

True God 2431

Chapter 2431 Lu Hanna Was Sent Flying By Shen Niang

"I'm quite curious about you" Ye Chen said to Lu Hanna, he wanted to know more about Lu Hanna.

"then let's do it, you will probably know more about me" Lu Hanna said to Ye Chen, Ye Chen will probably know more about her after this.

Lu Hanna undressed Ye Chen, she intended to do it quickly.

Lu Hanna couldn't wait anymore, she couldn't wait anymore when she was with Ye Chen, the blood in her body was completely burned by Ye Chen.

Lu Hanna did everything very well, her movements were extremely fast, in a short time, Ye Chen's upper clothes had been completely removed.

"aahhhhhh, this" Lu Hanna's eyes lit up when she saw Ye Chen, Ye Chen's body looks quite perfect, he has a very good body, this is the perfect body that women want.

"What a nice body" Lu Hanna said to Ye Chen, she told him that Ye Chen had a very good body.

"do you like it ?" Ye Chen asked Lu Hanna.

"Of course, it's too good" Lu Hanna said to Ye Chen, she told Ye Chen that it was very good.

Lu Hanna started to get down on Ye Chen's chest, she started to tease Ye Chen by using her slender fingers.

With a slight touch, Ye Chen could feel a slight comfort feeling from Lu Hanna's cold finger touch.

"oh. . ." Lu Hanna couldn't stand it more, she couldn't stand Ye Chen more and more.

Her condition became more and more passionate, she was even drooling towards Ye Chen.

"Let's start having fun" Lu Hanna said to Ye Chen, she told that she wanted to have fun with Ye Chen.

Lu Hanna became more and more aggressive, she did everything she wanted to Ye Chen, she no longer held back and did what she wanted to Ye Chen.

position Lu Hanna was so domineering, it was like she was attacking Ye Chen using all of her skills.

Lu Hanna's technique was really good, if Ye Chen didn't have such good resistance, he might have lost long ago.

"Your defensive ability is much better than what I expected." Lu Hanna said to Ye Chen, she said that Ye Chen's defensive ability was good, he was able to last long enough when dealing with Lu Hanna.

Lu Hanna praised Ye Chen, she praised Ye Chen's strength and ability, this made Lu Hanna even more excited.

Lu Hanna used more strength, she used more strength to fight Ye Chen.

"he is indeed great, then, I will show the strongest enchantment to capture you" Lu Hanna intends to use the strongest enchantment to capture Ye Chen, this is the end, she will get Ye Chen.

Lu Hanna started to cast her own charm to bind Ye Chen, her goal was to get Ye Chen completely.

"Bam . . ." Lu Hanna was about to launch her action, when a strong thing pushed her away from Ye Chen.

"Ahhh, what happened" Lu Hanna wanted to know what happened, who dared to push herself away from Ye Chen.

Two people entered the room, they used the veil to enter.

"Is the enemy coming?" Lu Hanna immediately became alert, she saw that there was an attacker.

"the two of them" Ye Chen recognized the aura of the two, he naturally knew who the two of them were.

"You are brave enough to attack him" they said to Lu Hanna.

"Who are you?, Why are you meddling in my business" Lu Hanna said to the two of them, they were both too presumptuous for meddling in her business.

"we should have said that to you" they both said to Lu Hanna.

They were Shen Niang and Xu Leiya, they had entered the Demon God Realm a long time ago and managed to trace Ye Chen's whereabouts thanks to Shen Niang's abilities.

When the two of them managed to find Ye Chen, they were both surprised by Lu Hanna who tried to attack and pushed Ye Chen onto the bed, that's why they came and rescued Ye Chen.

"don't interfere with my business" Lu Hanna said to the two, she told them not to interfere with her business.

Lu Hanna didn't like it when she was being bothered by others, more specifically she didn't want others to interfere with the things she liked.

"he is mine, don't be such a little girl" Shen Niang said to Lu Hanna, she told Lu Hanna that Ye Chen is his.

Shen Niang started to get bold, she said that Ye Chen was hers.

On the other hand, Xu Leiya was stunned by the confession made by Shen Niang, she was not as brave as Shen Niang who was honest with her feelings.

"What, how dare you call me a little girl, want to find trouble with me?" Lu Hanna said to Shen Niang.

"I don't want to cause trouble, I'm just giving you a warning" Shen Niang said to Lu Hanna.

Shen Niang still looked calm and gentle, she didn't really think of Lu Hanna as a threat.

For some reason Lu Hanna was irritated when she saw Shen Niang, it was probably because this woman didn't show any anger and instead looked very kind.

"I hate this, then I'll start fighting" Lu Hanna decided to fight Shen Niang, she stepped forward and intended to beat Shen Niang with her bare hands.

Shen Niang smiled, she released a strong pressure around her body.

The moment Lu Hanna approached Shen Niang, she could feel a terrifying pressure from Shen Niang.

"Eh. . .] ?, so strong." Lu Hanna was shocked by the pressure Shen Niang had, she was unable to stand up when receiving the power from Shen Niang.

Shen Niang smiled at Lu Hanna, she easily made Lu Hanna lie on the ground and was helpless.

"Who exactly are you" Lu Hanna asked Shen Niang.

"I'm just an ordinary woman, do you have any problems" Lu Hanna said to Shen Niang.

Shen Niang used an increasingly strong aura, of course this made Lu Hanna break out in cold sweat.

"This woman, she's scary, she's scarier than anyone I've ever been against" Lu Hanna became scared, she felt that Shen Niang was scary.

Lu Hanna couldn't feel any hatred from Shen Niang, somehow this woman was too kind, she was like a pure and unsullied goddess, it was quite difficult for her, Lu Hanna to see what Shen Niang lacks.

"just give up ?" Xu Leiya said to Lu Hanna, she told Lu Hanna to give up as soon as possible.

Xu Leiya knew Shen Niang's strength, one could say that Lu Hanna would have no chance of winning.

Lu Hanna listened to what Xu Leiya said, she looked back and forth between Xu Leiya and Shen Niang.

"I give up, please let me go" Lu Hanna said and begged, she finally gave up.

"I will let you go, as long as you promise not to do bad things again" Shen Niang said to Lu Hanna.

"I understand, I will no longer do bad things" Lu Hanna promised.

"That's good, you promised, if you don't do it, I will come and maybe give you a punishment that you would never imagine." Shen Niang gave a stern warning to Lu Hanna.

Shen Niang's warning was not joking, Lu Hanna felt pressured when she faced Shen Niang.

"Hahahaha" Ye Chen laughed, it seemed that Lu Hanna had just met a terrible enemy, it could be seen from the face that Lu Hanna showed.

Shen Niang retracted her strength, it made Lu Hanna can move freely.

Lu Hanna got up, she kept her distance from Shen Niang, the woman in front of her was dangerous.

"So what do you want, you seem to be a pure succubus" Shen Niang said to Lu Hanna.

Chapter 2432 Wait, Where Did You Get That ?

"Just having fun, I'm a bit bored" Lu Hanna said to Shen Niang.

Lu Hanna just wanted to have fun, she was quite happy when she was with Ye Chen.

"So that's your goal" Shen Niang seemed to have started to understand Lu Hanna's goal.

"You two look so foreign, and plus again you guys are very strong" Lu Hanna asked Shen Niang and Xu Leiya, she could feel that both of them were very strong.

"you don't need to know" Shen Niang told Lu Hanna to shut up and not ask more.

"she really is a real Succubus" Ye Chen approached Lu Hanna, if seen more clearly he was indeed similar to the Succubus that Ye Chen knew.

This is probably Ye Chen's first time meeting a real one, what Ye Chen usually meets are people who study Succubus abilities and they are far from Lu Hanna.

"what's wrong?, are you interested in me" Lu Hanna said to Ye Chen.

"Not bad" Ye Chen said to Lu Hanna, he told her that he was quite interested in Lu Hanna.

"Are you going to take me?" Lu Hanna said to Ye Chen, she wrapped her arms around Ye Chen's neck.

Lu Hanna's innate nature kept coming out, she couldn't stand being with Ye Chen, it was Lu Hanna's nature.

