Chapter 2531 Hu Yan Lost And Was Humiliated

This time she will help Ye Chen to deal with Hu Yan, he will not let Hu Yan do anything bad to Ye Chen.

As a person with high cultivation, Shi Lin would not let Hu Yan hurt Ye Chen.

Shi Lin was already patient enough, she was already patient in the face of Hu Yan, now her patience limit was completely exhausted and she was very angry with Hu Yan.

"Get out of the way, why are you blocking my way" Hu Yan said, Hu Yan didn't like it when he saw Shi Lin pestering himself, Hu Yan wanted to beat Ye Chen.

The two began to fight, they began to fight and showed their abilities.

The two exchanged sword attacks, their attack power could be said to be evenly matched, it was because they were at the same level in terms of cultivation.

Right now these two are at level 10 of the Immortal Profound Awakening Realm, that's one level above the Immortal Rebirth Realm.

The battle fought by Shi Lin and Hu Yan made people retreat, they made room for the two to fight.

Both of them are fire users, so they use their strength to attack each other.

Shi Lin used the fire lotus flower to attack, while Hu Yan used fire arrows to counter Shi Lin's attack.

"Boom . . ." A huge explosion occurred, everyone could tell what had just happened, they saw the battle that was going on.

"Stop . . ." When the battle became more and more hot, someone came and stopped the battle, this person came to stop the battle that was going on.

"You two, please keep an attitude, it's not just you two here" the person in charge said to Hu Yan and Shi Lin, he told the two to stop causing trouble at the event venue.

"He started it, he didn't want to follow the bet, shameless guy" Shi Lin said.

"Tsk . . ." Hu Yan hissed, he was not happy with what Shi Lin said.

"A bet is a bet, both sides have agreed, as a man you have to accept that" he said to Hu Yan.

"I understand" Hu Yan understood, he would have no chance of escape when there were so many people here, he would not get help from others.

The other party has the same power and great influence, they will not interfere in private matters.

Hu Yan gave the thousand-petal spirit flower to Ye Chen, he gave it to the winner.

"Remember, all this is not over yet," Hu Yan said to Shi Lin and Ye Chen.

"Bring more for me next time," Ye Chen said to Hu Yan.

Hu Yan almost fell when he listened to what Ye Chen said

"Bastard, let's go" after cursing Ye Chen, Hu Yan took Hu Mai away, the two left this place with strong shame.

They completely lost, this is an insult to Hu Yan and Hu Mai, they both don't like losing, so it's not strange that they are angry with defeat.

Wu Ziyi said to Ye Chen, she told Ye Chen that Ye Chen was so great, he was able to defeat the much stronger Hu Yan, Wu Ziyi's look at Ye Chen became even bigger again.

"It's all easy, he is too arrogant and too confident" Ye Chen said to Wu Ziyi.

"You really surprised me, I didn't expect that you have such a good skill" Shi Lin said to Ye Chen.

Shi Lin also recognized the abilities possessed by Ye Chen, she recognized the abilities possessed by Ye Chen, the abilities possessed by Ye Chen were great.

Shi Lin rarely praises people, except for truly great people, he will not praise others.

"Young master . . ." People started coming, they started coming to congratulate Ye Chen.

They all obviously tried to get close to Ye Chen, they all wanted to make Ye Chen a friend.

They had another purpose for getting close to Ye Chen.

"Bad, we have to leave soon" Shi Lin said to Ye Chen and Wu Ziyi, she told the two that this would be a bad thing, so she decided to take Ye Chen and Wu Ziyi away from this place.

Both of them will definitely be good objects for everyone, they will definitely be besieged by the people around.

"It's troublesome," Ye Chen held Wu Ziyi and Shi Lin, he used amazing speed to escape from everyone.

Wu Ziyi and Shi Lin were shocked when they saw what Ye Chen was doing, they couldn't believe what they saw now

"We're leaving this place" Ye Chen said to Wu Ziyi and Shi Lin, he told the two.

"Um. . ." the two nodded at Ye Chen, both silent in Ye Chen's arms.

Wu Ziyi and Shi Lin were at ease, she was at ease with what Ye Chen was doing, the hug from Ye Chen made them feel at ease once, they really enjoyed this thing.

"It's so warm" Wu Ziyi felt the warmth possessed by Ye Chen, she felt comfortable in Ye Chen's arms.

Shi Lin felt strange, she had never been treated like this, this was the first time herself was treated like others.

With Ye Chen's speed, they easily left the Event venue easily.

They finally arrived at Wu Ziyi's house.

"It was dangerous just now, we almost couldn't get out of that place" Shi Lin was relieved that they could get out, otherwise they would be trapped there for a long time.

"You are absolutely right, they are terrible, they are like monsters that can pounce on you" Wu Ziyi agreed with what Shi Lin said.

"We've got a good thing, let's make a pill using this thing" Ye Chen has got such a good thing from Hu Yan, he is about to start making pills.

"Let me take a look, I'm curious about your methods" Shi Lin said to Ye Chen.

Shi Lin wanted to know more about Ye Chen, she really wanted to know more and more about Ye Chen.

"of course" Ye Chen didn't mind, he wanted to use the thousand-petal spirit flower that had been obtained to increase his own strength.

He will also give it to Wu Ziyi and Shi Lin.

Ye Chen started the process of making pills, he had the prescription, he directly started and made the thousand-petal spirit flower into pills.

It was refined quickly by Ye Chen, Ye Chen's speed was still very much faster.

"That's so fast, even the master won't be so fast" Shi Lin realized that Ye Chen was so fast, she could tell that Ye Chen had very good control, which made him able to do it well.

"you relax so much" Wu Ziyi saw Ye Chen, Ye Chen was too relaxed in making pills.

"That's right, you are so relaxed, like there is no burden".

"Why, it's easy" Ye Chen said to Wu Ziyi and Shi Lin.

"You are not afraid of failure?" asked Wu Ziyi to Ye Chen, Wu Ziyi has always been afraid of failure, what if it is a rare item made.

"What is it for, you have to be confident, otherwise you will be right, throw away such thoughts, if it fails then start again until you get a perfect result" Ye Chen said to Wu Ziyi.

"Ah, so that's it" Wu Ziyi learned a valuable lesson.

Not only did Wu Ziyi learn a valuable lesson, Shi Lin also learned a lesson from Ye Chen.

She was aware of what Ye Chen was thinking, she knew that Ye Chen had his own standards, it was a very good thing for Shi Lin to learn.

"Boom . . ." Ye Chen successfully made a pill.

"Hemm, how come, it makes me curious" Shi Lin felt curious about the way Ye Chen made the pill, why the method was not the same as what they had.

Chapter 2532 Ye Chen, Wu Ziyi And Shi Lin Break Through

"may I ask you something, it makes me curious" Shi Lin asked Ye Chen

Shi Lin was curious about Ye Chen, she was curious about Ye Chen's methods.

"What are you curious about?" Ye Chen asked Shi Lin.

"Why is there no lightning when you make high-grade pills, when we are not in the special room to make pills" Shi Lin asked Ye Chen.

"That's absolutely true, I'm most afraid of it, it causes me trouble" Wu Ziyi said to Ye Chen.

"That's because I control them, I have the power of lightning" Ye Chen said to Shi Lin.

"Huh?, you have two opposing elements" Shi Lin used a high tone, she was shocked when she knew that.

"Oh, right, I remember you have the power of lightning" Wu Ziyi said to Ye Chen.

Wu Ziyi remembered this, she almost forgot that Ye Chen beat the gorillas with lightning.

"Is that so, I didn't expect that you are one of the rare people, maybe that explains everything" Shi Lin believed what Ye Chen said.

Ye Chen couldn't explain in more detail, it would be troublesome, so making excuses would be better.

"Well, each take one" Ye Chen said to Wu Ziyi and Shi Lin.

