

True God 2481

Chapter 2481 Ye Chen And Zhao Yanyan In The Flower Garden (1)

"This place is very beautiful, I really like the scenery and atmosphere in this place" Zhao Yanyan said to Ye Chen, letting him know that she liked this place.

"Then we'll stay here for a while, we can enjoy what this place has to offer" Ye Chen said to Zhao Yanyan.

"This place isn't too crowded, that's probably because not many people are willing to come to see this place, because they are focused on cultivation and don't have time to go out.

Zhao Yanyan started to take out all the things she had brought, she started to take out the food basket and various other things.

Ye Chen was quite surprised when he saw what Zhao Yanyan had brought, he didn't expect Zhao Yanyan to bring out that much stuff.

"We can have a picnic at this place" Zhao Yanyan said to Ye Chen, she told Ye Chen that they could have a picnic at this place and enjoy their time together.

"Of course" Ye Chen smiled when he heard what Zhao Yanyan wanted, he sat down together with Zhao Yanyan and started to enjoy the food that Zhao Yanyan brought.

Zhao Yanyan brought quite a lot of food, she brought quite a lot of things with her.

There was food made by Zhao Yanyan, it tasted very good, she had developed quite a lot of cooking skills to make good food for Ye Chen.

"That's great, everything is delicious, Yanyan is the best" Ye Chen said to Zhao Yanyan, he told her that Zhao Yanyan is really good when it comes to create food.

"Thank you very much for the compliment" Zhao Yanyan felt very happy, she was really happy when listening to Ye Chen saying that her cooking was very good.

Ye Chen wasn't lying, it really was very good, the taste of Zhao Yanyan's cooking was very delicious for Ye Chen.

Ye Chen felt that he wanted to enjoy Zhao Yanyan's cooking every day, he wouldn't be satisfied if he didn't eat it.

Zhao Yanyan brought tea and food, she made Ye Chen as comfortable as possible.

Ye Chen accepted everything, he didn't forget to thank Zhao Yanyan for what she did.

The fresh air was blowing, it made Ye Chen and Zhao Yanyan feel a very comfortable feeling.

Enjoying this was a wonderful thing for Ye Chen and Zhao Yanyan.

The two finished eating and they now leaned near a tree and took shelter under it.

"This place is so cozy" Zhao Yanyan leaned against Ye Chen, she felt like sleeping in Ye Chen's arms.

Ye Chen hugged Zhao Yanyan, he hugged Zhao Yanyan to not leave.

The feeling of enjoying time with Zhao Yanyan was a very good thing, he was completely satisfied together with Zhao Yanyan.

The two of them were enjoying their time together, they were having fun together.

Zhao Yanyan was clinging more and more tightly to Ye Chen's body, it made Ye Chen feel excited, the blood in his body started to rise when being with Zhao Yanyan.

Zhao Yanyan became very beautiful and graceful, she has a mature beauty that has developed very well.

This naturally piqued Ye Chen's interest, as a normal man, he was obviously attracted to Zhao Yanyan who was sleeping next to him.

There were no people around this place, Ye Chen should be able to do whatever he wanted, and certainly Zhao Yanyan wouldn't have any objections to that matter.

Ye Chen stretched out his hand towards Zhao Yanyan.

Zhao Yanyan didn't sleep, she just closed her eyes and enjoyed the wonderful time together with Ye Chen.

When Zhao Yanyan was enjoying the time, she felt Ye Chen's hand touching her.

"Emmm. . . ." Zhao Yanyan of course let out a gasp, she couldn't possibly stand the teasing by Ye Chen, it felt too comfortable.

"husband, what are you doing ?" Zhao Yanyan said to Ye Chen.

"I just want to touch Yanyan, for some reason my hands are itchy" Ye Chen said that his hands were itchy.

"Um, you are. ." Zhao Yanyan complained to Ye Chen, she complained to Ye Chen for teasing her.

"I just want to make sure how Yanyan is, it seems like Yanyan is too good" Ye Chen said to Zhao Yanyan, Zhao Yanyan's body seemed to be getting better and better, Ye Chen liked to touch her.

Ye Chen touched Zhao Yanyan's double peaks, it felt very soft to touch, the fingers that Ye Chen had didn't want to leave Zhao Yanyan's body.

eaglesnove1,coM "No, it's . . .,husband is naughty" Zhao Yanyan said to Ye Chen, she said that Ye Chen was a naughty man.

"hehehehe, it's so comfortable" Ye Chen loved to touch her, he liked to touch Zhao Yanyan the most.

"This is too strong, you are too rough" Zhao Yanyan said to Ye Chen, she told him that Ye Chen was very rough.

"Yanyan must like this, so it doesn't matter" Ye Chen said to Zhao Yanyan.

Ye Chen knew that Zhao Yanyan was happy with this, so he no longer needed to hold back.

Ye Chen's hand moved very quickly, he moved quickly and made Zhao Yanyan feel a very comfortable feeling.

"This is too strong" in just a short time Zhao Yanyan had already reached the peak, Ye Chen made her happy in such a fast time.

"This is really bad, I can't take it anymore" Zhao Yanyan's body was hot as hell, she wanted more from Ye Chen.

Zhao Yanyan started to hug Ye Chen's neck, she kissed Ye Chen and the two started to have a passionate adult kiss,

Zhao Yanyan didn't hold back when she did that with Ye Chen, she inserted her tongue and started to devour Ye Chen boldly.

Both of them were trained, so they knew what would make each other feel good.

Ye Chen didn't want to lose to Zhao Yanyan, he started kissing Zhao Yanyan more vigorously and filled with love.

"Uh... . ." some time later Zhao Yanyan gave up, she gave up when kissing Ye Chen.

Ye Chen started to take off the clothes that Zhao Yanyan had on.

"No, it's outside, what if someone sees us" Zhao Yanyan said to Ye Chen.

Zhao Yanyan stopped Ye Chen, she stopped Ye Chen from continuing anymore and changed places.

"It's okay, I'm sure that no one will come to this place" Ye Chen said to Zhao Yanyan.

No one will come to this place, no one wants to come to this place anymore.

"But" Zhao Yanyan was still afraid, she was still afraid of the possibilities that could happen.

"Trust me" Ye Chen kept trying to persuade Zhao Yanyan, with that Zhao Yanyan might just be willing.

Zhao Yanyan was finally willing, she finally believed what Ye Chen said.

Ye Chen was naturally very happy when he found out that Zhao Yanyan agreed, he wouldn't miss the chance to be with Zhao Yanyan.

The clothes that Zhao Yanyan was wearing were partially removed by Ye Chen, Ye Chen picked up the cherry that was in front of him and started to eat it.

"Emmmmm. . ." Zhao Yanyan let out a nice moan, it made Ye Chen even more excited, his big wife was really too tempting, she was the most beautiful woman Ye Chen had ever had.

Ye Chen was too excited, he was too excited when he was with Zhao Yanyan.

"Yanyan, I can't take it anymore" Ye Chen said to Zhao Yanyan.

"I understand, let's do it" Zhao Yanyan said to Ye Chen, she wanted to do it with Ye Chen.

Ye Chen was very happy, he didn't miss the chance and started to eat Zhao Yanyan, he used his big brother to get Zhao Yanyan.

Chapter 2482 Ye Chen And Zhao Yanyan In The Flower Garden (2)

Ye Chen walked in, he immediately showed Zhao Yanyan the power of his thing.

"Emmm. . ." Zhao Yanyan felt a little sick, even though she had felt Ye Chen's possession, she still found it difficult when accepting it.

Ye Chen's was too big, it wasn't strange that Zhao Yanyan had trouble accepting it.

"It's gotten really big" Zhao Yanyan said to Ye Chen, Zhao Yanyan told her that Ye Chen's was too big.

"Don't you like that" Ye Chen said that Zhao Yanyan should like this.

"You're still asking, you're this. .." Zhao Yanyan blushed, Ye Chen still mentioned this kind of thing.

"What's wrong, is Yanyan embarrassed, so cute" Ye Chen said to Zhao Yanyan, seeing Zhao Yanyan embarrassed was so much fun for Ye Chen.

"gzzzz" Zhao Yanyan grumbled, she was angry when Ye Chen brought up this matter.

