### Chapter 2491 Ye Chen Vs Yu Ting Battle (5)

Ye Chen's strength continued to increase, it continued to increase and only became stronger, at least Ye Chen's cultivation level rose by several worlds.

Ye Chen didn't expect that the strength he possessed would increase this much, to be honest it was quite hard to believe the increase in strength he obtained.

"I'd better hurry" Ye Chen couldn't waste time, his time was limited because the price he would have to pay would be enormous.

He might fall if he held on too long, which was why he had to end things quickly.

"Do your best" Chu Yuechan said to Ye Chen, she telling Ye Chen to do the best he could do.

Time wasn't much, which was why Ye Chen had to do it quickly.

"That power?, where did he get such strength, I don't believe in this thing" Yu Ting didn't believe that Ye Chen could get that much power.

The power released by Ye Chen was definitely stronger compared to his current one, the difference in their strength was simply enormous.

"Here comes the real strength, get ready" Ye Chen will end things quickly.

"Void Domain" Ye Chen used Domain, before he could never use this technique due to lack of strength, and now he could do it.

The space around them collapsed, dense darkness enveloping the surroundings.

"This, don't tell me this is ?" Yu Ting realized that this was the Void Abyss, it was really too dangerous because he who was strong could die if he was here.

Yu Ting's body began to turn into a clot of blood, she was trying to escape from this place.

"I won't let you run away again" Ye Chen said that he would never let Yu Ting run away again.

Ye Chen once let Yu Ting run away, and this is what happened, so he won't let Yu Ting run away again, he can no longer let this woman run away and make trouble again in the future.

"uh . . "Yu Ting's body was eaten by the Void Abyss, even though he changed the Void Abyss still swallowed her up.

"No. . . , No . . . " Yu Ting screamed, she screamed hysterically when she knew what was going to happen.

"This is really bad, I have to do something" Yu Ting has to do something, he doesn't want to die in this place.

Yu Ting's time was up, she had no blood left and couldn't regenerate, her body had completely begun to dissipate and become void.

"no, this won't happen, Ye Chen, I will kill you" Yu Ting roared at Ye Chen, she wanted to kill Ye Chen and tear him into pieces.

"talk to your heart's content, you won't be able to survive the attack" Ye Chen said to Yu Ting.

"damn it, you won't let go, I definitely won't let you go. .." Yu Ting roared in a loud voice, she didn't accept defeat, she didn't want to lose to Ye Chen.

Yu Ting had everything she wanted, she didn't want to stop here.

"Ahhhh . . ." she shouted, her body disappearing into the Void Abyss, her regeneration didn't work in this place.

"Cough. . ." Ye Chen coughed, she seemed to be in her limits.

"My body hurts, my bones are shaking all over" Ye Chen's body was in extreme pain, he was experiencing intense pain all over his body.

"Your cultivation has declined, you are currently at the 9th level of the Divine Overlord Realm" Chu Yuechan said to Ye Chen.

Ye Chen had only used the strength from the Dark Veins for a few minutes, even so his strength had dropped quite a bit.

"What a huge price, it's a powerful power but I can't use it continuously" Ye Chen wouldn't be able to use that power continuously.

The price paid was truly too great for Ye Chen.

"It doesn't matter, I can recover it again." Ye Chen will recover his strength, he can still return to the peak after falling.

He still has a long way to go, so he needs to be even more active in training.

"You better not rely on that power too much, to be honest it's really dangerous" Chu Yuechan said to Ye Chen.

"It can't be helped, that's what I can do right now." Ye Chen said that it was his choice, otherwise how long would he fight with Yu Ting.

"Yes, I understand." Chu Yuechan understood Ye Chen's decision and owned it, she could understand Ye Chen's decision.

"Are you okay?" Lu Hanna and Xu Leiya came over, they came and saw the condition of Ye Chen.

"I'm fine." Ye Chen smiled. He told them both that he was fine.

"You look pale, we'd better heal your injuries first" Xu Leiya said to Ye Chen.

Xu Leiya saw that Ye Chen's injuries were bad, that's why she made a decision to help Ye Chen.

"That's right, let's treat your wounds." Lu Hanna agreed with what Xu Leiya said.

"calm down" Ye Chen asked the two of them to calm down, he was fine.

He doesn't need healing because his condition isn't that bad.

"Thank you very much" Lots of people came to meet Ye Chen, they knelt down to thank Ye Chen for what he had done.

Ye Chen had freed them from a ruthless person like Yu Ting.

They have experienced bad things for several days after Yu Ting's invasion, These few days are even more terrible than their thousands of years of cultivation and journey.

"Alright, you don't have to do that, you can go back" Ye Chen said that they could come back.

"Thank you very much . . ." they thanked again, they thanked for what Ye Chen did.

After giving Ye Chen their thanks and gratitude, they all decided to head back and restart their lives.

Even if they had to do it from scratch, it was all because Yu Ting destroyed their place and they had to build everything from scratch.

"Let's go back to God Realm" Ye Chen said to Xu Leiya and Lu Hanna.

Xu Leiya understood, Lu Hanna would stay behind in the meantime to take care of the aftermath of the war.

There were quite a number of victims and he had to compensate for all of them.

Even though everything wasn't Lu Hanna's fault, the fact was that she had to do her best to help those affected, she didn't want to become a leader like Yu Ting.

What he saw from Yu Ting could serve as a lesson for Lu Hanna to become even better.

"Husband, cultivation, what's going on, it seems to be getting lower" Xu Leiya asked Ye Chen, Xu Leiya wanted to know what happened.

"I used a forbidden technique and there was a price I had to pay" Ye Chen told Xu Leiya what happened.

Ye Chen was doing this to win, otherwise the battle would probably still continue.

"So it's like that, I understand." Xu Leiya understood, she understood what happened to Ye Chen.

To defeat Yu Ting Ye Chen had paid such a high price, to be honest Xu Leiya probably wouldn't be able to imagine it.

The two returned to the God Realm, When they arrived, Zhao Yanyan, Li Jingyi and the others were already waiting.

"What happened to you ?" Zhao Yanyan asked Ye Chen.

Zhao Yanyan was worried that when she saw Ye Chen being helped by Xu Leiya, something must have happened.

"I'm fine, just fighting Yu Ting" Ye Chen said to Zhao Yanyan.

"You are pushing yourself too hard, you are quite pale" Huang Ying said to Ye Chen.

Ye Chen grimaced when he heard what Huang Ying said.

"let's treat your wound first" Li Jingyi said to Ye Chen, she asked Ye Chen to treat his wound first.

Chapter 2492 The Most Peaceful Day

Ye Chen started to recover himself, he needed quite a bit of time to recover himself.

Especially his cultivation, it seemed he needed more time to recover his cultivation.

"All problems are finally solved" all problems have been successfully solved by Ye Chen, he can now enjoy his own time peacefully with everyone.

For Ye Chen's cultivation can begin to improve slowly, now he only needs to focus on doing everything he wants.

"you're here?" Shen Niang came to meet Ye Chen.

"Yes, I'm here" Ye Chen said that he was in this place.

"I heard what happened, you seem to have experienced a lot of things, you should ask me for help"  
Shen Niang said to Ye Chen.

"That's my business, I can't involve you" Ye Chen said that he couldn't do that.

Yu Ting was Ye Chen's business, so he didn't want to see Shen Niang in the business.

Shen Niang's business with Mo Xi was over, and Yu Ting was her business, so Ye Chen wanted to sort it out by herself.

"You want to be cool ass" Shen Niang said to Ye Chen.

"Ha ha ha ha . . ." Ye Chen laughed as he heard this.

Shen Niang stood close to Ye Chen, she was now beside Ye Chen.

"what are you going to do next" Shen Niang asked Ye Chen.

"I don't know, maybe I want to enjoy the time, everything is done" Ye Chen said to Shen Niang.

"You sound like an old man who wants to retire" Shen Niang said to Ye Chen.

"do I look like that, to be honest enjoying a peaceful time is really hard" Ye Chen said to Shen Niang.

Ye Chen wanted to enjoy his peaceful time, he had already spent quite a bit of his time cultivating and doing battle, so it wouldn't hurt to take a break.

"I respect the decision you made, but the world is wide, don't you want to see the world out there?"  
Shen Niang asked Ye Chen.

"Of course I want to take a look, the world outside is vast" Ye Chen said to Shen Niang.

Shen Niang nodded as she listened to what Ye Chen said.

"But there is no need to be too hasty to do it" Ye Chen said to Shen Niang.

"I know what you think" Shen Niang knows what Ye Chen is thinking, she will respect Ye Chen's decision.

