### Chapter 2541 Maid In The Forest

They flew at low speed, if Wu Ziyi was right, they would arrive at their destination in about 1 day.

So they will be there tomorrow.

The two passed through a beautiful clear sky once, the scenery in this place is pretty good, this kind of scenery is one of the best even in the God Realm.

This star is filled with trees, flowers and green grass, it spoils the eyes and makes people more peaceful.

"What about the practice?" Ye Chen asked Wu Ziyi.

"Everything is going well, I have already improved the abilities I have" Wu Ziyi said to Ye Chen, she has improved a lot since the last time.

"I saw it, you are developing well" Ye Chen praised Wu Ziyi, she developed very well.

Wu Ziyi was very happy when she listened to what Ye Chen said, she was really happy with what Ye Chen said.

"Thank you very much, it's all thanks to you, I became excited" Wu Ziyi said that she became excited because of Ye Chen.

If it weren't for Ye Chen, she couldn't have gotten to the highest point she is today, it was all because of the help of Ye Chen.

"It's all your own ability, you don't need to thank me" Ye Chen said that if it was Wu Ziyi's ability, she didn't need to thank Ye Chen.

"um. . ." Wu Ziyi understood, she was still happy with the help given by her.

Ye Chen . . ." Wu Ziyi pulled Ye Chen's clothes, she spoke to Ye Chen who was in front.

"what's the matter?" Ye Chen asked Wu Ziyi.

"I made lunch, how about we have a meal" Wu Ziyi said to Ye Chen.

Ye Chen paused when he listened to this, he seemed to know the purpose of Wu Ziyi.

"Of course" Ye Chen agreed, he agreed to the request from Wu Ziyi.

The two decided to find a good place, they are now under the tree.

Wu Ziyi took out the food, she took out the best food for Ye Chen.

"I'm still not good, I hope you like it" Wu Ziyi said to Ye Chen, she told Ye Chen that she was still a beginner and inexperienced.

Ye Chen tried directly, himself tried the taste possessed by Wu Ziyi.

"Hmmm . . ., still lacking in the taste part, but it's already very good" Ye Chen knew what Wu Ziyi had, he knew at a glance what Wu Ziyi had.

"how" Wu Ziyi asked Ye Chen, she wanted to know if Ye Chen liked it or not.

"I like it, that's great, a little more you might be able to make a taste of your own" Ye Chen said to Wu Ziyi.

"um, I'm going to fight" Wu Ziyi said with interest, she said that she would do what Ye Chen said.

Wu Ziyi is rarely serious, this time she is serious, she wants to make something special for Ye Chen.

"Boom . . ." when Ye Chen and Wu Ziyi were enjoying the food, they felt a very strong vibration, the ground shook very strongly once.

"What's that?, is there a monster fighting" Wu Ziyi estimated that there were monsters fighting far away.

"Yuechan" Ye Chen asked Chu Yuechan, himself wanting to know what was there.

"okay. . ." Chu Yuechan understood, she began to see what was happening.

"It seems that there are some people fighting," Chu Yuechan said to Ye Chen.

"I see, then I want to see" Ye Chen said that he wanted to see it.

"I want to see, you wait here," Ye Chen said to Wu Ziyi.

Ye Chen was unwilling to drag Wu Ziyi into such a dangerous thing, that's why he let Wu Ziyi be in this place.

"Ye Chen" Wu Ziyi wanted to come, she wanted to be together with Ye Chen.

Ye Chen disappeared, he directly teleported towards the place from the battle.

Ye Chen came to a large field, he saw several people who were ganging up on a small woman with a height of 150 cm.

This woman wears maid clothes, she has a petite model-like body, her face looks very serious, from this alone Ye Chen can tell that she is a serious person when doing things.

This woman has neatly arranged shoulder-length hair, she is really beautiful and perfect, her attitude is still good when faced with danger.

"maid?, in the middle of the forest like this?" Ye Chen looked at the woman who was fighting, he saw a maid who was fighting.

"It is likely that they are criminals," Chu Yuechan estimated that they were criminals who were eyeing Maid.

"We can't let her be like that" Ye Chen said to Chu Yuechan, he didn't let them bully the little girl.

"master, wait a minute" Chu Yuechan wanted to stop Ye Chen, it was a pity that Ye Chen had already gone down and helped.

"Hurry up and hand over what you have," he said to the Maid in front of them.

"I don't have anything for you, why don't you go" she said to the villains around.

He didn't have any good things, so he told them to leave him.

"are you kidding us, looking at your clothes, you must have at least a little money on your body" they said to Maid.

"Don't you guys listen to what I say" she said in a serious tone, it can be seen that this maid is starting to lose her temper.

"stop there" Ye Chen said to everyone, he told them all to stop right away.

"who are you, where did you come from ?" they asked Ye Chen, they wanted to know where Ye Chen came from.

"I came from afar, quickly let her go, aren't you guys embarrassed to bully the servants" Ye Chen said to them.

they looked at Ye Chen, they looked interested when they saw the clothes used by Ye Chen.

"It looks like you are quite rich, it seems that you are the young master of a wealthy family, you are so stupid for coming, we will arrest you" they said to Ye Chen.

"you guys have a chance" Ye Chen didn't flinch, he gave a chance for them to leave.

"Fuck, where is it possible that we will listen to you, catch him" they all came forward, they attacked Ye Chen using all kinds of weapons, their purpose was to paralyze Ye Chen and take away everything owned by Ye Chen.

they also want to earn money from holding Ye Chen, they can definitely do it all.

"Master, it will definitely be a troublesome thing once" Chu Yuechan said to Ye Chen.

"No problem, I will deal with them all" Ye Chen used the increase in physical strength, he began to fight against the enemies that were around.

Ye Chen didn't hold back in battle, he took them all out and smashed them ruthlessly.

Ye Chen had no reason to restrain himself, he had no reason to let them escape.

Letting them escape will be a problem in the future, it is better for Ye Chen to solve them all in this place.

The woman saw Ye Chen, she was shocked when she saw Ye Chen.

"What kind of comfortable feeling is this, what happened to me" she hasn't felt this kind of feeling for a long time, it is a very rare feeling once, a feeling that has only appeared in the past.

Chapter 2542 Zhang Ein

Maid looked towards Ye Chen, there was a look of yearning when feeling the power emitted by Ye Chen.

Ye Chen took the Divine Yin Yang Sword, he defeated all the annoying people by using the Divine Yin Yang Sword.

The Divine Yin Yang Sword was so easy to use, Ye Chen was able to win easily against all of them.

A while later Ye Chen finally succeeded, he solved everything easily.

Everything has been lying on the ground, Ye Chen has dealt with them all easily.

"Are you okay ?" Ye Chen walked over, he asked the woman in front of himself.

"I'm fine, thank you" she lowered her head, she was really too friendly and full of dignity, she was like a professional maid who had been strictly trained in all kinds of aspects.

"may I know who you are" she asked Ye Chen, she wanted to know the name of Ye Chen.

"My name is Ye Chen" Ye Chen told his name.

"Ye Chen, my name is Zhang Ein, thank you very much for what you have done" Zhang Ein said to Ye Chen.

"Already, you're not very formal with me" Ye Chen said to, he didn't really like to talk formally.

"I see" she understands, she won't speak formally anymore.

"Miss Zhang, what are you doing in this place" Ye Chen asked Zhang Ein.

"You can call me Ein, everyone calls me that, I don't like such honorific names" Zhang Ein said to Ye Chen.

"Okay, I get it. ." Ye Chen understood, he saw that Zhang Ein was serious about what was said, Ye Chen felt pressure when facing Zhang Ein.

"So what are you doing in this place, have you lost your master" Ye Chen asked Zhang Ein.

Ye Chen felt strange, how come a maid was in this kind of place.

"No, I haven't served others for a long time, I just came from a nearby town and want to go to another city, I don't have a regular job, I enjoy helping other people's work" she tells what she does.

Zhang Ein didn't have a master, she just traveled all over the world and did everything she wanted.

she helped the work of those in need, it can be said that he was very kind.

"So that's it, so you have an adventure and help other people's work, it's really very noble" Ye Chen felt that it was a glorious thing.

"yes, thank you very much for the compliment" Zhang Ein was grateful for the praise given by Ye Chen, she was very happy with the praise given by Ye Chen.

"By the way, young master Ye Chen, do you need a servant" Zhang Ein asked.

"ehh, why indeed ?" Ye Chen asked Zhang Ein.

"maybe I can work for you" Zhang Ein said to Ye Chen.

she told me that he might be able to work.