"hahahaha" Ye Chen laughed, he was very satisfied seeing the reaction shown by Zhao Yanyan, the reaction that Zhao Yanyan had was very funny.

"You, watch out later" Zhao Yanyan felt a little annoyed when she saw Ye Chen making fun of her.

"How about you show me your skills, I haven't experienced my beloved wife's skills in a long time" Ye Chen said to Zhao Yanyan.

"Of course, I'll do it, I'll certainly make you comfortable" Zhao Yanyan said that she would do it.

She would show her excellent skills, Zhao Yanyan was not a beginner and was experienced, so her skills could be said to be enough to give Ye Chen a decent fight.

Zhao Yanyan cooperated with Ye Chen, she clamped Ye Chen's and made Ye Chen feel a very comfortable feeling.

"This is so comfortable, Yanyan is really good" Ye Chen praised Zhao Yanyan, he praised Zhao Yanyan who could make comfortable.

Ye Chen accelerated his movements, he didn't hold back and gave Zhao Yanyan comfort.

"No you're too strong" Zhao Yanyan couldn't possibly stand it, she couldn't possibly stand such fast movements.

Zhao Yanyan felt too comfortable, she was actually floating above the sky, she was made to reach the peak quickly.

Her face showed ultimate satisfaction, she was really enjoying being with Ye Chen.

Because it was too fast, Zhao Yanyan couldn't keep up with Ye Chen, she was unable to keep up with the strength and ability possessed by Ye Chen.

As a result Zhao Yanyan was made helpless by Ye Chen, she was limp and helpless by Ye Chen.

"Yanyan, let's try another position" Ye Chen said to Zhao Yanyan, he wanted to find a more comfortable position.

"Um... . ." Zhao Yanyan understood, she immediately went together with Ye Chen to change into a better position.

Zhao Yanyan stood up, she leaned against the tree and started to turn her back to Ye Chen.

"Hurry up, this is embarrassing" Zhao Yanyan said to Ye Chen, she told Ye Chen to hurry up and do it.

"Ohhh. . ." Ye Chen was very excited, he was fully excited when he saw Zhao Yanyan showing seductive things in front of him.

Ye Chen was so excited he continued the second battle with Zhao Yanyan.

This time Ye Chen became much rougher compared to before, he became much, much rougher compared to before.

"Ahhh. ., too strong, you're getting rougher" Zhao Yanyan lost her mind, she couldn't possibly survive when she received such a strong attack from Ye Chen.

"it's because Yanyan is too pretty, I couldn't help myself, I'm sorry" Ye Chen said to Zhao Yanyan.

"ummm" Zhao Yanyan was happy when she heard what Ye Chen said, she was very happy when she heard Ye Chen's praise.

"The two started to enjoy their time, they intertwined together and enjoyed their time and didn't think about anything.

A few hours later, they finally finished too, Ye Chen expelled quite a lot of Yang Qi, and Zhao Yanyan received it very well.

While Ye Chen absorbed the Yin Qi from Zhao Yanyan, the two were silent for a while to refine together.

"It feels very comfortable" Zhao Yanyan said to Ye Chen, she was satisfied with what happened, she got great comfort from Ye Chen.

"That was great, Yanyan you were great" Ye Chen said to Zhao Yanyan, he told her that it was too comfortable.

"You're too rough" Zhao Yanyan said to Ye Chen, she told that Ye Chen was too rough.

"Don't you like that?" Ye Chen said to Zhao Yanyan.

Zhao Yanyan's voice was very loud, it proved that Zhao Yanyan liked and enjoyed it.

Zhao Yanyan's face turned red, she became even redder when listening to what Ye Chen said.

"This you, why are you so naughty" Zhao Yanyan was helpless, Ye Chen was too naughty and liked to tease Zhao Yanyan.

Although naughty Zhao Yanyan was very in love with Ye Chen, he was a very kind and understanding person, he gave happiness to Zhao Yanyan and everyone.

Zhao Yanyan as well as Ye Chen started wearing their clothes, Zhao Yanyan quickly fixed hers.

After putting on their clothes, the two decided to go back.

Zhao Yanyan was already very satisfied, she had no more complaints with Ye Chen.

"Where have you guys been, sister Yanyan you're monopolizing it again" Li Jingyi said to Zhao Yanyan.

Li Jingyi and the others felt jealous of Zhao Yanyan, she was monopolizing Ye Chen too much for herself.

"hahahaha" Ye Chen smiled, it seemed like Li Jingyi and the others were jealous, they might need some time together with Ye Chen.

"She is now yours, do whatever you want, I will leave first" Ye Chen said to Li Jingyi, she told her that she would leave and hand Ye Chen over.

Li Jingyi was happy when she heard Zhao Yanyan's words, she immediately took Ye Chen away.

"okay, it's time, let's have fun with everyone" Li Jingyi said to Ye Chen, she invited everyone to have fun, she wanted to share with everyone.

Li Jingyi was not like Zhao Yanyan, she lacked confidence in her ability if she had to battle with Ye Chen alone, it was better to seek help because it was a good thing.

"Fufufufu" Zhao Yanyan smiled, she was enjoying this, she was already satisfied having time together with Ye Chen.

"You look so happy" Shen Niang said to Zhao Yanyan.

Shen Niang appeared, she saw that Zhao Yanyan was quite happy.

"Ummm . I'm enjoying my time with my husband, of course I'm happy" Zhao Yanyan told her what made her feel happy.

"I'm happy to hear that, I have something to talk about, come with me" Shen Niang told Zhao Yanyan.

"What is it?" Zhao Yanyan asked Shen Niang, why did Shen Niang suddenly speak like that.

"Just follow me" Shen Niang told Zhao Yanyan to follow her.

Due to strong curiosity, Zhao Yanyan decided to follow, she also wanted to know what Shen Niang wanted to talk about.

"It's about Ye Chen" Shen Niang said to Zhao Yanyan.

Shen Niang wanted to talk about Ye Chen.

"What's wrong with him?" Zhao Yanyan asked Shen Niang, she wanted to know what happened to Ye Chen.

"You must know about Ye Chen's Ancient Yang body, it might be getting worse because his cultivation has become higher, if it continues like that, then it will be a problem for him, plus your speed in cultivating is slowing down because of the restrictions in God Realm" Shen Niang said to Ye Chen.

Shen Niang already sensed something strange from Ye Chen, that's why she talked to Zhao Yanyan.

The higher the level Ye Chen had, he needed more Yin Qi to stabilize the Yang Qi in his body, while Zhao Yanyan and the others were still below Ye Chen, it might become a problem because Ye Chen's Yin Qi requirement would become too great.

Chapter 2483 Yu Ting Attacks Lu Hanna

"I understand what you're saying, but what can we do about it" Zhao Yanyan asked Shen Niang, she needed enlightenment from Shen Niang.

"Let me tell you what you can do" Shen Niang told Zhao Yanyan, she would tell her what they could do.

Shen Niang started to tell Zhao Yanyan what she could do.

"What do you think?" Shen Niang asked Zhao Yanyan.

"If it's the only way, I'll do it" Zhao Yanyan said that she would do it, she would do what Shen Niang said.

"You're a very good girl, he must be happy to have a woman like you" Shen Niang said to Zhao Yanyan.

"Then I'll leave first, bye" Shen Niang said to Zhao Yanyan, she left Zhao Yanyan.

.

.

Currently in the hiding place of Yu Ting.

Yu Ting had just finished sucking the power and cultivation that was in Mo Xi's body, he sucked Mo Xi dry, by doing this she managed to rise to an even higher level, a level that ordinary people couldn't imagine.

"Finally, I've come to this point" Yu Ting was very happy that she was able to get the power from Mo Xi, she who now got the power from Mo Xi and has become better.

Mo Xi really had bad luck, he died under a woman's body, that would probably be the biggest joke on the life of a person who had stood at the top for generations.

"Fufufufu, it's time for revenge, I'm very confident in winning" Yu Ting was very confident in being able to win, she was confident that she could win against Ye Chen.

"Gather all the best troops, we are going to attack the world" Yu Ting said to her troops, she will start her plan to destroy everyone who is in the way.

"I will destroy those who get in the way, no one will be able to stop me".

Yu Ting wants to take over the Demon God Realm, everyone must submit to her and she will use them all to attack the God Realm.