"You can tell me when you are ready" Shen Niang said to Ye Chen.

"I understand" Ye Chen understood, he would tell if it was really ready.

"I look forward to hearing good news from you." Shen Niang hugged Ye Chen, this beautiful goddess was too gentle and loved pampering Ye Chen.

Ye Chen was very spoiled by Shen Niang, he was very happy to be hugged and spoiled by Shen Niang.

Since there was nothing urgent, they didn't need to rush, plus Ye Chen still had to recover the lost cultivation level, and it would definitely take some time to do so.

Ye Chen spent time with his woman and sometimes practiced for a while, he needed practice to return to how he was before.

Ye Chen's days were very peaceful, he did whatever he wanted, he had dates, had fun and vacationed with all the women where they wanted, they all really enjoyed the time they had.

.

.

Unknowingly several months had passed very quickly, Ye Chen had passed the time with all the women, if you counted the time spent inside the fairy gate, it would be a very long time.

Ye Chen's condition was getting better, he was getting better and better and his strength was also starting to return, even though Ye Chen was now only at the first stage of the immortal rebirth realm, he was already very satisfied with such an achievement.

Not much had happened in these few months or so, everything was peaceful and Ye Chen was spending time with the beauties around.

Ye Chen's reputation also increased, occasionally there were some beauties who approached and tried to seduce Ye Chen.

Shui Yixian and Lin Rouxi were quite strict with that matter, they had to work together to choose who was suitable because too many women only wanted to take advantage of Ye Chen, and they didn't really like that matter.

"older brother . . ." Xiao Lulu was wearing casual clothes, she had just finished tending the plants and had gone out to have fun.

"nice job, what are you doing?" Ye Chen asked Xiao Lulu.

"I and sister Mei and Ning'er just finished taking care of the plants, now there are quite a number of rare plants and need more maintenance" Xiao Lulu said to Ye Chen.

"good job, you are doing your best" Ye Chen said to cute Xiao Lulu, Xiao Lulu was very cute and made Ye Chen happy.

"You like spoiling cute girls" Xing Mei said to Ye Chen.

"are you jealous, naughty girl you should change your attitude and start to learn from Lulu" Ye Chen said to Xing Mei.

Xing Mei was still as naughty as before, she always went out and had fun and didn't think about anything else.

"Who wants to listen to you" Xing Mei said that she didn't want to listen to Ye Chen.

"So you don't want to listen to me, fine, we'll see" Ye Chen said to Xing Mei.

Xing Mei felt a bad feeling, she had a bad feeling when Ye Chen said that.

"See you are trying to bully me, now who are you calling a mischievous person" Xing Mei said to Ye Chen.

Xing Mei pointed at Ye Chen, she pointed at the naughty Ye Chen.

"hahahahah, Fufufufu" Ye Chen and Xiao Lulu laughed, they both laughed when they saw the angry Xing Mei.

"Just watch, I'll have Sister Yanyan and the others take care of you" Xing Mei said to Ye Chen.

Xing Mei knew that she couldn't win against Ye Chen, that's why she would ask Zhao Yanyan, Nangong Xiang, Nanhua Caiyi and Fu Lanling to take care of Ye Chen.

"Do you think this big brother is afraid, I am not afraid. .." Ye Chen said as he challenged Xing Mei.

Ye Chen and Xing Mei often argued, they would sometimes argue and sometimes get along.

It's a normal thing in a couple's life.

"Ding. . ." Xing Mei received a message, it seemed to be from Su Yuyu or Xia Ningzi.

"I have business, I will go, see you Sister lulu" Xing Mei left and said goodbye to Xiao Lulu.

Su Yuyu and Xia Ningzi were currently instructors within the academy and they were both strong and formidable, their cultivations increasing rapidly under the tutelage of Lei Qiaolin.

They have access to resources and all the things needed to get stronger, the trio often goes out to enjoy the time they have.

Ye Chen looked at the recently returned Gu Xun, he could see that Gu Xun had just done something important.

"Sister Xun, what's wrong?" Ya Chen asked Gu Xun.

"Doing ordinary work, what do you say" Gu Xun said that she was doing ordinary work.

"Is that so, you seem to be doing something important, it makes me curious" Ye Chen said that he was curious about what Gu Xun was doing.

"I'm not doing anything important" Gu Xun said that he wasn't doing anything important.

"Is that so, it's like you're lying to me" Ye Chen said that Gu Xun was lying.

Chapter 2493 Gu Xun Was Hiding Something

Gu Xun was confused, how could she answer Ye Chen's question.

"what's wrong?, why don't you answer me ?" Ye Chen asked Gu Xun.

"I'm doing a special task" Gu Xun said that he was currently doing a special task.

Gu Xun didn't want to tell what kind of task she was doing, she didn't want to explain it to Ye Chen.

Ye Chen was increasingly curious about what Gu Xun was hiding, to be honest he wanted to know what Gu Xun was up to.

"Then I will go first" Gu Xun said to Ye Chen, she told Ye Chen that she was going.

"Okay" Ye Chen nodded at Gu Xun.

Gu Xun left again, she left again and left Ye Chen together with Xiao Lulu.

"What did she just do?" Xiao Lulu asked Ye Chen.

"It seems that he is doing something important, I'm curious, I'll take a look" Ye Chen said to Xiao Lulu.

"be careful" Xiao Lulu said to Ye Chen, she told Ye Chen to be careful.

"I understand, thank you very much for your concern" Ye Chen was grateful for the attention given by Xiao Lulu.

Ye Chen followed Gu Xun, he followed her secretly and would not be discovered by Gu Xun.

Gu Xun went to a small star, Ye Chen didn't know the name of this place because it was remote, possibly it was an Earth-level star, the pure energy in this place was very small and not very suitable for cultivation.

In fact, the earth is now much better than this place.

"Why did he go to a place like this, what do you want?" Ye Chen wanted to know what Gu Xun wanted.

"I have to watch and follow her" Ye Chen decided to watch and follow Gu Xun.

Ye Chen happened to have no schedule, so he could spend his own time seeing and watching Gu Xun.

Gu Xun took out a robe, it covered her body and appearance.

"Hmmm, is she meeting someone or is she disguising his way into a place?" Ye Chen wanted to know what Gu Xun would do.

Ye Chen used his ability to become invisible, that allowed him to move freely around this place with ease.

Gu Xun went to an even more remote place, that was through an extremely dense wilderness.

Ye Chen kept following behind Gu Xun, he couldn't possibly lose track.

"Hmmm, very suspicious" Ye Chen saw that Gu Xun was very suspicious.

Some time later Ye Chen could see a village ahead, it seemed this was Gu Xun's destination.

"So this is the destination, what will be done in a place like this" was about what Gu Xun would do in a place like this.

Gu Xun directly sneaked into a house that was not inhabited by anyone.

Ye Chen could tell because he had confirmed that there was no one in the house, only Gu Xun.

Gu Xun opened the window slightly and started to survey the street.

Due to the village, this place wasn't too crowded, at most there were only a few people passing around this place.

Ye Chen decided to find a place near Gu Xun's house, he stood on the roof and watched Gu Xun from afar.

Ye Chen would not let go of his guard, he had promised not to let Gu Xun get hurt and he had to protect her.

Gu Xun looked at everyone who passed by, when she saw that it was not the person she was looking for, Gu Xun immediately ignored them.

"As I thought, he's looking for someone" Ye Chen already guessed that Gu Xun was looking for someone.

"But who is she looking for?" Ye Chen wanted to know, he had to get the answer he wanted right now.

Ye Chen waited patiently, he waited and watched Gu Xun.

Gu Xun was still keeping watch over the road, she did so until it got darker.

"It's been several hours and that person hasn't appeared, maybe the person Gu Xun is looking for isn't here." Ye Chen thought that the person Gu Xun was looking for wasn't here, that's why she never appeared.

"tap . . ., tap . . ., tap . . ., tap . . ., tap . . ., tap . . .," Ye Chen listened to a few footsteps of sound, the number was probably 10 or so.

"there are many, a group . ." Ye Chen saw that what was about to pass was a group.

They really are quite a lot and are probably on their way.

Gu Xun stood up, it seemed that this was the group Gu Xun was looking for.

"Is this what sister Xun is looking for, what business do they really have?" Ye Chen wanted to know who Gu Xun had business with.

Ye Chen couldn't be sure, only Gu Xun could confirm it.

This group finally appeared in the direction of Ye Chen's vision, Ye Chen could see a group of people who were escorting a dark black carriage that blended into the night.

Dark trains are perfect for use at night, apart from being able to hide themselves, this will make them difficult to track.