"no, you stay here" Ye Chen said to Lu Hanna.

This woman was still such a pain, dealing with her would be extremely troublesome.

Lu Hanna pouted as she listened to what is said by Ye Chen, she came back rejected by Ye Chen.

"why are you refusing again, this is annoying" even with absolute innate charm that could ensnare the opposite sex, Lu Hanna was still unable to charm Ye Chen.

Ye Chen only smiled when he saw Lu Hanna who looked cute when annoyed.

Ye Chen almost couldn't stand Lu Hanna's power of temptation. If only Shen Niang didn't come, maybe Ye Chen would have done it with Lu Hanna.

"I have a lot of things I want to ask you." Ye Chen wanted to ask Lu Hanna a lot of things.

He felt that Lu Hanna could answer everything that Ye Chen wanted to know.

"empress, something bad happened in the palace, please come back soon" a voice transmission came in Lu Hanna's ear, she knew that something bad was going on.

Voice transmission would only be used if the situation got out of control, something must have happened for the most powerful subordinate to send this.

"I wanted to answer your question, but I have a bit of a problem right now, so excuse me for a moment" Lu Hanna said to Ye Chen.

Lu Hanna immediately returned to her place, something sudden happened to Lu Hanna.

"What's wrong with it?" Xu Leiya saw Lu Hanna who was leaving this place.

"looks like something happened to her" Shen Niang could only confirm that something happened at Lu Hanna's place.

"Aren't you going to help, it seems something happened" Chu Yuechan said to Ye Chen.

"she doesn't look like she's having any trouble, I think she's had enough of her own troubles for now" Ye Chen said to Chu Yuechan.

"fine, if that's what you want" Chu Yuechan said to Ye Chen.

"what are you guys doing in this place" Ye Chen asked Shen Niang and Xu Leiya, why are they in this place.

"we came for you, who told you to go alone" Shen Niang said to Ye Chen.

Shen Niang looked irritated when she said this to Ye Chen.

Ye Chen looked at Shen Niang's face, it seemed that she was angry because she was left by Ye Chen.

Ye Chen has to be careful in choosing words, lest Shen Niang greets her.

"That's because I was in a hurry, I thought you were busy." Ye Chen said to Shen Niang.

"I'm not busy" Shen Niang said that she was not busy.

"then where are you going this survivor" Ye Chen asked Shen Niang.

"That's a secret" Shen Niang said to Ye Chen, she didn't want to tell what she had been doing all this time.

"Ehhh. . .?, she is a little different from usual" Ye Chen saw that Shen Niang was a little different from before, her expression and emotions, she looked more lively from previously.

Shen Niang smiled at Ye Chen, it seemed she enjoyed Ye Chen's reaction.

"So how, have you got that person" Shen Niang said to Ye Chen.

"didn't find it, but I found something good here" Ye Chen said that he found something good.

Ye Chen took out the Infinity power stone, he showed Shen Niang.

"Wait where did you get that?" Shen Niang said to Ye Chen, Shen Niang looked shocked when she saw the Infinity power stone.

"What is that, what an amazing power" Xu Leiya didn't know what was in Ye Chen's hand, she only knew that it emitted something very strong, this was very strong, it exceeded Xu Leiya's expectations, she had never felt something as powerful as this.

"I got it by accident" Ye Chen said to Shen Niang.

Ye Chen got the Infinity power stone by accident while tracking Mo Xi's whereabouts.

"So that's how it is, even though the Infinity power stone was sealed by several cultivator strong immortals and they kept the safety of that place by sacrificing their lives, even I and others didn't know the whereabouts of that place, I didn't think that there would still be one left in this world" Shen Niang was of course surprised by the Infinity power stone in Ye Chen's hand.

"If that thing found by an irresponsible person, then it will be a terrible disaster." The Infinity power stone is a bomb, if that found by irresponsible people, then it can destroy quite a lot of places and lives.

"I already got it, the problem is someone is trying to take it from me, that person also has the power of an immortal Slayer".

"Immortal Slayer, such a person is very rare, who can raise an Immortal Slayer" Shen Niang thought for a while.

Ye Chen's words were very clear, Immortal Slayer was a formidable foe, it was quite difficult to defeat them, even Chu Yuechan who had high strength was injured by Immortal Slayer.

"I think that thing will be safe with you, with your strength, you should be able to protect it." Shen Niang was about to entrust the Infinity power stone to Ye Chen.

"I will take good care of it" Ye Chen will do the best he can do to protect the Infinity power stone, he will ensure that the Infinity power stone does not fall into the hands of the wrong person.

"Then I will go, Leiya you are with Ye Chen, I have something to confirm in a moment." Shen Niang said to Xu Leiya.

"I understand" Xu Leiya nodded, she will be together with Ye Chen.

"I'll go first, I don't know when I'll be back, but I'll make sure to come back soon" Shen Niang said to Ye Chen.

Shen Niang left, she dashed away from Ye Chen and Xu Leiya.

"she is so fast, no one can catch up to that speed" Xu Leiya had to admit Shen Niang's speed.

"follow me for a while, let's go somewhere" Ye Chen said to Xu Leiya.

"Where to . . . ?" Xu Leiya asked Ye Chen, she wanted to know where Ye Chen was taking herself.

"come with me already" Ye Chen said to Xu Leiya.

Xu Leiya obeyed Ye Chen, she followed behind Ye Chen's body, the two of them went somewhere.

Ye Chen wanted to confirm the strength in this region, he was curious who was in control of this place.

Chapter 2433 Become A Fugitive

right now it's at Mo Xi's place.

"Boom. . . ." Mo Xi was currently extremely angry, he was truly angry when he heard what had just happened.

"You lose, don't joke with me." Mo Xi said to the person in front of him, he was angry when he heard the loss.

The person in front of Mo Xi was the Immortal Slayer that Ye Chen had previously fought, he had recovered himself and reported what happened.

"I'm sorry master, that person is really too great, he is a worthy opponent for me, I can't be careless against such a person" immortal slayer said to Mo Xi.

"Zen Maong, are you still a strongman, if you can't defeat one person, you don't deserve that power" Mo Xi said to Zen Maong.

Immortal Slayer's name is Zen Maong, he served Mo Xi and became one of the most powerful people after Mo Xi.

Every descendant of Zen had an oath to serve every generation of the Mo Clan, thus he would do everything Mo Xi ordered, even if he had to sacrifice his own life if necessary.

Zen Maong just sat quietly, he was completely speechless as he listened to what Mo Xi had to say.

"We need an Infinity power stone to accelerate our plan, if we can't get an Infinity power stone then it will be very bad, I hope you understand what I mean" Mo Xi said if they need an Infinity power stone, they need an Infinity power stone to increase the crushing strength.

"I see, then I will send a task to everyone in this place to start hunting that person, I'm sure that they will hunt that person because of the bounty" Zen Maong decided to use the contest to catch Ye Chen.

"you're really smart, do it, don't let me down a second time" Mo Xi said, he sat down and closed his eyes again.

Zen Maong nodded lightly, after which he decided to leave Mo Xi.

He immediately went to make a task for all the criminals in the world, from now on Ye Chen will be targeted by all the guards in the Demon God Realm.

.

.

Ye Chen together with Xu Leiya, the two of them were looking for information about where the territory leader was.

"If I'm not mistaken the leader here is Da Dolu and another one is a mysterious woman, they often clash over this territory" Xu Leiya said to Ye Chen.

"This region has two powers, they are fighting each other for more territory.

"If I'm not mistaken Da Dolu has 70% territory, he is superior in terms of strength and troops" Ye Chen said to Xu Leiya.

Ye Chen himself had not met Da Dolu, he did not know what kind of man he was.

"Another 30% is the so-called Empress of Night, a very mysterious woman who rarely shows herself, I don't have much info about her" Ye Chen said to Xu Leiya.

"I don't have that much information either, I myself have only met Da Dolu once in a short battle, he is a dangerous person" Xu Leiya said to Ye Chen.

"so which side do you want to go to" Xu Leiya asked Ye Chen.

"let's see the two, I want to see the two of them in person" Ye Chen wanted to confirm everything.