This would probably be the thing that made Demon God Realm a bloodier and bleaker place.

"I have something to say" Xun Zhilin said to Lu Hanna, she had news to say and it was super important.

"What is it, tell me" Lu Hanna stood up from her seat, she immediately asked about the news Xun Zhilin had.

"The queen's army has mobilized, right now she has started to make a big move and started to attack all places in the Demon God Realm, she even gave an ultimatum that she will destroy everyone who dares to disobey her orders" Xun Zhilin said to Lu Hanna.

"That woman is quite brave, I didn't expect that he would do it" Lu Hanna saw that Yu Ting was bolder, she might have gained a new power that made her even bolder.

"she's moving so fast, there are already several places that have been destroyed easily, what should we do now"? Xun Zhilin asked Lu Hanna.

"This problem is bad enough, we have to defend" Lu Hanna gave the order to defend against the enemy's attack.

"Understood" Xun Zhilin understood, she would convey what Lu Hanna wanted.

With the order given by Lu Hanna, all the troops began to defend and get into position, they were ready to fight against the enemy.

Lu Hanna also had to tell this matter to Ye Chen, she decided to tell Ye Chen quickly.

Xu Leiya joined the defense, she was at the back and became a support, meanwhile Lu Hanna prepared for Yu Ting's attack to come.

The attack by Yu Ting was really very fast, she did it very quickly, in a short time she had destroyed and made people submit to her orders.

"hahahaha, this is too easy to do" Yu Ting felt that this was too easy to do, she saw that they were all just like ants that would die with just a little pinch.

Yu Ting was now too strong, there was no way anyone could defeat her, those who resisted would be instantly annihilated along with their families.

This method was quite effective, it made them quickly obey Yu Ting's orders.

The speed of conquest became very fast, in just a short time they had controlled almost all corners of the God realm.

Only Lu Hanna's territory remained, although part of it was already in the process, with troops obtained from various places, Yu Ting's power was now too great, she made them all swear and every to her.

.

.

"It's finally done too, I thought it wouldn't be done" Ye Chen was happy that everything was done, he finally finished everything.

When everything was done, Ye Chen got an important news, this was from Lu Hanna, she told Ye Chen that Yu Ting made a move.

"She finally made a move, I will defeat her" Ye Chen left, he went to defeat Yu Ting.

From the information that Lu Hanna managed to get, she told Ye Chen that Yu Ting had extraordinary strength, she had made 4/5 of the cultivators each to her.

It was obvious that this was an extraordinary achievement, she had achieved the most extraordinary achievement in history.

"Ye Chen" Nanlan Lia had news for Ye Chen.

"What do you have for me ?" Ye Chen asked Nanlan Lia.

"It's about that woman, she has absorbed the power from Mo Xi and now that she has become strong, I think she will now become the new ruler" Nanlan Lia told Ye Chen.

Nanlan Lia knew that Mo Xi was dead, she died and was absorbed by Yu Ting.

"That man is dead, hahahahaha, so funny" Ye Chen laughed, she laughed when listening to this matter.

"Don't laugh, that woman is now very strong, she has controlled almost the entire Demon God Realm" Nanlan Lia said.

Nanlan Lia wasn't kidding, Yu Ting was very dangerous right now, she was a threat that might be even more terrifying than Mo Xi.

If she succeeds in becoming the ruler, then the whole place will be in chaos, the way this woman leads is very bad, even the cruel Demons are nothing compared to Yu Ting.

"Thank you for the information, you are very helpful" Ye Chen said to Nanlan Lia, every information from Nanlan Lia was very useful to Ye Chen.

"You're welcome, I hope you can survive" Nanlan Lia said to Ye Chen, she hoped that Ye Chen could survive against Yu Ting.

"I will definitely do it" Ye Chen said that he will definitely do it.

"Very good, if you fight" Nanlan Lia said to Ye Chen, she encouraged Ye Chen.

Ye Chen went to give Lu Hanna some help, it was time to settle their unfinished business.

Yu Ting had successfully taken control of the entire territory, now it was only necessary to attack the territory owned by Lu Hanna.

"Fufufufu, this is so much fun" Yu Ting felt very happy, she was really very satisfied when she succeeded in becoming a ruler.

"I'm just like a god, everything moves according to my wishes" Yu Ting was satisfied, she felt that everything could go according to her wishes.

"No one can defeat me, now who will stop me?" Yu Ting was satisfied.

"Goddess, everything is done, let's start conquering the whole land" the squad leader said to Yu Ting.

"Then let's go, I will lead this battle, this is the time to be victorious, I will enjoy this momentum" Yu Ting said to her troops.

Yu Ting will leave, she will enjoy this victory by herself, she will immortalize the moment when she became the ruler of all places in the world.

Chapter 2484 Yu Ting Vs Lu Hanna & Xu Leiya

The number of troops brought by Yu Ting was quite shocking, with such numbers, it was obvious that it could easily destroy an area easily.

"Stop" Lu Hanna's troops stood guard, they stopped Yu Ting who wanted to advance to their place.

"How dare you ants stop me, don't you know who I am" Yu Ting unleashed his power, the intense pressure made everyone kneel down and unable to stand up.

"That's strong" They all didn't have the strength to fight Yu Ting, Yu Ting's strength was too strong for them.

"Let's finish this quickly, I will destroy you all" Yu Ting had reached Lu Hanna's territory, more precisely he had reached the border and was ready to attack and take control of Lu Hanna's territory.

Yu Ting unleashed her power, she swept the terrain in front of her with an enormous pool of blood.

People who were dragged along would instantly melt without any resistance.

In addition, there were still bats that were used to kill enemies in the air.

People were horrified by the power Yu Ting possessed, honestly they were shocked when they saw Yu Ting's overpowering strength.

Yu Ting only needed a little time, in just a few minutes, the defense forces were destroyed.

"Move forward, prepare yourselves, kill anyone who interferes, this will be a victory for me" Yu Ting gave orders to the troops.

"Ready. . ." they all shouted, they immediately carried out the orders given by Yu Ting, they went to Lu Hanna's place.

Lu Hanna got the news that the guards had been destroyed, this was bad news for Lu Hanna.

"We can't let this happen, sister come help me stop this woman" Lu Hanna said to Xu Leiya, she asked Xu Leiya for help to stop Yu Ting.

If it continues, everyone in this place will die, they can't fight Yu Ting and her army.

"Honestly I can't watch people die so quickly, that's why I will help you deal with that woman" Xu Leiya couldn't see the problem, that's why he wanted to help Lu Hanna solve everything.

The two of them left, both of them were going to stop the attack that Yu Ting was launching.

The two of them advanced towards the front, with the arrival of the two, the troops should be more energized.

Lu Hanna and Xu Leiya stood at the front, they waited for the enormous army to approach.

"What a huge army, how many are they" Xu Leiya was surprised by the army Yu Ting had, the number was so huge, it could be said to be comparable to the number of troops in the God Realm, if all the great powers united their forces.

Lu Hanna raised an eyebrow, she did not expect that the enemy could have such a large army, it was not strange that her army was destroyed so easily.

"The strength of the enemy army is not too strong, you and I can stop them, the problem is that woman, it seems her cultivation is not bad, I can't confirm it" Lu Hanna said to Xu Leiya.

"I also can't confirm the level of that woman" Lu Hanna also couldn't confirm the level possessed by Yu Ting.

They both didn't know the level Yu Ting possessed.

"We have to be careful anyway, let's fight her together" Lu Hanna said to Xu Leiya.

"I agree with what you said, it's better for us to fight them together" Xu Leiya agreed, they could fight Yu Ting together.

Yu Ting was now at the very front, she showed that she was the strongest in the group.

"Listen to me all of you, I give time for you all to surrender, if you still love life surrender now, otherwise I will destroy and slaughter you all" Yu Ting gave the order as an absolute ruler, she warned everyone who resisted to surrender and swore to obey.

"Never" they refused to surrender, they felt that their lives would become worse if they surrendered.

They could feel what Yu Ting was like, this person would definitely make their lives even more miserable.

They would rather fight back, even if they risk getting killed, it's better to have their honor.