Ye Chen confirmed them by using their spirit sense, he saw that their cultivation wasn't simple.

"Their cultivation is high, they are definitely not from this place." With high cultivation, Ye Chen believes that they are not from this place.

"They look suspicious, what are they protecting?" Ye Chen wanted to know what the powerful group passing in front of him was protecting.

Ye Chen peeked inside using his God Eyes, he could easily see what was inside.

He saw a fat man in the carriage, there were at least 10 women beside him and serving the man.

"It seems that this group is not doing well." Ye Chen can see that the group in front is not doing well, it can be seen clearly when looking into the carriage.

Gu Xun finally started to move, he started to move and appeared in front of the group.

When Gu Xun appeared, they were all immediately alerted, they were all alerted by Gu Xun's arrival.

"who are you ?" they asked Gu Xun.

Gu Xun took off her veil, she showed her pretty face in front of everyone.

"beautiful woman, very attractive" everyone was attracted by Gu Xun's beauty, they were all amazed by Gu Xun's beauty.

The fat man in the carriage looked at Gu Xun, he was really interested in Gu Xun.

"That woman is good, get her for me" the fat man ordered to get Gu Xun for himself.

Gu Xun walked forward, she drew closer to the fat man in front of her.

she finally arrived in front of the fat man in front of her quickly.

Everyone didn't understand what Gu Xun was doing, Gu Xun gave himself up voluntarily.

"Well done, you made a wise choice" the fat man said that Gu Xun made a very wise choice.

Gu Xun took out a small knife, she pointed her knife at the neck of the fat man in front of her.

Everyone was shocked by what Gu Xun did, they didn't expect that Gu Xun would do such an unreasonable thing.

"Please save you" the fat man asked everyone for help, she needed to be saved from Gu Xun.

Chapter 2494 Problem That Gu Xun Had

Everyone immediately alerted, they all immediately prepared to help the fat man.

"Don't move, if you don't want this person to die" Gu Xun told everyone.

"Quickly save me" Fat man said to everyone, he asked them to save himself quickly.

The knife Gu Xun used directly cut the fat man's neck.

Everyone stopped, they all stopped when they saw what was happening.

If Gu Xun even slightly moved the knife in his hand, then the man would die immediately.

"Hmmm, what is he doing exactly?" Ye Chen wanted to know what Gu Xun was doing, who was the man Gu Xun was threatening.

"You have to answer my question" Gu Xun said to the fat man, she needed an answer.

"I understand, I will answer it, so please spare me." The fat man was about to answer Gu Xun's question.

"I won't let you go until everything clears up" Gu Xun said in a firm tone.

Gu Xun would not let go of the man in front of her before getting the answer she wanted.

Before that this man would not be able to escape Gu Xun, he would become Gu Xun's prisoner.

"Tell me who is your boss?" Gu Xun asked a question, she asked an easy question.

"I can't answer it" the fat man said that he couldn't answer it.

"Quickly say. . ." Gu Xun looked displeased and dissatisfied when she found out the answer given.

"I can't do it, I will die if I do" he told the reason why can't say it.

"If you don't say it, I will kill you." Gu Xun said that he would kill the fat man.

Gu Xun didn't take the threats lightly, she gave off a powerful aura of her own, as a cultivator who became the guardian of Dongfang Xiu, she possessed great strength and was also tall.

So it was easy to threaten those with substandard strength.

Ye Chen looked and watched what was happening, he could see very clearly what was going on there.

"she's looking for someone, who is it, maybe it's really important, I think I'll help her" Ye Chen decided to help Gu Xun.

"Alright" Gu Xun's aura was extremely powerful and extremely terrifying, it made the fat man feel scared and horrified.

It's not strange because Gu Xun's strength is very strong, it makes her unable to be defeated so easily.

Perhaps in this place no one could match Gu Xun's strength.

"That person's name is Zhan. . ." before he managed to say who the boss was, his words stopped halfway.

Blood emerged from the chest, more precisely a sword pierced the person's heart and charged towards Gu Xun.

Gu Xun immediately backed away when she saw the sword that was about to strike her.

"what happened there" the guards look confused by what happened there, they don't understand what just happened.

A woman stood up carrying a sword. The woman was the one who had killed the fat man before speaking.

"Useless pig, how can you tell others a secret, you deserve to die" the woman said to the fat man she had just killed.

The way this woman looked was so repulsive, she looked like a useless piece of trash.

"who are you . . . ?" Gu Xun asked the female assassin in front of her.

"You don't need to know who I am, there's no point in telling me who I am, I'm just doing my job, until then" The woman said to Gu Xun.

He directly said goodbye to Gu Xun and left this place.

Before leaving, she killed everyone using her flying sword.

This woman has flying sword techniques and can kill enemies with incredible speed.

Everyone in the group was killed quickly, both men and women were brutally killed on the spot.

"stop . ." Gu Xun tries to stop the woman who is trying to escape after killing everyone.

The woman stopped Gu Xun with a flying sword, using a flying sword, she managed to stop Gu Xun's movement.

Gu Xun was quite troubled by the flying sword that the female assassin had.

The female assassin took the opportunity to escape from this place.

"want to escape, don't expect" Ye Chen would not let the opponent escape, he stopped the enemy with one hand and directly locked the neck of the female assassin.

"Cough. . ." The female assassin didn't expect that Ye Chen would appear and stop her.

"damn you bastard" the female assassin said to Ye Chen.

"your mouth has never been schooled" Ye Chen said to the woman under his body.

"Ye Chen. . ." Gu Xun was shocked when she saw Ye Chen in this place, since when had he been in this place.

"hello sister Xun, do you need help from me" Ye Chen said to Gu Xun.

"Why are you in this place?" Gu Xun asked Ye Chen, she wanted to know why Ye Chen was in this place.

"That's because I'm worried about you" Ye Chen told that he was worried about Gu Xun.

"I'm not a child anymore, so you don't need to worry about me" Gu Xun said that Ye Chen didn't need to worry about her.

"It will be troublesome if anything happens to you, I promised to protect you" Ye Chen said to Gu Xun.

Ye Chen had already promised to protect Gu Xun, she would not let anything bad happen to Gu Xun.

Gu Xun's face slightly reddened when she heard what Ye Chen said, to be honest she was touched by what Ye Chen said, Ye Chen's words were quite touching for her.

"So who are they?" Ye Chen asked Gu Xun, he wanted to know who they were.

"they are the group that destroyed my residence, I only found out about this a while ago" Gu Xun said to Ye Chen.

"They did such a thing, how dare, they are courting death" Ye Chen said to the woman under him.

"let go of me bastard, you will pay for what happened" the female assassin said to Ye Chen.

"Shut up" Ye Chen ordered to be quiet, he didn't like it when he listened to this mean woman.

"we have to get information from him, I need to know who their boss is" Gu Xun needed information.

"that's easy, just leave it to me" Ye Chen said to Gu Xun.

"what are you going to do" the female assassin asked Ye Chen,

"requesting information from you, what do you think I will do" Ye Chen smiled at the woman in front of him.

"You won't get any information from me" he informed that he would not pass any information on to Ye Chen.

"Are you sure about that?" Ye Chen said to the woman in front of him.

Ye Chen started to find out by himself, he would get the information he was looking for.

"damn it, what are you doing?" the female assassin said to Ye Chen.

"be quiet. . ." Ye Chen said and told the woman in his arms to be quiet.

Ye Chen dug for information, he got information easily.

"it's not difficult, it's easy" Ye Chen found what Gu Xun was looking for.

"find it?" Gu Xun asked Ye Chen.

"Of course, I found it, what do we do with this woman ?" Ye Chen asked Gu Xun.

"throw it away" Gu Xun said to Ye Chen.

she didn't need her anymore.

"Okay, I understand" Ye Chen understood, he did as Gu Xun ordered.

"The name of the person you are looking for should be Zhan Tanru" Ye Chen told Gu Xun.

"where is he now ?" Gu Xun asked Ye Chen.

Chapter 2495 Went To The Nightclub District With Gu Xun

"Where is it, tell me quickly." Gu Xun told Ye Chen to tell where the person was.

"I'll tell you, come with me" Ye Chen told Gu Xun to come with him.

Gu Xun knew that Ye Chen was doing it on purpose, she was aware that Ye Chen was doing it to come with her.

"how, are you going to take me or not" Ye Chen asked Gu Xun.

"Fine, I'll take you." Gu Xun had no choice, she could only let Ye Chen come along right now.

Ye Chen smiled, he knew that Gu Xun would not be able to refuse him.

"You're quite naughty, you know that I won't be able to refuse" Gu Xun said.