"But I don't have a home in this world" Ye Chen said to Zhang Ein, he still has no home, he will probably move around.

"I don't mind that," she didn't mind it.

"why is it so sudden" Ye Chen asked Zhang Ein, in Ye Chen's opinion, what Zhang Ein did was so sudden.

"I just want to thank you for what you have done" Zhang Ein said that she just wanted to thank Ye Chen for what Ye Chen did, she was very grateful for what Ye Chen did.

"How is this, this situation is really out of control" Ye Chen said to Chu Yuechan, the situation developing out of control.

"Don't ask me, I don't want to be seen" Chu Yuechan said to Ye Chen, she told Ye Chen that she didn't want to get involved.

"That, how should I answer it" Ye Chen was a little troubled, he couldn't refuse the goodwill of the other party.

"Take it easy, I won't ask you more" Zhang Ein confirmed that she would not ask Ye Chen for more.

"That. . ." Ye Chen encountered a more serious problem, she was really in trouble when facing Zhang Ein.

Zhang Ein stared at Ye Chen, she looked at Ye Chen with expectation.

"uh. . . , she used a cheating way" Ye Chen could see that Zhang Ein used such a fraudulent way, she obviously used a very fraudulent way to deal with Ye Chen.

"I can't refuse it if you insist," Ye Chen said to Zhang Ein.

"Thank you very much, then from now on I am in your care" Zhang Ein said to Ye Chen.

"Are you sure, I want to go to the Sect, so you probably won't be able to get together with me" Ye Chen said.

"It doesn't matter, I can go anywhere I want" Zhang Ein said that she could easily go where she wanted.

"is that" Ye Chen still didn't understand.

"Then let's draw up a contract" Zhang Ein said to Ye Chen.

Zhang Ein stretched out a hand that belonged to her towards Ye Chen, she directly took Ye Chen's hand and kissed him.

Ye Chen looked at what Zhang Ein did, it seemed that this was some kind of oath, it was not a dangerous thing and would not harm both parties.

A light appeared in Ye Chen's hand, it proved that he became Zhang Ein's master for now.

"Fine, everything is done, if you need anything, just call me, I will come directly to your side".

"I see, I understand" Ye Chen understood.

"Then I'm leaving first" Zhang Ein said to Ye Chen, she would leave first.

Zhang Ein disappeared, she looked like a shadow who could disappear quickly.

"Huh?" Ye Chen was taken aback.

"Where did she go?" Ye Chen didn't look, he really didn't see the departure of Zhang Ein.

To be able to leave in such a way, it was obvious that Zhang Ein was so powerful, she was able to disappear from Ye Chen's sight, and Ye Chen didn't even see Zhang Ein's departure.

"she gone" Chu Yuechan said to Ye Chen.

"Yuechan, what happened?, just now it was" Ye Chen said to Chu Yuechan.

"Master, that woman is quite strong, I don't know why you helped her, with her strength she should be able to handle everything on her own" Chu Yuechan said.

Zhang Ein is a strong maid, overcoming low-class criminals is not a problem for her.

"Is that so, then why didn't you tell me earlier" Ye Chen asked Chu Yuechan.

"I've told you this from the beginning, you're the only one who didn't listen to what I said" Chu Yuechan had already said these things from the beginning, only that Ye Chen did not listen to what Chu Yuechan said.

"Is that so, I didn't listen clearly" Ye Chen said that he didn't listen to it.

"It is indeed like you" Chu Yuechan said to Ye Chen, she knew that this was Ye Chen's nature.

"But it's so strange, why did he become like that" Chu Yuechan thought of the possibility of why Zhang Ein was willing to serve Ye Chen.

It seemed that something was going on in this place, Chu Yuechan was very curious about this matter.

"What's wrong?, is there any problem" Ye Chen asked Chu Yuechan, he wanted to know why Chu Yuechan was silent.

"It's okay, forget it, you'd better go back to Wu Ziyi" Chu Yuechan said to Ye Chen.

"You are so right, he will definitely wait for me, I hope he will not be angry" Ye Chen returned soon, he hoped that Wu Ziyi would not be angry.

Chapter 2543 [Bonus ] Zhang Ein's Abilities Were Beyond Reason

Wu Ziyi was still sitting and eating the food, she waited patiently for Ye Chen.

"so long" Wu Ziyi began to be impatient, she began to be impatient with Ye Chen who had already left.

"sorry" Ye Chen approached, he apologized to Wu Ziyi.

Wu Ziyi asked Ye Chen, she wanted to know where Ye Chen went.

"I'm really sorry, I just saved someone" Ye Chen apologized, himself just saved someone.

"Did something happen ?" Wu Ziyi asked Ye Chen.

"That's absolutely true, something happened" Ye Chen nodded.

"what is it, tell me" Wu Ziyi asked Ye Chen, she wanted to know what happened.

Ye Chen told Wu Ziyi, he told what happened to Wu Ziyi.

"So that's it. ." Wu Ziyi seemed to understand, herself understood what happened to Ye Chen.

"Then where is she now ?" Wu Ziyi asked Ye Chen.

"I don't know, he just disappeared" Ye Chen didn't know where Zhang Ein went, he disappeared and left no trace.

"eh ?" Wu Ziyi didn't understand, she was confused by what Ye Chen said

"she said she would come when I called her, is it serious" Ye Chen hasn't tried it yet, he should probably try it.

"Ein . . ." Ye Chen said in a low voice that would not be heard from afar.

"Wooooooosh . . .", "a strong gust of wind appeared.

"You call me ?" Zhang Ein said to Ye Chen.

"Ahh . . ." Wu Ziyi was surprised by the arrival from Zhang Ein.

"You, where did you come from ?" Ye Chen said to Zhang Ein.

Zhang Ein's ability is abnormal, where she came from is still a mystery.

"I came from a nearby city," Zhang Ein said to Ye Chen.

"Yuechan, she didn't use teleportation, did she?" asked Ye Chen.

"No, it's pure speed, it's such a terrible speed" Chu Yuechan said to Ye Chen.

Zhang Ein didn't teleport, he purely used speed to come to Ye Chen's side.

Chu Yuechan was also surprised, the speed that belonged to this woman was abnormal, it was extremely fast and probably faster compared to Chu Yuechan.

"So what's the matter?" asked Zhang Ein at Ye Chen.

"I just want to try it" Ye Chen told that he just wanted to try it.

"So that's it, I see" Zhang Ein could understand, she understood what Ye Chen did.

"By the way, what are you guys doing?" Zhang Ein asked Ye Chen.

"lunch" Ye Chen said Zhang Ein.

"Then let me join," Zhang Ein said to Ye Chen.

"Of course" Ye Chen allowed, everyone is welcome to participate.

Zhang Ein took out a table, and a wooden seat, she took out the food from her Space Ring.

Zhang Ein took out the high-end food she made, she made an appetizing high-end meal.

"please sit down" Zhang Ein told Ye Chen and Wu Ziyi to sit down.

Ye Chen and Wu Ziyi were silent for a while, they didn't expect that Zhang Ein would prepare something like that.

"Well, since it's like that, just enjoy it" Ye Chen decided to enjoy it.

Ye Chen sat together with Wu Ziyi, while Zhang Ein served the two with tea and food.

After that, he sat down near Ye Chen and started eating too.

Wu Ziyi was speechless when he saw what Zhang Ein did.

"Uh, too perfect, where did she come from?" Wu Ziyi felt distressed, she saw an extremely perfect figure in everything about the household.

In addition to being beautiful, Zhang Ein is a person who can do everything, she can do everything easily and quickly, all work can be done easily by her.

This is really a woman's natural enemy, every woman will not be able to be perfect like Zhang Ein.

"calm down. . , quieter everything will be fine" Wu Ziyi tried to calm down and accept what happened.

Wu Ziyi looked at the plate in front of her, she began to eat what was in front of her.

"Um. . ." Wu Ziyi was shocked by the taste possessed by the food in front of her, this is really something Wu Ziyi has never tasted.

"too delicious, this is the most delicious food I taste" Wu Ziyi admitted, she admitted that if Zhang Ein had such an amazing ability in cooking, Ye Chen might lose.

"It's so delicious, very perfect" Ye Chen also admitted it, he had to admit that Zhang Ein made delicious food and dishes.

thank you, please enjoy to your heart's content" Zhang Ein said that she was happy, she smiled slightly when she received the compliment from Ye Chen.

They continued to have lunch, with the service from Zhang Ein, they really enjoyed everything well.

Wu Ziyi asked Zhang Ein, she seemed to want to learn cooking as good as good as Zhang Ein.