"Sister Leiya, are you able to influence the person behind that woman" Lu Hanna asked Xu Leiya, she asked Xu Leiya to influence the person behind Yu Ting.

"I will try to do it" Xu Leiya will try to do it, but she is not sure because Yu Ting also has the same power as me, she has quite a strong charm" Xu Leiya told Lu Hanna.

"I hope you can do it, it will be very helpful for us" Lu Hanna said to Xu Leiya.

Xu Leiya should be able to control them all, that way their position would be better.

Xu Leiya started to do so, she changed the minds of the people in front of her and started to make them think that Yu Ting was the enemy.

"Attack. . ." Xu Leiya gave the order, she gave the order to attack Yu Ting.

"Useless. . ., get lost all of you." Yu Ting waved her hand.

All of them who were controlled by Xu Leiya quickly dissipated into a mist of blood.

Xu Leiya was a little surprised when she saw what happened, she did not expect that Yu Ting would do that.

"This woman. . she is a terrible enemy and has no mercy" Xu Leiya saw that Yu Ting was a terrible woman, she didn't care about others and regarded them as tools.

"If you rebel, then death will be your goal" Yu Ting said to the people behind her.

The troops and cultivators behind were silent, they really had a problem with Yu Ting's order.

On the one hand they did not want to submit, but Yu Ting's strength made them have to submit, otherwise they would be destroyed like the people who had opposed Yu Ting.

"Your strength is quite good, but unfortunately such strength will not be able to defeat me" Yu Ting said to Xu Leiya.

"I know that. ., you are different from them" Xu Leiya knew that Yu Ting was different from them, so there was no way Xu Leiya could use Charm to control Yu Ting.

"You are pretty good, then this goddess will be your opponent, are you ready to lose" Yu Ting said to Xu Leiya.

"I'm ready for the consequences" Xu Leiya was ready for the consequences of fighting Yu Ting.

Yu Ting advanced towards Xu Leiya, she attacked Xu Leiya.

Xu Leiya instantly made a Mirror of light, she started the battle with Yu Ting.

"A weak trick, it won't work for me" Yu Ting destroyed all the mirrors of light, she destroyed all the mirrors of light with her bare hands.

"So powerful, how did she do it" Xu Leiya didn't understand how Yu Ting did it.

"This is bad, I will help you" Lu Hanna saw that Yu Ting was quite strong, she had to join the battle against Yu Ting.

"Move aside" Yu Ting flicked her hand, she made Lu Hanna retreat with a blood attack.

"Uhhh. . ." Lu Hanna retreated, she was really having trouble when she received Yu Ting's attack.

Chapter 2485 Yu Ting Takes Down Xu Leiya And Lu Hanna

"What is her cultivation level, why is she stronger than me?" Lu Hanna did not understand, she should have reached the Immortal realm, but why did she lose to Yu Ting.

"He seems to have reached the Immortal realm too" Xu Leiya said to Lu Hanna.

"And maybe her level is above ours" Lu Hanna said while looking at Yu Ting.

"Don't look at me with that look, even if you look at me with that look, the outcome of the battle will never change" Yu Ting said to Xu Leiya and Lu Hanna.

Yu Ting was too domineering, she was like a queen who saw everything under her as trash.

Even Xu Leiya and Lu Hanna couldn't get into her eyes.

"she's too arrogant" Lu Hanna said to Xu Leiya.

"That's good, we can utilize that" Xu Leiya said that they could utilize the traits Yu Ting had.

The two whispered, they were trying to do something against Yu Ting.

"What are you guys talking about" Yu Ting couldn't hear what Xu Leiya and Lu Hanna were saying, honestly he couldn't hear clearly what they were saying.

"Um... ." the two had agreed, it was time for them to fight Yu Ting.

"Let's start fighting together." Lu Hanna said to Xu Leiya, she advanced and started to attack Yu Ting by using a powerful deep darkness attack.

"Your attack is so weak, it's useless" Yu Ting said to Lu Hanna, she brushed off Lu Hanna's attack with ease.

"Mirror of Light" Xu Leiya took advantage of the opportunity Lu Hanna created, he used the mirror of light and started to confine Yu Ting.

Xu Leiya used strong light power, Yu Ting's body was enveloped by the power of light.

Xu Leiya realized that Yu Ting was weak to light, so she attacked Yu Ting with the most powerful light he had.

Divine Mirror light art amplified the light possessed by Xu Leiya, with this Yu Ting might not be able to get out of the mirror light prison.

Yu Ting underestimated Xu Leiya and Lu Hanna too much, this got him into trouble for underestimating the enemy

"This is a little painful, you will pay for it" Yu Ting said to Xu Leiya and Lu Hanna, he told them that he would destroy Lu Hanna and Xu Leiya.

Yu Ting destroyed the mirror of light that confined him, he tore the mirror of light by using the black lightning whip.

She will make them feel the pain they have never felt.

The body of Yu Ting began to be enveloped by black and red colored objects, she began to change and now became paler.

The air and the sky turned dark like blood, the scene was truly horrifying, people could only hold their breath when they saw the power Yu Ting displayed.

If it was them, they would probably die without putting up a fight.

Xu Leiya used her strength to defend, she used strength to defend against Yu Ting.

By using her strength, she was able to defend against Yu Ting.

"It seems like the power of light you have made you able to survive that guy" Lu Hanna said to Xu Leiya.

"she is a darkness power user just like you, plus she seems to be a vampire with fast regeneration" Xu Leiya said to Lu Hanna.

"Light is her weakness, then I will hold her for you to attack" Lu Hanna understood, she would hold Yu Ting and create an opportunity for Xu Leiya to launch an attack.

"I'll do it" Xu Leiya would rely on Lu Hanna, she would attack while Lu Hanna would defend and distract from Yu Ting.

"take this, Blood Lance" Yu Ting attacked Lu Hanna and Xu Leiya.

The blood lance moved quickly and targeted Lu Hanna and Xu Leiya.

Lu Hanna used her own strength to defend, while Xu Leiya attacked with super powerful light shots.

Yu Ting used blood to defend, all of Xu Leiya's attacks were successfully resisted and she attacked them using blood.

Lu Hanna and Xu Leiya were quite agile, it made Yu Ting have trouble chasing after them.

"More is coming for you guys" Yu Ting finally doubled her attacks.

That way they would no longer be able to escape from Yu Ting's ambush.

"Uhhh. . ." the bodies of Xu Leiya and Lu Hanna received an attack from Yu Ting, both of them flew several tens of miles due to the attack.

"Cough. ." both of them coughed up blood, the attack from Yu Ting was extremely powerful and left Lu Hanna and Xu Leiya severely injured.

Even the protection possessed by Lu Hanna and Xu Leiya was unable to withstand the attack launched by Yu Ting.

"hahahaha, falling with just one attack like that, so funny" Yu Ting laughed at Lu Hanna and Xu Leiya, both of them fell with just one attack.

Yu Ting was very arrogant with her current strength, she could easily take down Xu Leiya and Lu Hanna.

Lu Hanna and Xu Leiya tried to get up, they could still fight with the wounds on their bodies.

"I didn't expect that just one attack could cause such a strong wound" Lu Hanna said to Xu Leiya.

"You're right, we can't take another hit from her" Xu Leiya told her not to take another hit from Yu Ting, otherwise their history would be over.

The two of them had to be even more careful, they had to be even more careful in fighting Yu Ting.

"There is no point, you will all be destroyed in this place" Yu Ting said to Xu Leiya and Lu Hanna, he told the two that they would be destroyed in this place.

Yu Ting attacked the two again, he still used the same attack as before.

Yu Ting's attacks became more numerous and faster than before, Lu Hanna and Xu Leiya would not be able to dodge as they were surrounded.

The two of them fought very hard, they fought to defeat each other, they used all their strength and abilities to defend.

"ahhhh. . ." despite using all their abilities, they were still unable to defend, they could not defend against Yu Ting's invasion and were injured quite a lot on their bodies.

Sexy and beautiful Lu Hanna's appearance was now in tatters, she was really hurt quite badly.

Meanwhile Xu Leiya was also just as bad as Lu Hanna, her clothes and hair were in tatters, her beautiful dress was covered in bloodstains as a result of the wounds on her body.

Yu Ting stood in front of them, he being the one who won in this battle.