"Of course, I know, I will take good care of you." Ye Chen said that he would take good care of Gu Xun.

"whatever" Gu Xun said to Ye Chen, she didn't mind this matter.

The two of them went together, they went to a very large nightclub.

There are lots of Sexy and seductive women here that can be easily obtained as long as there are profound crystals.

"why did you bring me to this kind of place" Gu Xun asked Ye Chen.

To be honest Gu Xun didn't really like this kind of place, she didn't really like this kind of strange place.

Gu Xun came from a good background, she had never come to a place like this, plus during her time at work, she had never been led by Dongfang Xiu to such a deviant place.

"What are you saying, that person should be in this place." Ye Chen said to Gu Xun.

The person called Zhan Tanru is in this place, they only need to look for him.

"He is in this kind of place, not strange, he is a shameless person" Gu Xun said to Ye Chen.

"This place is indeed suitable, it's difficult to find the person we want to look for in this place" Ye Chen said that they would find it difficult to find the person they were looking for in this kind of place.

"How about we split up and start to . ." Gu Xun paused for a moment when she said that to Ye Chen.

"Hey handsome, you have time, how about you hire us" when Ye Chen just walked in, he was immediately approached by dozens of women in skimpy and seductive clothes.

Ye Chen is too handsome, it is not strange that the women around immediately flock to Ye Chen and want to get Ye Chen.

Gu Xun raised an eyebrow when she saw what happened, to be honest she didn't like and wasn't happy with the scene in front of her.

"We'd better be together" Gu Xun decided to be together, it seemed that he couldn't leave Ye Chen without a supervisor, it could make Ye Chen fall prey to women in this place.

To be honest, Gu Xun didn't know why she was angry when she saw Ye Chen with the seductive women around.

"Come on . . ." they teased Ye Chen using their ways, they did that to attract Ye Chen's attention.

"He already has someone, you guys better go and find someone else" Gu Xun chased everyone away, she used her domineering aura to chase away the women around

All the women backed away when they felt Ye Chen's terrifying aura, to be honest they were intimidated by Gu Xun's aura.

"ahahahahaha" Ye Chen laughed when he saw the battle between women, he didn't want to get involved since it would be troublesome, he better go with Gu Xun.

"Geez, this is the reason why I don't want to invite you, wherever you go, you always attract the attention of the women around" Gu Xun said to Ye Chen,

"It can't be helped, it's because I'm too handsome" Ye Chen said confidently.

"Stop bragging about yourself" Gu Xun said to Ye Chen.

"Is that not okay ?" Ye Chen asked Gu Xun.

"Of course not, there are people out there who are better than you" Gu Xun said to Ye Chen.

Gu Xun reminded Ye Chen that there was still someone better than Ye Chen.

"Has sister Xun ever seen someone more handsome than me?" Ye Chen asked Gu Xun.

Ye Chen wanted to know if Gu Xun knew of a man more handsome than him.

"umm . . ." Gu Xun looked difficult to answer, he didn't seem to know how to answer.

"How ?" Ye Chen asked again, Ye Chen urged Gu Xun to say it.

"of course there is" Gu Xun said to Ye Chen.

"Is that so, I'm curious" Ye Chen wanted to know, maybe this man wanted to seize Gu Xun, Ye Chen would not allow that.

Gu Xun lied, that was so she could escape everything, it would be difficult to escape Ye Chen's interrogation.

Ye Chen held Gu Xun's hand, they walked hand in hand.

"why did you do that ?" Gu Xun asked Ye Chen.

"This is so that everyone thinks that if we are a couple, it will make it easier for us" Ye Chen said,

Gu Xun didn't know if this would work or not, to be honest she didn't know if this method was to trick everyone present.

The two of them walked and entered every existing building, along the way they saw other couples doing romantic things both outside and inside the building.

Gu Xun was a little dizzy seeing what was around, they were all too excited, they didn't hold back even when outside the room.

They kissed and hugged very tightly.

Gu Xun did her best to stay calm, she couldn't look weird when she was in front of Ye Chen.

The two of them entered and exited the building, they did not find the person they were looking for.

Ye Chen used God's eyes to find the person they were looking for, for some reason some of the rooms here were hard to see with her eyes.

Ye Chen needed to be close enough to break through and that was hindering them, they needed to be even more patient.

"Ye Chen, how about we go to that big building, it seems that place attracts a lot of people" Gu Xun said to Ye Chen.

"Alright, come over here, we might be able to find the person we're looking for" Ye Chen said to Gu Xun, they might be able to find the person they were looking for in that place.

The two of them entered as a couple, this place could only be entered by couples, that's why people hired prostitutes around this place to enter.

Those here were women with great prices and good looks, they could be said to be the top of the line around this place.

"The women here are pretty good." Ye Chen looked around while observing the prostitutes that were around this place.

"What did you say ?" Gu Xun asked Ye Chen.

"I mean the women here are not bad, but they can't be compared to Sister Xun" Ye Chen hurriedly explained, if Gu Xun didn't explain it quickly, she would definitely be angry.

"good, you understand" Gu Xun was satisfied with what Ye Chen said.

Ye Chen entered and looked for a seat, he just so happened to get a seat at the back a little with Gu Xun.

There were quite a number of people who had come to this place, they were people of high rank.

"Welcome to our event, we will entertain and show interesting performances for you, there are also some interesting things that we have prepared for all of you at this place, so enjoy everything with ease."

"woah..." everyone shouted loudly, they couldn't wait to do it.

This place is full of people who live freely and do whatever they want, they don't like to be in bondage and like to have fun.

Chapter 2496 Against Zhan Tanru

"then let's enjoy the show" the host said to everyone.

A while later, a group of girls with good and seductive looks appeared in front of everyone, they entertained everyone using a nice and beautiful dance.

Ye Chen was enjoying this, meanwhile Gu Xun looked around to find the whereabouts of Zhan Tanru.

"Did you find the whereabouts of Zhan Tanru?" Gu Xun asked Ye Chen.

"Not yet . . ." Ye Chen said that he couldn't find the whereabouts of Zhan Tanru.

"It's possible that he hasn't come yet or maybe he's in a special room or something" Ye Chen said to Gu Xun.

Ye Chen kept watching around this place, he made sure that the person he was looking for was in this place.

Ye Chen had even looked into the VIP room, but he couldn't find the Zhan Tanru he was looking for.

Wherever that person was hiding, it was very troublesome for Ye Chen and Gu Xun to find the whereabouts of Zhan Tanru.

There were still several VIP rooms vacant here, most likely the person Gu Xun was looking for had not yet arrived.

"Just enjoy the show, that person might not come yet" Ye Chen said to Gu Xun.

Ye Chen informed that Zhan Tanru hadn't come yet, so he told Gu Xun to enjoy the show for the time being.

Gu Xun listened to what Ye Chen said, they enjoyed the show while waiting for the arrival of Zhan Tanru.

Some time later, Ye Chen found a few people coming, they entered the VIP room and saw what happened from there.

"they are coming. . ." Ye Chen said to Gu Xun, he told him that Zhan Tanru was coming.

"Where ?" Gu Xun asked Ye Chen, she asked where Zhan Tanru was.

"He is in the tenth room, there are several guards next to him" Ye Chen said to Gu Xun.

"what level are they" Gu Xun asked Ye Chen.

"At least the seventh level of the Divine Overlord Realm" Ye Chen told the lowest level of the bodyguards around Gu Xun.

"We can still handle it" Gu Xun said that they can still overcome it.

"Right now everyone is focused on the show, let's move" Ye Chen said to Gu Xun, he told her to move now since everyone was focused.

"understand . . ." Gu Xun agreed with Ye Chen's words.

The two of them decided to leave and headed straight to Zhan Tanru's room.

They sneaked in, it wasn't difficult for Ye Chen to knock out the guards present.

In just a matter of seconds, the two of them were already in front of the entrance of Zhan Tanru's room.

"let's hear what they are talking about first" Gu Xun said to Ye Chen.

"Okay . . ." Ye Chen understood, he would listen to the conversation that was in there.

Ye Chen and Gu Xun's hearing was extremely good, the two of them could clearly hear what was going on inside very easily.

"we got another big catch, we got quite a lot of beautiful girls and treasure when destroying villages and small towns" they were talking about what they were doing all this time.

Zhan Tanru's group worked on destroying small towns, they kidnapped young women and looted, they did not hesitate to destroy and obliterate loot places.

All the women they caught were sold in this place, to be more precise they earned a lot of money from this place.

"they are bad enough, selling women for their sake" Ye Chen said to Gu Xun.

