Chapter 2441 Find Out Lu Hanna's True Identity

"Why are you here, what is the meaning of this?" the beautiful woman asked Ye Chen.

"I should be the one to ask that, why are you here, who exactly are you ?, it can't be a begging woman wearing royal robes and a crown on the head" Ye Chen said to Lu Hanna.

The beautiful woman in front of Ye Chen was Lu Hanna, she now looked very beautiful, there was no longer anything covering the beauty she had.

Lu Hanna was speechless as she listened to Ye Chen's words, she wouldn't be able to deny what Ye Chen said.

"So how long are you going to keep quiet and explain everything to me" Ye Chen said to Lu Hanna, he asked Lu Hanna to explain everything.

"I . . ." Lu Hanna said to Ye Chen, she was getting confused on how she should explain to Ye Chen.

Lu Hanna looked towards Xun Zhilin, she asked Xun Zhilin for help.

"Huft. . ." Xun Zhilin sighed, she had to help the empress to explain everything that happened.

"Mr. Ye Bai, she is the ruling empress of this place, you can call her Empress of Night" Xun Zhilin spoke and told Ye Chen.

Xun Zhilin started to explain to Ye Chen, she told him who Ye Chen really was.

"You are the Empress of Night, surprisingly enough. . ." Ye Chen didn't expect that Lu Hanna had another surprising identity.

"That's right" Lu Hanna told Ye Chen, she no longer needed to hide everything to Ye Chen.

"It's not strange that your strength is so high, so that's the case" Xu Leiya finally understood why Lu Hanna had such high strength, it was her origin.

"Sorry for not telling you" Lu Hanna apologized to Ye Chen.

"It's okay, you must have your own problems" Ye Chen was sure that Empress of Night had her own problems.

"That's right, I have my own problems" Lu Hanna did have her own problems.

"So why are you doing at my place?" Lu Hanna asked Ye Chen, she wanted to know why Ye Chen was brought to her place.

"He did a good thing, he helped the town that was about to be destroyed" Xun Zhilin told Lu Hanna about what Ye Chen had done.

"So that's it, you helped my people, I am very grateful to you" Lu Hanna thanked Ye Chen.

"It's okay" Ye Chen told Lu Hanna, he told her that he did this out of humanity.

Lu Hanna smiled at Ye Chen, she was happy to hear this.

"may I ask, what is your relationship?" Lu Hanna started to look at Ye Chen and Xu Leiya, she could see that the two of them were holding hands even in her room.

Xu Leiya's face turned red when she heard Lu Hanna's direct question.

"We... . ." Xu Leiya stuttered when she wanted to answer Lu Hanna's question.

"She is my woman" Ye Chen said to Lu Hanna.

Ye Chen immediately admitted his relationship.

Lu Hanna and Xu Leiya were shocked by this, even Xun Zhilin was speechless when she listened to this matter.

"I see" Lu Hanna smiled at Ye Chen, her smile was sharp enough to make Ye Chen uncomfortable, it could probably kill Ye Chen easily.

"You really are a playboy" Lu Hanna said to Ye Chen.

"How can you say that" Ye Chen asked Lu Hanna,

"Isn't it obvious?" Lu Hanna said to Ye Chen.

"Fufufufu" Xu Leiya smiled at Ye Chen and Lu Hanna, she could see that Lu Hanna was jealous.

"She seems to be jealous..." Xu Leiya whispered to Ye Chen, she told Ye Chen that Lu Hanna.

"No way. . ., she probably has no interest in me and just wants to investigate me" Ye Chen realized the purpose of Lu Hanna, she just wanted to investigate Ye Chen and have fun with Ye Chen.

"You should know the charisma you have" Xu Leiya said to Ye Chen, Ye Chen had good charisma as a male, women could definitely be easily attracted to Ye Chen,

Even if it was someone like Lu Hanna, she would also be attracted to Ye Chen.

"I don't know. ." Women were complicated, even Lu Hanna seemed complicated and Ye Chen didn't know what she was thinking.

"Ye Bai, did you defeat the people who attacked my town" Lu Hanna asked Ye Chen.

"Yes, I did" Ye Chen told her that he did.

"Thank you so much for doing that, it seems like my territory is getting worse, Da Dolu is getting more aggressive and wants to take me down immediately" Lu Hanna told Ye Chen.

"Is it Da Dolu's doing?" Xu Leiya asked Lu Hanna.

"Of course, no one else wants me to fall, plus we were supposed to sign a peace treaty for a while, but it seems like he is not happy and wants to start the battle" Lu Hanna's tone seemed helpless, she was really having trouble when talking about this.

"Do you need help" Ye Chen offered Lu Hanna some help.

"ehh. . .?" Lu Hanna was surprised when she heard Ye Chen.

Ye Chen wanted to help Lu Hanna, this of course was inconceivable to Lu Hanna.

"Why do you want to help me" Lu Hanna asked Ye Chen.

"You seemed to be in trouble, so I offered to help" Ye Chen told Lu Hanna.

"Is it just like that, I can't believe that you offered to help because of something like that, it's really too strange" Lu Hanna said to Ye Chen.

"Do you not believe me?" Ye Chen asked Lu Hanna.

"Of course I do, you don't look dangerous" Lu Hanna said to Ye Chen, she told him that she believed Ye Chen.

"Then there's no problem then" Ye Chen said to Lu Hanna.

"You are really too kind, you have to be careful you might be taken advantage of" Lu Hanna said to Ye Chen.

"Do you want to take advantage of me?" Ye Chen smiled at Lu Hanna.

"That doesn't seem possible, I would have a hard time doing that" Lu Hanna said that she would have a hard time doing that.

"I won't let you do that" Xu Leiya said to Lu Hanna, she wouldn't let Lu Hanna do that.

Lu Hanna looked towards Xu Leiya, both of them looked intensively.

There was a terrifying aura around them, they looked ready to do battle.

"Horrible, once" Xun Zhilin looked at Lu Hanna as well as Xu Leiya, she was horrified when she saw the battle between the two women to get Ye Chen.

Ye Chen smiled as he saw what happened, he was really shocked when he saw what happened to Lu Hanna and Xu Leiya.

"Don't fight already" Ye Chen pulled Xu Leiya.

Xu Leiya was pulled back by Ye Chen, it's not good to keep fighting with Lu Hanna.

"I understand, I will listen to you" Xu Leiya said that she would listen to what Ye Chen said.

Xu Leiya hugged Ye Chen, she hugged Ye Chen intimately.

Lu Hanna looked at Ye Chen and Lu Hanna, she was really jealous when she saw how Xu Leiya was flirting with Ye Chen.

Lu Hanna got up from her chair, she rushed to Ye Chen's side, Lu Hanna started to hold Ye Chen's left hand, while Ye Chen's right hand was held by Xu Leiya.

"I won't let you monopolize him alone" Lu Hanna said that she wouldn't let Xu Leiya get Ye Chen alone.

Chapter 2442 Teamed Up With Lu Hanna

"what are you doing?, quickly release him now" Xu Leiya told Lu Hanna to immediately release Ye Chen.

"What's your problem? ,he didn't seem to mind when I hugged her, so you can't complain to me" Lu Hanna replied to Xu Leiya.

The two of them fought each other and began to stare at each other with eyes that could kill anybody.

"It looks like you really are in serious trouble." Xun Zhilin felt sorry for Ye Chen, she felt sorry when she saw Ye Chen who was in trouble.

"Can you guys get along better" Ye Chen told Lu Hanna and Xu Leiya to get along better.

"he started it first" Xu Leiya said to Ye Chen, he told Lu Hanna the first to start it.

"Why me, weren't you the first to start showing intimate things in front of me" Lu Hanna replied.

Lu Hanna did not want to lose to Xu Leiya, that was why he went against Xu Leiya's words.

"want to fight with me" Xu Leiya challenged Lu Hanna, she wants to meet with Lu Hanna.

"Do you think I will be afraid of you" Lu Hanna not afraid, of course accepted the challenge from Xu Leiya.

"Oh my, can anyone help me" Ye Chen asked for help, both of them were so troublesome.

Xun Zhilin retreated slowly, she didn't want to interfere in this matter.

she felt that she would not be able to meddle in matters between two women with high levels of power and positions that were equally strong.

"It's better to retreat, I won't be able to survive if I get dragged along." Xun Zhilin was a wise woman, she knew that she couldn't win, that's why she decided to retreat.

