

True God 2461

Chapter 2461 Jun Tenz

"Did he escape from that place" Lu Hanna said to Xun Zhilin.

"I guess so, what do you want to do, I'll do it right away" Xun Zhilin asked Lu Hanna, she wanted to know what Lu Hanna would decide.

"bring him here" Lu Hanna said to Xun Zhilin, she asked Xun Zhilin to bring the crown prince to her place.

"I'll do it" Xun Zhilin would do it, she would help bring the crown prince.

"how about we come with you" Ye Chen said to Xun Zhilin, he and Xu Leiya would come along.

"that's right, we will come along, there might be unwanted things happening when you bring him" Lu Hanna agreed with what Ye Chen said.

"Understood. . ." Xun Zhilin understood, she would go together with Ye Chen and Xu Leiya.

"let's go, I want to see what happened to them" Xu Leiya wanted to see what happened, he was curious about Lu Hanna's previous story.

The three of them left immediately, they went towards near the border where the crown prince was.

"Is it okay for you guys to come with me" Xun Zhilin asked Ye Chen and Xu Leiya.

"No problem, we want to see what's going on, the information from that person will be useful for me" Ye Chen said to Xun Zhilin.

"I don't mind either, I can be with him, that's enough" Xu Leiya followed Ye Chen, if Ye Chen wasn't there, he might not be willing to be with Xun Zhilin.

"understand. . ." Xun Zhilin understood, she already understood what Ye Chen and Xu Leiya wanted.

It took them a while to arrive at the crown prince's place, it just so happened that there was a small village that the crown prince used to hide in for a while.

"This is the place" Xun Zhilin said to Ye Chen, according to her informants, the person should be in this place.

"I will look for him immediately" Ye Chen decided to look for the person immediately, he used his power to find the whereabouts of the crown prince.

Ye Chen's eyes swept around, he found the whereabouts of the crown prince hiding in an empty house.

"I found him" Ye Chen said that he found him, he told Xu Leiya and Xun Zhilin to follow him.

The two followed Ye Chen, they went to where the crown prince was.

"Bam. . ." Ye Chen came rudely, he broke the door and forcibly entered inside.

"Who is it. . ." the people inside were naturally wary of what was happening, they were wary of Ye Chen.

"Where is your crown prince, I want to see him, there is something I want to talk to him about" Ye Chen said that he was looking for the crown prince.

"We won't let you touch the crown prince, you have to pass us first" they told Ye Chen, they wouldn't let Ye Chen pass so easily.

"I have no business with you guys, so step aside right now" Ye Chen told them, he used his power to fly them away.

With one wave of his hand Ye Chen easily flew them all away, all of them were unable to win against Ye Chen's strength.

"uhhhh. ., so strong, who are they ?" these people were unable to resist Ye Chen, for them Ye Chen was too strong.

"Who are you. . ? " an injured man asked Ye Chen, he asked Ye Chen.

"You are the crown prince, it looks like you have just experienced a bad" the crown prince's appearance was terrible, he really had just experienced a lot in his life.

"Whatever you want to say" this man already didn't care anymore, he no longer cared about what happened to him.

"We are the ones sent by the Empress of Night to pick you up, come with us if you still want to live" Xun Zhilin said to the crown prince.

"what does that person want from me" the crown prince asked Xun Zhilin.

"He is interested in the person who succeeded in becoming the new ruler, so I hope you explain it well" Xun Zhilin told the crown prince.

"Is it just like that, does she intend to make an alliance with that cunning and terrible woman" The crown prince looked unhappy as he listened to the woman Xun Zhilin had just said.

"Calm down, we want to know the truth, I don't intend to make an alliance with that woman, rather I want to know who that woman is and who is the person who supported her to the highest point" Ye Chen said his purpose.

"So that's it. . ." the crown prince knew that Ye Chen had another goal, why did Ye Chen bother to find out who the new queen of the northern region was.

"It's fine if you don't want to, you will probably die in this place, I'm sure they will chase you and won't let you live any longer" Ye Chen said to the crown prince.

"You might be right, at least coming with you guys has a better fate compared to dying in that woman's hands" The crown prince understood, he might have come with Ye Chen and Xun Zhilin more.

"My name is Jun Tenz, crown prince of the northern region" he introduced himself in front of Ye Chen.

"Well, I understand. . ." Ye Chen understood, he would try to remember.

"Husband, someone is coming" Xu Leiya who was outside immediately informed Ye Chen.

Xu Leiya had the duty to be on guard, she was guarding and making sure that everything was safe while Ye Chen and Xun Zhilin were negotiating inside.

"Who is it?" Ye Chen asked Xu Leiya he wanted to know who it was.

"They seem to have come for the crown prince" Xu Leiya said that they came for Jun Tenz.

"So they are the ones sent to chase Jun Tenz, then let's finish them quickly" Ye Chen said to Xu Leiya.

"If that's what you want, I will do it quickly" Xu Leiya will do it quickly, she will fight them.

"Take him away, there are enemies outside who are after him" Ye Chen said to Xun Zhilin, he told Xun Zhilin to take Jun Tenz out right now.

"They are already here" Xun Zhilin and Jun Tenz were surprised when they heard what Ye Chen said.

"Yes, so take her away, I will take care of them" Ye Chen said that he would go and take care of them.

"Okay" Xun Zhilin understood, she immediately went and took Jun Tenz and the others.

Ye Chen went out to see Xu Leiya, he saw a platoon of troops already prepared to capture Jun Tenz.

"They are elite troops" Ye Chen saw that the troops that came were elite troops, besides that there were some assassins hiding in the darkness and surrounded the exit.

"I'll get rid of the hiding assassins first" to ease the passage of Xun Zhilin, Ye Chen took care of the assassins in the darkness.

Meanwhile Xu Leiya started fighting with the enemy troops, she used light lasers to destroy them.

Ye Chen had already entrusted the enemy troops to Xu Leiya, she would deal with them quickly.

Ye Chen himself went to the back, he directly attacked the enemies who were hiding.

"Come out all of you." Ye Chen said to the assassins who were hiding.

"Damn him for finding us, quickly kill him" Seeing Ye Chen found them, they immediately went and killed Ye Chen.

The sooner Ye Chen died, the better it would be.

Several needles were thrown at Ye Chen, they were aiming for Ye Chen's life.

Ye Chen avoided the attacks by using Invisible Body Art, Ye Chen's body could not be physically harmed for a while.

"What is it?", they wanted to know what Ye Chen did, how did Ye Chen avoid the attack.

Chapter 2462 Jun Tenz Explains What Really Happened

"I don't have much time to fight you guys, so let's end this quickly" Ye Chen said to the assassins that were around, he was going to end this quickly.

"So arrogant, don't you know who you are dealing with?" they didn't accept the arrogance that Ye Chen had, they were all of course angry when they saw Ye Chen who was so arrogant.

They began to use attacks, they gathered strength and made something like a substitute shadow.

Ye Chen saw that this was an illusion they created, they intended to confuse Ye Chen by using this illusion.

They chose the wrong opponent, Ye Chen could easily see the real one.

"Accept this. . ." Ye Chen said to the assassins, they were too stupid for using such a weak technique against Ye Chen.

"You will know how terrible our techniques are" the assassin said to Ye Chen, let Ye Chen see their true strength, that way they will feel Ye Chen's strength.

"Then I will also show you the techniques I have. ." Ye Chen used Shadow Clone, he showed the enemy the power he had.

"Ehhhhhhh. . ." the enemy was shocked when they saw the shadow created by Ye Chen, the shadow created by Ye Chen was able to resist and had terrifying power.

"This isn't a replacement body, what the hell is this. . ." they realized that this was not a replacement body.

The situation started to get complicated, the assassins started to get confused when they saw Ye Chen was able to show such strength in front of them.

"Let's get rid of them for me" Ye Chen gave an order to get rid of them all, he used the Clone power to defeat all the enemies.

"Arghhh. . ." Every Clone created by Ye Chen was extremely powerful, they possessed tremendous strength.

