

True God 2501

Chapter 2501 A Psychopath

Both of them fell asleep for quite a long time, when they woke up.

Gu Xun became the first to awaken, she woke up and saw Ye Chen who was in front of her.

Gu Xun smiled when she saw Ye Chen who was in front of her, she was very happy to see Ye Chen who was in front of her.

Ye Chen was so good, he was so kind and made Gu Xun unable to forget it.

"I did it" Gu Xun did it, she did with Ye Chen, she did with a younger man.

Ye Chen is indeed younger compared to Gu Xun, he is younger and promising.

They have even made an oath, it will not be forgotten by Gu Xun.

Gu Xun played with Ye Chen, she touched the cheek of Ye Chen who was in front of her.

Ye Chen woke up when Gu Xun touched him, he naturally felt what Gu Xun was doing.

"It's morning?" Ye Chen said to Gu Xun.

"It's morning, let's get up" Gu Xun said to Ye Chen.

The two got out of bed, they went straight away and cleaned up.

Gu Xun used a better dress compared to before, she also changed her hairstyle and started to use a ponytail.

"It's beautiful" Ye Chen said to Gu Xun, he told that Gu Xun looks very beautiful.

"Stop praising me, it's a embarrassing" Gu Xun said to Ye Chen, she told Ye Chen to stop doing it.

"are you ashamed" Ye Chen said to Gu Xun, it seemed like Gu Xun was embarrassed, he was funny to see the embarrassed Gu Xun.

"Hempp . . ." Gu Xun sniffed coldly, she turned her own attention away from Ye Chen.

Ye Chen smiled when he saw this, it looked so funny.

"how could you be drugged" Ye Chen asked Gu Xun, he wanted to know how Gu Xun could be drugged.

"that" Gu Xun tried to recall what happened, she remembered what happened.

"Someone threw something at me, when I realized I was already with you" Gu Xun said to Ye Chen.

Gu Xun didn't remember afterwards, he didn't remember what happened, that's why he didn't know who had done it.

"so so" Ye Chen understood, it seems that there are still people who are still stronger.

"Then let's find the most powerful person, I seem to know about" Ye Chen said to Gu Xun.

Ye Chen knows who is the most powerful in this place, they should have met the person.

"well . . ." Gu Xun understood, she along with Ye Chen went straight to meet the most powerful person in this place.

Ye Chen and Gu Xun went to a place that was the strictest in the nightlife district, this was a place that not just anyone could fit into.

This place is a pavilion that looks beautiful, everything looks very beautiful and spoils the eyes of passers-by and lives in this place.

"Ding . . ." Ye Chen and Gu Xun could listen to someone playing a lute in this place.

Ye Chen and Gu Xun saw a beautiful woman playing a lute, her voice was pretty good, she looked experienced.

"She is quite beautiful" Gu Xun said to Ye Chen, the woman in front was quite beautiful.

"he is a man" Ye Chen said to Gu Xun, he told her that the person in front of him was a man.

"Ehh . . ." Gu Xun was surprised when he listened to what Ye Chen said.

"You are serious ?" Gu Xun didn't believe what Ye Chen said, she saw that the woman in front of her was beautiful and looked feminine.

"don't look at something from the cover" Ye Chen said to Gu Xun, he didn't want Gu Xun to see someone from the cover.

"He is a dangerous person, don't be fooled by his appearance" Ye Chen said to Gu Xun.

Ye Chen realized that the man in front of him was more dangerous, he might become a sadistic and psychopathic person.

"You guys come to my place, you are amazing" he said to Ye Chen and Gu Xun.

This man's voice is similar to a woman, to be honest, ordinary people might think that he is a woman.

"No need to pretend in front of us, I know that you are a man" Ye Chen said to the man in front of him.

"Oh, so you are sober, it's great, it's rare for people to know so easily when they meet me" he said to Ye Chen.

"It seems troublesome to be blessed with something like that, it can make others misunderstand" Ye Chen said to the man in front of him.

Being blessed with a girl-like face is indeed very troublesome.

"Not really," he said he didn't mind what happened .

"-_- " Ye Chen was silent as he listened to what the man in front of him said.

"It's not just his appearance that is weird, his brain has also been damaged" Ye Chen said to Gu Xun.

"is he the person" Gu Xun asked Ye Chen, she wanted to know if this was the person they were looking for.

"Of course, his name is Chi Deli, from what I got, he is a terrible person" Ye Chen said to Gu Xun.

Ye Chen told me that the person in front of them was so terrible, he might be hiding such a terrible thing under that beautiful smile.

"It's so evil, how can you say that to a good person like me" Chi Deli said to Ye Chen.

"You're joking with me" Ye Chen used the power of the wind that belonged to him, he blew away all the buildings around this place.

"hahhh . . ." Chi Deli shouted when Ye Chen did those things.

"You . . ." Chu Deli said to Ye Chen, he seemed to be angry with what Ye Chen was doing.

"look good what he is hiding" Ye Chen said to Gu Xun.

"that. ." Gu Xun was taken aback when he saw what was in front of him, what was in front of him naturally made Gu Xun speechless.

The beautiful scenery here immediately changed drastically.

In front of them were several people hanged, there were women and men, they seemed to have just been tortured and hanged by Chi Deli.

In addition, there are some corpses underground that are simply thrown away and left to rot.

"It's so terrible" Gu Xun saw that this was terrible, he saw something very terrible.

The scene in front of him was too terrible to see, this was more cruel than killing them directly.

"Now you already know what she looks like, so don't be fooled by his appearance" Ye Chen said to Gu Xun.

"I understand, I will no longer look down on him" Gu Xun understood, she would no longer look down on the man in front of them.

"you. . ." Chi Deli looked angry once when he saw what Ye Chen did.

Ye Chen has destroyed the scenic spot that belongs to him.

"Let's solve this man" Ye Chen wanted to solve the man who was full of trouble.

"wait a minute" Gu Xun said to Ye Chen.

Gu Xun wanted to end this matter, he was already strong enough after yesterday night.

"Be careful, he is a psychopathic guy, he might get you in trouble" Ye Chen said to Gu Xun.

Chi Deli must be strong, such people sometimes have above-average strength.

Maybe they are much stronger compared to normal people.

"It's so annoying" Chi Deli picked up a sword, he began to put on a hideous face, he was like a real assassin.

Chapter 2502 Gu Xun Killed Chi Deli

"I won't let you escape" Chi Deli said to Ye Chen and Gu Xun, he wouldn't let the two of them just leave.

No one should know what happened in his place, that's why Chi Deli won't let Ye Chen and Gu Xun leave this place.

"He seems to be angry that his secret has been exposed by you" Chu Yuechan said to Ye Chen.

"Of course he would be angry, no one would stay silent when such a secret is revealed, it must be embarrassing" Ye Chen said to Chu Yuechan.

"You're absolutely right" Chu Yuechan agreed with what Ye Chen said.

"I will be your opponent, everything you do, I will end it all here" Gu Xun said that she would end everything that Chi Deli did.

There would be no more victims of Chi Deli.

"Do you think you can kill me easily" Chi Deli said to Gu Xun.

Chi Deli had the strength to be a cultivator.

Chi Deli advanced towards Gu Xun, he used the sword in his hand to stab Gu Xun's chest.

Gu Xun used the wall of fire to deflect the attacks coming from Chi Deli.

"It's no use" Chi Deli used the power of the wind to pierce through Gu Xun's defenses.

A powerful wind slash was launched towards Gu Xun.

"Boom. . ." An explosion occurred when two forces met, Rejection reaction occurs when two forces meet.

Chi Deli retreated, he retreated after making an attack towards Gu Xun.

"The defense isn't bad, my attack wasn't strong enough, looks like I have to increase my strength in the next attack".

Chi Deli wanted to torture and play with Gu Xun, that's why she held back a bit.

It seemed like now he had to undo that intention, Gu Xun was much stronger than originally thought, so he had to use more strength to deal with Gu Xun.

"He is coming, he will most likely use more strength" Gu Xun predicted what would happen.

Gu Xun was aware of what was happening, she realized that Chi Deli was still not fully using her strength, she was still holding back in using strength.

"Take this, I want to see if you can withstand my attack" Chi Deli said to Gu Xun.