"Stop it, let's talk about something else" Ye Chen said to Xu Leiya and Lu Hanna.

There are more important problems, so he separated the two and hugged them in each arm.

"understood, since you said it like that, I will cooperate with you" Xu Leiya and Lu Hanna finally agreed to cooperate.

Ye Chen asked Lu Hanna, he needed Lu Hanna to explain everything.

Lu Hanna explained everything, she explained Da Dolu's strength and territory, she didn't even hesitate to tell Ye Chen what troops Da Dolu had.

"It won't be difficult, as long as you are willing to cooperate, I will help you." Ye Chen said that he would help Lu Hanna.

"Thank you very much" Lu Hanna was very grateful to Ye Chen.

Lu Hanna didn't know where Ye Chen's confidence came from, for sure it was making Lu Hanna become confident to win the battle.

The two decided to work together and have agreed with each other.

"but before that we have to recover you first" Xu Leiya said to Ye Chen, she needs Ye Chen to recover.

"then I also want to practice, it seems I need to break through." Ye Chen felt that he needed more strength, he needed a lot of strength to fight against Mo Xi.

"I see, we'll start slowly, I'm also gathering strength, we will definitely be able to take them down" Lu Hanna said that she would help Ye Chen.

"Thank you for understanding" Ye Chen thanked Lu Hanna for understanding .

They had made a deal, this way Ye Chen would assist Lu Hanna in fighting Da Dolu.

Ye Chen together with Xu Leiya headed inside the fairy gate.

Xu Leiya was quite surprised when she and Ye Chen entered the fairy gate, What made Xu Leiya surprised was the pure energy in this place, the pure energy in this place was really amazing.

"Why did you bring me to this place?" Xu Leiya asked Ye Chen.

"This is a good opportunity for you to practice, you need practice too" Ye Chen said to Xu Leiya.

"But . . ." Xu Leiya wasn't sure if she could do anything, as Ye Chen.

"Do as I said" Ye Chen told Xu Leiya to do as he said.

"Yuechan, please teach her and give her some good skills that are in this place, the most suitable choices to be useful with the charm of the goddess of love?" Ye Chen said to Chu Yuechan.

"Understandably, I will definitely make her a strong woman, are you ready" Chu Yuechan said to Xu Leiya.

Xu Leiya looked at Chu Yuechan, she understood and was going to do what was right.

Xu Leiya could only obey right now, she also wanted to become strong and help Ye Chen even more.

I have to break through soon, it's troublesome if I don't break through to a higher level soon.

Ye Chen's goal now is to rise to the Immortal Rebirth Realm level, as long as he is inside the gate of leaving, he can increase his strength level to reach the Immortal Rebirth Realm level.

Ye Chen started to train hard, he was struggling with time, he must not lose to time.

"I won't lose again" Ye Chen promised that he wouldn't lose again, he wanted to become even stronger, he needed more strength, both physical and profound strength.

He had to raise everything, that was to defeat an opponent he had never fought before in this life.

"fufufufu, he is really fiery" Chu Yelan and Chu Ning'er looked at Ye Chen, they saw the struggle that was done by Ye Chen.

"how about we help master?" Chu Ning'er said to Chu Yelan.

"understood, let's train him, I want to play with my dear master" Chu Yelan and Chu Ning'er joined in the training, they trained Ye Chen really hard, they would make Ye Chen go to the next level.

On the other hand Lu Hanna prepared a strategy of her own, this time it would be her battle, so she had to prepare a strategy that would not be suspected by the enemy.

Where he is confident that he will be able to win against Da Dolu, I will defeat you and end everything" Lu Hanna will finish everything, he will make sure that he will finish everything.

Ye Chen and Lu Hanna worked hard, both of them doing the best they could right now.

.

.

Da Dolu was currently receiving the report from the scout troop, he was really furious when he heard the news in his hand.

"You are all useless, how can the mercenaries be strongly defeated easily by two people" And Dolu was furious when he found out that a strong mercenary force and spent quite a lot of resources was defeated by two people.

This is an insult to Da Dolu who has spent a considerable amount of resources to pay them.

"These two people are very strong, plus again their powers are strange, one has the power to control other people's desires and one has powerful powers" the scout told the two who had defeated the mercenaries they sent.

"Do you have any other reports?" Da Dolu said to the scouts.

"Looks like the Empress of Night is gathering strength, looks like they are preparing to battle us" Lu Hanna's movements were discovered, they already knew what was going on planned by Lu Hanna.

"So that woman has decided to start fighting with me, then prepare everything, we will prepare for battle, we set a trap that will destroy the entire female army, we make her destroyed remaining Da Dolu gave the order, he also started preparing a plan to fight Lu Hanna.

The two sides have already started their preparations, they will soon clash and there will be another battle.

The Demon Territory is indeed chaotic, there is almost no peace in this place, those who want peace will not be able to established because there are many people with evil ambitions like Da Dolu.

Chapter 2443 Ye Chen And Xu Leiya Started To Train

They are all ready to prepare for their battle and become the victor to make their territory better.

Lu Hanna and Da Dolu's moves naturally caught the attention of the entire group, they were interested in who would win, they bet on who would win in this battle and intended to increase their territory as well.

Everyone has their own goals, they have their own goals and want to be the best.

Ye Chen trained together with Chu Yelan and Chu Ning'er, both of them trained Ye Chen hard, even the usually gentle Chu Ning'er was quite harsh on Ye Chen.

"Big brother, you are too easy to attack, you should be more aware of your surroundings" Chu Ning'er said to Ye Chen.

Chu Ning'er possessed lightning-like speed, her speed was even higher compared to Chu Yuechan.

"That's because you have fast speed." Ye Chen said to Chu Ning'er.

Chu Ning'er's speed gave Ye Chen trouble, that's why he really had a hard time against Chu Ning'er.

"That's what I mean, you are a person with lightning strength, you should be faster than me, plus you can use wind power which increases your movement speed and dodge" Chu Ning'er said to Ye Chen.

Chu Ning'er said to Ye Chen, she told Ye Chen to use the power of lightning well, lightning represented absolute speed, it could even be faster than the wind, so Chu Ning'er told Ye Chen to use lightning well.

"So that's it, I'm beginning to understand" With Chu Ning'er's explanation, Ye Chen began to understand where his mistake lay.

"Do you understand now? . ." Chu Yelan said to Ye Chen.

"I understand, I understand what you're saying, then let's begin." Ye Chen began to understand what he should do, he used the power of lightning and wind simultaneously.

"Let's start, this time will be worse than before" Chu Yelan said to Ye Chen, she told Ye Chen that she would no longer hold back.

"Ning'er no need to hold back, let's show our strength" Chu Yelan said to Chu Ning'er.

"You want to bully her" Chu Ning'er said to Chu Yelan.

"He can definitely survive, so there's no need to hold back." Chu Yelan believed in Ye Chen's strength and ability, she was sure that Ye Chen could survive.

"understood" Chu Ning'er understands, herself will do whatever is said by Chu Yelan.

"Bammmm" both of them started fighting, they showed their strength and started fighting.

Even though I've used and combine the two elements in his body, Ye Chen still finds it difficult to fight against Chu Ning'er and Chu Yelan, the difference in their strength is too far.

"I won't give up, I can definitely win" Ye Chen didn't want to give up, he believed that he could definitely win the battle.

Ye Chen was very persistent, he didn't want to give up and kept trying, he was trying to level up, even if he had to experience pain, Ye Chen would still do it.

Xu Leiya herself started training together with Chu Yuechan.

Xu Leiya had picked up a new technique, she picked up a new technique called the Divine Mirror light art.

This is a technique that can attack and protect Xu Leiya, in addition it can strengthen Xu Leiya's Charm, with this Xu Leiya can easily strengthen the use of Charm when fighting enemies, even she can use this technique to attack and defend at the same time.

"You have chosen an excellent technique, I hope you can use it well, from here I will help you" Chu Yuechan said to Xu Leiya.

"please help" Xu Leiya begged Chu Yuechan to train herself, she wanted to get better.

"very good spirits, I will help you" Chu Yuechan was going to help Xu Leiya master the Divine Mirror light art.

"I will do my best" Xu Leiya said that she would do her best, she would do the best she could do.

"Let's begin" Chu Yuechan told Xu Leiya to begin.