"Booom. . ." In just a matter of minutes all the enemies had been killed, they all had no resistance to Ye Chen.

"Finally done too" Ye Chen was satisfied when he saw everything was done, now he could catch up with Xun Zhilin.

"It's done ?" Ye Chen asked Xu Leiya.

"It's done, they were easier than I imagined" Xu Leiya told him that they were much easier than he imagined.

"I see, then it's fine" Ye Chen was happy when he heard this, there was nothing to worry about anymore.

"Let's go and catch up with them" Ye Chen invited Xu Leiya to go and catch up with Xun Zhilin and also Jun Tenz.

Xu Leiya nodded, the two immediately went and caught up with Jun Tenz.

Xun Zhilin and Jun Tenz are already far enough away, the two of them are already far enough away and have almost arrived near the city.

They haven't caught up with us yet, will they be alright" Jun Tenz asked Xun Zhilin.

"They are much stronger than you can imagine, they are at the level of the Empress, never underestimate them" Xun Zhilin told Jun Tenz, she told him not to underestimate Ye Chen and also Xu Leiya.

"What! ! !" Jun Tenz was shocked when he heard this, he thought Ye Chen and Xu Leiya were just servants, he did not expect them to be as strong as Lu Hanna.

"They will definitely catch up with us soon" Xu Leiya was sure that Ye Chen and Xu Leiya would catch up soon, they should be able to do it easily.

Some time later, they arrived at Lu Hanna's place.

"The empress is over there, you can meet her" Xun Zhilin told Jun Tenz.

"I see. . ." Jun Tenz was a little nervous when he had to meet Lu Hanna, to be honest he had a terrible impression of Lu Hanna.

"So you are the crown prince, tell me what you know, I want everything right now" Lu Hanna told Jun Tenz, she wanted everything Jun Tenz knew.

"Lu Hanna wants to know what happened at that place, Jun Tenz should be able to tell her directly what happened, she is one of the people who can do that easily." Lu Hanna said to Jun Tenz, she wants everything known by Jun Tenz.

Jun Tenz told Lu Hanna what happened, he explained in detail how it all started.

Initially they recruited some slaves to be servants and some to be companions, everything was going very smoothly, until that day Jun Zhua the king saw a good-looking and alluring slave.

When Jun Zhua saw the slave, he was immediately mesmerized and recruited her to be one of his servants.

This kind of thing had happened many times in the palace, so it was not strange that everyone ignored this matter and did not care much about it, even Jun Tenz did not care much about this matter either.

They were just slaves, there was nothing they could do to threaten their safety.

But everything changed, Jun Zhua's health suddenly declined and somehow he made the slaves beside him accompany him to the end, even he gave a lot of resources and troops which made everyone become confused even Jun Tenz who was the crown prince was not given such rights.

The other princes couldn't accept this either, they couldn't accept what was happening.

At first many people resisted, but everything suddenly changed, that woman somehow managed to control them all, they obeyed and served that woman and swore.

"The crown prince, princess and prince naturally felt unreasonable, even the concubines and the main Queen were also worried.

Until the woman launched an attack and began to wage war, and intended to overthrow the queen and all the princes.

The northern region, which was originally one, was torn apart, chaos was everywhere, and the two great powers met and caused great destruction.

At first Jun Tenz was confident that he would be able to win, but somehow his troops began to switch and defend the woman, it made the situation worse and eventually they were forced to flee, now all of them might have been captured and killed.

"Wait a minute, don't you have a strong ancestor, why doesn't he show up and intervene in your problem, he should be able to do it easily" Lu Hanna said to Jun Tenz.

Lu Hanna remembered that the Northern Region had a living ancestor.

"That's the problem, our ancestor was killed, when we went to see him, he was already lifeless, it seems like he has been killed for a long time" Jun Tenz said.

"What! ! ! " how is that possible, it's impossible that it happened without anyone knowing" Lu Hanan said in a disbelieving tone.

"That woman must have a supporter, there's no way she could do such an absurd thing" Jun Tenz was convinced that the woman had a strong supporter.

Lu Hanna began to think, that means this woman is dangerous.

"What do you think?" Xu Leiya asked Ye Chen.

"Maybe Mo Xi is involved in this matter" Ye Chen estimated that if Mo Xi was involved, he must have interfered in this matter.

"let's find out more" Ye Chen would find out more, he would find out more about the woman.

"Can you show it" Ye Chen appeared, he asked Jun Tenz.

"Of course" Jun Tenz immediately took the imaging stone, he showed Ye Chen who the woman was.

"This?" Ye Chen, Lu Hanna and Xu Leiya looked at what Jun Tenz had just taken out, they looked at the projection in front of them.

Chapter 2463 Yu Ting's Ambition

"Do you know her" Lu Hanna asked Ye Chen, she asked if Ye Chen knew the woman.

"I know her very well, she is the one who always makes trouble for me" Ye Chen said to Lu Hanna and Xu Leiya.

"trouble for you, please explain more to us..." Xu Leiya and Lu Hanna wanted more explanation from Ye Chen, they wanted to know what happened to Ye Chen.

Ye Chen explained what had happened to him and the woman, the woman Jun Tenz had just shown him was Yu Ting.

It was unexpected that the woman was still alive and somehow arrived at the Demon God Realm.

"So she is that kind of woman. . ." Lu Hanna and Xu Leiya finally understood, they looked angry as they listened to the story Ye Chen had.

"so she was already like that from the start, that woman. . ." Jun Tenz finally knew a bit about Yu Ting from Ye Chen.

"I know how you feel, it must be troublesome as hell, that woman is cunning and deceitful . ." Ye Chen said to Jun Tenz.

"She has taken what I have, I cannot forgive that woman" Jun Tenz said angrily, Yu Ting has taken everything, family, relatives, territory and even his wife, it made Jun Tenz angry.

"This is troublesome, to be honest I can't let her do that either, she is gathering strength, surely she will fight me too" Ye Chen said to Jun Tenz.

Yu Ting is accumulating great power, that means she will fight him and take revenge.

"That's too bad. ." Lu Hanna said to Ye Chen, if that were to happen, then it would be a very bad thing.

"I will help to handle that woman for you. . ., other matters you take care of yourself" Ye Chen would handle Yu Ting, while other matters he would not care, it depended on the strength and ability possessed by Jun Tenz.

"Thank you very much, I can't give you anything for me. . ." Jun Tenz kowtowed, he could not give anything to Ye Chen.

"No problem, I also have a serious problem, it would be troublesome to let him act at will like that" Ye Chen said that he would not let the two enemies unite because it was troublesome.

"Where is Shen Niang right now, I haven't seen her yet, is she okay" Ye Chen still hasn't seen Shen Niang, he wants to know what happened to Shen Niang.

"Then I'll go. . ." Jun Tenz said to Ye Chen.

"Wait a minute, you are the prince aren't you, you must have a secret map, give it to me" Ye Chen stopped Jun Tenz.

"You are right, this is a map of our territory, you can use it" Jun Tenz told Ye Chen.

Jun Tenz gave Ye Chen a map, what Ye Chen needed was there.

"Very good" Ye Chen liked the way Jun Tenz worked, he really knew what he needed.

"When are you leaving?" Lu Hanna asked Ye Chen, she wanted to know when Ye Chen would be leaving.

"The sooner the better. . But for the time being I will be here with you guys" Ye Chen said that he would be with Xu Leiya and Lu Hanna for a while.

Lu Hanna and Xu Leiya's faces turned red, they probably realized and knew what Ye Chen was thinking.

"You are becoming more and more naughty" Xu Leiya said to Ye Chen.

"Did you just realize that I am a naughty man" Ye Chen said to Xu Leiya.

"Maybe" Xu Leiya said to Ye Chen, Xu Leiya finally realized that Ye Chen was indeed naughty.

Ye Chen smiled as he listened to what Xu Leiya said, flirting with beautiful women is fun.

The three of them decided to go back, all the problems had been solved easily by them.