"uh, you will give it to me too" Shi Lin asked in a surprised tone.

"Of course, you have helped a lot, I will naturally give it to you too" Ye Chen said to Shi Lin.

Shi Lin was very happy when she listened to this, she thanked what Ye Chen did, she was very happy with the gift given by Ye Chen.

Wu Ziyi and Shi Lin each took one, they saw that Ye Chen's pill was really good.

"It's so pure, it's amazing" Wu Ziyi and Shi Lin were speechless when they saw this.

"let's start" Ye Chen said to Wu Ziyi and Shi Lin, this is the time for them to improve their cultivation.

"Um. . ." Shi Lin and Wu Ziyi understood, they couldn't wait to try the pill made by Ye Chen.

Before cultivating, Shi Lin made a barrier, she blocked everyone who disturbed them.

They started, they ate the pill and began to cultivate.

A burst of pure energy came out of their bodies, they absorbed it and refined it.

Ye Chen, Wu Ziyi and Shi Lin cross-legged and turned a blind eye, they were really in a state of not being able to be disturbed by outsiders.

Wu Ziyi and Shi Lin did well, while Ye Chen did very quickly, thanks to the dimensional power he could absorb at dozens of times the speed of a normal person.

it would make its own benefits for Ye Chen, he would benefit a lot from this kind of thing.

The three did well, time passed quickly without anyone noticing.

Ye Chen broke through to the third level, while Wu Ziyi was from the second level to the fifth level.

Shi Lin himself came to the first realm of the Immortal Refine Soul Realm, he finally broke through the limiter, the pill given by Ye Chen was really very rewarding.

"That's great . . ." Shi Lin said to Ye Chen, she felt that Ye Chen was really awesome.

"That's right, I went up three levels, it's amazing" Wu Ziyi said to Ye Chen.

"Uh, why did I only go up one level, it's so difficult to improve my cultivation" Ye Chen was the worst, he only went up one level alone, which was really bad.

Wu Ziyi and Shi Lin finally realized that Ye Chen had only risen one level.

"It's okay, don't be sad. ." Wu Ziyi and Shi Lin tried to comfort Ye Chen, they tried to comfort Ye Chen who had only risen one level.

"You guys, it doesn't help, so stop" Ye Chen said to Wu Ziyi and Shi Lin, he told that it didn't help.

Shi Lin and Wu Ziyi couldn't help but smile when they saw it, both of them couldn't do anything when they heard it.

Ye Chen stayed at Wu Ziyi's place for a while, meanwhile Shi Lin seemed to be doing the same.

"You won't go back to the Sao Clan" Ye Chen asked Shi Lin.

"No, I will stay here until the time I go back" Shi Lin said.

she didn't want to go back, she wanted to stay in place until time came back to sect.

"So that's it." Ye Chen appreciated Shi Lin's decision, he would not complain about Shi Lin's decision.

Wu Ziyi didn't reject it anyway, so Ye Chen didn't have the thing to refuse it.

Ye Chen himself tried to get close to Wu Ziyi and Shi Lin, their Yin Qi air made Ye Chen's body feel very comfortable, Ye Chen could cultivate with peace of mind.

"This place is small, I don't have much place to live for you guys" Wu Ziyi said to Shi Lin.

"I understand. . ." Shi Lin said that if he could understand this matter, he would probably use the living room.

"I can use the living room like" Ye Chen will probably be together with Shi Lin.

"If you don't mind, you can live together with me," Wu Ziyi said to Ye Chen.

"Eh . . ." Shi Lin was taken aback when she listened to what Wu Ziyi said.

"Wait a minute, what did you say?" Shi Lin stopped Wu Ziyi.

"What's the matter?" Wu Ziyi asked Shi Lin.

"I should be asking you, how can you do that?"

"Huh?, is there any problem?" Wu Ziyi asked in an innocent tone without any sin.

"Of course it's a problem, how could you do such a thing" Shi Lin asked Wu Ziyi.

Inviting a man, it was a strange one for Shi Lin to listen to.

"We once slept together in the same room, so it didn't matter to us" Wu Ziyi said to Shi Lin.

"what! ! !" Shi Lin's voice was so loud, his voice was really too loud to make the house tremble.

Ye Chen turned a deaf ear that belonged to him, it seemed that there would be trouble going on after this.

"You did it, you two did it" Shi Lin pointed at Wu Ziyi.

Shi Lin looked down on Wu Ziyi too much, she thought Wu Ziyi was an innocent little girl, unexpectedly that she was much more aggressive compared to herself.

Shi Lin began to feel defeated, she felt that she had been defeated by Wu Ziyi.

"Then I will join you" Shi Lin said to Wu Ziyi.

Unlike Ye Chen's expectation, Shi Lin joined in instead, she wanted to join them.

Ye Chen originally thought that Shi Lin would get angry and start rebelling, it was unexpected that she would want to join in.

"Of course, it doesn't matter" Wu Ziyi replied innocently, if other people exist, maybe they would misunderstand what Wu Ziyi said.

"okay" Shi Lin was very satisfied, the two dragged Ye Chen, they were going to sleep in the same space.

Wu Ziyi's room is not big, they have to variety an equal space to be fair.

Wu Ziyi on the right side while Shi Lin was on the left side, they were about 30 cm away from Ye Chen's body.

From this close distance, Ye Chen could feel the fragrance of the two, women were so fragrant, the fragrance on their bodies made men excited.

"It's a temptation that I can't fight" Ye Chen found it difficult, he had a hard time when Shi Lin and Wu Ziyi were near him.

The two of them deliberately, they were deliberately to tease Ye Chen.

Chapter 2533 Ye Chen, Shi Lin And Wu Ziyi Slept In The Same Room (1)

Now both of them have changed into clothes that are relaxed and quite open on the arms and legs.

Ye Chen could see their skin more clearly, white and smooth skin was presented in front of Ye Chen's eyes.

"I have to restrain myself a little" Ye Chen felt that if he had to restrain himself, he couldn't let himself fall into temptation.

Think of it as an exercise, an exercise that improves Ye Chen's ability.

"Emmm . . ." Wu Ziyi slept deliriously, she always just got close to Ye Chen and clung tightly to Ye Chen.

"Ye Chen . . ." Wu Ziyi said to Ye Chen, she likes to be close to Ye Chen, Ye Chen gives Wu Ziyi a very comfortable feeling.

Shi Lin woke up when she hear what Wu Ziyi was doing.

"He is so courageous, I must not lose to the little girl" Shi Lin must not lose, she must not lose to Ye Chen.

Shi Lin didn't want to lose, she hugged Ye Chen who was in front of her tightly.

These two women didn't realize that they were making trouble, both of them were making trouble to Ye Chen.

"Fufufufu, you will definitely not be able to stand it" Chu Yuechan said to Ye Chen.

Chu Yuechan giggled when she saw Ye Chen being squeezed by the four soft mountains on the left and right sides, it was the biggest dream of men to enjoy the treatment of the two beauties.

Chu Yuechan deliberately, she must have been deliberately to add oil to the fire.

Ye Chen was already together with Chu Yuechan, she would definitely do her thing to tease Ye Chen and make him lose control.

Ye Chen's hands were itchy, he wouldn't be able to hold on, he was impossible to survive the temptation at hand.

Only an abnormal man might be able to survive when confronted by two beauties like Wu Ziyi.

The two of them are still quite innocent, so they have talent and potential that is still huge.

As long as they get decent training, they will definitely become very strong, more precisely they will become very awesome.

The two became closer and closer, they seemed to be competing to get closer than Ye Chen.

"Already, there is no need to hold back anymore" Ye Chen couldn't hold back.

He pulled Wu Ziyi and Shi Lin closer again.

"Ahh . . ." both of them were shocked when they saw what Ye Chen was doing.

Wu Ziyi and Shi Lin asked Ye Chen, they asked Ye Chen what Ye Chen did.