Xu Leiya understood, she started When she attacks, she makes a dazzling light mirror for the enemy, in this mirror is her image and everyone can see it very clearly.

After scattering the mirrors according to Xu Leiya's will, she began to scatter Charms in all directions.

Here Chu Yuechan tried to dodge and also attack Xu Leiya at the same time.

Xu Leiya hide, she used a mirror to hide her true self, only Xu Leiya's shadow could be seen.

"Not bad, but I was still able to find you easily." Chu Yuechan waved her hand, causing Xu Leiya to fly straight out of her hiding place.

And all the mirrors shattered and turned into particles.

"When you are attacked, your technique will also be destroyed, so don't get attacked by your opponent, do you understand?" Chu Yuechan said to Xu Leiya.

"I understand, I will do it one more time, please help" Xu Leiya asked Chu Yuechan to do it one more time.

Chu Yuechan understood, she kept making Xu Leiya do it until she got better.

Chu Yuechan trained Xu Leiya hard, this was probably the most rigorous training Xu Leiya had ever experienced.

Xu Leiya was able to hold on, she did everything she could to survive, and it was amazing.

Xu Leiya trained for a few days, she made rapid progress under Chu Yuechan's hands-on training.

"how are you progressing, are you having trouble" Ye Chen asked Xu Leiya.

"everything is going smoothly, this place is really great" Xu Leiya said to Ye Chen.

Xu Leiya can do everything, she can do exercises she can't done, the fairy gate has everything that Xu Leiya needs.

"How about you?" Xu Leiya asked Ye Chen, Xu Leiya wanted to know how Ye Chen was doing.

My strength may be growing, but my cultivation looks hard to improve." Ye Chen said that he still couldn't ascend, somehow he was still stuck at the peak realm of the Divine Overlord Realm.

"It's not easy to rise to a level above the Divine Overlord Realm, even I have been trapped in that realm for a long time." Xu Leiya knew very well how Ye Chen felt, Xu Leiya herself had been stuck at this level for quite a long time.

"I will not give up" Ye Chen said that he would not give up.

"Fufufufu, I will support you, I know that they will also support you" all of Ye Chen's wives will definitely support, they will definitely support Ye Chen to become stronger.

"get stronger, that is my goal" Ye Chen has a goal to get stronger, practice and practice is a must done by Ye Chen.

Xu Leiya nodded, she would also do everything to perfect the new ability she got from Ye Chen.

Ye Chen and Xu Leiya eat together, the two enjoy their time together and enjoy it all.

Their life was really good, rest time was the most comfortable time for Ye Chen and Xu Leiya, both of them could relax and be alone together without anyone bother.

Even the fairies wouldn't bother Ye Chen and Xu Leiya, they would give Ye Chen and Xu Leiya time to rest together.

Xu Leiya clung on tightly, she really enjoyed the time she had with Ye Chen, this was the best time she had with Ye Chen.

As Ye Chen was with Xu Leiya and enjoying the time, his body suddenly began to react strangely, his body becoming hot and uncontrollable.

"This is so bad" Ye Chen realized that something bad was happening to his body.

Chapter 2444 Ye Chen & Xu Leiya (1)

"What happened to you ?" Xu Leiya asked Ye Chen, she wanted to know what happened to Ye Chen.

"It seems that my condition is getting worse" Ye Chen said to Xu Leiya.

"is this the previous wound, haven't you healed" Xu Leiya said to Ye Chen.

"That's not it" Ye Chen said that this is not a wound, it seems that the Yang Qi in Ye Chen's body exploded and the amount was too much.

Ye Chen's body couldn't hold it.

"what exactly happened ?" Xu Leiya was confused by what happened, to be honest what happened made Xu Leiya confused.

"master . . ." Chu Yuechan said to Ye Chen, she checked Ye Chen's condition.

"what happened to him?" Xu Leiya asked Chu Yuechan, she wanted to know what happened to Ye Chen.

"His body is experiencing an excess of Yang Qi" Chu Yuechan said to Xu Leiya.

"You mean" Xu Leiya said to Chu Yuechan.

"You should know what I mean." Xu Leiya should already know what Chu Yuechan meant.

Xu Leiya's face turned red when she heard Chu Yuechan's words, she of course knew what Chu Yuechan was saying.

"can you help him?" Chu Yuechan asked Xu Leiya, she asked Xu Leiya to help Ye Chen.

"I . . ." Xu Leiya stuttered slightly, she was really starting to get confused by Chu Yuechan's sudden question.

"Are you in doubt?" Chu Yuechan said to Xu Leiya.

"No I have no doubts" Xu Leiya said that he had no doubts.

Ye Chen had helped her several times, how could Xu Leiya hesitate when Ye Chen needed help.

"Then there's no problem right?" Chu Yuechan said to Xu Leiya.

"should be . ." Xu Leiya looked embarrassed when she said this.

"Fufufufu, you are so cute" Chu Yuechan said to Xu Leiya, she felt that Xu Leiya was very cute.

"Please don't tease me" Xu Leiya didn't want to be teased by Chu Yuechan, that was too embarrassing.

"We don't have much time, come come with me" Chu Yuechan told Xu Leiya to come with her.

Xu Leiya followed behind Chu Yuechan, the two of them entered the Dual Cultivation Chamber, a large room with a fine and beautiful interior.

"This place ?" Xu Leiya asked Chu Yuechan.

"you two will do it in this place, get ready" Chu Yuechan said to Xu Leiya, she told Xu Leiya to get ready, because she would do it in this place.

"Understood" Xu Leiya understood, he would do it.

"I leave it to you, do your best" Chu Yuechan said to Xu Leiya, she told Xu Leiya to do her best to help Ye Chen, even though she had to do everything she could to make Ye Chen comfortable.

After handing Ye Chen over to Xu Leiya, Chu Yuechan left this place, she left this place and waited outside.

"is it alright, even though I can help her" Chu Yelan said to Chu Yuechan.

Chu Yelan could have helped Ye Chen, but she was stopped by Chu Yuechan.

"I won't let you" Chu Yuechan said that she wouldn't let Chu Yelan eat Ye Chen, not until herself first.

"You are so cheapskate" Chu Yelan said to Chu Yuechan, she felt that Chu Yuechan was stingy when it came to Ye Chen.

"Fufufufu" Chu Ning'er smiled when she saw the dispute, Ye Chen was very popular, she had made two beautiful fairies fight over and fight for him, even Chu Ning'er might also join the battle.

In the dual cultivation room, Xu Leiya looked at Ye Chen, she started to take off the clothes Ye Chen was wearing.

Xu Leiya did it slowly, she made sure that she didn't hurt or make Ye Chen uncomfortable.

"His body is quite hot, this might be because the Yang Qi in his body is too much and it is unstable" Xu Leiya summed up what happened.

Xu Leiya was shocked by the amount of Yang Qi in Ye Chen's body, the amount was really something that Xu Leiya couldn't imagine.

"Looks like it's going to be a tough battle." Xu Leiya felt that this was going to be a tough battle, how was she going to absorb Ye Chen's Yang Qi and bring him back to how it was before.

"fine I will do my best" Xu Leiya will do her best.

With persistent effort, Xu Leiya managed to remove some of Ye Chen's clothes.

Ye Chen's perfect body appeared in front of Xu Leiya's eyes, it was so perfect, Xu Leiya was excited when she saw this.

"I always want to touch him" Xu Leiya said that she always wanted to touch him, she really wanted to touch Ye Chen more and more.

Xu Leiya's fingers touched Ye Chen's growing belly and chest, this made Ye Chen feel more excited.

Xu Leiya's cold fingers had made Ye Chen more excited, Ye Chen's lower body began to stand up more and more.

Xu Leiya realized that something was rising, she saw an object rising from Ye Chen's body.

"This ? . ." Xu Leiya looked at Ye Chen's, to be honest it was huge, it was huge, what would happen if Xu Leiya took it out now.

Xu Leiya was a little hesitant to do it, but she had to do it, she had to start helping Ye Chen.

With a bit of courage, she opened a thing that was hidden behind the cloth, when it was opened something big appeared in Xu Leiya's eyelids.

"What ! ! !" Xu Leiya couldn't show surprise, she saw a huge thing.

"no way, he has very good capital" Xu Leiya had to admit that Ye Chen has something too good, this can't possibly be compared to a normal man.

"I didn't know it could grow this big" Xu Leiya didn't know it could grow this big, it might be said to be the size of a monster.