"I'm not happy about this, they're the worst" Gu Xun said to Ye Chen.

Gu Xun saw that they were bad people, Gu Xun didn't like them.

"what are we going to do" Ye Chen asked Gu Xun, he wanted to know what they were going to do.

"We have to stop them" Gu Xun said to Ye Chen, she told to stop them, Gu Xun didn't want anyone else to be victimized.

"Alright, let's stop the business they are doing" Ye Chen said.

Ye Chen agreed with what Gu Xun was doing, it was time for them to stop what Zhan Tanru was doing.

"We do it without being noticed by others, I will create a barrier" Ye Chen said to Gu Xun, he would create a barrier to make others not aware of what was happening.

"good job" Gu Xun said to Ye Chen.

"Ye Chen did a good job" right now they could move around freely.

"Bamm . . ." Gu Xun smashed the door with her palm.

"Who ?" the people inside were shocked by what happened, they were surprised by the arrival of Gu Xun.

They saw Gu Xun's figure in front, Gu Xun's beautiful figure fluttering in front of them.

"a woman?, what does this woman want" Zhan Tanru wanted to know what the women around this place were doing.

"hehehe, a beautiful lady is coming, looks like we will get quite a lot of profound crystals when we sell her" Zhan Tanru said to Gu Xun.

"shut up" Gu Xun said in an irritated tone, she was displeased by the stares the people around had.

They thought bad thoughts of Gu Xun, it made Gu Xun unhappy.

"You are quite daring to talk to us like that" Zhan Tanru said to Gu Xun.

"cripple that woman for me" Zhan Tanru told to cripple Gu Xun.

"Understood" the bodyguards drew their swords, they prepared to incapacitate Gu Xun.

Gu Xun used her flame power, she started burning those who tried to go against her.

"Arghhh . . ." Gu Xun's fire power was strong, it burned those around.

When Gu Xun fought, her eyes changed color, they became slightly golden like the flame of a fire.

"her appearance is very beautiful when fighting" Ye Chen first saw Gu Xun fight, he first saw Gu Xun show strength.

When Gu Xun entered that mode, she became much stronger, her profound fire power became even stronger.

"damn . . ., quickly do something." Zhan Tanru gave an order, he told them to stop what Gu Xun was doing.

Several people used the power of ice and water to stop Gu Xun's attack.

"You are so stupid for deciding to fight in this place" you know that this is our territory, there will be people coming to help us" Zhan Tanru said to Gu Xun.

"hahahaha" Ye Chen laughed from behind.

Zhan Tanru and the others looked at Ye Chen, they were not aware of Ye Chen's existence.

"what's with that guy" they asked Ye Chen.

"No one will help you guys, I've put up a strong barrier around, they won't be aware of the battle going on" Ye Chen said to Zhan Tanru.

"What ! ! !" they weren't aware of this, to be honest they weren't aware of the barrier Ye Chen had set up.

It wasn't strange that everyone was still relaxed despite the explosion in this place.

Zhan Tanru looked in the mirror, he could see everyone enjoying the show when they were here fighting.

they were interesting and having fun without knowing what was going on at Zhan Tanru's place

"bastard, kill him for me" Zhan Tanru wanted Ye Chen to die.

"pass me first" Gu Xun said to fight herself first, she would not let them get close to Ye Chen.

"do . ." Zhan Tanru gave the order, he gave the order to defeat Gu Xun first.

Chapter 2497 You Can't Hurt Me

They attacked Gu Xun, they quickly attacked Gu Xun who was in front of them.

With that they all immediately launched an attack towards Gu Xun.

"accept this bitch" they attacked with full force, they did not hold back when their opponent was a weak woman like Gu Xun.

"Flame seven Waves" seven waves of fire appeared and began to slam into the bodies of the enemies in front of Gu Xun.

They resisted Gu Xun's attack using their strength, they resisted all available attacks with all their might.

"Boom. .." several large explosions occurred as the two forces met, it left the small VIP room shattered and chaotic.

Luckily the barrier created by Ye Chen was strong against the battle that was taking place, no one was aware of this and everyone was still dancing happily.

The enemy was swept away by Gu Xun's attack, they had no chance to counter Gu Xun's attack.

"damn it" Zhan Tanru was angry when he knew the result of the battle, he didn't expect that the bodyguards he hired would lose to Gu Xun.

"they have already lost, come on and fight me" Gu Xun said to Zhan Tanru, she told Zhan Tanru to fight her.

"Woman, you can beat all the people I have, how about you work for me, I can give you anything you want" Zhan Tanru offered Gu Xun a job, more precisely he wanted Gu Xun to work for himself.

"Don't talk nonsense with me, I couldn't possibly want to work for someone like you" Gu Xun said seriously.

Gu Xun couldn't possibly want to work for someone like Zhan Tanru, there was no way someone like Gu Xun would work for the evil and cunning man.

"Too bad, that's a really bad decision" Zhan Tanru said to Gu Xun.

"Flame seven Waves" Gu Xun attacked using Flame seven Waves.

Zhan Tanru smiled, he smiled when he saw what Gu Xun was trying to do.

"reflector armor" Zhan Tanru's activates a power that can reflect attacks launched by opponents.

Gu Xun's attack was absorbed and bounced back towards Gu Xun.

"No . ." Gu Xun was shocked by what happened, she didn't have the time to dodge the attack that was coming her way.

Seeing that Gu Xun was about to be injured, Ye Chen hastily used his own strength to protect Gu Xun.

Gu Xun closed her eyes, she thought he was hit by an enemy attack.

"are you okay" Ye Chen asked Gu Xun.

"um. . ., I'm fine." Gu Xun told Ye Chen that she was fine.

Gu Xun was surprised to see Ye Chen swiftly helping her, Ye Chen was very concerned about Gu Xun's safety.

"You are quite daring, wanting to hurt my dear Sister Xun, do you think I will let you do that" Ye Chen said as he glared at Zhan Tanru.

"oh so you're the one supporting her, you should teach your woman how to respect others" Zhan Tanru said to Ye Chen.

"I don't need you to talk about that" Ye Chen said that he didn't need Zhan Tanru to talk like that.

"damn . ." Zhan Tanru was angry at Ye Chen, this man was just like Gu Xun, it made Zhan Tanru angry.

"Yeah, it can't be helped, you guys won't be able to hurt me. . ." Zhan Tanru said to Ye Chen and Gu Xun.

"Are you sure about what you said?" Ye Chen asked Zhan Tanru.

"Of course, I believe in what I said" Zhan Tanru said that he was confident in his abilities.

"Then accept this" Ye Chen said to Zhan Tanru, he had Zhan Tanru take his attack.

"You idiot, your attacks won't work" Zhan Tanru said to Ye Chen.

Ye Chen did something stupid again, it was obvious that his attack would not be able to hurt Zhan Tanru.

Ye Chen used the power of fire, he used the power of the Heavenly Silver Flame to attack Zhan Tanru.

"Hahahaha" Zhan Tanru laughed, he laughed when he saw what Ye Chen was trying to do.

Zhan Tanru was not aware of what Ye Chen was doing, he was not aware that Ye Chen was using the Heavenly Silver Flame against him.

"Uhh. . ." a few moments later Zhan Tanru felt a scorching heat, when he realized, his body was burned by silver flames.

"Arghhh . . ." Zhan Tanru screamed, he screamed when he found out that his body was on fire.

"what happened, how could this happen" Zhan Tanru didn't know what happened, he didn't know why everything could happen.

His defense was clearly active, but why he was still being hit by Ye Chen's attack, this was so unreasonable.

"That is the Heavenly Silver Flame, you will not be able to defend against those flames, more precisely your attacks will not be able to reflect my attack" Ye Chen explained what happened, himself telling what happened to Zhan Tanru.

"Damn Heavenly Silver Flame, I will kill you. .." Zhan Tanru screamed, he was like someone who had lost control of himself.

"Too bad, you don't have any more time" Ye Chen said to Zhan Tanru.

Ye Chen obliterated Zhan Tanru's body, Heavenly Silver Flame burned Zhan Tanru to ashes.

"okay, our problem is solved" Ye Chen said to Gu Xun.

"no, this is not over yet" Gu Xun said to Ye Chen.

"Is there more?" Ye Chen asked Gu Xun.

Above this person there must be more, we have to solve this to the root" Gu Xun said to Ye Chen,

"oh I understand . . ." Ye Chen understood, he knew that Gu Xun intended to settle everything.

"Alright, I'll help you" Ye Chen said to Gu Xun.

"Thank you very much" Gu Xun thanked, he was very happy with the help provided by Ye Chen.

at least he felt safe when receiving help from Ye Chen.