"You guys are quite strong, but unfortunately you are still inferior to me, just admit your defeat" Yu Ting said to Lu Hanna and Xu Leiya, she told them that they were still inferior compared to her.

"I don't want to admit defeat" Lu Hanna refused to lose..

"That's right, we can't lose" Xu Leiya also refused to lose, she refused to give up.

Both of them tried to get up, they used all the energy they had to get up and keep fighting.

"Very good spirit, I like the spirit you guys have, then let me destroy the spirit you guys have.

"Bam. . ." Yu Ting was merciless, she attacked Lu Hanna and Xu Leiya with full force, they flew by Yu Ting's palm and their injuries became worse.

"Still want to fight, you will never win against me" Yu Ting said to Lu Hanna and Xu Leiya.

Chapter 2486 Ye Chen Came To Save Lu Hanna And Xu Leiya

Lu Hanna and Xu Leiya were unable to move, both of them were unable to move anymore and were at their limit.

the wounds on their bodies were quite severe, that's what made them unable to move anymore.

Yu Ting knew that they couldn't move anymore, her attack was strong enough to crush them both.

Yu Ting grabbed Lu Hanna's hair, Lu Hanna could only endure while receiving such harsh treatment done by Yu Ting.

"let me go" Lu Hanna said to Yu Ting.

"hahahaha, no, I'll make you feel the consequences for daring to challenge me, Pahhhhh. . ." Lu Hanna was slapped by Yu Ting, Yu Ting used her strength to slap Lu Hanna's face.

Hand marks appeared on Lu Hanna's face indicating that she had been slapped quite hard by Yu Ting.

"It's still not much, I hope you prepare yourself more, more will come for you" Yu Ting said to Lu Hanna, he told Lu Hanna that more would come.

"pah. . . , pah . . . , pah . . . , pah . . . ," some really hard slaps filed by Yu Ting, she slapped Lu Hanna and also Xu Leiya.

"uhhh . . ." blood appeared in the mouths of Lu Hanna and Xu Leiya, which proved that the two of them had really had a bad time.

Yu Ting enjoyed everything that happened, she enjoyed the time he punished Xu Leiya and Lu Hanna.

"You will feel more before I kill you." Yu Ting said to Xu Leiya and Lu Hanna, she said that she would do something even more cruel than a slap.

Xu Leiya and Lu Hanna looked distraught, both of them looked distraught by what happened, both of them were in very serious trouble, both of them were really on the verge of being crushed by Yu Ting.

People could only see what was happening, they couldn't stop Yu Ting, to be more precise, they couldn't afford to do it, they didn't have enough strength to stop Yu Ting.

"Hahahahaha" Yu Ting's laughter resounded, she laughed in satisfaction, she had a good time.

After defeating and killing Lu Hanna, she will become the ruler of the Demon God Realm, she must enshrine moment this well.

"Bam . . ." when Yu Ting attacked Lu Hanna and Xu Leiya, a strike landed on her face, she was knocked away by the attack.

"uh . . . , damn it, who dares to attack me" Yu Ting was furious, she was furious with the attack that hurt her beautiful face.

Yu Ting didn't like it when she saw someone dare to hurt her face, so it wasn't strange for her to get angry when someone tried to hurt her face.

Yu Ting saw a man appear in front of Lu Hanna, she immediately gave help to Lu Hanna and also Xu Leiya.

"are you guys okay" Ye Chen said to Xu Leiya and Lu Hanna.

"we are fine" both said that they are fine.

Ye Chen looked at the conditions of Xu Leiya and Lu Hanna, he could tell that the two of them were not well.

Ye Chen gave pills to Xu Leiya who was not too badly injured, meanwhile he gave high grade pills to Lu Hanna who was quite badly injured, plus again he saw that Lu Hanna and Xu Leiya had suffered the consequences of Yu Ting's slap.

After Ye Chen confirmed that Xu Leiya and Lu Hanna were well treated, he immediately went and confronted Yu Ting.

Xu Leiya and Lu Hanna would no longer be able to fight, their injuries meant that they would be unable to assist by Ye Chen's side.

They could only see Ye Chen going against Yu Ting.

"be careful, that woman is strong" Xu Leiya and Lu Hanna told Ye Chen, they both told that Yu Ting is strong and not easy too faced.

Ye Chen nodded lightly at Xu Leiya and Lu Hanna, he knew that Yu Ting was a strong enemy.

"What you have done is too much" Ye Chen said to Yu Ting.

"Do you not like what I do?" Yu Ting said to Ye Chen.

"Of course I don't like you, from the start I didn't like you" Ye Chen said to Yu Ting.

"Is that so, I remember who chased me first" Yu Ting said to Ye Chen.

Yu Ting made Ye Chen remember the past, that way he could know what happened in the past, maybe he would be ashamed of what happened in the past.

"Don't make me remember things that make me want to vomit" Ye Chen said to Yu Ting.

Yu Ting's face turned black when she heard what is said by Ye Chen.

"You are quite bold to say that now" Yu Ting said to Ye Chen.

The answer given by Ye Chen made Yu Ting feel angry, angry with the answer given by Ye Chen.

"Stop talking nonsense with me, I don't need to talk to you anymore" Ye Chen said to Yu Ting, he said that he didn't need Yu Ting's nonsense.

"Okay, then let's settle this once and for all" Yu Ting said that he would settle this once and for all.

Yu Ting unleashed her full strength, naturally shaking all the stars around this place.

"nervous . . ." in the sky appeared some very strong lightning, appeared some very strong and black lightning.

This strength definitely does not belong to nature, it must be purely the power that belongs to Yu Ting.

"Look, this is my strength, how are you going to beat me now" Yu Ting said to Ye Chen, she asked how Ye Chen would beat her.

Yu Ting's strength was quite shocking, she was somehow able to reach the fourth level of the immortal rebirth Realm.

It seemed like absorbing Mo Xi's essence and soul had made her strong.

It wasn't strange that Lu Hanna and Xu Leiya couldn't win, it was because the two of them weren't opponents for Yu Ting who had already reached the fourth tier.

"How, do you still believe you can beat me" Yu Ting said to Ye Chen.

Yu Ting was sure that Ye Chen would not be able to beat her.

Yu Ting tried to provoke Ye Chen, she provoked Ye Chen by using her strength.

Ye Chen looked at Yu Ting, for now Ye Chen didn't pay much attention to Yu Ting, she kept quiet and saw what would happen done by Yu Ting.

"What a dull face, you should be surprised by my strength" Yu Ting said to Ye Chen.

"There is nothing surprising about the strength you have" Ye Chen said to Yu Ting.

Ye Chen wasn't too surprised by Yu Ting's strength, he knew that this would happen.

Nanlan Lia was terrific, she provided absolutely perfect information about Yu Ting, Ye Chen had to praise that because he knew what she was up against.

"You angered this goddess, get lost." Yu Ting raised her hand, the black lightning began to gather and form an enormous snake, a snake that very An enormous beast appeared in front of Ye Chen.

The black lightning snake appeared and glared at Ye Chen, it was enormous and completely covered the entire solar system around this place.

Everyone trembled when they saw what was happening, that power shown by Yu Ting right now was enough to wipe out every living thing around this place.

Chapter 2487 Ye Chen Vs Yu Ting Battle (1)

"Look carefully, you will be destroyed in this place" Yu Ting started to move the black lightning snake towards Ye Chen.

The black lightning snake headed towards Ye Chen, it started to open its jaws and prepared to eat Ye Chen.

Ye Chen stretched his hand forward, he held the black lightning snake using his left hand.

"Scram" Ye Chen tore the body of the Black Lightning Snake with just his bare hands, he did it easily without any resistance.

"Eh... ?" Yu Ting and everyone else were dazed by what happened, they felt confused by what had just happened in front of them.

"What just happened, what did he do?" Yu Ting didn't really understand what Ye Chen was doing.

"Why are you surprised like that, are you surprised by the power I have" Ye Chen said to Yu Ting.

"I'm not surprised" Yu Ting evaded Ye Chen's words, she told him that she was not surprised by what happened.

"Lying is not good, you are a bad woman" Ye Chen said to Yu Ting.

"Do you think I care what you say?" Yu Ting didn't care what Ye Chen said.