"I just want to take revenge on you two, do you think I am not a man, so don't mess with me" Ye Chen said to Wu Ziyi and Shi Lin.

Ye Chen touched the skin belonging to Wu Ziyi and Shi Lin, both of them screamed when they felt Ye Chen's touch.

"Ahhhhh . . ." the two yelled, they screamed when they received a touch from Ye Chen.

"It's so great . . ." Both of them felt a comfortable and indescribable feeling, they didn't understand this feeling.

Wu Ziyi and Shi Lin began to pant, the two of them couldn't possibly survive Ye Chen's hand technique.

None of the women could survive Ye Chen's technique, so neither of them would be able to survive it either.

"No . . ." the feeling was too comfortable, their bodies became weaker than before.

They didn't have the strength to push Ye Chen away, they could only surrender when they saw touching them using their hands.

"What is this. . , this feeling is too comfortable once, my body, his mind, it all betrayed me" Shi Lin felt that if her mind betrayed her, it was happy with what Ye Chen did.

Ye Chen's massaging and touching technique became stronger and stronger, two virgins like Wu Ziyi and Shi Lin would not be able to hold on any longer.

Both are made to reach the top with only a few touches.

"Huffffff . . ." Both of them were panting, they enjoyed it, even if only for a short time it was very beautiful.

"You'd better be more obedient" Ye Chen said to Wu Ziyi and Shi Lin, he told the two to be more obedient.

"It was great just now, what did you do to you" Shi Lin was interested, she liked what Ye Chen did.

"I just use the skills I have to you guys are comfortable, it's a massage technique" Ye Chen said to Shi Lin.

"That's great, please do it again. . , I want to" Shi Lin said to Ye Chen.

Shi Lin told me that she wanted to, she wanted the feeling given by Ye Chen, that feeling was very comfortable, Shi Lin couldn't ignore that kind of feeling.

"That's great" Wu Ziyi also likes, she likes what Ye Chen does, the feeling given by Ye Chen is very real once.

It was a very beautiful feeling once for both of them, a feeling that made them feel at ease.

Wu Ziyi and Shi Lin felt it, both of them seemed to be addicted to that feeling.

Ye Chen smiled, he made good use of this, he would not let go of the opportunity to repair his body just in case in the future.

The more he can get the Yin Qi of Shi Lin and Wu Ziyi, then it will be a good thing.

"Then I'll start, you guys should be even more patient" Ye Chen said to Wu Ziyi and Shi Lin.

She told the two to be even more patient, that way Ye Chen could easily put them at ease.

Wu Ziyi and Shi Lin were obedient, they were both completely obedient to what Ye Chen said.

"Master is indeed great, making them both obedient like that, if it wasn't you, I'm sure that it would be a very difficult thing to happen" Chu Yuechan said.

Chu Yuechan was very sure that it would be a difficult thing, this might only be done by Ye Chen, Ye Chen who could make the two innocent beauties become extremely obedient.

Even Shi Lin looked very obedient, she didn't care about anything and asked Ye Chen.

The skills possessed by Ye Chen are very good, no woman can afford such skills, even the top-level goddess will have problems when she is together with Ye Chen.

Ye Chen began to treat Wu Ziyi, he knew that Wu Ziyi was the first woman he met, so he deserved it.

Wu Ziyi was very happy when she saw Ye Chen coming to her, it proved that she was important to Ye Chen.

"Are you ready?" Ye Chen asked Wu Ziyi, he wanted to know if Wu Ziyi was ready.

"um . . ., please treat me well" the words chosen by Wu Ziyi are too tempting, others may misunderstand what she said.

"Please don't say nonsense, maybe I will misunderstand" Ye Chen said to Wu Ziyi.

Ye Chen told Wu Ziyi not to say nonsense.

Ye Chen's hand began to move, Ye Chen began to move and began to make Wu Ziyi feel a very comfortable feeling once, she felt a very comfortable feeling once from the touch made by Ye Chen.

"That's amazing, your touch is so amazing" Wu Ziyi said to Ye Chen.

He told Ye Chen that his touch was really extraordinary.

Ye Chen's hand touched the back of Wu Ziyi, every touch made Wu Ziyi tremble, she shook very strongly.

"Ahhh . . ." Wu Ziyi groaned, her voice leaked out and she actually reached the top quickly.

"It's so great, my head feels melted" Wu Ziyi couldn't bear it, she felt that her head wanted to be melted by the touch made by Ye Chen.

Chapter 2534 Ye Chen, Shi Lin And Wu Ziyi Slept In The Same Room (2)

a while later Wu Ziyi fell, she fainted and couldn't stand the overly comfortable feeling in her body anymore.

Ye Chen was too strong, he made Wu Ziyi unable to bear it and fainted on the spot, it was really too comfortable for Wu Ziyi.

Shi Lin looked at Wu Ziyi who had just fainted, she could be sure that Wu Ziyi enjoyed what Ye Chen did very much.

Wu Ziyi enjoyed it, she enjoyed what Ye Chen did very well.

"Now it's your turn, prepare yourself" Ye Chen said to Shi Lin, he told Shi Lin to prepare herself.

"Glup . ." Shi Lin began to worry about whether she could survive all this.

Although a little afraid of what would happen next, Shi Lin did not retreat, she decided to go ahead and give it a try, she couldn't possibly miss anything good in her life.

Ye Chen approached, he slightly raised Shi Lin's petite body.

Shi Lin's body is almost the same as Wu Ziyi, this is still in the process of developing and still has a huge amount of potential to grow, if she can take good care of it, she will grow into an enchanting and seductive woman.

Ye Chen began to measure Shi Lin, he only needed to use his hands to measure the waist size and double peaks owned by Shi Lin.

"No, hurry" Ye Chen nodded, he knew the sizes owned by Shi Lin, everything was perfect, it was the standard for slim women, it was not too exaggerated and not too small, everything fit very well.

Women who cultivate attach great importance to their appearance, Ye Chen rarely sees women with too fat appearance, they naturally maintain their image, let alone for them beauty is everything in the world.

"um . ." Shi Lin couldn't hold on, this was better than before.

Ye Chen had studied and found the point that made Shi Lin weak, so he naturally took advantage of the opportunity to attack Shi Lin's weak point on the back and make him feel at ease to ascend to heaven,

"oh . . ., too great" Shi Lin felt that if she was floating, she really felt a very great feeling, she had never felt a better feeling compared to now.

Shi Lin didn't resist, Ye Chen became more and more courageous again.

Ye Chen saw that Shi Lin was much more mature compared to Wu Ziyi, he naturally knew what Ye Chen was doing and did not fight what Ye Chen did.

"You turned out to be a bad girl" Ye Chen whispered to Shi Lin, he told him that Shi Lin was a bad girl.

"No, don't say such things, I am not that kind of woman, this is my first time" Shi Lin tried to defend herself, she was not that kind of woman.

"Is this your first time" Ye Chen said to Shi Lin.

"Um, it is indeed the first time" Shi Lin nodded lightly at Ye Chen.

"If it weren't you, I wouldn't let it" Shi Lin said.

Shi Lin said to Ye Chen, if it weren't Ye Chen, then he wouldn't let others do such a thing.

"so that's it" Ye Chen nodded lightly at Shi Lin, he looked happy and satisfied with the answer given by Shi Lin.

Ye Chen could see that Shi Lin was not an open woman, it seemed that she did something like this in front of Ye Chen, otherwise she would not want to do it.

"Then I will give you a nice gift" Ye Chen said to Shi Lin, he told her that he would give Shi Lin a beautiful gift.

"Huh?" Shi Lin didn't understand, she looked towards Ye Chen, she was curious about what Ye Chen said.

Unlike what was done with Wu Ziyi, Ye Chen was bolder and more open with Shi Lin, probably because Shi Lin was already more mature in terms of thinking compared to Wu Ziyi.