Chi Deli swung a sword of greater power, this should have been enough to penetrate Gu Xun's defense.

Gu Xun took out a sword, she parried the opponent's attack by using a sword coated with profound flames.

"Clang . . ." the two forces met, their two forces met and pushed each other away.

"You're not bad either, can withstand my attack like that, not bad" Chi Deli praised the strength from Gu Xun, not many people could withstand the attack from Chi Deli.

As said by Ye Chen, Chi Deli was much stronger compared to normal people, he had much stronger and more ferocious strength.

Chi Deli attacked Gu Xun with ferocious attacks, every attack from this man had a terrifying shattering power.

Chi Deli fought well, his movements were very neat, his appearance and movements were too similar to a woman, it made it a little difficult to see that this was a man.

Ye Chen who saw felt uncomfortable, to be honest he didn't really like seeing the combat style that Chi Deli had.

"Fufufufu, you must not like that guy's fighting style" Chu Yuechan said to Ye Chen.

"You already know, no need to ask again, I hope Sister Xun can defend against that guy" Ye Chen wished more for Gu Xun.

"She will definitely be fine, I'm sure of it" Chu Yuechan was confident that Gu Xun would be fine.

Gu Xun started to counterattack, she started to counterattack and made Chi Deli retreat backwards.

"uhhh, no way. . . , I was forced to retreat?" Chi Deli was forced back, Gu Xun's attacks intensified and the dress he was wearing was burnt by the flames.

"Damn it. . ." Chi Deli cursed loudly, he cursed Gu Xun who was attacking towards him.

"Clang. .." the two fought at top speed.

From here Gu Xun showed that he was much stronger compared to Chi Deli.

Chi Deli was forced back by Gu Xun's attack, he had no chance to retaliate.

More precisely she was not given a chance to counter Gu Xun's attack.

Chi Deli retreated, he kept her distance from Gu Xun, he realized that he would not win if he continued to fight in close range.

"Not bad, your sword skills are good and strong" Chi Deli said to Gu Xun, he told her that Gu Xun's strength was not bad.

"Come down and fight me" Gu Xun said to Chi Deli, she told Chi Deli to come down and fight her.

"Who will fight you at close range, let's change the direction of the battle" Chi Deli said to Gu Xun.

Chi Deli decided to attack from a long distance, it was all for the sake of defeating Gu Xun.

"Wind Slash Fall Down" from the sky appeared thousands of powerful wind slashes, it descended towards Gu Xun at an unbelievably fast speed.

"Boom. . ." an explosion occurred, the ground and debris were lifted up by the attack from Chi Deli.

"Hahahaha" Chi Deli said to Gu Xun, he was very happy with the victory.

"That's easy, she's already lost" Chi Deli said to Ye Chen on the other side.

"You better not be happy too soon" Ye Chen said to Chi Deli.

"Huh?" Chi Deli didn't understand what Ye Chen said, she didn't understand what Ye Chen said.

"Wosh. ." A burst of flame headed towards Chi Deli.

"Damn it. ." Chi Deli blocked the attack launched from behind the dust.

Gu Xun had just launched a powerful attack towards Chi Deli, it was accurate and hit the body of Chi Deli.

"uh. . ." Chi Deli's body was on fire, half of her body burned by Gu Xun's attack.

"Damn it, bitch, I'm going to kill you" Chi Deli let out his original voice, a high-pitched voice came out, he showed his true nature that he hid.

"I will kill you be prepared to receive punishment for what you have done" Chi Deli said to Gu Xun.

Chi Deli released a huge amount of wind power, she intended to kill Gu Xun by using a powerful attack.

"Wind power Blash" Chi Deli gathered a huge amount of wind power, she intended to shoot a powerful attack towards Gu Xun.

"This is the end for you" Chi Deli said to Gu Xun, he told Gu Xun that this was the end for her.

"Nine Shadow Step" Gu Xun used Nine Shadow Step, she moved quickly and arrived behind Chi Deli's body.

Gu Xun immediately stabbed Chi Deli's heart, she stabbed Chi Deli's heart using the sword in her hand.

"uh. . ." Chi Deli was shocked by what happened, he was shocked when she saw what happened to him.

he saw that Gu Xun's sword pierced his body, he didn't even realize when it happened, everything was too fast for Chi Deli.

Gu Xun could of course use the Nine Shadow Step, it was a technique taught by the master, Gu Xun could definitely use it too.

"Sometimes a person will be weak when he feels he has won" Gu Xun said to Chi Deli.

"Damn it. ." Gu Xun cursed at Chi Deli, he cursed Chi Deli in a high tone.

"Burn" Gu Xun started to blame the fire, it started to burn Chi Deli's body to dust.

Chapter 2503 I Feel That Something Bad Is Going To Happen

The body of Chi Deli burnt to ashes, he was completely defeated by Gu Xun.

"done" Gu Xun was relieved, everything was done.

"Good job" Ye Chen didn't need to intervene, Gu Xun did everything very well.

"everything is done, let's go back" Ye Chen invited Gu Xun back.

"You're absolutely right, let's go back" Gu Xun agreed with what Ye Chen said, they had to go back soon.

The two of them walked back, they had completed the task and eliminated the gang that had made trouble for the world.

Ye Chen might have to do something about this problem, he has to make them give up, he has to start creating an army that is tasked to deal with the problems in God Realm.

He could hunt down and start reducing the number of crimes happening in the God Realm, that would be very extraordinary.

Ye Chen will start slowly, there is no need to be too hasty about this matter.

.

.

Meanwhile in a place that witnessed Ye Chen and Mo Xi's battle.

A crack had formed and was unnoticed by someone, even Ye Che was unaware of this.

From behind the wall there were people trying to destroy the dimensional wall by utilizing the crack.

The opposing party's strength should be very strong, to be able to make the wall vibrate.

The vibrations are getting stronger and stronger, it's getting stronger and the cracks are starting to get bigger, if it continues like this, then a hole will form.

Someone from the outer God Realm might be trying to get in.

.

.

After returning Gu Xun said goodbye to go and serve Dongfang Xiu, she was still loyal to the orders from Dongfang Xiu.

Ye Chen understood, before leaving, he kissed Gu Xun.

Gu Xun didn't refuse the kiss from Ye Chen, she made out with Ye Chen, they kissed passionately.

After a long kiss, the two finally separated, Ye Chen let Gu Xun go.

I don't know why Ye Chen was a little reluctant to let Gu Xun go, maybe because they weren't satisfied doing it yet.

"It seems like something happened with you two" Shui Yixian said to Ye Chen.

"You surprised me" Ye Chen was surprised by the sudden appearance of Shui Yixian.

Shui Yixian smiled at Ye Chen, her goddess smile was so beautiful and enchanting, she was truly one of the natural beauties that thrilled the God Realm.

"You are rarely seen, do you have many tasks" Ye Chen asked Shui Yixian.

"No, I'm practicing, I seem to have gotten some hints and enlightenment from Shen Niang" Shui Yixian told Ye Chen.

Shen Niang gave so many things to Shui Yixian, he gave Shui Yixian new things to learn, it's not strange that she rarely goes out.

"Oh yeah, do you know where she is, I haven't seen her" Ye Chen asked Shui Yixian.

Shen Niang often left, what was that woman doing, it was enough to make Ye Chen feel curious.

"I think she went to the earth, from what I heard, she was interested in the books on earth, I don't know the specifics" Shui Yixian said.

Shui Yixian didn't know what Shen Niang was doing, she only knew that Shen Niang was interested in the earth.

"I see" Ye Chen understood, it wasn't strange that Shen Niang rarely appeared.

She probably found a new hobby, there are so many things she can be interested in on Earth.

"Do you have time, how about accompanying me for a walk" Shui Yixian asked Ye Chen to accompany her.

"Of course" Ye Chen agreed with Shui Yixian's request.

Shui Yixian rarely asked anything from Ye Chen, that's why Ye Chen quite easily granted what Shui Yixian wanted.

Shui Yixian took the lead, she took the lead and chose a good place that she knew.

Shui Yixian did not use a disguise, she could easily leave without one.

With the status that Shui Yixian had, she didn't have to fear that others would bother her, they wouldn't look for trouble by bothering Shui Yixian.

