

True God 2511

Chapter 2511 The Beginning Of A Journey That Everyone Looks Forward

Ye Chen finally needed some more time to practice, he needed time to master the techniques given by Shen Niang.

After getting the hang of it, Ye Chen became much more at ease.

"Hey, can I ask you a question?" Shen Niang watched Ye Chen, she wanted to ask Ye Chen.

"What is it?" Ye Chen asked Shen Niang, he wanted to know what Shen Niang wanted to ask.

"Don't you have a strong Charm, why did you seal everything?" Shen Niang asked Ye Chen.

"Because it's so troublesome" Ye Chen said to Shen Niang.

Ye Chen still remembers the first time he came back to earth, he was chased by a woman from across the city.

"It would be bad if you endure everything especially with your current strength" Shen Niang said to Ye Chen.

The Charm power is purely from your special body, and it is well-awakened, it can trigger the Yang Qi in your body to be unstable frequently.

"oh. . . , Oh, I see" Ye Chen understood, he immediately understood what Shen Niang said.

"You only need to hold it a little and release some, it will make your body lighter and maybe it will help you practice better" Shen Niang said.

"um. . ." Ye Chen understands, Shen Niang is really great, she can see Ye Chen's flaws.

Ye Chen learned many things from Shen Niang, he probably had to learn more since he was still a layman compared to Shen Niang.

Some of Ye Chen's knowledge may still be limited, it may not be able to compare with Shen Niang.

"Finally the problem was solved, that way she won't have any more trouble in the future" Chu Yuechan knew that this was the right time to tell Ye Chen, even if Shen Niang didn't do it, Chu Yuechan would tell Ye Chen.

"We still have time, I will teach you a little" Shen Niang said to Ye Chen, she said that she would teach Ye Chen a little more.

"I will do it" Ye Chen understands, he will do it, he is happy to learn from Shen Niang.

"wait here for a while" Shen Niang left, she told Ye Chen to wait.

"huh?, roughly what do you want" Ye Chen wanted to know what Shen Niang would do.

"Looks like it's going to be interesting, I'll join in." Chu Yuechan felt that something would be interesting, that's why she decided to join in the game.

Ye Chen was left confused by himself, about what they were planning.

"looks like they are planning something interesting, you should prepare yourself" Chu Yelan said to Ye Chen.

"Hoam, I want to sleep" Chu Yelan said to Ye Chen, Chu Yelan wanted to sleep, she seemed to be lazy as usual.

"Sorry to keep you waiting, let's start the lesson" Shen Niang said to Ye Chen.

Shen Niang changed clothes, she changed into a short skirt and a female teacher's coat.

Her appearance reminded Ye Chen of Lin Rouxi who was at school.

"Ehhh. ., why would you use such a thing?!" Ye Chen asked Shen Niang.

"Isn't your place using this kind of thing to chase, am I wrong" Shen Niang said to Ye Chen.

"That's true, but it's surprising to see you use it in person" Ye Chen said to Shen Niang.

"is this suitable for me?" Shen Niang asked Ye Chen.

"Of course it suits you, very beautiful" Ye Chen said to Shen Niang, he felt that it suits Shen Niang.

It would be strange if something like that didn't suit Shen Niang.

Even if she wore ugly clothes, it wouldn't cover up her good figure.

"Then let's get started, we don't have much time left" Shen Niang said to Ye Chen, she informed them that they didn't have time as they had to leave soon.

"I understand . . Ye Chen understood, he started to learn from Shen Niang.

Shen Niang was wearing sexy and beautiful clothes, this made Ye Chen's concentration split into two.

"This is so bad, I can't concentrate" Ye Chen wouldn't be able to concentrate if he continued like this.

"hey, don't you listen to me" Shen Niang said to Ye Chen.

"I listen to what you say" Ye Chen said that he listened to what Shen Niang said.

"You should focus more" Shen Niang said to Ye Chen.

"Whose fault is it that I can't focus on studies, it's clearly your fault" Ye Chen spoke in his heart.

"Fufufu, it seems quite interesting here" Chu Yuechan said to Ye Chen.

Chu Yuechan came over, she was wearing clothes similar to Shen Niang.

Chu Yuechan's figure and appearance were not inferior to Shen Niang, she was quite sexy when wearing a female teacher's clothes.

"It's tighter than I thought, I thought it would be more comfortable to wear a dress." Shen Niang felt that she was more comfortable wearing a dress.

"The two of them, they must be deliberately trying to tease me." Ye Chen realized that they wanted to tease him.

"This will be a difficult test for Ye Chen, he must be able to withstand the Temptations of the beautiful fairies and goddesses who now stand in front of him.

"Blow. . ." Chu Yuechan appeared at Ye Chen's sampling, she blew on Ye Chen's ear.

"uh . . , What are you doing ?" Ye Chen trembled when Chu Yuechan did that.

"fufufu, so funny, master, you are so funny" Chu Yuechan said to Ye Chen, she saw that Ye Chen was very funny.

Chu Yuechan wanted to tease him some more, her heart felt happy when she teased Ye Chen.

"Don't mess with me" Ye Chen warned Chu Yuechan not to mess with him.

"What can you do indeed" Chu Yuechan asked Ye Chen, she wanted to know what Ye Chen could do.

"I can do a lot of things" Ye Chen said to Chu Yuechan.

"Do you dare, there is Shen Niang, you will definitely not dare to do it" Chu Yuechan said to Ye Chen.

The existence of Shen Niang made Chu Yuechan even bolder, she became even more daring because Shen Niang was around.

Chu Yuechan was sure that Ye Chen would not dare to mess around when Shen Niang was around.

"Don't underestimate me, I am a man, I am not afraid of that kind of thing." Ye Chen said that he was not afraid.

"puchi..." Chu Yuechan giggled when she heard what Ye Chen said, she couldn't believe what Ye Chen said.

she kept teasing Ye Chen who was studying.

Ye Chen couldn't let Chu Yuechan be naughty, he had to do something to Chu Yuechan.

Ye Chen stretched out his hand and started to touch Chu Yuechan.

"Ahh. . ." Chu Yuechan groaned, she felt a splendid feeling from Ye Chen's finger.

"Hmmm . . ." Chu Yuechan's shout made Shen Niang aware of what was happening.

"Uhhh. . ., master . . ." Chu Yuechan said to Ye Chen, she felt a wonderful feeling from Ye Chen's touch.

"Who told you to mess with me, you will pay the price" Ye Chen said to Chu Yuechan, Chu Yuechan will pay the price for playing around.

"Fufufufufu" Chu Yuechan laughed and smiled, she really enjoyed her time with Ye Chen.

Ye Chen was rendered helpless by what Chu Yuechan did, Chu Yuechan was too naughty.

"Um. . ., stop acting like that and get serious, we don't have much time" Shen Niang said to Ye Chen and Chu Yuechan.

"Yesssssss . . ." Chu Yuechan and Ye Chen stopped, they both stopped doing weird and unreasonable things.

Chu Yuechan and Ye Chen didn't dare to go against Shen Niang, they didn't want to find trouble with Shen Niang.

Shen Niang sighed, she was a little jealous of what Chu Yuechan and Ye Chen were doing.

if only she was braver, perhaps she could get even closer to Ye Chen.

Ye Chen spent the day and night in the gate leaving with two sexy and beautiful teachers.

In these few days Ye Chen was having trouble enduring the strong temptation of the two captivating beauties.

"Finally done" Ye Chen was relieved that everything was over, he finally broke free from the temptation of the uniform.

Chu Yuechan and Shen Niang had already changed, they had returned to the normal clothes they often wore.

"everything is done, we can go" Shen Niang said to Ye Chen.

"Okay time to leave, I'll head out" Ye Chen said to Shen Niang and Chu Yuechan.

Shen Niang and Chu Yuechan wouldn't come out, they were both too eye-catching, so Ye Chen would take care of things himself.

Ye Chen went to the gathering place, there were so many people here, the number was unusually large.

"So this many, it's not strange when Shen Niang said that there are many." Ye Chen didn't know the exact number, what was certain was that it was a lot.

They are all excited and want to go to the next level, they want to see a new, bigger world.

Even Dongfang Xiong along with all the elders and ancestors came along and left everything they had.

This is a lifetime opportunity that they will never miss, they are willing to do it all and leave what they have to fly higher.

"Welcome everyone" Ye Chen said to everyone in this place, he said to everyone who had come to this place.

"You guys already know what's going to happen ?" Ye Chen said to everyone present in this place.

He told them they should have known what was going to happen.

"can you explain it more clearly" they wanted an explanation from Ye Chen.

"I'm not going to waste time on a big explanation, let's just be brief, there is something out there that you seek and yearn for, a level that you won't be able to get in this place" Ye Chen said to everyone.