So there was no reason to hold back, because Ye Chen didn't deceive Shi Lin who already knew what the world was like.

"Ahhh . . ., don't be there" Shi Lin said to Ye Chen, she told Ye Chen not to touch the place.

Ye Chen touched two soft objects, they were soft and comfortable to touch, it fit quite well in Ye Chen's hand, it was not too big and not too small, it just fit Ye Chen's normal hand size.

"what's the matter?, don't you like it" Ye Chen asked Shi Lin, he asked Shi Lin.

"No, it's too strong, I can't possibly hold it" Shi Lin said to Ye Chen, she told her that she would not be able to hold it.

"Look at her trembling body and like what Ye Chen does, it's more honest compared to Shi Lin."

"oh . . ." Shi Lin wouldn't last long, she couldn't possibly hold on for long when teased by Ye Chen in such a way, it was impossible for her to be able to endure, it was too strong for Shi Lin.

"no . . ." Shi Lin finally collapsed, she had no strength and slept beside Wu Ziyi.

"great pure Yin Qi" Ye Chen's absorbed the Yin Qi of the two, this feeling was very comfortable.

Ye Chen hadn't gotten enough Yin Qi intake for a long time, it made his body feel more comfortable and light.

"Very good" Ye Chen was very happy, he was happy to get enough Yin Qi.

Ye Chen looked at Wu Ziyi and Shi Lin, he could see that the two were asleep, they were too tired.

"Well, never mind, enjoy the time slowly" Ye Chen will enjoy this slowly.

He wants to enjoy his time well and not be too rushed.

Ye Chen didn't go to bed right away, he began to think how to be strong quickly, he began to think about what himself would do next.

"I have to go to a place with a lot of resources" Ye Chen felt that if he had to go to a place full of resources, maybe the Immortal Valley Sect was a suitable place for a while.

Ye Chen wouldn't be able to go directly towards a place with great power and influence, he had to start slowly from a small level, it would be faster for Ye Chen and safer.

After setting a goal that belonged to him, Ye Chen turned a blind eye, he began to cultivate and focus on the level of strength that belonged to him.

Ye Chen ignored Wu Ziyi and Shi Lin, both of whom are now exhausted and will not wake up in the near future.

One night passed so quickly, they finally got up and immediately practiced outside.

"Last night I had a good dream" Wu Ziyi and Shi Lin exchanged a few words, they both said what they felt last night.

It seems that Wu Ziyi and Shi Lin think that what happened tonight is a dream.

Ye Chen himself just smiled when listening to the conversation held by Wu Ziyi and Shi Lin.

It seemed that the two of them were unaware of what they experienced last night, everything was in Ye Chen's control and they thought that it was just a dream.

Shi Lin still has a little time, so she trained a little bit with Wu Ziyi.

Wu Ziyi was quite happy when she was together with Shi Lin, the relationship between the two had grown to a further level.

The two of them are like very close friends and share a lot of things.

"Shi Lin, when did you come back ?" Ye Chen asked Shi Lin.

"Of course tomorrow . . ." Shi Lin said to Ye Chen, she looked sad when talking about this.

Chapter 2535 Sao Long Made A Move

"can't it be delayed any longer" Wu Ziyi asked Shi Lin.

Wu Ziyi still wants to be with Shi Lin, she still wants to learn more from Shi Lin.

"I'm sorry, but I have a master, maybe she will be very angry if I don't come back soon" Shi Lin said to Wu Ziyi.

Shi Lin has a master, she must go back, otherwise he will get into trouble and a punishment.

"It's a pity" Wu Ziyi looked disappointed when she listened to this.

"How about you go to the Sect, I told you that there will be recruitment in a while, with the cultivation you have now, it should be able to be done easily" Shi Lin said.

"I don't mind, what about you ?" Ye Chen asked Wu Ziyi, he wanted to know if Wu Ziyi was interested in joining.

"I don't mind either, I want to go in there too, it's a dream I have" Wu Ziyi said to Ye Chen.

"That is a dream shared by Wu Ziyi, Wu Ziyi will definitely do her best to do it."

"Okay, it's so decided" Shi Lin had already decided, she would help them to sign up.

"Here comes my token, you can use it to sign in, I will register you, I hope you come" Shi Lin said to Ye Chen.

Shi Lin said to Ye Chen, she told Ye Chen and Wu Ziyi to come, she would be angry if the two didn't come.

"Understand" Ye Chen nodded, Wu Ziyi will also go, this is a dream that belongs to her.

The three of them spent their time on the streets of the city, they did all the things they wanted in the city.

The next day Shi Lin said goodbye, she said goodbye to Ye Chen and Wu Ziyi.

She couldn't wait to meet Ye Chen and Wu Ziyi again, she was looking forward to the upcoming reunion.

"she is gone, even though it was a lot of fun just now" Wu Ziyi said to Ye Chen.

"We are going to meet again, so there is no need to be so sad" Ye Chen said to Wu Ziyi.

Ye Chen informed that they would meet soon, so there was no need to worry too much about what would happen.

"You just focus on your practice, you definitely want to enter Shi Lin's place" Ye Chen said to Wu Ziyi.

Wu Ziyi nodded at Ye Chen, it was her goal to break into Shi Lin's place, she wanted to become a great and reliable alchemist in the world, she wanted to be known by everyone in the God Realm.

To be able to get to her goal, she must do her best, she must be able to do his best to achieve her goal, the dream he must achieve, now she must do it or nothing, this is a choice that Wu Ziyi inevitably has to take.

Lest Wu Ziyi miss all the opportunities that come once in this life.

"I'm going back to practice in the forest, I'll come when the time is right, if you have any problems you can look for me, you know where I am" Ye Chen said to Wu Ziyi.

Wu Ziyi understood, she told Ye Chen to be careful.

Ye Chen returned to practice in the forest, he practiced and killed the magical beasts around this place.

With that, Ye Chen became stronger and stronger, and he could level up along with the improvement of strength and cultivation inside the fairy gate.

.

At this time in the Sao Clan's place, Sao Long was still looking for ways to deal with Ye Chen, he was looking for the best way to take care of Ye Chen.

"Young master, I got the news that he is now out of town, it is a good opportunity to kill him" the servant came, he told him that he had found Ye Chen's whereabouts, Ye Chen was now in the forest, in the forest and was fighting monsters, it was an opportunity to kill Ye Chen.

"Is it true, then we must quickly seize this opportunity," Sao Long said.

Sao Long must make good use of this opportunity, he must not waste this rare opportunity.

Sao Long immediately brought the family army, he intends to ambush and kill Ye Chen in the forest, no one will be aware of the matter, they will believe that Ye Chen died in the hands of the magical beast.

That way Sao Long won't have to find excuses or cover up the matter, no one will know.

Sao Long brought quite a lot of troops, he brought an unusually large army and could destroy huge monsters easily.

"Master. . ." Chu Yuechan said to Ye Chen, she told Ye Chen that there were several people approaching.

"who is it?" Ye Chen wanted to know who they were, he used Clone to trick the enemy and Ye Chen himself hid and saw them at close range.

Ye Chen watched the movements of the large group, when he watched the movements of the large group, he found that this was the group led by Sao Long.

"isn't that Sao Long." Ye Chen remembered who it was, he knew that this was the person who came together with Shi Lin, otherwise his name was Sao Long, he was the man who was trying to find trouble with Ye Chen.

"I'll listen to what they are going to do" Ye Chen wanted to know what they were going to do.

Ye Chen eavesdropped on the talk held by Sao Long, he listened carefully to the talk that Sao Long was doing.

"That's it, we're about to start, this time we must make sure that he kills in this place" Sao Long gave an order, he gave the order for everyone to surround and start killing Ye Chen.

Ye Chen raised an eyebrow when he listened to what Sao Long said, from the beginning this man tried to find trouble from him.