"let's leave this place, before anyone realizes what we are doing" Ye Chen invited Gu Xun to leave, they cannot be found by others.

"Um. . ." Gu Xun understood, they really needed to leave this place quickly.

That way they don't have to worry about what happened.

Ye Chen and Gu Xun left, they left the VIP room and started looking for clues that would lead them to the person who accepted the women who were sold into slavery.

"How are we going to find that person" Gu Xun asked Ye Chen.

"Hmmm" Ye Chen thought for a while, he thought of how to find the slave collectors.

Gu Xun looked at Ye Chen, he knew that Ye Chen was currently thinking and he might not have a solution to his problem.

"how about we start with this thing" Ye Chen said to Gu Xun,

"what is it" Gu Xun asked Ye Chen, she wanted to know what Ye Chen would do.

"we will pretend to bring women to sell, we can hire some women for that, you can be among them and you can know who they are" Ye Chen said to Gu Xun.

Ye Chen told what they could do.

Gu Xun seemed to understand Ye Chen's plan.

"That's a pretty good idea, will it work or not?" Gu Xun asked Ye Chen.

"We won't know until we try it." Ye Chen told them that they wouldn't know until they tried it.

"Let's try it" Gu Xun agreed, it was the fastest way they could use right now.

"good, let's start looking for a woman with good looks" Ye Chen said to Gu Xun.

Chapter 2498 Tang Bipang

Ye Chen directly hired some women with good looks, he paid them a high price to do what he wanted.

They of course immediately agreed to the offer made by Ye Chen, they couldn't refuse the offer made by Ye Chen because they couldn't do it.

The opportunity that was given by Ye Chen was something that they would not be able to get a second time.

so they made the most of the opportunity presented by Ye Chen.

"I'm done" Ye Chen said to Gu Xun, now only needed Gu Xun to intervene.

"fine, I'll do it" Gu Xun agreed with what Ye Chen said, she mingled with all the women Ye Chen hired.

After that Ye Chen came in, he asked the guard here and he got what he wanted.

"So far it's been going quite smoothly" Ye Chen said that everything went very smoothly, no one suspected Ye Chen.

"hello master, do you intend to sell them to me" finally someone appeared in front of Ye Chen, he asked if Ye Chen would sell them to him.

"Of course I will do that" Ye Chen didn't ask much, he said that he would do it.

"Then please come with me" the man said to Ye Chen, he told Ye Chen to come with him.

Ye Chen finally came along, he finally went with the slave selling man.

The man took Ye Chen to a place a bit far from the nightclub, it was a fairly quiet place and not many people passed by.

"Where will he take me?" Ye Chen was curious, he was curious where this man would take himself.

"Please come this way, our boss will meet you" he said to Ye Chen, he told them that their boss would come soon and meet Ye Chen.

while several women were told to wait outside.

"I hope he's quick, I don't have much time" Ye Chen said to the man in front of him.

"then I'll go" he said to Ye Chen, before leaving, the man told the maid to accompany Ye Chen.

the selected maids were very seductive, they were only wearing bikinis to cover their well-developed bodies.

They used a devious way to get and steal Ye Chen's attention, these people were very devious to catch Ye Chen off guard.

"Sir . . ." they were trying to confuse Ye Chen, they were well trained to flirt with the opposite sex easily.

"stop" Ye Chen stopped the two of them, he stopped those who wanted to make trouble.

"What's the matter, do you not like us?" they asked Ye Chen.

they put on a pitiful and sad face.

"I hope you guys don't do anything weird, I'm on some important business" Ye Chen said to the two women beside him.

Ye Chen used his own charm, himself used charm to make the two obey his words.

"understood" The two of them obeyed what Ye Chen said, they couldn't refuse Ye Chen because he was too handsome and charming.

After Ye Chen got rid of them, Ye Chen became calm and handsome like a professional man who wasn't easy to deal with.

Some time later, an old man with one eye walked in and met Ye Chen.

This man came in and sat in front of Ye Chen.

"Are you the one?" the man asked Ye Chen.

"Sure, I am the one" Ye Chen said to the man in front of him.

"So you are the one, do you have any good stuff for me" the one-eyed man asked Ye Chen.

"Of course, I have it." Ye Chen has several beautiful women, he said that he has good things.

Ye Chen showed what he had, the other party would definitely be interested in what Ye Chen had.

The man with one eye was interested, he had already seen Ye Chen's and knew what kind of woman Ye Chen had brought him.

"the stuff you have is too good" the one-eyed man said to Ye Chen.

"So how much can you give me?" Ye Chen asked, how much can a one-eyed man give

"Hehehehe" the one-eyed man laughed, he immediately told how much he could give.

"My name is Tang Bipang, I am the one who can give you a decent price" said Tang Bipang to Ye Chen.

"Are you sure you can give me a fair price?" Ye Chen asked Tang Bipang.

Ye Chen doubted what Tang Bipang said.

"Are you doubting me, you should know that I am a person of great influence" said Tang Bipang in a high tone.

Tang Bipang showed his power, he showed who he is.

Ye Chen smiled when he heard this, it seemed he was the person Ye Chen and Gu Xun were looking for.

"Looks like I have to show you strength." A powder was spread, it enveloped this place.

"what is this, what happened" the beautiful women around Ye Chen were confused by what had just happened.

"Bad, it's poison" Ye Chen saw that this man was using poison to drug himself.

"You were wrong for underestimating me" Tang Bipang said to Ye Chen.

"hehehehe, stupid policy" Ye Chen said to Tang Bipang.

Ye Chen realized that he had been tricked by Tang Bipang, he was tricked by Tang Bipang about a transaction, the man in front of her wanted to take advantage of Ye Chen.

"You have made a very big mistake for challenging me" Ye Chen said to Tang Bipang.

"Huh?, didn't you listen to what I said, are you stupid" Tang Bipang said to Ye Chen.

"I told you that you made a mistake" Ye Chen returned to Tang Bipang.

Ye Chen stretched out his hand and immediately grabbed Tang Bipang's neck, he gripped Tang Bipang's neck tightly.

"Damn it, let me go" Tang Bipang said to Ye Chen.

"I'll tell you, poison has no effect on me, did you hear that" Ye Chen said to Tang Bipang.

"Impossible . . ." Tang Bipang couldn't believe it, he didn't expect that Ye Chen would be immune to poison.

"your own fault, you have angered me, you know what I will do to you" Ye Chen said to Tang Bipang.

Ye Chen strangled the neck of Tang Bipang, he wanted to kill Tang Bipang.

"Before killing him, don't forget to get more information" Chu Yuechan said to Ye Chen.

"I will do it" before Tang Bipang was killed, he would seek all the information from this person.

Ye Chen stole information from Tang Bipang, he knew many people related to Tang Bipang, he even knew all the things that Tang Bipang had done.

"You did a terrible thing" Ye Chen can see all the terrible things, he really did inhuman things in this place, the business in this place is much darker than the people who come to this place imagine.

"You'd better disappear from this world" Ye Chen decided to kill Tang Bipang.

"Uhhhh . . . , dammit, I will kill you" Tang Bipang said to Ye Chen.

"Cracks . . ." Ye Chen broke the neck of Tang Bipang, Tang Bipang died instantly by Ye Chen.

"Alright, I'm done getting rid of this guy" Ye Chen was finally done getting rid of Tang Bipang.

"Sister Xun, where are you?" Ye Chen couldn't find Gu Xun's whereabouts, roughly where Gu Xun is now.

"Wait a minute, where is she?" Ye Chen panicked when she couldn't find the whereabouts of Gu Xun, where did Gu Xun go.

"You all can leave this place, your task is done" Ye Chen said to all the hired women.

"Thank you very much" they all thanked Ye Chen, they immediately left this place because the contract with Ye Chen was finished.

They were grateful for obtaining a lot of profound crystals from Ye Chen, it seemed that their lives would not be difficult anymore.

Chapter 2499 Gu Xun Was Kidnapped

Ye Chen went to find Gu Xun's whereabouts, he had to find Gu Xun's whereabouts quickly.

Ye Chen looked, he should be around this place.

"Where is he ?" Ye Chen was a bit panicked when searching for Gu Xun's whereabouts, he wanted to know Gu Xun's current whereabouts.

"Yuechan" Ye Chen said to Chu Yuechan, he asked for help from Chu Yuechan to find the whereabouts of Gu Xun.

"I understand" Chu Yuechan understood, she started to help Ye Chen find Gu Xun's whereabouts.

With the help provided by Chu Yuechan, Ye Chen finally found the whereabouts of Gu Xun.