Everyone had a serious face when listening to what Ye Chen said, they were all of course interested in what Ye Chen said.

"But I need to remind you, out there you are nobody, you might meet someone who is stronger than you are now."

"even your status and honor will now be lost, you and I will start all over again, that is a tough thing, are you guys able to do that" Ye Chen spoke to everyone.

If they wanted to become stronger, they would have to throw away everything they had right now, all of their status and power would be useless after crossing the dimensional Wall.

"Those of you who are not ready can withdraw right now" Ye Chen said and gave a final warning.

Some people started to have doubts when they listened to Ye Chen's words.

"How could we miss an opportunity like this, it's better to take risks than to rot to death without seeing the outside of the world" one old man said that he would not miss the opportunity that was in front of his eyes.

he had been stuck in traffic for a long time and was no longer able to ride, he wasted his life and had no progress, it was better to take the risk at hand.

the old man's words convinced everyone present.

"You guys have decided, I won't get in your way." Ye Chen used his own strength, he opened the existing barrier wall using his own strength.

"come on . . ." Everyone rushed forward, they all left God Realm and headed to a place they had never been before, this was a new adventure for them.

the number of people in this place was truly staggering, they were like an enormous swarm of ants.

30 minutes later, everyone had crossed over, they had entered the outer God Realm.

Ye Chen would probably call it the Supreme God Realm.

"our master should go too" Chu Yuechan said to Ye Chen.

"You are absolutely right, we should also go" Ye Chen agreed, they should leave this place.

All the women are inside the fairy gate, so no one is left behind.

Ye Chen crossed over, after crossing over, he closed the wall again and repaired the cracks, so God Realm would not be in any danger.

Starting from here Ye Chen's adventure, he must be able to win and become the best.

Fight all the strong enemies and be the best, this journey will probably be the toughest of all.

All you can do is pray to get the best possible protection.

Cultivating to become stronger to survive, that was the task that belonged to Ye Chen right now.

Chapter 2512 Training In A Remote Forest

It had been a few days since Ye Chen had arrived here, he had spent the time he had in a forest that was dense and full of monsters.

Ye Chen decided to train in this place first, he wanted to increase his strength in a quiet place.

"Bam . ." Ye Chen hit the monster in front of him, he hit the Magical Beast in front of him using his full power, he barely held back when holding back the monster in front of him.

The Magical Beast in front of Ye Chen naturally wouldn't be able to withstand Ye Chen's attack.

"Accept it" Ye Chen smashed the monster in front of him.

"It seems your strength is starting to increase rapidly" Chu Yuechan said to Ye Chen, she told Ye Chen that his strength was increasing very fast.

"I'm still at the second stage, it's still quite slow" Ye Chen said to Chu Yuechan.

To be honest, Ye Chen wasn't satisfied with his own development, he didn't accept slow improvement.

"I think it's already good, don't bite what you can't swallow" Chu Yuechan said to Ye Chen.

"I understand that" Ye Chen understood what Chu Yuechan meant, he understood that he shouldn't push himself too hard.

"But this place is full of quite strong monsters" Ye Chen said to Chu Yuechan.

The monsters in this place were quite strong, shouldn't a person at the second tier like Ye Chen be able to survive in this place.

The forest that Ye Chen used to live in was quite a dangerous forest, even someone at the middle level of the Immortal Rebirth Realm would have a hard time surviving alone in a place like this.

"You should be thankful that you have such a strong heritage as well as sufficient artifacts, the monsters here won't be able to harm you" Chu Yuechan said to Ye Chen.

Ye Chen had an extremely good foundation, so the strength he possessed was higher than those at the same level as him.

"Too bad I didn't find the Sage God's final inheritance" Ye Chen said helplessly.

"I told you that when the final inheritance was in this Realm, the Supreme God Realm was enormous, searching for it was truly hundreds of times if not thousands of times more difficult than in the God Realm," Chu Yuechan said.

Searching for the Sage God's final legacy would be the most difficult thing, because it was in a super vast place that was even hundreds of times wider than the God Realm.

"really very troublesome" Ye Chen felt troubled by this matter.

"You don't need to think about that matter too much, now you just need to focus on getting stronger, keep that in mind" Chu Yuechan said to Ye Chen.

"I always remember that, I use it as a motivation to be much stronger than now.

Ye Chen took this as a motivation to become stronger and better compared to the past.

"Then let's fight again and increase your strength, there are monsters not far from this place" Chu Yuechan said to Ye Chen, she told Ye Chen that there are monsters not far from where they are now.

"Okay, I will hunt them and get their bodies." Ye Chen will hunt and get items from the bodies of the monsters he defeated, they will be useful and can also be sold.

"Roars . . ." A snake-shaped magical beast headed towards Ye Chen, a magical beast that had a large body and also sharp fangs

Its body is made of hard rock and also solid.

"is it a stone snake, big enough" Ye Chen said to Chu Yuechan.

"That monster's name is a stone fang snake" Chu Yuechan explained to Ye Chen.

"It has a very strong defense because its body is made of stone, it also has strong fangs and can split its opponent" said Chu Yuechan.

"It seems that he is a worthy opponent for me." Ye Chen felt that the enemy in front of him was an opponent worthy of Ye Chen's full strength.

Ye Chen drew closer and intended to attack the stone fang snake

The stone fang snake was aware of Ye Chen's arrival, it directly attacked Ye Chen using its strong fangs.

The monster opened its jaws wide enough to attack Ye Chen.

Ye Chen was fighting head on, he was using everything he had to fight head on.

"Boom" an explosion occurred when the two forces met.

"Pretty tough" Ye Chen saw that the enemy's defense was strong enough, it was able to withstand Ye Chen's direct attack.

The stone fang snake roared towards Ye Chen, it roared and wanted to kill Ye Chen.

the stone fang snake was agile, it was capable of moving using an unbelievably fast speed.

The stone fang snake chased after Ye Chen, it was able to fly and move at full speed.

"what a troublesome snake" Ye Chen was troubled when he saw the stone fanged snake attack back.

The attack was quite strong and knocked Ye Chen's body away.

Ye Chen was blown away by the outer tail, apart from the powerful fangs, the snake monster had another weapon.

It was put to good use fighting against Ye Chen.

Ye Chen retreated a few meters back, the attack just now was well resisted by Ye Chen.

"reasonable . . ." Ye Chen decided to advance, he attacked using Breaking Meteor Blow coupled with Heavenly Silver Flame.

"take this" Ye Chen shouted, he attacked and hit the Rock Fang Snake that was in front of him.

"Boom. . ." The stone fang snakes turned into rubble and scattered everywhere.

"My attack power is pretty good" Ye Chen saw that his attack power had become much stronger compared to before.

The training that he had made himself sufficient, he would continue to hone his strength to great heights.

"Roars. . ." a loud sound rang out, there were countless Magical Beasts approaching towards Ye Chen, they closed in and started to attack Ye Chen.

"Good, go ahead and fight me" Ye Chen started to fight, he used his strength and started to fight with all the magical beasts around.

A huge battle ensued, Ye Chen fought hundreds of monsters that were much stronger than himself, Ye Chen defeated them with his bare hands, he only needed to use his bare hands to fight and attack them all.

"come ugly monster" Ye Chen went berserk and defeated them all.

Here the positions of monsters and prey were reversed, the monsters that were supposed to be preying on Ye Chen fled after seeing Ye Chen's strength.

"Ehhh. ., they fled." Ye Chen didn't expect that the monsters he fought would flee.

"Fufufufu, they look terrified of you" Chu Yuechan said to Ye Chen.

For them Ye Chen might be more terrifying and terrifying than the monster itself.

"Very disappointing" Ye Chen was disappointed by what happened, even though he expected more from magical beasts.

"Then it's time to take a look at the items we got." Ye Chen was excited as he searched for valuables amidst the piles of magical beast corpses.

There must be one or two valuable items that Ye Chen can get and one magical beast.

a magical beast core would be an item that could be sold easily, it could also be used to make pills, while others might be difficult to use.

"Ahhhhh . . ." Ye Chen was gathering things when he heard a voice from hundreds of miles away from where he was right now.

Ye Chen's hearing was good, so he knew that someone was shouting hundreds of miles from where he was now.

Chapter 2513 Wu Ziyi

"Is there someone in this kind of place?" Ye Chen said that there was someone in the distance.

It seemed that the person was in trouble, it could be seen from the voice that sounded scared.

"You'd better take a look" Chu Yuechan said to Ye Chen, she told Ye Chen to go and take a look..

"I'll go" Ye Chen said to Chu Yuechan, he immediately shot towards the direction of the sound.