"Okay. . ., then let's go" the two left, the two of them finally arrived at Da Dolu's territory.

Ye Chen and Xu Leiya walked on the street, they looked around this place and mingled with the people around.

"Do you feel that we are being watched by so many people?" Xu Leiya realized that they were being watched, too many people were watching them from afar.

"You're absolutely right, they saw us and had bad intentions" the number of people watching was just getting more and more.

"What's going on here" Ye Chen wanted to know what was happening around, there were many who started targeting Ye Chen.

Ye Chen probably didn't know what had happened, for sure he was being targeted by countless people, there were so many people targeting him.

"Actually what have you done, you have become a public enemy?" Xu Leiya asked Ye Chen.

"I just did a small thing, something must have happened." Ye Chen said that if something happened, he was very sure about this matter.

"here . . ." Ye Chen took Xu Leiya along, the two of them walked down a quiet alley away from the crowds.

As they entered, countless people appeared on the rooftops and looked towards Ye Chen and Xu Leiya.

"let's see what they want" Ye Chen said to Xu Leiya.

"I also want to know why they are targeting you." Xu Leiya also wants to know why these people are targeting Ye Chen.

"let's finish this quickly" they said that they would finish Ye Chen quickly, they couldn't wait to finish Ye Chen and get their reward.

They teamed up to kill Ye Chen, everyone picked up their weapons and started attacking Ye Chen using terrifying destructive power.

"Skywind Law" a powerful wind burst out from Ye Chen's body, it blew away all the people and buildings around this place with ease.

When Ye Chen flew them over, Xu Leiya decided to take one of the people, she immediately asked what they wanted.

Xu Leiya used her charm to make the opponent talk, with Xu Leiya's strength now she easily got the other party talking.

"we just want a reward for killing or capturing you alive" he said that the goal is to capture Ye Chen, this group wants a reward for capturing Ye Chen.

"Who did that?" Xu Leiya asked, she wanted to know who was targeting Ye Chen.

"We don't know who the client is, the client's secret is really very mysterious, no one knows that" they are a vicious group where their client's secret is a complete secret, even the higher ups won't know this, it's because they have strict procedures once so that it is not easy to find.

"It seems that there is a party that wants to get rid of you" Xu Leiya said to Ye Chen.

"It seems so, I don't know who did it, but he succeeded, maybe there will be more villains to come." Ye Chen said to Xu Leiya.

Ye Chen felt that there would be a lot of people coming, there must be a lot of people who wanted a big reward to catch or kill Ye Chen.

A commotion broke out, people came to see what was going on in this place.

"let's go, it will be troublesome if we are discovered" Ye Chen said to Xu Leiya.

Ye Chen would protect Xu Leiya, he would not let Xu Leiya get hurt by him.

The two of them left from this place, the place just now was already chaotic and there would probably be a lot of people coming to see.

So the two moved away and looked for a safe and peaceful place.

On the other hand, there were still quite a number of people watching Ye Chen, they wanted to attack Ye Chen and Xu Leiya.

"So troublesome, I'll take care of all of them" Ye Chen decided to use his Clone, he would immediately clean up those who were trying to interfere with him.

With the group of Clones created by Ye Chen, he easily cleared out the rest of the villains that were trying to target him.

Ye Chen and Xu Leiya ended up hiding in a place that was absolutely safe and impossible for the other party to find.

Chapter 2434 Ye Chen Turned Himself In Voluntarily

"Someone is hunting you, does this have something to do with the item you showed me earlier" Xu Leiya asked Ye Chen.

"Most likely" Ye Chen also thought the same thing as Xu Leiya, maybe they were after the Infinity power stone.

"what are you going to do now ?, there are too many of them, I don't know how many bounties they put on hunting you, that will definitely be a lot" Xu Leiya felt that the bounty promised there would be an awful lot, he was sure of that.

The amount of reward given to hunt Ye Chen must be very large, otherwise they would not have possibly hunted Ye Chen to what it is today.

"the other party has powerful and huge resources, we have to do something to solve this problem" Ye Chen must solve this problem first.

"can you cooperate with me" Ye Chen said to Xu Leiya, he told Xu Leiya to cooperate with him.

"What do you want to do?" Xu Leiya asked Ye Chen, she wanted to know what Ye Chen would do.

"Here's the plan" Ye Chen told how to attract the other side, all you need to do is go directly to the place that gave the gift, here Ye Chen told Xu Leiya to pretend to be the one who caught and brought Ye Chen for the reward.

"That's quite smart, I didn't expect that you could think like that" Xu Leiya had to admit that Ye Chen was smart, she knew what to do done.

"how, can you cooperate with me?" Ye Chen hoped that Xu Leiya could cooperate.

"I will do it, you have helped me, I will of course do what you want" Xu Leiya smiled at Ye Chen, she will do what is said by Ye Chen.

"thank you very much" Ye Chen thanked, with the help of Xu Leiya, there should be trouble soon resolved.

"then let's make your appearance change completely" Ye Chen said to Xu Leiya.

"Okay, I understand" Xu Leiya followed Ye Chen's request and started to change her appearance to make her look even more beautiful.

Ye Chen chose the most flattering clothes for Xu Leiya, he chose the most suitable one from his point of view.

Xu Leiya was very happy when she tried on the clothes given by Ye Chen, to be honest Ye Chen's taste is very good and makes Xu Leiya look beautiful and dazzling.

"how do I look now, is it good enough" Xu Leiya asked Ye Chen, she asked Ye Chen's opinion about her current appearance.

"Very good, you are such a mysterious woman that is difficult to look at, this is enough" Ye Chen said to Xu Leiya.

Ye Chen made Xu Leiya look like a mysterious woman who used a hood around to cover her appearance, Xu Leiya's aura was very supportive when she wore this kind of clothes.

"Very good, then let's get started" after everything was done, it was time for the two of them to start.

"then let me tie you up" Xu Leiya said to Ye Chen, she took a rope and started to tie Ye Chen up.

Xu Leiya looked excited, she seemed to be enjoying this well.

"You seem to be enjoying it" Ye Chen said to Xu Leiya.

"It's just your feelings, it's all for the sake of our business" Xu Leiya said to Ye Chen.

Xu Leiya didn't admit it, she didn't admit that she was enjoying this.

Ye Chen was tied up by Xu Leiya, after that Xu Leiya took Ye Chen away to be handed over.

Xu Leiya knew where she had to give up Ye Chen, that's why she headed to the base of one of the criminals that was closest to this place.

Xu Leiya arrived at a gloomy place and a building that looked really bad, this building was the gathering place for the most terrible criminals in the city.

"this is the place, come with me quickly, I can't wait to get my reward" Xu Leiya forced Ye Chen to enter, she was already in the mode of pretending to be the villain who caught Ye Chen.

"her acting is too good" Ye Chen could clearly see that Xu Leiya acted well, she did very well.

Ye Chen was dragged by Xu Leiya, he tried to rebel when he was dragged by Xu Leiya.

To make sure everything went well, he did everything to perfection, it was as if he was completely caught.

Ye Chen and Xu Leiya naturally caught the attention of everyone around.

"who is that mysterious woman" everyone looked towards Xu Leiya, they were quite curious about Xu Leiya, Xu Leiya's appearance was too eye-catching for them, it was not strange that they all looked at Xu Leiya with intense gazes.

Xu Leiya got used to it, he used to being stared at by the opposite sex like this, she used charmt to silence them for a while as Xu Leiya reported his catch.

Xu Leiya led Ye Chen towards the reception area.

"I heard that there is a reward for catching this person." Xu Leiya said to the old man in front of her.

Xu Leiya's tone was domineering, the old man in front felt pressured by Xu Leiya's strength.

Xu Leiya's charm was getting stronger, no one could defend against her, this old man was having trouble when talking to Xu Leiya, to be more precise he would not be able to reject every word from Xu Leiya.

"That's right, how did you catch this person, he is a difficult person to overcome" the old man asked Xu Leiya, he wanted to know how Xu Leiya caught Ye Chen.

"do you need to ask about that ?" Xu Leiya said in a nonchalant tone.