"I don't mind, I will teach you" Zhang Ein said to Wu Ziyi.

Zhang Ein is kind to everyone, that's what makes her liked by everyone.

Zhang Ein does not distinguish others, she will help those who need help.

"Thank you for the meal" Ye Chen thanked for what Zhang Ein gave him.

"You're welcome, then I'll go, if you need anything, just call it" Zhang Ein said to Ye Chen, he bent down and disappeared again.

Ye Chen is getting used to it, he is getting used to what Zhang Ein can do.

"she is indeed something" Ye Chen had to admit that Zhang Ein, he even wanted to know what Zhang Ein really was.

"Let's continue our journey" Ye Chen said to Wu Ziyi.

the two decided to continue their journey towards the Sect.

The two are no longer in a hurry, they are very relaxed once and enjoy the time they have.

The sky began to darken, Ye Chen decided to find an inn around this place.

"There is a small town, how about we live there, we will be there tomorrow morning, so let's live here first" There happens to be a town around, so they don't need to stay in the forest.

"Yes, I agree, there is a pretty good city, let's go inside" Wu Ziyi agreed, she wants to live in the city, it is better to find lodging than to sleep outside.

The two decided to stop at the place, they settled in the city for a while.

The city is much more lively compared to Wu Ziyi's city, this place is full of so many things that interest those around.

"It's so crowded, it's more crowded than my city" Wu Ziyi said to Ye Chen, she told Ye Chen that this place was much more crowded than her city.

"It's so crowded, it seems that we are going to have trouble finding a place to live" Ye Chen estimated that they would have problems finding a place to live.

Ye Chen said this because he saw that many adventurers stopped by, it seemed that they had the same goal as Ye Chen and Wu Ziyi, namely Join the Sect.

"Get out of the way, don't block the way" Several arrogant people walked over, they came from a powerful background, so they treated people as they wished they belonged to him.

"It seems that there will be a lot of trouble, let's come with me" Ye Chen took Wu Ziyi's hand.

"eh?" Wu Ziyi was so happy about what Ye Chen did, she felt happy when Ye Chen took her hand.

Chapter 2544 Arrived At The Immortal Valley Sect

There was an incredible feeling when Ye Chen did those things, Wu Ziyi was very happy about what Ye Chen did.

The two looked for a place to live, they came several times and reached a dead end where the inn was full.

"It's not good, it seems that we are too late, almost all the places we go are full" Ye Chen said.

"All places are full, what shall we do next?" Wu Ziyi asked Ye Chen, what are they going to do now.

"It seems that we can only try a good place" They have no choice, they can only find a good place, because there is no ordinary place left.

"let's go" Ye Chen said to Wu Ziyi, he took Wu Ziyi to go to the best place.

They arrived at a best building in the city, here there were many people coming in and out, they were mostly couples, wealthy people who enjoyed the beautiful women they met on the street or in the brothel district.

Actually, Ye Chen is unwilling to bring Wu Ziyi to this place, there will definitely be troublesome things, considering that those who can enter are only people with great power and influence.

"no problem, I will protect her" Ye Chen will protect Wu Ziyi, he will make sure Wu Ziyi is okay.

Ye Chen walked in together with Wu Ziyi, they rented a single room, because stocks were being limited considering the situation of this city was very crowded.

All the cities near the Immortal Valley Sect were being full, that was because tomorrow there would be an event that many people throughout the Realm were interested in.

"Bam . . ." there was a battle inside, some people were fighting for something.

"Ye Chen, they are fighting" Wu Ziyi said to Ye Chen, she could see that they were fighting.

"Just ignore them" Ye Chen said to Wu Ziyi, he told Wu Ziyi to ignore them, there is nothing good they can do in this place.

"those in this place have some influence, it's useless for Ye Chen to interfere, it's better for Ye Chen to be outside and not to interfere, let them do what they want in this place.

Ye Chen and Wu Ziyi went to their room, they had already slept several times in the same space, Wu Ziyi no longer objected to this matter.

"Ahhh . . ., what a comfortable bed" Wu Ziyi likes, she likes the bed in this place, it's really good.

Ye Chen turned off the lights, he was cultivating by himself, while Wu Ziyi was also doing the same, they had to do their best for tomorrow.

"Boom." outside more battles are going on, besides that there are so many doing fun things in their room, this place is so busy, it is quite difficult to concentrate when faced with problems like this.

"It's so troublesome" Ye Chen said in a helpless tone, he didn't like this matter very much.

Wu Ziyi herself also encountered a problem, she could still hold on, so she could restrain herself.

Ye Chen had to set up a barrier, otherwise it would be a problem for tonight.

Ye Chen wanted to make sure that they were in top shape when tomorrow arrived, which is why he would not let this kind of trouble bother them.

With a strong layered barrier, no sound or person will disturb them.

"finally peaceful too" Ye Chen was relieved when he saw everything became peaceful, he was happy about this kind of situation.

Ye Chen and Wu Ziyi can cultivate more comfortably, they are able to cultivate comfortably without any more interference.

The city is very lively, they all can't wait for tomorrow, so many of them can't sleep and look outside.

They can't wait for tomorrow, they have to show the best they have to go to another level.

Night passed, morning came quickly.

Ye Chen opened his eyes, when he opened his eyes, he found Zhang Ein was in front and was brewing a black tea, she was preparing breakfast for Ye Chen.

"Ehh! !, since when did she come in?, I didn't notice it" Ye Chen was unconscious, he was unaware of the arrival from Zhang Ein.

"Good morning young master, how is your cultivation" Zhang Ein said to Ye Chen.

"everything is fine, I'm in good shape" Ye Chen said to Zhang Ein.

"Then please, this will make you excited when in the exam" Zhang Ein said.

Zhang Ein woke Wu Ziyi, Wu Ziyi was forcibly awakened by Zhang Ein.

After Wu Ziyi got up, the three of them went back to eat at the same table, they enjoyed their time well.

Ye Chen looked at the dishes made by Zhang Ein, all made using rare and expensive ingredients, this can improve strength in a decent time.

"It must be very expensive" Ye Chen believed that if this must be expensive, if Wu Ziyi was sober, she might be surprised what she was eating now.

Ye Chen had better not tell Wu Ziyi, he might surprise Wu Ziyi with the price.

"If you'd better go, you should leave immediately, everyone has started to leave" Zhang Ein said.

Ye Chen and Wu Ziyi had to leave, if they relaxed too much, they would be late.

"Let's set off" Ye Chen said to Wu Ziyi, he took Wu Ziyi to set off right away.

The two set off immediately, they set off using the fastest speed, so they would arrive on time.

Using full speed, they arrived at noon, day, there were countless people who had finished registering and were waiting.

"Let's sign up," Ye Chen said to Wu Ziyi.

Ye Chen and Wu Ziyi were about to sign up, when they signed up they were stopped.

The clerk told Ye Chen and Wu Ziyi that Shi Lin had registered them.

"So that's it, he has already registered us, it seems that we no longer need to register" Ye Chen said.

"Sister Lin is so kind," Wu Ziyi said.

Wu Ziyi felt that if Shi Lin was so good, she had already registered them, it would make it easier for them.

Ye Chen waited with the other participants, they waited patiently, there were quite a lot of people who signed up, it was a pity that many of them were rejected because they did not meet the requirements.

Registration is quite difficult, not everyone can fit into the category, those with above-average cultivation can register easily.

"do you have time..." when Ye Chen waited, there were a few women who came over, they came over and greeted Ye Chen.

"Hello, what's the matter?" Ye Chen asked them, he was very polite to those who came.

"hey, hey, who are you?" they asked Ye Chen, they wanted to know who Ye Chen was.

Ye Chen is quite conspicuous among all the men in this place, more precisely no one can beat his tall figure, has a good body and an outstanding face.

"I am Ye Chen" Ye Chen told who he was.

"want to go with us" they took Ye Chen away, they wanted to take Ye Chen together in the test exam.

"he is with me, you guys have to find someone else" Wu Ziyi stopped, she would not let them steal Ye Chen.

Wu Ziyi would not let Ye Chen escape, she must not let her guard down, as long as she was caught off guard, then there would be women who would steal Ye Chen.

Wu Ziyi looked terrible, she looked terrible when she saw the woman who tried to get close to Ye Chen.

They retreat slowly, they dare not find trouble with Wu Ziyi.

Wu Ziyi looked terrifying, she exuded a black aura that scared women.

## Chapter 2545 Fraction Recognition

Ye Chen smiled when he saw what Wu Ziyi did.