"You guys want to kill me, you are brave enough" Ye Chen wouldn't let Sao Long leave this place, since he wanted to kill Ye Chen, Ye Chen would kill them all in this place.

"Time to start" Ye Chen used the God Mask, he used the God Mask to increase the strength that belonged to him.

Ye Chen opened the veins of fire and wind for strength and speed, it was time to kill those who dared to find trouble with himself.

Sao Long was still focusing on the Clone made by Ye Chen, she didn't realize that it was only Ye Chen's clone.

The Shadow Clone technique was so powerful, it was so powerful that it was almost impossible to see through it, even the powerful Sao Long wouldn't know that it was just a Clone made by Ye Chen.

"Let's attack him" Sao Long gave an order, he gave an order to attack Ye Chen.

Everyone immediately raised their weapons, they were preparing to attack Ye Chen using the full force they had.

"Boom . . . , Wosh" dozens of attacks were heading towards Ye Chen, explosions and impact destruction were everywhere, it was terrifying to see.

About hundreds of miles of forest sections were destroyed, it was the result of successive attacks launched by Sao Long and his troops.

"We succeeded, that guy will definitely die" Sao Long was sure that if Ye Chen would die when he received such an attack, there was no way Ye Chen would survive such a powerful attack, it was an impossible thing to happen.

"applause . . ." a sound of applause sounded, Sao Long and everyone immediately searched for the origin of the sound, the brand looked for the applauding person.

Chapter 2536 Ye Chen Vs Sao Long

Everyone immediately turned around, they immediately looked towards the place where the sound came from.

"When they turned around, they found an unfamiliar figure, they found a man wearing a mask.

"who are you ?" Sao Long asked, he asked who the person in front of him was.

"I was a wanderer who just passed by, I saw something interesting in this place" Ye Chen pretended to be a passer-by, it was to let Sao Long believe what he said.

Sao Long looked at Ye Chen who was in front of himself, he had a problem when he saw Ye Chen was in front of herself.

"This guy, he just saw what happened, it would be a problem if he told me what happened just now" Sao Long just killed Ye Chen, this would be a problem if anyone knew that he had just killed Ye Chen.

"You'd better not say what happened in this place" Sao Long gave Ye Chen a warning.

"Why, then, if I tell people," Ye Chen told Sao Long.

"You will die here to remove all traces," Sao Long said.

If Ye Chen did indeed do that, Ye Chen had no choice but to take a tough stance on Ye Chen, he would crush Ye Chen to eliminate the evidence at hand.

Until now, Sao Long still didn't know that the person in front of him was Ye Chen, if only he knew that the person in front of him was Ye Chen, he would definitely be very surprised and would be speechless again.

Ye Chen said to Sao Long, telling him that Sao Long would not be able to do that.

"I can do it here, I'm not a weak man" Sao Long said he could definitely do that.

"Then . . ." Ye Chen took out the imaging stone, himself had recorded everything that happened, what happened was inside this thing.

"Do you know what this is ?" Ye Chen said to Sao Long, he showed his own card.

"Damn it. . ." Sao Long was so angry, he was so angry when he knew what Ye Chen was doing.

"Hahaha, what a funny reaction" Ye Chen said to Sao Long.

Ye Chen enjoyed the reaction shown by Sao Long, the reaction shown by Sao Long was very funny.

Sao Long gritted his teeth, what should he do in such a situation, he couldn't do such a careless thing in such a situation.

"I must get rid of this person" Sao Long must get rid of Ye Chen, himself must be able to make Ye Chen eliminated from this world, it is the only way to eliminate traces.

"Everyone obey my words, kill him right now" Sao Long gave orders that belonged to him, he told them all to execute Ye Chen.

Using the orders and commands given, they all went straight away and attacked Ye Chen, they all attacked Ye Chen using the full power they had.

Ye Chen stretched out a hand that belonged to him forward, he stopped all the oncoming attacks.

"I return it to you" Ye Chen reversed the direction of the attack, the attack returned to the owner.

"Boom. .." Some big explosions happen, there are big explosions that happen as a result of the techniques they use.

Ye Chen was unreasonable, his strength made them all have trouble.

"what just happened ?" Sao Long didn't understand what had just happened, he didn't understand what had just happened.

What happened just now was shocking enough, this made Sao Long and the people around confused, they all became confused by what had just happened.

"Is that all your abilities are?" Ye Chen asked Sao Long.

Ye Chen here looks like a capable person, it makes a strong bullying for Sao Long.

"I don't know who you are, for sure I will kill you with my own hands" Sao Long said to Ye Chen.

He was going to kill Ye Chen using his own hands.

under the mask, Ye Chen smiled evilly, he had a very bad thought once, he was about to start taking care of them.

"It's time, it's time to be serious" This is the time, it's a good time to be serious.

Ye Chen took out the Heavenly Silver Flame, when the silver flame appeared, everyone could instantly feel the terrifying heat from the silver flame.

"What is it?" Sao Long didn't understand, he didn't really understand the Heavenly Silver Flame possessed by Ye Chen.

"burn them to ashes, Heavenly Silver Flame" Ye Chen used Heavenly Silver Flame, he burned everyone around by using the heat from Heavenly Silver Flame.

Heavenly Silver Flame moved, it began to spread and burn everyone who touched it.

In just a matter of seconds, the army from Sao Long was reduced to dust and destroyed.

"The fire is abnormal" Sao Long finally realized that the silver flame was abnormal, what Ye Chen released was so terrible, Sao Long could tell that if he touched it, he would burn.

"I have to keep my distance" Sao Long is smart, he chooses to keep a distance from Ye Chen, in this kind of situation, the choice made by Sao Long is a very clever thing.

"Argh . . ." all the troops owned by Sao Long instantly turned into ashes, leaving only Sao Long alone, right now he has no one else around.

"Now it's just you and me, what are you going to do?" Ye Chen said to Sao Long.

Now that there were only two of them left, no one else around this place would disturb them fighting.

"Even if I'm alone, I can still kill you" Sao Long said to Ye Chen, telling him that he could still kill Ye Chen using his hands.

Sao Lang is still very confident, he is still very confident in the ability he has.

He is confident that he can defeat Ye Chen in this place, which is why he is confident to live.

Sao Lang picked up a small axe, he used two small one-handed axes with fairly large tips and had black and red colors.

"The axe is a weapon possessed by Sao Long, he uses the axe to behead all the enemies he fights.

"berserker" Sao Long's began to rage, a huge burst of power burst out of his body and instantly destroyed everything around.

Sao Long has the power of fire, he has an unusually strong power of fire and the level of power that belongs to him rises significantly.

Sao Long is currently in the early stage of the immortal profound awakening realm, his strength can be said to be extremely high, it is not easy to fight and deal with him under the condition of using berserkers and fire explosions.

Sao Long's axe began to be enveloped by flames, the axe was enveloped by deep red flames like the anger possessed by Sao Long.

"I will kill you" Sao Long said to Ye Chen, he was going to kill Ye Chen using his own weapon.

"In this world there are many people who are stronger than you, so don't be arrogant in front of me" Ye Chen decided to fight, he used his bare hands to confront Sao Long.

Ye Chen's hand was enveloped by Heavenly Silver Flame, it was like a boxing glove wrapped around Ye Chen's hand.

Ye Chen and the axe began to clash, the sound was like iron clashing with iron.

Chapter 2537 Defeat Sao Long

"Huh?" Sao Long was shocked when he saw what Ye Chen was doing.

His ax was held by Ye Chen, it made Sao Long speechless, he was speechless when he saw what Ye Chen was doing.

The ax that Sao Long had started to shatter, it started to shatter from receiving the attack from Ye Chen.

"damn . . ." Sao Long roared, he roared towards Ye Chen, here it can be seen that Sao Long was very angry, he was very angry at Ye Chen.