"Of course, we have to confirm this first" the old man had to confirm everything.

"I used a little trick to tease him and caught him easily" Xu Leiya said that he only used light tricks to catch Ye Chen.

"Is that possible?" The old man couldn't believe what done by Xu Leiya, he did not expect that Xu Leiya could easily capture Ye Chen in such a way.

"Would you like to try it?" Xu Leiya said to the old man, she used her charm.

The old man started having trouble, he saw that everyone was staring at him, it seemed that they had been influenced by Xu Leiya, Xu Leiya's words had hypnotized them all and they couldn't control themselves.

"I understand, I believe in what you say" the old man said that he believed in what said by Xu Leiya.

"very good" Xu Leiya was satisfied to hear this, everything went according to plan.

"Then here is your reward." The old man took out a storage pouch and handed it to Xu Leiya.

Xu Leiya received the promised reward, she wanted to know how much gift was promised to capture Ye Chen.

"Wow that's a lot" Xu Leiya was surprised by the amount he got, this amount was really too much.

the person who wants to catch Ye Chen is really very rich, he has extraordinary wealth.

This amount was a lot, with this one could instantly become strong and buy anything that was wanted, it is not strange that many people are eyeing Ye Chen.

Ye Chen was very clever, he gave himself up and robbed the prize, the person who was targeting Ye Chen would definitely vomit blood when he knew what was going done by Ye Chen.

"fine I leave him to you" Xu Leiya handed Ye Chen over, she handed Ye Chen over to the old man.

After handing Ye Chen over, Xu Leiya left this place, she looked indifferent as she left this place.

Xu Leiya had carried out according to plan.

Chapter 2435 Ye Chen Vs Zen Maong

"I hope he's alright" Xu Leiya hoped that Ye Chen was alright, she was quite worried about the state and condition of Ye Chen.

"I will believe in him" Xu Leiya decided to believe in Ye Chen, she believed that Ye Chen would be fine.

Ye Chen's body was sealed, this was to keep Ye Chen from putting up a fight when being carried.

"Fortunately after getting the darkness inheritance, every seal has no effect on me" Ye Chen was grateful that he managed to get the darkness inheritance, this made Ye Chen immune to poison and evil seals.

"This person can't fight anymore, let's take him immediately" The old man told them to take Ye Chen, they had to take Ye Chen to the client.

Ye Chen was taken away, he was taken away to a very strange place, he was taken to a very quiet forest, where this place was a nest of terrible monsters.

"What do you want to do to me, let me go quickly" Ye Chen told them to let him go.

"Be quiet, you have been captured, there is no more room to discuss with you" the old man said to Ye Chen, he told him that there was no room to discuss.

Someone finally arrived, the person who arrived was the same person Ye Chen had fought earlier.

"You guys are great, it's only been a while and you already took him, well done" Zen Maong looked towards Ye Chen, he was very satisfied when he saw Ye Chen who had been captured, this made his job easier.

"You, so it's you, not strange, so you are the mastermind behind all this" Ye Chen pointed at Zen Maong.

"Shut up and hand over that thing right now" Zen Maong told Ye Chen to hand over the Infinity power stone immediately.

"What if I don't want to hand it over to you" Ye Chen said that he didn't want to hand it over to Zen Maong.

"Then I just need to kill and destroy you" Zen Maong told Ye Chen, he would kill and snatch the Infinity power stone from Ye Chen's hands.

Zen Maong headed towards Ye Chen, he immediately attacked Ye Chen with all his strength.

He intended to kill Ye Chen with one strike.

The old man immediately retreated, his job was done and he no longer cared about the life Ye Chen had.

The old man felt sorry for Ye Chen, he really felt sorry for Ye Chen who was about to die.

Ye Chen's power was now sealed, that meant Ye Chen would have no chance of being able to win or fight Zen Maong.

Ye Chen smiled when he saw the approaching Zen Maong, he reached out and started attacking Zen Maong.

A super powerful punch was aimed at Zen Maong, he hit Zen Maong's mask and destroyed Zen Maong's face.

Zen Maong was blown away by Ye Chen, the mask on his face shattered into pieces, an old man's face that was just a skull appeared in front of Ye Chen.

"You look like an undead, it must be the consequences of being an immortal Slayer" Ye Chen clearly saw the face that Zen Maong had, his face really looked like a monster, he was no longer a human.

"No way, this can't be happening, bastard I will kill you" Zen Maong was angry at Ye Chen, he would definitely kill Ye Chen for what happened.

Zen Maong couldn't let Ye Chen, he couldn't let Ye Chen act at will.

"You must die, I will kill you with this hand of mine" Zen Maong said to Ye Chen.

Zen Maong was filled with rage, he was filled with a terrifying killing aura, this aura was enough to kill someone with just one look.

Zen Maong attacked Ye Chen, he picked up a sword that was usually used for beheading.

This was Zen Maong's weapon, he had killed countless people using this sword, this was a killer sword that could kill anyone.

"That sword is terrible, you better not be rash" Chu Yuechan said to Ye Chen, she told Ye Chen not to be rash in fighting the enemy.

"I understand" Ye Chen already understood, he had to fight back using heavenly lightning.

Ye Chen already knew the weakness of Zen Maong, he wouldn't be able to fight Ye Chen who had heavenly lightning in his body.

Ye Chen's body was filled with heavenly lightning, a large amount of heavenly lightning enveloped Ye Chen's body and protected Ye Chen from the killing sword in Zen Maong's hand.

"troublesome, but I will still kill you" Zen Maong didn't care anymore, he already had a goal to kill Ye Chen, he would no longer care about Ye Chen, he had decided to kill Ye Chen right now.

"Immortal slayer slash" Zen Maong swung the sword with terrifying power, with this kind of power, it is certain that he is able to split several stars easily.

"Ying'er" Ye Chen used the strongest sword to fight back, this sword was one of the strongest swords owned by Ye Chen and was able to fight against the immortal power.

"One God Slash" Ye Chen used the Dao Sword and started to show full power as well.

They both used all their strength to destroy each other.

"Die. . ., die. . ." Zen Maong yelled at Ye Chen, he was yelling at Ye Chen and wanted Ye Chen to die.

Ye Chen swung the Divine Yin Yang Sword with full force, this slash should be enough to counter Zhen Maong's attack.

"Clang. . ." the two forces met, they clashed and made a powerful explosion, the forces of the two collided and pushed each other.

"No way" Zen Maong couldn't believe that Ye Chen was able to withstand his full strength, he should be able to win easily.

Ye Chen began to push Zen Maong back, Ye Chen's strength was increasing, he opened the fire vein to increase his strength to several times.

"No way, how could that be possible" Zen Maong used all his strength and abilities, he used them all against Ye Chen.

Even though he had used all the abilities he had, he still couldn't force Ye Chen to retreat.

"This is impossible, why are you that strong, this doesn't make sense, I will not accept this, I am the strongest" Zen Maong will not accept this, he believes that he is the strongest, that's why he used all his strength.

Zen Maong tried with all his strength to push Ye Chen.

Ye Chen did not want to lose to his enemy, he used more strength both physical and also his profound energy.

With that Ye Chen pushed Zen Maong all the way and shattered Zen Maong's sword.

"Damn it. . ." Zen Maong shouted, his proud sword was smashed by Ye Chen into two pieces.

"gahhhhh . . ." Ye Chen's slash landed directly on Zen Maong's body, Zen Maong's extremely strong body was injured and almost cut into two pieces by Ye Chen's attack.

"Bastard, you almost killed me." Zen Maong shouted, he was almost killed by Ye Chen's attack.

"That's great, if you die, it will be a problem for me" Ye Chen said to Zen Maong.

Ye Chen needed Zen Maong to know the place of Mo Xi, so it was better to let Zen Maong live.

"You won't listen to that from me, I will never tell you where he is" Zen Maong said that he would not let Ye Chen know the whereabouts of Mo Xi.

"Then I will make you talk at all costs, Leiya come out" Ye Chen said to Xu Leiya.