He could fly at an unbelievably fast speed, Ye Chen was able to arrive at the scene in just a few seconds.

When Ye Chen arrived, he saw a sight that caught his attention.

Ye Chen saw a magical beast in the form of a fire-breathing bear chasing a woman, more precisely a beautiful woman who had an innocent figure.

The beautiful woman was wearing a simple plain dress without any pattern, she used a ribbon at the back of her hair to tie up part of her long hair, her appearance was very cute, plus she looked innocent and untouched by anything strange.

"I didn't think there would be a beautiful woman wandering around the lonely and dangerous forest" Ye Chen didn't think there would be a beautiful woman wandering around the dangerous forest.

To be honest Chu Yuechan and Ye Chen would never have expected to meet anyone else in this forest because it was so far away from cities and human civilization.

That's why this place served as a training ground for Ye Chen's growth and development.

"Roars . . ." the fire breathed bear roared, it shot a huge flame towards the woman who was running away..

"Don't chase me. ." the woman said to the fire-breathing bear, she wanted to escape from the fire-breathing bear.

From a glance, this woman is a cultivator, only she is not very good at fighting.

To be more precise the opponent he faced was far stronger compared to him now.

The fire-breathing bear was on par with an intermediate cultivator of the Immortal Rebirth Realm, while this woman was only an early stage just like Ye Chen.

"are you just going to stay still and take a look" Chu Yuechan asked Ye Chen.

Chu Yuechan told Ye Chen to help a woman in trouble.

"Okay, I'll go and help her" Ye Chen told that he would go and help the woman in trouble.

"Kyah. . . ." the beautiful woman stumbled, she was completely frightened to the point of not being able to think normally.

"no, don't come any closer" he said to the fire breathing Bear.

The fire-breathing bear approached, it was preparing to pounce on the defenseless-looking beautiful woman.

He was already at his limit, he wouldn't be able to escape from the Fire-breathing Bears anymore.

"Gahhhh" The fire-breathing bear pounced on the sweet innocent woman.

He closed his eyes when he saw what was about to happen, it seemed like this was the end for him.

He thought that everything was over, when it was about to end, Ye Chen appeared and held down the Fire-breathing Bear with one hand.

The beautiful woman opened her eyes, when she opened her eyes and took a peek, she found that there was someone standing in front of her.

"who's that ?" she wanted to know who was in front of her now.

"Troublesome monster, get out of here" Ye Chen punched the Fire-breathing Bear.

Ye Chen used Breaking Meteor Blow to blow the Fire-breathing Bear away into the horizon.

The woman behind was shocked when she saw Ye Chen's strength.

He was taken aback by the strength that Ye Chen had just shown.

"he defeated the fire-breathing Bear with one punch, he must be a very strong person".

the beautiful woman felt that Ye Chen was a very great person and very strong, it was shown when he could defeat a Fire-breathing Bear with a single punch.

"are you okay ?" Ye Chen turned around, he looked at the woman behind him.

"huh?" the beautiful woman was shocked when she saw Ye Chen's extremely handsome figure, she was fascinated when she saw Ye Chen's good looks.

Her face immediately turned red like an apple when she saw Ye Chen, for some reason her heart and body couldn't calm down when she saw Ye Chen.

Ye Chen reached out and intended to help the woman in front of him.

She timidly accepted help from Ye Chen, it made her panic even more when she was together with Ye Chen.

"What's your name?" Ye Chen asked the woman in front of him.

"I am Wu Ziyi" Wu Ziyi told Ye Chen her name.

"beautiful name" Ye Chen said to Wu Ziyi.

Wu Ziyi's face became more and more red, she really couldn't stand Ye Chen's praise.

Wu Ziyi rarely interacted with people, that was because he was shy and preferred to be alone.

This time was a little different, inexplicably he wanted to talk to Ye Chen more.

she wanted to know who the person in front of her was, her curiosity was really strong.

"that, who are you?, can you tell me your name" Wu Ziyi asked Ye Chen.

"My name is Ye Chen" Ye Chen told Wu Ziyi who he was.

"Ye Chen . ." Wu Ziyi recalled the name that belonged to Ye Chen.

She looked at Ye Chen with a coy look, it looked sweet and cute.

"what are you doing in the forest?, this place is dangerous for you" Ye Chen said to Wu Ziyi.

"that. . ., actually I was looking for something" Wu Ziyi said to Ye Chen.

"What are you looking for ?" Ye Chen was curious, maybe he could help.

"I'm looking for pure jelly mushroom." Wu Ziyi told him what he was looking for.

"Do you need that to treat temporary paralysis of someone?" Ye Chen said to Wu Ziyi.

"how did you know about it" Wu Ziyi was shocked when she saw Ye Chen knew what she was going to do with pure jelly mushroom.

"I of course know about what you are going to do, how about I help you, this place is dangerous and vast, a sweet and innocent girl like you won't be able to survive in such a dangerous place" Ye Chen said to Wu Ziyi.

Ye Chen wanted to help Wu Ziyi, at the same time he wanted to train and improve his strength.

Wu Ziyi is not too strong, if he forces, then she will die in this place.

Rather than that, it was safer for Ye Chen to help find what Wu Ziyi was looking for.

He will help and help Wu Ziyi get the thing.

"Thank you very much" Wu Ziyi thanked Ye Chen, she was very happy with the help that was given by Ye Chen.

The two walked together, the two of them looking for mushrooms around this place first.

Wu Ziyi lowered her head and occasionally she glanced at Ye Chen, he peeked at Ye Chen shyly.

"He is really so handsome, how can a man like this exist in the world" Wu Ziyi said in her heart.

Even though Wu Ziyi didn't interact much with men, she could somehow conclude that easily.

"Roars . . ." Several vultures appeared, it started attacking Ye Chen and Wu Ziyi.

Chapter 2514 Help Wu Ziyi

"let's find a hiding place, they are fast and agile, we will get a problem" Wu Ziyi said to Ye Chen.

Vultures are fast and deadly, they would have trouble against such powerful monsters.

"they look tame" said Ye Chen to Wu Ziyi.

Wu Ziyi made a confused face, she couldn't think about what Ye Chen said.

"That's a terrible bird, how could he say that" Wu Ziyi couldn't think about what Ye Chen was thinking.

"Let's go" Wu Ziyi said again to Ye Chen, she pulled Ye Chen away.

Ye Chen didn't want to leave, he was still relaxed on the spot and didn't see monsters as a real threat to him.

The bird went towards Ye Chen, it swooped down and wanted to attack and kill Ye Chen.

"Ahh. ." Wu Ziyi didn't dare to look, she didn't dare to see what would happen next.

Ye Chen extended his hand forward, he immediately grabbed and crushed the neck of the bird that was trying to attack him.

"Cracks . ." "With just a little bit of force, the vulture's neck was instantly crushed, the bird's neck bones shattered into pieces.

Wu Ziyi panicked when she heard the cracking sound, she thought that Ye Chen's body was crushed by the attack of the vulture.

"It's a shame it's worthless, throw it away." Ye Chen said to Wu Ziyi, this bird was useless to Ye Chen.

The most useless vulture, it doesn't have enough value to sell.

Wu Ziyi opened her eyes, when she opened her eyes, she was shocked to see Ye Chen holding the dead scavenger.

"huh?, how do you do it?" Wu Ziyi was of course shocked when she saw what happened, she asked Ye Chen and wanted to know how Ye Chen killed the vulture.

"I just broke his neck, there's nothing special about that matter" Ye Chen pointed out that there was nothing special about the matter that happened.

"This is not true. I heard that vultures are very strong and fast. Many cultivators and adventurers have died fighting them.

"he beat him so easily, that's amazing" Wu Ziyi felt that Ye Chen was becoming more and more extraordinary.

"let's continue on our way, it won't be over quickly" Ye Chen said to Wu Ziyi.

Ye Chen smiled and did not explain further to Wu Ziyi

Ye Chen was aware that this would not be over quickly.

"Understood" Wu Ziyi understood, she followed behind Ye Chen to look for the whereabouts of the Pure Jelly Mushroom.

Ye Chen looked around, he asked for help from Chu Yuechan to look for him too.

Chu Yuechan helped Ye Chen, she was looking for what Wu Ziyi needed.

Ye Chen and Wu Ziyi had been around for around 4~5 hours, they didn't find what they were looking for.

"This is much more difficult than I imagined." Wu Ziyi didn't expect that this would be such an extremely difficult thing to do.

It wasn't strange that pure jelly mushrooms were extremely expensive, finding them being an incredibly difficult thing to do.

"Don't give up too soon" Ye Chen said to Wu Ziyi, he told Wu Ziyi not to give up so quickly, he was sure that they would find it.