"I'm sorry but I'm with her, so I can't go together with you guys" Ye Chen said to the woman who invited himself.

"It's okay, then next time" they said to Ye Chen, they have no problem with this.

After a little acquaintance with Ye Chen, they left, they watched Ye Chen from afar.

seeing Ye Chen is so fun, they like to do just that.

Ye Chen is a perfect man, they are naturally happy to talk and get acquainted with Ye Chen.

There are some women who want to get acquainted with Ye Chen, they want to get acquainted with Ye Chen and make a relationship with Ye Chen, it is obvious that they are all interested in Ye Chen.

"Damn it, don't be arrogant" there are so many men who are not very happy with Ye Chen, they all obviously don't like it when they see Ye Chen popular, it makes their eyes hurt.

Ye Chen knew that men would not be happy with him, he could see that in a very short time, he became the enemy of everyone in this place.

"Hmmm, a little troublesome, but it doesn't matter" Ye Chen didn't mind this, he was just happy and didn't care much about those who were hostile.

"Ye Chen, Ziyi, you guys have already arrived" Shi Lin came to see, she wanted to know the results that Ye Chen had.

"Sister Lin" Wu Ziyi looked happy when she saw Shi Lin, the two of them were like a pair of younger sister and elder sisters who hadn't seen each other for a long time.

"You guys really come, just for you guys to come, otherwise there might be some trouble I'll get into trouble" Shi Lin said to Wu Ziyi and Ye Chen.

"what do you mean?" Ye Chen wanted to know the clarity of Shi Lin's words just now, he wanted to know what Shi Lin meant.

"forget it" Shi Lin said to Ye Chen, she told Ye Chen to forget it.

Ye Chen won't forget it, he is curious about this matter" roughly what Shi Lin did, she probably planned something.

"So what?, have you decided which faction to join?" asked Shi Lin to Ye Chen and Wu Ziyi.

"I want to join the medicine faction," Wu Ziyi said to Ye Chen.

"if you" Shi Lin asked Ye Chen.

"I don't know, I don't know too much yet" Ye Chen didn't know too much about this place yet.

"Then I will explain to you" Shi Lin said to Ye Chen, she was going to explain this matter to Ye Chen.

"Here there are several factions, first is the medicine faction, where the alchemists are trained, secondly their sword faction that is swordsman like merges into it"

"The third faction is the destruction faction, those with terrible power are trained, they will become terrible killing machines if they release power"

"The fourth faction is the harmony faction, it is where people wear musical instruments as weapons, those who join have their own class, they are beautiful and also handsome"

"The fifth fraction is the speed fraction, the place where lightning and wind users, they are skilled in sneaking, their strength is not strong, but they are able to move quickly in missions"

"The sixth is the faction of the Law of Knowledge, the place where array and seal experts, in battle they are not very strong, but after making an Array, they will become enemies that are difficult to subvert"

"And the last one is the equipment faction, they the forging of weapons will merge there, among the existing faction, they can be said to be very few" Shi Lin said.

"why is that?" Ye Chen asked Shi Lin.

"That's because the faction is not very popular, you know that there is a Sect that specializes in making weapons, so those with talent choose to go there, in this place it is the last option due to lack of talent" Shi Lin said.

"got it. . ." Ye Chen understood, he understood what Shi Lin said.

"So which one are you going to choose, don't make the wrong choice" Shi Lin said.

Shi Lin told Ye Chen to choose right, she didn't want Ye Chen to be wrong in taking the path of cultivation and talent.

"Maybe I'll think a little longer," Ye Chen told him that he would think again.

"um . . ." Shi Lin understood, she would give Ye Chen some time.

"Wosh . . ." some people arrived, those who arrived were the heads of the factions within the Sect.

"They come, they will determine the fate we have" Everyone immediately serious, it was because those who had just come would determine the fate of the future they had.

They must do their best, that way they can get accommodation to become direct disciples, they can get a lot of benefits if they do so.

Ye Chen and Wu Ziyi looked at the arrival of the seven faction leaders, he could see that they had a strong aura.

Among the seven people, Ye Chen saw that there were two beautiful women, one was glamorous and full of charm, and one was a beautiful woman who had a beautiful face and looked serious.

Both of them are in a world of their own, they are probably beauties that are not easy to touch.

"aren't they good" Chu Yuechan said to Ye Chen, Chu Yuechan knew that Ye Chen saw those who had just come.

"They are beautiful, I won't lie" Ye Chen said that they are beautiful and Ye Chen will not lie.

They all sat and waited for the event to start.

"How about it, isn't my master great," Shi Lin said to Ye Chen and Wu Ziyi.

"Which one is your master?" Ye Chen asked Shi Lin.

"guess what?" Shi Lin told Ye Chen to guess it.

"Whether that woman with red hair and green eyes, she looks mature and glamorous, plus there is a fragrant medicinal fragrance on her body" Ye Chen said.

Ye Chen guessed perfectly, he was able to guess who the master possessed by Shi Lin was.

"How can you be so detailed to know the scent, are you a dog?" said Shi Lin.

Shi Lin didn't believe that Ye Chen could smell the fragrance from the master to that extent.

Ye Chen smiled when listening to this, it seemed that he guessed right.

"Why don't you introduce them, I wonder who they are" Wu Ziyi said to Shi Lin.

"Okay, I'll introduce them, first is the leader of the sword Faction, she is Xuan Mei, she is a pretty beautiful woman, but be careful, she will be angry if you do something, she can slash people she doesn't like" Shi Lin said to Ye Chen and Wu Ziyi.

"Um, got it" the two of them nodded.

"second is the medicine fraction, it is my master, my master's name is Jia Li, she is a beautiful woman, you can see for yourself" Shi Lin said to Ye Chen.

Ye Chen knew, the master Shi Lin was talking about was indeed beautiful, she was a Sexy woman with beautiful and towering double peaks.

The size is above average, maybe above the G Cup, it's pretty big and will sway.

Chapter 2546 Jia Li Picked Up Wu Ziyi

"The destructive faction is Huang Peng, he is a strong man with a fairly large body, he has terrible strength" Shi Lin pointed at the big man.

"The harmony faction is headed by Chen Ting, a calm and immersive feminine woman," Shi Lin said.

Chen Ting is very calm, she is really too feminine, it is so comfortable to look at her.

"The speed faction is headed by Li Haong, he has a small body and an all-black appearance".

"The law of knowledge faction is headed by Wang Tao, he is smart and genius, his abilities are extremely great in terms of arrays, 50% of the Arrays in the Sect are held by him".

"well the last one is the old man Chu Peng, he is the only master who is most skilled in making weapons, in the Sect he is the most excellent, people order from him because of his cheap price and quality" Shi Lin said.

the equipment fraction is only a little bit, there is not much Shi Lin can explain.

"okay. . ." Ye Chen understood, if Shi Lin said that, then no one could explain to Ye Chen.

"Everyone please listen to me carefully" a man stood up, he stood up and told all participants to listen.

"good luck" Shi Lin had to go, she was going to see Ye Chen and the bleachers.

Ye Chen nodded, from here they had to fight to gain the trust of everyone in this place.

"I'll say a little bit what you should do, you will now start to be assessed one-on-one, there will be a challenge, those of you who have the ability will be judged by the faction leader, you who are worthy and pass can enter and become disciples of the outer court".

The explanation began, he explained what to do in this matter.

The first stage is to look at talents, this is for formalities only, they will be judged by talent, those who are lucky can directly become core disciples if they have good talents.

Although one's talent is not good, one can still continue, the real test is the seven exams that will be conducted to determine their aptitude and suitability.

Each exam represents each faction, as long as you can pass only one of them, you can have a chance to be accepted into the faction and become a student of the outer court.

Although the exam will be a difficult thing and maybe 90% more will not be able to pass easily.

They will face a very difficult thing to do and they will have to put out everything they have.

"Okay, it's time to test the talent, here are many tools, all of you please go forward and touch the tool, it will go up according to the talent you have" he told all the participants.

All participants understood, they began to lie down neatly and wait for their turn.

Ye Chen and Wu Ziyi also started queuing, the queue was quite long, so they had to wait.

"I can definitely" Wu Ziyi clenched a fist that belonged to her, she would definitely succeed, herself would show her talent.

"Do your best, you must be very awesome" Ye Chen said.

Ye Chen told that Wu Ziyi would definitely succeed, he believed in Wu Ziyi's ability.

"Um. . , I'll do it" Wu Ziyi understood, she would do it, she would make Ye Chen proud of her ability.