"what will happen next, whether I can survive or not" Xu Leiya wanted to know whether she could survive or not, this was far from her expectations.

"I can't give up, I have dedicated myself to Ye Chen, I will do it, that way I can completely become his woman" Xu Leiya would not back down, she would step forward and show determination in getting Ye Chen.

Xu Leiya's spirit was already burning, she was really serious about doing it and there was no turning back like Xu Leiya.

Xu Leiya stretched out her hand towards Ye Chen's younger brother.

she started to touch and started to comfort Ye Chen by using her hands.

"it's big, one hand can't cover it" Xu Leiya couldn't cover Ye Chen's thing with just one hand, she had to use both hands to help Ye Chen.

"Ummm . ." Ye Chen started to react when he got help from Xu Leiya, he felt comfortable when he received help from Xu Leiya.

"It looks like it's working" Seeing that Ye Chen was starting to get excited, Xu Leiya started to do it more seriously, she used everything she could to make Ye Chen comfortable.

Ye Chen clearly felt what Xu Leiya was doing, he felt excited and started to reach out towards Xu Leiya.

Ye Chen didn't know who was in front of him, He felt very thirsty and wanted to taste Xu Leiya immediately.

"ahh . . ." Xu Leiya was surprised by what Ye Chen did, to be honest she didn't expect that Ye Chen would pull and start kissing her quite roughly.

Chapter 2445 Ye Chen & Xu Leiya (2)

"wait a minute" Xu Leiya said to Ye Chen, she told Ye Chen to be more patient.

Too bad Ye Chen didn't listen to what Xu Leiya said, he lose control and started to destroy Xu Leiya's clothes.

Xu Leiya didn't have the chance to withstand Ye Chen's strength, her clothes were crushed by Ye Chen easily.

"Impossible . ." Xu Leiya tried to cover her body, she felt that Ye Chen was really rougher, she was like a monster that wanted to devour Xu Leiya.

Xu Leiya is now like a little rabbit meeting a monster, she has no chance of winning.

"wait a minute" Xu Leiya said to Ye Chen, she was trying to restrain Ye Chen.

Xu Leiya used her charm to restrain Ye Chen, she used all her strength to charm Ye Chen.

Even though he had used all of his strength, Ye Chen was not affected, he kept pulling Xu Leiya and did not let Xu Leiya go.

Xu Leiya was completely cornered, she wouldn't be able to fight against Ye Chen, the difference in their strength was too far, she also didn't have a chance to escape from Ye Chen's evil clutches.

Ye Chen started to touch Xu Leiya's double peaks, he touched and squeezed them firmly.

"Ahh. ." Xu Leiya couldn't hold back her voice anymore, what Ye Chen did was too powerful, she made Xu Leiya scream and quickly reached happiness.

"what is this, this is too strong. . ." Xu Leiya's body trembled, the feeling just now was too strong, this feeling Xu Leiya couldn't hold back.

Xu Leiya was quickly beaten by Ye Chen, she didn't have any strength left to fight back.

"umm . . ." Ye Chen would not let Xu Leiya rest, he directly picked up and kissed Xu Leiya, he stimulated the secret garden owned by Xu Leiya.

"No, where did you touch . . ., uh . . ." Xu Leiya was attacked by Ye Chen, her defense was completely broken by Ye Chen.

"No way, I can't possibly survive" Xu Leiya wouldn't be able to win, she had no chance of winning against Ye Chen.

Ye Chen was quite rough towards, he enjoyed Xu Leiya's body, Ye Chen no longer held back when he was with Xu Leiya, now Ye Chen completely lost control and did whatever he did to Xu Leiya.

Xu Leiya tried the best she could to keep up with Ye Chen, even though she had no chance of winning, Xu Leiya believed that she could absorb Ye Chen's Yang Qi.

"I will do my best, just like sister Yuechan said." Xu Leiya would do her best, she knew that Ye Chen was unconscious and doing everything on impulse.

Xu Leiya hugged Ye Chen, she started to kiss and counter attack Ye Chen.

The two of them were entangled together, the two of them clinging tightly and enjoying each other.

Xu Leiya was enjoying the pleasure Ye Chen was getting, meanwhile Ye Chen was enjoying her well-developed beautiful body.

Xu Leiya's body is really tempting, everything is precise and perfect, no part is too exaggerated, this of course makes Ye Chen excited and wants to get Xu Leiya immediately.

Ye Chen still didn't realize that in front of him was Xu Leiya, he thought this was one of his women, so he did it hard and without holding back.

"open your mouth" Ye Chen said to Xu Leiya.

"What ?" Xu Leiya asked Ye Chen.

Without another word, Ye Chen showed his possessions in front of Xu Leiya.

He pushed in front of Xu Leiya's face.

"Um. ." Xu Leiya was helpless, she felt Ye Chen's thing tightly pressed against her face and this really embarrassed Xu Leiya.

With Ye Chen's coercion, Xu Leiya finally opened her mouth and started to serve Ye Chen, she used her own mouth, her tongue started to serve Ye Chen's big thing.

Ye Chen felt at ease, this was what he needed from Xu Leiya.

"Slurp . . . , Chuuu . . ." Xu Leiya started serving Ye Chen's, she used all her skill to do it, to be honest it was very difficult, she had a hard time holding Ye Chen's.

"umm . . . , cough . . ." Xu Leiya couldn't stand it, this was too hard for her.

Ye Chen is still not satisfied with what Xu Leiya is doing, he is not satisfied and wants more from Xu Leiya.

"cough . . . , this is very difficult. . ." Xu Leiya said to Ye Chen, she wasn't very experienced with this kind of thing.

Ye Chen decided to lift the body from Xu Leiya.

"what are you going to do" Xu Leiya asked Ye Chen, she wanted to know what Ye Chen would do.

"Time for the main course" Ye Chen said to Xu Leiya, he said that this was the main course.

"uhh . . ." Ye Chen's huge object started trying to enter, it started looking for an entrance leading to Xu Leiya's honey cave.

"umm . . ." Xu Leiya felt something starting to penetrate her body.

"This is too big . . ." Xu Leiya groaned, she groaned when she received Ye Chen's big thing.

Ye Chen's completely entered, he completely entered and got Xu Leiya.

"This feeling is so great, my head is about to melt" Xu Leiya was really satisfied with this feeling, she was very satisfied with Ye Chen's big thing, it gave Xu Leiya satisfaction.

Ye Chen started to move, he made Xu Leiya go crazy by using his thing which was at full size and full power.

"ohhh, ahhhhh . . ., this husband is great, you completely got me" just in seconds Xu Leiya had given up, she showed a satisfied face to Ye Chen.

Ye Chen was driven mad by Xu Leiya's words, Xu Leiya's voice was like a drug that made Ye Chen go crazy.

Xu Leiya was pressed under Ye Chen's violent and powerful move, it made Xu Leiya almost unable to hold back anymore and reached the top in just seconds.

Ye Chen was really being stubborn, he was really being very strict with Xu Leiya.

"Ummmm. ., this is great, my body is too comfortable, this is too delicious, how am I going to endure" Xu Leiya felt that as her consciousness started to sink, she probably wouldn't be able to hold on much longer.

"gahh . . ." Ye Chen roared, he really enjoyed Xu Leiya, Xu Leiya's artifact pinched and squeezed Ye Chen tightly.

"I can't lose, I have to do my job" Xu Leiya couldn't lose, she had a duty to attack Ye Chen's Yang Qi, she started to attack Ye Chen's Yang Qi.

Xu Leiya struggled to maintain her senses, she must not let anything bad happen to Ye Chen.

"he is the man I belong to, I won't let anything bad happen to him" Xu Leiya wouldn't let anything bad happen to Ye Chen.

With this Xu Leiya started to fight back and made Ye Chen even more comfortable, she struggled hard to hold Ye Chen down.

"Byurr. . ." After enduring 30 minutes, Ye Chen finally confided in him, he gave Xu Leiya a large amount of Yang Qi.

It made Xu Leiya a little full of comfortable warmth.

"is this done" Xu Leiya was relieved when she saw this finished.

When Xu Leiya thought that this was all over, she felt that Ye Chen became excited again.

"No way, ah. . ." Ye Chen again started the battle, the second round was started quickly by Ye Chen.