"I didn't think that finding it would be quite difficult" Chu Yuechan said to Ye Chen.

Chu Yuechan also didn't find him, she looked troubled.

"That's probably because it's not suitable for growing in this forest" Ye Chen summed up what he knew to Chu Yuechan.

"That's a plausible reason" Chu Yuechan agreed with what is said by Ye Chen.

"Can we really find it?" Wu Ziyi asked Ye Chen.

"Take it easy, we still have time, you're not in a hurry right?" Ye Chen asked Wu Ziyi.

"I still have around 5 days of time" Wu Ziyi said to Ye Chen.

she probably still had enough time to look for it.

"Very good, then there is still time" Ye Chen said that they still have time.

"Let's continue" Ye Chen said to Wu Ziyi, he invited Wu Ziyi to continue.

They may have to go deeper, then they will find what they are looking for.

"but it will become more and more dangerous inside" Wu Ziyi said to Ye Chen.

Wu Ziyi knew that it would be even more dangerous inside, which was why she didn't want Ye Chen to get into trouble.

"I'm fine, you don't need to worry about that matter" Ye Chen said to Wu Ziyi.

"I will protect you, let's find it" Ye Chen said to Wu Ziyi, they will find it together.

"um . ." Wu Ziyi believed what Ye Chen said, he was sure that they would find him.

Ye Chen and Wu Ziyi entered an even deeper passage, when they entered a deeper passage, they started to encounter even more powerful monsters.

Ye Chen is starting to get serious here, he is serious about fighting the magical beasts that attack them.

"cool" Wu Ziyi felt that Ye Chen was too cool, Ye Chen was too cool when fighting all the magical beasts that existed.

"don't be too far away from me" Ye Chen said to Wu Ziyi, he told Wu Ziyi not to be too far away from him.

"Um. ." Wu Ziyi nodded, she nodded at Ye Chen, she would do what is said by Ye Chen.

Ye Chen and Wu Ziyi went deeper inside, they didn't have too much trouble because Ye Chen was strong enough to endure everything.

"We're deep enough, we should be able to find one" Ye Chen said.

Ye Chen gave encouragement to Wu Ziyi, he assured that they would get one.

"um, we have to be confident" Wu Ziyi tried to be optimistic, she would do her best to stay optimistic in the search.

"Master, I found what you were looking for" Chu Yuechan said to Ye Chen.

"Is that true ?" Ye Chen asked Chu Yuechan again, he was trying to confirm about this matter.

"Of course, do you dare to doubt what I'm saying" Chu Yuechan said.

Chu Yuechan looked displeased when she saw Ye Chen doubting what she said.

"There's no way I doubt you" Ye Chen couldn't possibly doubt what Chu Yuechan said, he would believe what Chu Yuechan said.

"So where is it, quickly tell me" Ye Chen told Chu Yuechan to give item place.

"over there" Chu Yuechan pointed and started telling him where she found the pure jelly mushroom.

"fine, I'll go there immediately" Ye Chen decided to go there immediately.

"Come with me" Ye Chen pulled Wu Ziyi, he told Wu Ziyi to come with him.

"Ehhhh . ." Wu Ziyi was shocked when she pulled by Ye Chen, she was embarrassed when she was pulled directly by Ye Chen.

The two of them finally arrived at a place that was quite dark as well moist.

"this is a good place, looks like we will find what we are looking for" Ye Chen said to Wu Ziyi.

Wu Ziyi was delighted when she heard what Ye Chen had to say.

Ye Chen and Wu Ziyi advanced a bit, after advancing for some time, they finally found what they were looking for.

"We finally found ." Wu Ziyi looked very happy, she was too happy to know that they had succeeded.

"wait a minute . ." Ye Chen stopped and covered Wu Ziyi's mouth.

He told Wu Ziyi to shut up and not make a loud noise.

"umm . . ." Wu Ziyi tried to speak, too bad Ye Chen covered her mouth.

Ye Chen watched from the darkness, he saw a monster waiting for pure jelly mushroom.

Chapter 2515 Wu Ziyi Came To Ye Chen's Place

"A gorilla" Ye saw that around there was a gorilla waiting and guarding the pure jelly mushroom.

They were jet black in color, they looked absolutely terrible with their huge bodies and thick fur.

"It seems that it's a powerful magical beast, it has a great body and strength" Chu Yuechan said to Ye Chen.

Chu Yuechan explained to Ye Chen, she told them that they had strong strength.

"They are not very strong, the strongest is only their leader" said Ye Chen.

Ye Chen saw the one in purple, it was the most powerful and the most massive of all.

"Monkey it will be troublesome for you, you have to be careful" said Chu Yuechan.

Ye Chen nodded lightly at Chu Yuechan, he understood what is said by Chu Yuechan.

"It's over, we won't be able to get it" Wu Ziyi said.

Wu Ziyi seemed to have given up, she turned pale when he saw the monster guarding the item she was looking for.

They definitely wouldn't stand a chance of obtaining one, Wu Ziyi was absolutely certain of that.

Ye Chen smiled as he heard this, he saw that Wu Ziyi was pessimistic about getting it.

"Don't worry, we will get it, I have a trick that can help us." Ye Chen said that he had a trick that could help them get the item easily.

"what kind of tricks do you have" Wu Ziyi wanted to know what kind of tricks would be used by Ye Chen, she was quite curious about this matter.

Ye Chen was so mysterious, it made Wu Ziyi interested, she was quite interested in what could be done by Ye Chen.

"Perfect Steal" Ye Chen used Perfect Steal, he took all the mushrooms from the gorilla's hands.

Wu Ziyi was shocked and speechless when the pure jelly mushroom disappeared.

Where did it go?, Wu Ziyi was curious about it disappearing.

"we got it" Ye Chen said to Wu Ziyi.

Wu Ziyi was quite surprised when she found out that the pure jelly mushroom was already in Ye Chen's hands.

"how did you do that ?" Wu Ziyi asked Ye Chen, she wanted to know how Ye Chen did it.

"Shhhh. . ., you don't need to know, let's leave before they realize their item we have stolen" Ye Chen said to Wu Ziyi.

"Um. . ." Wu Ziyi agreed with what is said by Ye Chen.

The two immediately left this place, they already got what they were looking for.

Along the way Wu Ziyi smiled flowerily, she looked very happy, she finally got what she was looking for.

Ye Chen was also happy when he saw her, he was really happy to see the smiling Wu Ziyi, she was very beautiful when she smiled.

The two of them finally came out of the inner forest, when they realized that it was almost night and they probably wouldn't have time to get out of the forest.

"It's late, are you going to go straight home or stay at my place" Ye Chen offered to Wu Ziyi.

"I want to stay at your place" Wu Ziyi said to Ye Chen, she told that she wanted to stay at Ye Chen's place and come back tomorrow.

Wu Ziyi wanted to know the place that belonged to Ye Chen, that's why he accepted Ye Chen's offer.

"come with me" Ye Chen said to Wu Ziyi, he invited Wu Ziyi to go to his residence.

Ye Chen made a small hut in the middle of the forest, he built it quickly for a temporary residence, this was not very good because it was made in haste by Ye Chen.

"Wow . . ., you live in a place like this?" asked Wu Ziyi.

Wu Ziyi was surprised by Ye Chen's residence, although small was good, there were a lot of modern things that made Wu Ziyi interested in trying it.

"I'm sorry, I don't think my place is very good" Ye Chen apologized, his place is not very good, it is still quite ugly and not very good compared to Which owned by Wu Ziyi.

"Not really, the place where I live isn't that great either, in fact this place is much better than what I have" Wu Ziyi was from a lower class family, could is said if the place of residence may be lower compared to that owned by Ye Chen.

"You can use everything in this place to your liking" Ye Chen said to Wu Ziyi.

"Um" Wu Ziyi understood, he started to leave and looked around.

Ye Chen's house was only 10x10 meters, it wasn't too big and cramped for live in by more people, even so this place is very convenient.

Wu Ziyi wandered around, she really enjoyed the place Ye Chen belonged to.

"Can I use the bathroom?" Wu Ziyi asked Ye Chen.

"Of course" Ye Chen allowed Wu Ziyi to use the bathroom.

"Thank you very much." Wu Ziyi was very happy when she heard this, she immediately went and took a bath with warm water.

"ahhh . . . , it's very convenient" Wu Ziyi felt more relieved, she enjoyed bathing at Ye Chen's place.

"This is really something . . . , he is kind and also handsome, kyaaahhh" Wu Ziyi thought of Ye Chen, she thought of Ye Chen which made her heart and mind uneasy.

"ummm . . ." her face turned red when she was thinking about Ye Chen.