The two wandered around looking for a good place, it just so happened that Shui Yixian was a little absent-minded.

"What's wrong, you don't look good" Ye Chen asked Shui Yixian, she didn't look good.

"I have a bad feeling" Shui Yixian told Ye Chen, she felt something wrong in her heart.

"Don't keep it to yourself, you can tell me" Ye Chen told Shui Yixian, he asked Shui Yixian to tell him what happened.

Ye Chen might be able to help Shui Yixian with her problem.

"I feel that something bad is going to happen, there might be danger coming, it's coming fast" Shui Yixian said to Ye Chen.

Shui Yixian couldn't see what was happening, she only knew that something bad was going to happen.

"Are you using your power again, didn't I tell you not to, I don't want anything bad to happen to you" Ye Chen said to Shui Yixian.

Ye Chen scolded Shui Yixian, he didn't want Shui Yixian to do bad things again, he knew the consequences of doing such things, and Ye Chen didn't want Shui Yixian to do that again.

Even Shen Niang didn't suggest it either, she and Ye Chen completely disagreed to make Shui Yixian use power that could get Shui Yixian into trouble.

"I understand" Shui Yixian understood, she would refrain from doing it again and only do that in case something bad happened.

"Very good" Ye Chen was happy when he heard this, he felt that Shui Yixian would be fine.

Ye Chen and Shui Yixian enjoyed the time, they moved around the stars to find things that caught their attention.

.

.

"The crack in the dimensional wall is becoming wider and wider, it is already the size of a house entrance.

At least it has a length and width of about 1 x 2 meters.

The people behind the wall continued to force their way in, they used all their strength to try and break down the dividing wall of the God Realm.

This wall was extremely hard, there was no way it could be destroyed easily.

If no cracks appeared, then breaking the dimensional wall would be impossible for them.

"Crack . . ." finally a small section of the wall was destroyed, a small hole that could be entered by humans was finally formed.

Several people shot up and started to enter, there were about 5 people who entered from the hole.

"so this is the place where the strongest cultivators in God Realm are locked up, what a terrible place, this is really disappointing" they saw that God Realm was very disappointing, the pure energy in this place was very thin and almost unfit for them.

"Let's just go back, this place is not interesting" one of the five people felt that this place was not interesting, they might as well waste their time coming to this place.

"We came here to find a person who can see the future for our master, we need such a person to be the most powerful ruler, don't forget that, you don't want to get punished right" the most powerful person in the group spoke, he told them what they came for.

They had used enough resources to get into this place, they paid enough to make one small hole.

If they didn't find what they were looking for, it would be a loss.

The leader of this group was Long Zhipei, one of the people with a high level of strength who stood out among the cultivators out there.

Chapter 2504 The Coming Of The Strong People

This group went to Ye Chen and Shui Yixian's place, they only needed less than a few minutes to arrive at Ye Chen's place.

Using their speed, they could easily reach all corners of the God Realm in just a few minutes, their level was clearly different from all the cultivators in the God Realm.

Ye Chen and Shui Yixian were out for a walk, they were sightseeing and enjoying their time happily.

"Here" Long Zhipei found, he finally found the whereabouts of the person they were looking for.

Using the tool used to find people, he finally locked his gaze on Shui Yixian's body.

"There is the woman we are looking for" Long Zhipei pointed at Shui Yixian and Ye Chen, that was the person they were looking for, they had to catch and get Shui Yixian.

"Ran Jiku, take care of him for me" Long Zhipei gave orders to one of his subordinates to take care of Ye Chen.

"Is it okay if I destroy this place?" Ran Jiku asked Long Zhipei.

"It's up to you, just make sure not to kill her" Long Zhipei told Ran Jiku.

Long Zhipei told him not to kill Shui Yixian.

"okay, okay, I'll do it, I'll take it quickly" Ran Jiku said that she would take Shui Yixian quickly.

"Master, a large force is heading towards you" Chu Yuechan told Ye Chen, she told Ye Chen about what happened.

"What?" Because of the huge difference in strength, Ye Chen did not realize the arrival of his enemy.

"When Ye Chen realized, Ran Jiku was already in front of them, he immediately attacked Ye Chen using her bare hands.

"Bammm" A punch was launched towards Ye Chen, Ye Chen flew when he received this attack.

Ye Chen had used his defense which was very strong, despite using it, he was still unable to withstand the attack from the opponent and was injured quite severely.

"uhuk, my body is injured quite badly, I can't move" Ye Chen's body was injured quite badly, he suffered a really severe injury from a single enemy attack.

"Husband. ." Shui Yixian was worried about Ye Chen's condition, she was worried about Ye Chen's current condition.

"Where do you think you're going?" Ran Jiku stopped Shui Yixian.

Shui Yixian could not go and help Ye Chen who was seriously injured.

"Let me go" Shui Yixian tried to rebel, too bad what he did was in vain because the opponent was too strong.

"Master, are you alright?" Chu Yuechan immediately gave Ye Chen some help.

Chu Yelan and Chu Ning'er also came out to provide assistance.

"Who is it, he has great strength and height" Chu Yelan looked at the person who attacked Ye Chen, to be honest they were strong and were in a different realm to Ye Chen.

"There are still four more behind, their whereabouts are probably just as vague" Chu Ning'er could feel that there were stronger ones behind.

"I don't know who they are, they have done bad things, let's fight" Chu Yuechan said to Chu Yelan and Chu Ning'er.

Chu Yuechan didn't really care who they were, she just didn't like it when she saw them get Ye Chen injured pretty badly.

Ye Chen's injury was much more and more severe compared to before, it was obvious that the injury was so severe that it put Ye Chen's life in danger.

Chu Yuechan had done her best to help Ye Chen, she had done the best she could do, the rest only Ye Chen could do.

Chu Yuechan, Chu Yelan and Chu Ning'er finally fought together, they advanced and fought Ran Jiku.

"Fairy race, what are you doing, wanting to fight me ?" Ran Jiku said to Chu Yuechan, Chu Yelan and Chu Ning'er.

"You have injured master, we will of course retaliate" Chu Yuechan said to Ran Jiku.

"Master, such weak people, your brains are a little out of whack" Ran Jiku said to Chu Yuechan.

Ran Jiku said that Ye Chen is weak, he is a weak person and not worthy to be the master of a fairy like Chu Yuechan.

"You don't deserve to say that" Chu Yuechan said that Ran Jiku didn't deserve to say that to Ye Chen.

"That's right, you don't deserve to say such things" Chu Ning'er agreed with what Chu Yuechan said.

"Scum, I will destroy you all" Ran Jiku said that he would go and destroy the three of them.

"Don't be arrogant in front of us" Chu Yuechan told Ran Jiku.

Chu Yuechan advanced, she began to attack with powerful ice and wind attacks.

"Just like that, not interesting" Ran Jiku said to Chu Yuechan, he saw that Chu Yuechan was not interesting.

"Bamm. ." Ran Jiku used the power of wind, a palm of wind was released towards Chu Yuechan, it clashed and began to create a huge impact.

Ran Jiku retreated along with Shui Yixian, the attack just now was strong enough to make him retreat.

Chu Yuechan's condition was no better than Ran Jiku's, she was forced to retreat quite a distance by Ran Jiku.

"he's strong. . ." Chu Yuechan realized that if the opponent's strength was strong, he must not be from the God Realm.

"What do you think?" Chu Yelan asked Chu Yuechan, she wanted to know Chu Yuechan's opinion.

"Not bad, he's probably not from the God Realm," Chu Yuechan said to Chu Yelan and Chu Ning'er.

"Most likely he came from outside and managed to break through the barrier" Chu Yelan made a conclusion, she made a conclusion about what happened.

"That possibility is very high" Chu Yuechan agreed, the possibility that Chu Yelan said was higher than the others.

"What are you talking about, come and fight me" Ran Jiku challenged the three, he told the three to come and fight him.

"Let's finish this arrogant man" Chu Yelan said to Chu Yuechan, they had to finish Ran Jiku quickly.

Chu Yelan came forward, she was the first one to fight and destroy Ran Jiku.

"Uh . . ." Chu Yelan's attack was very fast, in a very short time, she knocked Ran Jiku away and took Shui Yixian back.