"Hahahaha" Ye Chen laughed, he was like an old man having fun.

"Bastard, don't laugh, how dare you laugh in front of me" Sao Long said in a voice full of anger, he told Ye Chen to stop laughing.

"Listen little kid, you have no chance, do you have any last words" Ye Chen said.

"huh?" Sao Long turned red, his body was enveloped by an unbelievably strong rage.

His fury spread and enveloped around 10 miles of this place.

This was the ability of a berserker, it was a spirit ability that would increase one's strength.

Sao Long's strength increased by one level, it made him even stronger.

The increase in strength from Sao Long would of course have an impact on the profound energy he used, it would definitely require a lot of profound energy.

Ye Chen can be sure when he sees the profound energy as well as the stamina that must be expended to pay for the increase in strength.

"This power, I will use it to defeat you" Sao Long said to Ye Chen, he told that he would defeat Ye Chen by using his strength.

"Master, you must hurry, you use two veins at once, it will burden your body if you use more than 30 minutes".

It had been 15 minutes, since Ye Chen had used the power of sage God, for now Ye Chen could use the power of sage God for a long time without experiencing any side effects quickly.

Even so, there was still a limit especially if opening more than one, it would burden Ye Chen's body.

If Ye Chen didn't use the fire and wind vein, he would be in trouble when fighting Sao Long.

Their levels were quite far apart, Ye Chen was still at the 3rd level of the immortal rebirth Realm, meanwhile the combat power of Sao Long was on par with the 3rd level of the immortal profound awakening Realm.

If Ye Chen didn't have enough inheritance, it would be impossible to fight against someone who was more than one realm level, one could say it was impossible to do.

"Ax Flame strike" Sao Long's struck Ye Chen's body, he used his full strength to slash Ye Chen's body into two pieces.

"Breaking Meteor Blow" Ye Chen hit Sao Long with a Breaking Meteor Blow covered with Heavenly Silver Flame.

"It will increase the power and destructive impact of the Heavenly Silver Flame, it is capable of easily countering any attack in its path.

"Boom. . . ." A huge explosion occurred as the two forces met, the attacks from Sao Long and Ye Chen seemed to be evenly matched, neither one willing to give up the battle.

"ghhhhh" Sao Long roared, he roared towards Ye Chen, he used a very loud voice towards Ye Chen.

"die" Sao Long said to Ye Chen, he told Ye Chen to die, he tried to push Ye Chen to retreat.

"Raghhhhhhhhhh!" Ye Chen shouted, he stepped forward and directly used all the profound energy in his body to suppress Sao Long.

Now it was Sao Long's turn to be forced back by Ye Chen, he was forced back by Ye Chen's attack.

"No, this can't be happening" Sao Long couldn't believe that he lost, he couldn't accept losing to Ye Chen.

"Accept your defeat" Ye Chen said to Sao Long, he told Sao Long to lose here right now.

"Gah . . ." Sao Long had no chance, he was forced back and the ax in his hand shattered into pieces.

Ye Chen's punch went straight through Sao Long's chest, he was sent flying and fell to the ground.

A crater was formed when the impact occurred, a crater with a diameter of 100 miles was formed and Sao Long was in the middle.

"Uhh. . , damn it" Sao Long cursed towards Ye Chen, he cursed Ye Chen using all his strength and ability.

"You can still stand after getting hit like that, quite tenacious too."

Ye Chen came in front of Sao Long, he said to Sao Long who was in front of him.

Sao Long saw Ye Chen with red eyes like blood, he was really furious at Ye Chen, his anger was really terrible.

"I will not lose. . ." Sao Long said to Ye Chen, he will not lose to Ye Chen, he is a winner, he does not accept any defeat.

"Bam. . . Ye Chen landed an attack on Sao Long, he landed a powerful attack on Sao Long.

"Uh . . . , the body of Sao Long began to tremble , it looked difficult to stand , he used all his strength to stand against Ye Chen .

"do you have any last words" Ye Chen said to Sao Long, he told Sao Long his last words.

"bastard, I will kill you" Sao Long said to Ye Chen, he told that he would kill Ye Chen.

"It's useless to talk to you" Ye Chen saw that it was useless to talk to Sao Long.

Ye Chen went upstairs, he started to make a strange movement, he wanted to use a very powerful technique to fight against Sao Long.

An ancient aura appeared, it made Sao Long feel a feeling of dread.

"What's that?" Sao Long didn't understand, he didn't understand what was happening right now.

Sao Long looked towards the sky, he could see that this was Ye Chen's doing.

A huge palm appeared in the sky, that palm was silver in color, it was coated with Heavenly Silver Flame.

"DESOLATE PALMS" Ye Chen used DESOLATE PALMS, he attacked Sao Long using such a powerful technique.

"No, if you do, you will searching for by the Sao Clan" said Sao Long.

"Do I look like I care?" Ye Chen said that he didn't care, he did not care about the threats given by Sao Long.

Sao Long was helpless, right now he could only run, if he didn't run, then he would not survive.

"I won't let you run" Ye Chen will not let Sao Long run.

DESOLATE PALMS fell swiftly, it directly hit Sao Long's body.

"Boom. . ." an explosion and an earthquake occurred when DESOLATE PALMS hit Sao Long's body.

A very strong vibration hit the forest and the area around it, the explosion was so big that it made the crater collapse.

a hole appeared, when Ye Chen looked at it, he saw a small door.

"What's that?" Ye Chen was curious, he immediately approached and tried to find out what was there.

when Ye Chen was there, he found a road ahead, it seemed that the road was a road that would lead to a place.

"what do you think" Ye Chen asked Chu Yuechan, he needed Chu Yuechan's opinion.

"Very interesting" Chu Yuechan said that this was very interesting, she felt that this time was very interesting and they should enter.

Chapter 2538 Mini Dwarf

"Let's go in and find out in there" Chu Yuechan said.

Chu Yuechan took Ye Chen in, they had to find out what was inside there, it made them feel a strong sense of curiosity.

Ye Chen started to enter, he started to fly and started down the passage that was in front of him.

Ye Chen used full speed, in just a few minutes, he had already traveled tens of thousands of miles.

Ye Chen used full speed, that means this place is very long, Ye Chen wants to know when he will reach the end.

Ye Chen spent quite a while, he still didn't find the end.

"I better rest for a while" Ye Chen decided to take a short break

Ye Chen took a drink of water, he started drinking and recovered his strength for a while.

Flying at full speed was quite tiring, so he needed time to recover his strength.

Chu Yuechan came out from inside the fairy gate, she started to look at the surrounding walls.

"There is ?" Ye Chen asked Chu Yuechan, he asked what Chu Yuechan was doing.

"The walls in this place, I can feel a thin layer of profound energy." Chu Yuechan said to Ye Chen.

"what do you mean?" Ye Chen asked Chu Yuechan, he didn't understand what Chu Yuechan meant.

"I'm saying that this place is probably moved by creatures" Chu Yuechan said to Ye Chen.

He said that this place was moved by a powerful being, he was able to manipulate the soil and rocks around him very well.

"oh, I understand now, it's not strange that we never arrived." Ye Chen finally understood, it seemed that something was holding them back, it would not be strange that they never arrived.

"We were just being toyed with" Chu Yuechan said.

These two were completely toyed with, they were completely toyed with by the creatures that existed in this place.

"That pisses me off a bit" Ye Chen said that he was annoyed.

Ye Chen used God Eyes, he wanted to confirm by using God Eyes what was happening up ahead.

Using God's Eyes, Ye Chen saw what was happening up ahead, he could see what was happening.

Ye Chen could see that the wall started to rotate and change direction neatly and quickly, it was almost impossible to sense if one didn't focus properly.

"Oh" Ye Chen was helpless, he spent a lot of time in this place, it seems that this time he has to use his strength to fight back.

Ye Chen used the power of the earth and controlled the soil and rocks around.