Chapter 2436 A Trap Prepared By Mo Xi

Xu Leiya came, everything was according to the plan that Ye Chen had, she had done everything according to the plan, that way Xu Leiya could come out and directly help Ye Chen.

"she?" the old man finally realized that it was Xu Leiya, she was helping Ye Chen, it was already a strange thing to happen.

"So you two are working together" The old man finally realized that the two of them were working together.

"Of course, otherwise we wouldn't have been able to get him out" If Ye Chen and Xu Leiya didn't work together, then they definitely wouldn't have been able to get Zen Maong out of the hideout.

Seeing that the situation was getting out of hand, Zen Maong decided to start planning to escape from this place, he planned to escape from Ye Chen.

Zen Maong was looking for the right time to escape, as long as he found the right time to escape, then it would be fine.

Ye Chen understood what Zen Maong wanted, so he closed this place with his power.

He created a super strong dimensional barrier to prevent Zen Maong from escaping for the second time, he would not let Zen Maong escape again.

"You won't be able to escape from this place" Ye Chen said to Zen Maong, he told Zen Maong that he wouldn't be able to escape from this place.

"Damn it. . ." Zen Maong cursed Ye Chen, he continued to curse Ye Chen with various harsh words.

"let's start looking for information from him, you can use charm and control him right?" Ye Chen said to Xu Leiya, I'll try it.

Xu Leiya tried it, she did what Ye Chen said.

Xu Leiya used the charm of the goddess of love to completely control Zen Maong.

The willpower of Zen Maong was quite harsh, so Xu Leiya really needed quite a lot of strength to be able to make Zen Maong submit.

"I will use everything" to control Zen Maong, Xu Leiya used all her strength, she used all her strength to make Zen Maong say everything.

The absolute charm possessed by Xu Leiya could not be resisted by Zen Maong, it could be said that Zen Maong had no antidote.

"he is already under control, what is there to ask" Xu Leiya said to Ye Chen.

"Tell him to tell the whereabouts of Mo Xi" Ye Chen said to Xu Leiya.

"Got it, I'll do it" Xu Leiya turned around and looked at Zen Maong, she asked Zen Maong.

"He is in a place called Dark Sky Peak Mountain" Zen Maong told Ye Chen, he told her the whereabouts of Mo Xi.

"Very good" Ye Chen was satisfied with this, he found the whereabouts of Mo Xi.

Mo Xi is in the dark sky peak mountain, Ye Chen should get there as soon as possible.

"Arghhh. . ." after saying the hiding place of Mo Xi, Zen Maong cried out in pain.

Zen Maong had broken his vow, it would make him self-destruct from betraying Mo Xi.

"Back away from him" Ye Chen said to Xu Leiya.

"Got it" Xu Leiya backed off, the two of them backed off and moved away from Zen Maong's body.

"Boom. . . ." Zen Maong's body exploded like a bomb, it dragged everything around and crushed everything into dust.

"Fortunately Ye Chen quickly realized it, so they were already far enough away and were not affected by the explosion.

"Pretty cruel methods" Xu Leiya shuddered when she saw the methods used by Mo Xi.

"He is very serious with his subordinates, it seems like he doesn't let them betray, otherwise they will die in the most horrible way" Ye Chen saw how dangerous Mo Xi was.

"We have to go immediately, to that place, don't let him escape" Ye Chen said to Xu Leiya.

Ye Chen took Xu Leiya to the place Zen Maong said.

They shot towards the northern region where the Dark Sky Peak Mountain was located.

With the speed of the two, it only took them a few minutes to reach the peak of the dark sky mountain.

They arrived at a place where there was only night every day, there was a huge mountain that stood and was surrounded by dark skies all the time.

"Is this the place" Ye Chen looked around.

"This should be the place" Xu Leiya was sure that this was the place.

"Then let's go in and look for her, finally after a struggle I managed to find her" Ye Chen finally found the whereabouts of Mo Xi.

The two finally went inside to meet with Mo Xi.

Ye Chen and Xu Leiya went inside, they finally found the whereabouts of Xu Leiya inside.

"Looks like you've made it to this place, you guys are great" Mo Xi said to Ye Chen and Xu Leiya.

"Damn, we're late" Ye Chen said to Xu Leiya.

"What do you mean" Xu Leiya asked Ye Chen, she wanted to know what Ye Chen meant.

"I'm saying that we're late, he already left, he left a Clone in this place to welcome us" Ye Chen said that in front was just a replacement body.

"So you realized it quickly" Mo Xi's replacement body was surprised when he saw Ye Chen who managed to realize himself.

"I'm not as stupid as you think, I can easily realize it" Ye Chen said that he could easily realize it.

"You really surprised me, you've caused me trouble, damn ant" Mo Xi said to Ye Chen, he told him that Ye Chen had caused him in trouble.

What Ye Chen did had really angered Mo Xi, Ye Chen came back to ruin the plan he made, and it was very annoying.

"I will stop you and make sure that you disappear from this world" Ye Chen said to Mo Xi.

"hahahahaha" Mo Xi laughed at Ye Chen, he laughed at what Ye Chen said.

"Why are you laughing, are you scared to laugh like that" Ye Chen said to Mo Xi.

"That's so funny, you will soon be buried in this place, do you think it's normal to get out of this place alive" Mo Xi said to Ye Chen.

"Huh?" Ye Chen looked wary when he got a warning from Mo Xi.

"Master. . . there is a great power starting to form under your feet, that power is enough to destroy this planet and its surroundings" Chu Yuechan said to Ye Chen.

"We are trapped. . ." Ye Chen finally realized that this was a trap.

"I'm not that stupid, after you defeated Zen Maong, I already prepared everything necessary" Mo Xi said to Ye Chen.

"Destroy you. . ." Mo Xi said to Ye Chen, he blew up this place together with Ye Chen.

Ye Chen tried to reach Xu Leiya who was on the side, he protected Xu Leiya from the explosion.

"Goodbye, hahahahaha" the replacement body that Mo Xi had said to Ye Chen.

Ye Chen looked at Mo Xi, this man was indeed dangerous as hell, he was cunning and clever, no one dared to challenge him.

"I will definitely defeat you as soon as possible" Ye Chen said to Mo Xi, he will definitely defeat Mo Xi soon.

Ye Chen will not let this bad guy go so easily, he will definitely use all the strength and ability he has to defeat Mo Xi.

"Boom. . ." a huge explosion occurred, this explosion was extremely powerful and huge, it engulfed several stars and spheres around, it made successive explosions and supernovae.

The people living in the stars were all destroyed and annihilated by this explosion, no one could survive this explosion.

Chapter 2437 A Kiss From Xu Leiya

The explosion was huge and felt all over the place, they knew that something bad had happened.

"Ohhh . . ." Ye Chen fell to the ground, he managed to protect and carry Xu Leiya along with himself away.

Ye Chen was just in time to teleport to a safe place, that way they could survive and the destruction, otherwise it would be difficult to endure the powerful explosion.

Blood came out of Ye Chen's back, the attack just now obviously made Ye Chen injured.

"The power of light is really bad, I'm injured" Ye Chen didn't have any resistance with light, so it wasn't strange that he was injured from the attack from Mo Xi.

The power possessed by Mo Xi was extremely dangerous, it made Ye Chen injured.

"You're okay, you're hurt pretty badly" Xu Leiya said to Ye Chen, she could see that Ye Chen's injuries were now quite severe.

Ye Chen's injury is indeed severe, his body was burnt from the explosion and some parts were blistered, judging from anywhere this is a serious injury.

"It's okay, I'm fine, this kind of injury is nothing for me" Ye Chen said to Xu Leiya.

Ye Chen tried to be strong, he endured the pain in his body.

"Even though you have obtained the inheritance of the Rhino Tank and also have the power of the True God Body Technique" Chu Yuechan could not believe that Ye Chen could still be injured from the attack just now.

That proves that the method used by Mo Xi is extremely powerful and unknown even to Chu Yuechan.

Mo Xi must have used all the inheritance from the ancestors to fight Ye Chen, so it's not strange that Ye Chen had trouble when going head-to-head with Mo Xi.

