard that Ye Chen was willing to come with them.

[Chapter 2397 Part Of The Forest Becomes Dry](#)

They started to finish eating the food that was on the table, they enjoyed their time very well and they talked happily.

After they finished eating, they immediately headed to the place to hunt.

Fan Fumi gave arrows to Ye Chen and Xu Leiya, she gave the two arrows to hunt.

"why not use our strength" Xu Leiya asked Fan Fumi, it would be easier to use their power to hunt.

"That would be too easy" Fan Fumi said that it would be too easy, so she wanted to increase the difficulty level.

"So that's it, then I'll come along." Xu Leiya was about to join her, she was curious and wanted to try it.

"Here you go" Xu Leiya handed Xu Leiya a bow and arrow, she chose the best one she could find.

Fan Fumi was currently quite wealthy, so she could easily obtain a good bow using his own resources.

"husband, how, did you get anything good" Fan Fumi said to Ye Chen, she asked if Ye Chen got anything good.

"Of course this is enough" Ye Chen said that this was enough, what Fan Fumi gave was good enough.

"Then let's set off." After all the preparations were finished, Fan Fumi led Xu Leiya out.

The three left, they were going to hunt around this place, there were lots of good hunting grounds around this place.

Ye Chen along with Fan Fumi walked normally, they weren't in too much of a rush in looking for their prey.

"I haven't seen any of our animals." Xu Leiya hasn't seen any animals around this place.

"Yeah, this is strange, I heard that this place is full of animals and monsters, but why is it suddenly quiet?" Fan Fumi felt strange, this place should be quite lively and they should be able to find one or two monsters around this place.

"Let's go deeper" Ye Chen said to Xu Leiya and Fan Fumi, he invited the two of them to go deeper, they might find rarer monsters.

When Ye Chen, Fan Fumi and Xu Leiya entered, they still didn't find any monsters, this place was too desolate and there were no signs of life around this place.

"How is this possible, we should find one" Fan Fumi looked irritated, they didn't find anything good around this place.

"I feel something uneasy around this place" Xu Leiya said to Ye Chen, she felt uneasy around this place, she could feel something dangerous.

"I also feel the same way, somehow her body got goosebumps" said Fan Fumi.

Fan Fumi felt the same way, she felt her body goosebumps as she stepped into the deeper forest, it was like something bad was ahead.

Hearing this, Ye Chen became even more alert, she became alert and started to look around more thoroughly.

"I hope nothing happens" Ye Chen hopes that nothing happens around this place.

They finally arrived at a place that was quite apprehensive, here the trees became withered and dry.

It looks like something is sucking this tree.

"what's happening in this place, why are the trees around this place drying up, this doesn't make any sense" This was the land of the Elves, where plants lived quite well, plus it was still close to the world tree, so it shouldn't be possible for trees and plants dry.

"first let's find out what caused it, this can't be a coincidence" Ye Chen said to Fan Fumi and Xu Leiya.

"I totally agree, let's find out the cause first, as long as we don't know what happened in this place, then everything will be fine.

"Okay" Fan Fumi understood, they started to split up and find out what was going on around this place.

Ye Chen looked around, he could see that some parts of the tree had holes, it seemed that there was a creature absorbing the essence from the tree.

"what is this about" Ye Chen wanted to know, he wanted to know what kind of monster did this thing, there must be a powerful monster that made this place dry.

Ye Chen kept looking, here were only plants, trees and grass which had completely turned yellow and withered, they were impossible to save.

"no trace" Ye Chen didn't find a trace, he didn't find a trace around this place, not a trace was left around this place.

"Ye Chen, Fan Fumi, I found something" Xu Leiya said to Ye Chen, she told him that she found something.

Hearing Xu Leiya's screams, Ye Chen and Fan Fumi immediately headed towards Xu Leiya.

"What is it?" Ye Chen asked Xu Leiya.

"I found a big hole here" Xu Leiya said that she found a big and quite deep hole.

"It's still quite new" Ye Chen said to Xu Leiya, it's still new and probably around 1 day old.

"You are right, who made it" Xu Leiya wanted to know who made this hole.

"whatever it is, it's probably the one responsible for everything that happened in this place" Ye Chen said to Xu Leiya.