"they are moving fast" Ye Chen saw that the enemy was moving very fast, they were moving very fast and caught Gu Xun.

Ye Chen discovered the whereabouts of Gu Xun, he was now in the entertainment district along with the beauties that were inside there.

Gu Xun was unconscious, maybe she was drugged by someone while she was off guard.

"That woman should be strong, what could make her drugged" Chu Yuechan said to Ye Chen.

Chu Yuechan reminded Ye Chen that if Gu Xun was strong, there must be some strong medicine the enemy had to sedate him.

Ye Chen paused for a while, he thought about what Chu Yuechan had said.

"I should be immune from poison, so everything is fine." Ye Chen remembered that he was immune to poison, so what was he thinking about that.

"That's right, I almost forgot." Chu Yuechan almost forgot that Ye Chen was immune to poisons and all kinds of harmful drugs.

"Then there's no need to be afraid of such a thing, let's save him first" Ye Chen said to Chu Yuechan.

Ye Chen would save Gu Xun first, he would not let Gu Xun be in the hands of a foreigner with bad intentions.

Ye Chen went and chased after Gu Xun, Gu Xun was taken to a luxurious room, this was probably a very splendid and super expensive room, only rich people could easily get a room like this.

"dare to go to trouble, I want to know who it is" Ye Chen wanted to know who dared to go to trouble and wanted to do bad things to Gu Xun.

It seems that Ye Chen has to deal directly with the person, there is no way Ye Chen will let go of the person who dares to have bad thoughts with Gu Xun.

Ye Chen was near Gu Xun's room, he was watching everyone who passed by, he wanted to know who would enter the room.

Some time later a man came in, behind this man were two charming beauties, they exuded a traditional beauty that made people admire.

This person's status was obviously extremely high, otherwise he would not be able to get the two beauties to follow behind him.

"who is this man?, I don't know him" Ye Chen was not very familiar with this man, but he had seen him before.

I wonder who this person was, it made Ye Chen feel very curious.

"Today there will be a beautiful woman I bought, I will enjoy it, you two can have fun around this place" the handsome man said to the two women behind.

He told them to have fun around this place, it was because he had a bought.

"let's see if this time there will be a beautiful woman prepared" he wants to know if today he will get a beautiful and charming woman.

To be honest, he was bored with women who were normal, that didn't satisfy him and wasn't attractive when he was in bed.

Plus they couldn't satisfy him, he needed Yin Qi to get easier and better.

This man was already quite old, he was able to be young due to intercourse with young women and absorbing their Yin Qi.

If not then he might already be old and vulnerable.

This man walked into the room Gu Xun was occupying, he was shocked when he saw Gu Xun inside.

"Very interesting, I didn't expect that they could find me a beautiful woman like this, they did a good job, I will increase their pay" this man is happy with what he got, he will give a decent wage.

Ye Chen couldn't remain silent when he saw what happened, there was no way Ye Chen could remain silent when he saw what happened to Gu Xun.

The man intended to touch Gu Xun, when he wanted to touch Gu Xun.

Ye Chen walked in and kicked him.

"take your hands off" Ye Chen said to the person in front of him.

"Damn it, how dare you . ." the old man who was kicked by Ye Chen was annoyed, he was annoyed by what Ye Chen was doing.

"do you have a problem" Ye Chen asked the man in front of him.

"Damn it. ." the man wiped the blood from his mouth, Ye Chen's kick clearly broke his jaw.

"I won't let you get away with it" the old man said that he wouldn't let Ye Chen off the hook.

"I will not escape from this place" Ye Chen said that he would not escape from this place.

"I hope you also won't run away like a coward" Ye Chen said to the man in front of him.

"You should know who you're talking to" the man in front said to Ye Chen.

"I know who I'm talking to" Ye Chen knows who he's talking to, he doesn't need to know who he's talking to right now.

Ye Chen's words made him even more angry, this old man got angry at Ye Chen and started to take out his weapon.

He took out a sickle and prepared to slash Ye Chen's head.

"die" Ye Chen used his bare hands, he intended to solve the problem that occurred using only his bare hands.

"Bammmmmm. . ." Ye Chen's punch landed perfectly on the body of the man in front of him.

It instantly crushed the bones in the body of the man in front of him.

"uhhh . . .," this couldn't be happening, he couldn't believe he lost so quickly.

The battle took place very quickly, it only lasted a few seconds and was won by Ye Chen.

After killing the opponent, Ye Chen directly took Gu Xun away.

Before leaving, Ye Chen made a Clone, he would hunt down the people who made Gu Xun become like this.

"I will not let go of you" Ye Chen will not let go of them, he will not let go of those who have made Gu Xun the way he is now.

Ye Chen took Gu Xun to a safe place, he ensured Gu Xun's safety.

"This place is quite safe, no one should come to this place" Ye Chen was sure that if this place was safe, no one should come to this place.

Ye Chen woke up Gu Xun, he nursed Gu Xun to wake up.

"Ummm. .. " Gu Xun woke up, he opened his eyes.

"how are you, are you okay" Ye Chen asked Gu Xun.

"uhh. . , my body is uncomfortable" Gu Xun said to Ye Chen, she told Ye Chen that her body was uncomfortable.

"Where is the uncomfortable part?" Ye Chen asked Gu Xun, he wanted to know which part was uncomfortable.

"My body is hot and uncomfortable, do something" Gu Xun said to Ye Chen.

Ye Chen paused for a while when listening to what Gu Xun said, he seemed to know what happened to Gu Xun.

"No way" Ye Chen finally realized that Gu Xun had taken something from the person who took her away.

Chapter 2500 Ye Chen And Gu Xun

"I thought that this would definitely happen" Ye Chen already expected that this would happen.

"You predicted it, didn't you?" Chu Yuechan said to Ye Chen,

"Of course, but I didn't expect that everything would happen." Ye Chen didn't expect that everything would happen so quickly.

"You better do something" Chu Yuechan said to Ye Chen.

"I will help her" Ye Chen would not hesitate to help Gu Xun who was having trouble.

Gu Xun stretched out her hand towards Ye Chen, she took Ye Chen's hand and asked Ye Chen to touch her body.

Ye Chen didn't back down when faced with this kind of situation, men shouldn't back down when faced with this kind of situation.

Ye Chen touched Gu Xun, he started to touch Gu Xun's extremely well-developed body.

"Her body is so smooth" Gu Xun's body is smooth, Ye Chen is naturally happy to touch Gu Xun.

"umm . . ." Gu Xun felt a pleasant feeling, she had a very pleasant feeling when she was with Ye Chen.

Ye Chen felt excited when he touched Gu Xun, he was very happy to touch Gu Xun.

"This is very good, I like it" Ye Chen commented on Gu Xun, to be honest he likes Gu Xun.

Ye Chen didn't hold back, he made Gu Xun feel at ease by using his technique.

Gu Xun felt very comfortable with Ye Chen's technique.

Ye Chen's technique was very good, Gu Xun's body felt comfortable and happy.

"that feels good" Gu Xun liked the comfort that Ye Chen gave her.

Ye Chen treated Gu Xun very well, he made Gu Xun feel comfortable with his techniques.

"Ummmm . . .", Gu Xun's breathing started to become uncontrollable, he was getting too excited when she was with Ye Chen.

"I can't defend" Gu Xun said that she couldn't hold back, she could no longer defend against Ye Chen's invasion.

Ye Chen knew that Gu Xun would not be able to survive, he was aware that his strength and abilities made Gu Xun unable to hold back.

Gu Xun was too excited because of the aphrodisiac, so it wouldn't be strange for her to become like this by Ye Chen's touch.

"This should feel good." Ye Chen whispered to Gu Xun.

Gu Xun listened to what Ye Chen said, even so he couldn't answer Ye Chen's words.

Ye Chen had no problem with this, he would help and treat Gu Xun well, after all Gu Xu didn't mind what Ye Chen did.

Ye Chen's hand began to take off the clothes worn by Gu Xun, he took off a part of the clothes worn by Gu Xun.

The exquisite and beautiful body that belonged to Gu Xun was now presented in front of Ye Chen, Ye Chen admired the beauty that was in front of him.

"this is beautiful, you are very beautiful, I will treat her well" Ye Chen will treat Gu Xun as best as possible, he wants to give Gu Xun happiness.

Gu Xun squirmed, he really couldn't stand feeling too good.

Ye Chen understood and knew that Gu Xun was not in a good condition right now, that's why he took the initiative to touch Gu Xun's double peak.

"Ahhh. . ., no don't do that . . ." Gu Xun said to Ye Chen, she told Ye Chen not to do it.