Here talent is scored from 1~100, the average person is 15, it shows that they are normal, while it is the best at 30~40, those who can achieve it can probably be said to be one of the geniuses within the Sect.

Everyone wants to know what level of talent they have, how big their talent is, they want to know it.

"Zen Khou, talent 40" a person with high talent was finally mentioned.

"Wow, he is so talented, I am envious" Many people are envious, they all feel envious when they see the talent of the person just talked about.

"It seems that there is a good one this year" this year there may be a lot of promising talents.

"We just need to look at it, I hope there is a talent that I am interested in" Jia Li wanted to know if there was anything that could attract her attention.

"I don't expect much from you" Xuan Mei said that she would not expect too much from Jia Li.

"do you have any problems," Jia Li said to Xuan Mei.

As Shi Lin said, the two of them will fight when they meet, they are like cats and mice.

"What's the matter, want to fight old lady" They began to give off their aura, the faction leaders around moved away and couldn't help but sigh when they saw the battle between the women.

They choose to stay away, there is no good thing when involved in battles between fellow women.

"ignore them, don't interfere" they decided to ignore what happened, they didn't want to interfere in the battle and looked towards Zen Khou.

"Please go this way" Those who are recognized for their talent can go directly to a special place, they will get special treatment compared to those who are below average.

Ye Chen looked at it, it seemed that this place was like a school, students who had talents would be treated well.

It can be said that every world has the same thing, even this place also has its own thing.

Some people who have talent over 30 get a special place, they get a very good place.

The next "next" is Wu Ziyi, she is the one who will come forward.

"do your best" Ye Chen said to Wu Ziyi, he told Wu Ziyi to do his best.

"I'll do it, just take a look" Wu Ziyi said that if she would do it, she would do her best.

Wu Ziyi came forward, she put her hand on the tool, Wu Ziyi's talent began to be measured, when it was measured, it showed a number of 70, it was very high.

"70, someone has such a talent" those who saw were shocked when they saw what Wu Ziyi did.

"say your name" they asked Wu Ziyi.

"my name is Wu Ziyi" Wu Ziyi told her name.

"Wu Ziyi, the talent is 70" Wu Ziyi's talent was announced, they couldn't calm down when they listened to this thing.

Especially the leaders of the Faction.

"rare talent" Their immediately tried to find out about Wu Ziyi, they wanted to know more about Wu Ziyi.

Jia Li went downstairs, she became the first to come down to see Wu Ziyi.

Jia Li stretched out a hand that belonged to her, she saw a body that belonged to Wu Ziyi.

"You have a Spirit furnaces body, very good, it seems that you are worthy" Jia Li nodded, she felt that if Ye Chen was worthy, she became a person worthy of being a disciple in the medicine faction.

"Spirit furnaces body, she has it" everyone was shocked, they were all surprised to see Wu Ziyi.

Even Shi Lin was also surprised when she saw Wu Ziyi.

Chapter 2547 Ye Chen's Talent Score Is 10

Shi Lin didn't expect this, it turned out that Wu Ziyi had such an extraordinary special body.

It's not strange that his talent is terrible, it turns out that it is the reason.

"Very good, you are worthy of being my person" Jia Li said to Wu Ziyi.

Everyone was silent when they saw this, with the body possessed by Wu Ziyi, Jia Li became a decent person, they would not be able to \* it.

"That woman is so lucky" everyone felt disappointed, they all felt disappointed when they saw Jia Li getting treasures in this year's exam, they also wanted to get one.

"Come with me" Jia Li said to Wu Ziyi, Wu Ziyi no longer needs to come, she has already been received directly by Jia Li.

"Eh. ., I was admitted" Wu Ziyi was of course surprised, she did not expect that she would be accepted so easily.

"Of course, you are worthy, come with me" Jia Li said to Wu Ziyi.

Jia Li pulled Wu Ziyi forcefully, it seemed that she was favored by Jia Li.

"It seems like it's troublesome, it's better to just hide it" Ye Chen said to Chu Yuechan.

"As I expected of you," Chu Yuechan had already expected that.

"It's best not to show your body, remember what will happen next, I will have a hard time protecting you if it is spread out, even Shen Niang will also have trouble" Chu Yuechan said to Ye Chen.

"I guessed it, if you talk like that" Ye Chen sighed, he couldn't rely on Chu Yuechan.

"Then let's start" next is Ye Chen, it's better for Ye Chen to hide himself well.

"congratulations to you" Shi Lin walked over towards Wu Ziyi, she gave Wu Ziyi a congratulatory.

"I didn't expect that I would go in." said Wu Ziyi to Shi Lin.

Wu Ziyi did not expect that he would be so easy to get in.

"You already know each other?" Jia Li said to Wu Ziyi and Shi Lin, they looked familiar for a long time.

"Of course, he is a talented person, I saw it myself" Shi Lin said to Jia Li, she told her that Wu Ziyi was very talented.

"No, I'm not like that" Wu Ziyi tried to hide herself, she could still be condescending in such a situation.

"Very good, you are so good, I like you more and more" Jia Li said to Wu Ziyi, she liked Wu Ziyi more and more.

Wu Ziyi lowered her head, she had a problem when talking to Jia Li, this woman is too beautiful and domineering, it would be difficult to speak in front of a beautiful woman like Jia Li.

"Shi Lin, where is the person you are talking about, is he not here" Jia Li asked Shi Lin.

"it's over there" Shi Lin pointed at Ye Chen, she told her where Ye Chen was now.

Ye Chen hides well, he won't be easy to find and try not to be too conspicuous.

Jia Li looked towards Ye Chen, her green eyes staring towards Ye Chen.

Jia Li looked at Ye Chen, she began to judge Ye Chen well.

From his appearance, Jia Li could tell that Ye Chen was a very handsome man, he was a very handsome man and his worth was almost 10/10, or maybe even more than that.

"he is indeed something, it's not strange that Shi Lin became like that" Jia Li seemed to begin to understand, she began to understand what Shi Lin felt.

Even the experienced Jia Li admits it, she is fascinated by Ye Chen, it is a rare thing.

Jia Li doesn't like men very much, they often find trouble and make themselves experience bad things.

It made Jia Li have a headache, so it was not strange that he didn't really like it.

But Ye Chen was a little different, inexplicably he felt that he was different.

Jia Li felt more comfortable just from looking at it from afar like this.

"He did something good, I want to see what his talent is" Jia Li wanted to see the talent possessed by Ye Chen, herself really wanted to see the talent possessed by Ye Chen.

The evaluation was so high, she felt that Ye Chen would be something else.

"next" is now Ye Chen's turn, it is Ye Chen's turn to come forward.

Ye Chen came forward, he went forward and began to do an appraisal for himself, he put his hand on the measuring device.

"Boy, he is really something" many women looked at Ye Chen, they looked at Ye Chen with a look full of flowers.

They looked at Ye Chen using gazes full of interest, it could be seen that they all seemed to be interested in Ye Chen.

The women in this place were attracted by Ye Chen, they didn't care much about other things.

On the one hand, there are many men who don't like Ye Chen, they don't like it when they see Ye Chen getting so much attention from girls.

Jealousy is common, this is common when there is someone better than them.

Ye Chen ignored them all, himself decided to focus more on setting the score.

Ye Chen here is different from all the existing participants, he can easily set his own score easily.

"10" Ye Chen's talent score appeared, it can be said to be below average even if it is not the lowest of those in this place.

"only 10," several people said to Ye Chen, this was their chance to make Ye Chen fall.

They see the opponent has a gap, so they will make good use of it.

"Your score is 10, here comes the result" he told Ye Chen and said to Ye Chen.

"Thank you so much, it seems that I am not very talented" Ye Chen said with a smile.

"ahhh . . . , he's still amazing" the women became misbehaved when they saw Ye Chen smiling and condescending like that.

"-\_- " The men's reaction darkened, they really didn't understand the women, what exactly was inside their brains.

"Shi Lin, are you sure, he is the person you said?" Jia Li asked Shi Lin.

"Of course, the result is a little strange" Shi Lin nodded, she was indeed the person she said she was.

Shi Lin also didn't expect that Ye Chen's results would be below average, it might be that something was wrong in this place.

"The appearance is not bad, Chen Ting, maybe you should get it" Wang Tao said.

"It's true that his performance is good, but I'm not sure that he will be able to enter" Chen Ting said.

Chen Ting is not sure that he will enter the harmony faction, in appearance, Ye Chen is indeed far above Chen Ting's expectations, it can be said that Ye Chen is beyond the reach of everyone Chen Ting has ever seen.