"Looks like you need to find your light power quickly, otherwise it will be troublesome to deal with Mo Xi" Chu Yuechan said to Ye Chen.

Fighting Mo Xi was very difficult, that man had the power of light which was Ye Chen's biggest weakness right now, fighting him would be a disadvantage for Ye Chen.

"do you think it's easy to find that" Ye Chen said to Chu Yuechan.

"if the legacy of darkness is in God Realm, then it should be the legacy of light here, no matter what happens you should be able to get it" Chu Yuechan told Ye Chen to get it first before going against Mo Xi.

"There is no other choice" Ye Chen understood what Chu Yuechan said, he had no choice but to do it.

"ouhhh. . ." Ye Chen shouted, Xu Leiya touched Ye Chen wound, it naturally made Ye Chen feel pain.

"This must be painful" Xu Leiya said to Ye Chen.

"I can still bear it well" Ye Chen said that he could still bear this well.

"You don't have to lie, I know that you are struggling, if it wasn't for protecting me, you would have never been hurt like this" Xu Leiya said to Ye Chen.

Xu Leiya looked sad, she had really caused Ye Chen trouble, if it wasn't for her, maybe Ye Chen wouldn't have gotten hurt.

Ye Chen protected Xu Leiya with his body, that's what got him hurt quite badly.

Ye Chen looked towards Xu Leiya.

"It's okay, I'm doing this because I want to save you, you are quite a valuable" Ye Chen said to Xu Leiya.

"Ehhh. . ." Xu Leiya was surprised by Ye Chen's words, her face turned red when she listened to what Ye Chen said.

"Is that so. . ." Xu Leiya looked shy when talking to Ye Chen, she was really embarrassed by Ye Chen.

"Of course, you are quite helpful and kind to me" Ye Chen said to Xu Leiya.

Xu Leiya was very happy to hear this, she didn't expect that she would be so useful to Ye Chen.

Xu Leiya smiled very beautifully, she was really happy with Ye Chen's words.

"Let's treat your wound first" Xu Leiya said to Ye Chen.

Xu Leiya took Ye Chen to find a new place to live, in this situation, the two of them could not live in the same place and decided to find a safe place for Ye Chen.

The territory of Da Dolu was a dangerous place for Ye Chen, so they went to the Empress of Night's place, as it was a place that might be safer for them.

Xu Leiya found a good place at the edge of the city, this was a good place for them to rest.

Xu Leiya started helping Ye Chen heal, she used everything she could to help Ye Chen heal.

The wound Ye Chen had was quickly treated by Xu Leiya, she treated Ye Chen very well and Ye Chen's wound was completely taken care of by Xu Leiya.

"Thank you very much" Ye Chen thanked Xu Leiya.

"Um... ." Xu Leiya understood, she was happy to help Ye Chen.

Xu Leiya sat beside Ye Chen, the two sat next to each other and looked awkward.

"what's wrong with this situation" Ye Chen felt uncomfortable with the situation, he felt awkward when Xu Leiya stopped talking.

"it's . . ." Ye Chen decided to start another conversation with Xu Leiya.

"hug. . . ." Xu Leiya suddenly hugged Ye Chen.

"What's wrong?" Ye Chen asked Xu Leiya.

"I just want to hug you for a while" Xu Leiya said that she wanted to hug Ye Chen for a while.

Ye Chen understood, he reached out one hand to hug Xu Leiya's back.

"Thank you very much, you helped me too much" Xu Leiya was very grateful to Ye Chen, Ye Chen had helped Xu Leiya a lot.

"It's only natural that I help you, I won't let you suffer" Ye Chen said to Xu Leiya.

Xu Leiya stared at Ye Chen using a gaze filled with love and admiration.

"He's too cool, I can't take my eyes off him." Xu Leiya could not take her eyes off Ye Chen.

According to Xu Leiya Ye Chen was very cool, from his appearance and nature, Xu Leiya really liked everything.

Xu Leiya brought his face closer to Ye Chen and started to kiss Ye Chen.

Xu Leiya took the initiative to do so, she kissed Ye Chen in front of her with everything she had.

Ye Chen did not want to disappoint the goddess in front of him, he naturally welcomed the kiss given by Xu Leiya.

The two kissed and they went to another level.

Ye Chen began to help and guide Xu Leiya, he began to intertwine his tongue with Xu Leiya.

Xu Leiya is a smart woman, she naturally understands what Ye Chen is doing, she can easily cooperate with Ye Chen and start to get pleasure.

The two continued to intertwine together and enjoy each other's lips.

"emmm" Xu Leiya began to be helpless, he began to be helpless when their tongues were entangled together, this feeling was too strong for Xu Leiya.

After a few long minutes, Xu Leiya finally gave up, she broke away from Ye Chen.

"ahhh, this is too good" Xu Leiya said to Ye Chen.

"Your lips are also very delicious" Ye Chen said to Xu Leiya.

Xu Leiya's face turned red as he listened to what Ye Chen said, she was really happy with what Ye Chen said.

Xu Leiya ignored Ye Chen's wound, she hugged Ye Chen wholeheartedly.

"Slow down a bit" Ye Chen said to Xu Leiya, he told Xu Leiya to slow down.

"Fufufu, I was too excited, I'm sorry" Xu Leiya apologized, she was too excited.

Chapter 2438 Problems And Information

Xu Leiya was unwilling to let go of Ye Chen, she was too passionate about Ye Chen.

Ye Chen was happy, he could only let Xu Leiya do what he wanted.

Ye Chen hugged Xu Leiya and started to rest, he was really happy when he saw a beautiful woman accompanying him like this.

Ye Chen needed to rest for a while, he would definitely recover after resting.

Xu Leiya looked at Ye Chen, she was really happy when she saw Ye Chen who was in her arms, this was very pleasant for Xu Leiya.

"How lucky I am to meet him" Xu Leiya was lucky to meet Ye Chen, she really met a good and great person.

Xu Leiya made sure Ye Chen rested to recover his strength, this was something Xu Leiya could do.

.

.

Meanwhile elsewhere Shen Niang went to a place that no one knew about, this was the most secret place that almost no one knew about.

"Is this the place, quite far too" Shen Niang did not expect that the place she was looking for was in a place like this.

It took him quite a while to get to this place, and it was tiring.

Shen Niang finally arrived at this place, she finally arrived at the place where Di Clan was located.

"Who are you, how did you get to this place?" Several people came to stop Shen Niang.

"Calm down, I came peacefully" Shen Niang said that she came peacefully.

"who are you?" They saw Shen Niang and wanted to know who Shen Niang really was.

"My name is Shen Niang, I am familiar with your first ancestor, so there is no need to be too wary of me"
Shen Niang took out an emblem, he took out the emblem and started to show everyone who he was.

"No way, it's a sign for those who are related to our clan" They finally believed what Shen Niang said.

"What is your purpose in coming here" they asked Shen Niang's purpose.

"I just wanted to see you clan, you clan look really bad" Shen Niang just wanted to see how her brother's clan used to be.

"That's bad, we have declined a lot, since that time, our Clan was hunted down by that bastard Mo Xie"
They said that they had been hunted down by that bastard Mo Xie until their Clan was completely destroyed.

In fact, there were only a few of them left and some had to live in exile and might have changed their surnames.

Shen Niang was really angry when she heard this, she really couldn't accept what happened.

"I am sorry for you guys" Shen Niang said that she was sorry for Di Clan.

"Thank you very much, please come with us" they said to Shen Niang, they welcomed Shen Niang well.

Shen Niang was of course gracious, she came along with all of them.

"I came here to ask you something, do you know what the successors of Mo Clan are doing, they seem to be planning something?" Shen Niang asked the people in this place.

"They are planning to destroy the wall at the expense of all the souls in Demon God Realm and God Realm, we don't really know much about it, it is a really terrible item, I think it should be finished soon and they will destroy the dividing wall made by Sage God" the leader of Di Clan said to Shen Niang.

"Can you explain it in detail" Shen Niang was interested, it seemed like coming to this place was the right thing to do.

They must know the plan of Mo Xi, that's why Shen Niang had to find out everything.