Wu Ziyi was lost in thought while taking a bath, she really looked beautiful.

"That little lady quite believes in you, she isn't even wary of you peeking at her" Chu Yuechan said to Ye Chen.

Chu Yuechan could assured that Wu Ziyi trusted Ye Chen, otherwise she wouldn't have bathed at Ye Chen's place.

"Yuechan, what do you think about her?" Ye Chen asked Chu Yuechan, he wanted to know what Chu Yuechan thought of Wu Ziyi.

"she is very kind, she has very good things, she probably comes from a small family" Chu Yuechan said to Ye Chen.

"Does she have something special?" Ye Chen asked Chu Yuechan.

"she has Spirit furnaces body, he might be suitable to be an alchemist" Chu Yuechan said to Ye Chen.

"Is that so, he really is something" Ye Chen felt that Wu Ziyi was something.

"I will make food for tonight" Ye Chen decided to make dinner.

Ye Chen cooked, he cooked the ingredients that he could find around the forest.

This was a vast forest, there was an abundance of food to seek and find, so Ye Chen didn't lack food.

Wu Ziyi was still quite a while away, he might not be coming out anytime soon.

Women loved taking baths, so it wouldn't be strange for her to be in there for a long time.

Ye Chen made some food, he made a normal one so Wu Ziyi wouldn't be too shocked.

20 minutes later, the small table was gone fulfilled by food.

"How long are you going to take a shower?" said Ye Chen to Wu Ziyi.

Ye Chen didn't listen to Wu Ziyi's movements, that's why he spoke to Wu Ziyi.

"I'm sorry" Wu Ziyi said to Ye Chen, inside she was lost in thought and forgot.

Wu Ziyi washed her body and came out, she dried her body quickly.

Chapter 2516 Wu Ziyi Slept Beside Ye Chen

Wu Ziyi came out, she came out with her hair still slightly wet, she probably didn't have enough time to dry her long hair.

Wu Ziyi's appearance was quite seductive, she made a seductive appearance in front of Ye Chen.

"Wow, that was great" Wu Ziyi was surprised when she saw Ye Chen making some delicious looking food to eat.

Wu Ziyi was too innocent, she was not aware of the charm she possessed, if he was aware, she would know that the current her was quite seductive to the opposite sex.

Ye Chen liked when he saw this thing, he was really interested in Wu Ziyi.

"let's eat" Ye Chen said to Wu Ziyi, he invited Wu Ziyi to eat together.

Wu Ziyi enjoyed what was given by Ye Chen, she really likes all the dishes that made by Ye Chen.

"It's so delicious" Wu Ziyi loved it, everything Ye Chen made tasted so delicious, she couldn't complain about Ye Chen's cooking.

Ye Chen was happy to hear this, it was great to see Wu Ziyi quite voraciously eating the food Ye Chen made.

Both of them quickly finished their food, they finished it all.

"This is really good, I didn't think that I could eat such good food" Wu Ziyi said to Ye Chen.

"Hehehehe" Ye Chen smiled when he heard what is said by Wu Ziyi.

It seemed that Wu Ziyi had never felt this good before.

"um, that's absolutely true" Wu Ziyi said to Ye Chen, she wasn't that good because of all they had spent for resources to cultivate.

So it's not strange that they don't have too good food to live on.

Ye Chen understood, he could understand what was felt by Wu Ziyi.

"let's sleep, tomorrow you will come back right" Ye Chen said to Wu Ziyi.

"Um. ." Wu Ziyi understands, tomorrow she will return to the city.

Somehow Wu Ziyi was not very happy when she heard this, she felt a loss when she found out that she was about to part ways with Ye Chen.

Ye Chen and Wu Ziyi slept, Ye Chen gave a mattress to Wu Ziyi.

Wu Ziyi sleeps, she enjoys what is given by Ye Chen.

Both sleep and only separated by a distance of about 1 meter only.

For Wu Ziyi this was too close, she could very clearly see Ye Chen's face.

Wu Ziyi smiled, she was enjoying the time she had, she looked at Ye Chen with great tenderness.

"good night" Wu Ziyi said to Ye Chen, she wished Ye Chen good night.

After bidding Ye Chen good night, Wu Ziyi closed her eyes and started to sleep.

.

.

Meanwhile in the forest.

The group of gorillas started roaring with rage rising to the sky, they were all furious when they found out that their food had been stolen by Ye Chen.

Pure jelly mushroom is a food that can increase their strength, they can increase their strength after consume that thing.

they've waited long enough for them to use, no suspected if pure jelly Mushrooms will easily stolen without them knowing.

"Find the creature that took it" the leader of the gorillas ordered to find the person who took their things.

"Ready . . ." they started looking for the whereabouts of Ye Chen and Wu Ziyi, they would find the two of them and make a calculation.

"Roar" The gorilla group immediately left, they all immediately went to retrieve the Pure Jelly Mushroom.

The forest started to become very chaotic, all the monsters started screaming as the hordes of gorillas started attacking and destroying all over the place.

The forest situation became very dire and fires were everywhere.

Gorillas destroy the forest to find what they are looking for, all the magical beasts are afraid and hide.

They didn't dare to fight back because of the difference in strength they had.

"roar, keep looking, we have to find it" they keep looking, they don't care if all beings are destroyed.

All the magical beasts are cursing, they are all having trouble because of Ye Chen.

The entire forest was completely in chaos, no one could sleep in this kind of situation.

Luckily Ye Chen made a home that wasn't easy entered and had a strong defense, so no one could find trouble with Ye Chen.

The night finally passed comfortably, the morning came and woke up Ye Chen and Wu Ziyi.

"it's morning?" Wu Ziyi felt that this night had passed so quickly, she somehow managed to sleep soundly enough.

Wu Ziyi wanted to get up, when she tried to get up, he found that she was lying next to Ye Chen, she was using Ye Chen's arm for a pillow.

"Ehhhh?, how could this happen?" Wu Ziyi was shocked, she was shocked when she saw and knew what was going on.

"What's going on, it's confusing for me" Wu Ziyi didn't understand, how could she sleep beside Ye Chen, plus she used Ye Chen's arm.

Wu Ziyi looked to the side, this was clearly Ye Chen's bed, that means he was the one who approached Ye Chen.

Wu Ziyi was as red as an apple, she was really embarrassed by what happened.

"how did you sleep ?" Ye Chen asked Wu Ziyi.

"Ummm, good" Wu Ziyi said to Ye Chen, she told that she slept well.

"I'm happy to hear that" Ye Chen was happy to hear that Wu Ziyi slept comfortably.

"Sorry that I slept in your arms." Wu Ziyi tried to apologize for the mistake she made.

"no problem" Ye Chen said to Wu Ziyi, he didn't mind this kind of little thing.

Precisely Ye Chen was happy because he got pure Yin Qi when he touched Wu Ziyi.

"let's get up" Ye Chen said to Wu Ziyi, he told Wu Ziyi to get up.

"Okay . ." Wu Ziyi got up from Ye Chen, she immediately went and tidied up her clothes.

It didn't take long, she instantly turned into a beautiful woman.

Ye Chen came out, when he came out, he saw smoke filling the forest and thick fog was around his house.

"something is happening" Ye Chen was sure that something was happening, he was sure that something was happening to this forest right now.

"I feel an uncontrollable monster horde" Ye Chen can feel that there are many uncontrollable monsters rampaging.

"It's likely that the gorilla group from before, they're most likely angry at you" Chu Yuechan said to Ye Chen.

Chu Yuechan deduced what was going on.

Ye Chen didn't expect that they would come to their senses, they seemed to be aiming for Wu Ziyi.

"What is it?" Wu Ziyi came out, she asked Ye Chen, she wanted to know what happened in this place.

"You better quick leave this place, they might realize and look for you" Ye Chen said to Wu Ziyi.

He told Wu Ziyi that she targeted by a gorilla guarding pure jelly mushrooms.

"Is it because pure jelly mushrooms is pure" Wu Ziyi asked Ye Chen.

Wu Ziyi knew and was aware of what happened, she was aware of what happened.

"That's right." Ye Chen nodded, he informed them that they were after the pure jelly mushroom that was in Wu Ziyi's hand.

"That's why you should leave immediately, it's not good for you to continue in this place" Ye Chen said to the pure jelly mushroom.

"I understand" Wu Ziyi naturally obeyed Ye Chen's words, he immediately left this place.

Ye Chen escorted Wu Ziyi out of the forest, he made sure that Wu Ziyi was safe when she came out.

They were moving at an incredible speed, Ye Chen was sure that they would not found.

Chapter 2517 Ye Chen Vs Purple Gorilla

"roar. . ." a voice drew closer towards Ye Chen and Wu Ziyi.

