Chapter 2423 Walking Together With Xun Zhilin

Ye Chen looked at Xun Zhilin, he saw Xun Zhilin who was quite the beauty among the women Ye Chen met in this place.

Ye Chen stretched out his hand towards Xun Zhilin.

"what do you mean by that, others might misunderstand what you said" Ye Chen said to Xun Zhilin.

When Ye Chen touched her, Xun Zhilin became uncomfortable, she was somehow embarrassed by what was done Ye Chen.

"what happened to me ?" Xun Zhilin felt strange, for some reason she became very embarrassed when she looked straight at Ye Chen, where this had never happened and had never been experienced by Xun Zhilin.

Ye Chen was a little curious about Xun Zhilin, that's why he used his enchantment ability to see what Xun Zhilin was doing.

"so what do you want ?" Ye Chen asked Xun Zhilin.

Xun Zhilin turned her head away from Ye Chen, for some reason she couldn't see Ye Chen directly.

"I asked you, why didn't you answer ?" Ye Chen said to Xun Zhilin, he told Xun Zhilin to answer.

"I . ." Xun Zhilin was in a dilemma, she couldn't hold on and fight Ye Chen, obviously she wasn't Ye Chen's opponent, she couldn't even escape because Ye Chen was holding himself back.

"what should I do ?" Xun Zhilin started to think, right now she was just like a rabbit that had walked into a wolf's den.

"let's just tell me" Ye Chen whispered into Xun Zhilin's ear, he made Xun Zhilin's body tremble.

"ahhh . . , this is ? ? ?" the sensation that was given by Ye Chen was very great, she felt a comfortable feeling from Ye Chen.

"I just came to find out for you, nothing more" Xun Zhilin said to Ye Chen, her goal was to seek information from Ye Chen.

"Is that all?" Ye Chen asked Xun Zhilin.

"Yes, I don't have anything bad" Xun Zhilin said to Ye Chen.

Xun Zhilin told Ye Chen the truth.

"then what about the information I need" Ye Chen asked Xun Zhilin.

"I have quite a bit of information, but it's not in this territory" Xun Zhilin said to Ye Chen.

"where is it" Ye Chen asked Xun Zhilin.

"It's in the northern region, and that region is in chaos due to a struggle power among the highest ministers" Xun Zhilin said to Ye Chen.

"that is the safest place to hide" Xun Zhilin said to Ye Chen.

"A chaotic place huh" Ye Chen thought for a while, it was true what Xun Zhilin said was true, the safest place was a chaotic place, because it was easy to hide there.

"thank you very much, you gave very useful information" Ye Chen said to Xun Zhilin, she gave information to Ye Chen.

Ye Chen decided to send some Clones over there, he might get some information there.

After Ye Chen got the information from Xun Zhilin, he released Xun Zhilin.

Xun Zhilin fell when Ye Chen let go of her body, she felt weak when she came into contact with Ye Chen.

"Are you okay?" Ye Chen asked Xun Zhilin.

"isn't this your fault" Xun Zhilin said to Ye Chen, everything was Ye Chen's fault.

"hahahaha" Ye Chen laughed as he heard what was is Xun Zhilin said.

Ye Chen stretched out his hand towards Xun Zhilin.

"Oh . . ." Xun Zhilin received a helping hand from Ye Chen, he felt that Ye Chen was very kind.

"terrible, he is too good" Xun Zhilin couldn't stand it, Ye Chen was too kind, he couldn't possibly survive at this rate.

Although Ye Chen didn't really look if seen from the front, he was still a splendid man.

Ye Chen managed to get an important piece of information from Xun Zhilin.

He will make good use of this and will spare nothing given by Xun Zhilin.

"maybe I'll go out for a while" Ye Chen decided to leave for a while.

"I'm coming" Xun Zhilin said that she wanted to come, she wanted to come with Ye Chen.

"Okay" Ye Chen let Xun Zhilin come along, he went out with Xun Zhilin.

Ye Chen and Xun Zhilin walked in the city. When they walked in the city, several eyes looked towards Xun Zhilin.

They seemed interested in Xun Zhilin, which was only natural because Xun Zhilin was beautiful, she naturally attracted the attention of quite a few people in this place.

"You're quite popular" Ye Chen said to Xun Zhilin.

"Not really, I rarely go out if I don't have important business." Xun Zhilin said that she rarely went out and was not very popular.

"Is that, so you spend some time in the Sect" Ye Chen asked Xun Zhilin.

"Of course, I spent part of my time training in the Sect, it was all to increase my strength," said Xun Zhilin.

"I think you are strong enough now" Ye Chen said to Xun Zhilin.

"Ehhh? ? ?" Xun Zhilin was quite surprised when she heard Ye Chen's words.

"does he see through my strength, but I hide strength well" Xun Zhilin hides strength well, so should it won't found by Ye Chen.

Xun Zhilin started to think hard, he started looking at Ye Chen with a confused and questioning look.

Xun Zhilin thought hard enough, he wanted to know if Ye Chen already knew who he was, maybe Ye Chen already knew who Xun Zhilin was.

"Pretty lady over there, do you want to come with us?" A group of drunken people came towards Xun Zhilin, they asked Xun Zhilin to come with them.

"No, I don't want to go with you." Xun Zhilin said that if she didn't want to go, she refused to go with these people.

"Come on, come with us, you won't regret coming with us" they said to Xun Zhilin, they told her that Xun Zhilin would not regret coming with them.

"Can't you see that I'm already with someone" Xun Zhilin said in an irritated tone, she said that she was already with Ye Chen and that no one should interfere.

"So arrogant, don't you know who I am, I already gave you face and you didn't take it, you are looking for trouble with us" the group in front started getting angry, they started getting angry with whatdone oleh Xun Zhilin.

Xun Zhilin didn't really care about these matters, she ignored them and walked over together with Ye Chen.

"I said stop right now" this person stopped Xun Zhilin, they didn't let Xun Zhilin go.

"Get out of my way" Xun Zhilin ordered them to get out of my way, she didn't want to find trouble with these people.

"Why if we don't want to step aside, what can you do to us" the group of thugs said to Xun Zhilin.

"I . . ."

"If you don't get out of the way, I will kick you out." Ye Chen said to the people in front of him, if they didn't get out of Ye Chen's way, Ye Chen would blow them away.

"Ye Chen doesn't like being disturbed, he doesn't like it when they bully him and Xun Zhilin.

"Huh?, what did you say?" The group of thugs were angry at Ye Chen, they stared at Ye Chen with a powerful and terrifying killing gaze.

They started to attack Ye Chen, they launched punches and kicks towards Ye Chen.

Ye Chen, using his legs to block the attack launched by the opponent, using his feet, Ye Chen resisted the enemy's attack and made the thugs in front of him injured and broke their legs and arms.