Chapter 2446 Ye Chen & Xu Leiya (3)

Lu Hanna was currently gathering quite a lot of strength, she was carrying out a large recruitment campaign to increase her strength.

everything went very smoothly, from Da Dolu's side there was no movement yet, they seemed to be preparing another movement, their troops were well prepared.

"Where is he, there has been no news from him since that day" Lu Hanna wanted to know what Ye Chen was doing, she had not received any news from Ye Chen since that day.

After she and Ye Chen formed an ally, they haven't met again, Lu Hanna also doesn't know where Ye Chen is right now.

"What is that person doing?" Lu Hanna asked Xun Zhilin.

"I don't know . . ." Xun Zhilin said that she didn't know, he didn't know what Ye Chen was doing, she also didn't know where Ye Chen was right now.

"That guy, he pissed me off" Lu Hanna said in a dissatisfied tone.

"The empress must just be jealous that he's with that woman," Xun Zhilin said to Lu Hanna.

"Huh, jealous. ." Lu Hanna stared at Xun Zhilin with a powerful murderous gaze.

Xun Zhilin immediately hid, she was really afraid of Lu Hanna, to be honest Xun Zhilin spoke to Lu Hanna wrongly.

"I didn't mean to say that, please forgive me" Xun Zhilin asked for forgiveness.

"I'm not angry" Lu Hanna said that she would not be angry with what Xun Zhilin did.

Xun Zhilin still didn't dare to stand up, she was afraid of the mood Lu Hanna had.

"Empress, something happened" Dian Rouer said to Lu Hanna, she has a report, she will tell if something bad happened.

"what happened ?" Lu Hanna asked Dian Rouer, she wanted to know what happened.

"An attack has occurred again in the city" Dian Rouer said to Lu Hanna.

"Again, this can't be tolerated, come with me right now." Lu Hanna would take matters into her own hands, she would make sure to solve these matters herself.

"Understood" Dian Rouer and Xun Zhilin nodded, the two of them immediately left and followed behind Lu Hanna.

Lu Hanna headed to the city that was under attack, they left quickly.

Help from Lu Hanna will soon arrive in the city that was attacked, they must determine who attacked the city.

.

.

Back inside the fairy gate.

"uh . . ." 12 hours had passed, somehow Xu Leiya was able to defend against Ye Chen, she was able to survive against Ye Chen who was extremely fierce on the bed.

"This is more tiring than fighting against 1 million troops" Xu Leiya was overwhelmed against Ye Chen, she was completely exhausted physically and mentally by Ye Chen.

Xu Leiya had done her best to absorb the Yang Qi in Ye Chen's body, it allowed her to gain countless advantages that Xu Leiya couldn't even imagine in her life.

Even thousands of years of cultivation couldn't be compared to doing Dual Cultivation with Ye Chen.

"Even so I'm so tired I can't move anymore" Xu Leiya couldn't move anymore, she couldn't move anymore after the long battle against Ye Chen.

"Hmmm . . .", Ye Chen finally came to his senses, he immediately looked at Xu Leiya, he could clearly see Xu Leiya under his body.

"This?" Ye Chen recalled what happened, when he recalled what happened, he immediately knew what happened.

"I have done quite a rough thing" Ye Chen had done a rough thing, he had done a rough thing to Xu Leiya.

"Are you okay?" Ye Chen asked Xu Leiya.

"I'm fine" Xu Leiya said that she was fine.

Xu Leiya smiled, she was trying to hide her exhaustion from Ye Chen.

Ye Chen knew that Xu Leiya had worked hard enough, he had worked hard enough to endure Ye Chen's tantrum.

If it wasn't for Xu Leiya's hard work, then Ye Chen would be in trouble.

"I'm so glad you're okay" Xu Leiya was happy that Ye Chen was okay.

she used the last of her strength to arrive beside Ye Chen.

"I'm fine, thank you very much." Ye Chen hugged Xu Leiya's body.

The two hugged tightly, they were enjoying their time.

Ye Chen felt Xu Leiya's soft and smooth body, he felt excited when he touched Xu Leiya's body.

The huge thing that belonged to him stood up and started to touch Xu Leiya's belly.

The sober Xu Leiya instantly pushed Ye Chen backwards.

"No way, how can you get excited again ?" Xu Leiya didn't believe that Ye Chen was excited again, he was excited again by Xu Leiya.

"That's because of you . . ." Ye Chen said that he was passionate about Xu Leiya.

"Impossible" Xu Leiya couldn't believe it, she couldn't believe that Xu Leiya was so excited because of her.

"But it's already really hard on me" Xu Leiya said to Ye Chen, she couldn't possibly hold it anymore.

Xu Leiya had fought hard, she had worked really hard against Ye Chen, she was lucky to still be alive after receiving Ye Chen's full power.

"It's okay, you can do it" Ye Chen knew that Xu Leiya was afraid, he could feel that Xu Leiya was afraid of what was about to happen.

Ye Chen admitted that he was too harsh, that's why he wanted to avenge what happened before, he wanted to be better for Xu Leiya.

Ye Chen's touch made Xu Leiya comfortable, she easily gave up and relaxed her guard.

Ye Chen started over, he started back to exercising with Xu Leiya, this time he made sure Xu Leiya was as comfortable as possible.

This time Xu Leiya felt more comfortable, Ye Chen was very gentle and made Xu Leiya very comfortable.

"Ohhhh . . ., very good, I like this." Xu Leiya liked this, she felt that it was lighter than before, at this rate, Xu Leiya might be able to accept it.

Xu Leiya might feel much more excited when she was doing it hard and rough, but now it was different, the conditions didn't allow her, she wouldn't be able to do something like that.

The two had one round before they comfortably finished.

"it's finally over, you have no idea what I've been through" Xu Leiya said to Ye Chen.

"I know, I'm sorry" Ye Chen apologized to Xu Leiya.

"shhhh . . ." Xu Leiya covered Ye Chen's lips with her finger, she told Ye Chen not to apologize.

"You don't need to apologize, I know the condition you have, so you don't need to apologize to me" Xu Leiya said to Ye Chen.

"understand . . ." Ye Chen understood what Xu Leiya said.

"I have benefited from you, that is great, I can't thank you enough." Xu Leiya herself felt that she had benefited greatly, she had obtained super great benefits from Ye Chen.

"Not only have you benefited, it seems that I can break through the effect of your Yin Qi." Ye Chen was also helped by Xu Leiya's pure Yin Qi.

It can be said that if the two benefit from each other, they get a balanced benefit.

Ye Chen and Xu Leiya were overjoyed, the two of them could actually begin to break through to a higher level.

"we have to start to break through, let's go" Ye Chen said to Xu Leiya.

"let's do it together" Xu Leiya said to Ye Chen, the two of them started to breakthrough to the immortal level.

Chapter 2447 Lu Hanna Was Trapped By The Enemy

Return to Lu Hanna.

Lu Hanna along with her troops headed towards the city that was attacked, when they arrived they saw that the city had been attacked by a very large number of troops.

"Their numbers are very large." Xun Zhilin was surprised by the number of enemies that came, they were huge and their strength was quite high.

"Who exactly are they, they are not troops from Da Dolu." Lu Hanna realized that these people were not troops from Da Dolu.

"empress, your order" Xun Zhilin asked, she wanted an order from Lu Hanna.

"we will fight them and destroy them, don't hold back and kill them all, no compromise" Lu Hanna gave the order, she gave the order to kill and annihilate the enemy present.

"Understood" After receiving Lu Hanna's order, Xun Zhilin and Lu Hanna's troops immediately left, all of them directly attacking the enemy in front.

"Why don't you go?" Lu Hanna asked Dian Rouer, why didn't Dian Rouer go.

"hehehehe" Dian Rouer headed towards Lu Hanna, she directly stabbed Lu Hanna in the back.

"uhh, what are you doing" Dian Rouer stabbed Lu Hanna in the back, this was something Lu Hanna had never imagined.

"stupid woman, don't you know who I am" Dian Rouer asked Lu Hanna.

"You?, who are you?, you are not Dian Rouer." Lu Hanna finally realized that the person in front of her was not Dian Rouer.

This was another person who took on a very similar shape and form to Dian Rouer, even someone like Lu Hanna was not aware of it.

"I am indeed not Dian Rouer, I am ten thousand faces, one of the best tricksters in the Demon God Realm" a woman appeared in front of Lu Hanna, she was a woman who had a pretty decent appearance.

this person could change the appearance of her own, she could even easily change the gender according to her wishes.