"You underestimate me, I'm not easy to deal with" Chu Yelan said to Ran Jiku.

"Damn it. ." Ran Jiku cursed loudly, he did not expect that Chu Yelan would be strong enough.

"I'm behind you" Chu Ning'er was already behind Ran Jiku, she launched an attack towards Ran Jiku.

"Boom. . ." A huge explosion occurred as the city was shaken by Chu Ning'er's attack.

Chu Ning'er was still holding back, she did not want to destroy the city around.

Chu Yelan, Chu Ning'er and Chu Yuechan retreated, they retreated and kept a safe distance from the enemy's attack.

"Damn it. . ., you guys make me sick" Ran Jiku's figure appeared, part of his clothes destroyed by Chu Ning'er's attack.

There were also scars on Ran Jiku's body, indicating that Chu Ning'er's attack was strong enough to injure Ran Jiku.

"Booom. ." an enormous energy shot out from Ran Jiku's body.

The city and its residents were blown away by Ran Jiku's power.

"You have angered me, prepare yourself to be destroyed" Ran Jiku was already angry, the surrounding stars would probably be destroyed by his power.

"We should destroy him before he destroys this star" Chu Yelan asked Chu Yuechan and Chu Ning'er to work together, they had to stop Ran Jiku before he destroyed the star they were now living in.

The three of them advanced, they attacked Ran Jiku together, they used their fairy power and started to increase their strength significantly.

Chapter 2505 Ye Chen's Injuries Were Too Severe

"Bamm. ." Ran Jiku was rendered helpless by the attacks of Chu Yuechan, Chu Yelan and Chu Ning'er, he was made difficult by the three powerful beautiful fairies.

"Damn it, they are troublesome, their abilities are too strong" Ran Jiku was angry, he was angry when he saw that he could be defeated by women.

"Stop right now" Long Zhipei told Ran Jiku to stop right now.

"What's wrong ?, why are you telling me to stop?" Ran Jiku asked Long Zhipei.

Why would Long Zhipei tell him to stop fighting, he had just started having fun.

"You won't win if you fight them alone" Long Zhipei told Ran Jiku, he was sure that Ran Jiku wouldn't win against Chu Yuechan, Chu Yelan and Chu Ning'er.

"Are you trying to underestimate me" Ran Jiku asked Long Zhipei.

He seemed to be unhappy with what Long Zhipei had said.

"I am speaking the truth, you better accept the truth" Long Zhipei said to Ran Jiku.

He was telling the truth, that's why Ran Jiku had to accept it.

"You guys, help him for me, we have to complete the task given by the king" Long Zhipei said.

Here Long Zhipei was giving the orders, so he was free to do whatever he wanted.

Three other people started to help Ran Jiku.

The three of them are Ma Huan, Si Naika, and Yao Fuji, they are helping Ran Jiku to fight Chu Yuechan.

Long Zhipei went towards Shui Yixian, he took Shui Yixian away quickly.

"Wait a minute" Chu Yuechan tried to catch up, she caught up with Long Zhipei.

"Stop right there, you can't go any further" Ma Huan, Si Naika, and Yao Fuji stopped Chu Yuechan, they didn't let Chu Yuechan pass.

"You people are so troublesome" Chu Yuechan said to Ma Huan, Si Naika, and Yao Fuji.

If Chu Yuechan wanted to pass, she had to defeat Ma Huan, Si Naika, and Yao Fuji.

And that would be quite difficult to do, they were just as strong as Ran Jiku.

Ma Huan, Si Naika, and Yao Fuji attacked Chu Yuechan, they launched powerful and destructive attacks towards Chu Yuechan.

The impact of their attacks made the ground crumble and a super large hole appeared in this place.

"they didn't hold back the power" Chu Yelan and Chu Ning'er could only watch as the enemy destroyed the stars below them.

They honestly didn't care much about the lives of the lowly creatures in this place.

To those at the top of the world, the weak were just like grass that could be easily stepped on and pulled up as they wished.

"This is bad enough, I can't advance, if it's like this then Shui Yixian will be completely taken away" Chu Yuechan couldn't advance forward,

Ma Huan, Si Naika, and Yao Fuji held Chu Yuechan back well, they didn't let Chu Yuechan pass.

That made Chu Yuechan have trouble, she had trouble saving Shui Yixian.

"Your opponent is us, forget about being able to leave easily" Ma Huan, Si Naika, and Yao Fuji said to Chu Yuechan, she told Chu Yuechan to forget about saving Shui Yixian.

Because they would not let Chu Yuechan leave this place.

"If we want to move forward, we have to defeat them" Chu Yelan said to Chu Yuechan.

"That's right, plus we're at a disadvantage, they have more numbers than us right now" Chu Ning'er said.

"Don't complain so much" Chu Yelan told Chu Ning'er to stop complaining and start fighting.

"I understand, you don't need to say it" Chu Ning'er said.

Ran Jiku, Ma Huan, Si Naika, and Yao Fuji gathered, they worked together to fight Chu Yuechan, Chu Yelan and Chu Ning'er.

"bang. . ." their battle re-occurred, this made a very strong vibration, the entire people in God Realm must be aware of what happened.

This battle could definitely be felt by strong people.

"uhhh. . ." Ye Chen began to recover his condition, he recovered his severely injured self.

"My body can't move" Ye Chen's body couldn't be moved, it seemed like his bones were badly cracked.

Ye Chen looked towards the distance, he could see that there was a huge battle, this was the biggest and most powerful battle Ye Chen had ever seen.

"Is it Yuechan, Yelan and also Ning'er, who are they fighting, their battle is quite fierce" Ye Chen wanted to know who Chu Yuechan, Chu Yelan and Chu Ning'er were fighting.

It seems that the enemy can be equal to Chu Yuechan, Chu Yelan and Chu Ning'er.

"There is no reason to worry about them, I have to recover myself immediately" Ye Chen took a pill and began to recover himself.

His condition was bad and had to be treated immediately, otherwise his condition would become even worse.

Ye Chen's body began to recover quickly, he used the power of the True God Body Technique.

About 30 minutes later, Ye Chen finally recovered, although Ye Chen had not fully recovered due to the severe injuries.

"Uh . . , it still hurts to even move" The healing was not complete, he still felt excruciating pain when moving.

Ye Chen used all the ability to endure the pain, now he had to help.

"Are you okay, what happened in this place ?" Ye Chen asked Chu Yuechan.

Chu Yuechan was surprised when she saw Ye Chen who had recovered, though only slightly.

"Why are you pushing yourself, you're injured quite badly, so just rest" Chu Yuechan told Ye Chen.

Chu Yuechan asked Ye Chen to rest, his condition was bad, if he forced himself to fight, then it would make his body even more damaged.

"No need to worry, I can fight" Ye Chen said that he could fight.

Ye Chen started trying to fight the enemy, he used the combined power of the 7 elements to fight the enemy.

A terrifying power formed in Ye Chen's hands, Ye Chen launched the attack towards the enemy.

"Receive my attack. ." Ye Chen could not use his full strength, this was all he could do to fight back.

"He's just trash, what can he do, even dying with just one of my attacks" Ran Jiku said to Ye Chen, Ran Jiku seemed to underestimate Ye Chen's attack.

he felt that Ye Chen's attack would not be able to kill and injure them.

"It's too reckless to use that" Chu Yuechan naturally scolded Ye Chen, he was angry that Ye Chen used too much power and made his body experience pain.

"Boom. ." Ye Chen's power began to melt the clothes of Ran Jiku, Ran Jiku was naturally surprised by what happened.

he immediately retreated and kept his distance from Ye Chen.

"what is it, it has unreasonable power" Ran Jiku didn't understand, he was bewildered by the power Ye Chen had just used.

"That was not enough, I still have more power to use" Ye Chen said to Ran Jiku.

"Thud. ." Ye Chen knelt down, he knelt down because he could no longer stand up.

Even though Ye Chen forced and used all his strength, he could not stand up anymore, his body betrayed his will.

"This is bad, my body has reached the limit, this is too fast" Ye Chen had already reached the limit, he could only use one attack, even then it could only destroy a little of the enemy's clothes.

