

True God 2408

Chapter 2408 Gave A New Identity While In The Demon God Realm

After they found out where Dongfang Xong was, the two went straight to Dongfang Xong's place.

"Dad, I brought him" Dongfang Xiu said to Dongfang Xong.

"um. ." Dongfang Xong nodded, he looked at Ye Chen who appeared in front of him.

"Sit down" Dongfang Xong gave permission to sit down.

Dongfang Xiu pulled Ye Chen to sit down, he protected Ye Chen very well from his father.

"This is the first time we have met informally" Dongfang Xong said to Ye Chen.

"That's right, this is the first time I've met my father-in-law formally" Ye Chen replied to Dongfang Xong.

"You're pretty brave to say that, after you took my daughter by force" Dongfang Xong said to Ye Chen.

"Dad, don't talk about it anymore, didn't I tell you not to talk about it anymore?" Dongfang Xiu was angry and upset when Dongfang Xong brought up the matter again.

Dongfang Xiu gave Dongfang Xong a sharp look, this of course put Dongfang Xong into serious trouble.

"I understand" Dongfang Xong understood, he would no longer discuss this matter.

Ye Chen smiled when he listened to this, this was quite funny when he saw Dongfang Xong being afraid of Dongfang Xiu.

"Let's get back to the main discussion, I heard that you are going to the Demon God Realm, are you sure about that?" Dongfang Xong asked Ye Chen.

"Yes, that's right" Ye Chen told her that he wanted to go.

"Are you sure about that, that place is not an easy place to go, the spies I have have a hard time living there because it is too harsh even God Realm cannot compare to that place" Dongfang Xong said to Ye Chen.

"Is that place really so terrible?" Ye Chen asked.

"Of course, the turmoil in that place is more frequent compared to the God Realm, killing and fighting are commonplace there and even more intense, there will be over a thousand large families that will be wiped out due to fighting" Dongfang Xong told Ye Chen.

Compared to the God Realm where battles are less frequent and the number of large families destroyed by battles might only be dozens in a day, that number obviously has a huge difference.

"Even a small friction can create an interstellar war" Dongfang Xong told Ye Chen.

Ye Chen gained some understanding from Dongfang Xong.

"So that place is indeed terrible" Ye Chen said to Dongfang Xong.

"um, to be honest I don't want you to go there, because you will get into trouble there" Dongfang Xong said to Ye Chen.

"thanks for the warning, but I have to go, I can't allow this problem, because it could threaten us, I have to stop that madman" Ye Chen said in a serious tone.

"I understand the situation you have, if that is indeed the case, then it is indeed dangerous and could possibly make the God Realm we know crumble and we might end up becoming their slaves" Dongfang Xong agreed with what Ye Chen said.

"can you take me in" Ye Chen asked, he wanted to know if Dongfang Xong could take him in.

"Of course, I have a spy there, I can do that for you" Dongfang Xong said that he could help Ye Chen.

"But you have to be careful, I don't know the situation there for sure, it could be that the spies I have can't guarantee the safety you have, the movements I have are limited" Dongfang Xong said.

"No problem, as long as you can take me in, I will handle everything by myself" Ye Chen said to Dongfang Xong.

"You should know that if we as cultivators enter their territory, then our strength will be weakened, you might be strong now, but after you enter, your strength will be weakened" Dongfang Xong said.

"I have already calculated everything that might happen, as long as there are no powerful monsters that I encounter, I should be able to rest easy" Ye Chen had already calculated what could happen when he went to the Demon God Realm.

"okay, then I will contact that person, prepare yourself, you can leave tomorrow" Dongfang Xong said to Ye Chen, he left leaving Ye Chen and Dongfang Xiu.

Ye Chen and Dongfang Xiu were left inside this place alone.

"Are you really going to go alone?" Dongfang Xiu asked Ye Chen.

"Of course, I will go alone" Ye Chen replied.

"Aren't you going to take me along with you" Dongfang Xiu asked Ye Chen.

"I won't be able to do that" Ye Chen told her that he wouldn't be able to do that.

"Why?" asked Dongfang Xiu.

"Because it could harm you" Ye Chen told her that it could harm Dongfang Xiu.

"I'm already strong enough" Dongfang Xiu told Ye Chen, Dongfang Xiu was confident in her strength.

"It's not like that, with the beauty you have, it will make them chase you, it will make me even more troublesome because I have to take care of you, I can't possibly let my beautiful wife be stolen" Ye Chen told Dongfang Xiu.

Dongfang Xiu's face turned red as she listened to Ye Chen's words, Ye Chen clearly wanted to protect Dongfang Xiu, that's why he didn't want Dongfang Xiu to come along.

"You are very kind" Dongfang Xiu said to Ye Chen, she told Ye Chen that Ye Chen was very kind.

"Of course" Ye Chen thought about Dongfang Xiu, he thought all about Dongfang Xiu.

Dongfang Xiu leaned her body towards Ye Chen, she immediately hugged Ye Chen who was in front of her.

Ye Chen caught Dongfang Xiu's body, he hugged Dongfang Xiu into his arms.

"I understand, I believe in you" Dongfang Xiu said that she believed in Ye Chen.

The two embraced for a while before someone entered the roar, a woman walked in.

"uh. ." when this woman came in, she was surprised to see Ye Chen and Dongfang Xiu hugging, it was very awkward to see the two hugging.

Seeing this, Dongfang Xiu immediately pushed Ye Chen away and restored her dignified goddess appearance.

"What's wrong?" Dongfang Xiu asked, she wanted to know what happened.

"Master sent me to show you this, I have some identities that you can wear when you are in the Demon God Realm, please choose for yourself".

This woman gave a document to Ye Chen, inside the paper were some names and faces that were unfamiliar to Ye Chen.

"All those in that place you can choose, they are people who have been forgotten and are not very important, you can use their identities" she told Ye Chen.

Ye Chen looked more clearly, all of them looked very ordinary and came from a very low background.

"They are all characters that people don't care about, is that right" Dongfang Xiu asked.

"Of course, taking on their identities will be easy to do, so don't be shy anymore" she told him not to be shy.

Ye Chen looked for a while before deciding what identity he should take.

"This seems very interesting" Ye Chen said that he found one that was not too flashy.

Dongfang Xiu looked at what Ye Chen took.

"A servant in a top ranked Sect, not too famous and flashy, plus he looks gloomy" Dongfang Xiu told Ye Chen.

"It fits perfectly, it's easy to sneak around with that kind of appearance, after all the height and body shape is quite the same as mine, I just need to change the hair shape a little and it won't be discovered".

"You are absolutely right." On closer inspection, this person had the same stature as Ye Chen, or it could be said that it was very similar to Ye Chen's body shape.