Lu Hanna herself still had quite a lot of problems, she still had quite a lot of problems in her place.

"I can finally sleep too" Lu Hanna was happy that she could sleep, it had been a long time since she was lazy like this.

"You really are a lazy person" Ye Chen saw that Lu Hanna was lazy.

"I've always been a bit lazy, you should know that I spend my time doing things I like, I don't really like assignments" Lu Hanna said that she didn't like assignments.

"Then you should solve your problem quickly. ." Ye Chen told Lu Hanna to solve her problem quickly.

"I understand, I will do it quickly" Lu Hanna understood, she would solve all the problems quickly.

"Then I'll leave first, I have things to do, if you need anything just tell Leiya" Ye Chen told Lu Hanna.

"Understood. ." Lu Hanna understood, she didn't ask Ye Chen much anymore, she seemed to be able to accept everything well.

Ye Chen returned to God Realm first, he had to tell Zhao Yanyan about what Yu Ting might be able to do.

Ye Chen didn't want to take any risks, Yu Ting was most likely targeting God Realm, he had gained the strength and power to do so.

So it was better to be vigilant than to have unwanted things happen like in the past, Ye Chen did not want anyone to become a victim like Ling Yin.

.

.

Back to where Yu Ting was right now.

"Bang. . ." Yu Ting crushed the person in front of her, the handsome man in front of her instantly became a mist of blood by Yu Ting's power.

"Useless, how can you let the crown prince escape" Yu Ting was furious when she found out Jun Tenz managed to escape, all her well-prepared plans were ruined because of an unforgivable mistake.

"Queen, please calm down. . ." those at the back told Yu Ting to calm down, they could not survive Yu Ting's tantrum, the current Yu Ting was much more terrifying.

Yu Ting's strength would increase when she was angry and hateful, it made Yu Ting's strength become even greater and greater.

"Hurry up and find him for me, if you don't find him for me, I won't let you go" Yu Ting gave orders, she told them to find the whereabouts of Jun Tenz, if they didn't find the whereabouts of Jun Tenz, Yu Ting would probably kill them all.

Yu Ting ruled with an iron fist, she made sure they did not dare to go against her, she had the right to be first and everyone had to listen to what he had to say.

"Got it" everyone was frightened, they were all scared and hurriedly left from this place.

"Now you may have escaped, but soon I will find you quickly" Yu Ting will find the whereabouts of Jun Tenz quickly.

"after this I will directly attack God Realm and kill that bastard, I can't wait to kill him quickly" Yu Ting wanted revenge, she intended to destroy Ye Chen and God Realm.

Yu Ting knew the current situation of God Realm, now was the most vulnerable time of God Realm, it was the most appropriate time to attack.

Yu Ting must not let this opportunity pass, this opportunity was something that could not be missed.

"I am already becoming stronger and stronger, soon I will become the master of this entire world" Yu Ting had a strong ambition, she had the ambition to become the supreme ruler.

Chapter 2464 Wants To Talk To Nanlan Lia

Ye Chen finally returned to the God Realm, when he returned he immediately went to find where Zhao Yanyan was.

Ye Chen found Zhao Yanyan at home, she was reading a book in a room alone.

Ye Chen walked in, when Ye Chen walked in, Zhao Yanyan immediately greeted him.

"You're back. . ." Zhao Yanyan said to Ye Chen.

"Of course, I'm back, I have something to tell you" Ye Chen wanted to tell something to Zhao Yanyan.

"What do you want to talk to me about" Zhao Yanyan asked Ye Chen, it seemed like Ye Chen had something important to talk about.

"I found something interesting over there, listen to me" Ye Chen said to Zhao Yanyan.

"um. ." Zhao Yanyan understood, she listened to what Ye Chen said.

Ye Chen told her what happened in Demon God Realm.

"is that what happened, that's terrible news, I didn't expect that woman to be that strong" Zhao Yanyan didn't expect that Yu Ting could be that strong, it was a shocking thing for Zhao Yanyan.

"She must be planning to attack you guys, so I hope you tell the others to be careful" Ye Chen said to Zhao Yanyan.

"I understand" Zhao Yanyan seemed to understand what Ye Chen was thinking, she really understood what Ye Chen was worried about.

Ye Chen learned from past mistakes, he wouldn't let Yu Ting do bad things to his woman again.

"I believe in you, you can definitely overcome everything by yourself" Ye Chen believed in the ability possessed by Zhao Yanyan, Zhao Yanyan could definitely overcome this problem.

"You too, you must be careful, that woman is cunning and dangerous, you must not hold back anymore" Zhao Yanyan said to Ye Chen.

"I understand, then I'll leave first, I need to get there soon as time is running out" Ye Chen said to Zhao Yanyan.

"Understood. . ." Zhao Yanyan understood.

Ye Chen left, he had to come back again because the matter wasn't completely over.

"You don't want to rest for a while, must be tired of going here and there, even though you have teleportation ability" Zhao Yanyan said to Ye Chen.

Ye Chen needed to rest for a while, it wasn't good to overuse the power of teleportation.

"I understand, since it's already here, maybe I'll rest for a while" Ye Chen said that he would rest for a while first.

"That's great" Zhao Yanyan was happy when she heard this.

She immediately went and started making Ye Chen a hot chocolate drink, something that Zhao Yanyan made very special.

"How are you doing, you don't seem to be doing well lately" Ye Chen said to Zhao Yanyan.

"I'm studying, you know that I have to study more because my knowledge is still lacking, sister Yixian told me that" Zhao Yanyan said to Ye Chen.

Zhao Yanyan learned many things, she learned new things for more knowledge.

"So that's it, you've studied hard, I'm glad to hear that from you. ." Ye Chen was happy when he saw Zhao Yanyan's spirit.

Ye Chen reached out and started stroking Zhao Yanyan's hair, Zhao Yanyan's hair was very soft.

Zhao Yanyan closed her eyes, she was really happy with what Ye Chen was doing, she was enjoying Ye Chen's big hands.

Ye Chen was getting more and more satisfied looking at Zhao Yanyan, Zhao Yanyan was very beautiful and this was his wife that Ye Chen loved the most.

"is it comfortable?" Ye Chen asked Zhao Yanyan, he wanted Zhao Yanyan's opinion.

"It's very comfortable, I like it when you do it" Zhao Yanyan really enjoyed this, she really enjoyed what Ye Chen did.

"husband, what about that person. . ." Zhao Yanyan asked Ye Chen.

"He is a dangerous person, it is very difficult to catch him" Ye Chen told Zhao Yanyan.

"You seem to be in trouble" Zhao Yanyan could tell that Ye Chen was in serious trouble.

"I will catch him immediately, I won't let him do what he wants. . ." Ye Chen said to Zhao Yanyan.

Zhao Yanyan smiled when she saw Ye Chen's determination.

"Then I'll help you too. . ." Zhao Yanyan would help Ye Chen, she would definitely come when Ye Chen needed her help.

More precisely all the women would come when Ye Chen needed help, they couldn't bear to see Ye Chen struggling alone against the enemy.

Ye Chen felt happier when he saw Zhao Yanyan and the others wanted to help him.

"How about your progress, it looks like I have to make more pills and give more weapons to you guys" Ye Chen wanted to give it all to Zhao Yanyan and the others.

"You've already given us too much, it seems we've had enough of what you've given" Zhao Yanyan felt that it was enough, they had enough of what Ye Chen had given them.

Zhao Yanyan and the others used the resources given by Ye Chen very well, they used the resources carefully.

Everything must not be wasted, that's why they can be as strong as they are today.

"I believe in you, so please believe in us too" Zhao Yanyan said to Ye Chen.

"I always believe in you" Ye Chen always believed in Zhao Yanyan, he believed in their talent and strength.

Ye Chen spent time together with Zhao Yanyan for a while, now the two of them seemed very close and started making out.

Zhao Yanyan was looking forward to the time when she was with Ye Chen, being with Ye Chen was the most enjoyable thing Zhao Yanyan felt.