"This hole has collapsed, we can't enter." Fan Fumi saw that it had collapsed and they wouldn't be able to enter.

"No need to search, I didn't find anything in there" Ye Chen said to Fan Fumi, he didn't find anything in there.

"Let's head back first, and forget about hunting, we'd better tell Xing Shenyi about the matter" Ye Chen said to Fan Fumi and Xu Leiya.

"That's right, she's in charge of this place, she should know better than us" Xu Leiya agreed with what Ye Chen said.

"They finally came back and didn't start hunting, it was quite disappointing because they couldn't find any monsters around this place, all the monsters seemed to have disappeared from this forest.

It seems that they were scared and ran away from this forest, what could make these monsters scared and leave this place, Ye Chen was quite curious about this matter.

"let's go back" Ye Chen said to Xu Leiya and Fan Fumi, they came back to tell what happened.

"Even though they've come here" said Fan Fumi in a regretful tone, even though they've come this far, it's a shame they can only turn back now.

"There's nothing for you to get there, that forest dweller is gone, so we better just go back" Ye Chen said to Fan Fumi.

"That's absolutely true" Xu Leiya agreed with what Ye Chen said, she really agreed with what Ye Chen said.

They returned to the place from Xing Shenyi.

"You guys came back, really fast" Xing Shenyi had already recovered her appearance, she was wearing a beautiful and dignified dress.

"actually we didn't find any prey" Ye Chen said that they didn't find any animals and monsters.

"How come, there should be some monsters there" Xing Shenyi said to Ye Chen.

"That's the case, it seems that the monsters and beasts living there fled." Ye Chen said to Xing Shenyi.

"Run away ?" Xing Shenyi was confused when she heard this, she had never heard of this kind of thing.

"actually what happened, please tell me" Xing Shenyi asked Ye Chen, she wanted to know what happened.

Ye Chen started to tell what happened and they met with Xing Shenyi, that way Xing Shenyi could know what happened.

"what happened, this has never happened, I will send people to look and research what happened."
Xing Shenyi directly sent people to observe what happened.

[Chapter 2398 Warning From Nan Rou](#)

Xing Shenyi ordered everyone with experience to see what happened, she wanted the report as soon as possible.

A while later, the report finally arrived, Xing Shenyi read the report with an uncomfortable face.

"What is it?" Fan Fumi asked Xing Shenyi, she knew when something bad happened.

"This is really bad" Xing Shenyi said that this was really bad.

"what is it, just say it" Ye Chen told Xing Shenyi to say it, he wanted to know what happened just now.

"The forest you said is bad enough, the conditions can't be maintained saved, I heard that the forest was absorbed by something and it is being confirmed, besides that there are several points affected, the situation is the same as you said" Xing Shenyi explained to everyone.

"Then we have to find out soon, it would be bad if our forest is destroyed." Fan Fumi said to Xing Shenyi, she didn't want her forest to be destroyed.

"I know what you want, we will send more people" Xing Shenyi sent more people, they must ensure that this doesn't spread, it will be a big problem if this all spreads out, it will be quite a serious problem.

"I will go first, I will bring Fan Yima with me" Xing Shenyi said that she would take Fan Yima with her.

"then we will help too" Ye Chen, Fan Fumi and Xu Leiya will help, they can't let Xing Shenyi work alone,

"let's go" Ye Chen asked Fan Fumi and Xu Leiya to go, they had to figure out the problem.

Xing Shenyi left as well, she just went to take a look herself and make sure everything was safe.

They divided their tasks, it was easier when they divided the tasks they had.

"Yuechan, do you know anything about this matter?" Ye Chen asked Chu Yuechan.

"I don't know, I don't know about this matter, this is definitely a bad thing, the forest in this place has strong essence, if it is absorbed, then there should be someone behind it all, she probably cultivated to become stronger by absorbing the herbs that is in this place.

"I was thinking the same thing, I wonder who is behind all of this" Ye Chen wanted to know who was behind all of this, those behind all of this must be planning something really bad.

Ye Chen's group started the search, they looked for any evidence and information they could find.

.

.

Meanwhile right now there was a flower-like monster that was absorbing trees and all living things around it, this monster had many tentacles that allowed it to absorb existing vegetation, more and more the plants that are absorbed, the more power this monster has.