"Then I'll take it," Jia Li said.

"Huh?" everyone looked at Jia Li, even Xuan Mei looked at Jia Li.

"It's not like you, why do you want him, don't tell me that you are interested in him?" said Xuan Mei.

"What's wrong, he's pretty good, plus the medicine faction lacks people like him, if I can take him away maybe my cute girls will be happy" Jia Li said.

Chapter 2548 First Exam (1)

"? ? ?" they were all speechless with the answer from Jia Li.

Jia Li didn't speak, she wanted to keep it for herself.

Jia Li believed Shi Lin's words, there was no way she would lie.

"It doesn't matter if the talent is not good, it's still great in alchemists" Jia Li thought in her heart.

he still has something good, so Jia Li won't say much, let them not know what Jia Li knows.

"will he be okay" Wu Ziyi was worried about Ye Chen, herself worried about Ye Chen, it seemed that the result was not good.

"It's okay, he will be fine" Shi Lin said to Wu Ziyi, she was sure that Ye Chen would be fine.

"Um. ." Wu Ziyi nodded lightly, she believed in what happened.

"Okay, next," Ye Chen has finished recording the score, in his opinion, this is a very good score.

The next person went up, he went up and started touching the tool, when he did, the tool wouldn't go up, obviously if it was broken.

"The tool is broken?" the caretaker has a problem, the tool is broken, he can't help but have to switch the line to the other party.

"The tool is broken, you go to the other side" he told all the participants, he told them all to go to the other side immediately.

"What, sucks" they are not happy, they are dissatisfied with what is happening.

They have no other choice, they won't be able to vent their frustration, they'll get into big trouble while doing so.

Xuan Mei squinted her eyes when she saw this, she felt something was not right in this place.

she is a cautious person, so she felt something was wrong.

"Master, you really ruined it," Chu Yuechan said to Ye Chen.

"It seems that I am too much" Ye Chen felt that he had overdone enough.

As Chu Yuechan said, he had done something very excessive once.

"But it doesn't matter, they are big Sects, something like this won't be a problem".

"You may be right" Chu Yuechan agreed with what Ye Chen said, this probably wouldn't be a problem, so they didn't need to think too much about it.

Ye Chen left, he waited for the other participants, this would probably be a little longer.

After more than 1 hour, finally everyone was done, they had been categorized into groups, Ye Chen was in a group with people who had cultivation at levels two to four immortal rebirth realm, they had a talent score of 5~10, that's why they were distinguished in the same class.

While Zen Khou is in its own game, geniuses have their own place, they will show their talents first.

The first test is a test of physical strength, they will hit a big drum, the stronger they hit it, then it will make some echoes, the minimum to pass is 4 echoes, besides they will be directly said to fail.

This test will determine pure physical strength, those with strength will have the opportunity to become strong fighters.

If they successfully pass with a score above 4, they have the opportunity to enter the destruction faction.

Zen Khou with a talent of 40 went straight forward, he became the first to try it, this is his special right.

"Bam . . . , Ding. . . , Ding. . . , Ding. . . , Ding. . . , Ding. . . , Ding. . . ," the resulting echoes totaled six.

"wow, his physical strength is amazing" Huang Peng was attracted by the power possessed by Zen Khou, Zen Khou's pure physical strength proved that he was worthy of being his person.

Everyone will not complain, indeed with such strength, Zen Khou has qualifications.

Everyone was pale when they saw the results obtained by Zen Khou, if a person as strong as Zen Khou only got six echoes, then what about them, surely they would be worse.

"Congratulations six echoes, you have the qualifications you deserve" the examiner said to Zen Khou.

"okay" Zen Khou nodded, he went downstairs proudly.

No one should be able to beat him right now, that is the highest score there is.

Zen Khou was at the eighth level of the Immortal Rebirth Realm, it was a high level, above everyone else in this place.

It's not strange that they are all worried about the results they can achieve, maybe they will have a tough battle.

All geniuses started trying it, among them only 50% passed while the other half failed and only got three echoes.

This proves how difficult this exam is, those who don't have good physical strength will not pass.

And those who don't pass may choose to target other factions.

There are still other occasions where it is their area of expertise.

So there is no problem with them, they still have a chance to be admitted.

"You won't go to get it," Li Haong said to Huang Peng.

"Let's take a look more, I want to know the limits" Huang Peng wanted to know the limits, he wanted to see how far the abilities possessed by Zen Khou.

After that ordinary participants began to try it, they gloriously tried it, they all showed their abilities.

Their score is terrible, even the lowest is 1, and only a few people can get a 4, the probability of getting a score of 4 is about 2%, a small number.

"Damn it's so difficult, everyone complains, those at a high level even fail because of lack of strength.

"Hahahaha, it won't be easy for you guys" Huang Peng is happy to see the scene in front of his eyes, he enjoys when he sees participants fail one after another, it proves that this is a difficult test.

"It seems that this is going to be difficult" Ye Chen felt that if this would be a very difficult thing, he clearly saw that many people failed this exam.

It shouldn't be difficult, with the strength and ability you possess, it shouldn't be too difficult" Chu Yuechan said.

Chu Yuechan felt that Ye Chen could get through this all easily.

"let's see" Ye Chen was about to restrain his strength, it might be enough to get a decent score to pass.

"Next" everyone tries, they do the best they can to get their best results.

After that, it was Ye Chen's turn of the group, in this group almost no one got a result of 4 echoes, they all only got 2 to three of them.

"It's useless, you're weak" they cursed for being weak.

"Will he be okay, it's probably going to be difficult" Shi Lin was probably sure of the alchemist's talent, yet he wasn't sure Ye Chen was that strong.

"It's okay, he is so strong, he can definitely get good results" Wu Ziyi said.

Wu Ziyi has seen Ye Chen's ability, she can definitely pass easily.

After waiting, it was Ye Chen's turn, Ye Chen got an opportunity.

"It's his turn" Jia Li was a little excited, she was excited when she saw Ye Chen's turn.

"why are you so excited, he won't be so good" Xuan Mei said to Jia Li.

"Indeed what's the problem, I just want to see how good he is" Jia Li said.

Jia Li saw Xuan Mei, the two stared at each other and glared at each other.

Chapter 2549 First Exam (2)

The two of them can't be matched, they will fight continuously and make people around feel intimidated by what is happening.

Ye Chen started, he was about to start showing strength.

"About how much I have to use my power" Ye Chen began to estimate how much he used his own power.

"15% should be enough" Chu Yuechan said to Ye Chen, she told Ye Chen that she only needed to use 15% of her strength.

"Okay, let's just use 15% of the force" Ye Chen agreed with what Chu Yuechan said, it should be enough to get 4-5.

"fight" many women gave Ye Chen encouragement, they told Ye Chen to do their best.

"Let's do it, and make them laugh with your ability" while the men around were preparing to laugh at Ye Chen.

They were sure that if Ye Chen would get 1~2, it was a result that a handsome guy who looked thin like Ye Chen could get.

"The body prospects are pretty good" Chu Peng looked at Ye Chen's body shape, although he was wearing a loose robe, Ye Chen still had a perfect body.

"Let's see what he can do" Chen Ting wanted to know the results that Ye Chen could get.

"As for whether Ye Chen was able to get a good result, they all wanted to know.

Ye Chen started, he hit with 15% force alone, it was enough to show his strength.

"Bam . . . Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . ,  
Ding . . . , Ding . . . , Ding, Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . , Ding . . . "An  
echo sound that kept sounding, there were a lot of them.

"Eh? ? ? ?" Ye Chen tilted his head, this result was far from what Ye Chen wanted, this was already too much.

"master, what are you doing ?" Chu Yuechan asked Ye Chen, she asked about what Ye Chen did.

"No, I didn't mean that" Ye Chen said that he didn't mean to do that, Ye Chen himself had restrained himself, he had sufficiently restrained his power well.

the result was beyond Ye Chen's expectation, and even everyone here saw that Ye Chen's result was beyond estimate.

"20, it's so crazy, what level is he, what kind of power does he have?" people couldn't calm down anymore, they all couldn't calm down when they knew the results obtained by Ye Chen.

Even the leaders of the faction were silent when they saw Ye Chen, they were speechless again when they saw what was in front of their eyes, what was in front of their eyes was an impossible thing to happen.

Even Huang Peng's jaw dropped when he saw what happened just now, he was completely shocked by what Ye Chen did.

"It's so unreasonable" Chen Ting felt that if this was unreasonable, she didn't believe the results obtained by Ye Chen.

Such a result obviously made a person like Huang Peng surprised, with Ye Chen's level, just getting four is really good, and this is 20x, obviously it is at a different level.