"I think I'll find someone first" Ye Chen said that he wanted to find someone first.

"I'm coming. ." Zhao Yanyan wanted to go along with Ye Chen.

Ye Chen wanted to meet with Nanlan Lia, he wanted to talk about many things with Nanlan Lia.

Ye Chen asked Fang Miyu, she should know where Nanlan Lia was.

"What is the master looking for, do you need information?" Fang Miyu asked Ye Chen.

Fang Miyu thought that Ye Chen needed information from Nanlan Lia.

"I want to discuss something with her, can you arrange it for me... ." Ye Chen said to Fang Miyu.

"Of course, that's easy to do, just leave it to me. ." Fang Miyu understood, she directly arranged Ye Chen's meeting with Nanlan Lia.

Nanlan Lia was summoned by Fang Miyu, she quickly arrived and met with Ye Chen.

"what does the God Realm leader want from me. ." Nanlan Lia asked Ye Chen.

"Stop teasing me" Ye Chen said to Nanlan Lia.

"FUfufufufu" Nanlan Lia smiled, she did tease Ye Chen in front of Zhao Yanyan.

Zhao Yanyan didn't mind this matter, she let Nanlan Lia tease Ye Chen.

"Do you know the weakness of Mo Xi" Ye Chen asked Nanlan Lia.

"Hmmm, this is very difficult. . ." Nanlan Lia said to Ye Chen, she felt that Ye Chen's question was difficult.

"Aren't you a person with a lot of information, don't you know something like that" Ye Chen said to Nanlan Lia.

Ye Chen challenged Nanlan Lia.

Nanlan Lia raised an eyebrow, she really wasn't happy about this.

"I know the weakness, but I don't know if it will work" Nanlan Lia said to Ye Chen.

Nanlan Lia had not confirmed this matter, rather she was unable to do so.

"Just say it" Ye Chen said to Nanlan Lia.

Chapter 2465 Forced Nanlan Lia To Say

"But it's not free" Nanlan Lia said that the information she provided was not free.

"You're still the same, it makes me a little annoyed with you" Ye Chen said to Nanlan Lia.

"Fufufu" Nanlan Lia smiled, she smiled when facing Ye Chen, she had a sly smile when facing Ye Chen.

"How about it, do you want to listen or not. ." Nanlan Lia said to Ye Chen, she told Ye Chen to listen to what she had to say.

"Alright, I will make you say it" Ye Chen said to Nanlan Lia, he would make Nanlan Lia say it.

"Are you capable of it, I have been trained hard, you won't get information from me easily" Nanlan Lia told Ye Chen.

Nanlan Lia had been trained to never say what happened, so she wouldn't tell Ye Chen what she knew.

"Let's see, Yanyan please take care of it for me" Ye Chen said to Zhao Yanyan.

Ye Chen told Zhao Yanyan to make a barrier, he told Zhao Yanyan to seal off this place so Nanlan Lia wouldn't leave.

"What are you going to do?" Nanlan Lia had a bad feeling, Zhao Yanyan had made a very strong barrier, there was no way she could escape from this place.

"Be prepared, this will be the hardest thing in your life" Ye Chen said to Nanlan Lia, he told her that this would be a bad thing for Nanlan Lia.

Ye Chen stretched out his hand, he reached out and directly touched Nanlan Lia.

Nanlan Lia tried to dodge, even though she was strong, the current her was no match for Ye Chen.

"No, don't do it" Nanlan Lia said to Ye Chen, she begged Ye Chen not to do it.

Too bad Ye Chen didn't listen to what Nanlan Lia said.

He started to provide special services for Nanlan Lia.

"Ahhh. . ." Nanlan Lia couldn't stand what Ye Chen was doing, the feeling Ye Chen gave her was so comfortable and delicious, she couldn't possibly survive this feeling.

"Stop, you'll drive me crazy" Nanlan Lia asked Ye Chen to stop, what Ye Chen was doing could drive Nanlan Lia crazy.

Ye Chen's hand felt very great, he could feel that Nanlan Lia had very good skills.

"uhhhh, ahhh, no" Nanlan Lia was going crazy, she was really enjoying what Ye Chen was doing.

"Too good, this feeling is too good for me... ." Nanlan Lia started to give up, this feeling was too good, she couldn't possibly stand what Ye Chen was doing anymore.

"How do you want to say it or not?" Ye Chen said to Nanlan Lia.

"Alright, I'll say it" Nanlan Lia couldn't possibly resist Ye Chen, she couldn't possibly resist Ye Chen's charm and power.

"Tell me right now" Ye Chen told Nanlan Lia to say it quickly.

"I understand" Nanlan Lia understood, she said what Mo Xi's weakness was.

"Mo Xi's weakness is in his left arm, he has a left arm full of defenses, for some reason he uses runes and various defenses on his left arm.

"he seems to protect his left arm from attacks, and he never uses left arm to defend, he uses her right arm to withstand attacks" Nanlan Lia told Ye Chen.

"hmmm. ., so that's it, there are parts on his body that are weak points, that's interesting" Ye Chen was fully interested in this matter, he was intrigued by what Nanlan Lia said.

"Moreover, this feels very comfortable" Nanlan Lia said to Ye Chen, she told Ye Chen that this feels very comfortable.

"You turned out to be a lewd woman" Ye Chen saw that Nanlan Lia was a lewd woman, she was easily provoked by Ye Chen.

"That's because it's so comfortable, I can't stand this comfort" Nanlan Lia told him that it was too comfortable, she couldn't possibly stand this feeling.

Nanlan Lia suddenly brought her face closer to Ye Chen, she wanted to kiss Ye Chen who was in front of her.

Ye Chen did not reject her, he did not reject the kiss given by Nanlan Lia.

"Chuuu. . ." the two kissed for a while, they enjoyed the kiss well.

"Ahh. . ." A while later the two separated, Nanlan Lia got a new thing from Ye Chen.

"Thank you very much for the information you gave me, I am very happy with the information you gave me".

"This feels really good, you should meet me more often and give me more, that is if your beautiful wife doesn't mind" Nanlan Lia told Ye Chen.

"he won't mind this" Ye Chen told her that Zhao Yanyan wouldn't mind this.

"Fufufufu, as a reward, I will provide additional information for you" Nanlan Lia wanted Ye Chen to defeat Mo Xi, that's why he would provide the information Ye Chen wanted.

"Thank you very much" Ye Chen was grateful for what Nanlan Lia did, he was happy with what Nanlan Lia did.

Nanlan Lia told Ye Chen everything he needed, she told him everything she knew about Mo Xi.

Ye Chen listened to what Nanlan Lia said, he finally knew everything Nanlan Lia had.

"Very good, I will defeat him" Ye Chen had gotten quite a lot of important information about Mo Xi.

"You have to win, I won't forgive you if you don't win the battle" Nanlan Lia wouldn't forgive Ye Chen if until he lost against Mo Xi.

"I will not lose against Mo Xi" Ye Chen told Nanlan Lia, he will not lose against Mo Xi.

"I'm leaving, thank you for everything" Ye Chen thanked Nanlan Lia for what she did.

"It's done" Zhao Yanyan asked Ye Chen.

"Yes, it's done" Ye Chen told her that everything was done.

Ye Chen had gotten what he was looking for, he had gotten a way to deal with Mo Xi.

"I'll help you too" Zhao Yanyan told him that she would help too, she would help Ye Chen.

Zhao Yanyan will help Ye Chen, she will help Ye Chen take care of Yu Ting, Yu Ting is a threat that must be resolved immediately.

"Then I'll go first" Ye Chen told her that he would go first.

"um" Zhao Yanyan understood, she would prepare what was needed to help Ye Chen.

Ye Chen decided to leave, he decided to head back towards Demon God Realm.

"I'll contact the others" Zhao Yanyan decided to contact the others, he needed help from Li Jingyi and also Ye Chen's other women.

They were going to face Yu Ting, he was a tough opponent and also strong.

