

True God 2427

Chapter 2427 Immortal Slayer

"it's ready" Ye Chen said to Chu Yuechan.

"Of course, I'm ready" Chu Yuechan told Ye Chen, she was ready to do it.

the two of them immediately stepped forward and smashed the door using his strength.

With just one wave of his hand, Ye Chen managed to destroy the door that was in front of him.

Chu Yuechan immediately stepped inside, after which Ye Chen immediately followed behind her.

"damn it, they barged in, kill them quickly" they directly attacked Ye Chen and Chu Yuechan.

Ye Chen stepped forward, he used shadow steps to trick the enemy and Chu Yuechan took advantage of this opportunity to instantly grab the object in the enemy's hands.

"he got it, quickly go and take it back" they cooperated to take it from Chu Yuechan's hands.

"I won't let it" Ye Chen said that he would not let them get close to Chu Yuechan.

"I already got it, after that it's up to you" Chu Yuechan said to Ye Chen.

"I will take care of them" Ye Chen told that he would take care of them.

"quickly get out of our way" They told Ye Chen to get out of the way.

"Where did you get this thing from, and who wants it?" Ye Chen asked the group of thieves.

"You don't need to know about it, quickly hand over that thing to us, it is an important item and belongs to an important person, if you still care about your life, then hand it over right now" the group of thieves said to Ye Chen.

"oh so, tell me who it is" Ye Chen had to get information from them, it would be very useful.

"Then I will immobilize them and get all the information from them.

get information from us you are dreaming too much we will kill you right now they take out guns full of poison

"kill him right now" they attacked Ye Chen, they threw their weapons and started targeting Ye Chen's body using sharp and very poisoned weapons.

As long as Ye Chen was exposed to poison, then everything would end quickly.

They attacked using well-coordinated attacks, they closed any gaps Ye Chen had to escape.

"Is that so, you guys are really skilled, it seems you guys aren't ordinary people" Ye Chen finally realized that they were professionals, they were even better compared to the bandits.

It's not strange that they can get the Infinity power stone, it's because they are able to steal and get it.

Ye Chen used the Invisible Body Art, all of the attacks penetrated Ye Chen's body, none of the attacks were able to penetrate Ye Chen's body, because Ye Chen's body could not be touched.

"clang . . ." The weapons all clashed and lay on the ground.

"what, how come ?" they didn't understand, those weapons should be able to hit Ye Chen's body, but in reality their weapons were unable to hit Ye Chen's body and instead collided with each other.

"Bamm. . ." Ye Chen came forward and hit one of the people, with one punch, Ye Chen crippled one of them.

"what, how come" they didn't see Ye Chen's movement, without them realizing that one of them had been successfully paralyzed by Ye Chen.

"what happened?" they didn't understand, they didn't understand when fighting Ye Chen.

"You guys better focus on your enemies" Ye Chen appeared behind them and started kicking them both with his two legs.

they didn't notice the arrival of Ye Chen's attack, it was too fast for both of them.

"Damn it, what happened, I didn't see the attack coming" They didn't see the arrival of the attack just now, they only knew that their bones were broken by Ye Chen's attack.

"now you guys are mine, I will make sure that you guys will say everything" Ye Chen said that he would make sure that they would say everything.

"Boom. . ." An explosion occurred outside.

"what's going on outside" Ye Chen wants to know what's going on outside, it seems that someone is fighting outside.

"this strength, Yuechan is fighting" Ye Chen saw Chu Yuechan was fighting, who was his opponent.

Ye Chen wanted to know who was Chu Yuechan's opponent, this person was brave enough to be Chu Yuechan's opponent.

Ye Chen looked outside, when he came out, he found Chu Yuechan fighting with a person wearing a black robe.

He has the power of darkness which is very terrible, this power has made the whole city frightened and fainted.

"who's that ?" Ye Chen felt a dangerous feeling from this person, what was the identity of the person behind the cloak and also that hideous mask.

"who are you ?" Chu Yuechan asked, she felt a threat from the person in front of her.

The strength of the person in front of her might not be strong and had not even reached the realm of the immortals, what made this person terrible was that he possessed an immortal slayer technique, which was a high-level technique that ignored cultivation level.

"This kind of technique, it's really rare." Chu Yuechan had to admit that this was a rare technique and not many people were willing to learn it.

the immortal slayer technique is a technique that is at the forbidden level, there is a price to be paid for using this technique, every time you use the technique, the user's age will decrease and the body will dry up like a monster until really only bones remain.

Even so, its strength is absolutely amazing. It is something that many cultivators are afraid of because it defies the laws of the world.

"Who is it, he looks strong" Ye Chen saw that the person who was fighting Chu Yuechan was strong.

"No, it's people who possess the Immortal Slaying Arts, they are something that is rare in this world, fighting them is of course difficult even if it's Yuechan" Chu Ning'er said to Ye Chen, she was telling that the person in front was dangerous.

"who's he ?" Ye Chen saw Chu Yuechan's battle, he saw an enemy he had never seen before.

Chu Yuechan dodged all the attacks head on, she didn't want to receive the enemy's attacks knowing it was dangerous.

Chu Yuechan dodged and flew away, she made sure that the enemies in front couldn't hit her.

"You just want to buy me time, bitch" this person was aware that Chu Yuechan was buying time.

"To be honest it's quite troublesome against you, your technique is too scary" said Chu Yuechan.

"Just say you're afraid of me" this person said that Chu Yuechan was afraid.

"You might be right, I'm just a weak fairy" Chu Yuechan admitted.

his person is giving off an even more terrifying aura compared to before, he has become even more serious against Chu Yuechan.

Chu Yuechan used the power of wind attack to blow the enemy away, she used her wings to blow the enemy away.

The enemy was slightly away, even so Chu Yuechan's attack had little impact due to the unreasonable strength of the enemy.

"It's useless" the enemy said to Chu Yuechan, the enemy was getting closer to Chu Yuechan.

Chu Yuechan kept her distance, Chu Yuechan's speed was simply the best, she was able to move at unbelievably fast speeds and was impossible to catch up to.

Ye Chen himself knows how fast Chu Yuechan is, he is really too fast and impossible to catch up to, Ye Chen himself has already tried it.