"Their master is approaching, it seems they managed to find you, they used smell to locate the pure jelly mushroom" Chu Yuechan said.

"It seems too late" Ye Chen saw that it was too late.

"Ye Chen, they" Wu Ziyi said to Ye Chen, she knew that the monsters were approaching fast.

"They are indeed approaching fast, you better leave soon, I will take care of them all for you" Ye Chen said to Wu Ziyi.

He told Wu Ziyi to leave, he would take care of everything in this place.

Ye Chen would fight them, meanwhile let Wu Ziyi go.

It would be troublesome if Ye Chen were to fight together with Wu Ziyi, the magical beasts that were chasing would definitely target Wu Ziyi.

"But . . ." Wu Ziyi didn't want to go, she didn't want to go alone.

"You better do it, it will get me in trouble if you stay" Ye Chen said to Wu Ziyi.

"I. . ." Wu Ziyi couldn't answer Ye Chen, she was completely speechless by Ye Chen.

"Let's go quickly. . ., the exit is not far from this place" Ye Chen said to Wu Ziyi, the exit is not far from this place.

"I'll be fine" Ye Chen smiled, he told him that he would be fine, so Wu Ziyi didn't need to worry.

Wu Ziyi understood, she immediately left, she left this place quickly.

Ye Chen sat on a rock, he waited for the gorilla group to arrive soon.

"man . . ." they stopped when they saw Ye Chen.

"You guys have arrived, good I've been waiting for you" Ye Chen said to the gorilla group.

"get out of our way" they said to Ye Chen, they told Ye Chen to get out of the way.

"I don't want to step aside, do you guys have a problem with that" Ye Chen said.

Ye Chen wouldn't step aside, he wouldn't let them charge forward.

"then don't blame us for killing you in this place" seeing that Ye Chen didn't want to leave, they decided to kill Ye Chen.

The gorilla group advanced swiftly, they charged forward and started to launch an attack towards Ye Chen.

Ye Chen was still sitting on the rock, he stretched out his hand and parried all the attacks that were directed at him.

"Bang. . ." all attacks were blocked by Ye Chen, he endured all attacks launched with one hand.

"This can't be happening" They naturally couldn't believe it when they saw their attack being stopped by Ye Chen.

They attacked again, this time they attacked with full force and strategy.

"Clang, Bammm" once again all the attacks were successfully resisted by Ye Chen, Ye Chen made them back off and sent all the gorillas flying.

"Do you guys understand that you can't pass?" Ye Chen said to the gorilla group.

"Roars . . ." a loud sound came from behind, the gorilla in purple color approached Ye Chen.

This is their leader and the most powerful monster in existence, its strength is extremely terrifying and capable of making vibrations like earthquakes when walking.

"Step aside useless human" he said to Ye Chen, he told Ye Chen to leave this place.

"what if I won't leave this place" Ye Chen asked, he said that he would not leave this place.

"then I will destroy you" purple gorilla said to Ye Chen.

He directly attacked Ye Chen with a large stick made of a strong tree.

" Bam . . ." Ye Chen retreated when he received the attack from the purple gorilla.

The attack from the purple gorilla was strong enough to knock Ye Chen away and make Ye Chen retreat about 50 meters.

"big strength, you are absolutely right" Ye Chen said to Chu Yuechan.

"Of course, I can't be wrong" Chu Yuechan said to Ye Chen, she told him that he couldn't be wrong.

"Roars . . ." they were all excited when they saw their boss was able to get Ye Chen to retreat.

"feel it, break it" they shouted at Ye Chen, they told Ye Chen to get out of the way.

"Hahahahaha" Ye Chen laughed when he saw what happened.

They were of course shocked when they saw what happened, they were left incomprehensible by what Ye Chen had done.

"Good, you are indeed great" Ye Chen got up, he cleaned the dust that was on his body.

He was very relaxed, to be more precise Ye Chen was too relaxed even against a strong opponent like the purple gorilla.

The purple gorilla felt angry when it saw Ye Chen showing no fear against him, it made him feel very irritated.

"dare to underestimate me, I will make you regret it" purple gorilla came forward, he attacked Ye Chen again using the same attack.

"die . ." the purple gorilla swung its club to crush Ye Chen.

Ye Chen stretched out his hand to the front, he blocked the attack from the purple gorilla with his hands,

"Bamm . . ." The attack from the purple gorilla was successfully resisted by Ye Chen very well, Ye Chen was actually able to hold it very well.

The group of gorillas in front were shocked when they saw what happened, they didn't expect Ye Chen to be able to withstand the attacks of their boss.

"How?" Ye Chen asked the purple gorilla, he endured the attack from his bare hands.

"grrrrr . . ." the purple gorilla growled, he was not happy when he saw what Ye Chen was doing.

"Then let me attack" Ye Chen clenched his fist, he started to attack the purple gorilla.

"Bamm . . . A punch was thrown by Ye Chen, it sent the purple gorilla flying several miles away and smashed into dozens of huge trees.

The group of gorillas could only stare and gape as they saw the scene in front of them.

Their jaws dropped when they saw Ye Chen knock the purple gorilla flying.

the purple gorilla has a strong and big body, it's not easy to knock down the purple gorilla let alone make it crash.

Ye Chen didn't hold back when he threw a punch, it should be to seriously injure the purple gorilla.

"Alright, now it's your turn" Ye Chen said to the monster in front of him.

All the monsters backed away when they heard what Ye Chen said.

To be honest they were afraid of what Ye Chen said, they were all afraid of Ye Chen's strength.

"Boom. . ." the purple gorilla started to get up, it started to get up and looked towards Ye Chen.

"Man. . ." a black aura started to envelop the body of the purple gorilla.

It seemed that the purple gorilla was angry at Ye Chen, it showed and released all the terrifying aura that was in its body.

Ye Chen saw the purple gorilla, it seemed that he was getting serious about fighting Ye Chen.

Ye Chen started to emit his own aura, he gave off quite a strong aura of his own as well.

The sky started to be enveloped by dark clouds as the two auras clashed.

Ye Chen and the purple gorilla stood to one side, both of them enveloped in a powerful aura.

The purple gorilla was the first to charge, it directly charged towards Ye Chen.

Ye Chen also took a step forward, both of them started attacking and exchanged attacks to knock each other out.

"rumbling . . ." The entire land trembled as Ye Chen and the purple gorilla clashed, both of them fighting using all of their strength.

In terms of cultivation level Ye Chen might be far behind, but in terms of strength he was able to match the purple gorilla.

The purple gorilla was equivalent to a peak-level cultivator of the Immortal Rebirth Realm, and the difference in their levels was obviously enormous, between heaven and earth.

Chapter 2518 Wu Ziyi Came Back To Help Ye Chen

"bang" Wu Ziyi heard a loud bang, she could clearly feel the battle that was going on.

"they are fighting" Wu Ziyi paused, she looked at the direction where Ye Chen was.

Wu Ziyi felt guilty towards Ye Chen, how could she leave Ye Chen who was fighting, she was really too embarrassing.

"I will go back and help him" Wu Ziyi wanted to go back and help Ye Chen.

Wu Ziyi turned around, she flew towards Ye Chen, she used her full speed to arrive at Ye Chen's place.

Ye Chen and the purple gorilla were currently in a fierce battle, somehow their physical strength was evenly matched.

Supposedly with Ye Chen's current strength, he wouldn't stand a chance, but in fact, he was able to fight the purple gorilla head-on and force it to retreat.

"human, you are unreasonable" purple gorilla said to Ye Chen, he saw that Ye Chen was unreasonable.

The purple gorilla had already measured Ye Chen's strength, he was sure that Ye Chen had no chance of winning against him.

"What do you mean?" Ye Chen asked the purple gorilla.

"Your strength is not like that on the surface, how do you do it?" asked the purple gorilla to Ye Chen.

"It's probably because of the hard training that I did" Ye Chen said that it was all because of the hard training that he had been doing all this time.

"That's impossible, hard training alone won't make you that strong" said the purple gorilla.

The purple gorilla didn't want to admit what Ye Chen said, he didn't want to admit that Ye Chen was strong because of hard training.

"That is reality, you have to accept it." Ye Chen said to the purple gorilla.

"Do you think I will believe you, you must be hiding something from me, I will try later after killing you" the purple gorilla said to Ye Chen, he said that he would look for him after Ye Chen died.

"It looks like it will be very difficult to happen" Ye Chen pointed out that it would be very difficult to happen.

Ye Chen still had to help Shui Yixian, he had to survive and save her.

Ye Chen exerted more and more strength at his disposal, he attacked the enemy using more and more strength.

Ye Chen didn't hold back, he used all of his strength and abilities to take down the purple gorilla.