"I don't really care what you think either" Ye Chen replied in a flat tone.

Yu Ting felt angry, she felt insulted by Ye Chen's words.

"This guy is really very annoying" Yu Ting was honestly angry at Ye Chen, Ye Chen was a very annoying guy.

Ye Chen didn't really care about what Yu Ting did and thought, all he was thinking about now was how to defeat Yu Ting.

Yu Ting had the power to regenerate herself, it would be troublesome as hell, plus she only needed fresh blood to do so.

"I can't rely on Ying'er's power" Ye Chen would not be able to rely on Yin Ying'er's power, that's why he decided to use other means.

Dimensional strength was one of the biggest weaknesses Yu Ting had, so Ye Chen could only use that.

"You can use the heavenly lightning you have, with that you should be able to defeat your enemy" Chu Yuechan said to Ye Chen.

"You are absolutely right" Ye Chen agreed with what Chu Yuechan said, there are so many ways to defeat Yu Ting.

Yu Ting started using her power, she used the lightning whip and started attacking Ye Chen.

Ye Chen extended his hand, he caught the black lightning that Yu Ting was swinging.

"It won't work against me, so scram" Yu Ting was dragged by Ye Chen and she was thrown by Ye Chen.

"uh. . ." Yu Ting was thrown far enough, she was thrown by Ye Chen far enough to be tens of thousands of miles away.

"Damn it, he did it again, I hate this" Yu Ting hated this.

Yu Ting got up, she got up after receiving a direct attack from Ye Chen.

Ye Chen's attack did not have much impact on Yu Ting, Yu Ting looked fine after receiving an attack from Ye Chen.

Ye Chen appeared in front of Yu Ting, this place was much nicer compared to before.

"You did it on purpose" Yu Ting said to Ye Chen.

"Of course, I did do it on purpose, otherwise you could have killed more people" Ye Chen saw Yu Ting's great strength, it could kill people around easily.

"You are a fool, still thinking of others even though your situation is not good" Yu Ting said to Ye Chen.

Ye Chen was a fool, how could he think of others in this kind of situation.

"Do you have a problem with that?" Ye Chen said to Yu Ting.

"There's no point in talking to a fool like you" Yu Ting said to Ye Chen, she said that there was no point for her to talk to a fool like Ye Chen.

Ye Chen didn't get angry hearing this, he was used to facing Yu Ting's ridicule.

Ye Chen took a deep breath, he would start to reply to Yu Ting's words.

"You should look at yourself, you yourself are also stupid, more precisely a very stupid woman" Ye Chen said to Yu Ting.

I don't know why Yu Ting got angry when she heard this, she didn't like it when she heard Ye Chen's words.

Ye Chen knew Yu Ting's weakness, so it wasn't strange that he could easily make Yu Ting angry.

"Blood Spear" Yu Ting started to attack Ye Chen, she used the Blood Spear to attack Ye Chen.

"Frost Age" Ye Chen used Frost Age, he froze the blood Yu Ting had.

"Everything is frozen" Yu Ting saw that her blood was frozen, it was frozen by Ye Chen.

"It's useless, do you think that kind of attack will be able to defeat me, this is the second time you show your strength in front of me, do something better" Ye Chen said to Yu Ting.

Ye Chen already knew Yu Ting's trick, he already had a way to anticipate what Yu Ting would do.

"Damn, he already knows my strengths and abilities" Yu Ting realized that Ye Chen already knew her strengths, she had to find another way to fight Ye Chen.

"It's a good thing I brought that guy's stuff" Yu Ting still had Mo Xi's stuff, Mo Xi's stuff was amazing, he had really good stuff.

The items owned by Mo Xi can easily be used to kill an Immortal.

Yu Ting could use that to fight and defeat Ye Chen.

"Let's take out an artifact that can kill him easily" Yu Ting took out a spiked sword.

Yu Ting didn't know the name of this thing, she only knew that it had the power to kill all creatures that it touched.

Yu Ting had used this thing, so she knew what this thing could do.

"Get ready" Yu Ting spoke to Ye Chen, she told Ye Chen to prepare for the real battle.

Previously Yu Ting was just messing around with Ye Chen, this time she will seriously fight Ye Chen.

Yu Ting came forward using full speed, she attacked Ye Chen by using a spiked sword to kill Ye Chen.

Ye Chen knew what Yu Ting took out, it was an object that could kill someone easily, it could suck one's soul when touching it.

"Where does she have that thing, did she get it all from Mo Xi" Ye Chen realized where Yu Ting got the thorny sword from.

"What's wrong, are you afraid to fight me" Yu Ting said to Ye Chen, she told Ye Chen that he was afraid to fight him.

"The sword in your hand is quite horrible" Ye Chen said to Yu Ting, he told her that the sword in Yu Ting's hand was quite horrible.

"I guessed that you know this, you know that you will die if you touch this thing" Yu Ting said.

"Of course I know, I just need to not touch it" Ye Chen told Yu Ting.

"That's impossible" Yu Ting told him that what Ye Chen said was impossible.

"Nothing is impossible to do" Ye Chen said to Yu Ting.

"Shut up, I don't want to listen to your words" Yu Ting said.

Yu Ting slashed at Ye Chen, she slashed randomly.

Yu Ting's sword skills were quite poor, that's why she couldn't hurt Ye Chen.

Chapter 2488 Ye Chen Vs Yu Ting Battle (2)

The Black Dragon Sword was the weapon chosen by Ye Chen to defeat Yu Ting, by using this weapon, he was confident that he could defeat Yu Ting.

"clang" Ye Chen against Yu Ting's sword by using the Black Dragon Sword.

The Black Dragon Sword was still able to withstand the sword wielded by Yu Ting.

"So hard, his sword skills are also very good" Yu Ting started to have a problem, she had a problem when she faced Ye Chen, she couldn't win against Ye Chen.

Yu Ting's sword skills could not compare to Ye Chen's, the difference in strength between the two of them was quite far.

"I have to destroy her sword" Ye Chen focused on destroying Yu Ting's sword, as long as he could destroy the sword, then everything would be done.

"Clank. .." Ye Chen showed his sword Dao, he attacked Yu Ting and destroyed the spiked sword in his hand.

"Damn it. . ." Yu Ting was injured, she was injured by the slash launched by Ye Chen.

The slash launched by Ye Chen injured Yu Ting, it managed to make a wound on Yu Ting's body.

Although it could make a wound on Yu Ting's body, the fact that it quickly recovered as before, Yu Ting used blood to recover her injured body.

"It's no use, you won't be able to kill me, you have to accept this problem" Yu Ting said to Ye Chen, she told him that he won't be able to die.

"Very troublesome strength" Ye Chen said to Yu Ting, the strength possessed by Yu Ting was troublesome.

"Even so, I believe that you can still feel pain" Ye Chen said to Yu Ting.

Ye Chen knew that he couldn't kill Yu Ting easily, even so he was still able to make Yu Ting feel great pain.

"Hehehehehe" Ye Chen smiled wickedly, he smiled wickedly at Yu Ting.

"Master, you are very bad" Chu Yuechan said to Ye Chen, she told him that Ye Chen was very bad.

"What's wrong, let me have fun" Ye Chen said that he would make Yu Ting suffer.

Yu Ting retreated, she knew what Ye Chen was thinking.

"This guy must be thinking bad things" Yu Ting was sure that Ye Chen was thinking bad things.

Ye Chen launched an attack towards Yu Ting, he launched quite a few attacks towards Yu Ting.

"Uhh. . ." Yu Ting's weak body couldn't possibly survive Ye Chen's attacks, she couldn't survive Ye Chen's attacks and got injured.

"uhh . . damn, this hurts" Yu Ting felt pain from Ye Chen's attack, she was having trouble from Ye Chen's attack.

"I have to dodge his attack" Yu Ting decided to dodge Ye Chen's attack, she didn't want to take Ye Chen's attack.

Ye Chen would not let Yu Ting escape, he continued to attack by using more attacks and also strength.

"Uh... . ." Yu Ting's body was thrown off, he received a great pain from Ye Chen's attack.

"Damn, this hurts" Yu Ting said to Ye Chen, she told Ye Chen that it was quite painful.

"You know that it hurts, so just accept your fate" Ye Chen said to Yu Ting.