"Very good, eat a lot, I hope you will soon become strong and take revenge for me." The female elder said to the monster, she regarded this monster as a weapon that could destroy all the elves.

Elder Elf apparently raised a monster that destroyed the elven kingdom in the past, this woman was quite crazy when she wanted to take revenge on all the existing elves.

"stronger, I need your strength to take revenge" this woman said that she needed more strength to take revenge, she wanted to take revenge on those who had seized her property.

This monster absorbs more and more essence in the ground. If it goes on like this, this monster can evolve and become a terrible weapon.

It shouldn't be long before this monster can destroy everything in existence, it's only a matter of time.

.

.

Ye Chen and Xu Leiya went to that place determined, they see that this place is much worse if compared to with those they had previously visited.

"I don't like this situation" Chu Ning'er said to Ye Chen, she didn't like it when she saw the plants here die.

Chu Ning'er loves plants, so it's not strange that she doesn't like it when she sees the plants here die.

"don't you like it ?" Ye Chen said to Chu Ning'er.

"Yes, I don't like it" Chu Ning'er said that she didn't like this.

"You should quickly find out what's going on, I feel that this whole place will turn into a wasteland if you let this continue" Chu Ning'er said to Ye Chen.

"I understand, I will do my best to do it" Ye Chen promised Chu Ning'er, he would do his best to solve the current problem.

"Ye Chen, someone is ahead" Xu Leiya said to Ye Chen, she saw someone was ahead.

Ye Chen and Fan Fumi immediately saw who was in front.

"that woman" Fan Fumi said to Ye Chen.

"She is Nan Rou" Ye Chen said to Fan Fumi.

"what is that woman doing in this place?" Ye Chen wanted to know what Nan Rou was doing in this place.

"what are you doing" Ye Chen asked Nan Rou, she came closer and asked what done by Ye Chen.

"So it's you, what are you doing in this place ?" Nan Rou asked Ye Chen back.

"I should be the one asking you that" Ye Chen said that he should be the one asking Nan Rou.

"I'm hunting someone, it seems like he's the mastermind behind all" Nan Rou said to Ye Chen.

"You know the person behind all this" Fan Fumi asked Nan Rou.

"Um. ., I should have known . ." Nan Rou said that she seemed to know about this matter.

"Who is it tell me, I might be able to help you" Ye Chen asked Nan Rou.

"This should be the elder who ran away, he might be planning something bad, you and Shenyi must be careful, something will happen." Nan Rou said to Ye Chen.

"what do you mean" Ye Chen was still confused, Nan Rou's explanation was quite complicated for Ye Chen.

"Be on guard in the forest, you might find that person I have to go, I have things to do" Nan Rou said that she had to leave this place.

"what happened to you, you are unreasonable" Ye Chen was confused, this woman is really too complicated, Ye Chen didn't know what Nan Rou was thinking.

Nan Rou disappeared, she left this place and left behind Ye Chen, Xu Leiya and Fan Fumi.

"what's wrong with that woman, do you have a problem ?" Xu Leiya said to Ye Chen.

"she likes to stay alone, so there's no need to worry about that matter, the most important thing right now is that we have to guard this place, we just got a hint that we can put to good use" Ye Chen said to Fan Fumi and Xu Leiya, they just just got a very good hint.

"You mean we live in this place" Xu Leiya asked Ye Chen.

"of course, don't you want come ?" Ye Chen asked Xu Leiya.

"then i have no choice" Xu Leiya had no choice but to come with Ye Chen, there was no way she would stay silent and leave Ye Chen.

"okay, Let's set up a tent so we can see everything easily, we should find a high place and scout around this place" Ye Chen said to Xu Leiya and Fan Fumi.

"understood" they understood, they started to build a residence on high ground and started watching around this place.

Ye Chen looked for a good place, he found a high hill and would used to keep an eye on this place.

[Chapter 2399 Build A Hut](#)

"very good, this is a very good place" Ye Chen was satisfied with this place, this position was very good, with this position, it would be very easy for them to get the information they wanted.

pāndā`nove1~coM "This place is very good, what do you think" Xu Leiya asked Ye Chen, she asked whether this place is good or not.

"of course, we can see everything easily, we only need to keep an eye on everything in this place" Ye Chen will be watching this place.