It wasn't easy to face Yu Ting who had enhanced abilities.

Yu Ting himself will not stay silent, he will fight his enemy.

"Your enemy has started to move to this place, he might be planning to confront you" a man in a white robe came to Yu Ting, he told Yu Ting that right now Ye Chen has started to move.

"Tell that boss of yours, I'm going to tear that guy apart" Yu Ting was going to tear Ye Chen apart, she was going to return everything Ye Chen had ever done to her.

"I hope you don't disappoint us, otherwise you will no longer have a place in this world" before leaving, the man in the white robe told Yu Ting, more precisely he gave Yu Ting a warning.

Chapter 2466 Started A War Against Yu Ting

"So noisy, I know about it too" Yu Ting said that she knew about it.

"Very good, I hope you prepare yourself" the man in the white coat said to Yu Ting.

After giving a warning to Yu Ting, the man in the white coat left the place.

"What a hassle, I don't like this kind of thing" Yu Ting didn't like this kind of thing.

"Servant, tell everyone to prepare, we will start to fight against the enemy" Yu Ting started to prepare the troops to fight against Ye Chen, this would be a tough battle between Ye Chen against Yu Ting.

.

.

Nanlan Lia also moved, she moved and helped Ye Chen from the shadows.

"This time I will help you too, prepare yourself" Nanlan Lia joined the battle, she joined the battle against Mo Xi.

More and more people joined the battle, they all helped Ye Chen to be able to win the battle at hand.

.

.

Ye Chen himself headed back to Lu Hanna's place, he headed back to Lu Hanna's place and told her to prepare for the battle.

"What plans do you have" Lu Hanna asked Ye Chen, she asked what Ye Chen was going to do.

"We will start destroying Yu Ting's army, let's reduce her army" Ye Chen told her what they would do next.

"Attack directly, I like your style" Lu Hanna liked Ye Chen's style.

"I just sent the Clone I have to find out what's going on over there, we should know what's going on over there soon." Lu Hanna told Ye Chen.

"got it" they just need to wait it out, as long as Ye Chen manages to get the information, then everything will become easier to do.

"I'm back, it seems like there are quite a lot of things that happened while I was away"

Shen Niang looked towards Ye Chen, Lu Hanna and Xu Leiya, she could tell that something had happened to the three of them.

"Where have you been, I have been looking for you for quite some time" Ye Chen asked Shen Niang, he wanted to know where Shen Niang had gone all this time.

"I managed to find the whereabouts of Mo Xi, he is planning something big and I already know what will happen next" Shen Niang already knew what would happen next.

"Explain to us what you just found out" Ye Chen asked Shen Niang to tell him what he found out.

Shen Niang told the information she found, it made Ye Chen, Lu Hanna and Xu Leiya shocked by what they just heard.

"That person is really crazy, why would there be such a person in this world" Lu Hanna was completely shocked as she listened to what happened.

"I knew that he was a crazy person" Ye Chen knew that Mo Xi was a crazy person, he was no longer surprised when he found out this kind of thing.

Shen Niang had found the place where Mo Xi was carrying out his plan.

All they needed to do now was to stop what would happen in the future.

"Let's start for our real plan" Ye Chen blessed to start the plan they had.

"Niang, please take care of Mo Xi for a while, don't let him move for a while" Ye Chen asked Shen Niang to restrain the movements of Mo Xi for a while.

"I understand, I'll do it" Shen Niang had already listened to what Ye Chen was planning.

She would follow Ye Chen's plan.

A few days later, Ye Chen finally got information about the enemy, this was the perfect time to start the plan.

The opponent that Ye Chen had to fight was the house of eight demon generals, it was an army that was under the command of Yu Ting and they were very every once with Yu Ting.

"Let's see what you can do when I destroy your army before you even know it" Ye Chen would destroy the army before Yu Ting even realized it.

The plan carried out by Ye Chen was really very fast, in carrying out a very fast plan.

First Ye Chen went to the first general's house, the first general's house was the Bi Clan family.

"Alright, let's settle this quickly" Ye Chen wanted to settle this quickly.

"boom . . ." Ye Chen released his power, when Ye Chen released his power, all the members inside the Bi Clan house came out,

"How dare you invade our place, you are tired of living in this world" the leader of Bi Clan said to Ye Chen.

All the members of Bi Clan raised their weapons, they raised their weapons and started to attack Ye Chen.

"I have been waiting for you guys, don't let me down" Ye Chen said not to let himself down.

"One Hundred Thousand Fire Swords" Ye Chen used One Hundred Thousand Fire Swords, ten thousand fire swords appeared and he began to attack Bi Clan.

"arghhh. ." under the strength possessed by Ye Chen, they had no resistance, they were quickly defeated by Ye Chen.

"Bastard who are you ?, why are you so strong" The leader and ancestor of Bi Clan had already come out, even though they had come out, they were still unable to defeat Ye Chen.

"Of course I am your enemy, you don't need to ask so many questions about such silly things" Ye Chen said to the patriarch of Bi Clan.

"Boom. . ." Ye Chen used Supernova, he destroyed them all quickly.

"arghhh. . ." they were all quickly destroyed, they were crushed in Ye Chen's hands.

"well one is done, only six more to go" Ye Chen moved even faster, he moved quickly to defeat the remaining enemies.

.

.

"What !!!!" Yu Ting was furious when she heard this, she was furious when she heard the seven great generals she had lost in just a few hours.

"This can't be happening, who could do such a crazy thing" Yu Ting still couldn't believe that anyone could do such a crazy thing.

"Queen, from the reports I heard, there was only one person who did it" They reported that there was only one person responsible for the destruction of the seven demon general houses.

"This is unforgivable, send the best troops I have, we will start hunting him down" Yu Ting said to the man in front of her.

Yu Ting's anger right now is horrifying, she has an unbelievable amount of rage.

One of her powers was destroyed, of course this made Yu Ting furious.

"Damn it, is this your doing" Yu Ting estimated that this might be Ye Chen's doing, only he could do something like this now.

"I have to start moving too" Yu Ting had to start moving, she couldn't just stand by and watch Ye Chen destroy her army.

"You all come with me, we will start to crush them" behind Yu Ting were several women and men, they had immense strength, their strength was out of control and they looked terrifying.

They were the ones trained by Yu Ting for this day, they were rare talents and were well trained by Yu Ting for this day.

Yu Ting even used slave seals to make them all obey her.

Chapter 2467 Yu Ting Attacks Zhao Yanyan

"If you can do it, then I can do it too" Yu Ting would do the same thing Ye Chen did.

She would attack Ye Chen's Family, she would avenge what Ye Chen did.

.

.

"It looks like that woman is starting to move, then we will also move and start our plan" Mo Xi moved, he joined the chaos that was currently happening.

Mo Xi might not be able to get the infinity power stone from Ye Chen.

"That's why, he's looking for another one instead" This is all for his purpose, he must complete his purpose soon.

"They all started to move, Ye Chen, Yu Ting and Mo Xi started to move and complete their plans.

"The three major forces are now on the move, this naturally attracts the attention of the observers, who will be the winner in the big battle that is about to happen.

Nanlan Lia gathered information, she just worked with the woman Ye Chen had, the they easily worked together to win.

With the information given freely by Nanlan Lia, Zhao Yanyan and Li Jingyi could move freely.

They even knew what Yu Ting was going to do, everything was already prepared by Zhao Yanyan and Li Jingyi.

"sister, we are about to face a troublesome woman, she will definitely attack us in a sneaky way, I hope you and the others are careful" Zhao Yanyan said to Li Jingyi.

"I've been face to face with that woman, I also know what kind of terrible woman she is" Li Jingyi understood what Zhao Yanyan said, he understood what kind of terrible Yu Ting was, she was a cunning woman and also terrible for them to face.

"Then we already know what that woman is like, so let's solve this problem quickly" Zhao Yanyan said that she would solve this problem quickly.

"everyone, let's work together to defeat that woman" Zhao Yanyan said and invited everyone to work together to defeat Yu Ting.