That physical strength was really very amazing, it was beyond the reach of people who were in the same cultivation as Ye Chen.

"It's so amazing, he's something" Jia Li said, Jia Li saw something so good, she felt very incredible when she saw Ye Chen.

"He . . ." Xuan Mei looked at Ye Chen, she saw Ye Chen using her eyes, she became curious about the results obtained by Ye Chen.

"good 20X, you something . . ." The guard looked at Ye Chen, he looked surprised when he saw Ye Chen.

"Hahahaha, you are so powerful, are you interested in joining my faction" Huang Peng said to Ye Chen.

"Leader Huang invited him, this is impossible" they all didn't believe that Huang Peng would invite Ye Chen directly.

"Thank you so much, I'll think first, I wonder how suitable my abilities are" Ye Chen rejected him euphemistically, he wanted to think first.

Ye Chen wanted to see all the exams, about afterwards he could determine it.

"You are so strong, you should match my faction" Huang Peng said to Ye Chen.

"I want to try another one first," Ye Chen said.

"So that's it, then I'll take a look, roughly what can you do" Huang Peng was interested, he was interested in what Ye Chen could do.

Huang Peng seemed to be able to understand what happened, he could understand because Ye Chen was still young, so he would have a hard time making his choice at this age.

"The old man, he wants to steal the start" Jia Li was not very happy when she saw this, to be honest, he didn't like it very much when she saw Huang Peng steal the start.

It's a good thing to refuse, otherwise it might be a problem.

After exchanging a few words with Ye Chen, Huang Peng came back, he now went back to sit back and see what happened.

Ye Chen himself also came back, he returned to his place.

"What's going on, it's a little weird" Ye Chen felt that this was a little strange.

"You are absolutely right, you are a little strange" Chu Yuechan said.

Chu Yuechan had to admit that Ye Chen was a little strange, he seemed unable to control his own power, he unleashed a lot of explosions in his attacks.

"hmmm." both thought, they thought about it well, they looked confused and didn't find an answer to the problem they had.

Meanwhile, at a distant place, Zhang Ein looked towards Ye Chen, she saw Ye Chen who had done something great once.

Zhang Ein did it, she was the one who made Ye Chen burst out such a powerful force.

Zhang Ein added a little ingredient in her cooking, it would keep Ye Chen in a state of full strength for 1 full day, no matter how strong Ye Chen restrained, he would burst out his full power.

"It's all happened, there's nothing you can do" Chu Yuechan said to Ye Chen, there was nothing Ye Chen could do.

"It's troublesome, there is nothing to do either" Ye Chen just sighed, there was nothing Ye Chen could do.

The exam continues, those who don't pass can only sigh, there is still a chance, they hope that they can be admitted to other factions.

"Okay, next is the exam to enter the sword faction, you will show your sword skills, you see the pole there, you only need to slash it using your sword technique, just like before, if you can drop four, you deserve to enter the sword faction" he explained what to do.

Everyone immediately understands what they have to do, they naturally understand what they have to do to graduate.

"The order is the same as before, please start" he told the participants, they began to line up.

Zen Khou was still the first, he picked up a sword and started slashing at the pole in front using one swing.

"Slash . . ." Zen Khou can slash a total of five, it seems that the sword is not the best weapon possessed by Zen Khou.

"five, as expected of the Zen Khou" they applauded, they recognized the ability possessed by Zen Khou.

"I'm not good at this, it seems that a big axe weapon suits me better" with the body possessed by Zen Khou, he is more suitable to use a large axe than to use a sword.

"What a great result" Xuan Mei admits that if Zen Khou has the ability, she has to admit that Zen Khou is worthy.

"Not bad, I might have to steal it from you" Xuan Mei said to Huang Peng.

"Dream, I won't let you" Huang Peng said that he would not let Zen Khou.

"We'll see" Xuan Mei said, Xuan Mei didn't seem to give up, she didn't seem to be willing to give up on getting good things in the year.

"Slash. ." A powerful sword cut through the six poles, it made everyone look at it.

They saw a man with a beard and also a slightly large body, he was like a soldier who had spent all day training.

Xuan Mei was a little excited, she finally found a good one.

"Yun Ganye got six poles, what an amazing" the man's name was Yun Ganye, he was an extraordinary swordsman.

"It seems that you found a good thing too," Jia Li said to Xuan Mei.

"Of course, I have good luck, don't think you are the lucky one in this place" Xuan Mei said.

"Don't be arrogant too soon, old lady," Jia Li said to Xuan Mei.

Jia Li doesn't like what happened very much, they are rivals, of course they will not be happy when the other party gets a good thing.

"The two of them are troublesome, can't they stop fighting all the time" the faction heads around sighed when they saw this, to be honest they had a problem when it came to making Jia Li and Xuan Mei meet in the same place.

The other genius participants began to join in, they all began to join forces to show their abilities.

Sword and strength are the basic foundation, most participants in this place are naturally familiar with this, so those who successfully pass are about 2%, which is a lot.

Some people were disappointed and began to despair, this second exam was as difficult as the first.

Now it was Ye Chen's turn, he got his turn earlier than before.

"That's it, what score will he get?" Everyone was curious about Ye Chen's results, they all wanted to know Ye Chen's results in the second exam.

"I wonder if he can get a perfect score" Jia Li wanted to know if Ye Chen was able to get a perfect score of 10.

Chapter 2550 Second, Third And Fourth Exams

"It's impossible, even though he is strong, physical strength and sword swinging technique are two different things," Jia Li said.

Jia Li told me that using a sword and physical strength are two completely different things, so Ye Chen will not be easy to get a score of 10.

Maybe he can get six points, it is a rough guess from Xuan Mei.

"Let's see, he made such a great thing, whether he is capable of doing it again" Jia Li wanted to see if Ye Chen could make another crazy thing, she wanted to see how crazy Ye Chen was, how his strength is now, it made Jia Li even more excited.

Jia Li saw the potential possessed by Ye Chen, she could see the potential possessed by Ye Chen, her potential was really very extraordinary.

"Huft. . ." Ye Chen started slowly, himself began to organize his own power.

Because of Zhang Ein's actions, Ye Chen wouldn't be able to resist the power that belonged to him, he would cut everything easily with just one light swing.

Ye Chen made a light swing, he swung a sword movement lightly.

For people, they saw that if Ye Chen only did lightly, maybe the result would not be so good.

"It seems that this time the results will be bad" people began fortune telling, they predicted that Ye Chen's results would be poor and might not pass the second exam.

"Slash . . ." Ye Chen cut perfectly, he was able to cut everything perfectly once.

Ten poles were successfully cut by Ye Chen, each of which was hard and strong, each of which could be easily slashed by Ye Chen.

The area became quiet for a while, it became extremely quiet once for a while, everyone fell silent when they saw what happened.

Ye Chen's results were beyond expectation again, he made such an impossible thing again.

"Perfect score, this is impossible. they had already begun to be overwhelmed when they saw Ye Chen.

The score obtained by Ye Chen was unreasonable again, he got an unreasonable score again.

"Again, unreasonable score" they couldn't help but fall silent, they could no longer look at Ye Chen lightly.

"Look at it well, she did well" Jia Li said to Xuan Mei.

Xuan Mei is now speechless, she no longer has words for Ye Chen,

Ye Chen completely silenced Xuan Mei, Xuan Mei couldn't help but speechless when she saw Ye Chen.

The thoughts that belonged to Xuan Mei were lost, she was still processing what had just happened.

Jia Li smiled, she had never seen such a rare sight, it can be said that this is a very rare scene.

Some time later Xuan Mei stood up, she went downstairs and came to Ye Chen.

"You, your name is Ye Chen right?, how about you come with me, I can pass a powerful technique to you" Xuan Mei said to Ye Chen, herself telling her that she could provide a good technique for Ye Chen.

"Thank you very much, I will think about it well" Ye Chen said to Xuan Mei.

"I hope you think about it well" Xuan Mei said to Ye Chen, Xuan Mei is domineering, she has a strong and serious temperament, it is not easy to speak normally against her.

"After saying what Xuan Mei needed to say back, she returned to her seat."

Xuan Mei hoped that Ye Chen would consider what she said.

Everything depends on Ye Chen, whether he accepts it or not.

Here Xuan Mei has a strong enemy, Huang Peng is also eyeing Ye Chen, so she has to fight against Huang Peng to get Ye Chen.

Ye Chen went downstairs, the more cheers from the girls around, the female participants praised Ye Chen.