Ye Chen didn't stop, he continued to make Yu Ting feel a pain worse than death.

"You bastard" Yu Ting was angry with what Ye Chen did.

This made Yu Ting's strength even stronger.

Yu Ting's strength increased very quickly, she increased her strength quickly when she was angry.

Hatred was Yu Ting's power, it made her become more and more powerful.

"You seem to make her angry, she will become stronger when she hates you" Chu Yuechan said to Ye Chen.

Chu Yuechan knew that Yu Ting would become stronger when angry.

"Then I'll just have to increase my strength" Ye Chen released his strength, this was the first time he released his strength.

"What is it?" Yu Ting was surprised by Ye Chen's power, she didn't expect that Ye Chen kept such a great power.

"Blood Lotus" Yu Ting took out several blood flowers towards Ye Chen.

"Boom. . ." The blood flower exploded with tremendous destructive power, it exploded and crushed Ye Chen.

"Die, you damn man" Yu Ting said in a tone filled with anger.

Yu Ting was too angry, she was too angry at Ye Chen, she wanted to vent all her anger on Ye Chen.

Ye Chen received an attack from Yu Ting, he coated his body with darkness, it made himself unharmed despite the attack from Yu Ting.

"It doesn't work, an attack like that doesn't work, how is that possible?" Yu Ting couldn't believe that such a powerful attack didn't work, even though the attack was already very powerful, but why did it still not work against Ye Chen.

Ye Chen's clothes were a little dirty after receiving the attack just now, there were blood stains that managed to penetrate Ye Chen's defense.

Ye Chen immediately destroyed the blood stains, he used his power to clean himself.

"This is bad, I'm almost out of time, I need to end the battle quickly" Yu Ting couldn't go on like that, she couldn't continue to hold on any longer with Ye Chen.

Yu Ting started to use her power, she decided to do a summoning.

"Since I can't kill him by normal means, I will use the strongest family I have" Yu Ting intended to use her strongest familia.

"Master, she's doing a summoning, he'll probably summon a powerful and terrifying monster" Chu Yuechan said to Ye Chen.

From the sky a cloud vortex started to form, something red and black in color seemed to start appearing above the cloud.

What appeared was enormous, at the very least it was almost the same size as a star, its size was truly enormous and it had long wings.

From its shape, it resembled a bat, he might as well call it the biggest bat.

"Wush. . ." the bat started to descend, it started to descend and directly landed on the back of Yu Ting's body.

Because it was too big, Yu Ting's body was almost invisible, it was really too big.

"I can finally summon it" Yu Ting could finally summon, Queen of bat, this was the biggest bat Yu Ting could summon.

The higher the level Yu Ting had, the more powerful she could summon.

Queen of bat had a terrifying ancient aura, it had a domineering and powerful aura.

"Roar. . ." the sound of the Queen of bat's roar was terrifying, it could damage the eardrums.

Ye Chen used the wind to resist the supersonic sound, otherwise it was possible that his body would receive a great burden.

Queen of bat looked at Ye Chen who could withstand the sound of hers, she looked at Ye Chen with a gaze full of strong hostility.

"Kill him for me, this is an absolute order" Yu Ting gave her absolute order.

Queen of bat had a contract with Yu Ting, the monster would not be able to resist and refuse orders from Yu Ting.

Queen of bat headed towards Ye Chen, it immediately tried to attack Ye Chen by using super sharp claws.

With these super sharp claws, Queen of bat could easily split a large star, it was enough to kill all creatures both large and small.

Ye Chen coated his body with heavenly lightning, the monster he was about to fight was already very strong, so it was better to use armor that could protect his body.

Queen of bat attacked Ye Chen, it attacked at an unbelievably fast speed.

Chapter 2489 Ye Chen Vs Yu Ting Battle (3)

"very fast" Ye Chen dodged all the attacks that came, all the attacks that came were too fast for such a big monster

It moved swiftly despite its massive body, the Queen of bat launched hundreds of invisible attacks towards Ye Chen.

she used her claws to kill and destroy Ye Chen.

"clang . ." Ye Chen endured every incoming attack, he used his sword to defend against the Queen of bat's attacks.

It was quite surprising to see the Queen of bat able to fight head-on against Ye Chen who was in Dao Sword mode.

Ye Chen tried to destroy the Queen of bat with a strong slash, but when Ye Chen slashed, he didn't seem to hurt the Queen of bat.

"This monster is completely made of blood?" Ye Chen realized that the Queen of bat was made of blood.

"How many humans and monsters do you need to summon this?" Ye Chen observed the Queen of bats, how much did Yu Ting need to summon the Queen of bats.

"she killed so many people during the conquest, they were all sucked up and that's it" Chu Yelan said to Ye Chen.

Yu Ting was quite terrible, she did quite crazy things, she killed many people and took their blood for battle, it was a really terrible thing.

"Physical attacks won't work, I'll use the power of fire or ice to destroy it." Ye Chen had two choices, use Ice or fire.

"It's useless, Queen of bat is immune to fire and Ice, your tricks won't work on me" Yu Ting said to Ye Chen.

Yu Ting had already anticipated what Ye Chen would do, that's why he made the Queen of bat immune to fire and Ice.

Yu Ting realized that Queen of bat was weak against those two elements, that's why he strengthened Queen of bat by increasing resistance to fire and ice.

Ye Chen stopped moving, he knew that he would waste energy doing meaningless things.

"Tell me what the monster's weakness is?" Ye Chen asked Chu Yuechan to analyze Queen of bat, he needed information from Chu Yuechan.

"it's a bit difficult, he used some upgrades, it might be immune to all attacks" Chu Yuechan said to Yu Ting.

The queen of bat might be immune from all kinds of attacks, it was completely strengthened by Yu Ting.

Ye Chen's face was slightly dissatisfied with Chu Yuechan's answer, it seemed that Yu Ting had been one step ahead compared to him.

Yu Ting smiled when she saw Ye Chen's face, she knew that Ye Chen must be very angry with what she did.

"confused, you look like a fool, you won't win, this will be my victory" Yu Ting said to Ye Chen, she told him that this would be her victory.

"As long as I'm still standing, then I still have a chance" Ye Chen said that he still has a chance to win.

as long as Ye Chen could still stand on his own two feet, he had a chance of winning.

"still stubborn, quickly crush him to a pulp" Yu Ting gave the Queen of bat an order to crush Ye Chen.

"If it is indeed immune to all attacks, then I will use all elements to fight it head-on" Ye Chen decided to use all the strength in his body.

He used all the elements present in his body.

The seven elements were used by Ye Chen, he even brought out the darkness and dimension elements.

"Master, it seems that it is dangerous for you to do it" Chu Yuechan said to Ye Chen.

Chu Yuechan felt that what Ye Chen was doing was very dangerous.

"This is the way to beat her, I will do my best to do it" Ye Chen said to

Chu Yuechan knew that she couldn't stop Ye Chen, she couldn't stop Ye Chen's crazy actions.

"What Ye Chen did was definitely more dangerous than before, he was trying to combine 7 strengths that could surpass all of them, wondering whether he could do that or not.

In Chu Yuechan's opinion, it was quite a difficult thing to do, to be honest doing that was a very crazy thing, even Chu Yuechan wasn't sure whether Ye Chen could do it or not.

"I can definitely do it" Ye Chen was confident, he believed that he could do it.

There was no doubt in Ye Chen, he had no doubt in himself, it made him calm.

"What is he doing ?" Yu Ting tried to see what Ye Chen was doing.

Ye Chen began to unite his seven strengths, when he did that, an extremely terrifying power appeared, this power was so strong, neither Yu Ting nor the Queen of bats could feel it.

An orb was formed when Ye Chen combined elements, it made something extraordinary and beyond reason.

Ye Chen's hands were shaking, it seemed that he was still having trouble controlling the seven elements that clashed with each other.

Ye Chen's sleeve shattered into small pieces, the impact of this force was so great that it made Ye Chen's hand go numb.

"are you okay?" Chu Yuechan asked Ye Chen.

"I'm fine" Ye Chen said that he was fine.

Ye Chen didn't want to say that he was fine, to be honest, this was quite difficult to deal with.

Just a little wrong maybe Ye Chen would end up in this place and a huge explosion might sweep Ye Chen's body.