"Alright" everyone understood, they would all do their best to fight Yu Ting and help Ye Chen deal with his problem.

"I still have a little time. ." Ye Chen still had a little time, he still had a little time to improve his cultivation, he was still at stage one, this was the time to advance his strength to stage two.

"I will use all the resources I have" Ye Chen used everything he could, this was all to increase his strength to have a chance to win against Mo Xi.

.

.

Yu Ting was now moving towards God Realm, she was heading towards God Realm with her personal army.

"I will destroy you all" Yu Ting was going to destroy them all, especially for Lin Rouxi, he had more grudges against Lin Rouxi, what had previously happened still made Yu Ting angry towards Lin Rouxi.

"Yu Ting along with his troops, finally arrived at the border, when they arrived at the border, they saw Zhao Yanyan already waiting for them.

"You. ." Yu Ting remembered this woman, she was one of Ye Chen's first ladies and had a stunning beauty, if I'm not mistaken this was Zhao Yanyan a beauty flower inside the school.

"So you've been waiting for me in this place" Yu Ting didn't expect that Zhao Yanyan had been waiting in this place.

"I guessed that you would make a move, fortunately my husband told me in advance, so the preparation is complete" Zhao Yanyan was glad that Ye Chen had informed them, otherwise they wouldn't have realized the sneak attack by Yu Ting and they could have suffered even more losses like what happened before.

"Damn it, why are you following a man like that, just thinking about it makes me angry" Yu Ting said to Zhao Yanyan, she was angry when she saw the beautiful woman who followed Ye Chen willingly like that.

"You must be jealous" Zhao Yanyan said that Yu Ting must be jealous.

"jealous, why would I be envious of you guys" Yu Ting couldn't possibly be envious of them.

There was no point for him to be envious of Zhao Yanyan and the others.

"Is that so, then why are you doing all this" Zhao Yanyan said to Yu Ting.

"I want to destroy him and make him look despicable, I don't like it when he gets what he wants" Yu Ting told the reason why she was eager to destroy Ye Chen.

"so that is your goal, then we won't let you do it" Zhao Yanyan wouldn't let Yu Ting do it, she wouldn't let Yu Ting interfere with the life that Ye Chen had anymore.

"This is our second battle, in the past I may have lost, but now it's different I will no longer lose to you all" Yu Ting challenged Zhao Yanyan, Li Jingyi, Lin Rouxi and all the Ye Chen women who were in this place.

"Who is this little lady, she is so annoying, can I kill her with my hand" Sun Xuanyin looked displeased when she saw the arrogant and unreasonable Yu Ting.

"She's quite arrogant for a little girl, I won't let her escape easily" Dongfang Xiu wouldn't let Yu Ting escape.

"Don't underestimate her, she might have some things up her sleeve that could threaten all of us here" Yue Ya said to everyone in this place, she did not want to underestimate the enemy, plus Yu Ting looked evil and very similar to the people from Vengeance Fate Sect.

"she might have a dangerous poison, sister Yin was barely wounded by her" Nangong Xiang said to everyone in this place.

"So all of you have gathered, very good then I don't need to go and look for you one by one anymore, I will kill you all in this place" Since everyone is already in this place, Yu Ting doesn't need to look for them anymore, he just needs to kill them quickly.

Yu Ting is so bold, she challenged all the beautiful goddesses in God Realm with first-rate strength and beauty.

All the women naturally felt provoked by what Yu Ting said, they were not happy with what Yu Ting said.

Even if Ye Chen was in this place, he probably wouldn't be happy about this matter anymore either.

Ye Chen disliked seeing his woman get hurt the most, he disliked seeing his woman and family threatened, he would not let the matter go no matter what.

"Kill them for me" Yu Ting gave the order, she gave the order to her troops to kill Zhao Yanyan and the others.

"sisters, come with me" Zhao Yanyan was the one who gave the command, they followed Zhao Yanyan and started to fight Yu Ting.

"Boom. . ." The battle broke out, Yu Ting used her vampire power to start attacking Zhao Yanyan.

Yu Ting's target was Zhao Yanyan, she could sense that Zhao Yanyan was the most troublesome woman among all.

"I'll kill you first, then I'll send all of you" Yu Ting said to Zhao Yanyan.

"don't underestimate us, you'll regret it if you underestimate us" Zhao Yanyan told Yu Ting not to underestimate them, they were now no longer weak women, they were just as strong as Yu Ting and wouldn't lose easily.

Zhao Yanyan picked up the Saint Light Zither, she started playing it and began to attack Yu Ting.

"Ding" a great power was released by Zhao Yanyan, this power was equivalent to the roar of a light dragon.

Chapter 2468 The Fierce Battle Of Zhao Yanyan Vs Yu Ting

Yu Ting made a shield of black-colored blood, she protected herself by using the blood.

she only retreated a few meters when she received the full force attack launched by Zhao Yanyan.

"Is that blood?" Zhao Yanyan realized that it was blood, she realized that the black liquid that Yu Ting had just released was powerful and had a terrifying aura.

"That's right, it's blood, you be prepared because I won't lose to you" Yu Ting said to Zhao Yanyan, she told her that he wouldn't lose to Zhao Yanyan.

The attack that Zhao Yanyan just used didn't work, it looks like Yu Ting has a strong defense to withstand Zhao Yanyan's direct attack.

"Accept my attack" This time it was Yu Ting's turn to attack, she launched several blood spears towards Zhao Yanyan.

Zhao Yanyan instantly created a light shield, she blocked Yu Ting's attack and purified the attack launched by Yu Ting.

"This woman's defense is quite strong" Yu Ting saw that Zhao Yanyan had a strong defense.

"Even though it's strong, you won't be able to withstand it all by yourself" Yu Ting launched quite a number of attacks towards Zhao Yanyan, she targeted the life that Zhao Yanyan possessed.

Zhao Yanyan couldn't continue to defend against Yu Ting's attacks, at the very least he had to counter Yu Ting's attacks immediately.

"I can't keep defending, I'm going to fight back, Ding" Zhao Yanyan started to fight back, she plucked the zither in her hand.

A white dragon came out and attacked towards Yu Ting.

"Boom. . ." an explosion occurred, this explosion made Yu Ting's hand injured and almost fell off.

The power of light was Yu Ting's weakness, so it wasn't strange that she was able to be severely injured by Zhao Yanyan's attack.

Yu Ting used her regeneration power, the wounds on her body quickly recovered.

"I admit that you do have the ability to fight me, it's not strange that you're the woman that that bastard likes"

"stop insulting him, you have no qualification saying that" Zhao Yanyan was angry at Yu Ting, she wouldn't let Yu Ting insult or mock Ye Chen anymore.

"hahaha, look at the reaction you have, you're angry with just such a trivial thing, it's so embarrassing for a beautiful woman like you" Yu Ting said to Zhao Yanyan.

"She's trying to provoke me, I won't fall for this woman's provocation" Zhao Yanyan wouldn't fall into the trap, she wouldn't fall for Yu Ting's game.

Zhao Yanyan tried to be calm, she did her best to be calm when she faced an enemy like Yu Ting.

"Damn it, she's not provoked, this woman is smarter than what I imagined" Yu Ting recognized the ability possessed by Zhao Yanyan.

If this was an ordinary woman, they might have gotten angry and attacked Yu Ting in various ways.

It was a pity that Zhao Yanyan didn't do according to what Yu Ting thought, she wasn't willing to fall into the scheme that Yu Ting had.

"Light of holy Floor" Light of holy Floor was used, Zhao Yanyan decided to directly stop the movement of Yu Ting, she wouldn't let Yu Ting run.

A vast floor of light enveloped around this place, it made Yu Ting feel pain all over her body.

"What kind of power does she have?" Yu Ting was shocked when she knew the power possessed by Zhao Yanyan.

"When you are inside my territory, you will feel excruciating pain and destroyed, so prepare yourself to feel even greater pain." Zhao Yanyan said to Yu Ting.