"Alright, I'll start, I won't let you be deceived again." Ye Chen would not allow himself to be deceived again, this time he would take the lead.

Ye Chen stepped forward, the journey this time was really fast.

Ye Chen arrived too, he entered into a very wide cave.

"Spacious place, there are a lot of high-grade rocks around this place." Ye Chen looked around, he could see that there was a lot of high-grade iron that was rare in God Realm.

"is it pure black orihalcum, very rare" Ye Chen could tell that it was a rare item, it was suitable for use as a tool for making swords and other weapons because it was very light and sharp when sharpened properly.

"It seems you just found a place full of treasures" Chu Yuechan said.

Chu Yuechan is sure that Ye Chen found an extraordinary place, he just found a stone treasure vault.

With this, Ye Chen could easily make the weapon he wanted.

Ye Chen couldn't wait to use it.

"Who are you . . ." Several monsters appeared, it spoke to Ye Chen.

They were small, their bodies were very small and petite, it was like dwarves

"Do you guys live in this place?" Ye Chen asked, did monsters live in this place.

"We live in this place" they tell that they live in this place, they have lived in this place for a very long time, this is their hideout from predators.

"Is that so" Ye Chen understood, it seemed that they lived in this place to hide from predators.

"Did you guys use this thing?" Ye Chen asked about the stones around.

"That trash, it's useless, we prefer food to that trash" Monster said to Ye Chen, they don't need stones, they need food more than stones in this place.

Ye Chen almost fell when he heard what they were saying.

It looked like they didn't understand the economic value of the rocks in this place, it was enough to make them eat well for a lifetime.

Ye Chen thought for a while, he seemed to have a really good idea.

"do you guys want to work" Ye Chen asked, he asked the little monster waiting for this place.

"Work?" they didn't seem to understand what Ye Chen said, they all still didn't understand what Ye Chen wanted.

"Let me explain it to you" Ye Chen decided to explain it, he started to explain his purpose.

"If you give the rocks around this place, I will exchange them for good fruit and food, how about that" asked Ye Chen.

Ye Chen made an offer, he made an offer to them.

"of course we want" they all of course do, they wouldn't pass up an offer like that.

Ye Chen started taking out all the fruit inside the fairy gate, he gave it to the good little monster.

They were all shocked when they saw what was in front of them, they discovered that in front of them was a lot of top class food that they had never seen in their lives.

They started eating it.

"tasty and fresh" they all looked very happy, they looked happy when they found out that the food that Ye Chen gave was fresh and delicious.

"How?" Ye Chen asked, Ye Chen asked, he wanted to know what they were thinking.

"This is amazing" the little monsters said to Ye Chen, they told Ye Chen that everything looked really delicious.

To be honest they had never felt anything good like that, it was the first time they had ever felt something this good in their lives.

"If you guys want more, I'll give it, but help me to get the thing" Ye Chen said to the little monster.

"Of course, leave it to us, everyone let's go" they immediately moved, they all moved and immediately started mining using their incredible speed.

Their goal was to get the best minerals, they had to get the best minerals for Ye Chen.

Ye Chen was satisfied, he was really very satisfied.

Ye Chen helped out, he collected everything there was.

Ye Chen wouldn't take all of it, he left quite a bit and only took some for himself to use.

To be precise Ye Chen wanted to make some light and sharp weapons, he would use pure black orichalcum to make all of them.

With Ye Chen's current skills, he might run into a bit of trouble, but he was confident he could do well.

"Well that's enough" Ye Chen said that if that's enough, he's already got enough.

"Are you sure, there are still many around this place" they said to Ye Chen, they were happy to share with Ye Chen.

Chapter 2539 Stone God

To be honest, the object looks like garbage, they don't really want to and prefer to ignore the object because it is useless.

"Already, this is enough already, I can make you quite a lot with the thing I got just now" Ye Chen said.

Ye Chen has earned enough, he can make as many weapons as himself wants.

"It's a pity" they all looked very disappointed, they were obviously disappointed in Ye Chen's decision.

"hehehehe" Ye Chen smiled, himself smiling when he saw the little monster.

"What are you guys ?" Ye Chen asked, he didn't know what they were yet.

"We are mini dwarfs, a kind of monster that lives in the depths of the dense and safe forest, we are not good at fighting and can only hide from predators" they told Ye Chen their origins.

"So that's it, I understand" Ye Chen understood, himself understood what those in front of him were, they were mini dwarfs who were enterprising in work.

"You are alone, who are you?" they asked Ye Chen.

They don't know who Ye Chen is yet, which is why they want to know about Ye Chen.

"My name is Ye Chen" Ye Chen told who he was, he told his name on the mini dwarf.

"Do you want to come with us" they said to Ye Chen, whether they would like to come together.

"where?" Ye Chen asked, wanting to know where they were going to take him away.

"We're going to go see the lord of this place" the mini dwarfs said to Ye Chen, they all told them that they would meet the lord of this place.

"So that's it. . ." Ye Chen understood, he began to understand where they were going.

"Then I'll come along with you guys" Ye Chen decided to go along, himself decided to come with them.

Ye Chen himself was curious, he was curious about this matter himself, roughly what would be waiting for him.

They took Ya Chen to an empty space, a huge empty space, this is a huge space.

"Crack . . ." The wall began to move, a facial figure appeared in front of Ye Chen, it appeared and made Ye Chen startled.

"what is it?" Ye Chen saw a huge stone face, it was big and had the face of an old man.

"Hello . . ." The stone face spoke at Ye Chen, it opened its eyes and looked in Ye Chen's direction.

"Hello . . ." Ye Chen said hello, he was curious about the figure in front of him.

"Who are you. . . ?" Ye Chen asked, he wanted to know the figure in front of him.

"He is the Stone God" said the mini dwarfs, they told who the person in front of them was.

"I am the spirit of the Stone God, can you say I am the guardian of every land in the God Realm" the Stone God said to Ye Chen.

"You mean, all stones and materials are your responsibility" Ye Chen said.

"Of course, that's true" he told me that it became the truth, he processed it all.

"Master, that is a Guardian, it usually guards a Realm filled with rare materials" Chu Yuechan said.

He is a guard, he guards the land and materials from being taken by people carelessly, the purpose is to make the world balance.

It would be troublesome if the material was taken in large quantities, it would affect the future and he was responsible for moving all of it if it felt dangerous.

"So that's it, I seem to understand a little bit" Ye Chen seemed to understand what Chu Yuechan meant.

"It looks like you've got enough of what you're looking for in this place," Stone God said to Ye Chen.

"Of course, I'm done, this is enough" Ye Chen said, he had already earned enough.

"Show me" Stone God said to Ye Chen, he told Ye Chen to show what Ye Chen had taken.

Ye Chen didn't understand what Stone God was going to do, he took Pure Black orichalcum.

Stone God stretched out a stone hand and began to impart a bit of profound energy that belonged to each Pure Black orichalcum.

"I strengthened it for you, it will be a powerful weapon if you can forge it well" The Stone God said.

"Why did you do this?" Ye Chen wanted to know the intent and purpose of the Stone God, he didn't understand what the Stone God had just done.

"I'm just helping you, it seems that you have a special inheritance in your body, I know some of them, existences that should have long been lost from this world" Stone God said to Ye Chen.

Ye Chen instantly understood what Stone God said.

"Alright, I'll go, see you next time" The Stone God disappeared, the wall returning to its original shape.

Ye Chen still had a lot of questions, but it seemed that he wouldn't be able to ask them.

"Ye Chen, that's great" the mini dwarfs said to Ye Chen, they were surprised when Ye Chen got the trust of the Stone God so easily.

Ye Chen smiled when he saw this, he had just made a good relationship with Stone God.

"Then I'll go, I'll come back again if I have time" Ye Chen gave a few fruit trees, he helped plant for them and made a little irrigation array that would keep the plants able to grow under the moist soil.

