

True God 2421

Chapter 2421 Xun Zhilin Hidden Identity

"All of you, listen to my orders right now" Ye Chen said to everyone present.

They all looked at Ye Chen, Ye Chen was standing in front of everyone.

"What happened?" everyone asked Ye Chen, they wanted to know what Ye Chen was doing.

"I have defeated your leader, from now on you will listen to what I say" Ye Chen said to everyone in this place.

"Why should we listen to you" one of the people refused to listen to Ye Chen.

Ye Chen stared at the person who tried to resist him, with a very strong pressure, the person fell to the ground and started to pee his pants.

Ye Chen wasn't going to hold back anymore, he didn't like this place and started using his strength.

"I have something to say to all of you, so listen carefully" Ye Chen said that he was going to say something and told everyone to listen to what he had to say.

"First of all, I don't like to see how you guys are bullying others, so from now on you can't act freely because of your status, otherwise you will get into trouble" Ye Chen told that he wouldn't let people bully the weak.

Everyone was silent as they listened to what Ye Chen said, to be honest they were now completely defeated and could only listen to Ye Chen's orders.

"Secondly, I will give everyone a task, and will give a huge amount of Divine Rainbow Crystal change reward, all you need to do is find this person for me and you will get a huge reward" Ye Chen took out a full bag of Divine Rainbow Crystal.

"What?" everyone was naturally shocked when they saw what Ye Chen had just taken out, they couldn't believe the reward Ye Chen was about to give.

"Do we have to catch that person for the reward?" one of the Sect members asked Ye Chen.

"No need, you just need to find this person's whereabouts and hiding place, I will deal with him myself, you are not the opponent of this person" Ye Chen said to all Demon Beast Sect Members.

"Understood" Everyone understood, they were all familiar with their tasks.

Ye Chen only needed information, it was unexpected that Ye Chen would give such a gift, it seemed that Ye Chen was too kind.

Ye Chen succeeded, he successfully used these people to search for the whereabouts of Mo Xi.

"You will definitely come to your senses with this, and start hiding, that is an advantage for me" Mo Xi might not dare to come out for a while, Ye Chen had made a mission for the sect members and they would search every corner to find the whereabouts of Mo Xi.

Ye Chen completely changed his way of playing, he decided to use the fastest way available, even though he might be discovered, it didn't matter.

"Master, what is your real plan?" Chu Yuechan asked Ye Chen, she wanted to know the plan Ye Chen had.

"Yuechan, after this there will definitely be many strong people coming, they might know, that's why I'm doing this to invite them all here" Ye Chen started to explain his purpose.

"You want to expand your range?" Chu Yuechan said to Ye Chen.

"Of course, with the clone I made, there are still no signs and I might run out of time, so it's better to use those with high positions to help me find her" Ye Chen said to Chu Yuechan.

"Your idea is pretty good, but there might be a lot of trouble coming" Chu Yuechan said to Ye Chen.

"I know about it too" Ye Chen knew about it, he knew that there would be a lot of trouble.

"You can leave" Ye Chen said to everyone in this place, he told them all to leave and start searching.

"I will start looking for it" everyone left, even the Elder was attracted by the gift given by Ye Chen, with such a gift, they could buy resources and increase their strength all in a short time.

After Ye Chen gave the order, he left, he decided to find a suitable place, he would probably use the best inn, he didn't like staying in the Sect.

When Ye Chen left, an eye stared through Ye Chen, she was Xun Zhilin, she looked at Ye Chen who had just left.

"strange and unreasonable person" Xun Zhilin felt that Ye Chen was an unreasonable person, even Xun Zhilin didn't understand about Ye Chen.

"You guys hurry back" all the elders said to the existing disciples, he told them to go back if they didn't want to take the given mission.

Xun Zhilin wasn't too interested, she still had quite a few stashes, so she wasn't too interested in Ye Chen's.

Xun Zhilin returned to her place along with the woman behind her, meanwhile the master of Xun Zhilin had already left to look for the information Ye Chen wanted.

Xun Zhilin walked into her room, when she walked in she saw that someone was in her room.

A woman appeared in her room and drank tea in a graceful manner.

"What are you doing here, is there anything needed?" Xun Zhilin asked, her tone of voice seeming very serious.

Xun Zhilin seemed to have a special attachment to this person in front of her, if this woman in front of her appeared, then she would get a mission from that woman.

"There is a task from the empress for you" This woman informed that they had a task from the lord.

"What task is that?" Xun Zhilin looked very excited, it had been a long time since she had received an assignment, to be honest she was tired of staying in this place and not receiving assignments for a long time, that's why when talking about assignments, Xun Zhilin was very excited.

"The task is to watch someone and find information" the woman in front told Xun Zhilin.

"Watching someone?" Xun Zhilin was getting more and more interested, she was quite curious about who she had to keep an eye on.

"Here you go" she sent a stone to Xun Zhilin.

Xun Zhilin accepted the object given to her by the woman in front of her.

"It's all in there" she told Xun Zhilin, all the information needed was in there.

"I understand" Xun Zhilin understood, she would do her best to do what was needed.

"I've delivered everything you need, I have to go" the woman in front stood up, she left Xun Zhilin's place.

Xun Zhilin was left alone with the imaging stone in her hand.

"Who should I keep an eye on" Xun Zhilin used her little finger and started to open the stone in her hand.

A piece of information appeared before Xun Zhilin's eyes.

"Ehh. ., he. . . ?, why him?" Xun Zhilin could not believe that this was that person.

"What happened, why, why did he attract the attention of such a person, what exactly happened?" Xun Zhilin wanted to know, she was curious about what happened.

Xun Zhilin remembered the previous incident, where she saw Ye Chen use his power, and it was very powerful.

"What kind of person are you ?" Xun Zhilin muttered lightly, she looked towards the figure in front of her.

And the figure in front of her was Ye Chen who was creating chaos within the Sect.

She had a special task to find information and keep an eye on Ye Chen.

This was not an easy task to do, Xun Zhilin didn't know whether she could do this or not.

Even so she had to do it, because this was the task assigned to her.