"It turned out to be you" Lu Hanna finally knew who she was fighting right now.

"Where is the real Dian Rouer?" Lu Hanna asked the person in front of her.

"I dunno, maybe she's dead, no one knows what" ten thousand faces said to Lu Hanna.

"Impossible . . ." Lu Hanna looked angry as she heard this, she was angry as she listened to what ten thousand faces were saying.

"are you angry, you are already injured, any minute the poison will work and you can never win against me" ten thousand faces said to Lu Hanna.

ten thousand faces had stabbed Lu Hanna with poison, it would make Lu Hanna weak and she would be unable to fight back.

"You lowly person" Lu Hanna said to ten thousand faces.

"Do I seem to care, my job is to take you alive, you better accept your fate soon, you will soon experience the most terrible thing in your life" ten thousand faces said to Lu Hanna.

Lu Hanna hadn't even fought yet, she was completely caught up in the enemy's scheme.

Da Dolu had quite a number of schemes, he chose to use two methods, one was to defend and one was to kidnap Lu Hanna, as long as Lu Hanna wasn't around, winning was an easy thing to do.

Da Dolu didn't use his own troops, because they were used to defend and prepare for Lu Hanna's attack, he used his mercenaries as before against Lu Hanna.

"Uh . . ." Lu Hanna's head began to spin, she felt extremely dizzy, her body completely lost balance and she could have fallen quickly.

"What poison is this, I should be able to survive" Lu Hanna couldn't believe that poison could make her like this.

"You must think that poison won't work on you right, you're dead wrong here, it worked because I got it straight from someone who knows your weakness" ten thousand faces said to Lu Hanna.

"Da Dolu, so that's poison for a Succubus, that person." Lu Hanna finally realized what was used on her.

"This is the poison used to weaken the Succubus, it is absolutely unstoppable by Lu Hanna.

"empress. . ." Xun Zhilin was surrounded, she couldn't go and save Lu Hanna.

"Don't come, get out of here quickly." Lu Hanna told Xun Zhilin to get out of here as soon as possible.

"But . . ." Xun Zhilin went against Lu Hanna's direct orders.

"No buts, get out of here quickly, they are dangerous," Lu Hanna said to Xun Zhilin.

"Okay" Xun Zhilin understood, she understood what Lu Hanna's intention and purpose was in doing that.

"don't let them go" ten thousand faces said to the troops, she ordered to arrest Xun Zhilin.

Xun Zhilin tried to run away, she used quick steps to run away and hide, now what she usually did was escape from the enemy's pursuit.

"I have to find that person" Xun Zhilin knew what to do, she had to find Ye Chen's whereabouts.

Xun Zhilin ran away, she used full speed to escape from the enemies present.

Ten thousand faces trying to catch Xun Zhilin, she used full speed to catch Xun Zhilin.

Luckily Xun Zhilin was already using full speed, that way it would be impossible for her to be chased again.

"quickly send our soldiers to catch her, find her and don't let her run anymore" ten thousand faces gave the order, he gave the order to arrest Xun Zhilin.

A group of troops were sent out to find and capture Xun Zhilin, they were sent out wearing super strong armor and armor, it would be difficult to fight this group.

.

.

Ye Chen and Xu Leiya had already finished breaking through, both of them were already at the early realm of the immortal rebirth Realm

"Finally" Ye Chen finally arrived, after a long journey, he finally arrived at the first realm of the Immortal Rebirth Realm.

"we have succeeded" Xu Leiya said to Ye Chen, the two of them had succeeded in arriving at this realm and they had become one of the great powers in the God Realm.

"it might be because of you, otherwise it might still be a bit long" Ye Chen said to Xu Leiya.

"um . ." Xu Leiya's face turned red when she heard what Ye Chen said, she was really happy when she heard what Ye Chen said.

"let's go out, our goal is accomplished, next time we can't lose to Mo Xi again" Ye Chen said to Xu Leiya.

"I won't lose either." Xu Leiya showed her determination, she said that she wouldn't lose to Mo Xi.

"Yuechan we will go" Ye Chen said to Chu Yuechan.

"Sister Yuechan, thank you for the training you gave me, I will do my best" Xu Leiya said to Chu Yuechan.

"don't lose" Chu Yuechan said to Ye Chen and Xu Leiya.

"Okay" The two understood, the two of them would not lose again.

They came out of the fairy gate.

"where are we going" Xu Leiya asked Ye Chen.

"let's go see Lu Hanna, to be honest I want to know what she's doing" Ye Chen said that he wanted to meet Lu Hanna.

"That woman huh, seems to have no choice, we have to look for her" Xu Leiya may not be very happy with Lu Hanna, even though they have worked together, so whether she wants it or not, she has to do it.

Ye Chen searched for the whereabouts of Lu Hanna, they searched every where and found none.

"looks like she left" Ye Chen saw that Lu Hanna was not in her place.

"I've already asked one of the important people, she told me that Lu Hanna is working on something outside with some of his followers" Xu Leiya said.

Chapter 2448 Please Save Her (1)

"then let's chase them" Ye Chen decided to chase after Lu Hanna.

The two left, they immediately went and chased after Lu Hanna.

"is she going to be okay" Xu Leiya said to Ye Chen.

"She should be fine" Ye Chen believed that Lu Hanna would be fine, nothing bad should happen.

up ahead, he saw something approaching towards them.

"that" Ye Chen saw Xun Zhilin, the woman approaching was Xun Zhilin.

"Help me . ." Xun Zhilin said to Ye Chen, she asked Ye Chen for a favor.

"what happened to you ?" Ye Chen asked Xun Zhilin, he wanted to know what happened to Xun Zhilin.

"I was just attacked" Xun Zhilin said that she was being attacked and badly beaten.

"Who did this to you?" Xu Leiya asked, who dared to chase Xun Zhilin.

"they" Xun Zhilin said to Ye Chen, she told Ye Chen that there were several groups chasing her.

Several people started to catch up with Xun Zhilin, they were wearing very complete armor and battle clothes.

"Who are they, are they enemies?" Ye Chen asked Xun Zhilin.

"they are enemies, they have even captured the empress" Xun Zhilin said to Ye Chen.

"They caught Lu Hanna, how is that possible" Ye Chen didn't really believe it when he heard this.

There was no way Xun Zhilin could be easily caught by the opponent.

"they used underhanded methods to do it" Xun Zhilin said to Ye Chen.

"Is that so, it wouldn't be strange if they were able to capture Lu Hanna." Ye Chen understood, it wouldn't be strange for Lu Hanna to be caught, they used underhanded methods to capture Lu Hanna.

"Please save her" Xun Zhilin asked Ye Chen to help save Lu Hanna.

"I will do it" Ye Chen will do it, he will definitely save Lu Hanna.

"are you going to fight them" Xu Leiya asked Ye Chen.

"I will fight them, please protect her" Ye Chen said to Xu Leiya, he asked Xu Leiya to go and protect Xun Zhilin.

"Okay" Xu Leiya understood, she would do as Ye Chen said.

"I won't let you catch her." Ye Chen stepped forward and directly stopped the enemy.

"Get out of the way, otherwise I'll cut off your head" the squad leader said to Ye Chen.

"Just try it if you can" Ye Chen said to the squad leader.

The squad leader started to draw out the one-handed sword, he slashed at Ye Chen who was in front of him.

His slash easily passed through Ye Chen's head, Xu Leiya and Xun Zhilin were shocked when they saw what happened.

"impossible" Xun Zhilin couldn't believe what happened, they defeated Ye Chen so easily, what kind of army were they.

"what happened?" Xu Leiya doubted what happened, to be honest she knew Ye Chen's strength, so there was no way Ye Chen could be easily defeated like that.

after slashing at Ye Chen, he sheathed his sword.

"accept that . . ." he said to Ye Chen.

Everyone was waiting, but somehow nothing happened to Ye Chen.

"stupid, what are you doing" Ye Chen spoke and said to the person in front of him,

"What ! !, How could it be . ." everyone who saw couldn't help but be shocked by what happened, they couldn't believe what had just happened.

It should have been the slash from the leader that had killed Ye Chen, but somehow Ye Chen managed to survive.

"no, I should have done it earlier, how did you do it" the squad leader asked Ye Chen.

"you don't know, but you missed it earlier, you didn't notice it" Ye Chen said to the man in front of him.