"For generations, Mo clan generation made an object to destroy the boundary wall, they did all kinds of things to do so, until they found a way, they made a huge cannon with terrifying destructive power."

"But to use it requires really too much power, it takes at least an Infinity power stone, and all the human souls here to use it" he said to Shen Niang.

Shen Niang's face darkened as she listened to what happened, she honestly became worried as she listened to what happened.

"That madman, he's really too dangerous" Mo Xi's ambition is too much, this is really not good for the lives of all beings in the world.

If not stopped, then the life in this place will be wiped out.

"According to our sources, he is trying to reduce the strength of the barrier, it is certain that he will succeed in doing so" the Di Clan leader said to Shen Niang.

"Please tell me everything, I must stop him" Shen Niang told the Di Clan leader, she needed everything to fight Mo Xi.

"Mo Clan's enemy is our friend, I will give you everything" They are not suspicious of Shen Niang, they can feel that Shen Niang is a friend and they will give all the information they know to help Shen Niang.

.

.

Meanwhile Lu Hanna is currently having a headache, her territory was attacked by a group of unknown people and some of us were destroyed.

"This is a huge loss for us, who did this, we must retaliate" Lu Hanna was really angry, she couldn't contain her frustration when she saw important cities destroyed by unknown people.

"Please calm down" Xun Zhilin and several people were already standing in front of Lu Hanna they all looked down and were helpless when listening to the words from Lu Hanna.

"I can't stay silent" Lu Hanna said that she couldn't stay silent, she couldn't stay silent when she saw the terrible destruction.

"Do either of you know who the culprit is?" Lu Hanna said to Xun Zhilin and the women in front of her.

"We think it's a the deeds of Da Dolu, he seems to have started planning to seize the territory completely" Xun Zhilin gave a report that he could accept.

Xun Zhilin was a highly intelligent person, so she could easily find the information she wanted.

"That person. . ., it seems like he is ready to completely tear up the peace agreement with me" Lu Hanna couldn't help herself, Da Dolu wanted to end the peace agreement.

All this time the two of them were fighting underground, but it seemed like Da Dolu became more aggressive and started to send strong men to gradually destroy Lu Hanna.

"Why don't we just attack them and make war" a woman said to Lu Hanna.

This woman was Dian Rouer, she was the woman who had talked to Xun Zhilin back then, she was one of Lu Hanna's right-hand men and became one of his confidants.

"It's impossible, with our condition, waging a war will have an impact on us, at least our strength might not be enough to fight Da Dolu" Xun Zhilin said.

The forces amassed by Da Dolu were already quite strong, it was evident when he tried to invade God Realm when it was in disaster, for Dongfang Xiu and Sun Xuanyin to stop them, otherwise it was possible that they could successfully take control of some of God Realm's territory.

"We will start gathering our strength too" Lu Hanna gave an order, she told them all to gather their strength.

"You want to do battle with Da Dolu?" they were all surprised by what Lu Hanna said.

"There is no more compromise on this matter, we must all work together to do it" Lu Hanna said to Xun Zhilin and Dian Rouer.

Lu Hanna would not compromise anymore, she had to fight back as she had no choice.

Chapter 2439 Fan Haunyi

Lu Hanna was really serious, she didn't hold back and prepared for the worst to happen.

"we understand" they all could understand what Lu Hanna wanted, they started to move and began to gather strength.

"I won't lose to you" Lu Hanna will make sure that she won't lose, she won't lose to Da Dolu.

"Boom. . ." a huge storm occurred outside, wind rain and lightning echoed around this place.

"Ye Chen woke up due to the heavy rain, he saw Xu Leiya still beside him and accompanying him.

Ye Chen waved his hand, instantly the window closed, the cold air stopped coming inside.

"This night is really unpleasant" Ye Chen felt uncomfortable, he felt that this night was uncomfortable for him.

He felt that something bad was about to happen, that's why he was uncomfortable when looking out.

"You're awake." Xu Leiya saw that Ye Chen was awake.

"um.., it's raining outside and there's a terrible storm" Ye Chen said to Xu Leiya.

"You're right, I feel uncomfortable with this" Xu Leiya said to Ye Chen, she also felt uncomfortable with this.

"What do you think might happen ?" Ye Chen said to Xu Leiya.

"I hope it's not something bad" Xu Leiya hoped that nothing bad would happen.

"I hope so" Ye Chen said to Xu Leiya.

Ye Chen didn't really like bad situations, he wanted to rest and enjoy his time.

...

Meanwhile outside deep in the forest, there was a group with a hundred members lurking towards the city.

They seemed to be planning something bad, it could be easily seen from their movements.

"Our goal is to destroy this city, be sure to destroy all the buildings in this place" the group leader said to destroy this place to the ground.

"Ready, understood" everyone understood, they were all ready to do it.

"Very good, I hope you are ready, we will party and listen to the desperate screams of the people inside the city" the leader said to everyone behind him.

"Yes. . ." Everyone seemed very excited, they were all really too excited when they heard this.

"Let's go ahead and start destroying everything" They drove towards the city and started making damage.

"Boom. . ." the first explosion occurred, this explosion could be heard by everyone and screams filled this place.

"What is that sound" Xu Leiya asked Ye Chen, she was listening to a terrible sound in the direction of the city.

Ye Chen and Xu Leiya were outside the city, so they didn't know what was happening inside the city.

Ye Chen confirmed what was happening, when he confirmed what was happening, he found out that there was a massive attack in the city and a lot of people were trying to save themselves from the explosions and attacks.

"It looks like the city was attacked by a group of unknown people" Ye Chen said to Xu Leiya.

"What is their situation, are they okay" Xu Leiya asked Ye Chen.

"Their situation is bad" Ye Chen said that their situation was bad, they had no chance of winning, their opponents seemed very strong and very terrible, there was no way they could win the battle.

"We should help them" Xu Leiya said to Ye Chen.

"Of course, I don't want to stay in this place either" Ye Chen said to Xu Leiya.

"but your wound" Xu Leiya said to Ye Chen, Ye Chen's wound was still healing.

"It has recovered quite a lot, I used the best herbs, so it should be enough to fight" Ye Chen said to Xu Leiya.

"I don't care who they are, they have disturbed me, I will make them pay for what happened" Ye Chen said that he would make them pay for what happened.

"It looks like they will get into trouble, I think they will be destroyed" Xu Leiya said to Ye Chen.

"Let's go" Ye Chen said to Xu Leiya, the two of them walked out of the house and started their journey to the city.

Ye Chen used wind power to get rid of the rain, by using wind power he easily got rid of the rain in the city.

"What is it. . ." everyone realized that the rain had been chased away by someone, they all realized that someone was chasing the rain around.

Moments later, the figure of Xu Leiya appeared, he saw a hundred people who were creating chaos in this place and committing murder.

"You guys . . ., I will defeat you all" Xu Leiya did not say much, he said that he would defeat them all.

"Where did this woman come from, hurry up and catch her, I will make her a toy, her appearance is not bad either" the group leader ordered the men to catch Xu Leiya.

This man was attracted by Xu Leiya's beauty.

"Understood, lower that woman for our boss" they all started heading towards Xu Leiya, they wanted to lower Xu Leiya and make her their item.

Xu Leiya's purple eyes shone, she immediately made everyone shut up and not attack her.

"What are you guys doing, quickly attack her" The leader gave the order, he gave the order to attack Xu Leiya.

They all didn't listen to what their leader said, they had been mesmerized by Xu Leiya's beauty, and they were now under Xu Leiya's control.

"From now on you all attack each other among yourselves" Xu Leiya gave an order, she gave an order to attack each other.

Hearing the order from Xu Leiya, they all immediately attacked, they all immediately attacked their friends using full power.

"What are you doing ?" they didn't understand, why would their own friends attack them, this was something that didn't make sense to them.

Xu Leiya had thrown this army into chaos, he was truly an expert in creating chaos.

"You are all useless, how could you all fall for that woman's tricks" their leader was angry when he saw them fall for Xu Leiya's tricks.

The squad leader was Fan Haunyi, they were mercenaries who would do as they were told as long as they were paid well.