"Ning'er take him away" Chu Yuechan said to Chu Ning'er, Ye Chen who now can't fight, they have to defend Ye Chen, if something happens they will be troubled.

"Understood" Chu Ning'er understood, she went and took Ye Chen away from the battlefield.

The departure of Chu Ning'er made the power gap between them a little big.

Chapter 2506 Shen Niang Helped Chu Yuechan And Chu Yelan

"Seems like our chances of winning will become smaller," Chu Yelan said to Chu Yuechan.

Chu Ning'er is now taking Ye Chen away, which will decrease their chances of winning compared to before.

Chu Ning'er's departure will certainly impact Chu Yelan and Chu Yuechan.

"Are you afraid, sister?" Chu Yuechan asked Chu Yelan.

"Why should I be afraid of them? I won't fear facing them," Chu Yelan replied, stating that she won't be afraid of them.

"In that case, let's fight," Chu Yuechan invited Chu Yelan to battle, emphasizing that they must use all the power they have.

They engaged in the fight once again, no longer holding back in this battle.

The battle grew more intense, and the two of them combined their powers to fight their enemies.

"Big Brother, hold on," Chu Ning'er said to Ye Chen, she instructing him to hang in there.

Ye Chen's condition seemed to worsen, it deteriorated further after using a lot of power.

This made Chu Ning'er confused about what she should do in this situation, She was truly perplexed about what to do in such a situation, which was quite troublesome.

"What's happening here? What's wrong with him?" Shen Niang appeared in front of Chu Ning'er.

Shen Niang sensed that Ye Chen was in danger, which was why she came to his location.

"Sister Niang, you have to help me, his condition is really bad, please heal him" Chu Ning'er said to Shen Niang.

Chu Ning'er sought assistance from Shen Niang, knowing that only she could save the severely injured Ye Chen.

The wounds on his body were spreading, and he couldn't feel his body.

Shen Niang looked towards Ye Chen and could see that he was badly injured. It looked really dire.

In a situation like this, Shen Niang was the one who could help Ye Chen.

"I will help him," she offered her assistance to Ye Chen.

Shen Niang started gathering profound energy and used the strongest healing power of light to treat Ye Chen.

Chu Ning'er was astonished by the healing power possessed by Shen Niang. She was fascinated by the extraordinary healing abilities of Shen Niang; it was truly remarkable.

The wounds on Ye Chen's body began to healed after receiving healing from Shen Niang.

Although the speed of Ye Chen's recovery was very slow.

Even with the power possessed by Shen Niang, she still needed time to heal Ye Chen.

"Chen's injuries are truly severe, it will take time for them to recovery" Shen Niang said, aware of the extent of Ye Chen's wounds.

"These injuries could have taken Ye Chen's life, If he didn't have so much strength in his body, he wouldn't have survived," she said.

Ten minutes later, Shen Niang finished treating Ye Chen, and his wounds had improved.

Ye Chen was still unconscious, so Shen Niang used her power to make him sleep.

"What happened? Tell me," Shen Niang asked Chu Ning'er.

After ensuring that Ye Chen was safe, she immediately asked Chu Ning'er.

What actually happened? Who could have injured Ye Chen like this? There shouldn't be anyone in the God Realm capable of harming him anymore.

"Well... there was a powerful stranger who came and attacked him Suddenly, they inflicted severe injuries on him," Chu Ning'er answered Shen Niang.

"Where did they come from?" Shen Niang asked Chu Ning'er, she wanting to know their origins.

"I don't know, They were extremely strong, and even the three of us couldn't easily defeat them," Chu Ning'er said to Shen Niang.

Upon hearing this, Shen Niang raised her eyebrows, it seemed she knew what had happened.

"No wonder he got injured. I know the reason," Shen Niang said, understanding why Ye Chen was wounded, It appeared that their opponent did not originate from within the God Realm.

"How did they manage to enter?, It doesn't make sense," Shen Niang said, she confused about how they could have entered, she still didn't understand this.

"Sister Yuechan and Yelan are fighting them. I hope you will help them," Chu Ning'er pleaded, she hoping Shen Niang would go and assist them.

"I will do it," Shen Niang answered with certainty. She would help fight against the intruders from outside the God Realm. She wouldn't let Ye Chen's women remain in a dire situation.

"What is their goal?" Shen Niang asked Chu Ning'er.

They must have come with a specific purpose, which is why Shen Niang inquired about their objective.

"They took away Shui Yixian," Chu Ning'er said, she informing her that they had taken Shui Yixian.

"So, that's their goal, Now I understand their objective," Shen Niang finally grasped their purpose.

They abducted Shui Yixian, who possesses the power to see the future. It is one of the sought-after abilities by many.

"I will help them," Shen Niang decided to assist. She made up her mind to aid Chu Yuechan and Chu Yelan.

"Uh..." Chu Yuechan and Chu Yelan were facing difficulties in their battle, finding it quite challenging to fight against their enemies.

"They are highly skilled. It seems like we have been too relaxed for too long," Chu Yelan said to Chu Yuechan.

Chu Yuechan and Chu Yelan had not fought for quite some time, causing their abilities to become dull.

"If only this were in the past, we would have easily won," Chu Yuechan said to Chu Yelan.

Chu Yuechan wouldn't deny what Chu Yelan said, the truth was they had indeed become weaker compared to their past selves.

"We are tired of fighting. Let's finish this quickly," Ma Huan, Si Naika, and Yao Fuji said to Chu Yuechan and Chu Yelan.

They decided to swiftly end the battle, eager to defeat Chu Yuechan and Chu Yelan.

"Let's combine our attacks and defeat them," Ma Huan, Si Naika, and Yao Fuji joined forces to attack Chu Yuechan and Chu Yelan.

Using their combined strength, they launched an assault on Chu Yuechan and Chu Yelan.

The attacks unleashed by Ma Huan, Si Naika, and Yao Fuji were highly destructive.

Furthermore, Ran Jiku stood in front of them, making it exceptionally challenging for Chu Yuechan and Chu Yelan.

"Die, you bitches!" Ran Jiku said to Chu Yuechan and Chu Yelan.

"There's no other way, we can only endure the enemy's attacks," Chu Yuechan said.

They had no other option but to endure the enemy's onslaught.

"Boom..." a massive explosion occurred, obliterating stars and planets in the vicinity.

The explosion was so powerful that it could be seen with the naked eye by those nearby and far away.

"It seems it's over," they couldn't possibly withstand that attack.

"You rejoiced too soon. Did you think you had won?" a calm and melodious voice reached Ran Jiku's ears.

Ma Huan, Si Naika, and Yao Fuji listened to this voice, surprised by its beautiful sound.

They quickly turned their attention towards Chu Yuechan and Chu Yelan.

A graceful and dignified woman appeared before them.

The sudden appearance of the beautiful woman startled the four of them, as they were astonished by the presence of the first-ranked goddess in the God Realm.

Shen Niang was indeed beautiful, captivating in various aspects, her beauty was a splendid creation.

"Who is she, I didn't expect that in a small place there is such a beauty" Ran Jiku did not expect that there would be a beauty like Shen Niang in such a small place

Chapter 2507 Sheng Niang Power

"There might still be a lot of beauties in this place, we can bring them along with us they will be useful to use." They seemed interested in the matter going on, like they were interesting enough for them to discuss.

Shen Niang looked displeased as she listened to what they were saying, as a woman she didn't like the words of men like them.

"Would you like to work for you?" Ran Jiku asked Shen Niang, she asked if Shen Niang would cooperate with them.

"I will not cooperate with you, you better be prepared, I will destroy you." Shen Niang said that she would destroy them all.

Shen Niang's words naturally irritated Ran Jiku and the others, this woman was just like Chu Yuechan and Chu Yelan.

"You don't know the limits of your strength, truly useless, let me show you the difference in strength I have to . . . , Slash . . ." the words from Ran Jiku stopped, his words stopped instantly.

"Ehhh. . ." Ran Jiku's body was split open by the attack he didn't even notice.

Ran Jiku's body was split into two pieces, and it happened so quickly that Ma Huan, Si Naika, and Yao Fuji couldn't comprehend it.

Shen Niang's light attack was too fast, at their current level, they would not be able to see it.