"No way, I can't miss." He didn't want to admit it.

This person attacked Ye Chen again, this time he attacked with more force and faster than before.

"Clanks . . ." just as he was about to slash at Ye Chen, the sword in his hand suddenly shattered into pieces.

"Impossible . ." he couldn't believe that his sword shattered so easily.

"Bam . . ." an attack landed on the troop leader's armor, the armor shattered and his body was perforated by the powerful strike.

Everyone fell silent when they saw what happened, it was so fast just now, no one knew what happened.

Ye Chen defeated the arrogant leader of the enemy, he defeated the enemy in two swift moves.

"Your leader has lost, do you want to fight?" Ye Chen said to the troops who had lost their commander.

Hearing Ye Chen's words, all of them immediately raised their weapons.

"he has killed the leader, let's take revenge" they immediately went towards Ye Chen, they all directly attacked Ye Chen.

"no compromise with them" Ye Chen knew that he would not be able to compromise with them.

"Then destroy them all" Ye Chen used darkness power, he destroyed all of them with extremely powerful darkness profound strength.

Ye Chen's strength is really very strong, it makes the enemy unable to resist Ye Chen's attack.

"Boom. ." the explosion destroyed one troop, one enemy troop had been crushed by Ye Chen.

"That's great, he won easily. . ." Xun Zhilin was mesmerized by Ye Chen's strength, he defeated an army in full armor in just seconds.

"what happened, can you explain it to us" Ye Chen asked Xun Zhilin.

"I'll explain it to you" Xun Zhilin immediately explained what happened to Ye Chen.

"again they are using mercenaries to frame you." Da Dolu seems rich enough to hire a large number of mercenaries.

"They rented ten thousand faces, he is a person with the ability to imitate someone at will, it is hard to tell the person apart" Xun Zhilin gave a warning to Ye Chen.

"Then you can be ten thousand faces too" Xu Leiya said to Xun Zhilin.

"No I'm not her, if I were her, I would have attacked you guys" said Xun Zhilin.

Xun Zhilin defended herself, she is not a famous ten thousand face can imitate many people.

"it's okay, he's real, I've confirmed it" Ye Chen said to Xu Leiya.

"How did you do it?" Xu Leiya was curious about Ye Chen's method.

"I have my own method to do it, plus, you are bold enough to use something black and quite open" Ye Chen said to Xun Zhilin.

"ahhh . . . , you peek . . ." Xun Zhilin shouted, she didn't expect that Ye Chen would peek through her.

"Oh, I see. . . , you really are a pervert." Xu Leiya finally understood what Ye Chen's ability was.

After the incident just now, Xun Zhilin's face became red, she didn't dare to look at Ye Chen.

"Where are they taking Lu Hanna about?" Ye Chen asked Xun Zhilin.

"I don't know, she will most likely hand over the empress directly into Da Dolu's hands".

"It would be troublesome if they handed Lu Hanna over to Da Dolu" they had to stop everything before it was too late.

"let's catch them" they have to catch up with ten thousand faces, they must not let them reach their destination.

"no choice, let's save her" Xu Leiya will compromise to save Lu Hanna.

"Please save her, I will do whatever you want." Xun Zhilin said that she would do whatever Ye Chen wanted, as long as Ye Chen could help help Lu Hanna.

"let's save her" Ye Chen took Xun Zhilin and Xu Leiya, they went to save Lu Hanna.

Chapter 2449 Please Save Her (2)

Lu Hanna was currently caged and chained, she couldn't move.

"I was caught, it's so embarrassing" Lu Hanna felt embarrassed when she was caught by the enemy.

"empress" Dian Rouer said to Lu Hanna, she looked weak and had lots of wounds on her body.

"what happened to you ? , what have they done to you ?" Lu Hanna asked Dian Rouer.

Dian Rouer's condition was heartbreaking, the injuries on her body were very severe and her whole body was covered in a large amount of blood as a result of the many injuries on her body.

"They treated me very badly" Dian Rouer said that she was treated badly.

Ten thousand faces was extremely terrifying, she put Dian Rouer in a terrible state.

"Fufufufu, he is still lucky to be alive" Ten thousand faces said to Lu Hanna.

"You are so mean" Lu Hanna said to Ten thousand faces.

"hahahahaha, I am indeed a bad person, I am the most evil person in this world." Ten thousand faces laughed at Lu Hanna.

Lu Hanna gritted her teeth, she was really in trouble.

"I will make you feel something bad, so prepare yourself." Ten thousand faces want to do bad things, Ten thousand faces has a hobby of torturing prey to a slow death.

"Empress, this person is very bad" Dian Rouer said to Lu Hanna, she told Ten thousand faces is very bad.

"You will know me" Ten thousand faces picked up an iron, she used the iron to crush and torture Lu Hanna.

"just watch you" Lu Hanna said to Ten thousand faces.

"hahahaha, what a good face, let's see if you can maintain that face after this." Ten thousand faces started throwing a few punches, he started throwing a few punches at Lu Hanna.

Lu Hanna didn't flinch, she displayed a strong and great determination.

Ten thousand happy faces, he continued to whip and attack Lu Hanna even harder and more viciously than before.

"pah" a terrible voice resounded, Lu Hanna withstood the torture being inflicted by Ten thousand faces.

.

.

Ye Chen, Xu Leiya and Xun Zhilin chased Ten thousand faces.

They still couldn't catch up to Ten thousand faces.

"Where are they, we still haven't found Lu Hanna's whereabouts" Xu Leiya said to Ye Chen.

"We haven't found any trace of them yet, they might have left this territory and entered the territory of Da Dolu." Ye Chen came to a conclusion that Lu Hanna was no longer around this place.

"That's too bad" Xun Zhilin felt that that would be too bad.

"That would indeed be a bad thing, that's why we should quickly go after her" Ye Chen said to Xun Zhilin and Xu Leiya.

They started moving and entered the territory owned by Da Dolu, when they entered, they were greeted by troops who showered them with gunfire.

"They are waiting for us here" Xun Zhilin realized that the enemy was waiting and ambushed them.

"I will protect you guys" Ye Chen said to Xun Zhilin, he protected them from attack.

Ye Chen waved his hand, a strong wind blew and instantly swept everyone tens of miles away.

"ehhh . . ., what just happened?" Xun Zhilin felt confused by what had just happened, what happened was quite confusing for Xun Zhilin.

Xun Zhilin looked at Ye Chen, she realized that just now it was Ye Chen's strength.

"It seems you overdid it, they flew quite far" Xu Leiya said to Ye Chen.

"It seems that my new strength makes me unable to control strength" Ye Chen was still not used to it, it seemed that advancing to the Immortal realm made his strength rise quite a lot and he actually gained a lot of strength increase.

"You are so strong, defeating that many enemies easily" Xun Zhilin said to Ye Chen.

Xun Zhilin gave Ye Chen credit, she had to admit that Ye Chen had strength.

Ye Chen smiled as he listened to Xun Zhilin's praise.

"let's continue, it seems that my guess was right, we will find Lu Hanna around this place" Ye Chen said to Xun Zhilin.

They found enemy tracks and followed the tracks, they finally arrived at a place that was quite remote, this place looked like it had been abandoned for a long time.

"Come on . ." Ye Chen, Xu Leiya and Xun Zhilin finally arrived, they finally found the place used to detain and torture Lu Hanna.

"So this is the place" Ye Chen finally knew that this was where Lu Hanna was.

"get you find it" Xun Zhilin said to Ye Chen.

"I will do it" Ye Chen has seen where Lu Hanna is.

"how is the condition now?" Xun Zhilin asked Ye Chen.

"I don't think you will like it" Ye Chen said that Xun Zhilin would not like it.

"please tell me, I want to know the condition of the empress" Xun Zhilin forced Ye Chen.

"she was held in a place and her condition was quite bad, there were several wounds and her clothes were completely destroyed and covered in wounds.

"There is one more, if I'm not mistaken he is with you, if I'm not mistaken you call her Rouer, she is much worse, her condition is terrible and is dying and almost died" Ye Chen said to Xun Zhilin

Xun Zhilin clenched her fists, she didn't expect that the two of them would be in such a bad state.

"We have to save them quickly." Xun Zhilin said that they had to save Lu Hanna and Dian Rouer.

"of course, we have to do it immediately" Ye Chen will of course save them.

"your plan?" Xu Leiya asked Ye Chen.