Meanwhile the men around could only bite their fingers, they swallowed everything badly, they had no chance to look down on Ye Chen.

The second exam continued, the pass percentage was only about 1.5%, which is a smaller number compared to before.

Enter the third exam of the speed exam, those with speed are worthy of admission.

"Okay, we get to the speed fraction, you are all ready, we will race, the person who can get to the finish line first will be the winner" This time everyone will race, they will all race for numbers.

"For this year there are only 200 quotas, master Chu Li Haong opened 200 200 quotas, so those who can reach the finish line first will qualify.

Unlike before, this time the participants who pass will be limited, there are only 200 people who can qualify and join the speed faction.

From the beginning, this faction has always opened the fewest vacancies, it is because it will be difficult to train them in large numbers, so just a little bit is enough for Li Haong.

"You all have to fight, don't miss this opportunity" he told not to miss this opportunity, an opportunity like this will not come twice in life.

"Finally the real test" they were excited about, this was the time to show their strength before the women and masters within the Sect.

"One more thing, you are allowed to attack, but don't overdo it, don't kill in this exam, or you will get into big trouble" he told everyone.

"Okay . . ." all the men looked at Ye Chen, it seemed that they were going to target Ye Chen.

Ye Chen scratched his cheek, himself knew what was going to happen, it seemed that this was going to be more chaotic than before.

"Master, you have to run, they are all targeting you" Chu Yuechan said to Ye Chen, she told Ye Chen to run.

All the men who were unhappy would target Ye Chen, they prepared an attack for Ye Chen.

"Okay, be ready in your position" The supervisor gave a warning, everyone should be ready in their position.

"start . . . , Bam . . ." An explosion occurred, some people had already started a fire and started tackling their opponents and other participants.

It's no longer a running race, it's a battleground, everyone is trying their best to defend and attack their competitors around.

"So that's it, so that's it. ." They were really fighting, everyone was fighting and there started to be a big riot.

"Man, there have been riots again this year, it's the same as last year" Shi Lin said.

"Is it always like this?" Wu Ziyi asked Shi Lin.

"um. . . , it has always been like this, many people will be injured in this test, I hope they are okay" Shi Lin said.

What will be troublesome is Shi Lin and comrades, they have to take care of them and provide healing items for them.

Shi Lin didn't like it, she liked being told to work like that, she would rather not have anything bad happen.

Ye Chen started running, there are countless people who are now eyeing him, they are all eyeing Ye Chen.

"As expected of the master, they are all eyeing you, you are popular" Chu Yuechan said to Ye Chen.

"They obviously wanted to kill me" Ye Chen said to Chu Yuechan, Ye Chen was really in trouble, he was hunted down by thousands of people and had to avoid all attacks.

"Avoid all that" Chu Yuechan said to Ye Chen, she told Ye Chen to avoid all the attacks at hand.

Ye Chen avoided all attacks, all directed attacks could be perfectly avoided.

"He dodged that many attacks perfectly" the faction heads couldn't calm down when they saw Ye Chen dodge so well.

All the attacks no one can touch, he is too fast, none of them can keep up with Ye Chen's speed.

"Plus he is very fast" Xuan Mei saw that Ye Chen was so fast.

"The speed is indeed fast, but he will soon be chased by them" Li Haong saw that Ye Chen would soon be overtaken by the participants.

The other participants didn't let Ye Chen, they surrounded Ye Chen from all sides, they intended to corner Ye Chen.

Ye Chen was aware of their movements, they wanted to corner him, that's why Ye Chen had to make up his mind immediately.

"It seems that I have to escape quickly" Ye Chen felt that he had to leave them, he had to leave this place because it would be dangerous to be caught in the crowd.

Ye Chen increased his footsteps, his speed rose very high, within a few seconds Ye Chen increased the speed by 10x, he left everyone behind and disappeared.

"Huh?" everyone was shocked when they saw Ye Chen disappear, they were speechless when they saw Ye Chen disappear quickly.

"explosive speed" Jia Li said while looking at Ye Chen in the projection, it was so fast once, he left all the participants behind and became the first.

At speed now, there are almost no decent people in the same league as Ye Chen.

Ye Chen lost his balance several times when running, he couldn't use the output properly, it made his speed too fast.

It is almost impossible to control Ye Chen's speed now, he is like an unstoppable carriage.

A few minutes later, he reached the finish, he was the first to arrive, nobody was here but him.

This "is it done" is fast enough, Ye Chen has already arrived at the finish first.

"It's amazing that you became the first person with such a shocking record time, only 5 minutes, it's amazing" one said to Ye Chen, Ye Chen just recorded the best score in history, no one has ever reached the finish within 5 minutes, it was so fast.

"applause . . . , applause . . . , applause . . . , applause . . . , applause . . .," Li Haong clapped his hands.

Li Haong had never seen anything like this, this was the first time he had seen such a thing, he had never seen such a thing done by Ye Chen.

This naturally made Li Haong surprised, he was shocked when he saw what Ye Chen did.

Li Haong was speechless when he saw what Ye Chen did.

Li Haong did the same as Xuan Mei and Huang Peng.

Ye Chen rejected it again, he rejected it again, he again rejected such an amazing offer, it shocked everyone.

The other participants started to catch up, they did their best to catch up with Ye Chen.

Although they had done the best they could, they were all still very far behind Ye Chen, it took them 30 minutes to catch up with Ye Chen.

At the moment when the other participants chased up, Ye Chen casually sat back and relaxed, he was like a boss in a match from the audience seat.

"This guy. . ." so many people are unhappy with Ye Chen, they feel unhappy with Ye Chen.

The first 199 people made it through, the last one had a record time of about 45 minutes, which is a pretty good score.

Those who did not pass were disappointed, they could all only practice and try again on another occasion.

"Okay, let's proceed to the fourth exam, this exam is to create an Array, this time there will be a special instructor who will test you, you who can't please withdraw right away.

This exam is for people who can, those who can't be allowed to withdraw.

There were so many people who retreated, they didn't understand about arrays and seals, so they decided to retreat right now.

"Is it okay to retreat this time, then I will just retreat" Ye Chen didn't have much interest in the exam this time, making the array a little troublesome, it was better to just skip it.

"Where are you going?" when Ye Chen was about to leave, he was stopped.

"I'll retreat," Ye Chen said.

"No, you shouldn't, your previous results were very good, you are not allowed to do that thing, even if you are not good, you should still do it" the instructor stopped Ye Chen, he stopped Ye Chen who wanted to retreat.

Ye Chen's exit was closed, he could no longer escape after being detained, Ye Chen couldn't help but have to come along.

"Fufufufu, you are being noticed, I am sure that he is a disciple of Wang Tao" Chu Yuechan said.

"You already know, there's no need to ask any more" Ye Chen said to Chu Yuechan.

"Okay, let's start, you guys are welcome to use all the materials you need, right" the instructor said to Ye Chen.

They used existing materials, it seemed that they had to make an advanced array.

It's like a toy to Ye Chen, he has learned, so it won't be difficult to make an Array.

"What do you think I'm going to make here?" Ye Chen thought for a while, he wanted to know what kind of Array to make.

"Defense, attack or something else?" Ye Chen thought for a while, he was looking for something that seemed normal and would not be so conspicuous.

"Do you need help?" Chu Ning'er said to Ye Chen, she said to Ye Chen.

Chu Ning'er had what Ye Chen needed, she was like a walking library that could help Ye Chen.

"I have too," Chu Yuechan said.

Chu Yuechan also had, she had several high-level copies.

"do you have a normal one?" asked Ye Chen at Chu Yuechan.

"Nothing, they are all high rankings" Chu Yuechan said to Ye Chen, she told Ye Chen that they were all high rankings and ancient.

"I have a normal one, this is The Array accelerates the growth of medicine, it may not be better than the gate goes, but you can use it" Chu Ning'er has a normal one.

"let me see for a while" Ye Chen said to Chu Ning'er, he wanted to confirm what Chu Ning'er said.

After confirming that there was no problem, Ye Chen just used it directly.

This speeds up by about 40%, which should be perfectly normal considering that the departure gate can speed up many times and it's already unreasonable and impossible to do.

Ye Chen made it quickly, he made it quickly and a little roughly, this was to cover up the abilities he had.

"It seems that this is enough" Ye Chen felt that if this was enough, it was time for testing.

"A little rude, but that's enough" Chu Yuechan agreed with what Ye Chen said, she quite agreed after seeing the results obtained by Ye Chen.

the results obtained by Ye Chen can be said to be very ordinary, he probably won't be so conspicuous.