"Thank you very much, don't forget to come when you have free time" the mini dwarfs drove Ye Chen, they looked happy at Ye Chen.

They all benefited a lot from Ye Chen, it is not strange that they are very happy with Ye Chen.

Ye Chen teleported to the starting place, Ye Chen left directly and returned to cultivate, he had to practice again to gain more strength.

Otherwise, he will lose to the upcoming strong opponents in the future.

several tens of days passed in a short period of time, Ye Chen spent time hunting, practicing and cultivating, all done together with Chu Yuechan.

Ye Chen had no friends, only Chu Yuechan could be talked to and chat lightly.

"master" Chu Yuechan said to Ye Chen.

"Is it time, then it's time to go to the city" Ye Chen decided to go to see Wu Ziyi, himself came to the city to meet Wu Ziyi.

"Ye Chen . . ., here" Wu Ziyi was outside, she waved her hand to Ye Chen.

Beside him were Wu Buza and Huang Lungsi, it seemed that they were about to usher in the departure of Wu Ziyi.

"Have you prepared?" Ye Chen asked Wu Ziyi.

"Um. . ., I'm ready" Wu Ziyi said that if he is ready, She has practiced hard, She is now almost breaking through to the sixth level, which is a great achievement.

Ye Chen himself, still the third level, he also almost advanced to the fourth level, he kept it for later.

"Fight, we will always pray for your success" Wu Buza and Huang Lungsi, said to Wu Ziyi, they were both so that Wu Ziyi could enter the Sect.

"I will do my best" she first participated in the recruitment of Sect, so herself will do her best.

Chapter 2540 Shi Lin Often Daydreamed

"let's go" Ye Chen said to Wu Ziyi, he took Wu Ziyi to set off immediately, otherwise they might be late, Ye Chen didn't want that to happen.

"Aunts, we say goodbye" Ye Chen said to Wu Buza and Huang Lungsi.

Ye Chen and Wu Ziyi left, they were escorted by Wu Buza and Huang Lungsi.

"I hope they can get what they want" Wu Buza and Huang Lungsi can only support, they can't do things for the two.

"Already, we should go back to work, let the young start writing their stories" Huang Lungsi said to Wu Buza.

.

.

"Meanwhile in a place full of flowers and trees"

Shi Lin was sitting looking outside, she was now daydreaming a lot.

meeting with Ye Chen has changed her, she has changed when she meets Ye Chen, when she is free she will think of Ye Chen.

Shi Lin who would not normally think of such a thing, she would focus on practice and practice, the current her is obviously different from usual.

"Actually, what's wrong with Sister Shi, she became strange after the trip with Sao Long" they wanted to know what made Shi Lin change, maybe something happened that made her change.

They were curious, they had already inquired and only got Shi Lin's usual answer.

When they asked, they would get a smile from Shi Lin, it made them have a hard time.

"It seems that we should tell the master, maybe Sister Shi's brain has a problem" they should probably tell this to the pavilion master.

"You're absolutely right, we must not let this continue" they decided to tell their master about Shi Lin's matter.

Moments later a woman walked into the venue from Shi Lin.

The beautiful woman with long red hair and beautiful green eyes, her figure has developed very well, especially on the chest, it is big and prominent, even her clothes are difficult to hold the thing.

This woman wears a beautiful red dress, a cheongsam-like design that displays a beautiful body.

Men will definitely love the mature and glamorous appearance, this is a woman who is full of temptation for those who see her.

The woman appeared, when she appeared Shi Lin didn't see her at all, she just lost silent with a face full of flowers.

The woman who just came to see Shi Lin, she saw the reaction of her apprentice, she knew what kind of reaction her disciple had.

"This woman, could it be that she is in love" she is still a woman, she naturally understands what makes Shi Lin like that.

The glamorous woman approached, she moved closer towards Shi Lin's direction.

Shi Lin was still unconscious, she was still just daydreaming, there was no sign that she would be sober.

"little girl" she said to Shi Lin.

"Huh?" Shi Lin was taken aback, she immediately looked sideways, the moment Shi Lin looked sideways, she saw a beautiful figure already beside her.

"Master, why are you here?" Shi Lin said, he immediately apologized to the woman in front of her.

"Fufufufufu, it's funny that you were lost in thought and unconscious about my arrival" he said to Shi Lin.

"I'm sorry" Shi Lin apologized, herself apologized to the master, she really messed up.

"What are you doing, I heard from the disciples that you often daydream" she asked Shi Lin.

"That. . ." Shi Lin didn't know, how did she explain about this matter.

"Just tell me" she said to Shi Lin, she told Shi Lin to tell herself.

She wanted to know the reason from Shi Lin, what could make Shi Lin become like that, it made herself feel a strong sense of curiosity.

Shi Lin is a genius student, she is such a great student once, what can make her become like this, there must be something going on until she becomes like this.

"I'm thinking about someone," she told her, she thinking of someone.

"Who is it, tell me?" she was curious, she wanted to know who Shi Lin was thinking, it made herself feel a strong sense of curiosity.

"a man" She told me that she was thinking about a man.

The beautiful woman was surprised when she heard this, to be honest, she was surprised when she heard Shi Lin admit it.

"As I expected" she had expected it, her conjecture came true.

"Who is it, to be able to make you interested in him" She asked Shi Lin, she wanted to know who was able to steal Shi Lin's heart.

"He is a handsome young man, his talent is really amazing" Shi Lin said.

Shi Lin tells her that the person she likes has a good future.

"Hmmm, what did he do until you said that" made her even more curious, she was curious about the person.

"he can defeat Hu Yan easily, he is an outstanding alchemist" Shi Lin said and informed that Ye Chen was a talented young alchemist.

"Will you give up Hu Yan?" she was surprised when she heard this, she didn't expect that Hu Yan could be defeated.

Hu Yan is as strong as Shi Lin, she firmly believes that defeating Hu Yan is a very difficult thing.

The person who can beat him should be a genius, he is confident in that.

It's not strange that Shi Lin is interested, she will definitely be attracted by such a man.

"master look at this" Shi Lin showed the pill made by Ye Chen, at that time Shi Lin had already taken it without Ye Chen knowing.

It was such a coincidence that she used this thing as a memento to remember Ye Chen.

"that?" she took the pill in Shi Lin's hand.

"where did you get it" She asked Shi Lin, she wanted to know where Shi Lin got it.

"It was the pill he made" Shi Lin told that it was a pill made by Ye Chen.

"What?" He was surprised, he was really shocked when he saw the extremely pure Healing Blood Pill.

she has never seen anything so good, it is delicate and pure, she can know that the person who made it is a great person and full of talent.

"Master, what do you think?" Shi Lin asked, she asked the master.

"This is great, he must be a person with extraordinary ability" he had to admit that Ye Chen was indeed great, a person like Ye Chen was one of the greats.

"I guessed it, he is indeed great, and also handsome" The last words were a little bit old, she remembered Ye Chen in her heart.

"Is he possibly greater than me" the beautiful woman began to think, she thought whether Ye Chen was greater compared to herself.

"It's pretty interesting, I might want to meet him" she told her that she wanted to meet Ye Chen.

"What a coincidence, he should have come for registration, master you can see it" Shi Lin told that Ye Chen was coming.

"so that's it, then I can't wait to meet him" She couldn't wait to meet Ye Chen, she wanted to see what a capable man looked like and made Shi Lin fall.

The two of them talked, she saw that Shi Lin had gone up, which was very good news.

Shi Lin nodded, this is all because of Ye Chen, if it weren't for Ye Chen, he might still be stuck at a lower level.

That's why Shi Lin wanted to thank Ye Chen so much, she really wanted to thank Ye Chen.

After that the beautiful woman left and left Shi Lin, she still had to make pills for the order, there was still a lot of work to do today.