"You take care of those around this place, you should be able to do that easily" Ye Chen said to Xu Leiya.

"you really like to order against minions" Xu Leiya said to Ye Chen.

"No one is more suitable than you, the charm power of the goddess of love is indeed invincible to spread chaos" Ye Chen said.

Ye Chen firmly believed that Xu Leiya could wreak havoc on the surrounding minions.

"I understand, just leave it to me" Xu Leiya will do it.

With this Xu Leiya started to move, he started to move to defeat the lackey belonging to ten thousand faces.

"we will go and save them" Ye Chen said to Xun Zhilin.

"Come on . ." Xun Zhilin immediately agreed to Ye Chen's invitation, the two of them headed to Lu Hanna and Dian Rouer's place.

Xu Leiya appeared amidst the resting troops, she made a mirror of light in front of everyone.

"It's time to party" Xu Leiya said to everyone around, Xu Leiya's enchantment spread and immediately made everyone fall for it, she used it to start a drunken war between them.

"clang. . ." the battle was inevitable, they killed each other and started to wreak havoc on their base.

"Working so perfectly once" Xu Leiya's new technique worked flawlessly, she made the lackeys of ten thousand faces clash and attack each other.

"Damn it, what have you done?" a tall and burly woman appeared behind the body of Xu Leiya.

"oh . . , there was one that managed to escape, I didn't expect it." Xu Leiya didn't expect that there would be one who wasn't affected by her Charm.

this woman was Yan Sansu, somehow she wasn't affected by Xu Leiya's Charm.

"She isn't affected by my charms, that means she has a pretty strong mind." Xu Leiya knew that Yan Sansu had a strong mind, this woman was similar to a man with a rock-solid mentality, so it wouldn't be strange if she could survive Xu Leiya charms.

Chapter 2450 Yan Sansu Vs Xu Leiya

"I don't know who you are, I will kill you right away" Yan Sansu said to Xu Leiya.

Yan Sansu is a warrior, in her mind there is only fighting and fighting.

"What did I think, it turned out to be just a crazy woman" Xu Leiya realized that Yan Sansu was crazy, she was probably a mad female warrior who only knew fighting, had no other thoughts but fighting, she didn't even know what the opposite sex was.

Yan Sansu raised a large sword weapon, the sword Yan Sansu took was very large.

With an enormous sword, she might be able to easily rampage through the battlefield.

"slashes . . ." Yan Sansu swung her weapon quite hard, she used even more force to attack Xu Leiya.

Xu Leiya jumped up and dodged Yan Sansu's attack.

"Slashes . . ." the mountain and trees were split into two pieces by the attack from Yan Sansu.

"Her physical strength is truly beyond limits" Yan Sansu's physical strength is extremely strong, her strength is truly terrifying.

"I won't let it" Yan Sansu won't let Xu Leiya dodge, she attacks Xu Leiya who is above the sky.

"Slashes . . ." a powerful strike hit the body from Xu Leiya.

"Where are you going . . . ?" Xu Leiya said to Yan Sansu, she reappeared after receiving an attack from Yan Sansu.

Yan Sansu turned around, she looked at Xu Leiya who was now standing in front of her.

There were no injuries when receiving her attacks.

"How is that possible, it should have split your body into two halves" Yan Sansu said to Xu Leiya.

"fufufufufu, is that so, do you think it's easy to kill me" Xu Leiya said to Yan Sansu.

"do you think I can't kill you" Yan Sansu was angry when Xu Leiya lowered herself.

"A terrifying killing aura emitted from Yan Sansu's body, this aura was extremely terrifying, he had a terrifyingly intimidating aura.

"Yan Sansu's aura gave everyone goosebumps, they must have been scared when they saw Yan Sansu's strength.

Xu Leiya was still very calm, she was still very calm when she faced Yan Sansu.

"amazing strength, but I can still overcome you easily" time to show the power.

Xu Leiya made a mirror in front of herself, a mirror of light was created in front of Xu Leiya's body.

"Taste this" attack from Yan Sansu towards the Divine Mirror light art.

The Divine Mirror light art blocked Yan Sansu's attack, and the Divine Mirror light art easily blocked Yan Sansu's attack.

"what, how is it possible" Yan Sansu couldn't believe what happened, the attack just now was really powerful, she had poured all her strength into the attack just now.

"Your attack is indeed formidable, but this mirror's power is much stronger than you imagined" Xu Leiya said to Yan Sansu.

The Divine Mirror light art was extremely powerful, the Divine Mirror light art's defense was able to withstand Yan Sansu's attack.

"let's end this battle" Xu Leiya intending to end this game, she snapped her fingers.

Instantly mirrors appeared and surrounded Yan Sansu's body.

"what is this ?" Yan Sansu tried to destroy the mirror of light, she used all her strength to destroy the mirror of light around her.

Despite using up quite a bit of strength, the reality was that Yan Sansu was still unable to destroy the mirrors around her.

"get me out of this place" Yan Sansu was angry, she ordered Xu Leiya to get her out of the mirror cage.

"I'll take you out after everything is over, enjoy the time inside" Xu Leiya said to Yan Sansu.

Light shot out of the mirror and struck Yan Sansu's body.

"ahh . . ." the pain spread, her body was in pain and she felt like she was going to melt.

"It hurts so much, what is this?" Yan Sansu's body started to melt, she couldn't survive light, light was her weakness.

"No . ." Yan Sansu screamed, she could no longer hold on and his whole body melted and was turned into liquid by the light.

The attack of light was extremely painful for Yan Sansu, she was completely defeated by Xu Leiya.

"Okay, that's done." Xu Leiya has fought and defeated the most powerful, now only the lackeys who are not very strong are left.

Ye Chen and Xun Zhilin had almost reached Lu Hanna's place, they knocked out the guards easily.

"move aside" Xun Zhilin's blows away any enemies that get in the way, she has no mercy when attacking enemies.

Ye Chen also did the same, he crushed those who got in his way.

"let's save her" Xun Zhilin is more excited, Xun Zhilin's fighting spirit is very big.

"Come on . . ." Ye Chen nodded, they would save Lu Hanna.

"wait for me . ." Xu Leiya followed closely behind, she was finally able to catch up with Ye Chen and Xun Zhilin.

"You're done" Xun Zhilin asked Xu Leiya.

"I've finished defeating them all" Xu Leiya said that she had finished fighting the enemy and could catch up with Ye Chen and Xun Zhilin.

"then let's go ahead" Xun Zhilin said to Xu Leiya.

"Come on . ." Xu Leiya followed behind Xun Zhilin.

Ye Chen looked at Xu Leiya, he looked at Xu Leiya with a strange look.

The three of them finally arrived at Lu Hanna and Dian Rouer's place, When they arrived, they saw that the two of them were in bad condition, especially Dian Rouer.

Xun Zhilin immediately went to save the two of them, she was trying to let go of Lu Hanna as well as Dian Rouer.

"Are you okay?" Xun Zhilin asked Lu Hanna and Dian Rouer.

Lu Hanna and Dian Rouer were unconscious, they seemed to be drugged by ten thousand faces.

"Can you help them?" Xun Zhilin asked Ye Chen, she asked Ye Chen to help Lu Hanna and Dian Rouer.

"I will help them" Ye Chen started to help them, he took some medicinal tools and started to heal Dian Rouer, because Dian Rouer's condition was severe, Ye Chen had to cure her first.

Xu Leiya drew closer towards Ye Chen, she picked up something and started to point it towards Ye Chen.

"You dieeeeeeee" Xu Leiya screamed and stabbed Ye Chen.

Ye Chen lifted his leg and started to kick Xu Leiya's body, Xu Leiya retreated when she received Ye Chen's attack.

"what happened, why did you attack her?" Xun Zhilin asked Xu Leiya.

"she's not Xu Leiya, she's a stranger" Ye Chen said to Xun Zhilin.

In front of the brand is not Xu Leiya, she is a swindler who took the shape and voice of Xu Leiya.

"You found me, I didn't expect it, how could you do it" Ten thousand faces said to Ye Chen.

"You did it to perfection once, if it wasn't me, I probably wouldn't be able to feel it." Ye Chen was related to Xu Leiya, so he knew which woman was who and who was a cheat.

"Oh, I see . . ., you are a truly unique opponent" ten thousand faces had to admit that Ye Chen was unique.

"You are also unique to" Ye Chen said to ten thousand faces.