Ma Huan, Si Naika, and Yao Fuji fell into silence, the three of them were shocked by what was happening in front of them.

"what happened?" Ma Huan didn't understand what happened, how did Ran Jiku lose in seconds.

"He's dead, what's that?" Naika couldn't think, he couldn't think why Ran Jiku died so easily.

"This is dangerous" Yao Fuji told everyone, the next battle might be even more dangerous than the next.

Yao Fuji seemed to have a deeper understanding of this situation, he told them seriously.

"We have to be careful. What just happened has shown that the next battle will be more dangerous than before, our opponent's strength may exceed what we imagined."

Within the tense silence, they realized that they had encountered an enemy much stronger than they had anticipated.

They contemplated the fate of Ran Jiku who was killed so soon, and worries about their own safety started to arise.

Naika, devastated by Ran Jiku's death, decided to steel himself and focus on the upcoming battle.

"We have to improve our capabilities as soon as possible. There is no room for weakness here." they have no room for weakness, the situation has completely changed.

In the midst of tension and uncertainty, the three of them stand their ground, ready to take on the challenge and prove that they are not simply about to be defeated, They had found a real difference in strength, and now they had to find a way to fight it wholeheartedly.

"They are smarter, they are immediately aware of the difference in strength with Shen Niang." Chu Yuechan saw that they were aware of the difference in strength with Shen Niang.

Their movements were careful and much smoother compared to before.

They were strong people who had spent their time training and had also studied the fight, they knew what had to be done.

Even if they were up against a strong enemy, they still managed to stay calm and not panic.

They can hide their fears and worries so well, that even their enemies won't notice them.

Ma Huan, Si Naika, and Yao Fuji attacked Shen Niang, they used the forbidden and strongest technique they mastered.

If they didn't use it, then they wouldn't be able to win against Shen Niang.

"Infernal Annihilation" Ma Huan's used an attack with devastating power that could annihilate all things.

"Absolute Zero Annihilation" Yao Fuji also uses a forbidden technique capable of exterminating living things.

"High Voltage Rampage" Naika's used a powerful attack, a large amount of lightning appeared above the sky and obeyed her command.

"Receive our attacks" Ma Huan, Si Naika, and Yao Fuji launched their attacks together.

The three of them used all their strength for the one goal of defeating Shen Niang.

The three strongest attacks headed towards Shen Niang, These attacks were enough to kill a strong person like Shen Niang.

"dead . . ." they shouted very loudly, they wanted Shen Niang to die.

Shen Niang lightly waved forward, with Shen Niang's light wave, all the attacks launched by Ma Huan, Si Naika, and Yao Fuji disappeared.

"uh . . .?" Ma Huan, Si Naika, and Yao Fuji were confused by what happened, they all couldn't believe that such a powerful attack was easily crushed by Shen Niang.

"You guys won't have a chance to win against me" Shen Niang pointed out that they wouldn't have a chance to win.

"Celestial Wrath" Shen Niang's used an extremely powerful technique, the immense light dispelling all darkness in sight.

"What's this?" Ma Huan, Si Naika, and Yao Fuji couldn't move, their bodies trembled and were frightened by the unusually intense light before their eyes.

The power of light above them was on another level, they were afraid, to be more precise, their bodies couldn't stand it anymore.

"terrifying power" Chu Yuechan's , Chu Yelan was shocked by the power used by Shen Niang, they couldn't help but pause when they saw the power possessed by Shen Niang.

They weren't as strong as Shen Niang, the difference in strength they had was obviously very large, they probably had to train again to be on par with Shen Niang.

"Looks like we have to recover our strength." Chu Yelan felt that if they needed to recover their strength, they had gotten too comfortable and had fallen quite far.

Today's battle motivated Chu Yuechan and Chu Yelan to become even stronger.

"break down and disappear from the world" Shen Niang said to Ma Huan, Si Naika, and Yao Fuji.

Celestial Wrath descended, it descended and directly hit the bodies of Ma Huan, Si Naika, and Yao Fuji.

"Arghh . ." they shouted loudly, their bodies were crushed by the light, their bodies started to dissipate and turn into particles of light, it completely disappeared from the world.

The mighty and powerful Ma Huan, Si Naika, and Yao Fuji were eliminated by Shen Niang, Shen Niang was indeed formidable and showed her true strength.

"Where is Yixian?" Shen Niang asked Chu Yuechan.

"she was taken away by one more person" Chu Yuechan said.

Chu Yuechan notices that Shui Yixian was taken away by someone who had already left.

"I will chase them" Shui Yixian said that she would chase them.

"Our existence has reached its limit" Chu Yuechan said to Shen Niang, so they were unable to help Shen Niang.

"You guys can go, I will solve this problem" Shen Niang said that she would solve this problem.

Shen Niang left, she went to chase Long Zhipei.

"we can leave this matter, let's go back" Chu Yelan said to Chu Yuechan.

"understood" the two of them returned inside the fairy gate, they had reached their limit.

Shen Niang tried to find the whereabouts of Long Zhipei, she gave chase using the trail in front of her.

The trail led to a certain place, it was a crack created by Long Zhipei and company.

"So from here they came in, I was really caught off guard." Shen Niang was caught off guard, she was caught off guard for letting something like this happen.

Shen Niang decided to give chase, she wanted to know who they were.

Shen Niang also doesn't know the current situation in the outer God Realm, or what is going on there.

Shen Niang was curious and went inside to find out what was hidden, what the outer God Realm was like now, whether it had become stronger or weaker than in the past.

Chapter 2508 Chen Xing

Several days had passed since the battle that had injured Ye Chen, Ye Chen was still unconscious, he was still unconscious after such a long time.

This of course made all the women feel worried, they all felt worried about Ye Chen's state.

"what happened to you, hurry up and get up" Zhao Yanyan said to Ye Chen, she held Ye Chen's hand, Ye Chen was still unconscious too.

Shen Niang had not returned yet, what had happened to her, this made Zhao Yanyan very worried.

"Is he sober?" Nangong Xiang asked Zhao Yanyan.

"Not yet . ." Zhao Yanyan told that Ye Chen had not regained consciousness, the wound this time was far more severe compared to all the battles that had happened, Li Jingyi's healing speed was also limited to healing the injured Ye Chen.

"It's really too bad, I didn't expect that all of this could happen" Nangong Xiang said to Zhao Yanyan.

"I also didn't expect this to happen, even though everything is over and our lives are starting to be normal and peaceful," Zhao Yanyan said to Nangong Xiang.

"You're absolutely right, it seems we really can't afford to have a quiet time," said Nangong Xiang.

"Yixian's whereabouts are unknown, and also the goddess Shen Niang doesn't seem to exist in God Realm either, the situation is complicated and chaotic, even if I send several people to help, they won't be able to find them.

Plus Sister Yuechan forbade doing so since the enemy had strength far above them, moving would be a problem.

"There is nothing we can do in this matter, we can only wait" Nangong Xiang said to Zhao Yanyan.

"That's really bad news, we can only stand by and wait, there's nothing we can do." Zhao Yanyan also understood, she could understand that they wouldn't be able to move.

"Now we only hope that the goddess Shen Niang brings good news to us" now they can only wait for Shen Niang.

They were waiting for good news from Shen Niang.

.

.

Shen Niang is currently observing everything in the outer God Realm.

He was somewhat surprised by the strength in the outer God Realm which had become more developed compared to the past, and there were even many new stars and solar systems that Shen Niang did not know about.

"This place has completely changed, I don't know what kind of place it is anymore." Shen Niang saw enormous changes, this is far from the past.

This place has become much wider, estimated to be 10x the area of the past.

"Civilization in this place has progressed to this extent, perhaps their strength has also become much stronger" Shen Niang said.

Shen Niang estimated that everyone's strength was very strong, she believed that they were all the same during the glorious era.

"I will look for that person" Shen Niang already traced the trail, it was quite difficult to find the person she was looking for because she was good at hiding traces.

If it wasn't Shen Niang, then it would be a problem to find the whereabouts of Long Zhipei.

Shen Niang followed Long Zhipei to a place that felt very strong, this place was filled with an extraordinary power.

"What place is this?" Shen Niang used her own power, she searched about the power that existed in this place.