The purple gorilla was starting to get overwhelmed, it started to lose to Ye Chen's hands.

The purple gorilla's body began to bleed profusely, the purple gorilla was pushed and rendered helpless by Ye Chen.

"Ye Chen" when the battle got heated, Wu Ziyi appeared, she appeared to help Ye Chen.

"why did you come back" Ye Chen said to Wu Ziyi, why did Wu Ziyi come back.

"I came back to help you" Wu Ziyi announced that she was back to help Ye Chen.

she couldn't let Ye Chen fight alone while her running away like a coward.

Ye Chen saw that Wu Ziyi had courage, he had the courage to go against difficult things, that was a very good point.

"Hahahaha" the purple gorilla saw a prey that could be used to threaten Ye Chen.

The purple gorilla rushed towards Wu Ziyi, he grabbed the body of Wu Ziyi who was in front of him.

Wu Ziyi was too weak, she didn't realize that the purple gorilla was targeting her.

"kyahh . . ." her body was caught by the purple gorilla, she is now in the hands of the purple gorilla.

Ye Chen wanted to help Wu Ziyi, when he was about to help, he was stopped by what would happen if he came forward.

"If you come forward, I will destroy it" purple gorilla said to Ye Chen, he told Ye Chen that he would kill Wu Ziyi if Ye Chen dared to come forward.

Ye Chen was in a dilemma, he ran into trouble when he saw the purple gorilla holding Wu Ziyi hostage.

"Hahahaha, how about now?, can you fight me" the purple gorilla said to Ye Chen.

"Aren't you ashamed to do that?" Ye Chen said to the purple gorilla.

"What's the shame, in battle all means are allowed" said the purple gorilla.

The purple gorilla doesn't care about human rules. After all, it's a magical beast. There's no point in obeying human rules.

"ahhh . . ." Wu Ziyi shouted, he was tightly squeezed by the purple gorilla's huge hand.

Ye Chen saw that Wu Ziyi was in a dangerous state, he had to help her immediately.

Ye Chen thought for a while, he was looking for a way to save Wu Ziyi, about what Ye Chen could do to save Wu Ziyi.

"That's it, I can use it" Ye Chen has a way, he has a way to save Wu Ziyi.

"Look carefully, I will take it from you." Ye Chen said that he was going to snatch Wu Ziyi from the purple gorilla's hands.

"advance just a little bit, he will be crushed" the purple gorilla said to Ye Chen.

The purple gorilla gave a warning that it would crush Wu Ziyi's body.

The purple gorilla was prepared to crush Wu Ziyi's body if Ye Chen dared to come forward.

"Blinks . ." Wu Ziyi's body disappeared, her body suddenly disappeared and was in Ye Chen's arms.

"what, what is that, that's impossible" the purple gorilla couldn't believe what was happening, he looked confused by what had just happened.

How did Ye Chen save Wu Ziyi, the purple gorilla didn't feel any movement from Ye Chen, it was very strange.

Ye Chen used dimensional power to help Wu Ziyi, he could transport Wu Ziyi easily by using dimensional power.

"Ye Chen . ." Wu Ziyi was grateful for what Ye Chen did, once again Ye Chen saved her.

"why did you come back? , I told you to go" Ye Chen said to Wu Ziyi.

"That's because I want to help you, I can't leave the people who have helped me so much, my heart is not comfortable" Wu Ziyi explained the reason.

"You're such a ridiculous girl" Ye Chen said that Wu Ziyi was a very silly girl.

"I will end this quickly" Ye Chen said to Wu Ziyi, he told Wu Ziyi to stay behind, he created a Clone to protect Wu Ziyi.

"You have made a mistake for challenging me, this time I will make you regret it" Ye Chen said to the purple gorilla.

Ye Chen would not forgive what had just happened, he would not allow the previous events to happen again.

"Grrr . ." the purple gorilla growled, he was not happy with what Ye Chen said.

Ye Chen used divine lightning, for the first time after training in this place, he used his own power.

"rumbling . . ." the roar made all beings tremble, the sound from the heavenly thunder made them all fearful.

"What's that . ." the purple gorilla trembled, the strong and mighty monster trembled when he saw Ye Chen use the divine lightning.

"Are you ready to be destroyed?" Ye Chen said to the purple gorilla, he will immediately destroy the purple gorilla.

"God's Judgment Lightning" Ye Chen used the God's Judgment Lightning technique.

Lightning began to gather in the sky and a dragon's figure started to descend from the sky.

"rumbling . . ." the sound of thunder became louder and louder, it made the surrounding monsters as far away as possible.

Chapter 2519 Visited Wu Ziyi's Home

"That's great" Wu Ziyi was shocked when she saw Ye Chen's strength, she didn't expect that Ye Chen would be that strong.

It was clear that the technique Ye Chen was trying to use was extremely powerful, it even frightened all the creatures around.

Wu Ziyi is a cultivator, she naturally understands this kind of thing, she understands what Ye Chen is using.

"Roars . . ." The purple gorilla was trying to escape, it was trying to escape from Ye Chen's attack.

"bam. . ." when the purple gorilla thought of running away, it hit something that looked like a wall.

"What's this ?" The purple gorilla didn't know what was in front of him, he only felt that in front of him was an invisible and very strong wall.

"You won't be able to escape from this place, please accept your destruction?" Ye Chen lowered his attack towards the purple gorilla.

"arghhh" the purple gorilla screamed, an extremely powerful attack was launched towards him.

"Boom. ." a huge explosion occurred, this explosion was strong enough to shake the existing land.

A crater was formed, the crater was formed by Ye Chen's attack.

The purple gorilla's body shattered, it was completely turned to dust by Ye Chen's attack.

"It seems you are exaggerating" Chu Yuechan said to Ye Chen, Ye Chen used God's Judgment Lightning just to kill the purple gorilla.

"I just want to finish it quickly" Ye Chen said to Chu Yuechan.

Ye Chen just wanted to finish things quickly, that's why he used a powerful attack to destroy the purple gorilla.

"It's up to you" Chu Yuechan will not complain, it is useless to complain to Ye Chen.

Ye Chen descended from the sky, he went to meet Wu Ziyi.

"everything is done" Ye Chen said to Wu Ziyi, he told her that everything was done.

"You are really great" Wu Ziyi said to Ye Chen, she praised Ye Chen's strength.

"Not really, I'm not that great" Ye Chen said to Wu Ziyi.

Wu Ziyi smiled, she knew that Ye Chen was humble enough, he didn't want to admit his prowess.

"That . . ., can you come with me ?" Wu Ziyi asked Ye Chen, she invited Ye Chen to go with her.

"Okay, I'll come with you." Ye Chen naturally agreed, he would not refuse an invitation from a beautiful woman.

"Is it true ?" Wu Ziyi was overjoyed when she found out that Ye Chen was willing to come with her.

Ye Chen and Wu Ziyi finally headed to the residence of Wu Ziyi.

Wu Ziyi's residence was not a very big city, it was not a main city, so the population wasn't very dense.

Almost everyone in the city is a cultivator. In this world, it is rare to find someone without strength. Almost everyone has cultivation.

This place is much harsher than the God Realm. Those without cultivation will truly be trampled upon. It is better to cultivate and live a hard life than to be trampled on and live in shame.

It wasn't strange that Wu Ziyi was lacking, it was because his family was small and they had to share everything in order to survive and cultivate.

Wu Ziyi's family had great hopes, they had very high hopes for Wu Ziyi.

They all hoped that Wu Ziyi would be accepted into a good Sect, that's why they didn't mind using everything they had to make Wu Ziyi stronger.

Ye Chen and Wu Ziyi entered the city easily, the guards didn't stop Ye Chen, it was probably because Ye Chen was not a threat to the city.

"So you live in this city" Ye Chen said to Wu Ziyi.

"That's right, this is my residence, even though my family and I live in the suburbs which is a cheap place to live" Wu Ziyi said to Ye Chen.

Ye Chen nodded, he understood what family belonged to Wu Ziyi.

Ye Chen went to the outskirts, according to what Wu Ziyi said, she lived in an area that was slightly worse than the city center, the houses here seemed to be sufficient to live in.

"What are you going to do using pure jelly mushrooms?" Ye Chen asked Wu Ziyi.

"My father and mother were paralyzed, so I searched for pure jelly mushrooms to help them recover."

Wu Ziyi told Ye Chen, she told what he did.

"Is that so, you are very filial" Ye Chen can understand, Wu Ziyi is very filial, she is willing to face danger just to be able to heal her parents.

Wu Ziyi led Ye Chen to her house, Wu Ziyi's house was only about 7 x 5 meters, obviously it was smaller than the hut Ye Chen made.