"This bitch" Yu Ting was annoyed, the ability possessed by Zhao Yanyan made her feel like vomiting blood.

"I'm really not fit to fight the light, I hate this, why does she have to be an opponent with the power of light" Yu Ting was not fit to fight the light, she and Zhao Yanyan were natural enemies who would always be on opposite sides.

"Dark Blood Field" Yu Ting decided to use the same trick that Zhao Yanyan did.

He overrode the Light of holy Floor by using her Dark Blood Field.

Zhao Yanyan and Yu Ting began to fight, both of them using their full strength to suppress each other's power.

The battle waged by Zhao Yanyan against Yu Ting could be said to be quite fierce.

The two compared the strength they had, in this case Zhao Yanyan was far superior compared to Yu Ting, that was because the natural talent and body possessed by Zhao Yanyan was above the clouds.

"Damn it, I won't lose to you, I won't accept losing to you" Yu Ting had strong emotions and hatred for Zhao Yanyan, this was what made her stronger and more deadly.

"boom" a huge and terrifying amount of power came out from Yu Ting's body, this power began to suppress Zhao Yanyan.

"Her strength is growing so fast" Ye Chen observed the changes made by Yu Ting, it was quite shocking when she saw the strength possessed by Yu Ting.

"see the more I hate you, the stronger I will become, what are you going to do, the longer we fight, the stronger I will become, you won't have a chance to win against me" Yu Ting started laughing, victory will definitely be in Yu Ting's favor.

"Yu Ting's words do have a point too, but Zhao Yanyan has tons of ways to deal with Yu Ting.

Zhao Yanyan used the Goddess Melody Technique, she started to curse Yu Ting and made her feel excruciating pain.

"arghhh . ." Yu Ting started to feel a headache, she felt an excruciating headache.

"what is happening to me, this hurts" Yu Ting felt the excruciating pain, she couldn't stand what Zhao Yanyan was doing.

"I will make your brain melt with my melodic voice" Zhao Yanyan said to Yu Ting.

"Damn it, stop right now, it's painful and annoying" Yu Ting ordered Zhao Yanyan to stop right now.

"You can't order me around, there's no qualification for you to stop me" Zhao Yanyan said that Yu Ting wouldn't be able to order her around.

"Uh . . ." Yu Ting tried her best to defend herself from Zhao Yanyan's attacks.

The sound of this melody was getting more and more annoying, Yu Ting's head felt like it was going to explode from the sound produced by the zither plucked by Zhao Yanyan's small hands.

"gah. . ." Yu Ting gathered everything she had to attack Zhao Yanyan, she had to stop Zhao Yanyan no matter what.

"kyahh . . ." Zhao Yanyan retreated, she was sent flying by the attack made by Yu Ting.

At least Zhao Yanyan retreated a few meters when receiving Yu Ting's attack.

"uhhhh. . " Yu Ting was finally able to be free, she was finally able to get rid of the nagging thing in her head.

"I must no longer let that woman use the same technique as before, it's a terrible technique to listen to" Yu Ting had to make sure not to let Zhao Yanyan do the same thing as before.

"She's a ranged user, that means, I'll get close to her" Yu Ting decided to get close to Zhao Yanyan, it was one of the best ways Yu Ting could restrain Zhao Yanyan's movements.

Yu Ting picked up a whip and started attacking Zhao Yanyan.

"Prepare to die in this place" The whip in Yu Ting's hand emitted a pitch black lightning bolt, it flew straight towards Zhao Yanyan.

Zhao Yanyan used a light shield to block the oncoming attack.

"bang" the resulting impact damage was extremely terrifying, it was strong enough to destroy the stars around.

Chapter 2469 You Almost Killed Me

After the exchange of attacks just now, the two retreated, both of them retreating and staying away from each other.

"Are you alright" Li Jingyi asked Zhao Yanyan.

"I'm fine, only minor injuries" Zhao Yanyan told Li Jingyi, she told Li Jingyi that she was fine.

"That woman has poison in her weapon, you should be more careful when fighting and hold the whip" Li Jingyi realized that Yu Ting had poison in her weapon, it would be a bad thing if Zhao Yanyan got hit by the whip.

"She still uses vicious methods, that's why I don't like her" Zhao Yanyan didn't like Yu Ting, she didn't like the methods used by Yu Ting when fighting someone.

"aren't you afraid to fight me, if you get hit by this poison, the battle will end here soon" Yu Ting said to Zhao Yanyan.

"I won't be hit by your slow weapon" Zhao Yanyan said that he would never be hit by Yu Ting's weapon.

"Are you sure about what you said" Yu Ting said to Zhao Yanyan, he started to fight Zhao Yanyan by using a whip that was coated with lightning and poison.

"sister, you better stay away, I will fight her" Zhao Yanyan told Li Jingyi to retreat first, she would finish fighting Yu Ting alone.

"I understand, I will focus on protecting you from behind, I will make sure that the poison won't hurt you".

Li Jingyi would provide protection for Zhao Yanyan, she had to make sure that Zhao Yanyan wasn't hurt by the enemy's attack.

Zhao Yanyan was grateful for what Li Jingyi did, the protection provided by Li Jingyi would be very useful in the battle against Yu Ting.

"Bang. . ." Zhao Yanyan and Yu Ting started their battle once again, both of them started attacking each other with deadly attacks.

Zhao Yanyan this time used the sword of light and white dragon attack to fight Yu Ting, the attack this time was more terrifying compared to before.

"white dragon light roar, take this" Zhao Yanyan used a destructive dragon sound attack once.

"uhhh. . " Yu Ting's body trembled, her internal organs injured from the attack just now.

"What kind of attack was that, I didn't see it" Yu Ting didn't see the attack from Zhao Yanyan, when Yu Ting realized she was already injured from the attack from Zhao Yanyan.

"That sucks, I might lose my blood stock due to the attack from Zhao Yanyan" Yu Ting needed blood to recover, the heavier the wound the more blood she needed to recover her injured body.

Yu Ting had used several times, so she had to be even more frugal, the enemies were still numerous and her small army looked exhausted when fighting Ye Chen's women.

"You guys aren't very useful to me, you should be quick to defeat them" They weren't very useful against Yue Ya and the women around.

The difference in their strength was obvious, it made them have no chance of winning because all of Ye Chen's women were perfect in terms of appearance and combat power.

"Your enemy is me, don't shift your focus elsewhere" Zhao Yanyan attacked Yu Ting, she didn't let Yu Ting focus elsewhere.

"That's right, my enemy is you, I will make you crumble quickly" Yu Ting said to Zhao Yanyan.

This place started to turn dark, red clouds like blood appeared and some bats started to come out from Yu Ting's body.

"let's start getting a little serious, I'll start sucking the blood you have" Yu Ting said to Zhao Yanyan, she would suck Zhao Yanyan dry.

In here everything will be Yu Ting's food, Zhao Yanyan won't be able to get out until completely drained by Yu Ting.

"Accept your fate in this place, this will probably be the grave you have" Yu Ting said to Zhao Yanyan.

Zhao Yanyan didn't answer the words from Yu Ting, she started to close her eyes.

"Have you given up, this is so fast, I didn't expect that you would give up so quickly, this is quite disappointing for me" Yu Ting thought that Zhao Yanyan had given up.

"Then let's end this quickly, I can't wait to see a beautiful woman like you become dry and become the food of the pets I have" Yu Ting wanted to make Zhao Yanyan dry, he wanted to see what it looked like when Zhao Yanyan became dry.

The bat started to swarm around Zhao Yanyan, it started trying to bite and suck Zhao Yanyan dry.

"Heavenly Judgment Light Domain" Zhao Yanyan finally opened Domain to fight Yu Ting, light came out from Zhao Yanyan's body, Zhao Yanyan's body was dazzling like a light of hope.

"What is that . . ." Yu Ting didn't know what was happening in front of her, she couldn't feel anything anymore.

"Uh . . ." Yu Ting's skin started to burn and hurt, she felt like she was slashed by a lot of knives which were very many in number.