Fan Haunyi looked at Xu Leiya, he knew that his troops were being controlled by Xu Leiya.

"You control them, that means I only need to defeat you" Seeing this, Fan Haunyi decided to take Xu Leiya down, as long as he could take Xu Leiya down then it would be done.

Fan Haunyi confidently went towards Xu Leiya, he intended to attack and knock Xu Leiya down.

Xu Leiya used her Charm, she intended to attack Fan Haunyi by using the Charm.

"I won't let you" Ye Chen said to Fan Haunyi.

"Chen " Xu Leiya asked Ye Chen, she was quite worried about Ye Chen's condition.

"I can handle this" Ye Chen said that he could handle this one person.

"If that's what you want, I'll do it" Xu Leiya understood.

Xu Leiya started to overcome the rest of the people around this place, she used charms to control them and started to make them fight with each other.

With this, they started fighting and started destroying each other.

This scene was quite confusing for those who didn't know what was happening.

"What exactly happened to this place" many people didn't understand why they were fighting each other.

Xu Leiya controlled the battlefield well, he was too dominating in the battle.

Chapter 2440 Xun Zhilin Asked Ye Chen To Come With Her

"argh . . ." they began to become exhausted while fighting against their own comrades and fell helpless.

"That's perfect" Xu Leiya had solved her problem, she had made them unable to fight back and they were completely rendered helpless by the overpowering Charm.

Xu Leiya was beginning to realize her power, she knew that her power was too strong and had to be careful when using it.

"Move aside" Fan Haunyi tried to get rid of Ye Chen, he did his best to get rid of Ye Chen, using all the power to get rid of Ye Chen.

Ye Chen parried all the attacks Fan Haunyi launched, he did well and didn't let Fan Haunyi create a wider mess.

"Damn. . . " Fan Haunyi couldn't get past Ye Chen, he could only watch his army self-destruct.

"I really don't like this situation" Fan Haunyi did not like the situation that was happening.

"I'd better change" Fan Haunyi began to show his true form, where several eyes began to appear on his forehead and his hands became six pieces, plus his body became muscular and began to become taller.

Four large horns appeared on Fan Haunyi's head, showing who Fan Haunyi was now.

"I have used the strongest form I have, you will soon be wiped out from this world" Fan Haunyi said to Ye Chen.

Fan Haunyi had shown the strongest form he had, he could eliminate Ye Chen easily.

Fan Haunyi began to make a spear using the power of darkness he possessed.

A dark spear appeared in Fan Haunyi's hand.

"It's ready to be destroyed, bastard" Fan Haunyi said to Ye Chen.

"Who are you calling a bastard, ugly creature?" Ye Chen replied to Fan Haunyi.

Fan Haunyi stared at Ye Chen with a super sharp gaze, he was really angry.

Fan Haunyi disappeared, he moved at an incredible speed and reappeared right in front of Ye Chen's body.

"Die. . ." Fan Haunyi stabbed a spear towards Ye Chen.

Fan Haunyi was aiming for Ye Chen's head, from this close distance, Ye Chen should have no chance to dodge.

"Die" Fan Haunyi said to Ye Chen.

"Ding. . ." the attack from Fan Haunyi landed on Ye Chen's body, the attack landed right on Ye Chen's head.

Fan Haunyi smiled, he had successfully defeated Ye Chen.

"You don't know the difference in our strength, you're such a fool, you're still not worthy of fighting me" Fan Haunyi said to Ye Chen.

Fan Haunyi already felt victorious against Ye Chen, he was a winner and Ye Chen was a loser.

Ye Chen reached out his hand and began to hold the black spear in Fan Haunyi's hand.

He crushed the spear with just a small grip.

"Huh?" the triumphant smile Fan Haunyi had disappeared, now Fan Haunyi was filled with shock as he watched Ye Chen destroy his attack.

"No way, did I just dream, he destroyed my demon king spear, that shouldn't be possible" Fan Haunyi was confused, he couldn't believe that Ye Chen could do such a thing.

Destroying the spear in Fan Haunyi's hand was one of the impossible things to do, it was an absolute impossibility for Fan Haunyi.

"I'll show you the difference in our strength, you'd better be prepared" Ye Chen replied to the words from Fan Haunyi, Ye Chen was going to show the difference in their strength.

"Bam. ." Ye Chen punched Fan Haunyi in the stomach,

Instantly Fan Haunyi spurted blood from his mouth in terrifying amounts.

"No way, my body should be tougher than Tier 10 armor now, but why am I injured?" Fan Haunyi couldn't understand why he was still injured after using his strongest form.

"Don't you understand, this is a difference in strength" Ye Chen told Fan Haunyi.

"No way, this can't be happening" Fan Haunyi couldn't believe it, he couldn't believe that he and Ye Chen had this much power difference.

"So you can't accept the reality of what happened, accept this reality" Ye Chen attacked Fan Haunyi, he launched a sharp attack at Fan Haunyi.

"uhhh. . ." Fan Haunyi coughed up blood, Ye Chen's attack destroyed his internal organs, this was very severe.

"I lost, this can't be happening" Fan Haunyi couldn't accept this, he couldn't accept seeing Ye Chen being able to defeat him so easily.

"Bamm . . ." Ye Chen launched a finishing attack towards Fan Haunyi, he was instantly knocked unconscious when receiving Ye Chen's attack.

"okay, done" Ye Chen had finished, he had finished defeating Fan Haunyi.

Xu Leiya was also almost done, she defeated Fan Haunyi's army.

"okay, I'm done" Xu Leiya said to Ye Chen, she told Ye Chen that she was also done.

"Good job" Ye Chen said to Xu Leiya.

Both of them managed to save the city, they were heroes who saved the city.

A lot of people thanked Xu Leiya and Ye Chen, they both said the city wasn't destroyed.

"You guys" during their situation, they had guests, one was Xun Zhilin and the other was Dian Rouer.

"What are you doing in this place ?" Ye Chen asked Xun Zhilin.

"I'm here to provide assistance" Xun Zhilin told Ye Chen, she wanted to help the city that was attacked.

"But it looks like everything is done" Xun Zhilin saw that the city was safe, Ye Chen along with Xu Leiya had taken care of the problem.

"What an interesting man" Dian Rouer looked at Ye Chen, she was very interested in Ye Chen.

It's not strange that the empress is very interested in the boy in front of her, this man is indeed quite interesting.

"I happened to be here and they attacked me, so I paralyzed them all" Ye Chen said to Xun Zhilin.

"I understand your situation, can you come with me for a while" Xun Zhilin asked Ye Chen to come along with her.

"Where to?" Ye Chen asked Xun Zhilin.

"Come with me for a while, you will know" Xun Zhilin said that Ye Chen would know soon.

"Sister Rouer, I leave this here to you" Xun Zhilin said to Dian Rouer.

"Understood, I will take care of the trash here" Dian Rouer understood, she would take care of the trash that wanted to destroy the city.

"Let's go. . ." Xun Zhilin invited Ye Chen and Xu Leiya.

Ye Chen and Xu Leiya followed right behind Xun Zhilin's body.

"Where is she taking us?" Xu Leiya asked Ye Chen, she wanted to know where Xun Zhilin would take them.

"I don't know, but she definitely wants to take us to an important place" Ye Chen told Xu Leiya.

"I hope she doesn't take us to a bad place" Xu Leiya hoped that they wouldn't be led to a dangerous place.

"she can't possibly do that" Xun Zhilin wouldn't do such a thing to Ye Chen.

Xun Zhilin brought Ye Chen to a place, more precisely she brought them to the palace.

"palace, who do you think we will meet" Xu Leiya was curious as to who they would meet.

"I think we will meet an important character" Ye Chen was sure that they would meet an important character.

"Here we are, Ye Bai, come with me, I will take you to her" Xun Zhilin said to Ye Chen.

"Got it" Ye Chen understood, he took Xu Leiya's hand and entered together with Xu Leiya.

They entered into a room, inside there was someone waiting for them.

A beautiful woman was waiting for them inside, she was surprised when she saw Ye Chen walk in.

"Ehhhh. . ." the beautiful woman yelled at Ye Chen.