"then let's take turns in guarding this place" Xu Leiya said to Ye Chen, they will take turns in guarding this place, that way it will make it easier to observe.

"I completely agree with what you said" Ye Chen will agree, he has also thought about this.

"then I first, you and Fan Fumi can build a residence" Xu Leiya said

"Alright, I leave this place to you" Ye Chen said to Xu Leiya, he gave this place to Xu Leiya.

"umm . ." Xu Leiya nodded, she will start to guard this place.

"Husband, will you help build a house with me" Fan Fumi asked Ye Chen.

"Of course, I will help you make it" Ye Chen promised, he will help Fan Fumi to build a house, it will be fast when Ye Chen comes along.

"let's start" Ye Chen said to Fan Fumi, he told Fan Fumi to start immediately.

"Come on" Fan Fumi was quite excited, she did this work wholeheartedly and cheerfully,

Fan Fumi's spirit is indeed very great, she has a very good spirit.

Even though they could make a makeshift tent, in reality they were making a small hut that could withstand rain and strong shocks.

"You guys" Xu Leiya was surprised when she saw Ye Chen and Fan Fumi's well-built hut, both of them couldn't hold back when they did something.

"This is very beautiful" Fan Fumi likes the hut they built, even though it's simple, at least it can be used as shelter during the night and when it rains.

"we won't be staying in this place for long shall we" Xu Leiya asked Ye Chen.

"I don't know, I talked to Shenyi just now, he also did the same thing, all the Elves are on guard, so here is our part" Ye Chen said to Xu Leiya.

Xing Shenyi had made everyone do what she said, she told them all to immediately set up the tent and conduct surveillance, no one could be late.

Every few hundred miles, there were groups of elves, as it happened, they would communicate and pass on what they saw and found.

"So it's like that" Xu Leiya seemed to have understood a little, she already understood what they were going to do.

"Then I will stay awake" Xu Leiya said to Ye Chen.

Each person will take about 8 hours, so it should be fine for them.

"This is great fun, I haven't done this in a long time" Fan Fumi said that she had not done this in a long time.

"Did you do this often in the past?" Xu Leiya asked Fan Fumi.

"Of course, I love playing and camping" Fan Fumi said to Ye Chen.

"It's not strange that you're excited, it seems like this is part of your hobby." Xu Leiya now understood, it turned out that this was part of Fan Fumi's hobby.

Xu Leiya rarely did this herself, she rarely did this kind of thing if not under certain circumstances.

Xu Leiya was a goddess and worshiped, she rarely went out because it was too much trouble for her, there would be countless people following her like bees finding the best flowers.

"food is ready, do you guys want it or not ?" Ye Chen said to Xu Leiya and Fan Fumi.

"Of course, I want one." Xu Leiya said that if she wanted, she would like to get one too.panda `nove|com

They took a short break, everyone looked around and were alert, even though they were eating they had to be alert and survey the surroundings of this place.

"hey, why don't you tell me a little about you" Xu Leiya said to Ye Chen, she wanted to hear a little about Ye Chen.

"what do you want from me" Ye Chen asked Xu Leiya

"You know I want to know more about you" Xu Leiya said to Ye Chen, she heard and was inches away from Ye Chen's body.

A woman's sweet scent could easily be smelled when Xu Leiya approached Ye Chen.

"This is really bad, I can't possibly survive if I continue like this" Ye Chen had a hard time resisting Xu Leiya's temptation, this woman used her beauty to lure Ye Chen.

"the past was not so good" Ye Chen said to Xu Leiya, he smiled gently at Xu Leiya.

"what is it I want to listen to it" Xu Leiya said that she wanted to listen to it, she became more and more curious about this matter, she wanted to know what Ye Chen had, what kind of past did Ye Chen have, it made Xu Leiya feel curious.

"If you really insist" because Xu Leiya insisted, Ye Chen told her about what he had.

Xu Leiya listening to what Ye Chen said, when Xu Leiya listened to what Ye Chen said, Xu Leiya almost fell down.

"Whatt ! ! ! " Xu Leiya almost fell over when he listened to the story that belonged to Ye Chen, it was quite hard to believe Ye Chen's words.

"what's wrong with you" Ye Chen asked Xu Leiya, she seemed to be very surprised by Ye Chen's story.