"Isn't this comfortable and pleasant ?" Ye Chen said to Gu Xun.

"That's right, but I can't stand it" Gu Xun said that she couldn't stand what Ye Chen was doing.

Ye Chen didn't stop, he made sure that Gu Xun was as comfortable as possible, he touched and squeezed Gu Xun's double peaks with more force.

"Ahh. . ." Gu Xun's voice was unstoppable, he couldn't possibly survive Ye Chen's invasion.

Gu Xun's body was getting hotter and hotter, he was getting more and more excited, there was nothing holding Gu Xun down anymore.

"ohhh. . , great, this is great" Gu Xun said to Ye Chen, he told Ye Chen that this felt very comfortable.

Ye Chen knew that Gu Xun wouldn't be able to defend against his techniques, every technique Ye Chen had was extremely good and no woman could fight against him.

"Ohhh" Gu Xun finally reached the peak, after a while, she finally reached the best feeling.

Her body trembled as she received the intense pleasure.

Gu Xun's mind was in such a mess, she didn't know what to do now.

"Chen . . ." Gu Xun said to Ye Chen.

"What's wrong?" Ye Chen asked Gu Xun.

"I still feel uncomfortable" Gu Xun said to Ye Chen, her face as red as an apple when she said that to Ye Chen.

Gu Xun wasn't good at this kind of thing, which was why she was at a loss as to what to say to Ye Chen.

"then we can continue" Ye Chen said to Gu Xun, since it was like this, they only needed to continue.

Ye Chen kissed Gu Xun lovingly.

Gu Xun didn't refuse, she accepted what Ye Chen did.

"Chuu. . ." The two of them had an adult kiss full of passion, they enjoyed the kiss.

"Let's do something. . ." Ye Chen said to Gu Xun.

"understood" Gu Xun understood, she understood what to do.

Gu Xun was already equipped with better knowledge than Dongfang Xiu, at least she wasn't as innocent as Dongfang Xiu when she was in bed.

Gu Xun helped take off the clothes that Ye Chen was wearing.

Ye Chen's clothes were easily removed by Gu Xun, Ye Chen's excellent body was exposed in front of Gu Xun's eyes.

"What a perfect body" Gu Xun realized that Ye Chen had a perfect body, she had a good and beautiful body.

Women will definitely be attracted and like Ye Chen's perfect, muscular body.

Ye Chen's body was indeed good, there were no flaws and advantages, everything was within safe limits so it was really good to look at.

After helping to take off the top, it was time for the main part, he took off Ye Chen's pants and saw a huge thing that jumped up and scared Gu Xun.

"Ahhh. .." Gu Xun was really surprised, she was really surprised by what happened.

"This is amazing" Gu Xun said that this was amazing, she could see that Ye Chen had something extraordinary.

Ye Chen has such a good thing below, naturally this makes Gu Xun shocked.

It's not strange that Dongfang Xiu has a hard time, it's because Ye Chen has something good, a normal woman will definitely have a hard time.

"it looks like this is painful for you to bear" Gu Xun said to Ye Chen.

"Of course, you have to help me solve it" Ye Chen said to Gu Xun, he asked Gu Xun to help himself.

Gu Xun helped Ye Chen by the hand, he cared for Ye Chen's younger brother wholeheartedly.

she didn't let anything happen to Ye Chen's younger brother.

Gu Xun was doing very well, he seemed to have a talent for this.

"Oh . . ., that's great" Ye Chen said to Gu Xun, he told that Ye Chen did a good thing.

"thank you very much for the compliment, I will do my best" Gu Xun said to Ye Chen.

Gu Xun helped Ye Chen for a short time, she helped for about 5 minutes, her movements were good and made Ye Chen comfortable.

Ye Chen didn't need to train and tell Gu Xun what to do, she knew what to do pretty well.

"Big sister Xun, why don't you use your mouth" Ye Chen asked Gu Xun.

"You demand too much" Gu Xun said to Ye Chen.

"Come on, it's okay right?" Ye Chen asked Gu Xun.

Ye Chen asked nicely, he asked Gu Xun to help himself.

Ye Chen knew that Gu Xun could help him.

Gu Xun looked at Ye Chen, it seemed that she had no choice but to do as Ye Chen asked.

Gu Xun opened his mouth and started helping Ye Chen, Gu Xun's warm mouth wrapped around Ye Chen and it was comfortable for Ye Chen.

"oh . . ., this is very good." Ye Chen was very satisfied, he was satisfied with what Gu Xun did.

"more . ." Ye Chen asked Gu Xun for more.

Gu Xun did as Ye Chen asked, right now Gu Xun really spoiled Ye Chen, he spoiled Ye Chen like an understanding big sister.

"Slurp . . ." Gu Xun's technique was pretty good, even if it wasn't the best, at least it could make Ye Chen feel comfortable.

"ohh . ." Ye Chen couldn't hold back, he wanted more and more.

Gu Xun was in a bit of trouble, Ye Chen was too rough, it made her a bit difficult to endure.

Gu Xun helped Ye Chen for about 30 minutes, she did her best to defend and hold.

"You are so strong, are you still not?" Gu Xun asked Ye Chen.

Ye Chen is too strong, Gu Xun is already tired.

"It'll be a while" Ye Chen said to Gu Xun.

Gu Xun's face excited Ye Chen, it made Ye Chen reach his limit and made Gu Xun receive all of his Yang Qi.

"cough . . ." Gu Xun couldn't take it all in, she struggled and coughed.

"That's heavy" Gu Xun complained to Ye Chen.

"Don't you like it, doesn't it feel good" Ye Chen said to Gu Xun.

"that's a little weird" Gu Xun said to Ye Chen.

Gu Xun felt that it felt strange, even though it felt good, she still couldn't do such a strange thing.

"Alright, then let's start" Ye Chen said to Gu Xun, he wanted to start with Gu Xun.

"Wait " Gu Xun was surprised, this was too sudden.

"It's okay, you must be ready. ." Ye Chen tried to persuade Gu Xun.

Ye Chen's words succeeded in making Gu Xun calm down, she calmed down and listened to Ye Chen.

"let's get started" Ye Chen said to Gu Xun.

Ye Chen directly used a huge object to break in, Ye Chen's army broke in and started to invade.

"uh . . ." Gu Xun had a rather serious problem, she had difficulty defending against Ye Chen's attacks.

"you are too strong" Gu Xun complained, she told that Ye Chen was too strong.

"It's tight, I like this, let's do our best, we can both enjoy this" Ye Chen kissed Gu Xun, they should do their best to make each other feel comfortable.

Gu Xun received a kiss from Ye Chen, she really liked the kiss that Ye Chen gave her.

The kiss that Ye Chen gave was too beautiful and made her head go blank.

Ye Chen started to move, when Ye Chen moved, Gu Xun's body felt strange, her whole body seemed to be tingled and an extremely good feeling filled her.

"Oh, how beautiful, this is amazing" Gu Xun liked, she liked the feeling that Ye Chen gave her.

"I will make you comfortable and take care of you in this life" Ye Chen promised Gu Xun.

"be careful if you lie to me" Gu Xun said to Ye Chen, she didn't want Ye Chen to lie her.

"I won't lie" Ye Chen wouldn't lie, he wouldn't want to lie to Gu Xun.

"That's good, you promised" they both continued, Gu Xun was forced by Ye Chen to follow everything Ye Chen wanted.

Gu Xun followed Ye Chen, she got a lot of new tricks from Ye Chen.

Even though it was embarrassing, in reality it was very enjoyable and heart-pleasing, it wouldn't be strange for Gu Xun to obey and do as Ye Chen said.

"harder, that's great" Gu Xun said to Ye Chen.

Ye Chen gave her a very comfortable feeling, so Gu Xun wanted more from Ye Chen.

Ye Chen quickened her movements, she made Gu Xun feel more at ease and more at ease.

"Ahh. . ." Gu Xun's voice was too loud, she didn't hold back and indulged in the pleasures of this world.

"This is so great, I can't go back anymore" Gu Xun can't go back anymore, it's too convenient.

Ye Chen seemed to have succeeded, he had Gu Xun down, she might not be able to get away from Ye Chen anymore.

"There is still enough time, let's enjoy some more time" Ye Chen said to Gu Xun.

The two of them continued, they both did it for quite some time, maybe they did it for more than 12 hours, Ye Chen stopped when Gu Xun begged, Gu Xun was no longer able to because Ye Chen was too much.

If it continued it would become a problem for Gu Xun.

Ye Chen hugged Gu Xun, he hugged Gu Xun, the two slept soundly without thinking about what was around them.
