### Chapter 2413 Yao Auiy Looks For Trouble On Ye Chen

"Those women are very seductive, they are truly beauties" Dong Limo and Tai Pile said deliriously.

"What are you saying?" Ye Chen asked Dong Limo and Tai Pile, both of them looked bad and they seemed to be on the verge of losing their lives.

"Master, it looks like someone is sucking them in" Chu Yuechan said to Ye Chen.

"No way, they always avoid trouble, how could they look for trouble with the women in the Sect, they would obviously be ruined if they did that" Ye Chen said.

Dong Limo and Tai Pile seemed to avoid trouble just like the old body owners did, so it was impossible for them to be with women in the Sect until like.

"Unless, they were forced to do so" Ye Chen thought of one thing that might happen where they were forced to do so.

"That's it, most likely they were forced" Chu Yuechan agreed with what Ye Chen said, most likely both of them were forced.

"But who forced them" Ye Chen wanted to know who forced them.

Since the conditions of Dong Limo and Tai Pile were bad, Ye Chen helped them, he used pills to restore them.

With the help given by Ye Chen to Dong Limo and Tai Pile, the condition of Dong Limo and Tai Pile started to improve.

"What happened to you guys" Ye Chen asked Dong Limo and Tai Pile.

"We were forced by those cruel women to tell about what happened before" Dong Limo and Tai Pile told him what they had done.

"What happened before, what do you mean?" Ye Chen asked Dong Limo and Tai Pile.

"It's a matter that previously happened between you and Shan Fin, those women wanted to dig up information about you" Tai Pile told Ye Chen.

"oh, so it's about Shan Fin" Ye Chen understood, it seemed like their goal was Ye Chen.

"Your friend should leave quickly, otherwise you won't be able to see the sun again, tomorrow they will definitely eat you" Dong Limo said to Ye Chen.

Dong Limo gave Ye Chen a warning, she persuaded Ye Chen to run away, otherwise there was no chance for Ye Chen to survive the women inside the Sect.

"Calm down, everything will be fine" Ye Chen assured Dong Limo and Tai pile.

As roommates, we already gave you a warning, you should listen to us, this is different from Shan Fin, they are much stronger and more terrible than Shan Fin.

Where they can crush you easily if they are embarrassed, plus their methods are quite horrible and delicious at the same time.

"I won't leave this place, I still have business" Ye Chen said to Dong Limo and Tai pile.

"Are you really not afraid, you will face cruelty that you have never felt" Dong Limo and Tai pile said to Ye Chen.

The two persuaded Ye Chen, Ye Chen still had time to leave this place.

"Already hurry up and sleep and don't waste words, rest because you guys lost quite a lot of Yang Qi" Ye Chen said to Dong Limo and Tai pile

"You . . ." Dong Limo and Tai pile were helpless, they could not persuade Ye Chen, they did not know what would happen to Ye Chen from now on.

"There will be a group of girls who want to find trouble with master, it looks like they will fall" Chu Yuechan couldn't wait to see what happened, this place seemed to be much more fun than she imagined.

The women here are more aggressive than Chu Yuechan imagined, from Lu Hanna to the women in the Sect, they are too aggressive against men.

Ye Chen closed his eyes, he thought of Lu Hanna who he met earlier, he felt that she was strange and unreasonable, she must be hiding something from Ye Chen.

"I wonder what that woman is hiding, she seems to have quite a lot to hide" Ye Chen felt that Lu Hanna had quite a lot to hide.

Ye Chen kept thinking about Lu Hanna, he should probably look up a bit about Lu Hanna.

The next morning finally came, Ye Chen woke up and went straight to the courtyard, he cleaned up the courtyard with his work.

"There is quite a lot of trash today" Ye Chen saw quite a lot of piles of trash, this was much more compared to before.

Ye Chen used his power to destroy the trash, he destroyed the pile of trash very quickly and made the yard cleaner.

"Very good, it looks like it's quite clean, my job seems to be done" Ye Chen's job was done, he had made this place very clean.

"Hey you useless guy, there is still trash in this place" a woman appeared in front of Ye Chen, she lightly threw the trash in front of Ye Chen.

Seen from anywhere, this is a woman with a sexy and seductive body, from the dress and clothes alone it can be seen that the woman in front of her is very open.

"What's wrong, why are you littering" Ye Chen said to the woman in front of him.

"It's up to me to litter, do you have a problem with that" this woman said to Ye Chen.

"Not really, I just wanted to give you a warning" Ye Chen said that he just wanted to give a warning.

"I don't need your warning" this woman said that she didn't need Ye Chen's warning.

"hey, look over there, there seems to be an interesting show over there" People approached, they saw a quite interesting show between Ye Chen and the sexy woman in front.

"Isn't she Yao Auiy, the most influential woman in the outer court, what is she doing with a waitress, what is she doing with the trash in front" People looked at Ye Chen, their eyes were like they were watching the trash.

Ye Chen attracted attention around, even though he didn't want to attract too much attention.

"There seems to be no way but to give in" Ye Chen had no way but to give in.

Ye Chen picked up the trash that was in front of Yao Auiy, at least this would make them leave.

When Ye Chen was about to pick up the trash in front of Yao Auiy, Yao Auiy used her foot to step on Ye Chen's hand.

"Sorry, I guess I didn't mean to" Yao Auiy said to Ye Chen, she looked very arrogant when she said that to Ye Chen.

"What a troublesome woman" Ye Chen felt troublesome when he had to face an evil woman like Yao Auiy.

"Please let me go" Ye Chen said to Yao Auiy.

"I will let you go if you lick my feet" Yao Auiy said to Ye Chen, she told Ye Chen to lick her feet.

"ohh. . ." everyone was excited when they saw this, it was an interesting sight to see.

If Ye Chen did that then he would get hostility from the men around, meanwhile if he refused, then Yao Auiy would get angry and would probably slap Ye Chen to death.

Yao Auiy acted quite ruthlessly, she closed the escape route that Ye Chen had, she wouldn't let Ye Chen leave.

Ye Chen looked at Yao Auiy who was in front of him, this woman's strength was at most only at the early stage of the Divine Rebirth Realm, it was not something great and Ye Chen should be able to handle it easily.

"since she is looking for trouble, let's play, it's been a long time since I played with a naughty woman" Ye Chen decided to join the game, he would not let Yao Auiy go.