"What is this, where did this wound come from, I don't feel it" Yu Ting couldn't feel the attack from Zhao Yanyan, she didn't know what Zhao Yanyan had just done.

This was a domain created by Zhao Yanyan and was able to increase the power possessed by Zhao Yanyan.

In addition, it also served to suppress the power possessed by the opponent, which was why Yu Ting couldn't move freely.

The chain of light began to spread and directly restrained Yu Ting's body, right now he wouldn't be able to move freely anymore.

"What kind of domain is this, my strength has become weak and my body is in chains" Yu Ting said what she felt right now.

Her current body is not as free as before, there is a force holding Yu Ting's body.

"It's time to end it all." Zhao Yanyan held the sword of light, it was the right time to end it all, everything had to end in this place.

"This is bad, am I going to die" Yu Ting felt a very bad feeling, is she going to die in this place.

"No I won't die. . " Yu Ting used all the strength that was in her body, she used everything in her body to defend from Zhao Yanyan's attack.

"Punishing sword" Zhao Yanyan lowered the punishing sword, he immediately slashed at Yu Ting using all his strength.

"No, don't do that" Yu Ting said to Zhao Yanyan, she shouted and asked Zhao Yanyan to stop right now.

Zhao Yanyan didn't stop his attack, she didn't give Yu Ting a chance to escape from her Domain.

A huge gap appeared after Zhao Yanyan made a slash, it showed that the strength possessed by Zhao Yanyan was indeed strong and great.

"This should be enough to kill her" That was the final strike by Zhao Yanyan, it should have been enough to kill Yu Ting.

"uh. . I almost died, you damn bitch" Yu Ting was still alive after receiving an attack from Zhao Yanyan, her body had become two pieces, but he was still alive and able to recover himself as before.

"Why don't you just die" Zhao Yanyan said in an annoyed tone.

Zhao Yanyan was angry that Yu Ting didn't die after being hit like that, it should have been observed after being hit by the powerful attack launched by Zhao Yanyan.

Chapter 2470 The Plague Released By Yu Ting

"I told you that I won't die before I get my revenge" Yu Ting told Zhao Yanyan that she won't die before getting her revenge.

"What a stubborn woman" Yue Ya told Yu Ting, she was a stubborn woman.

"How about we join hands to fight her, the people behind her are quite troublesome" Yue Ya said to Zhao Yanyan.

Yu Ting had a pretty good army they could hold out for quite a while against Yue Ya and the others.

When everyone joined hands, there was no chance for Yu Ting to win against them.

"okay, let's do just that" Zhao Yanyan agreed with what Yue Ya said, they should be together against Yu Ting.

With their combined strength, they started to attack Yu Ting.

"All of you hurry up and protect me" Yu Ting gave an order, she gave an order for them to protect her.

With the order given by Yu Ting, all the troops immediately focused, they all immediately focused on protecting Yu Ting from the danger that occurred.

"Boom. . ." Yue Ya, Li Jingyi, Zhao Yanyan, Dongfang Xiu, Sun Xuanyin, Nangong Xiang launched a powerful attack, Yu Ting with her minions would not be able to withstand such a powerful attack.

"Damn it, I can't stand their strength" Yu Ting used a talisman to protect herself, if she didn't do this, she would probably die.

"You are all such troublesome women" Yu Ting was angry, she was angry at everyone who was bothering her.

"You yourself are the same, you are also a very troublesome woman" Zhao Yanyan and the others said to Yu Ting, they told Yu Ting that she was a very troublesome woman.

"I won't be able to defeat you all at the same time, since I can't defeat you, I will get you into a lot of trouble" Yu Ting said to Zhao Yanyan.

Yu Ting released several bats, the bats released by Yu Ting moved very quickly, they moved very quickly towards the God Realm.

"What are you doing right now" Zhao Yanyan asked Yu Ting, she wanted to know what Yu Ting was planning.

"You will know what I am planning, just think of this as a parting gift from me" Yu Ting said to Zhao Yanyan and all the Ye Chen women in this place.

Yu Ting left, she completely left this place and started heading towards the direction of Demon God Realm.

"Let's stop her, don't let her leave" Zhao Yanyan gave the order to catch Yu Ting, they had to catch Yu Ting no matter what.

Yu Ting used underhanded techniques to get away from this place, she used underhanded techniques to get away from this place quickly.

Zhao Yanyan and the others couldn't catch Yu Ting, they couldn't catch Yu Ting because she was too fast.

"she's too fast, what's going on" Zhao Yanyan and Yue Ya couldn't catch up with Yu Ting, Yu Ting's speed was too fast for them.

"she's using a talisman, we won't be able to catch up with him" Yue Ya said to Zhao Yanyan, she told Zhao Yanyan that they wouldn't be able to catch up with Yu Ting.

"What she just did, I feel that she just planned a bad plan" Zhao Yanyan felt that Yu Ting planned a bad thing.

"I also feel the same way, she must be planning something bad" Yue Ya also felt the same way, she could feel the same thing as what Zhao Yanyan thought.

Then how about we go back first, I have a bad feeling" Yue Ya said to Zhao Yanyan, she asked Zhao Yanyan to go and see what Yu Ting did.

"I understand, let's see what she did" Zhao Yanyan decided to see what happened, she wanted to know what Yu Ting did.

Zhao Yanyan and the others went straight to the God Realm, when they went to chase the bats, they found that something bad was happening right now.

"What is it, what really happened to this place" Zhao Yanyan wanted to know what happened to this place, she wanted to know what really happened to this place.

"people are starting to get weird, they are starting to get weird and unreasonable" Zhao Yanyan could see that they were now starting to attack others and were out of control.

"This must be because of the bats just now, they might be the ones behind this" Zhao Yanyan began to estimate what was happening here.

"Is that possible, if it's true, then it's very dangerous, let's solve this before it spreads quickly" Yue Ya asked Zhao Yanyan to help solve this quickly, she needed help from Zhao Yanyan to solve this quickly.

"I understand, let's finish this quickly" Zhao Yanyan would help, she would help finish this even faster.

They started moving and caught the bat released by Yu Ting.

The bats released by Yu Ting apparently made a mess, they made a mess and bit other people, when other people were bitten, then they would become uncontrollable and attack other people, and other people who were hit would be infected as well.

This reaction is quite dangerous, to be honest, the reaction is quite dangerous for the security of God Realm right now.

Yu Ting was still making a mess, she was making a mess even though she had lost, this naturally made Zhao Yanyan and the others feel troubled by what Yu Ting was doing.

They began to spread out and directly deal with the problem that was happening, they used more power and abilities to solve the problem that was currently happening.

The plague used by Yu Ting spread very quickly, it spread very quickly and started to infect the star city, it was quite difficult for Zhao Yanyan and the others to deal with the problem.

Yu Ting knew that Zhao Yanyan and the others would be troubled when facing this problem, she had predicted everything very well.

"You guys won't be able to solve this problem well" Yu Ting was sure that they wouldn't be able to solve the problem quickly.

Those women are so troublesome, I don't like them at all" Yu Ting felt that she didn't like Zhao Yanyan and the others, she didn't like the strength and abilities possessed by Zhao Yanyan and Ye Chen's women.

"Where did they get such power from, I wonder" Yu Ting was curious about this matter, she was quite curious about where Zhao Yanyan got such great power, he also wanted to get it too.

"It's useless to think about that, now what I need to think about is how to defeat them, they have destroyed me, I have to find another way to defeat them" Yu Ting thought for a while, she thought of a way to be able to win against Ye Chen and Zhao Yanyan.

"I seem to have another idea, well let's get started" Yu Ting had another idea, she had an idea to face Ye Chen along with his woman.

Mo Xi had started moving, he had started moving too because he had a better goal compared to Yu Ting's.

"Let's start the ritual, all of you hurry up and start" Mo Xi gave the order to the ancient Clan who submitted and also swore to his, he told them to start the ritual right now.