"What?" Shen Niang looked at the strength of the people around, their strength had already reached a high realm and there might be some who had cultivation almost at Shen Niang's level.

"There are so many people who already have cultivation at the Immortal True God Realm level." This naturally alarmed Shen Niang.

The entire strength present was on par with those at the peak of the God Realm, or even stronger than the full might of the Mo Xie Faction.

"What a strange place, there are so many barriers in this place, getting in would be difficult." Shen Niang looked at the Array and the barrier they had, obviously it was very neat and tidy, it was impossible to sneak in.

"This is more difficult than I thought." Shen Niang felt that this was very difficult.

He didn't know what he could do to get inside, it was very dangerous in there.

"I don't know the situation in this place, I should just ask acquaintances." Shen Niang decided to look for acquaintances she knew.

Maybe he could find an acquaintance or two here, maybe there are still many people who are alive after all, after all they are immortal, unless they are killed in battle then they will not die.

Shen Niang looked for someone she might know, it would probably take her a while to find one.

After a few days Shen Niang found someone she was quite familiar with in the past.

she immediately met and asked the person in front of her.

The person in front of him was a woman with a delicate appearance that was also extremely glamorous, there was no question that she was a beauty that an ordinary person could not possibly touch.

"Chen Xing" Shen Niang said to the woman in front of her.

The woman in front of Shen Niang was completely unconscious, she did not notice Shen Niang's arrival.

"This gentle voice?" Chen Xing immediately looked towards Shen Niang, she was shocked when she saw who was in front of her.

Hard enough to believe the woman in front of her eyes.

"Is this just an illusion, there is no way this is happening" Chen Xing felt that this was impossible for this to happen, there was no way the woman standing in front of her was Shen Niang.

"I am genuine, so don't neglect me" Shen Niang said to Chen Xing.

Shen Niang told Chen Xing that she was real, she was Shen Niang.

"how did you get here?" Chen Xing was surprised, she was surprised to see Shen Niang here.

she had not seen Shen Niang for a long time, so it was not strange that she was surprised when she saw Shen Niang in front of her own eyes.

"Let's postpone the matter first, can you tell me the situation in this place, it's been a long time, many things have changed in this place" Shen Niang asked Chen Xing.

"what do you want from me" Chen Xing asked Shen Niang, she knew that Shen Niang needed something from her.

"what is the name of this place?" Shen Niang pointed out where Long Zhipei was headed.

"That is the Four-sided Immortal Palace, one of the strongest forces in the God Realm," Chen Xing said to Shen Niang.

Chen Xing said that it was the strongest place here, it would not be strange for Shen Niang to feel the presence of the strength of strong people within there.

"How strong is it?" Shen Niang asked Chen Xing.

"Probably stronger compared to the strength you had in the past" Chen Xing said in an even tone.

Shen Niang slightly raised her eyebrows when she heard what Chen Xing said.

Shen Niang knew Chen Xing, she would not lie about this kind of matter, if that was true, then that place was indeed powerful.

"Do you have any business with them?" Chen Xing asked Shen Niang.

"um, I have a problem with them" Shen Niang said to Chen Xing.

"That's really troublesome, the people there aren't very friendly" Chen Xing said to Shen Niang.

Chen Xing told that the people there weren't very friendly.

More precisely, they are very troublesome.

"from your words, you have a problem with them" Shen Niang said to Chen Xing.

"Some people from that place often interrupt my time, to be honest they are relentless and tenacious, it has gotten me into trouble for millions of years" Chen Xing said.

"You look troubled" Shen Niang saw that Chen Xing was in quite serious trouble.

Chapter 2509 Ye Chen's Final Decision

"I am used to this life, there is no need to pity me" Chen Xing said to Shen Niang.

Chen Xing was used to it, he was used to this kind of life.

"can you help me" Shen Niang asked Chen Xing.

"That's difficult, don't get into trouble with them" Chen Xing said to Shen Niang.

At least with Shen Niang's current strength, she would run into a problem if she faced them head-on.

At least the current Shen Niang wouldn't be able to beat them, she didn't have enough decent followers.

"Are there no followers here anymore?" Shen Niang asked Chen Xing.

"No longer there, since you were absent they have long sworn an oath to each other power" Chen Xing said to Shen Niang.

Chen Xing told the truth, it had been quite a long time, she could not remember when she had last seen Shen Niang.

"I see, I understand." Shen Niang understood, it seemed that they had changed their minds.

This was of course quite bad news for Shen Niang.

"Just tell me your problem, I will help you" Chen Xing said to Shen Niang.

Chen Xing might be able to help solve the problem that Shen Niang has.

Shen Niang told Chen Xing the problem she had.

"That's really hard work, I'm not sure I can help, I might just watch over it for you" Chen Xing said to Shen Niang.

"It doesn't matter, as long as you can do it." Shen Niang was relieved when she heard this.

For the first time Shen Niang was unable to do anything, she was unable to do as she wished.

Shen Niang could only accept this, she had to accept what was happening now.

"I'd better go back and see Ye Chen." Shen Niang decided to go back first and talk to Ye Chen, she had to tell this matter.

"goddess Shen Niang, she really came back "This matter naturally came as a shock to Chen Xing, she did not expect that Shen Niang would return.

How would she do such a thing, it was quite a shock to Chen Xing.

"Alright, I will start to help her." Chen Xing had promised, she would help Shen Niang's troubles.

Even though she probably wouldn't be able to do much about this matter, she would do everything in her power to solve this problem.

Shen Niang returned to God Realm, she went straight to meet Ye Chen.

.

.

"Um. . "Ye Chen started to wake up, he finally woke up and woke up.

"uh . . , what happened here ?" Ye Chen asked, he wanted to know what happened.

"husband, you wake up" Zhao Yanyan who was on the side was overjoyed when she saw that Ye Chen had woken up.

Ye Chen looked at Zhao Yanyan who was beside his body, he still looked confused by what happened to him.

Ye Chen was confused by what happened to him, he really didn't really remember what happened earlier.

Zhao Yanyan cried and hugged Ye Chen, she was very happy to see Ye Chen had woken up.

"what happened to me ?" Ye Chen asked Zhao Yanyan, he wanted to know what happened to him.

"That . . ." Zhao Yanyan told Ye Chen what happened, she told Ye Chen what happened.

"Where is she now . ." Ye Chen finally remembered, he remembered what happened.

Ye Chen woke up, he tried to get off the bed and found Shui Yixian.

"Calm down" Zhao Yanyan asked Ye Chen to calm down, Zhao Yanyan used a bit of gentleness to make Ye Chen calm down.

With the gentle touch that was used by Zhao Yanyan, it made Ye Chen calm down for a while.

"Everything will be fine, husband you should rest easy" Zhao Yanyan said in a gentle tone of voice, she used words filled with tenderness towards Ye Chen.

Ye Chen felt at peace, the words spoken by Zhao Yanyan were so beautiful to listen to.

This made Ye Chen's heart and soul calm down, he felt very calm in Zhao Yanyan's embrace.

Zhao Yanyan felt relieved when she saw that Ye Chen had calmed down.

"It seems that I have come at the right time." Shen Niang has returned, she finally returned from the trip.

"Niang, what happened ?" Ye Chen asked Shen Niang.

Ye Chen needed clarity now, he needed an explanation straight from Shen Niang.

Shen Niang smiled, she kept Ye Chen from worrying too much about what happened.

Shen Niang approached, she began to tell what she had found, from the beginning of the dimensional gap to Shui Yixian's current whereabouts in the Four-sided Immortal Palace.

"Are you unable to help her?" Ye Chen asked Shen Niang.

He asked Shen Niang, he wanted to know if Shen Niang could not save Shui Yixian.

"I have discussed with my old friend there, she knows much more about the situation in that place, to be honest it will be very difficult because I am alone" Shen Niang said to Ye Chen.

Shen Niang told the truth to Ye Chen, she told the truth of what happened to Ye Chen.

Zhao Yanyan also looked sad when she heard this, she didn't seem to be able to accept this.

"I can't do it myself, I might need help from you to do it" Shen Niang said to Ye Chen, she said that she needed help from Ye Chen.

For a while Ye Chen was silent as he listened to what happened, he was still confused by what Shen Niang said.