Even though it was small, Wu Ziyi could live a peaceful life here, so it wasn't too much of a problem for her.

"Father, Mother, I'm back." Wu Ziyi walked in, she announced that he was back.

"oh. . ., so you've come back" when Wu Ziyi walked in, a young man and a few people greeted her.

Wu Ziyi's expression immediately turned pale when she saw who was in front of her eyes.

"Why are you here, what are you doing in my house?" Wu Ziyi asked the group in her house.

"we are here to visit, aunt and uncle, is that not allowed" they tell why they are in this place.

"No way, that must be a lie. You guys must want to do something bad." Wu Ziyi couldn't believe what these people were saying, she couldn't believe that they had come to her place because of that.

Wu Ziyi knew very well who they were, they were all a very troublesome group of people, they often caused trouble around this place and often made women do their bidding.

"oh, so you already know about that, let's get to the point, I want to invite you to dinner" the young master said to Wu Ziyi.

The young man wanted to invite Wu Ziyi to dinner, she wanted to have dinner together with Wu Ziyi,

"No, I won't do it with you." Wu Ziyi immediately rejected him, she immediately refused and didn't want to go with them.

"Don't you know who you're talking to, you should know your place and come with me" the young master looked angry when he found Wu Ziyi refused.

"I don't want to, so please leave my house immediately." Wu Ziyi said that if she didn't want to, she ordered the group to leave immediately.

"Then I will force you." Seeing Wu Ziyi refuse, he immediately intended to force Wu Ziyi to go with him.

They were forcing, they were forcing Wu Ziyi to do what she didn't want.

"No. . ." Wu Ziyi refused, she put up a fight.

What Wu Ziyi had done was useless, she was unable to fight back against those who tried to drag her away.

"stop right there, you guys make me feel irritated" Ye Chen said to the group that wanted to do bad things to Wu Ziyi.

"who are you ?" they were not aware of Ye Chen's existence, nor were they aware of Ye Chen's existence.

"I am the one who came together with him, you can say that I am her partner" Ye Chen said to the group in front of him.

Ye Chen revealed that he was the one who was with and related to Wu Ziyi.

Wu Ziyi was of course shocked when she heard what Ye Chen said, she didn't expect that Ye Chen would say such a thing.

Chapter 2520 Ye Chen Vs Sao Lang

Wu Ziyi's face turned red when she heard what Ye Chen said, she was embarrassed when she heard what Ye Chen said, somehow it felt very embarrassing to her.

"huh?, are you stupid, don't you know who you are talking to, this young master wants her" the young master said to Ye Chen, she wants to get Wu Ziyi.

"what if I don't let you get it" Ye Chen said to the man in front of him.

"don't you know who I am" he asked Ye Chen, he asked if Ye Chen didn't know who he was.

Everyone in this city knew about him, so Ye Chen should know too.

"I don't know who you are, if you dare to make trouble, I don't mind fighting back" Ye Chen said to the young man in front of him.

The face of the young man at the front was really ugly, he looked like he had just been thrown dirt by Ye Chen.

"This guy, how dare he, does he not know who I am" the young man was angry at Ye Chen, he might be able to kill Ye Chen on the spot.

"Ye Chen, he is a strong person, he is one of the young masters of a powerful clan in the city" Wu Ziyi said to Ye Chen, she told Ye Chen not to continue fighting.

The young man in front of Ye Chen was Sao Lang, one of the big Clans within the city and had a strong influence, finding trouble with them would be a problem.

"So what, do I care if they are from a Clan?" Ye Chen said that he didn't care where the man in front of him came from.

If this man wanted to make trouble with Wu Ziyi, Ye Chen would not let him go easily.

Ye Chen was quite strict, he didn't like it when he saw someone bullying a weakling and a lower family like Wu Ziyi.

"You dare" Sao Lang was furious, he wanted to destroy Ye Chen.

Sao Lang's aura was quite terrifying, he gave off a strong killing aura in front of Ye Chen.

Wu Ziyi was scared when she saw the aura exuded by Sao Lang, the killing intent possessed by Sao Lang was very strong

"I'd better get this person out of this house" Ye Chen can't fight in this place, this house might be destroyed if Ye Chen does it.

Ye Chen stretched out one hand of his that gripped the face of Sao Lang, and led him out.

"Huh?" Sao Lang was shocked when he saw what Ye Chen was doing.

"He pulled me, that's impossible. ." Sao Lang couldn't believe what was happening, he couldn't believe what was happening right now.

"we are fighting outside" Ye Chen spoke to Sao Lang.

He wanted to fight outside here, that way no damage would be done.

"You want to be a hero for the little girl" Sao Lang said to Ye Chen.

"Of course, do you think I will let you hurt such a cute girl like that?" Ye Chen nodded, he said that he wanted to be a hero for Wu Ziyi.

"asshole . . ." Sao Lang cursed Ye Chen, he cursed Ye Chen several times.

Ye Chen didn't listen to what Sao Lang said, it was useless to listen to what Sao Lang said.

"Let's finish this, how about I give you three chances to attack" Ye Chen said to Sao Lang.

Ye Chen gave an opportunity for Sao Lang to attack first.

"Huh?, what are you saying, are you kidding me" said Sao Lang.

Sao Lang laughed in his heart, he laughed at Ye Chen for being too stupid.

It wouldn't be strange for Sao Lang to think that Ye Chen was a fool.

Sao Lang already knew the power possessed by Sao Lang, so it wouldn't be strange for him to laugh at Ye Chen.

"Hahahaha, I thought this person was strong, but it turned out to be just an idiot" Sao Lang laughed, he laughed when he saw Ye Chen's stupidity.

"I want to see how strong the cultivators are in this place." To be honest, Ye Chen wanted to know how strong the cultivators in the Supreme God Realm were.

"Yuechan, he is at the fifth level right?" Ye Chen asked Chu Yuechan.

"Yes, he is indeed at the fifth level." Chu Yuechan nodded, the person in front of them was indeed a level five cultivator.

There was a difference of three levels compared to Ye Chen's current level.

"I will make you regret your words" Sao Lang said to Ye Chen.

Sao Lang Forward, he took the first step to attack Ye Chen.

"Take this attack of mine" Sao Lang said to Ye Chen, he took a weapon in the form of a sword and started to destroy Ye Chen.

"die" Sao Lang said to Ye Chen, he slashed at Ye Chen's body.

A vertical powerful swing was aimed towards Ye Chen, it would crush Ye Chen.

Ye Chen took a step back, he dodged Sao Lang's attack.

"What, I missed it" Sao Lang was confused, he didn't understand what happened.

His attack should have been able to kill Ye Chen, but why didn't his attack hit Ye Chen.

"What's wrong, do you have no strength, your attack is so slow" Ye Chen asked Sao Lang.

"Do you . . ., I will kill you".

Sao Lang was getting more and more angry, he was completely angry at Ye Chen, he took all his anger out on Ye Chen.

Because the first strike didn't succeed in killing Ye Chen, this time Sao Lang used a technique to kill Ye Chen.

"flame whirl sword" Sao Lang started spinning, he started spinning and attacked Ye Chen with a strong flame slash.

Ye Chen stayed where he was, he stayed where he was and didn't put up a fight.

"die" Sao Lang said to Ye Chen, he was spinning faster and faster and using more force.

The attack this time could slash a huge mountain.

Ye Chen stretched out his hand, he blocked the incoming attack with one hand.

Sao Lang's attack speed is indeed something, he is able to show an extraordinary speed, the speed he has is indeed something that will not be easy to see.

"Stop . ." Ye Chen stopped the attack from Sao Lang, he blocked Sao Lang's sword perfectly.

"Impossible . ." Wu Ziyi and everyone who saw were shocked by what Ye Chen did, they were speechless when they saw Ye Chen could withstand the attack from Sao Lang.

"how did he do it?" Sao Lang's men didn't believe it, they didn't believe that the attack that was launched could be stopped like that.

They know how strong Sao Lang is, so of course they are aware that Sao Lang is very strong and it is impossible to stop Sao Lang.

Sao Lang's face twitched when he saw what Ye Chen was doing.

"This is impossible, this is impossible, this is a joke right?" Sao Lang still can't believe it, he still can't believe what happened.

The way Ye Chen resisted Sao Lang's attack was beyond ridiculous, how could he withstand such an attack.

"It seems you lack energy, haven't you eaten this morning?" Ye Chen asked Sao Lang.

Sao's face darkened, this was the second time he had been treated like this by Ye Chen.

"That's enough, you forced me to point this out, don't blame me if you crumble to nothing" Sao Lang said to Ye Chen.

Ye Chen was tired of what Sao Lang said, he was bored when he saw Sao Lang talking like that again.