"are you a monster, to be this strong in just 3 years, that's quite crazy" Xu Leiya said to Ye Chen.

The reason Xu Leiya was surprised was Ye Chen's strength to be able to get to this point, it was quite difficult to imagine Ye Chen getting to this point in just 3 years.

"There are many people who support me, of course I can get to this point" Ye Chen said that there are many people who support me, that's why he can get to this point.

"so it is" said Xu Leiya to Ye Chen.

"Even so I still can't accept this, it just took me a long time to get to this point." To be honest, Xu Leiya still couldn't accept this, it was quite difficult for Xu Leiya to accept it easily.

Ye Chen smiled when he saw Xu Leiya, he could tell that Xu Leiya was shocked and couldn't accept this.

The heart quickly darkened, now it was Fan Fumi's turn to stay stand guard.

"Thank you for your hard work, now I will stay stand guard" said Fan Fumi to Xu Leiya.

"Finally, then I'll leave it here to you, be sure to have a look around this place, don't be missed." Xu Leiya said to Fan Fumi.

"I understand, I will do it" Fan Fumi will do it, she will directly call Xu Leiya if anything bad happens.

After changing places with Fan Fumi, Xu Leiya walked straight into the hut, she saw Ye Chen sleeping studying important matters.

"it seems you are quite busy, what are you reading" Xu Leiya said to Ye Chen.

"only read what I found, nothing more" Ye Chen informed that he read what he found in the Elf library.

"I didn't expect that the situation would turn out like this" Xu Leiya said to Ye Chen.

"Sorry that I got you into such a troublesome matter" Ye Chen apologized to Xu Leiya, he got Xu Leiya involved in his troubles.

I don't mind this one bit, Xu Leiya said that she didn't mind this one at all.

On the contrary, she felt happy when she was with Ye Chen, she felt happy and happy when she was with Ye Chen, this kind of feeling Xu Leiya had never felt from another man, where another man would pamper Xu Leiya and take good care of Xu Leiya.

Even though their encounter was still brief, Xu Leiya was sure of this feeling and enjoyed it.

"Time to rest, Fan Fumi is also on guard, we'll leave it to him" Ye Chen said to Xu Leiya.

Ye Chen had complete confidence in Fan Fumi, Fan Fumi could take care of everything well.

Previously Fan Fumi had had enough rest, now he seemed to be overly excited.

Xu Leiya understood, she lay down next to Ye Chen and started to sleep.

This place wasn't very big and there was only one bed in it, so the three of them had to share.

There's no problem with this, they're used to it all and don't really mind things like this.

Ye Chen started to close his eyes, he slept while feeling Xu Leiya's presence beside him.

Xu Leiya looked at Ye Chen, she felt quite nervous when she was together with Ye Chen, this feeling of nervousness was too much fun and made Xu Leiya's face turn red.

"Oh my, what happened to me, I feel very strange" Xu Leiya felt strange, she felt strange when she was with Ye Chen in such close proximity.

They were too close, it was like lovers sleeping in the same bed, under normal circumstances Ye Chen would do something strange to Xu Leiya.

"strange kid" Xu Leiya said to Ye Chen, she felt that Ye Chen was a strange man.

Xu Leiya lowered herself for Ye Chen, to be honest she had never done this kind of thing, this was the first time Xu Leiya had done this.

Xu Leiya observed Ye Chen, the more she observed Ye Chen, the more she smiled beautifully.

"Hehehehe" Xu Leiya smiled, she really looked weird when she did this.

Ye Chen slept, he rested very peacefully and didn't really care about Xu Leiya.

Ye Chen didn't feel any malicious intent from Xu Leiya, so Ye Chen could rest assured that Xu Leiya wouldn't do anything bad.

"I want to tease him" Xu Leiya said that she wanted to tease Ye Chen, the more he was with Ye Chen, the more he wanted to tease Ye Chen.

Xu Leiya had restrained herself enough, now was the time to tease Ye Chen who was in front of her.

"Let's think about what I can do." Xu Leiya thought for a while, she wanted to see what she could do in this situation.

Ye Chen was different from the men Xu Leiya had met, so Xu Leiya had to use other means to make Ye Chen fall into temptation.