"Let's see if you can survive this thing" Ye Chen said to Yu Ting.

"Queen of bat kill him for me" Yu Ting gave the order to Queen of bat to kill Ye Chen, she gave the order to kill Ye Chen.

Queen of bat hesitated a little to fight Ye Chen, she felt a bad feeling from what was in Ye Chen's hand.

Because the Queen of bat is Family from Yu Ting, it can't refuse and must still fight together with Yu Ting.

Queen of bat advanced towards Ye Chen, it returned to attack Ye Chen using its full strength.

Ye Chen stretched out his hand forward, he crushed the Queen of bats with all the elements he combined together.

"Boom. . ." A terrifying impact occurred when the Queen of bat touched the ball in Ye Chen's hand, the Queen of bat's body melted when it came into contact with the fusion of the 7 elements.

"Impossible, what kind of power is that" Yu Ting didn't understand the power shown by Ye Chen, she really didn't understand the power that Ye Chen possessed.

"What great power, it's a shame I still can't maintain it for long" Ye Chen couldn't maintain it for long.

"Your arm is injured, it seems that you still can't bear such a heavy burden" Chu Yuechan said to Ye Chen.

Chu Yuechan was quite shocked by what she saw, she was quite shocked when she saw Ye Chen capable of even crazier things than before.

Trying to combine the seven elements was an unbelievably difficult feat, Chu Yuechan wasn't sure if anyone else would be able to do it.

"Alright, now is the time to beat her" this is the time to beat Yu Ting, he must defeat Yu Ting with his own hands.

"I will beat you now" Ye Chen said to Yu Ting.

"That won't happen, I can still fight" Yu Ting said that she was still able to fight, she was still able to fight against Ye Chen.

Yu Ting broke something, she cracked the orb and her profound energy recovered as before.

Yu Ting returned to using the once troublesome item.

Chapter 2490 Ye Chen Vs Yu Ting Battle (4)

"I finally recovered my strength" Yu Ting's strength had finally recovered, now her strength had fully recovered and she could fight Ye Chen again.

"using another troublesome item, how much did she steal from Mo Xi" Yu Ting had an item from Mo Xi, it wasn't strange that she could survive long enough against Ye Chen.

If she didn't have Mo Xi's item, there was no way Yu Ting could last that long against Ye Chen.

"My strength has recovered, how about it, aren't you surprised by my current strength" Yu Ting said to Ye Chen.

"Not really . . ." Ye Chen wasn't too surprised by this matter, he wasn't too surprised when he saw Yu Ting succeeding.

Ye Chen's profound energy was only a little left, this was a loss for Ye Chen.

"just now it consumed enough profound energy that I have" the attack just now far exceeded Ye Chen's expectation, Ye Chen spent quite a lot of profound energy to use it.

He only had a little bit of profound energy left, he could only use pills and peaches to restore his own profound energy, but it would not be as fast as Yu Ting.

Yu Ting attacked Ye Chen, she attacked Ye Chen using her bare palms.

"take this" Yu Ting attacked Ye Chen with full force.

Ye Chen stretched out his hand forward, he resisted the palm that was launched by Yu Ting.

"Bang. . ." the two of them retreated as they exchanged blows, Yu Ting's punch had obviously become much stronger compared to before.

Yu Ting's strength is increasing, it is a huge advantage for Yu Ting, it makes him invincible as time goes on.

The hatred against Ye Chen made her stronger, it would allow her to defeat Ye Chen.

"It seems you are getting overwhelmed when you fight me, I am getting stronger while you are getting weaker" Yu Ting said to Ye Chen.

Yu Ting had become stronger, meanwhile Ye Chen had become weaker, that was the current thing.

"I'm not that weak" Ye Chen told himself that he was not that weak.

"Time to open the water and fire vein" Ye Chen decided to use the water and fire vein, he would increase his strength in no time.

Ye Chen's profound energy became immense and boundless, he could do whatever he wanted.

Ye Chen's strength increased quite a lot, it was an advantage that belonged to Ye Chen.

"Do you still dare to say that again now?" Ye Chen released his strength, the pressure of his strength suppressed Yu Ting's strength.

"What is it?, you still have that true power." Yu Ting didn't expect that Ye Chen still had that much strength, roughly how much strength Ye Chen had, it made Yu Ting unable to estimate.

"of course, I still have a lot of strength, be prepared" Ye Chen started to attack, he used divine lightning to attack Ye Chen.

"God Slayer Lightning Shot" Ye Chen released a very powerful lightning shot towards Yu Ting, it was extremely powerful and directly hit Yu Ting's body.

"uhh . . ." Yu Ting tried her fastest to block Ye Chen's attack, even though she was fast, she was unable to withstand Ye Chen's powerful attack.

"Uhhhh . . ." Yu Ting's body was hit by the heavenly lightning, it made burns on the body and several other parts.

"Damn it. . . , terrible power . . ." Yu Ting gasped for breath when he saw Ye Chen use God Slayer Lightning Shot.

"There's still a lot more" Ye Chen said to Yu Ting.

Ye Chen launched God Slayer Lightning Shot, he executed consecutive attacks without caring about his profound energy.

Due to the power of the Sage god vein, Ye Chen no longer needed to care about the profound energy present in his body, it would not decrease even if Ye Chen used a powerful attack.

Yu Ting's injuries worsened, her regeneration slowed due to the power of the God Slayer Lightning Shot.

"Mine's regeneration is slow, her attack is too strong." Yu Ting tried to attack Ye Chen with a blood flower and blood spear attack, she also used her bat to attack Ye Chen.

Even though she had used all of her strength, Yu Ting's attack was still unable to injure Ye Chen.

Ye Chen used the earth vein, it made Ye Chen's defense very strong, that made Yu Ting unable to hurt Ye Chen.

He would not be able to injure Ye Chen using his attacks.

Ye Chen used his wind vein, he attacked Yu Ting with a speed that couldn't be seen.

Ye Chen used the four veins, that of course would burden Ye Chen's body, it burdened Ye Chen's body and made his body ache.

"You are overdoing it, your body will definitely have a reaction after using all that" Chu Yuechan said to Ye Chen.

Ye Chen was focused on fighting with Yu Ting, it made him not listen to what Chu Yuechan was saying.

Chu Yuechan sighed, Ye Chen didn't listen to her at all, he didn't listen to what she just said.

The focus of the battle really couldn't be distracted, even Chu Yuechan couldn't interfere with Ye Chen fighting Yu Ting.

"clank. . ." the battle between the two became more and more fierce, the two of them tried to knock and kill each other.

Ye Chen took out all the attacks, Yu Ting's body was covered with scars, and Ye Chen's condition was also the same, there were several wounds on his body.

"You are so stubborn" Yu Ting said to Ye Chen, Ye Chen was too stubborn, he refused to lose.

"You are quite difficult to kill" Yu Ting's ability made her extremely difficult to kill Of all the opponents, she was the most difficult to deal with.

"I'm almost out of strength, I can't go on like this" Ye Chen was almost out of strength and time, he wouldn't be able to last much longer by opening his four Vein gates.

On the other hand, Yu Ting was still able to survive, he still had enough strength to face Ye Chen head-on.

This would probably be a tough battle for Ye Chen, he needed to end this battle Quickly.

"Should I use the Dark Veins?" Ye Chen might only be able to use the Dark Veins, but that would probably affect his cultivation level.

The dark vein could provide Ye Chen with extraordinary strength, but the price that had to be paid was Ye Chen's reduced cultivation level.

The longer Ye Chen used it, he would probably lose more strength.

"It was a risky thing, but he had to do it.

Here maybe no one can kill Yu Ting, only Ye Chen can do it.

At most Chu Yuechan only had a method to seal, while it was a bad thing because Ye Chen didn't want to take any more risks.

If this woman came back loose next time, it would be disastrous in the future.

"Alright, no choice, I will do it" Ye Chen had no choice, he had no choice but to do it.

Darkness and Dimensional veins were the ones Ye Chen avoided using the most, both techniques required a huge price to use them.

Ye Chen opened the gate of the Dark Vein, an enormous burst of power occurred and enveloped Ye Chen's body.

This power was extremely strong, it was unbelievably strong and enveloped half of the Demon God Realm's territory.