But it didn't take long, Ye Chen finally knew what he should do.

"The current me won't be able to do it" Ye Chen said that the current him couldn't do it.

"I know that" Shen Niang also knew that, she knew that the current Ye Chen would not be able to do it.

"Then you just need to get a lot stronger, wasn't I right" Shen Niang said to Ye Chen.

Ye Chen listened to Shen Niang's words, and there was nothing wrong with Shen Niang's words.

"That's absolutely true, you just need to get stronger and save him" Zhao Yanyan said.

Zhao Yanyan also supported Ye Chen, she also supported Ye Chen and hoped that Ye Chen could save Shen Niang.

"You guys" Ye Chen felt mixed feelings when listening to what Shen Niang and Zhao Yanyan said.

Ye Chen had to admit that what Zhao Yanyan and Shen Niang said was the truth.

Ye Chen had no other choice, he could only do so to save Shui Yixian.

Zhao Yanyan and Shen Niang were right about that, only she could do it, she must not hesitate anymore and become stronger.

"I will do it" Ye Chen said that if he would do it, he would become stronger and save Shui Yixian.

"we will try to support you too" Zhao Yanyan and the others will do their best, they will do their best to support.

"Niang, what are the conditions over there, you must have gone there right, tell me" Ye Chen asked Shen Niang.

"You will definitely not like this news, their strength is terrible, maybe even more terrible than my era" Shen Niang said to Ye Chen.

Shen Niang's words were right, it was indeed quite bad news, such news would make everyone worry.

"it looks like we will have a hard time fighting all of them, maybe it's time for everyone to increase their strength" Ye Chen made a decision.

Chapter 2510 All Resources Are Used

"what do you mean" Shen Niang asked Ye Chen.

Shen Niang and Zhao Yanyan still didn't understand what Ye Chen said, they didn't understand what meant by Ye Chen.

"For those who are willing to leave this place, let them develop for the better" Ye Chen said to Shen Niang.

"Is that so" Shen Niang finally understood what Ye Chen wanted, she understood what Ye Chen wanted.

"That's not a bad thing, in my opinion." Shen Niang felt that it was not a bad thing, let them develop for the foundation of the future too.

"If it's like that, then it doesn't matter, there's nothing to lose for us." Shen Niang didn't mind what Ye Chen did.

Instead he felt that it was quite good because Ye Chen helped everyone escape from the trap that kept them from growing.

"Yanyan, can you help me?" Ye Chen said to Zhao Yanyan, he told Zhao Yanyan to help himself.

"I will arrange it for you" Zhao Yanyan promised to help Ye Chen to arrange it.

He would help to arrange everything for Ye Chen, he would help Ye Chen spread this information.

"I didn't think that you would make such a decision" Chu Yuechan said to Ye Chen.

"what do you think ?" Ye Chen asked Chu Yuechan.

"I myself don't mind such a thing, after all they will walk their own path, so why worry, you should focus on your own goals" Chu Yuechan said to Ye Chen.

"You're absolutely right, that's what I thought" Ye Chen agreed with what Chu Yuechan said.

Zhao Yanyan arranged everything for Ye Chen, she ordered everyone to spread the information around made by Ye Chen.

Everyone was shocked when they heard the news that Ye Chen gave them, of course they were all very excited, they all looked like they couldn't wait to leave this place and go to a higher place.

Everyone in the ancient Clan was interested, they all couldn't wait to get out of the God Realm.

Ye Chen recovered using all of his resources, he spent quite a bit just to recover himself.

"How are you feeling now?" Shen Niang asked Ye Chen.

"My condition has completely recovered" Ye Chen said to Shen Niang, he told her that he had recovered.

"I've also trained a lot on my dimensional control skills, so everything should be fine" Ye Chen said to Shen Niang.

He spent time cultivating dimensional power, it would help him to open a gap in the wall for everyone to enter.

"How many will come?" Ye Chen asked Shen Niang.

"Guess what" Shen Niang told Ye Chen to guess.

"hundreds of thousands ?" Ye Chen asked Shen Niang.

"wrong . ." Shen Niang said that Ye Chen was wrong in answering.

"then millions?" Ye Chen asked Shen Niang, he asked Shen Niang again.

"no. ." Shen Niang said if there are many who come.

Ye Chen felt an unpleasant feeling, it seemed that there would be more people coming.

"Isn't it your own fault" Shen Niang said to Ye Chen, Shen Niang said that it was Ye Chen's own fault for doing that.

"I don't regret the decision I made" Ye Chen didn't regret the decision he made.

"Oh yeah, I used all your resources to help Zhao Yanyan and the others, maybe it's over" Shen Niang said to Ye Chen.

Shen Niang used all the resources that Ye Chen had gathered so far.

Profound crystals, pills, herbs and all important things were used by Shen Niang.

"Yuechan, how much did he use ?" Ye Chen asked Chu Yuechan, she wanted to know how much Shen Niang used.

Chu Yuechan appeared and joined in on the conversation.

"You want an honest answer or not" Chu Yuechan said to Ye Chen, she asked whether Ye Chen wanted an honest answer or not.

"Of course I want an honest answer." Ye Chen naturally wanted an honest answer from Chu Yuechan.

"She used everything" Chu Yuechan said to Ye Chen, she told that Shen Niang used everything that Ye Chen had.

"Serious . ." Ye Chen didn't expect that Shen Niang would do such a thing, it would mean that he had no more resources.

"If it runs out, you just need to look for it again, no need to think too much about it" Chu Yuechan said to Ye Chen.

Chu Yuechan told him not to think too much about this matter, she told Ye Chen to look for it again.

Let them grow stronger with all the resources that Ye Chen has, Ye Chen will also benefit from it.

"Yeah, I think it's fine" Ye Chen agreed with what Chu Yuechan said.

"If it's for them, then it's fine for me." Ye Chen wouldn't mind that, he could look for it again using his own ability.

"But what are you two planning, why don't you tell me" Ye Chen said to Chu Yuechan and Shen Niang.

"I've talked to them, and gauged the power you're going against, I think they can help you, you alone won't be able to win against that kind of power" Chu Yuechan said to Ye Chen.

Chu Yuechan had roughly estimated how strong the opponent they would be fighting was, When she knew the opponent, she was completely shocked, Even if Ye Chen and Shen Niang teamed up, it might still have the possibility of losing.

So in order to make the victory even higher, Chu Yuechan and Shen Niang agreed to do it, they used all of Ye Chen's resources to do it.

"So that's what you two were talking about." Ye Chen agreed with what Chu Yuechan and Shen Niang thought.

He was also thinking the same thing and they both had already done it.

"But bringing them along, maybe it will be conspicuous" Ye Chen said to Chu Yuechan.

"They will be staying inside the fairy gate, so it won't be a problem, it will be a problem leaving them in this place after all" Chu Yuechan said.

"There's no way I can leave them, they definitely won't listen to me." Ye Chen was sure that they wouldn't listen to Ye Chen.

They wanted to help Ye Chen, so they would go with Ye Chen and support him.

It's impossible for Ye Chen to go alone anyway, it's too risky for Ye Chen's body.

"master, I have to remind you" Chu Yuechan said to Ye Chen.

"what is it" Ye Chen asked Chu Yuechan, roughly what Chu Yuechan wanted to say.

"You better hide your special body, this time the situation might be worse if someone found out about it, those there would probably be able to find your special body easily" Chu Yuechan said to Ye Chen.

"Eh. . , this is very troublesome" Ye Chen agreed, they might be able to find Ye Chen's special body easily.

"No problem, I will teach you well, I will let you hide your special body" Shen Niang said to Ye Chen.

Shen Niang knew the problem Ye Chen had, that's why she wanted to help Ye Chen.

"thank you very much" Ye Chen was happy when he heard this, he was very grateful to Shen Niang.

"That sounds good" Chu Yuechan said to Ye Chen.

"Shut up, you should be the one helping me" Ye Chen said to Chu Yuechan.

"Sorry that I'm not that good" Chu Yuechan said as she crossed her arms.

Chu Yuechan looked displeased with what happened, she was displeased when she heard what Ye Chen had to say.

Ye Chen and Shen Niang smiled when they saw Chu Yuechan.