"I understand, I'll start" after thinking for a while, Xu Leiya knew what to do, she already knew what to do in this kind of situation.

Xu Leiya moved closer towards Ye Chen, she hugged Ye Chen who was next to her, Xu Leiya was like she was hugging the best doll in this world.

"Ah, this is so comfortable" Xu Leiya felt very comfortable, she felt very comfortable when she was with Ye Chen.

Ye Chen woke up easily when he felt Xu Leiya hugging him.

"what is this woman planning?" Ye Chen wanted to know what Xu Leiya was planning.

Xu Leiya clung tighter to Ye Chen, her two double peaks easily teased Ye Chen, she was too close and made Ye Chen hot.

"So cute, I want to hug him more" Xu Leiya decided to hug Ye Chen more, she wanted to make Ye Chen her own.

Xu Leiya used her finger to touch Ye Chen, she used a finger to touch Ye Chen's face.

"You haven't slept have you" Xu Leiya asked Ye Chen, she knew that Ye Chen still didn't sleep.

"Don't tempt me" Ye Chen said to Xu Leiya. [panda`nove | com](#)

"what, are you excited" Xu Leiya asked Ye Chen.

"Don't ask about that" Ye Chen said to Xu Leiya.

"Fufufufu, so cute" Xu Leiya smiled, she could see that Ye Chen was too cute, she liked the Ye Chen who she is now.

"I won't be able to rest if you keep teasing me" Ye Chen said to Xu Leiya, he wouldn't be able to rest when Xu Leiya kept teasing him.

"are you embarrassed" Xu Leiya said to Ye Chen.

Ye Chen looked at Xu Leiya, this woman was indeed a natural flirt, she teased Ye Chen and played with Ye Chen, it was like Ye Chen was a toy.

"Okay, time to teach a little lesson" this was really the right time, he would teach Xu Leiya a proper lesson.

Ye Chen stretched out his hand towards Xu Leiya, he immediately restrained Xu Leiya from escaping.

[panda`nove1`coM](#) "what are you doing" Xu Leiya asked Ye Chen, she wanted to know what Ye Chen would do.

"What do you think I will do" Ye Chen asked Xu Leiya.

Ye Chen smiled evilly, he seemed to be enjoying himself teasing Xu Leiya.

"time for revenge" This was the perfect time, Ye Chen was going to take revenge on Xu Leiya.

"do not do this, Fan Fumi in outside" Xu Leiya said to Ye Chen.

she told him that Fan Fumi was still out there and she might be able to find Ye Chen.

"Do you think I care, if she finds us, that won't change" Ye Chen said to Xu Leiya.

"you" Xu Leiya was shocked when she heard what was said by Ye Chen.

"You always tease me, then it's my turn to tease you, so be prepared" Ye Chen said to Xu Leiya.

Ye Chen will show his own ability, it shouldn't be difficult to beat Xu Leiya.

Xu Leiya saw Ye Chen, she felt bad as she looked towards Ye Chen.

Ye Chen reached out towards Xu Leiya, he touched Xu Leiya's pretty face.

"If you look closely, you are very beautiful" Ye Chen said to Xu Leiya.

"huh?" Xu Leiya was taken aback by Ye Chen's words, her face turning red when she heard what Ye Chen said.

Even though this compliment was very simple, Xu Leiya could feel that Ye Chen was telling the truth.

"This is too bad, I can't put up a fight" Xu Leiya couldn't fight back, she felt so weak when she was with Ye Chen.

"are you embarrassed, so beautiful" Ye Chen said to Xu Leiya, he earned a point in teasing Xu Leiya.

"Ahhh, you're teasing me" Xu Leiya finally realized that Ye Chen was teasing her.

"hehehe, that's really true" Ye Chen said that he was indeed teasing Xu Leiya.

"how can you do that ?" Xu Leiya said to Ye Chen.

"I'm just taking revenge, and this time I won't let go of you" Ye Chen won't let go of Xu Leiya, this is the time.

Ye Chen's hand started to touch Xu Leiya's body, when Ye Chen's touch walked on her body, Xu Leiya felt a very strange and unreasonable feeling.

"Ohhh, what's going on, it's so comfortable" Xu Leiya's body trembled, this feeling was too comfortable for Xu Leiya.
